Steinhardt Leads in School Race New Faces on Kewaskum Village Board

By Andrew R. Kuehl
Staff Writer/Photographer

Over 400 votes were cast in Tuesday's Spring Election for the Village of Kewaskum. 2,077 residents are registered to vote in the village. Voters decided it was time for a change ousting veteran Harry Roecker.

In the race for Village President **John Kenworthy** ran unopposed. Kenworthy received 338 votes. There were two write-in votes for the following: Gary Gavin and Kevin Scheunemann.

Larry Ammel was the favorite with 342 votes. He will receive a two year term.

Andy Pesch had the second highest number of votes. He received 287. Pesch will also serve another two year term.

Thomas J. Piwoni, a rookie to the board had the third highest number of votes. He will serve the last two year term that was up for grabs.

Piwoni received 264 votes.

Kevin Scheunemann who ran a large campaign, one of the largest this village has ever seen got the last seat available, a one year term left by village president John Kenworthy. Scheunemann received 246 votes. He will be up for re-election next year. After his victory Scheunemann told the Statesman "I am excited the Village of Kewaskum residents elected me, I hope to do my best."

Harry Roecker who had served four terms was unsuccessful with 227 votes.

Write-in votes were cast for the following: Gary Gavin, Jeff Jaeger, David Goeden and Doug Polzean.

In the Kewaskum School Board race new comer **Mark Steinhardt** garnered 963 votes and will be serving a three year term along with **John Schulte** who received 897 with most of them coming from the town of Scott.

Steinhardt was a big favorite in the Village of Kewaskum and Town of Farmington.

Mary Meisser who had been on the board for two three year terms will receive the one year term left by Larry Fechter. "I look forward to working with the board for a year and offer congratulations to Mark on his successful race," said Meisser. She also said it was too early to tell if she will seek re-election after her one year term but it was likely she would.

Greg Ogi, Clark Pearson, Bill Schwinn, Joe Sekeres, Nancy Sekeres, Scott Briske, Doug Gonring, Neal Weare and Kevin Scheunemann all received write in votes.

Washington County results for the spring election can be found by visiting the county's website at:

www.co.washington.wi.us

Easter Egg Hunt Saturday, April 14

The Kewaskum American Legion, Robert G. Romaine Post 3844, and the Women's Auxiliary will hold its annual Easter Egg Hunt for Children in River Hill Park at 1:00 p.m. on Saturday, April 14.

All area children are invited to participate in this annual scramble for colored eggs. This year as in the past, Mr. and Mrs. Easter Bunny wills top by to visit with the kiddies, courtesy of the Kewaskum Junior Women's Club.

Children age five and under will "hunt" eggs on the west side of the river and those ages six through ten will do their hunting on the east side of the river. The limit is six eggs per basket.

Chocolate Easter eggs being given to all the little egg "hunters" were donated by Gil and Chris Delario.

In case of inclement weather, Legion members will hand out eggs at Legion Hall, 1538 Fond du Lac Ave., in the Village.

Over \$2,000 in Rare Coins Stolen From Antique Mall

By Andrew R. Kuehl
Staff Writer/Photographer

A vendor at the General Store Antique Mall reported an estimated \$2,035 in rare collector coins were stolen from her booth inside the store.

The store manager Onna Swan, called police March 21 to report the theft. At that time she said the store was busy during the day and she did not recall anyone acting suspicious. She did recall that the coins were in the store when it closed the night before.

Officer Robert Buddenhagen reported that after looking at the case it would

be possible to pry the lock open, "this could have been done by separating the front side of the case, possibly with a screwdriver. They most likely reached in with another slim instrument and bent the inside latch, which would make the lock accessible to opening," he said.

The wife of the coins' owner discovered the theft when she visited their booth space.

The case remains open at this time. If anyone has information they can call the Kewaskum Police Department at 262-626-2323 or a confidential tip line at 1-800-232-0594.

Two Injured After Car Collides With Semi

By Andrew R. Kuehl

TOWN OF AUBURN- Two Kewaskum residents were injured as a result of a motor vehicle accident shortly after 7 p.m. Friday evening.

Thomas Knorr, 57 was pulling out of his driveway on to Hwy 45, south of Sandy Drive, when he was struck by a northbound semi tractor/trailer owned by Timblin Transit of Eden.

The driver of the semi was Theodore J. Immel, 32, of Fond du Lac. Immel was uninjured.

Upon impacting the semi, Knorr's vehicle spun counter

clockwise striking the gas tank of the semi on the driver's side. Knorr continued to spin until his vehicle came to rest in a field west of Hwy 45.

Barbara J. Knorr, 52, was a passenger in the vehicle.

Both Knorr and his wife were taken to St. Joseph's Community Hospital in West Bend by Kewaskum Rescue Squad.

According to a hospital spokeswoman Thomas Knorr was treated and released. Barbara Knorr was discharged Tuesday.

Registration, Screening for Four-Year-Old Kindergarten

The Kewaskum School District will be offering a four-year-old kindergarten beginning in the fall of 2001. This four-year-old kindergarten will be four half days per week, Monday through Thursday. There will be a morning and an afternoon class.

The district annually screens children living in the district who are four years old. Areas of screening include speech/language, vision, hearing and readiness skills.

This year they will be offering required immunizations at the screening by the county nurse. You must bring your child's current immunization record in order to receive required immunizations. You also need to bring your child's birth certificate and social security number for registration. Your child's screening results will be mailed to you.

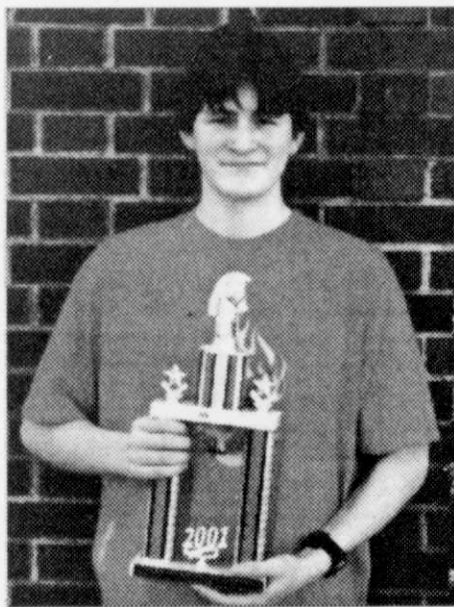

Though this screening is voluntary, parents are urged to have their children who will be four on or before September 1, 2001 participate.

In conjunction with this annual four-year-old screening, the district is required to provide screening for those preschool children ages three (on or before September 1, 2001) through five for whom there is reasonable cause to believe a disability exists.

Please call 626-8427 extension 8001 to schedule an appointment for the four-year-old screening, or to schedule an appointment for a three, four or five-year-old suspected of having a disability.

Screening and registration (for the four-year-old kindergarten) will be conducted April 26, 27 and 28 at the Kewaskum Elementary School.

Matthew Schladweiler Is State Chess Champion

An eighth grade Kewaskum Middle School student will be carrying the Wisconsin state flag at the opening of the Chess Nationals held in Kansas City, Missouri April 26th through the 29th.

Matthew Schladweiler, son of Tim and Tammy, was the state chess champion of the kindergarten through eighth grade students at the

state finals held in Oshkosh March 17 and 18.

In order to pay for the trip to Nationals, Matthew and his family held a brat fry at Piggly Wiggly in Kewaskum on Wednesday. They are also asking for donations from local businesses. If you would like to contribute to Matthew's trip to Nationals please contact the Kewaskum Middle School office at 626-2166.

The Crucifixion

A medical doctor provides a physical description: The cross is placed on the ground and the exhausted man is quickly thrown backwards with his shoulders against the wood. The legionnaire feels for the depression at the front of the wrist. He drives a heavy, square wrought iron nail through the wrist deep into the wood. Quickly, he moves to the other side and repeats the action, being careful not to pull the arms too tightly, but to allow some flex and movement. The cross is then lifted into place. The left foot is pressed backward against the right foot, and with both feet extended, toes down, a nail is driven through the arch of each, leaving the knees flexed. The victim is now crucified. As he slowly sags down with more weight on the nails in the wrists, excruciating fiery pain shoots along the fingers and up the arms to explode in the brain - the nails in the wrists are putting pressure on the median nerves. As he pushes himself upward to avoid this stretching torment, he places the full weight on the nail through his feet. Again he feels the searing agony of the nail tearing through the nerves between the bones of his feet. As the arms fatigue, cramps sweep through his muscles, knotting them deep relentless, throbbing pain. With these cramps comes the inability to push himself upward to breathe. Air can be drawn into the lungs but not exhaled. He fights to raise himself in order to get even one small breath. Finally, carbon dioxide builds up in the lungs and in the

blood stream, and the cramps partially subsided. Spasmodically, he is able to push himself upward to exhale and bring in life-giving oxygen.

Hours of limitless pain, cycles of twisting, joint wrenching cramps, intermittent partial asphyxiation, searing pain as tissue is torn from his lacerated back as he moves up and down against rough timber. Then another agony begins: a deep, crushing pain deep in the chest as the pericardium slowly fills with serum and begins to compress the heart. It is now almost over. The loss of tissue fluids has reached a critical level - the compressed heart is struggling to pump heavy, thick, sluggish blood into the tissues and the tortured lungs are making frantic effort to gasp in small gulps of air. He can feel the chill of death creeping through his tissues.

Finally, he can allow his body to die. All this the Bible records with the simple words, "and they crucified Him", (Mark 15:24).

What wondrous love is this? Many people don't know that pain and suffering our Lord, Jesus Christ went through for us... Because of the brutality, crucifixion was given a sentence to only its worst offenders of the law. Thieves, murderers, and rapists would be the types of creeps who got crucified. Yet, here Jesus is being crucified between two hardened criminals... What did Jesus do? Did he murder anyone? Did he steal anything? The answer as we all know is NO!! Jesus did nothing to deserve this type of death, yet he went willing to die, in between two thieves, so that we might be saved. And there, in between the sinners, was our slain savior for our sins.

Public Says Sell Beechwood School

Shown above are electors who attended last Thursday's special school board meeting to sell the Beechwood School property. John Schulte chaired a meeting of the electors of the school district Thursday night. Superintendent Wayne Gracyzk informed the electors that the building would be sold without the flagpole and school bell. The two items are hoped to be preserved for the sake of past attendees of the school. Schulte also led the discussion telling the audience that "I think we should give the school board the authority to sell." Not one member of the audience disagreed. Gordie Dickmann read a motion giving the school board the authority to sell the property known as the Beechwood school. Kewaskum resident Pat Schultz seconded the motion. The vote was unanimous. The whole procedure took about 10 minutes and when it was done members of the audience clapped. The school board in February of 1986 decided to discontinue the use of the school citing low enrollment and budget issues.

DMV Road Test Can Be Scheduled Online

The Automated Road Test Scheduling (ARTS) system made its debut on the World Wide Web earlier this month. The Division of Motor Vehicles launched the ARTS site making it possible for drivers to schedule, reschedule or cancel a road test appointment.

There are many advantages to scheduling a road test online.

- The ARTS system is very simple to use with step-by-step instructions.

- The test scheduler can surf to find the most convenient time and location.

- In addition to scheduling, the system makes it very easy to reschedule or cancel an appointment.

- Appointment date, time and location can be printed as a reminder.

- The ARTS system allows an appointment to be scheduled up to 11 weeks in advance.

- Three days prior to the scheduled road test date, the ARTS system will call to confirm a previously sched-

uled date, time and location. This is done automatically.

The ARTS system can be accessed at www.dot.state.wi.us and click on the Skills Road Test icon.

All that is needed to make an appointment online is a social security or driver license number and date of birth. A phone number where the driver can be reached between 5 and 8 p.m. should be provided, so a reminder call can be made.

Project leader Jim Vincent notes that once again the Wisconsin Department of Transportation is ahead of most other states in its effort to harness the power and convenience of the Internet. He is unaware of any other states offering this service. "DMV is committed to serving all of its customers effectively and efficiently, and this is just one more way that we can do that," said Roger Cross, DMV administrator.

For those who do not have access to the Internet,

tests can be automatically scheduled in much the same manner with the use of a touch-tone phone.

Nature cannot jump from winter without a spring, or from summer without a fall.

Burmester is New DPI Superintendent

By Andrew R. Kuehl
Staff Writer/Photographer

Madison West High School's principal Elizabeth "Libby" Burmester of Madison will be the new superintendent of Wisconsin schools after defeating Linda Cross who has tried for the position three times now.

Burmester received 59.9% of the votes. She received 408,343 votes.

Her opponent Linda Cross received 273,834 votes.

This was the only contested statewide race this spring. Burmester will replace John Benson, who is retiring.

Burmester holds a Bachelor's degree, UW - Madison, 1976; Master's

degree, UW-Madison, 1984; postgraduate work toward doctorate, University of Wisconsin-Madison.

