## Village Board Discusses Fee Impact Study

By Kim Survis  
STAFF WRITER  
ksurvis@kewaskumstatesman.com

The Kewaskum Village Board met on Monday, March 24. Among numerous items discussed was a Tornado Watch class to be held on April 24, 2003. There will be one class held from 1 to 3 p.m., and the other will be held from 7 to 9 p.m.. For more information contact the Kewaskum Police Department at 626-2323.

From there the trustees reviewed sealed bids received on March 13, 2003 for the First Street reconstruction project, including the Municipal Building parking lot project. The project will start at USH 45, (Fond du Lac Avenue) and end at Railroad Street.

Payne & Dolan, Inc. of Waukesha was the lowest bidder, at \$80,8772.40. This bid was below the amount budgeted, and was approved and seconded by the Village Board.

Next discussed, was a possible

Impact Fee Study. The study would be conducted by the Village Engineering Firm, Ruekert and Mielke at a projected cost of \$15,000. The board is considering adjusting fees such as the open space fee and the sewer connection fee and adding a water connection fee, Library and Fire Department service fee. The Board decided to look into this possibility further, and obtain more information regarding the Fee Impact Study. It will be addressed at a later meeting.

A motion was made and seconded to acknowledge the receipt of the Petition for the Annexation of Kettle Kountry Estates which is to be located on the east side of the village limits, adjacent to STH "28" and Johnson Bus Company. If the request is approved it will bring 67 new single family homes into the village.

A motion was also made and seconded for the acknowledgement of the receipt of the Petition for the

Annexation for the land located on the west side of the village limits, adjacent to CTH "H". Both acknowledgements will be sent to the Village Attorney, Plan Commission, and Village Engineer for review and recommendations.

The Planning Commission met Tuesday evening and both were approved and sent on to the village board. A complete report of that meeting will be in next week's edition.

Finally, a motion was made and seconded requesting State Mandate Relief from Wisconsin Statutes 61.32 and 65.90(5). The Statutes that the Village Board is requesting relief from require villages to publish all ordinances adopted by the governing body, including resolutions pertaining to appropriation changes and numerous notices. This means residents would be unaware of passed ordinances and resolutions unless they attend the meeting.

## Spring Election Tuesday

By Andrew R. Kuehl  
EDITORIAL STAFF  
akuehl@kewaskumstatesman.com

Does your newspaper feel a little warmer than normal? If you're wondering why it might be the fact that in almost every municipality we serve there is a heated election campaign.

This Tuesday will definitely bring voters to the polls in the School District of Kewaskum as voters will decide if and what the board members will be spending on this coming year. More information can be found on page 26.

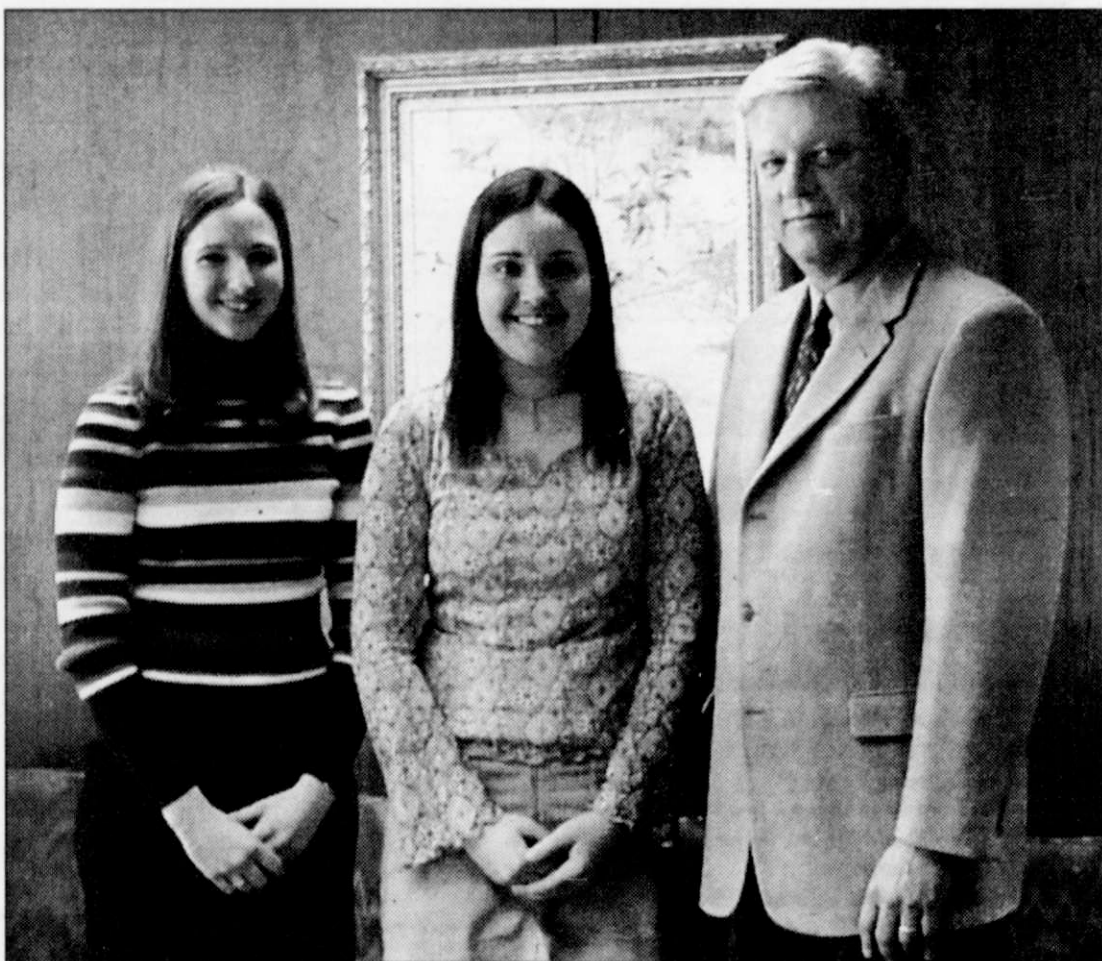

Contested elections can be found in the Village and township of Kewaskum as well as the Town of Wayne and one in the Town of Auburn that has had the Campbellsport Fire Department on stand by alert for the last couple of weeks.

Polling places and biographies on the candidates can be found on various pages of this edition.

Please remember... we have brave men and women fighting overseas so we can vote. Let's show them how much we appreciate their efforts by producing record numbers at the polls!

# ON THE RECORD

## POLICE REPORTS

On March 9, Kewaskum Police received a call stating that an electric pole was laying across Edgewood Road.

It appeared that a southbound vehicle struck the pole and continued southbound. There was red or maroon paint on the pole and laying near the pole.

The complainant stated that he had been home and didn't hear anything. Another resident of Edgewood Drive stated that he saw a GMC product in the area.

\*\*\*\*

On March 11, Kewaskum Police received a complaint regarding a vehicle that had been entered.

The complainant stated that her husbands vehicle had been parked in their driveway and that sometime during the night someone had gone through the car and pulled the things out of the center console and onto the floor.

She stated that she had been having trouble with some of the kids from across the street and felt they may have been involved in this matter.

Also that day, another resident from the same area stated that their car had been entered also.

\*\*\*\*

On March 18, Kewaskum Police were dispatched to the Kewaskum Pharmacy in reference to a shoplifting complaint.

The minors were caught stealing by the clerk and after chasing them and getting them back into the store, the department was contacted. The officer then took the girls to one of the girls' residences to wait for their parents.

The officer met with the parents and told all parties involved that citations may be issued.

## RESCUE CALLS

On March 22, Kewaskum Rescue and Kohlsville First Responders were dispatched to the town of Wayne for a person that had chest pain. A transport was made.

\*\*\*

On March 23, Kewaskum Rescue was dispatched to the town of Kewaskum for a rollover car accident. Two transports were made.

\*\*\*

Also on March 23, Kewaskum Rescue was dispatched in the Village of Kewaskum for a person that was feeling weak. A transport was made.

\*\*\*

Again on March 23, Kewaskum Rescue was dispatched in the Village of Kewaskum for a person having a possible seizure. A transport was made.

### Town of Wayne Looks At Town Maintainance

By Kim Survis  
STAFF WRITER  
ksurvis@kewaskumstatesman.com

On Wednesday, March 19, the Wayne Town Board met. The meeting opened with a discussion regarding possibly changing the deductible on the town's insurance. There was no motion made, at this time.

Next discussed, was web site training for Christian Kuehn the Town Clerk. Originally, the Board was thinking of sending the Town Clerk to classes at UWWC, however since then, one of the professors at UWWC has offered her services to the town.

Also looked at, was the maintenance needed in the town. The cemetery project

in the Town of Wayne will be bid out to local businesses. On Sunday, March 30th, the Town Board will meet at the cemetery on Hwy 28 in the Town of Wayne, to show the bidders the work that needs to be done. The bids will be due by the next Town Board meeting.

Also, a thank you goes out to all of the cemetery workers, from the Town Board.

There was a discussion regarding possibly having neighbors perform maintenance on nearby abandoned properties. The Board decided that they would have a town employee do the maintenance on abandoned properties instead.

### Kewaskum Chamber Elects New Officers

The Kewaskum Area Chamber of Commerce recently held election of officers. Linda Theisen, St. Francis Bank was re-elected president and Joyce Kral, Lasting Impressions Engraving was elected secretary. Kral replaces Jean Goeden. Vice president Jim Wright, Wright Insurance and treasurer Jackie Burtard, St. Francis Bank will serve one more year and their positions will be up for election next year. President Theisen stated that the chamber will be holding a board meeting in the near future to plan the events for the year. The Chamber decided to drop Kettle Kountry Kolors as part of it's sponsored events. She further stated that no one has come forth to take over the event. The annual golf outing is being held June 21 at Hon-E-Kor C.C. More info can be found at [www.kewaskum.org](http://www.kewaskum.org). The Chamber's meetings are held on the third Wednesday of each month at 6 pm in the St. Francis Bank Community Room.

#### SEVERE EARTHQUAKE IN FRANCE

American Battle Monuments Commission  
February 14, 2003

It was reported that a severe earthquake has occurred in central France. The severity was measured in excess of 10 on the Richter Scale. The cause was the 56,681 dead American soldiers buried in French soil rolling over in their graves. According to the American Battle Monuments Commission there are 26,255 Yankee dead from World War I buried in four cemeteries in France.

There are 30,426 American dead from World War II buried in six cemeteries in France. These 56,681 brave American heroes died in their youth to liberate a country which is guilty of shameful unspeakable behavior in the 21st century. May the United States of America never forget their sacrifice.

# Knoeck Retires as KHS Library Aide

Ethel Knoeck

By Jessica Fladvid  
STAFF WRITER  
jfladvid@kewaskumstatesman.com

A special "stamp" has been left on the Kewaskum School District.

Ethel Knoeck dedicated over 20 years to organizing and updating the Kewaskum High School Library System. "I enjoyed all those years," said Ethel. Beginning in April, 1982 Ethel worked for the school district. From helping out in special education at the high school then the middle school and in Farmington, then as the Assistant Librarian back at KHS, Ethel has come to know many of the teachers, students and families throughout the area. She also worked at Holy Angels School in West Bend for approximately eight years before beginning at the high school.

Arnie Dittbrenner is the Head Librarian at KHS and worked with Ethel for approximately 15 years. "Ethel had an excellent relationship with both students and staff members. One of her duties was to process the library materials for five schools in the District," said Dittbrenner.

Thousands of books have been "stamped" by Ethel as she attached spine labels and bar codes to books for the whole district. All books, encyclopedias, and other literary pieces are

stamped with personal numbers identifying who processed the literature. As technology evolved, so did Ethel's job at the library. When the transfer was made from the vertical files to an updated computer system, Ethel typed all of the necessary information into the new system.

Married to her husband, Oscar, for 53 years, he has been another joy in Ethel's life. Between her dedicated work in the libraries, and raising her four children; Oscar Jr., Charles, Kathleen, and Douglas, Ethel has always maintained a busy lifestyle. From her four children, Ethel also gained 12 grandchildren and 9 great-grandchildren who also keep her on her toes.

Ethel expressed that she has taken many good memories away from her time working for the School District. One of her most cherished memories was the retirement party that was given in her honor on Jan. 19. Teachers and staff from the entire school district came to partake in the special event. "There were a lot of good laughs," Ethel said.

"When you work with a person side-by-side for eight hours a day you develop a special relationship," said Dittbrenner. "I was fortunate to have her as a co-worker and continue to be proud to have her as a friend."

# Redig - Bruckert

Mr. and Mrs. James Redig of Kewaskum and Mr. and Mrs. Ralph Bruckert of West Bend are happy to announce the engagement of their hildrem Amy and Greg.

An August 23, 2003 wedding is being planned by the couple and their parents.

## 2003 SPRING ELECTION COVERAGE

### Two Running for Supreme Court

**Ed Brunner**

By Andrew R. Kuehl  
EDITORIAL STAFF  
akuehl@kewaskumstatesman.com

Voters will go to the polls Tuesday to pick who they would like to see replace Judge William Bablitch who retired.

