Smith Shares \$81,000 Badger 5 Lottery Jackpot

BY ANDREW KUEHL
STATESMAN EDITORIAL STAFF
akuehl@kewaskumstatesman.com

Eden now has its own claim to fame after becoming the ninth Wisconsin Lottery retailer in Fond du Lac County to sell a winning Badger 5 ticket.

According to Donald Sabatke of the Wisconsin Lot-

try, Fond du Lac County is the second winningest county in Wisconsin for Badger 5.

William Smith, Eden, was one of the lucky winners to split the \$81,000 jackpot from Monday night's drawing.

Smith purchased his ticket at Rahn's Corner, 301 W. Main Street in Eden.

The other winner was pur-

chased in Plover.

Badger 5 is the newest \$1 daily on-line game from the Wisconsin Lottery with jackpots that start at \$10,000 and grow a minimum of \$1,000 a day until they are won. Players win the rollover jackpot by matching their five numbers to the five winning numbers drawn each night.

FDL Sheriff's Dept. Investigates Fatal Hit and Run Motorcycle Crash

BY ANDREW KUEHL
STATESMAN EDITORIAL STAFF
akuehl@kewaskumstatesman.com

Four individuals remain in the Fond du Lac County jail after their involvement in a fatal hit and run motorcycle accident that occurred Saturday, October 18 at 7:35 p.m. on CTH S south of CTH G in the Town of Auburn.

Michael Neuenfeld, 34, Kewaskum, was pronounced dead at St. Joseph's Community Hospital, West Bend as a result of injuries he received in the crash.

An investigation by the Fond du Lac County Sheriff's Department says the crash occurred when a southbound car driven by a 32 year-old West Bend woman carrying two passengers, also from West Bend, made a left hand turn into a driveway, directly into the path of the oncoming Neuenfeld motorcycle.

The West Bend woman and her passengers left the scene on foot according to a report by the department.

On Sunday afternoon a 35 year-old West Bend man was taken into custody with charges related to the crash.

Later that evening, the driver and her two passengers, were taken into custody. The four are expected to be

formally charged in Fond du Lac County Circuit Court Wednesday, October 22.

A complete obituary can be found in this weeks edition.

Christmas Parade Set For Dec. 7

The Kewaskum Area Chamber of Commerce will again be sponsoring the Annual Christmas Parade. Parade Chairman Kevin Stautz of Hollywood's Portraits, already has plans underway for this year's holiday event.

The parade theme is "Christmas Present," to be interpreted however the participant cares to present it. The parade will be held on Sunday, December 7, at 5 p.m.

It will again start at the parking area between the middle and high schools and

proceed to Third Street, Parkview Drive, west on Main Street, and turn north on Fond du Lac Avenue and conclude at the Municipal Annex Building where the Annual Tree Lighting Ceremony will take place. Hot chocolate will again be provided at the Annex by Aid Association for Lutherans.

The Kewaskum Area Chamber of Commerce will again be selling their tasty steak sandwiches at their food stand located on Main Street, next to the municipal

parking lot. The stand will open at 10 a.m. for anyone wishing to have an early lunch.

Parade entries will be eligible for first through fifth prizes which will be awarded by the Chamber. Contact Parade Chairman Kevin Stautz at Hollywood's Portraits at 626-2995 for your parade entry.

Watch *The Statesman* for further details on the upcoming parade and winter events.

T. Auburn Re-Zones, Prepares for Budget

BY ANDREW KUEHL
STATESMAN EDITORIAL STAFF
akuehl@kewaskumstatesman.com

The Town of Auburn met Monday, October 13 and opened their monthly meeting with two public hearings on re-zoning. One from AG to Rural District and one from RD to AG. No public input was received.

After the hearing the board listened to a building report from Zoning Administrator Dennis Petermann. Petermann indicated he issued building permits for two new homes, two decks, one storage shed, one garage and one sunroom addition. He further indicated he issued a permit to destroy a grain shed.

Town Chairman Howard Laubenstein reported that all the roadwork in the town has been completed. Laubenstein indicated that the town would need to start budgeting to make repairs on a bridge on Youth Camp Road that could cost \$225,000. He finished his report by saying it was his estimation that the

bridge could hold out another four years while the town saved the money to repair the bridge.

On a motion by Supervisor Mike Nitschke, seconded by Supervisor Merle Laatsch the board approved spending \$685 per ton of road gravel to repair the shoulder on Auburn-Ashford Drive. Michel's Materials will be hired for the project. They were the low bid and the board was pleased with work they had done previously in the township.

