## Christmas Parade Here on Sunday

The committee has made all their lists and they've checked them all twice and all is in readiness for jolly old St. Nicholas who will be making his annual appearance to check if all the area children have been naughty or nice during Sunday's annual Christmas Parade at 5 p.m.

The parade will follow the same route as last year, beginning at the Kewaskum Middle School. It will progress south on Parkview, turn west on Main Street, then north on Fond du Lac Avenue, turn east on First Street and end in front of the Kewaskum Municipal building.

The annual A.A.L. tree lighting ceremony will be then held in front of the Municipal building where the tall evergreen has been specially decorated for the lighting. All are invited to join in the singing of traditional favorite Christmas carols. The Aid Association for Lutherans (A.A.L.) will graciously be serving cookies and hot chocolate in the

community room for all who care to join in the festivities. Parade winners will be announced.

It is hoped the entire community will participate in one way or another and strive to make this year's parade a most memorable one for all. In this, the most busy, hectic time of the year, let's not lose sight of **WHO** we do this for. The wonder and awe in the eyes of the children, make all the extra effort worthwhile.

All schools, businesses, churches and civic organizations are urged to participate in the parade and are encouraged to decorate and add a festive touch to the community for the holidays.

With the support of the entire community, the parade can continue to be a source of inspiration to all involved, as well as to all the spectators, who have marked Sunday's date on their calendar weeks ago.

Cash prizes will be awarded for the first five places selected by a special

## Santa's Workshop New To Parade's Festivities

One new addition this year to Kewaskum's Christmas parade festivities will be Santa's Workshop at 230 Main Street (the former Hair on Main building), which will be open from 9 a.m. to 4 p.m. both Saturday and Sunday.

Santa's Workshop will be a very special make-it-and-take-it place where young and old alike will be welcome to create holiday gift items or a unique craft for yourself! Finished products will also be available for sale.

A few of the hands-on crafts will be ceramics to paint, stamping and designing your own wrapping paper for your special gift, creating angels out of clay pots and something very new, glass etching on goblets and ornaments. Coordinator JoAnn Hall states the glass etching isn't as difficult as it sounds, as she has taught even the very young how to master the art. Many people are astounded with the beauty

of the heirloom craft they have created.

Frosty the Snowman will also be on hand at Santa's Workshop to the delight of the children. You may also have your child's photo taken with Frosty.

St. Matthew's School of Campbellsport will be holding a cookie walk in the Workshop and will be selling holiday treat boxes chock full of goodies and all your special favorites.

Please be sure to stop in and see the new addition to Kewaskum's Parade lineup. Your children will be thrilled to meet Frosty in person and delight in creating a special holiday gift for you. The lure of those holiday gift boxes has to be another incentive to your visit!

The Kewaskum Area Chamber of Commerce is hoping, with your support, Santa's Workshop will become a permanent part of the festivities for the annual Christmas parade.

## Moderate Hike in Village Tax Levy

By Andrew R. Kuehl  
Staff Writer/Photographer

The Kewaskum Village Board met Monday evening to discuss the 2001 budget before taxpayers during a public hearing with no residents in attendance.

Administrator Dan Schmidt explained to the audience, the press and one library board member that the general budget has increased \$115,075 or 6.4%.

Schmidt further explained the property tax levy to be collected will be reflecting an increase for several reasons.

- Several revenue sources have declined. (\$18,474 State Shared Revenue)

- State mandated exemptions.

- State mandated land value use assessment.

- Expenditures have increased because of increased fuel, utilities, health insurance, and other general cost of living expenses.

- The purchase of a new fire truck and the rehabilitation of an existing fire truck.

- Award of a COPS Grant, which minimizes cost while adding additional police officers.

- A drop of the ratio equalized value versus assessed value.

Looking at the entire picture, the tax levy will reflect an increase of \$99,502 or 12.9%.

The Village's property tax rate will also reflect an increase of 61.0¢ or 9.9% in comparison to that of 1999/2000.

The equalized value for 2000 has increased \$5,597,000 or 3.97% and the assessed value for 2000 increased \$3,416,900 or

2.8%.

The State of Wisconsin Department of Revenue governs the establishment of values, equalized (market) and assessed.

The ratio, as established by the Department of Revenue, for 2000 is .8697 compared to 1999 at .88001%.

The Village's Tax Rate reflects an increase of 61¢ per \$1,000 of assessed value. The Village Tax Rate for 1999 was \$6.205 compared to the 2000 Tax Rate of \$6.819 per \$1,000 of assessed value.

The level of all basic services has remained at or near the same as in previous years.

There will be a modest amount of street maintenance work accomplished in 2001. The state legislature /department of transportation budget increased slightly the amount of highway aid making it more difficult for the Village to maintain a similar level of proposed street work. The Village is trying to minimize the impact of future highway/street work for USH "45"/Fond du Lac Ave. (2003/2004), CTH "S"/Riverview Dr. (2004), and STH "28"/Main St. (2005).

Schmidt in his memo asked everyone to participate in the mandatory recycling program.

"The State does provide grant money to operate an effective recycling program currently, but this program level of funding by the state continues to decline. Also, a 25% ratio of recyclable materials need to be recovered versus refuse or the Municipality will be required to charge for garbage collection with the implementation of a volume base fee (throw as you go)."

said Schmidt.

The Village of Kewaskum currently meets this percentage only by a small margin. Everyone is asked to improve their participation in the recycling program.

The assessed gross tax rate has increased from (\$24.52) to (\$24.63) this year, an increase of \$.11 or .46%.

All taxing jurisdictions have also tried to maintain their budget. The Village Board has no authority to approve or disapprove these rates, just mandated to collect those taxes.

