## Deadline Wednesday to File Papers for Village Election

President  
John Kenworthy

Trustee Andrew Pesch

Trustee Harry Roecker

Trustee Larry Ammel

By Andrew R. Kuehl  
Staff Writer/Photographer

Wednesday, January 3 will be the final day to for filing nomination papers for the spring village board election.

One seat still remains vacant according to a village spokesperson. The seat is a one year term expiring April 16, 2002 that was vacated after John Kenworthy was nominated to fill past village president Bob Wagner's seat.

Larry Ammel has been the first of the three up for re-election to file his nomination papers. This is the first time Ammel will appear on a ballot. Ammel was appointed to the seat after Andrew Kuehl resigned in December of 1999.

Andrew Pesch and Harry

Roecker have taken out their papers but have yet to return them or file for non-candidacy.

Roecker stated in a phone call that he plans on returning his papers. He also stated he would like to see more active individuals taking part in village politics.

Pesch was unavailable to comment.

As of press time the three are running un-opposed. Nomination papers can still be picked up at the Village Municipal building on First Street.

President John Kenworthy has taken out papers but has not returned them. Kenworthy was unavailable for comment.

The Statesman will be running information on school and town elections in upcoming editions.

## Local High School Students Included in 'Who's Who'

Many students from this area were included in the 34th Annual Edition of *Who's Who Among American High School Students, 1999-2000*.

Who's Who, published by Educational Communications, Inc., Lake Forest, Illinois, is the largest recognition program and publication in the nation honoring high achieving high school students' academic achievement and involvement in extracurricular activities.

Traditionally, 99% of Who's Who students have a grade point average of "B" or better and 97% are college bound.

The 34th Annual Edition of *Who's Who Among American High School Students, 1999-2000*, published in 18 regional volumes, features over 750,000 students or just 5% of the nation's 14,000,000 high school students. They represent approximately 20,000 of the 24,000 public, private and parochial high schools in the country.

Who's Who students also compete for \$200,000 in scholarship awards and participate in the publication's Annual Survey of High Achievers, an annual opinion poll of teen atti-

tudes. The book is distributed on a complimentary basis to up to 15,000 high schools, colleges, universities and public libraries throughout the country.

## KHS Christmas Concert Monday

The Kewaskum High School music department's annual Christmas concert that was planned to take place three weeks ago will be held Monday, January 8, at 7:30 p.m. in Rose Hall at the high school.

For further information please contact the high school office at 626-2166.

## KHS 2001 Graduation Changed to Sunday

By Andrew R. Kuehl  
Staff Writer/Photographer

A change in tradition was made at last week's Kewaskum board of education meeting.

