BES, Kindergarten Aide, Hot Topics At Monday's School Board Meeting

By Andrew R. Kuehl
 Staff Writer/Photographer

The need for more kindergarten aides along with the future of Beechwood Elementary School were the hot topics at Monday night's board of education meeting.

A swarm of parents with children in kindergarten appeared before the board and voiced their concerns.

Speakers were told by board president Jon Downs that they had three to five minutes to state their case.

Wendi Dreher, parent of three children in district schools and also a volunteer parent at KES stated, "I am here on a concern, not a complaint for the teachers, not a complaint of the aides, not a complaint of the staff, but a parental concern on safety, and the academic situation for our kindergartners because of the 24/1 and 23/1 ratio between students and staff."

Another concern of Dreher's was that one person cannot safely supervise over 40 kids on a playground or at lunch.

Merri Jo Rodenkirch who has a child in kindergarten and is treasurer of the KES PTO was also present and

stated her concerns and in talking with KES principal Kieth Kriewaldt on several occasions she learned there was not adequate funding for another kindergarten teacher which the parents hoped for.

Dreher again spoke and told the board of a situation she faced while volunteering during the lunch hour. A student needed to be taken to the bathroom and the teacher was faced with taking this child to the bathroom. Had she (Dreher) not been there, the teacher would have had to leave her remaining 23 students alone in the cafeteria.

Currently there is one full-time aide who handles both classes.

Kriewaldt said he was aware of the issue and said that the two classes would be split into three classes with 17-18 students per class for next year.

According to business manager Paul Reichert, a part-time aide for the rest of the school year would cost taxpayers an additional \$5,000 and could be taken from the budget.

Board member Mary Meisser made a motion to hire a part time aide for the

rest of the year. The motion died as her fellow board members sat on their hands. The parents, disgusted, left the meeting after their plea for help was denied.

Enrollment in the kindergarten has dropped slightly because of the problem but more new students are expected according to one of the concerned parents.

The next item discussed was the ongoing Beechwood Elementary School issue that had been discussed at a previous building and grounds committee meeting.

It was the consensus of almost all the board members that spending \$12,000 a year to keep it open for library usage was ludicrous.

The school was closed in 1986 citing low enrollment. The school itself has been on the personal agenda of some past and present board members who wanted to see it thrive as it once did.

One of those board members, treasurer John Schulte has the idea of making the school into a charter school. This was not discussed in detail.

To make the school use-

able it would cost taxpayers \$125,000.

The Town of Scott may be looking into purchasing the building if the price was affordable. No action was taken by either board on that issue.

With all the issues con-

fronting keeping Beechwood open, the board moved to hold a workshop on Monday, March 5, at 6 p.m. in the district office.

Statesman staff member Nicole Rawley contributed to this article.

Two Injured in Motor Vehicle Accident

By Andrew R. Kuehl
 Staff Writer/Photographer

TOWN OF FARMINGTON- A Kewaskum woman and a Howards Grove woman were injured after their vehicles collided on Highway 28 just north of Highway X last Thursday evening.

Authorities say Debra J. Tiedt, 36, Kewaskum, was driving southbound, alone, on Highway 28/Highway 144, when she allegedly lost traction with the roadway causing her vehicle to go left of center and strike an oncoming northbound vehicle.

A witness stated that she felt Tiedt drove across the centerline as if she

were avoiding something in the roadway.

The driver of the second vehicle was Sheila M. Wildman, 32, Howards Grove. She was also driving alone.

According to a report issued by the Washington County Sheriff's Department the roadway was wet and the weather was foggy. Both of which may have contributed to the crash.

Both drivers were transported to St. Joseph's Community Hospital in West Bend and according to a hospital spokeswoman they were treated and released.

Summer Camp Open House At Riveredge

If thoughts of summer camp are swirling around in your head or your kids' heads, Riveredge Nature Center is prepared to give you ideas at the Summer Camp Open House on Wednesday, February 21. Kids, ages 3-18, their parents, grandparents or other interested individuals are invited to see what summer camp at Riveredge is all about any time between the hours of 4 and 7 p.m.

The Open House is an opportunity for campers and parents to meet the camp staff, have refreshments, and see sneak previews of camps through a slide presentation. They may also get involved in hands-on activities at different stations throughout the educational building.

The camps offered for summer 2001 include: "Dr. Seuss and You, Feet and

Noses, Too" for three to five year olds; "Who's Afraid of the Big, Bad Wolf?" for first and second grades; "On the Trail of Beautiful, Baffling Bugs!" for third and fourth grades; "Be a Riveredge Survivor" for fifth through eighth grades (an overnight); "Monarch Marvels" for seventh and eighth grades; teen trips an excursions to Door County and Kickapoo Valley - plus much, much more. Transportation-Bus Service from six convenient locations is offered this year to camp participants.

Find out what's happening, and get ready for the hot, happy days of summer at Riveredge.

Riveredge Nature Center is a not-for-profit organization that provides environmental education programs for children, adults and families of the Greater Milwaukee and surrounding areas, and is located at 4458 W. Hawthorne Drive (Hwy. Y, off Hwy. 33) in Newburg, WI.

Exercise Class for Expectant Moms

"Absolutely Fit for Delivery" is a new prenatal exercise class sponsored by St. Joseph's Community Hospital of West Bend that will help teach expectant moms how to safely exercise and stay fit.

The two-hour class will be held Thursday, February 22, from 6:30 to 8:30 p.m. in the hospital's four-east conference room.

The two-hour introductory course is designed to educate women on methods to implement a fitness regime during their pregnancy. Some of the aspects included in the course are safety during exercise, cardiovascular fitness, appropriate calisthenics and stretching, appropriate body mechanics during pregnancy, and physiological changes during pregnancy.

Cost of the class is \$15 per participant. Participants are asked to bring a

pillow and blanket. Educational materials are included; spouses are welcome to attend at no extra charge.

Instructors include Patricia Dempsey-Paul, R.N., of the hospital's New Life Center; Lori Grahl, O.T.; Sheri Hall, P.T., O.T.; Sue Knuth, P.T.; and Tiffany Larson, O.T., from the hospital's rehabilitation services department.

Participants will be asked to verify that they have discussed prenatal exercise with their doctor.

The class is being held

the fourth Thursday of every month. To register or for more information, please call St. Joseph's Community Hospital's Class Connection Line at 306-7888.

Dentists have recommended that a toothbrush be kept at least 6 feet away from a toilet to avoid airborne particles resulting from the flush.

School Bus Driver Recognition Week

Jeff Kassner, President, and Robert W. Christian, Executive Director of the Wisconsin School Bus Association, are proud to announce that as one of his final acts, Governor Tommy Thompson proclaimed the week of February 18 - 24th as "School Bus Driver Recognition Week."

The proclamation states that more than 15,000 school bus drivers in Wisconsin travel over 82 million miles in transporting 500,000 pupils to and from school daily, in the safest form of surface transportation in Wisconsin.

He urged all citizens to be aware of the valuable service provided for the youngsters of our state by Wisconsin school bus drivers and the outstanding safety record they have compiled and to take advantage of appropriate observances to extend their appreciation to our school bus drivers.

Christian said that many owners and school districts are talking to local service clubs on the important job school bus drivers have. Displaying new buses at shopping malls, supermarkets, etc., with drivers on hand to answer questions on safety, is also being done in some cities. Many school bus contractors and schools having a driver recognition dinner or a safety awards banquet.

Although the public should recognize the tremendous contributions school bus drivers make for the entire school year, it is still extremely important to especially honor them during this week.

With that in mind Christian said "The School Bus Heroes of the 00-01 School Year" will be announced during the week. These outstanding school bus drivers will be honored at the annual WSBA convention and trade show held in Oconomowoc at the Olympia Resort June 18-20, 2001. These drivers will be honored for taking quick action that may have resulted either in the saving of a life or preventing a serious injury.

The safe driving of the bus, evacuation and the

Heimlich Maneuver are all examples of things that past drivers have been recognized for. The state of Wisconsin should be very proud of these outstanding bus drivers.

Reservations Still Available for CA Fundraiser

Citizen Advocacy still has reservations available for the First Annual "Birdhouse Boogie and Auction." The event will be held Saturday, March 3, 2001 from 6:30 to 11:30 p.m. at the Chandelier Ballroom, 150 Jefferson Avenue, Hartford.

Citizen Advocacy is extending the reservation deadline to Thursday, February 22, 2001. Reservations for the "Birdhouse Boogie and Auction" are \$35 per person.

The evening will include a silent birdhouse auction, a dinner buffet, and dancing to the music of The Howard Schneider Big Band. Jackie Krell-Stumpf will provide free dance instruction from 7:30 to 8 p.m. A wide variety of birdhouses decorated by local Wisconsin artists and craft people will be auctioned.

This is a wonderful opportunity to support the work of Citizen Advocacy, the only program of its kind in Washington County. Citizen Advocacy provides advocacy to people with developmental disabilities by matching them in a one-on-one relationship with a volunteer from the community who acts as their advocate.

To make reservations for the "Birdhouse Boogie and Auction" contact Citizen Advocacy at 262-334-3384, or mail your reservation payment, along with the names of those attending, to Citizen Advocacy, 139 S. 6th Avenue, West Bend, WI 53095.

UWWC Announces Dean's List

West Bend -- Seventy-five students from area high schools have been named to the dean's list for achieving academic honor grades during the fall semester at the University of Wisconsin Washington County.

Students receiving highest honors have achieved a straight A average (4.0) while high honors students earned a grade point (GPA) between 3.999 and 3.75. Honors students received GPAs between 3.74 and 3.5.

Full-time students include:

Allenton: (Highest Honors) Joshua Seymour; (Honors) Calah Gunderson.
Campbellsport: (Honors) Rashelle Wienke.

Fredonia: (High Honors) Aaron Utecht; (Honors) Joel Hermann.

Part-time students include:

Kewaskum: (Highest Honors) Claudia Skrentny; (High Honors) Walter Huf; (Honors) Jesse Jaeger.

West Bend: (Highest Honors) Joy Buehler, Kathleen Lauters, Julianne Morrison, Amy Pamperin, Kathryn Rusch; (High Honors) Karen Carlson, Beth Markworth, Mary Weaver, Elizabeth Woodard; (Honors) Elizabeth Izzo.

PROCLAMATION

In the name of
THE PEOPLE OF THE VILLAGE OF KEWASKUM
WISCONSIN

this
PROCLAMATION OF APPRECIATION
is presented to

*** JEFF BUTLER ***

In grateful recognition of your three years of faithful, efficient and dedicated public service rendered to the Village of Kewaskum, Wisconsin.

The Village of Kewaskum is proud indeed of its elected, appointed and public employees who have contributed, in no small means to the enhancement of the fair name of the Village of Kewaskum. Successive Village Boards appreciate the job you have done as a member on the Economic Development/Advisory Committee. They also have realized the extra effort given by you to the Village for the past three years. Progress in municipal government is predicated, for the most part, upon loyalty and dedication of the civic leaders and employees and their ability to carry out faithfully and effectively the acts of Village Government.

WE, THEREFORE, on behalf of the Village Board of the Village of Kewaskum, Wisconsin, issue this PROCLAMATION, in appreciation of your efforts and honorable record of service with this Village.

By order of the Village Board of the Village of Kewaskum, Wisconsin, this 5th day of February, 2001.