The position carries a 10-year term.

First on the ballot is Chief Judge Ed Brunner who currently is serving his third term as Circuit Court Judge for Barron County.

#### Ed Brunner

Born in Akron, Ohio, in February of 1948, Judge Brunner first came to Wisconsin to earn his Bachelor of Arts at Marquette University in Political Science. He returned to Ohio and began working as the Assistant Regional Director of Juvenile Delinquency Prevention Services for the Ohio Youth Commission. While working there he realized that learning the law was a way for him to continue improving juvenile justice while working to change the system. Working full-time, Judge Brunner attended law school at night and earned his Juris Doctorate from the University of Akron School of Law in 1974. With his law degree in hand he became the Executive Director of Youth Services, Inc., in Loraine, Ohio, and managed a one-half million dollar agency budget operating two group homes, a runaway shelter, two drug abuse drop-in centers, and a staff of fifteen delinquency prevention and substance abuse outreach counselors for the schools and community.

In 1979 Judge Brunner moved to Rice Lake with his wife Linda and their two children, Jason and Alexis. There he opened went into private practice and was Rice Lake City Attorney for seven years. Brunner co-founded the Barron County Family Support Guardianship Agency that year as well.

As far as community involvement Judge Brunner is a past president of the Rice Lake Optimists Club, the founder and incorporator of the Rice Lake Area Men's Club, and past board member and president of the St. Joseph School, Rice Lake. For three years he was the

**Pat Roggensack**

Organizer Chairman for Indianhead Special Olympics and for two years was a member of the Wisconsin Special Olympics Board of Directors. Currently, he is a member of the Barron Association for Retarded Citizens, Board of Directors for the Barron County Chapter of the Red Cross, the Elks Club, Moose Club, and the Knights of Columbus.

First elected Circuit Court Judge in 1988, Judge Brunner has used his terms to continue progressive work in creating lasting community solutions to the problems being addressed in his court. Working collaboratively with the community, many successful and long-lasting programs have been created in Barron County.

Judge Brunner has served on: The Judicial Conference Executive Committee for 6 years; Judicial Council for 2 years; The Benchbook Editing Committee for criminal and traffic law for 7 years; Currently Chief Judge for the 10th Judicial District; Member of the Judicial Workload Committee, Member of the Planning and Policy Advisory Committee.

More information can be found by accessing Judge Brunner's website at [www.brunnerforjustice.org](http://www.brunnerforjustice.org)

#### Patience D. Roggensack

Citing experience and pledging hard work, ethics, and a voice for the people of Wisconsin, Judge Pat Roggensack of the 4th District Court of Appeals, is excited about her candidacy for the Wisconsin Supreme Court.

She was elected to the Appellate Court in 1996 and re-elected in 2002. She serves as the Legislative Liaison for the Judicial Conference, on the Committee for Public Trust and Confidence in the Courts, on the Publication Committee for the Court of Appeals and as the court's delegate to the Personnel Review Board. She has also served as a co-chair person for the State Court/Tribal Court Planning Committee.

Judge Roggensack states she is committed to making the Supreme Court more effective in its service to the public, for non-lawyers as well as for those within the legal system.

In addition to her years on the Appellate Court,

Judge Roggensack possesses broad experience on the other side of the bench. As a former principal with the Madison-based law firm of DeWitt Ross & Stevens, she provided representation in cases involving constitutional claims, juveniles, and employment issues, to name only a few.

Judge Roggensack graduated with honors from the University of Wisconsin Law School in 1980 and is a 1962 graduate of Drake University with a bachelor's degree in biology. She is a frequent guest lecturer at the University of Wisconsin Law School, Madison Area Technical College, high schools across the state and county bar associations.

Born in Joliet, Illinois, Judge Roggensack earned her bachelor's degree in biology from Drake University. As an undergraduate, she received the Mortar Board and Tri-Beta scholastic awards. She is a 1980 honors graduate of the University of Wisconsin Law School and was a principal in the Madison law firm of DeWitt Ross & Stevens prior to her election.

She is a Fellow of the American Bar Foundation and a member of the American Judges Association, National Association of Women Judges, American Bar Association, Judicature, State Bar of Wisconsin, Dane County Bar Association, Legal Association of Women and the Bar Association for the Western District of Wisconsin, of which she is a past president. She is a frequent guest lecturer at the University of Wisconsin Law School, Madison Area Technical College and many civic organizations throughout the state.

She is also active in many philanthropic organizations throughout the Madison area, such as serving on the boards of the YWCA, Wisconsin Center for Academically Talented Youth, A Fund For Women, Olbrich Botanical Society, Highlands Neighborhood Association, YMCA, International Women's Forum and as a mentor in the Young Women of Promise program, which assists minority girls in setting positive life goals.

More information can be found on Judge Roggensack on her website at [www.webguydesign.com/roggensack](http://www.webguydesign.com/roggensack)

The Statesman will have complete results on this race in the next edition and on our website.

Three trustee seats are open on the Kewaskum Village Board for this Tuesday's Spring Election. Three newcomers and two incumbents are vying for the seats.

Village President John Kenworthy has decided not to run for village president. Trustee Mathew Heiser is the lone candidate for that position.

### VILLAGE PRESIDENT

**Name:** Mathew A. Heiser  
**Age:** 37  
**Address:** 1704 Riverview Dr  
**Family:** Married, three children  
**Occupation:** Community Memorial Hospital  
**Elected Offices:** Two terms on the Village Board as a trustee. As well as being a representative for the Library Board.  
**Other Activities:** Member of Grace Lutheran Church.

If elected Heiser said that his goal is to keep the village finances stable, despite the state budget cuts and continue his work with the library. "The village is really growing with annexations and developments, I'm looking forward to working with these people," said Heiser.

Heiser also wanted to add that he will miss John Kenworthy, the Current Village President.

### VILLAGE TRUSTEE

**Name:** Craig Knops  
**Age:** 50  
**Address:** 711 Memorial Dr.  
**Family:** Married, no children  
**Occupation:** St. Francis Bank

**Elected Offices:** None  
He stated that he is running because government can do a lot of good, and he wants to be apart of it.  
**Name:** Steven Scheunemann  
**Age:** 28  
**Address:** 215 Clinton St  
**Family:** None  
**Occupation:** Asplundh  
**Elected Offices:** None

Scheunemann said that if elected, he would try to cut property taxes, possibly bring a casino into the village, and in general hold less government control over the village.

**Name:** Andrew R. Kuehl  
**Age:** 23  
**Address:** 1175 Western Avenue, life long resident  
**Family:** Fiancee, son  
**Occupation:** Operations Manager at The Kewaskum Statesman  
**Elected Offices:** Kewaskum Village Board-1999.

**Other Activities:** Member of Holy Trinity Parish, Vice President of The Kewaskum Kiwanis Club, a member of the Village of Kewaskum Planning Commission and the village Economic Development Advisory Committee, the Moraine Park Technical College Advisory Committee, as well as the Washington County Republican Party.

"I have always had a passion for local politics. I would be honored to serve the residents of the village. I believe we need to maintain fiscal responsibility to the village residents without sacrificing quality of life. I would also like to have working relationships with the town and school officials to plan for future integrity.

Most importantly, I want to be a voice to the rest of the board for the residents of the Village of Kewaskum.

**Name:** Andrew W. Pesch  
**Age:** 62  
**Address:** 379 Braatz Drive  
**Family:** Married, four children, all married  
**Occupation:** Truck driver for Saukville Feed Supply  
**Elected Offices:** Four years on the Kewaskum Village Board and also is the Plan Commission Representative.  
**Other Activities:** Member of Holy Trinity Catholic Church in Kewaskum.

If elected, Andrew said that he would try to keep the village running with peace, as well as keeping the roadwork in the village going smoothly.

**Name:** Tom Piwoni  
**Age:** 49  
**Address:** 329 First Street  
**Family:** Married, three children  
**Occupation:** Gruber Tool and Die in West Bend.  
**Elected Offices:** Two years as Trustee for the Village of Kewaskum  
**Other Activities:** Member of Holy Trinity Catholic Church in Kewaskum.

He said that if elected he would continue the effort that he had already put forth, and in addition try to bring new business to the area, through an industrial park.

The Village of Kewaskum will be holding their election in the Community Room at the Municipal Building, 204 First Street.

The polls will be open at 7 am and close at 8 pm.

The Village of Kewaskum is not the only municipality that has a heated race this election. The Town of Kewaskum has their own little fire smoldering. Two people are running for the town's highest elected position, three are running for three supervisor seats while two are running for town clerk for this Tuesday's Spring Election.

#### TOWN CHAIRMAN

**Name:** Douglas Kocher  
**Age:** 45  
**Address:** 8483 Apple Ct., Has lived in the town 6 years  
**Family:** Married, two children  
**Occupation:** Detective with the Washington County Sheriff's Dept.  
**Elected Offices:** None  
**Other Activities:** Board of directors for the Campbellsport Sportsmen's Club.

"Good future planning is essential to maintaining our community. Co-operation with the surrounding towns is imperative to Kewaskum's continued controlled growth. Balancing the budget and wise use of funds is necessary for future preservation of our community," stated Kocher.

**Name:** Mike Lettow (I)  
**Age:** 51  
**Address:** 4162 Ridge Rd  
**Family:** Married, four children  
**Occupation:** Dairy farmer  
**Elected Offices:** Eight years town of Kewaskum board

Mike was appointed to fill the term of Chairman ten months ago. If elected, Mike says that he feels experience is beneficial for running the Township in an efficient and cost-effective manner. As the Town progresses into the future with Smart Growth Comprehensive Planning, he has the knowledge of local government to move forward and yet preserve the rural character of the community.

#### TOWN SUPERVISOR

**Name:** Jeffrey L. Shaw  
**Address:** 4350 STH 28W  
Did not return information

**Name:** James C. Koepke  
**Age:** 41  
**Address:** 8561 Prospect Dr.  
**Family:** Married  
**Occupation:** Corporate Purchasing Manager for

Gehl Company.

**Elected Offices:** appointed in June of 2002 to fill the Supervisory term. He has also served on the Plan Commission of the Town of Kewaskum since July of 2002

As a life-long resident of the community, he would like to make sure the Town is planning for the long term. This includes preserving the rural character that has brought people out to the country to live, as well as managing the growth and development. He is also a strong proponent of fiscal responsibility.

**Name:** William H. Butzlaff (I)

**Age:** 58  
**Address:** 8493 Highland Dr.  
**Family:** Married, two children and grandchildren  
**Occupation:** Self-employed farmer since 1962  
**Elected Offices:** Town of Kewaskum Supervisor  
**Other Activities:** Former 4-H leader and FFA Alumni Officer.

"I would like to improve quality of life and keep a safe and pleasant environment for the children," said Butzlaff. He further stated Kewaskum is showing a spirit of democracy in that all positions except for Treasurer are being contested.

William Lehmann has withdrawn his candidacy for a supervisory position due to a change in residency. His announcement came too late for his name to be removed from the ballot in the Town election.

#### TOWN CLERK

**Name:** Mary P. Meisser  
**Age:** 50  
**Address:** 2705 E. Moraine Dr

**Family:** Married, two children  
**Occupation:** Owner/Operator of S.O.S. Secretarial Services  
**Elected Offices:** clerk for the Kewaskum School Board.

**Other Activities:** Chairs the Kettle Kountry Kolors Bucksinner encampment. She has been an election inspector for the Town of Kewaskum, and a member of the Kewaskum Area Chamber of Commerce.

Mary was approached by several people and asked to consider running for the position of Town Clerk. Mary felt that her experi-

ence on the School Board would be beneficial to the Town. She likes to be around people, and feels that she has something to contribute to Kewaskum, and would like to be more involved in her community government. Mary has checked out the statutes regarding serving on both the School Board and Town Board, and found no problems should she be elected to serve the position.

**Name:** Sandy Stern (I)  
**Age:** 44  
**Address:** 9537 Hickory Dr.  
**Family:** Married, two children  
**Occupation:** None Mentioned  
**Elected Offices:** Sandy was appointed in 2001 to fill the remaining term of the non-voting position of Clerk on the Town Board.

**Other Activities:** Sandy volunteers with the reading program at Head Start, and at the Samaritan Home in West Bend.

Sandy's goals for the Town include increasing communication with the residents by developing a quarterly newsletter and a web page that would have pertinent information easily accessible by the community.

Daniel Stoffel is running unopposed for treasurer of the town. Dan previously served as a Town Supervisor from 1977 to 1990, and currently is the elected County Board Supervisor for District 10. He is a dairy farmer, married to Joan and has two adult children. Dan's goals as Treasurer are to make tax time as smooth and painless as possible and to make sure the books are balanced and kept up to date.

### Tuttle Creek Kids Visit Piggly Wiggly

On Friday, March 7, Tuttle Creek preschoolers of Kewaskum visited the local Piggly Wiggly Store, ending their theme on nutrition.

The teachers planned a fun scavenger hunt to reinforce the importance of healthy foods. The list helped the children begin to understand amounts using phrases such as, one box, two pounds, a bunch, and a gallon.