Burmester is married to John; the two have three children.

Lions Chicken BBQ July 8

It has been brought to our attention that the date for the annual chicken BBQ mentioned in the article submitted by the Lions Club last week was incorrect.

The correct date for this year's annual Lions Club Chicken BBQ is Sunday, July 8.

Kewaskum 'Criminals' Raise Over \$20,000 for MDA

The law finally caught up with him. Father Mark Jones of Holy Trinity Parish was arrested and put behind bars for the MDA jail and bail. Father was accused of "threatening parishioners with longer homilies" which is how he and "his partner in crime" raised \$3,335.46 to get themselves out of lock up and back to their normal lives. Nearly \$20,000 was raised through the lock-up of certain Kewaskum "criminals".

Holy Trinity School principal June Gauvin was "guilty by association." More photos can be seen by visiting the parish website <www.htkewaskumcye.com/mda.htm>

C.C. Appreciation Buffet, Fashion Show April 25

The 11th Annual Appreciation Evening Buffet and Style Show presented by the Kewaskum Area Chamber of Commerce will be held on Wednesday, April 25 at the Amerahn, Highway 45 north of Kewaskum.

Doors will open at 5 p.m. with dining at 6 p.m. and the style show will be held immediately following the meal. This is the only one of its kind in the Washington County area.

There will be booths set up by area business people for you to browse through and lots of unique raffle prizes for you to take a chance on, so be sure to come early.

This is also an opportunity for area businesses to display their merchandise and services to the evening's guests. Booth space will be available to rent for \$15.00. For more information or to reserve your tickets please contact Co-ordinator Wendi Dreher at 626-2428.

Steiner - Brennan

The marriage vows of Laurie Jean Steiner and Joseph Matthew Brennan were blessed during a September 2, 2000 ceremony at Holy Trinity Catholic Church, Kewaskum with Father Mark Jones presiding.

Parents of the couple are Carl and Judy Steiner, Kewaskum, Mary Ellen Brennan of Evansville, WI, and the late Robert Brennan.

Lisa Fahrenkrug, Campbellsport, sister of the bride and Suzanne Goeden, Kewaskum, friend of the bride, shared matron of honor duties. Bridesmaids included Beth Steiner and Becky Steiner, Kewaskum, both sisters-in-law of the bride.

The best man was Larry Schwartzlow, Janesville, friend of the groom, and groomsmen included Mike Brennan, Mc Farland, brother of the groom, John Brennan, West Allis, brother of the groom, and Mike Steindl, Janesville, MN friend of the groom.

Erica, Brooke and Lexie

Steiner, and Megan, Amanda, Christina and Brittany Brennan all served as flower girls for the ceremony.

The bride's personal attendants were Dorie Heinze and Rhonda Heisdorf.

Greeters were Nathan and Justin Steiner and James, Joseph and Michael Brennan.

Ushers for the ceremony were Rick Steiner, West Bend, Carl Steiner, Jr., Campbellsport, Terri Brennan, Mequon, and Tom Brennan, Mc Farland.

A reception, dinner and dance was held at the Richfield Chalet following the ceremony.

The couple traveled to Hawaii for their honeymoon.

The bride is a Registered Nurse at the West Bend Surgery Center and her husband is employed by DHL Worldwide Express.

The couple is residing in Slinger.

Pace Offers Scholarship

Two \$500 scholarships are available to assist Washington County women who are enrolling in a program of postsecondary education during the 2001-2002 school year. The scholarships are open to women over the age of 21 from Washington County or attending school in the county.

These scholarships are awarded on the basis of financial need. Two personal letters of recommendation and a personal interview are required along with the application. Application deadline is May 1.

If interested in applying contact Jane Weaver at West Bend Mutual Insurance Company, 334-6419, to request an application.

Who Can We Count On?

by Ami

Some of the words that connect us to the title subject are: Mrs. Faithful! Mr. Dependable! Master Accountable! Ms. Reliable! And they are words that call forth respect; accountability; and dependability! We set our faces square into facing the cold and dormancy of the winter season. Part of giving us the courage to do so has to do with our foreknowledge that one day that frigid season will end providing us with the beauty of spring's GREEN UP TIME.

Today I spied my first sighting of flocks of returning Robins and Red Wing blackbirds. A pair of Mallard ducks also presented themselves house hunting along our creek bed. "Who can we count on" immediately crossed my mind. The general populace has been complaining about the long winter; however the bird-return proves to me once again that we can count on Mother Nature. To be sure, sometimes she is late in keeping her word. But given time; we, and all of our Wisconsin plants, forests and animals can count on her. A joyful spring time to you one and all!

Oppermann - Weseljak

The wedding celebration of Stacy Oppermann and Robert Weseljak took place October 14, 2000 at St. John's Lutheran Church in New Fane with Pastor Mark Eckert officiating.

Parents of the couple are Wayne and Carol Oppermann of Campbellsport and Lorraine Friedrich of Hartford and Karl Weseljak of Sussex.

Jeremy Henrichs and Matt Kowalski, godchildren of the bride and groom, assisted with the aisle runner. Lighting candles and ringing the church bell was Mark Oppermann, uncle of the bride.

Jennifer Henrichs, niece of the bride, was the maid of honor. Bridesmaids included

Lisa Oppermann, cousin of the bride and Michelle Jacak, friend of the bride. Candy Hansen, cousin of the bride, served as personal attendant.

Rich Vertz, friend of the groom, was the best man. Steve Weseljak, brother of the groom, and Jeff Henrichs, brother of the bride, were groomsmen.

Ushers for the ceremony were Robert Katka, friend of the groom, and Greg Bahr, friend of the couple. Sandra Lorenz, friend of the couple, was the wedding hostess.

A pig roast was held at St. John's Fellowship Hall following the ceremony.

The couple is residing in Sheboygan.

Quad Tool Holds Open House

Dave Bubnitz, one of the owners of Quad Tool, shows Kewaskum High School students his trade during the "Tooling Around Town" open house held on Wednesday, March 28th.

"Tooling Around Town" was the theme for the Open House held on Wednesday, March 28, from 3:30 to 6:30 p.m. at Quad Tool & Design in Kewaskum.

Thirty-seven other tool and die companies in southeastern Wisconsin also opened their doors to the public. This event was sponsored by the Tool, Die and Machining Association of Wisconsin.

The tour was organized to give students a look at what transpires in the tooling and machining trade. Many still picture a machine shop as a dirty,

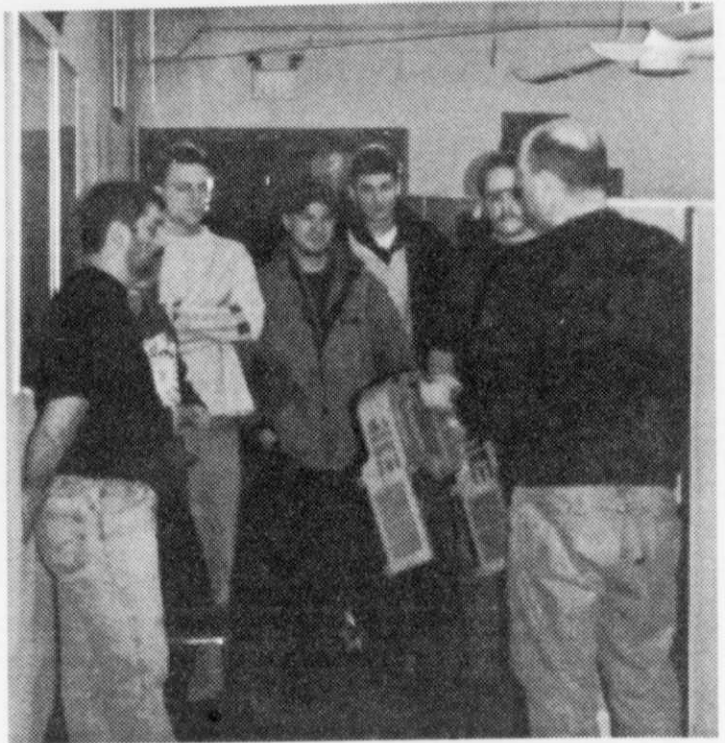

greasy place to work. The tour gave students and their parents the opportunity to see a modern, clean, air-conditioned shop where much of the work is computer-controlled.

Quad has had many students that have started out doing clean-up jobs while in high school, who then went on to tech school (while still working), to get their degree in the tool and die trade, and then completed several years under the apprentice-

ship program at Quad.

The U.S. Bureau of Labor Statistics considers tool and die making to be good-paying work with plenty of positions such as tool and die makers, plastic mold-makers or continuing with a degree in design, engineering or management.

Quad would like to thank everyone who attended their "Tooling Around Town" tour and hopefully some of the students that

Mike Spuhler, co-owner, far left, discusses the different aspects of Quad Tools with KHS students while on a tour of the plant.

attended will pursue a career in this technical field.

Moraine Park Technical College was also represent-

ed at Quad Tool and other open houses. Quad would also like to extend their thanks to Moraine Park for their support.

Kiwanis Presents Donation to Fire Department

The Kewaskum Kiwanis Club presented the Kewaskum Fire Department with a check for \$1,500 to help fund the purchase of a Thermal Imaging camera. Shown above left to right are Gil Kowalczyk Kiwanis Treasurer, Larry Ammel Kiwanis Vice President, Mark Groeschel Kewaskum Fire Chief, Tim Miller, Kewaskum Fire Department. Statesman Photo: Andrew Kuehl

Outstanding Conservation Awards Presented

Donald Kurer and Kenneth Ramthun were honored by the Kewaskum Kiwanis Club on January 15 for their commitment to conservation. The Kiwanis Outstanding Conservation Awards have been presented annually since 1958 to individuals in the Kewaskum area who have demonstrated an ethic of protecting our resources.

Program chairman, Roy Esser, and Kiwanis president, Dr. Greg Ogi, presented Kurer and Ramthun with a plaque for their conservation actions following a banquet and presentation held in their honor.

With an interest in protecting our resources, Donald Kurer pursued a career in soil and water conservation and received a degree in soils and agronomy from UW Madison. He began his career with the Soil Conservation Service, now the Natural Resources Conservation Service, in 1958 as a soil scientist and spent his early years mapping soils in the southeast part of the state.

In 1968 Don landed a soil conservationist position in Washington County where his soils background was welcomed in conducting soils investigations for farm and land use planning. He worked with numerous area farmers to apply conservation management practices on the land in Washington County.

Kurer used his own property in the Town of Wayne as a showcase for numerous conservation practices. He installed 40 acres of contour strips, 15 acres of wildlife habitat, 2 wildlife ponds, 6,000 feet of hedgerows, 2,890 feet of waterways, a 750 foot diversion and a 485 foot terrace.

In addition to contour strips, Don used hay in rota-

tion, conservation tillage, and in recent years, no-till farming to keep his soil losses down. Next year the majority of Kurers' acres will be planted to conservation cover through the Conservation Reserve Program.

Don retired from the Soil Conservation Service in 1987 and remains active in conservation groups and the community. Kurer enjoyed serving two years on the Wayne Town Planning Commission and his efforts are appreciated.

The Kiwanis also rewarded Kenneth Ramthun for his commitment to conservation. Ramthun along with his wife, Carol and children, Tim (19), John (18), Tom (17) and Debbie (14) raise beef at their home farm in Section 36 of Barton. They use a drive-by feeding system to ease the workload.

To keep soil losses down,

Ramthuns maintain field strips and waterways on the farm. Ken and his sons grow a combination of corn, soybeans, grain and hay on the land they operate. Besides using hay to keep soil losses down they also use conservation tillage. New to the operation this year was 130 acres of no-till soybeans.

Ken has made his share of improvements on the farm. For starters, he had put an extension on the main barn and a new silo in 1974. Then in the fall of 1992, they put up another shelter and lot to the west of the existing buildings.

This past year Ken and his sons teamed up with the Land Conservation Department to put in an off-lot-settling basin through the priority watershed program. Now runoff from both their east and west lots will drain to a basin where the solids will settle out and the runoff will be drained to a

grassed area to filter the nutrients out.

Another conservation practice Ramthun has been working on in the recent past, is a nutrient management plan on his crop acres. This plan entails looking at crop fertilizer needs, soil testing and taking credit for plow down hay and manure applied to eliminate unnecessary nutrient inputs which is sound economic and environmental management.

Ken and his sons have noticed not only how nutrient management effects their crops, but also how it effects the health of their soil.

Congratulations to both Donald Kurer and Kenneth Ramthun on their commitment to protecting our precious resources and we wish them continued success.

Free Christian Concert Apr. 6

Lighthouse Ministries Inc., a nondenominational ministry, which has been putting on concerts for the past 14 years, invites the public to a free Christian concert with a coffeehouse atmosphere on Friday, April 6 from 7 to 10 p.m.

