Kimetha A. Sparks Dies of Auto Accident Injuries

A well known former business owner has died as a result of an auto accident that took place on Friday, May 2 on USH 45 just north of STH 60 in the town of Polk.

Kimetha A. Sparks allegedly lost control of her vehicle at 9:35 a.m.. The vehicle went into the median and rolled over throwing the

driver from the vehicle onto the northbound lane of USH 45.

Sparks was transported to St. Joseph's Community Hospital in West Bend and was later taken to Froedtert Memorial Hospital in Milwaukee by Flight for Life helicopter.

At 6 p.m. Saturday she died at Froedtert Memorial Hospital.

Kimetha opened her flower shop, Eccentrics by Kimetha, in 1997 on Main Street in downtown Kewaskum where Smith Insurance is now located. The shop closed in 1999. Sparks continued her love for floral design in her home and later opened a shop in Jackson.

A complete obituary can be found in this edition.

Local Legion Post to Thank The Troops

poppy. The four posters will be available to sign at the Post Office and Piggly Wiggly on May 16 and 17.

The American Legion Auxiliary will send these four Thank You posters to the Defense Department of the Pentagon in Washington, D.C. So please take the time to sign these posters for the four branches of service. Honor and support those who serve.

Tie Vote After Pig Comes To Village Board Agenda

By Kim Survis
STATESMAN CORRESPONDENT
ksurvisl@kewaskumstatesman.com

The first agenda item addressed by the Kewaskum Village Board at Monday evening's meeting was a zoning change request from Jim Wessing.

Wessing made a presentation to request the change for Woodland Creek subdivision, located southwest of the intersection of STH 28 and USH 45.

The properties are currently zoned Exclusive Agriculture District and Conservancy District. Wessing requested that they be changed to Single Family, Two Family and Multiple Family Residence District.

The board approved the

zoning change request.

The next item discussed was possible action on Ordinance No. 2003-11.

The proposed amended ordinance would allow for the keeping of miniature pot belly pigs in the village. It also addresses wild animal issues and clarifies current definitions of animal requirements.

Newly-elected President Mathew Heiser opened the discussion stating there is two sides to every coin. On one hand, residents do have the right to approach the board to request ordinance amendment, but on the other hand, should an ordinance be changed just for one household.

Trustee Kevin Scheunemann added he

spoke with many village residents who felt a pot belly pig is not much different than a dog and should be allowed.

Trustee Andrew Pesch commented that there are probably a lot of ordinances that some people would like to have changed but by changing one they may be opening a can of worms.

A split decision came up following the vote with three Trustees (Steve Scheunemann, Trustee Kevin Scheunemann and President Heiser) voting to change the ordinance and three (Trustees Pesch, Stoltzmann and Piwoni) voting against.

This issue will be brought up again after May 19th, when the vacant board seat is filled.

Farmington 4-H Seeking Military Photos

The Farmington 4-H Club needs YOU! For this year's Boltonville Rain Days parade on Memorial Day weekend, the club would like to decorate their float honoring our nation's military.

The themes are "Supporting Our Troops" and "Honoring Our Veterans." The 4-H would like to honor all the military families in the area. Their float will include pictures of as many local military people as they can get. The help they need is that they want to get the word out to send an EXTRA picture, or copies that don't need to be returned, of your loved one currently serving, or family member who served in the past.

Sometimes it rains on Rain Days, and the club does not want original precious photos ruined. They can accommodate some folks by making a copy, or using scanned or digital pictures emailed to organizers at scenic@execpc.com. Please contact Karen May, Co-General Leader, at 692-3243, work 335-7542, or email kam01@serigraph.com.

Town Of Wayne Changes Its Official Newspaper

By Andrew R. Kuehl
EDITORIAL STAFF
akuehl@kewaskumstatesman.com

The Kewaskum Statesman sadly learned last week from the Town of Wayne clerk the the newspaper has been replaced as the town's official newspaper.

In the future, all legal notices will be published by the Daily News in West Bend.

"The Kewaskum

Statesman has been the official newspaper for the town of Wayne for as long as I can remember, when my father was the editor," stated Statesman Publisher, Lana Kuehl, adding, "This is quite a shock, and I guess I don't understand the reason."

Town of Wayne clerk, Christian Kuehn stated the township wants to be served by a daily newspaper.

The Statesman will still

try to provide coverage of news in the town of Wayne considering circulation records indicate more than half of the town's residents receive the paper on a weekly basis.

"Our loyal Town of Wayne subscribers want to be kept informed on their area's news, and hopefully, we can still help keep them abreast of the issues," concluded Kuehl.

NEWS BRIEFS

Correction

In last week's article on the KHS Girls' track second place finish at Kewaskum Invite the following information was inadvertently omitted.

Both JohnnaJo Schicker and Jessi Graham not only broke the school record of 9' 3" in the pole vault when they each cleared 9' 6", but they then both proceeded to clear 9' 9". Thus Graham and Schicker both currently hold the outdoor record in girls' pole vault at 9' 9". Based on misses, Schicker was awarded first place and Graham was awarded second place in the competition.

STH 144 Upgrade Set for 2007

Representatives from Ayres Associates and the WI DOT held a public informational meeting on Tuesday, April 8, 2003 at the Farmington Town Hall. The group was there to provide information, answer questions and otherwise address concerns. Those residents of Farmington living along the highway were sent letters informing them of the meeting.

"We're in the proposal stage," said Jan Zander of Ayres Associates. "We don't know everything about living along the proposed corridor and we count on you residents to let us know things that we might not have thought of."

There were several enlarged plan drawings set up around the main meeting room with sometimes more than one alternate plan for change. Packets of information were made available with the proposed changes.

"Although mainly a resurfacing project, some other issues, such as improving dangerous intersections, a line of sight restructuring at Highway A and reconstructing the Wallace Lake curve are proposed," explained Mr. Zander.

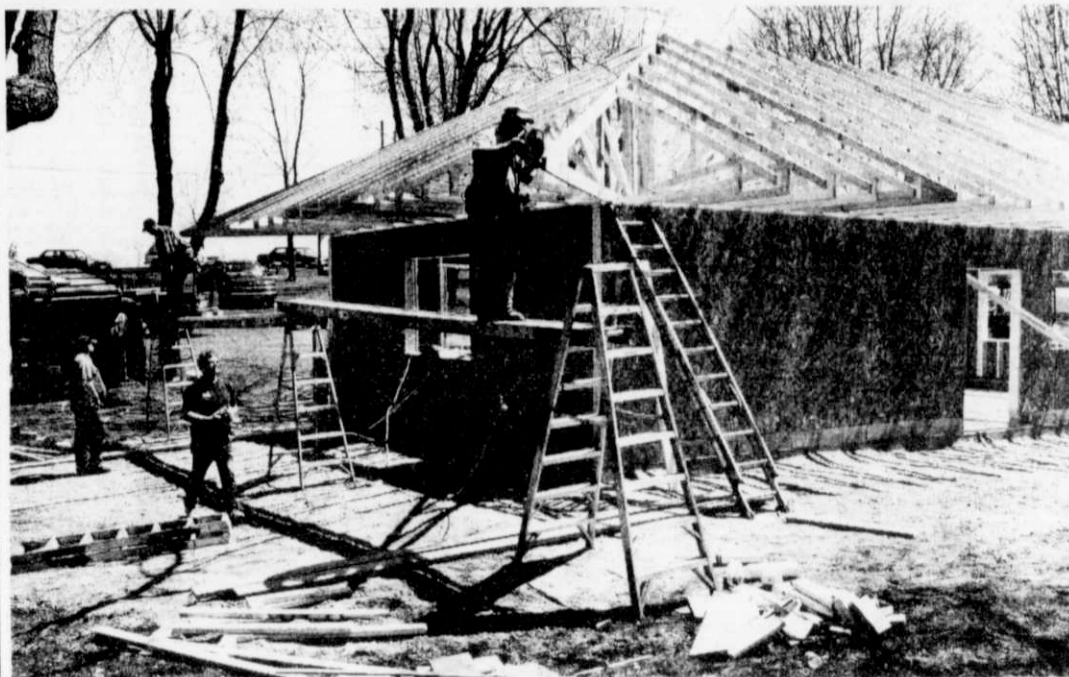

One of the most discussed proposals was making cul-de-sacs instead of intersections at a few sites.

"I represent the Boltonville Fire Department and am totally against them putting in cul-de-sacs," said Fire Chief Joe Enright. "I am very much in favor of repairing the roads, but against their taking our ins and outs. They have to leave our roads open. We need access for fire and rescue. I am against all cul-de-sacs." Preliminary plans called for thinking about cul-de-sacs at Highway HH, Boltonville Road and to the far north at Valley View Road. Residents who regularly use HH as a short cut to Kewaskum were perturbed. Chief Enright was most concerned about being able to get to the Fillmore area, and the school is directly down Boltonville Road to the southeast.

Presenters of the public forum stressed that these were preliminary plans; residents are urged to make comments. Chief Enright encouraged involved residents to contact the WI DOT - District 2, 141 NW Barstow St., PO Box 798, Waukesha, WI 53187-0798; Ayres Associates, N19 W24075 Riverwood Dr., Ste. 300, Waukesha, WI 53188, or by getting in touch with him to talk over your concerns.