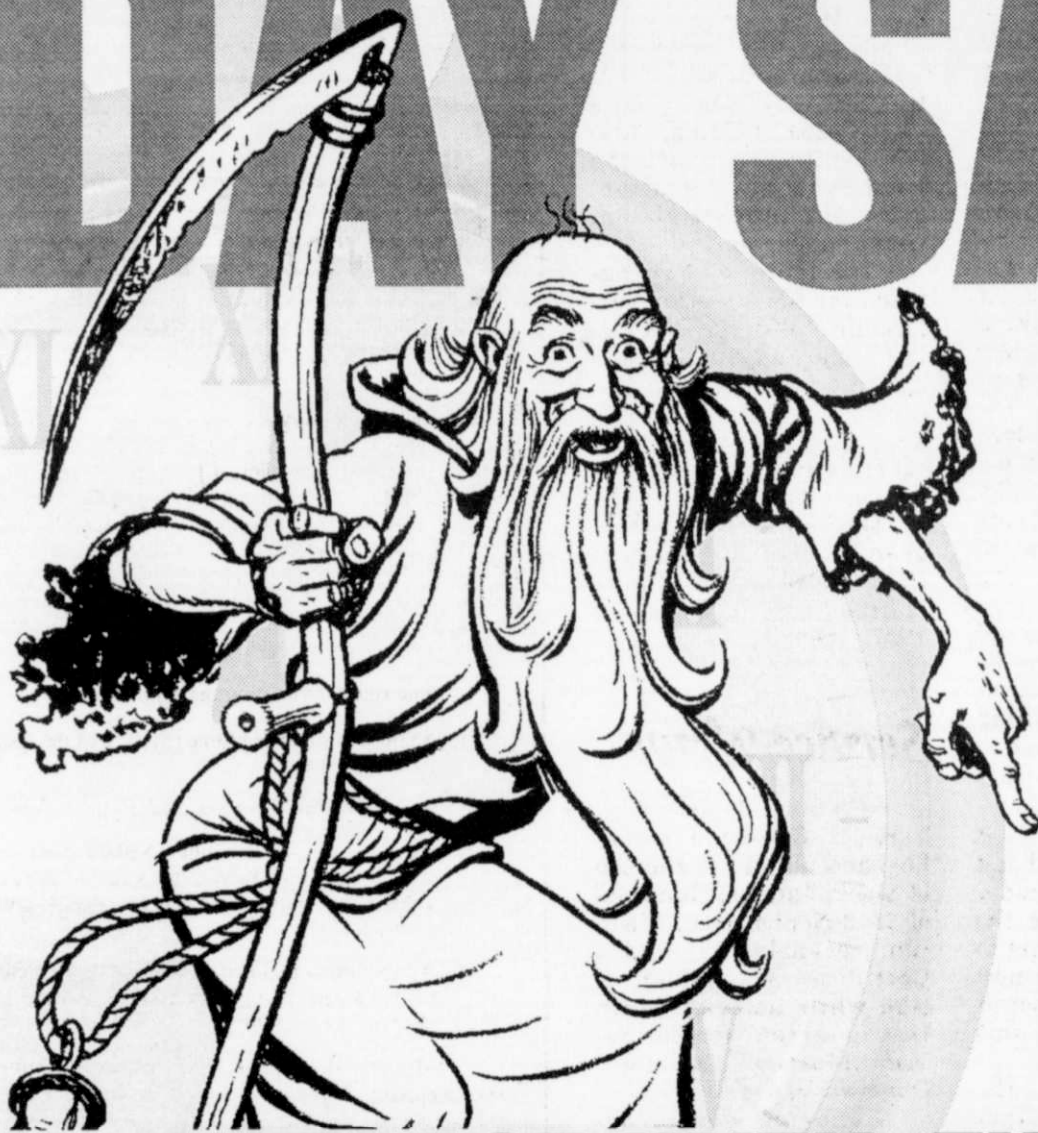

Traditionally graduation has been held on Friday evenings. This year the board has decided to be a bit more accommodating to those graduates involved in track and field. Those graduates who were involved in

the state tournament typically had to rush back and forth from La Crosse on Friday and Saturday to participate in the graduation ceremony and state tournament.

This year **ONLY** the board voted to hold the ceremony on Sunday, June 3 at 1 p.m. in the field house of the high school. The item will be re-visited next year.

## News From The Capitol

By Rep. Glenn Grothman

### Why Not More Discussion About Ritalin

With the Legislature not currently collectively in session my time is spent developing legislative initiatives for January. I am fortunate enough to head a committee on the use of prescription drugs for children - particularly Ritalin. Testimony at our first two hearings was very informative and quite frankly shocking.

Ritalin production increased 700% from 1990 to 1997. Amphetamine production, also related to the treatment of ADHD increased 3,754% from 1993 to 1999 and 65% in one year from 1998 to 1999. Professor Bill Frankenberger from University of Wisconsin at Eau Claire has spent the last 14 years studying the use of these drugs in depth.

From 1990 to the late 1990's the number of children in emotionally disturbed classes using stimulants increased from 8% to 40%, in LD classes from 5% to 16%, and among general education from 1.5% to 5% in the state of Wisconsin. This is despite the fact that helping professionals in schools increased the number of children labeled as special needs at 3% per year.

Shockingly, the use of drugs seems to have hurt children on Ritalin compared to those whose families in similar situations who decided not to use Ritalin on standardized achievement tests relating to mathematics and reading comprehension. This decline was shown as children progressed from first to fifth grades.

It should be pointed out that the children did behave better and because of that change in behavior did receive better grades.

Side effects of Ritalin include; insomnia, decreased appetite, a slowed rate of growth and increased heart rate and blood pressure. There is also a

rebound effect in which children who are taken off these medications are immediately worse off than before they took them.

Finally, these drugs are considered a schedule two narcotic which would be a felony to sell if not prescribed. Over a third of the students taking these medications report being approached to give away or sell these medications and over half of all students in schools have seen some students give away or sell these medications.

This is perhaps not surprising in that a majority of students would stop taking their medications if they could do so according to data collected by Dr. Frankenberger. Children taking these medications are also more likely to take other medications - in particular anti-depressants to offset the effects of the stimulants.

Given the huge increase in usage of these drugs as well as the potential harmful effects it is truly amazing that this has been allowed to happen. Despite the fact that the insert that comes within Ritalin states that this medication should not be used on children under the age of six because the long term effects have yet to be studied - there are now over 1/2 million children at this young age taking this medication.

Testimony before the committee indicates that one reason for the vast increase is that parents whose children take this medication are unaware of the studies showing negative consequences. Over 77% of the recommendations for ADHD assessment have come from teachers who are also unaware of these consequences.

