Area Firefighters Extinguish Campbellsport House Fire

Firefighters from Campbellsport, Kewaskum, Lomira and Eden work to extinguish a house fire at N1817 County Road W just outside the village of Campbellsport on Monday, shortly before 11 pm. Randy Theisen, resident of the home was the only occupant in the home at the time the fire took place. Campbellsport fire chief, Randy Zielieke said Tuesday that the fire started in an electrical line. He further stated that there was extensive damage done to the older two story farm

house. The fire was contained in under a half hour and the most damage was on the second floor. Theisen was allegedly watching TV when he thought a circuit breaker was thrown, he went to the garage and he then noticed flames above his head. When the Campbellsport Fire Department arrived flames were visible in the second story, said Zielieke. No injuries were reported and a damage estimate was not available.

Kewaskum Early Farm Days Sunday

Nostalgia is the word as the Kewaskum Historical Society makes final preparations for its 26th annual Early Farm Days which will be held this year on Sunday, September 10 from 10 a.m. to 4 p.m. in River Hill Park.

Set up on the west side of the river, the Historical Society will revisit the farm life of our ancestors during their annual event that promises to give all who attend a glimpse of the "good old days."

The Society's 1847 award winning museum and reconstructed log cabin will once again play host to a variety of old time displays that include gas, steam and miniature engines, antiques, old farm equipment,

collector vehicles and craft displays.

Museum tours, free horse drawn wagon rides, homemade treats and special live entertainment are some of the old-fashioned highlights that can be enjoyed by members of the whole family.

Members of the Historical Society will be serving their famous fall harvest stew, cooked outdoors in a big, black cauldron. Roast beef sandwiches, hot dogs, a variety of mouth-watering homemade desserts and refreshments round off the menu and will be available to eat on the grounds or carryouts will be available.

Both exhibitors and guests will enjoy a special performance by the Kettle

Partisan Primary Tuesday

On Tuesday, September 12, Wisconsin residents, including those in Washington County and Kewaskum, are being asked to vote in the Fall Partisan Primary Election in all polling places.

Moraine Square Dancers.

Commemorative collector buttons will be on sale for a \$1 donation and the money raised will be used to support the operation and maintenance of the museum and log cabin.

Admission is free for all. Exhibitors are always welcome and anyone interested in participating should contact Jake Schmidt at 338-1568 or Syl Schmidt at 626-2653.

Will Close East Moraine Road for Bridge Repair

Beginning Monday, September 11, 2000, East Moraine Road between Kettle Moraine Drive and North Mill Road will be closed for a bridge repair.

This project should be completed by October 30, 2000. No thru traffic will be allowed since the bridge will be removed and reconstructed.

If you have questions you are asked to contact Town of Kewaskum Chairperson Scott Sager at 334-3729 or 334-4318.

Turkey Shoot Saturday

The Kiwanis Club of Kewaskum has announced its Turkey Shoot will be held on Saturday, September 9. It will be at the New Fane Sportsman's Club grounds, four miles north of Kewaskum on County Trunk G, in the beautiful Kettle Moraine.

The live turkeys are back! You'll want to visit with "Tom" and his friends.

This year's event will feature a firing line, golf/drive and putting green, trap shooting, archery, compound bow shoot, football kick, dart shoot and children's games. Hot and cold beverages and food will be available. Raffles will be held throughout the day for turkeys and sausages.

Tickets cost \$4.00. Each ticket consists of five coupons which can be used at any event.

Time to Register for Annual KEYS Run/Walk

Get that registration form completed and turned in. The Seventh Annual KEYS Scholarship 5K Run/Walk, an event that drew over 1,000 participants last year, is rapidly approaching.

Both male and female runners are challenged to break the course record and win a bonus prize of \$200. Twice as many young people, ages 15 and younger, will have the chance to win medals with this year's expanded age groups.

KEYS Run/Walk participants who collect pledges, depending on the amounts collected, will be eligible to earn a Trek 800 Sport Mountain Bike; a portable CD player; gift certificates from Pedal Moraine, The Exclusive Company, and Kewaskum Subway; movie passes to Paradise Theater; or an embroidered sweatshirt with the Kewaskum KEYS logo.

This year's Run/Walk will be held on Sunday, October 8, at 11 a.m. at River Hill Park in Kewaskum in conjunction with the Kettle Kountry Kolors fall festival.

The 5K course (3.1 miles) winds through the Village of Kewaskum, and both runners and walkers are invited to participate in this event that supports our youth, our families and our community.

The Seventh Annual Run/Walk will help provide scholarships to graduating Kewaskum High School students. Advance registration to assure receipt of this year's eye-catching T-shirt must be completed by September 22, 2000.

Fees for advance registration remain the same as last year; \$12 per person or \$36 for a family of four, with each additional family member's fee set at \$8. On race day, registration will be \$15. Runners and walkers can also register online at www.Active.com.

KEYS has expanded the age groups for male and female youth this year so that individuals, ages seven through 15, will compete against only those participants of the same age. This will mean that more chil-

dren can enjoy the thrill of winning a first, second or third place medal.

Cash awards of \$100 for first place, \$75 for second place, and \$50 for third place, donated by Ray's Shoes, are offered to the top overall finishers, male and female. Special bonus awards of \$200 are offered to the woman who can break the course record of 17:38 and the man who can beat the time of 14:27.

A short race for children, ages six and under, will again be held at noon this year. Participation in this event is free.

For more information on the KEYS Scholarship Run/Walk, pick up a registration form at Kewaskum area schools, West Bend Savings Banks' various locations, Ray's Shoes' various locations, and at most Kewaskum business places. For answers to additional questions, call Jerry Gosa at 262-626-8427, extension 4156, or Sharron Miller at 262-626-2184.

Auditions for Fall Play Set At UWWC

WEST BEND -- UWWC Professor of Theatre, Brad Ford, announces auditions for the hysterical farce, *Moon Over Buffalo*, on September 19, 2000, from 7:00 - 10:00 p.m. in the University Theatre.

