## Friends Announce Final Twist Field of Mr. October Finalists Is Now Down to Six Favorites

All rightee, then. I stand corrected. There was a flurry of voting activity this past week. You were all just holding out until the end of the contest. And many of the ballots had messages on them.

Votes were received for Bob Buddenhagen, Dustin Kuehl, Larry Martin, Scott Rohlinger, Tubby Boden, Mike Nitschke, Tommy Cannestra, Gil DeLaurier and Father Mark Jones.

One ballot for Larry Martin stated the sender was voting for Larry because "I like short sermons (from Father Mark) especially on Packer Sundays."

Another ballot contained the message, "Go Tommy!" (Cannestra).

Another envelope arrived from Mike's Country Meats announcing that if Mike wins he will appear at Kettle Kountry Kolers to accept the crown in a speedo. He gets my vote, but I don't know... not only is Kettle Kountry a family festival, but, I truly don't know if Kewaskum is ready to see Mike Nitschke in a speedo. I guess if you are... vote for Mike!

Another entry encouraged everyone to cast their vote for Larry Martin, "The King of Practical Jokes," and went on to say, (he) DESERVES your vote. (Has he gotten you lately?) "Larry??? Pulling pranks on his friends??? I find that hard to believe (yeah, right, just ask Laurie at Kewaskum Floral!)"

Then I received a chunk of votes for Gil DeLaurier with a note stating, "his neighbors REALLY want him to win!"

I guess I have kept everyone in suspense long enough and had better just share my knowledge of the final six with the readers. I will begin with the six who did not make it and state how many total votes they received. Then I will state the six finalists in no particular order because I know who is ahead but I'm not telling. You will just have to keep voting and voting and voting to be sure your favorite finalist is the winner.

Okay... the six who did not make it are: Andrew Kuehl who received 13 total votes. Sorry kid, couldn't afford to keep you in. Besides I need

your assistance at the festival and can't have you parading around town in that crown!

The 11th place runnerup was Tubby Boden with 20 total votes. Received ten votes for Tubby on Tuesday, however it wasn't enough to carry him into the finals. I'm sure Tubby will be real sorry to hear that.

The next person knocked out of the finals was Boltonville's Dennis Fechter with 21 total votes. Now this one really surprised me

I thought for sure, the Boltonville Fire Department would be out campaigning for Dennis, but I guess they just didn't want to deal with all the notoriety and TV interviews and that stuff.

The ninth place finisher was another person near and dear to my heart, none other than son, Dustin Kuehl, who received 24 total votes. In spite of a valiant voting effort at the Silver Platter restaurant, there just weren't enough votes to put Dustin into the finals. Thought about voting for both of my sons, but knew living with them would not be easy if my money helped them reach the finals. So common sense told me to stay way away from this operation entirely.

Eighth on the list was Scott Rohlinger, with 27 total votes. We finally got a ballot box up for Scott at Woody's Steakhouse where he is a bartender, but I guess it was too little, too late. There was a decent amount of votes for Scott this week, but not enough to put him into the finals. I was pulling for Scott, too, as he was the only candidate who volunteered to donate his portion of the proceeds back to Kettle Kountry Kolers.

Actually, I stayed away from the voting this year. I've gotten to know all the people who have been voting and I truly wish all the candidates could be crowned. Unfortunately that wouldn't be much of a competition, now would it. So thus we continue.

The last person who did not make it to the finals was Paul Labonte with a total of 30 votes. Paul was an anony-

mous candidate and did not receive any votes after his initial nomination, so I guess he will remain anonymous. Hope to see you at Kettle Kountry Paul, and thanks for being a good sport!

Now that leaves us with our six finalists. I am going to announce them in alphabetical order so no one but me will actually know who is in the lead and who is bringing up the rear. In alphabetical order your six finalists are:

