School Board Gets KES Construction Update

By Andrew R. Kuehl
 Staff Writer/Photographer

The Kewaskum School Board met Monday evening, to discuss normal business and to hear construction updates.

Treasurer, Jon Downs made a motion to approve accounts payable/payroll expenditures in the amount of \$1,109,760.49.

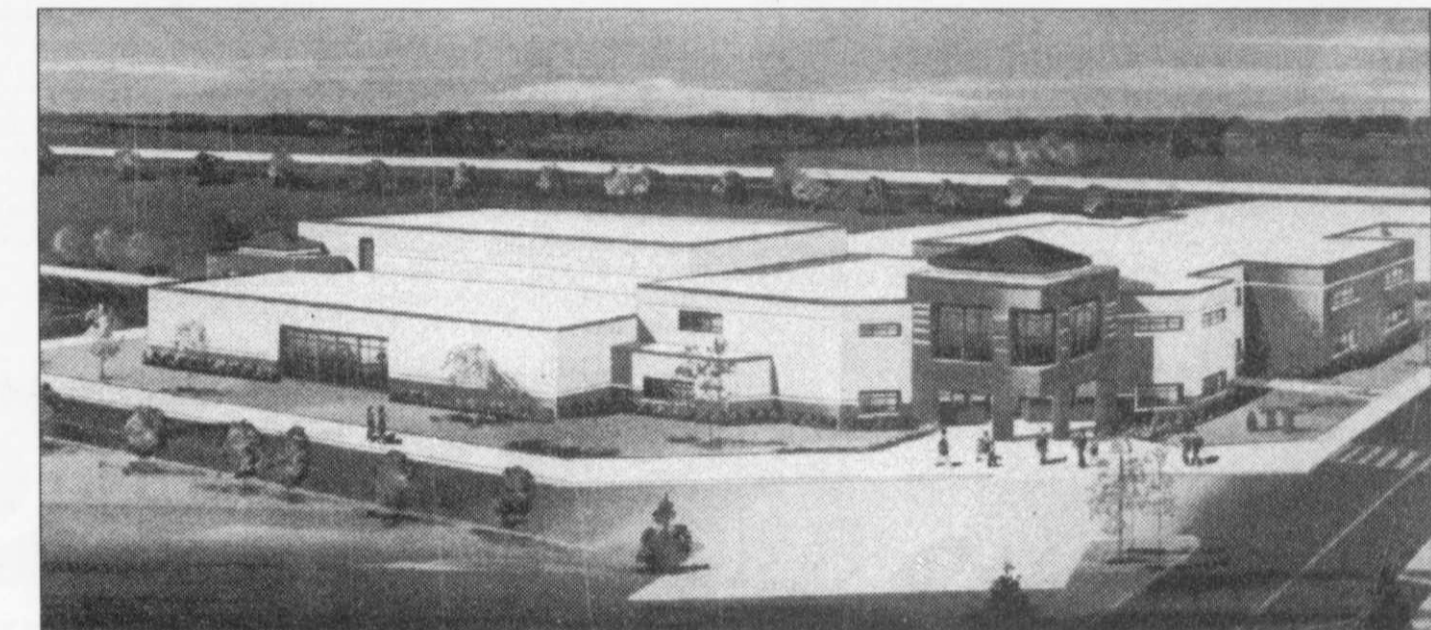

Kewaskum business manager Paul Reichert and Ray Hane of Brey and Associates, architect for the project were present to discuss the building projects in the district.

Reichert issued a memorandum on the current building operations to the board and the press.

In his memo Reichert stated, C.D. Smith received a large number of bids from the sub-contractors which brought in very favorable pricing for the project.

Reichert was also pleased to announce that they are below the guaranteed maximum price (GMP) for all three buildings where construction is taking place.

At K.E.S. they are \$167,788 below the GMP, at W.E.S. they

An artist's rendition of the future Kewaskum Elementary School which will begin construction in July.

are \$1,154 below and F.E.S. is \$22,853. A combined total of \$191,795 is being realized by the district which can be put into a contingency fund.

When C.D. Smith received the bids for K.E.S. they also received bids for the demolition of the old K.E.S. and off-site storm sewer. Both costs

were well below the estimated price.

Improvements to the septic systems at Wayne and Farmington were more than anticipated. Though the net result is a savings that can be added to the contingency accounts for Farmington and Wayne.

The board voted in favor of adding more cabinetry at Farmington and Wayne at a cost of \$46,819.

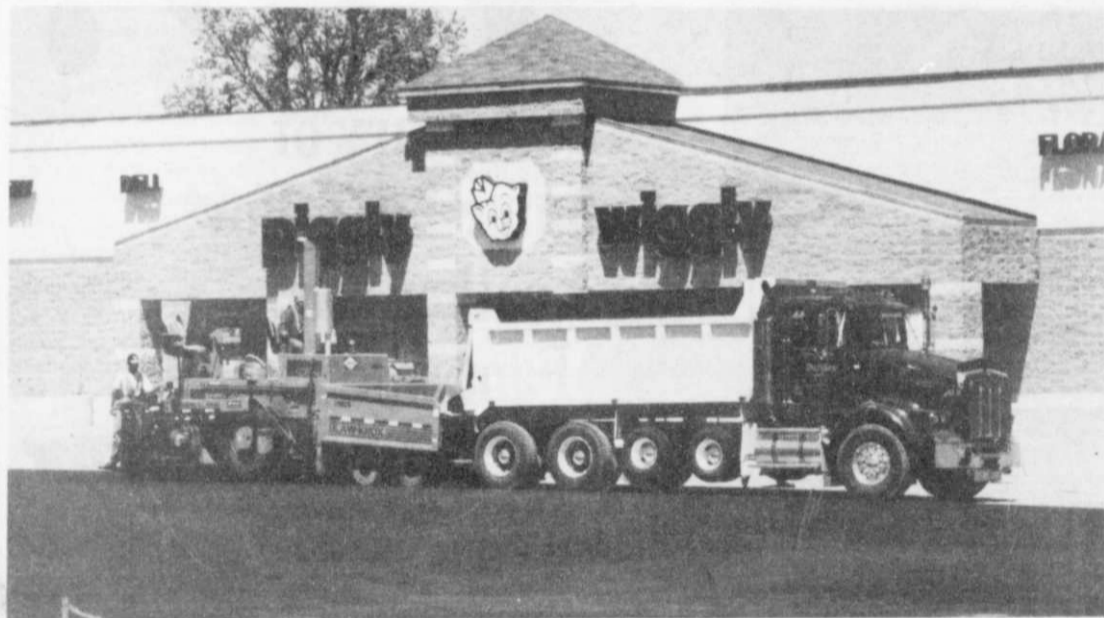

They also voted to finish the two additional classrooms at Wayne which were to be left unfinished for future use. This would be done to expand the library into an adjoining room.

This would cost the district \$42,456. If the board decided to wait the two years originally planned, it would cost \$47,500.

The board appointments stayed the same, Mary Meisser will remain the CESA representative and John Schulte will

Former Resident Ryan Boegel Killed In Tragic Motorcycle Accident

TOWN OF ASHFORD - A 25-year-old Lomira man tragically lost his life as a result of injuries he received in a motorcycle accident around 1:15 a.m. Sunday morning.

Former Kewaskum resident Ryan V. Boegel was alone on his motorcycle while driving westbound on STH 67, west of River Road. Boegel, who was not wearing a helmet, allegedly failed to negotiate a curve. The motorcycle left the roadway and struck a culvert.

Boegel was found nearly 10 hours later, when a passing motorist saw him lying along an embankment on STH 67 and notified the Fond du Lac County Sheriff's Department.

Ryan is the son of Jim and Nancy Boegel of Kewaskum.

The accident was the eighth motor vehicle fatality in Fond du Lac County this year.

A complete obituary can be found on page 10 of this issue.

Vandals Shoot at Three Kewaskum Businesses

By Andrew R. Kuehl
Staff Writer/Photographer

Three local businesses in the village were vandalized last week by unknown persons who used a BB or pellet gun shooting at windows sometime between late Sunday evening and Monday morning.

The first of the businesses, Coffee Corner, located at Main St. and Fond du Lac Ave. reported their damage at 6:23 a.m. Their windows measuring six feet by eight feet, were shattered from the BB or pellet.

The second business involved in the vandalism, was Miller's Furniture, on Forest and Fond du Lac Avenues. They reported

damage to three plate glass windows, two on the east side of their building and one on the south side.

The last business involved was Kuehl's Suds & Spirits on east Main Street. Owner Dennis Kuehl reported he also had a window on the front side of his business shot out probably around the same time as the other businesses.

The Kewaskum Police Department is investigating leads in reference to the vandalism.

If anyone has additional information, please call the police department at 262-626-2323 or the CONFIDENTIAL Washington County WE-TIP line at 1-800-432-0594.

Schools. Some of the equipment is needed to replace old, worn-out equipment while other items are needed to upgrade the kitchens to bring them into compliance with new state regulations."

The cost of the equipment will be taken from the Food Service Program and charged to the 2000-01 budget.

The Food Service has fund balance of almost \$81,000 that may be used for this purpose.

The equipment is scheduled to be installed by the start of school in September.

The district will be awarding the bid to Reinhart Food Service for \$29,545.95.

The Policy Committee will meet June 26 at 6:00 pm in the district office.

The next regular business meeting of the board of education will be July 10 at 7 pm in the high school library, 1510 Bilgo Lane.

School District to Begin Classes in September

The School District of Kewaskum will be complying with state statute for the 2000-01 school year by not beginning classes until September 2000.

A strong factor in this decision was the building construction at both the outlying elementary schools in Farmington and Wayne. The board believes it would be advantageous to the school district and construction personnel to delay the start of school for a couple of weeks to insure that building occupancy would occur next fall with the least amount of scheduling disruptions.

The Kewaskum Teacher's Association and the Kewaskum School Board will need to negotiate the details of the calendar so inclusive and year ending dates will not be known for several weeks.

The likely starting date for students will be either September 5 or 6. Once a new calendar has been ratified, a copy will be published in *The Kewaskum Statesman*.

In most advertisements, the time displayed on a watch is 10:10.

Construction Update

(Continued from Page 1)

be the WASB representative.

The board accepted a resignation from KHS english instructor Jamie Jastrab who started for the district in 1996. Jastrab states his resignation is due to being accepted into an Exceptional Education Program at UW-Milwaukee.

The board was also informed that a make-up day

was not needed for the closing of KHS due to vandalism a few weeks earlier.

Reichert brought before the board a memo on food service bids.

In his memo, Reichert stated, "Kathy Robinson has received bids to replace equipment in the kitchens at Farmington and Wayne

United Way Leadership, Theme Announced for 2000

Charlie and Gaytha Hillman

Charlie and Gaytha Hillman of West Bend have been named Campaign Co-Chairs of the 2000 United Way of Washington County fund drive. Since 1983, they have owned and operated Hillman Consulting and H-Net, a computer-aided design and manufacturing consulting and internet provider business.

A long time West Bend resident, Charlie graduated from West Bend High School in 1969 as valedictorian and a Ziegler scholar. He has a B.S. degree from the Massachusetts Institute of Technology, and a Master's degree in engineering from UW-Milwaukee. He serves on the United Way Board of Directors, West Bend Noon Rotary Club, Cedar Campuses Board, Friends of Sculpture, is a youth sports coach for soccer and softball, and other activities.