National Honors Awarded To KHS Student Artists

Shown above left to right are gold key winners Tina Keaton, Jacob Stoffel and Megan Hammen.
Statesman Photo: Andrew Kuehl

The first place winners of the 74th Annual Scholastic Art competition are now on display. Outstanding works by 225 Wisconsin students now fill the QuadGraphics Gallery in Sussex.

Students from 119 schools throughout Wisconsin entered the competition, while works by students from 90 schools were juried in to the exhibition. The works will be on display from January 28 through February 24, 2001.

The Scholastic competition and exhibition is the regional section of The Scholastic Art and Writing Awards National Program conducted nationally by the Alliance for Young Artists and Writers, Inc. and is the major competition for students in grades seven through 12. The exhibition, co-sponsored by the Milwaukee Art Museum and Milwaukee Magazine, includes works in 14 media categories selected from 1,627 entries by a jury of 24 artists, educators and administrators.

The judges awarded students artists with 225 Gold Key (First Place) and 213 Silver Key (Second Place) awards. American Vision Award Nominees were chosen, and exhibition co-sponsor Milwaukee Magazine presented cash awards, including the prestigious Bronze Medallion Award of Excellence. The awards were presented at a private ceremony on Saturday, January 27.

Kewaskum High School students receiving honors included Megan Hammen, who received the American Vision's Award and a Gold Key Award (Ceramics/Glass) in Group IIA (Grades 10-11-12); Tina Keaton who received a Gold Key Award (Drawing) in Group IIA (Grades 10-11-12), and Jacob Stoffel, who received a Gold Key Award (Jewelry/Metalsmithing) and a Silver Key Award (Ceramics/Glass) in Group IIB (Grades 10-11-12).

The students are instructed by Kewaskum

High School art teachers Deborah Stone and Mary Forstner.

The 225 Gold Key artworks from this regional competition will advance to the National Scholastic Art Awards competition for possible inclusion in the Corcoran Gallery of Art exhibition in Washington D.C. next summer. Wisconsin students have made a strong showing at the national level in past years, far exceeding the regional average for award-winning entries.

In addition to offering

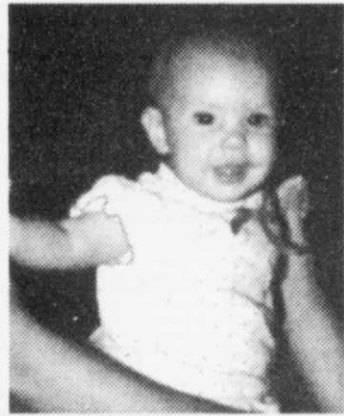

prestigious awards, the national competition also provides excellent scholarship opportunities totaling nearly \$100,000 annually.

For tours, call Char Powers at 414-224-3825. This popular program is coordinated at MAM by Helena Ehlke. For information call 414-224-3832.

QuadGraphics Gallery is located at N63 W23075 Silver Spring Drive, Sussex. Gallery hours are Saturday and Sunday from Noon until 4 p.m., and Monday through Friday from 9:30 a.m. to 3 p.m.

A tropical storm must reach windspeeds of 74 miles per hour before it can be considered a hurricane.

Daffodil Days Will Benefit Cancer Society

Daffodil Days are coming! Daffodil Days is a celebration of renewed hope and the coming of spring. Freshly cut daffodils, 10 in a bunch, the American Cancer Society's symbol of Hope in the fight against Cancer, are available for individuals and businesses to order now through Friday, February 23rd.

The daffodils are grown in the coastal area of Mount Vernon, Washington, where the soil and climate conditions mimic those of Holland's Farm country.

The daffodils are the yellow Dutch Master variety and have long, sturdy stems with large trumpets. The daffodils arrive in the "tight bud" stage and will open after several hours in water.

Daffodil orders may be placed by calling Heather Deiss, at the American Cancer Society Office, West Bend, at 338-4060 or by mailing an order and check to the American Cancer Society Office, 237 North Main Street, West Bend, 53095. A bunch of daffodils is \$6. Large quantities are also available for groups or businesses that wish to distribute them to employees

or customers. The daffodils will be available for distribution the week of March 12th to the 18th.

Daffodil Days also provides an opportunity to make a difference for people right here in Washington County that are battling cancer by giving a Gift of Hope. For a \$10 donation a bouquet of daffodils in a vase will be delivered to a local cancer patient anonymously. This is truly a gift of joy and you will be brightening someone's day with your generous donation. To give a Gift of Hope please call the American Cancer Society, 338-4060.

Daffodil Days raises millions of dollars nationwide to support cancer research, education, advocacy and services. Through advancements in cancer treatment and prevention, and estimated 8.4 million Americans are living today that have a history of cancer. In 1990, cancer death rates started to decline for the first time in history and today the survival rate for cancer is one in two. Funds raised by the American Cancer Society's Daffodil Days will hasten this progress. The daffodil symbolized this hope.

To learn more about the American Cancer Society, call 1-800-ACS-2345 or visit the web site at www.cancer.org.

Melissa Theusch Traveling Abroad With UWSP Students

Melissa L. Theusch of Kewaskum is one of nearly 200 students who traveled abroad during winter and spring semester study tours, through the sponsorship of International Programs at the University of Wisconsin-Stevens Point.

UWSP's three-week winter tour of Costa Rica proved to be so popular with students that two groups have gone to Central America this winter. Melissa was traveling with the second group.

One group was led by Joe Passineau and Nancy Turyk of the College of Natural Resources (CNR) and the other by David Staszak of International Programs and David Naugle of CNR. Both groups departed for San Jose, Costa Rica on December 28 and returned to the United States on January 17.

The 50 participants in the study tour experienced a broad spectrum of the country's tropical ecology while visiting national parks and biological reserves and staying with Costa Rican families.

The 43 students traveling and studying in Britain are being led by Professor of Communication Leslie Midkiff DeBauche. They will be headquartered at the International Students House in London from January 6 through March 30 and end the semester touring throughout Europe to France, Switzerland, Italy, Austria, the Czech Republic and Germany.

Professor Karen Lemke of geography/geology is leading 40 students to the South Pacific beginning with a tour of the North Island of New Zealand arranged by the University of Canterbury. They will spend the majority of the semester at Dunmore Lang College in Sydney, Australia,

with field trips to the Blue Mountains, Canberra and the Outback. In April they will return to New Zealand for a tour of the South Island before coming home on May 1.

A seven-member group will depart for Germany next month, spend several days in Berlin, then travel to Magdeburg, where they will live and study at Otto-von-Guericke University until early June. Professor of Foreign Languages Mark Seiler will spend two weeks with the students until they are settled at Magdeburg.

Seventeen students, including Angela Jablonski of West Bend, left for France on February 1, spent several days in Paris and then located at the

International University in Caen until the end of May. They will be led by Professor Marcia Parker, also of the foreign languages department.

Daniel Breining of the foreign languages faculty left on New Year's Day to spend two weeks leading a group of 27 to Spain. They began the journey with three days in Madrid before traveling to northwestern Spain, where the students will live and study at the University of Valladolid for the remainder of the semester.

In the Middle Ages, you were supposed to throw eggs at the bride and groom.

Maple Syrupin' at Riveredge Nature Center

TAPPING THE SUGAR BUSH
Sunday, Feb. 25
2:00-3:30 p.m.

Join Riveredge as it prepares for the forthcoming sugarin' season by helping to tap over 300 maple trees in the Sugar Bush. Help is needed to drill holes, tap in the spiles, and hang buckets. Spring isn't far away when it's time to tap the maple trees.

MAPLE SYRUP MAGIC
Saturday, March 24
10:00 a.m. - 4:00 p.m.

This special events-filled open house gets everyone involved in the process of making maple syrup by following a self-guided tour of the Sugar Bush and ending up at the Sugar Inn for a pancake smothered in syrup. Marvel at beautiful wood carvings, guess how many gallons of maple syrup Riveredge will produce this year, help collect sap and learn how to tap in spiles. If you time it right, you may encounter the "Sugar Dragon."

MAPLE SUGAR OPEN HOUSES
Sunday, March 25

Saturday, March 31
10:00 a.m. - 4:00 p.m.

Follow a self-guided trail and learn about the history and process of making pure maple syrup. Visit the Sugar Inn and warm yourself at the evaporator while eating a pancake smothered in real maple syrup. Small fee.

MAPLE SYRUP BREAKFAST
Sunday, April 1
9:00 - 2:00 p.m.

Get in step with the "fifth season," maple sugarin', with a breakfast in the Sugar Bush. Served out-of-doors amidst the scents and sounds of "syrup'n" the breakfast will feature Riveredge's own special pancakes and syrup, ham, and beverages. This event will also include games and other family activities. Adults - \$6.75, Children - \$5.00.

There is no bread in shortbread. It's a cookie.

Woman's Club To Meet On February 22

The Kewaskum Woman's Club will hold a meeting on Thursday, February 22, at 7 p.m. in the Kewaskum Community Room.

Program committee and hostesses Judy Geidel, Evelyn Thieme and Kathie Ramthun will present the (FLAGS) foreign student exchange program (AFS) of local high school students from other countries.

They will present short stories of their life experiences in the USA and Kewaskum High School as well as describe their life in their homelands. A dessert snack and refreshments will be served.

A short meeting will commence to update members of club activities, especially the Spring Fling Salad Luncheon on Saturday, March 24. It will be held at Peace United Church of Christ with the Kewaskum High School swing choir entertaining. Tickets, sold only in advance, will be \$5.00.

The Woman's Club would like to invite anyone interested in the Kewaskum Community to join them at the meeting on February 22.

Jordan Joins Cedar Haven

Connie Jordan, PT, an experienced physical therapist, has joined The Women's Treatment Center at Cedar Haven Rehabilitation Agency, Fond du Lac. A Fond du Lac resident for the past eight year, Jordan received her degree in physical therapy from the University of Wisconsin-Madison.

She worked at St. Elizabeth's Hospital in Appleton for more than 26 years, beginning as a staff therapist and directing the hospital's program before coming to Fond du Lac in 1992. She provided physical therapy for MJ Care at All About Life in Fond du Lac before joining Cedar Haven in December.

Jordan said she enjoys the variety of providing physical therapy for both children and adults with different diagnoses. "Through the years, former patients have sought me out for other therapy needs, or referred their friends to me," said Jordan. "It's so rewarding to see my patients achieve their goals."

The Women's Treatment Center at Cedar Haven specializes in drug-free, surgery-free treatment alternatives for urinary incontinence, lymphedema and venous edema treatment, osteoporosis screening and prevention programs, and pre- and post-natal fitness and therapy, particularly for women facing pregnancy-related lower back pain. The clinic is located at 54 West Arndt Street in Fond du Lac. For a free consultation

or more information, call (920) 926-0050.

Cedar Haven Rehabilitation Agency became Wisconsin's first licensed not-for-profit rehabilitation agency in 1984 and operates five clinics in southeast Wisconsin. The agency currently provides physical, occupational, speech and massage therapy in home, outpatient and school settings. The agency is a division of the Benevolent Corporation Cedar Campuses, a regional leader in rehabilitation, education, older adult living and health care.

**EDUCATION...
IT'S EVERYONE'S BUSINESS**

By Wayne P. Graczyk,
Kewaskum Superintendent of Schools
www.ksd.k12.wi.us

Sometimes we "older folks" tend to look at the young people in our community and cast judgments about them. We compare them to ourselves, comparing them to what we remember, what we experienced as a child, and what our parents and the elderly citizens in our community expected of us. To often we forget that our parents, and grandparents as well, sounded much like we do today in expressing opinions about the "youth of their day". What we do is compare and make judgments based upon our experience base. Did you ever think that the young people in our society have an entirely different experience base to work from? Today's freshmen in college (18 year olds mostly) have a mindset that is entirely different than ours. Did you ever wonder why?