BOB BUDDENHAGEN  
TOMMY CANNESTRA  
GIL DELAURIER  
FATHER MARK JONES  
LARRY MARTIN  
MIKE NITSCHKE

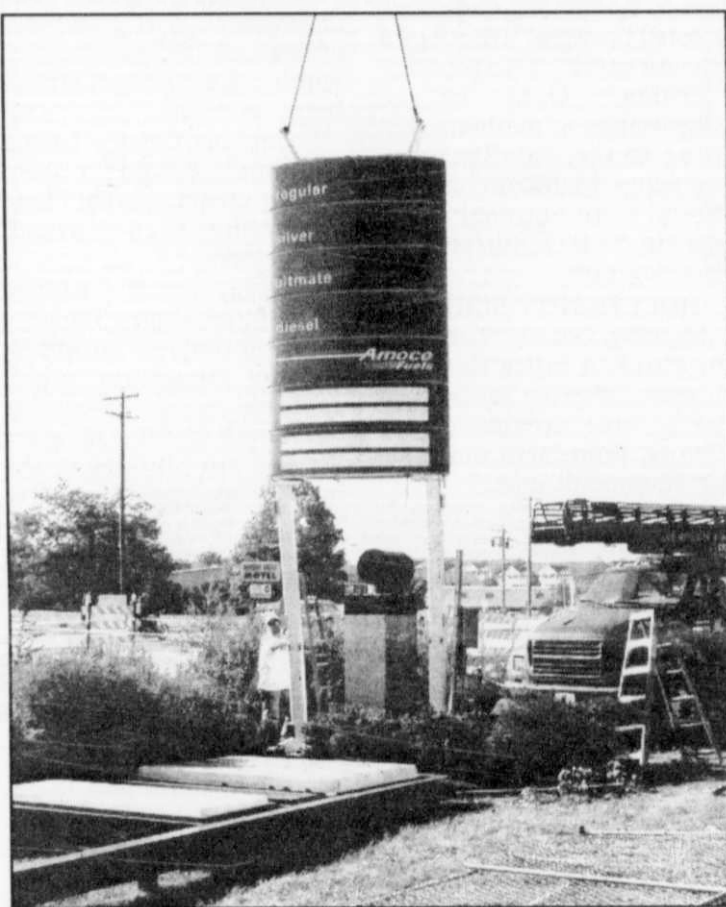

So now we know who our six finalists are, we should let them in on a little secret, the final twist to this saga. Some of you are anxious to win the contest, some of you are not. In spite of the fact that your voting public has decided that you should be in the finals, we are giving the contestants one way out, but with all the money that has been contributed in the candidate's name, we really hate to see any of them deliberately TRY to lose.

Nevertheless, the Friends of Kewaskum, at their last meeting, voted unanimously, to award 100 extra votes to the contestant who shows up at Kettle Kountry Kolers on Sunday prior to the coronation, in the best costume. Now doesn't that make this whole contest a little more ~~erazy~~, oops, I mean, interesting.

I guess if you know your contestant will refuse to come in costume, you better start voting for him now. Because... you will only have until noon on Sunday, October 12. And for those of you who can't wait to see who is going to dress up as what, plan on being at Kettle Kountry Kolers on Sunday. Especially if Mike Nitschke really plans on showing up in his speedo. Hmmmm, maybe we should charge admission!

Up to this point, the Mr. October contest has made a total of \$688.00. At the end of the contest, we will announce how many votes

## Amoco of Kewaskum Now BP

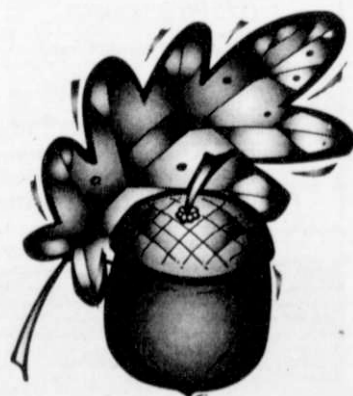

Kewaskum residents and those braving the construction the past two weeks have noticed a familiar name change. The Amoco of Kewaskum has changed to BP of Kewaskum. Ownership remains the same and even the fuel stays Amoco, just the name of the station has changed. Many Amoco stations in the are have switched or are switching names.

## United Way Helps Here In County

"The 2003 United Way fund drive continues to gain momentum in the ten communities served here in Washington County," says James Hodges, Chairperson of the campaign. As of September 19, the campaign was at the 18% mark, with more than \$178,000 in gifts and pledges counted towards the county-wide goal of \$1,000,001.

Campaign volunteers, under the leadership of Hodges, are actively contacting last year's donors and others in the County to support the United Way effort this year.

"One reason for our success each year is our crew volunteer Loaned Executives - eight this year," said Hodges. "These folks are 'on loan' from area businesses to United Way one to two days per week from mid-August through November, making numerous employee presentations and helping spread the message of how United Way is changing lives here in Washington County," he said. "The combined efforts of the Loaned Executives help in soliciting employee pledges through payroll deductions and other gifts. We are extremely grateful to the business community for providing these vital employees."

Barbara Hurula, United Way's Executive

Director stated, "The Loaned Executives, who are volunteers, go through a three day training to learn about United Way and visit many of the agencies our organization represents. We help them improve and enhance their presentation and public speaking skills, and increase their knowledge of what is happening in the Washington County nonprofit community. This experience is a win-win for the business community as well," she said.

The Loaned Executive Program has been in place for 17 years, and its success is measured by the number of businesses who see a value in having one or two individuals participate every year. "The advancement of many of these volunteers within their own organization is due, in part, to their involvement with United Way," stated Hurula.