The board approved both rezoning request that were mentioned in the public hearing.

The first was for Marion Petermann on Auburn-Ashford Drive to rezone 5.429 acres from AG to Rural District. The second was for Sam and Beatrice Gudex on Haven Drive for 7.53 acres from RD to AG.

The town will hold their budget hearing before their regular monthly meeting on November 10 at 7 p.m.

Laubenstein finished the

meeting by giving an update on the zoning ordinance revisions. He will report back to the board next month.

Thull, McMahon Win KEYS 5K Run/Walk

Sunday morning brought a gorgeous day of sunshine to welcome 848 runners and walkers for the tenth annual KEYS (Kewaskum Youth Scholarship) 5K Run/Walk.

Matt Thull won the race for the seventh time in a row with a time of 15:50. Thull ran in the World Half-Marathon Championships in Portugal the previous weekend and still suffered the effects of jetlag and exhaustion. Thull, a former Campbellsport resident and CHS athlete, who competed at the University of Wisconsin - Oshkosh where he earned All-American honors in track and cross country, now teaches Physical Education in Milwaukee. Aaron Nodolf was second in 15:50 and Brad Theyer finished third in 16:08.

In the women's division, Dot McMahon won with a time of 18:39. Lisa Johnson finished second in 18:53 and Amy Grotenhuis finished third in 19:20.

A total of 848 people registered for this popular fund raising event, held in conjunction with Kewaskum's Kettle Kountry Kolors. Students from Kewaskum, Farmington, Wayne, Holy Trinity, and St. Lucas

Elementary Schools, along with students from Kewaskum Middle and High Schools made up a large portion of the participants. "The people of Kewaskum and the surrounding areas again did a fantastic job supporting the KEYS 5K Run/Walk," reported Jerry Gosa, one of the race organizers. Almost 100 people registered Sunday morning.

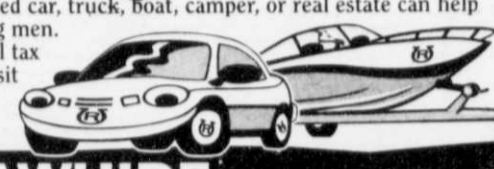

"We are very thankful to all the people who registered and made the run so successful this year," reported Gosa. "We also want to thank all our

sponsors and especially the team captains at the schools, who worked so hard in getting students and their families registered. The help we received from all these captains and all the volunteer high school students, made this event run smoothly and successfully," concluded Gosa.

Individuals who didn't receive their medals should contact Jerry Gosa at Kewaskum High School at 262-626-2166 ext. 4156.

Extra 10th anniversary KEYS 5K Run t-shirts are

available for \$10 each at Kewaskum High School or by calling Jerry Gosa.

Campbellsport Fire Department To Kick Off Centennial

Shown above left to right is the Campbellsport Fire Department's most senior member, Joe Thelen, Campbellsport's current fire chief, Randy Zielieke and the department's newest member, Abby Russel. Zielieke presented coins to the two.

In the year 2004 the Campbellsport Fire Department will celebrate its 100 year anniversary. To start the 100th year, the fire department members will be selling a special commemorative gold coin.

At the October meeting of the fire department, Chief Randy Zielieke presented a commemorative coin to retire chief Joe Thelen and to Abby Russel. It was a very special

moment as Joe is the most senior member and Abby is the newest member of the department. Also Abby is Joe's granddaughter.

Joe has been active with the department for 52 years, holding such positions as engineer, assistant chief and also fire chief for 13 years. Joe was also a member of the ambulance squad and was one of the first certified Emergency Medical Technicians (EMT).

The gold commemorative coins will sell for \$5 each. Any profit made from the sale of the coins will be put towards building a training tower to be located in the village.

As centennial committee chairman Don Stoffel said, "We will take the coin that represents the past and help build the training tower that will represent the department's future."

Trick-or-Treat Safety Tips

As ghosts, pirates and princesses prepare to descend on neighborhoods across America on Halloween night, the American Red Cross offers parents some safety tips to help prepare their children for a safe and enjoyable trick-or-treat holiday. "By following a few simple safety tips, parents can make this Halloween a safe and fun time for their little trick-or-treaters," said Connie Harvey, Red Cross health and safety expert. "Most Halloween injuries are preventable, if parents and children take some simple precautions," added Harvey.