Every year Beloit College in Wisconsin puts together a list to give their faculty a sense of the mindset of the incoming freshmen. Read it and see if the young people today can relate to your past, your experiences, and your expectations.

First, they were born in 1982. They have no meaningful recollection of the Reagan Era and probably don't know he was shot. They were prepubescent when the Persian Gulf War was waged. They were 11 years old when the Soviet Union broke apart so don't remember the cold war. They have never feared a nuclear war; to young to remember the space shuttle Challenger blowing up. Their life has always included AIDS; bottle caps have always been screw off and plastic. They do not remember vinyl albums so the statement "you sound like a broken record" means nothing to them. They have never played Pac Man and never heard of 8-track. The Compact Disc was introduced when they were 1 year old, they've always had answering machines and

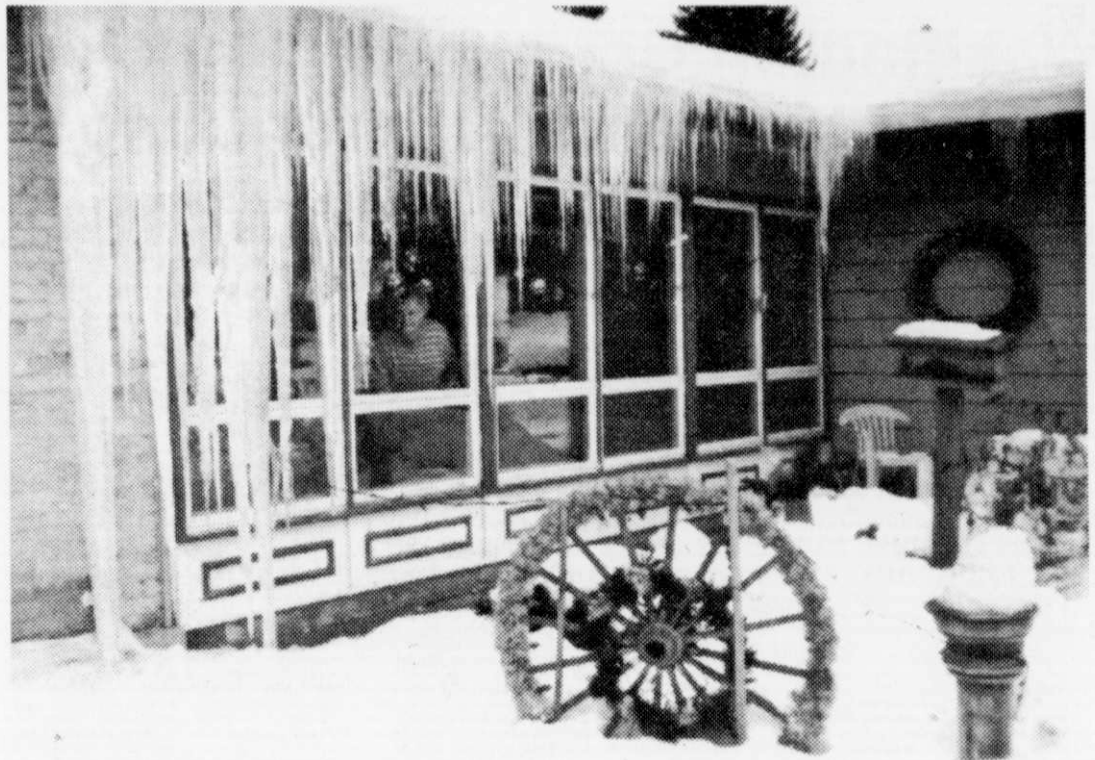

probably have never seen or used a rotary-dial telephone. Most have never seen a TV with only 13 channels nor have they seen a black-and-white TV and have always had cable. They cannot fathom not having a remote control and were born the year that the Walkman was introduced by Sony. Roller-skating has always meant inline to them; Jay Leno has always been on the Tonight Show. They have never seen Larry Bird play basketball, have never taken a swim and worried about Jaws and can't really imagine what hard contacts lenses are. They have never heard, "I'd walk a mile for a Camel", or "de plane, de plane". Michael Jackson has always been white; Kansas, Chicago, Boston, America and Alabama are places, not groups. And finally, they don't have a clue how to use a typewriter and would laugh if you told them you once had to type multiple copies on it using carbon paper. Carbon what?

The old adage, "Walk a Mile in My Shoes" works both ways. While they may not understand us but with their background and experiences, maybe there is a reason. Or, perhaps we might do well to try and understand them first.

Campus Notes

Brooke Zanow, a freshman at Wisconsin Lutheran College, has been named to the Dean's List. She achieved honors, which signifies a grade point average of 3.6-3.74.

Zanow is the daughter of Darryl and Bonnie Zanow of Kewaskum. Wisconsin Lutheran is a liberal arts college located on the west side of Milwaukee.

Marge Zefran looks out the windows through the icicles hanging outside her dining room window at the Beechwood Rest Home CBRF. Food coloring was thrown on the ice to make a colorful masterpiece.

**Area Students
Receive Degrees**

The University of Wisconsin-Stevens Point conferred 600 bachelor's and master's degrees during the midyear commencement ceremony held Saturday, December 16, in the Quandt Fieldhouse.

Graduates, their guests and faculty were addressed by Chet Krause, founder of the world-renown Krause Publications in Iola and the driving force behind the founding of the Iola Old Car Show.

Area students that were members of the class receiving degrees included:

Matthew R. Lieven, Kewaskum, who received a BS degree in Economics and a minor in Business Administration.

Lisa M. Urban, Campbellsport, who received a BS degree in Dietetics.

Sheila M. Ardisana, Adell, who received a BA degree in Communication PR/Adv. Emp. and a minor in Art.

WEST BEND (53090) - Patrick J. Bertram, who received a BS degree in Public Administration & PA, Social Science Broad-Field and a minor in History & NSCI Broad-Field; Jennifer L. Krenz, who received a BS degree in

Resource Management General and a minor in Soil Science and Water; Matthew M. Schroeder, who received a BS degree in Soil and Waste Resources and Waste Management.

WEST BEND (53095) - Jacqueline K. Briggs, who received a BS degree in Sociology and a minor in French; Jessica A. Wickland, who received a BS degree in Forestry-Urban; Matthew L. Bremser, who received a BS degree in Business Administration and Economics; Lori A. Mull, who received a BS degree in Biology and a minor in Psychology.

Washington County Fair Park Is Host to Events All Year Long

West Bend -- The Washington County Fair Park has been a buzz with many events since its opening. From large events to small events, whether it's the Pavilion or the outdoors, there is something for everyone. The Fair Park is the place to be!

Here is a listing of public events for the remainder of February and March 2001:

FEBRUARY

February 16 - 18 -- West Bend Builder's Expo.

February 20 -- WTKM Farm Fair.

February 22 -- Workforce Development Labor Law Clinic.

February 24 -- St. Francis Cabrini Fundraiser.

February 27 -- West Bend HS Transition Fair.

MARCH

March 3 -- Badger Golden Retriever Dog Show.

March 4 -- BLACK-HAWK, Fair Park Concert Series.

March 10 -- Greater Milwaukee Samoyed Fanciers Dog Show.

March 11 -- Samoyed Assoc. of Madison Dog Show.

March 16-17 -- West Bend Home and Garden Show.

March 24 -- Moraine Symphony Concerto.

March 28 -- Comedy-sportz/Friends of Abused Families.

March 31 -- "Spring Fair to Remember" Craft Fair.

The Washington County Fair Park is more than just a site for a week long fair - it is an activity center

designed to meet the needs of citizens year-round. Situated on 133 acres of beautifully landscaped countryside, it is centrally located within the county at the junction of Hwy. P, Hwy. PV (Pleasant Valley Road) and Hwy. 45.

The mission of the Fair Park is to enhance cultural, educational, economic, and social opportunities for the people of Washington county. Open since the 1999 County Fair in July, the Fair Park has already been host to over 175 events of all sizes. The 42,000 square foot Fair Park Pavilion as well as the four barns and the Show Arena in the Agricultural complex have been busy with a variety of events including festivals, concerts, educational programs, competitive animals shows, craft fairs, antique shows, meetings and workshops.

The site has received local, regional and national praise. At last year's Fair, Governor Tommy G. Thompson called Fair Park "the best fair park in the state, and that includes State Fair Park." Legendary syndicated WGN broadcaster Orion Samuelson stated, "Of all the fairgrounds I have visited, the Washington County fairgrounds is the best."

Opportunities remain for donations to the Washington County Fair Park. The Fair Park is ready to help potential donors select a meaningful contribution.

People interested in

knowing more about events, or about becoming a part of this important project, should call the Fair Park office at 677-5060.

Free Seminar About Waldorf Schools Feb. 20

WEST BEND - The Continuing Education Department at the University of Wisconsin Washington County is hosting a free seminar about Alternative Education at the Waldorf Schools.

There are four Waldorf schools in Wisconsin and over 600 worldwide. At Prairie Hill Waldorf School in Pewaukee, students learn French and German beginning in first grade. Both vocal and instrumental music are woven into the curriculum, starting in first grade and growing in complexity through grade eight. Over the course of eight years, children learn to knit, crochet, spin, embroider and sew as they develop hand-eye coordination, imagination and self discipline - qualities which support and enhance academic learning.

Children participate regularly in physical education, games and active play.

This is not an ordinary, traditional education - it is an extraordinary alternative education. Join us to find out more about Waldorf's developmentally appropriate curriculum and its origins.

The speaker is Sara Sarna, Director of Enrollment at Prairie Hill Waldorf School.

This free seminar is scheduled for Tuesday, February 20, from 7 to 8:30 p.m. in Room 259 at UWWC. There is no charge, however pre-registration by phone is required.

For further information or to register, please contact the Department of Continuing Education at (262) 335-5218.

McBride Headlines Campus Day March 21

Mary McBride will present the keynote address at the 2001 Campus Day on March 21. Her address, "How to Have a Happy Life with Humor and Laughter," will have you rolling in aisles. She is an accomplished humorist. She has been top writer for Phyllis Diller for 30 years, having collaborated with her on *Phyllis Diller's Housekeeping Hints* and *Phyllis Diller's Marriage Manual*. These were among the top 10 best sellers.

Mrs. McBride has also been a chief source of material for Joan Rivers. Some of Mary McBride's books include *Please Don't Call Me Collect on Mother's Day*; *Grandma Knows Best, But No One Ever Listens*; *Don't Call Mommy at Work Today Unless the Sitter Runs Away*; *The Empty Nest*

Symphony; and *Take This Book and Call Me in The Morning*.

Mrs. McBride is the mother of five children and the widow of a high school teacher. Her talks are guaranteed to provoke constant laughter from beginning to end.

UW-Extension Family Living is sponsoring the annual Campus Day to be held at the UWWC campus in West Bend. Choose from 45 classes from the following topics: Genealogy, historical homes, finance, nature, gardening, health and medicine, personal safety, Egyptian mummies, exercise, funeral pre-planning, tourism, medical records, makeovers for the mature woman, ski-watching, Elderhostels, e-mail & internet, antiques, planning for retirement, stargazing, golf, and more.

The day begins at 10:00 a.m. with registration and the keynote address and classes go into the afternoon and evening. **Registration deadline is March 9, 2001.** Registration information is available at the UW-Extension Office, 333 E. Washington St. Suite 1200, West Bend, WI 53095 by calling 262-335-4479. Your local library will also have registration information.