The project is not expected to require any local funding, and the timeline proposed gives the opportunity for another public meeting if needed, right-of-way acquisi-

Kiwanis - Fire Department Renovate Kitchen in Riverhill Park

Members of the Kewaskum Kiwanis Club, Fire Department and Lions Club spent their Saturday this past week constructing a new kitchen for Riverhill Park in Kewaskum. Work on the project started in March with the demolition of the old structure. Work will continue this Saturday. The Kiwanis Club has earmarked \$30,000 to construct the building with help from Gary Gavin, Heberer Brothers Construction, Campbellsport Building Supply, Jim Schaub Home Improvement, Del Ponte Masonry and members of the Kiwanis Club and Fire Department.

Project Update

A view of the new lanes and construction zone that begins at Sandy Ridge Road and ends at the Kewaskum Fire Station.

Statesman Photo: Andrew Kuehl

Work has been progressing nicely on the USH 45 reconstruction project according to Jeanne Marchant, WI-DOT USH 45 project engineer.

Crews have been busy installing a temporary road that will start being used this Friday. If weather cooperates traffic will be moved onto these lanes starting according to Marchant.

Once traffic is completely moved onto the new lanes of traffic the old southbound lanes will begin to be milled and curb, gutter, storm

sewer and sidewalk will be removed. Intersections at CTH H W, Timblin and Prospect Drive will also be milled. Traffic will be limited to one lane at that point in time but will always remain open until storm sewer is installed.

Work on the stream continues along USH 45 that will be used for storm water retention. Seeding and the hand planting of 9,600 rootstock will take place in the coming weeks as well.

Marchant would like to remind everyone with more

equipment being used in this project the need for caution when driving through the work zone increases as well. This is not just for the worker's safety but drivers as well. Drivers in smaller vehicles are not always east to see from heavy equipment like dump trucks.

County and local law enforcement will be paying close attention to the construction area. **FINES DOUBLE IN WORK ZONES!** Speeds in the village are 30 MPH and outside the village is 45 MPH.

Riveredge River Valley Ride

The 11th annual Riveredge River Valley Ride takes place on Sunday, June 22, 2003, starting at 6:30 a.m. at Fireman's Park in Newburg and ending at Riveredge Nature Center. Routes of 8, 17, 27, 56 and 70 miles take bikers along the Milwaukee River through the countrysides of Ozaukee and Washington counties. Historical sites and well-equipped rest stops along the way offer riders a chance to relax and enjoy the day.

Each rider receives a t-shirt. Register early by June 6 and the fees are \$22 for adults and \$7 for children 12 years old and under. Children in tow ride free, but do not receive a t-shirt. After June 6, ride fees are \$30 and \$9. Individuals and groups are encouraged to join in the fun to help support environmental science education at Riveredge. A raffle ticket for a Trek bike and other prizes are included

in the registration packet. For registration information, route descriptions, or brochure, call Riveredge Nature Center at 262-375-2715 or 800-287-8098 or email riveredge@riveredge.us.

The routes meander past wetlands, riverbanks, valleys, cows and corn. Rest stops along the way supply cookies, biker buns, fruit and water. Sag wagons cruise the routes, ready to serve riders needing help. Day-of-Ride registration and the beginning of the ride take place at Fireman's Park in Newburg. The ride ends at Riveredge where food, music and other festivities await the riders.

Chamber Chatter...

April Meeting Hosted By Miller's Furniture

Owners Derek and Cheryl (Miller) Peterson, left, give Kewaskum Chamber of Commerce president Linda Theisen, right, a glimpse of the newly renovated Miller's Furniture. Chamber members were treated to a tour of the remodeled facilities prior to their meeting hosted by Miller's Furniture

The Kewaskum Area Chamber of Commerce held their Wednesday, April 16 meeting at 6 p.m. at Miller's Furniture.

The hosts, owners Derek and Cheryl (Miller) Peterson, gave Chamber members a tour of the redesigned showrooms, and fabric and carpet areas of the store. The store has taken on a very warm, inviting look with the new counter area designed of wood and glass centrally located.

Fabric, upholstery and carpet samples are displayed on both sides of the counter area in a manner which is easily accessible to the customer. Cheryl stated that some new lines of furniture have been added, emphasizing the gorgeous Amish line they now carry and sharing a brief history

of the line, which was extremely interesting.

Miller's is also a designated Mohawk Carpet Color Center which allows them to offer a wider variety of colors and styles of carpet to their customers.

The Chamber members thank Derek and Cheryl for their hospitality. If any business is interested in hosting a Chamber meeting they are encouraged to contact any of the Chamber officers or leave a message at 626-3336.

During the business meeting, the Chamber voted to approve a donation to the Village Fireworks Fund. Over the years, the July 3 fireworks has become a well known destination, drawing large crowds into the community for this event. A formal presentation will take place at a later date.

In conjunction with the

Harley Anniversary Celebration which is taking place in September, the Chamber is offering to produce a flyer in which local businesses could advertise or offer a "coupon special" to draw the riders into the village and Kettle Moraine area. The flyers would be distributed at various locations in the area where the Harley riders are staying. Call the Chamber at 626-3336 by May 15 if anyone is interested in advertising in the flyer.

The next meeting of the Kewaskum Area Chamber of Commerce will be held on Wednesday, May 21, at 6 p.m. in the lower level of St. Francis Bank. To strengthen the community all area businesses are encouraged to support and become involved in the local Chamber.

delivered within 120 days. Three days later on March 7, 2003 they arrived, much to my surprise.

For nearly fifty years I hadn't thought much about the ribbons and medals that I might be entitled to. In fact, I never shared my military experiences with my family. Now that I am retired I recognize the importance of making this generation aware of our experiences in war time. They actually are hungry for that knowledge and with the latest technology used in this present war they should know how other wars were fought and won. They have to know that freedom comes with a price tag. It is a very sobering fact for example

Taking practice tests that could help you reach your school and career goals used to be expensive and inconvenient. Now it is free and completely accessible at your local library!

Visit the Kewaskum Public Library, or any other Washington County library, log into an Internet computer, and begin preparing for any of a number of official school and career exams. You will have unlimited free Internet access to practice tests based on such official exams as the ACT, SAT, GED, ASVAB, Firefighter, Police Officer, Paramedic, EMT Basic, U.S. Citizenship, Postal Worker, Cosmetology, Real Estate and Broker Exams.

Maybe you just want to improve your reading, writing, math or grammar skills. At any of the libraries in Washington County, there is a practice test for you! If you have a library card from any Washington County library, you can even log onto the Internet from your home computer and make use of this remarkable new service in the comfort of your own home.

The West Bend Library, in conjunction with other libraries in Washington County, has made this possible for all its patrons by subscribing to www.LearningExpressLibrary.com. This completely interactive and comprehensive web site features more than 300 online practice tests and courses for students and adults of all ages. All Learning Express tests provide high quality assessment. As a test taker, you get immediate scoring and detailed explanations of answers to all questions. Test results also indicate areas in which you might need additional practice and include recommendations for free online tutorial courses that will help you improve your performance on your next test.

To find out more about this fantastic new service call any of the libraries in Washington County or stop by and ask any of the librarians for more information.

that we lost as many men in the Korean War that lasted three years as we did in the ten years of the Vietnam War.

While in the Korean War I did receive the Air Medal. As of March 7, 2003, I now have a total of three Air Medals. As of March 7, 2003, I now have a total of three Air Medals. An Air Medal is awarded for meritorious achievement in flight. Since March 7, 2003, I now have the Korean Service Medal, the National Defense Service Medal, the United Nations Service Medal, the Air Force Good Conduct Medal and the Air Force Longevity Service Award Ribbon.

As a member of the 98th Bomb Wing, a veterans organization, I have learned that I am entitled to receive the Presidential Unit Citation (formerly the Distinguished Unit Citation) plus the Combat Readiness Medal that was awarded to our Wing during the period I served in the Korean War. The Korean Government (South Korea) has also awarded to us the Korean War Medal for any veteran who served in Korea between 1950 and 1953. There is also the Korean

Presidential Unit Citation for units that were awarded one. Congress approved the Korean Medal several years ago.

Along with the authorized medals and ribbons received from the Department of the Air Force was a letter expressing the USAF thanks for outstanding service to my country.

I am very proud to be an American that fought for the Freedom that the South Koreans enjoy yet today. My years in the Air Force were filled with many experiences that I have begun to share with my family and friends.

I would urge any veteran to contact his local vet center to receive the medals and ribbons due to him and to write or ask someone to write down his experiences for this generation. There are Veterans Organizations that are requesting stories of military experiences. I know my family likes to know something about their father and this is the perfect way to do it. The Korean War is called the Forgotten War. It is up to us to change that.

Transmittal of and/or Entitlement to Awards

On March 7, 2003, I received a package via priority mail from the Department of the Air Force, Headquarters Air Force Personnel Center, Randolph Air Force Base, Texas.

I had requested ribbons and medals I had never received through Mark Baldwin, Vet Services Officer, Washington County Courthouse, West Bend, Wisconsin that I should have been given upon completion of my tour of duty in the Korean War. I made my original request in March,

2001. March 4, 2002, I informed the local vet center that I hadn't heard from nor received any ribbons or medals yet. The local vet service officer, Mark Baldwin, through perhaps the original request had been lost in the mail so he suggested that I make another request. After approximately ten months I was informed by mail that my request was being examined. The beginning of March, 2003, I was informed that the ribbons and medals I was entitled to would be

Kewaskum Middle School Student Council Members Attend JAM Conference

Shown above are the Kewaskum Middle School Students who attended the JAM State Conference in Green Bay.

