Police Chief Presents 2000 Police Report, Update on Defibrillator Purchase

By Andrew R. Kuehl
 Staff Writer/Photographer

Kewaskum Police Chief Richard Knoebel has recently informed the village board that \$2,130 has been raised for the defibrillator project that will place a defibrillator in each of the two police squad cars.

As of Monday morning Knoebel stated that they have been delivered, however the police department is still accepting donations. Knoebel stated he would like to raise enough funds to purchase a third defibrillator to keep at the municipal building. To make a donation contact the Kewaskum Police Department at 262-626-2323. A listing of all those contributing will be published in an upcoming issue of this newspaper.

Knoebel Releases 2000 Annual Police Report

The 2000 annual police report was released to village trustees at an earlier meeting. Chief Knoebel went through the summary with the trustees.

Knoebel started off his report by saying, "The Kewaskum Police Department went into the new millennium with a total of five full-time officers and two part-time officers. This was the first increase in manpower since 1993."

Highlights of the report are as follows:

- Total crime, as reported to the state on a monthly basis increased 5.9% in 2000.

- During 2000, all crime rates in Kewaskum were considerably lower than those of the entire state and

lower than those of comparable cities.

- During 2000 26.6% of the total crimes were cleared by arrest. This is slightly higher than the statewide rate of 24.5%

- Total adult arrests increased by .3%.

- Total juvenile arrests increased by 27.7% from 165 during 1999 to 228 in 2000.

- The stolen property recovery rate was 37.5%, slightly less than 1999's rate of 42.8%. However, the amount of property stolen was about 72% less in 1999. Total amount of property stolen in 2000 was \$12,101 compared to \$4,539 in 1999.

- Total amount of thefts was \$9,108. Sixty-eight thefts from various locations took place in 2000.

- A total of 370 traffic citations were issued, while a total of 1315 traffic warnings were issued during that same period. That is one citation issued for approximately every five vehicles stopped.

- A total of 2,115 complaints were handled by the department in 2000 compared to 2,274 in 1999.

- A total of 64,211 miles

were patrolled in 2000.

The top five complaints handled by the Kewaskum Police Department:

1. Issue of Worthless Checks- 103
2. Disorderly Conduct- 78
3. Report for Record- 35
4. Criminal Damage to Property- 31
5. Vandalism- 28

Of the total 370 traffic citations, 122 were for speeding, the highest number of citations issued.

The department issued 513 parking tickets in 2000 compared to the 528 in 1999.

The department investigated 88 traffic accidents, compared to the 71 in 1999.

Copies of the complete report are available at the Kewaskum Police Department.

Kewaskum Students Participate In Patriotic Balloon Launch

KHS Principal Donn Woolweber

The school district of Kewaskum, along with their friends at Holy Trinity School, launched over 2,500 messages of hope and unity to the world last Friday afternoon.

What was first an idea for the high school from two Kewaskum High School seniors, Virginia Feind and Audrey Dickmann, grew into a district and communi-

ty-wide uniting event.

During the week students, faculty, administration and staff from all of the area public schools, along with Holy Trinity School, wrote a personalized message of unity and hope for our country as a way of dealing with the terrible tragedy of September 11, 2001. These messages were then attached to over 2,500 balloons.

Trick or Treat Hours, Date Announced

The hours and date for Kewaskum's Trick or Treat was announced at Monday's Village Board meeting.

Trick or Treat will take place this year on Sunday, October 28 from 5:00 to 7:00 p.m.

The Kewaskum Police Auxiliary members will be on foot patrol during the trick-or-treat hours. Children and parents should contact an officer if they see anything suspicious, suspect candy that has been tampered with or any other problems or questions.

Sunday Crash Injures Two Neosho Teens

Two 16 year old Neosho teens were injured Sunday afternoon after the driver allegedly lost control of her vehicle while passing on a curve on Highway 28 just east of Highway 41 in the Town of Wayne. According to a report released by the Wisconsin State Patrol, the operator of the vehicle passed two Kewaskum teen's vehicle and pulled back into the eastbound lane and lost control when the tires of her vehicle made contact with the gravel on the shoulder. The gravel then cracked the headlamps and front windshield of the Kewaskum teen who was behind her. The Neosho teen's vehicle then continued into the ditch, rolling over, and coming to rest on it's side. The two Neosho teens were taken to St. Joseph's Community Hospital where there were treated and released.

Take Issuing Debt Out of The Hands of the Legislature

In the past I've written about problems created by free-spending Democrats and Republicans in Madison. Thanks to our new budget, their irresponsibility is beginning to attract national attention.

A spokesman for the Center of Budget and Policy Priorities, a Washington-based think tank, declared that Wisconsin "may win the prize" of having the worst state budget mess in the country. Much more ominously, Moody's Investors Service, one of several agencies to determine Wisconsin's credit worthiness, lowered our bond rating. This affects our future spending in that we will be paying higher interest rates on our debts.

In addition to the spending down of our reserves in this budget, Moody's pointed to the unusually high amount of debt already incurred. While the average state has issued \$540 of debt per person, Wisconsin has issued \$859 even before this budget. This is despite the fact our income is below the national average.

This drop should not come as a surprise. Six months ago Standard and Poor's, another rating agency, gave notice that our rating was shaky. Any normal person would have used this as a warning to keep the credit card in the wallet for a while. Not our boys and girls in the Legislature, however. With their typical devil-may-care attitude, they authorized another \$2 billion in debt of which Governor McCallum could only find \$7 million to veto. While much of this debt won't be issued until future years, this amount surprised even me.

The biggest winner in this budget is the university system with new buildings scattered throughout the state. While we are hopeful that green fees will pay for the debt service, the state even authorized \$15 million for a new golf course for the Madison campus to provide competition for the private sector.

During the 90's the state borrowed about \$23 million a year for new parks. Two years ago they upped this to \$45 million a year and in this budget they decided to go for \$60 million a year for the rest of the decade. Prior to approving new debt, projects are recommended by the State Building Commission, an irresponsible board made up of the Governor and legislators. At least the Legislature didn't go along with their recommendation for a Civil War museum in Kenosha. (How

many Civil War battles were fought in Kenosha anyway?)

Our school districts must go to referendum in order to borrow money. The reason is that we are afraid that school board members who may not be around next year will leave taxpayers with a tab they will be paying for years in the future. It's time to do the same to the politicians in Madison. I am introducing a constitutional amendment to require a statewide referendum before new debt can be issued. Some people would say that this shows a lack of respect for the Governor and the Legislature. It does. They have shown in their zeal to get re-elected they will buy buildings and parks for ribbon cuttings now and leave future office holders and taxpayers to worry how

to pay for the bonds in the future.

Kewaskum Indian's Homecoming Saturday

Kewaskum High School students will be celebrating homecoming this weekend.

The festivities will start off with the annual parade on Saturday at 11 am. The parade begins at the high school and jogs along Parkview Drive to Main Street then right, along Fond du Lac Avenue and then back to the high school along Second Street and Reigle Drive.

The game will begin at 1 p.m. when the Indians will challenge Maniwoc

Roncalli.

The whole community is encouraged to attend the day's events and cap off the evening by seeing the court's grand march at 9 p.m. in Rose Hall of the high school.

A photo of the Homecoming court will be published in next weeks edition.

The trouble with fiction is that it makes too much sense, whereas reality never makes sense.

DEDICATION CEREMONY FOR THE NEW KEWASKUM ELEMENTARY AND THE NEW ADMINISTRATION/COMMUNITY BUILDING

Sunday, October 7, 2001 • 12:30 - 3:30 p.m.

Dedication Ceremony at 12:30 p.m.
In the Kewaskum Elementary Gym
Open House to Follow Ceremony

New Administration/Community Building

**EDUCATION...
IT'S EVERYONE'S BUSINESS**

By Wayne P. Graczyk,
Kewaskum Superintendent of Schools
www.ksd.k12.wi.us

Some exciting things are happening or have happened in your schools, and here are just a few.

The dedication of the newly constructed Kewaskum Elementary School and Administration/Community Building on October 7 is fast approaching. This is the special day of thanks to the community for their support of our schools. We have invited

several dignitaries to speak and we'll also have students singing as a part of the program. The dedication will not only be centered on the new buildings, but we'll also take time to reflect on the tragedies of September 11 with song and verse. The dedication ceremonies will take place in the gym and should last about 45 minutes. Tours and a general open house for everyone will

commence following the ceremonies and will last until 3:30 p.m. I have a special note to all Packer fans. The game starts at 3:15 p.m. on October 7 so you will have time to not only see the new facilities, but the game as well.