All Instruments Welcome: River City Irregulars

If you enjoy playing a musical instrument, the River City Irregulars Community Band of West Bend extends a cordial invitation for you to join them as they begin rehearsals on February 22. All instruments are welcome!

The band has no tryouts and emphasizes the joy and fellowship of playing. Interested players may join at anytime throughout the season.

The Irregulars march for West Bend's Memorial Day and July Fourth parades and for out-of-town parades in Sheboygan and Port Washington. The band also presents several concerts throughout the summer. Activities usually conclude in early fall.

Rehearsals are held on Thursday nights, 7 p.m. at Badger Middle School, 710 S. Main St. in West Bend. Practice dates are set for February 22, March 1, and March 15. For further information call 262-338-8458.

Senior Citizen ID Cards to Be Issued

Are you 60 years old or older and a resident of Washington County? Senior Citizen Identification Cards will be issued on Thursday, February 22, from 2:30 to 4 p.m. at the Washington County Senior Center, 401 E. Washington Street, West Bend.

Information needed includes your Social Security number, person to contact in case of an emergency and their phone number and your doctor's name and phone number.

Your picture will be taken. The cost of each card is \$2.00.

The King's Delegates In Concert at Campbellsport

You are invited to join the School Sisters of St. Francis at St. Joseph Convent to enjoy a concert performance by THE KING'S DELEGATES.

The group will appear in concert at the convent, which is located at 526 Mill St. in Campbellsport on Tuesday, February 27th at 6:30.

With its unique sound and blend of voices, the quartet inspires audiences in many different organizations throughout the Midwest.

The members of this group also perform with the "Men of Harmony" chorus which presented a concert at St. Joseph Convent earlier in February.

This group features easy listening contemporary music as well as traditional and modern arrangements of hymns and gospel songs.

The King's Delegates have been together performing music concerts for 17 years.

On Tuesday, February 27, the School Sisters of St. Francis are sponsoring The

King's Delegates concert. You are invited to join them for an inspiring, entertaining and enriching experience.

A free will offering will be taken.

Further information is available by calling the continuing Education and Events Office at 533-8351, ext. 130.

Non-Credit Online Classes Available at UWWC

West Bend -- The Continuing Education Department at the University of Wisconsin Washington County is offering non-credit online classes for the first time.

A number of the online classes are computer classes. Take classes where you want, when you want. No minimum enrollment required so cancellations will not be made due to low enrollments! It's easy; it's fun and it's interactive!

Update your skills, discover a new talent or chart a career path at your own pace and at your convenience with our new **INSTRUCTOR-LED ONLINE COURSES**. Each course runs for six weeks and consists of 12 lessons which are supplemented by interactive quizzes, assignments, tutorials and online discussion. All materials will be made available to you over the World Wide Web. Read your lessons and ask questions of your instructor at times that are most convenient to you.

All you need to get started is a computer with Internet access, an e-mail address, and a Web browser. (Note: Campus computer labs are not available for these courses).

Your course registration and payment must be received two weeks prior to the start of each class to provide adequate time for you to complete your online orientation which will prepare you for taking these courses over the Internet. This orientation is mandatory for all course participants. CEU's are available for each of these for each of the following non-credit courses:

Keyboarding begins March 14. The fee is \$59.00. Required software - Fas Type for Windows. Use the computer program Fas Type for Windows to learn the basic skills of touch-typing.

Microsoft Publisher begins April 11. The fee is \$59.00. Required software - Microsoft Publisher 2000. Learn the basics of Publisher 2000, plus how to create a professional brochure, newsletter and web site. Whether you are creating marketing materials for print or for the web, this small but powerful program can take you to levels of design expertise you did not know you had...and without any formal graphic design or experience.

Quicken for Windows begins May 9. The fee is \$59.00. Required software - Quicken for Windows. Get a handle on all your personal finances with Quicken! Learn how to deal with investments, loans, recurring payments, electronic transactions, budgets and more.

The Continuing Education Department is also offering Online Enrichment

Classes.

A to Z Grantwriting begins March 14. The fee is \$69.00. A to Z Grantwriting is an invigorating and informative seminar specially created for executive directors, organizers, board members, community volunteer, development officers, and individuals who want to learn a 'bird's eye' view of the grantwriting process. You will learn how to: research and develop mutually beneficial relationships with potential funding sources, organize a grantwriting campaign and keep track of all funding sources, requests and donations.

Writeriffic: Creativity Training for Writers begins April 11. The fee is \$69.00. Banish writer's block forever with these tricks from the published writer's toolbox. This course liberates the inventive bolts of genius that are inside everyone. If you've ever dreamed of hearing our writer's voice, this course will make it happen for you!

Introduction to Natural Health and Healing begins May 9. The fee is \$69.00. This course is designed for anyone who wants to learn how to promote wellness, balance and health in their daily lives. It will give students a basic understanding of the field of natural health including: Naturopathy, Aromatherapy, Nutritional Health and various body therapies.

Preparing for the SAT/ACT (Part 1) begins February 14 or March 14. The fee is \$89.00. This course prepares you for the Verbal and Science Reasoning sections of the SAT and ACT tests. Taking both Course 1 and 2 in this SAT/ACT preparation series prepares you for question types on each test using proven test-taking techniques.

Preparing for the SAT/ACT (Part 2) begins April 11 or May 9. The fee is \$89.00. In this second course of a two-course series, we will analyze each of the quantitative test question areas on the SAT and ACT. Topics include basic and advanced math concepts (fractions, decimals, percentages, ratios, proportions, algebraic and geometric concepts.)

All online instructions are highly qualified content professionals working in the User-friendly environment of online education.

For further information or to register for any of these classes, please contact the Department of Continuing Education at (262) 335-5218.

BIRTHDAY MEMORIAL

RYAN BOEGEL
Feb 15

We wish you were here with us on earth
To celebrate the day of your birth
However, we know not all dreams come true
For if they did, we'd still have you.

God's dream came true when he took you above
To help watch over us and keep us full of love.

But no one can take the memories away
They somehow help us through each day.
We hope you caught the balloons Brad and Brett let go.

With their special message only you would know
We do these little things to help them understand
That no matter where they are you are holding their hands.

Some say they're so lucky to have a guardian angel like you
But then again the whole family is too!

So celebrate this first birthday in heaven with style
And keep looking down on us with that wonderful smile!

We love you and miss you Ryan!

*Love,
Jay, Jenny,
Bradley & Brett*

HAPPY BIRTHDAY

RYAN BOEGEL
Feb. 15th

Everyday we think of you, Many times we cry.

If love alone could have saved you,
You never would of died,
In life we love you dearly.
In death we love you still,
In our hearts you will always

Hold a special place,
No one else could fill,
It broke our hearts to lose you,

But you didn't go alone,
You took a part of us with you,
The day God took you home.

*Love always,
your family*

IN MEMORY

In loving memory of GILBERT REINDL on your birthday, Feb. 13, 1916:

Though your smile is gone and your hands we can not touch.

We have so many memories of one we love so much
Your memory is our keep sake, with which we'll never part.

God has you in his keeping.
We have you in our hearts.

Remembering you on your birthday and everyday!

*With love from
your family*

ABC SKAT RESULTS

The winners at skat played at the Ralph Laux's in Random Lake at "Gables by the Pond" on Tuesday, Feb. 6th were: Francis Gilboy, 17-0-17 net; Melvin Moths, Spade solo vs 4; Ralph Laux, Heart solo vs 4.

The king of hearts is the only king without a mustache.

Holy Trinity Students Celebrate Catholic Schools Week at Skate Country

Shown above are students of Holy Trinity School of Kewaskum, demonstrating "the whip" at Skate County in West Bend recently. The "ringleader" of the whip was Mark Herriges (Herriges Machining), who was clever enough to sneak off the lens range of the camera as this shot was snapped. The students are treated to this annual fun afternoon in celebration of Catholic Schools Week, culminating a week of special activities.

HOLY TRINITY SCHOOL

Monday, Feb. 19 -- Taco shell or chips (lettuce, tomato, cheese, or salsa), green beans, peaches, cookie dough, milk.

Tuesday, Feb. 20 -- Stromboli or peanut butter sandwich, mandarin oranges, pineapple, Rice Krispie bar, milk.

Wednesday, Feb. 21 -- Chicken pattie on bun (lettuce, tomato, mayo), buttered peas, pears, chocolate cake, milk.

Thursday, Feb. 22 -- Meatball/meatloaf, whipped potatoes w/gravy, golden corn, fruit cup, dinner roll, milk.

Friday, Feb. 23 -- Tomato soup, toasted cheese or peanut butter sandwich, bananas, applesauce, cookie, milk.

Special Valentine

Two Kewaskum parents received the following heart-warming Valentine message from their offspring. It read:

"Sending Love to You Both... Mom and Dad, Thank you very much for all the love throughout my 22 years! I have grown to be a loving person because of your unconditional love. Thank you!"

Kind of makes this whole parenting thing all worthwhile, now doesn't it?

Letters to the Editor

Dear Kindergarten Parents:

After attending Monday night's school board meeting I felt it was important for you to be aware of what is going on in our Kindergarten classrooms.

Several of us parents approached the school board requesting an aide be hired part time to assist our teachers since we have very large classes this year. We currently have one aide who helps between the two classes, however when she is with one class, the other class has 23 or 24 children for one teacher.

We are not unhappy with the job the teachers are doing, we feel they are doing the best that they can, but is that good enough for our kids? If you spend any amount of time in either kindergarten class, you will see that between trying to keep the children on task, working with those who have a hard time adjusting, settling down, and assisting with the many other things 5 yr. olds need, how much time can go into teaching 24 children by yourself.

Are you also aware that three or four days a week there is one aide on the playground watching all 48 kindergarten children? Do you really feel that is enough supervision, especially with the limited space and equipment that the children have this year?

One other thing, if the 24 kindergarten children in one class were to all go to day-care after school, one teacher could only have 17 children in their care and that doesn't involve educating them at that time. Why should one teacher be expected to teach 24 children without any help?

When asked what it would cost for a part time aide, the school said around \$4000 for the remainder of the year and when asked if that money could be gotten, the school said yes, however they weren't recommending hiring an aide because we could make do. They don't deny there is a problem but they feel we can make do for one year because next year the class sizes are projected to be smaller.

The effects of this decision will affect our children for more than one year. Yes, the year is half over but what happens when two or three years from now we have very large class sizes and the school says, well we made do before, we can do it again. The school board had the chance to help us, and with the exception of one member, no one felt this was a valid concern.

Why are the education and safety of our youngsters no longer top priority? For those parents who agree that this is a concern, we need your support to let the school know that our children's education is important to us. Small town

schooling doesn't need to be small town education.

Thank you.

Sue Schneider

Dear Parents of KES Kindergartners:

I attended Monday evenings school board meeting with very frustrated and disappointing results.

In the matter and care of our concerns it was received with cold and unfeeling responses. The statements of fact presented by volunteer parents were to be made in three minutes and no repeats. This comment took aback a few of the parents who came openly to share their concerns and ask for help. So, not all facts and concerns were presented.

At the time when the board and only the board discussed the subject at hand, it was very frustrating to hear this subject discussed in front of us, not having all the facts to make a great and beneficial decision.

Instead it was tossed around the room, a motion was made for a half time aid and no second motion was made. (I want to thank Mary M. for her care and motion for a half time aid. Mary listened and heard our concerns).

