KHS Boys' Track Takes Third at State Meet

State Championship Titles Won in 400m Relay, 800m Relay

Charlie Sparks crosses the finish line to take first place in the 4x200m relay at the state meet held in LaCrosse this past weekend. Sparks, along with Chris Canter, Tony Fitts and Tom Ogi set a new state record of 1:30.04.

UW-LA CROSSE - The unbelievable almost happened when the Kewaskum High School boys' track team came within three points of winning the Division Two state track and field championship this past weekend, June 1 and 2 at UW-La Crosse.

Amery won the State Division Two championship with 41 points and fellow Eastern Wisconsin Conference member, New Holstein, finished second with 40 points. The cold, windy and rainy weather at the state track meet on Friday and Saturday resembled weather typical of November or April and not the first weekend in June.

The Kewaskum boys brought home gold medals in both the 800m relay and the 400m relay, added a pair of second place finishes in the discus and the pole vault and then picked up a sixth place finish in the long jump to score 38 points.

Both the Kewaskum 4x200m relay and the 4x100m relay teams qualified for the state meet with the fastest times of all the

Division Two teams.

On Friday the Kewaskum boys 4x200m relay team of Chris Canter, Tony Fitts, Tom Ogi and Charlie Sparks qualified for Saturday's final with the fastest qualifying time of 1:31.34 to set the initial state division two record in this new event. Kewaskum's time put them into the top seed lane, lane five, for the finals.

Saturday the 4x200m relay team of Canter, Fitts, Ogi and Sparks became state champions when they won the 4x200m relay and set a new state record with a time of 1:30.04. Elkhorn finished a distant second with a time of 1:31.77.

Two events later the Kewaskum 4x100m relay team completed the sweep of the two sprint relays when Canter, Fitts, Kevin Miller and Sparks won in 44 seconds flat. "The relay team used tremendous focus once they were on the track. Their hand offs were excellent and they ran a great race," exclaimed a proud coach Gosa.

Earlier on Friday night after the three hour rain delay the Kewaskum

4x100m relay team set a new school record when they posted the fastest time of the two qualifying heats. Their time of 43.34 broke the school record of 44.7 seconds that they had ran earlier at the EWC Relays and also officially eclipsed the time of 43.79 seconds that Jim Thelen, Fitts, Canter and Sparks had run at the state meet last year. Whitewater finished second in the 4x100m relay with a time of 44.37 seconds.

Sparks, the defending Division Two state champion in the discus, finished second on Friday with a throw of 160' 11" and Josh Parrent tied for second in the pole vault with a vault of 13' 0" on Friday. Kewaskum was tied for second place in the team scoring going into Saturday's competition with 15 points, eight points by Sparks and seven points by Parrent. "The cold wet weather and the three hour rain delay were both factors that didn't help any of the competitors. This was not the kind of weather that anyone wanted to see at the state track meet," commented head coach Jerry Gosa.

The wins in both relays on Saturday gave Kewaskum an additional 20

team points and pushed their total to 35 points.

Kewaskum's fortune took a turn for the worse when Canter and Fitts couldn't get back for the official warm-up in the long jump before the event started. Kewaskum had notified the long jump officials that both of their long jumpers would be running in the 4x200m relay and the 4x100m relay with just six heats of the 400m dash separating the relays, plus potential medal awards and photographs on the awards stand. The athletes asked to be excused to report back to the long jump and were told that they couldn't leave the infield. By the time Canter and Fitts

Graduation Held at Holy Trinity

Statesman photo: Andrew R. Kuehl

Twenty students received their eighth grade diplomas from Principal Mrs. June Gauvin and Pastor Mark Jones during graduation exercises held at Holy Trinity Catholic Parochial School on Thursday evening, May 31.

Diplomas were awarded following a 7 p.m. graduation

Mass at Holy Trinity Church in Kewaskum. A reception for parents and guests was held in the church basement after the ceremony.

The following is a list of the eighth grade graduates: Danyl Abraham, Rachel Dums, Carrie Fechter, Nicki Feucht, Stacy Gajew-

ski, Amanda Goebel, Alexander Herriges, Amanda Herriges, Ryan Hesprich, Griffin King, Ross Kuehl, Eric Nass, Michael Neumann, Jessica Rewald, Josh Riebe, Noah Schoofs, Andrea Theisen, Brian Timmers, Jason Tuszynski, and Katherine J. Uelmen.

State Meet

(Continued from Page 1)

could report back to the long jump area the competition had already started and they were denied a chance to take any run through. After an official protest by Kewaskum they were at least allowed to take a tape and measure back to find their starting point.

Canter jumped 20' 9 3/4" on one of his three jumps in the trials and thus qualified for the finals. Fitts was not as lucky as his last jump taken in the trials was six to eight inches behind the take-off board and the resulting measured jump was 1/2 inch short of what was necessary to place him in the top nine to advance to the finals.

Canter's jump of 20' 9 3/4" placed him sixth in the competition and gave Kewaskum an additional three points to bring their team total to 38 points. Herc Hyland of Nekoosa won the competition with a jump of 21' 3 1/2".

Friday night the Kewaskum girls 4x400m relay team of Becky Herriges, Breyan Donath, Jenna Roecker and Jessi Graham had to again run the race of their life to qualify for Saturday's finals. The Kewaskum relay team has a state qualifying time and season best time of 4:12.7 from the Pewaukee Sectional. That time placed them ninth out of the 14 teams that qualified for state. Kewaskum needed to finish in the top nine in order to qualify for Saturday's finals. There was additional concern because four teams had qualified only one second behind Kewaskum.

"The girls had fallen asleep on the floor of the fieldhouse after the three hour rain delay Friday night. I woke them up around 10 p.m. and they proceeded to warm up for half an hour. We huddled together right before the race and again stressed that they had the heart to do it and that they had to really give it everything they had if they were going to qualify for finals on Saturday. I also told them that I knew that they could do it," reported coach Gosa. The girls race started at almost 10:50 p.m.

Kewaskum needed to finish in at least fourth in the second heat because the first five places in heat one had run times of 4:07.8 or better. The Kewaskum four-some did just that. They ran a hard fought inspirational race and finished a close third in their heat with their season best time of 4:09.62, just 0.03 seconds behind second place and 0.21 seconds ahead of the fourth place team that qualified as the last team for finals. Kewaskum thus placed eighth of the nine teams that qualified for Saturday's finals in the 4x400m relay. "We were definitely happy for them and proud of their

effort," commented coach Gosa.

Running only 16 hours later on Saturday afternoon in the finals Herriges, Donath, Roecker and Graham placed eighth with a time of 4:12.12. "After the race I told the girls that they realistically couldn't expect themselves to run the race of their lives twice within 24 hours. They gave it everything they had and had a great state meet," summarized coach Gosa.