Kewaskum Middle School's Student Council sent 23 of its members to the 11th annual JAM (Junior High and Middle School) State Conference in Green Bay, on April 27th and 28th. Nearly 1500 student council members from all over the state were in attendance. This year's theme was "Today we stand by the leaders, tomorrow we are the leaders."

The two day event involved competitions, speaker Bob Lenz, sectionals on leadership and student council activities, and many additional activities geared to middle school kids.

Students especially enjoyed the "Sunday Night Glowing Ceremony" with about 1500 neon glow sticks, the dance, and meeting other council members from across the state.

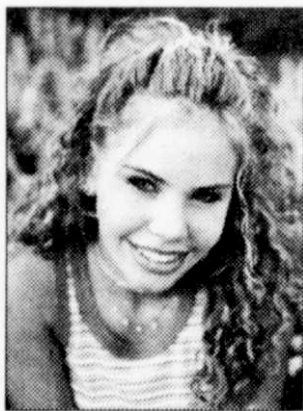

The KMS Student council competed in five competitions and won gold honors for their banner and their scrapbook. They received silver honors for the speech, writing and button design.

Students attending the conference included Kasey Bandy, Jacob Cochran, Kate Conerton, Ashley Corey, Jessica Forbes, Tiffany Hedlund, Bud Kattar, Sam Kattar, Destin Kuehl, Kyle

Kuehl, Sam Kuphal, Andy McDonald, Aaron Monte, Andrea Norem, Amanda Osswald, Keith Scannell, Emily Sedwick, Lindy Taylor, Zach Thornton, Jacob Turowski, Amanda Walker, Ashley Weiss, Kayla Wilkum, Mrs. Airaudi and Mrs. Uhlman.

Alison Yanke

Brian Mertz

Alison Yanke and Brian Mertz were named Kiwanis Students of the Month for the month of January. Alison is the daughter of Mark and Suzanne Yanke. She has received an academic letter for each year of high school and was listed in the 2001-2002 edition of "Who's Who." Alison is in the National Honor for her second year, was a Peer Listener as a sophomore, a member of the Student Council for three years, and she is also involved in the Chieftain yearbook and is the editor-in-chief this year. She also participated in FHA for three years, German Partnership Club for two years and has performed on stage throughout high school in the school's musicals and has sung and danced with the Swing Choir the past two years. Alison was also on the soccer team for three years. Her hobbies include reading, watching movies, sketching and playing with Basil, her pet rabbit. She is planning on attending either UW-LaCrosse or UW-Madison majoring in Secondary English Education.

Brian is the son of Roger and Kathy Mertz. He has been on honor roll throughout high school. Brian was the captain of the golf team, having played on the team four years, played basketball for two years, and was chosen to be in the Eastern Wisconsin Conference Honors Choir for two years. He has also been involved with community volunteer work. Brian's interests include playing golf, basketball, any games, softball, bowling and singing in the church choir. Brian's plans for the future include attending Moraine Park Technical College to study Civil Engineering - Structure. Students and their parents were honored during a Kiwanis dinner meeting recently.

She was preceded in death by her mother, Alice and one brother, Leon.

Funeral services were on Wednesday, May 7, 2003 at 7:30 p.m. at The Phillip Funeral Home Chapel of West Bend and interment will take place at Pinelawn Cemetery of Milwaukee on Thursday, May 8th at 10 a.m.

Visitation was at the funeral home only on Wednesday from 4 p.m. until the time of services.

The Phillip Funeral Home of West Bend is serving the family.

CARL P. BAUER

Carl P. Bauer, 90, of West Bend, died on Monday, April 28, 2003 at St. Joseph's Community Hospital.

He was born on March 18, 1913 in the town of West Bend to the late Philip and Susan (nee Lorenz) Bauer.

After his marriage to Rose Lecher on April 25, 1942 at Holy Trinity Church in Kewaskum, the couple settled on the farm where he was born.

Carl farmed and also was employed at Horlamus Industries for more than 25 years, retiring in 1977.

After the sale of his farm, Carl spent many days fishing at his cottage on Little Cedar Lake. In addition to fishing, Carl loved gardening and traveling.

Rose passed away on Feb. 24, 1983.

Survivors include four children, Richard (Jeane) of Lomira, Rosemary Stendahl and Ralph (Jane), both of West Bend, and Ruth Bauer of Boscobel; seven grandchildren, Jason and Janel Stendahl, and Christopher, Nicholas, Jamie, Jessica and Ashley Bauer; a great-grand-

son, Dylan Bauer; two sisters-in-law, Lucinda Lecher of Kewaskum and Florence Bauer of Brookfield; nieces; nephews; and other relatives and friends.

Preceding him in death were four sisters, Meta Theisen, Marion Schwartz, Florence Nelson-Johnson and Eleanor Bauer; and three brothers, Lawrence, Arthur and Harold.

Funeral services were held on Friday, May 2 at 10 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 10:30 a.m. at St. Frances Cabrini Church, West Bend.

Rev. Michael Peterson was the presider, and burial followed in Washington County Memorial Park, West Bend.

Visitation at the funeral home was Thursday from 4 p.m. until the 8 p.m. prayer vigil, and also on Friday from 9 a.m. until the time of services.

Those who wish, may give memorials to Synergy Health Foundation - Kathy's Hospice.

GRACE V. KRATZ

Grace V. Kratz, nee Felsing, 85, of West Bend, died on Wednesday, April 30, 2003 at St. Joseph's Community Hospital.

She was born on Feb. 13, 1918 in Meeker Hill to the late Arthur M. and Linda (nee Hardt) Felsing.

After her marriage to John L. Kratz on July 9, 1939 at St. Peter's Catholic Church in Slinger, the couple lived in the town of Polk until settling in West Bend in 1947.

On Jan. 1, 1947 Grace and John bought the former Farmers Elevator and started the West Bend Elevator. Together they operated the elevator until their retirement.

Following John's death on Jan. 21, 1987, Grace stepped into his position as chairman of the board, which she held until the time of her death.

Through the years Grace was a devoted and loving wife, mother, grandmother and great-grandmother.

Survivors include a daughter, Joyce (David) Gonring of the town of Kewaskum; four grandchildren, Douglas (Karen L.) Gonring, Robert (Karen J.) Gonring, Mary Jo (Michael)

PRAYER OF THE BLESSED VIRGIN

(Never known to fail) Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you. Grateful thanks.

CARD OF THANKS

We'd like to thank everyone who showed kindness to us, in any way, at the time of the death of our mother, grandmother, great-grandmother BEULAH BACK-HAUS. Those who gave memorials, flowers, food, cards, condolences, and shared God's word at the church service.

A special thanks to Father Mark Jones, organist, Miller Funeral Home and ladies who served the lunch. Also the caregivers at Cedar Lake Home.

God bless you one and all!

National Survey Reveals Kids Thoughts on Mom's Advice and More

(ARA) - Listen up, Moms, there's good news this Mother's Day: Your words of wisdom aren't going in one ear and out the other. According to a national survey, kids value their moms' advice and realize they need to say "thanks" more often.

This spring, Cheerios asked more than 3,000 kids ages six to 14 for their opinions on what makes a great mom and what role their mom plays in their lives, especially when it comes to a kid's daily achievements.

According to the survey, 76 percent of kids say their mom gives them the best advice. While this result may surprise parents, Dr. Martha Farrell Erickson, director of the Children, Youth and Family Consortium at the University of Minnesota, reports similar findings.

"Kids don't often tell their parents directly they appreciate their advice, but when other people ask children, they often do say this," says Erickson. "I think that's an important reality; children depend on their parents, especially their mothers, for the best guidance and advice."

When it comes to showing appreciation for mom, the survey found that while 46 percent of kids say they always say "thanks" to their mom for her help, an overwhelming majority of kids (85 percent) believe they should thank their moms more than they do.

Recipe for a Great Mom

In the Cheerios survey, kids were asked to select characteristics of a great mom. According to the respondents, the top three characteristics of a great mom are supportive (74 percent), understanding (73 percent) and inspiring (34 percent). Funny (30 percent) and giving (30 percent) also ranked a close fourth and fifth.

Three out of four kids said a mom's most important responsibilities are: making time for her family (27 percent); preparing her kids for the future (26 percent); and listening and talking to her kids (23 percent).

When asked what their mom does specifically for them, kids rated love, help and encouragement almost evenly across the board. More than one-third of kids (35 percent) chose "she loves and protects me," while nearly another third (32 percent) selected "she helps me when I need her and is there for me." And 20 percent said mom encourages them to succeed.

Rena Luedtke from Minneapolis, who is a mother of four, believes this is an important role. "The most gratifying feeling a mother could have is knowing her kids understand all of her efforts over the years to give them success in life. I would feel so proud if they knew I

was an influence."

The Cheerios survey found that a mom's support and encouragement plays an important role in kids' achievements. For 37 percent of the kids surveyed, support and encouragement from their moms was cited as the number one way their mom helps them succeed each day. More than one-fourth of kids (27 percent) selected "she believes in me," while 20 percent chose "helps with homework and projects" as most important to their daily success.

Mom Deserves a Day Off

Kids recognize that a mother's work is never done. When asked to select the hardest thing about being a mom, 36 percent of kids chose keeping up with all the stuff she has to do as number one. Taking care of the entire family (26 percent) and putting up with me (24 percent) ranked second and third, while getting enough sleep was fourth with 14 percent of the responses.