Gaytha is from Flint, Michigan, and graduated from Janesville Senior High School. She has a B.S. degree in Education from UW-Madison. Gaytha's activities include: President of the West Bend Area Chamber of Commerce, the Executive Board of the Ozaukee-Washington Land Trust, West Bend Columns Scholarship Foundation, West Bend Community Foundation Board, the Moraine Symphony

Orchestra Board, and she is past president of the Volunteer Center of Washington County.

Married for 28 years, the Hillmans lived in Boston and California before returning to West Bend in 1983. They have three daughters, Jessica, Katie and Laura, and are pleased to be leading the United Way drive. "Family has always been important to us, and we're looking forward to working with the United Way family of agencies, volunteers and donors," said Gaytha.

The 2000 Campaign Theme is "Give Help, Give Hope." The 1999 Campaign, led by Chairperson Mo Josten, also used this to much success.

Charlie commented, "Our 64-year history as a United Way organization in Washington County is rich with generosity. We believe the two key words - Help and Hope - reflect the nature of the United Way spirit of giving." The campaign begins in late August, and will cover the 10 communities of Hartford, Kewaskum, Jackson, Slinger, Allenton, Newburg, Hubertus, Richfield, Colgate and West Bend. The 1999 campaign surpassed its goal, raising \$1,087,199.

The Hillmans continued, "Each year, we build on our previous success and

strengths. Most of our key campaign leaders are already in place, thanks to the foresight and planning from last year's excellent effort, chaired by Josten. Many are repeat volunteers, and others are new for 2000.

"Right now, we're in the process of reviewing our past campaign successes, looking at agency needs for 2001, and recruiting approximately 160 volunteers who will be involved in this year's campaign," said Gaytha.

She continued, "United Way funded programs and services reach 1 in 4 people in our County. We see people involvement as the key to our continuing success. United Way's track record shows that businesses and individuals in Washington County are extremely supportive of the organization. We're counting on that support to continue and build this year as well," she said.

Barbara Hurula, Executive Director of United Way, complimented the Hillmans for accepting the co-chair responsibility for 2000. "Those who know Charlie and Gaytha give them high marks for their dedication and commitment. Their ability to successfully work together in business speaks well of the leadership and team effort they'll bring to our upcoming Campaign," said Hurula. "With changes in the economy, we believe it will be a challenge to raise necessary funds to help our families, friends, neighbors and co-workers who live and work here in Washington County.

"We'd like to thank the Washington County community for its continued generosity in supporting health and human service needs," said the Hillmans. "We're looking for success again in 2000. Agency needs are increasing and the number of donors, as well as giving levels, need to increase as well," they said.

Recipient agencies have prepared their 2001 budgets, and are currently with United Way Fund Distribution Panels, made up of volunteers from around the County. The Panels will make 2001 funding recommendations to the United Way Board of

Directors by late June. Agency needs, along with the giving history of businesses and individual donors and the local United Way operating budget will be combined to determine the 2000 Campaign Goal. Final approval of the Goal will be made by the Board of Directors in late July.

Funds collected in the upcoming campaign will benefit 25 agencies and more than 60 programs throughout Washington County. These agencies are: American Heart Association, American Red Cross - Northern Region, American Red Cross - West Bend Chapter, Big Brothers/Big Sisters of Washington County, Bay Lakes Boy Scout Council, Potawatomi Area Boy Scout Council, Boys and Girls Club, Catholic Charities, Child's Place, Citizen Advocacy of Washington County, Council on Alcohol and Other Drug Abuse, Family Center of Washington County, Friends of Abused Families.

Full Shelf Food Pantry, Great Blue Heron Girl Scout Council, Manitou Girl Scout Council, Hartford Area Blood Donors, Kettle Moraine Support Services, Lutheran Social Services, Nova Services, Salvation Army, Senior Citizens Activities, The Threshold, Volunteer Center of Washington County, and The Youth and Family Project.

Kewaskum 4-H Club News

The June 1st meeting of the Kewaskum 4-Hers was started a few minutes late due to the storm warnings in Kewaskum. After the pledges and roll call, secretary Sarah Kissinger read the minutes from the last meeting. Stephanie Briggs gave the treasurer's report.

Members reported on the fun they had at the Mustangs game and bingo activity with the Meadow Creek residents. Moving onto Old Business, members were reminded about arrangements for the trip to Noah's Ark on June 15th. A sign up sheet was passed around for those able to help at the brat fry on June 24th for the Grand Opening of Piggly Wiggly in Kewaskum. Information for the upcoming County Fair was also gone over.

For New Business, we will be having our next meeting at Kiwanis Park on Thursday, July 6th at 5:30 p.m. Each family should bring a dish to pass.

Happy Birthday this month to Stacey Tutas and Heather Hackbarth. Demonstrations were given by Sandra Schaefer on basketry and Stacey Tutas in wax candles.

Childbirth Preparation Class Offered

St. Joseph's Community Hospital of West Bend is holding a prepared childbirth class on Wednesday, July 5 and Tuesdays, July 11, 18 and 25 from 7 to 9:30 p.m. in the hospital fourth floor east conference room.

Classes provide information to help parents make informed decisions for the last trimester of pregnancy, labor and childbirth. Topics discussed include nutrition, common discomforts of late pregnancy, labor and delivery, cesarean birth, what to expect in the hospital, emotional aspects, newborn characteristics and basic infant care. Each class includes practice in relaxation and breathing patterns that are helpful for labor and delivery. Expectant parents also tour the New Life Center.

The fee is \$30 per couple. To register or for more information, please call the hospital's Class Connection Line at 306-7888.

Spring Concert Held at FES

Fourth graders Elizabeth Potter, left, and Amber Kegley introduce a song during the Spring Concert at Farmington Elementary School recently. The concert highlighted delightful folk songs from cultures around the world.

Dundee Mill Park Days On June 16, 17

You will want to mark you calendars for June 16 and 17 for Dundee Mill Park Days '00. The date was chosen by the Partners of the Mill Park, replacing the former Fall celebration.

"We invite families to include the Mill and Mill Park in their Father's Day plans. The event was purposely planned for Friday and Saturday, leaving Father's Day Sunday free for families to be together at home."

Families can come on Friday evening to cook hot dogs together over a bonfire, stroll on the groomed lantern trail through the

park, and mingle with the Civil War reenactors and buckskinners. On Saturday, events include a petting farm, wildflower slide show, birds of prey, clowns, kids games, Civil War camp life reenactions, great food, and live music.

Improvements are continuing on both the Mill building and the park surrounding it. The Mill sports new siding, chosen to replicate the original siding of years ago, a new roof, and new windows. Not so evident improvements include shoring up the stone wall, staining and cleaning. A waterwheel is in the planning stages.

Planting along the waterway, surrounding the building, and throughout the park continue to be improved. A waterfall has been installed and is being

prepared for landscaping. Fish continue to be stocked in the youth pond. A rustic stairs is being planned as an Eagle project.

Join the festivities in Dundee on Friday and Saturday, June 16 and 17. In addition to good, wholesome family fun, you will know you are helping to save one of the area's historical jewels, the mill and mill park in Dundee.

Donald Duck comics were banned in Finland because he doesn't wear pants.

Vacation Bible School At Wayne's Salem Church

Salem UCC Church in Wayne (Hwy H & W) will again hold its Vacation Bible School this year the week of June 26-30.

The Program will include children ages 5 thru 7th grade. The time is 8:30 a.m. to 11:30 a.m.

We are blessed with dedicated and knowledgeable teachers. The children will

very much enjoy the lessons, arts and crafts, activities, games and snacks.

This years topic is JESUS, THE LIGHT OF THE WORLD.

Questions or more information, call 262-626-4000. Attendance is not restricted to members only. All children with that age group are cordially invited and will be most sincerely welcomed.

The largest fish is the whale shark. It weighs up to 15 short tons—more than twice as much as an African elephant.

Special Olympians Compete At Track Regional

Members of the Kewaskum Special Olympics squad gather for a photo following the day's competition. From left, are: P.J. Arcaute, Ashley Grauden, team assistant Jeff Puestow, Amy Puestow, Kelly Wagner and Joshua Dreher. Not pictured is team member Sara Stockinger.

On the awards platform at Nicolet High School, Sara Stockinger accepts congratulations from a member of the Milwaukee Fire Department for her third place finish in the 50 meter run.

Athletes from the Kewaskum Special Olympics competed with athletes from southwestern Wisconsin at the Greater Milwaukee Area Track and Field Meet held at Nicolet High School in Glendale, Wisconsin on May 6.

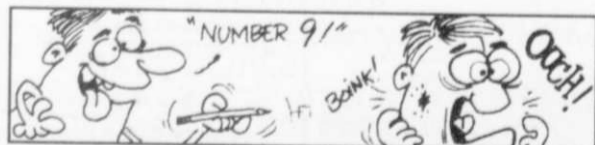

Ashley Grauden and P.J. Arcaute finished one-two in their division of the 100 meter run. Ashley also grabbed a blue ribbon for her finish in the standing long jump, while P.J. did the same in his division of the event.

Amy Puestow captured a

third in the 50 meter run and a second in the standing long jump. Joshua Dreher earned a fourth in his division of the 50 meter run and another fourth in the age 12-15 bracket of the standing long jump.

Sara Stockinger finished third in both the 50 meter run and the softball throw. Kelly Wagner grabbed a second in the standing long jump and an impressive fourth in the 100 meter run.

Way to go, athletes!

The harder a pencil is, the higher its number and the more clay and less graphite it contains.

WES Youth Power Officers

Serving this past school year as officers for the Wayne Elementary School Youth Power Club were, from left: Secretary Jonathon Wicklund, Captain Eric Ogi, Treasurer Ashley Loomans and Historian Jocie Abfall. Youth Power (formerly the Just Say No Club) promotes healthy future lifestyle choices for its members as well as involvement and concern for the community.

Vichyssoise, cold potato-and-leek soup, owes its existence to a French king who feared being poisoned. Henry XV had his food tasted by his servants to make sure it wasn't poisoned, which is why his potato soup was cold when it finally reached him. It turned out he preferred it that way.

Holy Trinity Students Visit Riveredge

By Jesse Michaels

On May 2, the sixth graders of Holy Trinity School in Kewaskum went to Riveredge Nature Center near Newburg to learn how to pace and to learn about compasses. We had to follow a map that our instructors gave us. Then everyone got their own compass and we had to pace our distance and follow the directions we were given. We had a tough time at first, but after awhile, we got the hang of it. By the end of the day, we paced all the way back to our bus to see how many miles we walked.

By Eltsa Schoofs

On May 15, Mrs. Hubert's fifth grade class at Holy Trinity visited Riveredge Nature Center to study energy. At the beginning of the day, we played an energy game with popcorn that taught them how energy is transferred. In the afternoon, we learned about pond animals and plants. We got to look at the animals under microscopes. We all had fun and learned a lot about energy.

Births

RUSSELL -- A son, Hayden William, to Karen and Brian of Kewaskum, on May 31.

KIRKEGAARD -- A daughter, Berit Mason, to Laura and Eric of Kewaskum, on June 2.

