The historical hotel, in the village of Kewaskum, has become home to Woody's Steakhouse & Pub. The business is located at the corner of Fond du Lac Avenue (Highway 45) and Main Street (Highway 28).

Todd Kleinhans, better known as Woody, dreamed of owning his own business, and one-day a supper club. The steakhouse is part of that goal. He is no stranger to the food industry or owning his own businesses. Woody graduated from Campbellsport High School and pursued and received a degree in business management.

"I've worked several jobs in the food industry over the last fifteen years," he said. "I own and operate Woody's Xtra Innings (a bar and grill) and Woody's On the Pond, both in Campbellsport. Another bar and grill, Rookies, was located just down the street here in Kewaskum."

The decision to open the steakhouse was a matter of circumstances. Rookies offered no more room to expand the dining facility, the building on the corner was available and ready to accommodate his goals and most importantly Woody was ready to pursue the supper club dream.

"Our goal at the steakhouse is to serve generous portions, from a variety of selections, at reasonable prices,"

Todd Kleinhans,
 Owner, Woody's Steakhouse

"We closed Rookies, where we had served a lot of pizzas and prepared foods," he said. "Many of those customers have stopped here to eat and visit. I would like them to know I appreciate their business and hope all of our customers bear with us as we get organized in the steakhouse."

A lot of thought went into the planning of the new business. Woody's experience prepared him somewhat with many of the decisions that needed to be made. Things like what to offer on the menu, who and where the suppliers would

be, hiring employees, working out schedules, getting brochures and menus made and many other details that go into such a huge undertaking. Fortunately Woody was able to bring valuable employees from Rookies and Woody's Xtra Innings, like Angie Donath, Nikki Thompson and Scott Rohlinger, as well as acquiring Karie Martin to be the waitstaff manager also family, friends, and his parents, Forest (also known as Woody) and Lila also offered their expertise.

"Like any new business it takes the right mix of people to operate smoothly," said Woody. "Although many of our employees are experienced in their jobs, the building itself and the new business is new to all of us. We are using a team effort and working out the details of what needs to be done as we go along."

Woody offers a wide variety of selections on the menu. Some of the appetizers include haystack onion rings, potato skins, sour cream and chive fries, sautéed mushrooms and a homemade recipe for the breaded ones to name just a few. The mushrooms are locally grown by Gourmet's Delight Mushrooms.

Everything is prepared homemade, including the soups, salad and fresh desserts daily. Beef selections include Prime Rib, Porterhouse, Top Sirloin and Chef Buzz's (Buzz Knaub) Special Filet. They specialize in secretly seasoned char-grilled steaks cooked to perfection. Only the best hand selected USDA choice steaks, aged for tenderness are served.

There are charbroiled pork chops, BBQ Pork Back Ribs, a variety of chicken selections, Roast Duck, a mouth-watering seafood selection and sandwiches. A specially prepared Vegetarian Dinner is also available.

They are open seven days a week. "We started off with limited lunch hours and now it is plainly obvious that in order to accommodate all of our customers we need to be open for lunch Sunday through Friday" Monday through Friday lunch is served from 11 a.m. to 3 p.m. Dinner hour is 4:30 p.m. to 9:30 p.m. Monday through Thursday, ending at 10 p.m. on Friday, Saturday and Sunday the entire menu is available

SCHOOL WEB SITE:
www.ksd.k12.wi.us

What's different about today, August 31, 2000, and August 31, 1999? I'll give you a hint: If you're driving between 7 and 8 a.m. or between 3 and 4:30 p.m. in other school districts, you may be stopped by large yellow vehicles with red flashing lights.

The difference is that students in the Kewaskum Public Schools have not started school, so the red flashing lights of school busses aren't part of the early morning or afternoon driving routines yet because the remodeling of the Farmington and Wayne Elementary Schools was very influential in the School Board's decision to begin school after Labor Day here in Kewaskum.

With the school year beginning on September 5 this year, district residents should realize that next year's start date is yet to be determined. In fact, some people still may not fully understand the new law.

Beginning with the 2000-01 school year, Wisconsin Statute 118.045 prohibited a public school from starting the school term until September 1. If it's the law, then why did so many surrounding districts begin as early as August 23? As usual, the law contains an exception. To begin school prior to September 1, a School Board "may" hold a public hearing, but within the same school year, and adopt a resolution to begin that school year prior to September 1. This public hearing, if held, allows for community input and gives residents the opportunity to present information to the Board before a final decision is reached.

