## Kewaskum Teen Remains Hospitalized After Crash

By Andrew Kuehl Statesman Staff akuehl@kewaskumstatesman.com

A Kewaskum High School student is still hospitalized following a one-car motor-vehicle crash that occurred on CTH D less than a mile west of USH 41.

The crash occurred Friday night at 11:45 p.m. after the driver, Luke Wagner, 18, Town of Wayne, allegedly lost control on a curve and slid sideways into a bridge.

Wagner and his passenger, Crystal Kutschenreuter, 15, Kewaskum, were both ejected from the vehicle.

According to Captain Dale Schmidt of the Washington County Sheriff's Department the crash is still under investigation. Schmidt also alleged that alcohol may have played a factor.

Kohlsville Fire Department and First Responders were dispatched to the accident scene and were assisted by the Kewaskum and Allenton Rescue Squads who transported the injured victims to St. Joseph's Community Hospital in West Bend.

Later the two were transported to Froedtert Memorial Hospital in Milwaukee via Flight for Life helicopter.

As of press time, an official from Froedtert Hospital stated Wagner was released from the hospital on Monday. Kutschenreuter was still listed in critical condition in the ICH

## School Board Approves Second Lowest Tax Levy in 25 Years

BY NICOLE KUEHL STATESMAN STAFF nkuehl@kewaskumstatesman.com

The Kewaskum School Board approved the second lowest school tax levy in 25 years at Monday night's Special Board Meeting. The new levy will be \$8.75, which is 10¢ higher than last year's rate.

Business manager Paul Reichert broke down both the revenue and expenditure sides to show where the money comes from and where it goes. As far as where the money comes from, 36.8%

ization Aid. The portion from property taxes is slightly higher this year than last, due to less state funding. The rest of the money comes from Categorical Aids (4.6%), Grants (3.2%), Local Revenues (2.15%) and tuition (.9%).

On the expenditure side, salaries, make up 53.0% and

comes from property taxes

and 53.5% comes from Equil-

salaries make up 53.0% and benefits make up 23.3%. Others include bussing (5.3%), utilities (2.3%), tuition (3.9%), services (4.9%), supplies (3.3%) and other items (5.0%).

This year's budget was unbalanced with a revenue limit of \$15,369,807 and expenditures totaling \$16,217,838, leaving the district short \$40,110 for the 2003-2004 year.

## Kewaskum Woman Faces 6th OWI Offense

A 35-year-old Kewaskum woman faces up to six years in prison or could be fined up to \$10,000 if convicted of a felony charge of drunken driving.

This is Kristin C. Lindburg's sixth offense. Lindburg was stopped by a West Bend police officer around 3 a.m. Wednesday, October 22.

Her bail was set at \$750 cash and she appeared in Washington County Circuit Court Monday.

## West Bend Residents Arrested for Fatal Hit and Run Crash Here

BY ANDREW KUEHL STATESMAN STAFF akuehl@kewaskumstatesman.com

Four West Bend residents

are jailed in Fond du Lac County for their involvement in a hit and run accident that occurred in the town of Auburn on October 18. That crash left 34-year-old

That crash left 34-year-old Michael Neuenfeld, Ke-waskum to die on the roadway after he was ejected from his motorcycle that collided with a car that pulled in front of his lane of travel.

Esperanza Cruz-Torres, the driver of the car that struck Neuenfeld and two female passengers left the scene on foot for Kewaskum and called for a ride and received it from a 35-year-old West Bend man.

The women later traveled to Chicago so one of them could receive medical attention. They returned to Wisconsin and surrendered after the 35-year-old man was tak-

## Theresa Volm Celebrates 105th Birthday

Theresa Volm celebrated her 105th birthday on Monday, October 27, 2003 with family members present.

She was born in the family farmhouse located in the Town of Ashford, Fond du Lac County, on October 27, 1898 to Paul and Barbara (Melzer) Kohler.

