Traffic Routed Through Kewaskum After Fiery Crash Closes USH 41 For 5 Hours

Traffic on STH 28 following the USH 41 crash. Traffic was routed into Kewaskum for five hours while USH 41 was closed.

Car Fire in Boltonville

By Andrew R. Kuehl Staff Writer/Photographer

The Washington County Sheriff's Department responded to a car fire along with the Boltonville Fire Department in the town of Farmington.

This mishap occurred at approximately 4:12 p.m. Friday evening on West Paradise Road a half a mile

north of the Scenic Drive.

According to a report issued by the Washington County Sheriff's Department, the driver of the car was Johnathan L. Barrett, 18 of West Bend. Michael A. Cochenet, 18 of Kewaskum was the only passenger in the vehicle.

The two were proceeding southbound on North Paradise Road when something on the

vehicle broke. The driver pulled the car over to the shoulder, and he and the passenger got out of the vehicle, opened the hood and at that time the engine compartment caught fire and spread through the entire car.

None of the occupants of the car were injured. The car was destroyed beyond repair.

By Andrew R. Kuehl Staff Writer/Photographer

ALLENTON- A 35 year-old Milwaukee man was critically injured when a truck he was a passenger in was rear-ended by a double-bottomed semi-trailer causing a fiery truck crush on USH 41 north of Allenton at approximately 6:30 a.m. Saturday morning.

The crash shut down the

southbound lanes of USH 41 from STH 28 to CTH D for approximately five hours. Traffic on Hwy. 41 was interrupted at Hwy. 28 and routed through the Village of Kewaskum on USH 45. At one point, traffic was backed up past the Holy Trinity Church Cemetery on Hwy. 28 all the way through the village and up to the Dairy Queen on Hwy. 45. Kewaskum police officer, Tom Bauer directed traffic at Hwys. 45 and 28 to try and alleviate the conjestion.

According to a report issued by the Washington County Sheriff's Department, both vehicles had been northbound when the accident occurred. The truck, which was owned by a paving company and carried a tar pot and fuel tanks, exploded upon impact with the semi trailer driven by Ivian Robinson, 37, of Oshkosh. The driver of the small truck, Alfredo Martinez, 28, of Milwaukee and another occupant, Gerardo Martinez, 18, also of Milwaukee, escaped the truck without injury. Another passenger of the truck who was sleeping in the back of the truck, Arturo Elguera-Martinez, 35, also of Milwaukee, was ejected upon impact and landed on the pavement on fire. Another truck driver used a fire extinquisher to put out the flames.

In the meantime, the semitrailer went out of control and crossed the median, coming to rest on the shoulder of the southbound lane of the highway facing north. There was another minor accident involv-

(Continued on Page 2)

Registration Dates Se For Kewaskum Schools

Registration for all students in the Kewaskum School District will take place on Thursday, July 27th from 10:00 a.m. to 3:00 p.m. and Monday, July 31 from 1:00 p.m. to 6:00 p.m.

Due to construction at Farmington School and Wayne School, all students in grades K-5 should register at Kewaskum Elementary School. Students in grades 6-8 should register Kewaskum Middle School and all students in grades 9-12 should register at Kewaskum High School.

High School and Middle

School students should have received registration information in the mail. If you didn't receive information, or if you did, but are not planning to Kewaskum Schools in the 2000-2001 school year, middle school students should call Eva Anthes at 262-626-8427, extension 2323 and high school students should call Janet Hogan at 262-626-8427, extension 4125.

It is very important that all students register so that final plans can be made for the start of school. Please mark your calendars and plan to attend.

ing two other vehicles who swerved to avoid the crash. No one from the other vehicles were injured. The driver of the semi was also uninjured.

The ejected victim required medical attention and was transported to St. Joseph's Community Hospital in West Bend by Kewaskum Rescue Squad, assisted by West Bend Rescue. The Kohlsville Fire Department were on the scene of the crash to put out the small truck fire.

Martinez was later trans-

ferred to Froedtert Memorial Hospital, Milwaukee by Flight for Life. He was listed in critical condition Wednesday after-

The Washington County Sheriff's Department received mutual aid from officers of the Wisconsin State Patrol and Dodge County Sheriff's Department.

The semi driver was cited for following too closely. The crash remains under investigation by the Washington County Sheriff's Department.

Big Brothers/Big Sisters Washington County Awarded Grant

WEST BEND - Big Brothers/Big Sisters of Washington County has been awarded a grant in the amount of \$7,500.00 from the Nonprofit Management Fund in Milwaukee. The grant will be used to support the development of a marketing plan for the Washington County agency.

"We are very pleased and grateful to the Nonprofit Management Fund for approving the grant," said Tami Faehling-Slayton, Executive Director of Big Brothers/Big Sisters Washington County. "It will be a great help in providing recognition to Washington County's Big Brothers/Big Sisters and therefore bring in more volunteers and children.'

The agency has also received a \$3,000 donation from Brown & Martin, Inc., a marketing and public relations firm.

Big Brothers/Big Sisters of Washington County has been matching youth from single-parent families with adult volunteers on a one-toone basis since 1969.

Memorial

By Andrew R. Kuehl Staff Writer/Photographer

TOWN OF WEST BEND- The life of a 19 year old Slinger teen was stolen Saturday after injuries he received in an automobile accident early Friday morning.

Douglas J. Marks, 19, Slinger is the alleged driver of the vehicle. A passenger, Lucas J. Verville, 19, West Bend was also severely injured but escaped death.

According to a report issued y the Washington County Sheriff's Department, the single-vehicle accident occurred on while the driver was northbound on STH 144, 1/2 mile south of Cedarview Road along Big Cedar Lake. The driver apparently lost control of the vehicle while negotiating a curve. He entered the west ditch line and the vehicle rolled several times ejecting the the two males from the vehicle.

Both individuals required medical transport and were

Grand Opening Of Red Cross

After months of renovation and clean-up, the American Red Cross - West Bend Chapter, is ready to show off its' new home. The Grand Opening is set for July 23, from 11 - 3 at 819 Schoenhaar Drive (just off of

The building used to be a small manufacturing firm, but with walls now in place and pictures on the wall, it's a dream come true for Jackie Wicklund (Executive Director), the staff and volunteers. The old building was very cramped.

Now they can hold two classes and a meeting at the same time. The seed money to buy the building came from a number of group foundation grants and from private parties. Without the initial funding, this project would never have been able to get off the ground. Plaques will be on the walls to honor these foundations and individuals at the open-

In addition to touring the new building, visitors can see the new disaster vehicle, a converted motor home that can be driven to a disaster scene to help feed rescue workers, as well as offer shelter and first aid to victims. This vehicle is not only available to the chapter, but can go where need dictates.

Although helping in a disaster and service to the military are the "trade marks" of the Red Cross, they are not the only services the Red Cross provides. The West Bend chapter travels over 9000 miles each month, transporting people back and forth to hospitals and clinics. This wouldn't have been possible without the invaluable volunteers the backbone of the Red

The Red Cross also conducts classroom training for CPR, babysitting, defibrillator use, lifeguard, and first aid for both people and animals! One of the newest courses (and most sought after) is pet first aid. Hopefully the cat and dog, mannequin will arrive by the grand opening.

There is so much to see, so stop in and visit the "new and improved" Red Cross "Volunteers" are always wel-

June Baptisms At Holy Trinity

The following children were presented for baptism in June.

June 4 - Kambria Klara, daughter of Daryl and Chrissann Jaeger; Taylor Marie, daughter of Amy Van Duzen and Jon Wiedenhoeft and Justin Michael, son of William and Michelle Reck.

June 17 - Sarah Anne, daughter of Timothy and Leeann Butschlick.

June 25 - Leo James, son of Leo and Irene Clune and Brent Harlow, son of David and Suzanne Goeden.

Christian Concert At West Bend

Mitch McVicker, cowriter of the 1998 Dove award song of the year along with "True North" and "River" will be part of a concert series sponsored by Lighthouse Ministries, Inc. The free concert will be Saturday, August 19 from 4 to 10 p.m. at Regner Park in West Bend.

Gospel bluegrass group "True North" from Fall River, WI will have the stage from 4 to 5:30 p.m. They produce a variety of sounds ranging from traditional bluegrass to tight a cappella harmonies to original folk.

"River", a contemporary/inspirational music trio from New Hope, MN, will be on stage from 6 to 7:30 p.m. Their message is relevant and their concert is full of

Mitch McVicker, from Nashville, TN, will be on stage from 8 - 9:30 p.m. Mitch has spent three years of his musical journey working with the late Rich Mullins. One of the songs co-wrote "My they Deliverer", won the Dove award for 1998 song of the year and was also featured on the sound track for the movie, "Prince of Egypt".

This event is completely free of charge and concertgoers are invited to bring their lawn chairs, blankets and picnic baskets to the park. Refreshments will be available at nominal cost and door prizes will be given

Directions to Regner Park: Take Hwy 45, turn east on Hwy 33, turn left on 18th Ave., turn right on Park Ave., enter Regner Park on Park Ave.

Lighthouse Ministries Inc. is a non-denominational ministry that has been sponsoring Christian concerts for the last 12 years. For more information call 262-338-0205 or 262-677-2952.

BEDTIME STORY

John tells the story about the family with two small boys, ages 4 and 7. They have their own rooms and beds, but whenever there's a storm, or a scary movie on TV, they rush in to sleep with their parents. This became quite a problem.

One day, the mother called them in for a talk, told them they were almost men, that they had their own beds and rooms and to expect to climb into her bed whenever they were scared would have to stop.