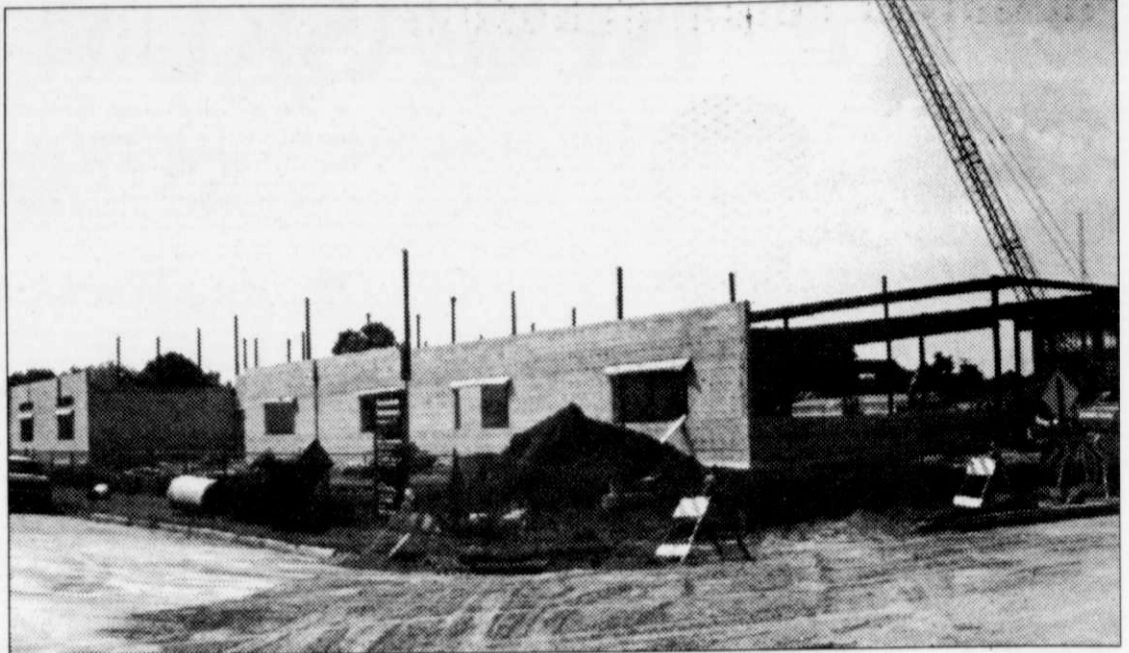

Why is this so important? Because now is the time parents, students, teachers, community members, business owners, board members, etc., are experiencing and observing students not being in the classroom in August. I ask you: Are you and the children enjoying it? Is the summer break too long? Is this later start date helpful to local merchants and students who require student employees or who are still working?

Are your children bored, especially in these final two weeks? Did you squeeze in another vacation that you otherwise couldn't have gone on? In other words, I ask you to jot down your feelings and impressions while you are experiencing the lengthened summer vacation right now. Write them down so as next year's start date is being considered, or is being determined, you will be able to re-read your comments, refresh your memory, and recall the feelings/opinions you have today. With this information recorded, should the school board call for a public hearing on a start date for next year, you can make an informed decision based on fact, and feelings.

We are excited to announce the school district's web site. By accessing www.ksd.k12.wi.us, you will have a wealth of information available to you. Things like the school calendar, school board minutes/agendas, staff directories, schedules for athletic events, school menus, etc. Currently it is "Under Construction" but many pages are open for you to visit. Try it. Like the commercial says, "You'll Like It!"

Building Construction Update: It has been a short summer for construction workers of C.D. Smith. They promised that we would be in both Wayne Elementary and Farmington Elementary Schools in time for the first day of school... September 5. They will be meeting that deadline as our maintenance and custodial crews have been in the buildings since August 21, preparing them for occupancy.

The only minor delay we ran into was humidity. New concrete poured in both buildings may not be cured enough to lay tile down but carpeting has been laid. For the first few weeks some small portions of some classrooms and some hallways will be concrete but other than that teachers

A view of the progress being made at Kewaskum Elementary School. According to school officials WES and FES are scheduled to open on time. School begins in the Kewaskum School District Tuesday Sept. 5.

will be in their rooms on the first In-Service day of August 31.