Twenty seven point seven percent or \$6.82 of the \$24.64 gross tax rate pays for approximately seventy one municipal services summarized below. These are provided under the direction and control of the Village Board and Administrator.

General Government	\$1.22
Protection/Fire	.66
Protection/police	1.94
Public works	1.34
Health & Welfare	.01
Park & Recreation	.56
Conser. & Development	.06
Library	.25
Capital Outlay	.31
Special Revenue Fund	.06
Debt Service Fund	.41
<b>TOTAL</b>	<b>\$6.82</b>

The remaining seventy two point three percent (\$17.82) of the gross tax rate is collected by the Village on behalf of the four other agencies that can't by law, issue their own tax bill.

In a later interview Village President John Kenworthy said "I hope folks realize the amount of work that goes into putting

# Chairman Kevin Stautz Urges Participation in Sunday's Parade

Hi Everyone!  
With the Christmas Parade only days away, anticipation is hitting a feverish pitch. If you have a group from school, church, civic organization, or are an individual from the private sector, you are more than welcome to enter your float or whatever other idea you may have.

If you are planning on submitting an entry in the parade, please call me so that provisions can be made. We will be taking entries right up until 4 p.m. the day of the parade. The theme for this year's parade is "A Fairy Tale Christmas."

If you are entering a float or are participating in the parade, you need to arrive by 4 p.m. The designated lineup area will be the parking lot of the Kewaskum Middle School, which will be open for a warming area and bathroom facilities.

There will be no parking between the high school and the middle school. This is an **UNLOADING ZONE ONLY. IT IS RECOMMENDED THAT YOU PARK IN FRONT OF THE HIGH SCHOOL AREA OR AT THE ELEMENTARY SCHOOL.**

If your entry is being pulled by semi, please park in front of Regal Ware on Regal Drive. The parade route will start from the middle school and then turn on to Parkview, and then on to Main Street. It will then proceed to Fond du Lac Avenue and turn right onto First Street where the parade will end at the Municipal Building.

After the parade has ended, you are all invited to join in at the Municipal Building for the annual AAL lighting of the Christmas Tree and the singing of Christmas carols. Hot chocolate will be served and announcement of the parade winners will be made.

And don't forget, the Chamber of Commerce will be sponsoring a steak fry on the Community Parking Lot (old Sentry parking lot) where members will be grilling sandwich steaks, hot dogs and serving hot chocolate and coffee on Sunday afternoon. The Chamber will also be serving up hot drinks and homemade soup in front of the Statesman at 250 Main Street. All food proceeds

will benefit the Kettle Country Kolors festival.

Please don't forget to make your donation to the Christmas Parade by filling out the light coupon on page 15 of this week's Statesman. Without your donation and/or your participation, the future of the annual Christmas Parade may be in jeopardy. Assistance is always needed, as a small handful of people cannot guarantee the success of this or future parades.

And don't forget those less fortunate. As usual, you are invited to bring along a non-perishable food item to the parade. Santa's elves will be collecting them along the parade route for distribution to area food

pantries. If you have any questions, please feel free to contact me at 626-2995. Thank you.

Kevin Stautz,  
Parade Chairman

appointed group of judges. The Kewaskum Area Chamber of Commerce, sponsors of the annual parade, and Kewaskum High School will again take part in the annual Food Sharing Program to be held in conjunction with the parade. All residents are encouraged to bring non-perishable food items to the parade where Santa's elves will gladly assist in picking them up. Let's be sure we remember the true meaning of Christmas by donating our small share to help everyone in the area have a truly happy holiday season.

Once again, the Chamber is arranging to have Fond du Lac Avenue and Main Street adorned with Christmas trees in which area community groups and schools have donated their time and efforts to decorate, adding a beautiful festive touch along the parade route. The trees will be decorated this week just in time for all to admire before the parade.

All decorating participants will be competing for a chance to win first through third place. Trees will be judged and the winners will be announced in the Statesman in the upcoming weeks before the holiday.

Many businesses will also be featuring special sales and celebrations, encouraging you to spend the day in Kewaskum's Winter Wonderland. Why travel somewhere else to attack that Christmas list

when there is so much being offered right here in Kewaskum if you simply take the time to look around your own community.

There will be lots of food treats available before and after the parade, served outside and in local restaurants. The Chamber of Commerce will be serving steak sandwiches, hot dogs and steaming refreshments on the Community Parking Lot (old Sentry lot) on Sunday afternoon until 6 p.m. Chamber members will also be setting up a "Soup Kitchen" in front of the Kewaskum Statesman where hot, homemade soup and refreshments will be sold. All proceeds from these two food booths benefit Kettle Kountry Kolors.

So plan on spending Sunday in the community we all love... shop the friendly merchants... sample the delicious food... take the time to visit with your friends and neighbors and relax for one last time before the holiday madness continues.

The parade chairman Kevin Stautz has an explanatory message about the parade on page 2. If you have any questions, please don't hesitate to call Kevin at 626-2995 or "Ready Reference" at the Statesman at 626-2626.

The Kewaskum Christmas Parade is funded solely by donations and through the sale of the annual tree lights. The tree is located on Fond du Lac Avenue, adjacent to the visitor's gazebo and calendar of events sign. It is hoped by Sunday's parade the tree will be aglow with the generosity of lights purchased for this

event. Lights may still be purchased the week after the parade and names of all contributors will be published in an upcoming edition of the Kewaskum Statesman. A coupon to purchase the lights may be found on Page 15 of this issue or stop in at the Kewaskum Statesman where there are additional coupons.

