Kewaskum Receives a Touch of Class, Artcentral

By Judy Steffes

A touch of class has come to Kewaskum and it is located in a building that has been a mainstay on Main Street. Artcentral is a new art and framing shop owned by Village Administrator Dan Schmidt and his wife Phyllis. Artcentral, at 129 Main Street, features a wide variety of framed and unframed artwork, greeting cards, and Christmas collectibles. The shop, which opens this weekend, carries artwork as colorful as the Kettles and blends it with a small, hometown feel that is sure to bring more bucks and business to the northern edge of Washington

County.

"We have over 100 pieces of framed artwork," said Schmidt who stands in the midst of a completely remodeled Bier's Jewelry store. Aside from the serene sights of Holy Hill and shots of the shores of Port Washington there are over 300 unframed prints neatly stacked in brass and wrought iron racks. Wildlife prints, cardinals and cranes, panthers and puppies are just a few of the pieces brushed by artists like Sam Tim, George Kovach, and Terry Redlin.

Gaze around the white walls of the art gallery and you will also spot iron acces-

Cleanup Work Could Start Soon For Old Malthouse

VB Approves Conditional Use Permit for Malthouse Cleanup

By Andrew R. Kuehl
Staff Writer/Photographer

Village trustees met Monday evening and heard a public hearing regarding the granting of a conditional use permit for Kewaskum based Malthouse Enterprises LLC.

The permit was heard by the Kewaskum Planning Commission on September 11. At that meeting the commissioners unanimously gave the permit a favorable recommendation to the Village Board.

The permit gives Malthouse Enterprises permission to use a crusher to crush the remaining debris of the old malthouse, to store the crushed materials on the premises until the end of the road construction season of 2003 and also gives them permission to close a portion of the alley in front of the former building.

Village Administrator Dan Schmidt stated a portion of the alley will be closed approximately two to three weeks. According to Schmidt, the alley would not be fully closed and drivers would drive around the crusher and the work area.

Gary Gavin, who is part-

ner in Malthouse Enterprises was present and stated they mostly wanted to close the alley as a safety factor for the workers so they would not have to worry about people watching the procedure.

He further stated the piles of crushed material will be approximately 30 ft in height.

Jim Jaeger who owns a house next to Brothers restaurant was present and was concerned about the dust and pollution.

Gavin stated that testing will be done to test for airborne contaminants. Workers will wear a device on their chest while working and it will be monitored daily.

It was also mentioned that after tests were done by the Environmental Protection Agency (EPA) it was found the only contaminants that registered were asbestos in the roofing material after material was soaked in a special chemical directly used to find contaminants that can't be found on the surface. After soaking in the chemical, the material was placed under a microscope and then asbestos were found.

Gavin also told the trustees that in order for work to commence by Malthouse Enterprises the owner of the property, Martin Kluge has to give ownership back to the mortgage holder which is Malthouse Enterprises. Gavin said it would take about three weeks to complete the project if Kluge turns the property over.

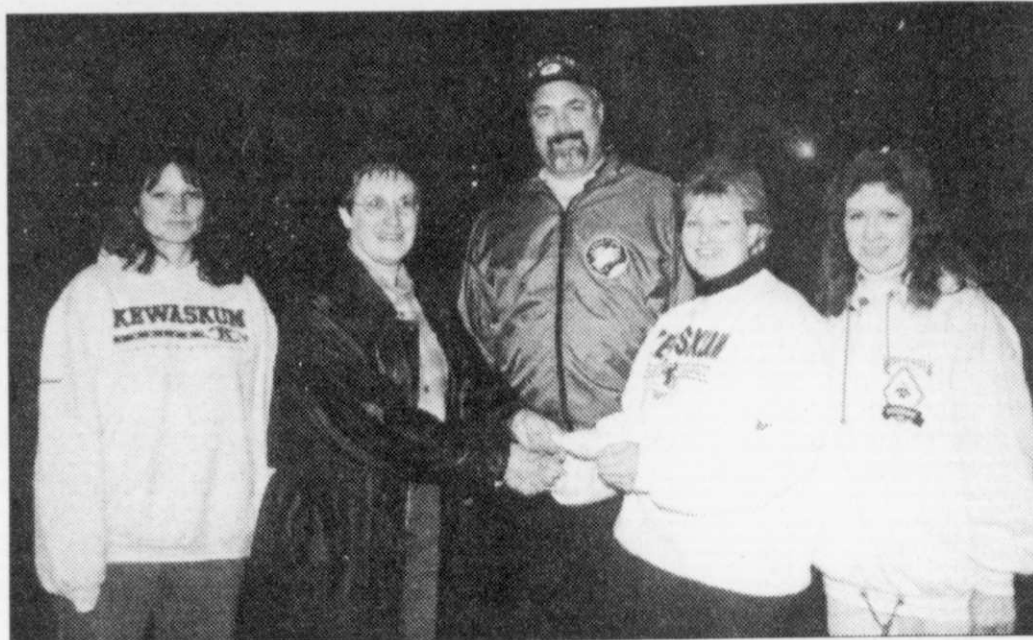

"It would be easiest for us to walk away from this, but, because we live here, and are planning to stay here, we are doing a favor for the community. We are in no

way obligated to do this," said Gavin.

He concluded that everything is contingent upon the (EPA) accepting their plan.

The board then took action and approved the conditional use permit.

AAL Donates to Field Improvement Fund

Aid Association for Lutherans (AAL) branch 26 president Diane Lemke is shown above presenting a check for \$1798 to Arlene Paulus for the Kewaskum field improvement project. AAL conducted a clothing recycling drive memorial day weekend and through the generous donations of clothing and material, were able to collect 9,988 pounds. The residents from Kewaskum and the surrounding communities were able to clean out those closets and drawers and in doing so helped raise funds for a community project. Also shown above left to right are Ann Wicklund, KHS principal Donn Woolweber and board of education member Lisa Maul. Interested individuals can send donations to Field Improvement Project, P.O. Enrollment Increases at Moraine Park

Moraine Park Technical College President John Shanahan recently announced a five and a half percent increase in enrollment for the College's 2001-2002 school year.

Shanahan attributes the increase to a variety of factors including new program offerings, increased retention efforts, and ease of registration, in particular the addition of online registration. Moraine Park is the first technical college in the state to offer online registration.

"Our staff work very hard to make Moraine Park as accessible as possible to everyone in our district, and those efforts are paying off in enrollment increases," said Shanahan. "I also believe our online program offerings are playing a big role in the increase."

Six new online programs as well as general education courses were offered for the first time this fall; and already more than 700 students have enrolled. The programs include Basic Clinical Coding Specialist Certificate, Legal Office Skills Certificate, Computer Information Systems (CIS) - Micro Programmer Specialist, Web Developer, Emergency Dispatch and Water Wastewater. General education courses are available online.

For a complete listing of programs and courses available through Moraine Park, visit them on the web at www.morainepark.com.

Ideal weather helped make the Kewaskum Kiwanis Turkey Shoot at the Bar-N- Ranch Sunday an outstanding success. The attendance was estimated to be the largest since the club had to stop using live birds as targets. The club expects to gross over \$13,000, but the exact amount cannot be determined at this time as advance tickets sales have not all been turned in. Five hundred frozen turkeys were awarded sportsmen in different categories at the shoot.

Only 203 voters turned out in Tuesday's Primary Election in the village to cast their ballots. The only opposition on the ballot was in the race for Clerk of Circuit Court of Washington County on the

Republican ticket where there was four candidates seeking the nomination. Jon Sanfilippo won the nomination in the county with 1,802 votes. He will face Democratic candidate.

American Economics 101

For several months, economic indicators have signaled a slowdown. The federal government has taken action to shore up the softening economy. Specifically, the Federal Reserve has cut interest rates on several occasions and the Bush Administration has returned the surplus to the people through a tax rebate.

Here in the state Capitol, my colleagues and I worked closely with Governor McCallum and the Assembly to hold the line on taxes by limiting spending and defining clear priorities. Tax increases are hurt our economy by forcing business to locate operations and jobs elsewhere. High taxes hurt families by limiting their economic choices.

The impacts of the terrorist attacks on September 11th on are national psyche are obvious and profound. The impacts on our economy are, perhaps, more subtle.

While our economy will surely suffer as a result of the horrific acts, the pillars of the economy: freedom, entrepreneurship, hard work, and good ideas remain strong. The true wealth of America is located in the hearts and minds of the American people.

As President Bush said, "Terrorists attacked a symbol of America prosperity. They did not touch its source."

In order to put our economy back on course, we must rebuild our confidence in each other, our communities, our state, our nation and, perhaps most importantly, ourselves.

If we are too frightened to return to our usual activities, the economic impacts will become more serious, harming the local economy and local businesses. If area businesses suffer, jobs may be lost leaving our friends and neighbors without work.