Just like that, we were told it was a "bubble year" and we would just have to live with the situation at hand. All the kindergartners will pay the price for the understaffing of aids. The very qualified teachers pay the price of doing all they can do and not being able to do all that could have been done with the needed help.

Thank you,
A Concerned Parent,
Kimberly Breit

Dear Editor:

After attending Monday night's school board meeting, we would like to thank Mary Meisser for her heartfelt concern for our children to make a motion, but on the other hand, we were truly appalled with the rest of our school board members (no decision, and no caring comments).

Without all the facts, or having spent time with these kindergartners one-on-one, how can you as our district representatives, feel your decision to not even consider checking into this situation, is a qualified and educational answer?

As volunteers of Kewaskum Elementary School, do you realize there is a lack of supervision on the playground? So because our kindergartners are a "bubble" year (numbers a little

high), we the parents should just hang in there? They don't get a second chance at kindergarten. These children are the basis of our next generation.

Current board members, was this not as an important issue as extra-curricular items needed? Our district has spent over \$200,000 for extra curricular funding since January, 2001, but trying to find \$4,000 for a part-time aid, addressing education and safety concerns, seems to be washed off.

Now as we would see this, no second motion decision, either tells us your enthusiasm for our children's future is gone, or you must have been willing to be volunteers and help us out.

President Jon Downs spoke on how he wanted unity in the district on other issues. We the parents would love to see unity in the support of our board members, along with our parents' concerns.

Truly Concerned

Ivan Kumrow, Soil Conservation Technician for the Soil Conservation Service at Port Washington and West Bend recently received a Special Performance Award for his service to landowners and operators in Ozaukee and Washington counties. Kumrow is well known by area farmers and other landowners for his assistance in providing technical services in the planning and layout of conservation prac-

tices.

The seventh and eighth grade basketball teams of the Kewaskum Middle School have completed their seasons. The eighth grade team, coached by Dennis Reha, finished with a 7-5 record, while the seventh graders, coached by Keith Amundsen, had a 2-9 mark. Henry Schilter led the eighth grade team in scoring with 125 points. Other members and points scored were: Scott Brendemuhl 59, Rodney Schultz 70, Randy Gust 42, Tom Kern 82, John Brenholt 35, John Czoschke 40, Todd Schultz 21, Bruce Keller 22, Jeff Steinhardt 2, Jim Koepke 3, Mike Ciha 0, Kim Manthei 2, Jeff Petermann 0, Tim Kougl 0, Gene Laatsch 0. Members of the seventh grade team included Terry Schmidt, Kevin Stautz, Scott Muench, Steve Muench, Brian Dreher, Tony Strigenz, Perry Kempf, Doug Petsch, Mark Justman, Steve Yahr, Dan Daehler, Scott Leitheiser, Dean Backhaus and Kevin Bvock.

A son was born to Mark and Barbara Strobel, Route 3, Campbellsport, (St. Kilian) on Tuesday, February 10. A son was also born to William and Gloria Kreis of Kewaskum on February 10.

Golf Conditioning Clinic Offered By KM YMCA

Kettle Moraine YMCA is offering a 6-week course to help golfers get in shape before that first game of the season. Led by one of the YMCA's personal trainers, this class is designed to improve the golfer's strength, flexibility, and mental game.

Each class will begin with an aerobic warm-up and progress through a series of strength training exercises, which target muscles specifically used in your golf game. Core muscles will be emphasized as well as stretches which will enhance trunk rotation and follow through.

The Golf Conditioning Clinic will be held Wednesday evenings, February 28 - April 4, 7 to 8 p.m. at the Kettle Moraine YMCA. Cost is \$22.50 for members and \$57 for community participants. Register in person at Kettle Moraine YMCA. Space is limited. For more information, call 334-3405.

Michael Jordan makes more money from Nike annually than all of the Nike factory workers in Malaysia combined.

Assisted Living for the Elderly

Obituaries

NATHAN J. NIGH

Nathan J. Nigh, age 74, of Kewaskum, passed away at his home on Sunday, February 11, 2001, surrounded by his family, following a brief illness.

He was born on July 22, 1926 in the Town of Auburn, the son of the late Walter and Lucille (Harter) Nigh, and on June 17, 1947, he was united in marriage to Lucille Schoofs at Holy Trinity Catholic Church in Kewaskum.

During his life, Mr. Nigh was the owner and operator of Barton Dairy, farmed, was employed by Bermico Company, St. Michael's Hospital and prior to his illness, was a driver for Johnson School Bus in West Bend.

He was a member of St. Mary's Immaculate Conception Catholic Church in West Bend, a 55 year member of the Knights of Columbus Father Casper Rehrl Council #1964 West Bend, the Casper Rehrl Pastoral Care Ministry, the St. Joseph Society and the Young at Heart Club.

Survivors include his wife of 53 years, Lucille, of Kewaskum; 15 children, Sr. Lucy Nigh (School Sister of Notre Dame) of Milwaukee, Nancy (Bob) Punzenberger of West Bend, Carol (Peter) Polverini of St. Paul, Minnesota, Perry (Gloria) Nigh of Greendale, Michael (Debbie) Nigh of Kewaskum, Julie (Greg) Ogi of Kewaskum, Joseph (Daniela) Nigh of Madison, Nathalie Ertel of Little Falls, Minnesota, Susan (Jim) Franz of Schaumburg, Illinois, Kevin Nigh and his friend, Judy, of Kewaskum, Jeffrey (Carol) Nigh of Kewaskum, Teresa (Brian) Dreher of Kewaskum, Amy (Ric) Leitheiser of West Bend, Sandy (Steve) Seitz of Campbellsport and Paul Nigh of West Bend; three sisters, Rosemary (Warren) Eigenberger of Sheboygan Falls, Marilyn (Charles) Ostermann of Belgium and Judy (John) Rose of Grafton; a brother, Duane (Jeanne) Nigh of Cascade; 31 grandchildren, three great-grandchildren, other relatives and many friends.

He was preceded in death by a son, Tommy, and two grandsons, David Leitheiser and Charlie Ogi.

A Mass of Christian Burial will be held at 10:30 a.m. on Thursday, February 15, 2001 at St. Mary's Immaculate Conception Catholic Church in West Bend. Father Mark Jones will officiate and burial of the remains will be held at a later date in Holy Trinity Catholic Church Cemetery in Kewaskum.

Friends called at the Miller Funeral Home in Kewaskum on Wednesday, February 14, from 4 until 8 p.m. where a prayer vigil was held at 8 p.m. and from

9:30 until the time of services at the church on Thursday.

SANDRA L. SCHWAB

Sandra L. Schwab, age 45, formerly of Milwaukee, passed away on Saturday, February 10, 2001, at the Beechwood Rest Home in Beechwood after a long hard battle with multiple sclerosis.

She was born on June 20, 1955, in Milwaukee, the daughter of Eugene and Beatrice (Schlaugat) Langlois, Sr.

Survivors include her fiancé, Larry Prelesnik of Milwaukee; two children, James Schwab, Jr. and Carrie Schwab (fiancé, Mario), both of California; a granddaughter, Devon of California; her mother, Beatrice (Glen) Reichman of Milwaukee; three brothers, Phillip (Katherine) Freimund of Cudahy, Eugene Langlois of Colorado and Donald (Pat) Langlois of North Carolina; two sisters, Diane (Ross) Winklbauer of Kewaskum, and Donna (Ron) Buckler of Milwaukee, other relatives and friends.

She was preceded in death by her father and two sisters, Phyllis and Audrey.

Funeral services will be held at 6 p.m. on Thursday, February 15, 2001 at the Miller Funeral Home in Kewaskum with Rev. Jas A. Mortenson officiating.

Burial will be at Highland Memorial Park in New Berlin.

Friends may call from 4 p.m. until the time of services at the funeral home on Thursday.

LORETTA BECKER

Loretta Becker, 97, formerly of Campbellsport, a resident of Hope Health and Rehabilitation Center, Lomira, died Sunday, February 11, 2001 at the home.

She was born near Lamartine on October 5, 1903, the daughter of John J. and Anna (nee Dreikosen)

Kedinger.

On June 27, 1923 she married Leo J. Becker at St. Mary's Catholic Church Lomira. He preceded her in death on April 27, 1965.

They farmed together in the town of Ashford. She also worked at St. Joseph's Convent in Campbellsport for a number of years.

She was a member of St. Matthew's Catholic Church, Campbellsport, the Christian Women and the Mission Sewing Circle.

Survivors include two sons, James (Valeria) of Campbellsport, Paul C. (Ramona) of South Ogden, Utah, a daughter Rosemary (Alois) Volm of Milwaukee; nine grandchildren; fourteen great-grandchildren; two great-great-grandchildren; a brother John Kedinger, Jr. of Oakfield and a sister Ann Lohf of Milwaukee.

Besides her husband, she was preceded in death by an infant son Milton, a sister Rose Ries and two brothers William and Paul.

A Mass of Christian Burial was held on Wednesday, February 14 at 7 p.m. at St. Matthew's Catholic Church, Campbellsport. Rev. Francis Malloy officiated and burial was on Thursday in the parish cemetery.

Visitation was on Wednesday from 4 p.m. until the time of services at the church.

Memorials may be directed to St. Matthew's Debt Retirement Fund.

Twohig Funeral Home, Campbellsport, is serving the family.

JOHN W. FLASCH SR.

John W. Flasch Sr., 88, of Campbellsport, formerly of West Bend, died Monday, February 5, 2001, at his residence.

He was born November 5, 1912, in the town of Wayne to the late Kilian and Gertrude (nee Becker) Flasch.

On June 19, 1934, he was united in marriage to Florence A. Loomis in Washington County. She passed away on September 4, 1962. On June 1, 1963 he married Suzanna Shauditis in Washington County. She predeceased on November

11, 1978.

John lived in this area all his life, settling in Campbellsport in 1988.

He was employed as a heavy equipment operator and mechanic at the former Northern Sand and Gravel, and also at the former Line Material.

Survivors include four children, Daniel (Mary) of Fish Creek, Gloria (George) Luzadder of Harrison, Mo., John Jr. (Irene) of Ferndale, Mich. and Thomas (Carolyn) of West Bend; 14 grandchildren; 22 great-grandchildren; three sisters, Clarisy Lenhart of Campbellsport, Paula (John) Leitner and Joan (Richard) Slavik, both of West Bend; two brothers, Roland and Robert (Janet), both of West Bend; other relatives and friends.

Preceding him in death were a grandson, Anthony Flasch; a great-grandson, Brian Luzadder; and five brothers, Raymond, Peter, Gregor, Wilmer and Leonard.

Funeral services were held on Thursday, February 8 at 7 p.m. at the Schmidt Funeral Home, West Bend.

Daniel Schroeder, pastoral assistant at St. Mary's Immaculate Conception Church officiated and burial was on Friday at 9:30 a.m. at St. Mary's Cemetery (old).

Visitation at the funeral home was on Thursday from 4 to 6:45 p.m.

BIRTHDAY MEMORIAL

RYAN BOEGEL,
Birthday, February 15.

We thought of you with love today

But that is nothing new
We thought about you yesterday

And days before that too
We think of you in silence
We often speak your name.
Now all we have is memories

And your picture in a frame.
Your memory is our keepsake

With which we'll never part
God has you in his keeping
We have you in our hearts.

