## Chamber Will No Longer Sponsor Kettle Kountry Kolors

At the November meeting of the Kewaskum Chamber it was voted to no longer sponsor Kettle Kountry Kolors.

Prior to the unanimous vote a discussion was held and it was determined that the primary focus of the Chamber of Commerce should not be KKKK. Currently the majority of our

fundraisers go to sponsor this event, and the event requires a great deal of manpower that has exhausted several of the community members.

The Chamber hopes that another organization or group of individuals may wish to continue the annual event, and therefore agreed to donate funds toward the

event, but will remove itself from running the event, ultimately leaving the event open to be restructured or redesigned.

Any interested organization or individual can contact the Kewaskum Chamber President, Linda Theisen or last year's event chairwoman Wendi Dreher.

## Hwy 45 Project Bid Accepted

By Jessica Fladvid

jfladvid@kewaskumstatesman.com

Construction on Hwy 45 is set to commence in the upcoming months. The as read low bid was accepted from Hoffman Construction.

Due to their bid of \$9,405,728.71, Hoffman Construction will be heading up the Hwy 45 project. The next couple of months will be spent in preparation of the work needing to be done. Relocations will be made to start things off in February. Work will then continue in March as the bitterness of the Wisconsin winter begins to break and make the environment more workable.

### Ammel Files Non-Candidacy Papers

## Heiser Sole Candidate For Village President

By Andrew Kuehl

akuehl@kewaskumstatesman.com

Trustee Mathew Heiser has announced his bid to become Kewaskum's next village president.

Heiser is currently serving his second term as a trustee. A few months ago current president John Kenworthy announced he will not seek another term.

Heiser stated Tuesday, "I'm in the process of circulating my nomination papers now." Village Administrator Dan Schmidt stated that no one has filed or asked for papers for the position.

Schmidt also stated trustee Larry Ammel has filed for non-candidacy.

Ammel stated "I do not feel I have enough knowledge of the issues to be an asset to the citizens of Kewaskum. I've enjoyed serving them the past three years."

A newcomer, Steven Scheunemann has filed his nomination papers.

Incumbent trustees Andy Pesch and Tom Piwoni have taken out their papers but have not yet returned them.

As reported in last week's Statesman candidates must have their nomination papers in by January 7, 2003.

Declaration of candidacy and nomination papers can be found at: <<http://elections.state.wi.us/sebpage27.html>>

## Town of Kewaskum Holds Meeting

By Jessica Fladvid

jfladvid@kewaskumstatesman.com

A Kewaskum Town Board Meeting was held Monday night to discuss a variety of topics such as the town caucus nominations, Kewaskum insurance coverage, and the Highway 45 project.

The Town Board started the meeting off by accepting a proposal for a bartender's license for Summit Ski Corporation. The Board will allow the license to take affect pending a background check.

Discussion took place pertaining to upcoming Town Caucus. All town positions

are up for election next year and it was decided that the Town Caucus for nomination of town officials for the term beginning next spring will be held on Monday, January 27, 2003.

Chairperson Michael Lettow and the Board approved both the Democratic and Republican lists of appointed election inspectors, whose terms will begin January 1, 2003. The Board also voted to leave the Town of Kewaskum insurance coverage as is, since no major additions or changes have been made since the adjustments made last year.

After an attorney

reviewed the resolution accepting jurisdiction for a new town road to be constructed as part of the Hwy. 45 improvements, the Town Board decided to accept the resolution, so plans for Hwy. 45 construction will continue to move forward.

After the meeting town officials gathered with citizens of the town for a holiday social.

The town board is scheduled to meet again January 20, 2003 at 7:30 p.m. for their first meeting of the new year.

"Glory to God in the highest, and on earth peace, good will toward men."  
-Luke 2:14

Wishing you exceeding great joy as we celebrate the birth of our Savior.

## Fire, Tuesday Night At Auburn Home

By Andrew Kuehl  
akuehl@kewaskumstatesman.com

A Town of Auburn homeowner is lucky for the quick response of his local volunteer fire department after a fire broke out on his property late Tuesday evening, December, 17.

Campbellsport Fire Department responded to a page concerning a fire at N1666 Double D Road in the Town of Auburn shortly after 10 p.m..