On a different front, last Friday all students and staff in the District, including Holy Trinity students/staff, rallied on the high school track in a symbolic show of unity in the aftermath of the terrible happenings in New York, Washington, and Pennsylvania. The event was the idea of the high school Student Council and who also organized the event. Students from Wayne

and Farmington were bused in for the event. Special thanks are in order to Johnson Bus Co. and the drivers for donating the busses and their time to get the students into town. Students and staff launched 2500 biodegradable balloons, each containing personal messages of love, prayer and peace, as a sign not only to our community, but the state and world as well. Thanks to Balloons by Brenda of Kewaskum for donating the balloons for this fantastic experience for all involved. The message was loud and clear. We stood united as one in our support for peace and for love. A large number of com-

munity members took this opportunity to attend in support of our students and staff so our thanks are extended to you as well.

The week ended with our football team retaining the Kettle Moraine Bowl trophy with their 17-6 victory over Campbellsport Friday night. Congratulations! We hope to see everyone at this weekend's Homecoming festivities and game this Saturday. Community members are asked to make special note the game will be an afternoon game so your involvement is encouraged.

Remember October 7. Mark it in your calendars and come see your new buildings.

United Way Update

The United Way campaign continues to build momentum in the early stages of the fund drive. As announced at the first Campaign Report meeting on September 14, the campaign is at the 11.2% mark, with more than \$129,000 in gifts and pledges received toward the county-wide goal of \$1,165,065. This represents a 1.5% increase over the last year's campaign.

"We're pleased to report that a number of our divisions are off to a good start," said Campaign Chair "Kingfish" Tom Purman. "We'll continue to build on our success, and inspire each other as we move forward," he said.

"One key to our success is dividing the goal into manageable divisions - 26 for this year. We'd like to compliment one group of volunteers who are vital to our success in the next few months: the Division Leaders. These women and men have been hard at work for United Way since late Spring and have recruited other volunteers to help area businesses in their divisions," said Purman.

"Some are first-time United Way volunteers, and others are seasoned veterans. The mix works very well for our fund-raising approach," he stated.

Division leaders for 2001 are: County-Wide Division: Rick Dietzler, Accountants and Business Services; Tim Algiers, Attorneys; Rev. Arv Arveson, Clergy; Jim Becker, Contractors; George Hartl, DDS, Dentists; Tom Hopp, Financial; Nancy Metternich, Nonprofits and Health Care; Dr. J. David and Judie Lewis, Physicians; Mary Sauer, Real Estate; Connie Stieber, Professional Specialties; Kelly Kraemer, Washington County Employees.

Communities Division: Jeanne and John Kreilkamp, Allenton; Bob Klockow, Hartford; Brenda Fleischman and John Gonring, Jackson; Carole Connor, Kewaskum; Doug Hein, Newburg; Greer Bloedorn, Richfield, Hubertus and Colgate; Tim Purman, Slinger.

West Bend Division: Judy Neu, City of West Bend Employees; Don Liebetau, Commercial; Mike Murphy, Education; Tom and Lori Yahr, Industrial and Manufacturing; Teri Otis, Retail; Mo Josten, Special Gifts; Tim Purman, Transportation and Key Firms.

Charlie and Gaytha Hillman, the 2000 Campaign Co-Chairs, are heading the Leadership Giving portion of the campaign this year, which focuses on individuals donating \$600 or more.

"Undoubtedly, outstanding leadership and service from our volunteers reflect favorable on our ability to raise needed dollars each year," said United Way

Executive Director Barbara Hurula. "We have a great team of dedicated Division Leaders who are committed to seeing this campaign through to a successful conclusion," she said.

Funds raised will support 24 member agencies in the coming year. More than 270 volunteers are involved in United Way of Washington County's year-round effort.

Member agencies supported in the current fund raising campaign are: American Red Cross - North Region, American Red Cross - West Bend Chapter, Big Brothers / Big Sisters of Washington County, Boy Scouts - Bay Lakes Council,

Boy Scouts - Potawatomi Area Council, Boys and Girls Club, Catholic Charities, Child's Place, Citizen Advocacy of Washington County, Council on Alcohol and Other Drug Abuse, Family Center of Washington County, Friends of Abused Families, Full Shelf Food Pantry, Girl Scouts - Great Blue Heron Council, Girl Scouts - Manitou Council, Hartford Area Blood Donors, Kettle Moraine Support Services, Lutheran Social Services, Nova Services, Salvation Army, Senior Citizens Activities, The Threshold, Volunteer Center of Washington County and The Youth and Family Project.

Kettle Kountry Kolors Still Needs Volunteers

The Kettle Kountry Kolors Festival Planning Committee will be holding a final meeting Saturday, September 29 on the 2001 Kettle Kountry Kolors Festival in the main park area of Riverhill Park. Everyone and anyone is invited to attend this meeting.

Kettle Kountry Kolors has grown so big in the last few years the Chamber of

Commerce can no longer put the festival on by itself. They are looking for active community members to volunteer their help put undertake this year's event.

This year's festival will be held on Saturday & Sunday, October 13 & 14, in Riverhill Park. If you cannot attend the meeting but want to help please contact Larry Ammel at 262-626-4731.

KEYS Scholarship 5K Run/Walk Deadline This Week

It's still not too late to turn in your entry form for the KEYS Scholarship 5K Run/Walk. Registration forms are available at area businesses and schools or can be picked up here at the Kewaskum Statesman office.

This event is set for Sunday, October 14, at

Riverhill Park in Kewaskum and will get underway at 11 a.m. All proceeds from this event are used to fund Kewaskum High School student scholarships. This is a great chance to walk together as a family and to enjoy other festivities at Kewaskum Kettle Kountry Kolors Family Fall Festival.

WES Student is State Winner In D.A.R.E. Essay Contest

Wayne Elementary School student Catherine Stoffel, right, with Deputy Mary Woerner. Catherine was presented with a DARE fleece jacket and a plaque for her state winning essay "My Grandpa Martin."

Catherine Stoffel with her grandpa Martin.

Catherine Stoffel of Wayne Elementary School was selected as a state winner for her DARE essay, "My Grandpa Martin." She was selected by DARE Instructor Deputy Mary Woerner to read her essay at the school's DARE Graduation. Deputy Woerner then submitted the essay to the association. Catherine was then presented with a DARE fleece jacket and a plaque.

The following is her essay.

My Grandpa Martin

Hi, my name is Catherine Olivia Stoffel. I'm drug free and proud of it! I'm committed to staying drug free because of what happened to my Grandpa Martin.

My Grandpa Martin...

- was a kind soul, who got along with many people.
- had a fantastic sense of humor and he also had a hearty laugh.
- taught me that honesty is the only way to live your life.
- was committed to his five children which includes

smoking could be on a person's body, possibly shortening their life.

- suffered a heart attack; brought on by heavy smoking.

- was given a second chance at life when a surgeon fixed his damaged heart. Grandpa was told under no circumstances was he to smoke anymore.

- tried very hard to stop smoking to keep his fixed heart healthy. But he was so addicted to the drug, nicotine, that he lit up and continued to smoke up until he suffered massive heart attack, April, of last year, 2000.

The day of my Grandpa's second surgery I prayed to God to keep my Grandpa Martin safe through his surgery, because he and I had a lot of growing up to do together. Smoking damaged his heart beyond repair and he never woke up from the surgery. My world lost a loving man, my Grandpa, James Francis Martin, only 64 years old.

I strongly believe that anything is possible if a person puts their heart and soul into achieving it! So please, if you're a smoker get help to quit or if you just want to give smoking a try; STOP and THINK about your family and friends, who love you, and how much they will miss you, because your heart and lungs are beyond repair. Let's be drug free together and be proud of it!

my mom and my grandma for 40 some years.

- truly had a singing voice from heaven.

- always called me his "gal!"

- smoked cigarettes since he was 13 years old. Back in 1949, no one really knew how deadly harmful

Kettle Kountry Kolors Scarecrow Contest

The Fifth Annual Scarecrow contest, held in conjunction with the annual Kettle Kountry Kolors family fun festival is getting started.

