*Scott Sager Submits Letter of Resignation*

## Lettow Takes The Reins As Interim Town Chairman

Michael Lettow

By Andrew R. Kuehl  
 Staff Writer/Photographer

Still in shock Monday evening, the Kewaskum Town board of supervisors and its clerk, elected senior supervisor Michael Lettow to take over as town chairman after Scott Sager resigned from the position last Wednesday. Two town residents attended the posted meeting.

Lettow opened the meeting by reading Sager's letter of resignation. Sager was not present.

"For personal and family related reasons I am submitting a letter of resignation as chairman for the Town of Kewaskum effective immediately," stated Sager in his letter to the board of supervisors and clerk.

Supervisor Bill Butzlaff motioned to accept the letter and Lettow seconded the motion.

The next order of business was to appoint a chairman. Butzlaff motioned that Lettow take the position. Clerk J. Sandra Stern seconded the motion.

Lettow has been serving on the board as supervisor since May of 1995.

The issue of appointing another supervisor to fill Lettow's position was discussed. It was decided the town would post the position in the official newspaper and would take letters of intent until the next town board meeting being held June 17, at 7:30 p.m. All letters must be in the town office at that time. ## Kewaskum Loses Rep. Grothman

Rep. Glenn Grothman

By Andrew R. Kuehl  
 Staff Writer/Photographer

A federal court's decision on boundary lines for Wisconsin legislative districts has left Kewaskum without one of its finest politicians.

In what he called one of the hardest decisions he has ever encountered and one he has labored over for two weeks, Assemblyman Glenn Grothman has decided to leave the current district he serves which includes West Bend, Kewaskum, Wayne Farmington, and Belgium.

In January he will serve

residents in the 58<sup>th</sup> district that includes Addison, West Bend, Slinger and Jackson.

If he decided to stay in the 59<sup>th</sup> district he would have had to leave West Bend and serve constituents in Kewaskum, Campbellsport, Wayne, Barton, Belgium, Oostburg, Cedar Grove, Random Lake, Adell, Waldo, Cascade, Fredonia, Theresa, and Eden.

In an interview Tuesday, Grothman stated this was, "The most difficult decision I have made in eight years in Madison. I have lived in West Bend for 18 years and have many good friends there who wanted me to stay. I have purchased land in Kewaskum and had intended to build there and if Senator Panzer ever leaves her position I hope to represent that senate district and then live in and represent the people of Kewaskum."

Grothman has been assemblyman in the 59<sup>th</sup> district since December of 1993.

The seat for the 59th district is up for election this fall. Thus far only one candidate has stepped forward.

Richard C. Karshna, Jr., 41, of Belgium, announced Monday he is running for the State Assembly in the 59<sup>th</sup> District.

The Republican candidate is currently serving on the Ozaukee County Board of Supervisors, where he is a member of the law enforcement committee, county board of health, solid waste management committee and eastern shores library board.

In April he was re-elected to his second term on the Cedar Grove-Belgium school board, where he serves as board president.

Karshna earned a bachelor's degree in criminal justice from the University of Wisconsin - Milwaukee. For

143 Acre Property Provides Greatest Guarantee of Future Success

## St. Joseph's Selects Site For New Hospital at Hwy 45 and PV

St. Joseph's Community Hospital of West Bend, a member of SynergyHealth, announced recently that a 143-acre property located at the northwest corner of Hwy. 45 and County Highway PV will be the site for its new hospital. The board made the final selection Wednesday, May 22 at its monthly meeting, completing its due diligence process following months of comprehensive research and study to locate a site. With the site selected, the design process can proceed and be customized to a specific site.

"Today we begin the next chapter in our hospital's long tradition of service to the community," said Dan Johnson, hospital board member and chairman of the facility committee. "Together we will build a hospital that will make this community proud - a healing environment for our children and grandchildren."

"Seventeen months ago our board of directors articulated a clear vision for a new hospital that will provide a high level of service and care, hold promise for long-term success and future expansion, and serve the greatest number of people in our community at the lowest possible cost," said Elaine Shanebrook, board chair. "Today the board selected the site that will best make that vision a reality."

The board's decision to select the PV site over other locations was based on several major considerations:

- Projected financial performance is best at the PV site, including cost of operations (less than three-fourths of one percent) at both the PV and current sites.

- Capital costs of remodeling the current facility and building new are comparable.

- Patient population will be the greatest at PV.

- Given the patient volumes, the PV site allows the hospital to offer a greater variety of higher levels of service.

- A freeway location is the most competitive location given to the potential behavior of other health systems.

- The capital cost of building new at PV is comparable to building new on the current site.

- The PV site allows for planned growth and efficient layout.

"On this site, the hospital is making a wise investment in the future, providing the community with a new hospital, designed and equipped for 21st Century medicine and providing the greatest guarantee of future financial success," said Tom Bast, board treasurer. "Financial success for our

non-profit, community hospital will translate into more locally available specialties, more cost-effective health care, and increased patient care and safety for the whole community."

"The new hospital will be designed and built from the ground up with a focus on enhancing quality of care and patient safety," said John Reiling, St. Joseph's president and CEO. "Designing the hospital to offer private rooms, a quieter environment, and reduced staff fatigue will not only make the hospital experience more pleasant for patients, but it will also provide a safer health care environment for patients and staff."

St. Joseph's began the process of designing a hospital that will advance patient safety by hosting a learning lab, "Charting the Course for Patient Safety: Designing Safety through Facility Design." Held in April, the conference featured national leaders from a variety of industries and health care disciplines with expertise in safety, human factors (the science of how people make decisions), and quality. Their findings are being used in the design and development of the new hospital to enhance the quality of patient care and services by improving work processes and systems, technology and equipment, the physical environment, and other areas.

In addition to private rooms, a quieter environment, and reduced staff fatigue, the learning lab group also recommended:

- Designing the hospital to meet the needs of the region's most vulnerable populations

- Engaging patients in the facility design process

- Identifying equipment and technology needs early

### AODA Completes Fourth Annual 'Giving Crib'

The Council on Alcohol and Other Drug Abuse of Washington County recently completed their fourth Annual Giving Crib drive asking for donations of new baby items for families in need.

While the community responded very generously, the requests received from families far exceeds the items that were collected including such basic items as diapers and formula.

In these challenging economic times, please consider helping your neighbors in Washington County by providing cash or merchandise donation. Please contact the Council at 262-335-6892 for more information.

in the design process

- Mocking up sample rooms and work areas early in the design process.

By considering these principals during the design process, St. Joseph's believes it will build a hospital that will offer patients enhanced quality of care and more pleasant hospital experiences, offer staff a more efficient work environment, and provide the community a healthier environment in which to receive care.

St. Joseph's plans to break ground for its new facility in the fall of 2002 and open the doors of the new facility in 2005.

## The Beauty of One's Heart Is the Crowning Glory

The world knows her as "The Queen of the Catwalk," supermodel Sharon "Magic" Jordan whose striking beauty turns heads wherever she goes. And I met her in Chicago.

Here, she shared with me what she had learned of life, particularly what she had learned about there being another kind of beauty - the beauty of the soul.

*Give generously for your gifts will return to you later.*

-Ecclesiastes 11:1

This inner beauty, in the supermodel's opinion, is far more important than any outer beauty. She learned this at the knee of her mother and grandmother, where, as a young child, she heard about "doing unto others." It was a lesson she would learn well. For her, kindness became a way of life.

Then in 1978, Sharon was to experience what it felt like to be on the receiving end of goodness.

Her dreams had gone up in smoke - literally. A fire raged through her home destroying all that she owned - including the evening gown, swimsuit, shoes and other items she was to wear as a contestant in the Atlanta, Georgia beauty pageant scheduled for the following Saturday night. What to do?

Well, word got around, and as it turned out, it would be others who would do for Sharon what she was unable to do for herself.

Imagine her surprise when those who knew and loved her paid for a room at the Hilton Hotel for her to stay. And imagine her surprise when another friend arranged to provide lodging in their own home for Sharon's family who had

loaded up their van and come from Florida to help her in any way they could. And imagine her surprise when one of her friends knew a friend who could sew a designer gown, replacing the one she had lost. And imagine her surprise when someone came through with a swimming suit and shoes.

*The kindness we extend to others in their hour of weakness will return to us at the time we most need.*

-Amish Proverb

But mostly, imagine Sharon's surprise when she was crowned that runway as the winner. It was a moment that ended up launching her career.

And just one question remained: Was it her physical beauty - or the beauty of her soul - that ultimately

put Sharon under the spotlight?