A while later, the father was off on a business trip. He returned in several days. As he strolled along the concourse - the entire family there to greet him -- the youngest ran up and grabbed him by the leg.

"Guess what, Nobody slept with Mamma while you were gone," he said, loud enough so that many ears could hear.

Letter to The Editor

To the Editor,

I would like to speak out for the right and dignity of life. Today, there are many things taking place in our marriages, families, education, government, communications reporting and, yes, even throughout the world. Not just in this beloved land of the free.

Legalizing assisted by killing of unborn babies through the means of partial abortion procedure is certainly showing that life is not held sacred anymore. The full-term growth in the mother's womb is the greatest gift from God. And it will surpass as the only way human life will live on! The true judge is God himself... not to be made by the Supreme Court Justices of these United States.

Let it be said, that you are important in the life of a child. Life must continue -not end. We must care and share life with each other -not take it away through meaningless deaths.

Life is beautiful thru the eyes of all ages from the unborn to the aged or sickly, and they must not be put to death painlessly because of an incurable disease so that there is no pain. The aged are full of wisdom and still have much to offer. Sometimes we cannot understand at that moment, why? It is God who must end a life.

Capital punishment is also a death that is assisted in a mean way of killing a person. At the very last moment of his/her life, they wait to be excused or sentenced for their crime. Or given his last rites by a religious person. The prisoner then says his/her wrongdoing, and asks for God's forgiveness. And, perhaps becomes a Christian.

Our morals must STAND OUT before all nations and God, Our Creator, of all good things and life. (Genesis 1:31)

Let's pray for respect for life and create peace for all! Please, VOTE November 7, according to your good morals.

Suzanne Bingen

Campus Notes

Scott Zimmerman of Kewaskum, a sophomore majoring in Criminal Justice, was among 325 fulltime Edgewood students who received Spring semester honors by achieving at least a 3.5 GPA on a 4.0 scale for the semester.

Edgewood College, located on the shores of Lake Wingra in Madison, is a Catholic, independent liberal arts college with an undergraduate and graduate student body of over 1,900 pursuing more than 40 academic and professional programs.

To Whom This **May Concern:**

On Tuesday, May 30, 2000, the PIONEERS 4-H club put up a display at the M&I bank in downtown West Bend. The display was to promote that June is Dairy month and to make people aware of the wonderful things the dairy industry contains.

We had the display up on a card table with milk cartons, a tractor and some wagons, cows, butter containers, and (the most important) an old fashioned milk wagon truck. The diswas until play up Wednesday, June 28 when we came to take it down and found that some of the display has been destroyed. Everything was moved and on the floor. Some of the items were in the toy and play area of the bank. Except for two of the small wagons, one with corn in it and the other a milk tank that were missing from our display was an old fashioned milk wagon truck. The main color on the truck is a blueish green and has orange wheels. There is a driver that moves his head when the truck is being driven. There is a picture of a cow on both sides of the truck and it is made out of

If anyone has this truck or knows where it is, please return it to the bank or call 629-9791. This was loaned to our 4-H club for the purpose of the display.

Prompt attention on this subject would be much appreciated, and NO questions will be asked.

Thanks for your coopera-

Weston Returns from Biology

The Rocky Mountain Biological Laboratory (RMBL) is a non-profit field station in Gothic, Colorado. Located at 9,500 feet in the Elk Mountains, Gothic was a mining community during the late 1800's. By the turn of the century Gothic became a ghost town due to the decline in mining. In 1928 Dr. John C. Johnson, a biology professor at Western State College in Gunnison, bought the land and buildings as the first step in his dream of creating a research and teaching facility for biologists. For over 70 years the biology lab has grown and attracted biologists from around the world.

RMBL is now one of the leading field stations in North America, and provides facilities for research, graduate and undergraduate studies. Students live and study in Gothic, spend-

ing many instructive hours field. out in the Distinguished faculty from across the country teach intense college-level field biology courses and supervise advanced students in independent research projects. RMBL owns 245 acres and 50 buildings including a library, dining hall, classroom, laboratories, dormitories, and a visitor center.

Jennifer Weston, daughter of Larry and Lorey Weston of Kewaskum, was accepted to attend two four week courses at RMBL. Weston spent four weeks studying Wetlands Ecology with Dr. Scott A. Wissinger of Allegheny College and The Geology of the Rock Mountains with Dr. Keith A. Brugger of the University of Minnesota, Morris. She is currently a senior biology major at Lakeland College.

THANK YOU

The VFW Kettle Moraine Post #8339 Ladies Auxiliary wish to thank everyone who donated to the recent Buddy Poppy Sale.

Special thanks to the owners of the new Piggly Wiggly store who permitted the sale to make it a very successful program.

Dodie Sargent Awarded Child Care Credential

Dodie Sargent of Kewaskum has been awarded a Child Development Associate (CDA) Credential in recognition of outstanding work with young children. The credential was awarded by the Council for Professional Recognition in Washington, D.C., which represents the early childhood profession.

CDA is the only major national effort to improve child care by evaluation and recognizing the skills of individuals providing care. The first credential was awarded 20 years ago, and now 46 states plus the District of Columbia include CDA in their child care licensing regulations.

Parents who use child care are especially concerned today about their children's welfare. With this in mind, as part of the CDA assessment process, every candidate for the CDA credential is observed working with young children by an early childhood professional. In addition, the candidate must demonstrate the ability to work with families to develop children's physical and intellectual capabilities in a safe and health learning environment.

The CDA credential is having a positive effect on the quality of child care. Its impact is evident in center-based care as well as family child care, the most common form to care for children under five years old.

Child care staff and parents wanting information on CDA should write the Council for Professional Recognition at 2460 16th St. N.W., Washington, D.C. 20009-3575., or call (202)265-9090.

Veggie Town Values

Bob The Tomato, Larry the Cucumber, and Junior Asparagus are headed back this way July 24-28. Last summer many children in the community enjoyed these endearing characters from Veggie Tales, and so they've been invited back this summer for Vacation Bible School.

The Veggie Tales videos use wry humor and catchy songs to help kids learn and practice God's values. This year we will be showing five different videos, helping kids learn how to overcome fear, do what is right, accept, forgive and serve others. Along with the videos, there will be skits,

games, Bible stories, crafts, and snacks for the children.

"Veggie Town Values" will take place in Campbellsport's Firemen's Park, Monday through Friday, July 24-28, from 9:30 - 11:30 each morning. All kids entering kindergarten through those who have completed 6th grade are invited to come.

There is no cost for those attending Veggie Town, but an offering will be taken each day to help overseas missionaries reach children in other countries with the message of God's love.

If you would like to register your child, call Pastor Doug Birr at Campbellsport Alliance Church at 533-4516.

The VFW K

FOND DU LAC - Marian College's Adult Accelerated Program (MAAP) will host an adult learners information session on Tuesday, August 1, at 5:30 p.m. at the Marian College Cedar Valley Center, located at 5349 Highway D, West

days with the Ross family.

Sidney's mother will also

matched in the program.

A number of families in

about each others' cultures.

Sidney Ross, 13, of Tchula, Mississipi is spending 12 days with the Roger Neumann family Kewaskum. Sidney arrived on Sunday, July 16th. He has one sister, Shanell, and two brothers, George Jr., and Stanley. His father, George, works at Hunter Engineering (assembling car parts) in Durant. Lilly, his mother, is a teacher assistant at Holmes County School District in Tchula.

Sidney lives about 2 1/2 miles south of Tchula. Across the road from his house is the Hillside National Wildlife Refuge. Tchula's population is about

Sidney enjoys the computer, playing football, listening to the radio and watching television. In fall he will be in eighth grade at S.V. Marshall School in Tchula. Sidney's favorite subject is English.

The program Sidney is

Immunization Clinic to Be Held

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered Washington County Health Department. Clinics

The clinic on the first Tuesday of the month in West Bend has been discontinued. Please not the time changes of the remaining clinics

July 18 - 3-5 p.m. at the Hartford City Hall, Community Room, 109 N. Main Street, Hartford.

* July 25 - 9-11 a.m. and 3-5 p.m. at the Public Agency Center, Lower Level, Rm. 1145 at 333 E. Washington St. and Indiana Ave. West Bend.

Parents must bring their records of each child's past immunizations to clinics. Immunizations will not be given without a record card.

For further information, call 335-4462 or 342-2929.

Broske Awarded Scholarship

RIPON, Wis. - Diane Broske of Kewaskum, has been awarded a Pickard Scholarship at Ripon College.

Broske, the daughter of Richard and Debra Broske, is among 13 first-year students to receive the partialtuition Pickard Scholarship, which awards \$12,500 per year for four years. Broske plans to pursue an English major at Ripon.

During high school, Broske was a member of the National Honor Society, Key Club and the Yearbook Committee.

College, "At Ripon Pickard Scholars represent the best in exemplary students, outstanding leaders and extraordinary individuals," said Scott Goplin, vice president and dean of admission.

The Pickard Family Scholars program was established in 1989 and is one of the largest endowed scholarships at Ripon. The award is named for the late Samuel N. and Dorothea Pickard of Neenah, Wis. He spent 41 years on the board of trustees, including 12 as a chair, and she served 13 years as a trustee.

Pickard Scholarships are awarded to the top students admitted to Ripon college each year. Candidates are typically ranked in the top three percent of their high school class.

Ripon College, founded in 1851, is a private, liberal arts and sciences college offering 30 majors with a curricular emphasis on oral and written communication and problem-solving skills. Ripon enrolls 750 students from throughout the United States and more than a dozen foreign countries.

If you really want crystal clear ice cubes, boil the water first and let it cool before you freeze it.

