Fraser, who runs for the University of Wisconsin-Madison finished second last year. Rick Stefanovic, a former Kewaskum resident, finished second with a time of 1:15.46 and Ted Shue finished third with a time of 1:15.57. Fraser was unable to accept his prize money due to NCAA eligibility requirements.

Sue Daggett-Miller, also a former Kewaskum resident, won the Women's Kettle 20 Division with a time of 1:21.35. Lisa Johnson of West Bend finished second with a time of 1:26.21 and Candace Moore finished third with a time of 1:26.37.

Rudy Estrada won the Masters Division with a time of 1:21.04 and last year's Masters Division winner, John Megan finished second with a time of 1:22.54. Sally Schumaker won the Women's Masters

Division with a time of 1:33.59. Nathalie McCoy of Kewaskum, who won the Women's Masters Division last year finished second with a time of 1:38.31.

In the five mile races, Bill Gilmore won the men's competition with a time of 29:30 and Emily Steinhafel of West Bend won the women's competition with a time of 35:20.

A total of 139 runners completed the Kettle 20 course and 51 runners completed the five mile race for a total of 190 finishers. This compares with 94 Kettle 20K runners and 27 runners in five mile race last year for a total of 121 finishers. A total of 203 runners registered for this year's races including the 95 that pre-registered.

Kewaskum Youth Scholarships organized the race with help coming from both KEYS members and the Kewaskum Lions. The race was held in conjunction with the annual Lion's Club chicken barbecue. Proceeds from the race go towards the KEYS scholarship fund for graduating seniors of Kewaskum High School.

Special thanks to St. Francis Bank, Coca-Cola Bottling of Wisconsin and all the volunteers for their

support for the Kettle 20. Your participation and assistance helped make this year's Kettle 20 a tremendous success.

Below are the top three places in each age group for both the Kettle 20 and the five mile race.

## Rain Dampens Big Boom

In spite of the cloudbursts during the evening of July 3, the Kewaskum Fire Department did an outstanding job getting the fireworks lit in-between and during the raindrops. According to a member of the committee that sets off the fireworks, the show had already been started when the heavier downpour began. They were past the point of no return and were forced to ignite the balance of the fireworks. As witnessed by the photo above, the rain did not dampen the tremendous display of fire and light, nor the spirit of the diehard fireworks fans who didn't mind getting a little wet to see the extravagant sky explosions.

Shown above is a colorful display of blankets reserving spots on "fireworks hill" in Riverhill Park in the early afternoon of July 3. In anticipation of the fantastic fireworks show, many people strategically placed their blankets on the hill as early as 7:30 a.m. Members of the fire department stated they were already "past the point of no return" setting off the displays, when the rains entered into the park, and therefore were not able to stop to delay the show until July 4. In addition, the firemen realize the Campbellsport Fire Department puts on their fireworks July 4, as well as the city of West Bend, and they did not want to take patrons away from these two fireworks displays in our neighboring communities. Some left the park during the first onslaught of raindrops, but many stayed and were treated to a wonderful show in spite of the rain. Firemen stated there were so many fans in the park this year, they ran out of food concessions shortly after 9 p.m., prior to the fireworks being ignited. If you were one of the people who scurried out of town when the fireworks began, you missed a really great show, but don't worry, the beauty of the event is that it will be back, even bigger and better than ever next year... hopefully without the raindrops! And remember, if you enjoyed the show, if you were one of the thousands of people in the park, or one of the hundreds of people that lined the streets of Kewaskum, now is the time to send in your donation in anticipation of a more extravagant show next year. Donations made payable to Kewaskum Fireworks, may be mailed to the Village of Kewaskum, P.O. Box 38, Kewaskum, WI 53040.

# Kewaskum FFA Members Attend Summer Leadership Conference

The Kewaskum FFA sent two FFA officers to the Washington Leadership Conference in Washington D.C. Pictured here (left to right) is Kerry Priest, one of the conference staff members, Tom Ramthun, the Kewaskum FFA President, and Peter Marx, the FFA Vice-President.

WASHINGTON, D.C. - Tom Ramthun and Peter Marx of the Kewaskum FFA Chapter attended the 2001 Washington Leadership Conference, Monday, June 25 to Sunday, July 1, in the nation's capital. The conference is an activity of the National FFA Organization in cooperation with the U.S. Department of Education.

The week-long program helps FFA members improve their leadership skills and prepare for leadership roles in their chapters, communities and their future careers. They attended workshop sessions on persuasive communication, character leadership and building relationships, and participated in discussions on citizenship.

"We live in an increasingly competitive world," says Dr. Larry Case, National FFA Advisor and Coordinator, Agricultural and Rural Education with the U.S. Department of Education. "Tomorrow's leaders must develop skills in these areas to effectively compete. Every student leaves the Washington Leadership Conference

with an advantage because it gives those young people cutting edge leadership skills and valuable insight for productive citizenship."

The National FFA Organization coordinates the Washington Leadership Conference, which attracts participants from across the country. This summer, more than 2,300 FFA members will attend one of the conference's seven week-long sessions.