The following "Lucky 13" safety tips for parents to share with their trick-or-treaters to prevent injuries at Halloween.

◆ Plan your route and share it with your family. If possible, have an adult go with you.

◆ Wear light-colored or reflective-type clothing so you

are more visible. And remember to put reflective tape on bikes, skateboards and brooms too!

◆ Use face paint rather than masks or things that will cover your eyes.

◆ Cross the street only at corners.

◆ Look both ways before crossing the street to check for cars, trucks and low flying brooms.

◆ Don't hide or cross the street between parked cars.

◆ Walk, slither and sneak on sidewalks; not in the street.

◆ Carry a flashlight to light your way.

◆ Visit homes that have the porch light on.

◆ Keep away from open fires and candles. Keep in mind that costumes can be extremely flammable.

◆ Accept your treats at the door and never go into a stranger's home.

THE DARK SIDE OF HALLOWEEN

THE BEWITCHING OF AMERICA HALLOWEEN WAS BANNED IN AMERICA UNTIL 1845 THE HISTORY OF HALLOWEEN

Halloween is a "Religious" day but it is NOT A Christian day. Tom Sanguinet, former high priest in the Celtic tradition of Wicca (Witchcraft) said "The modern holiday we call Halloween...has its origins in the full moon closest to November 1, the witches New Year. It was and still is when the "spirits" (demons) are supposed to be at their peak power and revisiting the planet earth." He went on to say, "Halloween" is purely and absolutely evil," and there is nothing we ever have or will do that would make it acceptable to the Lord Jesus Christ.

WHAT'S THE DEAL WITH TRICK OR TREAT ANYWAY?

"Trick or Treat is a reenactment of Druidic practiced. The candy has replaced the human sacrifices of old, but it is still an appeasement of those deceptive evil spirits. The traditional response to those who do not treat is to have a trick played on them which has ended with horrific ends. When you give out Halloween candy, you are, in essence providing a sacrifice to false gods. You are participating in idolatry" says the former high priest of Wicca, Tom Sanguinet.

WHAT ABOUT COSTUMES?

Costumes originated with the terrible Druid death rites also. As people with animals were screeching in agony while being burned to death, the observers would dress in costumes made of animal skins and heads. They would dance, chant and jump through the flames in hope of warding off evil spirits

WHO ARE THE HEROES OF HALLOWEEN?

WITCH (see above)

DRACULA: Did you know he was a real person? He lived from 1431 - 1476AD. During his six year reign this demented maniac massacred 100,000 men, women, and children in the most hideous ways.

WHAT ABOUT HAUNTED HOUSES?

Dracula again claims fame to this issue as well. His devilish plan to rid his country of the burden of beggars, handicapped, sick and aged. He invited them to a feast at one of his palaces. He fed them well and got them drunk. Then he asked them, "Do you want to be without cares, lacking nothing in this world?" they yelled "YES!" Dracula then ordered the palace boarded up and set on fire. No one escaped. This tragic event we know today as the "Haunted House."

Conclusion

Halloween is a pagan day rooted in the worst kind of pagan rituals and worship. The Bible urges Christians to "Have no fellowship with the unfruitful works of darkness" Ephesians 5:11

Carole Ramel of Random Lake will have her hand painted wooden animals, bells and key chains. Kristine Pamer of Poy Sippi will be here with her creative wood "theme" houses. John Borchardt of Slinger will be displaying his wide assortment of sleds and sleighs.

Flowers are in bloom at the show "aplenty." Mary

Boede will be there with her apple crafts, bear lights and wreaths. Barb Wiater of West Bend will be displaying her floral arrangements and swags. Kathie George of Campbellsport will have her florals and beautiful ceramic eggs. Over in the corner is

Roberta Adler of Jefferson with her floral love knots and towel rings.

Stop in and see the wide array of crafters in attendance. Come in and get a head start on your Christmas shopping. Hope to see you on November 2 at the Amerahn.

Free Gun Locks Distributed in County

The National Shooting Sports Foundation has partnered with Governor Jim Doyle and local law enforcement to distribute 465,500 free gun locks in Wisconsin as part of the national Project ChildSafe (PCS) initiative.

PCS is designed to help make homes with firearms safer by raising awareness about responsible firearm ownership and storage.

Washington County law enforcement agencies included in the distribution were the Kewaskum Police Department, Washington County Sheriff's Department, Newburg Police Department, Slinger Police Department, Trenton Police Department, Jackson Police Department and the Germantown Police Department.

