## Steiner Selected For Board, Budget at \$15,482,781

**Beth Steiner**

By Andrew Kuehl  
Staff Writer/Photographer

**B**eth Steiner of Kewaskum filled the vacant seat left by Andy Degnitz in July. Steiner won the seat after three votes and by beating out Carrie Kuehl, Jeanne Goeden, and Neal Weare. Andrew Kuehl withdrew his application before last Wednesday's meeting.

The first two votes were unsuccessful due to the fact that there was not a majority vote. Four votes were needed to make the final decision.

After the second vote, Jeanne Goeden stepped down from the position due to the fact that Superintendent Wayne Graczyk was not present. She felt that if he wasn't able to make it then a lawyer or other district administrator should have been there. Graczyk stated that he had been in touch with the district's legal professionals who stated that they were following the correct procedures.

After Goeden withdrew her name, the board held a third vote, and Steiner received the four vote majority and the seat.

### ANNUAL MEETING

Monday night's annual meeting started off on a very positive note.

Superintendent Wayne Graczyk stated in his opening remarks that the district needs to reflect on the posi-

tive. He stated that there are many good programs in the district, but you always hear the bad and not the good.

Graczyk cited a high school remediation program for failing ninth graders. They have found that the highest failure rate is in the ninth grade. He also pointed out a different type of remediation program taking place at the middle school. The program is called Stargazing and 90% of the kids failing end up passing their course with this program. Failing students are given two weeks to make up a failing grade and if they don't make it up in those two weeks, they spend two weeks with Mr. Soerens after school from 3 to 5 p.m.

Graczyk also stated that he is very proud of the finance committee and board for doing a good job with the budget.

Paul Reichert presented the 2002-2003 budget. The budget was balanced at \$15,482,781. This means the mill rate will possibly increase 10¢ to \$9.21 for the 2002-2003 school year. The numbers, however, will not be finalized until October once the district know the actual equalized value. This still is the second lowest mill rate since the 1980-1981 school year. The lowest was the 2001-2002 rate of \$9.11. The highest was 16.91 for the 1992-1993 school year. The possible rates mean that a house assessed at \$100,000 would pay \$921.00, which reflects a \$10 increase and a \$200,000 home would pay \$1,842.00 or a \$20 increase.

The tax levy was approved by a John Schulte motion and a second by Kieth Kriewaldt with a unanimous vote.

After all the budget questions were addressed, Chairperson for the meeting Neal Weare, moved on to the resolutions.

The first resolution to set the annual salaries for the school board members pro-

vided for an interesting two vote approval. The first motion made by Julie Dembrowski was to give them a \$0 salary and to "give students \$1,400 more." Tim Hoffman seconded the motion. Board member John Schulte pointed out that "board members don't do this for the pay, but zero pay is insulting," citing all the responsibilities and obligations they must fulfill to be on the board. John Meisser also voiced his opinion that when it comes down to it, they are earning less than \$3 per hour.

Kriewaldt who made the second motion of leaving it at \$2,000 for the year stated that he knows the district is under very hard times, but they deserve at least that much. The motion was seconded by Mrs. Irene Gnacinski and led to a 16 yes, 11 no ballot vote.

There were numerous other resolutions that were approved including things like providing textbooks to students, providing hot lunches, approval for a Educational Technology Block Grant, the tax levy, operating and maintaining school vehicles and providing insurance for them, authorization to sell or dispose of obsolete or unused furniture and equipment and approval for providing up to \$125 per day for reimbursement for school board members who must miss work to fulfill school board obligations.

The final resolution was to set the date for the 2003 annual meeting. In a Mary Meisser, John Schulte motion and second the date was set for Monday, July 28, 2003 at 7 p.m.

## Boltonville FD Receives Federal Firefighter Grant

**G**ov. Scott McCallum announced Friday that federal grants totaling more than \$1.1 million have been awarded to 19 Wisconsin fire departments to help improve firefighter safety and enhance other firefighting operations.

Our own Boltonville Volunteer Fire Department was one of those who received a grant, as they received \$120,987.

The grants are for training, vehicles, firefighting equipment, personal protective equipment, wellness and fitness programs, and fire prevention programs. The grants are from the Assistance for Firefighters Grant Award Program, which is sponsored by the Federal Emergency Management Agency (FEMA) and the United States Fire Administration (USFA).

This is the sixth round of grants announced by FEMA/USFA. The awards are part of \$360 million in grants that will be distributed by FEMA nationwide this year. More than 19,500 fire departments throughout the country have applied for grants. In this sixth round of grants, 655 fire departments were selected to receive awards.

So far this year, 40 Wisconsin fire departments have received more than \$2.4 million in grants for fire operations and firefighter safety from the Assistance

for Firefighters Grant Award Program.

Other local Fire departments receiving grants are: Greenbush Fire Department, \$12,485 and Richfield Volunteer Fire Company, \$11,146

## Vote Now for Favorite Candidate to Pucker Up SEMI-FINALS END SEPT. 30

I hate to start out on a sour note, but I guess you'll have that when you're dealing with pigs. Our friend piggy was very close-snouted this week and absolutely refused to speak to the news media, so therefore, I guess I will have to be brief. (No cheering out loud please!)

I think piggy might just be a little miffed because the voting was really down this week. I tried to explain that everyone was just holding out for the big push that is coming on September 30. He just has to realize that with all this talk of another recession and war, he's not the only one that is a little tense. Thank goodness we can all still laugh at the prospect that one of our own residents (or perhaps a resident from Campbellsport) may end up kissing a pig.

I also heard a rumor that piggy just found out that there is a distinct possibility that he may have to kiss one of the Woodchicks and if this is the case, I can see why he might be a little afraid. As long as they're singing, piggy, you have nothing to fear!

The Kettle Kountry Kolers Chairmen, Wendi

Dreher and Cliff Demos, made an announcement last week that there may be trouble on the horizon for the annual Kettle Kountry Kolers Festival this year. It seems that Miss Piggy has found out that her NEW beau, our own piggy, plans to kiss another woman at the festival and she is LIVID! I only hope that we won't have to hire riot control personnel. (Of course, if Aggie Fleischman wins the contest, we probably will have to anyway!)

For now we have been sitting down with the committee to map out the strategy just in case Miss Piggy gets too jealous. We have been assured that she will be making an appearance at Kettle Kountry Kolers just to keep an eye on piggy (and to solicit votes for Jeanne "JAM JAR" Marchant). Don't even try to figure this one out, it's way too complicated! Whenever I have three or four hours to spare, I'll sit down at the computer and try to explain it, but I'm not even sure I can

And for those of you who don't think I take abuse... Jeanne "JAM JAR" has assured me that when

Highway 28 East gets renovated, she plans to put it right through the middle of the Kewaskum Statesman! Hmm... sounds interesting... a drive-thru newspaper!

Just a reminder... the semi-finals end at midnight on Monday, September 30. Five female good sports will be eliminated and five male good sports will be eliminated. On October 1 we will be entering the finals with only five gals and five guys left to vie to pucker up. If you really, really don't want to see your name in the finals next week, please, please vote for your opponents. Thanks a ton to all the candidates who participated in the contest and withstood my abuse. It takes a good person to be able to laugh at yourself.

One more piece of information to share... the guys out-voted the girls last week, 99 votes to 22. Are we going to sit by and let the guys think they can spend more money than we do? Or are we cross-voting and are the women doing the voting for the guys? Another question to ponder.

Voting barrels are all over the place so that you may cast your vote almost anywhere you go in Kewaskum. Unless YOU vote, next week at this time, your favorite just may be completely eliminated.

And for those of you who still wish to vote completely anonymous, mail in your vote to Kiss-the-Pig Headquarters. % P.O. Box 98, Kewaskum, WI 53040.

Candidates who received your votes this week included Tammy Garbisch, Aggie Fleischman, Jeanne Marchant (who received 1-1/2 votes courtesy of Jim Schaub), Jill Yancy, Karie Martin, Linda Witt, Kissy, Roy Garbisch, Bob Buddenhagen (one of Kewaskum's finest) and Ron Will.

We still have a shot for the husband and wife tag team... but not if YOU don't vote!