With Mother's Day

around the corner, kids have an opportunity to show their appreciation to their moms. And when it comes to thanking moms, these insightful youngsters know that mom's "wish list" includes more time to herself. When asked what they will do for their mom on Mother's Day, 32 percent of kids said they will let her relax and will offer to help around the house, while 25 percent said they will make her a card or gift. The other top answers included trying to be good all day (18 percent) and making her breakfast in bed (16 percent).

What She Really Wants for Mother's Day -- a Little Pampering

(ARA) - With a busy schedule that includes everything from working to grocery shopping and helping with homework, today's mom is lucky to steal a spare second for herself.

Why not say thanks for all that she does with a spa experience that will help mom relax and rejuvenate? With help from Garden Botanika's Immerse Home Spa Collection, mom can find bliss in her own bathroom.

These plant-based botanical treatments soothe both body and soul, washing away stress and tension while stimulating circulation and aiding in detoxification. "The spa collection is newly formulated with our rich Marine Mineral Complex to help mom rebalance and to replenish her skin's essential nutrients," says Lisa Springer, product development manager for Garden Botanika.

She explains that Marine Mineral Complex contains sea salt and sea water, which carries extracts of brown algae. All are rich in minerals that replenish, aid detoxification, and increase the skin's ability to hold moisture.

The spa collection contains a variety of pampering products, but Springer has a few favorites. One recommendation is the Marine Salt Scrub Souffle, and the Skin Renewing Body Lotion, both of which contain Marine Mineral Complex. "The souffle exfoliates and moisturizes with sea salts and tropical oils, while the body lotion speeds up the skin's natural renewal process with alpha and beta hydroxy acids," she says.

Springer also shared her special recipe for a luxurious in-home foot treatment: Add a few capfuls of Foaming Foot Soak to a warm footbath (for added moisture,

you may also add a tablespoon of Sea Salt Mineral Soak to the water as well) and soak feet for about 10 minutes. Use the Souffle to exfoliate, rinse, and then slather on High Intensity Foot Treatment, with its refreshing rosemary, mint scent. Then tuck feet into Garden Botanika's Immersion Booties to help the lotion penetrate and moisturize.

Immersion Booties are just one of the accessories that make the in-home spa experience complete. Other special additions include Immersion Gloves; Soothing Eye Gels to comfort and revive tired eyes; Hand and Foot Cozies filled with flaxseed and scented with mint, lavender and sweet orange, which can be used heated or chilled for comforting relief.

Mom will love her in-home spa day even more if you go the extra mile and set the stage for her special day:

* First, make sure the bathroom is clean and neat - no dirty clothes on the floor, no fingerprints on the

wall, and most of all, no ring around the tub.

* Lay out a generous supply of the nicest towels in the house.

* Buy some gently scented candles (or raid other rooms in the house), and place them strategically around the bathroom.

* Cue up her favorite relaxing music on the CD player.

* Finally, and perhaps most importantly, take the kids on an outing for a few hours so Mom can lie back and luxuriate in peace and quiet.

Garden Botanika products are available online or in their catalog. "We no longer operate retail stores," explains Springer. "We're going back to our roots to provide high-quality, innovative products for women between 35 and 55 to help them bring out their best."

You can choose the products you think the special mom in your life would enjoy the most, or opt for Garden Botanika's Spa Starter Kit, which contains a sampling of products from the Immerse Home Spa

Collection. Gift certificates are also available. Visit the company online

at www.gardenbotanika.com, or call (800) 968-7842 to request a catalog.

Annual H.O.G. Rally At Washington County Fairgrounds This August

The Harley Owners Group (H.O.G.) has scheduled its Annual Rally, CLUB H.O.G. XX at the Washington County Fair Park in West Bend for August 27-30, 2003.

The event, which coincides with the Harley-Davidson 100th Anniversary Celebration in Milwaukee, will celebrate the 20th anniversary of H.O.G. and is a private event for H.O.G. members only.

"The Washington County Fair Park is extremely pleased to host CLUB H.O.G. XX," said Washington County Fair Park Executive Director Nancy Justman. "CLUB H.O.G. XX is a premier event that will attract thousands of visitors from around the country and around the world."

The Washington County Fair Park is at 3000 Highway PV in West Bend, about 30 miles north of Milwaukee.

CLUB H.O.G. XX is a free, private event for active H.O.G. members only that will run four days (August 27 from 4 p.m. to 10 p.m. and August 28-30 from 10 a.m. to 6 p.m.) The event will include entertainment, a wide variety of food and concession merchants, Harley-Davidson dealers and a Vendor Mall, MDA activities, destination rides, children's area and many other exciting activities.

In addition, H.O.G. Membership Benefits and Services, H.O.G. & Co., and the hog.com Cyber Cafe will be on site.

"Washington County welcomes the Harley Owners Group and everyone involved with CLUB H.O.G. XX to the Washington County Fair Park," said Washington County Board Chairman, Ken Miller. "This event will provide major economic and cultural benefits for the city of West Bend and the entire community. It is also a chance for Washington County to extend our hospi-

tality and show all the great things we have to offer."

Harley-Davidson established the Harley Owners Group in 1983 in response to a growing desire by Harley riders for an organized way to share their passion for motorcycling and show their pride. H.O.G. currently has more than 750,000 active members worldwide and more than 1,300 chapters making it the largest factory-sponsored motorcycle organization in the world.

"We sincerely appreciate the opportunity to hold CLUB H.O.G. XX at the Washington County Fair Park, which is a great facility," said Mike Keefe, Vice President, Harley-Davidson Motor Co., Director, Harley Owners Group. "With Harley-Davidson celebrating its 100th Anniversary and H.O.G. celebrating its 20th Anniversary, these events are part of the largest birthday party the world has ever seen."

H.O.G. announced it has established the CLUB H.O.G. XX Host Committee, which includes the following members: Jim and Sandy Dricken, Owners, West Bend Harley-Davidson and Hartford Harley-Davidson; Shauna Holford, Washington County Fair Park Executive Director; Nancy Justman, Washington County Fair Park Sales Director; Steve Kilian, President, Kilian Management Services; Linda Klusak, Washington County Convention and Visitors Bureau; Ken Miller, Washington County Board Chairman; Mike Miller, Mayor of West Bend; Ben Pencilkowski, AIS President; Ken Pesch, Washington County Highway Department; Steve Plier, AIS Past President; George Prescott, West Bend H.O.G. member; Marty Putz, General Manager, West Bend Harley-Davidson and Hartford Harley-Davidson;

Jim Schumacher, West Bend H.O.G. member, and Jack Theusch, Washington County Sheriff.

Additional details on CLUB H.O.G. XX will be available at www.harley-davidson.com and at the members' only site at www.hog.com.

Harley-Davidson, Inc. is the parent company for the group of companies doing business as Harley-Davidson Motor Company, Buell Motorcycle Company and Harley-Davidson Financial Services. Harley-Davidson Motor Company produces heavyweight street, custom and touring motorcycles and offers a complete line of motorcycle parts, accessories, apparel and general merchandise. Buell Motorcycle Company produces sport motorcycles in addition to motorcycle parts, accessories and apparel. LETTERS TO THE EDITOR

Dear Editor:

I would like to share some good news with the taxpayers of Kewaskum. In mid-April the Village Board received a summary of the village financial situation and while your paper printed the minutes of that meeting I would like to highlight some of the positive features for you and your readership.

Every year the village finances are audited by an independent firm as mandated by state law. The auditor reports on two general topics: the way the village keeps its financial records and the monetary strength of the village. Audits in the past complimented Kewaskum on its finances and the village received a very positive report this year as well.

The highest rating available in public accounting is an "unqualified audit opinion" which means the auditor cannot find any issue to cast doubt on the financial reports. Once again Kewaskum received the auditor's highest rating for the state of its financial records. Beyond the strict record-keeping guidelines Wisconsin demands of its municipalities a strong rating of this kind requires special effort and scrutiny. It also ensures to the people of Kewaskum that public funds are received and spent exactly as reported.

The auditor also gave Kewaskum a very favorable review of its financial health and stated a number of specific examples. In 2002 the village spent so carefully that the money remaining after expenses were paid was ten percent higher than anticipated. The auditor also noted that the village did a good job at managing the money on-hand to pay its bills, its fund balance, even though the revenue does not flow into the village in even, regular payments. The auditor analyzed the ability of the village to borrow money for projects and found that Kewaskum had only borrowed 19% of its capacity. In comparison the auditor described other communities he analyzed that were in debt from 50% to 80% of their capacity.

The positive review calls for some recognition. The auditor's findings reflect that the people we have charged with managing the various village budgets are doing a good job. Congratulations to Village Administrator Dan Schmidt, Fire Chief Mark Groeschel, Police Chief Richard Knoebel, Director of Public Works Jerry Gillies, Head Librarian Steev Baker, Deputy Clerk/ Treasurer Janet Knops and Water Treatment Manager Bob Manthei for a job well done. The auditor's reports also reflects the value and contribution of all who serve Kewaskum. All village

employees should get an extra-special "thank you" for always giving the village their best efforts. Kewaskum could not be as financially strong without the dedication and sense of service by everyone involved.

The people of Kewaskum deserve to know how their money is being spent and it is good to hear it is being spent carefully and wisely.