Colleen Gosa, who had placed sixth last year at the state meet to earn a state medal, finished ninth in the discus on Saturday with a throw of 113' 2", just two inches out of eighth place. "Colleen threw well, but at the state level you have to throw near or at your best in order to finish where you want to," commented coach Gosa.

Emmy Forester finished 10th in the 100m high hurdles with a time of 17.05 seconds in the preliminaries on Friday and did not advance to the finals. Graham finished 12th in the 400m dash on Friday with a time of 1:03.46 and also did not qualify for Saturday's finals.

"We are extremely happy with the boys results and very proud of the effort that all the boys and girls made at the state track meet. We know that some of the athletes are disappointed that they didn't do better, but they should be extremely

proud of their efforts and their accomplishments this season. They had a great season filled with great memories. We are definitely going to miss our seniors: Charlie, Colleen, Emmy, Kevin and Amber," concluded coach Gosa.

Wenninger Awarded Doctor of Medicine Degree

Christopher Wenninger M.D.

Christopher James Wenninger of Allenton, was one of 192 graduates receiving a Doctor of Medicine degree from the Medical College of Wisconsin in Milwaukee at its annual commencement exercises, May 19, at the Milwaukee Auditorium.

Dr. Wenninger is the son of Steve and Joyce Wenninger of Allenton. He is the husband of Julie Wenninger who is completing her Ph.D. at the Medical College. He received his Bachelor of Science degree in chemistry from Marquette University in 1997 and is a 1993 graduate of Slinger High School. He will enter a family medicine residency at Medical College of Wisconsin Affiliated Hospitals, Waukesha Memorial Hospital, in Waukesha.

The Medical College of Wisconsin is the state's only private freestanding medical and graduate school. Founded in 1893, it is dedicated to leadership and excellence in education, patient care, research and service. More than 1,400 students are enrolled in academic programs at the Medical College leading to M.D., Ph.D., M.S., M.P.H., and M.A. degrees. Medical College faculty physicians provide care annually in

every specialty of medicine to approximately 250,000 patients. Last year, its 900 faculty physicians and scientists received approximately \$82 million in federal and private grants to conduct more than 1,500 medical research studies.

Teen Dance at KHS June 8

Parents, are your kids already complaining that there's nothing to do this summer? The Kewaskum Area Chamber of Commerce is here to help cure those teen boredom blues.

The Chamber is sponsoring a teen dance on Friday, June 8, from 8 to 11:30 p.m. at Kewaskum High School's Rose Hall. Live music will be featured by the bands, "Guilt Trip" and "Cold Fusion. Both bands are up and coming musicians from high school.

Tickets are \$3 in advance and \$5 at the door and are available at the Kewaskum offices of St. Francis Bank and West Bend Savings Bank.

Food and refreshments will be available at the dance.

Parents if you need a little quiet time after the chaotic rush of school activities ending, send your young people to the Kewaskum Area Chamber of Commerce sponsored Teen Dance on Friday night. Chamber members have made sure this will be one of the summer social events teens will remember long into the start of the next school year.

Try to save some money -- it may be worth something again someday.

Kewaskum Beautification Project Underway

The 15 village cement flower pots have been planted by Jesslyn Geidel and Gwendolyn Dreher for the Kewaskum Woman's Club, The Kewaskum Area Chamber of Commerce and the Kewaskum Village and Parks Committee.

Watering the flowers by the business sites would be appreciated although maintenance will be done by the

committee.

Now is the time to get your yards ready for the village three beautification awards which will be chosen in late July by the Kewaskum Woman's Club. Awards will be presented at the village board meeting on Monday, August 6 at 8 p.m.

Special thanks are extended to Jesslyn Geidel for planting and donating all the flowers at the south welcome sign and area events sign. Also, thank you to Jeanne Moe for planting

flowers at the sign on River View Drive. Let's all KEEP our village beautiful.

Moistening seeds between the layers of a damp paper towel can help speed along the growth of a number of plants, such as sweet peas.

Dundee Daze Picnic Set For July 14

Invite your families, friends and neighbors to join you at the family picnic in the heart of the Kettle Moraine for a good, old-fashioned day on Saturday, July 14. The grounds at Sportsman's Park in Dundee will burst with activity from 11 a.m. to 11 p.m.

The third annual Taste of the Kettle Moraine begins at 12 noon in the main building. You will enjoy sampling specialty foods from many of the fine restaurants in the area. Each will offer a sampling of one of their most popular menu items. Taste test all afternoon until 5 p.m. Follow this with a visit to the dessert booth.

Kids will sit on hay bales to enjoy the free show in the new pavilion at 1:30 in the afternoon. They will be part of the musical activities led by Terry Kramer, a children's entertainer and educator. Those inclined to perform can enter the Lyp Sync Contest beginning at 12:30 p.m. Or, show their talents in the Hula Hoop Contest. Prizes for both events will be awarded immediately fol-

lowing the contest. Watch for more information or call 920-533-4430.

Visit Game Alley where a variety of games of skill will challenge and entertain, and give you the chance to win prizes. New this year are the Bounce Ride and Pitching Mound.

The Dunk Tank returns this year with a new twist. Dunk the lady representing YOUR favorite fire department to elect her the first Miss Kettle Moraine Fire Department. She will be crowned and presented a bouquet of roses. Local area fire departments will be represented.

Music will fill the air all

day as popular Joey Minz will sing and play your favorite country music. In the evening, back by popular request, Hot Toddy will perform their fabulous variety of rock and contemporary music.

Bring your appetite with you as you will be able to enjoy fresh sweet corn hot off the grill, brats, hot dogs, nachos and popcorn along with beer and soda.

Dundee Daze Picnic is sponsored by the Long Lake Fishing Club, Inc. Proceeds are earmarked for designated projects to improve and maintain Long Lake and the lake community.

Hornet's Nest, the Milk Bottle, and the Baby Grand Piano are all rock formations in the Wisconsin Dells.

CLASS of 1971 Reunion Reminder

The Class of 1971, "30" Year Reunion, is fast approaching, August 11. Responses have been coming in very slow and we would like to remind classmates to submit theirs. It would be great to see everyone...now...just 30 years later and share the evening reminiscing and catching up on current events. IVAN ANDRADE is coming and I know that many of you would like to see him as well.

To check to see who is coming, check the KSD web site and 1971 Alumni page for an update or anyone on the committee. www.ksd.k12.wi.us

RiverJam to be Held in Downtown West Bend

"RiverJam is approaching! On Saturday, June 23, 2001. RiverJam is a summer music celebration focusing on the importance of Downtown West Bend's close proximity to the Milwaukee River and will feature live music by Class of '62, Front Page News, and Wayne and Deb. Magic Mike and Eartha the Elf will be there to entertain families and children in the afternoon.