And Sharon knew the answer.

### RECYCLING TIPS

#### Aluminum Beverage Containers and Tin & Steel Cans

**TYPE OF ALUMINUM:** Aluminum cans generally used in the beverage industry.

**TYPE OF TIN/STEEL:** Tin and steel cans generally used in the food industry.

**PREPARATION:** Simply empty, rinse and remove any labels. This is the most important aspect of a successful recycling program. Aluminum, steel and tin containers that are contaminated with residue cannot be recycled.

Place aluminum, tin or steel containers in your dark green recycling bin or blue recycling bag. Flattening containers, although not necessary, will save space in your recycling bin or bag. Place the bin or bag at the curb on the same day that your solid waste is to be collected. Pick up will be Wednesdays for both solid waste and recyclables. Multi-family dwellings of six or more, remember, your recycling pick up will be the 1st and 3rd Wednesday of each month.

## Baumgartner-Hauch

The parents of Tracy L. Baumgartner and Joel J. Hauch are pleased to announce the engagement of their children.

Parents of the couple are June and Donald Baumgartner of Shawano and the late Donna Hauch and John and Marge Hauch of Rosendale. The couple is currently residing in Kewaskum.

Tracy is a 1996 graduate

of Shawano High School and is employed as an office manager at Stonecast Products, Inc. in Germantown.

Joel is a 1991 graduate of Kewaskum High School. He is employed as a truck driver at Schmitz Ready Mix in Port Washington.

An October 19, 2002 wedding is being planned by the couple.

## Eisentrauts Celebrate 70th Wedding Anniversary

Milton and Caroline (Backhaus) Eisentraut celebrated their 70th wedding anniversary on June 4, 2002. Caroline is the daughter of the late Otto and Anne Backhaus of Kewaskum.

Milton was employed for 42 years at the Neuens

Lumber Company of Fredonia. He retired from there in 1976. He then worked at Watry's Inc. of Fredonia for 10 years. He was a fireman for many years while living in Fredonia.

Caroline worked at the Amity Leather Company and at River Road Cheese

Factory until retiring in 1986.

In October of 1986, they sold their home in Fredonia and moved to an apartment in West Bend. Since August of 2000, they have resided at Maple Dale Manor in Kewaskum, however, Caroline is now residing at the Samaritan in West Bend as an Alzheimer patient.

### THANK YOU

*Days come and go!  
Years come and go!  
My, how time flies by!*

We had a great, memorable time as our small family celebrated our 70th wedding anniversary at our home. We received gifts, so many lovely flowers, many phone calls and many, many greeting cards and notes. We enjoyed each and every one--- and want to sincerely thank everyone who added so much to our "big" day.

## LOCAL EVENTS

### Hilltop Mass at Ashford Sunday

On Sunday, June 9, the annual Hilltop Cross Field Mass will be held at St. Martin's Catholic Church, located on Highway 67, between Lomira and Campbellsport in Ashford.

Mass will begin at 10:30 a.m. celebrated by the Rev. Wayne Barta. Come and enjoy the breathtaking view as participants give honor and glory to God high atop the hill.

You may drive your car to the hilltop, or park your car on the parish grounds by 10:15 a.m. and ride a free shuttle bus courtesy of Johnson Bus Service.

After Mass, you are invited to join the festive celebration on the parish grounds, including live music, food and beverages, a bake sale, White Elephant sale, raffle, games and a social.

### Social Fest August 24

Holy Trinity's Seventh Annual Social Fest is being planned for Saturday, August 24 in Riverhill Park in Kewaskum from 4 to 7 p.m.

A \$25 ticket entitles you to a grilled chicken dinner with all the trimmings plus dessert, free beer, soda and wine coolers, live music and entry into the prize drawings. First prize is \$5,000 (based on sales of 1000 tickets) with \$500 second through sixth prizes and \$100 seventh through 11th prizes.

There will also be lots of raffles, door prizes and good

old-fashioned gemuetlichkeit.

There will also be an auction at 7:30 p.m. Some items include a YMCA membership, Brewer ticket packages and many other items.

You must be at least 21 years of age to attend, however, food carryouts will be available and you need not be present to win the prizes.

Tickets are available at Geidel's Piggly Wiggly, Herriges Oil, Holy Trinity School and Parish Offices, and K-Town Saloon, or call Jackie at 306-9989 or Diane at 626-4316 for more information.

### 4-H To Hold Ice Cream Social

The Campbellsport 4-H will be celebrating June Dairy Month with their annual Old Fashion Ice Cream Social on Friday, June 14 from 6 to 9 p.m. at the Campbellsport Community Center.

The social will feature shakes, banana splits, ice cream sundaes, strawberry schaum tortes, and ice cream cones as well as hot ham sandwiches and homemade pies. Carryouts will also be available.

It is a great opportunity to get out and socialize, show your community support and help the Campbellsport 4-H raise money for the community.

Get a jump-start on showing your dad how much he means to you and bring him to the social for an early Father's Day treat.

The Campbellsport Community Center is located at 163 East Main Street in Campbellsport and you can enter on the east side of the building.

# St. Joseph's Community Hospital of West Bend has arrived at a... Crossroads.

*"The Community Hospital does not stop at boundary lines.  
It is strictly a community affair in which all people within a radius of  
10 or 12 miles or even more are interested, and I am certain will  
back up their interest with their support."*

*a member of* SynergyHealth

[www.synergyhealth.org](http://www.synergyhealth.org)

After months of comprehensive research and study, we have selected the crossroads of Highway 45 and Pleasant Valley Road as the location for our new hospital. This location best meets our vision – offering the greatest guarantee that St. Joseph's will thrive to serve our children, and our children's children.

The advantages of this location include:

- > Greater accessibility for patients, physicians, and emergency services to ensure quick, easy access to the highest quality care.
- > Ample room to grow to meet the area's future health care needs.
- > Financial security for our non-profit hospital through higher projected patient volumes and greater market share. This leads to more locally-available specialties, more cost-effective health care, and increased patient care and safety for the region.

On this site, we will build a hospital that meets our vision of providing the best patient care at the lowest possible cost. We'll offer more locally available specialties and specialists. Patients will enjoy enhanced delivery of care through increased patient privacy, a quieter atmosphere, and improved technology that will not only make the hospital experience more pleasant for patients, but will also provide a safer health care environment for everyone.

*We knew we were at a crossroads –  
now we know which one.*

## LETTERS TO THE EDITOR

### To the residents of the Village and Town of Kewaskum and Townships of Wayne and Farmington:

Local government lost two great leaders this past week. The first came on Wednesday from Town of Kewaskum chairman Scott Sager. The second from our 59<sup>th</sup> district assemblyman Glenn Grothman.

I had the opportunity to work very closely with each of these men and I must say that they put their heart and souls into their work for their constituents and both deserve to be commended.

The town of Kewaskum served as a model for other towns to follow under Sager's leadership. When you see Scott thank him for his time and not only thank him but thank his family too. I am certain this same type of leadership will follow with Mike Lettow.

Assemblyman Glenn Grothman had the same respect for government as Sager with just as much honesty and integrity. It scares me to think what will happen in January when we lose him officially. Glenn has been our conservative voice in Madison for eight years. We desperately need him to continue representing us especially in this time of the huge budget fiasco taking place there today. Please take the time to call or write Glenn and let him know how you feel about his leaving our district and thank him for eight years of attempting to serve us with fiscal responsibility and trustworthiness. Glenn can be reached by calling 1-888-534-0059 or emailing Rep.Grothman@legis.state.wi.us

Kewaskum Statesman,

COMMENTS FOR CITY OF WEST BEND PUBLIC HEARING ON AIRPORT EXPANSION PROJECT PROPOSAL  
May 22, 2002, 4 p.m.

To West Bend Economic Development Corp., DOT Representatives and West Bend Area Economic Leaders:

My main concerns regarding this proposed project are: 1) Destruction of the environment, waste of taxpayers dollars, and long-term detrimental effects. My father, George Wendt, lives on and owns 20 acres in the heart of the proposed project. He has lived and worked on this land for 52 years, finishing the large brick home in the late 1940's and early 1950's and planting hundreds of evergreen trees and gardens, and dredging the large pond. I lived on this land for 18 years, and growing up on

20 acres has led me to desire and acquire in the mid-1990's 20 acres of my own in the Town of Kewaskum. Preservation of the land and appreciation for the environment has been a major concern for both of us most of our lives.