Sincerely,
Matt Heiser

Letter to the Editor:

I agree with letter-writer Mike Berger ("To the American Workers," April 24, 2003). I, too, think it is time for the American people to wake up. Berger mentioned America has taken on the role of protecting the world from corrupt governments and will soon be rebuilding the world. How right he is about that second point. It's costing us about \$4 billion per month - our hard-earned tax dollars--to occupy Iraq.

Regarding his first point: we Americans need to wake up in order to protect ourselves from a corrupt government--our own. Our soldiers have risked their lives, in part, so that Mr. Bush can boost his approval ratings and garner huge rebuilding contracts for his top campaign contributors - without competition. Face it--if Bush had wanted to attack a true terrorist country, he would have gone after Pakistan, which was home to some of the 9/11 terrorists and already has nuclear weapons.

Our economy is sinking. Close to two million American jobs have been lost since Bush took office--and what's his response? More tax cuts for the wealthiest Americans, cuts in veterans, benefits, and more threats of war to distract us from our sorry state of affairs. Think of what the billions spent in Iraq could do for our local governments, schools, and economy.

Bush is creating enemies for us worldwide with his pre-emptive, imperialistic foreign policy. (By the way, who's next?) If you think the economy and lack of homeland security are in bad shape now, just wait. When the world hates us, it will start boycotting our products. And we've created a new generation of terrorists.

If you want a balanced story about the effects of the Iraq war, I recommend foreign publications and the internet, specifically, truthout.org. The U.S. media have acted as Bush cheerleaders for too long. It's up to us to demand the

Village Board Meeting Minutes

**Village of Kewaskum
Plan Commission
March 25, 2003
7:00 p.m.**

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

The meeting was opened with a Moment of Silence and pledge of Allegiance.

Chairman John Kenworthy called the meeting to order. Members present were Andy Pesch, Richard Schmidt, Andrew Kuehl and Theodore Meilahn. Member Frank Beesten asked to be excused and was absent along with Member Leeann Butschlick. A quorum was present. Mr. Rick Kania from SEWRPC was in attendance to discuss the proposed Zoning Ordinances.

On a motion by Theodore Meilahn, seconded by Richard Schmidt and carried by the majority voice vote the Plan Commission approved the minutes as printed for February 25, 2003. Member Andrew Kuehl abstained.

RAMKO LLC (Peggy Kober & Thomas Herriges) reviewed with the Plan Commission an adjusted preliminary plat plan for the development known as "Homestead Hollow" located behind the property at 1630 Riverview Drive. The plan did not reflect any changes as to the number of lots or zoning but some street adjustments because of DNR requirements regarding the protecting of wetlands. The proposed development follows the land use plan and will include the hiking trails. The developers raised the issue of reducing the size of the cul de sac and sited some items that they felt could justify such a change. The Plan Commission and Village Board have remained consistent in reference to the 70 feet radius and 118 feet pavement. The Plan Commission felt the cul de sac should reflect what the ordinance calls for. On a motion by Richard Schmidt, seconded by Andy Pesch and unanimously carried by voice vote, the Commission recommended the Preliminary Plat and moved to send it forward indicating there were still some items that needed to be rectified per the Village Engineer.

The Plan Commission reviewed the Preliminary Plat plan as submitted for "Kettle Kountry Estates". It was noted the plan was similar to the original concept plan. It was further noted the petition for direct annexation and request for zoning said land on the north side of STH "28" directly east of the village limits was reviewed by the Plan Commission. The Plan Commission also reviewed the request to dedicate land in lieu of the payment of open space fees for the 67 R-1 lots. On a motion by Theodore Meilahn seconded by Andy Pesch and unanimously carried by voice vote, the Commission sent

forward the Petition for Annexation of the 62.9325 acres with a favorable recommendation. On a motion by Andrew Kuehl seconded by Andy Pesch and unanimously carried by voice vote, the Commission sent forward the zoning request regarding said land as requested, that being R-1, R-2(1 lot), B-2, P-1 and I-1 plus conservancy on the 62.9325 acres with a favorable recommendation.

On a motion by Andy Pesch seconded by Andrew Kuehl and unanimously carried by voice vote the Commission sent forward the request of dedicated land in lieu of the open space fee on the 67 R-1 lots as requested with a favorable recommendation. On a motion by Richard Schmidt seconded by Theodore Meilahn and unanimously carried by voice vote the Commission sent forward the Preliminary Plat for Kettle Kountry Estates as requested, with a favorable recommendation.

The Plan Commission reviewed the zoning request as submitted for "Woodland Creek". It was noted the plan is similar to the Village's Land Use Plan. On a motion by Richard Schmidt, seconded by Andy Pesch and unanimously carried by voice vote the Commission sent forward the zoning request for the development with a favorable recommendation.

The Plan Commission reviewed the petition for direct annexation as submitted for the land adjacent primarily on the north side of CTH "H" on the west side of the village and to review the proposed temporary/permanent zoning of the land and residence proposed for annexation. On a motion by Richard Schmidt, seconded by Andy Pesch and unanimously carried by voice vote the Commission sent forward the petition for annexation and zoning request as submitted with a favorable recommendation.

On a motion by Andy Pesch, seconded by Richard Schmidt and carried by the majority to adjourn to work session. Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent". Mr. Rick Kania was present from SEWRPC to review a variety of points from previously discussed sections of the proposed Zoning Ordinance. The review of Section 3.00 regarding the zoning districts and Section 15.00 Definitions was held. Mr. Kania reminded the Commission they still have ample opportunity to ask questions and make changes.

On a motion by Richard Schmidt, seconded by Theodore Meilahn and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent". (Frank Beesten & Leeann Butschlick absent)

Big Eyes on Lake Erie

Rick Dunlap, left and Jeff Neitzel, right enjoying life on Lake Erie.

Hello Friends,

Four years ago, I had the pleasure of meeting Rick Dunlap at the Milwaukee Sports Show. Rick is a veteran 30-year charter boat captain from Catawba Island, Ohio. He specializes in catching walleye. Rick owns three 30-foot SportCraft boats and is an avid hunter as well as fisherman.

This past week, I made the 530-mile journey to Ohio with my buddies, Gary Howe, from Prairie du Chien and Jeff Neitzel from Camp Douglas. We were headed towards a couple days of world class walleye fishing.

Wednesday, April 23
High 56, Low 29

In the Walters' dictionary, weakness is described

as, after you reach Catawba Island, you realize you forgot your money for the trip. In the Neitzel and Howe dictionary, strength is defined as realizing Walters forgot his money and being able to lip him for the next four days.

Unsettled weather in April is defined as expensive in the Rick Dunlap dictionary. Cold fronts caused Rick and every other charger boat captain to cancel most of their trips. This resulted in empty pocket books.

Rick's plan for this crew was originally to drift with night crawler harnesses. He also listens to his buddies on the marine band radio to gather information on possible action. We fished the

Bass Islands on the southern edge of Canadian waters.

When the night crawler harnesses resulted in only drowned worms, we switched over to planer boards, Dipsy Divers and rigged them with crank baits and began trolling. As is often the case, I had no cares and was happy to see Jeff have the first turn. Gary was second and then it was my turn.

Bragging rights and \$10 would go to the man with the biggest walleye at the day's end. Score one for Jeff when he landed a 29-inch, 9-pounder on a gold Reef Runner. Not to be beaten, Gary landed a genuine wall hanger that measured 30 inches and fell to a gold Rattlin Rough.

At the end of the day, I was liking my job, and Gary was \$10 ahead of the pack. We ended our day with a steak cook-out at our cabin at Beach Cliff Lodge. Beach Cliff is a welcoming home to outdoorsmen from throughout the U.S. and a heck of a good place to get fishing information.

Thursday, April 24
High 62, Low 28

My buddies have all the money and have caught the two biggest fish. Naturally, they frequently remind me of both facts.

Unfortunately for them, bad luck came their way. But it was fortunate for me. When a rod starts bending signalling a hungry fish, we take turns. Nobody thought too much when Jeff and Gary missed the first two fish today. A big smile came across each of our faces when I landed a 29-inch walleye that seemed to be as big around as it was long.

Unfortunately, Jeff and Gary missed the next two fish. We were now into hour number four. A bit of relief swept the crew of the Perpetrator when I landed a 25-incher. Now considering all the grief I had received over the last 48 hours, I started pounding my pals hard.

More bad luck, and possibly tears, came Jeff's way when he lost a true wall hanger small mouth bass. At this point, the boys were beat down so bad even I started feeling sorry for them.

Once again, Gary lost another fish, and then I caught another 29-incher, which put me one pig away from the limit. The boys were still staring at an empty cooler. Feeling a bit of sympathy for my comrades, I reminded them how in just a few minutes time, the next guy up could land the big kahuna of the trip.

My rays of sunshine did no good. I proceeded to dance around the boat with great joy and show the guys my fish.

Good luck came Jeff's way when a hungry fish hit a crank bait and the fight was on. I gotta admit I was a bit nervous. I was the net man and Jeff had the big one on the line. When the fight was over, Jeff had a fish just under 31 inches. He

was a completely new man.

Jeff and Gary caught the biggest walleye of their lives. They can thank Rick Dunlap for that. Rick can be reached at (877) 797-4361. Phil Whit at Beach Cliff Lodge can be reached at (419) 797-4553.