After pushing their carts and collecting the needed items, they ended their adventure by purchasing a treat! Thanks to Piggly Wiggly for allowing the children to visit your store.

### West Bend Clinic Physicians Offer Free Program on Colon Cancer

WEST BEND - Colon cancer is highly preventable and curable if diagnosed at an early stage, yet many men and women are not regularly screened for colon cancer. In recognition of Colon Cancer Awareness Month, West Bend Clinic and the American Cancer Society's West Bend Community Action Team are combining efforts to increase awareness about colon cancer. West Bend Clinic Gastroenterologists Howard Hack, MD and Melissa Earnest, MD will discuss colon cancer prevention and treatment strategies Tuesday, April 1 at 6:00 p.m. in the 4 East Conference Room at St. Joseph's Community Hospital, 551 S. Silverbrook Drive, West Bend.

Those with an increased risk of developing colon cancer include men and women who are 50 or older, have a family history of colon cancer or polyps, are physically inactive or frequently eat red meat. Colon cancer usually starts with a polyp, a small growth in the colon or rectum. A polyp can be found and removed before it becomes a cancer. The American Cancer Society and West Bend Community Action Team (CAT) encourage those at risk to review the screening guidelines and talk to their physician about getting tested for colon cancer.

Dr. Hack and Dr. Earnest

### MPTC Offering CIS Courses

Moraine Park Technical College's West Bend campus is offering two Computer Information Systems (CIS) classes to help students advance their computer networking skills beginning in March.

Microsoft Servers, course 107-178-005, will be offered March 24-May 14, on Monday and Wednesday nights from 6 to 10 p.m. Microsoft Workstations, course 107-176-008, will be offered March 25 - May 15, on Tuesday and Thursday nights from 5:30 to 9:30 p.m.

The courses will cover the user interface, installation, administration and troubleshooting of currently popular Microsoft servers and workstations from the viewpoint of the support person. Participants will earn CIS-Network Specialist associate degree credits for both courses.

The courses will be held in the College's state-of-the-art computer lab located in the Applied Manufacturing Technology Center.

Cost for each course is \$238.05, plus books. To register, or for more information, call 1-800-221-6430, or visit [www.morainepark.edu](http://www.morainepark.edu).

will discuss tips to reduce the risk of colon cancer and available testing options, including the new M2A capsule test.

The hour-long educational program is free to the public. Seating is limited and pre-registration is

required. To reserve your seat, call 262-306-6336. For more information on colon cancer, contact the American Cancer Society at 1-800-ACS-2345 or West Bend Clinic Gastroenterology Department at 262-334-1641 ext. 2364.

### UW - Madison String Quartet To Perform at UWWC April 6

Area residents are invited to sit back and enjoy an afternoon of classical music on Sunday, April 6th. The beautiful music of the renowned, Pro Arte String Quartet will be performed at UW-Washington County, beginning at 3 p.m. in the theatre. An exciting mix of old and new repertoire will be performed in a variety of contemporary styles.

The ensemble incorporates the talents of violinists David Perry and Suzanne Beia; Parry Karp, cello; and Sally Chisholm, viola. The ProArte Quartet has been in residence at UW-Madison since 1940. The quartet was the first ensemble-in-residence at a major American university. It upholds a nearly 90-year tradition as one of the world's distinguished string quartets.

Prior to the concert, community residents are invited to attend Professor Peter Gibeau's Music Literature & Appreciation classes on March 31, April 2 and April 4. Gibeau will be playing as well as discussing the quartet's classical repertoire. The classroom discussion takes place from 10am to 10:50am in Room FA229 at the campus. No reservation

is necessary to attend the classes and there is no charge.

Tickets for the Sunday performance are \$8 adults, \$6 seniors and youth under 18. Students at UWWC are free with student id. Tickets are available at the door or reservations can be made by calling (262)-335-5208. The University is located at 400 University Drive in West Bend. For more information, check their website at [www.washington.uwc.edu](http://www.washington.uwc.edu).

# Food With Thought

Pictured above are, back row, left to right: Megan Dreher and Kasey Bandy, and sitting, Amber Goetz and Jodi Kerlin. The girls were getting ready to send five boxes containing 93 pounds of food from the Kewaskum Post office to Pristina, Kosovo.

Most of the seventh grade students in Mrs. Uhlman and Mrs. Longdin's classes are participating in the Adopt-A-Platoon program. They have adopted a team of military personnel stationed in Pristina, Kosovo.

These Kewaskum Middle School students have

written twice. They also put together a care package of nonperishable food items... 93 pounds worth! On February 28th, 2003 the packages were sent out. Four out of five boxes have been received by the military team. They are quite thankful, especially since they have received notice

that their stay has been extended indefinitely.

Mrs. Longdin feels the experience has proven to be valuable because the students are now putting names and faces with the statistics they hear in the news every night.

### FES Receives \$700 Grant

Shown above front row, left to right: students Rachel and Kelsea Raskiewicz. Back row: Janet Molebash, principal, Ann Raskiewicz, parent and Jeff Raskiewicz, parent and International Paper representative.

A Cedarburg company has found an investment that outperforms any a broker-house could propose.

A grant of \$700, by International Paper Cedarburg Division to Farmington Elementary School - Kewaskum School District, has proven that our children continue to be our most productive resource. The paper company, with holdings worldwide, manifests local interest with an established fund that recognizes the progressive nature of a school curriculum and teaching credo. In

Farmington Elementary, International Paper applauds the advancements and achievements deemed most constructive in a child's scholastic and personal development. The grant monies will be used by Farmington's PTO to fund such programs as Slim Goodbody and Novel Ideas.

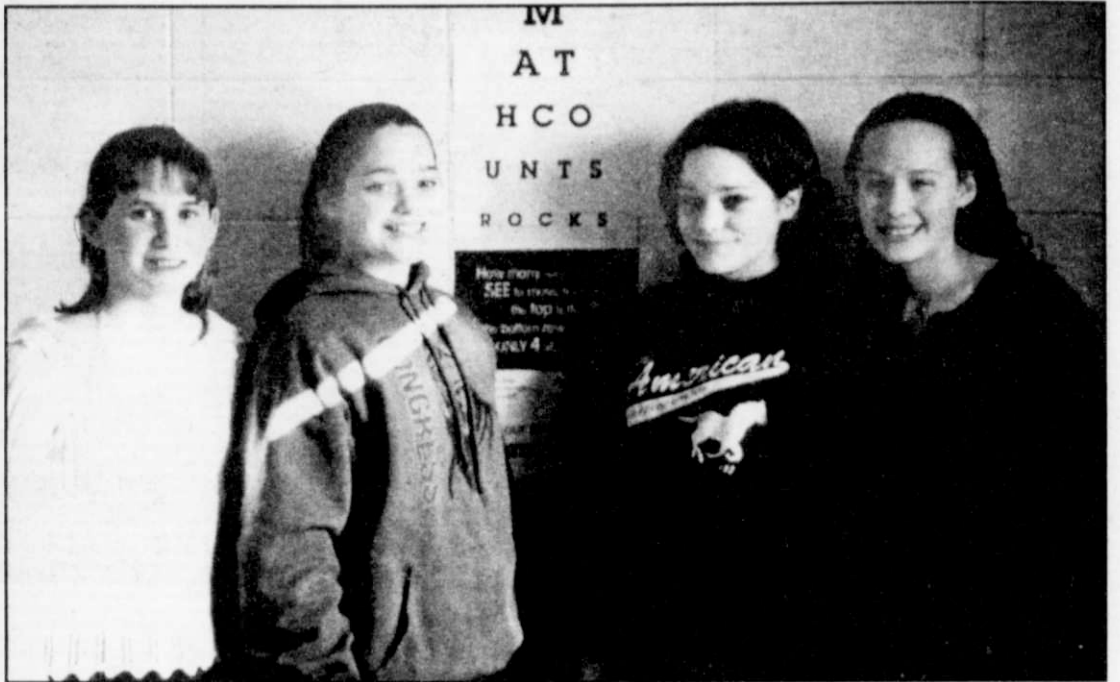

It is with great pleasure that the staff, students, and parents of Farmington extend their heartfelt thanks to International Paper for their support and selfless generosity.

### HTS Spelling Bee Winners

## Kewaskum Middle School Hosts Solo Ensemble Festival

On Saturday, March 1, Kewaskum Middle School had the honor of hosting the Lake-Moraine West Solo and Ensemble Music Festival. It was held at Kewaskum High School because of the number of rooms needed for the various events. Hundreds of middle school students from Badger, Silverbrook, Slinger, Hartford, Erin, Holy Angels, Saylesville and Kewaskum also performed solos or in small ensembles.

The young musicians sang or played woodwinds, brass, percussion or stringed instruments. Larger ensembles included swing choirs, jazz bands and "pop" orchestras. The students played for qualified judges and received ratings of a first through fifth. Students were able to choose pieces from easier, class C, to advanced, or class A. Because this was the first time for this sort of event, for most of the musicians, the majority played Class C.

Holding this sort of an event requires many volunteer workers and Mr. Bertelsen and Mr. Christie, the event chairpersons, wish to thank all of the helpers, adults and students, who put in many hours of work. It would have been impossible to monitor the rooms, feed the kids, judges and teachers and tabulate the results without the help of the community.

Here are the results for KMS:

In Class A, receiving a second, was Jacob Turowski on alto sax.

In Class B, receiving a first, were: Melissa Hammen and Jill Schmitt, trumpet / clarinet duet; Jacob Turowski, Stephen Kattar and Anna Rick, woodwind trio; Catrina Tarr, vocal solo. Receiving a second was Mike Markiewicz, trumpet solo. Receiving a third were: Jacob Turowski and Stephen Kattar, sax duet and Stephen Kattar tenor sax solo.

In Class C, receiving firsts, were: Kevin Jacobi, trombone solo; Tyler McElhatton, trumpet solo; Samantha Huempfner and Kristin Blank, flute / clarinet duet; Sarah Schmitt, Rachel Zimdars and Brianna Rahoy, flute / saxophone trio; Dylan Kenworthy and Marty Oresnik, saxophone duet; Marty Oresnik, saxophone solo; Alex Fellenz, voice solo; Rachel Gavin, voice solo; Marissa Dehler, voice solo; Ashley Turner, Kate Michalek, Jake Cochran and Mason Smith, double duet; Marissa Dehler and Ryan Nuernberg, duet; Rick Giese, Melissa Hammen, Bud Kattar, Kevin Jacobi, Jacob Lawrence, Anna Rick, Casey Scheel, Jacob Turowski, Sarah Schmitt, Dan Buchel, Kate Conerton, Megan

Dean, Dylan Kenworthy, Mike Makeiwicz, Tyler McElhatton, Marty Oresnik, Jill Schmitt, James Wiedmeyer, Ryan Wunsch, Katrina Luther, Eric Turowski and Justin Basterash, jazz band; Amanda Carpenter, Brianna Fitzpatrick, Rachel Gavin, Jordan Geidel, Samantha Huempfner, Erika Norem, Kim Petermann, Rebecca Spaeth, Catherine Stoffel, Alex Fellenz, Marissa Dehler, Megan Dreher, Sarah Kissinger, Kate Michalek, Emily Sedgwick, Ashley Turner, Jake Cochran, Ryan Nuernberg, Matt Parrent and Mason Smith, swing choir.

In Class C, receiving a second, were: Ryan Wunsch, Marty Oresnik, Dylan Kenworthy and Dan Buchel, mixed instrument quartet; Dan Buchel and Marty Oresnik, trumpet / sax duet; Megan Dean, flute solo; Kate Conerton, bass clarinet solo; Brittany Stankey, flute solo; Jordan Geidel and Samantha Huempfner, clarinet duet; Kristin Blank, Samantha Huempfner and Eric Turowski, woodwind trio; Jill Schmitt, bass clarinet solo; Justin Basterash, drum set solo; Elizabeth Jones, voice solo; Catherine Stoffel, voice solo and Jordan Geidel and Sarah Kissinger, voice duet.

In Class C, receiving third, were: Tyler Mc

Elhatton and James Wiedmeyer, trumpet / baritone sax duet; Mark Markeiwicz and Dan Buchel trumpet duet; Ben Schultz and Kevin Jacobi, tuba /

trombone duet; Ashley Corey, flute solo; Marissa Dehler, Ashley Turner and Kate Michalek, voice trio; Brianna Fitzpatrick, voice solo.

## Local Teacher Participates in Workshop on Food Science

Mary Koch, West Bend resident and teacher at Kewaskum High School, was one of almost 30 teachers nationwide who received a \$400 grant to participate in a food science workshop developed and implemented in a partnership between the National Science Teachers Association (NSTA) and the Albertsons, Inc. The two-day workshop for middle level and high school science and family and consumer science teachers took place in Chicago, IL on January 31 through February 1, 2003.

Goals of this program were to provide greater opportunity for the professional development of science teachers in food safety issues with training in the use of the FDA/NSTA "Science and Our Food Supply" curriculum, and to nurture the development of local school and community partnerships through leveraged support provided to local science teachers and to increase student and community awareness of food safety issues.