Loaned Executives for 2003: are Jeanne Taylor, West Bend Savings Bank; Duane Bock and Carol Zentner, Broan-NuTone; Wendy Gundrum, Serigraph, Inc.; Cory Neuy, Regal Ware; Candi Miller and Cheryl Megonigle, West Bend Mutual Insurance Company and Rosemary Schrauth, Cedar Community.

## News From The Capitol

By Senator Mary Panzer

### Senate Eases Regulations on Business

Earlier this summer, the Senate created the Select Committee on Job Creation, which looked at ways the state, in particular the Legislature, can bring business and jobs here. The committee worked hard to come up with ideas and legislation that could be brought to the Senate floor this fall.

One of the areas the committee studied was business regulations and the permit process. The Senate recently passed three bills to ease regulations on business and streamline the permit process. The Small Business Regulatory Bill of Rights reduces the negative impact of regulations on small businesses and helps to spur the creation of more small business. Government regulations, many of them unnecessary and needlessly complex, are an enormous and costly burden for Wisconsin's small businesses.

This summer, the committee heard testimony from the regulated community and state regulators on the need for reform. The strongest theme that emerged from the hearings was that Wisconsin's permitting process is too cumbersome and time consuming. Business groups and state agencies agreed. In fact, Governor Doyle and members of his administration have indicated that Wisconsin's permitting process takes too long and is ripe for reform.

The permit deadline bill, which was also recently passed by the Senate, is the first step towards true regulatory reform and improving Wisconsin's business climate. This legislation will give job providers in the regulated community the streamlined process and

date-certainty they need to stay in Wisconsin. The bill makes no changes to environmental standards; rather, it gives the regulated community a fighting chance to get a ruling on their permit applications in a timely manner. In fact, under the bill, these permit deadlines will be determined by the agencies themselves.

Another piece of legislation recently passed allows a business or public entity to conduct a self-audit of their facilities to determine if they are in compliance with certain environmental laws. If they are not, they can reveal the results of the audit to regulators and agree to voluntarily eliminate the problem in a timely manner in return for reduced civil penalties. Currently, thirty-five states and the US Environmental Protection Agency have some form of this program in place. Thus, the bill is necessary in order for Wisconsin to compete with other states that currently have more flexibility in their environmental regulations.

The Select Committee on Job Creation will continue to hold hearings and look at creating pro-business initiatives. Some of the other issues they will be taking a look at are increasing venture capital opportunities and improving Wisconsin's infrastructure to accommodate a growing economy.

# Test Your Talent at Kettle Kountry Kolors

Audition your act at the Kettle Kountry Kolors Talent Show to be held Saturday, October 11th. The performances will begin at 3:00 PM, on the Snow Chiefs pavilion stage, during the festival, at River Hill Park.

The Kewaskum Chamber of Commerce will be sponsoring this "variety show", and they are handsomely rewarding the winning contestants.

There will be three categories, talent, lyp sync, and group routines, with four prizes in each category. First place will be \$100, second place \$75, third place will be \$50, and fourth place will be \$25, for a grand total of \$600 to be distributed.

Entry forms are available at St. Francis Bank and Hair on Main in Kewaskum. Completed forms, along with a \$5 entry fee must be turned in by October 10th, to either of the same two places. This will allow them to line up the schedule for the many performers that will grace the stage.

The highly acclaimed judging staff will be "wagonee-in" by Schmidt Acres Hay Rides, or "bused-in" by Johnson Bus Co. (Names not to be mentioned to avoid any thoughts of bribery!). These "country renowned" judges will choose the winners, and the cash prizes will be awarded after the last performance of the day.

You need not be present to win, but like who would miss that magical moment of walking the platform emulating Miss

America??? (roses and crowns will not be provided, so have your family ready with these items to shower you with accolades!)

You say you missed the one on TV? Well, why not join the Kettle Kountry Kolors "Talent Search" which is your chance at an "Off-Broadway" performance? (Just how far off we are, not at liberty to say!)

This is for ALL age, so don't hesitate to enter. Kids decorate those tu-tu's and show what all those dance lessons mom and dad paid for, have done in making you a Swan Lake "wannabe". Teenagers, you know that mouth movement you make when your parents' back is turned----that is lyp sync! Put it to music and you're a performer.

Senior citizens, dust off those church-singing vocal cords and enter. (Imagine all the talented years we would have lost if Frank Sinatra and Bob Hope had thought they were too old!)

If you don't want to enter alone, enter in a group, as there surely are some aspiring rappers, Sweet Adeline's, barbershop quartets, or bands out there just waiting to be discovered with their big moment of fame.

The winners may become part of the elite "Rich and Famous" from the notoriety they will get having their name printed in the world-renowned paparazzi, the Kewaskum Statesman. So, don't delay, get your form in today and if more information is needed, contact Wendi Dreher at 262-626-2428.