Students also increase their understanding of the nation's heritage with visits to Mount Vernon, Arlington National Cemetery, the Jefferson, Lincoln and Roosevelt Memorials and other historic sights in Washington, D.C.

FFA is a national organization of 451,997 members preparing for leadership and careers in the science, business and technology of agriculture. Local, state and national activities and award programs provide opportunities for students to apply knowledge and skills learned in the classroom.

The organization has

7,268 local chapters located throughout the United States, Puerto Rico, Guam and the Virgin Islands. FFA's mission is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education

## Breakfast On The Farm Held

The 14th Annual Breakfast on the Farm was held at the Washington County Fair Park in June.

FFA and 4-H Clubs from throughout the county were on hand to help. Some of the events these clubs ran included a milk jug toss, a hay bale toss, hay maze and of course, the breakfast.

This year's breakfast was held at the fair park because of the fear that hoof and mouth disease might be spread. Breakfast on the Farm will be back on the farm next year.

# Kewaskum Cheerleaders to Perform in N.Y. Parade

Two Kewaskum cheerleaders have been presented with the tremendous honor of performing in New York's Macy's Thanksgiving Day Parade. This trip is held from November 17 through the 23. It is a six-night, seven-day stay at the New York Hilton and Towers Hotel.

The Kewaskum cheerleaders recently participated in a two day UCA Cheer Camp. At the camp they were taught cheers, stunts, an extreme routine dance, and learned many lessons along the way. The last day of camp came and squads were now competing against each other for ribbons and trophies. Kewaskum cheerleaders brought home a second place trophy, along with numerous red ribbons.

This was the day the New York trip was announced. The captain and co-captain of the squad are eligible. It is top cheerleaders working with top coaches to give you top performance.

They will be having dance classes with New York choreographer Frank

Hatchett. He is one of the top jazz teachers.

The girls will travel to Hoboken, New Jersey to perform for Macy's executives and NBC. They also perform for parents in the Grand Ballroom. This performance is seen by all of America on Thanksgiving Day. (9:00 am EST to 12 noon).

The trip costs roughly \$1,900 per girl. The girls are asking the community's support to help make this trip possible. If you would like to help sponsor the trip, please call Jennifer Simonson at 626-2889 or Many Glander at 692-9815.

Thank you for your support. It is greatly appreciated.

The KHS cheerleaders are hosting a Cheer Night on September 7th. More information will be announced at a later date.

Also a big thanks to all that helped support their new uniforms. They look wonderful, and all are very proud of them and are looking forward to seeing you at the games this year.

## Schmidts to Participate In Great Circus Parade

Dean and Jody Schmidt, New Fane, will be part of the Great Circus Parade festivities for 2001. The Schmidt Acres Belgians will be pulling the Golden Brothers cage wagon in which a kangaroo will be featured.

The 2001 Great Circus Parade Festival started on July 6 when 75 antique circus wagons were loaded onto the Great Circus Train and made a three-day trip to Milwaukee.

The wagons will help make Milwaukee County's Veterans Park become the Great Circus Parade Festival with plenty of circus fun for children of all ages from July 10-14.

Admission to the Festival is free. Entertainment includes an exhibit of parade wagons, band organ concerts and a petting menagerie. A clown show, wild west show, animal

rides, and performances by the Royal Hanneford Circus are presented for an entrance fee. The festival is open from 9 a.m. to 10 p.m.

On July 15, the week of circus fun will conclude with a three-mile long parade that celebrates the magnificent circus street parades of yesteryear. At 2 p.m. in downtown Milwaukee, over 50 antique circus wagons will be featured, along with clowns, over 700 horses, elephants, 25 bands and more.

The Great Circus Parade is presented by Circus World Museum with funding provided by The Great Circus Parade, Inc. For more information about the 2001 Great Circus Parade Festival, call Circus World Museum at (608) 356-8341 or visit The Great Circus Parade's website at [www.circusparade.com](http://www.circusparade.com).

Dana Acker, son of Mr. and Mrs. Carl Acker of Kewaskum, has recently been chosen to participate in the Center For Foreign Study's Fine Arts Program in Nice, France. Acker, a student at UW-Stevens Point, will participate with other college students across the U.S. in a program of study at the University of Nice and travel in France.

Two Kewaskum High School girls received A ratings in the state forensics meet held at the University of Wisconsin in Madison. Senior Julie LaFleur received an A for her reading of poetry while Gay Olson, a junior, duplicated the effort in the significant speech department.

Bonnie Lendved and Jim Bilgo have been selected as Kiwanis students for the month of April. Bonnie is the daughter of Mr. and Mrs. George Lendved of rural Kewaskum, and Jim is the son of Mr. and Mrs. August Bilgo of Kewaskum.

On Saturday, May 1, the Kewaskum High School musicians traveled to UW-Oshkosh for the State Solo and Ensemble Contest. Receiving firsts were Becky Brehm; Gay Olson; Carol Asch; Connie Slegler; Gay Olson and Becky Brehm; Ann Weddig and Anne Theusch; Jill Zarling, Gayla Herriges, Jeanne Baumhardt, Carol Ehnert, Janice Devine, Robin Menger, Geri Thull, Jeri Buss, Becky Brehm, Robert Secor, Gay Olson, Sue Survis, Laura Rodenkirch, Mary Beth Kardos, Chris Lauters, Carol Muench, Lori Koepke, Robin Acker, Debbie Klemme, Wanda Akin and Bonnie Schmidt (Woodwind choir); Carol Asch and Becky Brehm; Carol Asch

and Connie Slegler; Debbie Subat and Susan Schulz; Carol Asch, Connie Slegler and David Ayer; Connie Slegler and Becky Brehm.