At the workshops, teacher participants learned firsthand about the development and spread of food borne illnesses, the use of antibiotics, the vulnerability of at-risk

populations, and the use of disinfectants. Teachers also talked with scientists from FDA and conducted laboratory experiments to further increase their understanding of food science.

For example, the teachers investigated how a single bacteria cell can multiply to millions in just a few hours, and they observed how different temperatures (heating, room temperature, chilling, freezing) affect the growth of bacteria. The teachers explored these concepts by putting their culinary skills to the test. After cooking hamburgers to various temperatures, the teachers tested them for bacteria and other organisms that cause disease.

The food science program is centered on a standards-based curriculum developed by The Food and Drug Administration (FDA) in partnership with NSTA. The award winning "Science and Our Food Supply" curriculum explores the science behind the production, transportation, storage and preparation of our nation's food supply, and it contains a video, hands-on experiments and activities, and tools of evaluation.

# OBITUARIES

## VERNON H. JUNG SR.

Vernon H. Jung Sr., 67, of Random Lake, passed away on Tuesday, March 18, 2003 at St. Joseph's Community Hospital of West Bend.

He was born on May 17, 1935 in Lomira to the late Oscar and Amelia (nee Wiesner) Jung, and at a young age moved with his family to the town of Farmington.

He attended high school for a short time before starting employment at The West Bend Co.

In 1954 he served in the U.S. Army in Germany, and upon his return went back to The West Bend Co. where he worked for 44 years, retiring in 1997.

He was preceded in death by his parents, his wife, Cecilia; one son, Gerald; one step-daughter, Arlene Hanson, and many brothers and sisters.

Private services were held on Tuesday, March 25th at 10:30 a.m. at the Phillip Funeral Home Chapel of West Bend.

Cremation took place at Paradise Cremation Services with interment of ashes at Holy Angels Cemetery of West Bend.

Memorials are appreciated.

The Phillip Funeral Home of Slinger is assisting the family.

## JANET M. 'FIFI' DEGNITZ

Janet M. "Fifi" Degnitz, 52, of West Bend, died peacefully on March 24, 2003 at her residence.

She was born on May 16, 1950 to Eugene A. and Dorothy E. (Wilke) Degnitz in Sheboygan.

Janet was born in Sheboygan and raised in the Town of Scott. She was a graduate of Random Lake High School with the Class of 1968.

Her life was blessed with her two children and equally blessed when her grandchildren were born. Later, she began waitressing for numerous restaurants with the latest being the Bar N' Annex. She was currently employed at a laminator as Serigraph Printing of West Bend for over six years.

She had a love of horses that was exceptional and it took her many places.

Survivors include two children, Cindy (Rss) Horning of Kewaskum, Timothy (Amy) Luft of West Bend; her mother, Dorothy E. Wilke of West Bend; three grandchildren, Justin Luft and Dylan Horning of Kewaskum and Peter Luft of West Bend; one sister-in-law, Muriel Degnitz of Adell; a special horse and lifetime companion, "Shotzie"; nieces, nephews; other relatives and many very special friends.

She was preceded in death by her father and one brother, Norbert Degnitz.

Funeral services will be on Thursday, March 27, 2003 at 7 p.m. at The Phillip Funeral Home Chapel of West Bend with Pastor Mark Eckert of St. John's Church of New Fane officiating.

Interment will take place at St. Paul's U.C.C. Cemetery on Friday, March 28th at 11 a.m.

Visitation will be at the funeral home only on Thursday from 4 p.m. until 7 p.m.

The Phillip Funeral Home of West Bend is serving the family.

## JEFFREY S. SCHRAUTH

Jeffrey S. Schrauth, 29, of Campbellsport, died Sunday, March 29, 2003 at St. Agnes Hospital, Fond du Lac.

He was born in Fond du Lac on July 18, 1973, the son of Steven and Jacqueline (Gellings) Schrauth.

Jeff was a 1991 graduate of Kewaskum High School. He was employed at Kondex Corporation, Lomira.

He enjoyed hunting, fishing, pool, and a number of other sports, especially Nascar. He was a member of the Ashford Sportman's Club.

Survivors include his parents, Steve and Jackie, his sisters Juli (Bruce) Priest of Lomira and Jill (fiancee Scott Benson) Schrauth of Campbellsport; a very special friend, Michele Schneeberg of Campbellsport; his grandparents Elroy and Betty Schrauth of Campbellsport and Viola Gellings of Lomira, and his godparents Sharon Wondra and Jim Schrauth. He is further survived by aunts, uncles, many cousins and friends.

He was preceded in death by his maternal grandfather Edwin Gellings.

A Mass of Christian Burial was held on Wednesday, March 26, 2003 at 8 p.m. at St. Kilian Catholic Church, St. Kilian.

Rev. Victor Kemmer and Rev. Neil Zinthefer officiated and burial was in St. Kilian Cemetery on Thursday.

Visitation was on Wednesday from 4 p.m. until the time of services at the church.

Twohig Funeral Home, Campbellsport is assisting the family.

## Doctor's Day March 30th

WEST BEND- The West Bend Clinic, a member of SynergyHealth, is honoring its physicians on National Doctors Day, March 30, and, thanks to its physicians, celebrating the addition of several new medical advancements at the clinic. Doctors Day honors all physicians for their ongoing role in the fight against disease, advancement of the medical profession, promotion of health wellness, caring for the sick and providing quality, compassionate care.

The history of Doctors Day is linked to March 30, 1842, when Dr. Crawford Long administered the first use of anesthesia for surgery. The first Doctors Day was observed in Georgia on March 30, 1933 to recognize the anniversary of Dr. Long's achievements, as well as accomplishments of all doctors toward the advancement of medicine. In 1958 a resolution was adopted by the U.S. House of Representatives, and in 1990, President George Bush signed into Public Law "National Doctors Day".

"Patients benefit from being well-informed and taking an active role in their health management," said Dr. Gregory Blommel, West Bend Clinic President and Medical Director. Doctors Day marks an opportunity for the West Bend Clinic medical professionals to raise awareness with patients and the community about the continued growth and services provided locally at the West Bend Clinic.

The West Bend Clinic provides access to multiple primary care and specialty services. In the past year, several medical specialties were added, including pediatrics, gastroenterology and endocrinology. Six physicians were added to support these specialties, and another six joined the Clinic in family practice, internal

medicine, obstetrics and gynecology, and orthopedics. Over 45 physicians care for patients at the West Bend Clinic.

The West Bend Clinic continues to bring state of the art technology and medical procedures to the area. Recent developments include the use of three new procedures in the urology, gastroenterology and orthopedic departments. The techniques include treatment for enlarged prostate, minimally invasive hip replacement surgery resulting in a shorter recovery time, and a capsule endoscopy to diagnose small bowel disorders.

In July 2002, the Urology Department announced a new treatment option known as Cooled ThermoTherapy, a non-surgical treatment of Benign Prostatic Hyperplasia (BPH), or enlarged prostate. The West Bend Clinic is the first medical facility in Washington County to offer this FDA approved treatment, performed by John Lacey, M.D., a board certified Urologist. The 30-60 minute non-surgical procedure offer patients an effective BPH treatment in an

outpatient setting without the side effects of drugs or the risks associated with surgery.

Hip replacement patients can benefit from a newly developed surgical procedure performed by Orthopedic Surgeon, Joel Wallskog, M.D. The minimally invasive approach leaves a 3-4 inch incision, compared to the traditional 12-18 inch incisions, and can drastically shorten hospital stays and recovery times. Wallskog trained under the pioneer of the technique, Dr. Richard Berger, orthopedic surgeon from Rush-Presbyterian St. Luke's Medical Center in Chicago. The technique involves the use of new instruments to access the hip and remove damaged areas. The same implants used in traditional replacements are used for this method.

Capsule endoscopy, the leading diagnostic tool to detect disorders of the small intestine, was introduced at the Clinic in January 2003. Gastroenterologists Melissa Earnest, M.D. and Howard Hack, M.D. use the method to diagnose disorders that may have otherwise gone undetected with traditional testing methods that only view the lower portion of the

small intestine. Capsule endoscopy allows physicians the capability to view the entire 120 feet of the small intestine. Patients simply swallow a capsule containing a disposable mini-camera that logs over 50,000 images of the small intestine. The capsule passes naturally through the digestive tract, without interfering with the patient's activities. It has been used to diagnose disorders such as

Crohn's Disease, Celiac, tumors, vascular disorders, cancer, gastro-intestinal bleeding and more.

Educational programs by physicians are being offered on these new procedures, as well as on topics such as asthma, colon cancer, diabetes, menopause, balancing work and family and more.

icians at the West Bend Clinic, Inc. are board certified by the American Board of Medical Specialties (ABMS). Board certification signifies the successful completion of an approved training program, exam and assessment of experience, qualifications and the capability to provide quality health care to patients. The purpose of the ABMS is to establish educational and practice standards for physicians, and the Board Certification process is one method to accomplish this goal.

The West Bend Clinic also operates the Jackson Clinic, Kewaskum Clinic, Cedar Community Clinic and West Bend Surgery Center. Over 45 physicians are affiliated with the West Bend Clinic. Weekend walk-in care is also available at the main West Bend location on Paradise Drive on Saturdays and Sundays from 8am - 4pm.

# LETTERS TO THE EDITOR

Dear Editor:

In recent weeks I have been disappointed and slightly discouraged by the reactions to the upcoming referendum. It would appear that many people hold the opinion that Kewaskum schools are academically behind other Wisconsin schools, and the district should not be "wasting" money on such "frivolous" things as auditoriums and improvements to the current high school building. I disagree with this belief!

In a March 20th letter to the Statesman, Barb Kamrath reported information she found at a Wisconsin website. In the information presented, it was stated that Kewaskum's ACT results for 2001-2002 had an average score of 21.6. This is the average score on the reading section of the ACT. The actual average ACT composite score for Kewaskum High School was 21.8. In comparison, the ACT composite score for the state of Wisconsin was 22.1. As for other schools in Washington County? Slinger boasts an average 22.1, West Bend West a 22.5, and West Bend East a 21.9. While these averages are higher than those at Kewaskum, they are not significantly so.

In the same letter to the editor, Kewaskum fourth grade state test scores were also reported as low. The letter failed to note the performance of the tenth graders at the Kewaskum High School on these state tests. The percentage of Kewaskum students scoring in the advanced and proficient levels of the five tests ranks Kewaskum in the top eight schools of the 43 schools in our CESA district on four out of five tests.

These statistics should not, however, convince you that Kewaskum students are currently receiving the best in quality education. Updates in technology and textbooks are greatly needed. For example, the current "Modern Organic Chemistry" textbook used in class was published in 1984 (some students are even using a 1981 edition). An even worse example: in AP Statistics, a course designed so that students may earn college credit, 24 students are sharing seven textbooks. Under conditions like these, it is perhaps a testimony to the quality of Kewaskum teachers that students are able to perform as well as they do on the ACT and state tests.

As for the auditorium, it has always been a source of embarrassment explaining to relatives and friends of other school districts that our school productions are performed on tables clamped together, and lighted from lights mounted to basketball hoops. This, to me, is unacceptable and the most obvious mark of a lack of progress.

I firmly believe that the

importance given to education is begun at home. How can we expect the future generations to perceive education as important if the adults of our school district are not willing to support improvements to our school? How can we expect stellar academic performance if the tools and facilities for teaching are insufficient?

Let us not disregard the massive amounts of time individuals have invested in preparing this referendum. If these proposals were not truly needed, so much time and effort would not have been spent on them! As voters, our choice is this: Kewaskum academics can be strengthened by the support and involvement of the community to create a healthy, well-rounded learning environment; or, voters can choose to do nothing, and the Kewaskum schools can fall further and further behind in a highly competitive world where education is the best asset.

Dear Editor:

There will be another important item on the ballot in the April election concerning the Kewaskum School District other than the building referendum. Four candidates will be competing for three opening on the School Board. Before voting we should remember that besides being responsible for the education of the children of this district, but of the unenviable job of handling the largest part, by far, of the costs of this process to the district's property taxes.

Jeanne Goeden, a long time member and president of the board, has decided to run for a seat again. Due to a serious surgery and the selling and buying of a home forced her to temporarily retire. I believe that Jeanne is a qualified, practical and capable candidate. She is the grandmother of children attending school in the district and a property owner, also in the district, therefore she would be an equally effective representative for both the students and property taxpayers. I am proud to recommend her as one of the candidates to choose. Please vote for Jeanne in April and by all means vote! It is very important.

Thank you,  
Lloyd A. Koch

Dear Editor:

To the Kewaskum Village Board -

It seems that recently there has been controversy regarding one man's ownership of a pot-bellied pig in the village of Kewaskum. I am writing this letter in an effort to educate the village

board as well as the general population of the town on these animals.

Pot-bellied pigs are accepted household pets all across the country, just as a dog or cat would be. This includes the upscale community of Whitefish Bay, WI, where a certain pot-bellied pig is a welcome addition to the neighborhood. Pot-bellied pigs are unique animals bred specifically to be family pets. As an experienced pot-bellied pig owner myself, I have learned much about these creatures.