Take care of the minutes and the hours will take care of themselves.

## Kiwanis Club Still Seeking Old Cell Phones

The Kewaskum Kiwanis Club is asking cell phone users to answer the call and turn in used cell phones they no longer need to help raise funds for the various community projects the club sponsors. Collection efforts have been going strong for almost a year now. Over 300 phones have been collected thus far.

"The primary goal of our phone drive fundraiser is to collect wireless phones that consumers aren't using anymore," said the club's president Larry Ammel. "With more than 30 million used wireless phones lying idle in American homes and businesses, an individual can turn a used item into new funding that helps support our mission in a simple but effective way."

Any portable cellular or PCS phone is accepted, excluding bag phones of vehicle-installed models. The Kiwanis Club will also take the phone's battery or charger, if available. All donors should deactivate the wireless service of any donated phones before turn-

ing them in.

"We're very excited about this new fundraising opportunity," said Ammel. "Not only will it benefit our organization, but donated phones that can't be refurbished are properly recycled to benefit the environment as well."

The public may donate their used wireless phones by mailing them to

# Meeting to Be Held on County Park Master Plan

The Washington County Planning and Parks Department held the first of two public input meetings on the master planning for Leonard J. Yahr County Park on August 29, 2002. The meetings are held for the purpose of gaining valuable citizen input into what they would like to see happen in the park.

The second public input meeting will be held at the Washington County Public Agency Center the evening of September 30 from 6:30 to 8:30 in rooms 1113A and 1113B located at 333 E. Washington Street in West Bend. The public is invited to attend this meeting. There will be an open house from 6:30 p.m. to 7 p.m. to allow citizens to view several design options for the master plan. The public meeting will be held from 7 to 8:30 p.m. and will consist of a short presentation of

the design options after which the public will be able to give their feedback and comments on the designs.

At the first public meeting held on August 29, 2002 the open house provided an opportunity to view pictures of the park and areas of wetlands and woodlands within the property. The public was given an opportunity to provide input into what types of facilities they desired as part of the master plan. All of the feedback provided was considered during the development of the conceptual designs that will be reviewed at the September 30th meeting. The consensus of the citizens who attended the meeting was to keep the park as natural as possible. Also during the meeting, the public was made aware of the recommendations of the Planning, Conservation and Parks Committee in regards to

converting the existing brick home into a shelter.

## Story Times For Two's

Who is your favorite author when you were very small? This October the Campbellsport Public Library will celebrate and explore the works of four very talented children's authors. Children who are two years old are welcome to join us in exploring the wonderful world of children's literature.

They will be exploring books through music, finger games, activities and crafts. This program will be held every Friday in October. We will begin our activities at 10:30 and they will last for about 30 minutes.

Please call (920) 533-8534 with any questions and to register, or stop in at the Campbellsport Public Library.

## Cesarec - Anderson

Kathy and Fred Wesenberg of Campbellsport and Tom Cesarec of Franksville are pleased to announce the engagement of their daughter Amy Beth to Matthew Zack Anderson.

The couple is planning a June 7th, 2003 wedding.

Amy is a 1996 graduate of Kewaskum High School. She is currently employed with Culvers of Oshkosh as

an Assistant Manager and also employed as a shipping assistant with FedEx Ground.

Matthew is a 1998 graduate of West Bend West High School. He is a student at the University of Wisconsin - Madison studying Genetics.

Proud parents of the groom to be are Valerie and Mark Anderson of West Bend.

## Class Reunion Held

The Alumni Association of Neshkoro High School held their reunion at the Knights of Columbus Hall at Berline on September 14, 2002.

Approximately 92 people were in attendance. We said the Pledge of Allegiance and sang the Star Spangled Banner. Dinner was served at 1 p.m. Letters were read from those who could not attend. A moment of silence was observed for those not with us anymore.

Former cheerleaders were called upon to perform. Neshkoro High School in Marquette County had its last class in 1984. Seniors from the area, and all high school students are transported to Westfield 14 miles away.

One of our illustrious members was Paul Henke, former mayor of West Bend.

We were entertained by the Bob Kelm Barbershoppers.

A new committee was selected for our next gathering in two years. Door prizes were awarded.

## As I See It

By Rochelle Pennington

### Classrooms Come in a Variety of Settings

Class was in session, and the teachers were all around me: ants.

From my desk of worn and patchy lawn, I awaited the wisdom which would be taught in Nature's University - this place without chalkboards or textbooks or walls.

Observation revealed that an ant can pull a dead grasshopper (the community's future food supply) across the dirt with a determination exceeding mathematical probability - in excess of fifty times its own weight! This struggle went on until it caught the attention of other ants.

*Go to the ant - consider her ways and be wise.*

-Proverb 6:6

The others then, without a leader to tell them what to do, hurried to help. They bumped into one another as they tried to grab hold of the gigantic bug, but no one stopped to fight about it. No one was arguing for a different or a better spot to pull from. No one seemed to be concerned about who was doing more or less work. Their efforts were clearly focused beyond themselves and onto the whole of the good for all.

Watching them march toward their anthill, I pondered their astonishing strength and exceptional cooperation when another example flew by, its engine buzzing at full throttle: a bumble bee.

Scientists say it is aerodynamically impossible for the bumble bee to fly. Its wings are too small; its body, too large. Yet, "up, up and away" it goes, knowing nothing of the meaning of aerodynamics nor impossibilities.

The noisy, striped flying vessel circled above my dog who lay peacefully beside me. He, too, is a teacher, as is all of nature.

What is it that nature has to teach us? Much.

#### Things We Can Learn From a Dog

When loved ones come home, always run to greet them; run, romp, and play daily; be loyal; when someone is having a bad day, be silent, sit close by, and nuzzle them gently; never pass up the opportunity to go for a joy ride; allow the experience of fresh air and wind in your face to be pure ecstasy; take naps and stretch before rising; delight in the simple joy of a long walk; avoid biting when a simple growl will do.

Anonymous

My dog's tail wagged as he was awakened by geese honking above. He watched me as I watched them. I wondered where this alphabetically shaped "V" was headed.

I knew not where, but I did know how: together. They go together. It is their strength and lesson they offer to us all.

#### The Sense of a Goose

Next fall, when you see geese heading south for the winter, flying along in "V" formation, you might consider what science has discovered as to why they fly that way.

As each bird flaps its wings, it creates an uplift for the bird immediately following. By flying in "V" formation, the whole flock adds at least 71% greater flying range than if each bird flew on its own.

(People who share a common direction and sense of community can go further and get where they are going more quickly and easily, because they are traveling on the thrust of one another.)

When a goose falls out of formation, it suddenly feels the drag and resistance of trying to go it alone and quickly gets back into formation to take advantage of the lifting power of others.

*For the Indian, knowledge was inherent in all things. The world was a library.*

-Chief Luther Standing Bear

(If we have as much sense as a goose, we will stay in formation with those people who are headed the same way we are.)

When the lead goose gets tired, it rotates back and another goose moves forward to fly at the point.

(It is sensible to take turns doing hard tasks and demanding jobs with people, as with geese, who are interdependent.)

Geese honk from behind to encourage those up front.

(What messages do we give when we honk from

behind? We need to make sure our honking is encouraging.)

Finally, when a goose gets sick or is wounded by gunshot and falls out of formation, two other geese fall out with it and follow it down to lend help and protection. They stay with the fallen goose until it is able to fly or until it dies. Only then do they launch out with another formation to catch

up with their group.

If we have the sense of a goose, we will stand by each other like that.

### Five Things You Should Know About Social Security Benefits

When you try to figure out how much life insurance you need, do you remember to add the value of the survivors insurance you probably already have through Social Security? Too many folks don't...or don't realize how valuable their Social Security benefits just might be.

For an average wage earner who dies and leaves a spouse and two children, the value of Social Security survivors benefits is equal to a \$403,000 life insurance policy. And the only real difference is that the Social Security survivors benefits are paid monthly and not in a lump sum.

Here are five basic questions about survivors benefits that you should be able to answer to help you with your financial planning.