The Farmers' Market, canoeing on the river, and other activities such as an arts and crafts show, Family and children entertainment, and food and beverages will also be a part of the day's activities. RiverJam is taking place next to the Milwaukee River in the north Field's Fine Furniture lot and the east Ziegler lot. RiverJam will offer free Milwaukee River canoe rides to patrons of RiverJam with the help of the City of West Bend Parks, Recreation, and Forestry

>Department and the Ozaukee-Washington Land Trust. You won't have to be an expert canoeist to take these rides - skilled volunteers will be on hand to help you out. People who are more experienced with canoes are welcome to portage on down to RiverJam too! The river is important to downtown West Bend and the community at large, and RiverJam canoe rides can give many people a chance to discover this natural resource that weaves through our community.

Patrons of RiverJam will have a chance to discover another "natural resource" in downtown West Bend - some of the many fine restaurants from downtown West Bend will be out "dancing in the streets" and selling a variety of foods that are sure to satisfy any palate! Januli's, Simon's Café, Old Courthouse Inn, Tastings, and St. Somewhere Café will all be RiverJam food vendors, along with the West Bend Jaycees and other concessions. This is a great chance to taste what downtown has

to offer by way of provisions for your family!

The Art and Craft Show during RiverJam promises to be a relaxing experience. While looking at art and artisan items, patrons of RiverJam can enjoy a free massage from downtown business Massage Associates. Listening to music, buying a few beautiful items for your home, getting a professional massage. what could be better on a Saturday afternoon?

Downtown West Bend is looking forward to celebrating their river on Saturday, June 23, 2001 and hope that you'd like to be a part of that celebration too. There is no admission charge and parking is free. Come for the Farmers' Market, stay for the arts and crafts, canoe down the river and then have dinner and dance under the stars in downtown West Bend!

Musikgarten Classes Planned At Meadow Creek

Down in the meadow some music will be heard including crickets, frogs and children!

Meadow Creek Apartment's Community Room is going to be the location for two eight-week summer music programs for parents with babies and toddlers.

"Baby's Musical World" is a class for babies 0-15 months. "Nature's Music for Twos and Threes" focuses on swimmers, leapers, buzzers, singers and other small animals. This class is appropriate for toddlers, 15 months to 3-1/2 years.

Both of these classes are part of Musikgarten, a unique early childhood music and movement experience. The classes, approximately 30 minutes in length, will be held Wednesday mornings. Call Lisa Clark, certified instructor, at 262-626-4540 for fee and registration information.

Class size is limited.

Second County Habitat Home To Be Built

Ground will be turned on the second Habitat for Humanity home in Washington County, Sunday, June 10 at 1 p.m.

Local Habitat officials, representatives of area congregations and business, will be present and will speak at the ceremony to be held at the Habitat home site on the north side of Mitter Circle, located west of North Main Street in West Bend.

"We rejoice as ground is broken on this new home," exclaimed Habitat president, Russ Wanta. "We'd be honored if folks from across the county would join us as we mark the beginning of construction on this home that will be built in partnership with a wonderful family."

People interested in becoming involved in this housing ministry, can receive information about volunteering, donating or owning a home from Habitat Board members following the groundbreaking. Information is also available through Habitat at P.O. Box 247, West Bend, WI 53095, or by calling 334-1801.

Habitat for Humanity is an ecumenical housing ministry dedicated to working toward the elimination of substandard housing, in partnership with God's people.

Annual Red Cross Dinner, Recognition

The American Red Cross - West Bend Chapter will be having its Annual Dinner and volunteer recognition on Wednesday, June 13, 2001.

The event will be held in the Country View Cafe located in the lower level of West Bend Mutual Insurance Company. The evening will begin with a social at 6 p.m. and dinner will follow at 6:30 p.m.

The featured speaker for the evening is Kathy Mykelby of WISN Channel 12 News.

Anyone interested in attending may contact the Red Cross office at 334-5687 NO LATER than Friday, June 8, 2001. The cost for the evening is \$15 per person. Anyone interested in volunteering for the Red Cross is also encouraged to contact the office.

Silent Auction At KES June 16

A Silent Auction will be held at Kewaskum Elementary School on Saturday, June 16 from 8 to 11 a.m.

Auction items will include obsolete furniture and equipment that will not be used in the new elementary school.

Place your bid between 8 and 11 a.m. Doors will be closed at 11 and bids will be tabulated. Doors will reopen at 11:30 for high bidders to pay for their items and remove them from the premises.

Items not picked up by 2 p.m. will be re-sold.

Thank You for Remembering Our Veterans

A big "thank you" from the American Legion Post 384 and Auxiliary Unit 384 goes out to all who supported "Poppy Day" by donating money, wearing a poppy or helping in any way to make our "Poppy Day" a big success.

The money donated is used only for needs of veterans and their families.

Whenever we see a red Poppy blooming anywhere, anytime, let us remember our veterans who fought and died for us.

Holy Trinity Holds Three R.I.F. Programs

Doing their piece on Snow White, Amanda Goebel, left, and Katie Uelmen, right, did a great job.

Left to right, Nicole Feucht, Danyl Abraham and Ashley Guecht did a piece entitled The Stinky Cheese Man and Other Twisted Tales.

Left to right, Rachel Tuszynski, Katie Schoofs, Lindsey Krautkramer, Karissa Dums and Elisa Schoofs.

The eighth graders of Holy Trinity School wrote fairy tales with twists to them. On Friday, March 23, they read their stories to the first graders. The first graders really liked the stories and they all had a lot of fun.

By Mandy Herriges and Stacy Gajewski

Holy Trinity recently held its third R.I.F. program. R.I.F., Reading Is Fundamental, is a program designed to encourage children to read more. The students watch a demonstra-

tion and pick out a free book of their choice.

Our most recent program was a collection of forensics pieces recited by our Holy Trinity drama students. The presentation was followed by food and drinks. Mothers came to enjoy the show and help set the program up.

Critter Classic Golf Outing

Newburg -- Bublitz Family Restaurant in Saukville and Squires Country Club in Port Washington present the second annual Critter Classic Golf Outing. The outing takes place at 11:00 a.m. on Tuesday, June 26 at Squires Country Club, 4970 Country Club Road, with buffet dinner at the restaurant after golfing.

The fee for the day is \$85 per person and includes a cart, green fees, \$10 worth of food and drink tickets, and a buffet dinner. A drawing for door prizes tops off the day. For more information or a registration form, contact Richard Bublitz at 262-284-4009. Registration deadline is June 19.