I will continue to voice the concerns of working Wisconsinites and Wisconsin businesses here at the state Capitol. You can help by patronizing businesses in your community. So go to your favorite restaurants and retailers, catch a movie,

Walk to Remember

A bereavement support group for parents and families who have experienced pregnancy or infant loss will again participate in the "Annual Walk to Remember and Kite Fly" at the Milwaukee Lakefront Sunday, October 7.

The group, sponsored by St. Joseph's Community Hospital of West Bend, invites individuals and families who have experienced pregnancy or infant loss to join in this special event.

The group will meet at the Ridge Road entrance of the hospital at 11:30 a.m. and will carpool to Milwaukee. The Walk to Remember begins at 1:30 p.m. at the Lake Park Pavilion on the corner of Newberry Boulevard and Lake Drive.

Participants will walk one mile carrying quilts assembled in memory of their children. A meditation and music are also planned. The St. Joseph's group will return to the hospital for a potluck dinner following the walk.

To join the walk, or for more information, call St. Joseph's New Life Center at 262-334-8361.

Artcentral Holds Grand Opening This Weekend

Continued from page 1

sories and accents, a large selection of Renaissance greeting cards, and a colorful line of Christmas ornaments. Cropped corners of frame and matting selections cover the back wall and all entities of the shop are roped around a table full of Cranberry barn candles whose aromas range from banana nut bread to other smells stolen from grandma's kitchen.

One of the biggest surprises for neighbors in Kewaskum will definitely be the interior layout of the new Artcentral. For people familiar with the old Bier jewelry store, the entrance ramp is the same but the ambiance is stellar. The building, which dates back to the mid 1800's has been transformed. "We completely gutted the place," said Schmidt who did a majority of the work with his father, son, and extended family. "We got rid of an old cistern in the back and we've knocked out all the walls and basically started from scratch."

Schmidt uses words like "all encompassing" and "demolition" to describe the extent of their remodeling process. Aside from meeting with neighbors to discuss easements that dated back to the days when horse and buggy were the main mode of transportation, the Schmidt's went so far as to replace the footings and facade on the building. "It was like a big pound of butter when we cut the front off," said Schmidt who used chainsaws to slice two feet away from the extended front. "We carved out a pair of picture windows and also took out the base wall that was built with a layer of

Lannon stone."

Four large windows now allow northern exposure, which greatly enhances the artwork. "We went through six or seven various designs before selecting the more modern look," said Schmidt who was leaning towards leaving the building with more of an antique atmosphere. "This works out better, especially with the halogen track lighting and the higher ceiling at the front of the store." The added light does bring out the color and crisp detail in the prints. That can be seen in a piece featuring an eagle flying over Holy Hill. The print is so realistic it makes you feel like you are looking out a window rather than at a wall.

Another homey feature is a gas fireplace that is tucked neatly against the west wall. Stairs towards the back of the store lead to a loft which has a fantastic view of the village and more measuring and cutting tools that would make Edward Scissorhands green with envy. On the worktable is a print by George Kovach entitled American Spirit. "This will be raffled off at the upcoming Kettle Kountry Kolors. The money will go to support the fall event and a portion will also go towards next year's Fourth of July fireworks," said Schmidt about the piece completed by the local artists. "Kovach's first fireworks piece sold out and this one is expected to as well," he said about the piece which features fireworks exploding in the sky over a lake and the distant lights of a county fair. "The thing I like about the piece

is it has a 1957 Chevrolet in it," said Schmidt who has taken the tiel blue color of the car and worked it into the base layer of the double matting.

The Schmidt's are expected to be busy during this grand opening weekend. He said although they will be conducting a lot of tours they will also remain hard-pressed to cater to customers. "If we don't have a piece of art someone is looking for or the color of matting or frame desired, we will find it for you," said Schmidt. "We're a good sized gallery for Kewaskum. We're reasonably priced and feel we'll be a perfect addition to downtown Main Street."

The grand opening this weekend for Artcentral will

be from Friday, October 5th from 10 a.m. to 8 p.m. Saturday, October 6th from 10 a.m. until 4 p.m. and Sunday from 10 a.m. until 3 p.m. The store will be open regular hours, Tuesdays through Saturdays with evening and weekend appointments available upon request.

United Way Update

"The 2001 United Way fund drive continues to gain momentum in the ten communities served here in Washington County," says Tim Purman, Chairperson of the campaign. As of September 21, the campaign is at the 16% mark, with \$189,000 in gifts and pledges counted towards the county-wide goal of \$1,165,065.

Campaign volunteers, under the leadership of Purman, are actively contacting last year's donors and others in the County to support the United Way effort this year.

"One reason for our success each year is our crew of volunteer Loaned Executives -- 12 this year," said Purman. "These men and women are 'on loan' from area businesses to United Way one to two days per week from mid-August through November, and do numerous employee presentations, helping spread the message of Help and Hope for United Way around the County," he said. "The combined efforts of the Loaned Executives help in a key area for our fund raising effort: soliciting employee pledges through payroll deductions and other gifts. We are extremely grateful to the business community for providing these vital employees."

Executive Director, Barbara Hurula added, "The Loaned Executives, who are volunteers, go through three day training to learn about United Way and visit many of the agencies our organization represents. We help them improve and enhance their presentation and public speaking skills, and increase their knowledge of what is happening in the Washington County non-profit community. The experience is a win-win for the business community as well," she said.

The Loaned Executive Program has been in place for 15 years, and its success is measured by the number of businesses who see a value of having one or two individuals participate every year. "The advancement of many of these volunteers within their own organizations is due, in part, to their leadership and involvement with United Way," stated Hurula.

Loaned Executives for 2001 are: Marzena Schmit, Ziegler Company; Evie Fritche, Amity/Rolfs; Cara Ann Callies, Bank One; Mike Hansen and Sue Scharpf, Broan-NuTone; Mike Petri, Gehl Co.; June Klees, St. Joseph's Community Hospital; John Bieri, Serigraph, Inc.; Kandi Klapperich, West Bend Company; Tom Krause and Ken Zemanek, West Bend Mutual Insurance Co.; and Mike Vogel, M & I Bank.

Campbellsport Students Get Front Row Seat To See Effects of Drinking and Driving

This was the scene Friday outside Campbellsport High School as the East Central MADD chapter of Wisconsin held a mock crash on Highway 67. The vehicles above were obtained to recreate a life-like crash situation. The deadly scenario involved four students who allegedly consumed alcohol. The crash was a head-on that involved the teen's automobile crashing into another car carrying two adults. The mock crash had been planned for several months by the local chapter of MADD's president, Geraldine "Toots" Bartoli. Members of the Campbellsport Fire, Ambulance and Police Departments, Fond du Lac County Sheriff's Department, Lifestar Ambulance Service, Wisconsin State Patrol, Twohig Funeral Home, and Flight for Life air rescue all participated and helped plan the event. Some of the photos shown here were donated by Portraits Today in West Bend. Following the crash students attended an assembly in the gymnasium where victims of drunk driving accidents shared their experiences.

Campbellsport Police Chief Randy Karoses, left, assists Twohig funeral director Bob Twohig put deceased victim, Dena Turdo, into a body bag for transportation to the funeral home.

John Fenrick, playing the role of the drunk driver in the crash being arrested by Campbellsport Police Officer Jay Zautner.

Campbellsport Firefighters extricate Deb Turdo from her vehicle. Turdo was ejected halfway through the windshield of her vehicle after the impact of the crash.

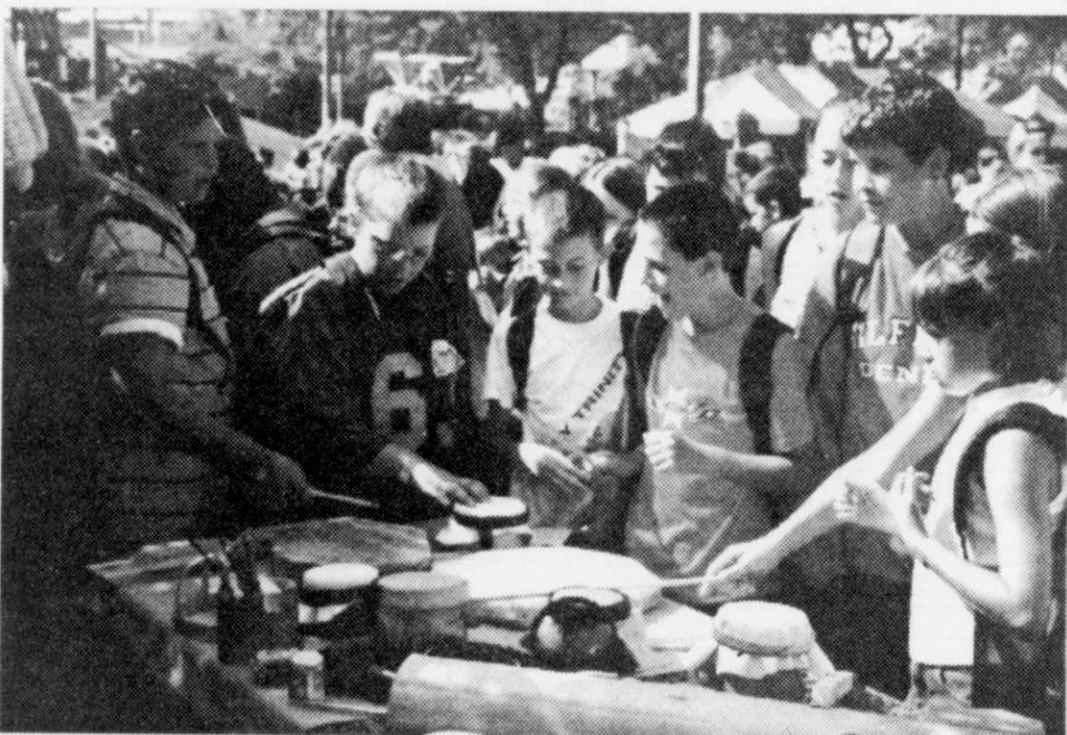

Flight for Life air rescue prepares to land behind the high school.