The guest will be recording artist "Voices of Peace" from Potter, WI. This four-member group will bring a well blended mixture of Southern Gospel, bluegrass, and traditional hymns to the Lighthouse stage. A special feature about the group is one of its members, Amy Jandrey, interprets the songs into sign language.

Also this evening singer Leanne Kincaid from Crandon, will bring selections from the Bill Gaither Trio with a Patsy Cline sound.

Pizza, popcorn and soda will be available. Door prizes will be given away. Lighthouse meets at Silverbrook School, 120 N. Silverbrook Street, West Bend, enter and park in rear of school. For more information call 262-338-0205 or 262-677-2952.

David Nigh Ordained to Gospel Ministry in Florida

David Nigh

Former Kewaskum resident, business owner and local government official, David E. Nigh, was ordained to the gospel ministry on February 25, 2001, at Hickory Tree Road Community Church in St. Cloud, Florida.

Nigh was associated with Kewaskum Frozen Foods for over 30 years and was also very active in community affairs. He served on the Kewaskum Village Board 12 years including a term as president. He was also a member of the Kewaskum Fire Department for 15 years and served a number of years on the Board of Directors of St. Joseph's Community Hospital.

Nigh and his wife, Bar-

bara, moved to St. Cloud in 1992 and Dave enrolled at Florida Bible College in Kissimmee, graduating summa cum laude in May of 1996. The Nighs then served as foreign missionaries with Campus Crusade for Christ, spending one year in Kaliningrad, Russia, and two years in Kaunas, Lithuania.

Upon returning to the states, both Dave and Barbara worked at Campus Crusade International Headquarters in Orlando. In April of 2000, Hickory Tree Road Community Church asked Dave to serve as their interim pastor and in December called him to full-time pastorate.

Hickory Tree Road Community Church is a non-denominational church committed to serving the Lord Jesus Christ. The Nighs invite local residents to attend services when visiting or vacationing in the St. Cloud, Kissimmee or Orlando area. The church is located at 1215 N. Hickory Tree Road, St. Cloud, Florida 34771. The phone number is 407-892-1668.

April Programs At Lac Lawrann

A variety of programs sponsored by Lac Lawrann Conservancy will welcome spring back to West Bend.

On April 7, prepare for migration with an introduction to Wisconsin birds and some tips on their identification. This program for families will be offered from 2 p.m. to 4 p.m. at the Conservancy Niche on the ground floor of the West Bend City Hall. Participants may pre-register by calling the Parks Department at 335-5080.

On April 21 from 7:30 a.m. to 9:30 a.m., join the early spring chorus and look for returning birds on a guided bird walk at the Conservancy. Quiet children are welcome if accompanied by an adult.

Join in at Lac Lawrann Conservancy on April 22 from 1 p.m. to 3 p.m. for an afternoon of family activities and guided walks designed to celebrate the earth on Earth Day. Please pre-register by calling the Parks Department at 335-5080.

Two children's nature series will begin in late April and early May. The Outdoor Rangers series meets at the Conservancy from 1:30 p.m. to 3:30 p.m. on April 28, May 5 and May 12. Designed for kids aged eight through 11, Outdoor Rangers offers a chance to experience the amazing kaleidoscope of nature first-hand through nature games and outdoor activities.

Pre-school Adventures, featuring age-appropriate nature activities for three through five year olds, meets at the Conservancy from 10 to 11:30 a.m. on Wednesdays in May. Outdoor Rangers and Pre-school Adventures require pre-registration and fees. Call 335-5080 for more information.

Visitors to the Conservancy should use the farm gate, as the new parking lot is still under construction.

Lac Lawrann Conservancy is located at 300 Schmidt Road, near the Electric Company substation, and is open to the public on weekends between 9 a.m. and 4 p.m. The Conservancy is administered by the West Bend Department of Parks, Recreation and Forestry.

KMS Students Attend 'Enrichment And Exploration Day' in Oshkosh

KMS students that attended the Enrichment and Exploration Day in Oshkosh were: front row, left to right, Walter Huf, Ryan Uttech, Jimmy Basterash, Jason Knoll, David Figge, Zara Gercz, Anna Rick, and back row, chaperone, Mrs. West, Adam Nothem, Shane Barrett-Sunday, Nick Bartley, Frankie Cole, Garrett Donath, Justin Brockman, Adam Ziebell, Matt Gercz and chaperone Mrs. Gosa.

Ian Meyer, left, with Tom Gill on Rhythmical Adventures.

Frankie Cole crashes his flight simulator during take-off.

On Tuesday, March 6, 150 middle-schoolers from the Dodge County Gifted and Talented Consortium met at the EAA in Oshkosh for their annual Enrichment and Exploration Day. This year's theme was "2001: The Odyssey."

The conference gave the students a chance "to journey" through many hands-on activities involving flight, drama, and drums. Judy Rice and Mason Marsh instructed the students in using a flight simulator, and the theories behind flight. Students constructed planes and flew them.

Dianne Lutz involved the students in problem solving and turned it into drama activities, and Tom Gill had the kids involved in a rhythm circle making music. Students also participated in a scavenger hunt and tour in the EAA Museum.

Those students attending the conference were: Adam Nothem, Frankie Cole, Nick Bartley, Shane Barrett-Sunday, Garrett Donath, Justin Brockman, Adam Ziebell, Matt Gercz, Walter Huf, Ryan Uttech, Jimmy Basterash, Jason Knoll, David Figge, Zara Gercz and Anna Rick. Chaperones were Mrs. Gosa and Mrs. West.

KHS Music Students Head For State Solo Ensemble

Members of the Kewaskum High School Music Department traveled to Kiel High School on March 31 to participate in the Eastern Wisconsin Solo/Ensemble Festival.

The following events will be performed at state competition in Milwaukee on April 28:

Piano solos - Erica Christie, Matt Schroeder; vocal solos - Virginia Feind, Beth Hermann; vocal duet - Beth Hermann, Heidi Terlinden; vocal trio - Elizabeth Werdermann, Heidi Terlinden, Beth Hermann; vocal quartet - Dan Markeland, Josh Stangl, Matt Schroeder, Brian Wall; jazz choir - Erin Bandler, Eric Braun, Stephanie Broughton, Rachel Brunner, Kurtis Cochran, Sarah Cole, Emmy Foerster, Virginia Feind, Carrie Gayan, Megan Hammen,

Ryan Hankerson, Beth Hermann, Maggie Herriges, Becky Krell, Jennie Link, Elizabeth Rammer, Adam Smith, Josh Stangl, Heidi Terlinden, Elizabeth Werdermann.

KHS Show Choir - Eric Braun, Jackie Broecker, Aileen Chambers, Travis Cochenet, Kurtis Cochran, Adam Disler, Alissa Donath, Virginia Feind, Emmy Foerster, Brandon Gitter, Colleen Gosa, Megan Hammen, Josh Hawig, Beth Hermann, Lauren Lecher, Kyle Lickel, Jill McKee, Peter Marx, Tom Ogi, Jay Pamperin, Jennie Radmann, Kathryn Schneider, Kevin Schneider, Darrin Schulist, Matt Seymour, Adam Smith, Josh Stangl, Cassandra Steffen, Heidi Terlinden, Elizabeth Werdermann, Sarah Williams.

WB Chamber Selling Miller Park Inaugural Game Balls

The boys of summer are back as the Milwaukee Brewers make their debut appearance on Friday, April 6, at the first official game of the season and home opener at Miller Park in Milwaukee.

If you don't already have tickets or can't be there to share in the excitement, the West Bend Area Chamber of Commerce has the next best thing. The Chamber is pleased to be the exclusive source in Washington County for Miller Park Inaugural Game Baseballs.

These game balls are the same as the baseballs the Brewers will carry out of their lockers and onto the field. Manufactured by Rawlings Sporting Goods,

these balls will be used exclusively for play during the opening day on April 6, 2001 at Miller Park.

Imprinted with the Miller Park logo, each baseball also bears the commissioner's signature and inscription, "Official Miller Park Inaugural Game Ball" right on the "sweet spot."

Each baseball comes with a display case and certificate of authenticity and costs \$25 plus tax. Supplies are limited. To own an authentic piece of baseball history, call the West Bend Area Chamber of Commerce at (262) 338-2666 or visit the Chamber offices at 735 S. Main Street, Suite 101, Monday through Friday, 8:30 a.m. to 5 p.m.

Students Represent KHS in EWC Honors Band and Choir *Memories*

KHS students selected for the EWC Honors Band were front row left to right: Kim Erdmann, Kelly Darmody, Amanda Gessner, Colleen Gosa and Lauren Schultz. Back: Josh Lawrence, Jeff Jacobi and Dan Mertz.

Members of the EWC Honors Choir from KHS were front row left to right: Beth Hermann, Kevin Schneider and Matt Schroeder. Middle: Eric Braun, Alissa Donath, Adam Disler and Matt Seymour. Back: Aileen Chambers, Megan Hammen, Becky Krell, Carrie Gayan and Lauren Nelson.

Submitted Photos

The nostalgic Easter greeting, submitted by Isabelle Muckerheide, was postmarked 1913 and came from Wautoma.

Students from Kewaskum High School traveled to Waukesha's Carroll College to represent KHS in the EWC Honors Band and Honors Choir.

Chosen by KHS instrumental music Keith Reynolds and KHS vocal music instructor David Bertelsen, the students met with those from other conference schools to practice and perform music they had been practicing on their own for weeks.

Once at Carroll College, students in each the band and choir practiced hours on end before their performance under the direction of top regional directors.

"The toughest part was getting the music downpat," said tenor saxophonist Dan Mertz.

Kim Erdmann, who plays the alto saxophone added, "And all the rehearsal, your jaw gets sore playing so long." Despite the hard work, she felt it was "really fun and I had a good time."

Choir member Kevin Schneider enjoyed his experience as well. "It was great to meet and sing with people with different schools."

KHS students participating in EWC Honors Choir were Eric Braun, Aileen Chambers, Adam Disler, Alissa Donath, Carrie Gayan, Megan Hammen, Beth Hermann, Becky Krell, Lauren Nelson, Kevin

Schneider, Matt Schroeder and Matt Seymour.

EWC Honors Band members included Kelly Darmody, clarinet, Kim Erdmann, alto sax, Amanda Gessner and Josh Lawrence, trumpet, Colleen Gosa and Jeff Jacobi, trombone, Dan Mertz, tenor sax and Lauren Schultz, French horn.

Kewaskum Gridiron Club

Registration for Fall 2001

Saturday April 7th, 2001

10:00am to 2:00pm

at

Hon E Kor Golf & Country Club

Participation is open to youths entering the 5th thru 8th grades in the fall of 2001. You must live in the Kewaskum School District. A parent or guardian must accompany any child registering.

The registration fee is \$135 per child. For families having two or more participants, the cost for the second child is \$100, and the cost for any third or additional child is \$75.

Parents of all participants are **required** to perform volunteer duties for at least one home game or other activity.

All fees must be paid, and all forms must be completed before any individual will be issued equipment.

To assure yourself of a spot on this year's team roster, be sure to register on April 7th. We would hate to see anyone miss out on the opportunity to participate by not registering on time.

If you have any questions, need more information, or are unable to register on April 7th, please call: Jim Korth at 626-2520 or

Joe Backhaus at 626-2327

Holy Trinity Fourth Graders Visit 'Ye Olde School House'

Shown left to right above are fourth grade students Nic Faber, Heather Schaller, T.J. Timblin and Tricia Timmers who were peeling apples for apple kuchen.

Mrs. Schuetz's fourth grade class visited "Ye Olde School House" on March 9th. They learned how different life was back in the early 1900s.

By: Holy Trinity fourth grade class

In early February, our teacher, Mrs. Schuetz told us we were going on a field trip on March 9. We went to "Ye Olde School House," located on Cedar Lake Campus. The reason for going on this field trip was to learn how our lives have changed from the past.

Ye Olde School House is a 1917 one room school house which has been restored. It is known as the old Oak Knoll School. The school did not have electricity until 1937. Water was gathered from a farm down the road. Over the years it slowly deteriorated. In 1982 it was restored.

The day before our field trip, the whole class got into groups of four and made Apple Kuchen to take along to the school house. It looked yummy, but we couldn't eat it that day.

When we arrived, we met Mrs. Vorpal, our teacher for the day. She went through the rules we had to follow. Here are some of the

rules:

1) You could not leave your desk without permission.

2) You had to stand to ask or answer a question.

After we went through the rules we started our morning exercises by saying The Pledge of Allegiance. We had a couple of classes and then we all got a chance to ring the school bell.