An expansion of NSSF's Project HomeSafe, Project ChildSafe is funded by a \$50 million dollar grant from the Department of Justice and will provide nearly 20 million free gunlocks and firearm safety educational materials to families in all 50 states, the five U.S. territories and the District of Columbia.

Safe succeeded in distributing 2.4 million safety kits to 44 states and has significantly raised awareness of firearms safety and responsibility. "We are proud to say that, since its grassroots beginning in 1999, Project

HomeSafe became the largest, most comprehensive firearms safety education program in the nation thanks to the enthusiastic support from high-ranking government officials and law enforcement departments in communities across America," said Doug Painter, president of the National Shooting Sports Foundation.

Education... It's Everyone's Business

By Wayne P. Graczyk,
Kewaskum Superintendent of Schools
www.kewaskumschools.org

Interested in Helping?

Interested in assisting the School District mold the future of technology in our schools?

The School District of Kewaskum is seeking a few community and business people who have some knowledge of technology and a genuine interest in helping us review and finalize our state required Technology Plan. Interested individuals would serve on a committee represented by parents, students, teachers, a school board member, and administrators. The committee will meet on Wednesday, November 19 from 8:00 a.m. to 4:00 p.m. in the School District Building, 1455 School Street. In addition

you could choose to get involved in an action plan developed by the committee, but this is optional.

If you have the time and interest to possibly serve on this committee you are asked to contact Jane Lazarevic at 626-2166 Ext. 4557. We will be selecting from 1 to 3 individuals to serve on this important committee. We will need to hear from you by the end of October so won't you please call? If you can't reach Jane, please leave a detailed message with your name, phone number and why you would like to serve on this committee. She will get back to all those who call.

'State Fair' Miracle

A transformation took place at 1510 Bilgo Lane over the past few days. When the high school was empty and quiet last Friday, Rose Hall (formerly the old gym), (formerly the only gym) was just that, a gym. However, by Monday evening, the gym was quietly being changed into an auditorium.

The stage was in place; lights were going up, speakers were standing all over the hall, and the cast and crew of the musical, "State Fair", had begun the process of taking what they had learned in the Choir room onto the portable stage in Rose Hall.

This is truly an event that

you should not miss, a chance to see some really talented and dedicated young people become someone different; someone playing a part in this beloved musical by Rodgers and Hammerstein. Yes, folks, it's going to be a grand night for singing, so don't miss it. Friday, November 7, and Saturday, November 8, 2003.

Tickets may be reserved by calling (262) 626-8427, ext. 4571, or stopping at the music office during the school day to pick up your tickets.

Senior Citizens, a special FREE performance for you will start at 4 p.m. on Thursday, November 6, 2003.

Changes Announced for Open Gym

Due to the large numbers of students participating in the Sunday Night Open Gym program, some changes will be implemented starting on Sunday, Oct. 26th.

In order to accommodate more students, Open Gym will be conducted at K.H.S. for Students from fourth grade through eighth grade from 6:00 p.m. to 7:30 p.m. with ninth grade through Adults from 7-9 p.m.

As a means of developing better shooters and friendly competition, anyone can participate in the (20 attempt) free throw contest and or the (25 shot) three point shooting competition held every Sunday.

In order to participate, just sign-in and have one of the competitors witness and record your totals. The top

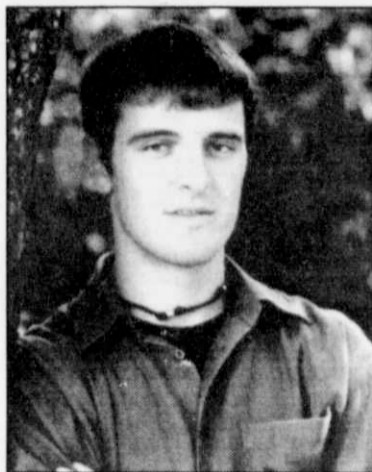

shooter in each category will not only be awarded a prize but the results will be published weekly (in the Statesman) as well.

Just a few reminders that street shoes are not allowed, balls need to be returned to the rack when not being utilized and that Adults are charged a User's Fee but all students are (priceless) free.

Free to shoot, free to play, free to participate in the shooting competition or free to practice. Free to take advantage of this opportunity to improve your game and enjoy basketball.

Parents or K.Y.B. Coaches are needed to help supervise from 6:00 to 7:00 p.m. Contact Coach Eichstedt at 262-626-2166 extension 4251 if you are interested.