Indian Summer Visited by Holy Trinity Students

The "Kohlsville Karver," Roger Kudek, donated an Indian carved from a tree with a chainsaw to the Wayne Elementary School. Roger will give a demonstration this year to Mrs. Henke's art class. In the picture Roger is standing with two of his grandchildren that go to school there, Mitchell and Jerod Heberer and Mr. Kriewaldt the principal. The Indian is displayed in the main entrance near the art room. Thanks Roger for the unique donation.

Left to right: Tom Thull, Aaron Goebel, Chris Larson, Justin Wendt, Emily Aycock, Tim Thull and Stephanie Rinzel look at the types of Indian drums.

On September 7th, the fourth, fifth, and sixth grade classes from Holy Trinity School attended education day at Indian Summer. They played La Crosse, learned an Indian dance, and attended a Pow Wow.

When they visited the display of the Indian villages, they learned about several types of houses including wigwams, tepees, and long houses. There were displays showing basket weaving, the making of drums, tools, and utensils made and used in the everyday life of the Indian.

They also got a chance to learn about the early trappers and traders. They were baking bread in a unique oven, had displays of how they lived and trapped, and showed the students the furs they traded. One trapper showed them how to load a gun with powder and a hard round ball of lead. The students had an awesome time. It was a great educational adventure.

Letters to the Editor

Letter to the Editor:

In view of the recent catastrophe on September 11th, I felt compelled to write.

A Bolt from the Blue

'Twas a day like any other
Secure and most serene
When like a bolt of lightning
Became a horrible scene!

Disaster from the airway
With blast so swift and loud
Wrought death and devastation
On an unsuspecting crowd.

What evil mind could do
this?
What solace can they find?
For freedom loving people,
A threat to all mankind!

We look to God Almighty
For comfort in this strife
He alone can heal the
wounds.
To get on with our life!

For the countless men and
women
Who have the gruesome
task
To sift through all the rubble
Do bless them, Lord, we ask.

It won't be life as usual.
After such a mean display
We look to God for guidance
As we go from day to day.

What lies ahead, we wonder,
But with the Powers that be,
Our beloved country will
once again,
Be safe for you and me!

Letter to the Editor:

I would like to thank the Kewaskum community for their support of our book sale at Holy Trinity School on September 21st and 22nd. Over 1,500 books were donated from school parents and parishioners, people of the community and Fireside Books of West Bend (formerly Little Professor). We enjoyed showing off Holy Trinity School to the area residents who stopped in and shopped.

Thanks to all of you, our sale was a big success! This sale will provide many new books for our classrooms, library and our Reading is Fundamental Program. Thank you to the many parents who donated time working with the sale and to the Kewaskum Statesman who helped with the advertising.

Also, in our Social Fest thank you's we neglected to mention Ross Krautkramer and American Express, who donated many of our door prizes. We appreciate all the donations we receive throughout the year from the small businesses in our community. How fortunate we are to have their support!

Thank you,
Chris Fleischman

Dear Editor,

The events on September 11 have changed all of us forever. One change for the good seems to be a heightened awareness of our need to help our fellow man. It has been reported that the Milwaukee area has given more dollars to the cause of rebuilding lives than any other city in the U.S.

We are great at stepping up to offer assistance when the need arises. This crisis, hopefully, will also serve to make us more aware that we all have friends, neighbors, and relatives living right here in Washington County that have the same kind of needs every day. One in four residents of our county needs our help and we can do so by supporting United Way of Washington County.

Dollars donated to the local United Way might help a Boy or Girl Scout, a child who needs a place to go after school or one from a single-parent family who needs an adult friend. They might help a disabled person through training and a job, building a sense of pride in the individual or simply providing companionship.

Your donated dollars might help a senior in need of a ride to a Milwaukee hospital or an activity to break the long hours of loneliness. Food may be provided when money is just not there to buy it.

Programs will be available for those affected by substance abuse or a safe haven for those escaping domestic violence. In these and many other ways your donation to United Way works to "Give Help, Give Hope," by providing funds for 24 non-profit agencies in Washington County.

Please join the following businesses who are leading the way to make sure Kewaskum does its part to help our neighbors:

Kewaskum School District, Bartelt Insurance, Kiefer Law Office, Connor Dental Office, Engelhardt Dairy, Kewaskum-Allenton Veterinary Clinic, and Roger and Dan's Auto.

United Way does not conduct a door-to-door campaign and most people are asked to give only at their place of employment. Retirees and some others are contacted individually.

If you would like to contribute and have not been solicited, please contact Carole Connor at 626-2119. Let's show the same compassion for our neighbors in need as those affected by the Sept. 11 attack.

Sincerely,
C.M. Connor

Dear Editor:

Did you know that over 1/3 of the children who would have graduated from high school this past June were aborted? We look forward to the opportunity to stand in unity against the terrible slaughter which is threatening the roots of our society. Our fight is not over! We must continue to stand firm in our belief that abortion must end.

Please join with your fellow participants in a Life Chain to hold our signs declaring Abortion Kills Children, Jesus Forgives and Heals, and Pray to End Abortion.

On Sunday, October 7, from 2:30 to 3:30 p.m. we will again be standing along West Washington Street in West Bend, with some groups standing along 18th Avenue to make the cross piece of our cross. If you would like to participate call 626-4853 for further details.

Cubmaster Mike Petri

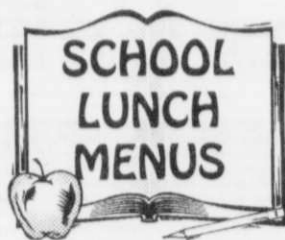

Cub Scout Pack 3744 of Kewaskum had its first meeting of the 2001/2002 season on Monday night at the Kewaskum Middle School. New leaders and officers were introduced and the new scouts were welcomed as well as the returning scouts.

We sang several songs and handed out awards for yearly membership, perfect membership and summer-time awards.

Our district representative Steve Cox was in attendance and told a story to the group. The story involved audience participation, and held the attention of all in attendance. Prizes were awarded to the best acting out parts of the story.

We planned our next meeting on Monday, October 29th at 7 p.m. at the Kewaskum Middle School. We will have a Halloween costume contest and a carved pumpkin judging. Anyone interested in attending or joining our pack is welcome to call Mike Petri at 626-4657. Our pack is chartered by the Kewaskum Lions Club.

Dolnick and Bette Koch, this session promises to be an intriguing - and lively - look at the country's most popular fiction writing today.

The participating authors represent a full range of the kinds of romances popular with today's readers. Anton, for example, who lives in New Berlin, writes primarily historical romance. Schmidt, who resides in Cedarburg, writes mostly inspirational stories. Roycraft (Milwaukee) and Raffin (upper Michigan) explore the genre along science fiction and paranormal avenues. Masek, who lives just north of Chicago, and Hunter, from Madison, write young adult romance and romantic suspense, respectively.

Their insights into all aspects of the genre - and their individual stories of the efforts to get their books published - will provide the focus for the discussion. But audience participation with questions will be encouraged.

If you're one of Fireside's many readers of romance fiction, or if you're interested in becoming a writer of romance yourself, you won't want to miss this panel.

The program, which includes coffee, cookies and door prizes, is free to the public, but advance registration - to ensure seating - is required. Call Fireside Books at 334-1444 now to register.

25 Years Ago

September 10, 1976

The death of a small child Friday afternoon in Waucousta pushed the 1976 traffic fatality toll in Fond du Lac County to 18 compared to 11 on the same date in 1975. Fond du Lac County police said that Aaron Scott Buslaff, 23-months-old, the son of Mr. and Mrs. David Buslaff, Route 2, Campbellsport, was dead on arrival at St. Agnes Hospital, Fond du Lac, after he was struck by an auto on Highway 45.