We made paper cups to drink water out of, and then we sat to eat our lunches in our real old time desks. Some things people brought for their lunches were: beef jerky, pickles, eggs and dried pancakes. Some of us brought sandwiches like ham, egg salad, cheese or dried smoked beef. After we finished our lunch we got to try our school made Apple Kuchen. It was very good.

We talked to a lady named Mrs. Hickey who went to two different schools that were like the Ye Olde School House. She told us about how it was for her when she was growing up and went to school. We got to ask her any questions

that we wanted to.

Next, we visited the Heritage House. It is a farm house that was built in 1865. We looked at every room. There was a room that kids could not go in, it was called the parlor. It was only for guests when they came over, or for when the parents wanted to get away from their kids. They had two pianos and one was a player piano that played by itself.

Spring has always been seen as a time of new life, and I guess I could use a lot of poetic clichés and talk about the budding trees, the green grass, the warm air. But the one thing I keep thinking about is the smell of pigs. I worked as a carpenter for a year and part of me is still outside somewhere, moving to the rhythm of the hammer.

Spring was especially exciting that year after four months of working out in the snow and cold. The foreman of the crew had decided that we would only stop working if the wind-chill dipped below -50 degrees, which it did only once that I remember. And so it had been a winter of windburns and me fishing for nails with fingers that were too numb to feel.

The spring thaw brought with it a strange slowing of our work. To keep busy, we did nailed shingles, attached siding, and, during one 14-hour day, tore the roof off of a house and put a new one on. The first framing job we had that spring was to build an addition onto a farmhouse in Pickett which is a town large enough to pass through on a bicycle without even realizing it. Each day the sun stayed a little longer. Standing in the half-completed second-story of the house allowed for a view of the entire countryside. We watched deer in the morning, jumping through the mist in the empty cornfields. In the evenings, we shook hands with the farmer, sharing the dust of a day's work and promised to see him in the morning.

On a lunch break one day, the foreman stood and looked out over the fields and took a deep breath. "That's pig!" he remarked to himself. The wind had indeed been carrying with it an undeniably strong fertilizer smell the past few days. "I grew up on a pig farm," he continued as we chewed our sandwiches slowly. "After a while, it doesn't smell foul anymore. It just

smells like home." He turned and walked back through the house, his boots scraping against the wood floor.

So I always think of the smell of pigs when the frozen ground turns to red mud and the light of day lingers past 5 o'clock. It reminds me that it is the connection we feel to a thing that is important, not the thing itself.

How many horrible pop songs do we hear on the radio every day, hour after hour? But when one of those songs serves as a backdrop to a first kiss, it becomes significant in a way that neither the aging songwriters nor the half-dressed teen singers could ever express.

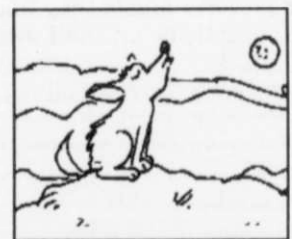

Similarly, the worst book in the world is still a precious thing when it connects you to something familiar. That's part of the importance of a story - it burns not just the plot or the characters into your memory, but also the time when you experienced it. I can look at the books in my collection and think back to when I first discovered them and feel, for a moment or two, that the person I am is still connected to the person that I was. The library is the perfect place to rediscover old memories and make new ones.

Please take a moment to view our website:

New Feature...

Random Acts Of Kindness

Beginning in this issue, with the help of our readers, the Statesman will feature a new column called, "Random Acts of Kindness."

We decided to initiate the column after receiving the letter below. It is our hope that not only will it instigate more people to perform favors and kindnesses to their fellow citizens, but it will also give credit where credit is due... to the many "good samaritans" whose daily good deeds go normally unrecognized.

If you know of anyone, friend, neighbor or relative, who is "doing for others," please let us know about it so we can, in our own small way, give them a pat on the back and the recognition they so deserve.

Your letter may be signed or you may choose to remain anonymous. It is entirely up to the writer. You may mail the letters to The Kewaskum Statesman, P.O. Box 98, Kewaskum, WI 53040; fax us at 262-626-3182, or email us at statesman@alexssa.net

This paper will run your comments on a timely basis whenever they are received. Hopefully, depending on the response we receive, we will be able to run the column every week. It is entirely up to you, our readers, and your input. Please take the time to jot down a paragraph or two about people you have "caught in the act" of doing for others.

Thank you for allowing us to give recognition to the "doers of good deeds" in this area. The following is a note

sent from a resident of New Fane who chose to remain anonymous.

I was walking along Highway S, outside of New Fane one morning about three weeks ago, when there was snow along the highway and on that particular morning the gravel area next to the road was covered with ice.

Walking along, a vehicle was approaching from the north and south. What happened next, no doubt, will never happen again. The vehicle that was coming toward me, actually stopped, allowing the car going in the opposite direction, to go ahead and also allowing me to stay on the road instead of walking on the ice.

My neighbor and I walk quite frequently and we have experienced some dangerous episodes. More than half of the cars do not pass us swerving out of the way, even though there may not be another vehicle going in the opposite direction.

It is difficult to tell but it appears that women are the most guilty in doing this. Sometimes I would like to have a meter of some kind to clock the cars that pass through New Fane going more than the 35 mile speed limit.

I wish I could thank that driver that stopped for me that morning. I did wave a wave of approval and thanks. I hope that person reads this. As I said, it may never happen again to me.

Cedar Haven Offers Exercise Classes

WEST BEND - Cedar Haven Rehabilitation Agency is offering exercise classes run by a qualified physical therapy assistant for community members interested in regaining or maintaining mobility, strength, flexibility and fitness.

Robin Yourich, PTA specializing in wellness, safety and injury prevention at Cedar Haven, will lead Water Aerobics classes at the Cedar Ridge Campus Pool, 113 Cedar Ridge Drive, just off Scenic Drive in West Bend. Classes will be held Mondays and Wednesdays, 5 to 6 p.m. from April 9 through May 16. The program will include lap swimming, pool noodle and milk jug exercises, whirlpool warm-down and time for individual consultations. The pool temperature is kept at a minimum 84 degrees Fahrenheit for use as a therapy pool for those with arthritis.

Flex and Tone classes will be held Tuesdays and

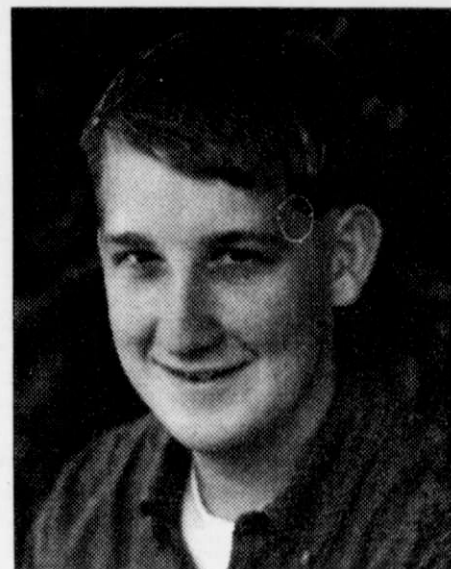

Thursdays, April 10 through May 17, from 4 to 5 p.m. in the Cedar Ridge Exercise Room, lower level. Participants are encouraged to bring an exercise mat and wrist or ankle weights to modify resistance and meet their individual goals.

The fee for each class is \$48. Class size is limited. To register, or for more information, call (262) 306-2150. Cedar Haven Rehabilitation Agency became Wisconsin's first licensed non-profit rehabilitation agency in 1984. The agency currently has six clinics and provides physical, occupational, speech and massage therapy in home, outpatient, work and school settings. Specialty services include treatment for lymphedema and urinary incontinence, voice therapy, and work and sports injury prevention, assessment and treatment. The agency is a division of the Benevolent Corporation Cedar Campuses, a regional leader in rehabilitation, education, older adult living and health care.

Kiwanis Students of the Month

Kelly Darmody

Daniel Mertz

February's Kewaskum Kiwanis students of the month were Kelly Darmody and Daniel Mertz. Kelly is the daughter of Gordon and Julie Darmody. She has been very active during her four years at KHS, including Future Homemakers of America, art club as well as the musicals these past two years. She has been a member of band for four years. She was elected to the National Honor Society this year. Kelly has also shown her athletic ability with three years of Cross Country running, and was a co-captain this year. Track and softball are also special talents of hers. Kelly plays an active role in the 4-H as well as the youth representative for the Washington County Animal Science Board. Dan is the son of Roger and Kathy Mertz. He is a member of the German Partnership Club as well as a participant in the German exchange program. He was a member of the math team for three years and on the Odyssey of the Mind team this year. Jazz band is another item of which he excels at. He played sax in the pit band for this year's musical. He was also chosen for National Honor Society this year. Dan has spent four years on the golf team and the basketball team. When not involving himself in school related activities Dan says he enjoys softball, bowling, volleyball and singing in his church's choir. Students and their parents were honored by the Kewaskum Kiwanis Club at a recent meeting.

Public Health - It's About Us

The celebration of National Public Health Week, April 2 - 8, 2001 is for all of us. "Communities can celebrate and be proud of the standard of health that has been achieved through efforts of public health services locally, statewide and nationally," says Linda Walter, Washington County Health Officer.

"In our daily lives we have become accustomed to the assumption that our drinking water is safe, that childhood immunizations are available, the quality of the air is being monitored, and communicable diseases are being tracked. These are just some of the ways that all of us take public health for granted," states Walter.

Individuals all around the community can be a part of the success of public health. Contact the Washington County Health Department and learn more about the information and services being provided and how each person can contribute to building a healthy community.

Linda Walter, Director, Washington County Health Department, shared that healthy communities have some of the following characteristics that contribute to improved health of individuals:

- ◆ Strong and resilient families
- ◆ Communities that support families
- ◆ Safe streets, schools,

workplaces, and homes

- ◆ A clean environment with safe drinking water and waste disposal
- ◆ Access to a safe and nutritious food supply
- ◆ A diverse, vibrant economy
- ◆ Conditions at work, school, and in the community that support good health
- ◆ Effective emergency planning
- ◆ Fluoridated public water supplies
- ◆ Access to affordable, high quality health and dental care for all community members
- ◆ Safe and affordable housing
- ◆ Government decisions that support good health for

the people

Get involved in helping Washington County be a healthy county. Linda Walter, said, "There's a saying that health care is needed by some of the people some of the time, but public health is needed by all of the people all of the time - truly, public health shapes our world."

For more information, contact the Washington County Health Department at (262) 335-4462, e-mail chnhealth@co.washington.wi.us, contact the Washington County web page www.co.washington.wi.us and choose Health Department. Or visit the Health Department between April 9th and 13th and spin the wheel for a prize.

Obituaries

MARGARET A. "MARGE" SCHMIDT

Mrs. Margaret A. "Marge" Schmidt, age 65, of Beechwood, passed away on Thursday, March 29, 2001, at her home, surrounded by her family.

She was born on April 21, 1935 in Port Washington, the daughter of the late Clemens and Dorothy (Mrazik) Ansay, and on April 23, 1955 she was united in marriage to Phillip E. Schmidt at St. Mary's Catholic Church in Port Washington.

Mrs. Schmidt was employed by Serigraph, Inc. in West Bend, retiring in 2000 after 22 years of service and was also employed by Beechwood Cheese Factory. She was a member of Holy Trinity Catholic Church in Kewaskum and the Beechwood Fire Department Auxiliary.

Survivors include her husband, Phillip E. Schmidt of Beechwood; four children, Michael P. Schmidt of Beechwood, Deb (Robert) Stoneman of Plymouth, Patricia (Terry) Vetter of Beechwood and Carol (Jeff) Nigh of Waukesha; five grandchildren, Nicole and Bradley Vetter, Bobby Stoneman, and Alyssa and Alexander Nigh; a brother, Paul (Sarah) Ansay of Verona; two brothers-in-law, William E. (Agnes) Schmidt and Donald F. Schmidt, both of Beaver Dam; two sisters-in-law, Lucille (Walter) Warzyn of Menasha and Bea (Werner) Schurman of Lake Tomahawk, other relatives and many friends.

An infant daughter, Jean Ellen, preceded her in death.

A Memorial Mass was celebrated at 4 p.m. on Sunday, April 1, 2001, at Holy Trinity Catholic Church in Kewaskum with Father Mark Jones officiating. Cremation has taken place.

The family received visitors on Sunday from 1 p.m. until the time of services at the church.

In lieu of flowers, memorials to Kettle Moraine Oncology, American Cancer Society or Relay for Life are preferred.

The Miller Funeral Home in Kewaskum served the family.

CLARENCE H. SAUER

Clarence H. Sauer, age 82, of St. Kilian, passed away on Monday, April 2, 2001 at St. Agnes Hospital in Fond du Lac.

He was born on May 15, 1918 in Nenno, the son of the late Anton and Mary (Kreilkamp) Sauer, and on October 16, 1943 he was united in marriage to Martha Mayer at St. Kilian Catholic Church in St. Kilian.