**1. How do you earn Social Security survivors insurance coverage?** Just by working in a job covered by Social Security. You earn up to four "credits" a year, and the number of years of work that you need for your family to be eligible depends on your age when you die. The younger a person is, the fewer credits you need. A person who dies before age 22, for example, would need only 1 1/2 years of work for coverage. And no one needs more than 10 years of work to be eligible for any Social Security benefit.

**2. Who can get survivors benefits?** Social Security survivors benefits can be paid to widows, widowers, children and some dependent parents.

**3. How much can survivors receive in benefits?** Basically, the higher your earnings, the higher

the benefit payments to your survivors will be. The actual benefit amount will be a percentage of your basic Social Security benefit and ranges from 70 to 100%, depending on the survivor's age and type of benefit. If you check the *Social Security Statement* that you get each year, you will find an estimate based in your own earnings.

**4. Can a widow or widower get retirement benefits in addition to survivors benefits?** No, you can't get both. But we will pay you the higher of the benefits you are entitled to.

Sponsored by your local AAA club.

In some cases, for example, a widow or widower can begin receiving survivors benefits at a reduced rate and then switch to retirement benefits at an unreduced rate at full retirement age. The rules vary depending on your situation. You should talk to a Social Security representative about the options available to you.

**5. What happens if a surviving spouse remarries?** Generally, a spouse can't get survivors benefits if he or she remarries. But, remarriage after age 60 (or 50 if you are disabled) will not prevent you from getting benefits based on your former spouse's record. And, at age 62 or older, you may get benefits on the record of your new spouse if they are higher.

## Kewaskum Blitz Builders

**EDITORS NOTE:** This letter was sent to Walt and Phyllis Bade of Kewaskum from their son David who lives in Des Moines, Iowa. He and his family drove over to visit the Habitat Site in Indianola, Iowa one evening. They enjoyed their visit and were very impressed by the spirit of this group. This is from the July to August 2002 "Warren Works" Warren County Habitat for Humanity Newsletter.

Well, they've come and gone back to their homes in Kewaskum, Wisconsin leaving a nearly finished house for our partner-family number five to live in. And Lord, what a blessing they have been!

These 18 men and women arrived on the weekend of July 13-14 and when they left on the morning of July 19 they left all the interior and exterior walls of the house raised, the roof on and shingled, and the house enclosed in housewrap. They descended on us supplied with sleeping bags, groceries to use in preparing their own meals, and a check for \$1,000 to pay for the materials they'd be using. They slept on the floors of the parish hall of the First United Methodist Church in Indianola, using Simpson's gym for showers and swimming, using the church's kitchen for food preparation but their astonishment had to do very little cooking.

Our good friends here rushed in to provide them meals and snacks. After the Methodist Church gave them a welcoming potluck, the following churches came forth with either noon or evening meals: Crossroads United Church of Christ, First Baptist, Redeemer Lutheran, and Trinity Presbyterian. Wells Fargo Bank also furnished a meal, Hy-Vee doughnuts for each morning's coffee break, and the Habitat family's new neighbor-to-be, Bob Evans brewed them coffee. (Evans has also mowed the site

since habitat took possession.) Other neighbors kept the workers' water jugs full.

Organized by the Peace United Church of Christ, the group included three from neighboring churches, Roman Catholic and Lutheran congregations. Under the direction of their site supervisor, these workers typically spent two hours the evening before each workday laying out jobs and assigning workers for the next round of construction. Workers divided into teams who built different components of the house and had them ready when the site supervisor called out a unit number and the frame for a window, door, or interior wall was handed up to the assembly crew. No wasted motion and incredible production is the hallmark of this, their 18th year of sending work teams out to raise a house from its foundation to the roof in five working days. Ours was the 14th build they've done for Habitat for Humanity affiliates (last year's was in Lexington, KY).

Not only does this church involve adults but they recruit and train youth to perform this kind of service ministry. They had offered us a youth team while we were finishing house number four which we had to refuse because of a lack of meaningful work to keep them busy for a week. So the youth took on a build in Michigan.

God bless and keep Site Supervisor Howard Zemlicka and wife Connie, Pastor Eric Kirkegaard, mother and son Karen and Dave Kletti, Toni Farrell, Clark Pearson, Faith Mauk, Clayton Stautz, David Domasky, Gary and Jane Gerhartz, Steve Van Ess, Bill Stangl, Kathy Zahn, Mary and Mark Steinhardt and Char Keller.

They stole our hearts and showed us how to be better stewards in Habitat for Humanity's home building ministry.

## Otis Named Sales Manager of New Division, WB Savings Bank

Assistant Vice President Teri Otis was named Sales Manager of West Bend Savings Bank's Home Loan Division.

Assistant Vice President Teri Otis has been named as Sales Manager for the new Home Loan Division of West Bend Savings Bank. Otis will be moving up to the new position from her current position as Branch Manager of the Bank's Pick n' Save South office in West Bend.

Wendy Heather, Senior Vice President for Retail Lending stated, "Teri is an outstanding banker as well as manager of people, we feel that she is just the right type of person to lead the new Home Loan Division sales effort. She is an experienced member of the West Bend Savings Bank team, knows West Bend and the people we deal with every day here in Washington County, including the real estate professionals and builders who are experts at going out and finding different types of mortgages to fit particular situations. The Home Loan Division office is located at 508 Shepherds

Drive in West Bend.

Otis is a long time resident of West Bend who has been with West Bend Savings Bank for approximately 10 years. She has served as Branch Manager at Pick n' Save South since 2000. She is an active member of the West Bend Sunrise Rotary Club as well as being a division leader in the Washington County

United Way for the past two years.

Craig Ronchettie, Branch Manager at the Bank's Grafton office, will replace Otis as Branch Manager at the Pick 'n Save South office.

The Home Loan Division office is open weekdays from 9 to 5, and can be contacted by phone at 262-335-6262.

## Workshop On Photovoltaic Technology At Riveredge

Learn about down-to-earth photovoltaic technology at Riveredge Nature Center, Newburg, on Monday, September 30, 2002 from Dr. Dennis Flood, one of NASA's photovoltaic guru's from 1967 until his retirement in June of 2000.

At NASA, Flood served as Chief of the Photovoltaic Branch, Lewis Research Center (now John Glenn Research Center), Cleveland, OH. It's fair to say Flood and his team took photovoltaic technology from the dark ages to the outer reaches of the solar system. But what's even more important, along their million-mile journey, they also brought efficient photo-

voltaic technology down to earth.

Flood's presentation, entitled "Solar Energy Conversion from Space to Earth," focuses on terrestrial applications of this elegant and sustainable technology; energy solutions applicable to daily life. Plus, Flood has stories to tell about space science on the cutting edge and the people who did the cutting.

Don't miss this exciting program, beginning at 7:30 p.m. in the Riveredge barn. Call Riveredge (262) 375-2715 or (262) 675-6888 for more information.

Cost: Riveredge members - free, non-members, \$4.

## Sacred Steps Peace Vigil Brings World Traditions to Cedar Valley

WEST BEND - Spiritual leaders from all over the world are coming together for Sacred Steps, a 24-hour Walk for Peace vigil at Cedar Valley Retreat Center in Kohlsville. The opening ceremony starts at 9 a.m. on Saturday, September 28 and convenes with a closing ceremony at 9 a.m. Sunday, September 29. There is no charge to participate in this vigil, but a freewill donation will be accepted.

According to Susan Kolb, director of Cedar Valley this is the first event of this kind in the region. "We are very blessed to have hundreds of people representing the different religions walking and praying for world peace."

Jewish, Hindu, Muslim, Buddhist, Christian, Native American and Baha'I faiths

## UWWC Classes

All classes for kids and adults will be held at the University of Wisconsin - Washington County. To register for any of the courses, call (262) 335-5218.

### CLASSES FOR KIDS

**Grease Paint Graphics**, Oct. 12, 2002, 9 to 11 a.m. Learn theatrical makeup techniques for transforming your facial appearance into something out of the ordinary. Open to children in grades five through nine. Fee is \$35.

### ADULT CLASSES

**Death and Dying**, Thursdays, October 3, 10, 17 & 24, 2002, 7 to 8:30 p.m. Being a caregiver for someone terminally ill involves a commitment of time and energy. This course will provide an overview of concerns and questions that family and friends may encounter during this difficult journey. The fee is \$65.