During the first week of school in the Kewaskum District, total enrollment showed a slight decrease from last year but the opening of the new St. Lucas Parochial School in the village no doubt made the difference in the decrease. As of the opening day August 30, there were 2,123 students enrolled in the high school, middle school and four elementary schools in the district. That figure was down by 39 from last year, but it must be taken into consideration that approximately 56 students transferred to the new St. Lucas Lutheran School this fall. The breakdown shows that there are 765 students in the high school, 321 in the two-year middle school, 474 in the Kewaskum Elementary School, 273 at Farmington, 103 at Beechwood, and 183 at Wayne.

With two long runs, two long drives and a stout defense again, which shut out North Fondy the week before, the Kewaskum Indians trounced rival

Campbellsport on the Cougar's field Friday night, 26-6. The long runs were a 32 yard scamper by quarterback Paul Brenholt and an 89 yard kickoff return by Randy White to start the second half.

Country Aire team from Kewaskum (formerly Scott's Texaco) traveled to Roanoke Rapids, North Carolina, over the Labor Day weekend to compete in the World Slow-pitch Softball Tournament. There were 79 teams entered in the tournament and Country Aire placed 14th. Team members who made the trip were Ray Schmidt, Gary O'Reilly, John Meilahn, Gary Backhaus, Terry Ziegelbauer, Gary Gosewehr, Dan Bolz, Bill Fowler, Hank Otten, Mike Doherty, John Fischer, John Backhaus, Steve Spoerl, Gary Kuehl, Teddy Miller and Dennis Scott.

Village Board Meeting Minutes

Plan Commission
August 28, 2001
7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

The meeting was opened with a Moment of Silence and pledge of Allegiance.

Chairman John Kenworthy called the meeting to order. Members present were Andy Pesch, Richard Schmidt, Andrew Kuehl, Theodore Meilahn and LeeAnn Butschlick. Frank Beesten asked to be excused and was absent. A quorum was present. Mr. Rick Kania from SEWRPC was in attendance to discuss the proposed Zoning Ordinance.

On a motion by Andy Pesch, seconded by Andrew Kuehl and unanimously carried by voice vote the Plan Commission approved the minutes as printed for June 26, 2001.

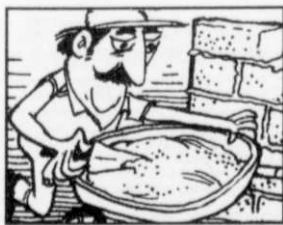

Administrator Daniel Schmidt informed the Commission that the EPA has indicated a conclusion to the Malt House situation may be forthcoming. The Plan Commission may be asked to review a request for a Conditional Use Permit. The Administrator asked if the commission would be amendable to holding a special meeting even though it has never been a practice. The consensus of the Commission was yes and that the start time could be 6:00 p.m. Everyone is interested in resolving this problem.

On a motion by Andrew Kuehl, seconded by Theodore Meilahn and carried by the majority to adjourn to work session. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent". Chairman John Kenworthy informed the Commission that this was a working session and that it was for the Commission to derive at a consensus to bring a product back for public discussion and input as well as an eventual public hearing. The Commission went into the general zoning work session. Mr. Rick Kania was present from SEWRPC to review a variety of points from previously discussed sections of the proposed Zoning Ordinance; the finishing review of Section 6.00 Signs was completed with only a few minor modifications. Mr. Kania noted that the next Section to be reviewed would be Section 3.0 Zoning Districts and that this section will be broken down into 3 areas, the first area to be discussed was the Conservancy and flood way districts. This was completed but Mr. Kania reminded the Commission they will still have ample opportunity to ask questions and make changes. Mr. Kania will be back at the September 25, 2001 meeting to discuss the general zoning districts.

On a motion by Richard Schmidt, seconded by LeeAnn Butschlick and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent".

Village Board Meeting Minutes

Special Plan Commission
September 11, 2001
6:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

The meeting was opened with a Moment of Silence and pledge of Allegiance.

Chairman John Kenworthy called the meeting to order. Members present were Andy Pesch, Richard Schmidt, Andrew Kuehl, Theodore Meilahn and Frank Beesten arrived at 6:12 p.m. LeeAnn Butschlick asked to be excused and was absent. A quorum was present. Trustee Robert Stoltzmann was also in attendance.

Administrator Daniel Schmidt informed the Commission that the Village has received a letter of request for a Conditional Use Permit to allow for the use of a crusher to crush the debris remaining and then to stock pile said crushed material to be used as road gravel. Also, temporary closing of the alley to the west of the property is being requested. It

was noted the EPA has indicated a conclusion to the Malt House situation may be forthcoming and has agreed to the conditions of the clean up being proposed including the non washing of materials. Discussion regarding the start and finish time of the clean up operation was noted to fall within the Construction time designations. On a motion by Richard Schmidt, seconded by Andrew Kuehl and unanimously carried by voice vote the Commission sent the request for a Conditional Use Permit to the Village Board with a favorable recommendation. They indicated minimizing the closure of the alley and to include the construction time designation and the limit of the construction season of 2003 for the stock piling of materials.

The Administrator noted the public hearing would be held on October 1, 2001 at the Village Board Meeting at 8:00 p.m.

On a motion by Andrew Kuehl, seconded by Theodore Meilahn and carried by the majority to adjourn to work session. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent".

Heberer Leads Indians To Sectional Berth

Candi Heberer teeing off. She carded a 92 in regionals and helped lead the team to the first round of sectionals.

The team concept is alive and well for the Kewaskum High School girls golf team as each of the "reliable four" have shared in leading the team to victories throughout the season.

The regional competition was senior Candi Heberer's turn as she paced the team with her round of 92. The steadiness of fellow seniors Courtney Timblin with a round of 93, Niki Dreher's 94 and sophomore Crystal Dreher's 105, rounded out the scores. Although her score did not count, the girls also got a great round of 108 from senior Audrey Dickmann.

With their team score of 384, the girls placed third behind Sheboygan's 378 and Fond du Lac's 381. The last qualifying team was Hartford with a 397. The remainder of the teams in the regional are done for the season with the exception of the top three individuals, not part of the winning teams. Those individual qualifiers are Katie Schmidt of West Bend East, and Niki Evans and Allie Simon, both of Oshkosh West.

Since only six strokes separated Kewaskum from Sheboygan North/South combination team, the Sectional competition held on Tuesday was expected to be a real shootout in search of a state berth.

The Indians have to place first or second in the tour-

Kewaskum Girls Golf Team Places Third at Sectionals

The Kewaskum High School girls golf team finished their season short of a state bid as it placed third at the sectional meet held at Rolling Meadows in Fond du Lac.

The first place team of Fond du Lac shot a 349, with second place going to Sheboygan North/South with a 360. Kewaskum ended their season with a 372. Only the top two teams go on to the state tournament next week in Madison.

The meet consisted of the top four teams from last week's competition from the Beaver Dam and Neenah/Menasha regionals. The top finishing team at Kewaskum's opposing regional was Two Rivers, but in Fond du Lac, they could only manage eighth place.

Other teams competing

in order of finish were Hartford, Kaukauna/Freedom, Ashwaubenon, and Wrightstown.

Rounds of 90 for the 18 holes were shot by Niki Dreher, Courtney Timblin and Candi Heberer with senior Audrey Dickmann contributing a 102 for the Indian total of 372.

The sectional also sends three individuals to the state tournament and the team had hopes of sending one of those fine scores on. It could have been very interesting seeing three Kewaskum players in a playoff, but Leash Fiestadt of Kaukauna/Freedom came in with an 89. Other individual qualifiers were Samantha Wolf of Hartford with an 83 and Annie Thorpe of Ashwaubenon with an 84.

from Chilton. After losing the first set 5-7, the lady Indians came back and won the next two sets 6-2, 6-1.

The next team Kewaskum faced was Sheboygan Falls. After playing two and a half hours, the Indians put Falls away by the score of 5-7, 6-4, 7-5. "That match was unbelievable," replied coach Hein. "High School matches normally don't go that long."

After knocking off Sheboygan Falls, the Indians advanced to the championship match where they faced a very strong Two Rivers team. "Two Rivers is probably the best team overall in the conference. They are ranked seventh in the state and play very solid tennis," said coach Hein. "But the way we were playing, I knew Two Rivers had to play outstanding to beat us."

After playing another three set match, the Lady Indians fell short to claim second place in the conference by the score of 6-1, 3-6, 6-0.

"I don't think Sara and Margaret have any idea how proud coach Ross and I are of them," said coach Hein. "The way they played today and all year, they deserve this."

The lady Indians will wrap up their season October 1st at sub-sectional in Beaver Dam.

namment to travel as a team to Madison next week. The top three individuals also will go to state.