Both gyms had deadlines of late October or early November for occupancy and are on schedule. Once both buildings are completely finished, Open Houses will be scheduled for residents. These dates will be announced.

As we enter another school year, I would like to share that our focus for the school year is: DOING OUR BEST; BUILDING ON OUR STRENGTHS. Isn't that the way we should all live? To do our best. To recognize the good qualities in others. To know or learn each other's strengths. Then build on them. Maybe we should recommend this focus for our entire country!

Local Student Stands Out At Career Forum in Boston

Josh Lawrence

WASHINGTON, D.C. - Joshua Lawrence of West Bend, attended the National Youth Leadership Forum on Medicine (NYLF/MED) from July 16 through 26, 2000 in Boston, Massachusetts. Having demonstrated academic achievement and an interest in a career related to science and health, Lawrence joined more than 400 outstanding high school juniors and seniors from across the United States at the conference. Students learned first-hand about medical ethics, the global effects of infectious disease, genetic research, public health and many other subjects relevant to the field.

Josh is the son of Dr. John and Renee Lawrence, and will be a junior at Kewaskum High School.

"The National Youth Leadership Forum on Medicine gives students like Joshua Lawrence an early opportunity to explore in depth what it takes to reach their career goals," said Donna Weldin, executive director of the NYLF. "Many students arrive knowing they want to pursue a career in medicine. We provide some of the essential resources for these young people to determine where, inside the medical universe, they wish to land."

Dr. Tim Johnson, medical editor for ABC News

welcomed the students to Boston and discussed the sometimes - tenuous relationship between the media and medicine. Dr. Johnson noted, "Over the past 20 years, the media has had a tremendous impact on the health of the United States based on the information that they make available to the public." He also cautioned, "while meteorologists must be educated in meteorology, medical editors are not necessarily required to have any medical training. This may increase the chance of misinformation, so be sure to consider your source."

During the conference, NYLF/MED students had the opportunity to visit some of the best institutions of medical learning in the country, including: Boston University School of Medicine, Harvard Medical School, Tufts School of Medicine and others. Not only did students visit these renowned places, they also interacted with doctors, nurses, scientists and professors to gather a greater understanding of medical history, standards and trends.

Throughout the program, Lawrence and fellow students explored the realms of public health and problem-based learning in a series of intense and stimulating

simulations. NYLF/MED culminated in a simulation that explored medical ethics, allowing students to apply what they learned throughout the course of the Forum.

The NYLF is a nonprofit educational organization that brings various professions to life, empowering outstanding high school students with confidence to make well-informed career choices. For additional information on NYLF programs, visit us on the Internet at www.nylf.org.

Letters to the Editor

Dear Editor:

Labor Day weekend marks the end of summer for many people, but to me it means it's time for the Jerry Lewis MDA Telethon. Not only does this broadcast bring nationwide attention and support to the fight against neuromuscular diseases, it also energizes our family and all the great people involved with the Muscular Dystrophy Association here in Kewaskum.

My family is among those facing the onslaught of challenges caused by progressive muscle wasting, and we take great comfort in knowing that MDA funds hundreds of the world's top scientists with contributions made to the Telethon. These investigators are working around the clock to find treatments and cures for neuromuscular diseases. We also know that thanks to public support of the Telethon, MDA provides unparalleled help through a network of some 230 clinics from coast to coast.

We can count on excellent doctors, nurses and therapists at the MDA clinics at Froedtert Memorial Lutheran and at Children's Hospital of Wisconsin, both in Milwaukee. Their guidance has been a godsend, and MDA experts have answers for us when other doctors might not. MDA also helps pay for wheelchair and leg braces, and hosts support groups in which families can network with others facing similar challenges.

Each summer, thanks to the Telethon, my child and other kids with neuromuscular diseases spend a week of fun and freedom at MDA summer camp in Camp Lake. It's a fantastic time for the kids, and a welcome respite for families who otherwise provide year-round care.

The MDA Telethon broadcast airs locally Sunday, Sept. 3, at 10:00 PM on WDJT-TV, CBS 58. On behalf of our family, and families everywhere who've been touched by muscle-wasting disorders, please tune in Labor Day weekend and make a pledge by calling 800-FIGHTMD.

Sincerely,
Sandra Zorn

Early Farm Days Sept. 10

Nostalgia is the word as the Kewaskum Historical Society makes final preparations for its 26th annual Early Farm Days which will be held this year on Sunday, September 10 from 10 a.m. to 4 p.m. in River Hill Park.