Fishing Report

By Mr. Fisherman

If anything was learned from my mother it was how good junk food tasted. Twinkies or cookies were the "breakfast of champions." To this day not only are sweet rolls good for a quick breakfast before fishing, they are an excellent choice for a snack or dessert. To quench my thirst there was lots of Kool-Aid or whole, creamy milk. (Now the only thing I drink is diet soda or skim milk.) Potato chips, which are still my favorite, were meant for almost every meal. I was forced to eat the basic foods of meat, potatoes and veggies, but thanks mom for showing me how junk food tasted. It was a great experience that I would not trade for anything. Well it's time to have my Twinkies and milk. What an appropriate way to remember her. Happy Mother's Day Mom!

On opening day it seemed like everything happened to poor little old me. (All though you wouldn't think me little with all the junk food I eat.) First, my wife gets sick and I had to stay home all morning. (Not that the colder weather had anything to do with it!) I truly think she doesn't want me to fish for Bertha. Could she be jealous of that luscious, sassy mouthed, gorgeous bass?

My son and I did manage to go to Butler Lake for a few hours using his smaller boat. Using rapalas we caught some small northerns that were deep. The bass seen last fall had all but disappeared. If they were staging, they sure weren't hitting. We also got to fish Lake Bernice, but without any success. The report there was the bass were picking up a plastic worm and then dropping it. Spinner baits were not working either. The water was just too cold for any bass action.

Sunday afternoon we decided to fish Long Lake. It was a cold day with strong wind alternating from east to southeast. All of a sudden I noticed that the boat was sitting deeper in the water and I didn't know why. The boat must be filling up with water! Where was the water coming from? I forgot to hook up the drain hose in the live well and it filled with water. Oh what a day! Now the trolling motor wasn't working right. I'd have to fix that when I got back. Another day of prob-

lems!

After all this we did catch some fish on the south end of the lake near the dam. We used rapalas by just twitching them slowly in the shallow water. Total for dad - four bass and son - one small northern and a few missed strikes. The biggest bass was 16" and the rest were just legal. Not bad for a couple hours of fishing!

Why did we go to the south end of the lake? One is that it was too windy on the north end. The second reason is my son lives near the channel. Here's the most important one. During the hot spell some bass moved up into the channel ending up by the small bay near the dam. I was hoping they were still there. My theory was correct. The bass never made the long trip back to the main lake when it turned colder. One good decision made.

Another thing learned was when your boat sits deeper in the water you get hung up on the stumps and spend half an hour trying to get off. Why do these things happen to me? It's Murphy's law that all started with my wife being sick. It's time to get warmed up with some cookies and milk.

How's your fishing? Email me at MrFisherman RU2@aol.com.

Heather Meyer got walked late in the seventh inning, in a tied ball game against Plymouth, on Tuesday, April 29. After the game Plymouth pitcher Kara Krueger was really wishing she wouldn't have done that, because Meyer went on to steal second and third base for Kewaskum, before scoring

the winning run on a wild pitch, making the score 7-6 in the Indians favor.

The Indians were led offensively by Meyer, with her seventh inning heroics, and Kristin Mantz who had two RBI's on two sacrifice's, with two stolen bases.

In game two despite making more contact with the ball at the plate, the Indians were unable to pick up the win, as they fell to

Plymouth 8-5.

Kala Rettler led the Indians at the plate, as she went 2-4 with three RBI's, and a home run! Kristin Mantz also went 2-4 from the plate, while Laura Schladweiler went 2-3.

The Indians traveled to Campbellsport on May 1, to face the Cougars in yet another double header.

Indians Win One Before Getting Losing in Another

By Kyle Darmody
SPORTS CORRESPONDENT

After coming off a successful double-header against Roncalli, the Kewaskum girls varsity fastpitch team, had to travel to Plymouth, the very next day Saturday, April 26, to take part in a tournament.

In game one of the tournament the Indians faced Ootsburg, and dominated them scoring six runs in the third inning and going on to take the 10-5 win.

Leading the way for the Indians was Kristin Mantz, who was 3-4 from the plate, one of those hits being a double. Steph Schnable also had a nice game as she went 2-4 with an RBI.

In game two the Indians were shutout by conference foe Plymouth, 12-0.

The Indians were held to just two hits in the whole game. Not very many highlights to discuss in this one, but the Indians do get a chance for redemption when they face Plymouth in a double header in Kewaskum, the following Tuesday, April 29.

Indians Take Low Scoring First, High Scoring Second

By Kyle Darmody
SPORTS CORRESPONDENT

The Kewaskum girls varsity fastpitch team, took the first low-scoring game, over Campbellsport on May 1, by a score of 3-1. Then in game two the Indians whipped out the bats, to sneak by Campbellsport in game two with a score of 8-7.

No one really had significant numbers at the plate in game one, however Kristin Mantz did manage to steal three bases for the Indians, as Amanda Schladweiler stole two.

Kayla Sauer, pitched an excellent game as she held the cougars to just one run off four hits.

In game two leading the Indians was Beth Boedeker who was 2-4, with two stolen bases. Heather Meyer had three stolen bases for the Indians, as did Casey Maul. While Kala Rettler, and Amanda Schladweiler stole two. The Indians crossed the plate five times in the sixth inning to help them on their way to victory, and Maul's crossing of the plate in the seventh inning won it for them.

The Indians traveled to Port Washington, on Friday, May 2 to wrap up a very long week.

Indians End Long Week On Rough Note

By Kyle Darmody
SPORTS CORRESPONDENT

After a long week of lots of games, the Kewaskum girls varsity fastpitch team, looked the end the week on a good note. They were unsuccessful. The Indians were killed by Port Washington by a score of 14-3, on Friday, May 2.

Port unloaded in the first inning scoring six of their 14 runs. No one on the Indians were able to have a multiple hit day, at the plate.

The Indians traveled to Kiel on Tuesday, May 6, then travel to Two Rivers for a double header on Monday, May 12.

KHS Frosh/Soph Boys Take Third at Mayville Invite, Girls Take Seventh Opportunity Missed by KHS Boys Varsity Golfers

By Jerry Gosa

The Kewaskum boys track and field team finished tied for third at the seven team Mayville Frosh/Soph Invitational at Mayville on Monday, April 28th. Randolph won the invite with 112 points and Waupun finished second with 95 points. Both Kewaskum and Random Lake finished with 92 points.

Kewaskum's Garrett Donath and Scott Rhoads placed 1-2 in the pole vault. Donath cleared a personal best height of 10' 6" and Rhoads cleared 9' 6". Rhoads also finished second in the 110m high hurdles with a time of 18.9 seconds.

The 4 x 100m relay team of Nate Steiner, Jake Sabel, Jeff Thull, and Ross Stockhausen won with a time of 50.3 seconds.

Luke Herriges cleared a personal best of 5' 6" in the high jump for second place. Brett Zimdars placed second in the discus with a personal best of 115' 6" and Nathan

Behring placed eighth at 96' 3". Zimdars also placed sixth in the shot put and Ross Stockhausen seventh with distances of 35' 9.5" and 34' 8.5" respectively.

The 4 x 200m relay team of Nate Steiner, Jake Sabel, Kevin Schaeffer, and Ross Stockhausen finished second with a time of 1:48.6. Stockhausen also finished third in the 200m dash with a time of 25.4 seconds, while Sabel placed fourth in the long jump at 15' 7".

Zack VanWormer finished third and Adam Wagner sixth in the 400m dash with times of 58.4 seconds and 62.5 seconds respectively.

The 4 x 400m relay team of Adam Wagner, Luke Herriges, Scott Rhoads, and Zack VanWormer finished third with a time of 4:12.8.

The Kewaskum girls track and field team finished seventh at the Mayville Frosh/Soph Invitational. Competing with a lack of numbers made it difficult in the team scoring for the Kewaskum girls.

Kewaskum had two second places. Claire Spang placed second in the discus with a throw of 82' 11" and also placed second in the shot put with a personal best of 29' 1.5". Katie Patterson picked up the other Kewaskum second in the pole vault by clearing 7' 6". Lora Jo Christie placed fifth in the pole vault by clearing 5' 6".

Tami Dorzok finished third in the 300m low hurdles in 1:01.6 and seventh in the 100m high hurdles in 23.0 seconds.

The Kewaskum 4 x 200m relay team of Whitney Pfeiffer, Kate Korth, Lora Jo Christie and Nicole Stern finished third in 2:13.

Whitney Pfeiffer finished fourth in the 400m dash with a time of 1:10.5 and Nicole Stern also picked up a fourth in the 800m run with a time of 2:59. Kate Korth finished eighth in the 100m dash in 15.2 seconds to conclude the Kewaskum scoring.

Plymouth has won 13 of the last 14 conference golf championships and with the Kiel Raiders predicted to dethrone the perennial powerhouse Panthers, that does not permit much of an opportunity for the Kewaskum Indians to win in the Eastern Wisconsin Conference this season. Plymouth and Kiel tied for first at the league's second mini-tour(nament) event conducted last week at Manitowoc with both teams recording incredibly low scores of 150.

Historically however, Plymouth and Kiel have not posted low scores at Auburn Bluffs near Campbellsport where the third E.W.C. event was held on Monday, April 28th. Therefore the host Cougars and visiting Indians anticipated a chance to possibly upend the league leaders early within the conference schedule. And a warm, sunny, dry and breezy day made the possibility all the more likely.

All forty varsity and forty junior varsity participants competed on the 5,924 yard 9 hole trac beginning with shotgun start at 3:30 p.m. Several hours later as the coaches tallied individual and team scores it appeared that the top two teams maintained their tradition of above (par) average totals. Unfortunately neither the Indians nor Cougars took advantage of their opponents unusually high scores.