Kiwanis Students of the Month

Josh Uelmen

Michelle Weber

Josh Uelmen and Michelle Weber were recently named the October Kiwanis Students of the Month. Josh, son of Kathleen and James Uelmen, is a member of the KHS football and track teams. He likes car and truck repair, hunting, farming and four-wheeling. Some of his achievements include being nominated and published by "Who's Who Among American High School Students" for three consecutive years and two consecutive years for "National Honor Roll." He was nominated and participated in Badger Boys' State. Josh has also achieved the Eagle Rank in Boy Scouts. Next year Josh is planning to attend U.W. Platteville for Mechanical Engineering.

Michelle, the daughter of Iva and Tammy Weber, lives in town of Farmington and is a senior at Kewaskum High School. Michelle is very active in the FFA organization. She is Vice-President of FFA and participates in many of FFA activities such as the Washington County Fair, Wisconsin State Fair and the Adopt-A-Highway program. She is also involved in the Catholic Youth Outreach program where she travels to other states to help the less fortunate. This is through her parish, Holy Trinity in Newburg. Michelle is also a member of Key, Hope and Yearbook Clubs. After high school Michelle plans on attending college at either U.W. LaCrosse or U.W. Oshkosh.

Yanke Wins Who's Who Scholarship

A \$1,000 college scholarship has been awarded to Alison Yanke of West Bend, by the publisher of *Who's Who Among American High School Students*®, it was announced recently.

Alison will attend the University of Wisconsin - Madison. Alison has received many awards for academic leadership and achievements.

This outstanding teenage is one of 200 students selected to receive financial awards for college expenses this year by Educational Communications Scholarship Foundation.

The Foundation, funded by the publishers of *Who's Who*, has awarded \$210,000 for college scholarships this year and over \$3,157,000 to

date.

Who's Who Among American High School Students® annually recognizes over 750,000 of the nation's high achieving high school students for their leadership in academics, extracurricular activities, community service and athletics.

The largest publication in the field of student recognition, *Who's Who* was created in 1967 to acknowledge the achievements of outstanding young people in America's public, private and parochial high schools.

KES Halloween Fun Night Oct. 24

On October 24th, the Kewaskum Elementary School Parent Teacher Organization will be hosting their Halloween Fun Night. The event runs from 6:30 to 8:00. The children are to wear costumes.

They will have a costume contest, games, and cookie decorating. The event will be held in the Large Group Instruction area.

Courage is what it takes to stand up and speak; courage is also what it takes to sit down and listen.

Sturgeon Spearing Licenses Must Be Purchased by Oct. 31

OSHKOSH - People who want to participate in the 2004 lake sturgeon spearing season on Lake Winnebago must put their spearing licenses by October 31, 2003. Prior to 2003, sturgeon spearing licenses could be purchased or issued until midnight the day before opening day of the Lake Winnebago spearing season.

The 2004 Lake Winnebago lake sturgeon spearing season begins February 14, and runs for 16 days, or until spearmen reach a harvest target that shuts down the season. According to Ron Bruch, Department of Natural Resources fisheries supervisor at Oshkosh, the purchase deadline was moved up to help reduce group bagging, which is illegal. In past years, people would wait until right before the season to see if ice and water clarity conditions were good, Bruch says. If they were, some would buy and fill tags for their children, spouses and others.

Sturgeon spearing licenses can be purchased at all DNR service centers and authorized license vendors, as well as by calling toll-free 1-877-WILICENSE (1-877-945-4236) or online through the DNR website. There is an additional \$3 service fee for telephone and online transactions; Mastercard or Visa are accepted.

Sturgeon spearing license fees for the 2004 season have increased. Legislation passed last year in the budget repair bill raised spearing license from \$10 to \$20 for residents and from \$10 to \$50 for non-residents. The sturgeon spearing tag has been removed from the Conservation Patron license, so people who buy those multi-season licenses will need to buy a separate Lake Winnebago spearing license. Also, beginning this year, spearmen no longer need to

possess a valid fishing license. Only those 14 and older are eligible to spear sturgeon.

By law, all revenues from spearing license sales are directed to fund only the Winnebago System sturgeon management program, instead of being included in the general fish and wildlife account.

Improved water clarity and a growing number of spearmen have increased the harvest of adult females, which spearmen tend to target because the females are larger than males. Bruch says that the overharvest of adult females is a concern because they're the backbone of the population because they don't spawn until they are 20 to 25 years old, and then only every three to five years.