Set up on the west side of the river, the Historical Society will revisit the farm life of our ancestors during their annual event that promises to give all who attend a glimpse of the "good old days."

The Society's 1847 award winning museum and reconstructed log cabin will once again play host to a variety of old time displays that include gas, steam and miniature engines, antiques, old farm equipment, collector vehicles and craft displays.

Museum tours, free horse drawn wagon rides, homemade treats and special live entertainment are some of the old-fashioned highlights that can be enjoyed by members of the whole family.

Members of the Historical Society will be serving their famous fall harvest stew, cooked outdoors in a big, black cauldron. Roast beef sandwiches, hot dogs, a variety of mouth-watering homemade desserts and refreshments round off the menu and will be available to eat on the grounds or carry-outs will be available.

Both exhibitors and guests will enjoy a special performance by the Kettle Moraine Square Dancers.

Commemorative collector buttons will be on sale for a \$1 donation and the money raised will be used to support the operation and maintenance of the museum and log cabin.

Admission is free for all. Exhibitors are always welcome and anyone interested in participating should contact Jake Schmidt at 338-1568 or Syl Schmidt at 626-2653.

Getting an idea should be like sitting down on a pin; it should make you jump up and do something.

KHS Music Department Fund-Raiser

Parents, relatives, and friends of students in the Kewaskum High School Music Department are requested to hold all magazine subscriptions until September 12. On that day music students will begin their annual QSP magazine and candy sale to help fund a trip to Washington DC.

The fundraising will extend for ten days through September 22. This fundraiser has been an annual event for the music department for 15 years. New subscriptions are not the main thrust of this campaign. Renewals over the years are what keep this program going. Questions may be directed to the high school (626-2166) for Mr. Bertelsen (ext. 4571) or Mr. Reynolds (ext. 4570).

In other music department news, auditions for "Meet Me In St. Louis" will be held on Tuesday, September 5, from 3:00 - 7:00 p.m. in the choir room of the high school. For those who are new to the high school, the best way to enter the building would be to go up the steps at the northeast rear entrance. The music rooms are directly through the doors.

Callbacks, by invitation only, will be held from 6:00 - 7:30 p.m. on Thursday, September 7, in the choir room. Mr. Bertelsen will be happy to answer questions at 626-2166 ext. 4571.

Little Folks School House Holds Annual Picnic

The Little Folks husked 96 ears of corn for their picnic. Shown above, left to right: Mitchell Weindorf, Taylor Bocher, Nicole Hallstead, Julie Sargent and Austin Goeden.

Taylor and Tyler Oestreich splash around in the pool.

Seventy-eight children, parents and teachers attended the Little Folks School House third annual picnic which was held on August 12 at the home of Administrator Dodie Sargent in Kewaskum.

The Welcome Banner which was draped read the

words, "Thank You for Sharing Your Children With Us." The event was enjoyed by all who attended. There was swimming, go-cart rides, trampoline jumping, fishing, and paddle boat rides. The food was delicious and plentiful.

The child care center

holds the picnic each year to celebrate the anniversary, to thank parents for their continued support and to let the families and teachers all have the opportunity to mingle socially. Parents also enjoy observing their children interact with their playmates.

The first U.S. passport was issued to Francis Maria Barrere in 1796.

Independence First Spends Week at Camp Matawa

Campers taking a break from festivities at YMCA Camp Matawa.

Submitted Photos

Independence First is an organization based in Milwaukee that works with people with numerous physical disabilities and teaches them everyday living skills to help build up independence.

For the week of August 7 through the 11, YMCA Camp Matawa along with Independence First, collaborated to offer an immersion

camp where campers who signed up through the camp and those from Independence First were integrated into regular camp activities. Campers ranged in age from eight to 18. For those in wheelchairs the challenges included using them around camp on the grass and woodchips to get to the Alpine Tower, Archery range or Trout

Pond.

Independence First brought extra wheelchairs that campers could use to participate in wheelchair sports or for the afternoon to get an experience of what life is like for those who have no choice.

The camp was a great success and plans are to repeat the experience next summer.

Amerahn Wins Over-Forty Tournament at Dome

Members of the Amerahn team made a clean sweep as they won the 2000 Thiemerdome Tournament trophy, as well as the social event.