Indians Fall Short to Kohler

The Kewaskum girls tennis team traveled to Kohler Friday and Saturday, September 21 and 22 to participate in the conference tournament. The Lady Indians played some of the best tennis of the year, but ended up falling short in all positions except for #3 doubles.

"I had a sneaky feeling that our #3 had a real chance of running the table if they got an early win," said coach Kevin Hein. "They played so well this year that I knew they had a chance." The #3 team of Sara Jurer and Margaret Reindl started the day off against the #2 seeded team

Lady Indians Take Plymouth

The Kewaskum girls volleyball team hosted Plymouth on Thursday, September 27 in a conference match. The Indians beat Plymouth 15-7, 16-14 and 4-15. This puts the Indians at 4-4 in the conference.

Jenni Logan led the team in points and kills with nine and seven respectively. She also had one ace.

Jill Wittman led the team in assists with six and also had six digs.

Jenna Roecker served four aces for the team.

"Great team effort to put together a win. After falling behind 9-2 in game two, we made a strong stand to pull out the victory," stated coach Dave Rizzardi. "The girls showed great desire to come home with a homecoming week victory."

KHS Soccer Team Ties Waupun, 1-1

The Kewaskum varsity soccer team hosted the Waupun team on Thursday, September 27. The Kewaskum team played an exceptional game, keeping up with the great passing of the Waupun team.

The Indians moved the ball time and again down the field, but were unable to finish. The defense did a very good job countering the strong forwards of Waupun.

Lee Schacht played an exceptional game, marking the key go-to forward from Waupun. Kurt Cochran, Bradey Long, and Nick Luther did a superb job keeping the offense at bay.

Bryan Becht, Justin Wessing, Justin Brockman, Chris Baker and Adam Hickman did a great job at mid-field. Aaron Olla scored the Indians lone goal on a well-placed penalty kick into Waupun's lower left goal, faking the keeper to the right.

Aaron Olla, Noah Olla, Tyler Hickman, Jason Ramirez, Keith Boegel and Adam Gitter played a good game at forward.

The team has matured this game with the captains taking charge and bringing home a well-deserved tie. The Indians are a young team with many new players, so this has become a building year.

Ryan Hankerson was fantastic in goal-saving several hard and well-placed shots. Congratulations to the team for a tie against a very strong passing team.

JV Soccer Team Records First Win for KHS

The Kewaskum boys junior varsity soccer team hosted the Living Word JV soccer team on Wednesday, September 26, winning the first ever junior varsity soccer game for Kewaskum, 3-1.

The Indians did an excellent job out-hustling the Living Word team to the ball in a fast-paced, exciting game. Twenty times the Indians took the ball to the Living Word goal, striking solid shots at their goal.

Living Word mounted some attacks only to be sent back by good defense and counterplay. Kewaskum maintained the momentum of the entire game. The defense did a very good job countering the strong forwards of Living Word.

Shane Harlacher played a great game at sweeper stopping many attacks on the goal, sending the ball to the deep corners, Josh Lawrence and Dean Pan-

kratzen played excellent at defense.

Nick Durian, Dave Fraser, Jason Knoll, and Nick Zolecki played a great transition game at midfield. Jake Clayton, Brad Franzen, David Figge, Noah Olla, and Aaron Olla did a great job both in defense and offense.

Nick Luther, in his first ever start at goalkeeper did an excellent job stopping the Living Word team cold. Nick Luther played a prominent role in stopping some strong play by Living Word.

Tyler Hickman, starting at center forward, started the shooting spree for the game. Brad Franzen dominated the right forward position with strong drives to the right corner.

Adam Hickman played a backup role and did it well. Dave Figge struck paydirt with his first ever goal in high school, with a well-placed ball past the diving keeper. David also picked up an assist.

Aaron Olla struck home with a grass cutter to the right corner under the

dazed keeper. Jason Knoll was credited with the assist. Knoll tallied his first ever high school goal, striking a shot past the Living Word keeper. Dave Fraser made the assist.

Justin Brockman misdirected a ball into the left corner of the net, assisted by Brad Franzen. Noah Olla smashed a low squibbler into the left corner after some dancing around the defense.

Nick Zolecki got his first ever high school goal with a well placed power penalty kick to the top of the right net. The team showed exceptional hustle and movement to the ball, deserving the win.

The Kewaskum Indians were victorious over the Manitowoc Roncalli Jets in the annual Homecoming game Saturday afternoon.

The hosts wasted no time getting on the scoreboard when Tom Ogi hit Tony Fitts for a 40-yard touchdown on the game's opening drive. The extra point by Matt Hartmann was good and the Indians were up early, 7-0.

The Indians forced Roncalli to throw an interception on their first drive and Kewaskum converted the turnover into points when Justin Rhoads scored from five yards out. The extra point by Hartmann was good again and with 2:17 remaining in the first quarter, the Indians were out in front, 14-0.

The Indians would score two more times before the half. One score came on a three-yard pass from Tom Ogi to Travis Kempf, and the other was tallied on a run over the goal line by Tony Fitts from three yards out. Both extra points were good and the Indians went

into halftime with a commanding 28-0 lead.

In the third quarter, the Indians stopped the Jets on their first drive and then the Indian first team offense punched it in one more time from two yards out, when Chris Canter scored. Hartmann's extra point kick sailed through the uprights and Kewaskum's lead increased to 35-0.

Roncalli was able to get on the board with two touchdowns. One occurred in the third quarter and another in the fourth quarter. The extra point on the first touchdown was blocked by Chris Canter and on the second touchdown the attempt for the two-point conversion was unsuccessful.

The Indians had one more score in the game, and that came on a 42-yard field goal by Matt Hartmann.

The Indians climb to 4-2 overall (3-1 in the Eastern Wisconsin Conference) and travel to Two Rivers Friday to take on the Raiders at 7 p.m.

Seventh Grade Girls Run Past Slinger, 54-51

The Kewaskum Middle School seventh grade girls track team defeated a very good Slinger squad on Tuesday, September 25.

Slinger entered the meet with an undefeated record and left the meet with their first loss. The final score was 54-51 in favor of the Indians.

The girls continued their domination in the discus throw. Lindsay Foley's throw of 67.11 was good enough for first place. Teammates Bekki Heberer and Sam Kuphal earned second and third place, respectively. Breann DeLaurier cleared 4.1 in the high jump which earned her

first place.

Slinger and Kewaskum finished the field events with the score tied 18-18. The first running event, the 75 meter hurdles, gave the Indians the momentum they needed. Marissa Dehler finished first in 15.3 seconds, and teammate Tori Schilling took second place in 15.9 seconds.

Other first place individuals for Kewaskum included Caitlyn Sprinkman in the 100 meter dash, Tiffany Hedlund in the 400 meter dash, and Ashley Turner in the 200 meter dash.

The 4x400 meter relay team of Missy Conway, Crystal Treptow, Sam Droese and Hedlund capped off the night with a season best performance of 5:07.

The girls will vie for the conference title when they travel to Hartford on Thursday.

Welcome to Kewaskum Kettle Kountry Kolors

By Andrew Kuehl & Larry Ammel
Kettle Kountry Kolors Festival Co-Chairmen

On behalf of the Kettle Kountry Kolors Festival Committee, it is our pleasure to welcome you and your family to Kewaskum's 12th annual Kettle Kountry Kolors.

We have brought back many of last year's favorites, including the HUGE craft tent, sports tent being manned by the infamous "Woodchicks" featuring the Badger and Packer games shown on a large screen TV, the Buckskinner encampment and marketplace along the Milwaukee River, the children's activity tent, make-n-take craft center, Kiwanis basketball shoot, new Holy Trinity quarter-back contest, Gateway Gobblers BB gun shoot, and you can't forget the main event... **FOOD!**

Also new this year is a special talent show/lip sync contest, cheesecake eating contest, both with cash prizes, and a dunk tank with proceeds being donated

to the East Coast Disaster Relief Fund. Returning this year will be the popular children's pumpkin carving contest on Sunday.

Kettle Kountry Kolors Festival is sponsored by the Kewaskum Area Chamber of Commerce as a community event that supports the community. When Kettle Kountry Kolors was first started the idea was to draw people into the area for a weekend to benefit the business community and through the support of that business community Kettle Kountry Kolors is what it is today.

Kettle Kountry Kolors has always been a FREE family fun festival. Originally it was decided the festival was a "gift" to area residents from local businesses to thank them for shopping here and supporting the local businesses. Please don't forget to continue doing so.

Without the support of

local businesses and civic organizations donating money, time and manpower Kettle Kountry Kolors would be no more. We wish to thank all of the businesses and the many who have helped the committees.

Special thanks to the Kewaskum Sno-chiefs who have totally sponsored the south beer garden and the Kewaskum Kiwanis, Women's and Junior Women's clubs who with other local businesses sponsored the children's activity tent.