These pets are friendly, obedient, intelligent, and extremely meticulous in nature. They're odor free, very clean, and easily potty-trained, much like a dog or cat. This animals' lust for eating is their most "pig-like" quality. They do not possess the muddy, messy and smelly traits that many people identify with pigs.

Consider how many complaints are made concerning excessively barking dogs, roaming dogs and cats, aggressive dogs, and worse yet, unwanted pet pregnancies due to irresponsible pet owners. Every community is faced with plenty of such issues, and Kewaskum is no exception. Mr. Konzal is a responsible pet owner. In fact, his pet is not allowed to leave the yard.

To illustrate miniature pig intelligence, I'll tell you a bit about my own. Not only is he leash-trained, but can sit up, speak, shake hoof, sit and stay on command. He is also very neat and tidy. This is a far cry from an average farm pig.

I hope that I have enlightened the village board and residents of the community on the topic of pot-bellied pigs, and have shed a bit of light on these widely misunderstood creatures. I urge you to take the preceding into consideration when making your decision on this matter, and to allow the Konzal family's pet to call Kewaskum home.

Sincerely,  
Bridget Bartley

Letter to the Editor:

I will make this short. I

have contacted Jeanne Goeden several times concerning some Kewaskum School District issues. As we chatted, she was very informative on the budget, the referendum and the school curriculum, which is very helpful to come to a decision on the various issues and votes.

Jeanne is always available to discuss any concerns and takes a true interest in one's opinion. It is easy to tell that the school district is her forte.

Next Tuesday, April 1, voters will be asked to vote for one (1), two (2) or three (3) positions for the Kewaskum School Board. **Please make one (1) vote for Jean E. Goeden.**

Thank you,  
Frank Beesten

A Response to the "Concerned" Citizens of Auburn Township:

I feel I have to respond to the concerns voiced by several Auburn Township residents regarding the present township chairman, Howard Laubenstein and other issues. The statement was made that snowplow drivers are not experienced and that snowplowing is done only as absolutely necessary. In order to be a snowplow driver, one needs the proper licenses, which our drivers have. They also have years of experience. They not only drive the plow trucks, but have been an excellent resource for repair and maintenance of our vehicles, as well. They do plow only as necessary to keep expenses in check, as all townships do!

Harley riders need have no fear of using our Auburn Township roads. Reported excessive noise incidences, especially at early morning or late nighttime hours need to be addressed. This does not only include loud bikes, but loud cars, barking dogs, loud parties, etc. The Township does have a noise ordinance and making township residents aware of it at a town meeting seems quite appropriate.

Internet access for town agendas and meeting minutes may be an advantage to some, but it is not the means by which the majority or our township's residents get that information. These items are available to all town residents, however, in taped and written form by contacting a board member.

No one member of the town board is solely responsible for what appears on the agenda. The Town Chairman receives information from other board members and the Town Clerk as the agenda is developed each month. Township meetings I have attended have been orderly and kept moving.

As far as I am aware, an audit is only necessary in a township where there is only a clerk or a treasurer. In townships where there is a treasurer and a clerk, such as ours, internal audits can be done between these two individuals. This is the way the law is written.

Attending seminars and learning is something that should never stop. However, the flip side of this argument could be - attending seminars just to attend "seminars" is not cost effective to our township either. At a township meeting it was decided to give the board the authority to approve or decline seminars, to keep these costs in check.

I believe that since Howard Laubenstein has been our town chairman, he has worked to keep costs down for all of us. The snowplow truck is an example of this. I attended several meetings at which the replacement or repair of our truck was discussed. Howard encouraged township residents to walk through the issue and he brought in people qualified to speak to us about our options. As a result, we saved approximately \$70,000, which was used to pay off our town hall debt. We have had no problem with our repaired truck in the past two years. Howard has been working diligently to get state dollars to help us with road repairs, as well.

Editor:

Together, as neighbors and citizens, we face important challenges. Our answers will define the community in which we live today, and the community we will offer as home to our children.

Government needs to be open to the people at all levels. It must be available, flexible, creative and affordable to the citizens it serves. Further, government must always look within before it looks to the taxpayers for more money.

On Tuesday, April 1, you will make an important decision as to how the village will head into the future. I ask for your consideration and your vote.

Letter to the Editor:

On Tuesday, April 1, I am asking you to go to the election polls to cast one vote for me, Jean E. Goeden (Jeanne Goeden) for the Kewaskum School Board position.

**What can I bring to the board?**

**Experience.** I have been involved in the Kewaskum School District for over 30 years. Beginning with the Farmington PTO, then involvement in the High School Boster Club and for 19 years on the School Board. My husband Willie and I have five children and all of them attended schools in the district. We now have nine grandchildren. I continue to visit the Kewaskum schools and attend their activities. I am always interested in my grandchildren's homework!!!

I am familiar with the Fund 30 (Debt Service), Fund 10 (General Budget) and the "QEO" which is the Qualified Economic Offer for teachers' salaries.

**Community and Senior communication skills.**

I am active in the St. Lucas Lutheran Church as a member of the senior choir, the Ladies Aid and as co-chairman of the funeral committee. I believe in teamwork and trust within an organization. That is why I also belong to the Kewaskum Women's Club. I

enjoy being part of an organization, which promotes our schools and community. I believe that every person has an area of expertise; and I believe mine is as a member of the Kewaskum School Board.

**Enthusiasm.**

I am so proud to say that I am from Kewaskum. Promoting our School District should be our top concern. Our Agricultural Department, Future Farmers of America and the Leadership classes in the High School are excellent. The eighth grade social studies classes focus on teaching US History, while incorporating current events into the curriculum. We all know that the Kewaskum's music and art departments in the Middle School and High School are superb. In addition, our third grade reading scores are well above average.

These are just some of the great areas this School Board should be promoting to eliminate the loss of students through open enrollment or virtual schools. Last year, one of the candidates said our schools were not of the "higher echelon" of education. Yet, we have doctors, lawyers, actors and engineers who have graduated from the Kewaskum High School. Our school district has done well over the years. Many graduates have chosen to stay in our community and start his or her own business: Vernon Jung of Quad Tool, Wendi Dreher of Hair on Main and Mike Geidel of Piggly Wiggly. These young people are our community's backbone and graduates of Kewaskum High School. I am proud to see that they continue to promote the village of Kewaskum and the Kewaskum School District.

I am proud to say my children went to the Kewaskum Schools and have done very well. They are educated and productive members of the community.

It would be my goal, as a member of the Kewaskum School Board to ensure that ALL children in our District will have that same opportunity.

I would appreciate your vote on Tuesday, April 1st.

Thank you,  
Jean E. Goeden

Letter to the Editor:

I would like to take issue with the recent editorials written regarding Howard Laubenstein and the Town of Auburn.

The snowplow lawsuit was because of an accident with another vehicle. The Town's insurance company is handling the claim. At a regular meeting, the Town Board discussed the hiring of snowplow drivers. The motion was made and passed to advertise for new drivers and that previous drivers

would also have to reapply for the job. All three town snowplow drivers are experienced in driving quad-axle dump trucks and/or tractor-trailer rigs. The previous "experienced" drivers are what caused part of the repairs of the 1991 plow truck. On the issue of repairing the 1991 snowplow versus purchasing a new one - a sales representative from a truck dealership was at the Town Meeting. He stated the Town should get close to 20 years out of that truck and that most of the problems were a lack of maintenance. The bids were opened. The low bid for a new truck was \$92,800, with trade-in of the old 1991 unit. The low bid of \$21,796 for repairing the old truck was received from a firm in Waupun and one person in attendance said the company he worked for had done business with them and they did excellent work. The Board Chairman reported at one of the following meetings they could get it done for \$14,080.91 with certain repairs left open. I suggested they not lock themselves into that figure, but rather cushion more money in for any needed additional repairs. Board passed motion to repair \$14,080.91, plus extras. The final bill of \$20,138.81 was still less expensive than the firm's original bid of \$21,796. Motion by Minz, seconded by Laatsch, and passed to pay final bill. Chairman Laubenstein suggested the \$70,000 saved from not buying a new truck be applied against the loan on the Town Hall, thus saving additional money on interest.

Another issue - The Town Chairman, by State statute, appoints members to the Town Planning Commission and the Board of Appeals.

The subject of not attending seminars was not Chairman Laubenstein's motion or statement. Those present at the Town of Auburn Annual Meeting discussed the money being spent on attending these seminars and meetings and said prior approval from the Board was necessary.

On August 6th, 2001, Attorney Paul Rosenfeldt, representing the firm of Attorney John St. Peters, our Township's legal firm, answered questions raised by Supervisor Minz regarding the town's policy on computer access by people outside the three board members, secretary and treasurer. The board, after ques-

tions, was informed everything was legal, but recommended a change in zoning administration to avoid future conflict of interest. Supervisor Minz must not have been pleased with this, because he then phoned Attorney John St. Peter directly, but got the same answers. The total cost for attorney fees, his attendance at the meeting and the phone conference was a waste of \$448 of town money.

Also, you should know that Chairman Laubenstein received over \$39,000 in grants from the State of Wisconsin for road work done by a previous board, but which was never requested.

The above information was received from Town of Auburn minutes or my attendance at meetings and not based on second-hand information.

Howard Laubenstein does an excellent job as Chairman of the Town of Auburn, and you can be sure he will continue to work in the best interest of you, the taxpayer. I urge you to vote for Howard on April 1st.

Dear Residents of the Kewaskum School District:

I am writing this open letter in the interest of the decisions on the ballot of the April 1 referendum facing our school district citizens.

As the Kewaskum High School athletic director I am responsible for much of the scheduling of the high school building usage by school activities and by groups and organizations in our community.

Thus far in the 2002-03 school year YOUR building has been used by at least 75

different school athletic teams, organizations, activities, and community groups! We host everything from MPTC adult education classes to our morning walkers to baton twirling groups and also function as the indoor site for our local Memorial Day remembrance in case of inclement weather. The building is not just for the public school families, as we work cooperatively with our local parochial schools to provide space for their activities.

Most days YOUR building is in use by school or community individuals and groups from 6:30 a.m. until after 8 or 9 p.m. in the evening - more than 13 hours per day. The referendum on April 1 is an opportunity to help provide more space for EVERYONE in our community.

Sincerely,  
Jason Piittmann  
Physical Education  
Teacher/Athletic Director

Letter to the Editor:

The time is soon to come for the taxpayers of this community to make a tough decision. It is extremely important that each and every one of us is well informed so that we can make a good decision regarding the upcoming referendum. If you need more information to make your decision, please contact the district office with any questions you may have. Many people have spent numerous hours working on this and we are greatly appreciative for those who have come forward to work with us. For those who have already formed their opinions without knowing all the facts

and the ramifications, we once again encourage you to study and reconsider the referendum questions so you can make a well-informed decision.

Do not underestimate the need to pass the first question on the referendum, which covers the need for textbooks and upgraded technology. Failure to do so will have devastating effects on all grade levels of the school system; books that need to be replaced won't be, computers that need to be upgraded or replaced will be removed, and our children will be put at another disadvantage. Or we will be forced to cut other programs, such as sports or club. How many of you want your children go to a school where there is not an opportunity to participate in sports or clubs? That will be a possibility we soon may have to face if this question is not passed.

The second question deals with the facilities at the high school. Parents of children in the elementary schools should remember the conditions of the elementary schools before and after the last referendum. The need for the remodeling and additions at the high school are just as important and justifiable as the needs of the elementary school once were. The additions will enable us to greatly enhance our curriculum and give our students a better-rounded education. We need to give all our students the best opportunity we can and help them build a strong foundation for their future, whether it is a four-year college, a two-year program, or apprenticeship; we cannot leave any child behind.

The third question provides additional funding for maintaining and operating the additional space at the high school. If the second question passes, then the third question needs to pass or the funds for operating the high school will need to come from other sources resulting in other needs being ignored; creating yet another problem.

The fourth question is for a new auditorium. Some people believe the district doesn't need or can't afford one. My question to them is why do all the surrounding districts and all the schools in our conference have an auditorium? And why are they so popular? An auditorium will be a great asset to our school district. It will be a comfortable environment where all our students can showcase their talents in the arts, a place that the whole district can enjoy and benefit from.

Finally, the fifth question deals with funds for the operating cost of the auditorium.

The needs of the district must be addressed and they will not go away. Waiting another year or two will not only shortchange the educational value to the students, but it will cost the taxpayers more in the future. Members of this community need to look at the long-term needs of the district and make a smart investment.

Please make an informed decision and vote yes to all the questions on the ballot.

Thank you,  
Gordie Dickman

ATTENTION - Town of Auburn Residents:

The Town of Auburn Chairman, Howard Laubenstein, is running for office again.

Ask Howard Laubenstein how the snowplow lawsuit is progressing? Also ask why he hired new drivers. All other municipalities treat their seasoned snowplowing drivers with the utmost respect due to the skill, ability and stress involved with snowplowing.