Sixth, seventh and eighth graders from Holy Trinity, St. Lucas and Kewaskum Middle School are invited to take part in the contest. Competition acceptance and approval will be decided by teachers at the designated school.

There will be three awards handed out to each school. First place is \$30, second place \$20 and third place is \$10.

Judging will be based on the following five areas on Saturday, October 13, 2001: costume idea, expressions (facial and body), colors used in a single design, craftsmanship of design, and creative use of materials (straw bales, ladders, tools, etc.).

All designs must be sturdy weather resistant and thief-proof. Label each design with a 4x6" laminated card, listing the following

information: name of scarecrow, school and students' names.

Design projects are to be completed by the week of October 5, 2001 and placed at village street locations chosen by the Kewaskum Area Chamber of Commerce by Friday, October 12.

The nine cash prizes will be awarded at the Kewaskum Kettle Kountry Kolors festival at approximately 4 p.m. on Sunday, October 14 at the Chamber Information Booth in Riverhill Park.

If you have any questions, please call Gwen Dreher, Chairperson at the Chamber 626-3336.

Women's Club Roundup Thursday

The Kewaskum Women's Club will be holding their membership "Roundup" meeting on Thursday, September 27, at the Kewaskum Community Room from 6 to 8:30 p.m. with a casserole supper.

The Calendar of Events and expressions of the clubs goals as a community service organization since 1913 will be discussed. A project schedule will be set up for the forthcoming "Sweet Shop" at the 12th Annual Kewaskum Kettle Kountry Kolers Festival to be held October 13 and 14.

This is your last chance to help out our great community! Take time to give of your valuable self for this valued community service. For further information, call Gwen at 626-2666. You are welcome to join the club at the casserole supper and catch the community spirit!

Vial of Life Program Coming to Community

The Kewaskum Women's Club is presenting the American Red Cross Vial of Life program to the community at NO COST to you.

Vial of Life is an easily located source of emergency medical information for rescue squads, ambulances, police officers, fire departments, medical personnel and relatives, if their services are needed in your home.

Washington County individuals who live alone or are not able to communicate when the need arises, could be provided with a vial and identifying stickers for their home.

Vial of Life is a small cylinder bottle with a cap and strap to attach to the upper right hand shelf in the refrigerator. A form with your medical information is inside this vial for the emergency crew to obtain as they see the Red Cross on the front of the refrigerator to assist in your care.

A copy of this form is maintained by the American Red Cross

Chapter in West Bend, so a volunteer can contact you to update any changes in your medical information at no charge.

The Kewaskum Women's Club will present this information on the Vial of Life Program on Thursday, September 27, at 7 p.m. in the Community Room. This Vial for Life information can also be obtained at the Meadow Creek Apartments, 1119 Roseland Dr., Kewaskum.

The Kewaskum 4-H'ers will host an Open House on Thursday, Oct. 4, from 7:00 - 8:00 p.m. at the Kewaskum Town Hall, located at the intersection of Highway 28 East and Kettle Moraine Drive (9019 Kettle Moraine Drive).

4-H is open to youth from kindergarten through high school. Youth, parents and families interested in learning more about 4-H are encouraged to attend. Club members will display their projects, offer hands-on activities and serve refreshments.

If you are unable to attend and are interested in joining 4-H, contact Mrs. Bonnie Zanow (General Leader) at 626-8071, Mrs. Kim Weindorf (Adult Ambassador) at 626-2867 or Justin Weindorf (Youth Ambassador) at 626-2867.

Farmington Historical Society to Visit Fillmore

The Farmington Historical Society, Inc. will be visiting Fillmore on Saturday, September 29, from 1 to 4 p.m. and you are invited to join them for a narrated village bus tour with stops to see the inn and beer caves. The cost is \$5.00.

From Highway 144, take Highway H east to Fillmore's Saxonia House Inn. A short business meeting will be held at 1:15 p.m. Tours will be leaving the Saxonia House Inn as needed from 1:30 until 3:45 p.m. Ice cream, goodies and souvenirs will be for sale.

The area of Fillmore was first settled by Christian Beger, along with Ernst Rudolph and Gustave Zettler, who arrived sometime after 1845. Fillmore was the first organized community in the Town of Farmington and the people named it after the 13th president of the United States, Millard Fillmore (1850).

Fillmore boasted beautiful German homes and farms of log, stone or brick, a state graded two-story school, a large German Inn with its own brewery, three general stores, blacksmith shop and harness shop, cheese factory and three churches. There was even at one time, a fine ladies' millinery shop, and of course, the Tuen Verein Society. Its fine hall is still used today for baseball,

large parties and weddings.

At the turn of the twentieth century, Fillmore has an active volunteer fire department, a homemaker's club, an active church, the Turner Hall and Athletic Club, Weinreich's Recreation (for their popular Friday night fish fry), and the Saxonia House Inn, which is currently under restoration as a living museum.

Historically-minded residents have worked hard to restore and preserve some of the original log homes, German Fachwerk building, cemeteries and the first wooden fire station. Surrounded by picturesque farms, Fillmore is a small haven in the Town of Farmington.

KEYS Run/Walk Registration News

Pre-registration prices for the KEYS Run/Walk of \$12 per person and \$40 for a family of four will be accepted until October 12.

Race day registration is \$15 per person. The pre-registration deadline of September 28 is necessary for pre-ordering shirts, and is not intended as cut off date for the reduced rates.

Reduced rates of \$12 per person in advance will insure that the registrant will get a t-shirt.

News From The Capitol

United We Stand

As the nation continues to cope with last weeks terrorist attacks, many stories of great heroism and great patriotism have emerged.

Sadly, misdirected anger has resulted in some behavior that threatens to cast a shadow over the acts of heroism and patriotism that have provided us with light and hope during our nations darkest hour.

Arab-Americans, their community centers and their places of worship have been the target of harassment and criminal activity in the wake of the terrorist attacks. It is critical that we recognize that Arab-Americans are Americans, just like German Americans, Polish Americans, Irish Americans, Italian Americans and Americans of any other national heritage. Many Arab-Americans came here to pursue the American dream of freedom and the promise of a better way of life, just like the pilgrims who came over on the Mayflower and the millions who have come from all corners of the world since.

We, the people of the United States of America, have formed a strong and powerful nation because we recognize the value and strength of all individual citizens, regardless of their race, religion, ethnicity or socioeconomic status. We have a system of government and laws that provides equal protection to all. We have a democracy that recognizes the voice of all. We must not forget that our nations founding principles included individual freedom for all.

Terrorists come in many shapes and sizes. The terrorists who attacked America last week sought to destroy the American Dream and to erode the foundation of our nation. If we assume that individuals who look like, dress like or share a religion with these terrorists support these horrific acts, we have allowed them to succeed in their effort to weaken America by

inciting panic and turning Americans against one another.

Remember: the terrorist in the Oklahoma City attack in 1995 was a Christian Caucasian male. Would anyone have thought it patriotic to shout threats or racial slurs at white males? Could anyone have thought it was ok to harass Christians? The answer is a resounding no.

Abraham Lincoln said, A house divided against itself cannot stand.

If we are to find the perpetrators, if we are to root out this new evil, we must stand together as a nation. We must support the men and women of our armed forces. We must support and respect each other. We must stand united.

Kewaskum Schools Create a Sea Of Red, White and Blue

Students from Kewaskum Elementary School, Wayne Elementary School, Farmington Elementary School, Holy Trinity School, Kewaskum Middle School and Kewaskum High School all gathered at the high school football field to release over 2,500 balloons on Friday, September 21. The balloons all had a handwritten message of hope and unity written by the students.

From left to right, Kewaskum Elementary School's Jared Pesch, Craig Garbisch, Joshua Blawat, Derik Muckerheide and Brandon Martin partake in the event.

loons and prepared by Kewaskum High School students for the big launch on the 21st.

Brenda Kirchner of Balloons by Brenda, a business in Kewaskum, thought it was such a good idea that she provided the bio-degradable balloons, helium, inflation machine, string and support for the project without making a single penny. When she heard what it was for, she wanted to be a part of it and helped make it happen in a very big way.

Others who supported the project were the Johnson School Bus Service, Inc. Manager Lori Heisler said she was excited about the opportunity to be a part of this event. She stated she would not charge for the transportation of the students from Farmington Elementary and Wayne Elementary Schools. The drivers of the busses even

donated their time to be a part of the balloon launching efforts.