#### Environmental Haven

While studying biology at the University of Wisconsin (West Bend and Milwaukee), I always had a handy, not to mention, amazing resource for plant collections, mushroom hunting and field studies. My classmates were in awe at the samples I was able to bring back to the classroom for study or for permanent collections for the University. But there were some things I couldn't bear to collect because they seemed too rare or beautiful to destroy, such as the Blue Flag Iris and Wild Orchids next to the pond. While teaching at the Lac Lawrann Conservancy, I collected in a two-hour period, 30 frogs for my nature camp students, and at the end of camp that day, I returned every one of those frogs back to my Dad's pond (their home). While mushroom hunting in the back 10 acres, I was shocked to find so many Birch trees, in addition to a plethora of mushrooms that would make any mushroom hunter gasp in amazement. I hadn't been back there much as a child because of high water levels, vast hummocks which are difficult to walk upon, and large natural fences of Prickly Ash. It is a whole different environment from the area where the pond and houses are located.

#### Wildlife Haven

In the 1950's my Dad planted hundreds of White Cedar, White Spruce, Scotch Pine, and Balsam Fir. Many of these trees were sold in the 1960's for Christmas trees. Others were transplanted around the pond and house. My Dad did all the tree planting and transplanting because he is fussy and wanted it done right. His vegetable gardens over the years had been something to envy for anyone who tried to garden in any soil other than the rich fertile flood plain soil. A colony of Balsam Poplar (a shrub-size tree) is growing in an area next to the old Christmas tree farm, just west of the house. This is a northern species and you would be hard-pressed to find it in Southeastern Wisconsin. If you place a small branch of Balsam Poplar in your back car window in the sun, the whole inside of your car smells terrific. The major effect of all of the tree planting has been the food source and protection and homes for wildlife. Because of the wide variety of plant life and the pond, bird species are abundant. Did you ever

watch a Great Blue Heron catch a frog? If you come to visit my Dad, your eyes will pop out of your head when you see the size and height of his front door fern garden. Only this moist muck soil will allow ferns to grow this large and healthy.

#### Wildlife Resource/ Sportsman's Paradise

Every year since George Wendt first acquired the land on the north side of Highway 33, hunters have asked permission to hunt on his property for deer, turkey, coyote, pheasant, squirrel, rabbit, and (in the 1950's and 1960's, fox and quail). He has estimated about 30 hunters, although I'm certain there were more, throughout the years. He has always said "yes" to them, even allowing them to park 500' into his driveway (this way he knew who was hunting and how many). There were times when there were so many hunters at one time that he had to turn some of them away, but only for that reason. One deer season I remember a story of two hunters who argued over tree-stand rights, and since the argument couldn't be resolved, one of them had to leave. He deer hunts on my 20 acres now. Dad was happy to accommodate them, but more importantly to keep the deer population down, as too many deer cause traffic accidents and place stress on the plant life.

#### Wetlands Destruction A Major Concern

Besides the esthetic and wildlife value of wetlands, there are climate-and-water resource related values to saving large areas of wetlands. Since there are in excess of 60 acres of wetlands involved in the rerouting of Highway 33 alone, not counting the acreage loss for the airport expansion, this is a major environmental concern. Wetlands soak up excess rain and snow melt like a sponge. Without the large acreage of wetlands which are now present, flood waters in the spring of the year will have no where to go. When the Milwaukee River overflows, excess water will flood the roads and many homes left in the area. Road deterioration will continue as annual flood waters eat away at the concrete and blacktop. Road repairs will need to be extensive and taxes will go up to repair them. Trees and other plants in the wetland adapt to water level fluctuations. So do wildlife. Concrete will not adapt.

#### Protect Groundwater Resource

Wetlands provide fresh groundwater by allowing rain water and snow melt to move downwards to underground reservoirs, sifting out impurities along the way. During flood periods, wetlands are a "holding tank" for the excess water.

Destroy the wetlands, the water remains at surface level; in roadside ditches or in man-made holding ponds impurities remain for a longer time period. After a time this could create a health hazard. Long-term detrimental effects are unknown, but changing the landscape as much as this proposed project indicates, will create more harm than good.

#### Is Airport Expansion Really Necessary?

My questions to the Airport Expansion Project Supporters: Has an in-depth study been completed on this proposed project? What exactly is needed and why? How many jets are needed and what size? What kind of planes are you planning to bring in? How many jets per day? What is the predicted traffic? Is this expansion for a UPS hub? What studies have been done? Where are the data? What is the specific plan (planes, cargo, passengers)? More importantly, where is the specific need? Is it military? Is this an immediate need or something predicted for the future? How far into the future? Has this expansion project satisfied all of the DNR regulations? Has the DNR given the go-ahead? As for the City of West Bend and surrounding area, are enough businesses really booming? Do these businesses all need the jet transportation in order to survive? Could they survive and thrive without major additions to jet service? Could this project be cut down to say, a just somewhat longer runway? Could this runway be built over the top of the existing Highway 33, like a freeway overpass? Could the runway point SE and bridge over the Milwaukee River?

#### Waste of Taxpayers' Dollars

The estimated cost for this proposed airport expansion project is \$15 million. This money will come out of state of Wisconsin Taxpayers' pockets. Everyone in the state of Wisconsin should be aware and concerned about this major expense. Questions for the DOT representatives: Is this money already allocated for this project? Or will the cost of the project take away money needed for other projects? Or will taxes be raised? Questions for West Bend Economic Development Corporation: Is the money for the airport expansion already allocated for this project? Or will the cost of the project take away money needed for other City of West Bend projects? Or will City of West Bend Taxpayers have their taxes raised for this project? And a question (or thought) for everyone: Will the estimated cost of \$15 million really be the final cost? Look what happened to Miller Park.

#### Conclusion

It is my hope that ten or twenty years from now I will drive into my Dad's driveway, see a sign that says something like, "George Wendt Nature Preserve," drive into a scenery of evergreens, a pond, a sturdy-built and well kept-up house with out-buildings also well-kept, a huge fern garden, birds and wildlife galore; and know that all the work over 60 or 70 years was not in vain, but for future generations to enjoy. I pray that I do not see concrete landing strips, runways, taxiways, and airplane hangars, jets coming and going like General Mitchell Field. I pray that I do not hear deafening jet engines and I pray I do not smell the choking exhaust fumes.

When I close my eyes I pray I will hear the songs of birds, wind whistling through the evergreens, frogs plopping into the pond, and mosquitoes buzzing in my ears. The smells will be of fresh green plants, fresh mowed lawn, fresh mushrooms, and rich black earth. The air will be clean and easy to breathe. The ground will be soft and easy to walk. The earth will be saved.

Thank you to everyone who listened to or read these comments.

To the Editor:

I just want to comment on how much I enjoyed the Spring Concert at the Kewaskum Elementary School May 23. For the first time the concert was held in the evening instead of during the day. I also want to express my thanks to the teachers and other staff, that had to stay after school or come back to school that made the evening concert possible.

-Nowadays, so many families have both parents working, it is hard to sometimes get off of work to go to school functions during the day. It also was nice that siblings could enjoy the concert. When the concerts are during the afternoon other kids are still in school and are not able to attend.

Everything seemed so organized, especially the parking. They had people directing where you should park, to allow for more parking places and have leaving more organized so everyone was leaving in the same direction.

# Bicycle Safety Program, Rodeo Held Here

On Saturday, May 11, the Kewaskum Junior Women and the Kewaskum Police Department, along with the support of Modern Woodmen Representative Jeff Jaeger, held a bicycle program. The organizers would like to thank everyone that attended.

The bicycle safety program is one of many of the fraternal benefits that Modern Woodmen provides to the community and their

members. It was a great effort by all that helped put on the event, to help promote safe bicycle riding.

The kids all took part in watching a safety video and then the kids were able to test out their skills on the rodeo course. The Junior Women's Club provided cookies and refreshments for the children.

The Kewaskum Police Department was very helpful with instructing the chil-

dren through the rodeo course. The Police Department also helped the children apply for their bicycle license. It was a great community event to help promote safety and security.

Thanks are extended to the Junior Women's Club, the Kewaskum Police Department and to Modern Woodmen Representative Jeff Jaeger for their help in promoting community safety.

## Ramthun Pursuing AG Studies With Scholarship

Tom Ramthun

BARABOO - Tom Ramthun will head to the University of Wisconsin - Madison Farm and Industry Short Course, and helping meet his financial obligations is a \$750 scholarship from Badgerland Farm Credit Services. Tom is the

son of Ken and Carol Ramthun, West Bend, and just graduated from Kewaskum High School.