D.A.R.E. Graduations Held at K.E.S. and W.E.S.

Wayne Elementary fifth graders recently completed their semester of D.A.R.E. classes, learning ways to say no to drugs and violence. The five students that read their essays during the D.A.R.E. graduation were front, left to right, Ryan Wade, Steve Juech, Matthew Wiedemeyer, and back, left to right, Amanda Becker and Ashley Weiss. Wayne's D.A.R.E. program is promoted through the Washington County Sheriff's Department.

Kewaskum Elementary fifth grader Ashleigh Heintz shares her essay about what she had learned from her D.A.R.E. class with Kewaskum Police Officer Tom Bauer during the K.E.S. D.A.R.E. graduation in the K.E.S. gym, while Katie Guth and Jack Breese await their turns. Other readers were Tony Lewko, Darcy Dickman, and Matthew Mihas.

Are Your Household Products Killing You?

You are cordially invited to a wellness seminar with Joe Clementi. Joe Clementi is a nationally recognized investigative reporter and Boston-based Wellness Consultant.

During this free two-hour educational session you will learn:

- * What you are using in your everyday life that can contribute to, or cause health problems.

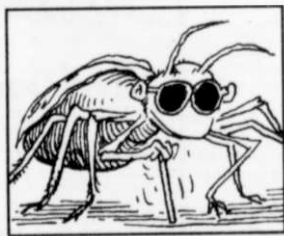

- * How you can minimize your family's exposure to deadly toxins and the health risks associated with them.

- * How you can take a natural approach to wellness.

- * Research that shows how alternative approaches to medicine are having, in many cases, greater success than traditional methods.

This free two-hour semi-

nar will be held at the Meadow Creek Apartments, 1119 Roseland Drive, Kewaskum, on Monday, June 12, at 7 p.m. Please park on the street. This seminar is free of charge and open to the public.

Termites are blind.

District Students Earn Health/Fitness Awards

Students at Kewaskum and Wayne Elementary Schools were cited for their fitness and health. Some were given health certificates, while others earned National and Presidential Fitness Awards.

Presidential Fitness Awards are presented to students placing in the top 85 percent of students nationwide in five events: mile run, sit-ups, pull-ups, shuttle run, and flexibility stretching (sit and stretch). National Fitness Awards are for students placing in the top fifty percent. Health Certificates were presented to students demonstrating a good level of fitness as well.

Winners of the year 2000 Presidential Fitness Award were fifth grader Eric Ogi of Wayne Elementary, who captured the honor for the second time, and KES fourth grader Ben Butler.

Wayne Elementary School's Fitness Award winners were Zara Gerz and

Andy McDonald (who both earned it for the second year), as well as Amanda Stollenwerk, Ryan Wade, Jonathan Wicklund, and David Spang.

Fitness Award winners from KES were two-time winners Jack Breese, Melissa Hammen, Stephan Kattar, and Alex Raoh, along with KES first timers Gregg Reidelback, Caytlin Sprinkman, Brittany Larson, Melissa Anderson, John Beiswenger, Lucas Krieser, Brent Parish, Josh Umhoefer, Bill Otten, and Thomas Paulus.

KES Health Certificates went to Ryan Wunsch, Tony Lewko, Alison Kimble, Sarah Kissinger, Samantha Marchant, Justin Beimborn, Matt Butzke, Samantha Castleman, Nicole Meyer, Sean Olig, Amanda Osswald, Nick Schleilein, Amanda Schneider, Lindy Taylor, and Billy Utecht.

Congratulations to every one of you!

Busy Two Weeks at Tuttle Creek

The past two weeks have been filled with educational experiences to help teach the children at Tuttle Creek Learning Center more about the people and careers that make the world run.

On Tuesday, May 16, Officer Bob Buddenhagen, shown above, stopped by to tell students about being a police officer.

On Tuesday, May 23, Frank Gatzke and Mike Schickert, volunteer firefighters from the Kewaskum fire department, shown below, dropped by to let the children look at a fire truck.

Wednesday, May 24, Deb Strigenz, a local attorney, told the children what it's like to be in a courtroom and had a great time teaching the kids how to yell "order in the court" just like a judge.

Lastly, Thursday, May 25, the children took a field trip to the post office where they took a tour, purchase a stamp and mail a letter.

The staff at Tuttle Creek would like to thank all of the people who helped make the two weeks a great learning experience.

Riveredge River Valley Ride June 25

Newburg -- It's not too late to register for the 8th annual Riveredge River Valley ride that is taking place on Sunday, June 25, 2000. Starting at 8:00 a.m., routes of 8, 16, 30, and 50 miles take bikers along the Milwaukee River and through the countryside of Ozaukee and Washington counties. Historical sites and well-equipped rest stops (including fruit, cookies and biker buns) along the way offer riders a chance to relax and enjoy the day.

Each rider receives a t-shirt. The registration fee is \$30 for adults and \$5 for children. Individuals and groups are encouraged to join in on this fun way to help support environmental science education at

Riveredge.

For registration information, route descriptions, or brochure, call Riveredge Nature Center at 262-675-6888 (local) or 262-375-2715 (metro) or e-mail riveredge@riveredgenc.org.

The 8-mile route offers Pioneer Village, wetlands, riverbanks, valley views, cows and corn. Ride through gentle, rolling countryside on the 16-mile route, and stop at an old Irish cemetery. Extend the ride through hill and dale on the 30-mile route by riding along the banks of Cedar Creek. Waubeka and Waubedonia Park are on the 50-mile route, as well as long hills and wonderful views of Milwaukee River

valleys.

Sag wagons cruise the routes, ready to be of service to riders needing help.

Food, festivities, and music by *Blue Highway* await riders when they return from their routes.

Dr. Wesenberg Appointed AMA Representative to RRC

Dr. Richard L. Wesenberg

Richard L. Wesenberg, M.D., CAQPR, Professor of Radiology and Pediatrics at the University of South Alabama was recently appointed AMA Representative to the national Residency Review Committee (RRC) for Diagnostic Radiology.

The Radiology RRC has 10 members from around the country and oversees all of the Diagnostic Radiology Residency Programs in the United States. Dr. Wesenberg was appointed to a two-year term by the AMA Board of Trustees, beginning January 1, 2001.

Dr. Wesenberg is the author of a book entitled the Newborn Chest, numerous book chapters, as well as, over 75 articles in referred journals. He is a member of the Executive Committee of the University of South Alabama Faculty Senate and is Chairman of the Senate Evaluations Committee.

Dr. Wesenberg has been a Professor at the University of South Alabama for nine years and was a USA Representative to the AMA Section on Medical Schools for six years. He is a graduate of the University of Wisconsin School of Medicine where he

also completed his Residency in Diagnostic Radiology.

He did a Fellowship at Children's Hospital of Los Angeles, Los Angeles,

California and received his Certificate of Added Qualification in Pediatric Radiology from the American Board of Radiology in 1995.

He currently serves on the Faculty Committee on Appointments, Promotions and Evaluations of the University of South Alabama College of Medicine.

Alvarado is Graduate of Michigan State

EAST LANSING, MI -- Michigan State University has listed 5,650 degree candidates for spring 2000 commencement.

There were 3,987 candidates for bachelor's degrees, 1,099 for master's degrees and 261 for doctoral degrees. Ten students were candidates for educational specialist, 97 were candidates for doctor of osteopathic medicine, 81 were candidates for doctor of medicine, 101 are for doctor of veterinary medicine and 14 were candidates for doctor of musical arts.

Included on the list of degree candidates was Peter Francis Alvarado, Kewaskum, who received a D.O. degree in Osteopathic Medicine.

Obituaries

RYAN V. BOEGEL

Ryan V. Boegel, age 25, of Lomira, formerly of Kewaskum, passed away on Sunday, June 11, 2000, as a result of injuries received in a motorcycle accident.

He was born on February 15, 1975 in West Bend, the son of James and Nancy (Bertucci) Boegel.

Ryan was a 1993 graduate of Kewaskum High School and was a member of the Thursday Night Softball League, the Wisconsin Bow Hunters and ABATE of Wisconsin, Inc. He was a five year employee of Great Lakes Packaging in Germantown.

Survivors include his parents, James and Nancy Boegel of Kewaskum; two brothers, Todd (Michelle) Boegel of the Town of Wayne and Jay (Jenny) Boegel of Beechwood; five nephews, Alex Fellenz, Austin Boegel, Anthony Boegel (godson), all of the Town of Wayne, Bradley Boegel and Brett Boegel (godson), both of Beechwood; his aunts and uncles, Rita Boegel of Allenton, John (Rita) Boegel of Kewaskum, Norman (Kathy) Boegel of Niles, Illinois, Bill (Barb) Boegel of Louisiana, Lambert Boegel and Mary Ann Sonnenberg, both of West Bend, Margie (Lee) Meyer of Germantown, Mitzi (Tom) Bartelt of West Bend, Joan (Rob) Struebing of Allenton, Genevieve Nap, Ann Bertucci and Francis (Julie) Bertucci, all of Ishpeming, Michigan; a special friend, Joleen Bostwick of Lomira, many cousins, other relatives and many friends.

His paternal grandparents, Oscar and Lucy Boegel, and his maternal grandparents, Salvator and Rose Bertucci, preceded him in death.

A Mass of Christian Burial was held at 7 p.m. on Wednesday, June 14, 2000, at Holy Trinity Catholic Church in Kewaskum. Father Mark Jones officiated and burial will take place at 10 a.m. on Thursday in the parish cemetery.

Friends called from 4 p.m. until the time of services at the church only on Wednesday.

The Miller Funeral Home in Kewaskum is serving the family.

JACOB WILLIAM MATSON

God's Littlest Angel, Jacob William Matson of Kewaskum, was chosen by God on June 8, 2000 at St. Joseph's Community Hospital in West Bend.

Survivors include his parents, Kenneth and Jenny Matson of Kewaskum; maternal grandparents, Alex and Jeanne Kaye of Campbellsport; paternal grandparents, Linda and

Gordon Sloan of Brookfield and George Matson of Sun Prairie; paternal great-grandparents, Bill and Marilyn Steffen of Brookfield and Charlotte Matson of Sussex; aunts; uncles; cousins and other relatives.

Funeral services were held Monday, June 12, at 7 p.m. at the Phillip Funeral Home of West Bend, with Pastor Frank Bauman of Our Saviors' Lutheran Church officiating. Cremation took place at Parkview Crematory, Fond du Lac.

Visitation at the funeral home was Monday from 6 to 7 p.m.

MARJORIE A. SCHLAEFER

Marjorie A. Schlaefel, nee Thill, 71, of Campbellsport, died Tuesday, June 6, 2000 at St. Agnes Hospital, Fond du Lac.

She was born November 15, 1928, in Elmore, to the late Clarence and Mildred (Sabish) Thill, and married Dr. Anthony Schlaefel on September 12, 1951, at St. Bridget's Catholic Church, Kewaskum.

She was a member of St. Matthew's Catholic Church, Campbellsport, the Christian Women's Society and the Mission Sewing Circle.

Marjorie was also a member of the Calvary Parents Guild, the Campbellsport Homemakers and was active with the Loaves and Fishes Program in Fond du Lac.