TV channels WISN - TV12 and WDJT - TV58 and other members of the news media, were also on hand to document the event.

The cooperation of all the administrations, teachers, staffs, and schools was nothing short of outstanding! Everything was done on time, students were flawlessly guided to their positions on the track and the ceremony went off without a hitch.

KHS Band and Choirs performed the National Anthem and KMS 8th grader Kyle Kuehl recited the Pledge of Allegiance with everyone during the ceremony.

Words of encouragement were provided by Kewaskum High School Principal Donn E. Woolweber and selected mes-

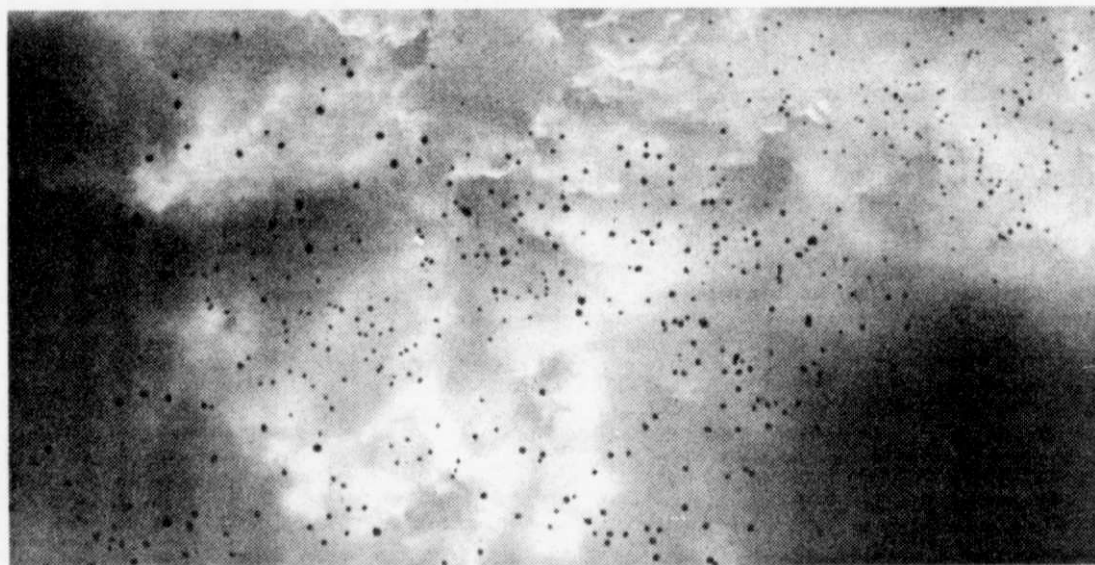

sages were read aloud to the almost 3,000 onlookers by Virginia Feind.

As the balloons rose, so did the cheers. What a wonderful and uplifting way to join together in the Kewaskum Community.

An unidentified student and Sarah Rick of KES recite the pledge of allegiance that was led by Kyle Kuehl. Zachary Melton looks the other way.

Below is a picture of just some of the balloons that were released.

In Scandinavian mythology, a rainbow is a bridge between heaven and earth.

Now, everyone waits to see if those who find the launched messages write back.

Many will, and they will tell of the hope and unity the colorful events of September 21, 2001 has brought them from the skys.

Letters to the Editor

Dear Editor:

WOW! Kewaskum School District employees have done it again! The support staff, teachers, and administrators of the district have again surpassed their goal for contributions to United Way of Washington County by raising over \$12,750! Their outstanding commitment to this very worthy organization made them number **four** in the top ten employee giving for all of Washington County in the 2000 campaign. And it looks like they could very well repeat that remarkable feat again this year. Thank you to all district employees who have demonstrated such strong support for your neighbors in need!

A special thanks to Jerry Gosa, who for the last **nineteen** years, has spearheaded the campaign for the school district. That level of dedication and time commitment in this day and age when everyone is so busy is truly a Herculean effort, worthy of the deepest gratitude of United Way of Washington County and every one of the **one in four** Washington County residents who uses some program funded by United Way. Thanks Jerry for a job exceptionally well done! Thanks also to Wayne Graczyk, who serves on the United Way-Washington County Board of Directors.

United Way of Washington County is an organization that distributes funds to 14-non-profit agencies in 20 communities in our county. These agencies include Big Brothers/Big Sisters, two councils each of Boy Scouts and Girl Scouts, the Red Cross, Citizen Advocacy, Council on AODA, the food pantry, Salvation Army, Volunteer Center, Threshold, Senior Center and many others. We undoubtedly all know someone who benefits from this great organization. Over 91 percent of all funds distributed stay in Washington County and less than 15 cents of every dollar is used for operating expenses. These facts make United Way one of the most effective ways to **Give Help, Give Hope** to our friends and neighbors.

Letter to the Editor:

On August 3, 2001 my wife and I registered our four children in school. Two of our children were to go to Kewaskum High School and the other two were to go to North Fond du Lac school district.

Our oldest son Arthur was registered at Horace

Mann High School and joined the varsity soccer team.

Our youngest was enrolled in Bessie Allen Middle School.

About one week after we enrolled our children we were notified by the North Fond du Lac superintendent that Kewaskum would not waive their right to hold our children in Kewaskum Schools. This confused us greatly to say the least. Once we were told this we started to make a few phone calls. The first was to the Kewaskum High School principal. He told us that we would have needed to register our kids by February if we wanted them to go to a different school other than Kewaskum. We told this gentleman that we told the principal from Kewaskum High School last year that we wanted to take two of our children and enroll them in a different school for the year of 2001-2002. We told him this in January 2001. We also asked him what we would need to do to enroll our boys somewhere else and he simply told us just to enroll them in July where we wanted them to go to school and the records would be transferred. We also told our youngest sons special education teacher, Mr. Martin that we would be taking Andy to another school for the next year. We also asked him how to set up in a new school with his disabilities and getting his records transferred. His response was the same. Register the boys where we wanted to and the school will request the records and they would transfer them over.

Still at a loss on what to do we called the president of the school board and the superintendent of the school. Wayne told us that he would not sign a waiver to release our children because they would lose too much money from the boys going to another school. How could they think of money when our children were not getting a good education. Our youngest son has been in special education since he started school and still cannot read above a second grade level. Our oldest son was once an A and B student and now was getting Ds and Fs. Putting them into another school was our only hope for them to get a better education and now we were being told that because the school could not afford the extra money from going somewhere else they would not sign a waiver to allow them to go somewhere else to school.

We kept calling all the other board members for the next two weeks almost everyday. We did get the others to agree to sign the waiver. We had five of the seven board members agree to sign the waiver. They too felt it was in the best inter-

est of our children to go to another school. They agreed to hear our case in a closed board session on September 10. I attended the board meeting and listened to everything they said, including how they would spend \$20,000 to keep a school open but no one would attend this school. Also how the new boardroom needed a \$12,000 sound system. After the open board meeting closed I expected to be heard in a closed hearing like I was promised. Instead Wayne and Andy told me that they decided not to hear me that night and did not plan on hearing me ever. They decided that they would not sign the waiver. They even called the police to have me removed from the meeting so I couldn't push the issue and be heard. Andy even told the officer there that it was a simple money issue and that is why they would not sign the waiver for the kids to go to the other school.

Matthew Hildebrant

Dear Editor:

I'm writing this in regard to what is going on in our school system. Our school takes pride when one of our children do an outstanding thing, they take pride when our school is praised for the way it looks, anytime school pupils or personnel are able to get into the public eye under good circumstances they are there to take the reward.

Why is it that the parents are the first to blame when school personnel screw up? As with the parents trying to do the best for their children. When the parents went to the school personnel to have their children transferred to another district, they should have been able to direct the parents to the time line.

I was able to be involved with one of the phone conversations with a teacher when the parent made the request back in January 2001. Because the teacher did not do what was requested, these children have to lose out.

Also while on speaker-phone the parent was talking to the superintendent, I could hear the whole conversation in which Wayne, the superintendent, stated that he would do whatever he could to keep the kids from transferring due to money that the Kewaskum School District would lose. I believe this is a terrible way for our superintendent to look out for children.

Police Report

On September 5, Kewaskum Police were dispatched to Highland Avenue in reference to a vandalism complaint.