**Chicago Art Trip**, Saturday, November 9, 2002. Depart UWWC at 7 a.m. and return at 9 p.m. See the renowned art works at the Art Institute of Chicago and the Museum of Contemporary Art. Fee includes roundtrip motor-coach transportation and West Bend and Chicago and between Chicago sites. Fee is \$40.

**Cripple of Irishmaan**, UWWC Fall Play, October 25, 26 and November 1, 2, 2002, 7:30 p.m. Irishmaan, a remote island off the west coast of Ireland, buzzes with life after townspeople learn that a Hollywood director is coming to find a star for his upcoming film. This play will remind you that even in the worst of times, love and laughter will triumph. Tickets are \$8 for adults, \$6 for seniors and under 18. UWWC students are free. To reserve tickets, please call 262-335-5208.

will participate in ceremonies and a continuous 24-hour walk of sacred paths. An ancient sacred Native American drum, never before used outside its Lakota reservation, will provide a continuous heartbeat during the peace vigil. All people are invited to join in the chanting and prayers from each of the faiths represented. "Come for one hour or stay overnight," said Kolb. "We have families who will be camping along the sacred paths for the night." A special fire ceremony will be offered at sunset on Saturday to commemorate special occasions in people's lives.

One of the spiritual leaders participating in this vigil is Swami Ghan Shyam of Hardwara, India, who has spent many years in intensive spiritual practice, eleven of which were in complete silence. "The time has come for a new birth of consciousness," according to Swami Ghan. "America and the world need a fresh approach which starts with each one of us." Phra David Chotiko, a Buddhist monk whose base is Australia and well known throughout Wisconsin, is also participating in the Walk for Peace.

There will be additional activities including massages, music, swimming, labyrinth walks, wagon rides, hikes and lessons on wellness. Open Wings Studio located on the grounds of Cedar Valley will provide art and games for children. Meals are available at a nominal cost with vegetarian options provided. Proceeds will be used for promoting peace through education and diversity in the West Bend area.

Cedar Valley Retreat Center is located at 5349 County Road D, West Bend. It is a division of Cedar Community, a not-for-profit, church-affiliated provider of health care, rehabilitation, education and senior housing, located in West Bend.

## Grant Requests For Ice Age Trail Expansion

Washington County has requested matching grant assistance from the state Stewardship Program administered by the Department of Natural Resources. If awarded, the county will receive a cost-sharing grant of \$81,375 for the acquisition of 1.4 acres of land to expand the Ice Age National Scenic Trail and Washington County's Ridge Run Park.

The property is currently owned by Sharon Marth and is located on West Washington Street, west of University Drive in the City of West Bend and is adjacent to the Ridge Run Park. In developing the property the county intends to preserve the existing wetlands and natural features and construct a trail that is accessible to people with disabilities, a trail linking Ridge Run Park with the Ice Age National Scenic Trail, and a trailhead for the Ice Age Trail on West Washington Street that will include signage and parking. In addition to this Stewardship grant award, the department will consider awarding Washington County a grant of \$80,000 from the federal Land and Water Conservation Fund - Ice Age Trail program for this acquisition.

This type of project typically does not have the potential to cause significant adverse environmental impacts; therefore, the Department has made a preliminary determination that an environmental analysis will not be required for this project.

Information regarding the Department's grant determination can be reviewed at the DNR Southeast Region Headquarters. Contact Tom Blotz at (414) 263-8610, Dan Kaemmerer at (414) 263-8704 or Gene Park at (414) 263-8676. Comments on the proposed project are welcome and should be received by Mr. Blotz no later than 4:30 p.m. on September 26, 2002.

# Anderson Wins Hon-E-Kor Club Title

By Judy Harlow

In years to come, Craig Anderson is going to look back on the summer of 2002 with some fond memories.

Winning the Hon-E-Kor club title over Jay Krueger was accomplishment No. 1, and the second which came Sunday, was a one stroke victory over West Bend Country Club's Randy Warobick in the 29th annual Kettle Moraine Amateur Tournament.

Anderson, who plays out of Hon-E-Kor and coaches the boys and girls golf teams at West Bend West High, bogeyed the final hole and thought for certain he had lost the title, only to learn that Warobick came up on the short end of an encounter with a tree and finished with a seven. Thus the two men wound up with respective 36-hole scores of 146 and 147.

The only other player to break 150 was Paul Bartelak of Milwaukee (149), who closed with an even par 70 Sunday after struggling with a 79 in the opening round.

Good starts in both events helped bolster Anderson's confidence level. In the HEK finals, he eagled the first hole of the Red Nine to jump ahead of Krueger, and Sunday he fired a one-under-par 34 on the Red side, but still medal play is quite different. Finishing strong is important, unless a player has a good lead to work with.

"I've never done it, and I don't know when it happened last," Anderson said about capturing the "double," HEK and KMA titles. "It probably was Mike (O'Connor Jr.), and that has to be at least 10 years ago." "I wanted to start strong. I shot a 34 so I was right in line," Anderson said, admitting the task became more difficult when the winds picked up five holes into the round.

"It always makes the back nine more difficult, and it brings more guys into contention," Anderson said, indicating he got to even with a birdie on the par three 16th hole. "I think that's when I took the lead."

Number 17, the peninsula hole, took its toll on Anderson on this day, as it has many times in the past with other contenders.

Anderson called his five "a good bogey" because, after hitting his tee shot into the water, I had a six-footer (for five), and I made that."

Then came number 18, and after reaching the green in three shots, Anderson three-putted. "I thought I lost the tournament," he said, but "Randy didn't know what I was doing, and that probably made the difference (in what he tried on his third shot)."

Which is pretty much what happened.

"I thought I needed to make a birdie to catch Craig and took a double bogey,"

Warobick said, indicating he had a good drive which was followed by a second shot that settled in the rough.

"I had to go right up over the tree...I tried to hit a miracle shot," Warobick said, recalling how his ball struck the tree and found water, leading to a seven and a round of 75 on the closing day.

Despite finishing second after winning last year's rain-shortened event, Warobick said, "It was a fun weekend. The wind made the course play a lot tougher today. There were some tough pin placements, and the greens weren't quite as soft."

Warobick said he had a lot of good shots Saturday when he shot 72 and was one stroke ahead of Waukesha's Todd Rathkamp, Mark Eberle of Milwaukee, and another former champion, Joe Doherty. Doherty ballooned to an 82 on Sunday and finished in a logjam for 10th place at 155.

Rathkamp placed fourth at 150 (73-77). Clint Gundrum and Ted Sprinkmann, both of the West Bend Country Club, tied for the fifth spot at 151. Gundrum's scores were 77 and 74, while Sprinkmann started with a 75 and was one shot back of that mark on Sunday.

"I think this is the best field we've ever had," the champion Anderson said. "The Milwaukee guys...they're all good players, and a couple young guys, Logan (Olds) and David (Roehrig), they're getting better and better." Olds

is a junior at West Bend East, while Roehrig is playing for the University of Wisconsin - Washington County this fall. They ended at 155 and 158 respectively.

The First Flight champion was Tom Neal of Kewaskum, who posted a 159 (80-79). Jim Bird led the Second Flight with his scores of 77 and 90 for a 167, three shots in front of Lou Santini (82-88) and Mike Lewis captured top honors in the Third Flight with an 84-88 - 172, six shots ahead of Gary Curerri (84 - 94).

Writers note: Only three previous times in the past 28 years had a golfer won both the Hon-E-Kor and KMA titles. O'Connor Jr. won both events in 1974 and 1988, while Clark Eichstedt accomplished the feat in 1986.

# Grant Request for Natural Area Preservation

Milwaukee, Wis -- The Ozaukee Washington Land Trust has requested matching grant assistance from the state Stewardship Program administered by the Department of Natural Resources. If awarded, the land trust will receive a cost-sharing grant of \$208,625 for the acquisition of 21 acres of the Muth Woods Natural Area, a regionally significant natural area as determined by the Southeastern Wisconsin Regional Planning Commission (SEWRPC).