It would seem as though the legislature should take some action on this situation. Please let me know if

you have had any experiences with these medications. You can reach me here in Madison---please call 1-888-534-0059 or at the following.

### WINTER PARKING

The Winter Parking Restrictions and Snow Emergency Parking Restrictions go into effect on December 1, 2000.

Municipal Code Section 90-96 Night Parking Restrictions, reads as follows: Signs have been erected at or reasonably near the corporate limits as provided in Section 349.13, Wisconsin Statutes, no person excepting physicians or licensed emergency vehicles on emergency calls, shall park or stop any vehicle on any public street or highway within the village between the hours of 2:00 A.M. and 6:00 A.M. from December 1, to April 1, of each year; provided that, notwithstanding such restrictions vehicles may be parked a period of time not longer than 3 minutes for actually loading or unloading of passengers, and provided further that no other regulation restricting parking as to place, time, or manner violated thereby.

The fine for violating the ordinance is:

\$5.00 if paid within three (3) days of the issuance of the parking citation.

\$10.00 if paid after ten (10) days but before 28 days.

After 28 days, the amount is \$20.00 and a notice will be sent to the Motor Vehicle Department to suspend your vehicle registrations and refuse renewals until the citation is satisfied.

An important fact is the owner of the vehicle is responsible for the payment of the citation whether or not he or she was the operator.

Municipal Code Section 90-96 Removal of Illegally Parked Vehicles. This section covers the issuance of citations to and possible removal of such vehicles in violation of this ordinance. In addition to other penalties provided by Section 90-65 of this code, the owner or operator of a vehicle so removed shall pay the cost of the towing and storage.

Nostalgic holiday greetings submitted by Isabelle Muckerheide.

## 25 Years Ago

December 24, 1975

Arthur Terlinden and son Dennis, and Harry Ramthun and sons, Kenneth and Harold, received the Kewaskum Kiwanis Outstanding Conservation Farmer Awards at their annual farm-city program Monday night December 15 at the Hon-E-Kor Country Club. Kiwanian President Jerry Stollenwerk presented the plaques after Roy Esser, Kiwanian, and Don Kurer, Soil Conservationist, presented slide talks of the livestock operations and conservation practices applied on the farms.

Cadet Candidate Michael J. Koepke, son of Mr. and Mrs. Edward Koepke of Route 1, Kewaskum, has been named to the commander's merit list at the U.S. Air Force Academy Preparatory School, Colorado Springs, Colorado. Cadet Candidate Koepke is a 1975 graduate of Kewaskum High School.

In a key game at Slinger Friday night between two teams that had been picked as contenders, the Indians

kept rolling and defeated the Owls, 79-72. Kewaskum is now 4-0 in the Scenic Moraine and the victory gave them sole possession of first place with an assist from Grafton, which upset Germantown. Jack Kern shared scoring honors with Scott Tessar with 16 points. Tessar also came up with a strong floor game and Kern grabbed 16 rebounds. Following Kern and Tessar were Tom Rohlinger with 15 points, Leon Laatsch with 14 and Dennis Bremser with 12.

The Kewaskum High School girls brought their Scenic record to 4-2 going into the holiday break with two more victories the past week. Last Monday the girls routed Kettle Moraine, 59-31, and in a closer game Thursday night the KHS girls won over Mayville with a strong second half, 50-46. In the Kettle Moraine game, Diane Strack led all scorers with 15 points, 10 of them in the first quarter. Wanda Akin scored 13 and Julie Stoffel 10 points. Pam Scannell and Kathy Mertz played well defensively. In the Mayville game, Strack was again high scorer for the Indians with 19 points, fol-

lowed by Akin and Stoffel with 9 and 8 respectively. Akin also had 11 rebounds, while Strack had 8.

A daughter was born to David and Patricia Peters, Kewaskum, on December 16. A daughter was also born to James and Mae Giese, Route 3, Campbellsport, on December 21. Paternal grandparents are Mr. and Mrs. Walter Giese of Kewaskum. A son was born to Gerald and Pat Geidel, Kewaskum, on December 22.

## Blood Drive In Campbellsport

The Bishop Salvatore Schlaefter Council #11301, Knights of Columbus, is again sponsoring the semi-annual Red Cross Blood Drive. It will be held at the Campbellsport Community Center on January 2, 2001, from 11:30 a.m. to 5:30 p.m.

The gift of blood can make the difference between life and death to many. If your son or daughter had a critical illness or accident, and a total stranger could help save their life, wouldn't that be great? American Red Cross blood donors help save lives every day! Won't you please be one of those donors?

There is a constant need for blood, especially around the holidays, as there are more accidents at this active time, and donations lag.