After competing in indoor meets in Kewaskum's new fieldhouse up to now, both Indian track teams got off to a good start last Tuesday as they opened Scenic Moraine outdoor campaigns in cold weather. The boys won their triangular with 75-1/2 points to Hartland Arrowhead's 63 and Pewaukee's 29-1/2. At Kewaskum, the Indian girls, fresh from a near sweep over West Bend West and West Bend East the week before, won with 64-1/2 to Hartland's 51-1/2 and Pewaukee's 18. The girls notched two new school records, one by distance runner Carol Spaeth in the 880. Her time was 2:36.4 topping her old record of 2:38.8. The other came in the 880 relay where the three Kempf sisters, LuAnn, Pam and Carrie, teamed up with Jennie Schaub to win in 1:52.3, .8 of a second better than the old record set by Jean and Joan Holmes, Linda Secor and Jean Bremser. Ace

Carrie Kempf again had a field day, winning four events, the 100, 220, long jump and being part of the 880 relay. Keith Mueller stood out in the boys meet with his shotput mark of 52.3, adding two feet to his best toss of the year. Dennis Bremser was a double winner in the 880 and mile. He also ran a leg in the victorious mile relay team. Jack Kern picked up first in both hurdles, third in the shot and third in the triple jump.

**BICENTENNIAL NEWS** -- The photo shown was taken during a parade in Kewaskum. The sign on a donkey being ridden by an unidentified man read, "Sanitary Barber Shop -- Pete Mies, Proprietor." Mr. Mies operated a barber shop located in the building that was then (1976) Steiner's TV and Appliance (building is now vacant, formerly was Rookies). Hubert Wittman, now (1976) retired, operated the shop for many years. Since Mr. Wittman purchased the business on June 1, 1920 from a Joe Welzien, who operated the shop after Mr. Mies, it was guessed that the photo shown was taken in the early 1900's. The photo also showed wooden sidewalks, the railroad gate and the former Kewaskum depot.

A daughter was born to Darwyn and Donna Fechner, Kewaskum, on April 27. Sons were born to George and Anna Muckerheide, Kewaskum, on May 2, and Donald and Mary Kay Mitchell, Kewaskum, on May 4. A son, Shawn Michael, was also born to Dale and Linda Darmody, Green Bay on April 28. Paternal grandparents are Mr. and Mrs. Jerry Darmody of Route 1, Allenton.

### Fox and Branch Duo Perform at Library

The Reading Road Trip U.S.A. is winding its way through summer. Two weeks ago, the Kewaskum Public Library hosted Fox and Branch, a folk-music duo from Milwaukee. The duo performed a set of fun songs from America's rich musical history. Branch played guitar and Fox accompanied him with fiddle and washboard.

They also had a third member of their group - a wooden dancing man called a Limberjack or Clogger Man. The Limberjack is an authentic Appalachian toy/rhythm instrument, a little man with spinning arms and legs that, when bounced on a thin board, appears to be dancing in time to music. Fox and Branch played a forty-five minute program for a few dozen kids and grown-ups.

Storyteller and Puppeteer Kathy Luck was at the library on Tuesday, June 26th to amaze and entertain with "American Tales and Trails." Also the second craft "The Road Rattler" was available to make.

On Friday, the Highway

Shop opened. If you haven't yet turned in your reading folders, make sure to bring them in. The Buy-Way Bucks you get for reading are only good in the library's Highway Shop and this year they have lots of fun prizes from glow-in-the-dark lizards to gel pens to real starfish. The store will be open Monday, Wednesday and Friday starting next week. Call the library for hours.

Coming up on July 9th, Celia Farran brings her lauded Irish music and storytelling to the library. Celia has recently released a CD of music called "Fire in the Head," and she has been featured on Wisconsin Public Radio's "Hotel Milwaukee." Her program this year is called "StorySports with Coach C.C." Seats are limited, so sign up soon for this exciting program.

Remember that you must return your reading folders to the library by July 18th in order to come to the finale picnic. So keep reading and have a great summer!

# Two Area Delegates Selected For State Fair Clothing Revue

Front row, left to right: Katelyn (friend of Sarah Neuburg), Cassandra Mayer, Michelle Carranza, Emily Volz, and Leah (friend of Krysten Kirsch). Back row, Sarah Neuburg, Kirsten Krudwig, Amanda Kirsch, Krysten Kirsch, Jeanna Heppner (holding friend Ally), and Joyce Wagner. Not pictured: Heidi Bezold.

Washington County's delegates to the Wisconsin State Fair Clothing Revue are Kristen Krudwig of the Kohlsville area and Jeanna Heppner of the Campbellsport area. Krudwig is 16 and Heppner is 17, both members of the Wayne Crusaders 4H club.