This Broadway hit tells the story of an acting couple, George and Charlotte Hay - not exactly the Lunts - touring in Buffalo in 1953 with a repertory of *Cyrano de Bergerac* and Noel Coward's *Private Lives*. Fate has given these thespians one more shot at starring roles in the epic film, *The Scarlet Pimpernel*, and director Frank Capra is en route to Buffalo to catch their matinee performance. Will Charlotte Hay appear or run off with their agent? Will George Hay be sober enough to emote? Will Capra see *Cyrano* or *Private Lives* or a disturbing mixture of the two? Hilarious misunderstandings pile on madcap misadventures all of which are magnified by Charlotte's deaf mother who manages the theater company.

Ford will cast 4 men ages 18 - 50 and 4 women ages 18-60 years. Performance dates are November 3, 4, 10, 11.

For information on auditions call Professor Ford at 262-335-5233 or e-mail bford@uwc.edu.

Winner of \$5,000 at Holy Trinity Social Fest

Father Mark Jones, right, pastor of Holy Trinity Congregation, presents a check in the amount of \$5,000, the top prize at this year's Social Fest, to Julie Jeske Oscar of Kewaskum. Also shown in the photo are the Oscar children, Nicky, being held by mom, and Katie, in front.

Tracy Herman Helps to Raise \$400,000 For Homeless Veterans Organizations

NASHVILLE - Tracy Herman of Kewaskum helped her company, The Country Peddlers and Company of America (CPCA), raise over \$400,000 for organizations which help support homeless American Veterans. Miss America 2000, Heather French helped with the check presentation. It was the grand finale to CPCA's annual convention held at the Opryland Hotel in Nashville.

Tracy Herman is an independent sales contractor, known as a Peddler, for CPCA, a family-based company founded 18 years ago by sisters Lisa Brandau and Becky Wright. CPCA started as a single retail store, grew into a chain of stores and is now a home show business offering hand-crafted coun-

try collectibles and headquartered in Alsip, Illinois. Today, more than 5,000 Peddlers like Herman host home shows across the country.

In keeping with the company's family values and commitment of making a difference in the lives of others, CPCA set a goal of raising \$200,000, to be matched by the company for a total donation of \$400,000 to benefit American homeless veterans. Peddlers, vendors, customers and company staff helped CPCA reach its ambitious goal - which was announced during the company's annual conference attended by more than 1,000 Peddlers.

As Miss America, and a daughter of a disabled Vietnam veteran, Heather French is taking on the role

Peace Church Members Participate in Habitat

This summer took Peace Church's Habitat group to North Mankato, Minnesota. They arrived at Belgrade Avenue Methodist Church on Saturday afternoon and after unpacking their suitcases and blowing up their air mattresses, they headed out to see the building site.

The next morning they worshiped with the congrega-

tion from Belgrade Church and then went to do some site-seeing in the surrounding area. Bright and early on Monday morning they were at the future home site of Janine Lohman and her three children.

The basement walls were already in, so half the crew started building the cap while the rest of the crew

started building the temporary working platform that the stud walls were built on.

Under the directions of Howard Zemlicka, the group of 14 accomplished a lot in 4 days. All of the exterior and interior walls were completed and put in place, roof trusses were hoisted up by hand and the majority of the plywood sheeting was nailed

on. This year Connie Zemlicka and Toni Farrell were the cooks that kept the workers well fed. Maury Hovland was the man in charge of the saw and cut pieces to the desired length. Dr. Steve Van Ess was drilling wood instead of teeth, along with lots of hammering. The ladies crew

that built all the walls were Mary and Lauren Steinhardt, Sara (Pearson) More, Mandy Will, Mary Schoofs and Karen Kletti.

David Kletti, Clark Pearson and Clayton Stautz did the bulk of the work on the trusses and roof, and whenever a question needed to be answered, Howard Zemlicka had the answer.

A view of the progress that was made at the North Mankato, MN. home being built by members of the Kewaskum Peace U.C.C. habitat workers, Maury Hovland left, Lauren Steinhardt center, and Howard Zemlicka.

Offering Childbirth Classes for First Time Parents

A "Saturday Express" childbirth preparation series for first-time parents is being offered by St. Joseph's Community Hospital of West Bend Saturdays, September 9 and 16 from 9 a.m. to 1 p.m. in the hospital's fourth floor east conference room.

The two-session series is designed for participants whose schedule doesn't allow them to take the four-week series.

New Life Center staff will provide complete instruction on labor and delivery including comfort and coping measures, the

role of the support person, and pain management. Variations in labor and cesarean birth are discussed.

It is suggested that the class be taken about two months before the mother's due date.

The fee is \$30 per couple, or \$15 per person. To register or for more information, please call the hospital's Class Connection Line at 306-7888.

Police Reports

On August 22, police were dispatched by Washington County to meet a complainant at a Braatz Drive residence in reference to a burglary that had occurred sometime earlier that day.

The victim stated when she returned home she discovered that one of the screens off of the two large windows in the living room was lying on the floor. The victim then discovered the locked garage door from the kitchen leading into the garage was ajar. As the victim began to look around the house, it was discovered that

someone had rifled through a safe.

The victim stated that things had been moved around but it appeared that nothing was missing.

The individuals have not yet been found, if anyone has information contact the Kewaskum Police Department at 626-2323 or the Confidential Washington County WE-TIP Line at 1-800-232-0594.

Police reports are compiled weekly by Statesman staff member Nicole Rawley with the help of the Kewaskum Police Department.

News From The Capitol

By Rep. Glenn Grothman

There Is No Gun Crisis

While watching first Lady Hillary Clinton speak in Los Angeles I noticed she once again attacked the problems caused by guns in our society. She called for more laws and regulations restricting their ownership. I always find the anti-gun message of some major politicians to be both curious and disturbing. Curious, because the right is to keep and bear arms in our Constitution, which these same politicians take an oath to uphold. Distributing, because such talk indicates these politicians don't appreciate the Second Amendment and think guns are incompatible with a free society.

In 1891, Supreme Court Justice Joseph Story called the right to bear arms "the palladium of the liberties of the republic; since it offers a strong moral check against usurpation and arbitrary power of the rulers. This statement was very prescient as in the twentieth century of all the governments most hostile to liberty, be it Soviet Russia, Red China, Nazi Germany or communist China all were opposed to ownership of guns by private citizens.

