Car Show Brings Many To Kewaskum

Shown above is a view from Main Street of the Car Show held last Sunday in the Kewaskum downtown parking lot. The organizer of the event, "Kissy" from Grand Larsony stated they had 144 cars on display throughout the day and that he estimated close to 1,000 people came through the show. The event will donate an estimated \$6,000 to the medical causes of three local individuals. The Kewaskum American Legion served refreshments at the event and added to the donation through proceeds from their sale. Great weather attributed to the show's success.

Kettle Kountry Kolers Adds Dance, Fish Boil

By LANA HARBECK KUEHL
 STATESMAN EDITOR
 lharbeck@kewaskumstatesman.com

An exciting new feature has been added to kick off this year's Kettle Kountry Kolers family festival here in River Hill Park, Friday, Saturday and Sunday, October 10, 11 and 12.

The Friends of Kewaskum, new sponsors of the annual event, have announced the festivities will begin on Friday, October 10, with a fish boil and dance.

The fish boil will begin at 5 p.m. and is being prepared by Chefs Craig Gloede and Dawn Lubberts of Woody's Steakhouse of Kewaskum and Campbell-sport. The fish boil plate will include a 12-14 ounce portion of had-dock, potato salad, cole slaw and rye bread. "Woody" Kleinhans, owner of the Steakhouse, has pledged to donate \$1.00 of every plate sold to the Washington County Dive Team.

The dance is being sponsored by Modern Woodmen of America Insurance, under the guidance of local agent, Jeff Jaeger. Live music by Gary Cross is scheduled to begin at 7 p.m. and the fun will continue until 10 p.m.

Your friendly bartenders from the Kewaskum Sno Chiefs will be taking care of the refreshments portion of the dance. Their bar will be open at 5 p.m. and continue throughout the dance.

Along with the entertainment, Jeff has stated there will be lots of special raffles and games available for your enjoyment during the dance. All proceeds from the dance will also be donated to the Washington County Dive Team.

Jeff commented that the dance will be a Modern Woodmen Matching Funds event, which means that all monies raised (up to a designated amount) by Jeff and his helpers, will be matched by the Modern Woodmen, which actually doubles the donation made to the County Dive Team fund.

The Friends of Kewaskum will also be sponsoring a booth at the dance and are planning to sell their special homemade desserts and hot chocolate inside the beer garden.

They will also have their raffle tickets available. The Kettle Kountry Kolers raffle prizes this year will include an authentic Brett Favre football print, autographed by the famous quarterback. Another prize will be a special evening on the town package for you and your friends. It will include a chauffeur driven limousine, complete with champagne, and a dinner certificate.

Woody, Jeff, the Kewaskum Sno Chiefs and the Friends of Kewaskum, all invite you to come up to River Hill Park on Friday, October 10 to help kickoff the Kettle Kountry Kolers festivities. And don't worry about the weather. The beer garden will be completely tarped and in the event of cool or inclement weather, heaters will be strategically placed inside.

The football team is out of town, so slip on a warm jacket, come on up to the park and enjoy some real good food, lots of refreshments and a good time with your friends, knowing that any money you care to spend is going to an assortment of good causes. What a great way to kickoff a special weekend in Kewaskum!

Don't miss the Kettle Kountry Kolers special supplement, describing all the features and events of this year's festival, included in your next issue of the Kewaskum Statesman.

Mr. October Semi-Finals Will End September 30

It appears to me this community has lost interest in the Mr. October contest. Where did I go wrong? This is supposed to be fun, but not if you don't keep up the level of competition! I was depending on you voters!

There were votes cast this week only for Gil DeLaurier, Dustin Kuehl and Father Mark Jones. Don't you want to see your favorite candidates make it to the finals. The votes are still very close and it could be anyone's contest, but not if you don't vote.

I guess it doesn't pay to devote a large amount of space to this column if no one is playing. So for this week I guess we will just play the waiting game. Doesn't anyone want to wear the crown???

The last chance to vote is now. The semi-finals close on September 30 and the list of twelve semi-finalists will be condensed to six finalists on October 1. If you want to see your favorite candidate make it to the finals (along with their favorite charity), you have to send in your vote(s).