The Golf Outing benefits Riveredge Nature Center. Riveredge is a not-for-profit organization that provides environmental education programs for children, adults and families of the Greater Milwaukee and surrounding areas, and is located at 4458 W. Hawthorn Drive (Hwy. Y, off Hwy. 33) in Newburg, WI.

Squires Country club is located at 4970 Country Club Road in Port Washington, and Bublitz's Family Restaurant is located at 150 South Foster Road in Saukville.

Have a fun day on the links, have a great meal, and at the same time, support environmental education at Riveredge.

Perfect Summers

Here are some more Perfect Summer stories from Mrs. Barb Rankin's class at KES.

By Jacob Dickmann

The perfect summer would be going to the beach and swimming all day long. It would be so perfect that I would have picnics all the time. I would climb trees and play soccer, basketball and volleyball. I would ride bikes and rollerblade. I'll play with my friends, read and fly a kite.

I will rollerblade to the mountains and sleep there all night long. The mountains would be so cold I would need to bring blankets and heatpads. I'll get a horse to ride so I can get around the mountains faster.

By Stephanie Yahr

The perfect summer is hot. A good summer means you can swim a lot. On a perfect day I lay in the grass. I would also sleep in a tent in the woods. On a perfect summer I would get a big blue puffy animal with bunny ears and short legs and arms. It would be cute.

A perfect summer would be to not get a sunburn. I would also have my own indoor waterpark. During the summer I would get a dog and a bird. I would also

get a white tiger and horse. I would go camping at the Grand Canyon. I would stay up all night with parties and have lots of fun.

By Duke Harris

My perfect summer would be having cookouts when it is nice out. When it is really hot it would be fun to have squirt gun fights and stay up all night. I would have pillow fights with my friends and brother.

If I am bored and it is cold out I would play Nintendo. If the water is warm I will fish at any lake where there is pike fish. If it is nice out I would rollerblade, bike and ride my scooter.

By Nathan Bandy

The perfect summer for me would be playing with the animals in the ocean. I would go to Florida to do this. I would stay there for a month.

I would then go to Colorado and climb a mountain to a cabin. I would stay in the cabin and explore.

The next place I would travel would be Michigan where I would stay with my grandparents. I would stay up late and do things. I would build a secret hide-out. I would find a leatherback turtle and ride

it all the way to Hawaii.

After I left Hawaii I would go to Florida again. I would fly on a secret airplane to get back home.

By Kelsey Guth

The perfect summer would be if I could go swimming the whole time or go swimming in Florida. I would fly to Florida in a hot air balloon. While I was in Florida I would want to go to Disney Land. I would drive there. I would want to go on all the rides.

After I was in Florida for a month, I would want to go to Paris for the rest of the summer. There I would visit the Eiffel Tower. I would also try to learn French, make some friends, and look

at the different buildings.

I would get an airplane to get back home. I would buy an airplane to get back home. I would fly across the Pacific Ocean back to my house. I would get a million dollars and get a big box of chocolates and eat them all at once. Then I would buy more! I would keep eating them until I was 1,000,000 years old.

Thank You

The Farmington Historical Society would like to thank everyone who attended and participated in their annual Memorial Day Celebration at the Turner Grounds in Fillmore.

Special thanks to Marlene and Dave Domasky, the Kewaskum High School Band, Norma Young-

bauer, Bernice Wendel and the children for the veteran ceremony; the Farmington Athletic Club and Greg Ziebell for serving as umpire, and Kevin Fay for organizing the peewee teams; the Turner Athletic League and Roger Degnitz for the use of the grounds and providing concessions; Richard Thiemer for gathering up the "Thiemerdome Over 40 Gang" for a baseball game and the Fillmore and Boltonville Fire Departments for their ball game; the Farmington 4-H Club for their help and participation, and the Friends of the Saxonia House for being open and providing tours.

The chains of habit are too weak to be felt until they are too strong to be broken.

Mom's memory loss had me completely frazzled.

Taking care of Mom had gotten to be a full-time job for our entire family. Her progressive memory loss meant she couldn't be left alone.

We found help.

We found Friendship House. With their caring and loving staff, Mom sees a fresh face with new energy looking after her every eight hours. We feel so relieved.

Friendship House is a new assisted living facility featuring large, personalized rooms with private bathrooms and secure surroundings. Mom is not socially isolated anymore... the supportive staff has her involved in activities that are bringing joy to her life. I'm glad I made the call. You should call, too. Talk to David Stone today at (262) 334-9487. He'll be happy to answer any questions or to send you information.

Annual FFA Award Banquet Held

This year's Kewaskum FFA officers team is pictured here. From left to right, front row, Rebecca Baron, President, Bridget Beck, Vice President, and back row, Peter Marx, Historian, Roland Westphal, Sentinel, Tom Ramthun, Reporter, Matt Propson, Vice President and Josh Hawig, Treasurer.

At the FFA banquet, three FFA members received scholarships. Pictured here from left to right is Bob Beisbier, owner of Kewaskum Frozen Foods, and Josh Hawig, who received the Kewaskum Frozen Foods Scholarship; Rebecca Baron, who received the FFA Alumni Scholarship; Matt Propson, who received the Kewaskum Veterinarian Clinic Scholarship and Dr. Greg Ogi, owner of the Kewaskum Veterinarian Clinic.

This year's annual FFA Awards Banquet was held on Saturday, May 9th. The banquet started with a motivational speech about FFA from the State FFA Sentinel Rick Henningfeld. Rick talked about what FFA meant to him and how he got involved in the organization. After Rick spoke a catered meal was served followed by the opening ceremony.

The awards portion of the banquet started with giving Honorary Member of the Year to Mrs. Mary Krell and to Equity Livestock Producers for their many years of support to our FFA chapter.

Greenhand is the first level of FFA membership; the Star Greenhand Award is given to the top Greenhand member who

has participated greatly in FFA activities. This year's Star Greenhand award was given to Melissa McKee.

Chapter is the second level of FFA membership; Tom Ramthun received the Star Chapter Award this year.

Local Proficiencies are awards that are given to members of the local chapter for achievements in specific areas. Tom Ramthun received the proficiency award for the Agriculture Communication, Agriculture Sales, Environmental Science, Forage Production, Wildlife Management and Beef Production (placement) areas.

The winner of the Beef Production (entrepreneurship) was Peter Marx. Peter also received the Poultry Production proficiency. Bill

Weber won in the proficiency areas of Grain and Swine Production. Johanna Schulte received her proficiency in the area of Equine Science, while Melissa McKee won in the area of Sheep Production and Niky Fischer received a proficiency award in Small Animal Care.

State Proficiencies are awards that are given to FFA members that have already received a local proficiency and are considered the best in a specific area in the state. Matt Propson applied to the state in the area of Dairy Placement. This is one of the hardest areas in the state. For his achievements, Matt will be receiving a bronze pin. Bridget Beck will be receiving a gold pin for her achievements in the area of

Equine Placement. Both Matt and Bridget will be receiving their pins at the state FFA Convention this June.