Survivors include her husband; a son, David (Bridget) of Campbellsport; four daughters, Dr. Ann (David) Wright of Campbellsport, Paula Schlaefel of Fond du Lac, Joan (Brian) Wuest of Campbellsport and Carol Schlaefel of Stevens Point; seven grandchildren, Dorothy, Bridget, Maxwell, Mitchell, Cadie, Matthew, and Meg; a sister-in-law, Janice Thill of Kewaskum; an aunt, Dorothy Kral of Kewaskum; a spe-

cial friend, Anna Wagner of Campbellsport; other relatives and friends.

Preceding her in death was a brother, Allen.

A Mass of Christian Burial was held on Friday, June 9, at 7 p.m. at St. Matthew's Catholic Church, Campbellsport. Rev. Francis Malloy and Rev. Donald Berg officiated and burial was on Saturday in the parish cemetery.

Visitation at the church was on Friday from 4 p.m. until the time of services.

The Twohig Funeral Home, Campbellsport, served the family.

CARD OF THANKS

A sincere thank you to all our relatives, neighbors and friends who shared in the loss of our mother, grandmother and great-grandmother, LORENA HEBERER.

Special thanks to Pastor Eckert, organist, pallbearers, ladies who served the food, Larry and Louise Martin of Miller Funeral Home, donors of food and memorials, those who sent flowers or cards, the staff at Beechwood Rest Home and all who showed their respect.

Your kindness will always be remembered.

Ira & Marleen Heberer

Gene & Marilyn Bohn & Family

CARD OF THANKS

A sincere thanks to all our relatives, neighbors and friends during the illness, and loss of my husband, **LEONARD SARNOWSKI**.

Special thanks to Father Mark Jones of Holy Trinity Church, Miller Funeral Home for the beautiful military funeral that he had always hoped for, Kewaskum Floral for the beautiful flower arrangements, Samaritan Nursing Home, St. Joseph's Hospital, the Honor Guard and those who payed their respects in

any way.

Your kindness will always be remembered.

June Sarnowski and Family

CARD OF THANKS

A sincere thank you to the relatives, friends and neighbors for their kind expressions of sympathy in the recent death of our loved one, EDWIN PASKE.

Special thanks to Rev. Edwin Fredrich of St. Lucas Lutheran Church and all the ladies at church who served the lunch, Miller Funeral Home, the National Guard Honor Guard, and all who sent flowers, food donations, cards and memorials.

The family of Edwin Paske

CARD OF THANKS

Our sincere thanks to all our relatives, friends and neighbors for their kind expressions of sympathy on the death of our mother, Ann Wickert.

Thank you for the floral arrangements, memorials, cards and the food. A special thank you to Rev. David Schoob who made the service so meaningful and to Sherry McElhatton, the soloist and organist.

Thanks to the pallbearers and to Schmidt Funeral home.

The Family of Ann Wickert

No matter what anyone says, it's impossible to drink like a fish. Fish don't drink. When they take in water it passes through their gills so they can extract oxygen.

Arbor Day Centennial Tree Planting

Students from the Campbellsport School District par-take in Arbor Day activities at Mauthe Lake Recreation Area just outside of Kewaskum in the Kettle Moraine State Forest.

A beautiful spring day, Arbor Day (April 28), was enjoyed by the two fourth grade classes from Campbellsport Elementary School to commemorate the 100th anniversary of Wisconsin's State Parks System. To celebrate this special event, the students, teachers and parents participated in several tree-related activities at the Northern Kettle Moraine State

Forest-Mauthe Lake Recreation Area.

They helped plant a young swamp white oak to honor the Centennial Arbor Day. The forest naturalists conducted sessions on tree growth and aging, and on wildlife uses of trees. A commemorative plaque and time capsule were set adjacent to the tree. The fourth grade students filled the time capsule with items that

were significant to them and depicted their current interests. The students and the forest staff agreed to open the time capsule in 25 years when the students will be 35-37 years old.

Call the Ice Age Visitor Center to learn about upcoming programs and future Centennial events. The center's phone number is (920) 533-8322.

Tips to Help Families "Bee" Careful About Insect Stings

For some, bee stings are a minor irritation, but for others this common summer mishap could mean a trip to the emergency room. Experts at Children's Hospital of Wisconsin offer the following precautions to keep families safe from stinging insects.

"For most people, stings mean pain and discomfort for a few hours," said Michael Zacharisen, MD, allergist/immunologist at Children's Hospital and an assistant professor of Pediatrics (Allergy) at the Medical College of Wisconsin, said. "Symptoms usually include redness, swelling, pain and itching at the site of the sting.

The following simple precautions can decrease the chance of being stung:

- *Avoid looking like a flower; don't wear bright-colored clothing.
- *Avoid perfumes, hair sprays and other cosmetics. If possible, choose an unscented sunscreen.
- *Avoid loose-fitting clothing that can entrap insects.
- *Be careful when outdoors, eating or drinking outside. Food attracts insects, so keep food covered and avoid public garbage cans.
- *Be cautious when garden-

ing or working around the yard.

*Do not go barefoot.

*Do not panic or swat insects. If you encounter a stinging insect, stay calm, quiet and move away slowly.

If you are stung by an insect, the following steps can help ease pain and discomfort:

- *Remove the stinger quickly by flicking it off. Avoid squeezing the venom sac.
- *Elevate the affected area, apply ice or a cold compress and use topical ointments or oral antihistamines.
- *Call you doctor if swelling gets worse or the area seems infected.

"Only a small percentage of people are allergic to insect stings," Zacharisen said.

Symptoms of an allergic reaction can range in severity and include itching and hives all over the body, dizziness breathing, throat tightness, wheezing, dizziness, stomach cramps, vomiting or diarrhea. In severe cases, there can be a decrease in blood pressure and loss of consciousness.

"If an allergic reaction happens, you should call 911 immediately," Zacharisen

Breastfeeding Support Group

St. Joseph's Community Hospital of West Bend is holding a breastfeeding support group meeting Monday, July 10, from 6:30 to 8:30 p.m. and Wednesday, July 12 from 1 to 3 p.m. in the hospital's meeting room three.

To register or for more information, please call 334-8361.

Scholarship Money Still Available

It's not too late to apply for a scholarship through the Moraine Park Technical College Foundation for the 2000-2001 school year.

Those interested in applying must have their applications in by June 26, 2000. General scholarship eligibility requirements include being enrolled in at least nine credits per semester and maintaining a minimum GPA of 2.75 once enrolled.

Scholarship applications are available from the Financial Aid, Admissions or Student Services offices at any of Moraine Park's three campuses (Beaver Dam, Fond du Lac and West Bend). Applications can also be found by accessing the college's website at www.morainepark.com.

During the 1999-2000 school year, the Moraine Park Foundation disbursed approximately \$65,000 in scholarship dollars to nearly 100 students. The scholarships ranged from \$250-\$1,500.

The Moraine Park Foundation, Inc. is a tax exempt, nonprofit corporation. Its purpose is to solicit, receive and administer gifts, bequests and property for the development, promotion and benefit of Moraine Park.

For information about the Foundation, contact Val Krueger at (920)929-2127 or vkruieger@moraine.tec.wi.us.

Bereavement Support Group

The bereavement support group sponsored by St. Joseph's Community Hospital of West Bend will meet Thursday, July 6, from 7 to 9 p.m. in the hospital's meeting room two.

The bereavement support group provides encouragement and support for individuals and family members who have experienced a pregnancy loss or the loss of an infant through the first year of life.

For more information, call St. Joseph's Community Hospital's New Life Center at 334-8361.

Bringing The Civil War Home

WEST BEND - The Continuing Education Department at the University of Wisconsin Washington County is hosting a week long institute for educators that combines historical inquiry with pedagogy. Dates of the program are August 7-11, 2000.

Institute curriculum is designed to meet the needs of Wisconsin K-12 teachers who address the Civil War as a topic in their elementary, middle, or high school courses. Interdisciplinary teams are highly encouraged to attend. Throughout the institute, emphasis will be placed on active participation and direct classroom application.

This week-long teacher institute blends scholarly insights and practical ideas on how to localize and personalize history for students through the use of primary resources, on-site field experiences, music, and visual media presentations.

The fee is \$75 per person. This includes all materials, refreshments, two lunches, and transportation to the State Historical Society and Veteran's Museum.

DPI clock hours have been requested. Anyone interested in UW-Whitewater graduate credits must specify upon registration.

This class is open to non-teachers as well. Anyone who is interested in the Civil War is welcome to attend.

For further information or to register, please call the Office of Continuing Education at (262) 335-218. Space will be limited.

The electric chair was invented by a dentist.

Boswell and Unger Bring Home the Gold

Geralyn Unger and Allison Boswell of West Bend, received gold medals at the Wisconsin Restaurant Association Host Midwest Show, Student Culinary Arts Competition in Milwaukee. The competition was held at the Midwest Express Convention Center this past March.

The Moraine Park Technical College first-year Culinary Arts students were judged on plate presentation and creativity. "Primarily, competition tends to inspire students to work to achieve higher goals, particularly when competing against their peers," said James Simmer, Culinary Arts instructor at Moraine Park. "This is an excellent opportunity for students to network with other students, chefs and managers in the industry."

Boswell, who is employed at Pick-n-Save in West Bend, presented a plate of veal eye of round with cranberry, rice and hazelnut stuffing. "I learned a lot about how much work goes into a competition and how much fun it can be," said

Boswell.

Unger, a part-time student, prepared duxelles stuffed veal eye of round in a brandy essence with grilled sage polenta and steamed asparagus. She is a cook and banquet chef at Hon-E-Kor Country Club in Kewaskum and New Port Shores restaurant in Port Washington.

Moraine Park has participated in the WRA Culinary Arts competition for about 20 years. First and second-year students competed against 103 students from technical colleges and other Culinary Arts programs from across the state. Moraine Park received a total of six gold and three silver medals.

Even though he was a Democrat, Andrew Johnson was nominated by Republicans to be Lincoln's running mate in 1865.

Sargent Completes Mentor Program

On June 2, 2000, Dodie Sargent graduated from Fox Valley Technical College - Teacher Mentor program. The program offered in Oshkosh, consisted of 90 hours of class time and 30 hours of field work.

A mentor, by definition, is a wise and trusted teacher. An Early Childhood Mentor Teacher, therefore, is one who has mastered the art, skills and techniques of teaching young children. Other teachers look up to a mentor Teacher and rely on

her/him for assistance, suggestions and advice. In the Early Childhood Mentor Teacher programs nationwide. This program is gaining National attention as a model for the improvement of child care quality.

Collaborating agencies to this program are Fox Valley Technical College, Child Care Resource & Referral, Inc., Winnebago County W-2/Focus Child Care Committee and the Fond du Lac Job and Career Center.

Zwieg Selected As Moraine Park 2000 Technical Ambassador

Natalie Zwieg

Natalie Zwieg, West Bend, has been selected as Moraine Park Technical College's Ambassador for the 2000-01 school year.

"I was ecstatic when I was told I'd been selected as the winner," said Zwieg, a 1998 West Bend - West High School graduate. "I had to take a walk around the campus to burn off some of the excitement."

The 19-year-old, second-year Marketing student at the West Bend Campus, earned the Ambassador Award after competing with 14 other Moraine Park students. Each candidate had a 20-minute interview with Moraine Park staff and instructors. From those 14, five were selected to move on to the second step, which included interviews with area business people. Zwieg was selected from those five to represent Moraine Park.