You can also vote for Dustin Kuehl at the Silver Platter Restaurant, Scott Rohlinger at Woody's Steakhouse, Mike Nitschke at Mike's Country Meats, all in Kewaskum or Gil DeLaurier at Ike's Repair Shoppe in Boltonville.

And speaking of Boltonville, I can't believe the Boltonville Fire Department has turned a deaf ear on their candidate, Dennis Fechter. I realize they have been pretty

Sheriff's Dept. Receives Grant

The Washington County Sheriff's Department received a grant from The Bureau of Transportation and Safety to help combat aggressive driving in our county. The project is called Speed, Intersection and Aggressive Driver Behavior Enforcement. Since May this grant has allowed extra traffic details with the aim of improving traffic safety, by decreasing speed and aggressive behavior related crashes, thereby reducing the resulting injuries and deaths.

The week of September 7-12 was National Stop on Red Awareness Week. As part of the grant, Sheriff's Deputies were assigned to traffic details at various intersections for stop sign violations. As always, other violations will also be looked for, especially seat belt and child restraint violations.

A coupon for voting can be found on this page or can be downloaded off the Statesman website at www.kewaskumstatesman.com

Completed nomination forms can be dropped off at the Kewaskum Statesman, 250 Main Street, or mail them in to "Mr. October Contest," P.O. Box 98, Kewaskum, WI 53040.

Probable Human Case of West Nile Virus Infection Found in Washington County

MADISON - State health officials announced recently a new probable human case of West Nile virus (WNV). A Washington County man has tested positive for antibodies to West Nile virus by the Wisconsin State Laboratory of Hygiene. The sample will be sent to the Centers for Disease Control and Prevention for confirmatory testing.

Because the patient traveled outside Wisconsin during the time in which he could have been infected, it is not possible to determine where he was exposed to West Nile virus. However, because Wisconsin has confirmed West Nile virus infections in animals this summer, he could have been infected while in state. Test results from the UW Veterinary Diagnostic Laboratory indicated a horse from Washington County has tested positive for WNV. The horse was euthanized.

West Nile virus is transmitted to humans through the bite of an infected mosquito. Although not all mosquitoes are infected with the virus, the best protection Wisconsin residents have against the disease is to reduce their risk of getting mosquito bites. Personal protective behaviors and reducing mosquito breeding habitat on your property are the best tools to prevent disease. Personal protective measures include:

- ◆ Limiting the time spent outdoors at dawn and dusk during mosquito season (June to September) or other times mosquitoes are active (until after a hard frost).
- ◆ Wearing light colored long sleeve shirts and pants, shoes, and socks when outdoors.
- ◆ Applying insect repellents containing 30% DEET or less when outdoors.
- ◆ Making sure your home window and door

screens are in good repair to prevent mosquito entry.

Symptoms usually show up three to 15 days after being bitten by a mosquito. They can include headache, high fever, muscle weakness, stiff neck, disorientation, tremors, convulsions, paralysis and coma. Healthcare providers are urged to be on the alert for patients who have consistent with West Nile virus infection. People who are ill should contact their healthcare provider.

Most people infected with West Nile virus will have no symptoms at all or display mild symptoms of illness. People over the age of 50 are at greater risk of developing severe illness. It is estimated that fewer than one out of 150 people who become infected will get severely ill.

In addition to taking personal protective precautions, Wisconsin citizens should make every effort to insure that they aren't growing mosquitoes in their own yards. Steps that can be taken to eliminate mosquito-breeding sites include:

- ◆ Disposal of tin cans, plastic containers, ceramic pots or similar water-holding containers.

Scholarships funds are distributed equally over four years of undergraduate study at the accredited college or university of the student's choice.

Recipients are chosen based on academic and leadership abilities. Another 100

students, selected randomly from remaining qualified applicants, will receive one-time, \$500 awards.

A new grant program can assist students age 25 and over who are working toward an undergraduate degree or certificate from an accredited college, university, or trade or technical school. Modern Woodmen will present one-time \$1,000 awards to 10 students selected randomly from qualified applicants.

Letter to the Editor:

Thank you, Thank You, THANK YOU!!!

While you are reading this letter, I am at Mayo Clinic in Rochester, MN. I am an outpatient at the clinic. For the next three weeks I will learn more about my newly diagnosed disease and ways to successfully control the pain and hopefully, prevent any further organ damage.