Overall Campbellsport took second at 168 and Kewaskum finished fifth (174) while Plymouth (166) and Kiel (173) just barely got by their area counterparts. All four of the Cougars scores bettered Plymouth's, Kiel's and Kewaskum's top two team members, yet the Panthers won by having their number four and five golfers record the medalist scores (37 & 38) of the day.

Despite some troubles scoring and finishing, the local Indian linksters were led by sophomore Josh Riebe (41) and junior Ryan Koepke (43) at the varsity level. Overall Plymouth and Kiel remained the top two teams respectively, with Kewaskum and Campbellsport tied for third heading into this week's schedule of mini-tour events.

Kewaskum continues to dominate the junior varsity competition by recording their third straight victory. Sophomore Adam Lehnerz (44) and freshman Chad Pivoni (45) contributed to Kewaskum's second straight team total of 182. Both K.H.S. boys

golf teams need to improve their team scoring if they are to maintain their current status in the conference as well as prepare for future team tournaments, such as the first ever at The Bull at Pinehurst.

This week all the teams in the league will meet and compete at Badger Creek near New Holstein on Monday, May 5th and at Quit-Qui-Oc outside of Plymouth on Wednesday, May 7th. These two matches will help to determine points and positioning going into the last week of conference contests. If you are interested in the results and team scoring, you can access the information through our district website www.kewaskum-schools.org or go directly to the conference website at www.ewcsports.homestead.com.

Indians Play Inspired Golf At Brown Port Invite

After being drenched, delayed and displaced during the Oak-Lion Tournament at the Golf Club at Camelot on Wednesday, April 30th, the Kewaskum Indian varsity boys golf team was eager to compete in the sunny, windy, cool but dry Brown Port Invitational.

On Friday, May 2nd Brown Deer and Port Washington High Schools hosted the 23rd Annual Golf Tournament conducted at Hawthorne Hills under clear skies and drying course conditions.

Traditionally, this mid-season tournament involves many of the top division one and division two golf programs in the state. Seven state qualifying teams, including the division one runnerup West Allis Hale and the division two state championship team from Pewaukee, competed with nine other area high school teams in this years team medal play contest.

The level of competition and improving playing conditions motivated the local linksters from Kewaskum High School to post their best 18 hole team score of the season. The Indians tallied four rounds in the mid-80's that resulted in a sixth place finish overall in the

16 team field. All five individual scores counted toward each team's total, otherwise K.H.S. would have finished within the top five teams.

Division Two powers Pewaukee (400) and Grafton (416) dominated the 2003 Invite followed by division one teams Port Washington (424), Brookfield East (427), and West Allis Hale (429) with the division two Indians (431) close behind. K.H.S. came within four swings of taking fourth in their most challenging event to date. The Indians were led by juniors Brandon Gitter (84) and Ryan Koepke (84), senior Josh Timblin (85) and sophomore Luke Koch (86).

As well as Kewaskum played, they have a daunting task of competing with those division two powerhouses (Pewaukee & Grafton) in their regional and sectional contests.

The good news is that those upcoming W.I.A.A. playoffs will be conducted on familiar area golf courses with the Regionals at Camelot and Sectionals here at Hon-E-Kor. Plus the top two or three teams advance to the next playoff rounds, therefore the Indians can qualify without necessarily having to defeat both of those opponents.

Since the Indian matches scheduled immediately before (Oak-Lion Invite) and after (E.W.C. Mini-Tour Event at New Holstein) were rained out, then their performance last Friday in Ozaukee County has had a much longer confidence enhancing effect on the Indians than usual. Kewaskum will need all the positive attitude they can muster as they travel to Quit-Qui-Oc Country Club on Wednesday, May 7th to challenge the league-leading teams (Plymouth and Kiel) on their home course.

Never underestimate the power of a kind word or deed.

KHS Boys Second At Alzheimer Invite

By Jerry Gosa

PEWAUKEE - The Kewaskum High School boys track and field team just fell short in their bid to win the Alzheimer Invitational three years in a row Friday night, May 2nd. Thomas Moore came from behind to win the 4 x 400m relay and snatch the team title with 140 points. Kewaskum finished second, just 0.4 seconds back in the relay and 3.5 points behind in the team scoring with 136.5 points.

A win in the 4 x 400m relay would have given Kewaskum two more points for a total of 138.5 points. A second place finish by Thomas Moore would have meant two less points and a total of 138 points for Thomas Moore.

The 4 x 400m relay team ran their fastest time of the season, but they just couldn't quite squeak out the win. "It definitely wasn't because of a lack of effort or heart. Nor should they shoulder the entire responsibility for the team's second place finish. There were other events where Kewaskum athletes could have picked up enough points to win the invite if they had just competed," commented head coach Jerry Gosa.

Sophomore Josh Meyer continued his stellar week of performances. Meyer, fresh off career best times in the 1600m and 800m runs Tuesday at the Washington County Outdoor Championships, was a double winner in the same events Friday night. "Meyer had one heck of a week," commented distance coach Randy Backhaus. (Meyer won the 1600m run in 4:39 and finished second in the 800m run in 2:03. Tuesday at the Washington County Outdoor Championships.) Friday night, Meyer won the 1600m run in 4:42.8 and the 800m run in 2:04.2. Meyer just edged past Matt Gonwa of Elkorn in the last 10 meters for the win in the 800m run. Gonwa was timed in 2:04.4.

Both Kewaskum and Thomas Moore won six events. Thomas Moore, however, not only won both the long jump and triple jump, but also placed third in the long jump, and third and fourth in the triple jump to score a total of 37 unanswered points in those two events. "That was a huge factor in determining the outcome of the meet," reported head coach Jerry Gosa.

Kurtis Cochran and Mike McKee placed 1-2 in the pole vault by clearing 12' 0" and 11' 6" respectively. Scott Rhoads and Garrett Donath placed seventh and eighth respectively at 9' 0"

apiece.

The Kewaskum quartet of Josh Uelmen, Matt Hartmann, Adam Woebbecking, and Andy Lickel won both the 4 x 200m and 4 x 100m relays with times of 1:37.31 and 46.05 seconds respectively.

Matt Hartmann won the 300m hurdles and Mike Wagner finished fourth with times of 42.4 and 43.9 seconds, respectively. Wagner also finished fifth in the 110m high hurdles with a time of 17.2 seconds.

David Cibulka placed second and Troy Koefel placed third in the discus, both with season best throws of 142' 8" and 134' 8", respectively. Koefel also placed second in the shot put with a throw of 49' 1".

The 4 x 800m relay team of Nick Bartley, Zach Holm, Zack VanWormer, and Alex Herriges finished third with a time of 8:59.5. Herriges also finished fifth in the 800m run with a time of 2:12.

Zach Holm continues to make great improvement in the 3200m run. Holm finished fourth Friday night with a season best time of 11:12. He started the week at 11:37 and then ran a time of 11:18.5 on Tuesday at the County Outdoor. "Zach ran a great race. He beat the runner ahead of him from Thomas Moore," exclaimed coach Backhaus.

Garrett Donath finished third and David Wicklund fourth in the 400m dash with times of 54.96 and 55.04 seconds. Uelmen picked up a fourth in the 100m dash with a time of 11.57 seconds and Lickel grabbed a fourth in the 200m dash with a time of 24.3 seconds.

Nick Bartley dropped nine seconds in the 1600m run and finished sixth with a season best time of 5:01.5. Fellow freshman, Luke Herriges, placed sixth in the high jump at 5' 3" and Ross Stockhausen finished seventh in the 200m dash in 25.0 seconds.

"Thomas Moore had a very good meet. Seeing and hearing their team react when the final scores were read definitely showed that they came with the goal of winning the meet. The Kewaskum coaches were standing on the infield with only a few athletes when the scores were read. We need to work on the team concept," concluded coach Gosa.

KHS Boys Fourth At County Outdoor

By Jerry Gosa

The Kewaskum High School boys Track and Field team took on the powerful Division 1 track teams of Washington County Tuesday night, April 29th. Germantown completed the sweep of the Washington County meets by winning the outdoor championship with 160 points. Germantown won the county indoor crown back in March.

Hartford finished second with 147.5 points followed by Slinger with 112 points, Kewaskum with 108 points, West Bend East with 85 points, West Bend West with 46.5 points and Kettle Moraine Lutheran with 31 points.

Both Germantown and Hartford each won four events, while Slinger, Kewaskum and East won three events, and West won one event.

Josh Meyer won the 1600m run for Kewaskum with a personal best time of 4 minutes and 39.2 seconds (4:39.2) and then came back and finished second in the 800m run with another personal best time of 2:03.1. Meyer's previous best times were 4:45 and 2:08.7, respectively. "Meyer definitely came ready to run," remarked Kewaskum's distance coach Randy Backhaus. Meyer's times Tuesday night are the best times by a Kewaskum athlete in the last decade. The Kewaskum school record in the 800m run is 2:02.

Matt Hartmann picked up the other win for Kewaskum in a running event by posting a time of 42.1 seconds in the 300m intermediate hurdles. Hartford runners finished second and third in the 300m hurdles with times of 43.4 and 43.4 seconds, respectively.

Troy Koefel kept his streak alive by also winning the shot put in the outdoor championships. Koefel won with a put of 49' 0".