"I wasn't sure what to expect from the second interview," said Zwieg. "I came out of there feeling really good about the whole thing. The environment was relaxed and the people who did the interviewing were very nice."

"Natalie possesses many traits that make her an excellent person to represent Moraine Park as an Ambassador," said Gerry Skalecki, a counselor at the West Bend Campus who nominated Zwieg for the award. "Her personality traits and communication skills will assist her in her future challenges."

Although Zwieg graduates this May, she will continue to act as a spokesperson for Moraine Park for the upcoming year, promoting technical education at Moraine Park-sponsored events, as well as to area high schools and businesses. "Some people look negatively at technical colleges because they think they are easier than a four-year university. But that's not true at all," she said. "You have to work hard for what you want. I have friends who go to Madison and Stevens Point and we just decided to compare our course work. The things I was doing were equal to, if not greater than what they were doing. And in addition to writing papers and tests, just like they were doing, I was also working on several group projects."

The group projects are

something Zwieg considers an invaluable part of a technical education and attributes being able to do those types of assignments to the smaller class sizes typically found in the technical college environment. "My marketing-related classes usually had 10 - 12 students in them which enabled our instructors to give us individualized attention and extra support if we needed it. We also get so many more hands-on opportunities and is a big benefit."

Zwieg said that she initially chose a technical college over a four-year college because it would allow her to live at home, afford a car and still have extra money to do "fun stuff." Plus, she wouldn't be paying off student loans for 10 -15 years following graduation.

While attending Moraine Park has allowed her to achieve all of those goals, she's also realized some unexpected benefits. "I was totally blown away by the things that were expected of me at Moraine Park, and I've been very pleased by what I've succeeded in doing thus far," she said. "Now I have an internship and a great employer with Serigraph and am hoping to attain full-time employment there when I graduate. If I decide to pursue my education beyond my associate degree, I can do that too, through the help of my employer."

Zwieg attended the State Ambassador Event April 12-13 in Madison and was also recognized at Moraine Park's April 26 Student Award's Banquet in Fond du Lac. "Meeting the other 15 ambassadors was really fun and it was a good opportunity to get to know other students from throughout the state," said Zwieg. "We did a memento exchange where each ambassador brought something from their college to give to the other ambassadors. There were several workshops that we attended during the two days, so it was a good learning experience as well."

Moraine Park's other four Ambassador finalists included: Carla Gallenberg, Kewaskum, Associate Degree Nursing; Nicholas Sears, Fond du Lac, Computer Information

Systems - Technical Support Specialist; Judith Wendtlandt, Slinger, Associate Degree Nursing; and Frances Holzmann, Malone, Marketing.

The Wisconsin Technical College System Ambassador Award Program is sponsored by the Wisconsin Technical College System State Board, Robert W. Baird & Co., and the Moraine Park Foundation in cooperation with Moraine Park.

Lauters is Graduate of Boise State

Boise State University granted degrees or diplomas to more than 2,700 students during commencement ceremonies on May 13, 2000.

Kewaskum resident Jed M. Lauters was among those who received degrees. Lauters was awarded a Bachelor of Science degree in Biology.

Boise State University is a four-year public institution located in Boise, Idaho. With an enrollment of more than 16,000, it is the largest university in Idaho.

CRUNCHY CITRUS SALSA CHICKEN

CHICKEN	SALSA
1 cup Kretschmer original toasted wheat germ	1½ cups peeled, diced oranges
2 teaspoons ground cumin	½ cup chopped red bell pepper
¼ teaspoon cayenne pepper	¼ cup chopped pitted black olives
2 egg whites	¼ cup chopped red onion
1 tablespoon water	2 tablespoons chopped cilantro
4 skinned and boned chicken breast halves	

Heat oven to 400°F. Combine wheat germ and spices; mix well. Beat egg whites and water until frothy. Dip chicken into egg mixture, then into wheat germ mixture. Dip chicken again, coating thoroughly. Arrange on baking sheet sprayed with cooking spray. Spray chicken breasts with cooking spray. Bake 18 minutes or until chicken is no longer pink. Combine salsa ingredients; serve with chicken.

Village Board Meeting Minutes

Village of Kewaskum Regular Meeting May 15, 2000 8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. All other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Larry Ammel, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the minutes of the May 1, 2000 meeting were approved as printed.

Administrator Daniel S. Schmidt reviewed the "Second Annual Progress Report" from the EDAC as asked by the Committee. Member Michael Kimble was present from the Committee to answer any questions. On a motion by Trustee Harry Roecker, seconded by Trustee John Kenworthy and unanimously carried by voice vote the Board placed the report on file. President Robert Wagner also thanked the Committee for a job well done and also thanked them for their efforts.

Sealed bids were opened and read from the 2000 asphalt work within the Village as follows:

Payne & Dolan, Jackson, WI est. Total- \$57,422.90

Scott Construction, Richfield, WI est. Total- \$55,265.26

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Larry Ammel and unanimously carried by voice vote, the Board turned the bids over to the director of Public Works Jerry Gilles for review and a recommendation.

Fire Chief Mark Groeschel report the Kewaskum Fire Department would be participating in and hosting the Campbellsport Fire Department's wet-down celebration on May 31, 2000 in the Village of Campbellsport.

Fire Chief Mark Groeschel presented the April 2000 report:

Fire calls 3, Year to date 13. Jaws calls 4, Year to date 5. Rescue calls 21 Miles, 371 Year to date

Chief of Police Richard L. Knoebel presented the April 2000 report:

Criminal arrests 33, Criminal investigations 41, Traffic warnings 80, Traffic citations 20, Adult arrests 15, Juvenile arrests 9, Property stolen \$ -0-, Property recovered \$ -0-, Parking warnings 13 Parking tags 32

Director of Public Works, Jerry Gilles informed the Board of the following:

1) Reported that the hydrant flushing has been completed during the first week in May and that some minor valve repairs had to be completed after the flushing.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review of Mid-Moraine, League and Taxpayer bulletins.

2) Review of budget control sheet for period ending April 30, 2000.

3) Reported that no one attended the Assessor's Open Book held May 9, 2000 from 2:00 p.m to 6:00 p.m. at the Municipal Building. It was also noted that no one attended the Board of Review held May 15, 2000 from 1:00 p.m. to 3:00 p.m. The Village of Kewaskum's assessment increased \$4,031,300 or 3.5% on the real property.

4) Reviewed the building permit report for the month of April 2000.

5) Reported on the amendment to the Purchase Order Policy and the new Bill Approval and Capitalization Policy as recommended by the auditors.

6) Announcement of the Mid-Moraine Municipal Association Meeting scheduled for May 24, 2000.

7) Review of correspondence.

The Plan Commission Representative, Trustee Andy Pesch, announced a Plan Commission Meeting scheduled for Wednesday, May 31, 2000 at 7:00 p.m.

Trustee John Kenworthy the Library Board Representative reported that a meeting was held on May 8, 2000. It was noted that Dale Squire was elected Library Board President.

Trustee Robert Stoltzmann the Mid-Moraine Municipal Legislative Committee, Board Representative reported that a meeting was held on May 10, 2000. Ms. Kathy Bull from the League was present to discuss the budget concerns.

On a motion by Trustee Larry Ammel, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board approved the award of the contract for the asphalt work for the 2000 construction season to Scott Construction, the apparent low bidder at an estimated total of \$55,265.26 as recommended by the Director of Public Works Jerry Gilles.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the Board authorized the signing of an amended easement or affidavit regarding a sanitary sewer utility easement providing access to the Theodore Meilahn property.

It was reported that the Silbernagel & Jasen agreement regarding the downtown parking lot inter-connection is not materializing and more than likely will result in a change in the project.

Action was taken on Resolution No. 00-12 A Resolution for Mutual Cooperation Agreement of the Affordable Housing Act as attached hereto:

President Robert Wagner stepped down as Village President to participate in the discussion regarding Ordinance No. 2000-03 An Ordinance to Amend Section 6.0 Traffic, Loading, Parking and Access

- Within the Zoning Ordinance (Parking and Storage of Recreational Vehicles and Equipment). On a motion by Trustee Harry Roecker, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board elected Trustee Robert Stoltzmann to serve as President Pro-tem.

The discussion regarding the aforementioned zoning ordinance amendment was reviewed and several people were in attendance with questions on the proposed ordinance. It was noted the proposed amendments to this ordinance have been asked for dating back to 1997. Discussions took place on the then proposed land use plan, again at the land use plan informational meeting, at the land use plan joint Plan Commission/Village Board Public Hearing, at the EDAC's "Planning Kewaskum's Future Workshop" and in conjunction with the Plan Commission's general upgrade of the zoning Ordinance. There are only five proposed changes to what is in the existing ordinance and it was stated that even the proposed changes are substantially less restrictive than most communities. It was further noted that in most new subdivisions the covenants have stricter guidelines than those being proposed. A couple of suggested options were reviewed and the Board directed the Administrator to prepare an alternative ordinance with provisions of a conditional use permit. The Board will again review the ordinance at the next meeting, but will not take action until a subsequent meeting. President Pro-Tem Robert Stoltzmann thanked all those in attendance for their input and questions.

Action was taken on Ordinance No. 2000-04 An Ordinance to Amend Chapter 50 Library (relating to the organizational requirements of the Library Board per State Stats:) as attached hereto:

On a motion by Trustee Andy Pesch, seconded by Trustee Larry Ammel and unanimously carried by voice vote, the Board approved changing the meeting schedule for July 2000 to just one meeting that being on July 10th, 2000. It was noted that July 3, 2000 will be a regular work day but because of the July 4th holiday the work force may be small with some departments having limited hours.

On a motion by Trustee Larry Ammel seconded by Trustee Andy Pesch and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent". (President Robert Wagner absent)

Daniel S. Schmidt
Administrator
Approved 06-05-00
Pub. (K.S.) 06-15-00

**NOTICE

Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Village Board is scheduled for Monday, June 19, 2000, at 8:00 p.m. in the Municipal Building, 204 First Street.

The agendas for the meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of St. Francis Bank.

Fear is the main source of superstition, and one of the main sources of cruelty. To conquer fear is the beginning of wisdom.

—Bertrand Russell

Orville Kern, Clerk

TOWN OF KEWASKUM ADVERTISEMENT FOR BIDS SALISBURY ROAD IMPROVEMENTS PROJECT IS A LRIP

The Town of Kewaskum will receive sealed bids for the improvements of approximately .4 miles of Salisbury Road. Commencing at the intersection of Salisbury and Ridge Road in Town of Kewaskum and proceeding north for approximately 2,100 feet.

Sealed bids will be opened and read aloud at the Town Board meeting on Monday, June 19, 2000, at 8:00 p.m., at the Town of Kewaskum Community Center, 9019 Kettle Moraine Drive, Kewaskum, WI 53040.

Improvements:

- Provide a bid for each numbered item separately.
- Include in each item Price per Ton, Tonnage, Total Cost were applicable.

1. Pulverize present road surface and relay as base course.
2. Provide additional base course material in designated problem areas.
3. Shape roadway to appropriate width 22' and contour.
4. Hot Mix Paving with a 2" tack coat.

Bid to include price per ton, tonnage, gradation, and total cost.