Mr. Sauer was a member of St. Kilian Catholic Church in St. Kilian and

the Holy Name Society.

Survivors include his wife, Martha, of St. Kilian; three children, Daniel (Sue) Sauer of St. Kilian, David (Marie) Sauer and Shirley (Lester) Simon, both of Campbellsport; a sister, Leonarda (Felix) Heilmann of Allenton; seven grandchildren, Michael, Jeffrey, Thomas and Lisa Simon, Jason Sauer (fiancee, Amy), Sarah and Robert Sauer; a sister-in-law, Marion Sauer of Allenton, other relatives and friends.

He was preceded in death by three brothers, Louis, Roman and Melvin Sauer; three sisters, Minnie Sauer, Esther Schellinger and Linda Held and a granddaughter, Jessica Lynn (Simon) Abnet.

A Mass of Christian Burial will be held at 7:30 p.m. on Friday, April 6, 2001 at St. Kilian Catholic Church in St. Kilian with Father Francis Malloy and Father Victor Kemmer concelebrating. Entombment will be at 10 a.m. on Saturday in the Shrine of Rest Mausoleum in Fond du Lac.

Friends may call from 4 p.m. until the time of services at the church on Friday.

The Miller Funeral Home in Kewaskum is serving the family.

LUCILLE E. SCHULTZ

Lucille E. Schultz, nee Harth, 80, of Green Lake, a dear and loved woman, left us on Monday, March 26, 2001.

She was born in Mayfield, and was the cherished wife of a wonderful husband of 60 years, Herman.

Through her illness she kept her sense of humor and continued to be gracious and gentle.

She will be thought of and missed by her surviving brothers and sisters, James Harth, Ralph (Dorothy) Harth, Gladys Bergstrom, Sophie Tesch, Helen (Norman) Beder, Lois (Richard) Gaskell and Luella (James) Hagen; and a sister-in-law, Nevada Harth.

She is further survived by many nieces, nephews, other relatives and friends.

Preceding her in death were her parents, Miles and Mabel Harth; brothers, George, Lester, Robert and Miles Jr.; sisters, Florence Lehner, Mary Ann Boettcher and Ruth Harth; sisters-in-law Margaret Harth, Marion Harth and Marie Harth; brothers-in-law, William Bergstrom, Hugo Lehner, Marvin Tesch and

Harold Boettcher.

Lucille's attributes will be greatly missed by her husband. She was an exceptional homemaker and performed this mission many times during the 23 years of life spent as a dependent in the U.S. Army, both in the U.S. and three trips to Germany.

Lucille put her family first in helping, visiting, and doing for others.

She was a willing buddy and partner when it came to fishing, hunting, traveling, bowling and especially dancing.

Lucille was a member of Green Lake Auxiliary Post 306.

Private family services were held on Thursday, March 29, at 1 p.m. at the Phillip Funeral Home, West Bend.

Pastor James Hill officiated, and entombment took place in Washington County Memorial Park, West Bend.

A memorial has been established for the First Responders of Green Lake.

IN MEMORY

In loving memory of **JOHN STEGER**, who passed away three years ago, April 9, 1998:

Peacefully sleeping, resting at last,

This world's weary troubles and trials are past.

In silence he suffered, in patience he bore, Till God called him home, to suffer no more.

Sadly missed by wife, children and grandchildren.

25 Years Ago

March 19, 1976

William S. Martin was pleasantly surprised at a dinner party on Sunday evening, March 7, at the Glacier Inn in honor of his 25th anniversary as village clerk (commissioner) of the Village of Kewaskum. Members of the village board, past village presidents, village employees, police department, a former police chief and their wives, the present deputy clerk and her husband, the former deputy clerk and close relatives were in attendance.

Terry and Jan Jordan of West Bend have purchased Tom's Place at 1310 Riverview Drive in Kewaskum, which includes a tavern and hall, owned and operated by Tom Piwoni for the past two-and-one-half years. The transaction was

completed on Tuesday, March 16. The Jordans also own and operate Jordan's Restaurant and Lounge at 1726 Barton Avenue in West Bend. The business will be operated under the name of Jordans' in Kewaskum and will be open from 11 a.m. until closing. Live music will be featured on Friday nights.

A total of \$16,573.40 in estimated expenses for the cleanup operations following the recent ice storm was the amount approved by the Kewaskum Village Board on Monday. Of that total, \$7,000 is the estimated cost of damage to the village park, including damage to wiring, lights and debris cleanup. A preliminary estimate of \$18.2 million has been set on damages caused in Washington County by the recent ice disaster.

Fourteen seniors and 13 juniors were chosen as new candidates for Kewaskum High School's Chapter of the National Honor Society. Selected on the qualities of scholarship, leadership, character and service, the nominees were chosen by present NHS members and the KHS faculty. Senior candidates inducted were Wanda Akin, Beverly Ehner, Todd Garbisch, Gayla Herriges, Nancy Horning, Mary Klein, Bonnie Lendved, Janet Miller, Joan Rosenberger, Marjorie Schoofs, Susan Schultz, Connie Sleger, Carol Spaeth, Maxine Wagner. Junior candidates were Becky Brehm, Gerald Butz, Lori Koepke, Joanne LaFleur, Kevin Neese, Susan Nigh, Gay Olson, Michael Perkins, Tom Ryan, Anne Theusch, Barbara Thill, Ann Weddig, and Scott Wulff.

Deputy Sheriff Robert Schulteis, a resident of rural Allenton since 1966, was presented the "Outstanding Achievement" award by Washington County Sheriff Clarence Schwartz recently. The award, the first ever pre-

sented, honors the recipient for dedicated service and outstanding achievement in the performance of duty as a Deputy Sheriff of Washington County, according to Schwartz.

This year's Scenic Moraine all-conference basketball team was chosen last Wednesday evening by coaches of the league. Jack Kern of Kewaskum's conference champions, was a unanimous choice. The 6'3-1/2" senior center was third high scorer with 257 points on an average of 18.4 per game and one of the top three rebounders (170) in the conference. Senior forward Scott Tessar, sixth in scoring with 203 points, was named on the second team. Leon Laatsch, junior forward, who was 13th in scoring with 170 points, received honorable mention.

The Scenic Moraine all-conference girls basketball selected by the coaches had all eight conference schools represented. Kewaskum's Diane Strack was picked on the team for the second year and was a unanimous choice. She was eighth in scoring with 192 points and has been on the varsity for four years. Julie Stoffel and Wanda Akin of Kewaskum received honorable mention.

A daughter, Joann, was born to Richard and Carol Theusch, Route 3, Campbellsport on March 16. A daughter was also born to Richard and Mary Thiemer, Route 2, Kewaskum, also on March 16.

A son was born to Richard and Judith Bannenburg, Kewaskum, on March 9.

Letters to the Editor

Dear Editor:

I have been asked, "why do you live in a small town?" and my response is, the people. That's why I am writing this thank you to John Meisser.

John gives to this community more than a mere thanks can replace. The past couple of months he has organized the Booster Club's 3 on 3 Basketball Tournament. It was John's first year and it was a great success.

I must also thank Dean Scheel for the past five years he served as coordinator, and for keeping great notes to pass on. I was proud to be a part of this event and to work with John and Dean. Thanks guys... People like you is the reason I live in Kewaskum.

Wade Roberts

P.S. I would also like to thank the sponsors of this year's 3-on 3. Without their support, it would not be possible. Thanks Gruber Tool & Die, LK Heating, Hon-E-Kor, Regal Ware, Trev Timblin Trucking, Strobel Oil, Amoco of Kewaskum, Campbellsport Building Supply, MCM Motor Sports, Geidel's Piggly Wiggly, West Bend Savings, Randy Gust American Family Insurance and the Kewaskum Booster Club.

To The Editor of The Kewaskum Statesman:

I cannot let the comments made by Mr. Kenworthy which were in the Statesman go unanswered, where he criticized my administration as Village President, as full of chaos and self-serving. Not only were his comments unprofessional, they are totally incorrect and unsubstantiated.

When I moved to this Village, I hit the ground running. Less than a year after being here, I joined our Fire Department. I immediately started my schooling to become a certified EMT and firefighter, so I could better contribute to our department. Many people don't totally appreciate the dedication and sacrifice that the members of our Fire Department give of themselves and how unselfish they are. When you see any of our past and present members, be sure to thank them. I can't remember for sure, but I believe I was on the department for about four years, with some of that time overlapping with my time on the Village Board. During the time of serving both roles, I can remember that there were weeks where I had something to do or somewhere to go every week night. All this while holding down a fulltime job, which on many occasions required me to

travel.

I was on the Village Board for a little less than 10 years, two of them as Trustee and the other seven and a half as Board President. As President I felt that to better serve the Village, it required not just going to two meetings or so a month at the Village Hall. So my role expanded very quickly; they included the County, the regional area and State level.

While on the board, I not only gave my personal time, but using untold numbers of my personal vacation time. Many times I have out of pocket expenses, and use of my car which I didn't ask reimbursement for. All the while as President, my wife and I haven't had a real vacation. Even though my wife wasn't on the board, she also made sacrifices. I guess all this in Kenworthy's mind is self-serving.

While chairing the meetings and serving in my official role as President, never did I once put my personal feelings and interests ahead of the best interest of this Village. In the one issue that I had a personal interest in, I always removed myself from the board when the item came up.

My strong belief about being neutral even went as far as removing myself from the Board. It was when I became concerned that possibly in the future my personal feelings could put that in jeopardy. Again I realized that the best interests of the Village was of utmost importance. For the most part I ran a pretty tight ship. I tried to make my meetings fun but professional. I had some strong convictions on a few issues, on some occasions it showed, but my convictions were for the welfare of the people of Kewaskum.

I think in the years I was President I left the Village a better place, with many improvements to the quality of life. I would have to disagree that I left the Village in chaos. If John feels the Village would have been in chaos the past few years, he also can take some credit, he too was serving on the board at that time. I would like to hear from Mr. Kenworthy, to have him substantiate his claims or issue an apology.

Sincerely,

Bob Wagner

To the Editor:

Thank you! Thank you! Thank you!

On March 23, the Beechwood Fire Department held their first smelt fry at the Hilltop in Batavia. We were very pleased with the results of this fundraiser. We could not

have accomplished this success without the support of the men from the department, the ladies from the auxiliary and people from the community.

We would like to thank Judy Steffes from WBKV Radio in West Bend for mentioning us on the radio and helping us sell tickets; Wal Mart for their support; Dorie Krahn for assembling the German potato salad; all of the area businesses that sold tickets and displayed posters for us; the Scott Pioneer 4-H members for cleaning tables and helping people with their food and beverages; the people that generously brought desserts (we had a fabulous selection) and last, but not least, the fishing cleaning crews. It was an enormous task and it was heartwarming to see so many people from the Town of Scott helping us.

Sincerely,

Beechwood
Fire Department

Beechwood Fire
Department Auxiliary

Dear Editor,

On behalf of the Muscular Dystrophy Association and the individuals we serve, I'd like to express MDA's appreciation to the residents of Kewaskum for their support in making the Kewaskum Lock-Up a great success. With their help, nearly \$20,000 was raised to help in the fight against neuromuscular disease.

We gratefully acknowledge the top bail raisers: Father Mark Jones and June Gauvin, Holy Trinity School and Parish, \$3,335.46; Jim Botting, Farmington Elementary School, \$1,418.43; Larry Martin, Miller Funeral Home, \$1,255; Sue Laubach, Family Hair Salon, \$1,250; Audra Beyer, Tuttle Creek Learning Center, \$1,200; and all the other jailbirds who helped make our Kewaskum Lock-Up so successful.

In addition, a special thanks goes to Amerahn for their support and hospitality. With their assistance and the dedication of the 28 "jailbirds" we had in attendance, MDA will be able to provide help for today and hope for tomorrow to many families in southeastern Wisconsin who are living with neuromuscular disease.

MDA is striving to find a treatment and cure for 43 neuromuscular diseases while working to improve the quality of life for those served by the Association. Through worldwide research, comprehensive, free medical services and far-reaching professional education, MDA has made the difference. With the gra-

cious help of everyone involved with the Kewaskum Lock-Up, MDA is able to continually provide these services to our clients.

Sincerely,

Sharon Kempf
Program Coordinator

To Lana H. Kuehl,
Publisher/Editor,

Woe is me! I caught the Spirit, cause I felt it! Again, the closeness of this little village was felt by many. I would like to thank Peace United Church of Christ, Rev. Eric Kirkegaard, Holy Trinity Parish, Father Mark Jones and St. Michael's Parish, Father Bob Artman, for sharing with us an Ecumenical Lenten Prayer Services for the people of Kewaskum.

They led us in the "steps" that Jesus took on his journey to the cross for us. He overcame much and now we live, because He lives!