The property, formerly owned by Marie Muth, is being purchased from Citizens/Weis Corporation and is located at the northwest corner of the intersection of county HWY G and Paradise Drive in the Town of West Bend. In addition to the high-quality stand of southern mesic hardwoods and lowland hardwoods, the Muth Woods Natural Area contains an exceptionally rich and diverse ground flora that includes state threatened and special concern species. The abundance

of native plant species is among the highest for any woods inventoried by SEWRPC in Southeastern Wisconsin. Following the purchase of the property, the land trust intends to transfer ownership of the land to the City of West Bend which will manage the property as a nature preserve as part of the city's park system.

This type of project typically does not have the potential to cause significant adverse environmental impacts; therefore, the Department has made a preliminary determination that an environmental analysis will not be required for this project.

Information regarding the Department's grant determination can be reviewed at the DNR Southeast Region Headquarters. Contact Tom Blotz at (414) 263-8610, Dan Kaemmerer at (414) 263-8704 or Gene Park at (414) 263-8676. Comments on the proposed project are welcome and should be received by Mr. Blotz no later than 4:30 p.m., September 26, 2002.

## OBITUARIES

### ERWIN C. LAWRENZ

Erwin C. Lawrenz, age 84, of Batavia, went to his heavenly home on Saturday, September 21, 2002 at St. Joseph's Community Hospital in West Bend.

He was born on December 9, 1917 in the town of Scott, the son of the late Herman and Adalia (Glander) Lawrenz, and on November 22, 1952 he was united in marriage to Alice Butzke at Immanuel Lutheran Church in the town of Scott.

Erwin was a member of Immanuel Lutheran Church in the town of Scott, a member of the board of education for several years and a member of the Beechwood and Boltonville Fire Departments. He farmed most of his life, and after retirement he was employed by Times Printing in Random Lake until the time of an accident in 1987.

He enjoyed his children, grandchildren and great-grandchildren and passed his time with crafts, such as wooden Packers and shelves of every kind. He enjoyed puzzles and his John Deere collection.

Survivors include his loving wife of 49 years, Alice of Batavia; four children, Dawn (Jack) Scholler of Random Lake, DoWayne (Pam) Lawrenz of Random Lake, Lark (Rikki) Lawrenz of Oostburg and Tracy (Amy) Lawrenz of Random Lake; 15 grandchildren, Kelly (Larry) Killian, Shawn (Theresa) Scholler, Rob (Wendy) Scholler, Mike Lawrenz, Michelle Lawrenz, Fred, Stefany, Nick and Melody Schneider, Jeremy (Sarah) Lawrenz, Chris Lawrenz, Brian Lawrenz, Samantha, Tyler and Alissa Lawrenz; eight precious great-grandchildren, Tommy, Kordell and Mackenzie Killian, Lindsay and Tristan Scholler, Matthew, Rachel and Caleb Lawrenz, other relatives and friends.

He was preceded in death by a daughter, Linda Keyes; his parents-in-law, Myrtle and Howard Horn; two brothers, Samuel and Eldon Lawrenz and two sisters, Irene and Golda Lawrenz.

Funeral services were held at 7:00 p.m. on Tuesday, September 24, 2002 at Immanuel Lutheran Church in the town of Scott. Vicar Kurt Ziemann officiated and burial was at 10:00 a.m. on Wednesday in the church cemetery.

Friends called at the church on Tuesday from 4:00 p.m. until the time of services.

In lieu of flowers memorials in Erwin's memory are appreciated to the American Cancer Society or Immanuel Lutheran Church.

The Miller Funeral Home in Kewaskum served the family.

### CHARLEEN R. BREUER

Charleen R. Breuer, nee Ruf, 69, of Allenton, died on Tuesday, September 17, 2002 at St. Agnes Hospital in Fond du Lac.

The Twohig Funeral Home, Campbellsport, is serving the family.

### IN MEMORY

In loving memory of JOHN R. RUPLINGER, who passed away, Sept. 29, 2001:

Life goes on and a year has gone by,  
But precious memories never die,  
After the end of one sad year,  
Our hearts ache with sadness and God only knows -  
How much we miss the one we loved so dear.  
Living on, in this world of sorrow and strife,  
Until we will meet again in heaven  
To live "together forever" in, THAT happy life.

*Sadly missed by wife Edna, Don, Barbara, Ann, Sharon, Kelly, Mary, Dennis, Mike and grandchildren.*

# DAYS GONE BY

## 25 Years Ago

September 2, 1977

Kewaskum teachers and the Kewaskum Board of Education paid tribute to a 25-year veteran of the teaching profession at a breakfast held Thursday, August 25. Honored for his years of service was Walter Bade, a science teacher and former coach at the high school.

Summer session graduates at the University of Wisconsin-Oshkosh have been announced by university officials. Included among the graduating seniors is Glenn Oliver Eichstedt, Kewaskum, Bachelor of Science - Secondary Education.

Both Kewaskum defending champions retained their Hon-E-Kor golf titles this year. First Audrey Bartelt defeated Marge Bauer of West Bend in the finals to successfully defend her women's crown last Wednesday. Then on Saturday, Clark Eichstedt came out a four to three winner over Jerry Allen of West Bend for the men's title.

The first annual Bill Bartelt Memorial Golf Tournament was held Saturday at Hon-E-Kor. The tourney for women members, was an 18 hole handicap affair, held in honor of Bartelt, the club's first president. His wife, Audrey, was the first presi-

dent of the Ladies Association. Bartelt passed away last October. When the final foursome finished, the scorecards showed two players tied with net scores of 73. They are Cathy Lastofka and Sue Rothenbach, both of West Bend. The two will play off the tie on Friday.

# Emergency Care Center

24-hour board certified emergency physicians caring for over 16,000 patients this year

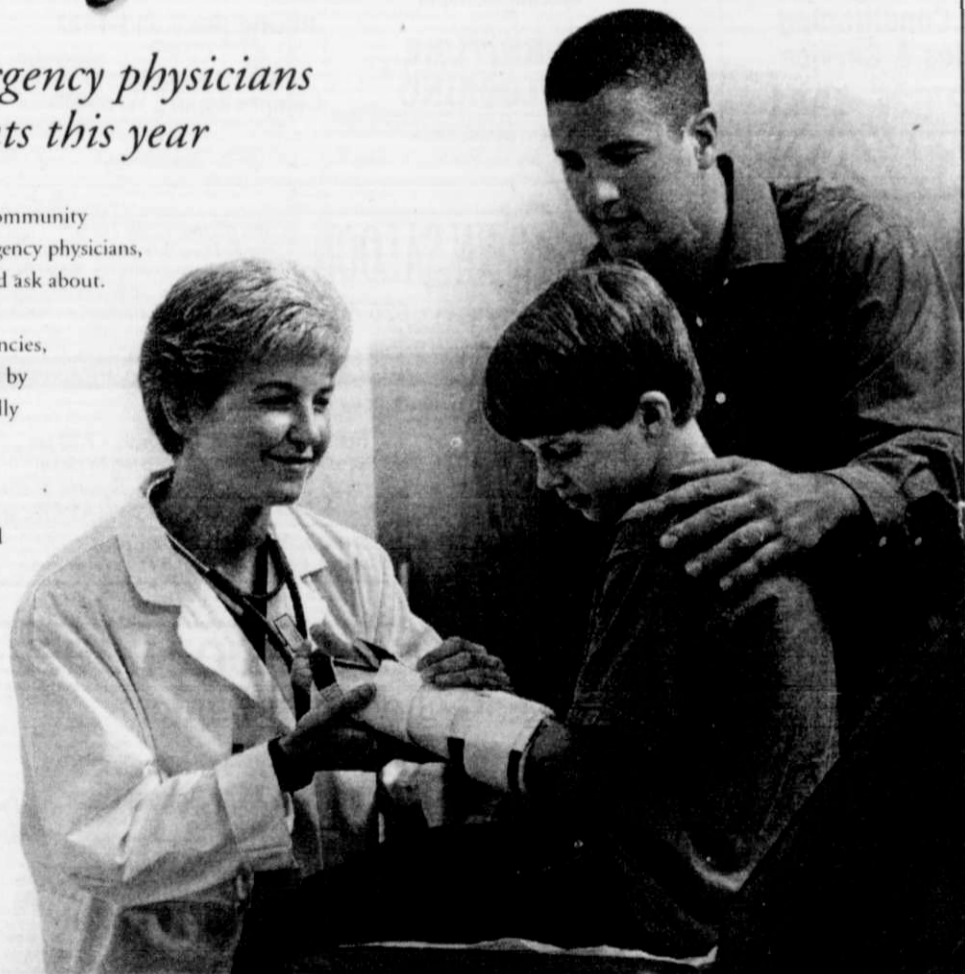

Patients coming to the emergency care center at St. Joseph's Community Hospital can depend on its 24-hour staff of board certified emergency physicians, a distinction that not all hospitals can claim and patients should ask about.