Harley Davidson riders - BEWARE! Howard Laubenstein calls the Sheriff's Department when he thinks the motorcycles are too loud. This was brought up at a town board meeting - from the Chai! Is this the proper place to address his dislike for Harleys? This is a state regulated concern!

The town computer is no longer connected to the Internet thanks to Howard. As town residents shouldn't we be able to access our town agenda and meeting minutes on the Internet? This subject needs to be addressed at the April 8, 2003 Annual Town Meeting. This meeting is open to the town residents for voting on town matters. Get involved! This is YOUR town.

All of the above is open public record.

As residents of the town, if you are included on the agenda of a meeting - do you think you should be informed? Do you think just posting of the agenda is the proper way to inform a person if he/she is to be the subject of discussion? Do you think that common courtesy would be at least to inform the subject with a phone call? Do you have the right to defend yourself? Howard Laubenstein repeatedly placed people on the agenda without their knowledge. Howard Laubenstein is solely responsible for the agenda.

Are you aware that there has NEVER been an audit of the Town of Auburn books? Do you think there should be an audit of the books after all of these years? This subject needs to be addressed at the April 8, 2003 Annual Town Meeting!

Attend this meeting! Voice your opinion. This is YOUR town. YOUR tax dollars!

Vote April 1, 2003.

To the Town of Auburn Citizens:

This is in regard to the Letter to the Editor in the Fond du Lac Reporter on March 16, 2003.

My name is Harry Knoelke. I was constable, was on the planning commission, the board of appeals and chairman of the Town of Auburn. During my time of service as town chairman many improvements were made to the Town of Auburn, which included the new town hall and the transfer station. I might also add that the books were audited and still are.

The Town of Auburn has ordinances for everything mentioned in the letter, such as motorcycle or other type of noise. When a person has a problem they call the town chairman who in turn calls the sheriff to take care of the problem. All the board members know what these ordinances are and should refer to them as needed.

Unfortunately, lawsuits do happen and not only to the Town of Auburn. We have a good lawyer and insurance to take care of these matters when they arise.

If and when the Town goes on the internet, nothing

can be posted without the agreement of the town lawyer. The best way to find out what goes on at the meetings is to attend them.

As to the agenda, all the board members are aware of what's on it before it is posted. So if there is something debatable on it, any board member has input and can say what should or should not be discussed at the next meeting.

This is a great town with good people. I urge the Town of Auburn citizens to go and vote on April 1. And please consider carefully who would be best for the job.

Harry Knoelke  
Former Town of Auburn Chairman

Dear Editor:

I have been a resident and taxpayer in the Kewaskum School District for the past 20 years. I am the proud parent of two students currently attending KHS. I am writing to express my support for the referendum and encourage others to vote yes as well.

Choices made in the past have given us a situation resulting in a wide variety of deficiencies at KHS, non-compliant bathrooms, a grossly inadequate KHS library, insufficient and obsolete textbooks (at the elementary and middle school levels as well), and an out-of-date tech ed department just to name a very few. We have the opportunity on April 1 to change things. Rather than continue to say no, that we can't do

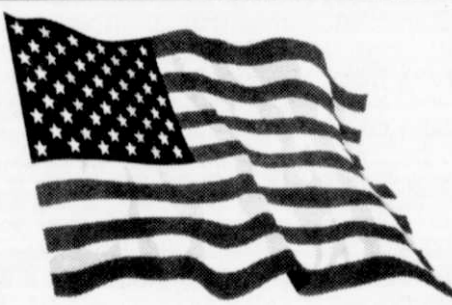

it, we can vote yes and say we can and want to move our district forward!

The choices we are being given have not been presented haphazardly. Two year of careful study and hard work by members of our community as well as outside professionals has gone into the questions on the referendum. I appreciate that dedication, and it gets to a point that we need to trust those working for us and stop thinking someone is tryin to pull a fast one and fool us into "frivolous" things.

If anything on the referendum looks unnecessary, it may appear to some that it is the auditorium. I hope students have the opportunity to use and develop their talents via musical performances for many years to come, one of the many uses of an auditorium. My concern and question for a number of years has been what the district's liability would be if an injury occurred to a performer or attendee with the use of our makeshift "facilities." The cost may be far greater than the number on the referendum.

For some, voting yes to the referendums a difficult choice. But voting yes sends the message to our children that education is important and that we will do what it takes to provide it for them. For those retired, I remind you that as your taxes contribute to our children's education, those of us working are helping contribute to your social security benefits which we may never see. We all need to work together.

At the very least, vote yes to the question on the referendum to provide the necessary textbooks and tools needed for our students' education. Dear Town of Kewaskum Residents,

Many of you know me through my service on the Kewaskum School Board, but for those of you who don't, my name is Mary Meisser and I'm running for the position of Town of Kewaskum Clerk. Over the years, our township has experienced many positive changes. Twelve years ago when my family and I moved into the township, I recall stopping in to see our longtime clerk, Barb Wenzlaff, only to find her hard at work on the computer doing town clerk work - in her home! Then a new town hall was built. Barb updated the computers and, with the additional space, our township soon had an efficient office operation. We went from punch ballots to the Accu-vote machines.

Into this tradition, I believe I bring a solid background of administrative, clerical and customer service skills that would benefit our town. I am the owner of a secretarial, graphic design, and resume service and am skilled in providing professional, high quality work with a very positive attitude. My past experience includes that of being the office manager for three import/export companies - at the same time. I've worked at UW-Washington County where I held simultaneous positions in the Public Information Office and the campus UW-Extension office. Both positions were driven by positive customer service, accuracy and attention to deadlines. All of my experience has required the ability to manage a variety of responsibilities in an efficient, accurate and timely manner.

The school board has been a completely different kind of experience. Complex issues and the responsibility of making fiscal and educational decisions for the District are duties that are undertaken by few people. The issues can be difficult and require the ability to see many sides of an issue. I continue to pray for the wisdom and humility to make the right decisions. Effective interpersonal skills and the ability to listen are also essential. Much of my training has come from

attending seminars and workshops on governance - including Roberts Rules of Order under which our town board meetings operate, open meetings laws, budget, and management.

It is with this background that I offer my service as your town Clerk, if you so choose. I am available to answer any questions you have - on school issues, as well. My number is in the book; feel free to call.

God bless.

Mary Meisser  
Candidate - Town  
of Kewaskum Clerk

To the residents of the Town  
of Wayne,

Hi. My name is Dean Gebhardt, and I AM a Concerned Citizen of the Town of Wayne. Concerned because I have seen the Town changing in the last several years.

Rural character, agricultural preservation, wetland and Natural Resource protection, controlled growth, describe goals which received much "air time" at recent Town meetings. Citizens have raised their concern.

The present Land Use Plan is a skeleton outline that would help attain these goals and has been in place for some time now. This Land Use Plan was the consensus of you, the residents of the Town of Wayne. Unfortunately, it has been a neglected reference in many of the recent land division and development decisions. This plan needs continued refining and tailoring to meet both the needs and desires of the residents and township.

To attain these goals, the Town of Wayne needs strong leadership and goal-minded individuals. April 1 brings you an opportunity to make that choice.

Our Township's future depends on it! Vote for Dean Gebhardt as a write-in for Town Supervisor on the ballot. Darken the oval and write in "Dean Gebhardt" on the ballot.

Dean Gebhardt

\*\*\*\*

To the Residents of  
the Town of Wayne:

Recently a lot of concern has been expressed about the rezoning and development of land in the Town of Wayne.

Last year the Town of Wayne rezoned and divided over 100 lots from agricultural to residential. It appears that at least that number is on the agenda for 2003. This rapid growth far exceeds that as outlined in the 1997 Land Use Plan.

Many people, including myself, feel that the current zoning ordinance needs to be modified to keep this trend in check. The number one objective should be to pro-

tect the rural character, farmland and natural resources of the community.

I feel that whether you own 2 or 200 acres, have recently moved to the area, or have lived here all your life, you have a say in the matters that affect the future of the Town of Wayne. You are the people who will determine what this township will be like in the years to come.

All board members need to remember that they represent each and every one of the town's people-not just select groups.

With your support and vote on April 1, I will do my best to see that all the people of the town have their voices heard!

Scott Weiss  
Candidate for Town of  
Wayne Supervisor.  
Member of the Concerned  
Citizens of the Town  
of Wayne.

To the Editor:

The upcoming referendum facing the Kewaskum School District is an opportunity for the voters in this district to give all our kids a great place to learn. The referendum is not about the school board looking for ways to get more money out of us. It is about correcting years of neglect.

Walking into our current high school is, quite frankly, embarrassing. It is dark and poorly lit. Floor tiles in many halls and classrooms are loose and mismatched. Many classrooms haven't been updated or brought up to code in over 25 years, and the Technology Education department has been in need of updating for many years. How many of us let our homes get this bad?

We have the opportunity to add an auditorium, which will create many opportunities for not only the school, but for the community. First, we will have a facility to stage plays, musicals and concerts that we can be proud of, with real sound systems, and lighting systems that don't use 2x4's suspended from basketball backboards. Second, an

auditorium will be used by the entire district. The elementary and the middle school all have concerts. Why not have the concerts where all the parents, family and friends can sit comfortably? And it's ironic that the high school has band and choir rehearsals in rooms that have excellent acoustics, and they perform in a gymnasium that offers no acoustics.

I think this is the perfect time to pass this referendum. Interest rates will probably never be this low

again. Many contractors are looking for work, and will have to be competitive in the bidding process. And with the completion of the Highway 45 bypass, our community and school district will continue to grow. I hope we would do whatever it takes to have a school we can be proud of, and keep our new neighbors in Kewaskum instead of losing them to other districts who have more to offer.

Sincerely,  
Bill Stangl

## JOE MINZ Town of Auburn CHAIRMAN

If elected, my main concern will be to help the Town of Auburn residents as much as I can on town matters. I firmly believe this is a Town Chairman's job, and it SHOULD NOT BE AVOIDED. I am pleased to say, as a board member we have paid the old town loans in full. As you know, this cannot be done by one board member. As a local business owner I would be available to address town concerns, most of the time, on a daily basis. (my business is located at my residence). I have also been campaigning in the area and I am very happy with the warm reception I have received.

# DAYS GONE BY

## 25 Years Ago

December 2, 1977

A car driven by Mrs. Sandra Hollister, of Route 3, Kewaskum, was struck by a southbound Chicago & North Western Train at 3:22 p.m. Tuesday, at the Main Street crossing in Kewaskum. Mrs. Hollister, who was traveling west on Main Street, sustained a fractured arm, various lacerations and a bruised knee. She was taken to St. Joseph's Community Hospital, West Bend, by the Kewaskum Rescue Squad.

The FFA's Golden Anniversary Convention was held on November 8-11 in Kansas City, Missouri. The three representatives who attended the convention from Kewaskum were Pat Hanrahan, Joel Moths and Dennis Backhaus.

In November, the 10th Annual Awards Party of the Stock Car Racing Association of the Midwest (SCRAM) was held at the Country Maid Inn in Cudahy. Over 200 late model and sportsmen drivers received recognition for their participation in the sport of racing. A driver from this area recognized

was the 1976 SCRAM Champion Driver, Willie Goeden of Kewaskum, (St. Michaels), who finished second in the standings this year, losing to Al Schill of Franklin. But the Goeden Gang was not all that depressed, because the gang was surprised when Willie's name was mentioned as the receiver of the Most Popular Driver and Best Appearing Car Awards, for which he received a CB unit and a beautiful trophy.

With three wrestlers injured, the Kewaskum Indians lost their opener to St. Mary's Springs here Tuesday, 35-26. First letterman Rob Secor injured his knee Monday, Wayne Endlich broke his thumb, and then Larry Westerman suffered a possible dislocated shoulder in the first period of his match Tuesday and had to default.

A son, Kevin James, was born to Mr. and Mrs. Bernard Sarauer, Jr., Campbellsport, on November 24. A son was born to Craig and Lois Thull, Campbellsport, on November 29. A son, Ryan Austin, was also born to Mr. and Mrs. Harvey Schaub, Wau-pun on November 21. Paternal Grandparents are Mr. and Mrs. Calvin Schaub of Kewaskum.

This early century photo depicts a view of Kewaskum High School when it was located on STH 28 (Main Street). Kind of makes you wonder what it took for the people of that era to get a NEW high school when the above building could not take another bandaid. Thanks to Isabelle Muckerheide for this piece of nostalgia.

## NOTICE OF REFERENDUM ELECTION

### TO: ELECTORS OF THE SCHOOL DISTRICT OF KEWASKUM

TAKE NOTICE that a referendum election will be held on April 1, 2003 in the School District of Kewaskum on the question of whether or not the Initial Resolutions and the Resolutions Authorizing School District Budget to Exceed Revenue Limit set forth below shall be approved. The Initial Resolutions and the Resolutions Authorizing School District Budget to Exceed Revenue Limit were adopted by the School Board of the District on February 10, 2003 and are available for inspection at the District Office, 1455 School Street, Kewaskum, Wisconsin 53040-0037.

The questions which shall appear on the ballot are as follows:

#### QUESTION NUMBER I

"Shall the following Resolution be approved?"