Why then this recent attack on gun ownership? Are there more gun related deaths than in the past? The main stream media certainly give prominent attention to any gun accident or murders making it appear as though things are worse than ever. Let's check the facts.

Murders in general in this country have fallen in the last twenty years. The rate peaked at 10.2 homicides per 100,000 people in 1980 and fell to 6.3 homicides per 100,000 people in 1998. During the last twenty-five years the number of gun homicide offenders over age 25 has dropped by 30% despite the increases in population while the number of homicides unrelated to gun usage actually grew.

The numbers regarding accidental fire arm deaths are even more favorable. In 1996 there were only .4 accidental deaths per 100,000 people. This has fallen from 3.4 accidental deaths in 1900 and 1.0 in 1970. Accidental deaths among children declined even more dramatically from 600 in 1975 to 138 in most recent year available. These encouraging statistics are in despite an enormous increase in the number of guns owned. Over 65 million gun owners own over 200 million guns. The major factor in the fall in murder rates is probably a large increase in the prison popu-

lation. The major factor in the fall of accidental deaths is probably improved gun and hunter safety courses.

So again, why if Justice Story new the importance of gun ownership to preserving freedom in 1900, when the accident rate was eight times what it is today, do some politicians feel the Second Amendment is obsolete? These politicians are

truly scary. We must pay attention not to vote for them in the fall.

Cedar Haven Rehab Agency Offering Exercise Classes

Cedar Haven Rehabilitation Agency is offering three exercise classes run by a qualified physical therapy assistant for community members of all ages interested in regaining or maintaining mobility, strength, flexibility and fitness.

Robin Yourich, physical therapist assistant specializing in wellness, safety and injury prevention at Cedar Haven, will lead Water Aerobics classes at the Cedar Ridge Campus Pool, 113 Cedar Ridge Drive, just off Scenic Drive in West Bend. Classes will be held Mondays and Wednesdays, September 11 through October 18 from 5 to 6 p.m. The program will include lap swimming, pool noodle and milk jug exercises, whirlpool warmdown and time for individual consultations.

Senior Fins, Cedar Haven's low impact water exercise class, will be held Tuesdays and Thursdays, September 12 through October 19 from 2:30 to 3:30 p.m. at the Cedar Ridge Campus Pool. These classes focus on stretching, improv-

ing range of motion and strengthening using low resistance and impact. "Senior Fins is particularly well-suited for seniors concerned with arthritis or joint pain," said Yourich, who also will lead this class and provide personal consultations.

Flex and Tone classes will be held Tuesdays and Thursdays, September 12 through October 19 from 4 to 5 p.m. in the Cedar Ridge Campus Exercise Room. Participants are encouraged to bring an exercise mat and wrist or ankle weights to modify resistance to suit their individual goals.

The fee for each class is \$48. Class size is limited. To register, or for more information on the best program for you, call (262) 306-2150. Cedar Haven Rehabilitation Agency became Wisconsin's first licensed non-profit rehabilitation agency in 1984. The agency currently provides physical, occupational, speech and massage therapy in home, school and five outpatient clinic settings. Specialty services include treatment for lymphedema and urinary incontinence, voice therapy, and

work and sports injury prevention, assessment and treatment. The agency is a division of the Benevolent Corporation Cedar Campuses, a regional leader in rehabilitation, education, older adult living and health care.

Dairyland Seed Announces New Alfalfas

WEST BEND
Dairyland Seed recently announced the release of two new Sequential Maturity™ Alfalfa products for the 2001 planting season. Each of these varieties can be seen at research tours and field days through the Midwest this fall.

Forecast 1001. An exciting new early maturity alfalfa with excellent top-end tonnage. Forecast 1001 has been released after years of testing through Dairyland's rigorous research program. In addition to yield, Forecast 1001 features an excellent disease package with a DRI score of 26 out of 30. Forecast 1001 has also shown some tendencies towards branch rooting in high water table environments.

Forecast 3001. This exciting new late maturity alfalfa features terrific yields and top-end quality. After surviving Dairyland's rigorous research and testing program, it has shown excellent persistence and strong disease resistance. It flowers four to six days after medium alfalfas and is an excellent choice for those fields you don't get to quite as often. A recommended product for a three-cut harvest system.

Founded in 1907 in St. Kilian, WI, Dairyland Seed Co., Inc., is the only family-held seed company that conducts proprietary plant breeding programs in hybrid corn, soybeans and alfalfa. In addition to the West Bend headquarters, research facilities are located in Gibson City, IL; Otterbein, IN; Clinton, WI; Gilbert, IA; Sloughhouse, CA; as well as winter nursery sites in the southern U.S., Hawaii, Mexico and South America.

Rehab Agency Names New Marketing Coordinator

Cedar Haven Rehabilitation Agency has named Tracey MacGregor to its administrative team as Marketing Coordinator. MacGregor will be responsible for developing, coordinating, directing and administering all phases of marketing, public relations and sales for the agency, which operates clinics in West Bend, Fond du Lac, Germantown, Grafton and Horicon.

A graduate of Marquette University, MacGregor has more than 13 years' experience in marketing and public relations, including two years experience in health care.

'Meals on Wheels' Volunteers Needed

People who like to drive, and want to help others, are invited to become volunteer Meals on Wheels drivers. Meals on Wheels provides hot, nutritious meals for homebound residents of West Bend and is sponsored by St. Joseph's Community Hospital of West Bend.

Drivers pick up the meals at the hospital, where the meals are prepared in the hospital kitchen. Using their own cars, the volunteers deliver the meals to recipients' homes between 11 and 11:30 a.m. each weekday.

Volunteers may sign up to drive once every other week or more often, and should have their own car. Substitute drivers are also needed. People interested in becoming Meals on Wheels volunteers should call Laura Mintz, manager of food and nutrition services at St. Joseph's Community Hospital at 334-8383.