Upon arrival at the property firefighters were met with a fire that was inches away from a neighboring home's propane fuel tank. They quickly took to the job at hand and extinguished the fire before disaster broke out.

The fire started in a shed on the front of the property. The Fond du Lac County Sheriff's Department responded and Kewaskum Fire Department with its two tanker trucks provided mutual aid.

Campbellsport had the fire under control in less than an hour.

The cause of the fire had not been determined at press time.

# Campbellsport Decorating Contest Winners Announced

*Kewaskum Women's Club Announces Winners in Next Issue*

Shown above is the winner of the The Campbellsport Area Chamber of Commerce's First Annual Christmas House Decorating Contest. The home, owned by Henrietta Schwandt, is located at 256 E Main Street, Campbellsport.

The Campbellsport Area Chamber of Commerce is proud to announce that the home of Henrietta Schwandt, located at 256 E Main Street, has been awarded the grand prize in the First Annual Christmas House Decorating Contest. The winner was notified that a major award would soon arrive by special delivery.

It was a challenging first year for the judges. Thirty-nine entries from throughout the Campbellsport area were considered. All

entrants were individually notified in advance that judging would take place Monday evening, December 9th. Judy Holzmann of Johnson Bus Service mapped out the route, and acted as chauffeur and tour guide for the competition, hauling all twelve judges to view each and every home. A

special meeting held at Woody's X-tra Innings immediately followed.

Eight categories were created for this year's contest, but it was left to the discretion of the panel of judges to decide which category best fit each display, and whether to add or eliminate some categories. After

considerable deliberation, the judges decided to eliminate three categories that had no or very few suitable entries. Three extra awards were added in the "Best Nighttime Display" category, as many homes, while beautifully decorated, did not seem to fit a particular theme. Scores were then tallied.

The winners are as follows:

Best Overall Nighttime Display (4 winners): Gary and Barb Holt, W446 Clement Circle in Dundee; Ron Gussick, N1228 Hwy W; Lyle Rochwite, W2343 Rustic Drive, and Tami and Brian Klumpyan, W2771 Century Drive.

Best Display with a Religious Theme: Zahn's Trading Post, W476 Hwy. SS in New Prospect.

Best Inside/Out Display: Jim and Bonnie Berg, N1867 Shale Avenue.

Best Clark Griswold Display: Butchie and Janet Hafemann, 228 Jenny Street in the Village of Campbellsport.

Winners in these categories received as a prize a DVD of either the classic holiday film, "A Christmas Story" or "National Lampoon's Christmas Vacation," plus \$25 in "Chamber Bucks" - gift certificates that are

redeemable for goods and services at Campbellsport Area Chamber of Commerce businesses.

But the overall Grand Prize winner by unanimous decree of the judges was the Schwandt home on Main Street in Campbellsport. Anyone who hasn't traveled through the village yet this holiday season needs to make the effort. No one should miss the opportunity to enjoy viewing this unique home and setting with its beautiful and expansive display of white and colored lights.

The Chamber would like to thank everyone for taking the time to enter their own or their neighbor's home in the contest, and more importantly for doing the hard work required to create these beautiful displays. They have become an important part of our community's holiday tradition.

# Cutting the Fourth Generation's Hair

Richard Thiemer celebrated 30 years at Richard's Kut and Style Shop, located just north of Kewaskum. Richard opened his shop on November 28th, 1972, in the same building as Thiemer's Tap, which was owned by his parents, Richard Sr. and Evie. Seven years ago, Thiemer finally purchased the land, building, and his homestead where he has operated his business since '72.

To commemorate his 30 years, Richard gave a fourth generation haircut to Bradley Rindt. Richard has also cut Bradley's dad, (Jeff's) hair, his grandfather (Jim's) hair, and his great-grandfather (Leonard's) hair in past years. Richard is thankful to all who have entered his shop over the years and as always "old friends" and "new customers" are always welcome.

An additional memorial light was purchased following publication of the list of contributors last week.

Monies raised through the purchase of the memorial lights were used to fund the annual Kewaskum Christmas Parade sponsored by the Kewaskum Area Chamber of Commerce.