Jaklich Earns Degree at MSOE

MILWAUKĖE School Milwaukee Engineering (MSOE) conferred 265 degrees at its Commencement, Spring May 20, at Milwaukee's Marcus Center for the Performing Arts.

The university also conferred an Honorary Doctor of Engineering degree upon Robert Kern, chairman and CEO of Generac Power Systems, Waukesha, and an Honorary Doctor of Humane Letters to Patricia Kern, his wife and president of the Kern Family Foundation. Robert Kern has served as a member of MSOE's Board of Regents since 1992.

Founded in 1903, MSOE offers 14 undergraduate degrees in engineering, engineering technology, business, communication, construction management, and nursing. Graduate degree programs are offered in engineering, engineering management, environmental engineering, medical informatics, architectural engineering and perfusion.

Jaklich James received a Kewaskum degree in Manufacturing Engineering Technology.

Earn Degrees from **UW-Milwaukee**

The following Kewaskum students received their degrees from the University of Wisconsin-Milwaukee at commencement exercises on Sunday, May 14, in Milwaukee. They were among 1,988 candidates awarded degrees at the ceremony.

UWM is the second largest university in the State of Wisconsin, with 23,000 undergraduate and graduate students.

Katrina Michele Gilles of Kewaskum, received a Bachelor of Science degree in Occupational Therapy.

Jenny Ann Grotelueschen of Kewaskum received a Bachelor of Business Administration degree in Management Information Systems.

The rainy days you save your money for usually come on your vacation.

News From The Capitol

By Rep. Glenn Grothman

Voters Want Less Government; Politicians Out of Step

In the last four months my office has mailed two surveys in the 59th Assembly District. We have received over twelve hundred responses, which are always very helpful to me in making my case to my colleagues in Madison.

In the last ten years, inflation has been up 28%, while state general purpose spending had been up 74%. 61% of you feel in the future spending should be less than inflation due to excessive spending in the past, 37% feel it should equal inflation and only 2% feel it should continue to grow at greater than inflation. Per pupil school spending has gone up 59% over the same period. The public is more supportive of education spending with only 38% feeling it should be less than inflation, 53% equal to inflation and 7% feel it should continue to grow at a rate greater than inflation. Only 13% felt we have to spend more on anti-smoking programs (The Legislature just approved an additional \$22 million per year). 24% fet gas taxes should be raised to build more four-lane roads and only 13% felt state money should be used for light rail 82% felt tax dollars should not be used to pay for campaigns. Only 4% would like to spend more on the shared revenue program, which gives more money to Milwaukee than local areas such as Random Lake Kewaskum and West Bend. One exception is prison spending where by a 51 to 49% majority people felt the prison population should be increased.

Over 80% of voters believe that county boards, village councils and the state legislature should have public referendums before going into debt the same way school boards do. 86% do not believe counties or cities should be given an option to impose an additional .5% sales tax. By approximately 2 to 1 the public feels non-profit organizations, such as the YMCA, benevolent retirement homes and fraternal lodges should not have to pay property taxes.

In other issues, 73% felt the government should tighten rules on the use of prescription drugs to children 86% believe that current law should be changed and parents should be made aware if their children use family planning services. Only 8% feel homosexual marriages should be legal in the state of Wisconsin, 54% agree with current law that

non-violent felons should never be able to possess a gun in the state of Wisconsin. Only 19% agree with the current practice of allowing children to use calculators on 4th and 8th grade achievement tests. By a 65 to 35% majority people would prefer the state to pay for half-day kindergarten instead of all-day kindergarten. 65% feel Wisconsin's current limit for drunk driving of 10 is satisfactory and should not be reduced. 71% felt snowmobiles fees should be raised to hire more game wardens to police snowmobile trails. And, finally, 91% feel unions should have to ask members before withholding funds for political purposes.

LOW TEAM NET - Bob Fish - 134.

HIGHLIGHTS: Jack Eggers and Wayne Erickson won the special events. Birdies: Jim Dean (2) and Wayne Erickson (2).

Held Wins Kettle 20 on First Attempt

KEWASKUM -- Dan Held, last year's winner of the Lakefront Marathon won the 27th annual Kettle 20 kilometer, (12.4 miles) when he finished in one hour, seven minutes, and 49 seconds (1:07.49) on Sunday, July 9th. Held of Waukesha finished 3:16 ahead of Kyle Faser (1:11.05), who had lead for the first two miles of the race. Rick Stefanovic, a former Kewaskum resident, finished third with a time of 1:15.08.

The beginning of the race was postponed 20 minutes while a thunderstorm passed through Kewaskum area. Once the storm passed cooler less humid weather greeted the runners as they ran through the hilly Kettle Moraine.

Chris Heming Whitefish Bay won the women's competition with a time of 1:24.43 and Shelly Williams of Virginia finished second with a time of

1:27.29. Christine Cotey finished third with a time of 1:27.48.

John Megan won the Masters division with a time of 1:24.17 with Kewaskum's Randy Backhaus second with a time of 1:25.42 Nathalie McCoy the Kewaskum won women's Masters division with a time of 1:34.55.

Cash prizes were awarded by Ray's Shoes to the top three males and females overall in the Kettle 20 and the Masters Winner. The first place cash prize was \$200, second place was \$150, and third place was \$50. The Masters winner (age 40+) won \$100.

In the five mile races, Ted Shue of Brown Deer won the men's competition with a time of 32.48 and Emily Steinhafel of West Bend won the women's competition with a time of 37:14.

A total of 94 runners completed the Kettle 20

course and 27 runners completed the five mile race.

Over 70 people had preregistered, but threatening weather Sunday morning probably kept the turnout for the race lower than expected. Kewaskum Youth Scholarships organized the race with help coming from both KEYS members and the Kewaskum Lions. The race was held in conjunction with the annual Lion's Club chicken barbecue. Proceeds from the race go towards the KEYS scholarship fund for graduating seniors of Kewaskum High School.

Special thanks to all the participants and the volunteers for their support for the Kettle 20. Your participation and assistance helped make this year's Kettle 20 a tremendous suc-

Below are the top three places in each age group for both the Kettle 20 and the five mile race.

personal schedules "A student survey showed most of our students were working while taking courses and the majority of them were already working in a related field. This prompted us to set up courses that offered time flexibility for stu-dents," said Marcia Arndt, Moraine Park's dean of Industrial Technologies and

Manufacturing.
Arndt said the decision to expand the open lab offerings at West Bend was an easy one. "We have a lot of students who travel from the southern part of the district. This is another way to accommodate those people," she said. "And, for students who want to learn basic electronic concepts, those serving apprenticeships, or for those wanting to pick up courses to advance in their current work positions, they'll now have that opportunity.'

Open labs are offered at the West Bend South Campus on Monday afternoons and Wednesday evenings for DC Circuits and AC Circuits. The following courses, DC Circuits, AC Circuits, Operational Amplifiers and Semi-Devices are Conductor offered in an open lab format at the Fond du Lac Campus on Tuesday and Thursday evenings and Wednesday and Friday mornings. For more information about the open lab courses, call Marcia Arndt, dean, at (920) 934-3162.

APPLETON - Carrie Stoffel, a 1996 graduate of Kewaskum High School, has been named to the 1999dean's list Lawerence University for maintaining a minimum 3.4 cumulative grade point average throughout the academic year. She is the daughter of Daniel and Joan Stoffel, Kewaskum.

Founded 1847, in Lawerence University has produced seven Rhodes Scholars and was named one of the country's top 40 "best national liberal arts colleges" by U.S. News and World Report in its 1999-2000 Guide to American

Meeting Minutes

Village Board

Village of Kewaskum Plan Commission May 31, 2000 7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Member Lee Ann Butchlick asked to be excused and was absent. Members present were Theodore Meilahn, Andy Pesch, Richard Schmidt, Frank Beesten and Michael Kimble. A quorum was present.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

Theodore Meilahn indicated a notation needed to be placed in the minutes from April 26, 2000 reflecting that he had abstained from voting on the certified survey map issue. On a motion by Andy Pesch, seconded by Frank Beesten and unanimously carried by voice vote, the Commission approved the minutes for April 26, 2000.

The Plan Commission reviewed the request of Mr. & Mrs. Daniel Felten to install a fence in their rear yard acknowledging that it also was a street yard. Mr. Gordon Hoffman recommended granting permission to allow said fence for safety and privacy. It was noted the elevation of USH "45" and STH "28" added to safety concerns. The Plan Commission felt the fence design would add to the property and saw no problem with allowing its placement. It was also discussed that the face side of the fence would be to the west, north and south. On a motion by Richard Schmidt, seconded by Michael Kimble and unanimously carried by voice vote the Commission granted permission to allow placement of said fence as proposed on the submitted paper work for 1817 Old Fond du Lac

Mr. Raymond Haen, Mr. Paul Reichert and Mr. Keith Krewalt were present to review the site plan for the new elementary school to be

Internet Connection Warning

constructed between School Street and Bilgo Lane. It was noted there was no action required by the Plan Commission. This was a courtesy visit to discuss what will be asked for in the updated or revised Zoning Ordinance. Parking requirements, storm sewer needs and buffer/fencing were all discussed. Chairman Robert Wagner thanked the School District Representatives for sharing information with the Commission.

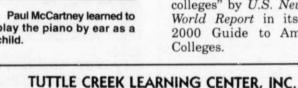

The request to allow for adjusting the Sanitary Sewer Service Area for two properties within the land use plan was discussed and sent to the Village Board with a favorable recommendation to request SEWRPC to prepare said amendment. On a motion by Andy Pesch, seconded by Theodore Meilahn and unanimously carried by voice vote the commission sent the matter to the Village Board for action.