Please support the efforts of the Chamber of Commerce by designing your own entry in the parade, attending the event, purchasing lights to help offset the cost of the parade, and by supporting area merchants. The future of the annual Kewaskum Christmas Parade depends on **YOU!**

## Holiday Craft Night at C-Sport Public Library

Join in the fun at the Campbellsport Public Library on Wednesday, December 6 from 6 to 7:30 for their Annual Holiday Craft Night.

Children of all ages will be able to make their own decorations to bring home and hang on the tree. There will be a wide variety of decorations to make.

Some of the projects will be more difficult and require assistance from adults. Each child will be able to make two decorations.

There is a limited number of decorations so please plan on arriving early. This is a free program sponsored by the library. For more information please call the Campbellsport Public Library at 533-8534.

## WINTER PARKING

The Winter Parking Restrictions and Snow Emergency Parking Restrictions go into effect at mid-night (12:00 a.m.) on December 1, 2000.

Municipal Code Section 7.04(3) Night Parking Restrictions, reads as follows: Signs have been erected at or reasonably near the corporate limits as provided in Section 349.13, Wisconsin Statutes, no person excepting physicians or licensed emergency vehicles on emergency calls, shall park or stop any vehicle on any public street or highway within the village between the hours of 2:00 A.M. and 6:00 A.M. from December 1, to April 1, of each year; provided that, notwithstanding such restrictions vehicles may be parked a period of time not longer than 3 minutes for actual loading or unloading of passengers, and provided further that no other regulation restricting parking as to place, time, or manner violated thereby.

The fine for violating the ordinance is:

\$5.00 if paid within three (3) days of the issuance of the parking citation.

\$10.00 if paid after ten (10) days but before 28 days.

After 28 days, the amount is \$25.00 and a notice will be sent to the Motor Vehicle Department to suspend any and all vehicle registrations held by the owner and refuse renewals of the same until the citation is satisfied.

An important fact is the owner of the vehicle is responsible for the payment of the citation whether or not he or she was the operator.

Municipal Code Section 7.04 (4) Removal of Illegally Parked Vehicles. This section covers the issuance of citations to and possible removal of such vehicles in violation of this ordinance. In addition to other penalties provided by Section 7.04(6) of this code, the owner or operator of a vehicle so removed shall pay the cost of the towing and storage.

the budget together every year. Faced with a lot of different challenges for the 2001 budget, every department in the Village went above and beyond to make certain that we are providing the services we need without causing an undue tax burden on the community. I have to single out [Administrator] Dan Schmidt and his staff for their efforts in compiling many different versions of the budget and working tirelessly to make sense of all various scenarios and iterations available to the Village."

All real estate & personal property taxes paid in full are due, January 31, 2001. Real estate taxes of \$100.00 or more may be paid in two installments. The village asks that if you desire to pay all of or a portion of your property tax by the end of 2000 you need to either bring in or mail your payment to the Municipal Building on or before December 31, 2000.

The Municipal Building will be open December 29, 2000 until 4:30 p.m. Residents will be able to mail in their payment as long as it is postmarked December 31, 2000.

Keep in mind the Village has installed a drop payment box in front of the Municipal Building for residents to make varied payments to the Village.

In his memo Schmidt asked that if you use the drop box, please place your payment with the appropriate stub in an envelope. It will be treated in the same manner as if it were sent by US mail. Please note that when paying with a financial institutions check, be sure to properly endorse said check. Also, when paying by mail or in the drop box, include a self addressed envelope if a receipt is desired.

**FIRST INSTALLMENT-** Final date for payment in person, January 31, 2001. Final date for mailed (post-marked) payments, January 31, 2001. Half of tax and all of the special assessments are due January 31, 2001.

**SECOND INSTALLMENT-** Due by July 31, 2001 to Washington County Treasurer, Court House, P.O. Box 1986, West Bend, WI 53095-7986.

Schmidt announced the holiday schedule and hours of operation at the municipal building. The office will be closed all day: December 25 & 26, 2000 and January 1 & 2, 2001. Normal hours will resume January 3, 2001

Holiday Garbage & Recycling Collection to be on Wednesday, December 20, 2000, Thursday December 28, 2000 and Thursday January 4, 2001.

## Gaffke - Monet

Nicole Renee Gaffke, Kewaskum, and Paul Kevin Monet, Brookfield, exchanged wedding vows during a 2 p.m. double-ring ceremony held at St. Francis Borgia Catholic Church in Cedarburg on June 24, 2000. Father Edward Wawrzyniakowski officiated.

Parents of the couple are Mark and Carol Gaffke, Kewaskum and Paul and Kathy Monet, Brookfield.

The bride chose her sister, Kim Dudarenke, of Kewaskum as her matron of honor. The bridesmaids were Nicole Monet of Brookfield, sister of the groom, Christine Little of Oconomowoc, sister of the groom, and Colleen McCaffrey of Elmhurst, Illinois, friend of the bride. Brooke Elizabeth Little, niece of the groom, was the flower girl. The bride's cousin, Jenny Zacho, was chosen as her personal attendant.

Todd Little of Oconomowoc, brother-in-law of the groom, served as best man. The groomsmen were Alex MacBean of Washington D.C., Larry Hipp of New Berlin, and Scott Freimark of Oak Creek, all friends of the groom.

David Todd of Stevens Point, friend of the groom, and Tom Dudarenke of Kewaskum, brother-in-law of the bride, shared ushering duties.

Ceremony readings were performed by Amy Little, friend of the couple, Jennifer and Brian Zacho, cousins of the bride, and Stephen Morey, cousin of the groom. A string duo provided music for the ceremony. The bride carried a bouquet of daisies and stephanotis, similar to the one her mother carried on her wedding day. Following the ceremony, a reception was held at the Mequon Country Club.