## Pro-Life Advocates Organize Life Chain Here, West Bend

Annually, on the first Sunday in October, Life Chain invites the churches in each city and town across North America to stand on a designated local sidewalk and pray for one hour, while holding one of the following approved pro-life sign messages:

- \* ABORTION KILLS CHILDREN
- \* JESUS FORGIVES AND HEALS
- \* ADOPTION: THE LOVING OPTION
- \* LORD, FORGIVE US AND OUR NATION
- \* ABORTION HURTS WOMEN
- \* PRAY TO END ABORTION
- \* LIFE—THE FIRST INALIENABLE RIGHT

In 2002, over 900 life chains were held in the U.S. and Canada, and over 950 are

expected this year.

National Life Chain Sunday 2003 will be held on October 5, from 2:30 to 3:30 PM in each time zone. Locally a life chain will be held in Kewaskum at the intersection of Fond du Lac Avenue and Main Street. Interested individuals can contact Steve Vogelmann at 920-533-3276. Parking will be made available in the Downtown Kewaskum parking lot.

A similar chain will also be held in West Bend on West Washington Street and 18th Avenue. Chairman Rick Podewils is asking everyone to meet at the Hankerson's Bakery parking lot.

During the Life Chain hour, idle chatter, frivolity, and both verbal and physical responses to motorists are

strongly discouraged. Life Chain is a time for serious self-analysis, repentance, and intercession.

For all who are mindful that Life Chain is a "church oriented and pastor focused" ministry, the key to a successful chain is to persuade local pastors to educate their congregations about abortion and to lead their church families to the sidewalk where their Life Chain is to be held.

From 1994 through 2002 approximately 900 Life Chains have been built annually in North America, and while total attendance has declined significantly, emphasis on prayer has increased substantially. For that, Life Chain is grateful.

# Pig Races Held at KMS

The sounds of oinking filled the air of the gym at Kewaskum Middle School on Wednesday, September 24, as the students cheered on their homeroom's pigs. This event was part of a reward for the magazine fundraiser the KMS students have been working on. Mr. Ciha's sixth grade homeroom won the race and also earned \$100 for a party.

Cody "Mr. Money" Enright raised \$80 for his sixth grade homeroom. Cody was wrapped in masking tape and then given 30 seconds to collect as much money as he could by rolling back and forth over the pile of 100 one dollar bills. Mrs. Pecher's homeroom will get the money towards a party.

The September meeting of the Wayne Crusaders 4-H Club was called to order at 6:30 pm at Wayne Elementary School.

The 4-H and American pledges were led by Adam Janz and Ryan Bingen. Roll Call was taken and the Secretary's and Treasurer's reports were read and approved. Committee reports were also given and approved.

Club calendars of the upcoming year were handed out to members. Enrollment forms and folders were also handed out. We then held an election for our new club officers. These were the results:

president: Cindy Dornacker; vice president: Kevin Banaszak; secretary: Laura Weisse; treasurer: Clayton Stoffel; reporter: Jill Schmitt and historian: Kyle Banaszak.

Jill Schmitt, Adam Janz, Allison Janz, and Zach Janz attended the State 4-H Dog Show and received ribbons that they brought in and shared. The 4-H Open House will be held on September 14th from 1:00 to 4:00.

Our club recently participated in a bulb sale and order forms were collected at the meeting. Judy Krudwig is the chairperson for the Kettle Country Kolers food stand. There was a sign up sheet at the meeting. There was also a sign up sheet for the Christmas parade float. Club members can either help to build it, or ride in the parade.

We also needed a few artistic people to help us make a window display for 4-H week. Next month, our club will be having a pizza party.

Cloverbud graduation was held at the meeting. The cloverbuds that graduated were Robin Schmitt, Laura Kriewaldt, Savannah Dei, Chelsea Herriges, Sarah Linaburg, and Dylan Dykema.

## 'State Fair' Coming to Kewaskum

Tryouts for the musical "State Fair" was held at Kewaskum High School on Wednesday, August 27, 2003. At that time many students gave their best for a shot of stardom on the boards of KHS. Since that day, many rehearsals have already been held, actors have been measured for costumes, dance steps have been worked out, and ideas are flying around for scenery.

All of this will soon be available to you as the cast and crew prepares for their version of "State Fair," which will be coming to Kewaskum on Friday and Saturday night,

November 7th and 8th, 2003. This upcoming production promises to be an excellent time of enjoyment for you and your whole family. Please mark your calendars, set some time aside for the actors and musicians of KHS, and watch for more information on "State Fair."

It is believed that David Atchison was President of the United States for one day. James Polk vacated the office on March 4, 1849, but Zachary Taylor—who refused to be sworn in on a Sunday—was not inaugurated until March 5. Atchison, the president pro tempore of the Senate, filled in.