Letters to the Editor

Editor, *The Kewaskum Statesman*

Karen Breit is a candidate for Register of Deeds, in Washington County. Political ads have stated information about the candidates. HOWEVER, one candidate CLAIMS to have 10 years experience in the Register of Deeds office. What she really has is, years of experience getting information in the Register of Deeds office, for her employer, a Title Co. She has NOT been employed by Washington County in that office.

Karen Breit is the only candidate with all of the following qualifications: Bachelor of Science degree in Business Administration, specializing in Business Law, Accounting, Communication and Computer operations. She has years of experience as a Public Service Professional including experience in the Washington County Clerk of Courts office.

She is a lifelong resident of Washington County.

Karen has stated, "With my Business Administration degree, law classes, computer expertise and work experience, I feel very qualified to do the best job for the people of Washington County." Please vote in the Primary Election for this position, Tuesday, Sept. 12.

Leo A. Groh

To the Editor:

As a Representative to the State Legislature who has run as a Republican several people have asked me who to vote for in the Republican primary for the United States Senate on September 12th to determine our candidate against Herb Kohl. I have talked to all three candidates and I am endorsing John Gillespie, previously associated with the Rawhide Boys Ranch. I feel that whether your concern is that of high taxes, government regulation, gun owners rights, or pro-life issues, Mr. Gillespie will be the most effective and articulate advocate for our cause. Please make a note on your calendar and remember to vote on Tuesday, September 12th.

NOTICE OF PARTISAN PRIMARY AND SAMPLE BALLOT SEPTEMBER 12, 2000

OFFICE OF THE WASHINGTON COUNTY CLERK
TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a partisan primary to be held in Washington County on the twelfth day of September, 2000, at which the nominees for the offices named below shall be chosen. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, in the sample ballot below, along with the referendum questions, if any, to be submitted to the electors.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth and cast his or her ballot, except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the partisan primary the elector may select the party of his or her choice. Where lever machines are used, depress the lever or button of the party of your choice, and then depress the lever or button next to the candidate's name. Where marksense system is used, fill in the oval next to the party of your choice, and then fill in the oval next to the candidate's name under the party of your choice.

To vote for a person whose name does not appear on the ballot, write in the name of the person of your choice in the space provided for a write-in vote. Where lever machines are used, raise the slide above the office and write in the name of the person and party of your choice on the paper exposed. Where a marksense system is used, write the name of the person of your choice in the space provided for a write-in vote. To write in a name for an office that does not appear on the ballot under the party of your choice, fill in the oval in the write-in section on the ballot, and write in the name of the person.

In order to qualify for participation in the Wisconsin Election Campaign Fund, a candidate for legislative office must receive at least 6% of the votes cast on all ballots for the office for which he or she is a candidate, in addition to other requirements.

If an elector spoils a ballot, he or she shall return it to an election inspector who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initiated by two inspectors or is defective in any other way, the elector shall return it to an election inspector, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth. Unofficial ballots or a memorandum to assist the elector in marking his or her vote may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After casting his or her vote, the elector shall leave the voting booth, properly deposit the ballot, and promptly leave the polling place.

After an official marksense ballot is marked, it shall be inserted in the sleeve (if one is provided) so the marks do not show. The elector shall then insert the ballot in the voting device and return the sleeve.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing, or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

The following is a sample of the official ballot:

ALL POLLS CLOSE AT 8 P.M.

All polling places are accessible to elderly and disabled voters.

All voters should look over the Official Primary Ballot located on page 10. According to the ballot, for those unaware, an elector may vote for candidates in the primary of only one political party.

Explaining party preference, the ballot clearly states, "If you wish to designate your party preference, completely darken the oval to the LEFT of the party of your choice. If you designate a party preference, only those votes cast for that party will be counted. If you do not designate a party preference, and vote for candidates of more than one party, no votes will be counted. YOU MUST VOTE FOR INDIVIDUAL CANDIDATES."

Three candidates are competing for United States Senator on the Republican ticket. They are Marc Gumz, Bill Lorge and John Gillespie.

For the Washington County Register of Deeds office, there are also three candidates, namely Karen H. Breit, Dorothy C. Gonnering and Jodi Valind. All the rest of the Republican seats are unopposed.

On the Democratic side of the ballot, the only opposition is for the office of United States Senator where Jim Sigl is opposing incumbent Herbert H. Kohl.

All polls close at 8 p.m. Be sure to cast your vote. It does matter!

MARVIN E. SCHOMMER

Marvin E. Schommer, 74, of West Bend, died Thursday, Aug. 31, 2000, at St. Joseph's Community Hospital.

He was born on Jan. 1, 1926, in Hastings, Minn., to the late Nicholas and Alvina (nee Rubin) Schommer. At an early age, the family moved to South Milwaukee where he grew up.

During World War II, he served on a minesweeper in the U.S. Navy, both in the Atlantic and Pacific theatres.

After his discharge, Marv studied at machinists' school and became a tool and die maker working at various tool and die shops prior to his retirement.

Marvin was united in marriage to Marilyn D. Perkins on Nov. 29, 1947, in Holy Trinity Catholic Church, Kewaskum.

Survivors include his wife; 10 children, Nick (Janet) of Darien, Joanne (Fred) Harris of Flagstaff, Ariz., Gary (Debra) of Menomonee Falls, Dan (Amy) of Fredonia, Mark, Bob, Fred (Patty), Rick (Kristi), Mary (Gary) Wild and Brian (Lynn), all of West Bend; 14 grandchildren; a great-grandchild; three sisters, Lucille (Harold) Nischke of Kewaskum, Marcella Kleineider of Greeley, Colo. and Frances (Alex) Beck of Oregon, Wis.; a brother, James (Delores) of Berlin; two brothers-in-law, Harold Perkins and Marvin (Shirley) Perkins, both of Kewaskum; two sisters-in-law, Viola Lawrenz of Cleveland, Wis. and Patricia Kirschling of Cable; nieces, nephews; other relatives and friends.

Preceding him in death were two sisters, his twin Mary M. Schommer and Eileen Perkins and two brothers, Louis and Clarence "Bud."

Funeral services were held on Saturday, Sept. 2, at 9:30 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 10 a.m. at Holy Angels Catholic Church.