The bride is a 1991 grad-

uate of Kewaskum High School, and a 1996 graduate of the University of Wisconsin - Madison. She is employed as the Human Resources Coordinator for the Wisconsin Early Autism Project in Wauwatosa.

The groom graduated from Brookfield Central High School in 1992, and from the University of Wisconsin - Whitewater in 1998. He is employed as a chemist with Aldrich Chemical Company in Sheboygan.

The newlyweds spent their honeymoon at the Sandals resort in Nassau, Bahamas and currently reside in Grafton.

### A NOTE OF THANKS

A sincere thank you to all of my family, neighbors and friends who helped me celebrate my 80th birthday on October 1, 2000. It was indeed an honor to have so many people join me in this celebration.

I would also like to thank all of my family, neighbors and friends who remembered me during my seven plus weeks stay in the hospital.

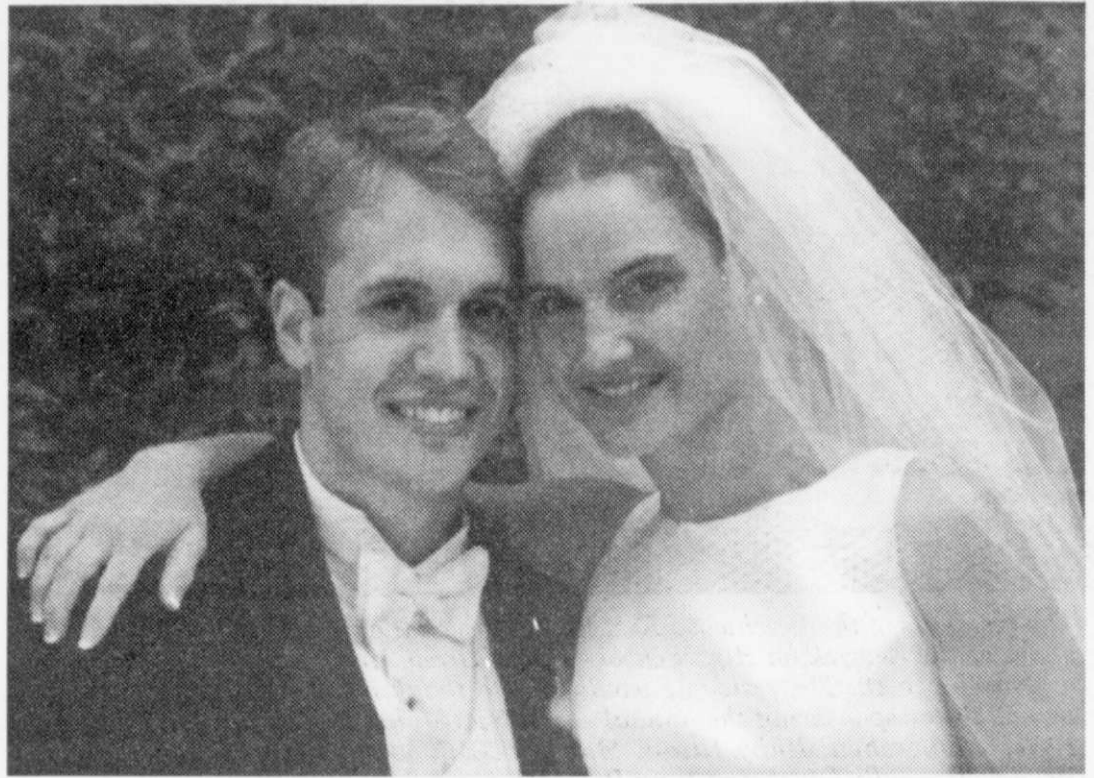

Your thoughts, prayers, gifts and cards of kindness shared with me and my family during my illness is greatly appreciated.

Special thanks to Rev. Edwin Fredrich and Rev. Timothy Henning for their prayers and caring.

Your expressions of kindness will long be remembered and appreciated.

## Beechwood Rest Home Residents Thank KHS Key Club

The residents of the Beechwood Rest Home's residential living area are shown above at the Kewaskum High School Senior Citizen Appreciation Dinner held on November 18. The residents would like to thank members of the school's Key Club for sponsoring the annual event. Seated, left to right: Julia Folger, Ethel Wiskerchen, Ruby Illian, Marge Zefran. Back to camera: Beulah Bruesewitz, Sally Gluck and Irma Bauer.

## KHS Tech Ed Staff Thanks John Lettow

The Technology Education staff at Kewaskum High School would like to express their gratitude for a very generous donation. Technology Education programs in high schools are usually in need of more equipment than the budget permits. The KHS Technology Education staff is extremely grateful that people like John Lettow, shown above, are willing to help their program. The donation of a 15" Seco wood planer was a welcome addition to the KHS woodworking lab. For many years, the staff has had to endure long delays because they only had one planer. The students use this machine every day. The staff and the students thank John Lettow for his interest in public education.

### Take Your Photo With Santa at Heritage House

Santa and Mrs. Claus are taking time out of their busy schedules on Saturday, December 2nd, to spend the afternoon at Heritage House, the restored farmhouse museum at 5595 County Road Z, West Bend.

Children of all ages are invited to have their pictures taken between 1 and 3 p.m., when a professional photographer will be available to get that perfect family Christmas card photo.

Heritage House will be open 10 a.m. to 4 p.m. with several people demonstrating crafts. There is no admission fee. Refreshments will be served from the pantry.

Heritage House is part of Cedar Campuses, West Bend.