5. Hot Mix Paving with a 1 1/2" finish coat.

Bid to include price per ton, tonnage, gradation, and total cost.

6. Grind butt ends at intersections and at adjoining road surface.

7. 2 foot shoulders placed on entire length of project.

Bid to include price per ton, tonnage, gradation and total cost.

8. Project to be completed by 10/01/2000.

9. Contractor must comply with all State and Federal Air and Water Quality Standards

10. Contractor must supply a Performance Bond. (may be waived by Town Board)

11. Contractor must procure and maintain General Public Liability and Property Damage Insurance including vehicle coverage.

Forward Bids to: Town of Kewaskum Bids must be received by 6/19/2000
Salisbury Road Improvements
9019 Kettle Moraine Dr.
PO Box 0484
Kewaskum, WI 53040-0484

The Town Board reserves the right to reject any and all bids, to waive any informality in bidding, or to accept such bid or bids, or to accept any bid which best serves the interest of the Town of Kewaskum.

TUESDAY NITE MEN'S LEAGUE HON-E-KOR C.C. 6-6-00

TOP TEAMS THIS WEEK WERE: N.M. Auto Body - 5; Kruepke Trucking - 5; Gruber Toolers - 4; Regal Ware-2 - 4; Timblin Prop. Mgmt - 4; Berndt's 3; Fifth Avenue Cobras - 3; Kewaskum Mixers - 3; Kewaskum Frozen Foods - 3; Clothes Clinic - 3.

LOW GROSS: Clark Pearson - 36; Mike O'Connor

Jr. - 37; Jim Rohlinger & Joe Volesky - 38; Dale Jung & Mark Hafenbreadl - 39.

LOW NET: Bob Beisbier - 29; Tom Smith - 31; Kevin Scheunmann, Ken Erickson, Clark Pearson, Neal Weare & Mike O'Connor Jr. - 32.

LOW TEAM NET: Northern Moraine Auto Body - 137.

Highlights: Joe Volesky and Tom Smith won the special events. Birdies: Joe Volesky - (2) and Tom Larsen - (2).

BUILDINGS & GROUNDS COMMITTEE JUNE 19, 2000

DISTRICT OFFICE

6:00 P.M.

AGENDA

1. Booster Club Presentation
2. Gridiron Club Recommendations
3. Buildings and Grounds Concerns
4. Adjourn

SCHOOL DISTRICT OF KEWASKUM SPECIAL SCHOOL BOARD BUSINESS MEETING

There will be a Special Business Meeting of the School District of Kewaskum Board on Monday, June 19, 2000. Said meeting will commence at 6:30 p.m. and will be held in the District Office at 1450 School Street.

AGENDA

1. Call meeting to order
2. Roll Call of members
3. Verification of public notice pursuant to s. 19.84(1)(2)(3)(4)
4. Agenda
 - a. Corrections and/or deletions
 - b. Approval
5. New Business (All items under New Business are subject to discussion and/or action)
 - a. The Board will meet in a general work session to discuss school goals and directions for the 2000-01 school year.
7. Adjourn

TOWN OF KEWASKUM ADVERTISEMENT FOR BIDS TOWN LINE ROAD IMPROVEMENTS

The Town of Kewaskum will receive sealed bids for the improvements of approximately .5 miles of Town Line Road. Commencing at the intersection of Badger and Town Line Road in Town of Kewaskum and proceeding north for approximately 2,700 feet to the intersection of Hillcrest and Town Line Road.

Sealed bids will be opened and read aloud at the Town Board meeting on Monday, June 19, 2000, at 8:00 p.m., at the Town of Kewaskum Community Center, 9019 Kettle Moraine Drive, Kewaskum, WI 53040.

Improvements:

- Provide a bid for each numbered item separately.
- Include in each item Price per Ton, Tonnage, Total Cost were applicable.

1. Pulverize present road surface and relay as base course.
2. Provide additional base course material in designated problem areas.
3. Shape roadway to appropriate width 22' and contour.
4. Hot Mix Paving with a 2" tack coat.

Bid to include price per ton, tonnage, gradation, and total cost.

5. Hot Mix Paving with a 1 1/2" finish coat.

Bid to include price per ton, tonnage, gradation, and total cost.

6. Grind butt ends at intersections and at adjoining road surface.

7. 2 foot shoulders placed on entire length of project.

Bid to include price per ton, tonnage, gradation and total cost.

8. Project to be completed by 10/01/2000.

9. Contractor must comply with all State and Federal Air and Water Quality Standards

10. Contractor must supply a Performance Bond. (may be waived by Town Board)

11. Contractor must procure and maintain General Public Liability and Property Damage Insurance including vehicle coverage.

Quality on Tap Report

Water Quality Report

KEWASKUM WATER UTILITY

FOR YEAR 1999

Kewaskum, WI

The Village of Kewaskum Water Utility source water is from well water. The aquifer formations that the wells are pumping water from is the Silerian Dolomite. I am pleased to report that our drinking water is safe and meets federal and state requirements. This report shows our water quality and what it means.

If you have any questions about this report or concerning your water utility, please contact Jerry Gilles at the Department of Public Works, telephone 262-626-4310, 1002 Fond du Lac Avenue, Kewaskum, WI. We want our valued customers to be informed about their

water utility. Regularly scheduled Village of Kewaskum Board meetings are held on the first and third Monday of the month at 8:00 PM in the Municipal Building, 204 First Street, Kewaskum, WI. Notices of meetings are normally posted at the Kewaskum Post Office, St. Francis Bank and at the Municipal Building. Notices are also sent to the Kewaskum Statesman, official newspaper for the village, WBKV radio and the West Bend News.

The Kewaskum Water Utility routinely monitors for constituents in your drinking water according to Federal and State laws. The

following tables show the results of our monitoring for the period of January 1st, to December 31st, 1999. All drinking water, including bottled drinking water, may be reasonably expected to contain at least small amounts of some constituents. It's important to remember that the presence of these constituents does not necessarily pose a health risk. The Department of Natural Resources may not require analysis of every constituent each year. The table includes the most recent analysis. The table includes multiple wells.

BACTERIOLOGICAL SAMPLES 1999

Definition of Terms

Term	Definition
AL	Action Level: The concentration of a contaminant which, if exceeded, triggers treatment or other requirements which a water system must follow.
MCL	Maximum Contaminant Level: The highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.
MCLG	Maximum Contaminant Level Goal: The level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
MFL	million fibers per liter
mrem/year	millirems per year (a measure of radiation absorbed by the body)
NTU	Nephelometric Turbidity Units
pCi/l	picocuries per liter (a measure of radioactivity)
ppm	parts per million, or milligrams per liter (mg/l)
ppb	parts per billion, or micrograms per liter (ug/l)
ppt	parts per trillion, or nanograms per liter
ppq	parts per quadrillion, or picograms per liter
TCR	Total Coliform Rule
TT	Treatment Technique: A required process intended to reduce the level of a contaminant in drinking water.

Inorganic Contaminants

Contaminant (units)	MCL	MCLG	Level Found	Range	Violation	Typical Source of Contaminant
ARSENIC (ppb)	50	n/a	4 (average)	nd- 8	NO	Erosion of natural deposits, Runoff from orchards, Runoff from glass and electronics production wastes
BARIUM (ppm)	2	2	.127 (average)	.100-.160	NO	Discharge of drilling wastes, Discharge from metal refineries, Erosion of natural deposits
CHROMIUM (ppb)	100	100	2	2	NO	Discharge from steel and pulp mills, Erosion of natural deposits
COPPER (ppm)	AL=1.3	1.3	.1900	.1900	NO	Corrosion of household plumbing systems; Erosion of natural deposits; Leaching from wood preservatives
FLUORIDE (ppm)	4	4	1.1 (average)	1.0- 1.4	NO	Erosion of natural deposits; Water additive which promotes strong teeth; Discharge from fertilizer and aluminum factories
LEAD (ppb)	AL=15	0	2.60	2.60	NO	Corrosion of household plumbing systems; Erosion of natural deposits
NICKEL (ppb)	100		15.5000 (average)	2.7000-40.0000	NO	Nickel occurs naturally in soils, ground water and surface waters and is often used in electroplating, stainless steel and alloy products
NITRATE (NO3-N) (ppm)	10	10	.00 (average)	nd- .01	NO	Runoff from fertilizer use; Leaching from septic tanks, sewage; Erosion of natural deposits
NITRITE (NO2-N) (ppm)	1	1	.003 (average)	nd- .010	NO	Runoff from fertilizer use; Leaching from septic tanks, sewage; Erosion of natural deposits
SODIUM (ppm)	n/a	n/a	15.67 (average)	13.00-18.00	NO	n/a
THALLIUM TOTAL (ppb)	2	0.5	2 (average)	nd- 6	NO	Leaching from ore-processing sites; Discharge from electronics, glass, and drug factories

Volatile Organic Contaminants

Contaminant (units)	MCL	MCLG	Level Found	Range	Violation	Typical Source of Contaminant
CIS-1,2-DICHLOROETHYLENE (ppb)	70	70	1 (average)	nd- 2	NO	Discharge from industrial chemical factories
TRANS-1,2-DICHLOROETHYLENE (ppb)	100	100	0 (average)	nd- 1	NO	Discharge from industrial chemical factories

Number of Contaminants Required to be Tested

This includes all contaminants that were required to be tested in the last 5 years.

Contaminant Group	# of Contaminants
Inorganic Contaminants	17
Microbiological Contaminants	1
Radioactive Contaminants	1
Synthetic Organic Contaminants including Pesticides and Herbicides	28
Unregulated Contaminants	33
Volatile Organic Contaminants	20

As you can see by the tables, our system had no violations. We're proud that your drinking water meets or exceeds all Federal and State requirements. We have learned through our monitoring and testing that some constituents have been detected. The EPA has determined that your water IS SAFE at these levels.

All drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not neces-

sarily indicate that the water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environmental Protection Agency's Safe Drinking Water Hotline at 1-800-426-4791.

Informational Note - Microbiological Contaminants:

Total Coliform. Coliforms are bacteria that are naturally present in the environment and are used

(Continued on Page 20)

Quality On Tap!

Our Commitment Our Profession

(Continued from Page 19)

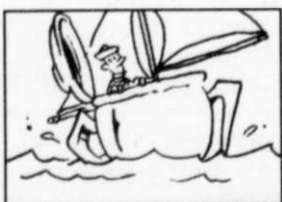

as an indicator that other, potentially-harmful, bacteria may be present. Coliforms can be used as a warning of potential problems.

(2) Fecal Coliform/E. Coli. Fecal coliforms and E. coli are bacteria whose presence indicates that the water may be contaminated with human or animal wastes. Microbes in these wastes can cause short-term effects, such as diarrhea, cramps, nausea headaches, or other symptoms. They may pose a special health risk for infants, young children, and people with severely compromised immune systems.

MCL's are set at very stringent levels. To understand the possible health effects described for many regulated constituents, a person would have to drink 2 liters of water every day at the MCL level for a lifetime to have a one-in-a-million chance of having the described health effect.

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by cryptosporidium and other microbiological contaminants are available from the Safe Drinking Water Hotline (800-426-4791).