The continued "getting-to-know-you" over cups of coffee and sweets was great. At the first dinner at the Peace Church, I came across somethin' I had never tasted. You guessed right... old-fashioned bread pudding. It was so good, I asked for the recipe. I later obtained it from Vange Teeselink. Even though my mother is of the German kinship, my dad was Danish. So his favorites always one over hers!

Again, thanks! Be the "growers" of Christ's love.

Suzanne Bingen

Dear Editor:

Even the leprechauns are green with envy over Kewaskum's response to the Muscular Dystrophy Association's Shamrocks Against Dystrophy campaign. Many thanks to the thousands of people who donated to MDA and signed paper shamrocks in businesses in February and March. Their generous participation in Shamrocks will help MDA continue to provide families affected by neuromuscular diseases in our community with valuable services.

As one of many who has a loved one affected by a neuromuscular disease, I'm genuinely grateful for the

caring support of customers and employees at convenience stores, supermarkets, restaurants and other retailers in Kewaskum.

The 18th Annual Shamrocks Against Distrophy campaign raised more than \$10 million nationally. Locally, these donations will help fund MDA-sponsored research at the Medical College of Wisconsin, the University of Wisconsin and St. Luke's Medical Center.

On behalf of the millions of Americans affected in some way by the more than 40 diseases covered by MDA, thank you, and may St. Patrick bless you all year long!

Sincerely,

Maureen McGovern
National Chairperson
MDA Shamrocks
Against Dystrophy

Dear all 18 year old teenagers:

I am a student in fifth grade at Kewaskum Elementary School. I am writing you a letter to help you stop smoking.

Twenty-five percent of 18 year old teenagers smoke and die. I am writing to you to keep the environment clean.

If you continue smoking you have a high risk of getting lung cancer. Do you like yellow teeth? If you keep smoking your teeth will turn yellow.

You might think smoking is cool but you can die from smoking.

You are young yet so you can make a difference for yourself and others.

Will you please stop smoking if not for me, please do it for yourself.

Sincerely,

Travis Scheid
KES 5th Grade

FFA Judges at Fox Valley

The Agronomy team from Kewaskum received sixth place at the Fox Valley judging event on Saturday, March 3rd. Pictured here are the members of the team, left to right: Cam Howey, Artie Klemme, Melissa McKee and Tom Ramthun.

The Kewaskum FFA went to Fox Valley Technical College for the annual Northeastern Wisconsin FFA Career Development event. The event was the FFA judging contest with fourteen different agriculture related judging areas for FFA members to compete.

On Saturday, March 3rd, over 35 high schools from around the area traveled to Fox Valley Technical College in Appleton. These contests were a great way to help students become better educated, as well as offer a great opportunity to meet new members from other chapters in the area.

Because the Hartford FFA chapter only had 10 members going, they shared a bus with the Kewaskum chapter. Kewaskum had 14 individuals competing in five different judging areas. The team from Kewaskum, competing in the Agronomy contest, received sixth place overall. The team consisted of Melissa McKee, who got an individual place of 16th, Tom Ramthun, who got an individual place of 17th, Cam Howey, who got an individual place of 19th, and Artie Klemme, who got an individual place of 40th.

The team from Kewaskum competing in the Horse Evaluation contest consisted of Jon Lendved, Bridget Beck, and Johanna Schulte.

The team competing in Livestock judging received 17th place. The team con-

sisted of Troy Kedroske, Shannon Dwyer, Josh Hawig and Lisa Beck.

The Meat Evaluation team from Kewaskum only had two contestants. They were Steve Hesselgrave and Matt Dwyer.

Jennifer Jaycox of Kewaskum competed in the Small Animal/Veterinary Science contest as an individual and she received 18th place. The complete event results can be found at the Fox Valley web site: www.foxvalleytech.com/prog/agribus.htm.

Immunization Clinics Offered In April

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by the Washington County Health Department. The remaining April clinics are:

April 10, 3 to 5 p.m. - Germantown Senior Center, W162 N11960 Park Avenue, Germantown.

April 17, 3 to 5 p.m. - Hartford City Hall, Community Room, 109 N. Main Street, Hartford.

April 24, 9 to 11 a.m. and 3 to 5 p.m. - Public Agency Center, Lower Level, Room 1145 at 333 E. Washington Street and Indiana Avenue, West Bend.

Parents must bring their records of each child's past immunizations to clinics. Immunizations will not be given without a record card.

For further information, call 335-4462 or 342-2929.

Wayne Crusaders 4-H Club News

The March meeting of the Wayne Crusaders 4-H Club was called to order on the 13th at 7 p.m. The meeting was held at the Wayne Elementary School.

The fair books that will be used this year are very similar to the fair books from last year so you should be able to look back on those for information also. The Music and Drama Festival was held on March 25.

The winter camp for this year was also discussed by Trisha Brath. The camp is held in Wisconsin Dells. Wendy Rahlf also said she had lots of fun at the camp when she had gone.

Day camp counselors are needed for May 4. Seventh graders and up are encouraged to become counselors. For the volleyball tournament at the fair, the club needs to get a team organized if they would like to participate.

The club is donating \$300 to the Leaders Association who will put the money towards the fairgrounds. The club will also be maintaining the same landscaping at the fairgrounds that was done last year.

The next meeting will be held on April 10 at 7 p.m. at the Wayne Elementary School.

Cable System is Totally Digital

Over the past several months, Charter Communications has transitioned its Washington County telecommunications network over to Digital technology. Another phase of that transition was complete on Monday, April 2, when the remaining older model set-top boxes was retired.

Early Monday morning, the technology supporting the remaining "analog" converter boxes, previously in use to receive optional premium services such as HBO, SHOWTIME and pay-per-view events, was discontinued.

For several months now, Charter customers have had access to receiving optional premium services and other cable TV offerings with the use of a Digital Receiver. This is the technology that allows for the significant expansion of the channel lineup beyond cable channel number 78.

Charter Communications has staged an active information campaign to transition most customers over to the new Digital receivers in preparation for the retirement of the old boxes. As of Monday, the "retirement" was official.

"We still have approximately 400 old Jerrold analog boxes remaining in our customers' homes," commented Lisa Washa, Charter's Vice President of Operations for Eastern Wisconsin. "Most of our customers have already converted over to use Digital receivers, especially those receiving premium programming and using our pay-per-view services," Washa said.

"The older remaining boxes might not even be in use anymore, but we have to shut down the system that supports them on Monday," Washa comment-

ed.

Cable customers receive many more options using the Digital receiver, such as an interactive programming guide screen that overlays on the picture, detailing information regarding specific programs, upcoming schedules, and parental control ability.

Customers subscribing to premium services, such as HBO, receive up to six multi-plex screens of HBO for the price of a single premium channel. Other premium services have multi-plex screens, as well.

Charter's rate for the old analog boxes was \$5.95 a month for each box in the home. The new interactive Digital receivers are priced at \$6.95 for the first receiver in the home, and \$4.95 for each additional receiver.

Customers with Digital receivers automatically receive a non-commercial, 40-channel Digital Music service at no additional charge. Charter also offers a 23-channel Digital Choice tier of programming, comprised of six Discovery Channel formats, Biography Channel, HGTV's Do-It-Yourself channel, and many more new services that only are available in a digital format, for \$5.95 a month.

Customers still in need of replacing their old analog boxes should contact Charter immediately, by calling Charter's 24-hour customer service line at 1-800-581-0081.

Charter also reports that work is being done to bring its high-speed internet service, Charter Pipeline, to the Washington County area, as soon as August of this year. Charter Pipeline offers two Internet access high-speed levels for customers, up to 256kbps and 768kbps, at prices very close to dial-up costs.

Police Reports

On March 20, Kewaskum police were requested at the station to meet with person regarding a vandalism complaint.

The complainant stated that sometime during the night someone keyed the tail gate of his pick-up truck. He stated that the truck was parked near the entrance of his apartment building and anyone entering the building would pass by his truck.

The complainant was given a Crime Restitution sheet and a Victim Information form.

On March 22, the high school liaison officer was called to the assistant principal's office in reference to a theft.

The complainant stated that she was in math class and asked to borrow a calculator from another student. She noticed that it was her calculator that had been stolen last year.

The officer then went to talk to the suspected student who denied that he took the calculator but later stated that it magically appeared in his locker.

The student was issued a citation for Possession of Stolen Property and there will be a mandatory court appearance.

On March 22, a Kewaskum officer took a criminal damage to property complaint at the office.

According to the complainant he was having a small party of four people at his Timblin Dr. apartment. He stated that another male and two older men came to his apartment and were not allowed in. The complainant further stated that the other young man keyed the door and also put a cigarette out on the peep hole.

The victim stated that the young man then returned later with a couple of other guys and they pounded and kicked on the door denting it. The victim stated that he wanted restitution for the door.

The officer advised that since no one actually saw him do any damage, the complaint may not go anywhere.

The officer contacted the suspect who stated that he did not do the damage to the door and left after he wasn't allowed in. Since there is no proof that the subjects did the damage, the complaint was closed.

On March 23, a Kewaskum police officer was advised to call a Kewaskum High School student in reference to a theft.

The complainant stated that during an after school sports practice her khakis and two rings had been taken from a bench where she had laid them.

The victim was given a Crime Restitution sheet and a Victim Information form.

Another student advised that she also had a ring taken on March 28. She was also given a Crime Restitution sheet.

Kewaskum police were dispatched to a Bel-Ric Dr. residence in reference to a juvenile alcohol party allegedly taking place.

Upon the officers arrival, there was a minimal amount of noise. He knocked on the door and it was answered by the tenant of the apartment. Two of the four subjects were asleep and the officer advised that there was a complaint of noise and possible underage drinking.

The tenant allowed the officer inside who found no evidence of any alcohol.

The officer stated that it would be an unfounded report and left the residence.

On March 26, Kewaskum police were advised of a gas run off at Kewaskum Mobil.

The complainant stated that a truck had filled up with gas and left without paying. She stated that she does not believe it was intentional.

The officer returned to the department and looked up the telephone number for the registered owner of the vehicle. The officer made contact with the suspects wife who advised that it was probably just a mistake and her husband stops there every morning. She further stated that she would take care of it on her way to work.

The payment was made and

the complaint was closed.

On March 28, Kewaskum Police were contacted in reference to a vehicle vandalism.

The complainant stated that during the day her vehicle had been keyed in the high school parking lot.

This complaint is still under investigation.

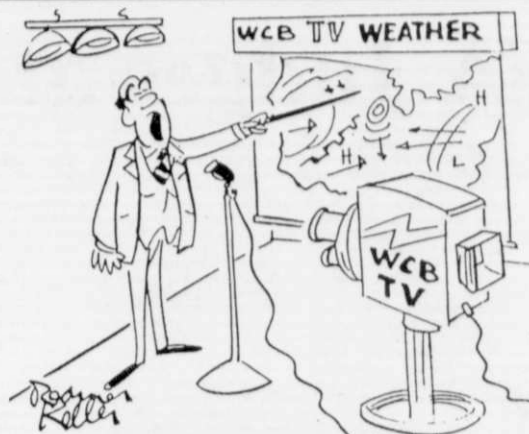

If anyone has information on any of the complaints, contact the Kewaskum Police Department at 626-2323 or the Washington County Chief's Tip Line at 1-800-232-0594. All calls are confidential.

Police reports are compiled weekly by Statesman staff member Nicole Rawley with the help of the Kewaskum Police Department.

Munchies Mix

- 3 tablespoons butter or margarine
- 2 tablespoons dry onion soup mix
- 1 cup shelled, roasted/salted California pistachios
- 2 quarts popped popcorn

Place butter and onion soup mix in covered, microwave-safe, 4-cup glass bowl. Cook in microwave on High for 1 1/2 minutes. Stir in pistachios. Place popcorn in large bowl. Toss lightly with butter-pistachio mixture. Serve warm. Makes 2 quarts.

14. The Board will convene to Closed Session under s.19.85(1)(a) to *deliberate a case which was the subject of any judicial or quasi-judicial trial or hearing before the governmental body*. The Board will convene to Open Session for purposes of adjournment.

15. Adjourn

Scheduled Meetings
* Policy Committee * April 30, 2001 * 6:00 p.m. * District Office
* Regular School Board * May 14, 2001 * 7:00 p.m. * High School Library, 1510 Bilgo Lane

The Town of Kewaskum, Washington County, Wisconsin

Official Notice of Advertisement for Bids for the following Chip Seal Coating projects.

Direct Bids to: Town of Kewaskum / Chip Seal Coat Bid
9019 Kettle Moraine Drive
P.O. Box 0484
Kewaskum, WI 53040-0484

Bids are Due: Delivered to the Town Clerk, No later than 7:30 PM, on Monday, April 16, 2001, or mailed to the address above.