Please mark your calendars for January 2, 2001, between 11:30 a.m. and 5:30 p.m. and give that precious gift. What better way to round out the holiday season?

Special thanks to all past and present donors. There is a special plea made for first time donors. All that is needed is to be: 17 years of age or older; weigh at least 110 pounds; be in general good health, and bring your Social Security Card or Blood Drive Card.

It is suggested that Senior Citizens arrive between 1:30 and 3:30 p.m. to avoid the noon hour and after-work rush.

Thank you very much and it is hoped to see you on January 2. If there are any questions, please call Blood Drive Coordinator Carl Plum at 533-5473.

*Success is the sum of small efforts, repeated day in and day out.*

## UWWC Students Hang Pledges on Tree

While many decorate their homes and trees with brightly colored lights and ornaments this season, students at the University of Wisconsin-Washington County are decorating the school's tree with pledges not to drink and drive over the holidays.

The work of the UWWC Student Government Association, the tree stands tall in the vestibule. In addition to the customary garlands and tinsel, the tree is decorated with real candy canes and many miniature martini glasses, each holding a car key and the words "Not a good mix."

Nearby, a desk holds colored paper strips, upon which passing students can sign a pledge not to drink and drive, and hang the paper pledge on the tree.

SGA Senator Andrew Sherbinow, 21, of Rubicon, says the tree serves a critical purpose and gives students a better chance at a safe holiday. "The season is one of the worst for students getting into accidents, through drinking and driving," he said. "I think this is a good way to promote a safe holiday."

The tree, donated by Leafland Nurseries, of Cedarburg, took Sherbinow and fellow student Lisa Sharpee, 21, of Kewaskum, about four hours to erect and donate. But Sharpee said it was time well spent. "This was a good way for me to help out," she said.

Looking at the gaily-decorated tree, Sherbinow noted that students who signed pledges would get additional benefit - besides a

safe holiday season. "When students hang their pledges, they get to take a candy cane," he said.

For more information on the Safe Holiday tree, please contact the UWWC Student Government Association, at (262) 335-5258, or William Breyfogle, UWWC Director of University Relations at (262) 335-5233.

## Bowl For Kids Moved To May

Bowl for Kids is rolling from February to May, so mark your calendars for Friday and Saturday, May 11-12, 2001. This is the 15th annual Bowl for Kids, which helps support Big Brothers/Big Sisters of Washington County. Bowl For Kids 2001 will offer Five Cosmic Bowling shifts at the newly-remodeled Weiland's FUN Center in West Bend.

The bowling shifts are Friday, May 11, 7 to 9 p.m. and Saturday, May 12, 3, 7 and 9 p.m. Registration/pledge sheets will be available in February.

Big Brothers/Big Sisters of Washington County is a one-on-one mentoring program that matches youth from single parent families with adult volunteers.

## Matenaer - Breitrack

Lisa Marie Matenaer and Thomas R. Breitrack, both of Milwaukee, exchanged wedding vows, at St. Stephen's Catholic Church, Milwaukee, during a 2 p.m. ceremony on October 21.

Parents of the couple are Janine Matenaer of West Bend, Jerry Matenaer of New Holstein, and Ada Breitrack of Wauwatosa.

Carrie Dillman, a friend of the couple, was the soloist.

The bride chose her sister, Linda Matenaer, as her maid of honor. The bridesmaids were Mary Kohl, a friend, Ann Behrs, sister of the groom, Lee Ann Corning, a friend, and Linda Fabian, also a friend.

Daniel Breitrack, brother of the groom, served as best man. The groomsmen were Pete Lorincz, John Bohler, Steve Borkowski, and Patrick Fabian, all friends of the couple.

Mark and Scott Matenaer, both brothers of the bride, shared ushering

duties.

A reception, dinner and dance at the Clarion Hotel in Milwaukee, immediately followed the ceremony.

The bride is a graduate of the University of Wisconsin-Milwaukee and is employed as a physical education teacher at Hamilton High School on Milwaukee.

The groom is a graduate of Milwaukee Technical Institute and is employed as a carpenter with Woods Construction.

The newlyweds spent their honeymoon in Cancun, Mexico, and are now residing in Milwaukee.

The Washington County Offices will be closed as follows for the New Year's Holiday:

Closed all day Friday, December 29, 2000 in observance of New Years Eve.

Closed all day Monday, January 1, 2001 in observance of New Years Day.

The offices will be open for business as usual at 8 a.m. on Tuesday, January 2, 2001.

Joey Ballard, left, and friend Logan Dreher take a break from picking out movies to pose with Santa at Video Post in Kewaskum. Santa made a stop at the Video Post Saturday, December 16 to help kids pick out movies and receive last minute requests. Logan was quite concerned about where Santa had the reindeer parked.