# OPINION - EDITORIAL

## That's What I Think

By Andrew Kuehl  
Statesman Editorial Staff

### Where Were the KHS Football Players?

It has occurred to me and other members of the staff that we need to have this page called an Opinion-Editorial page. I've laid awake now for a few nights thinking about how to do this, I mean, one must be careful not to offend anyone, I do have to live here.

So, here it goes, we'll give this a shot.

What is an Op/Ed page? Typically newspapers will encourage readers to write letters to the editor. The editorial staff will also give their views on local issues. Some larger more liberal papers will give political endorsements. Time will tell if we are that liberal. I myself like being called an ultra conservative by my grandfather-in-law.

I will also be using this column as a way to get information out to our very valued subscribers on things happening with the newspaper.

Trying to come up with something for this week has been difficult. Things have been a little tame, well that is in the village.

I was very disappointed with a certain aspect of our homecoming parade. In my day, and mind you, I've been a KHS alumni for five years, it was TRADITION that the football players had their own float in the parade. It was also tradition that the court members rode in convertibles with their escorts. I'm lucky if I saw two.

I later by a few parade attendees that the football players cannot break their concentration the day of the game, thus they are not allowed to partake in the homecoming festivities.

Let me tell you, after their game against Roncalli Coach Piittmann should have taken them out of class all week.

I personally think this is a missed opportunity for the parents, grandparents (tax-payers) and the team member to have his moment of fame.

My youngest brother is on the varsity team; I get a sense of pride every time I see him with his jersey on. I wish everyone who attended the parade could have also seen him and the other guys. These guys make one heck of a commitment, practice day in and day out, and during the hottest days of summer. **THEY DESERVE THE FAME!**

Thinking about it, it's not only the football team, what about their escorts? They also had to miss out on the parade. They deserve a little more royalty than getting

their picture on the front page of the Statesman! Poor Megan Butler gets her name missed in the caption.

Very sorry about that Megan! It did serve a good purpose though, I found out a ton of people read this paper every week and were happy to correct me.

When you see the football coaches let them know how you feel about their ridiculous policy. Tell them this isn't the NFL, its high school football.

Got some hate mail this week. Seems the tree trimming crew at KHS has quite a few fans. They didn't like my caption for the homecoming bachelor/bachelorettes. The letter was written to the editor and follows:

**Dear Kewaskum Statesman Editor:**

*We were appalled by your comments in the caption under the picture of the bachelor/bachelorette raffle participants. First of all, we found it completely inappropriate that the tree cut down (which by the way, should not be considered a senior prank, since a vast majority of the seniors were unaware of the prank until after the fact) was even mentioned in a story that should be showcasing the seniors of 2004.*

*It was completely irrelevant to the story at hand. There was no need to mention the situation that happened in the past, was taken responsibility for, and is being handled by those involved. Also you cannot lean on a tree that no longer exists, as was stated in your article.*

*In the future please state the facts that are important, and pertain to the story you are writing about.*

**Jamie Junk  
Ashley Benike  
Class of 2003**

I have to thank these girls for taking the time to write a letter and stand up for their beliefs. You don't see that too often.

I must say this photo was supposed to be fun. As a photographer you get sick of shooting the homecoming court and the bachelor/bachelorettes in the same spot year after year.

I asked the kids for their opinion, (remember I am all about giving these kids their moment of fame, guess that is the ultra conservative coming out). One thought we should take it with the tree, I thought why not. We had some fun! Once we all were lined up we had more fun, the kids decided it would be fun to memorialize the tree by leaning against it.

After getting feedback, I guess Ms. Junk and Ms. Benike have a point; it wasn't at all relative to the story. What's wrong with having a little fun once? Again, five years ago that's what high school was somewhat about.

The two also state we can no longer call this a senior prank.

Well what was this? That's what those involved called it. I truly don't believe it was intended as anything else.

Five years ago when a few classmates of mine

decided it would be cool to spread oil all over the field house, it was called a senior prank. I would say 99% of our class had no clue it was going on. Those poor guys still get ribbed about it.

I guess that ends things for me this week. This wasn't as difficult as I anticipated. I'm sure many will see things differently. I would appreciate your feedback on this column and other aspects of the paper. I can be reached at the office at 262-626-3312. Emailed at

### THE KILLINGS MUST STOP!

Since abortion was made legal there have been over 41 million babies murdered through convenience, and with the governments approval. That amount murdered is equal to the population of 14 US states.

Can we really say, "GOD BLESS AMERICA"?

God cannot continue to bless a nation which allows the murdering of innocent lives.

"If my people, who are called by my name, **WILL HUMBLE THEMSELVES** and pray and turn from their wicked ways, **THEN** will I hear from Heaven and will forgive their **SIN** and will heal their land."

2 Chronicles 7:14

I have heard the argument before, "Who will take care of all the children who didn't die due to abortion?" There are thousands upon thousands of families waiting for children. My wife Karen and I will be adopting our second child the 30th of this month. These are children whose biological mother chose not to abort them, and did what was right in the sight of God and gave birth. I could not imagine our lives without our two boys.