### Moraine Chorus To Perform Winter Concert

WEST BEND - On Sunday, December 10 at 2 p.m. in the UWWC Theatre, the Moraine Chorus will perform its winter concert.

The program features the Vivaldi *Gloria*, accompanied by a small Baroque orchestra. After intermission a chamber ensemble will perform a trio by Bach for two flutes and continuo. The chorus will then sing brief works by Mendelssohn, Brahms, Nin-Culmell, Rutter and Dello Joio.

Peter Gibeau directs the chorus, and the concert is free and open to the public.

The debt we owe to the play of imagination is incalculable.

# Grothman Named Small Business Legislator of Year

The Independent Business Association of Wisconsin is proud to announce that State Representative Glenn Grothman (R-West Bend), center, is the recipient of its 2000 Wisconsin Award. The Award is presented annually to one legislator as the premier advocate for free enterprise and small business in the state of Wisconsin. "Glenn has always stood up for small business against higher taxes, burdensome regulation and unfair government competition," said Steven Soblek, IBA's Executive Director. "This award recognizes Glenn's principled leadership to limit state government spending and taxation," he added. The Independent Business Association represents over 700 small business owners in Wisconsin.

## The Lamplight Society Comes to Heritage House

Heritage House, a restored farmhouse museum located in West Bend, hosts The Lamplighter Society of Cedarburg during its December Open House, Saturday and Sunday, December 9th and 10th from 10 a.m. to 3 p.m. There is free admission and hot apple cider and cookies will be served from the house's pantry.

The Lamplighter Society is the first strictly civilian Civil War living history organization in the Midwest. Members speak in the first person dialect of the era, wear the clothing, adopt the technology of those times and interact with visitors in order to bring history to life. They

will allow visitors of Heritage House an opportunity to show what life was like in the mid-1800s. "The Society will present small vignettes in various rooms of Heritage House, some involving music," said Louise Linn, volunteer coordinator of the museum. "People will be greatly entertained by the Lamplighter Society and children, especially, will learn a great deal of history through their interaction."

Heritage House is located at 5595 County Road Z, West Bend, and is part of Cedar Campuses, the regional leader in rehabilitation, education, older adult living and health care.

# Kewaskum FFA Officers Attend National Convention

Kewaskum FFA officers who attended the National Convention in Louisville, Kentucky recently are, left to right: Tom Ramthun, Reporter; Rebecca Baron, President; Peter Marx, Historian, and Roland Westphal, Sentinel.

From Wednesday, October 25 to Saturday, October 28, four of the Kewaskum FFA officers traveled to Louisville, Kentucky, to attend the 73rd National FFA Convention.

The four that attended were Rebecca Baron, Roland Westphal, Peter Marx and Tom Ramthun. They left Kewaskum at 6 a.m. to go to Lomira High School, where they met a coach bus, along with several other local FFA chapters.

At about 4 p.m. the bus arrived at the Caterpillar factory in DeKalb, Illinois. After a tour and lunch, the bus headed to the Holiday Inn in Louisville, where the group stayed for the duration of the trip.

On the way to the hotel, they made a short stop at the Cracker Barrel for supper. After the great meal,

the group arrived at the hotel around 11 p.m. (Eastern time).

On Thursday, after the hotel breakfast, the group headed to the Convention Center, which was only a few minutes away. At the Convention Center, there were several sessions in the arena that took place throughout the day.

The group attended the first one, which was the opening ceremony of the whole National FFA Convention. The rest of the day, the FFA members from around the nation were free to attend other sessions, stroll around the career center, attend leadership workshops, or just get to know some of the other FFA members from other chapters.

Later that day, all of the FFA chapters from Wisconsin got together to take a picture. Friday morning the group returned to the Convention Center. The four Kewaskum officers enjoyed a "hands on" workshop to help with being creative and working together.

Around noon the group visited the Kentucky Horse Park. Besides a short tour of the park, there was a

parade of several different breeds of horses. On the way back to the Convention Center, the bus took a supper break at another Cracker Barrel in Shelbyville, Kentucky. From there the rest of the day was spent at the Convention Center.

On Saturday, it was homeward bound for the Kewaskum FFA members. The highlight of the day was a tour of the Indianapolis museum where the Indy 500, the Brickyard 400, and other famous races are held. Everyone was surprised to arrive at Lomira by 4:30 p.m., ahead of schedule. They left a warm 75 degree state and were welcomed home with a Wisconsin cold front, at a brisk 40 degrees.

The first public school system in what is now the United States was set up in Massachusetts in 1647.

## 25 Years Ago

November 28, 1975

Mr. and Mrs. Art Weiland of Campbellsport celebrated their golden wedding anniversary Sunday with a Mass at 1:30 p.m. at St. Kilian Church, St. Kilian, followed by a reception, dinner and dance for friends and relatives at the Knights of Columbus Hall, Fond du Lac.

The Kewaskum High School wrestlers opened their season Thursday with a one-sided 57-6 victory over Dominican of the Milwaukee Metro conference. In the entire varsity match there were only three decisions. One was a win by John Sekeres at 167 pounds and the other two were the matches lost by the Indians in the 112 and 119 weight classes. Dan Ruplinger, a junior, defending Scenic Moraine 98 lb. champ, who has moved up to 105, took care of his opponent in 36 seconds. Three other pins were accomplished by Kewaskum wrestlers in the first period: soph Larry Morenzen at 155; soph Dan Braun at 145; and soph Dan Schmidt at 128. The Indians have seven returning lettermen and hope to improve on their sixth place finish a year ago. Heading the list is Ruplinger, who also captured several invitational crowns to his record last year and ended up with over 20 victories. Other lettermen include regulars Gary Schmidt, Pat and Dan Braun and Russ Herriges, together with subs Wayne Kleinmann and Bob Marx.