### Birth Announcements

**SCHRAUFNAGEL** -- A son, Derrick Ronald, born to Dennis and Diane Schraufnagel of Adell, on Dec. 14. Derrick has a brother Darrell, age 10, two sisters, Dana, age 8 and Darcy, age 3 all at home.

The use of an image of baby "New Year" was brought to early America by the Germans. They had used the image since the 14th century.

# Children Can Have Fun While Learning At UWWC's College For Kids

The Continuing Education Department at the University of Wisconsin Washington County is offering a number of programs for children.

**Creative Drama** will be offered for children in grades 1-4 on January 13, 9 a.m. to noon. Join Broadway Kids Director, Nancy Norris, for this fast paced introduction to "life in the spotlight". Theatre games, improvisations and acting techniques will be performed on stage. The fee is \$25.

**Acting Techniques** will be offered for children in grades 5-8 on January 20, 9 a.m. to noon. Join Broadway Kids Director, Nancy Norris in learning how to "act smart". Learn stage techniques, character expression and spontaneity through improvisation. The audition process will also be covered. The fee is \$25.

**Overcoming Math Anxiety** will be offered for children in grades 6-8 on January 27, 9 a.m. to 11 a.m. Linda Denz, UWWC Math instructor and Retention Specialist will help students to understand why they fear math and how to overcome those fears. Math anxiety is a learned response, therefore it can be unlearned by identifying stressful triggers, dispelling misconceptions and practicing confidence building techniques. The fee is \$20.

**Mummies and Secrets of Ancient Egypt** will be offered for children in grades 3-5 on February 3, 9 a.m. to 11 a.m. Uncover the world of the ancient Egyptians with amateur Egyptologist, Mary Pable. Learn how and why mummies were created and discover how hieroglyphs aided the Nile dwellers in preparing for the afterlife. The fee is \$20.

**Tornados and Wisconsin Weather** will be offered for children in grades 5-8 on February 24, 9 a.m. to 11 a.m. Learn about the weather systems that cause Wisconsin's tornados from storm chasing enthusiast and licensed commercial pilot, Kyle Howard. You will also learn the basics of weather forecasting. The fee is \$20.

**Buenos Dias** will be offered for children in grades 1-4 on March 3, 9 a.m. to 11 a.m. Spend the morning with Fair Park Elementary Spanish instructor, Amanda Bright.

This introduction to Spanish will cover basic vocabulary and pronunciation through fun-filled activity and song. The fee is \$20.

**Bon Jour** will be offered for children in grades 1-4 on March 10, 9 a.m. to 11 a.m. Join Fair Park Elementary French instructor, Celestine Hoy, for an introduction to one of the most romantic languages in the world. The fee is \$20.

**Fun with Physics** will be offered for children in grades 3-5 on March 31, 10 a.m. to noon. Learn the basic laws of matter and energy with UWWC Physics Professor, Mike Cahill. Experiment with the science behind the mysteries of the universe so you can see the laws in action. The fee is \$20.

**Introduction to the Stars** will be offered for children in grades 6-8 on April 7, 10 a.m. to noon. UWWC Physics Professor, Mike Cahill, will map out the solar system to show you how to become an amateur astronomer in your own backyard. The fee is \$20.

**Handmade Greeting Cards** will be offered for children in grades 3-5 on April 28, 9 a.m. to 11 a.m. Learn various techniques used to make greeting cards that will rival any you find in the stores. Join local artist, Mercedes Hacker, for a busy morning of creative activity. Students will bring final products home. Materials included in cost of class. The fee is \$20.

**Dollars and Sense for Kids** will be offered for children in grades 3-5 on May 5, 9 a.m. to 11 a.m. Students will learn the basics of budgeting their money while learning why it is an important tool for life. Investing concepts and trends will also be touched upon in a way that makes sense to the young money manager. This class is taught by Michael McKillip, Financial Planner and long-time College for Kids instructor. The fee is \$20.

**Mothers' Day Trip to American Girl Place - Chicago (Ages 6 - Adult)** on Saturday, May 12 (motorcoach leaves UWWC at 8 a.m. and returns at 6 p.m.) Join the University of Wisconsin for a fabulous one day trip to the popular American Girl Place. The cost of the trip covers motorcoach transportation only. However, you may also pur-

chase tickets for the 2:00 showing of the American Girls Musical Revue or the American Girls Care Luncheon. American Girl Place is located right on the Magnificent Mile in downtown Chicago directly across from the historic Water Tower and the Water Tower Place Shopping Centre. You will have plenty of time to shop, have lunch and/or enjoy a fantastic musical performance and be home in time for dinner! Fee: \$40 (motorcoach transportation only). Tickets for the revue and reservations for lunch must be made separately.