Indians Get Blanked for Second Week in a Row

Ross Stockhausen (25) takes down Cougar Dustin Doyle (4). Ryan DeLaurier is shown to the far right. The Indians suffered a loss in their match-up against rival Campbellsport Friday evening.

By Kyle Darmody

With another 26-0 loss to Campbellsport this week, and Sheboygan Falls the week prior to that, the Kewaskum varsity football team's shots of making the playoffs are now out of reach for the first time in over four years.

The Indians were completely shut down offensively as they were only able to gain

100 yards of total offense. David Wicklund led the Indians with a dismal 37 yards on eight carries. The Indians are now out of the playoff hunt as their record stands at 2-4 in conference play, and 3-5 overall.

The Indians conclude their 2003 season this Thursday, October 23 in Kewaskum against the Panthers from Plymouth, which is Senior Night for the Indian seniors.

So go out and support the Indians and their seniors as they conclude a hard fought season. Some great high school careers are ending for those seniors who just a few short years ago won the AAYFL championship when they were eighth graders.

C-Sport Closes Gap on Indian's Conference Lead

The Kewaskum girls varsity volleyball team dominated New Holstein and Plymouth last Thursday, October 9, but then had to face Campbellsport in their last match of the evening and fell to the Cougars giving them their first conference loss of the season. The loss also move Campbellsport up into second place in conference trailing the Indians by just one match!

In the first match against New Holstein the Indians won by scores of 15-4, 15-7, and 15-3. "I thought we came out a little slow," Indian head coach Dave Rizzardi said, "it was back and forth for a while until we really got going. New Holstein was one game behind us at the time, and we expected a brawl but didn't get it. I think that is part of the reason why we came out so flat," Rizzardi said.

In the second game the Indians faced Plymouth and won by scores of 15-13, 15-5,

and 15-3. "Plymouth had some height with their two middles being six feet plus, and they played much better than us and took the early 11-8 lead, but we rallied back and ended up winning 15-13," Rizzardi said.

"We started playing better, but I still didn't feel that our enthusiasm was at its peak. Then we played Campbellsport, who also had won their first two matches of the evening," Rizzardi continued. "We played two good games, with a little bit of everything in them. And to Campbellsport's tribute they had a little more enthusiasm, and we were just playing on our heels," Rizzardi said. He continued by saying "In the second game we found ourselves in sort of a slump, and got down 14-7. We came back to bring it to 13-14, before just running out of steam and losing 13-15."

The Indians head into this last week of conference play

Lady Indians Capture Conference Crown

With wins over Roncalli on Tuesday night, and Two Rivers on Thursday night, the Kewaskum girls varsity volleyball team captured the 2003 EWC title!

On Tuesday, October 14 the Indians traveled to Manitowoc to face Roncalli. The Indians beat the Jets by scores of 15-10, 15-5, and 15-5. Daniel Degroot lead the Indians with 10 kill points. "We just had a great night serving," Indian head coach Dave Rizzardi said, "we only had one missed serve the whole night! However we did start the first game off a little slow, but afterwards we dominated any offensive threats they had," he continued.

Then the following Thursday, October 16 the Indians came back home for their last regular season game of the year. A lot was riding on this game, a conference championship, and it was also Senior night, as the five Indian seniors Beth Boedeker, Kristin Mantz, Jill Wittmann, Megan Butler, and Katie Fahney, say their formal farewells to the KHS Field house.

"It was an interesting night, Two Rivers came into

this match without any victories, and they caught us being tentative, placed balls well and didn't make errors, and ended up winning the first match 8-15," Rizzardi said. "Knowing we needed a victory to be champs, we kicked it into gear and totally dominated at the net and won the last two matches 15-1, and 15-1," Rizzardi concluded.

With the two wins the Indians won the Conference title outright, with a conference record of 13-1. The Indians now move on to the playoffs. Thanks in part to their outstanding regular season, the Indians have a bye in the first round of their Regional.

The Indians start playoff action Friday night in Kewaskum, at seven p.m. against the winner of the Shorewood vs. Grafton contest. The winner of the match Friday night advances the Regional championship on Saturday night at seven p.m. also in Kewaskum. So support your Indians in their State title hunt, which begins right here in Kewaskum, and hopefully doesn't end until the State finals!

Before he abandoned the ring for an acting career, Tony Danza's record as a middleweight boxer was 12 wins, 3 losses.