She married Philip Volm on June 16, 1925 at St. Kilian's Parish, St. Kilian. After their marriage they moved to Milwaukee until the Great Depression, when they returned to St. Kilian. Thresa was a homemaker all her life.

They raised two daughters, Betty (Elroy) Schrauth and Grace (Ray) Boegel and she enjoys the company of 12 grandchilren, 36 great-grandchildren and 11 great-greatgrandchildren.

She has lived in three different centuries and experienced the leadership of 19 different U.S. Presidents.

Theresa currently resides at Manor Care in Fond du Lac.

en into custody by authorities.

According to officials Cruz-Torres will be charged for hitand-run resulting in death. Her passengers may be charged with party to that crime.

## COMMUNITY NEWS

## Community Center Hot Topic for T. of Scott

BY BERNADETTE MONDLOCH STATESMAN CORRESPONDENT bmondloch@kewaskumstatesman.com

"In December of 1997, the Batavia Fire Department gave the community center (former Hilltop) and park to the Town of Scott, because they wanted it to stay and to be available to all members of the Community." These were words uttered by Batavia Fireman James Sprosty at a "standing room only" meeting of the Town Scott Board of Supervisors.

He added, "It is the responsibility of all who use it, to take care of it." Supervisor Bruce Birenbaum agreed. He said, "We all pay for it through our taxes and we should assist with its upkeep. Directing his remarks to the over fifty 4-Her's and their parents, referring to the September news report, he said that there was no talk of evicting the Scott Pioneers 4-H Club. He said the large heating bill at the Scott Community Center is the main reason that there was some discussion about having the club meet at the Scott Town Hall during the winter months.

There have been some reports about open doors, thermostats turned up, garbage left behind, etc. at the Community Center. Those infringements of the rules can not be directed to a specific group unless the facility is inspected immediately after each use of the building.

There are three organizations who use it on a regular basis but the building is rented to other organizations

members agreed that more inspections took place in the past and maybe they should be happening again.

Another problem is "who has keys?" Records indicate that only three organizations have a key. When others rent for a wedding, meeting etc., they are given a code for the door. These codes are changed on a regular basis. Yet the building is sometimes found open.

One suggestion was to have the person who contracts to use the building pick up the key the day of use and to return it the same day or next morning. If the key is not returned, that person's deposit would be withheld.

Town Chairman Steve Jung concluded," It wasn't the town board's intention to throw 4-H out into the street. Having them move to the Town Hall was a move to save money, especially in the winter months.

We must have something for the kids to do and a place to do it," said Barbara Laux, a 4-H parent. Others agreed that "Our youth is our future, we must provide for them."

Jung assured her that the 4-H will have a meeting place. They are not being turned out.

A sign listing procedures for renting the building will be installed. The person to contact is Bruce Birenbaum, phone 920-994-2155.

In other business: Rob Reysen, W 8559 County Road S in Beechwood was granted a conditional use permit which will allow him to oper-

from time to time. Board ate a taxidermy shop where he will prepare and preserve the head, skin and part of the body of wild animals and fish. One condition is that any remains of the animal or fish must be disposed of in a timely manner.

A committee has been formed to put together a nuisance ordinance which will include the proper disposal of falling buildings. Former Supervisor Irene Gnacinski is the head of this committee. Working with her are Ken Willkomm, Marie Edeler, Terry Weber, Dan Morin and Alan Kelling. They will be meeting at 6 p.m at the town hall on October 22. Anyone interested is welcome to attend.

Another committee is being formed to work on applying for a grant to fund new playground equipment for the park at Batavia. Bruce Birenbaum is the chairperson for this committee.

Class B Picnic license was issued to the Beechwood Fire Department for a brat fry on November 16th at the Beechwood Fire Station.

Rochelle Pennington

Rochelle Pennington, author of three bestselling books in the last three years, wiil visit Fireside Books and Gifts, 1331 West Paradise Drive in West Bend from 12:30 to 2:30 p.m. on Sunday, November 2.

Pennington, a freelance writer and newspaper columnist who lives in Campbellsport, will speak informally with interested customers and autograph copies of The Formula,

Highlighted in Yellow.