Father Gerald Brittain presided with burial following at Holy angels Cemetery.

Visitation was on Friday at the funeral home after 4 p.m. with a prayer vigil at 8 p.m. and also Saturday morning prior to the services.

JACOB 'JACK' SCHLOSSER

Jacob "Jack" Schlosser, age 88, of Phoenix, Arizona, passed away on Tuesday, August 22, 2000 at his residence.

He was born on September 24, 1911 in Kewaskum, the son of the late Jacob and Jennie (Strobel) Schlosser, Sr. and had made his home in

Phoenix for the past 26 years. He served his country in the U.S. Army during World War II.

Survivors include many nieces, nephews, other relatives and friends. He was preceded in death by four brothers, John, Joseph, Harold Schlosser and Edward Brandt and four sisters, Kathryn Warner, Helen Halfmann, Lillian Schlosser and Margaret Dreher.

A memorial Mass will be held at 4:30 p.m. on Thursday, Sept. 7, at Holy Trinity Catholic Church in Kewaskum. Father Mark Jones will officiate and burial of the remains will follow in the parish cemetery.

The Miller Funeral Home in Kewaskum is serving the family.

PRAYER OF THE BLESSED VIRGIN

Prayer of the Blessed Virgin: (Never known to fail). Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God. Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you. Grateful thanks.

H.K.

One man with courage
makes a majority.

St. Joseph's Cardiac Rehab Program Awarded National Certification

The cardiac rehabilitation program at St. Joseph's Community Hospital of West Bend has been awarded national program certification by the American Association of Cardiovascular and Pulmonary Rehabilitation (AACVPR). The certification recognized programs that have been rigorously reviewed by a national board and found to meet the outlined essential requirements for standards of care.

St. Joseph's is one of only approximately 20 programs in the state to have national certification.

The cardiac rehab program at St. Joseph's Community Hospital will be 10 years old in January 2001. It is designed to limit the physiological and psychological effects or cardiac illness, reduce the risk of relapse, control symptoms, and enhance the patient's quality of life. Cardiac reha-

bilitation includes exercise and an educational program for anyone having had a heart attack, bypass surgery, angioplasty, valve replacement, heart transplant, or diagnosis of medical management of angina or cardiomyopathy. Classes meet three days a week.

In its review of St. Joseph's program, the AACVPR looked at:

- * Staff competencies, continuing education sessions, performance evaluations.
- * Equipment / supplies, maintenance record, emergency and exercise equipment.
- * Hospital organizational chart.
- * Policies and procedures following the AACVPR Guidelines for Cardiac Rehab and Clinical Practice Guidelines for Cardiac Rehab.
- * Infection control / hazardous waste handling.
- * Procedure for treating untoward events.
- * Staff to patient ratio.
- * All record keeping forms.
- * Medical emergency plans.
- * Outcome measurements in areas of clinical, behavioral and health issues.
- * Patient care assessment, plan of care, interventions,

Elvis Presley and his mother both died at age 42.

and evaluation / follow up.

The cardiac rehabilitation program staff includes: Jeff Smale, M.D., Medical Director; Sue McCullough, R.N., Department Director; Maggie Seideman, R.N., Program Coordinator; Staff Nurses Judy Schuh, R.N., Barb Schier, R.N., Gail Smith, R.N., Ann Schellinger, R.N., and Michelle Simpson, R.N.; and Craig Feiter, E.P., Exercise Physiologist.

For more information on the program, contact the cardiac rehabilitation department at (262) 334-8595.

Informational Meetings Scheduled for State School for Beginning Dairy Farmers

People interested in learning more about the Wisconsin School for Beginning Dairy Farmers, or applying for this year's upcoming class, can visit with the coordinator, Dick Cates, at a series of public events this fall.

The WSBDF offers qualified students the chance to attend the University of Wisconsin - Madison Farm and Industry Short Course, special training sessions, seminars in the management of grazing-based dairy farms, farm internships, mentoring by experienced graziers and UW-Madison faculty, classroom and field experience, and the potential for future support and training.

This year's classroom program begins mid-November and runs through mid-March; on-dairy-farm internships may be conducted during this period, but are strongly encouraged for the April - August period.

Interested individuals may call the program assistant at (608) 262-5200 with general questions or requests for program materials; or Dick Cates, coordinator, at (608) 588-2836.

Individuals interested in applying for this year's class are strongly encouraged to visit directly with the coordinator and staff at one of the following locations:

September 7, 1 p.m. - 3 p.m. pasture walk at the Joe and Christy Tomandl farm, 7234 Gad Rd., Athens, Wis. To get to the Tomandl farm travel six miles north of Athens on Hwy. 97, then west on Willow Avenue for four miles, then south for 1/2 mile on Gad Road.

September 7, 10 a.m. - 3 p.m., at the Tri-State Agricultural and Dairy Youth Expo, Decorah, Iowa. The Expo will be held at the Winnishiek County fairgrounds on the north edge of Decorah. The WSBDF will have a display table in the educational forum building on the Expo grounds.

September 14, 10 a.m. - 2 p.m. at the UW - Madison Arlington Agricultural Research Station autumn field day, Arlington. The WSBDF will be represented

at the Farm and Industry Short Course promotional booth in the main reception building at the Arlington station.

September 21, 1 p.m. - 3 p.m. pasture walk at the Gerald Jaeger farm, N1387 Rolling Drive., Campbellsport, Wis. To get to the farm travel east for five miles on Hwy. 67 from Hwy. 41/67 interchange, then south for 1/8 mile on Rolling Drive.

October 4, 10 a.m. - noon meeting at the Lakeland Agricultural Complex, W3929 CTH NN, Elkhorn, Wis. The informational meeting will be held in the main building at the complex.

October 11, 11:30 a.m. - 1:30 p.m. meeting at the USDA Dairy Forage Research Station, S2088 Hwy. 78, Prairie Du Sac, Wis. Lunch included at no charge but preregistration in required by October 4; call the WSBDF office at (608) 262-5200 to preregister. The meeting will be held in the main building at the station. In addition to WSBDF Coordinator Dick Cates, the meeting agenda will include speakers involved with the WSBDF, including a graduate of the program.