Mr. Rick Kania was present to review Section 4.00, "Traffic, Loading, Parking and Access" as well discuss the proposed Ordinance No. 2000-03 as it pertains to the Parking and Storage of Recreational Vehicles and Equipment. The Plan Commission was in agreement with the need for the ordinance amendment and indicated it could be substantially more restrictive, but would advise against that position. Section 4 was discussed in basics and the Commission was asked to review and mark up their draft copies to bring along back to the next meeting.

Mr. Rick Kania was present from SEWRPC to review Section 5.00, "Modifications" as well as Section 8.00 " Site Plan and Architectural Review". These sections were reviewed by the Plan Commission and some additional items pointed out. Mr. Kania noted that if anyone had question they should bring it up as soon as possible.

On a motion by Michael Kimble, seconded by Theodore Meilahn and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent".

Point-Click-Learn With Moraine Park

Park Moraine Technical College, the future of water and wastewater meets the future of education, operator training has gone high-tech by going

The rational is simple and answers an emerging paradox in the water industry. Plan personnel need to keep pace with the rapid introduction of new technology and the high-level of corresponding operational and maintenance processes, yet because of budgetary constraints and organizational downsizing, operators have less time available for train-

The online learning program developed by Moraine Park allows operators to progress through courses at their own pace. The student has control over when they complete the assigned work. Learning can take place whenever or wherever the student wishes because the courses exist on the Internet. As long as the student has access to the Internet, they have access to the courses.

The Internet and the Park online Moraine water/wastewater courses are able to bring education to widely scattered learners, busy parents, systems with one or two staff persons, new operators or administrators and operators who are geographically isolated and do not have training readily available. This is also for other learners who, for one reason or another, find it difficult or even impossible to get to or attend courses regularly.

Some exciting things about online education are: students have easy access to an instructor who can answer their questions immediately, they receive quicker feedback on assignments by not having to wait for a schedule class time, and they have the ability to

research in libraries and databases from around the globe. In addition, the learner also has contact with other students at almost anytime with chat rooms that are built into the courses. Imagine being able to connect and build professional and personal networks with operators from all over the US and the world.

The learning landscape and potential knowledge systems the Internet can provide for all operators is huge. The most current and detailed information can be found at the click of a mouse creating a learning environment that will quickly expand an operator's knowledge base and provide them with a more advanced level of operational and trou-bleshooting ability. Higherorder thinking skills coupled with hands-on aptitude is the new benchmark expected of today's operators and the learning experienced in Moraine Park's online courses will help students achieve this level of mastery.

Moraine Park has been a leader in water and wastewater education for more than 25 years with the Water and Wastewater Treatment Technician Associate Degree. Moraine Park has also been the major provider of statewide (circuit) operator training for 14 years. The creation of online courses makes an important merger between the two educational initiatives. All of the online courses and several of the circuit courses are now offered at the associate degree level. This means that you can get information to help you pass a state certification exam, credit hours to renew an operators certification and at the same time, move yourself closer to getting a college degree.

To give even more value and credibility to your training experience, Moraine Park has created operational certificates in several areas. Municipal Water Operations, Municipal Wastewater Operations, Wastewater Industrial Operations and several other certificates in development look great in your professional portfolio and also serve as major steps to completing your associate degree.

The popularity of taking courses to help you obtain or maintaining certification, all the while enhancing your professional credentials, has been well received by the industry. Online education will not phase out as the more traditional classroom method of training operators but there is a sizable population that prefers Internet-based learning. There are also many more who, when they try it and expose themselves to the ease and convenience of the

Internet, will wonder why they have waited so long to get on board and take courses online.

It is possible to get the education you need, the associate degree you desire, at your own pace, without having to drive to a far away location. Point-Click-Learn is the future of education and the future is now at Moraine Park Technical College.

Visit our web site at: http://www.moraine park.com/programs/wastewater/index.htm for more information. You can also contact John Phillips, Dean of Public Service at 920-924-3330 (jphillips@moraine. Fred tec.wi.us), Instructor (frice@moraine. tec.wi.us), or Dan Tomaro, (dtomaro@ Instructor moraine.tec.wi.us) with your questions

New Tai Chi Classes Beginning Un CONVENTional Fun and Renewal Exercise

You are invited to join the sisters for Tai Chi. The next 12-week session for Tai Chi classes at St. Joseph Convent will begin on Monday, August 7. The sessions are scheduled for Monday and Friday mornings 9:15 -10:15. This involves 45 minutes of movement and 15 minutes for questions and discussion about the Tai Chi practice, spiritually and nutrition that is all part of the holistic health practice of Tai Chi. Youth Attend State 4-H Youth Conference

Top row (left to right): Mandi Christopherson, Patty Klabunde, Robert Klabunde, Linda Feutz, Cassie Luft, Elsie Tobin.

Bottom row (left to right): Holly Parsons, Krista Miller, Joe Kirsch, Ann Feutz, Robert Herther, Ashley Kiel.

Eleven Washington County youth were recently selected to participate in the Wisconsin 4-H Youth Conference in Madison from June 19-22. This is a conference that is attended by 4-H Delegates around the state and the delegates selected from Washington County were: Cassie Luft, Ashley Kiel, Elise Tobin, Joe Kirsch, Patty Klabunde, Mandi Christopherson, Ann Feutz, Zachary Hepner, Robert Herther, Krista Miller, and Holly Parsons. The chaperones for the trip were Robert Klabunde and Linda Feutz.

This conference offers the delegates many opportunities to develop good leadership skills, as well as developing new friendships with 4-H members from around Wisconsin. Delegates also participate in a variety of activities, many which are new to them. Some of those activities offered over the four day conference were: sailing and windsurfing, agriculture activities, child development, a talent show, a horse program and many other activities. There were several dances to attend as well. Karaoke was also offered, and enjoyed by many.

The Leadership Conference is a wonderful opportunity for 4-H youth that is offered each year.

We wish to say Thank You to the sponsors: the Washington County Banker Association, the West Bend Kiwanis, and the Washington County 4-H Leader Assoication.

> By Elsie Tobin and Ashley Kiel

Paul Miller M.D. Selected for National Association Membership

Paul Miller, M.D., an Orthopedic Surgeon with Advanced Healthcare, S.C., has been accepted into the Arthroscopy Association of North America (AANA). AANA, a Chicago based professional medical association, is comprised of approximately 1600 Orthopedic Surgeons who have completed post-graduate training in the use of the arthroscope. These miniaturized instruments feature fiber optics, a lens system and solid state electronics, allowing arthroscopic surgeons to diagnose and repair injuries or abnormalities inside the human joint.

Dr. Miller practices at Advanced Healthcare's Menomonee Falls, Northwest, Milwaukee, and West Bend Centers. He earned his Medical Degree at the University if Chicago Pritzker School of Medicine and completed his residency Loyola University Medical Center. He received additional training in Sports Medicine and shoulder reconstruction at Cincinnati Sports Medicine and Orthopedic Center. Dr. Miller is Board Certified in Orthopedic Surgery.

His membership was announced during the Annual Meeting of AANA held in April. The AANA encourages and supports education to improve upon diagnosis and treatment of diseases and injuries of the

musculoskeletal system. To qualify for membership, Dr. Miller has met the stringent criteria of the organization which includes documentation of education, experience and technical skills.

For more information regarding Dr. Miller please contact Advanced HealthLine (Advanced Healthcare's 24-hour health information and physician referral line) at (262) 512-2880 or 1-888-709-2080 outside the metro Milwaukee area. Or, log onto www.ah.com.

Advanced Healthcare, S.C., was formed in 1998 through a merger of Falls Medical Group, Milwaukee Medical Clinic and West Bend Clinic. It is the largest physician owned, multi-specialty group practice in Southeastern Wisconsin, with nearly 300 physicians providing care at 16 clinic locations and two ambulatosurgery centers in Washington, Ozaukee, Milwaukee and Waukesha Counties.

According to folklore, if a candle burns with a blue flame, there's a ghost in the house.

Campus Notes

More than 2,055 undergraduate students at the University of Wisconsin -Stevens Point have been honored for attaining high grade point averages during the spring semester which ended in May.

Students who earned grade points of 3.90 to 4.0 (4.0 equals straight A) are given the highest honors designation. High honor citations go to those with grade point averages from 3.75 to 3.89 and honor recognition is accorded to those with grade point averages from 3.50 to 3.74.

Personalized certificates of scholastic achievement

are being sent to those who earned highest honors distinction.

Twenty-seven percent of the 7,563 undergraduate students at UWSP during the semester were recognized for their academic accomplishments.

Highest Honors were awarded to Chad Keller, Campbellsport; Lisa Urban, Campbellsport and Carol Neumann, Kewaskum.

High Honors were awarded to Katy Wolf, Allenton; Heather Amerling, Kewaskum; Katherine Lawton, West Bend and Jacqueline Briggs, West Bend.

Honors were awarded to Christina Flood, Campbellsport; Nicole Marie Taddey, Campbellsport; Kimberly Coutley, West Bend; Jennifer Schulte, West Bend and Katherine Survis, West Bend.

On average, there are only five days during the year when there are no major league sports played.

Obituaries

LORINDA A. TESSAR

Mrs. Lorinda A. Tessar, age 101, of Kewaskum, passed away on Saturday, July 15, 2000 at Cedar Lake Health Care Center in West Bend.

She was born December 21, 1898 in the town of Kewaskum, the daughter of the late August and Mary (Kocher) Schaefer and on September 14, 1921, she was united in marriage to John "Jack" Tessar in Chicago. Her husband preceded her in death on December 6, 1975.