*Use white or light rye bread and cut out Christmas shapes from the breads with your cookie cutters. Make your favorite cream cheese (or whatever) spread and tint it red or green and spread it on the cut out breads. For example, cut out a Christmas tree and spread it with green cream cheese spread. Add sliced pimento olives on top for a topping, or red or green peppers, depending on what spread you use. Let yourself go nuts on this and you can come up with all sorts of ideas.*

## SCHOOL NEWS

### Kewaskum School District Receives Recognition from State

Shown above, left to right, Kevin Hein, Pat Moerchen, Dan Unertl and Keith Amundson.

At the Wisconsin Association of Leadership in Education and Work Conference held in Madison in August, the Department of Public Instruction awarded Kewaskum School District a certificate of recognition for meeting seven Federal Core Standards and state initiatives in career and technical education. Kewaskum was one of only 17 districts to meet the criteria.

"This award is also a tribute to two retired teachers, Howard Zemlicka and Dave Stradtman, who formed the groundwork for the Technology Education Department at Kewaskum High School. Also David Drexler, at Kewaskum Middle School, should share this for his work in promoting our programs to the younger students. It is our challenge now to keep the department improving with the help of the community and business partnerships. We have a relatively young department now and I am confident that we can continue to improve and make technology an exciting career choice for many students," said Keith Amundson, Technology Department Head.

The standards for the certificate of recognition

include:

- students in the career and technical education program must graduate high school at a rate equal to or greater than that of the general population of students;

- more students have to continue in a field they were trained in then not;

- career and technical areas must include "students of both genders enrolled with at least 25% of the students being nontraditional";

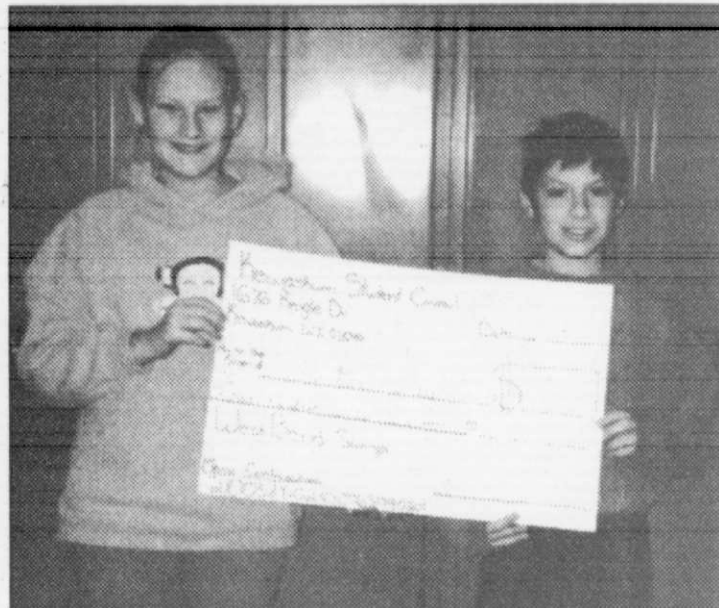

- and special population students must participate in the program at a rate equal to or exceeding that of the general population.

Schools that receive this award also had to try to

implement state initiatives. These initiatives were to expand "work-based learning, integrating academic, career and technical standards into the curriculum, and to link secondary and post-secondary curriculums." Kewaskum School District was above the norm in the last initiative.

According to Bob Enghagen, consultant to DPI, the "school districts that met all of the standards and initiatives were definitely an exception, and these schools have to be commended for their continued efforts in career and technical education."

### KMS Helps United Way Reach Million Dollar Mark

Left to right: Kayla Wilcom and Destin Kuehl representatives from the Kewaskum Middle School Student Council presented a check for \$416 to the Washington County United Way Campaign.

The Kewaskum Middle School Student Council presented a check for \$416 to the Washington County United Way Campaign to help it go over the \$1 million in this year's campaign. The Student Council, under the leadership of Jan Uhlman, voted to support the United Way by pledging \$1 for every student in the school.

Money was earned through profits from concessions at dances and selling items during the year.

The Student Council, an organization that develops leadership skills, also teaches awareness of others'

needs through various community service projects. They felt that supporting the United Way was an excellent opportunity for all students to see their efforts help others in a very worthwhile and local way.