And now at the plate... batting in a raincoat???? is none other than Bob Bonenfant of WBKV/WBWI fame. And if I know his listeners... they'll never let him forget this one! Also shown in the photo are Roy Aycock, catcher for Thelens, Umpire Willie Mueller, Al Wiesner coaching third base and that speck you see on the right is Mike Staral, playing third base for Thelens.

The annual Thiemerdome temple of the talented and tenacious tournament was held recently on a Saturday morning.

It has been pretty common knowledge that the dome this year has been out of commission, so naturally whenever there are games scheduled, the skies seem to drip. The owners tried to get the crane from the new Miller Park stadium in to help hoist the dome over the playing field, but the liability insurance was just too expensive.

Richard has stated on numerous occasions, if the patrons would only purchase more refreshments, the dome could be repaired in time for next season. However, it has been rumored that next season will not come to pass and there could be an end to the dome entirely. All you players that want to keep punishing your bodies really need to make nice with the management. Hopefully, the negotiations will continue and this newspaper might even choose to keep you posted.

Of course, we have come to find out, not all of our readers are dome fans. Seems hard to believe, doesn't it, Thiemerdome aficionados? Guess you cannot please all the people all the

time. Seems lately that you can't even please some of the people some of the time.

Moving forward... to tourney time... Amerahn brought out the big guns with Spencer Mueller and brother-in-law Tom Rohlinger who came to play ball, and play they did to take a 7-3 win over a flat Commercial Plumbing team.

The Thiemer Sipper Snippers then had to play the Thelens, which looked pretty good for the Sipper Snippers who jumped out to a 1-0 lead. That is until the Thelen team finally wiped the sandman out of their eyes and came back in the third hammering out four runs and tagging another in the next inning to take some of the wind out of the Sipper Snippers sails. (Wow, say that real fast three times!)

It was a nail-biting, gut-wrenching, blood pressuring raising kind of game, but the Thelens held the upper hand (was there really a doubt?) and squeaked by the Thiemer thugs, 5-4.

Commercial Plumbing was then scheduled to play the Sipper Snippers for the loser's bracket. (Oh man... could I have a field day with this one! But my momma always told me if you can't say anything nice, don't say

anything at all... But then on the other hand, momma never watched these guys play ball!)

Commercial just didn't seem to have their hearts in this tourney. Inside information hints that perhaps Grandpa Steve Stern and Grandpa Tom Fischer were extremely preoccupied with an important social appearance they were scheduled for later in the day.

It is perfectly understandable to anyone that all-you-can-eat cake and ice cream being served at their granddaughter's birthday party could take precedence over a tournament game. No wonder they had difficulty concentrating on the game! Where are your priorities Richard?

The Plumbers did have a 2-0 lead over the Sipper Snippers, but finally hits from Jim "the detective" Flitter, Al 2x3 Wiesner, Greg Eichsteadt and Mike Miller, plus a sacrifice fly from Mark Strobel helped the Thiemer boys take a 3-2 win over Commercial.

In the winner's bracket, Amerahn took on the Thelens. Amerahn came out strong with a couple of runs, and holding Thelens to none. Disaster struck when Spencer Mueller had to come out with a re-pulled hamstring. Seems those old

tendons just don't heal like they used to.

Thelens got on the board, but the Amerahners scored the runs, taking a 7-4 win over their opponents.

Let it now finally be said there was a special star guest in the dome for the tournament. Willie "Ace" Mueller, former Brewer's pitcher, umpired for the Thelens vs. the Thiemers game.

Both teams played a tight game (the game was tight, not the players) with no scoring until the fifth when it seemed the bottom fell out on the Sipper Snippers as those tiny drops from the sky also fell out. I guess the old song, "Raindrops Keep Falling On My Head" applied to the Sipper Snippers who stated they missed catching a few fly balls because of the rain in their eyes... now that one is original! The rain must have been a cloudburst, as the Thelens scored six runs on the Sipper Snippers.

Thiemers managed to score three runs in the sixth, but the rain was coming down so hard, one of the players even put on a raincoat so he wouldn't catch a cold! This can't be true. These are macho men stretching the physical limits of their aging bodies... and one chooses to put on a raincoat??!! We don't want to name any names, but does the clue DJ ring any chimes on your radio station. Someone please call West Bend station WBKV/WBWI and beg management to take away Bob Bonenfant's raincoat!

In a desperation move, Umpire Willie called the game. Being a former professional player, we're not sure if he called the game because of the rain or because of the RAINCOAT. There's only just so much a person can take.