Some of you know, better than others, that I have been quite ill over the last 18 months. I have not been able to return to work, and do not expect to be able to in the near future. When I am healthy enough to return to work, I will likely be doing something else other than driving truck. God knows, but only time will tell!

Have you ever noticed how it's always "time will tell?"...Time must be a blabber mouth...I guess time can't keep a secret...I wonder if Time is male or female?!?!?! Never mind...

I want to thank you for the meals that have been dropped off. I want to thank you for the support that you have shown, for the understanding, for the generosity, for the love. I want to thank all of you personally. I want to give you a hug, a slap on the back, a handshake, an atta boy, a "punch" in the arm, a warm and heartfelt thank you! But I do it that way I might miss someone, so I will use this forum.

So many of you stepped up with your support both in person and most recently through the Grand Larsony Car Show. What a great time. I saw friends I hadn't seen in years. Thank you for that. I saw family and friends who have been there for Patti and I on a daily basis...thank you for your continued love and support. I saw many new faces, thank you so much for coming and showing your concern.

As of now I don't have a clue how much money was raised. I know Thrivent Financial for Lutherans will match it dollar for dollar, I thank you and Thrivent for that. Right now for me it is not about the money. It is about the caring. You cared

enough about me, as a person to do this and make me feel special. Thank you, Thank You, THANK YOU!!!

Thank you Kissy for organizing the show. Thank you sponsors for all the great gifts. Thank you Kiwanis for the food. Thank you participants for coming and showing all that awesome iron. Thank you spectators for coming out and seeing the cars, trucks and bikes and for opening your wallets. Thank you.

Because of you and your generosity, I am here at Mayo, and can do what I must without fear for my family and loved ones at home. It is a wonderful thing to know that my wife and children are safe and sound. I don't have to worry. So many of you have stepped up with meals for Patti and the family while I have been sick and now gone - out of town that is...I'm not gone, just...you know...gone!

Other than thank you I do have a message, get your Iron level checked and avoid this situation for yourself. It is a simple and relatively inexpensive test, and your insurance may cover it as part of a routine exam. I was diagnosed with Advanced Genetic Hemochromatosis, iron overload disease. Get yourself checked out, don't rust out from the inside.

Again Thank you...All of you...May God bless you in all you do.

LOCAL EVENTS

Still Time to Register For KEYS Run/Walk Greater Random Lake Area Crop Walk Sept. 28

There is still time to register for the 10th annual KEYS Run/Walk which raises money for Kewaskum youth scholarships. Registration forms are available at all our Kewaskum schools as well as at the Statesman office, Miller's Furniture, all SynergyHealth offices and West Bend Savings Bank. Many other Kewaskum area businesses support the race and have registration blanks available to form company teams. Registrations can be turned in at local schools or sent to Kewaskum High School, PO Box 124.

The race begins at 11 a.m. at Kewaskum's River Hill Park on Sunday, October 12. Winners in the many age groups will compete for medals as well as cash prizes. KEYS presents a challenge again this year to break the course record by beating the men's time of 14:27 or the women's time of 17:38. Breaking either record is worth an additional cash prize of \$200.

Our area schools are practicing for the run/walk as well as working on posters to

promote the race and to build enthusiasm within their individual buildings. Winning posters will be located at the shelter for all to view on the day of the run.

As in past years, pledge incentives are being offered to all who register for the race. Mountain bikes, sweatshirts and movie passes are just some of the prizes for collecting various amounts of pledge money.

All money raised from the KEYS Run/Walk is used to fund education scholarships for graduating Kewaskum High School seniors. KEYS, Inc. is a non-profit, all volunteer organization. Come and join us for the run/walk on October 12 and stay for the fun and food at Kewaskum Kettle Kountry Kolors.

The world-famous Panama hat is actually made in Ecuador. The majority of them are distributed through Panama.

The Greater Random Lake Area Crop Walk will raise funds with 25% going to the Random Lake Food Pantry and the rest to other hunger projects in the United States and throughout the world. One can designate contributions to denominational or secular agency of your choice. Crop is the ecumenical and community wide hunger appeal for our area.