October 19, 1 p.m. - 3 p.m. pasture walk at the Tom and Sally McMahon farm, 21863 Jim Town Road, Soldiers Grove, Wis. To get to the farm travel west on Hwy. 14 about 1/4 mile from the intersection of CTH G / Hwy. 14 at Bosstown, then south for 1/2 mile on Jim Town Road.

Trempealeau Co.: Date and location to be announced; contact Mary Anderson, grassland conservationist, NRCS office, Whitehall, Wis., at (715) 538-4396 Ext. 33 for meeting details.

October 4 - 8 in the CALS booth at the World Dairy Expo in Madison.

The only program of its kind in the nation, the school is sponsored by the Center for Integrated Agricultural Systems (UW-Madison College of Agricultural and Life Sciences) and UW - Madison

Farm and Industry Short Course in cooperation with Grass Works, Inc.; Cooperative Extension, UW - Extension; the Wisconsin Technical College System; and the Farm Link Service of the Wisconsin Department of Agriculture, Trade and Consumer Protection. Additional support comes from the Mike Cannell Scholarship Fund and private endowments held within the UW Foundation.

Medical Explorers Post to Meet Oct. 4

Medical Explorers Post 9607 sponsored by St. Joseph's Community Hospital of West Bend will be holding its first meeting Wednesday, October 4 at 7 p.m. in the hospital cafeteria.

Medical Explorers are students from area high schools who are interested in medical careers. They meet twice a month for tours, guest speakers, field trips, and other activities that "explore" various careers in the health care field. Any high school student, grades 9-12, may join Medical Explorers.

Registrations are now being taken. Students may register in advance or at the October 4 meeting.

For more information or to receive a registration form, call the Medical Explorers Hotline at 306-7800 or Mary Beth Winkowski at St. Joseph's, 335-8145.

The Kewaskum Board of Education is seeking a candidate to fill an existing seat on the School Board. Any school district resident interested in being considered to be appointed to the school board is encouraged to submit a letter of intent stating their qualifications and reasons why they believe they would be an effective school board member. Screening of candidates may become necessary prior to interviews. The School Board will limit the number of candidates interviewed to not more than five.

Interested residents should submit their letter of intent to the District office to arrive no later than noon on Monday, September 11, 2000. The address is 1450 School Street, Kewaskum, WI 53040. Letters received after the noon deadline will not be considered. Interviews for the school board position will be held on Wednesday, October 4, 2000.

Individuals submitting a letter of intent are notified that all "names and addresses of an applicant for an appointment to fill a vacancy" become a matter of public record. The individual appointed will fill the position until the regularly scheduled School Board meeting in April, 2001. If interested in filling the second year of the position they would need to file nomination papers and run for election in the spring.

Class Offered On How to Care for Baby

St. Joseph's Community Hospital of West Bend is offering a newborn care class Wednesday, September 13, from 6:30 to 9:30 p.m. in the hospital's fourth floor east conference room.

This infant care class is designed for first-time parents, siblings 11 and older, grandparents, child-care providers and adoptive parents or others planning to care for the newborn. Topics include: feeding, safety, bathing, crying and colic, how to take a baby's temperature, when to call the doctor and family adjustments. The fee is \$12 per person or couple.

To register or for more information, contact the hospital's Class Connection Line at 306-7888.

UWWC Trip to Spring Green

Tell your grandparents you love them by taking them back to Elizabethan times.

The University of Wisconsin Washington County is hosting a motor-coach trip to the American Players Theatre in Spring Green on Saturday, September 30, 2000 to see Shakespeare's classic comedy "A Midsummer Night's Dream."

The play is sheer comic delight. Set in moonlit woods at the glorious height of summer - A fairy kingdom's shady glen at the enchanted hour of Midsummer's Eve - the mys-

terious forces unleashed are those that come quite naturally out here. The play's lead character is Puck, an irrepressible mythical prankster, whose magic potion causes the Queen to topple for a working man named Bottom.

The bus will leave UWWC at 11 a.m. for a 3 p.m. show. Cost of the trip is \$45. Lunch is not included in the price.

To reserve a spot please call (262) 335-5208.

Higher Prices Expected For Winter Heating Bills

MILWAUKEE - Wisconsin Gas and Wisconsin Electric, both Wisconsin Energy companies, announced September 5, that natural gas customers can expect to see higher bills this upcoming heating season due to a significant run-up in the price utilities must pay for natural gas.

Residential customers of the utilities could see their winter heating bills increase by 20 percent over last year or about \$113 for the six month period of November - April. A typical residential heating customer in Southeastern Wisconsin spent \$567 to heat their home last heating season. This increase is for gas rates and does not factor in weather which has been warmer-than-normal the past few years. A return to normal weather means customers could pay even more because of increased usage.

"Our utilities do not profit from the higher bills our customers are paying as a result of the increased natural gas prices," said James Schott, senior vice president, gas operations, Wisconsin Gas. "As distribution companies, we pass the cost of natural gas from our suppliers directly on to our customers with no price mark-up."

Gas bills are determined each month by how much

natural gas a customer uses and the price of natural gas during that billing period. While the wholesale price of natural gas has nearly doubled, that does not translate into a doubling of residential customer bills.

Schott added that the cost of gas is the largest portion of the monthly gas bill, typically about 65 to 70 percent of the total. The remaining 30 to 35 percent covers the cost of providing gas service - the underground distribution network, meters, billing and customer systems and other operating expenses. This portion of the bill is regulated and approved by the Public Service Commission of Wisconsin.

According to industry experts, the increase in gas costs, which have been at historically high levels all summer, are the result of several nationwide factors, most notably the increased use of natural gas for the generation of electricity, and a decrease in exploration due to depressed prices over the last few years. With the increase in gas prices, exploration activities have resumed and more rigs are drilling for natural gas than at any time during the last 15 years. Typically, it takes from six to 18 months to get fresh supplies of natural gas to market.

"It's important to tell our

customers that there will be ample supplies of natural gas to meet their home heating needs this winter," said Schott. "Natural gas also remains the cleanest and most economical fuel to heat the home."