The complainant stated that someone had thrown a can of vegetable soup over his car. There was also an egg that had been thrown the direction of the car, but missed. There did not appear to be any permanent damage to the car.

Also on September 5, Kewaskum Police were dispatched to a Hwy. H residence in reference to another vandalism of a car.

The complainant reported that her tire had been slashed. The damage did not cause the tire to lose air, but could make the sidewall weak. The complainant stated that she washed her car on the third and she didn't notice it then.

On September 7, Kewaskum Police were dispatched to a Knights Avenue residence in reference to a criminal damage to property complaint.

The complainant showed the officer his vehicle that had damage on the right side. There was a scratch that went from the right front quarter panel all the way to the left rear quarter panel.

The complainant stated that he had been at numerous stores the previous day and it could have happened anywhere.

On September 12, Kewaskum Police were dispatched to a Brooklane Drive residence in reference to a vandalism complaint.

The complainant stated that her door had some damage. The officer observed a crack in the door that was approximately nine inches long that extended above and below the deadbolt.

The complainant also stated that someone had pushed over her motorcycle. She stated that it had been leaning to the right on its kickstand and when she went outside it was laying on its left side.

She stated that she didn't know who would have done it.

On September 17, Kewaskum Police were dispatched to a Brooklane Drive residence in reference to a vandalism.

The complainant stated that when he came home from a trip he noticed there was water on the floor of his basement. He then went outside to check the faucets and the hose was on.

He stated that he had no idea who had done this and

had not given anyone permission to do so.

If anyone has information on any of the complaints, contact the Kewaskum Police Department at 626-2323 or the Washington County Chief's Tip Line at 1-800-232-0594. All calls are confidential.

Police reports are compiled weekly by Statesman staff member Nicole Rawley.

PLEASE... Watch Out for The Bunnies!

It has been brought to our attention that a former Kewaskum resident who has relatives wishing to remain nameless in this community, was injured while trying to erect Halloween decorations inside Easter decorations.

The *Reader's Digest* condensed version of this incident goes something like this: a ceramic pumpkin candle holder broke (perfectly understandable) when it was placed inside a cast iron yard bunny. Certainly the dastardly person who tried to accomplish this feat must assume partial responsibility as everyone knows there is no love lost between pumpkins and bunnies.

This "masked holiday decorator" (who for obvious reasons, chooses to remain anonymous) was injured when she fell over the bucking bronco bunny with flailing arms, legs, shoes and bunny, all going asunder in assorted directions.

The unnamed party, who among her various injuries, suffered a soundly bruised ego, stated, "Bunnies hurt!"

Please people... be careful out there when putting up those dangerous Halloween decorations!

25 Years Ago

Construction of a new medical clinic in Kewaskum should begin within the next few weeks, "if all goes well," according to Dr. Cedar Sison. The new building should provide a much more spacious area for medical care, about 3,000 square feet altogether. Only one of the two levels will be used for a clinic, so that the downstairs can be left unfinished on the interior and rented out as office space, or possibly to another doctor, should one decide to locate in this area. The project is expected to be completed within four to five months after its start, possibly by the beginning of next year.

After long years of planning and waiting, the new pond at the Kewaskum Kiwanis Park came another step closer to completion, as verbal approval has been obtained for the use of the pond. The contractors will be contacted to see how soon the contract can be signed and the work started.

Airman John N. Kleinmann, whose parents are Mr. and Mrs. Gerald J. Kleinmann of Kewaskum, has been assigned to Chanute AFB, Illinois, after completing Air Force basic training.

Marine Private Janice D. Panzer, daughter of Mr. and Mrs. Alvin C. Panzer Sr. of Kewaskum, has completed the communications center course at Marine Corps Communication-Electronics School in California.

A Kewaskum man has enlisted in the United States Navy. Carl J. Raether, son of Mr. and Mrs. Ralph J. Raether of Kewaskum will be reporting for active duty October 4 at Recruit Training Center, Great Lakes, Illinois for his basic training.

Kewaskum turned two blocked punts in the second half into touchdowns Friday night to blank North Fondy in their non-conference opener on the Orioles' field, 15-0. Tackle Gary Gavin, all-conference last year, was a thorn in Fondy's side all

night with his hard pass rush and Russ Herriges nailed Fondy quarterback Rick Behnke on a fourth down play. Another Oriole threat was stopped in the second quarter when a Behnke pass was intercepted by Kewaskum's Lowell Bunkelman on the Indian 30-yard line.

A daughter, Jane Genevieve, was born to Mr. and Mrs. Fred Jakubiak, Kewaskum on August 24. A daughter was also born to Gary and Dorothy Beilke of Campbellsport on August 26.

When I became a Christian I asked the boys in my dance band to follow me to Christ.

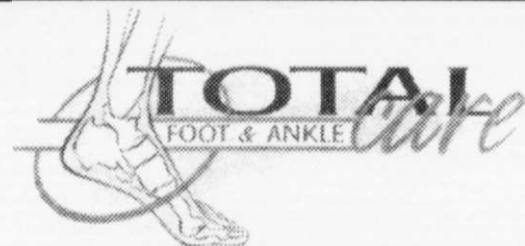

"No," said one. "I'm getting a kick out of the life I'm living. Let me alone."

One day, years later, Bud came to see me. I asked, "Are you still getting a kick out of the life you're living?"

"Not a kick," he sighed, "a kickback."

Sin always has a kickback. Soon the honey departs from the plant, and all you have is the sting of the bee. Soon the bloom departs from the rose, and all you have is the prick of the thorn.

Want a kick out of life with no kickback? Come to Christ.

RESOLUTION NO. 01-22

STATE TRUST FUND LOAN FOR THE PURPOSE OF VILLAGE PUBLIC IMPROVEMENTS

FORM OF RECORD

The following preamble and resolutions were presented by Trustee Andrew Pesch and were read to the meeting.

By the provisions of Sec. 67.12(12) of the Wisconsin Statutes, all municipalities may borrow money for such purposes in the manner prescribed, and,

By the provisions of Chapter 24 of the Wisconsin Statutes, the Board of Commissioners of Public Lands of Wisconsin is authorized to make loans from the State Trust Funds to municipalities for such purposes. (Municipality as defined by Sec. 24.60(2) of the Wisconsin Statutes means a town, village, city, county, public inland lake protection and rehabilitation district, town sanitary district created under Sec. 60.71 or 60.72, metropolitan sewerage district created under Sec. 66.22 or 66.882, joint sewerage system created under Sec. 144.07(4), school district or technical college district.)

THEREFORE, BE IT RESOLVED, that the Village of Kewaskum, in the County of Washington, Wisconsin, borrow from the Trust Funds of the State of Wisconsin the sum of Four Hundred Fifteen Thousand Dollars (\$415,000.00) for the purpose of constructing Pump Station No. 5 and for no other purpose.

The loan is to be payable within 10 years from the 15th day of March preceding the date the loan is made. The loan will be repaid in annual installments with interest at the rate of 5.00 percent per annum from the date of making the loan to the 15th day of March next and thereafter annually as provided by law.

RESOLVED FURTHER, that there shall be raised and there is levied upon all taxable property, within the Village of Kewaskum, in the County of Washington, Wisconsin, a direct annual tax for the purpose of paying interest and principal on the loan as they become due.

RESOLVED FURTHER, that no money obtained by the Village of Kewaskum by such loan from the state be applied or paid out for any purpose except constructing Pump Station No. 5 without the consent of the Board of Commissioners of Public Lands.

RESOLVED FURTHER, that in case the Board of Commissioners of Public Lands of Wisconsin agrees to make the loan, that the president and clerk of the Village of Kewaskum, in the County of Washington, Wisconsin, are authorized and empowered, in the name of the Village to execute and deliver to the Commission, certificates of indebtedness, in such form as required by the Commission, for any sum of money that may be loaned to the Village pursuant to this resolution. The president and clerk of the village will perform all necessary actions to fully carry out the provisions of Chapter 24 and Sec. 67.12(12), Wisconsin Statutes, and these resolutions.

Adopted and approved this 17th day of September, 2001 by the Kewaskum Village Board.

John D. Kenworthy
Village President

Village Board Meeting Minutes

Regular Meeting
September 4, 2001
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President John D. Kenworthy presided. Trustee Thomas Piwoni asked to be excused and was absent, all other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Larry Ammel, seconded by Trustee Kevin Scheunemann unanimously carried by voice vote, the minutes of the August 20, 2001 meeting were approved as corrected and printed.