We are inviting an encouraging area 4-H groups to consider this as a service project for fall. The walkers will assemble for registration at Lakeview Park at 1 p.m. and will be greeted by some of the cartoon characters like Snoopy or Tweetie Pie from the Tripoli Shrine of Milwaukee. There will be three routes of 1.6 miles, 2.0 miles and 5.0 miles.

One can sponsor walkers directly or go online to www.cropwalk.org and click on our state map and the Random Lake Crop Walk. Then contribute electronically. Together we can make a difference in the battle against hunger!

Anderson Wins KM Amateur Golf Tournament at Hon-E-Kor

By Judy Harlow

KEWASKUM - Craig Anderson of West Bend got two sets of handshakes after Sunday's final round of the annual Kettle Moraine Amateur Golf Tournament at Hon-E-Kor Country Club here.

The first came when spectators watching the final hole on the White Nine learned Randy Warobick finished with a 73 Sunday for a 36-hole total of 147, one off Anderson's mark.

But, hold the phone, the congratulations were a bit premature as Paul Bartelak of Waukesha, playing in the foursome with Warobick, looked at his card and said he also finished with a 146, prompting a sudden death playoff for the championship crown.

After playing the first and second holes on the Blue Nine, Anderson's fellow Hon-E-Kor clubmates and others who followed the sudden death lined up again to offer their good wishes again. This time it was for real as Anderson's par putt found the heart of the cup on the 405-yard par-4 hole, right after Bartelak's comebacker lipped out.

The win gives Anderson, who coaches both the boys and girls golf teams at West Bend West High, a sweep of titles at Hon-E-Kor this summer. In May, he teamed up with Bruce Henning of Hartford to win the Two-Man Bestball, and on Labor Day weekend, he was convincing in the men's club championship at Hon-E-Kor.

Actually it looked as if Anderson would win the title on the first extra hole after sticking his approach shot a mere three feet from the cup. The putt broke slightly to the right, however, and caromed off the corner of the cup. Thus the two men moved on.

Bartelak had a longer drive on the second hole but his second shot nestled into the area between the fringe and the first cut of grass. He decided to go with his putter, but was a bit strong and the ball went seven or eight feet past the hole on his first try. Then he missed the par attempt coming back.

Anderson was facing an uphill try for birdie and came up short, leaving himself the same length putt he had on No. 1. He got on both knees to take another look at the situation, then calmly dropped the putt for the win.

When asked if he was praying on the green, Anderson, affectionately known as "Cadillac," answered negatively, but added, "The way I've been putting, I should have been praying." Three three-putts led to a round of (38-39) 77 in Saturday's opening round, keeping him from playing with Warobick and Bartelak, who tied for the low score Saturday with 74s.

Anderson saved his best for last, opening with a 32 on the Blue Nine Sunday before finishing with a 37 on the White for an impressive 69.

Today I came out and birdied Nos. 2, 3 and 4," Anderson said, reporting he hit 12 of 18 greens in regulation and had no three putts.

Two of his four bogeys on the White Nine came on No. 16 and 18, which opened the door for Warobick and Bartelak. "I had heard he (Bartelak) was struggling out there, but he birdied No. 18. That's a two-shot swing."

This is the second time the two have faced each other in a playoff, according to Anderson, who said, "I think the other one also involved Mike O'Connor Jr.... Paul is usually right there."

Bartelak, a sales representative for Badger Metal Tech in Menomonee Falls, was philosophical about finishing second.

"I feel pretty good. The first time I was in a playoff, I lost on the first hole, this time I made it to the second," he said, indicating his final round of 72 included five bogeys and three birdies, including one on No. 7 Blue where he had to hit a blind second shot over the trees to the green. Bartelak praised the condition of the course and the KMA event. "It's always fun coming up here. It's such a great time."

WAROBICK, who dominated Kelly Tighe 5-4 to capture this year's WBCC

men's title, his 11th win in the event, wound up third at 147, while Ron Hayek of Waukesha took fourth with a 77-76 (153), and former champion Joe Doherty rounded out the top five with an 82-72 (154).

This was the 30th KMA and Pro Joe Harlow announced there were seven former champions present for the awards ceremony, including Mike Maurer (1987), Doherty ('92 and '99), Frank Tenfel ('84 and '91), Clark Eichstedt ('78, '81 and '86), Jay Krueger ('98) and Anderson, who now has five titles to his credit ('96, '97, 2000, '02, and '03).