Mrs. Tessar was a graduate of Milwaukee State Teachers College and Mayville Normal and taught in several local one-room schools. She was a lifetime resident of the Kewaskum area where she was an active member of Peace United Church of Christ, a Cedar Lake Home volunteer, and a former member of the Kewaskum Women's Club. As a charter member the V.F.W. Ladies Auxiliary, she held various District and State offices including State President and National Committee Woman. Mrs. Tessar enjoyed a special hobby of braiding

Survivors include three sons, Wayland (Darlene), John (Mary) and Thomas (Donna) Tessar all of Kewaskum; a daughter-inlaw, Annabelle Tessar of West Bend; ten grandchildren, 18 great-grandchildren, two step-grandchildren, five step great-grandchildren, numerous nieces, nephews, other relatives and friends.

She was preceded in death by a son, Allen; a daughter-in-law, Adeline; a grandson, Dan; three brothers, Marvin, Reuben and Albert Schaefer; a sister, Esther Petermann and a twin sister, Lorina Petermann.

Funeral services were held at 3:00 p.m. on Wednesday, July 19, 2000 at Peace United Church of Christ in Kewaskum. Rev. Eric Kirkegaard officiated and burial followed in the church cemetery

Friends called from noon until the time of services at church only on Wednesday.

Memorials to Peace United Church of Christ or Cedar Lake Health Care Center are appreciated.

The Miller Funeral Home in Kewaskum is serving the family.

JOHN B. BENZING, JR.

John B. Benzing, Jr., 84, of the town of Auburn. passed away on Thursday, July 13, 2000, at Rolling Meadows Nursing Home in Fond du Lac.

He was born September 4, 1915, in Wauwatosa, the son of the late John and Martha (Martinson) Benzing, Sr. and on September 27, 1947

he was united in marriage to Helene Wieczorek in Milwaukee. His wife preceded him in death on March

Benzing served his country in the U.S. Army during World War II and was a member of Holy Trinity Catholic Church Kewaskum.

Survivors include four sons, John Bernard III (Cynthia) of Campbellsport, Michael Andrew Rhinelander, Mark Charles of Lomira and Claude (Pamela) Joseph Kewaskum; three daughters, Bernadine (Larry) McClarran of West Bend, Rosemary (Bernard) Sarauer of Campbellsport (Richard) and Annette Wenzel of Greenfield; two brothers, Francis Benzing of Sparta, Edmund Benzing of Milwaukee; eight sisters, Miriam (Joseph) Kiselicka of Abbotsford, Marcella (Clarence) Goetz of Johnson Creek, LaVern Jankowski of California, Gladys (Robert) Weichert, and Loretta Ramos both of Milwaukee, Hilary Braun of New Berlin, Hyacinth Becker Menomonee Falls and Verona Staton of Waukesha; 21 grandchildren; a greatgrandson; other relatives and friends.

He was preceded in death by two brothers and an infant granddaughter.

A private visitation and Mass of Christian Burial was held on Saturday, July 15, 2000 at Holy Trinity Catholic Church Kewaskum. Father Mark Jones officiated and burial, with military graveside rites, followed in the parish cemetery.

The Miller Funeral Home in Kewaskum served the family.

ROY H. MAYER

Roy H. Mayer, 80, of Elm Grove, passed away on Thursday, July 13, 2000, at his home.

He was born on August 4, 1919, the son of the late Philip and Anna (Stahnke) Mayer and on September 1, 1945 he was united in marriage to Eleanor Schleif at Peace United Church of Christ in Kewaskum. His wife preceded him in death o August 26, 1989.

Mayer served his country in the U.S. Army during World War II.

Survivors include two sons, Kerry Mayer of Milwaukee and Michael Mayer of Palm Springs, California; a daughter, Patricia (Timothy) Mayer-Cullen of Milwaukee; a brother, Howard (Elaine)

Mayer of Cedarburg; three grandchildren, (Sarah), Nathan and Erin Mayer; other relatives and friends.

Funeral services were held at 7:00 p.m. on Monday, July 17, 2000, at the Miller Home Funeral Eric Kewaskum. Rev. Kirkegaard officiated and burial, with military graveside rites, was at 10:00 a.m. on Tuesday in Peace United Church of Christ Cemetery in Kewaskum.

Friends called from 4:00 p.m. until the time of services at the funeral home on Monday.

ELMER R. **SCHWARTZBURG**

Elmer R. Schwartzburg, 82, of West Bend, formerly of Milwaukee, went home to with the Lord on Wednesday, July 12, 2000, at St. Luke's Medical Center of Milwaukee.

He was born Aug. 3, 1917, in Milwaukee, to the William and Anna (Herrmann) Schwartzburg.

After his marriage to Shirley R. Kowarsch on Aug. 3, 1940, in Milwaukee, the couple lived in Milwaukee, later settling in West Bend.

Elmer was a selfemployed auto dealer in Milwaukee and West Bend for over 61 years, retiring in 1998 from his dealership in West Bend, Schwartzburg Chevrolet/Olds.

Survivors include his wife; three children, Tom (Ruth) of West Bend, Jayne (Randall) Wilson of Mount Dora, Fla. and Jeri (Paul) Robertson of West Bend; five grandchildren, Chad, Deane, Christel, John (Robin) and Brad; two brohers, Byron (Martha) of Cedar Grove and Robert (Mary) of Florida; a sisterin-law, Donna Zahorik of Milwaukee; nieces; nephews; other relatives and friends.

He was a member of the Bible Kettle Moraine Church, West Bend Kiwanis Club, Milwaukee Athletic Club, T.A.C. Club, former member of the Milwaukee Kiwanis Club and past president of the West Bend Chamber of Commerce.

Funeral services were held Sunday, July 16, at 6 p.m. at The Phillip Funeral Home of West Bend. Pastor Michael J. Keshan of the Moraine Church officiated and interment was at 10 a.m. Monday in Washington County Memorial Park, West Bend.

Visitation at the funeral home was on Sunday from 2 p.m. until the time of servic-

Memorials are appreicated to Fort Wilderness of McNaughton, Wis., or the Moraine Kettle Church of West Bend.

In memory of Robert "Gabby" Gavin, who passed away five years ago, July 20,

IN MEMORY

Don't grieve for me, for now I'm free.

I'm following the path God laid for me. I took his hand when I

heard Him call. I turned my back and left it all.

I could not say another day to laugh, to love, to work or play.

Tasks left undone must stay that way.

I found that peace at the close of day. If my parting has left a void,

then fill it with remembered job. A friendship shared, a laugh, a kiss, oh yes,

these things, I too will miss. Be not burdened with times of sorrow.

I wish you the sunshine of tomorrow. My life's been full, I savored much, good friends, good

times, a loved one's touch. Perhaps my time seemed all too brief.

Don't lengthen it now with undue grief. Lift up your heart and share

with me. God wanted me now.

He set me free. Sadly missed by his

wife Joyce, and family.

IN MEMORY

In memory of Loraine Herriges, who passed away July 21, 1991:

In peaceful sleep the one we loved,

Lies free from earthly care; No longer need she labor here.

God's blessings she shall share.

She labored hard and well on earth,

But now her labor's done; And she shall spend eterni-

Beside the Father's Son. We who are left need shed no tear,

For we shall meet her

There is no labor, only rest, In God's tender loving care.

IN MEMORY

In loving memory of EUGENE PESCH, who passed away four years ago, July 19, 1996:

Though his smile is gone And h is hands we cannot touch,

mories Of one we loved so much;

Still we have so many mem-

His memory is our keepsake With which we'll never part, God has him in His keeping We have him in our hearts.

Sadly missed by his family.

Campus Notes

WAUKESHA - Marni Sara Lynn, a major in graphic communications, has been named to the dean's list at Carroll College for the spring 2000 semester. To be named to the dean's list, students must have a grade point average for the semester of at least 3.5 on a 4-point scale.

Carroll, Wisconsin's oldest college, is an independent, co-educational liberal arts college. Incorporated in 1846, it offers bachelor's degrees in 31 majors and graduate degrees in education and physical therapy.

Marni is the daughter of Bob and Sandy Lynn of

Kewaskum.

Rain Forces Cancellation of Second Game As Malfunction Occurs in Thiemerdome

MAN DOWN ON HOME PLATE! What appeared to be the Dome's first 911 call magically turned out all right, as Gene Wolf lost his footing coming into homeplate. Always the dedicated ballplayer, Gene did manage to touch the plate, or was that, fall on top of the plate. It is hoped Gene just pulled a leg muscle, but it is feared that he may be out for the rest of the season which would be a real bummer for the G. Thelen and Sons team. That's teammate Perry Ankerson on the far left... kinda looks like he really didn't want to get involved... or was he just giving Gene "breathing room?" It's all right Perry... it's not contagious!

The intense concentration on the game by the players at the Thiemerdome can be seen on the faces of the Chief of the Fillmore Fire Department, Calvin Steinert (catching), Umpire Dane Dorn, Brian Carlson (batting) and Mike Staral, far right, coaching third. If only guys could love Christmas shopping as much as they enjoy hurting themselves playing games!

in the making as the play- the gaps (and, believe me to his "boo-boo." Many have ers made their way into the Thiemerdome last Wednesday. Play was doubtful, as there appeared to be a major malfunction in the wing nut that moves the dome over the green grass when the weather looks gloomy.

Luckily the skies cleared up enough to allow play, as fans clamored to their seats to see which teams would remain undefeated. I could make this short and sweet and just blurt out which, if any, teams are on top, but where would be the fun (and aggravation) in that?

Steve, the team leader, Stern gave an inspiring pep talk to his Commercial Plumbing players prior to "kickoff," but the Thelenites

Another rainy night was came out smoking, hitting Thiemer applied an ice pack there were a couple!) left and right.