Coming EPA Regulations - REGULATORY AFFAIRS - Important highlights from the annual seminar: With a Radon standard 300 pCi/l, 48% of municipal systems in Wisconsin will be in violation this November when the rule becomes final. With an indoor air multi-mitigation program (MMM) the AMCL will be raised to 4000 pCi/l. That's the good news. The bad news is that the burden will be on water systems to prove they have indoor air mitigation programs in place for their community.

A trophy awarded in a sailing competition in 1851 was won by the schooner *America*, and the trophy became known as the America's Cup.

FIREFLY 'TIS

by Ami

Do you have any recollection, as a child, of discovering the mysterious mystery of the darting Fire Fly? How it lights up the back yard with a touch and go... sort of light on, light off? I can remember my mom joining us children as together we looked for the first of these special yard spring-summer visitors!

And, with us, it usually was my sister who spied the first to put in an appearance. Somehow or other she was always the lucky winner of "who found the first firefly of the season." And you can bet that she endlessly reminded us of this feat.

I can recall how our biology teacher had us take a small jar and had us capture a number of the little live lanterns and place them in the jar. What fun it was to have them light their little lamps with their "on and off" again lovely soft glow in the summer night. But there ever was the strict reminder to not keep them in the jar for a long length of time...but to always set them free. Giving them the opportunity to go about their lady-love exercise not only attracting a mate, but also entrancing many a human being.

This being just another wonderful example of the blessings nature has in store for us earthlings. Like the evening symphony provided by the frogs in the nearby pond; or the eerie hooting of an owl or two; and we dare not forget to mention the song of the whippoorwill. Or the call of the coyote echoing from the nearby hills.

From the fireflies to the big brown, fat June bugs...nature never fails to enrich our lives with ever more interesting surprises.

Letters to The Editor

A sincere thank you from the Kettle Moraine YMCA - Tot Time goes out to Mrs. Lori Schoofs for the tour of her apple orchard and farm, as well as being our Tot Time aide, to Dr. Steve Van Ess our Tot Time dentist, to Officer Tom Bauer for the tour of the police station and car, to Trouper Joan German for Buckle Bear seat belt safety, to the volunteer firemen who give a wonderful tour of the ambulance, trucks, and fire station, to Mrs. Eilbes for doing a great demonstration of hospital things, and to Mr. and Mrs. Bob Holzman for donating their time to our field trips. A great big thank you also goes out to all the Tot Time parents for helping hands and support throughout the year. Through all of your volunteered time you have made our program a great one.

Sincerely,
Mrs. Vicki Fenrick

Threatened Ospreys Nesting in Dundee

On Wednesday morning, May 3, a crew from Alliant

New neighbors arrived in downtown Dundee this spring and began building their summer home on top of the center field light pole! This high-rise home of twigs and sticks belongs to a pair of osprey or fish hawks, a threatened species in Wisconsin. Even though the residents of Dundee were excited to have such special neighbors, they were concerned about the nest's location. Softball season would be starting soon.

Donna Liebermann from the Dundee Mill Park, Dave Dinn, owner of the Amoco Station, and other members of the Dundee Sportsman Club put on their thinking caps and made a few phone calls to some folks from the Department of Natural Resources (DNR) and Alliant Energy Company. After receiving some good advice from DNR wildlife managers, Dale Katsma and Rick Eckstein, they decided to move the osprey nest off the center field light post. Mr. Dinn made contact with Bob Dineen from Alliant Energy who put into motion the relocations efforts.

arrived with a "cherry picker" and a large auger for setting the 65' poles. After attaching nesting platforms to two poles, the Alliant crew made quick work of setting the poles: one on the southeast corner of the Sportsman Club and the other just south on Kettle Moraine State Forest land. The nest was then moved from the center field light post to the top of the closer nesting platform. The Alliant folks also put up nesting deterrents on top of the light poles that consisted of a round pipe nailed to a 2x4" board. Osprey do not like having anything about their nest site.

The osprey have taken to their new high towering home. They are continuing to add more and more sticks, corn stalks and other material to their nest. Hopefully soon the female will lay 2 - 4 eggs that hatch in 32 - 33

days. By the middle of August, the young will fledge. The young will stay with their parents until the October migration when they head to the warmer climates of the coastal USA and into Central and South America.

Osprey are primarily fish eaters and were greatly impacted by the pesticide DDT during the 1950's and into the early 1970's. In 1972, DDT was banned and the osprey numbers were so low that they were listed on the endangered species list. The population has slowly recovered and today they have been upgraded to threatened status. The Dundee nest is believed to be the most southern nest in Wisconsin since their decline in the 1950's.

If you pass through Dundee, stop by the Sportsman Club to observe

these magnificent birds. Remember, give them their space and watch them through binoculars to avoid stressing the nesting birds. To learn more about the osprey, contact the naturalists at the Northern Kettle Moraine State Forest. You may reach them at (920) 533-8322.

Campus Notes

Connie Maul of Kewaskum was included on the list of Madison Area Technical College students who achieved grades high enough to qualify them for the Dean's List for the second semester of the 1999-2000 school year. Students must have a GPA between 3.50 and 4.0. Connie had a GPA of 3.88.

1 1/2 inch meter	\$31.83
2 inch meter	\$55.17

Plus Volume Charge:

First 50,000 gallons used each quarter	\$1.49 per 1,000 gallons
Next 450,000 gallons used each quarter	\$1.06 per 1,000 gallons
Next 3,500,000 gallons used each quarter	\$0.91 per 1,000 gallons
Over 4,000,000 gallons used each quarter	\$0.61 per 1,000 gallons

Billing: Bills for water service are rendered quarterly and become due and payable upon issuance following the period for which service is rendered. A late payment charge of 1% per month will be added to bills not paid within 20 days of issuance. This late payment charge will be applied to the total unpaid balance for utility service, including unpaid late payment charges. The late payment charge is applicable to all customers. The utility customer may be given a written notice that the bill is overdue no sooner than 20 days after the bill is issued. Unless payment or satisfactory arrangement for payment is made within the next eight days, service may be disconnected pursuant to ch. PSC 185, Wis. Adm. Code.

Combined Metering: Volumetric meter readings will be combined for billing if the utility for its own convenience places more than one meter on a single water service lateral. Multiple meters placed for the purpose of identifying water not discharged into the sanitary sewer are not considered for utility convenience and shall not be combined for billing. Meter readings from individually metered separate service laterals shall not be combined for billing purposes.

Buildings used in the same business, located on the same parcel and served by a single lateral may have the customer's water supply piping installed to a central point so that volume can be metered in one place.

Resolution No. 00-13

Village of Kewaskum, Washington County, Wisconsin

RESOLUTION ESTABLISHING SEWER USER CHARGES AND RATES

WHEREAS the Village of Kewaskum has adopted an ordinance repealing and recreating portions of Chapter 95 of the Municipal Code of the Village, which regulates the use of the Village sewer system and which also establishes sewer service charges, rates and methods of computing rates, and

WHEREAS said ordinance became effective on March 22, 1991, and

WHEREAS it is again necessary to adjust and establish sewer user charges and rates effective for the third quarter of 2000,

NOW THEREFORE BE IT HEREBY RESOLVED that the attached 2000 Village of Kewaskum Sewer Charges and Rates (Exhibit "A") are hereby established as the 2000 third quarter Sewer User Charges and Rates effective approximately July 3, 2000, which charges and rates shall remain in effect until amended by subsequent Village Board resolution.

Adopted and approved this 5th day of June, 2000 by the Kewaskum Village Board.

Robert H. Wagner, Village President

Old-Timers Baseball Game/Reunion Aug. 5

It's time for all you former baseball players to dig out the old bats and gloves. On August 5, they will once again gather as many of the people who share a part in the rich tradition of amateur baseball in this area as possible.

As in the past, they are looking for a large turnout from teams which represented not only Kewaskum, but also West Bend, Barton, Campbellsport and surrounding communities.

While players of all ages are welcome and encouraged to play in the Old-Timers games, organizers would also like to urge anyone who no longer chooses to play to come and contribute to the reminiscing.

It is hoped to have a large enough turnout to enable two games to be played. The first would put the more senior stars of the past against each other. The second would see more recently retired players go at it.

If you have ever wondered what happened to this guy or that guy, you can rest assured someone has asked the same about you. This will be a good opportunity to catch up with old friends and also to trot out those old baseball stories. Everyone who has played, managed, kept score or was a fan of local baseball in any of these communities, is urged to come and add to the festivities.

A special appeal is being made to ballplayers who played longer ago. In this area it would be appreciated if everyone would help spread the word and actively encourage players from

earlier times to attend.

To a large extent the success of this Old-Timers Game/Reunion depends on getting the word out. Toward that end, it is asked that you tell anyone you know about it, especially players who are less likely to find out from the newspaper or local word of mouth.

The games will be played at the Kiwanis Park in Kewaskum. The field and batting cage will be open to anyone who wants to take a few swings or loosen up those rusty arms at 11 a.m. If all goes as planned, they will have the more senior Old-Timers (age 45 and up) play at 1 p.m. Following that will be a game open to former players of any age. Food, beer and soda will be available at reasonable prices.

If you have any questions, suggestions or can help to reach a particular group of former players, please call Ron Theusch at (262) 626-8385.

Campus Notes

RIPON - Joseph G. Rettler, son of Mr. and Mrs. Thomas Rettler of Kewaskum, was recently honored with the Jeff A. Thompson '87 Athletic Award during the Ripon College Awards Convocation.

Given in honor of Jeff A. Thompson, a 1987 Ripon College graduate, the award recognizes a student athlete who has shown great determination, enthusiasm and unselfishness in the intercollegiate wrestling or football program at Ripon.

Rettler, a senior, is a physical education major at Ripon College.

The annual Awards Convocation is an opportunity for the college to recognize the academic accomplishments of Ripon students and faculty.

Ripon College, founded in 1851, is a private, liberal arts and sciences college offering 30 majors with a curricular emphasis on oral and written communication and problem-solving skills. Ripon enrolls 750 students from throughout the United States and more than a dozen foreign countries.

Indians Split Doubleheader

The Indians had 13 hits against the Kiel Raiders in game one of a Saturday, June 10 doubleheader. But the eight Kewaskum runs in one inning were not to surpass the 11 runs by Kiel.

Trailing 3-0 going into the fourth, the Indians exploded for eight runs on nine hits. Brad Vetter led off with a single to right. Chris Canter doubled followed by singles from Justin Rhoads and Josh Krahn. Josh Parrent doubled and Jon Boedeker reached on a throwing error.

Jason Calliari and Jason Strobel both doubled for the second time in the week. Vetter got his second hit of the inning by doubling down the left field line and Canter singled for his second hit of the inning also.

But the bats went dead in the fifth, sixth and seventh, taking the Indians to an 11-8 loss.

Jason Calliari pitched five innings but four errors by his teammates allowed the Raiders to score four unearned runs. He struck out one and walked four. Adam Hubacek pitched one inning, giving up two runs on two hits.

In the nightcap, the Indian bats continued hot, scoring 13 runs on 14 hits. But contrary to game one, the defense only had one error, which led to a 13-4 Kewaskum victory.