Each year the FFA competes in a speaking contest. There are several speaking contests which can be competed in. The contests include discussing or speaking about some agricultural related topic. Those from Kewaskum that competed are Tom Ramthun, Rebecca Baron, Michelle Weber, and Melissa McKee. These members received a certificate of participation at the banquet. Michelle Weber participated in the Creed Speaking, and has received first place at the district and the sectional contest. Michelle will be competing again at the State FFA Convention.

This year the FFA went judging at the World Dairy Expo in October, to Fox Valley Technical College in March, and to State Judging at Madison in April. At World Dairy Expo, Erin Beck, Scott Herman, Rebecca Baron, Peter Marx, Tom Ramthun, Cam Howie, Matt Dwyer, Lisa Beck and Josh Hawig participated. Lisa and Josh also participated at Fox Valley along with Bridget Beck, Jon Lendved, Johanna Schulte and Troy Kedroske. Steve Hesselgrave, Melissa McKee, Artie Klemme, Shanon Dwyer, Matt Dwyer, Tom Ramthun and Cam Howie participated at both Fox Valley and the State competition. Jenny Jaycox and Josh Hesprich also judged at State. All of the judging participants received a certificate for their efforts.

The KEYS Scholarship fund is a fund that gives money to a Kewaskum senior planning to continue they're schooling after high school. This year the Kewaskum FFA showed its support of student education by donating \$250 to the fund. At the banquet Mr. Robert Ganka, KHS principal, accepted a certificate representing continued support from the FFA.

The Growmark Company sponsored an essay contest this year for all FFA members to participate in. This year's essay topic was the benefits of biotechnology. Results of the contest have not yet been released, however Niky Fischer, Amy Guttmann, Tom Ramthun and Melissa McKee have all submitted essays to the contest.

The FFA fruit, cheese and sausage and kringle sale this year again was a great success for the chapter. At the banquet the top sellers were all given a FFA T-shirt along with the opportunity to win money. For every \$100 over \$500 sold the members would get another chance to win. For being the top seller this year Josh Hawig received \$100

along with the \$150 that he won. Peter Marx won two hundred dollars.

Three Scholarships were given out to FFA members that are planning to continue their education. Josh Hawig received the Kewaskum Frozen Foods Scholarship. The Kewaskum Veterinarian Clinic gave a scholarship to Matt Propson this year. Kewaskum FFA Alumni also gave a scholarship and was received by Rebecca Baron.

Pat Obrien from Midwest Equity Livestock has supported the Kewaskum FFA for many years with an outstanding livestock student award. This year's trophy was given to Scott Herman. Scott's achievements include working on his family farm as well as showing pigs at the county fair.

East Central Select Sires gives an award at our banquet to a student that shows promise in the dairy industry. This year's award was given to John Guttmann. John has recently added 25 cows to his family operation and looks to continue strong in the dairy industry.

Matt Propson was this year's FFA vice president. He was enrolled in agriculture classes and participated in many FFA activities. Because of his hard work and academic accomplishments Matt received the Outstanding Senior Award from Dekalb.

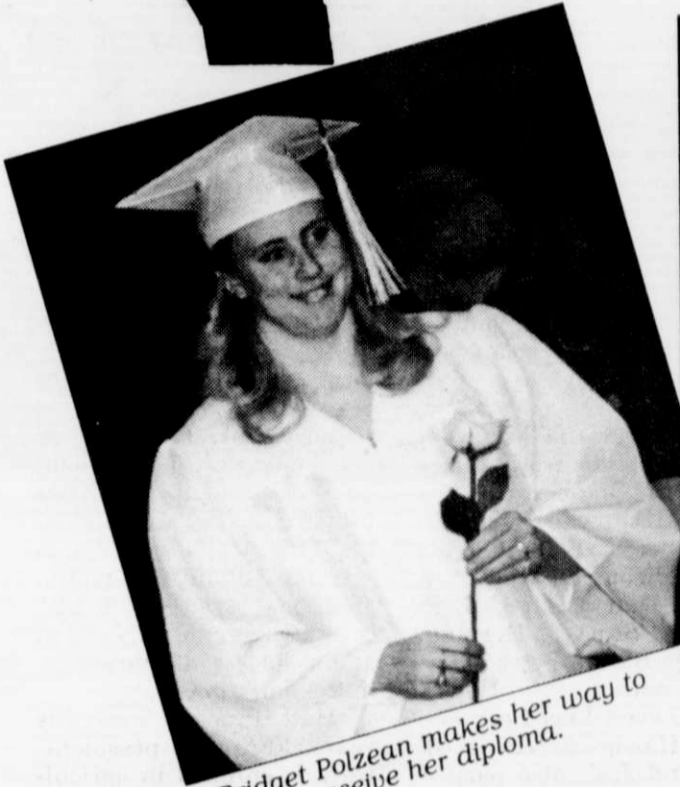

Member of the Year is an award that is given out to a FFA member that has shown leadership in many aspects of school and community. This year's winner was Tom Ramthun. Tom was this year's FFA Reporter. He has shown at the county fair for the last two years, participated in the speaking and judging contests, as well as being a chair person for the toy show and participating in many FFA activities. Besides FFA Tom shows strong leadership in the school and community.

For the closing ceremony the officers for the 2001-2002 year were presented as the old officers retired from their positions. Tom Ramthun will be the new President, taking over for Rebecca Baron. For Matt Propson and Bridget Beck, Peter Marx will be the new Vice President. Taking over for Josh Hawig as Treasurer will be Lee Schacht. Niky Fischer will be the new Secretary, taking over for Scott Herman. Taking over for Tom Ramthun as Reporter will be Lisa Beck and Matt Dwyer. The new Sentinel will be Melissa McKee, taking over for Roland Westphal. This year's Historian will be Artie Klemme, taking the place of Peter Marx.

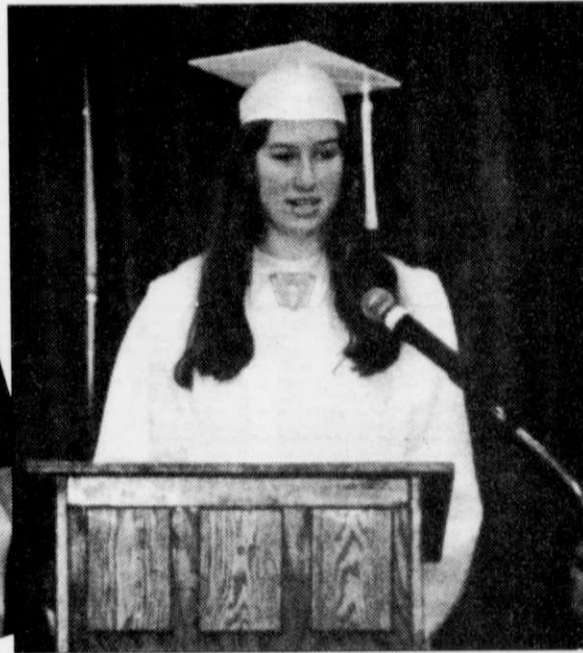

The name orangutan comes from a Malay word meaning man of the woods. The large red ape is found in Sumatra and Borneo.