Wisconsin Gas and Wisconsin Electric offer many ways to help control energy use. Budget Billing helps take the ups and downs out of gas bills by spreading energy costs out into equal monthly payments.

Customers should also consider taking these additional steps in offer to minimize the impact of higher bills:

- * Have your heating system checked by a qualified contractor to ensure that it is working properly.

- * Change furnace filters monthly during the heating season to help your furnace run more efficiently. (If your furnace has an electronic filter, follow the manufacturer's directions.)

- * Caulk and weatherstrip leaky windows and doors. As much as 35 percent of a home's heat can be lost through cracks and openings in the house.

- * Turning down the thermostat just one degree for a 24-hour period can save up to three percent in fuel.

- * When the weather is very cold, put on warm clothes instead of turning up the thermostat. A warm sweater can make you feel about five degrees warmer.

Punt, Pass and Kick Competition Here Sept. 10

Young pro football fans will have an opportunity to exhibit their football skills when the Slinger Jaycees host an NFL/Gatorade Punt, Pass and Kick competition on Sunday, September 10. The competition is free and open to boys and girls ages 8 thru 15.

It will be held behind the Kewaskum High School, with registration beginning at 9 a.m. The competition will start at 10. Competitors are not allowed to wear spikes, or any modified kicking shoes. For competition information, call LeRoy Reed at 626-3348.

The NFL/Gatorade Punt, Pass and Kick football competition allows youngsters to showcase their talents in punting, passing,

and place kicking with scores being based on distance and accuracy. Age classification is as of December 31, 2000.

The top finishers from each of the eight age groups at the Kewaskum competition will advance to the Sectional competition in Slinger on October 14.

The winners at the sectional competition will have their scores compared with other Sectional champions; the top five scorers from the pool of Sectional champions advance to the Green Bay Packers Team Championship, to be held at Lambeau Field when the Packers take on the Vikings November 6. Yes, that game will be on Monday Night Football.

Age group champions at this level will be declared NFL/Gatorade Team Champions. The top four finishers in the boys and girls divisions within each age bracket from the pool of 32 Team Champions will qualify for the National Finals at an NFL playoff game in January.

Timblin 'Bright Spot' For Lady Indian Golfers

Sophomore Courtney Timblin was the lone bright spot for the Kewaskum Girls Golf Team this past week as they traveled for a conference meet to the Hartford Golf Course. Timblin's round of 44 was good enough for third place in the field of 43 golfers with Hartford's Samantha Wolf repeating as medalist with a round of 40 on the front nine.

Other counters for the Lady Indians included Niki Dreher's 51, Crystal Dreher's 54 and Beth Degner's 56 for a team total of 205. Oconomowoc took first place in the seven team conference match with a 185, Hartford second with a 187 and Watertown third with a 194. The remaining team scores were Beaver Dam 217, West Bend West 229 and West Bend East 230.

The Lady Indians are now in third place in the Wisconsin Little Ten Conference behind Hartford and Oconomowoc. The

ladies played Tuesday at West Bend Country Club. They will play host to the conference on Thursday, at Hon-E-Kor starting at 3:45.

Fibromyalgia Support Group

The fibromyalgia support group sponsored by St. Joseph's Community Hospital of West Bend will meet for discussion and sharing Monday, September 11, from 7 to 8:30 p.m. in the hospital's fourth floor east conference room.

Fibromyalgia is discomfort and pain surrounding the muscles. Some of its symptoms include inability to perform daily activities, sleeping disorders and bowel disorders such as diarrhea or constipation. The support group is designed to educate and provide support for patients, friends and families affected by fibromyalgia.

For more information, contact the hospital's health promotion services department at 334-8268.

Golf Event To Benefit County Habitat

Golfers in Washington County are invited to swing a club so Habitat for Humanity can swing hammers to eliminate poverty housing in our area. A charity golf event to benefit Habitat in the county, will be held at the Washington County course, Tuesday, September 12. Registration begins at 11 a.m. with a shotgun start scheduled for noon. Proceeds from the event will be used to purchase building materials and supplies for the second Habitat home here.

Teams of individuals can join in this event for a \$100 per person registration fee which includes: 18 holes of golf on the beautiful country course; use of a power golf cart, practice range balls; hors d'oeuvres before and after golfing; prizes and awards; on-course refreshments, and the chance to win the two-year lease of a Chrysler 300M if you shoot a hole-in-one.

For more information about the event, or to register or sponsor a hole at the event, contact Sharon Stier at 335-3945, or the Habitat for Humanity offices at 334-1801.

Habitat for Humanity of Washington County is an ecumenical housing ministry dedicated to working toward the elimination of substandard housing, in partnership with God's people.

Boys Basketball Clinics Being Offered Here

It is that time of year again! Kewaskum Youth Basketball and Head Boys Varsity coach Dave Nordeng are offering basketball clinics for the youth of Kewaskum. Beginning on Sunday, September 10, and running through Sunday, October 22, basketball clinics will be offered to third, fourth and fifth grade boys. The time will be from 5:30 pm until 7:00 p.m.

These clinics are open to all boys enrolled in either public or private school and will be held at the Kewaskum High School Fieldhouse. The cost will be \$15 and each participant will receive a t-shirt, instruction on the fundamentals of the game of basketball, free admission to one varsity boy's basketball game and the opportunity to participate in an exhibition scrimmage at half-time of a JV boy's basketball game.

Volunteer coaches will be needed to assist. Registration will take place at 5:00 p.m. on Sunday, September 10, at the fieldhouse. Following the clinics will be open gym and weight room. This is open to students and adults.

The fundamentals covered in the clinics will be the basics of shooting, ball-handling, passing, one-on-one moves, cutting, rebounding and defense. Clinics for sixth, seventh, and eighth-graders will be held in the months of November and December, and clinics for kindergarten, first and second-graders will be held in January and February.

Registration forms will

be available at the elementary schools or at the sign-up on September 10. Questions regarding the boy's youth clinics can be directed to David Nordeng at 626-1572.

Lady Indians Host Tournament

The Kewaskum Lady Indians Volleyball team hosted a six team round robin tournament on Saturday, August 26.