All members receiving blue ribbons are eligible for judge's choice awards. For older youth, two delegates are selected to represent Washington County at the Wisconsin State Fair

Clothing Revue to be held in August. In addition, two alternates are selected in case one of the delegates is unable to attend. The alternates selected for this year area Heidi Bezold of Germantown, member of the Richfield Rebels 4-H club and Joyce Wagner of Kewaskum, member of the Wayne Crusaders 4-H club.

A first year clothing 4-H member is selected to receive the Anna Lhotka Memorial Award. This year's recipient is Cassan-

dra Mayer of Slinger, member of the Hi-Lite Happy Workers 4-H club. In addition, two members received the Judge's Choice Award. They are Michelle Carranza of Slinger, member of the Hi-Lite Happy Workers 4-H club, and Kirstin Krudwig of Kohlsville, member of the Wayne Crusaders 4-H club.

Washington County Fair-goers will have the chance to view the garments made by these talented 4-H members and several others at this year's 4-H Style Show. The Style Show will show off the talents of 4-H Clothing members. The event will take place on the Fair Park Pavilion Stage on the evening of Wednesday, July 25, 2000. Everyone interested in fashion is invited to attend.

During the year, 4-H clothing members work to construct garments for this event. Judging concentration is less on garment construction than on the selection of pattern, fabric, accessories, and how the garment looks on the individual. Of course the garment construction must provide the right "fit" to prevent wrinkles in the wrong places and assure that the garment is not too small or too large.

# Camp Kindergarten to Help Kids Prepare for School

Parents feeling more apprehensive as their child's first day of kindergarten grows near can consider Camp Kindergarten. Beginning Aug. 7, Cedar Haven Rehabilitation Agency, providers of physical, occupational and speech therapy to Birth-to-Three programs, as well as 12 school districts, will offer a three-week, nine-session program aimed at developing kindergarten readiness skills in students entering K-5 this fall. Camp Kindergarten will be held Tuesdays, Wednesdays and Thursdays 10:30 a.m. to noon.

Diane Ott, speech-language pathologist and director of Cedar Haven's Grafton clinic, said the camp will be conducted by certified preschool educator Kathleen Bergmann. The program has been developed by physical, occupational and speech therapists with extensive training and experience providing school-based therapy.

"In our experience, there are children who may benefit from a boost in skill development before they start kindergarten, particularly those with late birthdays. Camp Kindergarten can help eliminate some of the apprehension children and parents may feel before school, allowing for a stronger, more confident beginning to their school experience."

Kindergarten skills emphasized include fine

motor and pre-writing, letter and number recognition, sequencing, size differentiation, following routines and gross motor. Ott said the small group atmosphere will be fun and language-rich, emphasizing basic concepts, sounds and peer interaction.

Parents will receive a student assessment and home program suggestions. The program will be held at Cedar Haven's Grafton clinic, 885 Badger Circle, in the Family Enrichment Center. For more information on Germantown and West Bend classes, or to register, call Cedar Haven at (262) 375-4877.

Cedar Haven Rehabilitation Agency became Wisconsin's first licensed not-for-profit rehabilitation agency in 1984. The agency currently provides physical, occupational, speech and massage therapy in home, outpatient and school settings.

The agency is a division of the Benevolent Corporation Cedar Campuses, a regional leader in rehabilitation, education, older adult living and health care.

## Family Picnic, Homecoming At Mitchell July 14

There will be much to do for each and every family member. For the youngsters there will be pony rides, a petting zoo, games, prizes and face painting. Kids' activities will start at 3 p.m. and run until closing. Adults will be able to visit with neighbors and relatives, play horseshoes and volleyball, listen to fiddle music, and watch a muzzleloaders' demonstration.

The picnic committee and Mitchell Athletic Club will have burgers, brats, hot dogs, soda and beer for sale. Milk will also be available. The best dessert table in the county will have tortes, cakes, etc. for sale.

Items will be raffled all during the day. Generous local merchants and residents have donated items for this event. As a special raffle item, the Town Board has donated the old road signs (i.e. Scenic Drive, Shamrock Road, etc.) to be a

part of the raffle. Proceeds from the sign raffle will go to the Park Playground Equipment Fund.

The Sheboygan County Historical Research Center will provide historical displays of the Town of Mitchell in its early years. These will include maps, church history and photos, along with newspaper articles about the township.

The following books about the Town of Mitchell will be on sale at the picnic: A Bit of the Old Sod and Ploughs Among the Eskers both by Bernard Michaels, Mitchell Now and Then by Parnell Pals 4-H Club and A History of the Schools in the Town of Mitchell by Helen Schulz.

The highlights of the evening will be an appearance by the Lensmire Band. The band will play from 6 p.m. to closing.

## National Accreditation Team Gives Positive Review to St. Joseph's Hospital

St. Joseph's Community Hospital of West Bend has achieved accreditation from the Joint Commission on Accreditation of Healthcare Organizations, which reported positively on the hospital's employees and quality of care. The hospital's accreditation represents its demonstrated compliance with the commission's nationally recognized health care standards, and commitment to quality and safety.