Fire Chief Mark Groeschel presented the August 2001 report:

Fire calls	2
Year to date	19
Jaws calls	2
Year to date	14
Rescue calls	17
Miles	262

Fire Chief Mark Groeschel informed the Board that the roof repair work has been completed at the Fire House. An Open House has been scheduled for October 12, 2001 from 6:30 p.m. to 9:30 p.m.

Chief of Police Richard L. Knoebel reported that \$2,130 has been received for the defibrillators and that they are now on order and everyone is scheduled for the training on the 19th of September.

Chief of Police Richard Knoebel presented the department's Annual Report for 2000 as follows:

1. Total Index crimes, those reported to the State on a monthly basis, increased 5.9% in 2000.

2. During 2000, all crime rates in Kewaskum were considerably lower than those of the entire state and lower than those of comparable cities.

3. During 2000, 24 of 90 or 26.6% of reported Index crimes were cleared by arrest. The 2000 clearance rate is about the same as the 2000 Kewaskum clearance rate of 25.9%. It is slightly higher than the statewide clearance rate of 24.5%.

4. Total adult arrests increased by .3% from 292 in 1999 to 293 in 2000.

5. Total juvenile arrests increased by 27.7%, from 165 during 1999 to 228 in 2000.

6. The property recovery rate for Kewaskum of 37.5% is less than its 1999 recovery rate of 42.8%. However, the amount of property stolen was about 72% less than in 1999.

7. There was a total of 370 traffic citations issued in 2000, while there was a total of 1315 traffic warnings given during the same period. That is one citation issued for approximately every five vehicles stopped by the Kewaskum Police Department in 2000.

8. The Kewaskum Police Department handled 2,115 complaints in 2000 compared to 2,274 in 1999.

9. The Kewaskum Police Department patrolled a total of 64,211 miles in 2000.

Director of Public Works, Jerry Gilles reported as follows:

1) The ball season is now over and all has gone well with soccer beginning.

2) The lot preparation is starting for well site 5.

3) The measuring of the streets has been completed and the information is being entered for the pacer program which needs to be submitted by December 15 of each year.

On a motion by Trustee Robert Stoltzmann seconded by Trustee

Larry Ammel, and unanimously carried by voice vote the Board approved the issuance of an Operator's License for 2001/2002 upon proper payment of fees and documentation for the following:

Donath, Angela D. Campbellsport, WI

Kreif, Randy H. Kewaskum, WI
Note: The Police Department had no objection to the application.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review of League and Taxpayer bulletins.

2) Review of state wide sanitary sewer fees which reflect very low fees/rates by the Village of Kewaskum. It was noted that of 353 cities and villages of zero to 5,000 in population the Village of Kewaskum ranked 32nd from the bottom.

3) Review of correspondence.

a) Acknowledgment of the letter regarding the missed census count of the one

block.
b) Announcement of office hours for Congressman James Sensenbrenner for September 17, 2001 at 1:15 p.m.

c) Reported that the State Trust Loan for Well # 5 has been approved and will be brought to the Board on September 17, 2001.

d) Notice of a meeting on open meetings, minutes and record law October 30, 2001.

On a motion by Trustee Mathew Heiser, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The totals of all claims as recommended are as follows:

General	78,339.94
Sewer	6,886.58
A/P Ck. #19107 - #19194	
Library Fund	6,600.17
Payroll	45,674.32
P/R Ck. #10885 - #10974	
Water Fund	57,089.83
TOTAL	194,590.84

Chairman of the Public Services Committee Trustee Kevin Scheunemann announced a committee meeting scheduled for Monday, September 17, 2001 at 7:00 p.m.

Chairman of the Park & Recreation Committee Trustee Mathew Heiser announced a committee meeting scheduled for Monday, September 17, 2001 at 7:30 p.m.

Trustee Andy Pesch the Plan Commission Board Representative reported on the meeting of August 28, 2001. It was noted a special meeting is being scheduled for September 11, 2001 at 6:00 p.m. to review a request for a Conditional Use Permit regarding the Malt House.

Trustee Mathew Heiser the Library Board Representative announced a Library Board Meeting scheduled for September 10, 2001 at 6:45 p.m.

Trustee Robert Stoltzmann the MMMA Legislative Committee Board Representative announced a Meeting scheduled for September 12, 2001 at 7:00 p.m. at the Jackson Village Hall.

President John Kenworthy informed the audience that the Village has tried to work with the County and Developer regarding the noted excess water flow on Hwy. H. The Administrator gave a brief sum-

mary of events and informed the Board that the cooperative effort had fallen apart with the accusations of wrong doing and statements of possible legal action. It was noted the Village Engineer has met with the County Highway Commissioner and residents. The Village's Engineer recommends that no action be taken by the Board at this time. Attorney Gerald Kiefer was present and recommended to the Board that they take no action because of no wrong doing on the Village's part. A meeting has been scheduled by the County Highway Committee to discuss the problem on Thursday, September 6, 2001.

On a motion by Trustee Mathew Heiser, seconded by Trustee Larry Ammel and unanimously carried by voice vote, the Board authorized the Village President and Village Administrator to sign the Conveyance of Rights Document sent by the Department of Transportation regarding the USH 45 project I.D. 4070-01-72.

Administrator Daniel Schmidt gave the Board a brief update regarding the budget process for 2002 and noted the budget public hearing would be scheduled for November 26, 2001 at 7:00 p.m.

On a motion by Trustee Andy Pesch, seconded by Trustee Kevin Scheunemann and unanimously carried by voice vote the Board directed the Administrator not to solicit bids/proposals for the village's general and liability insurance coverage this year, but tentatively plan on it for the late summer of 2002.

Motion by Trustee Kevin Scheunemann, seconded by Trustee Larry Ammel and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

Rippin, It Up- The K-Town Cross Country Way

By Lauren Schultz
Correspondent

The Ripon Invite this past Saturday was an awesome surprise for Kewaskum. The whole team got season best times, often dropping minutes off times, which is great at this point in the season. "Our individual runners pushed each other along greatly, and times were improved because of it," commented and obviously pleased Coach Drexler after the Ripon races.

The girls varsity raced bright and early Saturday morning. The chilly, cloudy weather set the scene with excellent running conditions. Coming across the line first for the girls was Mandi Will, getting 59th place, with a time of 19:32. Not too many steps behind was Lauren Schultz, placing 60th and getting a time of 19:36. Although she couldn't breathe that well, Becky Herriges was tough and came in next with a time of 19:44, placing 61st. With a burst of energy, brought on Rachel Shea, placing 62nd, getting 19:45. Right behind was Leslie Schultz, with 19:46, placing 63rd. The girls varsity placed 11th out of 11 teams there, but the effort and time drops made it worth it.

More season best times and an awesome course proved beneficial for the boys teams as well. The boys took off at 10:00, fol-

lowing the leader Josh Meyer placed 28th, with a time of 17:19. Tom Ramthun surprised the team by passing Bryan Kraft and getting 17:55, placing 40th. But Kraft came back in the end to get an 18:09, getting a place of 43rd. J.P. Repovsch ran a tough race and placing 48th, with a time of 18:21. Andy Lickel took more time off and got a 19:06, placing 61st. Andy Bauer came in next with a place of 71st, with a time of 19:31. Finishing up the streak for the boys was Adam Woebekking, placing 75th, with a time of 20:10. The boys varsity placed eighth out of 12 teams. Awesome job to the varsity team!

The boys JV team missed Justin Kissinger in this race, but nonetheless, still had a great race. Michael Neuman was 83rd with a time of 22:05. Scott Joers was next across with a 22:51, placing 92nd. And to finish the trilogy was Levi Spaeth, placing 106th, with a time of 24:10.

Good luck this week at the Plymouth Relays and also at the Indian Invite, here, which is parents night. The team encourages any parents of runners, or any of the public to come and cheer on the hard working efforts of both teams.

Special congratulations to Coach Drexler who finished first in his age group at the open run in honor of a Ripon athlete who was killed in a car accident.

Roncalli Takes Kewaskum

The Kewaskum ladies volleyball team traveled to Roncalli on September 18 for and Eastern Wisconsin Conference match. Roncalli took the win 16-14, 7-15, and 10-15.