Your loving family

IN MEMORY

In memory of **ELMER BORGMAN**, who passed away two years ago, Feb. 18, 1999:

GOD'S GARDEN

God looked around His garden and He found an empty place, He then looked down upon this earth and saw your tired face. He put His arms around you, and lifted you to rest; God's garden must be beautiful, He only takes the best. He knew that you were suffering, He knew that you were in pain, He knew that you would never get well on earth again.

So he closed your weary eyelids, and whispered "Peace be thine." It broke our hearts to lose you, but you did not go alone; for part of us went with you, the day God called you home.

*Sadly missed by wife
Judy, Annette, Scott and
Matthew*

IN MEMORY

In loving memory of **FRANCES MUELLER**, who passed away one year ago, Feb. 17, 2000.

Our loved one is not gone away,
But rests in peaceful sleep.
To awake upon another day,
Her time with God to keep.
Her life was long, her life was vast,
Her countenance was cheery;
To face each day and face each task,
But never did she weary.
Now she rests in peaceful slumber,
Her tasks on earth are done;
Among the angels she will number,
For her rich rewards are won.

*Sadly missed by
Glen Mueller and
Quin Mueller
families*

School District of Kewaskum Minutes

**School District of Kewaskum
Kewaskum, Wisconsin 53040
Regular Meeting
January 8, 2001
Minutes**

The meeting was called to order at 7:00 p.m. by President Downs.

Members present: Lisa Maul, Jon Downs, Mary Meisser, Gordie Dickman.

Andy Degnitz arrived at 7:04 p.m.

Members absent: John Schulte, Mark Steinhardt.

Following a moment of silence, Mary Meisser led the pledge of allegiance.

Superintendent Graczyk verified that the meeting had been posted according to State Statute.

Meisser/Dickman motion to approve the Regular Board Meeting minutes of December 11, 2000. All aye.

Downs/Degnitz motion to approve the payroll and accounts payable in the amount of \$1,292,472.61. All aye.

Meisser/Degnitz motion to approve the agenda. All aye.

Mark Schrauth, new student council representative, informed the board of past and upcoming student council activities.

Board members reviewed the reports submitted by building principals.

Business Manager, Paul Reichert, updated the board on the progress of the building project.

Maul/Meisser motion to approve the following extra-curricular contracts: Dave Donath, Head Baseball Coach; Jason Piittmann, Athletic Director; Mark Cloutier, Weight Room Supervisor. All aye.

Degnitz/Maul motion to approve a 4 speech and language position. All aye.

Degnitz/Maul motion to approve the appointment of Diane Lynn Laes as limited term Spanish Instructor at KHS. All aye.

Degnitz/Meisser motion to approve the appointment of Scott Poole as a long term substitute teacher in grade 7 at KMS. All aye.

Maul/Dickman motion to approve Mrs. Rosenthal's request to take a group of students to Germany in June of 2001. All aye.

The following policies were presented for a first reading: #133-Filling Board Vacancies; #923-Facilities Maintenance-Five Year Plan; #342.12-Child Find Policy. These policies will come back to the Board in February for final approval.

Meisser/Maul motion to approve the high school administration's request to offer sophomores an exemption from the semester final examination (in the core areas tested) if the students tested in the "proficient" or "advanced" range on their WKCE exam. All aye.

Meisser/Degnitz motion to adjourn to Closed Session as per State Statute 39.85(1)(c) to discuss administrative compensation adjustments. All aye. The meeting adjourned at 7:30 p.m.

School District of Kewaskum Minutes

**School District of Kewaskum
Kewaskum, Wisconsin 53040
Special Meeting
January 29, 2001**

Meeting was called to order by President Jon Downs at 6:07 p.m.

Present: Mr. Steinhardt, Mrs. Maul, Mr. Dickman, Mr. Downs, Mrs. Meisser, Mr. Schulte, Mr. Graczyk

Excused: Mr. Degnitz

In attendance: Approximately 15 students, 35 adults and two bleacher vendors, principals and Mr. Reichert, Business Manager

New Business: Athletic Field Bleachers/Press Box Bids

Mr. Downs clarified to those in

attendance that this was posted as a special meeting of the board and no visitor comments were placed on the agenda. Therefore all discussion would take place between board members in rendering a decision.

Mr. Reichert was asked to review RFP's (Request For Proposals). All five were summarized for comparative purposes. He felt they were all good proposals. All met our specifications with the exception of one which did not have a press box, only a platform.

Mr. Reichert's recommendation, should the board move to approve any bids, would be Dant/Clayton because it has the best overall price and quality. There were a couple of proposals that didn't allow an "apples-to-apples" comparison since all items were not included in every bid. The result is a lower price, when the missing items were included, resulted in a bid higher than Dant/Claytons.

Mr. Schulte questioned why one vendor didn't have a pad under the bleachers. Mr. Reichert said this was done knowingly and that the district would then need to seek outside vendors to do this work.

Mrs. Meisser questioned the handicap access guidelines and requirements. While all vendor proposals met the requirements, they differ since there were different interpretations of the handicap requirement and when they go into effect. Bray & Associates informed us that the new handicap codes for bleachers are in transition and would not go into effect until 2002.

Mrs. Meisser asked if there was an estimated cost for expenses beyond the bid price. Mr. Reichert said there would be other incurred costs but allowances would be made for them. Examples of these are: demolishing the current bleachers/press box; concrete pad, excavate the area. He felt we should allow approximately \$40,000 for these extras and another \$22,000 for contingency expenses for an estimated total of \$275,000.

Mr. Downs asked what a Vertical Rail Picket was. These are guiderails that take the place of the fencing in all regular bid prices.

Mr. Schulte asked why some vendors used another vendors name in their RFP. Mr. Reichert stated that Dant/Clayton approved their plans for use by other vendors so comparisons were made as a result.

Mr. Steinhardt asked if Dant/Clayton provided a list of references like the others did. He was told they would be obtained and that a parent group visited many sites and viewed other sites constructed by Dant/Clayton and felt assured of the quality of construction and materials.

Mrs. Meisser asked if there was any talk of moving the road between and field and high school and if this would allow for more space for placement of bleachers. Mr. Reichert stated that the district does own that road, and could close it if necessary, but the question of its need as a fire-lane must be answered. With the current plans for bleachers we do not need that space at this time.

Mr. Reichert shared that we have a lead time of about 154 days. If the vendor has the order in hand by mid-February they assure us the project would be completed by mid to late July.

Mr. Schulte questioned an all-aluminum structure vs treated steel. What were the benefits of both? Mr. Reichert assured him he was not an engineer so could not make that determination but felt that aluminum would probably have a longer life and have less maintenance. However, different grades of aluminum are a factor. Mr. Schulte expressed concern about the awfully short warranty offered for the bleachers on both sides of the field.

Mrs. Meisser recognized the excellent job Mr. Reichert did in assembling and presenting the RFP's. She felt the Building and Grounds Committee also did a great job getting the information to board.

But, she expressed concern about the timing. The long-range plan isn't set yet and there are some major projects needing attention. There are many issues to be addressed. She recognized that the athletic facilities have been neglected but so have the buildings. Pride is an issue, on both counts.

She mentioned that a referendum has been spoken of as a possible option. She stated that credibility is an issue for her. Basically it's bleachers vs school building.

She expressed that the state of the economy should be a big factor in any decision the board makes. She wasn't sure if now is the right time to push this forward, at least not immediately. The economy is slowing down and the Feds are lowering the interest rates. She felt these were jittery times and economic security is a factor in our decision.

She asked what are our needs and what are our wants. People on fixed incomes should be considered and is a big factor. She concluded by stating she believes the board must see the big picture, that the buildings have major needs also. In her opinion it was a referendum vs. credibility.

Mr. Schulte stated that the district has had two referendums yet the taxes did not go up. He felt that Mrs. Meisser had some valid points yet can't see basing decisions on economic blips. Mr. Schulte questioned Mr. Reichert regarding funding the 5-year plan and asked if the budget dollars would suffice, or if it is inevitable that we will borrow or do a referendum.

Mrs. Meisser asked why not place the bleachers on a referendum?

Mr. Steinhardt shares her concerns, yet said that he sees lots of community interest right now and is worried about the lack of safety of our current bleachers.

Mrs. Meisser questioned if a decision should be made before the B&G Committee develops a five-year plan.

Mr. Reichert shared that over the last three years we have budgeted between \$125,000-\$150,000 per year to address district maintenance needs. WES and FES are vastly improved with the referendum. We borrowed \$750,000 in 1999 to address other concerns. With the estimated \$2.1 million dollars needed to meet the projects in the projected five-year plan, it would take 15-20 years to do all on the list out of the operating budget. No matter what course of funding taken, to meet the five-year plan would be extremely difficult to achieve without loans, etc.

Mrs. Maul informed the board and audience that the Building & Grounds only received the preliminary draft of the five year plan at their meeting on January 15. She expressed that we are in a catch-up mode now and feels the bleachers are a need, not a want. We'll need to spend money to repair the old bleachers anyway.

Mr. Schulte shared that past referendums clearly have said to the board, "This is our high school for many years to come." We need to do what it takes to make it the best.

Mr. Dickman stated that we have no real five-year plan right now, just an un-reviewed list of things to do. Bleachers are a part of it. We all know that the buildings need lots of work yet we are in a position to do something now. Health and safety are issues to be considered. He stated that the biggest concern expressed to him and the Referendum Information Committee during the last referendum was how will we maintain buildings and facilities.

Mr. Steinhardt felt that if we have community support we should take advantage of it and act now.

Mr. Dickman informed the board that to delay the decision one month means it would be delayed for one year. There is no advantage of that and all the work the community group did in preparing for this project would go to waste.

Mr. Downs said he hears lots of concerns out there. But we speak of having a program and we're doing it. He felt we needed to do something, either fix or replace. Piece-meal isn't the answer either. It just becomes more expensive. He agreed with Mr. Schulte that the high school is here and we need to work on it.

Mrs. Maul made the motion to approve Dant/Clayton bid of \$213,500, and the overall project cost would not exceed \$275,000. Mr. Dickman seconded the motion. Voice vote: Mrs. Maul, Mr. Dickman, Mr. Steinhardt, Mr. Downs, Mr. Schulte all voted yes. Mrs. Meisser voted no.

Mrs. Meisser requested that all her comments be included in the minutes when prepared.

Mr. Reichert shared that the funding source would come from a State Trust Loan for a 10 year period at a 5 1/2 % interest rate. Our current lease payment for 2000-01 ends this year. He estimated that the estimated annual payment of the loan would be about \$36,000, an amount almost equal to the payments currently being made and budgeted in this year's budget. Therefore there should be no increase in the overall operating budget in 2001-02. We do have other leases that need to be renewed, such as telephone, one truck, etc., but he felt we could absorb the total loan pay-back in the operating budget.

The State Trust Loan will prepare paper work for the board to approve in an official resolution that will come before the board later. Prior to the resolution being placed on the agenda it must be duly noticed in specified sites. After the vote by the board it again must be properly posted and noticed in specified sites to inform the general public of their rights and recourse to the resolution.

Mr. Reichert said that the board had three options to fund the project. One, in the general operating budget, which isn't possible; Two, Out of the district's Fund Balance which he wouldn't advise; Three, take a loan from the State Trust Fund. The rates are low and competitive and would be the best option. He was directed to pursue the third option and report back to the board with the resolution when done.

At 7:15 p.m. a move to adjourn was made by Mr. Dickman and sec-

onded by Mrs. Maul. Motion approved.

At 7:24 p.m. a motion was made to move into closed session.

Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Village Board is scheduled for Monday, February 19, 2001, at 8:00 p.m. in the Municipal Building, 204 First Street.