Barb Hurula, Executive Director of Washington County United Way "expressed delight in the meaningful donation by the students" and reminded people in Washington County that the campaign continues beyond December as U-W strives to reach their stated goal of \$1,155,000.

On November 7, MGS Mfg. Group donated \$6,400.00 to the Kewaskum High School technical education program, specifically towards the metals fabrication, computer aided design, and computer aided machining programs. MGS is a leading engineering, mold

building, and plastic injection company headquartered in Germantown with facilities in Menomonee Falls, Illinois, and Texas. "We feel that the engineering and tool and die fields show a promising future for employability. Our organization has several top employees that gradu-

ated from Kewaskum High School and this type of donation allows us to promote our industry and to give back to the community," stated Jeff Callen.

Mr. Moerchen plans on using the money to offset project costs to his students and to purchase needed equipment.

## Middle School Quiz Bowl

Do you know the title of the fifth Harry Potter book? Do you know the purpose of hypothalamus? There is a group of sixth graders who does.

Thirteen sixth graders from Kewaskum Middle School recently participated in the Wisconsin Thinking Cap Quiz Bowl contest. It is a team activity in which the students are asked a series of 100 multiple-choice questions. The topics include the usual math, science, history, spelling, and geography along with current events, children's literature, Wisconsin and fun trivia. All of the questions are on a computer disk, and are seen for the first time on the day of the contest.

The team did an excellent job this year. In competition with 210 other fifth and sixth grade teams from Wisconsin, the team captured ninth place. No other Kewaskum Middle School team has ever placed higher.

Out of a possible score of 1,500 points, the team scored 1,247 points with 94% accuracy. The first place team from Gerritts School in Kimberly had 1,319 points with 98% accuracy. Bonus points are given for answering the questions quickly. Many questions were answered in less than five seconds. It takes an intelligent group working together to do well.

This activity is part of the Gifted and Talented program at KMS. The following students were on the team: Nathan Bandy, Melissa Prunty, Josh Harbin, Nichole Kison, Jake Guttman, Eric Turowski, Brandon Peter, Andy McDonald, Joey Paulus, Jason Geidel, Erika Esser, Ethan Geidel and Lauren Hughes.

Congratulations to all the team members and their coach Erv Uhlman.

## Brigham Named Dean at UWWC

UW Colleges Chancellor Bill Messner announced that Professor Tom Brigham has accepted the appointment as Acting Dean of UW-Washington County, effective March 1, 2003. He will replace Dean Joel Rodney, who announced earlier this month that he has accepted the position of Campus Executive Officer at Penn State York and will be leaving at the end of February. "Tom will be working closely with Joel during the next several months to make the transition as smooth as possible," according to Messner.

Brigham is Professor of Physical Education and Director of Athletics at the campus and has taught at UWWC since it opened its doors in 1968. He has been Chair of the Department of Physical Education for the UW Colleges and has chaired the Campus Steering Committee on numerous occasions. He has served as Acting Dean at UW Sheboygan during that

campus's most recent search for a Dean. Professor Brigham is a past recipient of a Rolfs Educational Foundation Award for Excellence in Teaching and has his undergraduate and graduate degrees from UW-Madison.

Messner noted that The Physical Education Department worked with Tom and the Provost to ensure that students will be served during this acting assignment. Messner said he was "most appreciative that Tom has consented to take on this important assignment, and looks forward to working with him."

Rodney, who has been at the West Bend Campus since 1990, stated that he was delighted with Brigham's selection. "I know of no one more suited for this position than Tom. He knows the campus and the community and will keep up the campus's momentum, making the transition to a new permanent Dean go very smoothly."

## A Christmas Pageant to Remember

It WAS my signature. There was no denying it. Not that I intended to.

It was just that I wanted to make sure that I had really signed up on the sheet posted in the church hallway recruiting mothers to volunteer their help at the children's Christmas pageant practice. If I hadn't, I would have snuck out of that very pageant practice and headed back home. But I had signed up - in blue ink.

It was only 10:30 in the morning, and these little cherubs had gotten the best of me. I wanted to go back to bed. Merry Christmas, ho, ho, ho.