IN MEMORY

In memory of RYAN (SNOPPY) BOEGEL, June 11, 2000.

We got the call one year ago today

They had something to tell us but couldn't quite say
We needed to hurry and get into town

From that moment on our world came crashing down.

For you had gone above to that special place
With that beautiful smile across your face
Leaving us here with memories and tears
And all the pictures we hold so dear.

Summer is here the season you loved
We know your riding in heaven above
Down here the Harley's go roaring by
That sound brings memories and tears to our eyes
Our heart skips a beat thinking its you
Wishing just once that dream would come true

We visit you often, some times just to say 'hi'
And we never leave without that tear in our eye
The tear somehow helps us get through each day
If only it would help the pain go away

Why couldn't God give us one more day
To say the things we needed to say
It might have been easier to let you go
But thats something we'll never know
For he chose you that day to be his special one
But you'll forever be our brother, our uncle, our son.

We love and miss you Ryan

Jay, Jenny, Bradley & Brett

IN MEMORY

In loving memory of RYAN BOEGEL, who passed away one year ago, June 11, 2000:

We can't believe it's been one year,
For we still cry so many tears.

We miss you so much, and We long for just a touch,
Or an embrace,
Oh, just to see your face.
If there was only a way to erase,

All of our pain and fear,
But the only way to do that,
Would be to have you near.
When we listen with our hearts we hear,
All your love around us soft and clear.

When we must come your way alone,
You'll greet us with a smile,
And say, "Welcome Home!"

We love you and miss you very much.

Love always,
Todd, Michelle,
Alex, Austin & Tony

IN MEMORY

In loving memory of RYAN BOEGEL, who passed away one year ago, June 11, 2000:

You were going home, the curve was there, the culvert you didn't see you. You found your home - it was not here, God said "Come home with Me!"

A year has passed we miss you more, there is nothing we can say, we loved you then, we love you now, the tears won't go away.

You filled our life with happiness and you gave us all your love, for the time we had together, we thank the Lord above.

To your resting place we visit and place flowers there with care, but only God knows the heartache when we turn and leave you there.

We love you and miss you so much, Mom & Dad

Do You Want To Meet God

Do you want to meet God? Pray? Dear Jesus save me, from hell.

Forgive all my sins, become my Lord and Savior, Thank you Jesus for saving me.

In Your name I pray, Amen.

Then a good idea would be to go to a Spirit-filled church and read the bible and make Jesus Lord of your life.

Refreshed and Ready

by Ami

One more winter has been followed by a lush-growth April, May and June! For those of us who sustained a "cabin fever" wintry experience, the great change restores to us the Lord's promise of dormancy to life; better still, from death to eternal growth and beauty. How can anyone be better treated?

This has been a spring wherein I have seen population explosion in the families of yellow Lady Slippers and Dog-Tooth violets. What a thrill! A Madison group of nature lovers join me in a study hike in a restored wetland area and Blue Heron natural rookery. What a joyous experience. People just like you and I fostering Mother Nature's right to support the birthing and the expression of wild flowers, shrubs and trees.

The good earth provides, if we let it, the positive environment for also the addition of wild life families of birds and animals. The refreshment to my soul through all of this makes me ready to congratulate every nature lover joining our Washington County team seeking appreciation in the sustenance of that which is God-given in and through the four seasons of each year.

Make it a rule of life never to regret and never to look back. Regret is an appalling waste of energy; you can't build on it; it's only good for wallowing in.

—Katherine Mansfield

LEGAL NOTICE

Charter Communications and ESPNews are involved in contract negotiations for the rights to continue carrying ESPNews on our channel lineups nationwide. The negotiations have reached an impasse. We think the current demands by ESPNews would diminish the value of that programming service to our customers. As a result, ESPNews plans to remove their signal from our lineup on June 30, 2001. The removal of ESPNews will not affect carriage of any other ESPN channels in our lineup. A replacement service will be announced very soon.

Number of Accidents During Spring Turkey Hunting Season is Highest on Record

MADISON - Wisconsin's tradition of safe turkey hunts received a setback this spring when seven hunters were injured in six separate incidents, according to Tim Lawhern, Hunter Education Administrator for the Department of Natural Resources.

"The Wisconsin turkey hunting season has historically had a low rate of injuries, especially compared with other wild game hunting opportunities," Lawhern said. "But that wasn't the case during this spring's season."

The seven accidents this spring yielded hunting accident rate of 10 per 100-thousand hunters - much higher than the accident rate during Wisconsin's gun deer season (three accidents per 100-thousand hunters) or for all Wisconsin game hunting combined (seven per 100-thousand). An average of just 2.5 hunting accidents were reported during the past 10 spring turkey hunting seasons.

"This spring season, we saw the most turkey hunting accidents in Wisconsin since the reintroduction of the bird to the state in 1976," said Lawhern. "But to call them 'accidents' is misleading. In most situations it's a matter of the hunter simply not following the basic rules of safe hunting."

Turkey hunting "incidents" are very predictable. Nearly one-third of all injuries occur when hunters shoot themselves. Another common incident occurs when two hunters separate and one ends up stalking the other's call or decoy,

shooting their partner based on movement, sound or what they thought was a turkey.

"The chances of actually getting close enough to a turkey by stalking are very slim," says Lawhern. "The turkey is wary by nature and has extremely keen eyesight. A hunter should never attempt to stalk a turkey. Instead they should try calling the bird to within their unobstructed shooting range."

This year's spring turkey hunting incidents occurred in the following counties: La Crosse, Grant, Portage, Trempealeau, Richland and Jackson.

In La Crosse county, a 14-year-old boy shot himself in the foot while moving his shotgun. The boy had the gun's safety engaged, but placed it in the off position when he sat down. In Trempealeau county, a hunter mistook two other hunters for turkeys and shot them as they were walking on a trail. In Richland and Jackson counties, hunters shot their partners after mistaking them for turkeys. In both cases, the shooters reacted to movement or color, not the telltale beard of a male turkey.