The First Flight was won by Scott Leitheiser, who rode to the title on some very consistent play. A pair of 80s (160) gave him a two-shot edge over Larry Sterr (162). Then came Joe Volesky (82-85 - 167, and Dan Gibbon (83-84 - 167) who tied for third and Dave Wieter (81-87 - 168).

The second flight was won by former Kewaskum educator Tom Larsen, who helped originate the event back in 1974. He shot rounds of 77 and 86 for a 163. He was six shots in front of runner-up Jim Kleinke (85-84 - 168), Brian Ogle (82-89 - 171), Lou Santini (87-85 - 172) and Chuck Cannestra (85-85 - 172).

Frank Carini was crowned as the Third Flight champion, shooting 92-82 for a 174, four shots in front of Barry

Bailiff (88-90 - 178) and Rick Averill (87-91 - 178). Mike Pfeiffer wound up fourth at (85-96 - 181) and Manuel Alvarado took fifth (94-93 - 187).

Sandy Paci, PT, and Mary Jo Schmoker, PTA, begins on Thursday, October 16. Classes will be held from 6:45 to 7:45 p.m. in the 4 East Conference Room at the hospital.

Cost for the six-week program is \$50. To register for Beginning Pilates or for more information, contact St. Joseph's Community Hospital's Class Connection Line at 262-306-7888.

Village Board Meeting Minutes

Monthly Meeting
September 2, 2003
8:00 p.m.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council room of the Municipal Building, 204 First Street.

President Mathew A. Heiser presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote, the minutes of the August 18, 2003 were approved as printed.

Ms. Linda Theisen of the Kewaskum Chamber of Commerce was present to ask the Village Board on behalf of the Chamber if street parking could be banned the day of the Christmas Parade along the parade route. It was noted the Police Chief was not in attendance and asked to be excused, but did have some concerns as follows:

- 1) How would the streets be marked for no parking?
- 2) Would we use cones or some other signs and who would pay for them?
- 3) Who would put them up?
- 4) What time would they go into effect? A.M., Noon?
- 5) Who would take the signage down after the parade?
- 6) How about handicap visibility?
- 7) If no parking that would mean no trailers or hay wagons?
- 8) The number of parking stalls being discussed are as follows:

Fond du Lac Avenue in front of Municipal Building Annex 6 stalls
 Railroad Street to Fond du Lac Avenue south side 12 stalls
 Railroad Street to Fond du Lac Avenue north side 15 stalls
 Railroad Street to Parkview Drive south side 28 stalls
 Railroad Street to Parkview Drive north side 25 stalls
 Parkview Drive to First Street east and west side 16 stalls (102 stalls)

9) The Chief recommends that the Chamber and he meet to layout a plan for the Board to implement.

No action was taken, other than Ms. Theisen indicating she would meet with the Police Chief and then come back to the Board.

Fire Chief Mark Groeschel asked to be excused and was absent.

Police Chief Richard Knoebel asked to be excused and was absent. Director of Public Works Jerry Gilles reviewed the following:

1. The Board was informed a water main break occurred on Riverview Drive and was repaired last week.
2. The Board was also informed that the sewer main connection would be made on Riverview Drive for Homestead Hollow later this week.
3. One day next week the village garage driveway will be closed for the concrete pouring of USH "45".

Board Representative for the Plan Commission, Trustee Pesch, reported on the Commission meeting of August 26, 2003. It was noted a review of the preliminary Plat for Kettle Kountry Estates was revisited because of the DOT not allowing the proposed location for the connection to STH "28". The Commission sent the Preliminary Plat to the Village Board with a favorable recommendation. Mr. Rick Kania from SEWRPC was present to review some final items proposed for the Zoning Ordinance and Zoning Map.

Board Representative of the Library Board, President Mathew Heiser, announced a scheduled meeting for Monday, September 8, 2003 at 6:30 p.m.

Board Representative on the Mid-Moraine Municipal Association, Trustee Robert Stoltzmann reported on the meeting of August 27, 2003 and reported that the next Legislative Committee meeting is scheduled for September 10, 2003 7:00 p.m. in the Village of Jackson.