Three of the shepherds were sword fighting with their staffs in the back of the sanctuary, one little gal, a first year music student, was pounding out some rendition of *Away in the Manger* on the piano (so she said - but, oh, my head), and someone had sat on top of the Hershey kisses I intended to pass out as rewards. Now they were melted; melted into the beautiful red upholstery in pew number four leaving a stain there that looked strangely similar to something other than chocolate. What next?

Maggie. Now Maggie's intentions were noble enough. She really DID want to help me. And so she kept me abreast of who was doing what bad stuff and when. It was a minute-by-minute report of who stuck gum under what chair, who made a naughty face at me when I wasn't looking, and who had put a diaper on the Baby Jesus doll without asking first. Yes, in her little "fingernails on chalkboard" voice, Warden Maggie tried to help, bless her soul. (As if I didn't have my hands full enough keeping track of what I personally caught these buggers doing on my own.)

Could it get worse?

Sure. And it did.

Then, the question: "Will you please take the bird out of the star, Mrs. Pennington?"

He was curious, this fellow - an older boy, maybe fifth grade - curious about the new star on top the church Christmas tree. It WAS an interesting star; I'll give him that. It had been made by one of our church members, a retired gentleman who enjoyed wood-working. The star was actually a birdhouse in the shape of a star with a circular hole cut into its center where a little twig protruded from beneath this hole for a bird to perch on.

"Pleeeeeease will you

show us the bird?" he begged.

"There is no bird in the birdhouse," I explained. "The star is just for decoration."

It was a clear answer, an answer that should have settled the issue then and there, right? Wrong. Mr. Question Asker, the oldest of three brothers, then gave his two younger siblings sitting next to him a look that told them that I was not to be trusted. With or without my help, they were gonna get the bird out of the star on top the tree. God, help me.

My choices? Either produce a bird that didn't exist or let these three rascals take matters into their own hands. This would not be good, and I knew it. Their nicknames alone were cause for teachers to tremble: Thunder, Lightning, and Rain.

I prayed: "Please, Lord, let this tree be standing come Christmas Eve." It was a short prayer, a simple prayer. In truth, all I had

energy for.

Then, miracle of miracles: the prayer was answered. Christmas arrived, and the tree stood erect. Let the *Hallelujah Chorus* be sounded.

But instead of the *Hallelujah Chorus*, it was the sweet strains of *Away in the Manger* that began to play in the sanctuary. Our young maestro had come through with her piano solo after all, despite my doubts, and there were many.

The program turned out beautiful; it couldn't have been nicer. The children looked angelic - surprise, surprise - and smiled beautiful smiles that made their parents puff with pride (the parents whose names were NOT listed on the sign-up sheet in the hallway.)

There was only one glitch, just one little glitch: the Green Bay Packers hat. It seems the same young miss who insisted the Baby Lord be in clean underwear, also insisted He be warm. And so she brought along one of her brother's hats

from home. It didn't matter to her that we were inside the church and it was plenty warm in there for a Jesus doll that wasn't even real. What mattered to her was that we were pretending we were outside where it was cold. Details, details.

So the Holy Family - Mary, Joseph and Jesus in a Packers hat - took their places that year in the manger set up on Christmas Eve beside a very tall, erect, and starless tree.

IN MEMORY

In memory of HAROLD STERN, who passed away

eighteen years ago, Dec. 11, 1984:

People who are dear to us  
Are never far away  
They're always close in  
mind and heart  
Just as you are today  
God took you home  
It was his will  
But in our hearts we  
Love you still.  
Your memory is as dear  
today  
As in the hour you passed  
away.

Love and prayers  
Shirl and Tom

IN MEMORY

In loving memory of ROGER KUEHL, who passed away ten years ago, Dec. 17, 1992:

The world may change from  
year to year,  
And friends from day today.  
But never will the one we  
loved  
From memory pass away.

Sadly missed by his family.

Not a creature was stirring,  
except for the mouse.

# Friends Helping Friends

Kewaskum 4-H'ers, back row, left to right, Ashley Thiemer, Lori Thiemer, Chelcie Boyer and front row, Megan Gavin.