The agendas for the meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of St. Francis Bank.

Village Board Meeting Minutes

Mid-Monthly Meeting
January 22, 2001
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President John D. Kenworthy presided. All other Trustee members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Larry Ammel, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the minutes of the January 8, 2001 were approved as printed.

Mr. Wayne Graczyk was in attendance to discuss the School Districts request to alter the location of School Street. The Business Manager and Elementary Principal were also in attendance. The School District suggested abandoning the road ROW and indicated they would maintain the road. Discussion was held by the Village Attorney, Director of Public Work, Police Chief and Administrator. Several points were reviewed as follows:

1) The existing street ROW could not be abandon but an easement given to the School District in turn for an easement from them to the Village for the relocated street/drive.

2) That a plan by an engineer or surveyor be prepared for the proposed change and that a survey be completed for the legal description on the two afore mentioned easements. Also the cost of plans/ specs and survey be paid for by the School District.

3) That the cost of legal expense for the easement preparation and recording be paid by the School District.

4) That the hydrant at the intersection of Second St. and School St. not be relocated. If it would be necessary to relocate the hydrant, the School district would pay for said work.

5) That a maintenance agreement be signed by the School District in reference to the maintenance of School Street for snow, ice, asphalt, curb/gutter, sidewalk, signage, street lighting and ramps.

6) That the new proposed street be built to village standards.

7) That some truck restrictions apply to School Street.

8) That the directional flow of traffic is as the Village proposed. The consensus of the Board was to continue to work with the School District on their request and that once a letter of acknowledgment is received the village would proceed with plans and survey work. The School thanked the Board for their assistance.

The Director of Public Works reported that no bids have been received for the new pick up truck and plow. On a motion by Trustee Larry Ammel, seconded by Trustee Mathew Heiser and unanimously carried by voice vote the Board authorized the readvertising of bids for the new pick up and plow.

Chief of Police Richard L. Knoebel presented the December 2000 report: Criminal arrests 34; Criminal investigations 23; Traffic warnings 79; Traffic citations 13; Adult arrests 32; Juvenile arrests 16; Property stolen \$ 277; Property recovered \$-0-; Parking warnings 103; Parking tags 99.

Director of Public Works, Jerry Gilles reported as follows:

1) The department is experiencing degenerative conditions on the three blocks of water main from Fond du Lac Avenue to Brooklane Drive along Clinton Street and that possible reconstruction of the water

main will need to be addressed in 2002.

2) The Spring Clean up hours for April 7 will be 9:00 a.m. to 2:00 p.m.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review of Taxpayer and League Bulletins.

2) Announcement of the Mid-Moraine Municipal Association meeting scheduled for January 24, 2001.

3) Review of the status of the tax bills for 2000. It was noted that of the 8 cities and villages the Village of Kewaskum came in 3rd lowest in reference to taxes per equalized value.

4) Announced the ballot positions for the April 3, 2001 election as follows:

- 1 - Andrew Pesch
- 2 - Harry Roecker
- 3 - Larry Ammel
- 4 - Thomas Piwoni
- 5 - Kevin Scheunaman

5) Review of correspondence.

Park & Recreation Chairman Trustee John Kenworthy reported on the Committee meeting held earlier this evening as follows:

1) Details were worked out regarding the use of the ball diamonds by the Kewaskum School District. It was noted the School District would handle their own preparation of the diamonds. It was further noted that the School District does not have plans to rebuild either the softball or hardball diamond at the present.

2) The proposals were reviewed for portable toilet service for the parks for the 2001 season. Three proposals were received as follows:

a. Port-A-John, Germantown, WI \$54.00 per unit per month Season estimate (\$1,175.00)

b. Schulties San., Slinger, WI \$55.00 per unit per month Season estimate (\$1,175.00)

c. East Central Pumping Howards Grove, WI \$60.00 per unit per month Season estimate (\$1,260.00)

c. Arnolds, Saukville, WI \$64.00 per unit per week Season estimate (\$1,350.00)

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Larry Ammel and unanimously carried by voice vote, the Board authorized the signing of a contract with the low proposal of Port-A-John at \$54.00 per unit per month.

3) The Administrator and Director of Public Works were directed to proceed with the purchase and news information regarding the concrete street ornamentation. On a motion by Trustee Larry Ammel, seconded by Trustee Harry Roecker and unanimously carried by voice vote the Board directed a letter and news notes be sent out requesting help with the purchase of the concrete benches, flower pots and waste receptacles.

Board Representative for the Plan Commission Trustee Andy Pesch announced a Plan Commission Meeting scheduled for January 23, 2001 at 7:00 p.m.

Board Representative for the Mid-Moraine Municipal Association - Legislative Committee reported the meeting of January 10, 2001. County Administrator Thomas Meaux from Ozaukee County spoke to the group.

It was reported that engineering work has begun on the water main looping on Stark Street along with related work for the construction season.

Action was taken on Resolution No. 2001-03, a Compliance Maintenance Resolution as attached hereto:

On a motion by Trustee Andy Pesch, seconded by Trustee Mathew Heiser and unanimously carried by voice vote the Board approved a pay increase for all election officials at the rate of \$7.00 per hour.

Administrator Daniel Schmidt reported that the EDAC Committee

is still short of a Plan Commission member and that the Chairman needed to resign after moving out of the Village. It was suggested that the Board work to replace both members between now and May when committee appointments are made and that a direction for the Committee be established. The Administrator was asked to prepare a Proclamation for the retiring committee member.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Larry Ammel and carried by the

majority roll call vote, to adjourn to closed session under chapter 19.85(1)(c) of the Statutes to discuss employee performance data and evaluation for Village Employees over which the governmental body has jurisdiction. Roll call vote was 6 "Aye" 0 "Nay" 0 "Absent".

Daniel S. Schmidt

XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, Feb. 7th were: SKAT: Ken Kaschner, 25-5--20 net; Allen Reindl, 21-2--19 net; Bob Reindl, Heart solo vs 4.

SHEEPSHEAD: Martha Kudek, Frank Werhanowicz, Dorothy Etta, Fuzzy Lehnerz and Laura Hammes.

NOTICE OF SPRING PRIMARY AND SAMPLE BALLOTS

FEBRUARY 20, 2001

OFFICE OF THE WASHINGTON COUNTY CLERK
TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a spring primary election to be held in the County of Washington on February 20, 2001, at which the officers named below shall be nominated. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the spring primary election, where lever machines are used, the elector shall depress the lever at the right of the name of the candidate for whom he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the person of his or her choice in the space provided for a write-in vote.

Where marksense voting is used, the elector shall fill in the oval next to the name of the candidate of his or her choice for each office for whom he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the person of his or her choice in the space provided and fill in the oval on the write-in line.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth. Unofficial ballots or a memorandum to assist the elector in casting his or her vote may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official marksense ballot is marked, it shall be inserted in the security sleeve so the marks do not show. After casting his or her vote, the elector shall leave the booth, insert the ballot in the voting device and discard the sleeve. The elector shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

The following is a facsimile of the official ballot:

Each ballot will include the State Superintendent of Public Instruction Office.

OFFICIAL PRIMARY BALLOT
For State Superintendent of Public Instruction

NOTICE TO ELECTORS: THIS BALLOT MAY BE INVALID UNLESS INITIALED BY 2 ELECTION INSPECTORS. IF CAST AS AN ABSENTEE BALLOT, THE BALLOT MUST BEAR THE INITIALS OF THE MUNICIPAL CLERK OR DEPUTY CLERK.

IMPORTANT: USE A #2 PENCIL OR THE MARKING PEN PROVIDED. DO NOT USE RED INK.

To vote for the candidate of your choice, completely darken the oval to the LEFT of the candidate's name, like this . To vote for a person whose name does not appear on the ballot, write the person's name on the line provided and darken the oval.

All polling places are accessible to elderly and disabled voters.

Slinger Speedway Honors Local Drivers

The 2000 season of competition at the Slinger Super Speedway came to a close last Saturday at the track's Annual Awards Banquet held at the Washington County Fair Park Pavilion.

Over \$70,000 in cash and contingency products were distributed to the 70 regular competitors in four divisions with a record crowd of over 700 drivers, crews, family members, track sponsors and fans in attendance.

Taking top honors in the Late Model division was Lowell Bennett of Appleton. This was his second track championship. During the season he won four feature events, took 18 top five finishes, won the Coca-Cola Triple Crown Classic and the Miller Lite Nationals. Five time Slinger Champ, Conrad Morgan of Dousmann finished second this year. He won six features and finished in the top five, 17 times.

Local favorite Brad Mueller of Random Lake finished third after a season that consisted of two feature wins and 19 top 10 finishes. Another local favorite, Dave Prunty, finished fourth in the point standings. He won his first feature, took 16 top 10 finishes and netted seven top qualifying honors.

Mueller, Prunty and late model newcomer Pete Wiedmeyer, are all sponsored by Bob Fish of West Bend. During his acceptance speech, Brad expressed his determination to win the championship in 2001. He "warned" the two "old-pros" (Bennett and Morgan) that the "Bob Fish trio" were going to be more focused this year! "They (Bennett and Morgan) had better look out....cause the three Bob Fish drivers are on track and he (Bradley) plans to win the championship!"

Since Fox Channel Six was going to sponsor the races at the Slinger Super Speedway this year, Brad Mueller said he was going to ask Gus Gosnorski for his help!

Tom Pippins of Fox Channel Six TV was on hand to honor Charlie Thon who finished ninth in the Late Model division. Charlie and his sponsor, Aid Association for Lutherans, donated all his winnings, and with the help of others, raised over \$157,000.00 for the MACC Fund.

Pippins was very impressed with the "family-like-feeling" the drivers expressed throughout the night in their speeches. He is looking forward to working with the promoter, Wayne Erickson, and his staff, for the 2001 season.

With the NASCAR races on TV Fox 6, he feels having the Slinger Speedway "right in Milwaukee's backyard" is an asset to the sport of racing and his station. Thon also took home the plaque for the Best Crew Award.

Late Model driver Mark

Bitzan of Milwaukee won the Rookie of the Year honors and Pete Wiedmeyer of Kewaskum received the Hard Luck Award. Donovan Morgan was voted the new and up-coming star of the Late Model division and Lowell Bennett took the top honor of Most Popular Driver in that division.

Kewaskum/Lomira's Dennis Prunty once again dominated the Midwest Modified division this year. He successfully defended his track championship with nine feature wins and eight fast qualifying times. After accepting his award, Prunty announced his plans to move into the late model division for the 2001 season.

His brother, Dale Prunty of Kewaskum, won two features and finished in the top five 12 times to claim fourth place in the point standings. Dale will continue in the modified division, hoping to follow in his brother's "modified tracks" by taking the 2001 Championship.

Eddie Grober of Milwaukee, a former dirt modified driver at Plymouth, won the Modified Rookie of the Year honors. Gregory Legate of Kewaskum finished 15th in the Modified Point standings for his rookie year. All the drivers received contingency gifts and monies. Most popular in the modified division were the Prunty Brothers.

Mark Ritger of St. Cloud claimed his fifth track Figure 8 Championship. He won three feature events and finished in the top three 12 times to capture the top position. His wife Candy was voted Best Crew for the 2000 Season by her peers and Mark was voted the Most Popular Driver in the Figure 8 division by the fans.

The Ritgers have dedicated their lives to the sport of racing. There is no one who is as dedicated to the events at Slinger as they are. Mark and Candy help for the enduro at the end of the year by driving a push vehicle around the top of the track, a very dangerous job. Candy says.. "Mark, lives and breaths racing, so I just joined in and now I love it too."