Kleinmann was a JV conference champ. All-conference football player Gary Gavin has reported for the first time in unlimited. Sekeres, Randy White and Steve Schneider will also be counted on heavily. The coach is Fran Charland.

The Kewaskum girls basketball team opened the season with a non-conference game against Random Lake in the new Kewaskum gym last Tuesday and won in an overtime battle, 51-48. Senior Diane Strack paced the winners with 27 points. Pam Scannell had 10 points for Kewaskum. Returning letter winners are Strack, all conference first team selection last year; senior Wanda Akin, tall and a good rebounder; junior Julie Stoffel, senior Kathy Stoffel and senior Pam Scannell. Six other players pressing for first string are seniors Yvonne Fellenz, Joy Zarling, Amy Schmidt and Jane Theisen, senior Kathy Mertz and junior Bonnie Schmidt.

In a hard fought non-conference battle at Plymouth Friday night, the Kewaskum Indians opened their 1975-76 season with a come-from-behind overtime victory, 75-70, over the Panthers. The Indians were paced by Tom Rohlinger, who besides scoring 27 points, played an aggressive defensive game, and center Jack Kern with 24 points.

A son, Kirk Adam, was born to Mr. and Mrs. James Tesch, Rawleigh, North Carolina on November 5. Mrs. Tesch is the former Beth Honeck, daughter of Mr. and Mrs. Kilian Honeck of Kewaskum.

## November Is National Hospice Month

November is national hospice month and to share this with our readers Kewaskum resident Tina Thull RN, Hospice Manager at Home Health Plus in West Bend has shared a general overview of what hospice is and what it means to have hospice care in our community.

Hospice is a compassionate approach to caring for people who are faced with a life limiting illness. Hospice is not limited by diagnosis. Though many hospice patients have cancer, people with other end-stage diseases such as Alzheimer's or diseases affecting major organs of the body such as the kidney, liver, lung, brain or spinal cord may benefit from hospice services.

The Home Health Plus Hospice Team becomes involved when: The physician certifies that the patient has a life-limiting prognosis of six months or less, if the disease runs its normal course, and the client of legal decision maker chooses palliative over curative treatment, which is comfort care. There have been patients who have lived over one year and remained on Hospice care.

Our local hospice team consists of:

1) The Medical Director - Dr. Marjorie Vukelich from the Kettle Moraine Oncology of West Bend who provides medical direction for the Hospice Team.

2) Skilled Nurses who provide assessment, education and guidance. Coordination with the attending physician. Pain

and symptom control management.

3) Social Workers - Assistance with benefits. Assistance with financial and end-of-life arrangements. Access to available community services.

4) Home Health Aides who provide personal care, housekeeping chores and meal preparation.

Tina explains that one of the goals of hospice is to help patients achieve physical and emotional comfort so that they can concentrate on living. Patients are encouraged to stay active for as long as they are able. For example, to take part in activities they enjoy or to do something they have always wanted to do.

Another goal is to support family and friends as they care for their loved one and lastly to ensure comfort through pain and symptom control management.

The Hospice setting can be at home, in a skilled nursing home, hospital, and or assistant living.

"Our patient load can be 10 to 12 patients per Hospice Nurse," says Tina

"We also follow the family with bereavement counseling for a year after their loved one dies. We will also be planning memorial serv-

ices annually for the families. This can be a very healing experience both for the families and the Hospice Team." Tina says

She went on to explain that many people don't realize that hospice is covered by Medicare/Medicaid in Wisconsin and by most private insurance companies. The agency, Home Health Plus will coordinate coverage and insurance verification.

"Hospice pays for medications that are related to the terminal diagnosis. Some examples are: pain, nausea, and anxiety medication. They also will provide equipment such as hospital beds, wheel chairs, bath chairs and oxygen. These items are all covered by the hospice benefit," she explains

"Being part of a Hospice Team is a calling. People ask how I can do this type of work. My main answer usually is that I receive much more from the families and patients I work with than I could ever express in words," stated Tina

Home Health Plus is a branch of Home Health Inc., they have a West Bend office located at 1622 Chestnut Street which serves the Kewaskum area and many surrounding communities. To reach Tina please call (262) 334-1988 or toll free at 1-800-236-1989.

## Focus on Making Things Better, Not Bigger

◆ The holidays are right around the corner, and many agencies are looking for volunteers to help with activities. How about escorting holiday helium-filled balloons along a parade route? Or distributing toys to parents as they come to pick them up for their children?

◆ Love to sing Christmas carols? A local organization celebrating its annual Christmas party on December 2 needs some cheerful, not necessarily professional, voices to lead the group in favorite Christmas songs.

◆ A volunteer is needed to work one on one to play with and guide a two year old disabled child.

◆ Volunteers are needed to knit and crochet blankets, scarves, and hats that will be distributed to those who need them in Washington County. Materials are provided but experienced hands are needed!

◆ Looking for a meaningful opportunity? This is it! Help a local agency conduct a survey. Talk with people with developmental disabilities who have been matched with other volunteers to ask how the relationship is going.

◆ Have a green thumb? Then your help is needed at a local nursing home! Help water plants and keep them healthy.

The Volunteer Center works with 48 organizations who rely on volunteers. Call to get linked up with a volunteer opportunity in your interest area. Contact the Volunteer Center at 338-8256.

### IN MEMORY

In loving memory of **HAROLD G. MEISENHEIMER**, who passed away ten years ago, Dec. 3, 1990:

As time unfolds another year  
Loving memories keep you near.

No longer in our lives to share.