This year's Committee Chairs are as follows:

- Andrew Kuehl & Larry Ammel**
Kettle Kountry Kolors Festival Co-Chairmen
- Joann Hall**
Kettle Kountry Kolors Festival Craft Tent Chairman
- Lana Kuehl**
Kettle Kountry Kolors Festival Badger/Packer Tent Chairman

- Larry Ammel**
Kettle Kountry Kolors Festival Entertainment Chairman

- Gwen Dreher**
Kettle Kountry Kolors Festival Park Decorations Chairman

Kettle Kountry Kolors Festival Information Booth Chairman

Kettle Kountry Kolors Festival Children's Tent Co-Chairmen

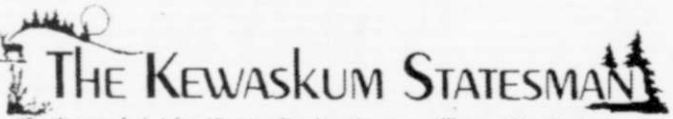

Kettle Kountry Kolors has outgrown the original sponsors, the Kewaskum Area Chamber of Commerce. Though still a driving force in the undertaking of the festival, the Chamber has had a few civic organizations step up to the plate to help out but we are still actively pursuing community members and other organizations to help chair different aspects of the festival. We are in dire need of

someone to oversee maintenance of the grounds and desperately need one or more electricians. If you or your organization wishes to get involved, please contact Larry at 262-626-4731.

Please feel welcome to enjoy our Kettle Kountry Kolors Festival. We have much to share with you. Please take the time to support our local businesses and organizations, who have made this festival possible.

Members of the Kewaskum Sno Chiefs will again be feverishly pouring pancake batter on the hot grill in preparation of serving hundreds of hungry people who will attend their Sunday morning pancake breakfast from 8 to 11 a.m. in the beer garden at Kettle Kountry Kolors. The Sno Chiefs will also have hot chili for sale at their booth.

Food selections at the Twelfth Annual Kewaskum Kettle Kountry Kolors Festival of Entertainment scheduled for Saturday and Sunday, October 13th and 14th will be numerous and certainly please even the most finicky eater.

Starting at the south end of the park we have the Kewaskum Sno-Chiefs who will be serving hot ham sandwiches, chili and Miller Beer products. Treat the family to their Pancake Breakfast on Sunday morning from 8 to 11 a.m. where the Sno-Chiefs will be serving up a great meal to start up your day.

Across from the craft tent, will be Jim and Barb Rolling of Phillips, performing a German Kettle Korn

demonstration where the korn will be for sale after all demonstrations, both days of the festival. Original Kettle Korn proved to be a huge hit among festival goers last year. One taste of the sweet, salty treat and you'll be hooked! Barb and Jim say they can't wait to see their newly made Kewaskum friends.

In the south food-stand, the Wayne Crusaders 4-H Club will serve hot dogs, chili dogs, hot pretzels and caramel apples. West of the 4-H kids, you will find Kewaskum's newest eatery, J.O.'s. Chef Jodi Strobel will be serving chicken dumpling soup, cheesy garlic bread, chicken fajitas and meatball subs. To compliment her mouth-watering items she will be serving Coca-Cola products, Snapple and Sprecher Root Beer. Next to J.O.'s you will find the Silver Platter Restaurant of Kewaskum. Ol' Roy and his crew will be serving up his locally

famous pizzas along with taco salads and German sausage soup.

Moving north you will find Claire Thompson of Black Sheep Concessions who is returning this year. Enjoy the funnel cakes, nachos, cheese curds and spiral spuds his booth offers.

Next to Black Sheep, the fine young ladies of the Kewaskum Women's Club will tempt you not only with their smiles but their desserts too! The ladies are hard at work making eclairs, cream puffs, tortes, pies and cookies. To compliment their mouth watering desserts they will serve coffee, hot chocolate and hot apple cider. Next to them the Kewaskum Kiwanis Club will lure one's appetite with their ever popular Kewaskum Frozen Foods brats and hamburgers, French fries, onion rings and nachos.

Then there's the choco-

late... Julie Desterhoft from Julie's Butter Cream Fudge will be bringing her fresh, yummy, mouth-watering homemade fudge for you to try. Julie will also be located along the main park area path.

Next to the north food pavillion will be another returning vendor, Butter Rose Concessions offering mini doughnuts, caramel apple chips, stuffed pretzels, soda, popcorn, nachos and sno-cones.

Savor the grilled tenderloin steak sandwiches, hot dogs, Coke and Budweiser products offered by the Kewaskum Area Chamber of Commerce in the north food pavillion and the sports tent.

Located inside the sports tent you will find Olde World Almond Company. Try to buy just ONE of their products. They will be offering German style almonds and pecans, smoked almonds, cashew and butter toffee peanuts and assorted candy coated nuts. Another

treat you just won't be able to pass up is chocolate covered cheesecake on a stick being offered by Kewaskum's Door County Cheesecake Company. Turtle, Door County cherry, marble and banana are just some of the flavors they will have!

On the other side of the park in the Bucksinner Camp and Marketplace you can sample many Native American treats such as sugar-coated popcorn. Our Bucksinner Camp is sure to please those wanting a taste with ethnic flare.

What a variety! One could eat all day and never eat the same thing twice! Take a break from the kitchen, bring your appetite and let your favorite chefs at River Hill Park do the cookin' during Kewaskum's Kettle Kountry Kolors.

For information on being a food vendor at Kettle Kountry Kolors please contact Andrew Kuehl at 414-915-6311. We are seeking more quality food vendors for our 2002 festival.

Original Kettle Korn Featured Again At Kettle Kountry Kolors Festival

Barb Rolling, left and her husband Jim giving a demonstration on how original Kettle Korn is made. This is their second appearance at Kettle Kountry Kolors. Statesman File Photo

John and Barb Rolling of Phillips, WI, creators of the Original Kettle Korn are pleased to invite you to join them in their second appearance at the Kettle Kountry Kolors festival this weekend, in Kewaskum.

Buckskinners will also be serving a similar Kettle Korn in their encampment at the bottom of the hill.

Original "Kettle Korn" is an age-old German tradition. Originally, German immigrants would pop their popcorn in large iron kettles after long work days. They then would add honey, molasses, or sugar to sweeten their freshly popped treat. The demonstrators still use a huge kettle to pop the popcorn in, however for

commercial use the patented Original Kettle Korn popping system has been streamlined.

Using a special recipe from the early 1800's the corn is popped in a stainless steel kettle while being stirred with a wooden paddle. The finished product is then turned into a large handcrafted copper kettle - a show-stopper for the public to enjoy.

The popcorn is then sold in three different sized bags. There will also be free samples for those who are interesting in tasting this semi-addictive treat. The product has a wonderful distinct sweet and salty flavor. It is also a healthier product due to it being popped in soy-

bean oil.

See John and Barb dressed in authentic garb of the Kettle Korn era they represent. Their booth will be located across from the Sno-Chief's beergarden.

Something for Everyone at Children's Tent

JoAnn Hall of Campbellsport will again have her Make-It-and-Take-It craft area for children of all ages at this year's Kettle Kountry Kolors Festival in River Hill Park this weekend. The booth will be located on the south end of the beer garden.

By Nicole Rawley
Statesman Staff

An annual feature at Kewaskum Kettle Kountry Kolors Family Fun Festival is the Children's Activity Tent in which many interesting fun-filled events take place for both children, teens and adults. This year will be no exception with many outstanding activities scheduled during the weekend of the festival in Kewaskum's River Hill Park just off STH 28.

In a move to make the children's activity tent more appealing to kids and teens alike this year a dunk tank was added along with a quarterback contest.

On Saturday, you can take a try dunking an area celebrity from noon to 1 p.m., 2 to 3 p.m. and 4 to 5 p.m. If you would like to volunteer a local "celebrity" contact Shelly at 626-4155.

On Sunday, from noon to 1 p.m., you can take a chance at dunking Kettle Kountry Kolors Co-chairman Andrew Kuehl. At 2-3 p.m., KES students can come and try to dunk their favorite principal, Kieth Kriewaldt.

The Quarterback Contest sponsored by Holy Trinity School will be located just outside the children's tent Saturday and Sunday. Kids ages seven and younger will win a prize everytime. Kids ages eight and older are invited to compete for a \$100 gift certificate for MC Sports in West Bend. The cost to enter is \$1 for three throws. The proceeds will go to Holy Trinity School in Kewaskum. Sunday afternoon there will be a shoot off with the time to be announced at the festival.

On Saturday from 1:30 to 2 p.m. and 3:30 to 4 p.m., Kewaskum Public Library's Jill Wegner will be telling stories with her puppet friends.

Tuttle Creek Learning Center will be presenting games all day Saturday and Sunday. There will be the duck game, milk bottle

game, ping-pong toss and ring toss.

The 4-H club will be doing face painting on Sunday from 11 a.m. to 1 p.m. and again from 2 to 3 p.m.