Wisely these guys finally gave up the game before some old person really got hurt as the rain came down in buckets. Thelens was ahead 6-3, as the game was called. However, at least one person remained dry!

The following Wednesday, the playoff for the championship continued with Thelens taking on Amerahn. Both teams remained scoreless for two innings, but then Tom Rohlinger got the ball rolling for Amerahn who took a 4-0 lead over Thelens.

Thelens couldn't seem to help themselves either as all their hits went up in the air making it quite easy for the Amerahners to catch and retain their lead. Thelens continued to shoot themselves in the foot (bummer, just playing ball had to hurt these guys enough!) and the end result saw the Amerahners win 4-0. Not only did the Amerahn win the tourney, they also took home the tro-

phy for the social event. (Don't ask!)

The management and staff at the Thiemerdome and the entire league would like to thank Dane Dorn for his umpiring services for the past four years. Dane was kind enough to volunteer his skills as umpire during the summer for the four years he attended college.

The dome wishes Dane good luck in his new supervisor career in Appleton. Everyone will miss him and according to management it's difficult to let a Kewaskum native leave the area, especially when he's a good friend and ray of sunshine, but it's a part of life.

In closing the owner of the dome thanked all concerned with league play including those of us who had to try to read his writing! Richard hopes all will eventually heal out and maybe a few seasons of fishing or golfing would be less of a "pain" for those who choose to get involved.

I've got news for you Richard... for those who love the game of baseball... there is no other substitute. Sacrifice your limbs... yes! Punish your body... yes! Aches and pains... yes! As the old saying goes... it all has to do with the love of the game!

Chairman of the Public Services Committee, Trustee Mathew Heiser, reported that Mr. Nicholas Walters requested consideration be given to extending the hours for accepting garden/yard waste at the Village Garage. problem for 2001.

2) Indicated there was a lot of traffic and congestion problems at Kiwanis Community Park especially on Thursdays.

Pole Sitter Laack Wins Winged Super Modified Race at Plymouth

The Eastern Wisconsin Stock Car Races which were held August 26 at the Plymouth Racetrack were sponsored by Coca-Cola. The 30 lap Winged Super Modified race had plenty of passing and exciting moments but when the checkered came out it was pole sitter Gary Laack, Glenbeulah, who led the victory.

Yellow flags plagued the start and when things finally seemed to be moving the yellow was out again for T.J. Luedke, Plymouth, Tim McMullen, Plymouth, Pete Ostrowski, Milwaukee, Butchie Hafemann, Campbellsport, and Wayne Goetsch, Plymouth. Hafemann, McMullen, and Ostrowski would leave the track and the restart was set for Laack, Jim Melis, Greenbush, Barry Maas, Cascade, Chuck Tuschl, Whitelaw, and Dave Deicher, Plymouth.

The yellow would come out on lap #9 for point leader Kenjay Fiedler, Sheboygan Falls, who slowed and stopped on turn four, and left the track with a tow. The feature would finish without another yellow, leaving the lead cars with free flowing around the

track. Laack continued to make strides in his lead, and Maas kept things close behind him. Lap traffic didn't hinder the leaders, but Danny Cain, Kewaskum and Tony Wondra, West Bend, were able to maneuver to the front with some fancy driving.

By lap # 22 the lead cars were set and when the checkered came out it was, Laack, Maas, Melis, Wondra, and Cain.

The Limited Late Model 25 lap feature had its share of bump and shove matches, but when the checkered came out it was point leader Scott Specht, Sheboygan Falls, who came from the last row for the win.

Dick Hed, Plymouth, took an early lead, with Charlie Schmidt, Cedar Grove, and Rick Hed, Sheboygan Falls, following suit. By lap #6 Dick Hed was already in lap traffic with rallying behind him between Kevin Juech, West Bend, and Rick Hed, and Schmidt and Rick Thompson, Campbellsport.

On lap #11 Specht had moved to fourth place and by lap #14 was vying for second when a yellow came out for a tire on the track. The restart was wild with Dick

Hed in the lead followed by Thompson and Specht. It was fender to fender, bumper to bumper and Hed lost some ground and fell to third.

On lap #23 a yellow was out for J.J. Walvoord, Oostburg, Howie Weiss, Glenbeulah, and Roy Dahmer, Sheboygan. The restart was Specht, Thompson, Hed, Randy Markwardt, Sheboygan, and Juech.