#### **RESOLUTION: AUTHORIZING THE SCHOOL DISTRICT BUDGET TO EXCEED REVENUE LIMIT BY \$400,000 FOR NON-RECURRING PURPOSES**

BE IT RESOLVED by the School Board of the School District of Kewaskum, Washington, Fond du Lac and Sheboygan Counties, Wisconsin that the revenues included in the School District budget for the 2003-2004 school year through the 2007-2008 school year be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$400,000 a year, for non-recurring purposes consisting of textbooks and technology."

#### QUESTION NUMBER II

"Shall the following Initial Resolution be approved?"

#### **INITIAL RESOLUTION NUMBER I: AUTHORIZING GENERAL OBLIGATION SCHOOL BUILDING BONDS IN AN AMOUNT NOT TO EXCEED \$14,900,000**

BE IT RESOLVED by the School Board of the School District of Kewaskum, Washington, Fond du Lac and Sheboygan Counties, Wisconsin that there shall be issued pursuant to Chapter 67 of the Wisconsin Statutes, general obligation school building bonds in an amount not to exceed \$14,900,000 for the public purpose of paying the cost of constructing an addition to and remodeling and renovating the Kewaskum High School; and acquiring equipment, furnishings and fixtures."

#### QUESTION NUMBER III

"Shall the following Resolution be approved?"

#### **RESOLUTION: AUTHORIZING THE SCHOOL DISTRICT BUDGET TO EXCEED REVENUE LIMIT BY \$100,000 FOR RECURRING PURPOSES**

BE IT RESOLVED by the School Board of the School District of Kewaskum, Washington, Fond du Lac and Sheboygan Counties, Wisconsin, that the revenues included in the School District budget for the 2003-2004 school year and thereafter be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$100,000 a year, for recurring purposes consisting of operational costs connected with expanded high school facilities."

#### QUESTION NUMBER IV

"Shall the following Initial Resolution be approved?"

#### **INITIAL RESOLUTION NUMBER II: AUTHORIZING GENERAL OBLIGATION SCHOOL BUILDING BONDS IN AN AMOUNT NOT TO EXCEED \$4,700,000**

BE IT RESOLVED by the School Board of the School District of Kewaskum, Washington, Fond du Lac and Sheboygan Counties, Wisconsin that there shall be issued pursuant to Chapter 67 of the Wisconsin Statutes, general obligation school building bonds in an amount not to exceed \$4,700,000 for the public purpose of paying the cost of constructing and equipping an auditorium addition at the high school."

#### QUESTION NUMBER V

"Shall the following Resolution be approved?"

#### **RESOLUTION: AUTHORIZING THE SCHOOL DISTRICT BUDGET TO EXCEED REVENUE LIMIT BY \$45,000 FOR RECURRING PURPOSES**

BE IT RESOLVED by the School Board of the School District of Kewaskum, Washington, Fond du Lac and Sheboygan Counties, Wisconsin, that the revenues included in the School District budget for the 2003-2004 school year and thereafter be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$45,000 a year, for recurring purposes consisting of operational costs connected to the new auditorium."

#### EXPLANATORY STATEMENT AND EFFECT OF VOTE

The referendum election ballot will ask District electors to vote "yes" or "no" on the referendum election questions as set forth above.

A "yes" vote on the Resolution Authorizing the School District Budget to Exceed Revenue Limit by \$400,000 for Non-Recurring Purposes is in favor of said Resolution and is a vote to authorize the School District of Kewaskum budget for the 2003-2004 school year through the 2007-2008 school year to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$400,000 a year, for non-recurring purposes consisting of textbooks and technology.

A "no" vote on the Resolution Authorizing the School District Budget to Exceed Revenue Limit by \$400,000 for Non-Recurring Purposes is opposed to said Resolution and is a vote to deny the School District of Kewaskum budget for the 2003-2004 school year through the 2007-2008 school year the authority to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$400,000 a year, for non-recurring purposes consisting of textbooks and technology. In the event a majority of the electors voting vote "Yes" on the Resolution Authorizing the School District Budget to Exceed Revenue Limit by \$400,000 for Non-Recurring Purposes, the District will be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, in the 2003-2004 school year through the 2007-2008 school year by \$400,000 a year, for non-recurring purposes consisting of textbooks and technology; if a majority vote "No" on the question set forth above, the District will not be so authorized.

A "yes" vote on Question Number II is in favor of the Initial Resolution set forth in Question Number II and is a vote to approve the borrowing of \$14,900,000 by the School District of Kewaskum through the issuance of general obligation school building bonds for the purpose of paying the cost of constructing an addition to and remodeling and renovating the Kewaskum High School; and acquiring equipment, furnishings and fixtures.

A "no" vote on Question Number II is opposed to the Initial Resolution set forth in Question Number II and is a vote to deny the School District of Kewaskum the authority to borrow \$14,900,000 through the issuance of general obligation school building bonds for the purpose of paying the cost of constructing an addition to and remodeling and renovating the Kewaskum High School; and acquiring equipment, furnishings and fixtures. In the event a majority of the electors voting on Question Number II vote "Yes", the District will be authorized to undertake the school building program described above and borrow not in excess of \$14,900,000 therefor; if a majority vote "No" on Question Number II set forth above, the District will not be so authorized.

A "yes" vote on the Resolution Authorizing the School District Budget to Exceed Revenue Limit by \$100,000 for Recurring Purposes is in favor of said Resolution and is a vote to authorize the School District of Kewaskum budget for the 2003-2004 school year and thereafter to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$100,000 a year, for recurring purposes consisting of operational costs connected with expanded high school facilities.

A "no" vote on the Resolution Authorizing the School District Budget to Exceed Revenue Limit by \$100,000 for Recurring Purposes is opposed to said Resolution and is a vote to deny the School District of Kewaskum budget for the 2003-2004 school year and thereafter the authority to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$100,000 a year, for recurring purposes consisting of operational costs connected with expanded high school facilities.

In the event a majority of the electors voting vote "Yes" on the Resolution Authorizing the School District Budget to Exceed Revenue Limit by \$100,000 for Recurring Purposes, the District will be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, in the 2003-2004 school year and thereafter by \$100,000 a year, for recurring purposes consisting of operational costs connected with expanded high school facilities; if a majority vote "No" on the question set forth above, the District will not be so authorized.

A "yes" vote on Question Number IV is in favor of the Initial Resolution set forth in Question Number IV and is a vote to approve the borrowing of \$4,700,000 by the School District of Kewaskum through the issuance of general obligation school building bonds for the purpose of paying the cost of constructing and equipping an auditorium addition at the high school.

A "no" vote on Question Number IV is opposed to the Initial Resolution set forth in Question Number IV and is a vote to deny the School District of Kewaskum the authority to borrow \$4,700,000 through the issuance of general obligation school building bonds for the purpose of paying the cost of constructing and equipping an auditorium addition at the high school.

In the event a majority of the electors voting on Question Number IV vote "Yes", the District will be authorized to undertake the school building program described above and borrow not in excess of \$4,700,000 therefor; if a majority vote "No" on Question Number IV set forth above, the District will not be so authorized.

A "yes" vote on the Resolution Authorizing the School District Budget to Exceed Revenue Limit by \$45,000 for Recurring Purposes is in favor of said Resolution and is a vote to authorize the School District of Kewaskum budget for the 2003-2004 school year and thereafter to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$45,000 a year, for recurring purposes consisting of operational costs connected to the new auditorium.

A stranger attended a formal church wedding, and the usher asked, "Are you a friend of the bride or the groom?"

"Both," came the reply.

"Sorry, ma'am," said the usher, "you'll have to choose sides. There's no place for neutrals."

That's the way it is with the Lord. He said, "Anyone who is not for Me is against Me; if he isn't helping Me, he is hurting My cause."

If you stand aloof from His cause, you automatically help the devil's cause. Neutral people are the devil's allies.

If you refuse to be used by God, you'll find yourself being used by the godless.

You're either on the way, or in the way - which?

## NOTICE

### Village of Kewaskum

Wood Chipping will resume, the 1st and 3rd Monday of each month, beginning April 7th.

Please follow these requirements:

- Place large (butt) end toward the street, at the curb.
- Pile branches no more than 2 feet high; a long low pile is best for feeding the chipper. Leave a gap in the pile every 8 feet.
- For small brush, TIE IN BUNDLES with string or twine. No boxes, bags or cans of branches will be chipped. (Reason, is that stone, gravel, wire, metal or dirt enters the chipper it will destroy the knife edges on the chipper, delaying our chipping until the knife is replaced and resharpened).
- No roots of any kind, or material with any dirt on it.

# Vote April 1st

Tuesday is Election Day! On April 1 there will be an important School Board election with four individuals vying for three seats. There is also an important school referendum.

There are two incumbents seeking re-election, Lisa Maul and Gordie Dickman. Beth Steiner, who was recently appointed to the Board, is seeking election for the first time and the fourth candidate is Jean Goeden. Your vote for three of these people will have an impact on the school district, and how it influences education in the district, for many years to come.

The school referendum consists of five questions, all of which can be found and studied on our district web site listed above. Nineteen groups in the district have had informational presentations made by members of the Board, administration and Ad Hoc Committee. I need to say, "Thank you", for inviting us in to present this very important ballot item to your group.

## Hunting, Fishing Licenses Expire March 31

Current Wisconsin hunting and fishing licenses, including Conservation Patron and Sports licenses, expire March 31. Licenses valid for the new license year starting April 1 are available for purchase now over the Internet, by phone or at any license sales location.

Licenses may be purchased in any of three ways:

**\* Internet sales:** Customers can access online license sales through the Licenses, Permits & Registrations pages of the DNR Web site or on the state's portal at <www.wisconsin.gov> by clicking the licenses button. While some types of licenses, such as fishing, small game and turkey can be printed at home for immediate use, deer hunting licenses and others that include a back-tag, carcass tag or harvest report are not printable and will be mailed to the customer within seven days. Only Visa or MasterCard are accepted for payment, and there is a \$3 convenience fee for this service.

**\* Telephone sales:** Customers can purchase licenses using a Visa or MasterCard by dialing, toll free, 1-877-945-4236. There is also a \$3 convenience fee charged for this service.

**\* Counter sales:** Hunting and fishing licenses are

available from nearly 1,500 license sales locations throughout Wisconsin, Illinois and Minnesota. Licenses have a new look, new feel. Customers will notice that their licenses are now printed on a new fluorescent yellow paper that does not have an adhesive backing. Because of this change, customers will now use a string or similar fastener to attach carcass tags to their harvest using a pre-punched horse-shoe shaped notch found on each license square. New application procedures have also been developed to apply for permits in the following programs: Hunter's choice/bonus antlerless deer, turkey, sharp-tailed grouse, bear, goose, bobcat, fisher and otter. Applicants will no longer have to purchase stickers to apply to application forms. Instead, applicants will pay the \$3 application fee at any license sales location, online, or by phone and then submit their application using one of the following options:

As residents prepare to cast their vote, I ask that you please keep in mind that anyone can have an opinion, and just about everyone does. Opinions just itch, like a mosquito bite, but do little to solve the source of the

itch itself. However, knowledge is power. As mentioned, the five referendum questions can be found on our web site. Take the time to visit it before Tuesday. On our site there are also many questions that we have heard most often along with responses to those questions. Who knows, one or more might be the very question you are asking yourself!

I am asking everyone to take a stand, and that stand will be made with your vote on Tuesday. If you have not visited our web site, or heard one of the presentations, use these last few days to become an informed voter. You can do this by e-mailing me at wgraczyk@

ksc.k12.wi.us, calling me at 626-4487, or contacting any member of the School Board or Ad Hoc Committee. I'm asking that everyone make a stand for what they believe is in the best interests of the children, the community and your own household. These three must be weighed together and I am confident you will do just that. I know also that taking tough stands doesn't usually allow much wiggle room, and often times can be very uncomfortable. Sometimes they cost in terms of time, energy and money. Stands are difficult because they may even bring about a fair amount of pain and can be difficult to accept. Stands can be divisive, getting people hollering

at each other, slipping under each other's skins like a sliver that can fester and have outward implications. But stands can also unite. They can galvanize around a cause and can do good things. I specifically have asked, and continue to ask, that every resident in the school district make a stand and a commitment regarding the April 1 referendum. I also ask that you don't cast a vote based on opinions, or hearsay, or worse yet, emotions. Base your vote on facts and information, whether it is the referendum questions, or one of the four school board candidates. Your one vote can make a difference so please vote on April 1.

### Casualties of CWD

Chronic wasting disease has creating hardship for Wisconsin elk farmers.

Hello Friends,

Since the discovery of Chronic Wasting Disease (CWD) near Mount Horeb in February, the lives of hundreds of thousands of people have been negatively affected in one way or another.

This week, I spoke with a Vernon County couple, Roger and Kathi Sterba, who switched from a 300 dairy cow operation to building a herd of elk. They had hopes of earning a living by selling velvet and hard horns. They also sold starter herds to people just entering the business.

Roger and Kathi Sterba had built a 300-cow milking operation hoping they would be able to sell their milk for \$12 per hundred pound. The Sterbas milked their last cow this past November. They were receiving \$10 per hundred weight, not enough to break even.