"It's clear to see that in each of these situations the hunter did not follow one or

more of the most basic rules of firearms safety," Lawhern said. "Know your target and what lies beyond it and keeping the safety engaged until you're ready to use your firearm are fundamental when it comes to enjoying a safe hunt."

Don't Take Wild Animals Out of Wild

MILWAUKEE - This time of year it's fairly common to come across young animals in the wild and sometimes it appears these baby animals are abandoned or orphaned. In almost all circumstances, that is not the case.

Many wild animals leave their young in hiding for brief periods while they search for food; or the animal may have been temporarily "spooked" away from its young. If you encounter a baby animal, it's best to leave the area quietly to allow the parent to return as soon as possible. If you are sure a young animal is orphaned, call your local Department of Natural Resources office for instructions.

Please don't take wild animals out of the wild.

Quality on Tap Report Water Quality Report

KEWASKUM WATER UTILITY

Kewaskum, WI

Water System Information

The Village of Kewaskum Water Utility source water is from well water. The aquifer formations that the wells are pumping water from is the Silerian Dolomite. I am pleased to report that our drinking water is safe and meets federal and state requirements. This report shows our water quality and what it means.

If you have any questions about this report or concerning your water utility, please contact Jerry Gilles at the Department of Public Works, telephone 262-626-4310, 1002 Fond du Lac Avenue, Kewaskum, WI. We want our valued customers to be informed about their water utility. Regularly scheduled Village of Kewaskum Board meetings are held on the first and third Monday of the month at 8:00 PM in the Municipal Building, 204 First Street, Kewaskum, WI. Notices of meetings are normally posted at the Kewaskum Post Office, St. Francis Bank and at the Municipal Building. Notices are also sent to the Kewaskum Statesman, official newspaper for the village, WBKV radio and the West Bend News.

The Kewaskum Water Utility routinely monitors for constituents in your drinking water according to Federal and State laws. The following tables show the results of our monitoring for the period of January 1st, to December 31st, 2000. All drinking water, including bottled drinking water, may be reasonably expected to contain at least small amounts of some constituents. It's important to remember that the presence of these constituents does not necessarily pose a health risk. The Department of Natural Resources may not require analysis of every constituent each year. The table

includes the most recent analysis.

Health Information

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The

presence of contaminants does not necessarily indicate that the water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environmental Protection Agency's Safe Drinking Water Hotline at (1-800-426-4791).

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by cryptosporidium and other microbiological contaminants are available from the Safe Drinking Water Hotline (800-426-4791).

Definition of Terms

Term	Definition
AL	Action Level: The concentration of a contaminant which, if exceeded, triggers treatment or other requirements which a water system must follow.
MCL	Maximum Contaminant Level: The highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.
MCLG	Maximum Contaminant Level Goal: The level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
MFL	million fibers per liter
mrem/year	millirems per year (a measure of radiation absorbed by the body)
NTU	Nephelometric Turbidity Units
pCi/l	picocuries per liter (a measure of radioactivity)
ppm	parts per million, or milligrams per liter (mg/l)
ppb	parts per billion, or micrograms per liter (ug/l)
ppt	parts per trillion, or nanograms per liter
ppq	parts per quadrillion, or picograms per liter
TCR	Total Coliform Rule
TT	Treatment Technique: A required process intended to reduce the level of a contaminant in drinking water.

Number of Contaminants Required to be Tested

This table displays the number of contaminants that were required to be tested in the last five years. The CCR may contain up to five years worth of water quality results. If a water system tests annually, or more frequently, the results from the most recent year are shown on the CCR. If testing is done less frequently, the results shown on the CCR are from the past five years.

Area Golfers Invited to Play in Annual KHS Alumni Scramble

On Friday, June 22, members of the Kewaskum High School golf teams will host any and all KHS Alumni as well as School District staff to a four person scramble at Hon-E-Kor Golf and Country Club in Kewaskum.

Each foursome will represent one (preferably their own) year of graduation against all other foursomes representing their class, including the class and team of 2001. There can be more than one foursome per class or graduation year.

Foursomes are currently forming to compete with Coach Eichstedt's (Class of 1972) team as well as Coach Scott Rohlinger's (Class of 1979) team.

Several past and present district staff members are organizing their respective foursomes to try to win the annual KHS Alumni Scramble. Each foursome must have at least ONE graduate or staff member from Kewaskum in order to participate.

Members of the previous high school golf teams, including the 1989 State Tournament Team and Conference Championship Teams, are invited and encouraged to participate in this second annual event.

Besides bragging rights, plaques and prizes, the purpose of the tournament will be to raise funds for KHS Athletic Programs.

Therefore, there are many ways to get involved in the Alumni Challenge, even if you are unavailable to golf. Businesses can sponsor a hole or possibly a foursome or individual to represent your class. Otherwise, people can donate prizes for hole events as well as for raffles. Volunteers are needed to help the golf team conduct this event in hopefully, a classy and fun-filled manner.

The golf competition will be followed by a catered dinner at River Hill Park and then an Awards Presentation. Winners of the Alumni Challenge, hole events and raffles will be announced and awarded prior to the Golf Team Awards being presented to those in attendance.

Individuals may call Hon-E-Kor at (262) 626-2520 for golf and/or dinner reservations prior to June 18.

Prizes will be awarded for winning (lowest scoring) foursome per nine with the members of the lowest 18 score will receive engraved plaques, gift certificates and honorary team shirts.

All other donated prizes will be distributed to the raffle winners and golf challenge participants. All foursomes are eligible to win because a Blind Bogey drawing will take place as

well.

This annual event is intended to be a fundraiser for Kewaskum High School athletics including monies toward the construction or purchase of new bleachers. The dinner catered by Wiseguys, is open to the general public for a \$20 donation. Hope to see you on the course or partaking of a several course meal. Go Indians!

The entry fee of \$75 includes golf, power cart, catered dinner and the awards presentation. The entry form can be found on page 22 of this issue.

Individuals or foursomes interested in participating should call the Pro Shop at Hon-E-Kor to reserve or confirm your tee times. Eighteen hole foursomes should tee between 1 and 2 p.m. Registration forms should be submitted at Hon-E-Kor or at the Kewaskum High School

office.

Members of the KHS golf teams will be contacting area businesses and alumni to give everyone a chance to participate in one manner or another. Team members are looking forward to meeting with you as well as challenging your golf prowess.

If you have any questions, concerns or are interested in helping, please contact Coach Glenn Eichstedt at (920) 583-4209 or Coach Scott Rohlinger at (262) 626-2332.

Hopefully this event will not only serve as a beneficial fundraiser but also as an avenue for current student-athletes to connect with those of the past and come to understand some of the fine tradition and successes associated with KHS. In the long run, it is hoped all participants can take great pride in each other.