But in our hearts you're always there.

*Sadly missed by his family.*

### Gift Giving

According to many historians, exchanging gifts is a custom dating to the ancient Romans. With the birth of Christ and the incident of the gift-bearing Magi, the practice was soon adapted to the Christmas celebration.

The "gift giver" has many faces and is highly individualized with each country. In many countries, the child Jesus is the gift-giver. However, in others an unusual figure impersonates the gift-bringer: in Italy, it is La Befana who distributes the presents; in Russia, it is Babushka; and, of course, in the United States, it is Santa Claus.

## Kewaskum Gridiron Football Holds Annual Banquet

Submitted Photos

The Kewaskum Gridiron held their annual banquet on November 9. The Gridiron program was established six years ago to develop and prepare the area youth for the high school football program.

The teams are divided by grade. They include eighth, seventh, sixth and fifth grade students. This is the first year the fifth grade students are able to participate. There were approximately 130 area youth that participated in the program. It has been a great success.

The teams play approximately 10 games during the season. They travel to Germantown, Fredonia, Cedarburg, Saukville and many other nearby towns. They practice two to three times a week to develop their skills.

The banquet was incorporated to honor the young men for their hard work and successful season. The parents and volunteer coaches are a big part of why the program is a success. Without them it would not happen.

Awards and a round of

applause were given to players and coaches. Each team voted for a teammate to receive the "Spirit Award" and coaches voted for Most Valuable Players in both offense and defense categories as well as a team MVP.

The Gridiron Banquet Committee would like to extend a special thanks to the contributors that helped make the banquet a suc-

cess. They are Kewaskum Floral, Balloons by Brenda, Serigraph, Inc., Kewaskum Piggly Wiggly, Marshall's Country Corner, and Best Trailer.

No great artist sees things as they really are. If he did he would cease to be an artist.

# UWWC Library Offers 'Food for Fines' Program

Students at the University of Wisconsin - Washington County no longer will have to cough up cash to pay their overdue book fines. Instead, they can simply cough up cans - of food, that is.

Dubbed "Food for Fines", the program is aimed at helping students clear up their debt to the university library, and also to help stock the Full Shelf Food Pantry of West Bend. For every dollar in debt to the library, students must donate one can or box of non-perishable food.

Food collected for fines will be funneled to the school's Phi Theta Kappa honor society, which annually conducts a food drive to feed the Washington County hungry. "The whole idea was to help feed the hungry, and to help the PTK," said Associate Librarian Nancy Bigler.

Bigler added that, while she has no goal idea how well the drive will fare, she noted that the library collected \$140 in fines last November - and hopes students will elect to donate a like number of food items this year.

"Most of our students

aren't in the best of circumstances themselves," she said, "but I know they all

have big hearts."

For more information on the Food for Fines program, please contact UWWC Associate Librarian Nancy Bigler at (262) 335-5248.

**CHRISTMAS LOVE**

by Ami

Flu bugs, colds, the plagues causing illnesses to spread world-wide...the young and old alike with masses of persons succumbing to the call of death. Not a very pretty picture. And yet the Christmas holiday season ever seemed to be the time and place for such horrifying times of human disasters.

It was the helplessness that struck the hearts of those stricken...to thing to do but wait it out...prayers begging for the miracle of regained health. And then, in spite of it all, the tinsel and ornaments on the evergreen tree. Neatly wrapped gifts under the tree. Deaths, indeed! But greater than death the story of the beckoning star; the visit by the rough and ready shepherds; the angels vocal concert; the gifts of the Wise Men. A babe had been born in a humble stable. The Lord's love-gift making Christmas the most glorious earth celebration, ever.

"For the Lord so loved the world that He gave His only begotten Son; that whosoever believeth in Him shall have everlasting life." Plagues, failures, wars, disappointments galore can cause cruelty to sweep across the face of the earth, however, the love of the brilliant Creator shall ever be available to those who have discovered the gracious shared caring love of the OUR FATHER who made the heavens and the earth and gave each of us the breath of human life. Yes, the contagion of Christmas love is worth catching for you and for me and for all who appreciate the beauty of what He has created for us to enjoy.

## Deer-hunting License Sales Highest in Five Years

MADISON - The number of Wisconsin deer-hunting licenses sold in 2000 totaled 694,111, the highest annual number for the past five years, according to Department of Natural Resources records. Hunters are required to purchase deer hunting licenses by the end of the day prior to the regular nine-day season opener, which this year was November 18.

The total includes 652,278 resident and 41,833 nonresident sales and repre-

sents a combination of three kinds of licenses that offer gun-deer hunting privileges - gun, sports and patron licenses. The license sales included 44,709 patron, sports or gun deer licenses purchased by women. A record 699,275 deer-hunting licenses were sold in 1990.

People from all 50 states - including eight from as far away as Hawaii - and Washington D.C. purchased a Wisconsin license enabling them to shoot deer this year. The highest numbers of non-

resident purchases came from Minnesota, 14,754; Illinois, 9,514; Michigan, 931; Iowa, 833; Florida, 763; Indiana, 587; California, 518; Texas, 488; and Ohio, 442.

Among Wisconsin counties, the highest number of licenses were sold in: Dane, 38,433; Brown, 28,484; Waukesha, 27,035; Milwaukee, 26,105; and Outagamie, 23,307.

The DNR introduced its automated license sales system in March 1999 to offer more sales locations, to save time and paper by computerizing records to speed sales.

DNR service centers and more than 1,530 DNR-authorized agents in hardware and sporting goods stores, bait shops, marinas and resorts sell licenses using the DNR's automated system. For a \$3 fee people may also purchase Wisconsin conservation licenses (credit card only) via a toll-free telephone call to 1-877-945-4236 (WILDCENSE).