> Gene Wolf scored the third run of the inning for Thelens, with, of course, Scott "3x3" Thelen adding a single. But, alas, it was a costly run. "Old Wolfy," who normally can run like a rabbit, lost his footing, heading towards homeplate.

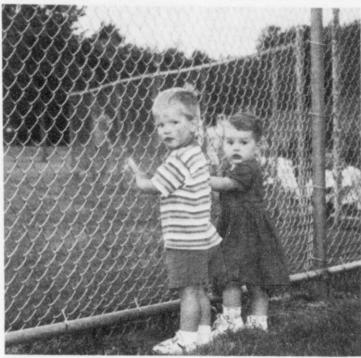

> He managed to slide across the base, but couldn't get up due to a bad muscle pull in his upper leg. Lucky Wolfy, with the help of his teammates, got up and was assisted off the playing field to the bench where the Thiemerdome First Aid Technician, Mary "The Saint" (as I've said before, she has to be a saint, look who she's married to!)

always considered Mary an Angel of Mercy. Now all our thoughts have been confirmed.

Gene bravely watched the rest of the game from the bench, but it is feared by his coaches that he might be out for the rest of the season. Heal quickly Gene, the boys need you...

It was a very defensive game after the injury, with double plays exploding on both sides. Defense especially hurt the Plumbers when they thought they'd score some runs and the dreaded double play killed their rally!

In the sixth inning Scott Thelen hit one between the fielders to help raise the

Who ARE those old guys, and WHAT are they trying to do out there? Thiemerdome heir, Tracy Thiemer, and his lady friend, look indignant and confused as they watch the action (?) on the playing field. Kinda rude of those ball players to be treading on their running turf!

Radio magnate Bob Bonenfant, right, and his wife, Gale, pause at the Thiemerdome concession stand while listening to head concessionaire Mary Thiemer (aka Angel of Mercy) spin tales of the ecstasy of being married to dome owner, Richard Thiemer. Normally, the lines are horrendous at the dome, but the rain must have forced some of the guys to seek shelter in the main lounge.

score by three more runs to put the nails in Commercial's coffin. (Kinda nasty to remind these senior citizens where they are headed. you wouldn't Richard?... HE said it, I didn't ... I have the utmost respect for the Commercial Plumbing crew... they buy me Bud Light!)

The G. Thelen and Sons team finally ended the misery with a 7-0 win. Another shutout in the Dome! Where is Howard Cosell when you really need him! (Never mind... I know he's in the great broadcasting booth in the sky!) The only illustrious part of the game came

out of Kurt "Pretty Boy" Schmidt (now, THAT is sad!) who went 2x3.

In the nightcap, it was Amerahn pitted against the Thiemer Sipper Snippers, as the rain loomed on the horizon. Several times the Amerahn team complained that it was getting too dark for them to see because of the cloudy skies, but frankly, I think it might just be these lads need to have their bi-focals adjusted. However, the Sipper Snippers didn't make too much of an issue out of the weather. (In all actuality, the weather can't possibly

Don't begrudge the other fellow his share of recognition. Banks and loan companies have gotten rich by giving others a little credit.

Thiemerdome

(Continued from Page 13)

be blamed for their play, so they just take it with a grain of salt.)

After a scoreless two innings, both teams began to smack the stuffing out of the defenseless little ball, scoring five runs in the third.

Maintenance managed to get the wing nut fixed to close the dome and the lights inside were quickly turned on, but it was too late. The fast-approaching storm "short-circuited" the whole system and all automatically shut down, except for the Good Lord's own sprinkling system.

Umpire Dane Dorn called the game and told the teams they would have to replay the game at a later date, and start from the five innings already put in.

As the teams huddled under the concession stand roof, the Sipper Snippers snidely remarked that the Amerahners must have really pulled some big strings to get the sprinkling system turned on.

Now boys, I know this rivalry thing is what sells tickets, but we really have to get beyond this if we all want to remain pals. After all, what's more important... who won the game, or who is more sociable. I think we all know the answer to THAT ageless question!

BEECHWOOD SPORTSMANS CLUB TRAP July 13, 2000

Gary Gavin, 143 Main Street, Kewaskum, WI

Administrator Daniel S. Schmidt reviewed information and events pertaining to the property located at 100 Second Street. It was noted several calls were made to the DNR, property owner and Department of Justice. Nothing new as to clean up is occurring and the Village would need to go through an environmental company to assist with the installation of security fencing. The property owner assured the Building Inspector that some sort of security fencing would be installed. The Department of Justice and the DNR indicated a complaint is being issued to the owner and/or responsible parties. When asked if the owner does not clean up will they proceed with the clean up, they said no they did not have the money. Information was asked of the EPA regarding the property. They indicated that if the Village Board sent them an inquiry asking for an investigation they would investigate and if found to be contaminated to a certain degree they would place the site on the Super Fund List and order said clean up. If that would not occur they would proceed with the clean up and bill the clean up back to the property owner and/or responsible parties. If it is not found to be contaminated to a level high enough for the Super Fund they will notify the Village and the DNR and Department of Justice action would go forward. The estimated cost of clean up is to cost in excess of \$100,000.00 and if the village were to proceed with said clean up we would have to go to Court and then

borrow said money hoping to get some of it back. On a motion by Trustee Larry Ammel, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board authorized the Administrator to send a letter of inquiry to the Environmental Protection Agency to investigate the site and for possible action.

President Robert Wagner informed the Board that the Town of Kewaskum, Scott Sager and he met to discuss mutual topics of concern last week. It was noted that the USH 45 street lighting, extra territory review and cooperative agreement of sorts were topics being considered. A Trustee was asked to volunteer to sit in on the meeting with the first being tentatively planned for July 12, 2000 at 7:00 p.m. at the Municipal Building. Trustee Larry Ammel volunteered to sit in on the meetings on behalf of the Village Board.

President Robert Wagner asked to step down from the Board for discussion on Ordinance No. 2000-03 an Ordinance To Amend Section 6.0 Traffic, Loading, Parking and Access - Within the Zoning Ordinance. On a motion by Trustee Larry Ammel, seconded by Trustee Andy Pesch and unanimously carried by voice vote the Board appointed Trustee Robert Stoltzmann and President Pro-Tem.

Pro-Tem

Robert

President

Stoltzmann indicated if anyone had any comments they should raise them at this time. He further indicated he had a concern over C.(3) regarding the 20 foot length limitation for parking in the street yard (driveway). It was noted that the front/street yard 3 feet limitation would control the length. Robert Wagner agreed and indicated he did not have any desire to make the ordinance overly restrictive. However he questioned President Pro-Tem Robert Stoltzmann's motives for waiting until this meeting for bringing it up for discussion. Debate and discussion continued with the Board agreeing to strike the 20 feet limitation and to include the need to park on the driveway if a recreational vehicle is to be parked in the street yard. Some discussion was to table and further review the ordinance. On a motion by Trustee Mathew Heiser, seconded Trustee John Kenworthy and carried by the majority, the Board approved/passed Ordinance No. 2000-03 as attached hereto: Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent". (Trustee Harry Roecker and President Robert Wagner being

Motion by Trustee Andy Pesch seconded by Trustee Larry Ammel and carried by the majority roll call vote, to adjourn. Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent".

Theys Wins Inaugural Sargento Grand Am Race at Road America

The start of the Road America 500 as the cars make their way out of the pits at Road America on July 9, for the First Sargento Road America 500. The Grand American Road Racing Championship Series (Grand Am) is an endurance 500-mile race of competition between SportsRacer, GT and International Sports Sedans.

Heading for the Finish Line is Didier Theys of the Doran Lista Special Team, who finished first in the very first Sargento/Road America 500. The Grand American race was held at Road America, Elkhart Lake, on July 9. It consists of 125-laps and was completed in four-and-a-half hours on a muggy Sunday afternoon.

A realistic billboard at Road America spans the new bridge and now features a two-sided billboard featuring a semi from Plymouth-based Sargento Foods, Inc. The company signed a sponsorship agreement with Road America including track signage and the sponsorship of the new Road America 500.

By Laurie Ottery Staff Writer/Photographer

Elkhart Lake was buzzing with activity for a series of races over July 6, 7, 8 and 9. Preliminary races included the U.S. Formula 2000, the Motorola Cup, American City racing league race and the Mid-American Stock Car race.

The featured event was on Sunday, the Grand American Sargento/Road America 500. The endurance race, is the longest race at Elkhart Lake in fourteen years. The Grand

American Road Racing Association is a new motorsports sanctioning body whose primary focus is the organization of professional road racing throughout North America.

The featured race is the newest professional road racing series in North America. Every Grand-Am event will feature a variety of cars from various classes competing at the same time on the same track. Some of the classes include the Sportsracer, the Grand Touring and the AGT (V8-powered, tube-framed

racecars using bodies from recent year sports coupes).

Road America signed a sponsorship agreement with Plymouth-based Sargento Foods, Inc. The arrangement includes track signage on the new Road America Bridge and title sponsorship of the Road America 500. The bridge features a realistic Sargento semi billboard, on both sides.

The track, just over fourmiles long, is one of the longest and most challenging road racing courses on the continent. Add that to a muggy

The cars make their way out of the pits at Road America on July 9, for the First Sargento Road America 500. The Grand American Road Racing Championship Series (Grand Am) is an endurance 500-mile race of competition between SportsRacer, GT and International Sports Sedans

Sunday afternoon and you get the formula for an exciting race where anything is possible.

The rain had finally stopped, but there was no stopping the excitement at the track. The Sports-Car endurance race lasted four and half-hours. Teams of drivers, who switched now and then, during pit stops, maneuvered the straight-aways and sharp turns for 125 laps.