Action was taken on Resolution No. 2003-22 A Preliminary Resolution Declaring Intent To Exercise special Assessment Police Powers Under Sec. 66.0703 and 66.0707 WI Stats as attached hereto:

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote the Board authorized the acceptance of an easement for placement of Sanitary Sewer mains and Water Mains adjacent to CTH "H" on the parcel known by tax key no. V4-0183-00A-002.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and carried by the majority roll call vote the Board approved the application for a Class "B" Fermented Malt Picnic Beverage for the Kewaskum Sno Chiefs Inc., for RHP on October 10, 11 & 12, 2003 in conjunction with the kettle Kountry Kolors. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

On a motion by Trustee Harry Roecker, seconded by Trustee Steve Scheunemann and unanimously carried by voice vote the Board approved Beverly Rohlinger as the agent for the aforementioned.

Action was taken on Resolution No. 2003-21 A Resolution Establishing Sewer User Charges and Rates as attached hereto:

The Board revisited the Preliminary Plat for Kettle Kountry Estates and sent to the by the Plan Commission. The Developers were present to explain the proposed changes and the reason for the changes as related to them from the DOT. On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote, the Board approved the preliminary plat and authorized it to be sent to the Village Engineer and Village Attorney for review.

Discussion was held on the hiring of a consultant to review up to five departments as to implementation of impact fees. Two proposals were reviewed; one from Ruckert and

Mielke (the Villages Engineers) at an estimated \$15,650 and Virchow, Krause & Company (the Village Auditors) at an estimated \$15,000. It was noted much of the information needed to prepare the analysis would need to be provided by the engineers so it would make more sense using them versus using the auditors. Discussion as to doing all five categories was reviewed. It was felt that Water, Sewer and Parks were the most important. The pros and cons for the Library and Fire were discussed. The entire Board supported the use of impact fees. Trustee Kevin Scheunemann supported impact fees, but disagreed with the state mandated requirements that an analysis be accomplished to establish at what level those fees could be. On a motion by Trustee Thomas Piwoni, seconded by Trustee Andy Pesch and carried by the majority by roll call vote, the Board approved hiring Ruckert & Mielke to prepare the analysis and help with the implementation of impact fees for fire, parks, water and sewer at an estimated cost of \$13,850.00. The Board acknowledged that it might take a little longer to complete the analysis on the Fire Facilities. Roll call vote was 6 "Aye" 1 "Nay" 0 "Absent". Trustee Kevin Scheunemann voting Nay.

Discussion took place on not entering into an agreement for the annual maintenance of the HVAC within the Municipal Building. Two proposals were reviewed. It was by consensus the village would have the work accomplished on an on call basis.

Motion by Trustee Robert Stoltzmann, seconded by Trustee Kevin Scheunemann and carried by the majority roll call vote, to adjourn. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

Indians Win Two of Three at Home

The Kewaskum Indians boys soccer team faced the bottom of the Eastern Wisconsin Conference and the Little Ten Conference in matches last week with mixed results. In spite of winning two of the three games, the Indians learned that regardless of the respective records of the teams involved, the games had to be played where they mattered most - on the soccer pitch - not on paper or in what-if scenarios.

The first game was on Tuesday, September 16 against the Falcons of Sheboygan Falls. The Indians started off the game aggressively when junior Noah Olla, after narrowly missing on his first attempt, netted a fine goal with his second shot. Seconds later, Olla had another great run to the goal and bounced a hard header off the crossbar. Seeing that Olla was dominating the middle of the field, the cry went up on the Sheboygan Falls bench to mark #17 more closely.

With Olla being a wanted man, sophomore Jason Jahnke got into the act with a strong left-footed shot that found the net and gave the Indians a 2-0 half-time advantage. Well into the second half, the Indians defense - as is their trademark - was stingy, allowing few shots at goal. Led by senior Aaron Olla who finds new ways to amaze with every game, the other defenders - sophomores Jon Olla and Paul Gaynor in particular - consistently turned away each Falcon insurgence until late in the game when a fluke breakaway goal that appeared

to be offside, broke the shutout.