John Reiling, chief executive officer at St. Joseph's, said he was proud of the hospital staff and their commitment to meeting the standards:

"We're proud of the high level of dedication and skill shown by our employees. In addition, employees appreciate the educational aspect of the survey and the opportunity to interact with the team of surveyors. The accreditation is proof of St. Joseph's organization-wide commitment to provide quality care on an ongoing basis. Providing high quality health care is what we are all about, and will continue to be about."

The three-day accreditation survey of the hospital took place in February. Results of a recently completed accreditation survey of the hospital's laboratory are also expected in the near future, according to St. Joseph's.

"Above all, the national standards are intended to stimulate continuous, systematic and organization-wide improvement in an organization's performance and the outcomes of care," said Russell P. Massaro, M.D., executive vice president of accreditation operations for the commission which is based in Oakbrook Terrace, Ill. "The community should be proud that St. Joseph's Community Hospital is focusing on the

most challenging goal - to continuously raise quality to higher levels."

Approximately 80% of the nation's hospitals - representing 96% of all inpatient admissions - are involved in the Joint Commission's voluntary accreditation process. The Joint Commission evaluates and accredits almost 112,000 hospitals and home care agencies and more than 7,000 other health care organizations.

The mission of the Joint Commission is to continuously improve the safety and quality of care provided to the public by providing health care accreditation and related services that support performance improvement in health care organizations. Joint Commission standards of quality are developed in collaboration with health professionals and others.

Accreditation can be viewed as a periodic audit of patient care quality, just as firms have outside accounting firms to attest to their financial status.

There are numerous other benefits of accreditation:

- ♦ Hospitals, home health agencies and ambulatory surgical centers accredited by the Joint Commission are deemed to meet the Medicare Conditions or

Participation. Accredited laboratories are deemed to meet the requirements of the Clinical Laboratory Improvement Amendments of 1988.

- ♦ Lenders and bond underwriters often require continuing accreditation as a condition of financing.

- ♦ Accreditation is increasingly used as one requirement for participation in managed care plans and for professional referrals.

- ♦ For third-party payers (such as health care benefit plans), accreditation can be an important criterion for establishing eligibility for reimbursement.

# Taste of the Kettle Moraine 2001 Announces Restaurants

Area restaurants participating in the third annual Taste of the Kettle Moraine have been announced by the Long Lake Fishing Club, Inc., sponsors of the event. The "Taste" is one of the major attractions at the Dundee Daze picnic Saturday, July 14 and has attracted crowds from far and wide.

Joining the Taste this year are The Roadhouse in Dundee, Corner Pin Lanes of Cascade, and The Depot Restaurant located (where else?) adjacent to the railroad tracks in Plymouth. Returning restaurants are Fin 'n Feather, located in New Prospect, Idlewild Inn, located in downtown St. Cloud, and Benson's Hide-a-Way which is snuggled on the shore of Long Lake, three miles north of Dundee. Also returning this year is Julie's Homemade Fudge from the Parkview General Store at the entrance to Mauthe Lake.

You are encouraged to visit each restaurant's booth between 12 noon and 5 p.m. to enjoy a sample of one of their specialties.

The variety of foods include Swedish meatballs with angel hair pasta, tacos, etoufee, pizza, fish, pork sandwiches, and a few of the varieties of mouth-watering fudge.

The Taste will be located indoors at Sportsman's Park in Dundee. Seating will be available both indoors and

out. There is no admission, and parking is free.

In addition to The Taste of the Kettle Moraine, the Dundee Daze picnic will be alive with activities. For the children there will be pony rides, a musical troubadour, lip sync contest, hoola hoop contest, moon walk, and a variety of games.

Adults and youth can test their skills at the paint ball booth, pitcher's mound and a chip and win golf challenge. Joey Minz will enter-

tain the crowd between 2 and 6 p.m. and Hot Toddy from 7 to 11 p.m.

Also, your vote is needed for Miss Northern Kettle Moraine Fire Dept. at the dunk tank. All this will be accompanied by good food, homemade desserts, and cold beverages.

Dundee Daze organizers indicate that the picnic goes on rain or shine, so bring the family, your friends and neighbors. See you in Dundee Saturday, July 14.

### A Budget Overview

Perhaps you have read in the mainstream media about the budget impasse. I thought I'd use this column to give an overview of the state of Wisconsin budget. The budget is for two years - from July 1, 2001 to June 30, 2003. This year's total budget is \$46.7 billion dollars, a whopping 12.2% adjusted increase in two years. The total budget was \$33 billion only six years ago.

Of this amount almost half, \$23.4 billion dollars, is what's referred to as General Purpose Funds, primarily sales and income tax, which the state can spend without strings attached. This amount is up an adjusted 6.9% compared to two years ago and was only \$17.4 billion six years ago. The other half of the budget is restricted and can be only spent on certain things. (Federal aid to be spent on the poor, tuition to be spent on colleges, gas tax which must be spent on roads, DNR fees to be spent on related programs, etc.)