Eighth Grade Boys Track Takes Fifth Place at Conference Meet

The Kewaskum eighth grade boys track team took home fifth place honors at the conference meet on Tuesday, May 22nd. Slinger won the meet with 128 points, followed by Hartford with 108 points, Germantown was third with 81 points, and Badger Middle School was fourth with 78.5 points.

Leading the way for the Indians was Josh Meyer. Meyer has never lost a 1600 Meter race in his career. He was not about disappoint the fans at Germantown High School either. Meyer finished with a time of five minutes and 13 seconds, beating the next competitor by over 20 seconds. Meyer followed his first place finish in the 1600 Meter run with a third place finish in the 400 Meter Dash.

Another strong performance was given by Brett Zimdars in the discus throw. Zimdars faced some stiff competition and eventually tied for the best throw of the meet with a toss of 114'11". After the tie-breaker,

Zimdars finished with second place honors.

Other top performances for the Indians included; Brad Franzen in the 110 hurdles. Brad finished in fourth place with a time of 18.0 seconds. John Carpenter's time of 2:47.8 earned him seventh place honors in the 800 meter run.

Other members of this year's team included; Eric Chilson, Abe Foerster, Justin Foley, Joe Hug, Craig Johann, Billy Kumrow, Nick Marchant, and Michael Mehring. The Indians were coached by Scott Poole.

KHS Golfers Conclude Season at Sectionals

Nine area high school varsity boys golf teams qualified from three separate regionals to participate in the W.I.A.A. Division Two Sectional Championship Tournament on Tuesday, May 29, at the Golf Club at Camelot.

Only two teams with the lowest team totals and the top three individuals not on those two teams advance to the State Tournament which was conducted at University Ridge Golf Course in Verona on June 3rd through the 5th.

The weather did not prove to be a factor as the day started out, cool, then becoming partly sunny, pleasant and calm winds. However, the competitors played from the championship (black) tees and summer rules, except where there were some bare spots in their fairway.

Unfortunately, the greens were slow and inconsistent resulting in several snakes.

The Kewaskum Indians were one of the first teams to tee off in the tournament hosted by Campbellsport due to their third place score at Quit-qui-Oc on May 23. Playing along were the other third place qualifying teams, the Ripon Tigers, and eventual champions, Milwaukee Lutheran.

At the turn, six schools were within four strokes of the lead held by pre-tournament favorite Pewaukee and St. Mary's Springs of Fond du Lac at 163. With Milwaukee Thomas More (164), Milwaukee Lutheran (165), Grafton (166) and Mayville (167) all applying pressure to the two front runners on the front nine.

Yet no one could have anticipated what happened next on the back (outside) nine at Camelot.

The Red Knights of Milwaukee Lutheran captured the Sectional Title by recording an unbelievable total of 146 on their second nine by posting individual scores of 34, 37, 37 and 38 while Pewaukee tallied a 154 to secure their second

consecutive state berth. Needless to say, they put the Division Two Championship out of all the other competitors collective reach.

The Indians were true to form by matching their season's average as well as an earlier tournament total at the Golf Club at Camelot. Seniors Jon Boedeker (81), Dustin Melzark (86), Luke Reindl (88) and Josh Stangl (90), all played in their last scholastic level contest.

Coach Eichstedt was pleased with his team's efforts while understanding that Kewaskum was not likely to be able to record scores capable of advancing to the State Tournament.

The Indians demonstrated improvement throughout the season but certainly met their match at the 2001 W.I.A.A. Division Two Sectional Golf Championships.

Champions were Milwaukee Lutheran (311), with the Pewaukee Pirates (317) coming in second. The Grafton Blackhawks (324) came in third; Fond du Lac St. Mary's Springs (327) fourth; Mayville Cardinals (330) fifth; Glendale Thomas More (330) sixth; Ripon Tigers (338) seventh; Kewaskum Indians (345) eighth, and the Kiel Purple Raiders (346) came in ninth.

Strachota, Tobin Help Capture Number Two National Ranking

Elise Tobin (left) and Maggie Strachota (right) at National Ruby Games.

Fort Collins, Co. -- Thanks to the outstanding performance of Maggie Strachota of West Bend, and Elise Tobin of Kohlsville, the Divine Savior Holy Angels (Dashers) girls high school Rugby Club finished the season ranked second in the country.

Elise, a junior wing, is the daughter of Tom and Cindy Tobin and Maggie, an outside center, is the daughter of Tom and Patty Strachota.

The Dashers, both State and Midwest Champions, captured this ranking after finishing second in the National Invitational Tournament (NIT) for girls' high school rugby recently completed in Fort Collins, Colorado.

The Dashers got off to a great start in the Saturday opener, whipping the Park girls team from Kansas City, Missouri by a score of 45-10. Lead by scores from the elusive Tobin and Amy Lalko, the Dashers scored early and often to take a 40-5 half-time lead before coach Jon Klein cleared the bench for the second half.

The going was considerably tougher in Saturday's second game against a more seasoned team from Summit County. Down 7-0 at half-time, Coach Klein and assistant Coach John

Waliszewski urged the Dashers to get off to a fast second half start.

Strachota responded as she quickly broke through the defensive front and powered her way across the goal to tie the score.

The Dashers continued to dominate the second half. A heads up play by Ann Marie Klieber gave the Dashers their winning 12-7 margin. With a ferocious defensive effort led by Strachota and Karen Jansen, Summit County no longer posed a threat.

This set up a rematch of last year's championship match with the local Fort Collins Rugby Club. The match was fiercely fought as Fort Collins battled the speedy Tobin, with no clear dominance established.

Having no success running and with a stiff wind at their back, Fort Collins frequently kicked the ball to improve field position. Their strategy paid off as they established a 12-0 lead before Colleen Brennan scored for the Dashers to close 12-7.

Fort Collins answered with a breakaway to take a 19-7 lead. Strachota responded and again plowed her way through the defense to tighten the score at 19-12. Time ran out on the Dashers and they were unable to

record another score.

Dashers' Allison Urbanski and Anne Marie Kloiber earned MVP honors for the first and second game, respectively. Other teams participating in the NIT traveled from Doyleston, Pennsylvania, Haverford, Pennsylvania, Seattle, Washington and Detroit, Michigan.

"I couldn't be more proud of my team," stated Coach Klein. "My seniors played great. Urbanski will have a great college career at Eastern Illinois University. Strachota was just awesome, with some great scores and unbelievable defense."

While Klein will miss his seniors, he is optimistic for next year. "With an All-American like Tobin and leadership from Kloiber among others, we look forward to earning an invitation to next year's tournament."

The Dashers earned a bid to this year's NIT by defeating Wayzata of Minneapolis 33-0 in the Midwest championship game. The Dashers outscored their three opponents by 97-0 in the Midwest Region to advance.