Badgerland Farm Credit Services awarded 19 \$750 scholarship across the 33 southern Wisconsin counties in its service territory. Each scholarship was awarded to a graduating high school senior, such as Ramthun, who plans to pursue post-secondary studies in any one of over 200 agriculturally related careers. Students selections were based on academic records, sincerity in pursuing ag studies, past agricultural experiences in organizations such as FFA and 4-H, recommendations by teachers, and other school and community involvement.

## 3, 2, 1, Liftoff

Mission Control members Josh Hansmann, Doug Gerlach, Zack Zander and Adam Schladweiler communicating with the shuttle Columbia minutes before liftoff.

Students in Mr. Drexler's Aerospace Technology class successfully completed their space shuttle mission while NASA's shuttle, Endeavor, remained grounded because of weather conditions. As the Columbia headed off on a one day mission, the crew and mission control settled in for a day of completing experiments and launching a satellite from the cargo bay of the shuttle.

Three members of the eighth grade Aerospace Technology class were chosen on the basis of participation, grades and an application to be part of the

Columbia crew. The crew members, Zach VanderPool (Commander), Greg Shaske (Pilot) and Kevin Schaeffer (Lab Technician) spent the day in the shuttle simulator, an 8 x 12 foot room, set up with a cargo bay with robot arm, computers, a closed circuit television, and of course the essentials, a cooler with food and a chemical toilet. Once in orbit, the crew had a number of experiments and tests to perform. Radiant energy was measured and charted, measurements were taken for meteorite concentration, and the crew's resting and recovery heart rates were taken, charted and sent to mission control.

Mission control personnel Doug Gerlach, Adam Schladweiler, Zack Zander and Nate Kenworthy were kept busy throughout the mission. Duties included posting the orbital position of the shuttle on a world map located in the cafeteria, updating weather reports from around the globe in case of an emergency landing situation, and video taping classes to relay to the

shuttle so the crew would not miss out on important information.

"The main focus of this class and simulation is to develop an interest in and an appreciation for our space program and hopefully interest students in going on and pursuing further study," said Mr. Drexler.

## 25 Years Ago

May 6, 1977

Selected by class members last Wednesday to reign as king and queen of the Kewaskum High School junior prom held Saturday night were Dale Poling and Cindy Herriges.

James Rosenmerkel, Project Design Engineer, Department of Transportation, held a meeting for the news media at the Washington County Highway

Office Wednesday afternoon to announce plans for the reconstruction of the Highway 45 overhead bridge just north of Kewaskum.

Ann Weddig, daughter of Mr. and Mrs. Otto Weddig of rural Campbellsport, and Michael Perkins, son of Mr. and Mrs. Harold Perkins of Kewaskum have been chosen as Kiwanis students for the month of April.

A daughter was born to David and Carol Zoerb, West Bend, on April 23.

A son was born to Michael and Debra Doherty, Kewaskum, on May 1. Paternal grandparents are Mr. and Mrs. Patrick Doherty, Kewaskum and maternal grandparents are Mr. and Mrs. August Bilgo, Jr. of Kewaskum.

A son was also born to Daniel and Sandra Hollister, Kewaskum, on May 2.

## Kiwanis Students of the Month

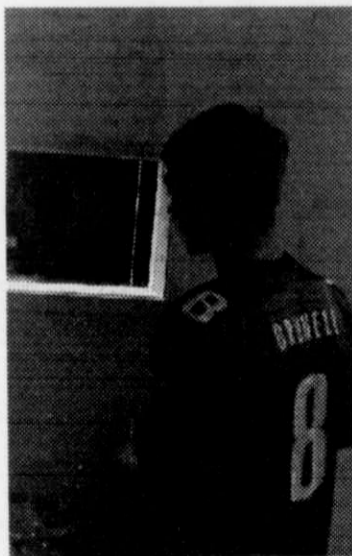

Elisabeth Marx

Tiffany Trott

April's Kewaskum Kiwanis students of the month were Elisabeth Marx and Tiffany Trott. Elisabeth is the daughter of Alan and Carol Marx. She has been in the Key Club for four years, National Honor Society this year, Peer Listening for two years, cheerleading for one year, basketball for one year, track for four years and was involved in the school's musicals for two years. Elisabeth was a Badger Girls representative last year and this year was a member of a group called STAND (Students Taking Action, Not Drugs). She has also spent much time doing volunteer work throughout high school. In her spare time, Elisabeth enjoys singing, cross-stitching, crafts, traveling, outside sports and having quiet time for herself. She is presently employed as a cashier at Pick 'N Save North. Tiffany is the daughter of Roxanne Trott and Stephen Trott. She has been in the German Partnership Club for four years, and on the girls tennis team for four years, winning a letter for two of those years. She has also been very involved with the Art club for three years. Tiffany enjoys making jewelry (metal smithing), reading and playing tennis. She is presently working at St. Joseph's Community Hospital in the food and nutrition services. Students and their parents were honored by the Kewaskum Kiwanis Club at a recent meeting.

Proud Partners in Dairy Promotion

A partner is someone we trust and rely on to help accomplish shared goals. The success of Wisconsin's dairy industry depends on many essential partners — dairy farm families, milk processors and cheesemakers, to name just a few — who all have important roles and responsibilities. During June Dairy Month, we honor the many essential partners who work to maintain the tradition of excellence and reputation of America's Dairyland.

## Allenton Christens New Ambulance

Allenton Fire Department's 1351 is shown above being washed down with water from the telesqurt.

**ALLENTON** - A new tradition took place on Sunday, May 19, 2002 in Allenton. It was the location of a tradition brought here from New York in 1995. This tradition was the official "Wet Down" of a fire engine in to service. The new tradition is called a "Dry Down."

The "Dry Down" is the initiation and christening of an ambulance into service. The ceremony included the veiling of the new ambulances with foam, then washed off by water from a fire truck, this is followed by those in attendance wiping the rigs down with ceremonial towels, the vehicles then drove past the awaiting neighbors rigs with lights and sirens wailing, this followed by a christening into service by the officers and committee members with water from syringes and the followed by a clergy blessing the rigs into service.

When the Allenton Volunteer Fire Department recently took delivery of a new ambulance, some the members of the Allenton Fire Department and their neighbor, St. Lawrence Fire Department, thought it would be appropriate to begin a new tradition in Wisconsin, and maybe in the U.S. It was decided recently that this initial ceremony would be done in conjunction with the National week of recognition of Emergency Medical Services. This week started on May 19th and continued through May 25th.

Plans included a ceremonial drying off the new vehicles of Patient Care for the Allenton area and the City of West Bend. The St. Lawrence Fire Department and First Responders will be the hosts of this ceremony. "The public was encouraged to attend this very meaningful and memorable event. We hope that many of our neighbors that took time from their busy schedules to share this time with our members, enjoyed it as much as we did" said AFD Chief Ray Wolf.

Eight neighboring emergency services attended and participate in the ceremony. An open house of Allenton's newly remodeled fire station and viewing of the new ambulance, Unit number 1351 followed the official ceremony.

Assistant Chief of EMS Paul Wolf said, "Fire Departments have always needed more involvement, after 9-11 it was thought that more people would want to get involved helping their neighbors. Therefore, many fire departments and rescue squads are now reaching out with encouragement. The Allenton Volunteer Fire Department is a typical small-town Fire Department, Volunteer. Neighbor helping neighbor. Many people were moved to consider becoming a hometown hero after 9-11, but it isn't coming to pass. As yet another show of commitment to their community, The AFD is reaching out to their community by initiating this ceremony and host-