Our constitution guaranties Life for all, and that includes the babies who will never hear the words I love you, I am so proud of you. They will never feel the love of a mother's touch or the strength of their Father's hand.

We would do ourselves well to follow the above scripture.

In Christ's Service,  
Pastor Bobbie Minor

# Challenge Will Push YMCA Campaign Over Goal

The Kettle Moraine YMCA has received notice of a challenge grant from the Melitta S. Pick Charitable Trust, which will match \$1 for every \$2 raised in new or additional capital campaign pledges. The Trust will provide up to \$100,000 towards the YMCA Building on a Legacy campaign, subject to local donors' contributions between July 1 and December 31, 2003.

The campaign has already raised \$1.8 million and with \$200,000 in new donations the challenge grant will push the campaign over its \$2 million goal.

For example, for every \$1,000 in pledges, the YMCA will receive an additional \$500 from the Trust. Pledges up to \$20,000 per donor will be matched two-for-one up to \$10,000. Any pledge over \$20,000 will be matched at the \$10,000 level.

"This is just the kind of push we need to go over the top," indicated Vic Albiero, campaign co-chair.

The Building on a Legacy campaign will allow the Kettle Moraine YMCA to expand and renovate its current facility to accommodate its growing membership. The first phase of the \$2 million expansion is expected to be completed by February 2004 and will include a youth and family center, a larger interior lobby/check-in area and exterior plaza/gathering area, an expanded circuit weight room and "spinning" studio, and increased space for classes and other community activities. The second phase, which will be completed over the next five years, will include a recreation pool and expanded locker rooms.

"Let's face it, public budgets are strapped. We, in the non-profit sector have to step up to the plate if we are to continue investing in this community's social infrastructure," said Executive Director, Jon Lange.

Campaign contributions of

\$1,000 or more will have their names engraved on an etched tile that will be part of a mosaic in the new lobby. Contributions of \$15,000 or more will have the opportunity to "name" a room in the improved facilities.

The Kettle Moraine YMCA serves more than 8,850 members from throughout Washington County. Over the past three years, membership has grown more than 7% and

membership is expected to reach 10,000 by 2005.

The mission of the YMCA is to put Christian principles into practice through programs that build healthy spirit, mind and body for all. The YMCA is driven by community need, guided by community volunteers and open to all.

If you are interested in helping the YMCA reach its goal, contact Sandy Luft at 262-247-1011.

## Indians Soccer: The Good, The Bad and the Ugly

The Plymouth Panthers boys' high school soccer team is the reigning Division II State Soccer Champion and for good reason. In a game against the KHS Indians on Monday September 21 at Plymouth, they demonstrated why. With crisp passing, good movement of the ball, unerring shooting and All-State caliber performances from Forward Ryan Vanderkin and Midfielder Nick Deering, the Panthers showed they are still the team to beat in the Eastern Wisconsin Conference (despite dropping a previous game to Kiel.) The fans in attendance stood in appreciative awe as the Panthers showed soccer as it was meant to be played. Unfortunately, the Indians on the soccer pitch seemed no less in awe (nor demonstrated any more mobility) as the Panthers rolled to a convincing 7-0 victory.

The following night, however, the Indians showed resilience in a gutsy performance at Kettle Moraine Lutheran. Defeated earlier in the year 3-1 by KML, the Indians sought to even the record. Unfortunately, the Plymouth game had taken its toll on the Kewaskum eleven leaving several of the Indians nursing pesky injuries. Sophomores Jon Olla (defender) and Nate Kenworthy (Goalkeeper) both nursed sore backs which made their starts questionable, but both decided to tough it out and have a go.

Junior Midfielder Noah Olla immediately buoyed the spirits of the Indians by taking a beautiful pass from Senior Adam Hickman early in the game and striking it solidly into the back of the net. This was the third goal of the year for Olla whose solid runs are starting to pay off with goals.

In spite of this early goal, Kettle Moraine Lutheran

refused to concede defeat and actually controlled the pace of the game for much of the remainder of the match. With a 1-0 lead at halftime, Kewaskum relied on courage and solid defense to carry them through in the second half. Senior Aaron Olla once again lead the way for the Indians with his attacking speed and aggressive play to the ball. Time after time, Olla would make the seemingly impossible run to clear the ball effectively.