Where do your sales and income tax dollars go? While most people associate schools with the property tax, almost 44% of your state tax goes to the state's commitment to pay for two-thirds of local schools. About 10% goes to medical assistance of some sort. Nine percent goes to shared revenues for cities, villages, and counties. The formula is very skewed towards benefiting Milwaukee. About 9% goes to the university, 6% to prisons, and 5% to various other welfare programs. The remaining 17% is split between regulatory agencies, the courts system, technical schools, juvenile corrections, institutions for the disabled, and other programs.

Regardless of how negoti-

ations go between the Democrats and Republicans, it is not much of an exaggeration to say that in this budget the prison system, health care, and schools will get more than their share of any increase in this budget and everybody else will get less. The prison population will remain virtually the same, but costs will go up as prisoners are brought back from cheaper, out-of-state prisons to more expensive Wisconsin prisons. Medical costs for the poor outstrip inflation, as do medical costs for everybody. Also, the very generous BadgerCare Program is predictably costing more than anticipated. School costs go up as people vote for referendums and the Legislature appropriates more money to lessen class sizes. (I personally feel it is not necessary to have fifteen children in the early grades and most studies agree with me.)

As you can see from the above, serious efforts to get Wisconsin out of the top three in taxes in the nation must focus on the above items. Next week we will discuss the differences between the parties and my opinion as to where there is too much spending in this budget.

## IN MEMORY

In loving memory of DARLENE ROHLINGER, who passed away three years ago, July 16, 1998:

We watched through all your suffering  
And often had to cry  
For we knew that very soon  
We'd have to say good-bye  
When days are sad and lonely  
And everything goes wrong  
We seem to hear you whisper  
Cheer up and carry on.  
Everytime we see your picture  
You seem to smile and say  
Don't cry. I'm in God's keeping  
We'll all meet again some day.

*Sadly missed by husband, sons, daughter-in-law and grandchildren.*

## Planning For Financial Hard Times

Column Provided  
By Donna Vogt,  
CFP, Raymond  
James Financial  
Services Inc.

A shaky stock market, job layoffs and a weakening economy are raising financial fears among many households that only a year ago were flowing with optimism. Even in good times, bad things can happen to families that cause a personal financial hardship. Here are some ideas for how to prepare financially for tough times.

**Hold realistic expectations.** Before high-tech stocks, and the stock market in general, took a nosedive in 2000, many people had come to believe that we had entered a "new economy" in which the stock market only went up and the economy was no longer subject to business cycles. How quickly reality threw cold water on that viewpoint. Simply understanding that stocks have been returning well above the historical average or 11%, and that at some point they would fall to or below those averages, goes a long way in preparing for tougher times. Families who believe that stocks will return 20 or 30 or 50% every year are less apt to curb their personal spending and more apt to take chances on risky investments - both patterns that can come back to haunt you when the market drops and the economy sours.

**Diversify, diversify, diversify.** This is a cliché, but nonetheless one that's still true. Financial plan-

ners say they cannot harp on this enough. People most frequently think of this advice with regard to investing: spread your portfolio among a variety of asset categories, and investments within those categories. Executives heavy in company stock and business owners whose wealth is mostly tied up in their company are especially vulnerable. But diversification also applies to other financial arenas. Spouses who both work for the same company or in the same industry face greater financial risk in a downturn. Diversifying job skills so that you can be more flexible, should you lose your job, can help when hard times hit. Diversification can apply to estate planning, where oftentimes it saves taxes to get assets out of the estate through lifetime gifting or irrevocable trusts.

**Know your financial worth.** Most people either don't know their net worth (assets minus liabilities), or think they know it and are wrong. Your net worth provides a useful benchmark for how well you are doing, in good times and bad.

**Keep emergency funds.** Tying up all your money in stocks and illiquid investments may force you to sell some of those assets at fire-sale prices during hard times - in short "locking in" losses. Keeping adequate cash resources in money markets, short term bond funds and certificates of deposit gives you flexibility to see you through a job layoff, down market or other financial crisis.

**Minimize debt and establish budget.** Even

the affluent often does a poor job of minimizing debt and budgeting. You might get away with this in good times, but excessive debt and poor use of your money become an albatross when financial times toughen. Reducing high-interest debt, budgeting, strategic tax planning and buying smart (from insurance autos to groceries) frees up money to bank for those emergencies.

**Insure against tough times.** You can't insure against layoffs, but you can insure for another common work disaster: a disability. Yet disability (income-replacement) insurance is one of the most overlooked types of insurance. Business owners also are commonly underinsured. Consider an umbrella liability policy - lawsuits are a common source of personal financial crisis these days.

**Educate yourself financially.** Perhaps there is no better way to prepare for hard times than to educate yourself - and your spouse - about how to wisely manage your money. It's often not so much the financial successes we have than the financial mistakes we avoid that keep us financially healthy in difficult times.

**Actively manage your money.** People tend to let circumstances dictate their financial decisions, not the other way around. Taking charge of your finances, planning and saving for tomorrow, and following through on the advice of your financial advisor or your own planning usually make the difference between suffering through hard times or riding through

them with confidence.

# Legends of EWSC/MSC Gathering July 21

The annual "Legends of EWSC/MSC" scheduled for July 21 at the Sheboygan County Fairgrounds in Plymouth is rapidly shaping up to become the largest such gathering ever for the former drivers, mechanics, officials and queens of the Eastern Wisconsin Stock Car Club and the Milwaukee Stock Car Club.