Opening and Awarding bids: Bids shall be opened on Monday, April 16th, 2001, at 8:00 p.m. at the Town of Kewaskum Community Center, 9019 Kettle Moraine Drive, Kewaskum, WI, 53040. Bids shall be opened and read aloud during the Town Board Meeting. Successful bidders will be notified in writing and a contract shall be executed to complete selected projects.

Reservation: The town board of the Town of Kewaskum reserves the right to reject any or all bids, waive any formalities in bidding, or to accept any bid or portion thereof, which best serves the interest of the Town of Kewaskum

Project 1: Kettle Moraine Drive

Chip Seal Coat approximately 4.5 miles from the intersection of Kettle Moraine and Ridge Rd north to the intersection of Kettle Moraine and County Line Rd.

Project 2: Prospect Drive

Chip Seal Coat approximately 1.5 miles from the intersection of Ridge Road north to the village limits of the Village of Kewaskum.

Project 3: Kettle View Drive

Chip Seal Coat approximately 2 miles from the intersection of Ridge Road north to County Highway H.

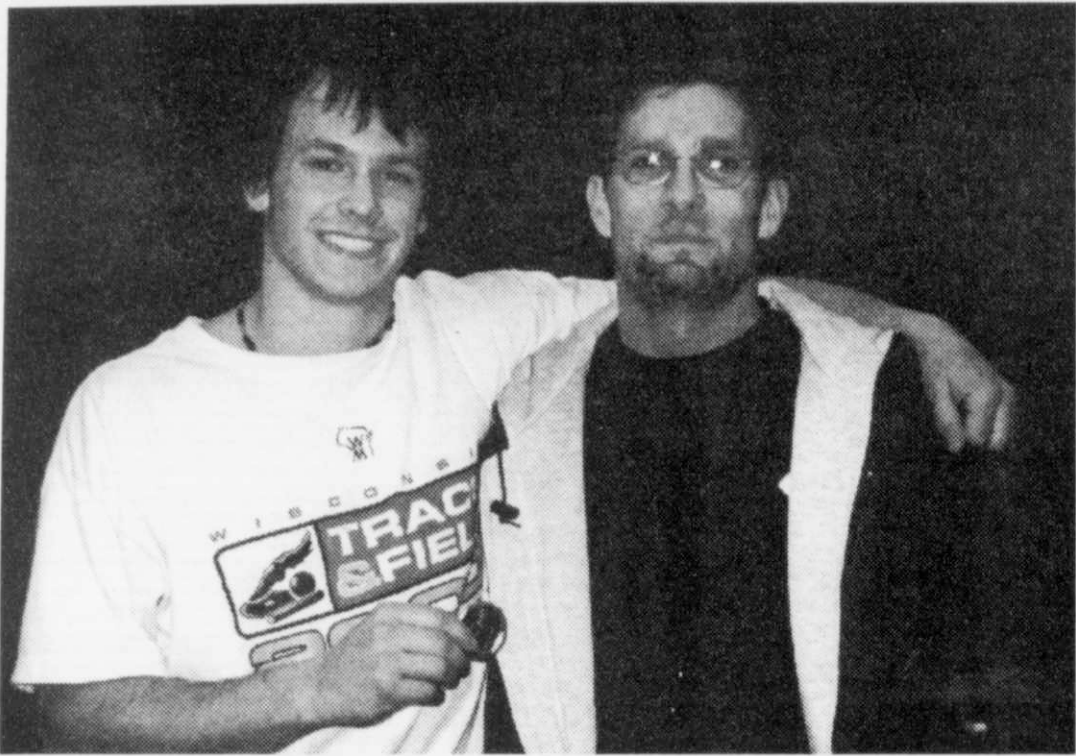

Project 4: Ridge Road

Chip Seal Coat approximately 2 miles from the intersection of Ridge Road west to County Highway B.

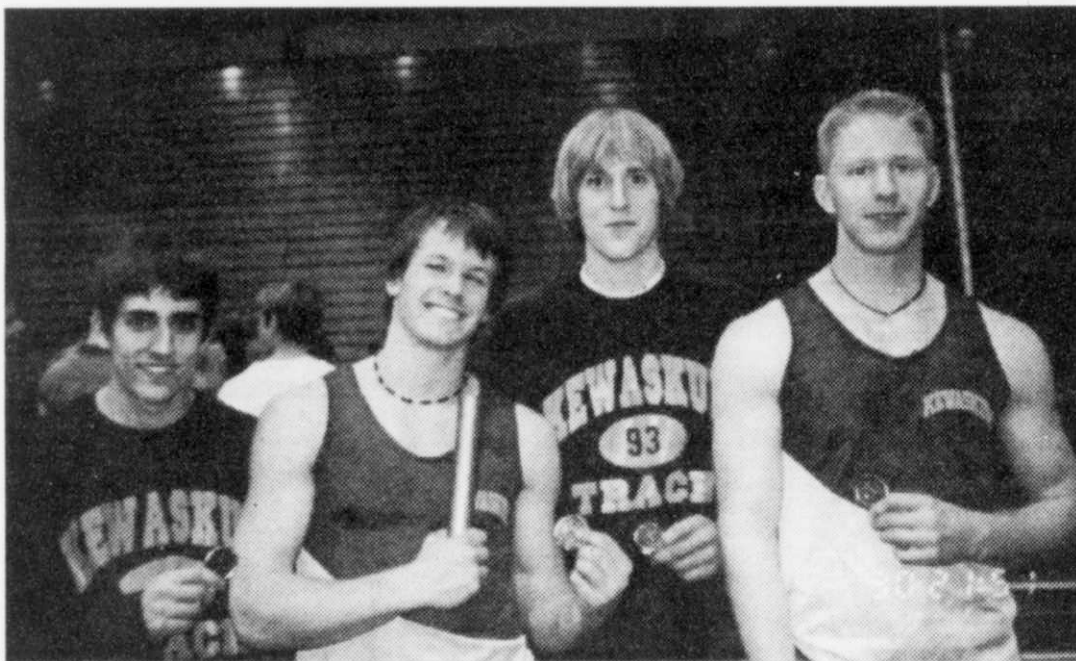

Specifications:

- Each project shall include at a minimum, 4200 gallons of AC blend asphalt at 340 degrees, 160 tons of 3/8" washed pea stone per mile of 22' road width.
- Each project shall include the cost per mile, gallons and tons of material applied per 22' road width.
- Each project shall conform to section 408, WisDOT Standard Specifications, 1996 Edition.
- Contractor shall be pre-qualified by the Wisconsin Department of Transportation to perform the work in this bid.
- A performance bond in the amount of 100 percent of the total bid price, a certificate of insurance, and an executed contract will be required of the bidder.
- Prior to application, each project shall be cleaned of all loose material and patch pot holes as necessary.
- Asphalt used for seal coat shall be compatible with cover aggregate, applied in a uniform and sufficient quantity to seal the pavement surface and bond cover aggregate to the seal coat surface.
- At the desired stage of tackiness for each project, the cover aggregate shall be applied uniformly over the asphalt material.
- The aggregate shall be immediately rolled until thoroughly embedded in the asphalt material for each project.
- The contractor to maintain safety, minimize distress to the fresh asphalt seal coat, and allow access to property during construction and curing, shall provide traffic control.
- Application must be completed by July 31, 2001, for each project.
- Each project shall include a cost per square yard of sweeping to the shoulder, with a total cost of sweeping per project, 30 working days after application. The town board may determine that sweeping may not be necessary 30 working days after application, and therefore the cost of sweeping would then be deducted from the cost of the project bid.
- Bid shall be per project as specified above and labeled project 1,2,3 and 4, with a total cost per project.
- Bid shall also include a total cost for all 4 combined projects specified above.

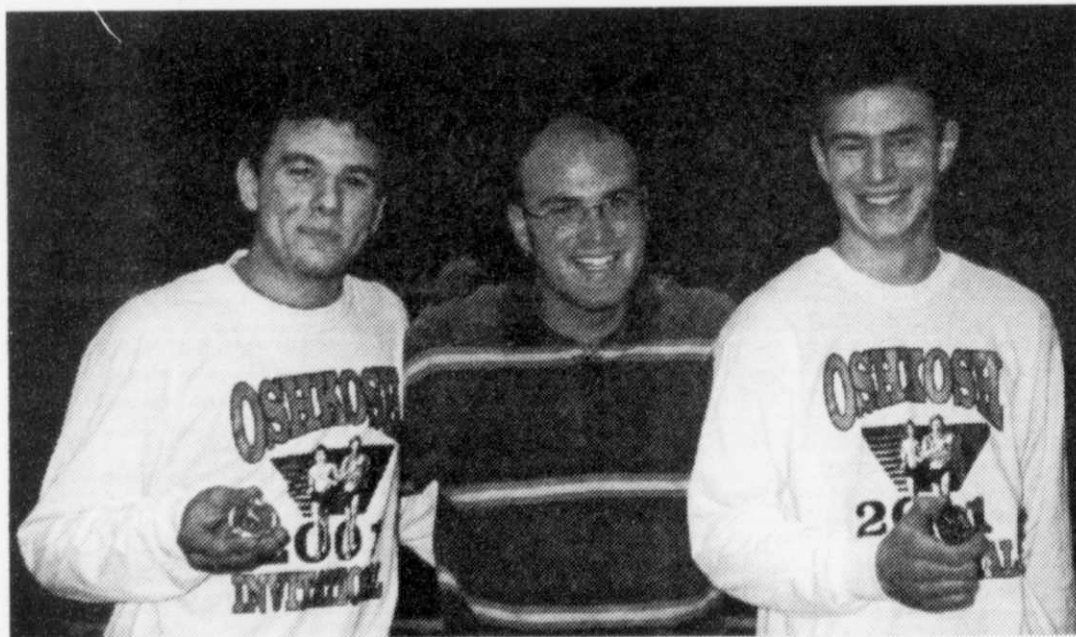

Three School Records Fall As KHS Boys Take Fourth At Oshkosh Invite

Chris Canter stands with his arm around KHS jumping coach Bill Cain, and displays his first place medal. Canter not only won the long jump, but set a new KHS school record with his winning jump of 21' 6 1/2" at the Oshkosh Invitational.

Andy Lickel, Chris Canter, Kevin Miller and Charlie Sparks finished second in the 800m relay at the Oshkosh Invitational, but still smashed the KHS school record by running a time of 1:37.33.

Brian Wall and Josh Parrent stand on each side of Nate Weseman, KHS pole vaulting coach, after receiving their medals for placing first and second in the pole vault at the prestigious Oshkosh Invitation on Friday, March 30. Wall finished second with a jump of 11' 6" and Parrent broke the KHS school record with a winning jump of 13' 3".

By Jerry Gosa

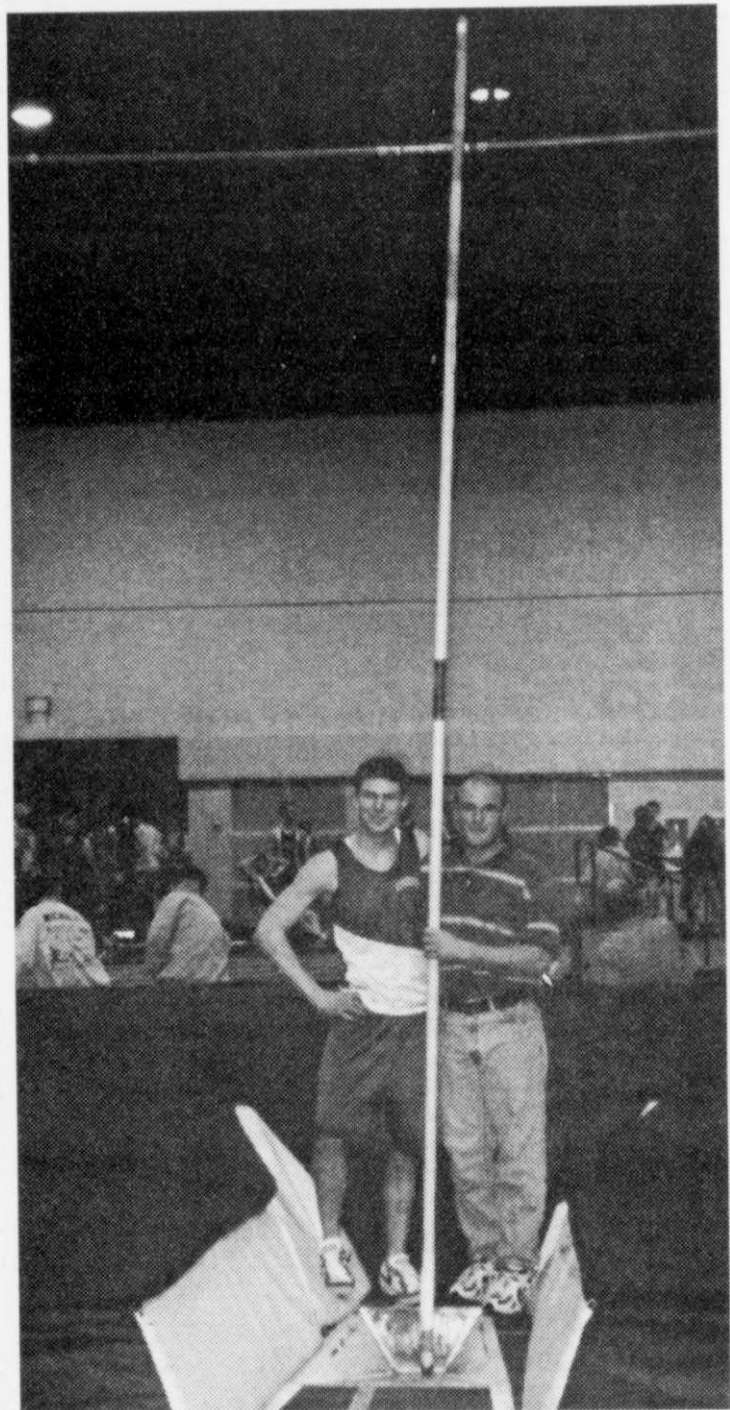

OSHKOSH - The weather has not been hot, but the Kewaskum High School boys' track team was hot on Friday night at the 29th Annual Oshkosh High School Invitational Indoor Track Meet held at UW-Oshkosh.