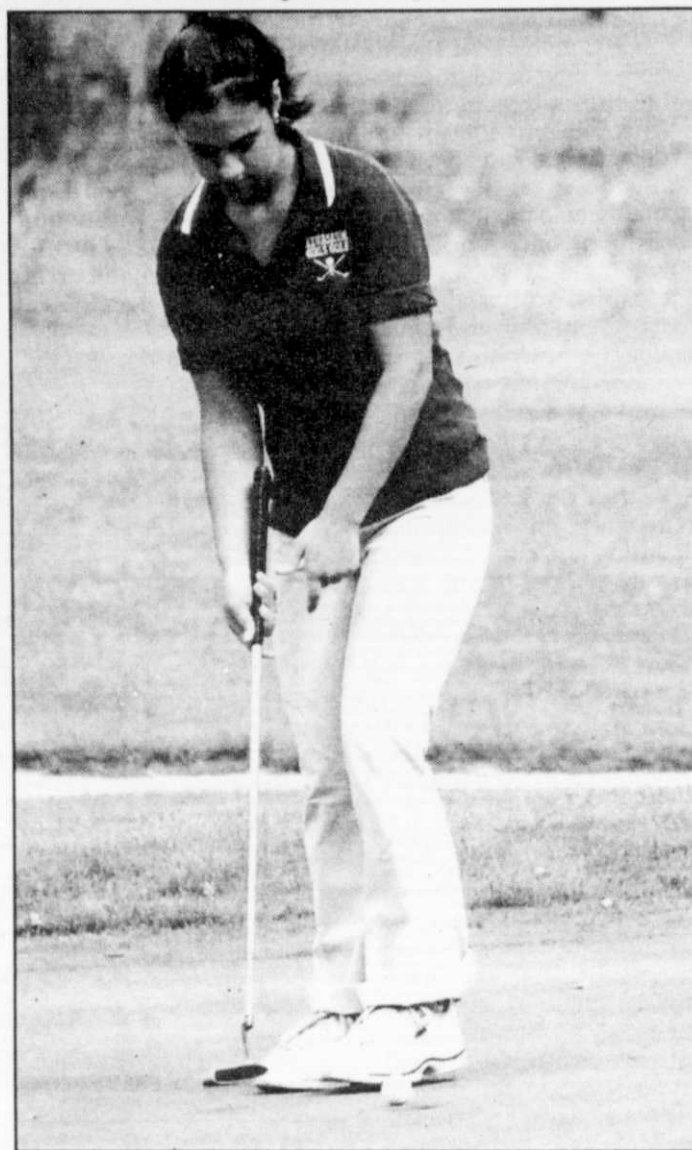

Only slightly less spectacular was the play of Sophomores Jon Olla, Paul Gaynor and Frank Cole. Despite his back pain, Jon Olla played smartly - staying within his limitations - never allowing an uncontested goal from his side. Likewise, Gaynor showed the first step to the ball aggressiveness that he has demonstrated all year long. Cole, for his part, was again the unmistakable hustle king for the Indians and seemingly was involved in every play for KHS whether it was on offense or on defense. Fearless and with a nose for the ball, Cole paid for his strong play by being tackled hard several times during the match - each time though he was able to regroup and bring that energy back again to the pitch.

Since the Center Referee was allowing play to continue at a high level of physicality, KML kept the pressure on with an aggressiveness that threatened to wear down the Indian defense.

Fortunately, Goalkeeper Kenworthy was in top form as he made several flying catches, attacked breakaways physically, dove to the ground punching the ball clear of the goal and generally denied any of KML's 17 shots from striking home. Working in tandem with the brothers' Olla and Gaynor, Kenworthy took control of the net and helped maintain the 1-0 advantage.

With no time left on the scoreboard, Kettle Moraine was allowed one last opportunity to score and tie the game when a KML forward was taken down just outside of the Kewaskum 18. As KML set up for the direct kick, Indian Assistant Coach Andrew Olla shouted instructions from the sidelines to goalkeeper Kenworthy who was ready for one last effort. On the referee's whistle, the KML striker hit the ball squarely sending a rocket shot flying toward the box. Kenworthy fought off the two forwards as he leaped high, fully extending himself to forcefully punch the ball clear of the goal and preserve the win for Kewaskum. This sealed one of the best performances of Kenworthy's two-year high school soccer career and rewarded all the Indians with a 1-0 win for their perseverance and hard effort as a team.

The third game of the week for the Indians was at home on Thursday, September 25 against Eastern Wisconsin Conference-leading Kiel. Earlier in the year, Kewaskum battled Kiel tough as they narrowly lost 2-1. It appeared from the onset that this be yet another of those nail-biter games as the Kewaskum defense - Olla, Olla, Gaynor and Adam Hickman kept things close at halftime with a 1-0 deficit. However in the second half, Kiel showed their true mettle as they scored two more goals to earn a hard-fought 3-0 victory. While the Indians failed to score on Kiel's Goalkeeping-phenom Brad Konz, they still played aggressively with good efforts in relief roles from Freshman Jacob Cochran, Sophomore Jon Radzitis, Junior Todd Warnecke and Senior Shane Harlacher in the goal. With the middle of the EWC field coming up next week, all the Indians need to be prepared to play.