The last two laps were

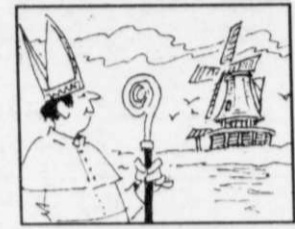

furiously between Specht and Hed, but when the checkered came out it was Specht, Dick Hed, Thompson, Markwardt and Rick Hed.

The Super Stock 20 lap feature was smooth and steady and without yellow flags. Dave Theobald, Sheboygan Falls, took the lead on lap #7 and would hold the lead until the checkered at the finish.

Theobald went fender to fender with Matt Schuette, Plymouth, but by lap #14 he was in charge, and a gap was made between them. On lap #18 John Dirks, Elkhart Lake, maneuvered to second place putting Schuette in third.

There was three wide rac-

ing and the mixing continued, but when the checkered came out it was, Theobald, Dirks, Schuette, Don Kulow, Plymouth, and Nate Ruh, Elkhart Lake.

Adrian VI, who reigned from 1522 to 1523, was the only Dutch Pope. He was born Adrian Florensz Boeyens.

Indians Claim First Victory Of Season Over North, 48-0

The Indians varsity football team traveled to Custer Stadium last Friday to take on Milwaukee North Division High School.

First year Coach Tim Rohlinger expected to win, but he wanted to use this game to measure the progress of his team. He was pleased to take the victory, but felt there is room for improvement in some areas.

The offense put points on the board, but also had many mental mistakes. The defense played well allowing a total of -2 yards.

The Indians got on the scoreboard with 6:49 to go in the first when Bob Ogi hit Charlie Sparks for an eight-yard touchdown pass. Sparks kick was good, making the score 7-0, Indians.

After a botched punt by North, the Indians took over and Chris Canter scored from five yards out. The kick was blocked bringing the score to 13-0.

In the second quarter,

the Indians scored twice again. Once by Justin Rhoads from nine yards (pass failed, score 19-0) with 4:50 remaining, and once by Tom Ogi on a ten-yard pass from his brother, Bob. (Ogi to Sparks pass was good, score 27-0).

In the third quarter, the Indians scored with 8:32 on the clock, when Sparks picked up a fumble and returned it 36 yards for a touchdown. (Rhoads three-yard run was good, score 35-0). This score put the continuous clock rule into effect.

The Indians scored one more time in the third when T. Ogi hit Lucas Kehres on an eight-yard pass with :15 to go. (Sparks kick was good, score 42-0).

The scoring wrapped up with 2:53 remaining when freshman Tim Trott made an excellent read and scored on a five-yard run. (Sparks kick failed, score 48-0).

"We will always take a

victory," said Coach Rohlinger, "but we do have to improve in a few areas to have a chance to win the big games down the road. Our goal is to improve each week, and I think we did that on the offensive line between the West Bend Scrimmage and the North game."

Rohlinger praised the play of Jake Peterson and Sparks on offense and freshman Mark Uniewski and Sparks on defense.

The Indians host Horicon this Friday, September 1, at 7:30 p.m.

KHS Soccer Team Looks for Strong Season

The year 2000 Kewaskum High School men's varsity soccer season looks to be a very exciting one.

Although five seniors were lost to graduation, the returning experienced players, combined with the new talent, will provide some very good soccer play this season.

Returning players Chris Baker, Keith Boegel, Kurtis Cochran, Dave Frasher, Mitch Hawkinson, Braedy Long, Kevin Miller, Michah Olla and Justin Wessing will anchor the team with their experience.

Newcomer senior Luke Piwoni is a welcome asset to the team's goal keeping and field play. Other newcomers are Jesse Derks and Jason Ramirez, who will add to the team's strength. Strong freshman prospects are Kevin Lemke, Adam Hickmann and Jacob Clayton.

Captains for the year 2000 will be: Forward/Stopper Kevin Miller; Forward/Midfield Micah Olla; Full-

back Braedy Long, and Forward/Midfield/Keeper Luke Piwoni. The captains will provide leadership for the team and set the example for good sportsmanship and excellent soccer play.

During this rebuilding year, the KHS men's soccer team will have to contend with the strong play of Plymouth, New Holstein, and Kiel in the Eastern Wisconsin Conference. Plymouth, the strong favorite, will provide all that the team can handle for the year.

It is Coach Jim Mathia's first year with the Kewaskum soccer team. He will be assisted by Mike Miller.