Another new feature this year is Applebell the Imp doing stories and balloons. She will be performing on Sunday at 1 p.m. sponsored by Peek-A-Bootique of West Bend and again at 3 p.m. sponsored by the Kettle Moraine Association for the

Education of Young Children.

Does carving pumpkins sound like fun? We have that too! The search for that perfect pumpkin will begin at 11:30 and the carving will begin at noon in the beer garden. The contest is open to those age 4-11. Prizes will be awarded at 2 p.m.

Returning to her spot in the south end of the beer garden, JoAnn Hall of Campbellsport is excited to again be a part of Kettle Kountry Kolors in her "Make and Take" ceramic booth both days of the festival. JoAnn and several of her assistants will be ready to help you create a ceramic piece that you paint and take along home with you. There are lots of items to choose from. Perhaps something for Halloween, Thanksgiving, Christmas, an item with the Packer colors or just that little special item you'd like to try to paint.

A minimal cost is involved for this event. If you have something special you would like JoAnn to bring along, you may call her at (920) 533-4252 and request it. Come try your hand at some ceramic creations! It's possible you may find a whole new hobby of your own to enjoy.

The make-n-take area will also be expanded this year. Peni Beine will be doing stamping and plates. Mary Theisen will be working with wood and clay pots. This year they will also be visited by clowns in the craft area.

Also returning to the outside of the children's tent you'll find The Irish Sandman with sand art for kids to make their own piece of art.

A complete schedule of events is listed in middle spread of this insert.

This is just a brief sampling of the events planned by members of the festival planning committee. The festival is sponsored and funded by the Kewaskum Area Chamber of Commerce for this, the 12th annual Kewaskum Kettle Kountry Kolors Family Festival. Take advantage of their hospitality... join in the fun!

Junior Women's Club Sponsoring Activities In Children's Tent

The Junior Women's Club of Kewaskum will have supplies to make your own "Monser Glove" or "Spooky Cookies" at the Kettle Kountry Kolors Festival Saturday and Sunday.

The monster gloves will be filled with candy corn and popcorn. They will also have colorful frosting and decorations to make the scariest cookies you can imagine!

The booth will be open both days of the festival. They will be located in the children's tent.

Kids Pumpkin Carving Contest Returns

Emily Serena works diligently on her pumpkin during last year's pumpkin carving contest. This year the contest will be on Sunday from 12 noon - 1:30 p.m. in the Beer garden. The contest is open to four to 11 year olds and is free for all of those who wish to participate.

Kettle Kountry Kolors Scarecrow Contest

The Fifth Annual Scarecrow contest, held in conjunction with the annual Kettle Kountry Kolors family fun festival is getting started.

Sixth, seventh and eighth graders from Holy Trinity, St. Lucas and Kewaskum Middle School are invited to take part in the contest. Competition acceptance and approval will be decided by teachers at the designated school.

There will be three awards handed out to each school. First place is \$30, second place \$20 and third place is \$10.

Judging will be based on the following five areas on Saturday, October 13, 2001: costume idea, expressions (facial and body), colors used in a single design, craftsmanship of design, and creative use of materials (straw

bales, ladders, tools, etc.).

All designs must be sturdy weather resistant and thief-proof. Label each design with a 4x6" laminated card, listing the following information: name of scarecrow, school and students' names.

Design projects are to be completed by the week of October 5, 2001 and placed at village street locations chosen by the Kewaskum Area Chamber of Commerce by Friday, October 12.

The nine cash prizes will be awarded at the Kewaskum Kettle Kountry Kolors festival at approximately 4 p.m. on Sunday, October 14 at the Chamber Information Booth in Riverhill Park.

If you have any questions, please call Gwen Dreher, Chairperson at the Chamber 626-3336.

Proud to be a Major Sponsor of the KEYS Run/Walk at KETTLE KOUNTRY KOLORS

Unite With KEYS to Support Our Community

Participants in the KEYS Scholarship Run/Walk starting the race. This year's race will take place on Sunday, October 14th at 11 a.m. The race starts on the west side of the river in Riverhill park and winds it's way through Kewaskum. You can register for the run the day of from 9:30 to 10:30 a.m. for \$15 per person.

Those days of uncertainty for our nation are a great time to show our strength as a community and join in support of KEYS, our community scholarship program. The eighth annual KEYS Run/Walk will be held on October 14, 2001 in conjunction with the Kewaskum Kettle Kountry Kolors Family Fall Festival. This is a perfect time to join with the community in support of our schools and walk or run the 3.1 mile of 5 kilometer race which raises scholarship money for our Kewaskum high school graduates.

Each year many teams participate in the KEYS Run/Walk, especially teams from our individual schools. The race course for our event winds through the streets of Kewaskum and the community support shown by a group of 1,000 or more runners and walkers is thrilling to see. Many volunteers provide water on the course, direct runners and walkers to make the correct turns, and offer snacks after the race.

The KEYS Run / Walk begins at 11 a.m. at Riverhill Park in Kewaskum and offers runners and walkers the opportunity to win prizes for themselves while they support our scholarship fund. Cash prizes of \$100, \$75 and \$50 are presented to the top three overall finishers, male and female, for this race. First, second and third place winners in each age category also win medals. A \$200 bonus prize is available to the female runner who breaks the record winning time of 17.38; and/or the male runner who breaks the record time of 14.27.

Registration forms for the KEYS Run/Walk are available at our school district and businesses in Kewaskum. Entry fees, due by September 28, are \$12 per person or \$40 for a family of four. Additional family

members' registrations, beyond the family of four, cost \$10 per person.

Registration will be held from 9 a.m. until 10:30 a.m. on the day of the race and

costs \$15 per person.

Participants can further help KEYS by soliciting

pledges at various levels. Pledges are turned in at race headquarters on the day of the race and incentive awards are offered for those pledges. These include gift certificates to Subway, MC Sports and Pedal Moraine, movie passes and embroidered sweatshirts.

The start line for the KEYS Run/Walk is located on Parkview Drive on the west side of the Milwaukee River, near the Kewaskum Historical Museum. A short race for children age five and under will be held at 12 noon and is free to participants. After the race everyone is invited to enjoy good food and activities at the Kettle Kountry Kolors Family Fall Festival.

Chamber Sports Tent to Feature Badger/Packer Football Games

If you happen to be one of those people who are undecided on whether you want to attend this year's Kettle Kountry Kolors festival because you absolutely, positively do not want to miss a minute of the Badger or Packer games on TV, your worries are over!

As a special feature, the Kewaskum Area Chamber of Commerce has brought back the Badger/Packer Tent so you won't have to miss a second of the exciting play-by-play of the Badgers facing Ohio State on Saturday and the Packers taking on the Baltimore Ravens on Sunday.

Entertainment in River Hill Park has also been scheduled so as not to interfere with the live action of the games.

The Packer Tent was such a hit it was a must that we bring it back again on Sunday this year and add the ever-popular Badgers to the roster for Saturday.

Unlike being AT the game, there will not be a bad seat in the Kettle Kountry stadium. A large TV has been reserved for your viewing pleasure, and the news gets even better!

Bring your favorite, most comfortable lawn chair or you can relax in the seating provided. The Chamber will be selling lots of "stadium refreshments."

The Chamber will be selling ice cold (or hot if the weather dictates) refreshments. They will be selling steak sandwiches, beer and

soda.

Who could ask for anything more? Well there is more. Just in case the football games bog down or the action slows down, (highly doubtful with the Badgers and Packers) or to help you get through those long, boring commercials, we have added a few games, raffles and surprises.

Don't miss Kettle Kountry Kolors just because you don't want to miss the football games... we'll be there for you with lots of fun, food, refreshments, raffles and everything that will make you feel like you've never left your living room. Even better... we'll make you feel like you're right in the front row of Camp Randall and Lambeau Field!

Shown above is the helicopter that will be making an appearance at Kettle Kountry Kolors. Statesman Photo: Andrew Kuehl

Three exciting raffles are being held in conjunction with Kewaskum's Kettle Kountry Kolors this year to help fund the FREE entertainment at the festival. The Chamber encourages everyone to enjoy the show but PLEASE help support the festival by taking a chance on some of their raffles.

The first raffle is for a Winter Weekend Getaway to the Kalahari Resort and Convention Center in Wisconsin Dells.

The prize can be used anytime from October of 2001 thru January of 2002, excluding holidays. The package is valid for up to 6 people in one enormous suite.

Vast Array of Crafts at Festival

Carole Ramel will be displaying various wood decorations. She also has painted bells and toothpick holders.

For those of you who would like to get a start on your holiday shopping, attend the Kettle Kountry Kolors Festival October 13 and 14 to find that unique gift for everyone on your list.

What could be more special than a handmade craft that was hand-picked by you as one of your personal favorites to give to someone you care for?