Seven years ago, believing they should invest in an alternative farm income, they started an elk herd. They did some research and found that there was a profitable market for both hard and velvet horns.

Velvet horns must be harvested from a male elk within 65 days of his shedding his button. The button is the stub left after the velvet antler is removed. Velvet antlers are sold by weight and size. For the most part, Koreans purchase them. The soft horns weigh between and seven and 20 pounds a stick (side). They bring about \$30 a pound. When the Sterbas first started elk farming, the price was \$100 a pound.

A decent set of hard horns is worth about \$150.

The investments for this business include breeding stock, fencing and a handling system for controlling the elk, animals that can be difficult to control.

The enjoyment the Sterbas receive from their elk is obvious. In fact, they find it nearly impossible to eat any of the animals.

Last year's discovery of CWD in Wisconsin changed the outlook for area elk farmers and the Sterbas' long-term retirement plans. As of today, a mature bull elk is worth almost nothing on a farm that is not enrolled in the Wisconsin Chronic Wasting Disease Program (WCWDP). The Department of Agriculture, Trade and Consumer Protection monitors the program.

I need to make it clear that nobody is complaining. I am just writing about another way CWD has affected people throughout the state.

The expenses and record keeping required to meet the WCWDP make it very difficult to enroll and still earn a living from raising elk. Without being enrolled in

WCWDP, it is virtually impossible to market a product.

I listened to several stories that conveyed the Sterbas' true love for their elk. Lobo the llama takes charge of the elk calves after they are weaned. The Sterbas give tours to local school children.

They told me about both the emotional and financial loss created by a mean bull. He was goring and killing other bulls when no one was looking, including one that the Sterbas had paid \$5000 for.

I believe the toughest pill to swallow is this. After switching from dairy farm-

ing, which is almost impossible to make a living at, to raising elk, the loss created by CWD for these alternative farms is almost as tough to take emotionally as it is financially.

Roger and Kathi both expressed a hope for the future. They believe that the CWD hype will slow down as it did Colorado.

I hope this couple in their early 50s will be able to continue to follow their dreams of raising and having an income from elk well into their retirement years.

Wish them luck!

### Volunteers Needed for 'Sturgeon Guard'

OSHKOSH - Volunteers, especially those willing to fill night shifts, are needed to help protect lake sturgeon spawning in the Wolf River from poachers.

Each spring, hundreds of volunteers guard Wisconsin's oldest and largest fish as the fish swim from Lake Winnebago to their spawning grounds. When sturgeon spawn along the rocky shorelines of the Wolf River, they pay little attention to people and are very susceptible to illegal harvest, according to Todd Schaller, Oshkosh warden supervisor for the Department of Natural Resources.

To protect the vulnerable fish, the volunteer "Sturgeon Guard" maintains a presence at the spawning sites 24-hours a day throughout the spawning season. That season usually begins in late April and lasts through early May. DNR law enforcement staff direct the protection effort, which is funded in part by Sturgeon for Tomorrow, a local sturgeon conservation organization.

When spawning begins, pairs of sturgeon guards are assigned to the sites for 12-hour shifts. Before assignment, guards check in at "Sturgeon Camp" just north of Shiocton, where they are fed a good meal, given a generous sack lunch and an identification hat (that they keep), and directed to their

site. At the end of their shift, guards return to camp for another hearty home-cooked meal before they make their way home, Schaller says.

While it's impossible to predict the exact dates that spawning will occur each year, guards are routinely scheduled from April 15 through May 5. Spawning generally occurs for a five- to seven-day period within that time window. "While we do our best to get all scheduled guards out on the riverbank to see fish, invariably we must cancel some scheduled shifts if the fish are simply not active," Schaller says. "We try in those cases to re-schedule guards into an active period."

Anyone who is interested in signing up for the Sturgeon Guard should send an e-mail message to: mailto:sturgeon@dnr.state.wi.us (e-mail is preferred if possible), or call the Sturgeon Guard Coordinator at the DNR Oshkosh Service Center (920) 303-5444.

"Protecting spawning sturgeon is a great way to spend a spring day, evening, or night on the banks of the Wolf, often with sturgeon clearly visible," Schaller says. "Many guards bring spouses and children, and have made guarding a family tradition. Organizations or groups are also welcome to participate."

# KHS Boys First, Girls Distant Second At Kewaskum Indian Track Invite

By Jerry Gosa

The Kewaskum High School boys track and field team excelled in both the pole vault and shot put at the fourth annual five team Kewaskum Indoor Invitational. The field event only format featured shot put, high jump and pole vault on Saturday, March 22th.

The Kewaskum boys team won two events and totaled 25 points to runner-up Mayville's 18 points. The Sheboygan Falls girls team won all three events and clobbered the competition by scoring an impressive 42 points to 13 points for the Kewaskum girls.

Kewaskum's Troy Koeferl won the shot put for the second year in a row with a throw of 49' 9 2". Nick Block of Mayville finished second with a throw of 47' 2". David Cibulka finished fifth for Kewaskum with a throw of 38' 0". Mike McKee picked up the other first place for the Kewaskum boys when he cleared 11' 6" in the pole vault. Kurtis Cochran placed second at 11' even.

Kewaskum freshmen Luke Herriges and Jim Landrum finished fourth and fifth in the high jump by clearing 5' 2" and 5' 0". Kyle Binversie of New Holstein won the high jump at 5' 6".

Katie Patterson had the

highest finish for the Kewaskum girls team by placing second in the pole vault with a height of 7' 0". Teammate Johnnajo Schicker placed fourth at 6' 0". Tanya Weber cleared 8' 0" to win the pole vault competition.

Kayla McCormack

placed third in the high jump at 4' 6" and teammate Megan Butler cleared 4' 2" for fifth place to conclude the Kewaskum scoring. Kewaskum didn't place in the girls shot put. Hope Buehler from conference foe Sheboygan Falls won the high jump at 5' 0" and her

teammate Audrey Milne won the shot put with a throw of 34' 1/2".

Each school could enter three athletes in each event in both the varsity competition and the junior varsity competition. Noteworthy performances in the junior varsity competition were Kewaskum's Garrett Donath who cleared 9'6" to win the pole vault competition and his teammate Eric Nass who cleared 9' 0" to finish second.

NOTICE OF SPRING ELECTION AND SAMPLE BALLOTS  
APRIL 1, 2003

OFFICE OF THE WASHINGTON COUNTY CLERK  
TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a spring election to be held in Washington County, on April 1, 2003, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a referendum, if any, in the sample ballots below.

INFORMATION TO ELECTORS:

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the spring election, where lever machines are used, the elector shall depress the lever or button at the right of the name of the candidate for whom he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the person of his or her choice in the space provided for a write-in vote. On referendum questions, the elector shall depress the lever or button at the right of "yes" if in favor of the question, or the elector shall depress the lever or button at the right of "no" if opposed to the question.

Where marksense voting is used, the elector shall fill in the oval next to the name of the candidate of his or her choice for whom he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall write in the name

of the person of his or her choice in the space provided and fill in the oval on the write-in line.

On referendum questions, the elector shall fill in the oval next to "yes" if in favor of the question, or the elector shall fill in the oval next to "no" if opposed to the question.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth. Unofficial ballots or a memorandum to assist the elector in casting his or her vote may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official marksense ballot is marked, it shall be inserted in the security sleeve (if one is provided) so the marks do not show. After casting his or her vote, the elector shall leave the booth, insert the ballot in the voting device and discard the sleeve. The elector shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing, or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

The following is a sample of the official ballots.

1st Move the RED HANDLE to the RIGHT

2nd FOR REFERENDUM QUESTIONS Turn a voting lever over the YES or NO of each Question.

3rd FOR CANDIDATES FOR ELECTION. Turn down voting pointer over the name of the candidate of your choice.

4th TO WRITE IN A PERSON'S NAME NOT PRINTED ON THE BALLOT, raise the slide located at the top of the machine, having the same column number as that office and write in name on paper exposed. DO NOT raise the slide unless you intend to write in a name not appearing below. Once you raise a slide, you cannot turn down a lever below.

5th AT ANY TIME IF YOU CHANGE YOUR MIND, TURN UP A VOTING POINTER AND TURN DOWN ANOTHER FOR THE SAME OFFICE. As no votes are registered until the Red Handle is moved to open the curtain, you can make as many changes as you desire while the Red Handle is at the right side. The machine is so arranged that you can turn down only the proper number of voting pointers for each office; you cannot spoil your ballot by voting for too many candidates. Each candidate's voting pointer is located just above the name; a voting pointer must be turned down over the name of each candidate for whom you wish to vote. LEAVE VOTED POINTERS DOWN. No one will know how you have voted because the movement of the Red Handle returns the voting pointers to the unvoted position before the curtain begins to open.

**REFERENDUM - STATEWIDE**

**NOTICE OF REFERENDUM ELECTION APRIL 1, 2003**

NOTICE IS HEREBY GIVEN, that an election to be held in the several towns, villages, wards, and election districts of the State of Wisconsin, on Tuesday, April 1, 2003, the following question will be submitted to a vote of the people pursuant to law:

**2003 ENROLLED JOINT RESOLUTION 8**

To create section 26 of article I of the constitution relating to: the right to fish, hunt, trap, and take game (2nd consideration).

Whereas, the 2001 legislature in regular session considered a proposed amendment to the constitution in 2001 Senate Joint Resolution 2, which became 2001 Enrolled Resolution 16, and agreed to it by a majority of the members elected to each of the 2 houses, which proposed amendment reads as follows:

**SECTION 1.** Section 26 of article I of the constitution is created to read:

[Article I] Section 26. The people have the right to fish, hunt, trap, and take game subject only to reasonable restrictions as prescribed by law.

**SECTION 2. Numbering of new provision.** The new section 26 of article I of the constitution created in this joint resolution shall be designated by the next higher open whole section number in that article if, before the ratification by the people of the amendment proposed in this joint resolution, any other ratified amendment has created a section 26 of article I of the constitution of this state. If one or more joint resolutions create a section 26 of article I simultaneously with the ratification by the people of the amendment proposed in this joint resolution, the sections created shall be numbered and placed in a sequence so that the sections created by the joint resolution having the lowest enrolled joint resolution number have the numbers designated in that joint resolution and the sections created by the other joint resolutions have numbers that are in the same ascending order as are the numbers of the enrolled joint resolutions creating the sections.

Now, therefore, be it resolved by the assembly, the senate concurring, That the foregoing proposed amendment to the constitution is agreed to by the 2003 legislature; and, be it further

Resolved, That the foregoing proposed amendment to the constitution be submitted to a vote of the people at the spring election to be held on April 1, 2003; and, be it further

Resolved, That the question concerning ratification of the foregoing proposed amendment to the constitution be stated on the ballot as follows:

**QUESTION 1: "Right to fish, hunt, trap, and take game.** Shall section 26 of article I of the constitution be created to provide that the people have the right to fish, hunt, trap, and take game subject only to reasonable restrictions as prescribed by law?"

Yes  No

**QUESTION 2: "Right to fish, hunt, trap, and take game.** Shall section 26 of article I of the constitution be created to provide that the people have the right to fish, hunt, trap, and take game subject only to reasonable restrictions as prescribed by law?"

Yes  No

**QUESTION 3: "Right to fish, hunt, trap, and take game.** Shall section 26 of article I of the constitution be created to provide that the people have the right to fish, hunt, trap, and take game subject only to reasonable restrictions as prescribed by law?"

Yes  No

**QUESTION 4: "Right to fish, hunt, trap, and take game.** Shall section 26 of article I of the constitution be created to provide that the people have the right to fish, hunt, trap, and take game subject only to reasonable restrictions as prescribed by law?"

Yes  No

**QUESTION 5: "Right to fish, hunt, trap, and take game.** Shall section 26 of article I of the constitution be created to provide that the people have the right to fish, hunt, trap, and take game subject only to reasonable restrictions as prescribed by law?"

Yes  No

**EXPLANATION**

It is generally assumed that the people of Wisconsin have the right to fish, hunt, trap and take game as they have done since before the state was founded. And such a right is implied in the statutory and administrative rules that have been enacted to regulate fishing, hunting, trapping and taking game in this state. However, no current provision of law expressly grants a right to fish, hunt, trap and take game.

The proposed amendment to the Wisconsin Constitution would expressly recognize that the people have a fundamental right to fish, hunt, trap and take game. This right would not be absolute, however, but would be subject to reasonable restrictions prescribed by law. Fishing, hunting, trapping and taking game are presently restricted by laws prescribed by the Legislature and rules having the force of law prescribed by the Department of Natural Resources.

A "yes" vote on this question would mean that a right to fish, hunt, trap and take game, subject to reasonable restrictions, would be expressly recognized by the constitution. A "no" vote on this question would mean that a right to fish, hunt, trap and take game would not be expressly recognized by any provision of law in this state. However, such a right would continue to be implied in the statutory and administrative rules that have been enacted to regulate fishing, hunting, trapping and taking game.

DONE in the County of Washington, this 27th day of March, 2003.

Marilyn H. Merten, County Clerk