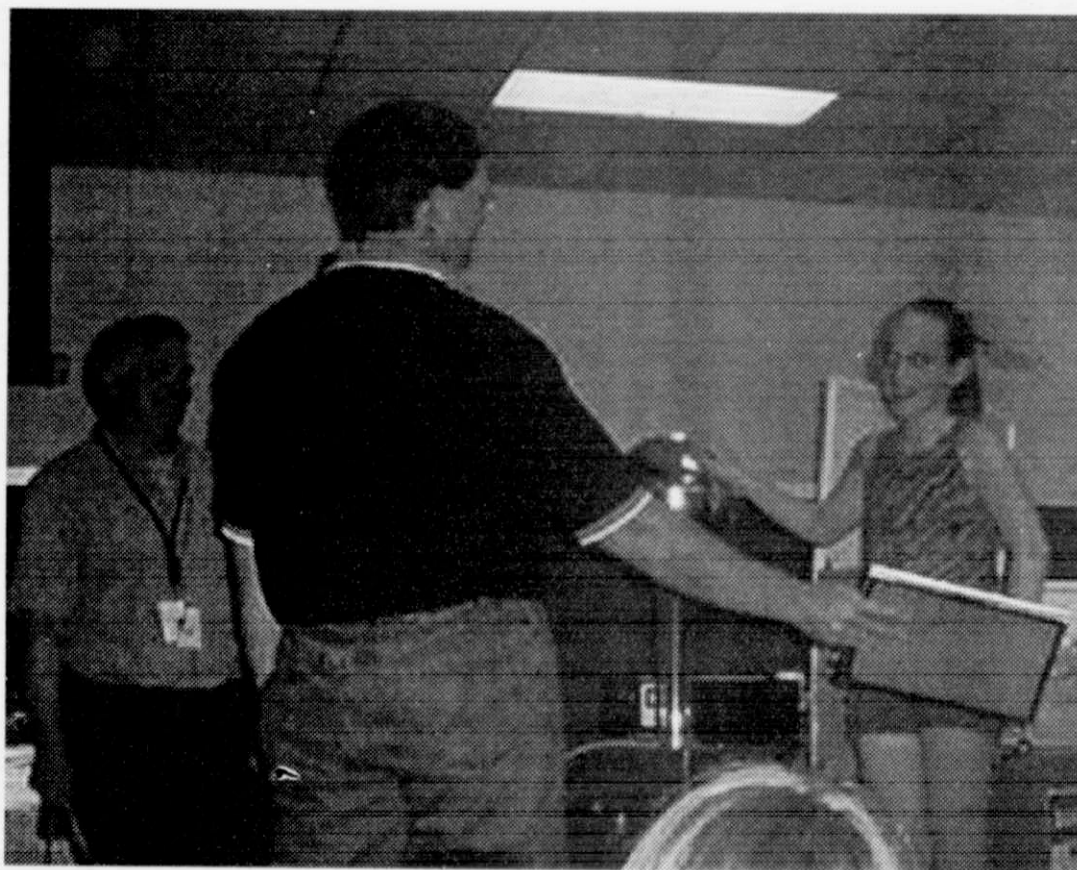

ed an open house to show people what its like to be an emergency worker."

## AES Fourth Grade Tours Maysteel

On May 21, the fourth grade of Allenton Elementary took a tour of Maysteel Corporation in Allenton. The students were fascinated by the robots, laser equipment and assembly process. The students were overjoyed with the complimentary candy bar and highlighter they received. A big "thank you to Maysteel Corporation for the wonderful tour!"

## WE Energies Visits Allenton Elementary

On May 28th as a culmination to their unit on electricity, Allenton fourth graders were treated to a presentation by WE Energies. The focus was on electrical safety. The students then participated in static electricity experiments like the one shown above.

She was born in Park Falls on October 21, 1925, the daughter of Victor and Irene Kloke Haessly.

On October 5, 1946, she

married Jerome "Sputz" "Jerry" Bertram in Campbellsport.

He preceded her in death on July 23, 1985. Pat was a graduate of Beauty School and worked as a beautician for a number of years. Together with her husband, she operated the Starlight Motel in New Holstein from 1970 to 1979.

She was a member of the Campbellsport United Christian Church and a past council member. She enjoyed flower gardening and was well versed in the world of politics.

Pat was a loving wife, mother, grandmother and great-grandmother.

Survivors include her children, James (Joan) of Campbellsport, Jerry of Oshkosh, and Barbara (Al) Schmidt of Kewaskum; four grandchildren; one great-granddaughter; a sister, Bonnie (Earl) Kluever of Shawano; two brothers, Jerry Haessly of Spooner and Bob Haessly of Columbia Falls, Montana; and a sister-in-law, Alice Bertram Hansen of Brookfield.

Besides her husband, she was preceded in death by her parents; her brother, Ken; a sister-in-law, Janet Haessly; a brother-in-law, Joe Hansen; and her baby brother, Marty.

Funeral services were held at 7:30 p.m. on Monday, June 3, at the Campbellsport United Christian Church on Forest Street. Rev. Steven Hilyard officiated and burial was Tuesday in St. Matthew's Cemetery, Campbellsport.

Visitation was from 3 to 7 p.m. on Monday at the Twohig Funeral Home in Campbellsport. Memorials are appreciated to the Campbellsport United Christian Church.

The Twohig Funeral Home served the family.

### DONALD H. LIEVEN

Donald H. Lieven, 82, of Hartford, passed away on Saturday, June 1, 2002, at his residence surrounded by his family.

He was born on January 28, 1920, in Hartford to the late Werner and Kathryn (nee Dietzler) Lieven and married Lorraine Reis on June 14, 1947 at St. Kilian

Catholic Church, Hartford.

She passed away in 1992.

While Don held a variety of employment positions, his real love was community service. In 1954 he was elected the first male president of the St. Kilian's Home and School Association and also served as president of the St. Kilian Holy Name Society.

Don served as a first ward alderman from 1954 to 1960, and was elected to the Hartford Joint School District N. 1 School Board from 1966 to 1972. He held various positions on the school board including president.

After retiring from the National Guard in 1972, Don was elected mayor of the city of Hartford, serving from 1972 to 1983. He retired from Broan Manufacturing in 1985.

Don was appointed Washington County Board supervisor from Hartford in 1985, and was re-elected in 1986, serving in that position until 2002.

He was also a long-time member of the County Board's finance committee.

Don as also one of the founding members, along with Fred Schauer, of the Hartford Foundation.

He was instrumental in establishing the Hartford Innovation Center, attracting QuadGraphics to the Hartford area and beginning the process of bringing the Dodge Industrial Park into the city.

Survivors include his children, Tom (Bev) of Brown Deer, Mary (Bob) Christianson of Carmel, Indiana, Peter (Mary Pat) of Kewaskum, Anne (Ron) Schellinger of Hartford and Monica (Dale) Wunder of West Bend; 13 grandchildren, Nicole (Scott) Julius, Michael (Julie), Christopher, Amanda, Emily, Molly, Sam, Anne, Benjamin, Jessica, Kelsey, Lauren and Jacob; a great-granddaughter, Abigail; special friend, Joan Russell of Hartford; a brother, John (Betty) Lieven of Arkansas; a sister-in-law, Crescentia

"Sensie" Lieven of Hartford; brothers-in-law; sisters-in-law; nieces; nephews; other relatives and friends.

Preceding him in death were a daughter, Margaret Mary; three brothers, Robert, Paul and James; and two sisters, Margaret and Florine.

A Mass of Christian Burial was held on Wednesday, June 5, at 7 p.m. at St. Kilian Catholic Church, Hartford.

Father Michael Petrie officiated and interment was in St. Kilian Cemetery.

The family greeted relatives and friends on Wednesday at the church only from 3 to 7 p.m.

Memorials to the Hartford Aurora Medical Center Foundation or St. Kilian's Catholic Church are appreciated.

The Shimon Funeral Home, Hartford, assisted the family.

### AGNES SCHAEFER In Memoriam June 2, 2000

The Lord is my shepherd;  
I shall not want.  
He maketh me to lie down in  
green pastures:  
He leadeth me beside the  
still waters.  
He restoreth my soul:  
He leadeth me in the paths  
of righteousness for his  
name's sake.  
Yea, though I walk through  
the valley of  
The shadow of death, I will  
fear no evil:  
For though art with me;  
Thy rod and thy staff they  
comfort me.  
Thou preparest a table  
before me in the presence  
of mine enemies:  
Thou anointest my head  
with oil:  
My cup runneth over.  
Surely goodness and mercy  
shall follow me  
All the days of my life:  
And I will dwell in the house  
of the Lord for ever.

Fondly remembered by  
Ray Schaefer and family

## News From The Capitol

By Rep. Glenn Grothman

### The Toughest Decision

During the past eight years I've made many difficult decisions while in the State Legislature. None was as difficult as the decision I had to make regarding what to do when a federal court redrew the lines of the Assembly districts last week and I had to decide where to live.

Every ten years when there is a census all congressional, legislative, and county board districts must change. This is because each district should contain the same number of people as determined by the census. The state of Wisconsin must be divided into 99 Assembly districts of equal population. Each must contain about 54,179 people from the year 2000 census.

Because the city of Milwaukee lost population and because of big population gains in Washington and Waukesha counties, there were major changes in district lines. Sadly, my district was split in half with West Bend and its 28,000 inhabitants separated from the rest of the district.

I have been a resident of West Bend for 18 years, and have many friends there. I had purchased a lot in Kewaskum intending to build here. I of course enjoy representing the Kewaskum, Wayne, and Farmington areas and love their con-

servative values.