Specially trained in a wide range of adult and pediatric emergencies, the emergency physicians at St. Joseph's are also board certified by the American Board of Emergency Medicine, having successfully completed the board's comprehensive examination of their competence in emergency medicine.

When life's emergencies need expert attention, you can depend on St. Joseph's specialists to provide the care you need.

## United Way Lists Loaned Executives

"The 2002 United Way fund drive continues to gain momentum the ten communities served here in Washington County," says Lori Yahr, co-chairperson of the campaign. As of September 20, the campaign is at the 18% mark, with \$204,731 in gifts and pledges counted towards the county-wide goal of \$1,155,000.

Campaign volunteers, under the leadership of Lori and Tom Yahr, are actively contacting last year's donors and others in the county to support the United Way effort this year.

"One reason for our success each year is our crew of volunteer Loaned Executives - 10 this year," said the Yahrs. "These men and women are 'on loan' from area businesses to

United Way one to two days per week from mid-August through November, and do numerous employee presentations, helping spread the message of Hope for United Way around the County," said Lori. "The combined efforts of the Loaned Executives help in a key area for our fundraising effort: soliciting employee pledges through payroll deductions and other gifts. We are extremely grateful to the business community for providing these vital employees," added Tom Yahr.

Executive Director Barbara Hurula stated, "The Loaned Executives, who are volunteers, go through a three day training to learn about United Way and visit many of the agencies our organization represents. We help them improve and enhance their presentation and public speaking skills, and increase their knowledge of what is happening in the

Washington County non-profit community. This experience is a win-win for the business community as well," she said.

The Loaned Executive Program has been in place for 16 years, and its success is measured by the number of businesses who see a value in having one or two individuals participate every year. "The advancement of many of these volunteers within their own organizations is due, in part, to their involvement with United Way," stated Hurula.

Loaned Executives for 2002 are: Lisa Graf, West Bend Savings Bank; Stephanie Jacak and Brook Weis, Broan-Nu Tone; Judy Held, St. Joseph's Community Hospital; Becky Manthei, Serigraph Inc.; Sandra Meindl and Patti Rohde, West Bend Company; Eric Lapp and Chad Feltz, West Bend Mutual Insurance Co. and Andrea Kaehny, M & I Bank.

## Letter to The Editor

To The Editor:

I would like to thank the voters of the 59th Assembly District for picking me as the Republican candidate for the November election. There were seven other credible Republicans in the primary also offering pro-life, conservative messages to the voters. I am humbled that I received the most votes and I will continue to bring that conservative message as I continue going door-to-door in the next six weeks.

The State Assembly has a big job confronting them in January with a projected \$2.8 million deficit. We need to send people to Madison willing to cut spending and not raise taxes. We need to

send people that will return integrity and accountability to Madison.

My 14 years on the Sheboygan County Board has been very rewarding. I look forward, if elected, to working with local officials from all over the 59th Assembly District on building a stronger relationship between state and local units of government.

If you have any questions about me or the many issues facing our local and state governments, please contact me at 920-564-3392 or by mail at PO Box 700200, Oostburg, WI 53070. I look forward to hearing from you and thank you in advance for your time and consideration.

Daniel LeMahieu  
Republican Candidate  
59th Assembly District

## Village Board Meeting Minutes

**Regular Meeting  
September 3, 2002  
8:00 p.m.**

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President John D. Kenworthy presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Larry Ammel, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote, the minutes of the August 19, 2002 meeting were approved as printed.

Fire Chief Mark Groeschel and Police Chief Richard Knoebel both asked to be excused and were absent.

Director of Public Works, Jerry Gilles informed the Board of the following:

1) Reviewed the DPW 2003 truck needs and the proposed purchase of a replacement for the 1990 4x4 with a one-ton vehicle.

2) Reported on the updating of pump house # 1.

On a motion by Trustee Andy Pesch, seconded by Trustee Mathew Heiser unanimously carried by voice vote, the Board approved the issuance of Operator's Licenses for 2002/2003 upon payment of fees and documentation for the following people listed:

- Theisen, Linda C.  
Kewaskum, WI
- Schulz, Guadalupe  
West Bend, WI

NOTE: The Police Department had no objection regarding the aforementioned.

Administrator Daniel S. Schmidt reviewed the following with the Board:

- 1) Review of League and Taxpayer bulletins.
- 2) Review of budget control sheet for period ending July 2002.
- 3) Review of correspondence.

On a motion by Trustee Larry Ammel, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	84,007.68
Sewer	32,459.43
Ck #20794 - #20965	
Library Fund	7,503.35
Water Fund	23,162.4
<b>TOTAL</b>	<b>\$147,132.91</b>

Trustee Kevin Scheunemann, Chairman of the Public Services Committee announced that a meeting has been scheduled for September 16, 2002 at 7:15 p.m.

Trustee Mathew Heiser reported the swimming pond officially closed for the season on August 31, 2002.

Trustee Andy Pesch the Plan Commission Representative reported on the meeting held August 27, 2002 and that the discussion was on the zoning ordinance updates.

Board Representative for the Library Board, Trustee Mathew Heiser announced that a Library Board meeting is scheduled for September 9, 2002 at 6:45 p.m.

The Board was informed on some items involving the USH "45" project for 2003.

A brief discussion regarding the Developer's Agreement and Final Plat, as well as the letters from the Village Engineer and Attorney, on Homestead Hollow was held. It was noted that the matter should be

deferred until the points raised were resolved. No action was taken.

Action was taken on Resolution No. 2002-13 A Resolution Transferring Funds Within The Kewaskum Public Library Budget for 2002 as attached hereto:

Action was taken on Resolution No. 2002-14 A Resolution For Inclusion Under The State of Wisconsin Deferred Compensation Plan as attached hereto:

Motion by Trustee Andy Pesch, seconded by Trustee Thomas Piwoni and carried by the majority roll call vote, the Board approved the following application for a Beverage Special Picnic/Gathering License and Temporary Class "B" Retailers for October 12 & 13, 2002 at River Hill Park for the Kewaskum Chamber of Commerce - "Kettle Kountry Kolors". The Police Department had no objections to any of the applications. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent" 0 "Abstain".

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Kevin Scheunemann and unanimously carried by voice vote, the Board approved Linda Theisen as the agent for the aforementioned.

Action was taken on Ordinance

No. 2002-10 An Ordinance to Amend Chapter 86 Subdivisions as attached hereto:

Administrator Daniel S. Schmidt reviewed the information received from the Public Service Commission regarding the proposed rate adjustment for the Water Utility. It was noted it appeared that a 22% increase is what the PSC would be looking for and that the increase would not take affect until the first quarter of 2003. The option of placing 50% of the hydrant rental on the utility bills was discussed. The Board reviewed the pros and cons to the need for this and by consensus it was thought to postpone this matter until the second half of 2003 to take effect in 2004. This matter will be placed on the agenda for formal action on September 16, 2002.

Review of the options on the proposed sewer rate adjustments were discussed and the consensus of the Board was to bring a possible 10% increase back to the Board at the meeting of September 16, 2002.

A brief discussion on a number of 2003 budgetary items was held as well as noting the public hearing date for the budget, November 25, 2002. The Board, by consensus, agreed to not solicit bids/quotes for

the Village's General Property and Liability coverage for 2003. It is hopeful there will be time to accomplish this process in the summer of 2003 for 2004.