The Grand American competition was plagued by Wisconsin's unpredictable weather. Many joked that if we waited another five minutes it could change. And that it did, on and off. Rivers of water crossing the track prevented the qualifying for the pole position. The starting grid was determined based on Team owner's points and practice times.

The race is the longest on the Grand-Am circuit, with many teams adding a third driver for an advantage. Fuel strategy has been an advantage for the Doran Lista Special team in past races, and they hoped for the best at Road America.

Doran Driver, Didier Theys, entered the race with concerns over so many cars, and more possible yellow flags, taking that advantage away from them. In reality, despite cars in sand traps and some oil on the track, there was only one caution that lasted 5 laps.

The Doran Lista Special team of Didier Theys, Mauro Baldi and Fredy Leinhard earned the pole setting and from there set the pace for the rest of the afternoon. The team, with driver Theys setting the fastest lap in Lap 36 of 1:58:458, crossed the finish line at full power in their red, white and blue Doran.

They ran all 125 laps leading laps 21-50, 98-100, and 113-125. Baldi held his own in a 26-lap stint, then turned the car

back over to Theys for the finish. The team took home their second Grand American Road Racing Association victory with only a one minute, threesecond margin.

"This race was good because we used all of our strengths," said Theys. "We had good drivers, Kevin Doran's strategies and a hard-working crew."

Team owner and co-driver Fredy Lienhard pointed out that the car only had 5 liters of fuel left, one more lap, confirming the strategy of team manager Kevin Doran worked today.

Like most races you just never know who will finish first until the end. For most of the day, it appeared that Theys and his teammates would be racing for third place, behind the Ford Riley & Scott driven by James Weaver and Andy Wallace, and the Leitzinger-Scott Schubot team.

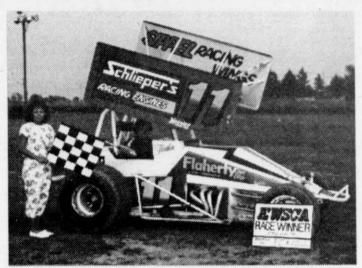

Weaver had pulled out to a lead of more than 90 seconds, but fell victim to brake problems that left them in fourth, two laps down. Leitzinger had mechanical problems, most likely an oil leak that sent him into a spin when Theys passed him.

All of the problems led to the best day in Grand American competition for Ferrari. The Doran Lista Special team in first and the #12 car, Risi Competizione team with drivers Mimmo Schiattarella and Eric van de Poele in second.

The Sargento/Road America 500 was the seventh race on the inaugural Grand-Am. The series next visits Quebec, Canada, for the Player's Grand Prix de Trois Rivieres on July 28. The season concludes August 25-26 with the Twin 100s and Six Hours at Watkins Glen, N.Y.

West Bender Heimerl Will Take Top Honors

Racing Legends to Be Honored

Frankie Heimerl taking the checkered flag from 1988 E.W.S.C. Queen, Candi Goeden Block, after winning the feature event.

Eastern Wisconsin Stock Car Racing Association (EWSCA) presents the fourth annual "Ol' Timers' Nite" at the Sheboygan County Fair Grounds in Plymouth on Saturday, July

Champions from the three divisions from 1975-1984 will be honored. Gib Wiser, Frankie Heimerl and John Hoch of the Modifieds, Scott Vollbrecht, David Haag and Dave Larson of the Sportsmen Division and Mike Yancy, John Michaels and Kevin Brill of the Hobby Stocks are among the honores.

There will be a few surprises for some of the veteran drivers who may not have been champions of their division, but were there every night to support and promote the sport of racing. The dedication of all the drivers to EWSCA and the Milwaukee Stock Car Racing Association will be noted. The Vintage Stock Car Club will be on hand with all the pictures and some of the restored modifieds and sportsmen cars from the past.

Heimerl, the veteran driver from West Bend started racing part time in 1969 because he had a second shift job. In 1970, he bought a modified from Bobby Blank, (formerly of West Bend). Bobby's dad better known as Schmeed' to all the drivers, could build anything. He helped Frankie get started in the modified division of the Stock Milwaukee Racing Association and later the Eastern Wisconsin Stock Car Association. Schmeed was the fix-it and repair man for such local drivers as Donny Schuppel, Billy Johnson and Willie Goeden.

When Frankie began racing, the MSC was scheduling events for almost every night of the week. Beaver Tuesdays, Dam on Cedarburg on Wednesdays, and Francis Creek on Saturday Thursdays; evenings it was either Plymouth or Hales Corners and on Sunday night it was the family tradition at the Slinger Speedway. He also competed at dirt/clay tracks

in Michigan and Illinois.

Throughout his career Frankie was a top contender, posting fast times and winning heats and feature events. He won his first race at Chilton. This was when the Eastern Wisconsin would compete during the Calumet County Fair.

Continuing to take top qualification honors and winning feature events, Frankie was a frequent winner of the nightly Hard Charger Award in the modified division. At many of the local tracks, his fast qualifying lap stands as a record today.

When talking about the "good ol' days," Frankie tells the story about the second time he won the EWSC championship in 1983. "It was a close nip and tuck battle through out the season with the 1982 Champion, Flyin' Farmer Ron Luedlke. One night I would take the points lead and the next night he would have it. I tried to figure it out, if we competed every night and didn't have any rain outs, I - have should Championship! I took over the lead late in the season and never looked back! Those were the good ol' days!"

His loyal pit crew consisted of "his relatives!" His brothers and cousins all helped to make Frankie Heimerl's, the "West Bender's" career in the modified division a success. Vince Schneider, Mike Spaeth, Dave Porath, Chick and Fritz Karnitz, Bernie and Diane Heimerl were members of that dedicated pit crew.

It is always an accomplishment when a driver can keep a sponsor throughout his racing career. And that's just how it was with Frankie's sponsors. Schlieper's Speed Shop for the engines, Outhouse Engineering (Tom Pogo) for the chassis, Flaherty Motors and Sippel Racing Wings for their support and contribu-

About five years into his racing career he met and married Gay Waala. She is a special lady and has always

been supportive of her husband's choice to race modifieds for a "hobby."

Together they have four children. Daughter Angie (now 25) helped on her dad's car during his championship years. They have three other daughters, Jamie 23, Shelly 20 and Laura 18, who just enrolled at the University of La Crosse.

Frankie Today employed as the Head Fleet Mechanic at the Cedar Lake Campus. He retired from the "hobby" he loved in 1993. "What I miss most is the good times, great people and the fans of the #1 sport, stock car racing. Thanks for the memories." Frankie also stated: "When times were rough and we needed a helping hand, some loyal fan would buy a tire and help us get through that night of racing. The fans are why we have good memories."

Frankie and other former Eastern Wisconsin Champions and competitors in all the divisions from the past will be honored on Saturday, July 22, at the Sheboygan County Fair Grounds in Plymouth.

This year an invitation is extended to the former EWSC queens. The racing legends from the past and the former queens are asked to call Jeanne Goeden 262-334-9549 for reservations. Pictures and autographs will be available to the fans. This is a regular Saturday night Eastern Wisconsin Racing event. Starting at 6 p.m. with qualifying, and racing starting at 7 p.m. Come and meet the drivers who gave us the thrills and excitement of stock car racing in the southeastern part of Wisconsin. Restored modifieds and sportsmen cars wili be on display. If anyone is interested in making models or showing off their Wisconsin Eastern Milwaukee Stock Car models, please do so. A table will be served for you.

The evening will also be dedicated to the awareness of the hearing impaired. The National Anthem will be signed by Candi Goeden Block. Those who are hearing impaired and would like to learn about the Eastern Wisconsin Racing schedule of events for the evening are invited to attend.

It will be a night to remember. See you at the races, Saturday, July 22

Kewaskum II Places Second In Tournament

Kewaskum II took second place in the Campbellsport Athletic Association Little League Tournament over the past weekend.

The team had excellent hitting, pitching and fielding from all players on the team. The players included: John Carpenter, Eric Cullen, Justin Ethier, Abe Foerster, Craig Johann, Nate Kenworthy, Tony Kudek, Matt Parrent, Kyle Rieden, Dan Shea, Nathan Steiner and Stuart VanEss.

Kewakum II had an amazing team batting average of .422 with VanEss batting .688, Steiner batting .563 and Parrent batting .529. The team also exhibited some power with home runs as Parrent had three and Steiner added one. Triples were achieved by Shea (5), Rieden (2), Foerster (1), Parrent (1) and Steiner (1). In addition, Parrent, Foerster, Reiden, and Shea did an excellent job in the pitching rotation.

Many family members of the Kewaskum area residents cheered the team on as they posted their exciting second place finish.

ABC SKAT RESULTS

The winners at skat played at the Town of Scott Hall on Tuesday, July 11th were: Ralph Laux, 13-2--11 net; Francis Gilboy, 9-1--8 net.

RRL Oldtimers to Hold Annual Outing

The Rock River Baseball League Oldtimers' Association will hold their Annual Summer Outing on Sunday, July 23. The get-together will be held at Stueber Field in Clyman at the Rock River League Southern Division baseball game between the defending Rock River League Grand Champion Helenville Rebels and the Division leading Clyman Canners. Game time is 1:30 p.m. for this clash between two of the Rock River League's best. All members of the Oldtimers' Association will receive free admission to the game as well as three free drink coupons, which will be available at the concession stand.

There will also be door prize drawings throughout the contest. For a fun afternoon of good baseball, camaraderie and to hash over old times, join the Oldtimers on Sunday, July 23 at Stueber Field in Clyman. For more information on joining the Rock River Oldtimers' Association, contact Secretary Bob Schulz at 920-349-3736.