After a week of agonizing, I decided to stay in West Bend. This was easily the most difficult decision for me since elected to the Legislature. I have not sold my lot and I like to tell myself that if someday Senator Panzer moves on I could run for the Senate in which case someday I could represent Kewaskum again.

Since I will represent Allenton in the new district, Lana and Andrew Kuehl have assured me my column will continue to appear in the Statesman. I have always enjoyed being able to write a column in which I could disseminate information, which was not reported or under reported in the Journal-Sentinel or other media outlets. My new district will also include the villages of Slinger and Jackson. The new district will have no incumbent and a new Assemblyman will be elected this fall. The new district also includes Campbellsport, Eden, Theresa, Fredonia, Belgium, Oostburg, Cedar Grove, Random Lake, Adell, Cascade, and Waldo.

I greatly enjoy Kewaskum and am sure you will continue to see me around the area for many years to come.

Please let me know what you think on this issue.

## LETTERS TO THE EDITOR

(Continued from Page 8)

Dear Editor:

We have reached the end of the girls soccer season. The following personnel should be recognized for their efforts in making this sport happen at Kewaskum High School. Without the efforts of the personnel behind the scenes, the athletes would not be able to participate in soccer. The following personnel should be applauded for their efforts: Athletic Director Jason Piittmann, Assistant Principal John Wolfenber, Principal Donn Wollweber and their staff who supervise, coordinate, organize and develop future planning for all sports; secretary Karen Kissinger who coordinates all the paper work, attendance, awards and budgets for all sports; office personnel who assisted us on so many occasions, coordinator of grounds who with his crew maintained our fields; the referee staff for

their quality game conduct; president of the Booster Club, Mary Miller, who with her organization provided donations for Parents Night; the parents and family members of the athletes who supported their children by being at the games (which meant a lot to the athletes); the score keeper, Perry Koth; all the athletes who worked hard on their goals for the season and never gave up; the team captains, Maggie Herriges, Jenny Koth, Katie Klug, Tanya Theisen, Alexa Nelson, Alison Yanke, and Lauri Bausch, who led the team by providing an example of excellent play and assisted in the guidance of our teams; the synergy of the team where the whole team

was greater than any one individual (great job girls); The Kewaskum Statesman, West Bend News; and WBKV Radio station for publishing game information.

Thank you all,  
Girls Soccer Coaches Jim Mathia and Mark Marsala

The total volume of milk produced in Wisconsin (2.6 billion gallons) in 2001 would fill up an 80 foot x 42 foot, seven lane Olympic swimming pool 21,461 times - plus a little left over for splashing in a wading pool. Anyone for a quick dip?

The Kewaskum 4-H'ers held their May meeting at the Kewaskum Town Hall at 7 p.m. The meeting was called to order by president Amanda Carpenter and the pledges were said.

Roll call was taken by responding with our favorite type of cake. Next we had

the secretary's, treasurer's and ambassador's reports. We talked about tree and shrub planting at the fair park, the brat fry at Piggly Wiggly, Communications and Arts festival and the 4-H Youth Lock-in.

Demonstrations were done by Megan Gavin, Rachel Gavin and Sarah Kissinger. The Ice Cream social was held on June 2, at the Kewaskum Town Hall from 2 to 4 p.m. 4-H Alumni were welcome to attend. Adopt-A-Highway was

on May 4th and Ice Skating at the Kettle Moraine Ice Center in West Bend was on May 31.

4-H cookbook sales, if you would like one please call Bonnie Zanow at 262-626-8071. The cost is \$12.50.

Also we helped Mrs. Gladys Ramel with yard work.

The July 4th meeting has been moved to July 11th. Record book demonstrations will be done at the June 6th meeting. Fair entry forms should be turned in by June 30 to the fair office.

The Cloverbuds had show and tell.

Refreshments were served.

## Badger Boosters 4-H Club Meets

The Badger Boosters Club May 9th meeting was called to order at 6:35 p.m. by president Stephanie Strnad. Jacob Schroeder led the Pledge of Allegiance and Alex Awve led the 4-H pledge.

In Old Business, Mrs. Beine talked about the Farmers Market; please sign up to help in July 20 or August 31. Everyone was encouraged to help out with the advance sales of the countywide 4-H cookbooks, which are \$12.50. \$2 from each book we sell will go to our club, with the remaining profits going to the Washington County 4-H Leaders Association. Adults - you can receive fair passes for a reduced price of \$10 by volunteering four hours during the fair. Sign up tonight.

New Business - Once again, we will be handing out water at the Bob Cross Run on June 2, in memory of Bob Cross, who was a leader in our 4-H club for many years. The Schoenhaar family will be in charge of this.

On June 7 we will be handing out dairy products at the Pick 'N Save Dairy Days. The Humane Society is having a Kids Day on June 22, where we will be selling food. Mr. Kuss is the

chairperson for the Club Booth we are having at the County Fair. The theme will be "4-H Celebrates 100 Years." Don't forget, helpers are needed at the county fair in the Action Center, Promotion Booth, building, sitting and more!

On August 8, we will have our annual picnic at the Small Animal Building at the fair grounds. Since this is the 75th Anniversary of 4-H in our county, we are having a party with the alumni from our club. The Schroeder family will chair our flower planting by the Milking Parlor at the fair park.

After a few announcements, we all posed for a club photo. Demonstrations were given by the following members: Sarah McCulloch, how to tie a quick release knot; Lauren Beine and Rachel Peterson, how to find the nutritional value in cat food; Patrick Schoenhaar and Stephanie Strnad, photography; Juleah Cox, Katie Awve and Heather Awve, how to make a mother's day flower pot and Sara Dauster, knitting. Great job everyone.

The meeting was adjourned and refreshments were served.

## UWWC Announces Summer College For Kids Classes

The Continuing Education Department at the University of Wisconsin Washington County is offering a number of classes this summer.

**Acting Smart** will be offered June 17-21. The Beginner Class meets from 9 - 10:15 a.m. and the fee is \$50. The Intermediate Class meets from 10:30 a.m. to noon and the fee is \$60. These are classes in which youth develop and strengthen confidence, stage movement, projection, voice and imagination. Creative abilities will bloom through characterization and presentation skills. The intermediate class will also include directing techniques.

**Prima Musica** will be offered for three and four year olds, July 9 - August 15, from 11 - 11:45 a.m. The fee is \$95. Join the finest pre-school music instructor, Deanna Gibeau for a six week session filled with song, movement, instruments and dance.

**Beginning German** will be offered for children who have completed grades two through four. Class meets July 15-19, from 1 to 2:30 p.m. The fee is \$75. Explore the language and culture while singing songs, playing games, counting and learning everyday phrases. Learning includes stories, a special project, and a presentation to parents on Friday.

**On Stage** will be offered for children in grades one to eight. This class meets August 12-16, from 9 a.m. to noon. The fee is \$150. Practice your dramatic skills while experiencing all of the parts of putting on a performance, then give one for your family and friends at the end of the week. The class will enhance visual and vocal abilities along with overall stage presence.

**Community Children's Choirs** are something new that will be offered by Continuing Education. Your child can experience the joy of choral singing in a variety

of musical styles, foreign languages, and performance venues in two newly formed choirs.

**Youth Choir Audition** will be on June 10 at 5 p.m. for boys and girls ages eight through 12 who have unchanged voices. Call Deanna Gibeau at 335-0119 to sign up for an audition. The choir will meet Mondays, September 16 through December 16, 7 to 9 p.m. The dress rehearsal and concert will be December 19 and 20, from 7 to 9 p.m. The fee is \$95, with a discount for multiple siblings.

### Discover Days at Cedar Campuses

**WEST BEND** - Cedar Campuses, 5595 County Road Z, invites youth ages eight to 12 to attend Discover Day Camps this summer.

Two fishing camps will be held June 11 to 13 and July 9 to 11. Join us for a wonderful experience as we learn to tie knots, bait hooks and catch fish in Big Cedar Lake. You don't need to be experienced, only ready to have fun!

Two intergenerational camps will be held June 25 to 27 and July 30 to August 1. Do grandma and grandpa live out of town or would your child benefit from time spent with a retired adult? We have a refreshing new idea for you this summer. Allow your child the opportunity to make new friends in our retirement community. Your child will be participating in hands-on activities such as Astronomy, Lapidary, nature hikes, gardening, music and much more. Each day new people will be sharing their time and talents with your child.

Each camp will be from 9 a.m. to 3 p.m. each day. Cost per camp is only \$70; snacks and materials are included. Call Wendy Vor-pahl at 262-334-9487, ext. 225, for more information or to register.