Mike McKee found himself tied in the pole vault at 12' 6" with Ryan Abbott of Hartford for first place. In the required jump off both athletes were given a fourth attempt at 13' and both missed. The bar was then lowered to 12' 6" and McKee missed and Abbott cleared the bar on his attempt for first place. Kurtis Cochran placed fourth at 12' 0" to give Kewaskum second and fourth place.

The Kewaskum 4 x 100m relay team of Josh Uelmen, Matt Hartmann, Adam Woebbecking and Andy Lickel finished second with a time of 45.9 seconds compared to West Bend East winning time of 44.8 seconds. The same foursome

weathered a couple of below average hand-offs to finish third in the 4 x 200m with a time of 1:37.7. Uelmen also finished fourth in the 100m dash with a time of 11.7 seconds and Lickel finished sixth in the 200m dash with a time of 24.4 seconds.

David Cibulka placed fourth in the discus with a toss of 135' 10" and Koefel placed sixth with a season best throw of 126' 2".

The Kewaskum 4 x 400m relay team of Garrett Donath, Mike Wagner, Alex Herriges and Woebbecking finished fourth with a season best time of 4:42.8. The 4 x 800m relay team of Nick Bartley, Zach Holm, Zack VanWormer, and Alex Herriges finished fifth in 9:09. Mike Wagner finished fifth in the 110 meter high hurdles and sixth in the 300m hurdles with times of 17.4 and 44.4 seconds respectively.

Meyer's teammate in the 800m run, Alex Herriges finished sixth with a personal best time of 2:10.1. Garrett Donath finished sixth in the 400m dash with a personal best time of 54.4 seconds and eighth in the 200m dash with a time of 24.9.

Luke Herriges tied for sixth in the high jump by clearing 5' 4". Zach Holm dropped 19 seconds off his previous best time to finish seventh in the 3200m with a time of 11:18.5.

"Many of the Kewaskum athletes had personal best times to go with their best efforts of the season. I left the track meet Tuesday night feeling very good about how much heart our athletes have. They really gave it their all," concluded head coach Jerry Gosa.

It's funny about advice: the better it is, the harder it is to take.

Indians Pound Jets In Double Header

By Kyle Darmody
Student Reporter

With a dominating score of 10-0, the Kewaskum girls varsity fastpitch team, pounded the Roncalli Jets on Friday, April 25.

Kristin Mantz led the Indians at the plate as she went 2-4 with a triple, a stolen base and an RBI, while crossing the plate twice herself. Heather Meyer provided some offense also with her two RBI's and a stolen base.

Kayla Sauer pitched seven shutout innings for the Indians, while striking out five batters, and only allowing five hits, and no walks!

In game two, the Indians offensive production continued, as they beat Roncalli 10-5 this time.

Leading the way on offense for the Indians was the Schladweiler sisters, as Amanda went 3-3 with an RBI, and sister Laura went 2-4 with four RBI's, and a triple. Steph Herrick also had a nice game at the plate as she went 2-3.

The Indians now travel to Plymouth on Saturday, April 26, to take place in a tournament.

KHS Girls Win Altheimer Invite for Third Year in a Row

BY JERRY GOSA

PEWAUKEE - The Kewaskum High School girls track and field team successfully defended their Altheimer Track title from last year by amassing 126 points compared to 96 points for runner-up Pewaukee. Thomas Moore finished third with 75, followed by Wilmont 64, Elkhorn 46, Cedar Grove-Belgium 44, New Berlin Eisenhower 36, St. Francis 29, and Union Grove 21.

Kewaskum won a total of six events including three of the four relay events. Seniors JohnnaJo Schicker and Jessi Graham, along with sophomore Katie Patterson gave Kewaskum a 1-2-3 sweep in the pole vault. Schicker and Graham both cleared 9' and then had the bar moved to 10' in an attempt to raise the school record. Both had good attempts but neither were successful in setting a new record. Patterson cleared 7' 0".

Sophomores Amanda Donath and Rachel Dums both won their specialty

events. Dums repeated her winning Washington County Outdoor Championship performance by winning the 300m low hurdles in 50.21 seconds. Amanda Donath won the 400m dash with a time of 63.12 seconds, while teammates Jessi Graham finished third with a time of 65.25 seconds and Becky Herriges finished eighth.

Three of the four Kewaskum relay teams won. The 4 x 200m relay team of Amanda Donath, Graham, Herriges, and Breyan Donath won with a time of 1:53.73. The 4 x 400m relay team of Graham, Jenna Roecker, Breyan Donath, and Amanda Donath won with a season best time of 4:19.85. The 4 x 100m relay team of Jessi Butler, Katie Patterson, Amanda Magnus, and Rachel Dums also won with a time of 54.93 seconds.

Jenna Roecker finished second in the 100m high hurdles with a time of 17.04 seconds and third in the 300m low hurdles with a time of 51.78 seconds.

The Kewaskum 4 x 800m relay team of Tami Dorzok, Rachel Shea, Jenny

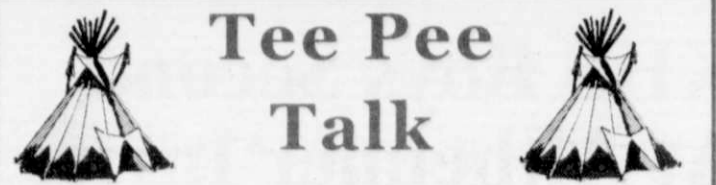

Bischoff, and Nicole Stern finished third with a time of 11:44.54.

Breyan Donath finished third and Herriges sixth in the 200m dash with times of 27.81 and 29.37 respectively. Herriges also placed third in the long jump with 14' 3.75".

Butler finished third, Dums sixth, and Magnus eighth in the 100m dash with times of 13.82, 14.12, and 14.29 seconds respectively.

Montana Schicker had her best day of the season in the throwing events. Schicker finished fifth in the shot put with a season best put of 27' 11". In the discus, Schicker improved over 17' and finished sixth with a season best throw of 88' 0".

Kayla McCormack placed sixth and Megan Butler eighth in the high jump with heights of 4' 8" and 4' 6" respectively. Roecker finished seventh and Megan Butler eighth in the triple jump with distances of 27' 3.5" and 26' 2.25" respectively. Rachel Shea, the only distance runner in an individual event for Kewaskum, finished

KHS Girls Track Fifth At County Outdoor

By Jerry Gosa

The Hartford girls track and field team towered over the rest of the high schools in Washington County on Tuesday night. The Hartford girls won the Washington County Outdoor Track Championship by scoring 140 points.

West Bend East finished in the runner-up spot with 130 points followed by West Bend West with 126 points, Germantown with 88 points, Kewaskum with 81 points, Slinger with 79 points, and Kettle Moraine Lutheran with 54 points.

The Kewaskum girls track and field team won three events. Kewaskum's best showing was in the pole vault. Jessi Graham won the pole vault and JohnnaJo Schicker placed second by clearing heights of 9' 6" and 8' 6" respectively.

Both Kewaskum athletes set a school record last Friday night by clearing 9' 9".

Kewaskum's other two first places occurred in the hurdle races. Jenna Roecker won her specialty, the 100m high hurdles with a time of 17.3 seconds. Teammate Rachel Dums won the 300m

low hurdles in a season best time of 49.8 seconds.

Amanda Donath was back in form after rolling an ankle a week earlier to finish second in the 400m dash with a personal best time of 62.2 seconds. Jessi Graham finished fourth with a season best time of 64.3 seconds. Graham missed almost a month of the season after pulling a quad muscle, and the county outdoor was just her third meet of the season.

The Kewaskum 4 x 200m relay team of Amanda Donath, Graham, Becky Herriges, and Breyan Donath dropped almost four seconds off their best time of the season and finished third with a time of 1:52.9.

The Kewaskum 4 x 400m relay team finished fourth with a season best time of 4:21, despite a fall by one of the Kewaskum runners. Graham led off the relay, followed by Breyan Donath. Jenna Roecker showed a lot of heart as she kept Kewaskum in the thick of the battle for second place. Roecker, however, collapsed and fell short of the exchange zone. Kewaskum's anchor Amanda Donath had to wait for

Roecker to get up and run into the zone in order to complete the pass. Donath ran her best split of the season (61.6 seconds), but Kewaskum had to settle for fourth.

"Their goal was to run the 4 x 400m relay under 4:20 on Tuesday. Even with the fall they came close to meeting their goal," com-

mented head coach Jerry Gosa.

Breyan Donath finished fourth in the 200m dash with a time of 27.9 seconds.

The Kewaskum 4 x 100m relay team of Jessie Butler, Katie Patterson, Amanda Magnus and Rachel Dums finished fourth with a season best time of 54.6 seconds. Magnus also placed seventh in the long jump with a distance of 15' 3.25".

Roecker also placed sixth in the triple jump with a season best jump of 30' 1.5". Claire Spang placed eighth in the shot put at 28' 7.5" Dums finished eighth in

the 100m dash in 14.2 seconds, and Amy Fehlhaber finished eighth in the 3200m run in 15:32.

The 4 x 800m relay team of Tami Dorzok, Rachel Shea, Jenny Bischoff, and Nicole Stern finished seventh with a time of 11:49 to conclude the scoring for Kewaskum.

"We had a lot of very good efforts tonight. The girls ran hard. We were happy to see them push themselves the way they did. Good things will happen as long as they keep working hard," concluded head coach Jerry Gosa.