Jenni Logan led the team in kills for the night with five. Steph Herrick, Katie Klug, Alexa Nelson, Jill Wittmann and Cassie Patterson all had two kills and Jessi Graham and Lindsay Gaffke each had one.

Beth Boedeker led the team with four aces and also had two digs and five assists.

Jenny Koth had five digs for the team.

The loss puts the Indians at 2-3 in the conference.

Indians Over Two Rivers

The Kewaskum ladies volleyball team hosted Two Rivers on September 20 for a conference match. Kewaskum won two of the three games 15-3, 12-15, and 15-6 giving them the match.

Beth Boedeker had a good night with one kill, six total attempts, seven assists and 10 digs from the Indians.

Steph Herrick and Cassie Patterson each had four kills for the team. Herrick also had 17 total attempts, four aces and four digs. Patterson had 12 total attempts.

Jenni Logan had three kills, 17 total attempts, three aces and five digs.

This victory puts the Indians at 3-3 in the conference.

Cross Country Teams Fair Well At Plymouth Relays

By Lauren Schultz
Correspondent

The Kewaskum Cross Country teams fared well over all against teams like Green Bay Preble, Campbellsport, Cedar Grove, DeForest, Elkhart Lake, Howards Grove, just to name a few who competed. Over all the Kewaskum boys varsity placed seventh out of 14 teams, which is excellent. The girls varsity, however gave it their all, and came out 11th out of 12 teams. With hard work and sweat, we can get through anything.

Top scoring boys for the Varsity races were Jonathan Conrad from Green Bay Preble, who got a time of 16:45, Ross Umentum, also from Preble, with a time of 16:52, Dusty Miller from Campbellsport, finishing seventh, with a time of 17:26. Our first finisher from Kewaskum was Josh Meyer, who came in 11th in his race against all other number one runners

from all other boys teams. His time was 19:13. In the second and third runner's race, Bryan Kraft placed 12th, with a time of 18:51. Not too far behind was Tom Ramthun, with a time of 19:06, placing 14th. There was a total of 28 boys racing in the second and third runner's race. Ross Umentum came up first for the second and third race, with a time of 16:52. Next up in the fourth and fifth racers were JP Repovsch with a time of 19:07, placing seventh. Then came Andy Lickel, who placed 14th, with a time of 20:03. Adam Zamzow came in first for this race with a time of 17:41. There were also 28 runners in the fourth and fifth race. Coming in seventh in the sixth and seventh race was Andy Bauer, with a time of 20:32. Adam Woebekking was not too far back with 10th, and a time of 20:53. Scott Cherney from Preble was the first place finisher in this race with a time of 17:45. 27 runners competed

in the sixth and seventh race.

Some top finishers in the first runner's race are Heidi Heberlien from Kiel, with a time of 15:29, Jessica Scott, also from Kiel, got a 15:59, Emily Post from Howards Grove finished with a time of 16:33, and our own Becky Herriges ran in this race with a time of 18:51, placing 12th out of 12 girls. In the second and third race, Lauren Schultz came in 22nd with a time of 19:42. Right behind was Mandi Will in 23rd place getting a 20:02. Jessica Scott took first in the second and third race with a time of 15:59. There was 24 total girls in the second and third race. Next up in the fourth and fifth race was Leslie Schultz placing 19th, with a time of 19:36. Then came Rachel Shea with a 20:22, placing 22nd. Melanie Jones from Kiel was the first place finisher in this race. 24 total girls raced in this race as well.

Indian Putters Take Little 10 Title

The Kewaskum High School girls golf team wrapped up the Little Ten title at Hartford Country Club on Monday night with a team total of 191.

The best round for the Indians was shot by senior Courtney Timblin with a 45 on the cold and windy evening. Helping the cause was a 47 shot by Niki Dreher, a 49 by Candi Heberer and a 50 by Crystal Dreher. Also seeing varsity action were seniors Maggie Herriges and Amanda Gessner.

The Indians stand at 10 points for the Little 10 season with their solid first place finish. Next best was Hartford with 15 points, followed by Watertown with 20. Fourth place goes to Oconomowoc with 30, West Bend West with 31, Beaver Dam with 42 and West Bend East with 48. The Lady Indians placed first in

five of the seven conference meets.

The Annual Washington County Scramble was held at the Washington County Golf Course on September 21, with teams participating from Kewaskum, West Bend East, West Bend West and Hartford.

The Kewaskum team placed first with a team score of 125 using a total team effort just as it did in winning the conference title this season. The combination of Crystal Dreher and Candi Heberer had a 40 for the nine-hole event, Courtney Timblin and Maggie Herriges had a 41 and Niki Dreher and Audrey Dickmann a 44.

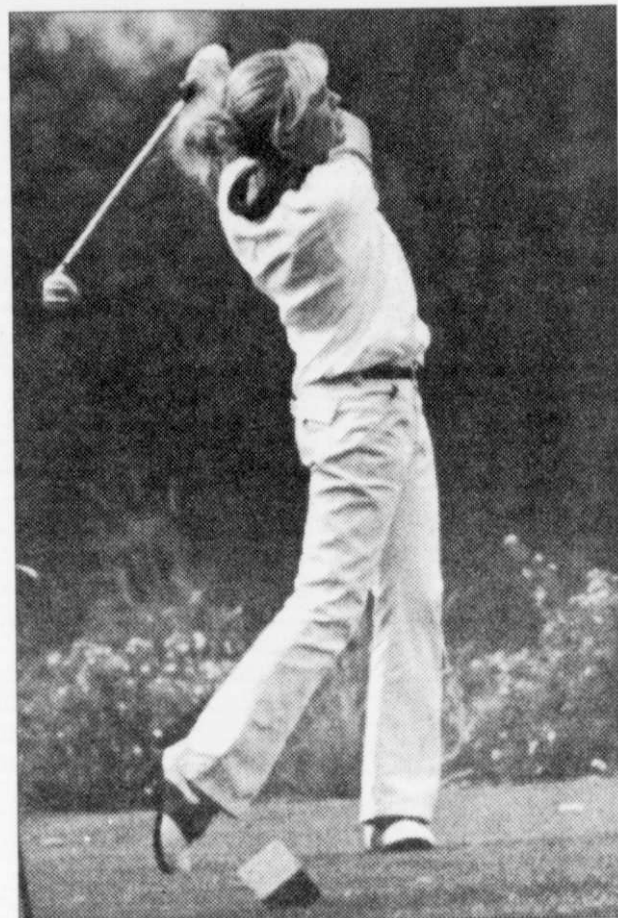

Second place went to Hartford with a 128 with the medalist round of 38 shot by Samantha Wolf and Laura Pier. Third place was West Bend West with a 130 and fourth place went to

West Bend East with a 137.

Saturday the team traveled to Paganica Golf Course for the 23 team Oconomowoc Invitational. The field looked like the best golfers the State of Wisconsin has to offer as Madison Edgewood took the tournament with a score of 338.

Medalist for the meet was Arrowhead's Niki Morse with a 75 with Racine Park's Molly Redfern in close pursuit with a 76. The Indians finished in tenth place with a team score of 389 with the best round shot by Crystal Dreher with a 96. Courtney Timblin and Candi Heberer had rounds of 97 and Niki Dreher had a 99.

The team goes into the Regional meet at Old Hickory on Thursday and is seeded in the top three teams in the field.

Soccer Team Loses to Kiel

The Kewaskum high school mens' varsity soccer team dropped a match with the Kiel team on Tuesday, September 18, 2-0.

The Kewaskum team did an excellent job of passing throughout the game. Their passing game has matured and they are doing an exceptional job moving the ball into scoring opportunities.

The defense developed synergy as the game progressed and shut out the strong Kiel team in the second half. The second half has been the Indians' nemesis for the entire season.

This building year has seen the team start to develop good communications and determination. They are in all the games with the teams this year and have sent a clear message that you have to play very good soccer to keep the Indians out of the opposition's goal.

Kurt Cochran, Bradey Long, Bryan Becht, and Aaron Olla played a great game at defense and were superb in their passing game. Justin Wessing, Josh Timblin, Chris Baker, Bryan Becht, and Lee Schacht initialized the play making from mid-field.

Justin Brockman, Noah Olla, Tyler Hickman, Adam Hickman, Lee Schacht, Adam Gitter, Jason Knoll and Keith Boegel played a threatening game at forward. Andrew Olla showed all-conference level goal keeping in the entire game.