Dan and Mark Jung, Mark and Ken Fogel and the team of Robert Meyers and Duane Olbinski were recognized for their efforts in the new division called Team Cruisers. This is where the driver has the steering wheel and the brake and the passenger has the gas pedal. It's very interesting to watch to see which team has the best coordination!

The Slinger Super Speedway is once again offering a Season Pass package for the fans. The season pass allows fans to enjoy the racing action at every regular Sunday night program at the speedway as well as the Rusty Wallace Special in

A proud father and his racing sons, left to right, Doug Prunty Jr., Dan Prunty, Dale Prunty, Dad Doug Prunty Sr., Dennis Prunty and David Prunty.

The Bob Fish Trio includes David Prunty, Pete Wiedmeyer and Bradley Mueller.

June. Season pass holders will have the opportunity to watch the races with Rusty Wallace from the VIP pavilion area with catering provided.

Season pass holders also receive \$4.00 off tickets for the Miller Lite Nationals on July 17th. Season Passes are \$170.00, which represents a savings of \$83.00 off the regular admission prices. Season Passes are not valid for the Season Opener. Fans wishing to purchase 2001 season passes should send a check or money order made out to Slinger Super Speedway to: Lanae Weyer, PR Director, 11812 W. Mill Rd. Milwaukee, WI 53225 or call 414-358-1525.

The 2001 season begins with a practice day on Saturday, April 21. Gates will open at noon and admission is free for all spectators in the grandstand area. They will be able to watch the drivers as they have the opportunity to test and fine-tune their cars. The first racing event of the 2001 season is the Miller Genuine Draft Twin 75's Spring Opener, set for Sunday afternoon April 22nd. For more information and updates, visit their website at www.slingersuperspeedway.com. See you at the races!!!

Candy and Mark Ritger, the best team in Figure Eight racing at Slinger Raceway.

Statewide Trail Network Plan Approved By DNR

MADISON -- A plan for a statewide trail network that is intended to provide the vision of a comprehensive system of trails across Wisconsin received final approval from the state Natural Resources Board at its January meeting.

"This plan provides us with a long-term, big-picture vision for establishing a comprehensive trail network for the state," said Sue Black, director of Wisconsin State Parks.

The State Trail Network Plan -- which the board approved as an amendment to the State Trail Strategic Plan -- focuses on meeting recreational opportunities for trails. It identifies existing and proposed trails and connections that would serve as the main corridors for a statewide trail system.

"The plan doesn't include every trail in the state, just the major arteries," explained Danielle Valvassori, DNR state trails coordinator. "It focuses mainly on abandoned rail corridors, utility corridors, critical road connections and natural feature corridors such as the Ice Age National and State Scenic Trail that link places where people live and play, natural resource features, public lands and interstate connections," Valvassori said.

The plan recognizes the important role that trails developed by local units of governments serve as critical links, and under the plan, DNR staff will continue to work with local unit of government and encourage them to connect trails onto this network as they update local plans.

"The plan is based on the principle that trails are critical as both transportation and recreation corridors, that they improve the quality of life for all of the citizens in the state by providing economic, health, environmental and social benefits," Valvassori said.

Additionally, the plan is consistent with the Wisconsin Department of Transportation's Wisconsin Bicycle Transportation Plan 2020.

The plan does not address ecological or management aspects of the trail corridors or specifics of individual trails, such as what types of uses would be permitted or what type of surface a trail should have. Those issues, Valvassori said, will continue to be addressed through the master planning process once specific trail projects are approved.

The department received more than 350 comments during the public review process in October 2000. "We appreciate the time and effort that people put into sending in comments and incorporated many suggestions into the plan. It reflects the level of interest

and commitment people have to trails in the state," she said.

While the plan provides a vision for future trail development, Valvassori cautions that people should not expect all the corridors and trails identified to be acquired and developed in the immediate future. "This vision won't happen overnight," she said. "The corridors have to become available, funding needs to be earmarked for acquisition and development and we need the partners willing to work with us to develop and maintain the trails."

The final plan is available on the DNR World Wide Web Site, by clicking on the "outdoor activities," then, "State Parks & Campgrounds," then "Plans and Reports" links to reach the URL <http://www.dnr.state.wi.us/org/land/parks/reports/tails/index.html>. Printed copies are available by calling (608) 266-2181.

Gildersleeve Earns Two Medals At Badger State Games

The 13th Annual Badger State Winter Games were held February 2-4 in Wausau and their surrounding communities.

The First Place Gold Medal was earned by John Gildersleeve of Kewaskum in the downhill slalom course for his age group, which is 26-29. There were 117 participants from 10 and under to 60 and John was second overall for the event.

The second medal John won was the Bronze Third Place for snowboarding the giant slalom course.

DNR Outdoor Report

February 6, 2001

With recent freeze-thaw cycles across Wisconsin, snow conditions vary considerably in different parts of the state.

Much of southern and central Wisconsin are reporting a hard crust of snow has formed over remaining snowcover. No substantial new snow has fallen in the state, and many counties in southern and central Wisconsin are reporting snowmobile trails either closed or in poor condition.

However, a dusting of new snow has improved conditions for cross-country skiers. Most southern and central state parks and forests are reporting cross-country ski trail conditions ranging from fair to good.

The Southern Unit of the Kettle Moraine State Forests reports that despite no recent snow, trails remain snow-covered and in excellent to very good condition for state skiers. Many parks and forests report that due to the hard snow crust, it has been difficult to set new tracks for diagonal stride skiers and the classic trails are now hard and icy. Snow conditions throughout most of northern Wisconsin remain good to excellent for both snowmobilers and cross-country skiers.

With rain in the forecast for the more southern part of the state this past week, parks and forests are again encouraging people to call ahead to confirm that any of the remaining candlelight ski events scheduled will be held as planned.

The freeze-thaw cycle has generally improved access to many lakes across the

state, by melting the ruts that had formed on the ice in many areas.

However, many lakes refroze to a smooth surface and walking on that ice can be very slippery. In the north, slush on the lakes continues to be a big problem for access to both anglers and snowmobilers, who are being urged to stay on marked or previously traveled roads and paths.

The mid-winter slowdown for walleye fishing has continued in most locations, but some excellent northern pike and panfish fishing continues to be reported across the state. Some very good crappie fishing was reported in the Hayward area and Taylor County lakes.

Perch fishing continues to be good in Vilas and Oneida county waters. Some excellent bluegill fishing was being reported from the deeper waters of Northern lakes, in the shallows of central Wisconsin flowages and in the south on Waukesha County lakes.

Ice conditions were good on Lake Winnebago for the sturgeon spearing that opened. The season will run until the harvest cap is reached, which last year took only two days.

Along Lake Michigan, perch action on the Green Bay has remained very inconsistent. Lake Michigan tributaries are starting to open up but fishing has been slow. And only a few brown trout were reportedly being caught in the Port Washington and Racine harbors.

Cardinals and chickadees have reportedly started singing in anticipation of their upcoming courtship. A large irruption of goldfinches was reported in the Woodruff area, and a varied thrush, species that breeds

in the western United States, has been observed at a bird feeder in the Port Wing area all winter.

Kestrels, our smallest hawk, have returned and been seen in different parts of the state. Rough-legged hawks, which are typical winter residents, have been seen with regularity, but red-tailed hawks have also been present all winter. Late afternoon and evening listeners have been treated to the ever-increasing calls of barred owls, as their breeding moves into full swing.

Squirrels, foxes and coyotes are all on the run as they move into their breeding cycles. The recent warm spell encouraged some species that sleep deeply but do not hibernate, including raccoons, opossums and skunks to come out of their winter dens. And reportedly the clink of tin buckets can be heard in sugar camps as syrup collectors have started cleaning equipment and preparing for their season.

KHS Girls' Dominate Sheboygan Falls, 48-22

SHEBOYGAN FALLS - The Kewaskum girls hadn't won a game since December 22, when they beat Sheboygan Falls on Kewaskum's home court. The win on Tuesday, February 6th, snapped an eight game losing streak that has seen the Lady Indians improving, but the improvement hadn't given them any wins. The Indians played great defense that was reflected from the start of the game when they scored nine unanswered points to take a 9-0 lead. Falls didn't help their cause as they committed six turnovers in the first quarter. Both Dani Nass and Heather Rieder each scored two buckets and a free throw by Colleen Gosa put the Indians up 9-2 at the end of the first quarter.

Nass scored two additional baskets to put the Indians up 13-2 before the Falcons scored another basket and made a free throw to cut Kewaskum's lead to 13-5. While Kewaskum was playing impressive defense their offense spurred a bit until Nass and teammate Cassie Patterson used their height advantage to go on a scoring spree. Nass and Patterson scored seven and six points respectively to give the Indians a total of 13 points in the second quarter. Falls scored only six points and Kewaskum's lead

increased to 22-8 at the end of the first half.

Kewaskum started the third quarter by committing five straight turnovers before they even got a shot off. The Falcons only converted on one of the five opportunities and thus only slightly dented the 22-10 Kewaskum lead. Katie Klug, Nass, Rieder and Patterson combined for four baskets and Kewaskum increased their lead to 32-12, before the Falcons found the range for two baskets. Kewaskum found themselves on top 32-16 at the end of the third quarter.

Two free throws by Nass, and baskets by Polzean, Gosa and a banked three pointer by Jenny Koth put the Indians on top 43-16 and it was time for Coach Ann Sonnabend to clear the bench. Kewaskum scored 16 points and Falls scored six points in the fourth quarter. Two additional Kewaskum players that had been moved up, freshman Beth Boedeker and sophomore Becky Herriges saw their first varsity action in the fourth quarter.

Kewaskum dominated the boards 43 versus 24 for Falls with Nass, Patterson, and Gosa collecting 13, 9, and 8 rebounds respectively.

Kewaskum committed 22 turnovers for the game and was seven for 23 from the

free throw line.

Kewaskum's record in now 2-11 in conference and 4-14 overall.

Kewaskum will be traveling to Campbellsport for their last conference game on Thursday, February 15th.

Kewaskum scoring: Nass 17, Rieder 8, Patterson 8, Klug 4, Gosa 3, Koth 3, Polzean 2, Boedeker 2, M. Herriges 1. Total 48.

Kewaskum rebounds: Nass 13, Patterson 9, Gosa 8, Koth 3, Klug 3, Rinzel 2, Rieder 1, Polzean 1, M. Herriges 1, Boedeker 1, B. Herriges 1. Total 43.

Kewaskum assists: Rinzel 4, Rieder 3, Gosa 2, Polzean 2, Koth 2, B. Herriges 1, M. Herriges 1.

Total 15.

Sheboygan Falls scoring: Richardson 4, Weber 4, Curtiss 4, Luedtke 3, Ewald 3, Behnke 2, Servant 2. Total 22.

Youth Basketball Tryouts for 8th Grade Team

Kewaskum Youth Basketball is holding a tryout for eighth grade boys to form a traveling basketball team.

The team is open to any students that are planning to attend Kewaskum High School next school year. The team will play in tourna-

ments on weekends during the months of March and April.

The purpose of the team is to provide an opportunity for players from the Kewaskum School District to continue playing basketball and give the athletes a chance to play with some of the other basketball players from the other middle schools in the area.

The tryout will be held on Saturday, February 17, at the Kewaskum Middle School gym from 12 until 1:30. If you have any questions please contact Coach Nordeng at work, 626-8427, extension 4256, or at home at 626-1572.