Discover is a series of Day Camp programs for

**The Bluebirds Choir** will be made up of boys and girls ages five to seven. There is no audition for this choir. The choir will meet on Mondays, September 16 through December 16, 4 to 4:45 p.m. The dress rehearsal and concert will be December 19 and 20, from 7 to 8 p.m. The fee is \$45 with a discount for multiple siblings.

For further information or to register for any of these classes, please call the Continuing Education Department at (262) 335-5218.

youth, ages eight to 12 years of age. It is an intergenerational program providing an opportunity to explore and experience our wonderful Wisconsin environment and history. Children and seniors alike will discover new areas of interest and work together to create, recreate and make new friends. ## Milwaukee Fish Camp

Walters, right, and Schilling, left, with a nice limit of chinook, coho and brown trout.

*Hello friends,*

The job I have as an outdoor adventure writer enables me to meet and spend time in the outdoors with a wide variety of unique people.

Ron Schilling is semi-retired, lives in the Milwaukee suburb of Greendale, and is an avid salmon fisherman on Lake Michigan.

Schilling bought his boat, Empty Pockets, which is a 22' Cruiser Barnegat, back in 1980. And, as I had the pleasure of finding out, he knows how to find and catch salmon.

**Tuesday, May 28**  
**High 77, Low 52**

Empty Pockets and its crew of three hit the big pond at 5 a.m. We took a short journey from the McKinley Marina to a secret spot where Ron has been catching a good number of 8- to 20-pound Chinook (King) salmon in 40 feet of water.

I met Ron two years ago at the Milwaukee Sport Show. This morning, I met his son, Chris, who is a sales manager with Pepsi.

The first impression I had of this father/son team was that they knew exactly what they were doing when it comes to handling a boat and catching fish.

The Schillings had just set their second pole in the water, which was a rigged with a Dipsy Diver, and baited with a black and white Andy Reeker spoon, when a monster from the deep inhaled it.

Being perfect hosts, the Schillings let yours truly have the first battle of the day.

The sun rose over the Milwaukee harbor at 5:15 this morning. At the same time, Ron netted our first fish, a 12-pound Chinook. Everything was perfect in our world.

We fished until 11 a.m. and iced three Kings and Coho. We then headed to shore for a mid-day break.

Watching Ron and Chris and listening to their stories reminded me of the great times I had with my dad before he passed away back in 1994.

Today, I learned that Ron Schilling, who is 69, has more get-up-and-go than most 20-year-olds.

This afternoon, it was just Ron and me. We tried fishing in 100 feet of water for Coho or whatever might be hungry. After three hours of trolling, we had a couple of three-pounders in the box and then decided to spend the last hour of daylight

fishing in the shallow water, where we had fished this morning.

It took us about a half hour to figure where the Kings were feeding. Yours truly iced a 12-pounder and then as the sun set, Ron got the catch of the day with a dandy 15-pounder, and we had a plan for sunrise.

**Wednesday, May 29**  
**High 80, Low 55**

Our butts were dragging, and there were no complaints when a dense fog kept us from launching Empty Pockets until 6 a.m.

On the short ride to our honey hole, we were both wondering if we had missed some prime time fishing.

Schilling, who is a long time member of the barber shop quartet Shear Delight, was all smiles when a hungry King hit a blue and silver magnum, Tad Polly. After a hard-fought battle, the 15 pounder was in the box and the captain and his crew both knew they were living the good life.

An hour before noon, Ron Schilling and I put our 10th fish in the box, which was a 16-pounder. This was the biggest fish of our two-day adventure.

Today we ended up with a limit which consisted of Chinook, Brown Trout and

Coho.

At the Milwaukee Sport Show, two strangers committed to a fishing Trip. Ron Schilling put me up in his home, and a couple of days

later, we were a pretty awesome fishing team.

I hope I have his energy when I'm pushing 70.

Thanks, Ron!

## RRL Oldtimers Nominate Five For Hall of Fame

The Rock River League Oldtimers Association nominated five more members for possible induction into the Rock River League Hall of Fame. Nominated at the annual meeting in Mayville were Harvey Buchta of Mayville, Jerry "Moose" Mullin of Fox Lake, and Del Maas of Lebanon in the Veterans group; Ron Collien of Oakfield and Bill Kreuser of Slinger in the Northern Division Group and John Steuber of Clyman in the Southern Division Group.

These nominees will join holdover candidates, Earl Dewitz of Oakfield and Ron Vandergrinten of Eden in the Veterans group, Don Jonas of West Bend, Jerry Bunkoske of Horicon and Ed Collien of Mayville in the Northern Division Group, and Dave Thimm of Hartford, Dale Rettschlag, Don Sabatke and Al Weiss, all of Juneau in the Southern Division group.

The winners will be inducted into the Rock River Hall of Fame and the annual banquet to be held on Saturday, October 6, at the Mayville Golf Club.

The late Howie Stallman of Johnson Creek will be posthumously inducted into the Hall of Fame at the banquet. Nominated for the Rock Diamond Award, given for outstanding service to local baseball, were Wil Eske of Lebanon, Rich Block of Watertown, Bob Kuehl of Hustisford and Gib Youngbeck of Mayville.

The RRL Old-timers are planning several events during the coming baseball season. On Saturday, June 8th, there will be and Old-timers

All-Star game with all proceeds going to a local charity. The site will be Steuber Field in Clyman with the festivities scheduled to start at 11 a.m. You do not have to be a member of the RRL Old-timers Association to participate. Contact chairman Neal Kohlhoff at 920-696-3769 for more information.

There will be a recruiting outing on Sunday, June 23 at Johnson Creek. The Pioneers will host the Helenville Rebels in a RRL Southern Division clash. All members are invited to attend. On July 5-6-7, the Oldtimers will hold a brat fry at the Piggly Wiggly store on Highway 23 east of Fond du Lac. The RRL Oldtimers Annual Outing will be held at a first round playoff game on Saturday, August 24 at a Southern Division site to be determined.

There are four Milwaukee Brewer discount ticket dates remaining this season. Terrace box seats are \$8.50 and terrace reserved seats are \$6 with a coupon available from secretary Bob Schulz at 920-349-3736. The dates are Friday, June 21 vs. Anaheim, Thursday, July 11 vs. Pittsburgh, Wednesday, August 21 vs Philadelphia and Monday, September 9 vs. St. Louis.

All officers were unanimously re-elected. Phil Nehls of Clyman is president, Wil Eske of Watertown is vice president and Bob Schulz is secretary/treasurer. Contact Phil at 920-696-3483 or Bob at 920-349-3736 for information on any of the above events or on becoming a member.

Athletes Finish Careers Undefeated

# Eighth Grade Track Wins Back to Back Titles

The eighth grade boys track and field team at Kewaskum Middle School won their second consecutive conference championship last Thursday in Hartford. The Indians also secured a place in the record books by finishing their careers undefeated. Despite a slow start in the field events, the Indians rallied back on the track to run away with the title.

Ross Stockhausen and Bryan Daggett finished seventh and eighth in the shot put to put Kewaskum on the board. Jake Sabel jumped 16' 10" to earn second place and Jason Jahnke jumped 16' 6" to earn fifth place in the long jump. Garrett Donath tied for fourth place in the high jump with a jump of 4' 10".

In the 110 hurdles, Jason Jahnke finished in second with a time of 16.1 seconds. Scott Rhoads finished a strong fourth with a time of 17.55 seconds. "Both Jason and Scott have done a great job in hurdles all season long," commented coach Grotenhuis after the meet.

Stockhausen capped off a terrific year with two second place finishes in the 100 and 200 meter dash events. Stockhausen's time of 12.8 seconds was three one-hundredths off the first place time. "Ross was a strong 400 runner for our team last year. He has worked hard this season to become one of the better sprinters around," said coach Grotenhuis. Teammate Jake Sabel finished in fifth with a time of 13.06, just three one-hundredths of a second off of the third place time.

Donath continued to have one of the finest seasons of any track athlete in

recent history. Donath smoked the rest of the crowd in the 400 meter dash event. His first place time of 57.0 seconds was over two seconds ahead of second place finisher and teammate Sable. "Garrett's time was faster than three of the 4x100 meter relay teams at the meet," said Grotenhuis, "he has a bright future ahead of him."