Also contributing to the effort was junior Todd Warnecke who, while inexperienced at the sport of soccer, nonetheless used his athletic prowess to bring constant energy to the pitch making it hard to justify leaving him on the Indian bench. Warnecke's play to the ball consistently disrupted the passing lanes and altered the movement of the ball for Sheboygan Falls.

One of the highlights of the game, while not appearing in the box score, was the incredible offensive performance of sophomore Frank Cole. In one of the most aggressive efforts of the year, Cole earned shot after shot on the Sheboygan Falls' goal. Each shot seemed to veer just wide or drift incrementally inwards towards the awaiting keeper. Even though the shots did not score; the repeated pressure kept the opposition active and on the defensive.

Another high point was the play of sophomore midfielder Austin Flanders who repeatedly attacked the heart of the weary Falls' defense at the end of the game. Flanders was eventually able to take a breakaway down the middle of the field past the lunging defenders to the goal where he struck it home for the third and final goal of the match. While the Indians were satisfied with the 3-1 win, they hoped to improve on mental mistakes in their next game at home against Campbellsport on Thursday, September 18.

Even though the Campbell-sport Cougars have

struggled in recent years on the soccer pitch, the inherent competition with arch rival Kewaskum always ensures a spirited contest. Junior Tyler Hickman, playing his first game of the year for the Indians, sought to break that fighting spirit from the gitgo. With a killer instinct and keen nose for scoring, Hickman netted the first goal of the game a scant two minutes into the game.

Jahnke scored a few minutes later when he used his speed to make an unassisted run at the goal to give the Indians a 2-0 lead at half-time. In the second half, Hickman again scored on a nice shot to extend the lead to 3-0, allowing Coach Dennis Bigley to get his substitutes some quality playing time. Freshman Ryan Nuernberg brought toughness to the pitch as he refused to be intimidated by larger, older players and narrowly missed scoring a goal as he aggressively attacked the goal late in the game.

Campbellsport avoided the shut-out late in the game by scoring off of a stoppage play in the 3-1 victory for Kewaskum.

In the final game of the week, on Friday, September 19, against Little Ten Conference's Waupun, the Indians seemed to revert to bad habits. It started out well enough for Kewaskum with Jahnke providing yet another spark for the Indians for a first half goal, but Waupun settled in and held the Indians to a timid 1-0 lead at half-time.

Beginning the second half with energy, Waupun

Lady Indians Undefeated In Conference Play

By KYLE DARMODY
STATESMAN SPORTS CORRESPONDENT

It was a good week for the Kewaskum girls varsity volleyball team, starting with a dominating performance in Sheboygan Falls on Tuesday, September 16. The Indians then went on to take first in the Quad held in Kewaskum on Thursday, September 18, and went on to take fourth in a tournament held in Waupun on Saturday, September 20.

"We went into Falls very focused," Indian coach Dave Rizzardi said, and it showed as the Indians came in and dominated the Falcons and came out and won the first two sets by scores of 15-3, and 15-7. "The third game was very fun. It went back and forth, and we hung in to win that one 20-18," Rizzardi said.

The Indians then carried their momentum from the match up in Sheboygan Falls, back home to Kewaskum on Thursday, when they faced three other conference opponents in the quad. The ladies started off with New Holstein in their first match and won the first set, 15-8, but would go on to lose the second game 13-15, they put the Huskies away in the third match with a 15-6 victory.

In the second round the Indians faced Campbellsport, and won the first two matches 15-4, and 15-10 to pick up the win, but would eventually lose the third match, 6-15.

In the third and final match of the night the Indians faced Plymouth, and kept their rhythm to take the win by blowing them out 15-5, 15-8, and 15-4. "We had an excellent night, and ended up moving to the top of the conference," Rizzardi said. the Indians are now at the top of

the conference with a 5-0 record, and New Holstein trails them with a 4-1 record.

The Indians roll continued that following Saturday morning in Waupun, where they had a chance to play a state tournament level of competition. In the first round, the Indians faced Kimberly, a division one school. This tournament was a rally score tournament though, so scoring was different than the normal first one to fifteen. In match one the Indians lost 13-25, but fought back and took the second match 26-24. Kimberly was too much and took the third match 13-15.