Andy Olla had several professional saves in the goal. Andy is certainly one of the answers to the Indians turning their season around.

Aaron Olla moved back

to the defense and the Indians were able to shut out the Kiel team in the second half. Coach Mathia was very pleased with the Indians development and expects to see a changed team in the weeks and years to come.

Two Rivers' Soccer Team Beats Indians

The Kewaskum high school mens' varsity soccer team visited the Two Rivers team on Monday, September 24. The Indians played an exceptional game, keeping up with the Two Rivers team.

The Indians moved the ball fluidly down the field and the defense did a very good job, countering the strong forwards of Two Rivers.

Kurt Cochran, Bradey Long, Aaron Olla, and Bryan Becht did a superb job keeping the Two Rivers offense at bay. Tyler Hickman and Adam Hickman both got their first varsity goals for the season. Tyler and Adam will certainly play a role in the future team at Kewaskum.

Justin Wessing, Josh Timblin, Chris Baker, and Adam Hickman did a very good job at mid-field. Noah Olla and Tyler Hickman played their best game at forward for the first half.

The team is developing synergy and beginning to play good soccer, but are unable to compete in the second half. They are a young team with many new players so this is a building year.

Keith Boegel, Adam Gitter and Lee Schacht did an admirable job in playing the backup role.

KMS Seventh Grade Girls Track Team Captures Conference Relay Championship

The 2001 edition of the Kewaskum Middle School seventh grade girls track and field team recently claimed a share of the conference relay championships. Kewaskum tied host Badger Middle School with 52 points and earned co-champion honors.

Leading the way for the Lady Indians were the discus relay team of Bekki Heberer, Sam Kuphal and Lindsay Foley. Their com-

bined toss easily earned them first place honors.

The shot put relay team of Heberer and sisters, Caytlin and Brytne Sprinkman also claimed first place. On the track, the 800 meter relay team of Marissa Dehler, Tori Schilling, Brittany Larsen and Foley cruised to victory with a time of 2:16.7.

The distance medley relay team of Crystal Treptow, Sam Kuphal,

Caytlin Sprinkman and Sam Droese came from behind to defeat Badger. Their winning time was 8:50.6.

Trailing Badger by two points heading into the last event, the Indians needed a victory in the 1600 meter relay to earn a share of the championship. Tremendous effort by Treptow, Missy Conway, Tiffany Hedlund, and Sam Droese sealed the victory for Kewaskum.

Seventh Grade Girls Track Splits Pair of Dual Meets

The Kewaskum girls track and field team kicked off their season with a 74-26 victory over visiting Waupun last week. Kewaskum took first place honors in nine of the 13 events.

Individual event winners included Breann DeLaurier in the discus; Caytlin Sprinkman in the shot put and the 100 meter dash; Sam Droese in the high jump and the 800 meter run; Crystal Treptow in the 1600 meter run and Tiffany Hedlund in the 400 meter dash.

The 800 meter relay team of Miranda Franzen, Jade Thelen, Emily Sedgwick and Brytne Sprinkman was also victorious with a time of 2:30.8.

The 1600 meter relay cruised to an easy victory as well. The team of Sam Kuphal, Treptow, Caytlin Sprinkman and Droese had a winning time of 5:52.

On September 13, the girls lost a heartbreaker to Hartford, 53-52. Bright spots for the Indians included first place finishes by Caytlin Sprinkman in the 100 meter dash and shot put, Missy Conway in the long jump, Sam Droese in the 400 meter dash, and Ashley Turner in the 200 meter dash.

The 400 meter relay team of Amanda Walker, Caytlin Sprinkman, Miranda Franzen and Turner was also victorious with a time of 1:07.4.

Seventh Grade Girls Track Improves to 4-1

The Kewaskum Middle School seventh grade track and field team continued their winning ways with an impressive 75-39 victory over Silverbrook on Monday, September 24.

A sweep in the relay events and solid performances in the distance events paved the way for the Indian victory.

Caitlyn Sprinkman out-tossed all the other competitors to win the shot put with a throw of 22.2. Teammate Bekki Heberer was second with a throw of 21.1. Heberer also finished in second place in the discus. In the high jump, Breann DeLaurier and Melissa Hammen cleared 3.10 and 3.8 respectively, to claim first and second place.

Sam Droese made the transition from her usual 800 meter run to the 1600 meter run and finished in 6:55, claiming first place honors and defeating her nearest competitor by 35 seconds.

Tiffany Hedlund sprinted past the rest of the field to claim first place in the 400 meter dash, her finishing time was 1:15.9. Crystal Treptow won her first ever 800 meter run, finishing with a time of 3:06.

Victorious relay teams included the 4x100 meter relay team of Lauren Larson, Marissa Dehler, Ashley Turner, and Sprinkman. Their winning time was 65.1 seconds. The 4x200 relay team of Victoria Schilling, Amanda Walker,

Missy Miranda and Larson sprinted to a first place finish in 2:26.4. The 4x400 meter relay team of Treptow, Conway, Hedlund and Droese continued their undefeated season with a finishing time of 5:27.8.

The girls will compete for the conference championship on Thursday, October 4, 2001 in Hartford.

Seventh Grade Girls Defeat Pewaukee

The Kewaskum Middle school seventh grade girls track team continued their winning ways with a 62-42 victory over Pewaukee on Thursday, September 20.

Leading the way for the Indians was a strong performance by Sam Droese. Droese tied teammate Breann DeLaurier for first place in the high jump, then ran a season best time of 2:56.2 in the 800 meter run and anchored the winning 4x400 relay team.

Others claiming first place honors for the Indians were: Crystal Treptow in the 1600 meter run with a time of 7:04; Tiffany Hedlund raced once around the track in 1:14.2 in the 400 meter run, and Lindsay Foley hurled the discus 68.6.

The 4x400 meter relay team, in addition to Droese, were Treptow, April Benz and Tiffany Hedlund.

Several strong second place performances is what keyed the victory for Kewaskum. Tory Schilling's time of 16.2 earned her sec-

ond place in the 75 meter hurdles.

Caitlyn Sprinkman finished in second place in the 100 meter dash. Lindsay Foley finished her second place effort in the 400 meter dash in 1:22.1. Samantha Kuphal managed a 3:23.7 in the 800 meter just minutes after completing the 1600 meter run.

DeLaurier finished in second place in the discus with a toss of 59.1. Foley earned a second place in the shot put with a toss of 24, and Amanda Walker's leap of 11.7 was also good enough for second.

Indians Top Cougars, 17-6, to Retain Kettle Moraine Bowl Trophy

The Annual Kettle Moraine Bowl was played here Friday night featuring the rival Campbellsport Cougars and the Kewaskum Indians.

The game got off to a pretty shaky start for the hosts. After a first series punt by the Indians, the Cougars came out and went 71 yards for the first score of the game. The extra point was blocked and Kewaskum was down 6-0.

On the ensuing kickoff Tony Fitts returned the ball to the Cougars 45 yard line. Two running plays and a short pass brought Kewaskum to fourth and three.

The Indian coach switched Tom Ogi to quarterback and Travis Kempf to tight end. Ogi took the snap from center and went right 39 yards for the touchdown. The point after attempt by Hartmann was good and the Indians regained the lead 7-6 with 3:12 remaining in the first quarter.

On the Cougars' next possession the Indians caused a fumble, taking over on the Cougars' 40 yard line. The Indians drove down, scoring on a quarterback sneak on fourth and one by Tom Ogi. Hartmann's kick was good and the Indians were up 14-

6 with 9:14 to go in the half.

The Indian defense took over and slowed the Cougars offense for the remainder of the game. The only scoring left was a 24 yard field goal by Matt Hartmann with :14 to go in the first half. The score was 17-6 in favor of Kewaskum.

After a 30 minute delay due to a power outage, the Indians made some key adjustments on defense and forced a fumble, an interception, and stopped the Cougars on fourth down twice to retain their lead go on to victory.

Lucas Kehres, Corey Darmody, Kevin Schneider and Alex Charland all had excellent defensive games to hold the explosive Campbellsport offense to 238 yards and just six points.

This week the Indians will host Manitowoc Roncalli for Homecoming.

The game was moved to Saturday, September 29 at 1 p.m. to create a community oriented event. The annual Homecoming parade will be held at 11 a.m. and the varsity game will be followed by the three Gridiron contests.