This year there are lots of new faces and some returning in the craft area. The sock man is back after missing last year. There will also be embroidered sweat-shirts, t-shirts and jackets. Again there will be peek-a-boo dolls and life-like dolls. As always, there will be a huge variety of holiday items such as scarecrows, pumpkins, baskets and ornaments. There are also hand-painted saws, milk cans and fry pans.

The following is a list of some of the many crafters and artisans that will be displaying their crafts at the festival this year. Some are new faces with many of the favorites returning for another year.

Returning to Kettle

Kountry Kolors is Judy Mayer of Weekend Creations in Sussex. She will be displaying wildlife pillows, crocheted dream catchers, trinket boxes, refrigerator

magnets and Halloween and Thanksgiving ceramics.

Displaying hardwood and fine crafts in the craft tent will be Shirley Frank of Hillsboro. She will have quilt racks, 15 different types of shelves, doll cradles, plaques, new paper

towel holders, CD and tape holders, coat racks, corner shelves, angels, doll benches, rocking horses and bear items.

Robert and Lucille Hubing of Random Lake will be featuring handcrafted

Rendezvous Returns Along Milwaukee River

The 12th Annual Kettle Kountry Kolors Festival again will be offering a great way to visit the past and preserve the historical days of the "Rendezvous." A favorite of many festival goers of past years is the Buckskinners Encampment along the beautiful Milwaukee River.

This year's Buckskinner camp chairman, Mary Meisser, assures us that history buffs and flatlanders young and old alike will enjoy spending some time in this year's camp.

Webster states the word rendezvous is of French descent, meaning a meeting place or a place to gather.

Meisser describes Buckskinners as a group of people who enjoy reliving and teaching about the North American Fur Trade era. They are also known for the many adventurous tales they tell.

In that era few roads existed in Wisconsin. Rivers were the mode of travel. Fur traders and trappers would transport their goods in dugouts and birch bark canoes to a rendezvous. Farmers and settlers soon began to join them transporting goods by rafts, flatboats and some by wagon train.

The rendezvous became a way for isolated people to meet, visit, exchange ideas and understandings, and trade goods they needed for the following year. The time period represents the beginning of French colonization to the 1840's, when fur trading waned. The fur business was replaced by silk as the choice fabric in New York, Paris and London.

Rendezvous are held all over the country with each one having its own unique activities. Most have a preacher or minister, a blacksmith for the necessary fire pit needs, traders who sell and demonstrate their craft, many lodges, Buckskinners dressed in pioneer clothing, music with at least one bagpipe player, contests and demonstrations.

Many Buckskinners have

nicknames like Whip and his wife, Honeybear. Whip earned his name for his expertise in using the bullwhip.

The "Skinner" tradition continues to grow as more and more people become interested in the event. People interested in learning about the historical times can now revisit that era.

Millie and the late Jack Odekirk of the Auburn Lake area organized and helped bring to Kewaskum the pioneer clothing, the lodges, aromas of open-fire cooking and history lessons. The first year the Buckskinners

made an appearance at Kewaskum's Kettle Kountry Kolors festival, there were only 11 lodges set along the backdrop of the Milwaukee River. This year over 100 lodges and encampments are expected to fill both sides of the Milwaukee River in River Hill Park.

Among some of the traders appearing at this year's rendezvous are Teresa Olson of Beaver Dam who will be displaying what she calls the camp's "general store" which will carry necessities to the skinkers like teas, clothing, cast iron pans and tea kettles, soaps baskets and rab-

bit furs.

Shell Bear Starcher coming from Adams, Wisconsin will feature handmade beadwork, pine needle baskets and painted feathers.

Jackson native, Kathy Nofsinger will set up camp and will be selling honey, sorghum, jams, bees wax candles and garden products. Nofsinger says she encourages her audience to join in her demonstrations of how to make candles.

Be sure to stop and visit

Waxy and Kathi at Black's Kettle Korn for a taste of authentic, fire cooked, lightly sweetened popcorn.

Last, but certainly not least, Ernest Schug of Deafield, Wisconsin is featuring items cast from pewter, military pins, blankets and beaver furs.

Be sure to tour the area of the Buckskinner camps and take pride in the history you will learn about our heritage.

We will be open for the Kettle Kountry Kolors Festival through the middle of October.

AAA Wisconsin Maps Fall Color Tours

The summer has been winding down, but for tens of thousands of travelers, the arrival of autumn marks the best time to hit the road.

"We live in a state that is recognized near and far as a truly special place when the autumn colors emerge," said AAA Wisconsin spokesman Michael Bie. "Forests cover a remarkable 45 percent of Wisconsin. In addition, there are fall festivals celebrated in every corner of the state."

Autumn's color show peaks in stages, beginning at the top of the state, where cooler temperatures arrive first and move downward. Peak color is generally found in northern Wisconsin (north of Highway 29) in mid-to-late September and early October, in the middle-section of Wisconsin from early to mid-October, and in the southern part of the state from mid-to late October.

September weather typically dictates what kind of color displays can be expected in October. Bright days that are warm, but not hot and muggy, and cool evenings, but not below freezing, are the ideal conditions for bringing out the most brilliant colors.

AAA Wisconsin recommends several routes known for their spectacular fall scenes and traditional festivals.

Highway 10: Highway 10 takes motorists past the Highground in Neillsville, a stirring veterans memorial park overlooking one-half million acres of Wisconsin woodland and glacial moraine.

Highway 13: The Lake Superior shoreline is the setting for this 93-mile route running from Superior to Ashland. Forests, lighthouses, and the spectacular Apostle Islands National Lakeshore are featured. Bayfield's annual Apple Festival draws visitors to the streets of the quaint fishing village in early October.

Highway 35: The northern stretch of Highway 35 between Superior and St. Croix Falls is home to Pattison State Park in Douglas County, site of Wisconsin's tallest waterfall, and Interstate State Park in Polk County, where the Dalles of St. Croix River offer impressive vistas.

The lower section of Highway 35 is the Great River Road, running for 250 miles along the Mississippi River from Dickeyville to Prescott, one of our nation's great treasures. Dotted by quaint towns and scenic overlooks tucked away among bluffs high above the river, this route is a must-see for those hoping to savor the very best of a Wisconsin autumn. La Crosse's Oktoberfest USA celebration, held for two weekends in late September and early October, is one of the nation's top fall festivals.

Black River State Forest: Nearly 67,000 acres of pine and oak trees comprise the forest. The Black River and sandstone formations help provide a picturesque setting. Located just off I-94 in Jackson County. Nearby is Warrens, home of the annual cranberry festival held in late September.

Horicon National Wildlife Refuge: Located southwest of Fond du Lac in Dodge County, the refuge is known throughout the world as the place where more than 250,000 Canada geese, ducks, swans, cranes and herons rest on their fall migration.

Nicolet National Forest: The Nicolet National Forest sprawls across 661,200 acres in northeast Wisconsin's lake and recreation country. Within the forest's confines are part or all of seven counties, 1,200 lakes, 1,100 miles of streams, 400 spring ponds, and 800 miles of trails. Highways 8, 32, 55, 70 and 139 are the thoroughfares.

Highway 42 & 57: Highway 42 from Manitowoc, along Lake Michigan, is

part of the Great Lakes Circle Tour. Joining Highway 57 south of Sturgeon Bay, the two roads then chart courses north through Door County to Gills Rock. Observation decks at Peninsula and Potawatomi State Parks offer breathtaking vistas.

Highway 60: An 82-mile route makes its way along the Wisconsin River from Sauk City to Prairie du Chien. The scenery at Wyalusing State Park, located at the confluence of the Wisconsin and Mississippi Rivers, is a fitting exclamation point to the journey. Twelve miles north of Sauk City on Highway 12, is Devil's Lake State Park, its 500-foot bluffs providing willing hikers with a view of the lake and nearby Baraboo Hills.

Highway 67: This highway is the entry point to both the northern and southern units of the Kettle Moraine State Forest. Visitor centers are located in Campbellsport and Eagle in the northern and southern units respectively. In the northern unit, Parnell Tower offers a special view. Kewaskum's Kettle Kountry Kolors Family Fun Festival is held October 13 and 14.

Highway 69: From Verona, just south of Madison, through the Swiss towns of New Glarus and Monroe, Highway 69 is the heart of cheese-making country. The Sugar River State Trail provides a scenic 23-mile bike path between New Glarus and Brodhead. Yellowstone State Park is a popular 450-acre attraction at one of the few lakes in southwestern Wisconsin.

Highway 77: This 47-

mile route from Hayward to Glidden runs through the Chequamegon National Forest. The National Forest System has designated 29 miles of the road as a national scenic road.

Highway 151: From Madison to the Mississippi River, travelers will see impressive changes in terrain, from rolling farm fields and prairies to plunging valleys and soaring bluffs. Dodgeville, Mineral Point, Platteville and other towns in the vicinity celebrate the region's mining heritage. The Military Ridge State Trail is a popular bike trail built on military road first used in 1855.