In the second round of the tournament, the Indians faced New Berlin Eisenhower, and took over as they beat them 25-15, and 25-9. In order to advance to the semifinals of the tournament the Indians had to beat the next team. They did, by a score of 25-15, and 25-22, but in the second game, the Indians were starting to lose energy after playing all day.

In the semifinals the Indians had to face the defending state champion, Waupun. Unfortunately Waupun had too many weapons and beat the Indians, 12-25, and 15-25. The Indians did finish the tournament 2-2, which was good enough for a fourth place finish out of eight teams. "It was a very competitive week for our girls. We accomplished our conference goals, but fell short of my goals for the tournament at Waupun," Rizzardi said.

The Indians came home to face Roncalli, on September 23, then travel to Two Rivers on the 25. Then have a tournament in Slinger, on Saturday, September 27.

wrestled the momentum away from KHS with a goal ably assisted by the churning winds of the Kewaskum soccer pitch. Sophomore goalkeeper Nate Kenworthy attempted to dive for the ball, but it curved in at the far post tying the game at 1-1. With renewed vigor, Waupun controlled the ball for much of the second half as the Indians stood and watched them play. Eventually Waupun took the lead on a ball that was bouncing around the box and eventually knocked in.

In a strategic move, Coach Bigley chose to sub only one player down the stretch; opting for proven game experience over the slew of fresh legs waiting on the bench - including those of Warnecke and freshman Jake Cochran who had played well and with great enthusiasm in previous outings. If

the intent was to keep the game close, this strategy seemed to work as the Indians were down only one goal with the game on the line in the final minutes.

Needing that goal and with time wearing down, goalkeeper Kenworthy took the ball and dropped it to his feet to begin a frantic attack up field for one last shot. As time elapsed on the field, a pass back to the box narrowly missed hitting the cutting Kenworthy on the run in front of the Waupun keeper.

With a game against the Division II State Champion Plymouth Panthers looming for the following Monday, the Indians know they must bring a better effort to the pitch for a full 80 minutes to remain competitive and rise to the level of the competition.

The Kewaskum varsity football team's defense laid on their flat on their stomachs, heartbroken, as the

Roncalli offense jumped around in joy. Their running back, Bradley Coenen, dove over the goal line to convert the game winning two point conversion, making the score 23-22, in Roncalli's favor, in overtime, at Kewaskum last

Friday, September 19.

Roncalli started off the scoring early when Matt Strong took it in for a one yard run, in the first quarter. The two-point conversion was good and the score stood at 8-0 Roncalli.

In the second quarter, Roncalli's Coenen scored on a two-yard run. The extra point was good and Roncalli then had the 15-0 lead.

The Indians finally got on the board right before half when David Wicklund, broke a 55-yard run for a touchdown. Chad Peplinski's extra point was good, and the lead was cut to 15-7. In the second half the Indians struck again when Ryan Koepke hit Wicklund for a 29-yard touchdown pass. Then Koepke took the ball across the goal line for the two-point conversion tying the score up at 15.

Then tragedy struck. About midway through the fourth quarter on a roll out, quarterback Ryan Koepke was knocked out of bounds, and knocked out for the rest of the season as he sustained a left leg injury. The game

would remain tied, which forced overtime.

The Indians got the ball first. In high school overtime, each team gets four chances to score from the opponent's 10-yard line, and then the other team has the opportunity to match or beat that score.

The Indians ran the ball, and eventually got in when Ryan DeLaurier pounded it in from four yards out, Peplinski's extra point was good, and the Indians had the 22-15 lead.

Roncalli then had their shot and converted when Coenen took it in from three yards out. Then Roncalli went for it all by going for the two-point conversion, and scored, winning the game 23-22.

Coenen rushed for 167 yards for Roncalli, with 145 of them coming in the first half. Wicklund lead the Indians with nine rushes for 78 yards, and three catches for 43 yards. Koepke threw 4-11 for 70 yards perhaps his last game.

Peplinski is expected to go the rest of the year at quar-

terback for the Indians. DeLaurier had eight rushes for 49 yards, and Garrett Donath had nine rushes for 46 yards for the Indians.

The Indians now face Kiel on Friday, September 26 at home, for the highly anticipated homecoming game! Come out and enjoy the festivities, it all starts with a parade at 5 p.m. and game at 7 p.m.. See page 10 for more information.