Chris Canter, who was moved to the leadoff spot, responded by going 4x5. He had one double, three RBI's and scored three runs. "Chris had an outstanding game," said Coach Mark Heise. Jason Strobel was 2x5 with a triple. Bob Ogi and Jon Boedeker were 2x3. Jake Peterson was 2x4. "Jake has played his way into the starting lineup," remarked Heise. "We started Jake at first today, and he responded by playing two great games, both defensively and offensively." Tony Fitts and Brad Vetter had singles.

Josh Krahn started on the mound, but with the bases loaded, and one out, Heise turned to Bob Ogi. Ogi pitched 4-2/3 innings allowing no runs. He gave up only one hit, struck out three and walked no one on the way to his second conference win. "Another stel-

lar performance by Bobby. He really took control of this game," admired Heise. Brad Vetter closed the seventh to shut down the Raiders.

After the week's heavy schedule, the Indians' record is 2+4 in the conference and 4+5 overall.

Indians Defeat Plymouth, 15-13

In comparison to Monday's pitching duel against Campbellsport, Thursday's game against Plymouth saw an offensive explosion. Kewaskum scored 15 runs on 14 hits while Plymouth scored 13 runs on 10 hits. The game also saw eight errors, four by each team.

Kewaskum took an early lead, scoring three in the bottom of the first. Plymouth then scored two in the second on a long home run to right by left-handed hitter Jerrod Krueger. Kewaskum answered with three more in the bottom of the second and one in the third to take a 7-2 lead.

In the Plymouth fourth, Panther catcher Mike Wieser, who was 3x4 in the game, opened the inning with a line drive single up the middle. Jerrod Krueger stepped to the plate and proceeded to launch his second home run of the game to deep right field. Plymouth plated one run in the fourth and one in the fifth to pull within one at 7-6.

Kewaskum scored a lone run in the fifth to take an 8-6 lead into the sixth. "Then all hell broke loose," said Coach Mark Heise.

Plymouth had runners on second and third with two outs. A routine grounder to second was thrown away at first, enabling the runner to reach. The runner at third headed for the plate, and the throw home was high over the catcher's head, allowing him to score.

As the runner on second tried to take third, the ball was thrown high over the third baseman's head all the way to the fence, permitting Plymouth to empty the bases, scoring all three runs and taking a 9-8 lead. A double by Weiser, followed by another Indian error, gave Plymouth its

10th run of the game.

Not to be outdone, and down by two, the Indians went to work in their half of the sixth. Brad Vetter doubled to start the inning. Bob Ogi walked. After a fly out, Chris Canter, Josh Parrent and Jake Peterson singled. After an infield out, Jason Calliari walked. Jason Strobel doubled and Vetter got his second hit of the inning. When the dust settled, the Indians had a seven run, six hit inning, taking back the lead by a score of 15-10.

"After that big inning I thought we had taken the wind out of their sails," said Heise. "But it went down to the last at-bat."

The first three Plymouth hitters in the seventh walked to load the bases, with no one out. A forceout at first produced the first out as a run scored. The next hitter doubled to score two making the score 15-13 with only one out.

After another walk, a fly-out to center moved the runners to second and third. With first base open, and Jerrod Krueger due up to hit. Heise opted to intentionally walk him to load the bases. The strategy worked when the next batter popped up to first baseman Brad Vetter to end the wild and willy game.

Josh Krahn started for the Indians, working 4-1/3 innings. He struck out three and walked one. Bob Ogi replaced Krahn in the fifth, throwing 1-2/3 and picking up his first conference win. He struck out three and walked three. Jason Calliari finished, pitching the seventh to get the save.

Brad Vetter was 3x5 with two doubles and two RBI's. Jason Strobel was 2x3 with a double and four RBI's.

Chris Canter and Josh Parrent went 2x4. Jason Calliari was 1x3 with a double. Josh Krahn, Justin Rhoads, Jake Peterson and Tony Fitts all had singles.

JV Baseball Team Off to A Fast Start

The Kewaskum JV baseball team has started off the season with a 4-1 record with wins coming against Campbellsport, Plymouth, Manitowoc Roncalli and Kiel.

The lone loss was the first game of the year against non-conference foe Mequon Homestead. The young Indians have hit the ball extremely well so far, averaging 11 runs per game.

Sophomore Kevin Schneider is leading the offensive barrage so far with eight hits in 10 official at bats for a whopping .800 average. Other top hitters on the team include Noah Koch, Darren Schulist, Drew Donath, Adam Hubacek, Jake Wilson, and Braedy Long.

The pitching corps has also done an outstanding job of limiting walks and keeping the opponents bats cooled off. Travis Kempf, Adam Hubacek, Peter Herriges, Matt Hartman, and Jake Wilson, have all pitched well so far.

The schedule for the team this week includes home games on Tuesday the 13th vs. Random Lake and Wednesday vs. Campbellsport. All home games begin at 5:30 p.m.

The young Indians travel to New Holstein on Thursday and cap the week with an exciting opportunity to play at a Major League ballpark this weekend in an intersquad scrimmage with the varsity at the Metrodome in Minneapolis.

Ziegler vs. Ogi in Pitching Duel at KHS

On Monday, June 5, the Indian baseball team tangled with arch rival Campbellsport Cougars who eeked out a 3-2 win on the Indian home turf. Campbellsport ace, Jim Ziegler hooked horns with Kewaskum ace, Bob Ogi in a classic pitching duel.

"Bob and Jim are probably the two best pitchers in the Conference," commented Coach Mark Heise. "We committed two errors to their none, that ended up to be the difference." Kewaskum outhit the Cougars 5-4, but the scoreboard gave Campbellsport the win.

The Indians scored two

runs in the second inning on a Bob Ogi two-run homer to deep left field that bounced over the Administration building.

The home run gave Kewaskum the lead at 2-1, but Kewaskum collected only four hits through the rest of the game. Jason Strobel, Brad Vetter, and Chris Canter had singles while Josh Krahn tagged a double.

Krahn's double led off the bottom of the seventh for the Indians to put the tying run on second with no one out. But Ziegler struck out the next three hitters to end the game.

Cougars Down Indians Twice in One Week

After the donnybrook with Plymouth the night before, Friday saw a lackluster performance by the Kewaskum Indians as they traveled to Campbellsport to play the Cougars for the second time within five days. The Cougars beat the Indians by a score of 7-2.

The Indians had only four hits and scored only two runs. "I think the game against Plymouth last night had our guys a little worn out," commented Coach Mark Heise. "We just couldn't get it going tonight."

Brad Vetter led Kewaskum by going 2x3, but only Tony Fitts and Jon Boe-

deker could get to Campbellsport's winning pitcher, Clint Beck, for singles. Single runs in the first and the fifth were not enough to stay with the Cougars' seven hit, seven run performance, highlighted by catcher Steve Ketter's home run in the fifth.

Josh Parrent started on the mound for the Indians. Parrent struck out one and walked three enroute to his first conference loss of the season. Brad Vetter finished up for the Indians, pitching the last two innings, striking out one and walking one.

Offering Youth Golf Instructions

Hon-E-Kor will offer golf instruction for students ages 8 to 12 who are at the entry level. The program is slated for the week of July 10. Like last year there will be five days of instruction. This year the program will be conducted from Monday, July 10 to Friday, July 14.

Class time will be 9:00 to 11:00 a.m. daily. Students may play after 11:00 a.m. if accompanied by a parent or approved adult.

Cost for this years golf

camp remains \$40 (\$25 for Hon-E-Kor members) per person. Additional children in the same family are \$25 (\$15 for Hon-E-Kor members).

Registration is limited to the first 32 application received.

You may register in person at Hon-E-Kor daily from 7:00 A.M. to 7:00 P.M. or by mail...Hon-E-Kor, P.O. Box 439, Kewaskum, WI 53040. Registration will close July 3rd.

\$5,000 Hole-In-One Prize, Class Competitions, Help Create Appeal For First KHS Alumni Scramble

Foursomes representing the classes of 1964, 1972, 1979, 1982 and 2000 have all thrown down the gauntlet by accepting the challenge in the First Annual Kewaskum High School Alumni Golf Scramble conducted at Hon-E-Kor Golf and Country Club on Monday, June 19, by the members of the KHS golf teams.

Individuals and foursomes representing their respective classes are still encouraged to enter by calling the Pro Shop for reservations between 12 noon and 4 p.m.

Some of the dignified hackers competing for the inaugural Alumni Challenge Championship are Tim and Scott Rohlinger, Tom and Brian Larsen, Len and Pat Soller, Glenn and Mark Eichstedt, Kevin Chambers and Jim Westphal, just to name a few.

However, there are many other Kewaskum staff members and alums who are looking to join the festivities, but need a few more individuals to round out their foursomes. Therefore, you may still participate by calling Hon-E-Kor Pro Shop at 626-2520 for a tee time and/or dinner reservations.

The four person scramble will feature a variety of skill competitions on the course including several Hole-In-One Contests with the possibility of winning up to \$5,000 in cash sponsored by local dentist, Stephen Van Ess, D.D.S. Area businesses can still donate prizes for other driving, chipping and putting contests throughout the Red and White Nines at Hon-E-Kor Golf Club.

Non-golfers can get involved in this annual alumni activity by sponsoring hole(s) or golfers, donating hole or raffle prizes, attending the awards banquet by making dinner only reservations or by possibly volunteering to help conduct the golf event itself. Alums are invited to enjoy the festivities by partaking of the buffet style banquet meal from 6:30 to 7:30 p.m. and the awards presentation for a donation of \$15.

The prizes, plaques and awards for the inaugural Alumni Challenge will be presented, then followed by the team and individual awards earned by members of the 2000 KHS boys golf team. All in attendance may participate in the dinner and the raffles as well. Participants must contact

Hon-E-Kor by June 16 or can register at the Pro Shop on the day of the event.

All in all, the Kewaskum High School Alumni Challenge (scramble) should be a fun-filled fundraiser that will prove to be beneficial for years to come. The purpose of this annual event will be to raise supplementary funds for KHS Athletic Programs while determining which class or staff members shoot the lowest nine and 18-hole scores.

Current student-athletes will have an opportunity to interact with, learn from and even appreciate past Kewaskum students and traditions. So all you Kewaskum grads, come on out, show your school spirit and help start a new tradition for Kewaskum High School!

In Greek mythology, the fates were three goddesses who controlled human life. Clotho spun the web of life, Lachesis measured it and Atropos cut it.

Farewell... To the Old Grandstand

Thursday, June 15, the Indians will play the last game ever to be played on the high school diamond. After close to a century of baseball, New Holstein will close out a chapter of Kewaskum baseball history and memories for hundreds of players and alumni.

"It's a sad day for me," said Varsity Coach Mark Heise. "I played high school ball here in the mid-sixties and then Lakes baseball till 1972. Now I've coached for the last seven years. This place holds many fond memories for me not only as a player, but as a coach, too. Lots of strong and lasting friendships began right here. I'm only one guy out of many that have played here, and I'm sure a lot of them feel the same."

Thursday's June 15 game against New Holstein will start at 5:30 p.m. On Friday both the varsity and junior varsity will head to Minneapolis to play an inner squad game in the Metrodome on Saturday, June 17 at 6 a.m.

On Monday, June 19, the Indians will have their first home game at Kiwanis Park against Manitowoc Roncalli

at 5:30 p.m. Tuesday evening the Indians will travel to Plymouth to play the Panthers at 5:30 p.m.