A total of three KHS school records were broken as the team scored 38 points and finished fourth in the 30 plus team invite. Howards

Grove won the meet with 54 points.

Chris Canter jumped a season best 20' 10" to lead all the long jumpers after the first three jumps of the trials. The top nine jumpers moved to the finals where each jumper received an additional three jumps. The athletes then jumped in reverse order with the jumper with the ninth best

(Continued on Page 23)

Josh Parrent and his coach Nate Weseman stand holding the vaulting pole beneath the cross bar set at the new KHS school record height of 13' 3" that Parrent cleared at the Oshkosh Invitational on Friday, March 30.

KHS Records Fall

(Continued from Page 22)

distance jumping first.

Canter then went to run in one of the eight preliminary heats of the 55m dash. Canter won his heat and then reported back to the long jump only to find out that all the rest of the jumpers had taken their three jumps and that he was now in fourth place. The best jump of the competition was now 21' 4 1/2" - better than the KHS school record.

The coaches told Chris that all he had to do was break the school record. Canter, jumping only minutes after running his heat of the 55m dash, came down the runway on his first attempt in the finals and jumped 21' 6 1/2" not only to win the event, but establish a new KHS school record.

Canter took another attempt and this time went 21' 4". Bill Cain, KHS jumping coach, offered these comments on Canter's long jump success. "Chris is undefeated after two tough meets and is proving he can jump with the best in this area of the state. His hard work is paying off. I believe 22' or more is within his reach. I'm really proud of him," concluded coach Cain. The previous KHS school record of 21' 2 1/2" by Mike Steinhardt was set in 1985.

Canter then left the long jump and joined his teammates as they prepared for the 800m relay. Canter ran a strong lead off leg and then handed off to Kevin Miller. KHS was running in the outermost lane of the indoor track, lane six.

Miller ran the first turn hard and then sprinted like crazy after crossing the cut line and angled in to line one to take the lead. The exchange from Miller to Andy Lickel saw the Howards Grove runner take the lead away from the Indians. Lickel maintained contact and then handed off to Charlie Sparks.

The third handoff cost KHS little time, but Sparks made up most of the distance and closed hard on Marcus VerDuin of Howards Grove, last year's state champion in the 100m dash and runner-up in the 200m dash. The disappointment of the second place finish was eased when the group heard that their time of 1:37.33 broke the KHS record of 1:39.65 by Andy Rix, Aaron

Kurth, Matt Tonn and Ryan Hermann in 1996 at this same meet.

"Kevin Miller ran a great second leg. He really ran smart. After he crossed the break line he ran the long diagonal and passed the other five runners as he cut in from lane six to line one at the far end of the track. Good thing Kevin came out for track his senior year. With two junior sprinters out with ankle injuries, both Miller and Lickel have taken this opportunity and have both run really well. Andy Lickel, who is sophomore, has been a pleasant surprise. Both our state 400m relay veterans, Canter and Sparks as expected ran great legs. Canter ran a great opening leg and Sparks almost got the win for the relay," concluded sprinting coach Jerry Gosa.

The third record to fall happened when the pole vault cross bar didn't fall. Josh Parrent, who has had his mind and heart set on breaking the KHS school indoor record, felt one of those great feelings of accomplishment, when he went up and over the bar at 12' 10" to break the old record of 12' 9" set by Brad Jackson in 1993.

Parrent opened at 11' and then progressed to 11' 6", 12', 12' 6", the record breaking jump of 12' 10", then 13' and finally 13' 3", all heights cleared on his first attempt. It wasn't until he attempted to break the meet record of 13' 6" by placing the bar at 13' 6 1/2" did he finally knock down the cross bar.

"Josh was very focused on what he wanted to accomplish. He definitely did what he had to, to get the job done. I'm very proud of him and I'm looking forward to seeing him train even harder and experience more success in the outdoor season," remarked pole vault coach, Nate Weseman.

Brian Wall scored big points when he placed second in the pole vault with a jump of 11' 6" and Canter finished seventh in the finals of the 55m dash with a time of 6.7 seconds. Teammate Tony Fitts ran 6.8 seconds in the preliminaries but did not make the finals.

In other events, Canter almost placed in the top eight of four events and just missed scoring points as he

placed 10th in the 400m dash with a time of 55.10 and teammate Luke Kehres was timed in 55.87 seconds. Troy Koeferl, a sophomore, just missed the finals in the shot put when he placed 10th with a throw of 44' 10". Both Bryan Kraft and Troy Kedroske dropped a lot of time in the 3200m run. Kraft dropped 25 seconds from his last outing and finished with a time of 11:34 and Kedroske finished with a time of 12:10.

Distance runners, Chris Baker and Tom Ramthun also both ran well as they recorded times of 5:04 and 5:10 respectively in the 1600m run. Josh Repovsch and Troy Kedroske ran times of 2:22 and 2:23 in the 800m run. The 4x400m relay team of Paul Mertz, Baker, Kehres, and Sparks did not fair well as they finished in 3:54.1. Mike McKee ran the 55m high hurdles in 9.86 seconds but did not make finals.

DNR Outdoor Report

March 27, 2001

A cold snap brought a taste of winter temperatures back to Wisconsin this past week, but except for a few locations that reported a dusting of snow, no significant precipitation was reported last week.

Prior to the cold snap, the state had been experiencing some of the warmest temperatures of the year, with the Brule DNR Ranger Station recording its first night of the year that it didn't freeze and daytime temperatures that reached 52 degrees.

Only the northern part of the state still has sufficient snow for snowmobiling or skiing, but most snowmobile trails throughout the state were scheduled to close at the end of March, when leases with private landowners for trail easements expire. Using trails after they are officially closed will only make it more difficult to negotiate future leases for trail ease-

ment with landowners.

The cold spell temporarily delayed the melting of snow on the ground and ice on lakes and even re-froze some holes that had opened on lakes and rivers. This new ice is clear, thin and not very strong.

Conservation wardens are continuing to ask people to stay off ice unless they are certain it is safe. Lakes in the north continue to have up to two feet of ice, but deep slush has formed on many lakes making travel very difficult.

However, one to two feet of snow remain in the woods in the north and cross-country ski trails in the Brule River and Northern Highland American Legion state forests are still being reported in good to excellent condition for late season skiing.

In central and southern Wisconsin where snowcover has diminished, people have been anxious to get out on state trails. However, most trails are not yet open for biking. The trails paved with limestone screening are very soft, as the ground thaws and bike tires will sink the surface, as the trails dry out, the tire prints leave ruts that are difficult to smooth out.

To help preserve the trails, for better biking weather, please don't ride on trails that are not open. Similarly, most mountain bike trails at parks and forests are currently closed and won't open until they dry out.

Ice fishing for panfish continued to be fair to good on northern lakes. Crappies were reportedly starting to show signs of staging and schooling in some waters. Good crappie fishing was reported on Ladysmith area lakes. Bluegills had started to move toward open water near stream inlets where they were feeding on bugs washed in with the spring runoff.

Good perch fishing was reported from Eagle River area lakes. Ice conditions remain very poor on southern Wisconsin lakes and wardens are encouraging people to stay off the ice.

The cold snap made open water fishing difficult and seemed to keep fish from biting on those rivers still open for game fish. The few

anglers willing to brave the below zero wind chills caught a few walleyes on the Wisconsin River. On the Pentenwell Flowage more walleyes were being caught through the ice than on open water.

Some heavy fishing activity with good walleye and sauger action was reported on the Rock River in the Fort Atkinson, Jefferson and Watertown areas last week before the cold front with good walleye fishing. However, the cold weather slowed the action. The Rock River's water temperature is around 37 degrees.

The cold snap also slowed walleye and sauger fishing on the Mississippi River with the fish turning sluggish due to the cold front. A reminder to Mississippi anglers that a new 25 fish bag limit on panfish went into affect on Wisconsin waters of the river on April 1.

Flows are still high on Lake Michigan tributaries in southeastern Wisconsin and fishing has generally been slow. A few more steelhead have been reported moving up rivers but not in large numbers. The Root River Steelhead Facility is now in operation and was scheduled to begin processing fish to collect steelhead eggs for hatcheries on March 29.

Water temperatures on the tributaries are hovering between 38 and 40 degrees. Fishing was also slow in the harbors, with just a few brown trout and perch reported at the Milwaukee harbor.

The past week's cold snap has slowed the spring migration a bit, but also created great viewing opportunities at marshlands re-froze, forcing birds to congregate in areas that remained open. Many diving ducks, including American merganser, canvasback, scaup, bufflehead goldeneye and ring-necked ducks have been seen along the Mississippi and Wisconsin rivers.

Tundra swans, snow geese, great blue herons and killdeer have all been observed in recent days. And the first trumpeter swans have returned to their nest sites in northwestern Wisconsin.

KHS Girls Softball Season Opener Held at Plymouth

There was a cold north wind blowing off Lake Michigan in Plymouth on Tuesday and it kept the Indian bats chilled in a season opening loss to the host Panthers.

The Indians were held to just one hit, a double by Sarah Williams in the third inning, as they dropped an 8-1 decision.

Kewaskum drew within two runs at 3-1 in the third inning, but four runs by Plymouth in the fourth and an insurance run in the fifth put the game out of reach for the Indians.

The lone Indian run came after a two-out double to centerfield by Williams. She then moved to third base on a wild pitch as Jessica Janz drew a walk and stole second base.

Sherry Maul was at bat with the runners on second and third base. Maul hit a hard ground ball to the Plymouth first baseman, who committed an error, allowing Williams to score. Maul stole second base during an at-bat by Stef Brettingen, but the potential rally was snuffed out as Brettingen popped out to second.

Defensive highlights for the Indians included a diving catch by rightfielder Jessica Janz, which she fol-

lowed up with a throw which was relayed to the plate by first baseman Vicki Broecker to nail the Plymouth baserunner attempting to score on the play. Jacki Broecker was also cited for solid defensive play from her second base position, which included a great backhand snag on a ball hit up the middle.

Senior Molly Schweder took the loss on the mound, giving up five earned runs on 11 hits, while walking one and striking out three. The Indian defense committed four errors behind her to contribute Plymouth's eight run total.

The Indians continue conference play on Thursday, April 5 as they travel to Campbellsport. The game scheduled at home against Kiel on Friday, April 6, has been re-scheduled as part of a doubleheader to be played at Kiel on May 1.

Some places near the earth's equator receive as much as 400 inches of rain each year.

First JV Girls Soccer Team Ties Lomira

The Kewaskum girls junior varsity soccer team hosted the Lomira girls varsity soccer team on Friday, March 30.

This was the very first game ever for the new junior varsity team and the entire team did an excellent job. Lomira was a strong gun and run team, taking the ball to the Kewaskum goal on long lofting passes.

Kewaskum countered with a fast forward passing strategy, dribbling through Lomira's defense. The fans were treated to a fast paced game with the score changing hands several times, and ending in a well-deserved tie for both teams.

Kewaskum's Stephanie Broughton was nothing short of spectacular in her first game in goal, making numerous professional saves. Carissa Fay, Cora Werdermann, Erica Christie, Stacey Imler, Katie Bandler, Sarah Bandler, Katie Schuppel, Jackie Hug, Mandy Glander, and Mandy Survis all played well in their first game.

One in every four Americans has appeared on television.

"For the last time, Edith, no wife of mine is ever going to stop working."