In addition to acknowledging all former legends that attend the weekly racing program at the Fairgrounds, former champions will receive special honors for the achievements and support of the clubs throughout the years.

Gib Wiser, the 1974 Eastern Wisconsin Champ, will receive recognition for his dedication to auto racing over the years.

In a driving career that began in 1964, Wiser began competing in races sanctioned by the Milwaukee Stock Car Club. What started out as a few races in 1964 turned out to be the beginning of a long and successful career in not only modified stock car racing but spring cars as well. His first car was purchased from Wayne Erickson, now the owner of Slinger Super Speedway.

With the help and tutoring of many time Wisconsin modified champion, Billy "The Cat" Johnson, Wiser honed his racing skills in a Coach bodied modified built together with Johnson. He steadily rose through the rankings of the Milwaukee Club each year and when that club eased to sanction races, joined Eastern and rose to that groups champion in 1974.

Wiser continued on in the modified division until 1980 and then turned his attention to the sprints car circuit and won the Interstate Racing Association title four straight years from 1982 through 1985. Along the way he was many times track champion at Wilmot and other venues where he competed.

A life long school teacher, nicknamed "The Flying School Teacher" by then a fledgling track PR person Mark Theisen, Wiser is now "schooling" his son Chris in the art of open wheel racing and in the process operates a successful racing parts business with his wife Pat serving the needs of racers all over the state, building no less than five cars this past winter that compete on Wisconsin tracks this summer.

Joining Wiser in receiving special honors on the 21st is Ron Luedtke of Lomira. Luedtke's career also began with the old Milwaukee Stock Car Club in 1959. He began racing in the spectator class at Slinger that year with a 1948 Chevrolet powered by a 6-cylinder engine. Ron campaigned that car for a half season and then switched to the modified

division in a V-8 powered Chevy.

Never owning any of his cars outright, Luedtke partnered with owners along the way and stayed with the Milwaukee circuit until it ceased to operate. Then, like Wiser, Luedtke turned his attention and support to the Eastern Club where he rose to become it's champion in 1982. Luedtke drove for fifteen years for veteran car owner Bob Wondra and retired 10 years. When Luedtke made his decision to retire Wondra turned the driving duties of his car over to his son.

Luedtke was known for many years as "Farmer Ron" on the racing circuit for his agriculture background operating a successful beef farm for many years before starting up and developing RC Luedtke Trucking, a business he runs to his day.

If you have any connections with either of the Clubs and would like to come to the 21st event, you must have an invitation and to get that invitation please call Jeanne Goeden at 262-334-9549.

## My Get Up and Go Has Got Up and Went

How do I know that my youth is all gone? Well, my get up and go has got up and went. But in spite of it all - I'm able to grin. When I think of where my get up has been.

\*\*\*\*

Old age is golden, so I've heard it said, But sometimes I wonder as I get into bed, With my ears in a drawer, my teeth in a cup. My eyes on the table until I wake up, 'Ere sleep dims my eyes, I say to myself: Is there anything else I should have laid on the shelf?

\*\*\*\*

I'm happy to say, as I close my door- My friends are the same, only perhaps even more. When I was young, my slippers were red. I could kick up my heels right over my head. When I grew older, my slippers were blue, But still I could dance the whole night through.

\*\*\*\*

Now, I'm older, my slippers are black, I walk to the store and puff my way back. The reason I know my youth is all spent, My get up and go has got up and went.

\*\*\*\*

But I really don't mind, when I think with a grin. Of all the grand places my get up has been. Since I've retired from life's competition, I busy myself with complete repetition. I get up each morning, dust off my wits, Pick up the paper and read the "Obits." If my name is missing, I know I'm not dead - So I eat a good breakfast and go back to bed.

# Deicher, Winkel, Jensema Win EWSC Mid-Season Feature Events

By Sheila Karstaedt  
EWSC Correspondent

Fast and furious Dave Deicher of Plymouth won the EWSC Winged Super Modified, mid-season, 40 lap A-main, sponsored by Sheboygan Chevrolet.

Pole-sitter, Ben Schmidt of Cedar Grove, jumped out to the early lead and by lap 7, Schmidt was maneuvering through lapped traffic. A flip on the front stretch by Plymouth's Bob Brion, after coming in contact with the car of Billy Hafemann, Cedar Grove, brought out the red flag on lap 11. After getting the mishap cleaned up, Schmidt was being chased by Deicher, Plymouth's Tim Melis, Dennis Klumb of Grafton, and Glenbeulah's Gary Laack.

Schmidt got off the pace and came to a halt on the track, due to transmission problems, bringing out the caution on lap 19, handing the lead over to Melis. Chasing Melis was Deicher, Laack, Klumb, and Brian Portschy, Oostburg.

Once again, the yellow came out for an infield tire that was pushed on to the track on lap 26. Hounding Melis on the restart was Deicher, Laack, Klumb, and Milwaukee's Pete Ostrowski. The car of Greenbush's Dave Becker came to a rest, on the restart, in turn 1, when his drive shaft broke. The field would be reset with Deicher keeping a close eye on Melis. Deicher made his move on lap 33 to take the lead and would go on to the victory. Following Deicher across the line was Melis, Ostrowski, Klumb, and Butch Hafemann, Campbellsport.