Cassie Rimmel lines up a put in a recent outing.

The Kewaskum Varsity Golf Team traveled to Oconomowoc's Pegonica Golf Course to take on the conference on Monday, September 22. The Lady Indians shot a 202 to place third in the seven team meet. The best score for the team was posted by senior Crystal Dreher with a 46. Other counters were Katie Kowalczyk 48, Cassie Rimmel 51, and 57's by both Nicole Rimmel and Lisa Beck. The four low scores count in WIAA golf competition.

Washington County Golf Course was the setting for the annual scramble with the four schools of the county vying for the trophy, medals and bragging rights. Kewaskum came out on top, winning by a convincing 11

strokes with a team score of 128. Medalists for the event were Nicole and Cassie Rimmel with a 40. Second place went to Crystal Dreher and Lisa Beck with a 41. Katie Kowalczyk and Kate Korth shot a 47 for the contest.

West Bend West finished second with a 139 and West Bend East had a 152. Hartford pulled out of the meet at the last minute because of a car accident on the way to the golf course. No one was injured.

Kewaskum completes its conference season on September 29th at Hartford Country Club and hosts the nine team regional for this area of the state on Wednesday, October 1st at Hon-E-Kor.

## Indians Dominate Homecoming Game

BY KYLE DARMODY

Thanks to the three touchdown runs by Ryan DeLaurier, and a shutout on defense, the Kewaskum varsity football team dominated Kiel 19-0, Friday, September 26 in this year's Homecoming showdown.

DeLaurier scored on runs of ten, four and one yard/s, and with one missed extra point, and missed two point conversion, the Indians were

able to convert the extra point on their last score giving them 19. The defense was relentless, as they didn't allow the Raiders to see the end zone once.

Leaders for the Indians included DeLaurier who finished with 96 yards total for the night, to add to his three touchdowns. David Wicklund added 85 yards on the ground for the Indians. Attempt to take over for the loss of injured Ryan Koepke;

Wicklund was 1-1 for 31 yards. Chad Peplinski only threw once but was picked off, by a Raider. On the defensive side Zack Holm had an interception to contribute to shut out.

The Indians now 2-1 in conference and 3-2 overall travel to Two Rivers, Friday, October 3, before traveling to Sheboygan Falls on Friday, October 10.

## Lady Indians Remain Undefeated in Conference

Kyle Darmody

The Lady Indians continue their dominating momentum-posting wins at home over Roncalli on Tuesday, September 23 and Two Rivers on Thursday, September 25. The team improved their conference record to 7-0 to remain at the top of the Eastern Wisconsin Conference.

In Tuesday's match up against Roncalli the Indians won by scores of 15-9, 15-1, and then lost the third set 13-15. "We had a little lull in the first match, were we lost our focus," Indian coach Dave Rizzardi said. "They ended up taking the 8-5 lead, but once we regained focus, and momentum we ended up winning the first match, and that carried over into the second match," Rizzardi continued.

Thursday against Two Rivers it was more of the same for the Indians as they dominated the Purple Raiders 15-6, 15-9, and 15-5. "Two Rivers put up decent defense in the second game, and I give them a lot of credit for good floor defense, but they just didn't have enough offense," Rizzardi said.

"We accomplished everything we wanted to in the conference this week by improving to 7-0, in conference play, and now we are leading the conference, half way through the conference schedule," Rizzardi said.

Then on Saturday, the ladies traveled to Slinger for a tournament. In this tournament you had to qualify in order to move on in the tournament, so you have to play each of the seven other teams once to fifteen, then the best records advance. In the preliminaries the Indians went 6-1 good enough to earn them the number one seed, for the finals. In the finals the Indians played Cedarburg in the first game of the finals, and the Indians won by scores of 15-9, and 15-12, therefore advancing the Indians into the finals against Slinger. The Indians lost their first match, 12-15, and then went on to win the second 15-8, but only to lose the third 15-17, giving them a second place finish.

"It was really a long day, with Homecoming later that night the ladies attentions were really stretched towards the end of the day, they still played every point very hard, playing hard and losing focus are two very different things, but the attention just was not there," Rizzardi stated. "Slinger played much better then when we saw them earlier in the year, but we just didn't have the focus needed to beat them, and it's a pretty good chance that we will see Slinger again in the Regional, because we are in the same Regional," he continued. The Indians faced off against Kiel on Tuesday, September 30, and will face Sheboygan Falls on Thursday, October 2,

which is Parents night for the Indians. The Indians then travel to Oostburg on Saturday, October 4 for their last tournament of the year. "One more busy week, it's important that we take care of the conference matches, and then I would like to make it to the finals at Oostburg on Saturday, it's going to be another strong field, with ten teams total," Rizzardi concluded.