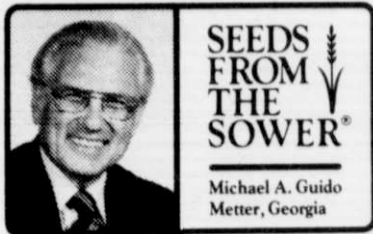

Nick Bartley was perhaps the most valuable runner of the night. He won the 1600 meter run event going away. His time of 5:09 was nearly 15 seconds faster than the nearest competitor. "I have never coached an athlete at any level with the mental focus that Nick has," said Grotenhuis, "he has the ability to psychologically fatigue the other runners and that is a huge advantage in track." Bartley went on to win his second straight 800 meter title with a time of 2:16.9. Coach Grotenhuis commented, "I don't think Nick has lost any race in his two years here at KMS. He has won conference titles in the 400, 600, and the 1600."

The relay teams did an excellent job at the conference meet as well. The 4x200 team of Nate Kenworthy, Adam Wagner, Alex Warranuis and Shane Sunday finished in fourth with a time of 1:52.3 seconds. The 4x100 team of Kenworthy, Jason Eggert, Mitch Paulus, and Jahnke took second place honors, finishing in 53.5, just one tenth away from first place Badger.

The 4x400 meter relay team of Jeff Paulus, Warranuis, Wagner and Donath cruised to an easy win, finishing in 4:14.8.

Final Results:

Kewaskum, 116.5; Slinger, 80.5, Germantown, 75.5; Badger 75; Silverbrook, 66; Hartford, 48.5; Waupun, 29; Pewaukee 13.

A fellow died. Two friends walked by his casket. One of them snickered. "Why?" asked the other.

"Pat didn't believe in heaven or hell," he answered. "There he is all dressed up and no place to go."

But I have a place to go—heaven. There, no pain will be upon any body, no burden upon any back, no grave upon any hillside, no sin upon any soul, no want upon any heart, no worry upon any mind, and no tear upon any face.

The Lord said, "I am the way." Take Him, and make heaven your home.

## Rock River League To Hold Oldtimers Charity Game

The Rock River League Oldtimers Association will host a charity Oldtimers game on Saturday, June 8, at Steuber Field in Clyman.

All former Rock River League ball players are invited to attend this event. You need not be a member to participate. The festivities will begin at approximately 11 a.m. All proceeds

from this fun-filled event will go to a local charity.

There will be a Tri-Country Nite League between Rubicon and Clyman following the Oldtimers game at 2:30 p.m. The public is also invited to attend to watch their favorite ball players of yesteryear take the field again.

For more information on this event, please contact Chairman Neal Kohlhoff at 920-696-3769 or RRL Oldtimers Secretary Bob Schulz at 920-349-3736.

# KHS Girls 4x400M Relay Team Third At State, Boys 4x100M Relay Team Fifth

By Jerry Gosa  
Sports Correspondent

UW-LACROSSE - The Kewaskum High School girls 4 x 400m relay team finished third at the 107th WIAA Track and Field Championships on Saturday, June 1. The Kewaskum relay team of Becky Herriges, Jessi Graham, Jenna Roecker, and Breyan Donath finished eighth last year and made it a goal this year to finish in the top six and win a medal this year.

On Friday the Kewaskum unit ran a season best time of 4:04.47 - over four seconds faster than their previous best that they had run at the Sectional Meet the week earlier. Two Rivers qualified for Finals on Saturday with the fastest time of the heat (4:01.58) and Kewaskum's time placed them second followed by Kiel (4:05.96), who won the other preliminary heat. Two Rivers, Kewaskum, and Kiel are all members of the Eastern Wisconsin Conference.

Kewaskum's Becky Herriges ran the lead-off leg in lane two all the way around the oval and then handed the baton to Jessi Graham. Graham ran the turn in her lane and then after the break line sprinted past both the Two Rivers and Kiel runners down the backstretch to take the lead. Graham extended the lead to almost 15 meters and then passed the baton to Jenna Roecker, who extended the lead to almost 20 meters. Roecker then handed off to Breyan Donath. Donath then had the almost impossible task of trying to hold off Two Rivers' Marcia Taddy with 400m to go. Taddy earlier in the day had won not only the 1600m run in 4:56 but also won the 800m run with a state record time of 2:12.2. Taddy was able to catch and pass Donath on the backstretch and then on the home stretch, Columbus edged past Kewaskum for second place.

Final times: Two Rivers 4:02.22, Columbus 4:04.14, Kewaskum 4:04.73, and Kiel 4:07.64. "Two great races by the Kewaskum girls relay team. They ran two great times - 4:04's on both Friday and Saturday. We are very proud and happy for them. They worked hard all season and peaked at the right time and then ran two great races two days in a row," commented head coach Jerry Gosa.

The Kewaskum boys 4 x 100m relay team of Josh Uelmen, Tom Ogi, Matt Hartmann, and Tony Fitts finished fifth with a time of 44.00 seconds. The Kewas-

kum relay team barely qualified for Saturday's final as their time of 44.44 seconds on Friday placed them ninth, and the last qualifier for Finals. "The relay team wanted to come back in the Finals on Saturday and improve on their ninth place qualifying time. They wanted to place in the top six and earn a state medal," commented coach Gosa. New Berlin Eisenhower won with an impressive time of 43.14 seconds.

A Kewaskum boys 4 x 100m relay team medaled at the State Meet for the third straight year. In 2000, Chris Canter, Tony Fitts, Jim Thelen, and Charlie Sparks finished fourth at state and last year the relay team of Canter, Fitts, Kevin Miller, and Sparks won the event to become state champions. Fitts was a member of all three 4 x 100m relay teams and along with Ogi, members of the state championship 4 x 200m relay team last year.

Jessi Graham placed eighth with a height of 8' 6" in the pole vault on Saturday. Laura Massey of Lancaster/Potosi won the pole vault with a height of 11' 3".

On Friday, Nicole "Coco" Herrmann placed 10th in the shot put with a throw of 34' 7". Amber Curtis of Brodhead won the shot put with a throw of 44' 1/4" and the discus with a state record throw of 153' 11".

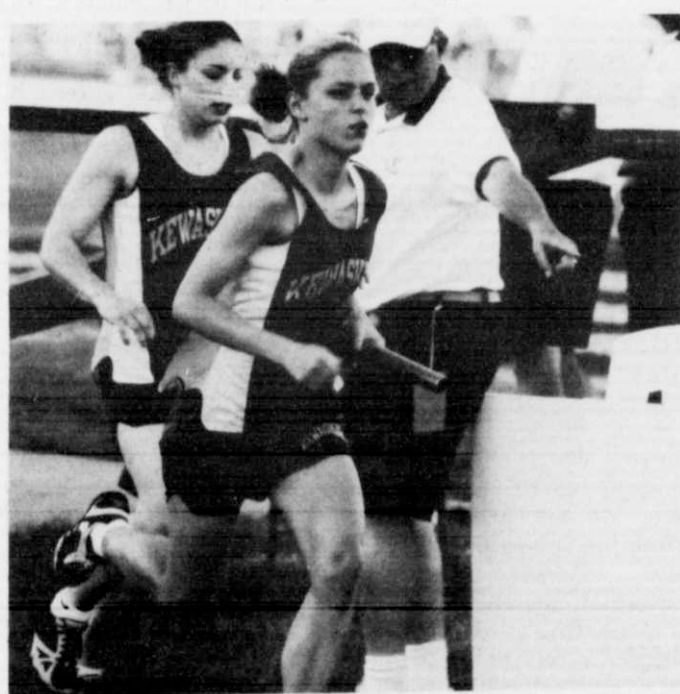

Jolene Clark finished with the 6th best height at 5' 0", but because of misses placed 10th. Liz Roehrig of Chilton won the high jump

Top- Tom Ogi takes off and gets ready to receive the baton from Josh Uelmen in the prelims of the 4x100M relay on Friday at the state meet.

Bottom- Jessi Graham, hands the baton to Jenna Roecker in the Division two 4x400M relay at the state meet. Graham and Roecker combined with Becky Herriges and Breyan Donath to place third in the finals with a time of 4:04.73 on Saturday at UW-LaCrosse. The same foursome placed eighth last year and set a goal to win a medal this year, which they did!

at 5' 7". Jenna Roecker finished with the 10th fastest time (16.82 seconds) in the 100m high hurdles and did not advance to the finals on Saturday. Melissa Talbut of Freedom won the high hurdles with a time of 14.68 seconds.

Tony Fitts injured his leg in the long jump and only jumped 19' 4 1/4" after jumping a season best of 21' 1" at sectionals the week earlier to qualify for the state meet. Cody Kronberg of Seymour won with a jump of 21' 7 3/4".