Indians End Conference Season With Six-Game Winning Streak

The week of July 10 started Monday with a home game against Kiel at Kiwanis Park.

The Raiders came onto the game with an 11-8 record compared to the Indians' at 8-8. "We knew if we were going to overtake Kiel for third place in the conference, we had to beat them on Monday and win both doubleheaders the next two nights," said Coach Mark Heise. "We thought we had a chance to do it because the games Tuesday against Sheboygan Falls and Wednesday, against Two Rivers were against teams below us in the standings.'

Heise pitched ace Bob Ogi against Kiel. It looked grim to begin with as Ogi's second pitch of the game was for a long home run over dead center by Matt Schetter. Number two hitter, Jack Valukas singled, moved to second on a passed ball and scored on Greg Herr's single to left. "It didn't look good," said Heise. "They had two runs before we had the first out of the game."

But Ogi settled down and got the next three hitters to retire, the Raiders with no further damage in the first. The rest of the game saw Ogi pitch well and the Ktown defense get out of some sticky situations.

In the second inning, with no one out, catcher Justin Rhoads gunned out Mike Mertens on an attempted steal of second. In the fourth, with a man on second, the Indians turned a nifty 1-6-3 double play. In the fifth, with the tying run on second, Raider Greg Herr singled to center and Indians center fielder Jason Strobel threw a rocket to the plate to nail the runner at home.

Sixth and seventh innings saw Ogi shut the Raiders down by striking out three of the last six he faced. He got the win with seven strikeouts and one walk. He gave up seven hits, but only four after the first inning. It was Ogi's seventh win of the season against four losses.

The Indians scored all three of their runs in the bottom of the third on some textbook baseball. Chris Canter started the inning by reaching on an error.

Jason Strobel also reached on an error. With no one out, Coach Heise called for a sac bunt from Brad Vetter, who responded perfectly to advance the runners to second and third. Justin Rhoads followed with a line drive single to right center to tie the game at two-all.

Josh Parrent was put in to courtesy run for Rhoads. For the second time in the inning, Heise called for a sac bunt. This time, Jon Boedeker laid down a perfect bunt to advance Parrent to second. Tony Fitts followed with a single to left to score Parrent with the winning run.

Justin Rhoads and Tony Fitts were 2x3. Bob Ogi singled in the fourth. The win pushed the Indians' record to 9-8 in conference and 11-9 overall.

Indians Down Two Rivers Twice for Third Place Finish

The bus headed to Two Rivers on Wednesday night, the 13th, for a double header makeup of Saturday, July 8's rainout. The boys knew that if they could win both they would end up in third place in the confer-

"At the beginning of the season, we knew that Campbellsport and New Holstein were the teams we had to beat to have a shot at the title," commented Coach Mark Heise. That proved to be the case as Campbellsport completed a near perfect season, going 20-1 to win the conference.

"I guess it's a feather in our hat that we were the only team to give them a loss, but I wish we could have given them a better challenge for the championship."

Nevertheless, a third place finish was within their grasp and the Indians took it with a 12-4 and 16-2 doubleheader sweep of the Purple Raiders.

In game one, the score was 3-3 at the end of the first, but Kewaskum's pitcher, Josh Krahn, settled down and allowed only one more run in the third to gain the win by pitching six innings. He struck out none, walked only one and the Indians defense committed no errors. Chris Canter pitched the seventh, striking out one and giving up no

Justin Rhoads continued his hot hitting going 3x3 with three RBI's. Brad Vetter was 3x4 with four RBI's. Tony Fitts was 2x4 with two doubles, and Jason Calliari was 2x5. Jason Strobel hit his fifth home run of the season in the seventh. Chris Canter, Jon Boedeker, Jake Peterson and Bob Ogi also got into the act with singles. The win put the Indian record at 12-8, 14-9 overall.

The night cap was a onesided 16-2 win dominated by the Indians from start to finish. The Indians scored 16 runs on 16 hits and the pitching trio of Brad Vetter, Chris Canter and Josh Parrent, held Two Rivers to two runs on only two hits.

Vetter pitched four

walking none, and giving up

four hits and one run.

Canter struck out two.

walked none, and gave up

The Indian offense scored five in the first as they sent eight players to the plate. Four runs in the sixth and seven runs in the seventh

iced the game.

There were a number of multiple hit performances by the Indians. Chris Canter was 3x5, Jon Boedeker was 2x3, and Jason Calliari was 2x4. Jason Strobel was 2x5, with a triple and a double. Tony Fitts, Josh Krahn, Brad Vetter, Justin Rhoads, Josh Parrent, Bob Ogi and fresh-

man Jake Wilson all had

"I'm very proud of these kids," commented a beaming Coach Heise. "They could have folded after our losses at Manitowoc, but instead they played with as much intensity as any team I've ever coached. The sixgame winning streak was because of their extreme focus on getting the job done."

The win ended the 2000 season with the Indians at a 13-8 conference finish and a 13-9 overall record. "The way we finished the season is a good momentum carrier into the WIAA State Tournament," remarked Heise. "We'll need it because we are in the Cedarburg Sectional, one of, if not THE toughest in the state. Last year's state champion, West Bend East, and 24-2 Campbellsport are in the Cedarburg Sectional."

The Indians had a bye in the first round on Friday, July 14, and were scheduled to play the Campbellsport Cougars, (victors over West Bend West) on Tuesday night, July 18, at Campbellsport at 5 p.m. The four teams that advance to round three will play at Cedarburg on Friday, July 21, starting at 11 in the morning.

Indians Topple Sheboygan Falls for Two Games

After the big win on Monday, the Indians headed to Sheboygan Falls on Tuesday, July 11, to finish a rain-suspended game from June 1, with the regularly scheduled game to follow. The game resumed with Falls leading 2-0 going into the top of the fourth inning.

"We were down two-zip going into the top of the fourth, but we were confident we could catch them," commented Coach Heise. "We were the home team and our offense has been starting to deliver some key hits as of late. Our confidence level has risen as the season's developed."

The bottom of the fourth saw the Indians get to within one as Jason Strobel reached on a catcher passed ball, stole second and then scored on a Josh Krahn single. Sheboygan Falls scored one in the fifth to go back

In the bottom of the fifth the Indians scored two to tie the game at three apiece. No one scored in the sixth setting up another exciting seventh inning. "We've been in a mess of these down-to-the-wire finishes this year," said Heise. "These kids have a flare for the dramatic."

Falls scored a run in the seventh to take a 4-3 lead.

With the numbers two, three and four hitters coming up for Kewaskum, there was a ray of hope, but after a strike out, and a pop up out to second, the Indians were down to their last out. Well, as Yogi used to say, "It ain't over 'til its over." Clean up hitter Justin Rhoads hit a dramatic homerun to dead center to tie the game and send it into extra innings.

The Indians did not allow Falls to score in the eighth, leaving runners on first and second. In their half, the

first two Kewaskum hitters were retired on infield outs. Chris Canter then reached on a ground ball up the middle that the shortstop bobbled for just an instant.

"That's all he needed, with his speed, he beat the ball to first," stated Heise. Canter stole second, then Jason Calliari reached on a throwing error by the second baseman. Brad Vetter followed with a game winning single to right center that fell between the diving outfielders for a 5-4 win.

Josh Krahn started the game back in June pitching three innings, giving up two runs on one hit, striking out one and walking four. Jason Calliari took over at Falls, and pitched five innings getting the win by striking out five, walking two, giving up five hits, and two runs, only one earned.

Krahn was 2x4, Vetter was 2x5, Rhoads was 1x4, his hit being the long home run. Jason Strobel was 1x3 with a double and Josh Parrent singled in the sixth. The win put the Indians at 10-8, 12-9 overall.

Game two saw the Indians jump out to a 3-0 lead in the top of the first as they sent seven men to the plate.

Jason Calliari had only pitched five innings in the previous game and was still strong at the end, so Heise started him in game two. He pitched the first with no problems, getting the Falcons out, one, two, three.

But in the second, he tired and gave up three runs on three hits. "Cal did a great job for us tonight," remarked Heise. "With having to play 34 innings in three days, I needed some guys to step up and give me some strong performances. Bob gave me seven good innings last night, and Cal did the same tonight."

After the second inning, the game turned into a seesaw battle with both teams scoring almost every inning. Josh Krahn replaced Calliari, but could not adjust to the mound and left after just 1/3 of an inning.

Brad Vetter replaced Krahn but also had control problems and gave way to Chris Canter. Canter pitched the last four innings for Kewaskum, notching his first career win.

But again it did not come easy. Down 11-8 going into the bottom of the seventh, Falls mounted a comeback that saw two Indian errors to start the inning. A sac bunt and a base hit made the game 11-10. With one out, Falls loaded the bases, putting the winning run at second base.

Ryan Walsh hit a line drive single to left and it looked like the game was over, but left fielder Tony Fitts threw a shot home to nail the lead run at the plate and hold the score at 11-11. Canter got the next hitter to ground out to Jon Boedeker at second to send the game into extra innings, AGAIN.

With renewed life after the great throw by Fitts, the Indian bats exploded in the eighth for five runs on five hits.

Boedeker singled, Josh Parrent singled, and Calliari sac'd them to second and third. Josh Krahn singled down the right field line to score two. Canter singled and on stealing second, Krahn scored. Then Jason Strobel put an exclamation point on the inning with a long home run to deep left to give the Indians a 16-11 lead.

Falls scored only one in the bottom of the eighth, giving the Indians the win and putting them at 11-8 in conference and 13-9 overall.