For further information or to register for any of these classes, please contact the Continuing Education Department.

### I'm Spending Christmas With Jesus Christ This Year

#### In Memory of DEPUTY JOHN SCHMITT

(Author Unknown)

I see the countless Christmas trees  
Around the world below.  
With tiny lights like Heaven's stairs,  
Reflecting on the snow.

The sight is so spectacular,  
Please wipe away the tear.  
For I am spending Christmas  
With Jesus Christ this year.

I hear the many Christmas songs  
That people hold so dear.  
But the sounds of music can't  
Compare with the Christmas choir  
Up here.

For I have no words to tell you,  
The joy their voices bring,  
For it is beyond description,  
To hear an angel sing.

I can't tell you of the splendor  
Or the peace here in this place.  
Can you just imagine Christmas  
With our Savior face to face?

I'll ask Him to light your spirit,  
As I tell Him of your love.  
So then pray one for another  
As you lift your eyes above.

Please let your hearts be joyful,  
And let your spirit sing.  
For I'm spending Christmas in heaven  
And I'm walking with the King!

manner of making our lives both interesting and meaningful.

From the field mice to the screeching Blue Jay there is room for one and all...even for you and for me. If those which some folk call varmints can make it go, surely so can we. Yes, indeed, the whole world was created for us to enjoy. That is the very moment when we can say to ourselves; "We can" and "We will."

This is a New Year! A time when we can make excellent changes to enhance our well being. Don't let it pass us by. Grab your hat, your coat and let's "head for the hills."

## JOSEPH A. SCHWAI

Joseph A. "Joe" Schwai of Cedar Creek, Town of Polk, age 74 years was born into eternal life on Tuesday, December 19, 2000. He was born in Milwaukee on June 10, 1926 to Joseph and Marie (Pawelka) Schwai. He attended St. Leo's Catholic Grade School and two years at Boy's Tech in Milwaukee. He moved to Cedar Creek in 1941 and graduated from Slinger High School with the Class of 1943. He was drafted into the US Navy and served as a cook. He was honorably discharged from the USS Cone in 1946. On October 27, 1951 he married LuAnn (nee Zuern) at St. Kilian's Catholic Church.

For ten years, Joe worked for his parents and in 1957 Joe and LuAnn purchased Schwai's Country Tavern, Store, and Hall of Cedar Creek, Town of Polk. Joe and LuAnn managed the tavern for 42 years. Joe made famous "Schwai's brats" and other German sausages. He slaughtered animals early in the years. The couple also ran the liquor and beer depot for 20 years.

Joe loved nature and dearly cherished the pond. He had his tree farm for over 36 years. Hunting quail, pheasant, rabbit, ducks, geese fox, deer and raccoon. He trapped muskrats and minks. He fished for all types on many lakes. All the hunting, inspired the wild game feeds, complete with the Schwai's dumplings and red cabbage.

Joe and LuAnn cooked for Gehlfest in 1976 which constituted of two nights a week for three weeks which fed five hundred a night. Schwai's Catering was then started and is still being managed by Kathey and Tom Schwai.

The couple chartered trips to Nashville, Brewer Games (including opening day trips), horseshoe, dart, and pool tournaments, the famous Tiddley Winks tournaments. They also sponsored pool, baseball and bowling teams. They hosted St. Patrick's Day parties for the Threshold benefit for 19 years and donated over one hundred thousand dollars in that time. They sold "Green Pig Tickets" and afghan raf-

fles at the in-house raffles and gave part of the bar proceeds to the Threshold. They also sold 500 to 600 pounds of home cured corned beef and prepared it the same day.

Joe was a member and past president (1984) of the Slinger Allenton Rotary Club, a charter member and member for over 36 years of the Town of Polk Planning Commission, a member of the American Legion Post #486 of Jackson and the Zunker-Held VFW Post #3358 of Slinger for over 50 years, West Bend Moose Lodge #1398 member for 49 years, Washington County Tavern League Association for over 50 years.

He is survived by his wife LuAnn; four children, Michael (Cathy) Schwai of West Bend, Patricia (Gene) Puestow of Jackson, Susan (Steven) Giebel of Manitowoc, Thomas (Kathey) Schwai of Cedar Creek; 14 grandchildren; three sisters-in-law, Rose Schwai of West Bend, Peggy (Robert) Stinson of Seattle, WA, Donna Gehring of Hartford; two brothers-in-law, Rev. Ted Zuern S.J. of Washington, D.C., Thomas (Elaine) Zuern of Hartford; further survived by nieces, nephews, other relatives and friends.

Joe was preceded in death by his parents, one brother, Robert Schwai and one brother-in-law, James Gehring.