A friend is a person who is there when you need them, and someone you can talk to and trust. Twenty-seven youth and adults from Washington County recently completed a "Friends Helping Friends" training held at the Washington County Fair Park. The workshop focused on the importance of self-esteem, communication, cooperation and the role of being a friend. The workshop was taught by Kandi O'Neil, Washington County 4-H Youth Development

Educator and Sally Schoenike, Dodge County 4-H Youth Development Agent.

Washington County 4-H youth and adults attending were: Chelcie Boyer, Megan Gavin, Ashley Thiemer and Lori Thiemer from the Kewaskum 4-H'ers; Kimberly Karnitz, Steven Damrow, Deanna Rumppe and Brenda Rumppe from the Myraneers 4-H Club; Crystal Flasch, Megan Gross, Angela Hoch, Kelsey Kannenberg and Darcy Hoch from the St. Lawrence Eager Beavers 4-H Club.

"Friends Helping Friends" is an educational program sponsored by the University of Wisconsin Extension, 4-H and Youth Development. The program has been designed to be presented by young people who are concerned about problems youth must face in their communities. It is based on the theory that youth are powerful teachers and role models for one another. The club teams will be teaching educational activities in their local 4-H club and other groups for the next six months.

## Community's Help Needed to Raise Final \$142,000 for United Way

Campaign volunteers, agency representatives, board members and other friends gathered for the United Way of Washington County's Thank You Celebration on December 10th. It was announced that to date, volunteers have raised \$1,012,550, representing 88% of the \$1,155,000 goal.

Campaign co-chairs Tom and Lori Yahr shared their gratitude for what has been raised thus far. "This was a difficult year, economically," said Tom Yahr. "We are extremely appreciative of the individuals and businesses in Washington County who have supported United Way this year, and will continue the campaign fund raising through December and raise as many funds as we can towards our 2002 goal," he said.

Approximately 145 people came together for "Harvest Time," an apple-themed event.

Shining Star Awards were also presented to businesses and organizations in the various communities served by United Way. The recipients were nominated by the Division Leaders in each of these communities, and recognized for demon-

strating the United Way spirit in their 2002 campaigns.

Winners of the 2002 awards were: Allenton - Share Building Products; Hartford - Broan Nu-Tone; Jackson - Universal Strap; Kewaskum - Sumburst Ski Area; Newburg - State Bank of Newburg; Richfield, Hubertus and Colgate - David J. Frank Landscape Contractors; Slinger - Slinger School District and West Bend - Prescott's Supermarkets.

Executive Director, Barbara Hurula commented, "Our agencies have needs, and have seen increases in demand for services, and we're still raising funds to meet as many needs as possible." In July, the Board approved the goal and funding for 50 programs

of 24 member agencies in 2003.

The Yahrs expressed gratitude and appreciation to the hundreds of volunteers, internal company coordinators, and thousands of donors who contributed to the success of the 2002 Campaign to date. "The message of saying thanks is important. And, being the Campaign co-chairs, we received much more than we gave," said Lori Yahr.

Contributions for the "Giving People Help" campaign are being accepted through the end of the year. Those interested in donating are encouraged to send contributions to United Way, PO Box 304, West Bend, WI 53095, or call the United Way office at 262-338-3821. The final 2002 Campaign total will be announced in January.

Students encouraged to apply early

## Demand greater than ever at UW - Washington County

Demand is greater than ever at UW-Washington County. After a 61% increase in students over the last 5 years, admissions for the coming spring term are running 109% of last year's pace and applications for fall 2003 are up 145%. "We're pleased enrollments and applications are up because that obviously means people see us as the best place to start their college career and on their UW education. Not everyone wants to go away to college and leave family, friends or good paying jobs behind," said Rodney. "Students and their parents also see the value of our small classes and personal attention. The guaranteed transfer program between the UW Colleges and all of the UW four-year campuses is a real plus for students wanting to make a smooth transition, while collaborative bachelors' degree programs that we offer with UW-M make it increasingly possible to not just begin but to complete an undergraduate degree without leaving the commu-

nity.