Motion by Trustee Robert Stoltzmann, seconded by Trustee Thomas Piwoni and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85(1) (c) of the Statutes to discuss employee performance data and evaluation for Village Employees over which the governmental body has jurisdiction. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

# First Bear

Hello friends,

I was fortunate enough to spend a week with bear-hunting guide J. Bird Kornfehl and seven of his hunters in Iron County near Mercer, Wis. After that week, I came out with some new friends, great memories, most importantly, a rekindled appreciation for the black bear.

**Wednesday, September 4**  
**High 81, Low 55**

The work is complete. After several months of running baits and preparing for the early September hunt, Kornfehl had each of us hunters in a tree stand watching a log covered bait pile. This particular bait pile had been hit on a daily basis for most of the summers.

J. Bird's hunters, three of which are repeats, come from Burlington, Mercer, Brodhead, Sheboygan, Manitowish Waters and Milwaukee.

Herbie Helland, a good a friend of J. Bird's, is helping with baiting and hopefully skinning. I watched these two guys in the last four days and was amused because with each passing day, they became more nervous. J. Bird wanted his hunters to kill a bear in a powerful way.

Each hunter had a cell phone and late this afternoon, Herbie, J. Bird and I waited in J. Bird's cabin near the Flambeau Flowage. We made prediction when the first hunter would call informing us of their kill.

Herbie's 6:10 prediction was three minutes off when the phone rang. I'm betting J. Bird was just as excited with the message he received as when his first daughter was born.

Kelly Wuestenhagen, mother of two future bear hunters with the oldest applying in January, and wife of Robert, who was in the tree with her, had shot a bear.

The bear had disappeared into the bush and after serious thought, J. Bird decided we would wait until after dark to go in on it.

Due to warm conditions, he did not want to wait until

morning. At dark, I was part of what I believe will be a life-long memory for about seven people.

Just to get to where Kelly had made her shot with her Remington 1100 12-gauge was a one-mile walk into the absolute middle of nowhere.

Kelly's black bear took off into some extremely dense brush. Fortunately, the bear left a good blood trail. Nonetheless, training a wounded bear in the dark through the thick brush can result in the filling of one's underpants should one become scared real fast.

Two years ago, J. Bird was almost eaten by a bear that wasn't dead yet. After the initial lunge and the firing of J. Bird's 12-gauge, the bruin fortunately died in mid-air and landed on J. Bird's leg.

Kelly's bear had gone to heaven tonight when we found it. Everyone was in a fantastic mood. I could now understand why J. Bird let the other hunters go in on the kill. It was a bonus for them.

What I found to be a bonus for us was having the other hunters help us carry Kelly's bear the mile back to the truck. J. Bird uses a stretcher, and if he has the bodies, puts a person on each corner.

Three years ago, Robert, Kelly's husband, sat on the same stand and did not see a bear in seven nights of hunting.

J. Bird was proud of Kelly and happy this hunting couple had stuck with him. Kelly couldn't stop telling us how happy she was to have beaten her "Bert" to be the first one in the family to kill a bear.

Kelly's bear was 250 pounds and had an excellent coat. The Wuestenhagens of Sheboygan are going to have a full body mount done on it. J. Bird's hunters are invited to keep hunting until there tags are filled or the season is over. There were stories of passing up small bear, missing big bear at close range and a bow hunter with bad luck.

Moments before writing this, I talked to J. Bird on

## Runners Do Well at FdL County Meet

The boys varsity and JV cross country teams both came through with a strong second place finish at the Fond du Lac County Invitational Cross Country meet last Tuesday.

Medal winners for the varsity team were Josh Meyer, finishing third overall with a time of 18:13, Andy Lickel seventh in 19:36 followed by Marty Harris in 14th, and Adam Woebeking in 15th.

Rounding out the varsity team were Zack Van Wormer, 19th, Jon Hawig, 21st, John Carpenter 22nd and Adam Wagner in 26th place.

On the JV squad Adam Janz battled for a second place finish with a time of 21:46 followed closely by Justis Clayton in sixth and Josh Bryant in 10th, all three receiving medals for their efforts.

The girls team finished

his cell. phone. He was baiting bear at the time. He told me the bow hunter connected on a nine-point buck with an 18-inch spread. Way to go Keith Meier.

I ran baits in Canada back in the late '80s and early '90s. Bear hunting is a labor of love with a dangerous twist to it. I must become an avid hunter of the black bear.

Congratulations Kelly!

## Lady Golfers Take Second out of Seven

Senior Cassie Laatsch put in solid scores of 52 and 53 to help the Indians regain second place in the conference.

By Kyle Darmody  
Student Reporter

With an overall score of 203, the Kewaskum girls varsity golf team took second place out of the seven, Little Ten Conference teams, at Watertown Country Club on Monday, September 16th.

The Indians fell behind the home team Watertown, who shot an outstanding 182. Cassie Rimmel once again led the Indians, as she

shot a 47. Rimmel was followed by Crystal Dreher who shot a 50, and Cassie Laatsch who shot a 52.

The Indians were followed by Oconomowoc, with an overall team score of 211.

Watertown was just too much to handle though, as their top two scorers shot a 38 and a 45.

The ladies also competed in another Little Ten Conference meet on Wednesday, Sept. 18th.

## Gridiron Club Has A Clean Sweep

Submitted by:  
Cindy Shaske  
Kewaskum Gridiron Club

The Kewaskum Gridiron Club had a clean sweep of wins this past weekend. Fans attending Parents Day had a special bonus as all teams were victorious on the field. Fredonia was the opponent.

The sixth grade started out the day with a 12 - 0 win. The seventh grade team had their first victory of the season with a score of 20 - 6. The eighth grade team rounded off the evening with a victory of 24 - 0.

Parents Day included

half time introductions of players/cheerleaders and their parents. Parents received special game day programs and buttons. Mothers also received flowers.

This week, the teams begin preparations for the road trip to Saukville. That game will be held on Saturday, September 28 with the eighth grade beginning at 9:00 a.m., followed by seventh and sixth grade. Saukville is highly competitive and the games should prove to be very intense but entertaining.

The fifth grade team played at Cedarburg this past Wednesday. Though

## Girls JV Golfers Capture Conference Meet

The Kewaskum High School girls junior varsity golf team took first place in several recent eight team league matches conducted at area golf courses. In two of the last three Little Ten Conference contests the KHS Indian Lady Linksters have not only won the team competitions but they recorded the lowest team scores of the 2002 fall golf season as well. As a result, the Little Ten Indians are currently second overall in the conference standings heading into the final week of league play.

On Wednesday, September 11, the local linksters traveled to Horicon for a conference contest conducted at Rock River Hills front nine. By tallying three of the lowest five scores in the nine hole team competition the visiting Indians established a league record team total of 215. Match medalist Christine Behn's 52 led the inspired Indians, followed closely by teammates Kate Korth's 53, Lisa Beck's 54 and Nicole Rimmel's 56. Watertown finished a distance second with a team total of 231.

Then on another warm, sunny and dry day, Kewaskum finished second behind host school Oconomowoc at Paganica Public Golf Course on Monday, September 16. Three Oconomowoc Coons posted a winning score of 220 with the inconsistent Indians recording the next best total of 238. Scoring for Kewaskum was Nicole Rimmel (55), Lisa Beck (60), Sam Schoofs (61) and Jac Chambers (62), thereby moving into third place in the conference.

Finally on Thursday, September 16, Kewaskum hosted all the Little Ten Conference Teams at Hon-E-Kor's red nine on a warm, wet, humid and cloudy day. After winning the previous two league contests, Kewaskum and Oconomowoc were tied at 231 after recording their four lowest scores each. All of Kewaskum's remaining scores were lower than Oconomowoc's next best, therefore the Indians won the tiebreaker and the conference match. The home team included Nicole Rimmel (56), Ashley Cochran (57), Johnna Schicker (58), and Christine Behn (60). With Samantha

they did not win that game (6 - 12), the team continues to improve. They, too, will verse Saukville on Wednesday, October 2. We continue to wish our players luck as they progress through the season.