A Mass of Christian Burial was held Saturday, December 23, 2000 at 12 p.m. at St. Peter's Catholic Church with Father Robert J. Bales officiating. Interment took place at Cedar Creek Cemetery of the Town of Polk on Saturday, December 23, 2000 at 1 p.m.

Visitation was at The Phillip Funeral Home of West Bend on Friday, December 22, 2000 from 4 to 8 p.m. with a Prayer Vigil at

8 p.m. Visitation continued from 9 to 11 a.m. on Saturday, December 23 with Closing of the Casket Prayers at 11 a.m.

Memorials are appreciated to the St. Peter's Building Fund of Threshold of West Bend.

The Phillip Funeral Home of West Bend assisted the family.

## IN MEMORY

In memory of LEONARD SARNOWSKI and other loved ones who were called home.

### My first Christmas in Heaven

I see the countless Christmas trees around the world below  
With tiny lights like Heaven's stairs,  
reflecting on the snow.

The sight is so spectacular,  
please wipe away the tear  
For I am spending Christmas with  
Jesus Christ this year.

I hear the many Christmas songs  
that people hold so dear  
But the sounds of music can't compare  
with the Christmas choir up here.

I have no words to tell you,  
the joy their voices bring,  
for it is beyond description,  
to hear the angels sing.

I know how much you miss me,  
I see the pain inside your heart.  
But I am not so far away,  
We really aren't apart.

So be happy for me, dear ones,  
You know I hold you dear.  
And be glad I'm spending Christmas  
with Jesus Christ this year.

I sent you each a special gift,  
from my heavenly home above,  
I sent you each a memory  
of my undying love.

After all love is a gift more precious  
than pure gold. It was always most  
important in the stories Jesus told.

Please love and keep each other,  
as my Father said to do.  
For I can't count the blessing or love  
he has for each of you.

So have a Merry Christmas and  
wipe away that tear.  
Remember, I am spending Christmas  
with Jesus Christ this year.

Love,  
June & family

A newspaper ad read, "Men wanted to work with dynamite - must be willing to travel."

There are many kinds of dynamite, but the most powerful is the dynamite of the gospel. It's God's wonderful way of bringing all who believe the good news about Christ to heaven.

Christ alone can save the world, but He can't save it alone. He needs every Christian to preach the gospel to everyone, everywhere.

From the beginning of Christianity, it has taken a saved soul to win a soul. And if you're won, you'll want to win others.

But you must be willing to travel with the gospel. Are you?

## Village Board Meeting Minutes

Public Hearing Meeting  
November 27, 2000  
7:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Special Session in the Council Room of the Municipal Building, 204 First Street.

President John Kenworthy presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the minutes of the November 20, 2000 were approved as printed.

The public hearing was held on the proposed budget for 2001 as noticed in the November 9, & November 16, 2000 Kewaskum Statesman. It was noted two reporters were present as well as one resident. Administrator Daniel Schmidt informed the Village Board of the incorrect figures within the West Bend Daily News article on the Villages budget. A review of both the revenues and expenditures were gone over by the Administrator with questions being asked and answered. The budget as proposed and heard, would equal a general budget increase of 6.4% or \$115,075. The tax levy as discussed would equal an increase of \$99,502 or 12.8% partially caused from the real growth within the Village and a decrease in state shared revenue. The Village tax rate also reflects an increase of 61.4¢ or 9.9% per \$1,000 assessed value. The Village's rate as proposed would equal \$6.82 per \$1,000 assessed value. The net tax rate would be \$22.70, an increase of \$.11 or .486%. Several other vital tax facts were reviewed in conjunction with the proposed budget. On a motion by Trustee Harry Roecker, seconded by Trustee Larry Ammel and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye" 0 "Nay" 0 "Absent".

The public hearing was held on the proposed Library Fund, Debt Service Fund and Special Revenue Fund budgets for 2001. A review of the funds revealed no major changes on the accounts. On a motion by Trustee Robert

Stoltzmann, seconded by Trustee Andy Pesch and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye" 0 "Nay" 0 "Absent".

The public hearing was held on the proposed Water Department budget for 2001. The Board reviewed the budget and it was noted the utility was meeting the PSC's requirement in reference to a rate of return. A rate adjustment is again needed at this time to provide the rate of return as required by the PSC. On a motion by Trustee Larry Ammel, seconded by Trustee Mathew Heiser and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye" 0 "Nay" 0 "Absent".