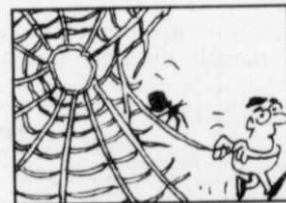

The other schools that participated were Fox Valley Lutheran, Dodgeland, Kiel, Howards Grove, and Grafton.

Senior Emmy Foerster had an outstanding day, leading the girls in scoring. Her total for the day was 33 points.

Senior Kathryn Schneider also had a great showing with 63 assists.

Junior Jenni Logan was the save leader with two. Senior Jacki Broecker and Foerster each had four aces.

The final results of the tournament were Howards Grove, 9-1; Dodgeland, 7-3; Kiel, 5-5; Fox Valley Lutheran, 4-6; and Grafton, 1-9.

Indians Defeat Horicon, 28-7

The Indians varsity football team hosted the Horicon Marshmen last Friday and came away with a 28-7 victory.

Kewaskum opened the game in an impressive fashion when junior tailback Chris Canter took the first play from scrimmage 63 yards for a touchdown. Matt Hartmann's kick failed putting the score at 6-0.

The Marshmen quickly answered as they marched down the field for 76 yards and a touchdown, capped off by a six yard run by Jacob Bickelhaupt. Dan Karel's kick was good, putting the Marshmen in front, 7-6.

The Indians scored again on the ensuing drive when Canter took the ball from four yards out. The run after the score failed, but the Indians were ahead 12-7.

The Ogi brothers then connected with 8:13 left in the second quarter to wrap up the scoring for the first half. Tom Ogi to Bob Ogi from five yards, but the run

again failed landing the Indians on top of the 18-7 score.

The Marshmen received the second half kick off and after a first play 18 yard run by Bickelhaupt, the Indian defense beared down and forced the Marshmen to punt.

The Indians were looking for ball control and a score, and were able to accomplish both when Tom Ogi hit Tony Fitts from 10 yards with 2:37 remaining in the third quarter. Hartmann's kick was good, increasing the score to 25-7 in the Indians favor.

The Indians were the recipients of two Horicon fumbles in their own territory, but could only put three points on the board when sophomore Matt Hartmann kicked a 23 yard field goal with 9:51 remaining in the game. The kick ended up to be the last score of the game making the final 28-7 in favor of Kewaskum.

The Indians open the

conference season this Friday when they host New Holstein at 7 p.m.

Lady Indians Defeat Two Rivers

The Kewaskum Ladies Volleyball team played a conference game against Two Rivers on Thursday, August, 31 in the Kewaskum Indian Fieldhouse.

The Indians led two Rivers in all three matches, 15-3, 15-1 and 15-9.

Senior Emmy Foerster once again led the Indians by scoring six points.

Senior Kathryn Schneider helped keep the Indians going with a total of six assists.

"We showed great control throughout the match," stated coach Dave Rizzardi. "Excellent start to the conference season."

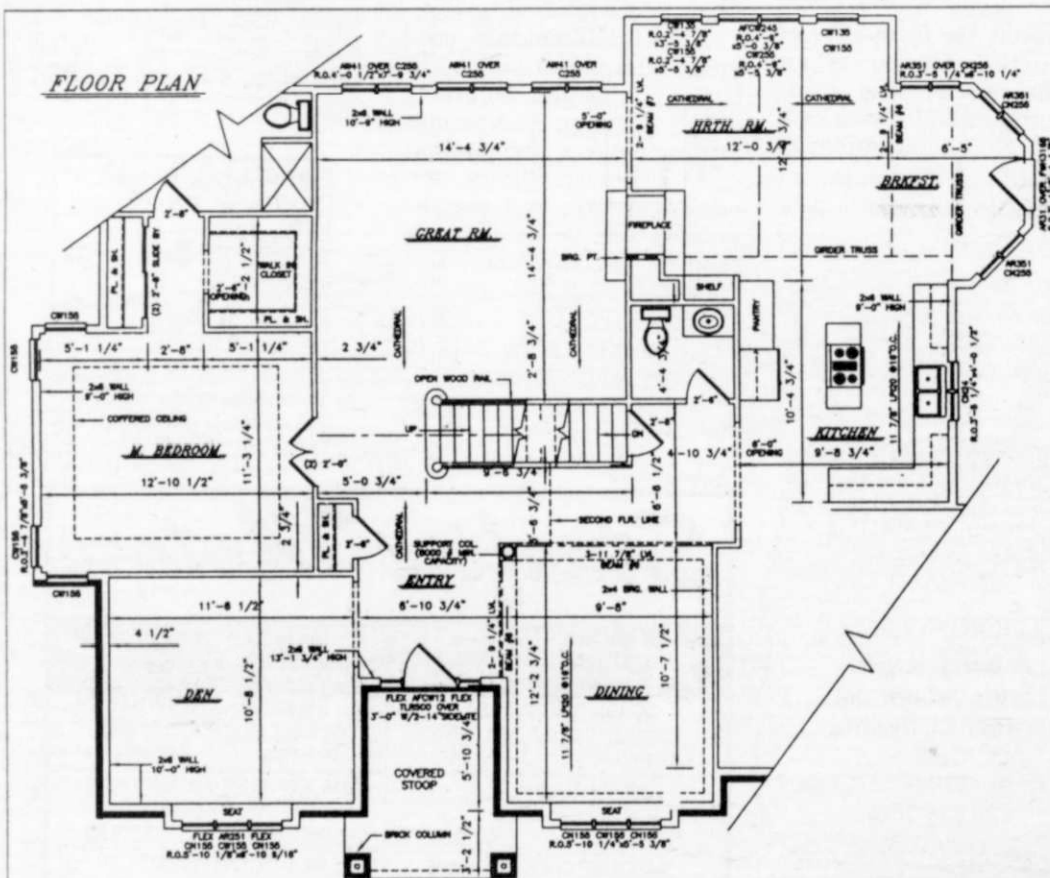

This leaves the Indians with a 1-0 conference record.

Other highlights of the day were both the JV and Freshmen teams won all three of their matches.