## Monopoly Fears Fuel Ag Organizations Opposition to Livestock Merger

AMES, IA (November 27, 2000) Yet another major farm organization has cast its vote against the proposed purchase of IBP by Smithfield. National Farmers Organization (NFO) announced last week it steadfastly opposes the acquisition, because regional and local hog markets could dry up for many U.S. producers.

"This deal could well mean the end to a free market system in America's livestock sector, which means open price discovery for the value of hogs simply could not happen," said Brian Harris, Director of Livestock for National Farmers. "The loss of another competitive player could lead quickly to a monopolistic domination of markets, and further fuel the demise of an independent hog producing system."

The constant barrage of mergers has left many hog producers in doubt of their very survival. Despite low grain prices, many still have trouble cash flowing their operations. As the overall percentage of packer contract production grows, independent producer hogs

are used as secondary supply, which means fewer tested markets, and dwindling opportunities for fair price discovery.

"Agricultural producers and consumer stakes are skyrocketing in this mergermania madness," underscored Harris. "We're calling for a united effort by agricultural producers and Washington to bring these mergers to a halt. Enough is enough."

The organization supports Senator Tom Daschle's move urging Attorney General Janet Reno to work closely with the Secretary of Agriculture to scrutinize the purchase. IBP is the world's largest beef processor, and Smithfield is the largest pork producer in the world. "Time is running out for our producers who are being squeezed by large agribusiness day in and day out," said Daschle. "They have a right to expect a free and competitive marketplace."

National Farmers Organization supports instituting a moratorium on agribusiness mergers until Congress approves more comprehensive legislation.

# Hunters Shoot More Than 200,000 Deer During Opening Weekend

MADISON - Wisconsin deer hunters shot 200,206 white-tailed deer during the opening weekend of the 2000 gun deer hunting over the November 18-19 weekend, according to preliminary numbers compiled from registration stations by Department of Natural Resources wildlife managers.

The total set a new opening weekend record and was up eight percent from 1999 when hunters shot 184,347 deer opening weekend.

Wildlife managers credited near perfect deer hunting conditions in most areas of the state with helping hunter success.

"Cool but not too cold, not much wind, a little tracking snow, bright and with the rut still in progress," was how DNR chief deer and bear ecologist, Bill Mytton summed up the hunt in his home area. "All the elements really came together, to produce what I'd call the best opener in years."

DNR staff working registration and deer aging stations across the state reported, in general, hunters extremely satisfied with the conditions, especially the snowcover, which ranged from just a dusting in the south to nearly a foot in some places in the north. The cold temperatures and

snowcover provided a sharp contrast to the past two deer season openers when temperatures were unseasonably warm.

"It was like an old-fashioned deer season," said Dave Matheys, DNR wildlife manager, who reported steady business at the registration station at the Viroqua Fire Department. Twelve hunting accidents, including one fatality, were reported over the opening weekend according to hunter safety coordinator Tim Lawhern. The fatal accident occurred in Burnett County and is still under investigation.

Lawhern said that the total number of accidents was lower than the historical average of 15. The types of firearms used and the situations in which these accidents occurred mirror the statistics.

"Deer drives continue to be a significant factor in deer hunting accidents," Lawhern said. He stressed that hunters must take greater care in planning each deer drive and points out that shooting at running deer takes great skill to accomplish with any degree of success and generally should be avoided altogether.

Through midnight November 17, license ven-

dors had sold 694,111 gun hunting licenses, the second highest total in history. The record number of 699,275 was sold in 1990. Around noon on Friday, the last day to buy a license, statewide sales transactions were averaging 80 per minute.

Wildlife managers across the state are hoping for a successful hunt in 2000-2001 to trim a state record herd estimated at 1.7 million animals. Two additional antlerless only hunts were established this year to concentrate on the female segment of the state's deer herd in order to slow reproductive rates. Hunters registered a harvest in excess of 67,000 antlerless deer in the first of the special hunts October 26 - 29. A second Zone T hunt will be held December 7 - 10.

Mytton said that despite good harvest numbers opening weekend, wildlife managers hoped hunters would continue to hunt using free antlerless deer tags they received with their license in order to help bring the statewide deer herd close to population goals.

Hunters can also donate antlerless deer to participating meat processors who will distribute the venison to charitable food pantries throughout Wisconsin. Processing costs are being paid from Wisconsin's

Wildlife Damage Abatement and Claims Program which is funded by hunter dollars. Hunters can get a list of

participating meat processors from the DNR website. Hunters should call processors first to confirm they have space to accept donated deer before dropping off venison. Hunters must also drop off the entire field dressed deer in order to qualify for the cost-free processing.

## Indians Open Season With Win Over Rockets

Saturday November 25, the Kewaskum Indians hosted the Cedar Grove Rockets in their basketball season opener. The Indians came out the winners by a score of 66 to 54.

In an aggressive, physical game, the Kewaskum boys prevailed. The Indians jumped out to a 13-4 lead within the first few minutes of the game and never looked back.

The Rockets attempted many come-back attempts, but were unsuccessful in overpowering the Indians. However, Cedar Grove man-

aged to come close with a 15-14 score at the end of the first quarter.

The Rockets were only able to score two points in the second quarter and never came closer than seven points to the Indian's score.

The teams scoring was led by juniors Tony Fitts, 14 points, Tom Ogi, 13 points and senior Kevin Miller, 12 points.

Ogi also led the rebounding total with 14. Miller also had three assists and four steals.

The first artificial limbs were developed by Ambroise Paré, a French surgeon, around 1540 A.D.