But Rodney is also concerned that demand will outstrip resources. "Given the state budget situation, we have no certainty we'll have the resources to work with all the deserving students who want to continue their education with us," said Rodney. "Last August we had to close our applications and admissions and turn away students. We'd hate to have to do that again, when demand is greater than ever, but we can only provide a quality education to as many students as our resources permit."

"The best way to assure a place at UWWC for next year is to apply as early as possible. Thanks to technology, you can apply on-line. The advantage of doing it this way is almost instantaneous processing. Just go to <http://www.washington.uwc.edu> to find the on-line application." Rodney said. ## KEWASKUM INDIANS SPORTS

### Indians Can't Find Solution To End Early Season Slump

By Kyle Darmody  
Student Reporter

After dropping the first game of the season to Whitefish Bay on Saturday, December 7, the Kewaskum boys varsity basketball team went on to lose to Kiel, Tuesday, December 10 by a score of 72-55, before dropping yet another game to Campbellsport on Friday, December 13 by a score of 67-52.

Tuesday, against Kiel, the Indians got off to yet another slow start, as it took them four minutes to even score their first points of the game. At that point they were trailing 12-1. Travis Kempf kept the Indians within reason with his 27 points, which was his second straight 25 point plus game (scored 26 vs. Whitefish Bay).

The rest of the Indians were somewhat non-existent on offense, and so was the Indians defense as they gave up 72 points.

Friday the Indians brought their losing ways back home to take on Campbellsport. The Indians finally got the decent start that they had been fighting for, but in the second quarter Campbellsport's senior guard Tyler Schill, lit the Indians up to give Campbellsport a lead which they would never lose. Schill ended up with 33 points for the Cougars, and also had 11 assists.

Travis Kempf led the Indians with 18 points, while Kyle Rabuck pitched in 10.

The Indians look to pick up their first win on the season when they travel to Random Lake on Tuesday, December 17, then look to gain some momentum before heading into, the Hortonville Holiday Tournament on December 27 and 28, when they face conference foe Plymouth on Thursday, December 19.

The Indians are currently 0-2 in conference and 0-3 overall.

### Lady Indians Fall To Campbellsport

By Kyle Darmody  
Student Reporter

Trailing by one after the first quarter, the Indians ended up trailing by ten at half-time and would continue to slowly fall to the Campbellsport Cougars 53-40, last Thursday, December 12, in Campbellsport.

Lindsay Keller followed up a solid game against Random Lake with another solid performance by scoring 18 points, and collecting five rebounds, and getting three steals. Jenny Koth also continued her solid play with eight points, and by leading the team in rebounds with seven, while Beth Boedeker also chipped in eight points.

But the Lady Indians couldn't handle the Cougar offensive attack as Campbellsport had two players scoring in the double digits (Chelsea Twohig 14, Angela Flood 13).

Once again the Indians came out of half-time firing as they got five quick points to pull within five of the Cougars 25-30. After a Campbellsport timeout CHS answered the Indian run by getting five quick points of their own and turning their lead back to ten. Campbellsport stole the game with much better execution down the stretch. Kewaskum had too many turnovers, and missed free throws to take control of the game.

The Indians dropped to 1-4 overall, and 0-2 in conference with the loss.

The girls traveled to Roncalli on Tuesday, December 17, then they come back home Friday, December 20 to face Plymouth, before heading into the Christmas break which includes a two day tournament in Mayville, for the Lady Indians.

### Lady Indians Pick Up First Win of the Season

By Kyle Darmody  
Student Reporter

Despite the 26 points by Random Lake's Nicole Palmer, the Kewaskum girls varsity basketball team picked up their first win of the season Tuesday, December 10, 45-38, over the Random Lake Rams.

Leading by one at half-time the Indians used a 8-0 run to start off the second half, and take control of the game. The 26 points was the only offensive highlight for the Rams, as the Indians dominated on defense and

generated 20 steals in the process.

Jenny Koth led the Indians with nine points, and five steals. Koth was closely followed by team mates Lindsay Keller and Katie Klug who both added eight points, while Jessica Logan, and Beth Boedeker gave the Indians solid minutes.

"Good team effort overall tonight," Coach Anne Ignatowski said in regards to the Indians first win of the year. The Indians were 1-3 overall, and 0-1 in conference and were scheduled to travel to Campbellsport the following Thursday, December 12.