Schoofs, Lisa Beck, Megan Schultz and Maggie Dickmann all scoring better than Oconomowoc's fifth lowest score. Resulting in Kewaskum currently ranked second overall.

The junior varsity Indians will conclude their regular season this week with matches conducted at Hartford Country Club and Washington County Golf Course. The Indians trail Watertown and lead Oconomowoc by two points with two matches to go. Congratulations and Good Luck Indians!

## DQ Gives Indians Fourth Place Finish At EWC Meet

By Kyle Darmody  
Student Reporter

Due to the disqualification of Indian Cassie Rimmel, the Kewaskum girls varsity golf team was forced to take a fourth place finish, with an overall score of 216, at the Little Ten Conference meet, held at Old Hickory Golf Club in Beaver Dam on September 18th.

The Indians fell behind, first place Oconomowoc (188), second place Watertown (194), and third place Beaver Dam (211).

The Indians were led by junior, Crystal Dreher who shot a 51. She was followed by senior Cassie Laatsch who shot a 53, and freshmen, Kate Korth who shot a 55.

The Indians traveled to Appleton on Saturday, Sept. 21st, to take part in the Appleton Invite.

## Indians Only Able To Pick up One Win In Waupun Tourney

By Kyle Darmody  
Student Reporter

The lack of momentum that placed the Kewaskum girls varsity volleyball team, Thursday night in New Holstein, unfortunately carried over to Saturday morning at Waupun, as the Indians were only able to pick up one win and three losses in the early morning tournament.

The three losses came at the hands of Fond du Lac, Waupun, and New Berlin Eisenhower. The Indians however were able to pull out with one win as the beat Waupaca.

"Well, I think we have to come out faster," Coach Rizzardi said, "I think if we can do that and establish our own game we'll be able to win more matches."

The Indians next competition came Tuesday, September 24th at Kiel, and came home to face Two Rivers Thursday, September 26th.

## K-TOWN SHEEPSHEAD WINNERS

K-Town Sheepshead winners 5 handed winners on Tuesday, Sept. 18 were: Ray Sippel, 71-3--68, 24-2--22; Gladys Tackes, 62-7--55, 22-6--16; Vivian Bartelt, 57-4--53, 17-3--14; Edward Knuth, 55-3--52, 18-2--16; Royal Carey, 62-12--50, 18-6--12.

### Girl's Tennis Ends Solid Season with EWC Meet

The girl's varsity tennis team traveled to Kohler for the Eastern Wisconsin Conference Tournament on Friday and Saturday, September 20 and 21.

Katie Kurer, seeded number two, advanced in number four singles to win third place. Kurer, a sophomore, extended her season overall record to 14 wins and four losses. Going into the event, the lady Indians has shown outstanding performances by defeating Kohler, Kiel and Manitowoc Roncalli in previous conference dual meets.

At home against Kohler, it was the number one doubles team of Michelle Backhaus and Laurie Bausch, the number two doubles team of Mary Reindl and Margaret Reindl, and number three doubles team of Sarah Kurer and Stephanie Maul that carried the win for Kewaskum. The number four singles, Katie Kurer, also won to help Kewaskum upset Kohler 4-3. Both the doubles team of Backhaus and Bausch and the doubles team of Kurer and Maul had to win in tiebreakers. It took Backhaus and Bausch over two hours to win in three sets with the third set ending in a nail biting 10-8 tiebreaker for the Indians.

With Manitowoc Roncalli as their guests on Tuesday, September 17, the Kewaskum girl's singles players took center stage. With impressive wins from number one singles, Amy Fehlhaber in three sets and number two singles, Kayla Sauer in three sets, Kewaskum defeated the Jets, 4-3. Wins from the number four singles, Katie Kurer and the number two doubles team of Mary and Margaret Reindl helped to seal the win.

Kewaskum hosted

Slinger, Kiel and Brown Deer in a quad meet on Saturday, September 14. The varsity girl's tennis team made strong showing by taking a second place finish. Singles players Amy Fehlhaber and Katie Kurer both took home championship medals. Kayla Sauer

### Indians Go One and Two at Quad

By Kyle Darmody  
Student Reporter

After a long exhausting loss to New Holstein in the first of three games, the Kewaskum girls' varsity volleyball team were never able to rebound, as they went down to Campbellsport, then narrowly defeated Roncalli, in the Quad held at New Holstein Thursday, September 19.

"Well the first match was so long and hot, the girls were just drained," head Coach Dave Rizzardi said, "we were never able to build momentum afterwards." After a slow 5-15 start in the New Holstein match, the Indians recovered and took the second match, 15-11. Then in the third match after a late Indian rally, the Huskies made a stand and took the match 14-16.

In the second game the Indians squared off against Campbellsport. The energy-drained Indians got off to yet another slow start as they lost the first match 11-15, and much like in the New Holstein match, the Indians would take over the second match and this time pick up the 15-9 win. Campbellsport, however, would never give the Indians a real chance in match three as the Cougars picked up the 11-15 win.

Finally in game three, against Roncalli, the Indians were able to get the quick start they had been

placed second. The number two doubles team of Mary and Margaret Reindl also placed second. The number three doubles team of Sarah Kurer and Stephanie Maul placed third. Number three singles, Jenna Degner, and the number one doubles team of Michelle Backhaus and Stacey Imler placed fourth.

The varsity girls, led by head coach Kevin Hein, enter subsectionals next week at Kaukauna.

longing for all night, as they picked up the 15-9 first match win. But in match two the Indians let Roncalli back in it and lost, 11-15. In match three the Indians finally took charge to pick up their first and only win of the night, as they won 15-11.

"I felt like we were evenly matched with all of them, New Holstein, Campbellsport, and Roncalli, but we were just never able to gain enough momentum," Coach Rizzardi added. The Indians then went on to play four games in a Saturday morning Tournament held at Waupun on Saturday, September 21st.

## Indians Shut Out by Sheboygan Falls, 28-0

By Kyle Darmody  
Student Reporter

Sheboygan Falls has been a team that the Kewaskum varsity football team has never been able to conquer. Year after year, the Falcons seem to have the Indians' number, and this year was no exception.

On Friday, September 20, the Sheboygan Falls varsity football team traveled to Kewaskum to face the Indians in what was expected to be a close battle that could determine the Conference Champs this year. But the Falcons scored early and never looked back, dominating the Indians 28-0.

After an Indians three and out, the Falcons' Ryan Walsh returned a punt deep into Indians territory, leading to the Falcons first score of the night. With a 14-0 lead late in the second quarter, the Falcons were able to strike again, on the last play of the half when quarterback Dieter Juedes hit Ryan Walsh making it a 21-0 halftime lead for the Falcons.

In the second half the Indians were finally able to move the ball on the stingy Falcon defense, but Indian's kicker Chad Peplinski would come up short on the 40 yard field goal attempt.

Trailing 28-0 late in the game, the Indians made another push into Falcon territory until Indians quarterback Travis Kempf was picked off by Ryan Walsh, which sealed the shutout for the Falcons.

The Indians main problem on defense was Sheboygan Falls running back Ryan Knoll, who rushed for 193 yards and two touchdowns. The Indians now travel to Campbellsport to face the Cougars in the fourth annual Kettle Moraine Bowl, with the winner getting bragging rights, along with the Kettle Moraine Bowl

Trophy. The Indians have held the trophy the past two years.

### Runners Run Into Tough Competition

On Saturday the cross country teams traveled to Ripon for the Kris Green Memorial Invitational. Facing a tough Madison West team, first overall, the boys team finished 11th out of 13 schools.

Josh Meyer again paced the Kewaskum harriers placing 18th out of a field of 86 runners with a time of 17:49 and received a medal for his effort. Zack Van Wormer was the next finisher for Kewaskum in 56th followed by Andy Lickel, 60th, Adam Woebeking, 61st, and Marty Harris in 62nd.

The girls team led by Becky Herriges, finished 10th. Becky, Breyan Donath and Allison Janz finished 45th, 46th and 47th respectively. "Two of our top runners were out with injuries and this definitely effected our outcome," stated Coach Drexler. East Troy took top honors for the girls race.

The world is round and the place which may seem like the end may also be the beginning.