Fast time was set by KenJay Fiedler, Sheboygan Falls, with a 13.965 sec.lap and the Tuschl Septic Systems Hard Charger Award was claimed by

Plymouth's Jeff Fritz by passing 9 cars.

The 15 lap B-main saw Billy Hafemann take the lead, with a caution on lap 3, for an infield tire. Hafemann would set the pace on the restart being followed by Robert Enders, Campbellsport, Brion, Becker, and Sheboygan Falls Fred Clatt. A strong looking Hafemann was dealing with lapped traffic by lap 10. Lap 11 saw the yellow flag for debris on the track.

Hafemann, still looking strong, held on to the lead on the restart with Brion, Enders, Clatt, and Becker all setting their sights on him. Hafemann would take the checkers followed by Enders, Brion, Clatt, and Becker.

Kewaskum's Chad Espen took the lead of the Limited Late Model feature. The car of John Scharenbroch, Sheboygan Falls, stopped in turn 4, bringing out the caution on lap 3. The restart saw Espen leading Oostburg's Nate Winkel, Tim Carman of Sheboygan Falls, Sheboygan's Henry Dickmann, and Scott Haugstad of Plymouth.

Winkel was reeling in Espen and on lap 11 would take control of the race. Debris on the track, on lap 18, would bring out the caution. Espen, Cedar Grove's Charlie Schmidt, Haugstad, and Steve Ziegelbauer, Sheboygan, were all chasing down Winkel on the restart. On the last lap, Winkel and Schraidt were running door to door, with Winkel pulling ahead by a nose, as they crossed the stripe. Crossing behind Winkel was Schmidt, Espen, Plymouth's Dan Dippel, and Richard Hed, Sheboygan Falls.

Setting the pace for fast time, with a lap of 16.132 sec., and picking up the Bob Akright Memorial Hard Charger Award, by passing

14 cars, was Dippel.

The Limited Late Model semi-feature saw pole-sitter Jeremy Becker, Kiel, take the lead with the only caution of the race coming out on lap 4, when the cars of Dave Schaezter, Sheboygan Falls, and Sheboygan's Tim Lombardo got together eliminating them both. Crossing the line first was Becker, followed by Dave Herr, Sheboygan, and Waldo's Don Singer.

Bob Duncan, Sheboygan, found the fast lane to take the lead in the Super Stock feature. Lap 9 found Hingham's Terry McCoy and Todd Jensema, Sheboygan Falls, knocking on the door of Duncan. McCoy would take the lead on lap 10. By lap 18, Jensema was closing in and would take the lead on lap 22. Crossing the finish line after Jensema was McCoy, Elkhart Lakes Jeff Muehlbauer, Brian Gilles, Plymouth, and Brian Genske of Sheboygan Falls.

Fast time was claimed by Doug Teunissen, Sheboygan Falls, with a lap of 18.050 sec. and there was a tie for the WHBL Hard Charger Award between Gilles and Muehlbauer, each passing 13 cars.

In the Super Stock semi-feature, Elkhart Lakes Abe Meinert took control early. An infield tire that was pushed on to the track on lap 1 brought out the caution. The restart saw Meinert, Tony Ehaney of Sheboygan, and Sheboygan's Chad Nimmer.

Meinert got sideways on lap 3 and Curt Teunissen, Oostburg, shot up to take the lead. Several cars getting together on lap 4 brought out the caution. Chasing Teunissen on the restart was Plymouth's Kyle Odekirk, Meinert, Jeremy Bushman, Kiel, and Kewaskum's Dave Holm. Meinert spun on lap 7 bringing out the caution. With Teunissen leading the pack, Mark Scholten, Oostburg, was now closing

in on lap 10. Scholten would run wheel to wheel with Teunissen until Sheboygan's Shaun Goetsch spun to bring the yellow out once more. Teunissen would hold on to the lead and go on to win. Crossing after Teunissen was Scholten, Bushman, Plymouth's Paul Perronne, and Bill Greiveldinger, Fredonia.

Carl Gabrielse took the lead from the front row in the 20 lap Mighty 4's race. During the first lap, Rich Miske, Belgium, took over.

Scott Baldock was quickly closing in on Miske by lap 8. Baldock would pass Miske for the lead on lap 9 and go on to claim his second victory in as many nights. Hounding Baldock to the line was Plymouth's Duane Dippel, Gabrielse, Jaydee Sipiorski, and Tammy Dickmann.

Racing resumes next Saturday night at the Sheboygan County Fair Park in Plymouth with the racing program being sponsored by Sargento. This will also be the Pat Rand Memorial Race of Champions and the Winged Super Modified A-Main will be extended to 40 laps with driver introductions prior to that. Kris Hansen, Manitowoc, will carry the black flag in memory of Pat.

Also on the agenda for then will be the American Cancer Society Relay For Life Charity Night. A collection will be taken in the grandstands and in the pits for the Relay For Life.