The public hearing was held on the proposed Water Pollution Control Department budget for 2001. The Board reviewed the budget and noted that the engineering work for Main Street and Riverview Drive will start in 2001. The expenses associated with this project are to be capitalized and not part of the utilities operating budgets. It was noted that the revenues and expenditures did not balance and is suggested that a rate adjustment will be needed in 2001. On a motion by Trustee Larry Ammel, seconded by Trustee Robert Stoltzmann and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye" 0 "Nay" 0 "Absent".

The Fire Chief Mark Groeschel was not present. Police Chief Richard Knoebel did not have anything to report. Director of Public Works, Jerry Gilles reported:

1) The Christmas decorations have been installed.

2) Gravel is being stored in the garage for the winter months.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Reviewed a letter from the Medical College of Wisconsin.

2) Review of the notice of Spring Village Election.

3) Reported the next meeting of the Village Board to be December 11, 2000 at 8:00 p.m.

Trustee Andy Pesch, the Board Representative on the Plan Commission, announced the scheduled meeting of the Commission November 28, 2000, at 7:00 p.m.

The Board reviewed the proposed budget for 2001 as heard at the public hearing and reviewed the taxpayer informational memo, including Holiday Municipal

Building hours as earlier approved. On a motion by Trustee Andy Pesch, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board approved the General Budget as proposed for 2001. On a motion by Trustee Larry Ammel, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the format and content for the taxpayers memo was approved. Trustee Mathew Heiser, along with the Village President John Kenworthy and the entire Board, thanked the Administrator, staff and all Department Heads for continuing to work hard on maintaining a sound and reasonable budget.

On a motion by Trustee Harry Roecker, seconded by Trustee Larry Ammel and unanimously carried by voice vote, the Board approved the Library Fund, Debt Service Fund and Special Revenue Fund Budgets as heard at public hearing for 2001.

Action was taken on Resolution No. 2000-19 a resolution setting the 2000 tax rate as attached hereto:

On a motion by Trustee Andy Pesch, seconded by Trustee Larry Ammel and unanimously carried by voice vote, the Board approved the Water Department budget for 2001 as heard at public hearing.

On a motion by Trustee Harry Roecker, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the Board approved the Water Pollution Control Department budget for 2001 as heard at public hearing.

Action was taken on Resolution No. 2000-18 a Resolution To Request Exemption From The County-Wide Library System Tax Levy Under Provisions of Wisconsin Statutes 43.64(2) as attached hereto:

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye" 0 "Nay" 0 "Absent".

## Snowmobiling On Ice Is Dangerous

MADISON - A Grafton snowmobiler who died after breaking through ice on the Milwaukee River has state conservation wardens issuing this stern warning: If you are going to snowmobile on ice, know the conditions before you go.

"I'll never tell anyone it's safe to ride on ice, especially on a river or near a dam," says Department of Natural Resources snowmobile administrator Karl Brooks. "Due to the current, conditions can change very quickly. You might see eight inches of ice in one area, and just a few feet away there might be an inch or less."

According to reports, the Grafton man died December 10 after his snowmobile plunged through ice near a dam. Brooks said the accident illustrates the dangers of riding on newly frozen rivers. "Rivers near dams are one of the last areas to freeze because of the swift current."

Brooks added that recent weather conditions make conditions very dangerous right now for riding on any ice. "The early blanket of snow we got is acting as an insulator, so the cold cannot penetrate the water as well."

Brooks said a particular concern right now is snowmobilers heading out at night. "When you're riding at night, it's almost impossi-

ble to see open water, especially if you're driving above the speed limit (the DNR recently established a 50 mph nighttime speed limit). When the wind is calm, open water just looks like black ice. Once you realize it's open water, it's too late. Therefore it's imperative that you know conditions before you head out. Snowmobiling in unfamiliar territory is asking for trouble. Even better advice is to stay off ice altogether."

## Boys Lose To Plymouth

On Tuesday, December 19, the boy's basketball team hosted Plymouth in an Eastern Wisconsin Conference game. The Indians lost the game, 56-49.

After being down by 13 points at two different times, Kewaskum pulled to within one point in the fourth quarter but could never grab the lead away from the Panthers.

"Turnovers were the story of the game - we had 36 - despite out-rebounding the opponent 43 to 27," stated varsity coach Dave Nordeng. Travis Kempf led the teams rebounding with 16.

The high scorers for the night were Charlie Sparks with 15 and Tony Fitts with 13.

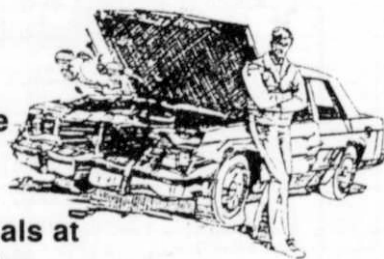

The assist leader was Brian Cotter with three.

The varsity team is 1-2 in the conference and 3-4 overall.