The Golden Formula (subtitled How a Single Sentence Holds the Power to Transform Every Area of Your Life) - which was published this past summer - is an enlightening collection of inspirational quotations, powerful true stories, and practical essays which provide specific guidance for giving to others and achieving meaning in one's own life as a result.

The wisdom gathered in its pages is the result of years of reasearch on Pennington's part. There are observations from historical and spiritual leaders, motivational speakers, best-selling authors, and therapists from all over the

The Christmas Tree Ship: The Story of Captain Santa is Pennington's inspirational account of the final voyage of the Rouse Simmons, the schooner carrying thousands of evergreen trees from

Christmas Tree Ship and Upper Michigan to Chicago that sank in a blizzard off Two Rivers on November 23,

Its first printing last year sold out completely, and the heartwarming story of Herman Scheunemann -Captain Santa to the thousands who knew of his generosity - is likely to sell well again this holiday season. With its majestic artwork by Charles Vickery, the book makes a wonderful gift for children and adults alike.

Highlighted in Yellow: Living Wisely and Choosing Well, which Pennington coauthored with Life's Little Instruction Books' H. Jackson Brown in 2002, will also be available for signing.

Pennington's visits to Fireside Books are always inspiring and uplifting events. Stop in on Sunday and consider her books as gifts for those special people on your holiday list.

## Have a Quarterpounder And Help United Way

Hoping to surpass the 4,000 sandwich mark again at the annual and successful "McDonald's Day for United Way" fundraiser, community volunteers and area businesses are gearing up for the 2003 effort, to be held Friday, October 31st from 10:30 a.m. until 8 p.m. at four area Hartford, restaurants: Jackson and the two in West

This year's theme is "Football has its famous quarterbacks and Mc Donald's has its famous quarterpounders!" building on the football fun theme for the 2003 United Way of Washington County drive.

Quarterpounders will be sold for 99¢ each, with 50¢ of each sale going to the United Way of Washington County's 2003 Campaign. Quarterpounders with cheese will be \$1.19. For each of the last two years, more than 4,000 sandwiches were sold. "We're hoping to surpass the 4,000 level again in 2003," said James Hodges, chair for the county-wide drive. This year's event is being chaired

by Nancie Heaps of West Bend Savings Bank.

Company and group orders are encouraged and orders of 20 or more should be called in ahead of time. Employers are reminded to include their second shift employees as well.

Volunteers will be on hand at the restaurants during the lunch and dinner hours, helping inside and reminding drive-through customers of the special.

"We are grateful to Kilian Management and the McDonald's team for helping us do this every year," said Hodges. The totals will be added to the campaign effort, which has raised \$675,965 in gifts and pledges as of October 24, which is 68% of the county-wide goal of \$1,000,001.

## Klumbs Honored by Foremost Farms USA

BARABOO - Ed, Harvey and Travis Klumb, West Bend, were recently honored by Foremost Farms USA for producing quality milk during the calendar year 2002.

Every award recipient was an active member of the cooperative the entire quality award period. They received quality premium on all milk shipped, and maintained an average somatic cell count (SCC) of 250,000 or less. The milk tested negative for antibiotics and added water and the standard plate count (SPC) was 25,000 or below. The cooperative presented two levels of achievement for quality milk production to producer-owners throughout Illinois, Indiana, Iowa, Michigan, Minnesota, Ohio and Wisconsin.

Superior Quality awards were presented to 39 facilities located in Wisconproducers whose milk averaged below 100,000 SCC. "Excellent Quality" awards were presented to 959 pro-

ducers whose milk averaged between 101,000 and 250,000

"Quality milk serves as Foremost Farms' foundation for producing, marketing and delivering milk and finished dairy products that consistently meet the needs and expectations of its customers. Quality means meeting, and then going beyond, acceptable standards. Foremost Farms' commitment to quality from farm to final product helps to build long-term relationships of trust and loyalty with our customers, and it helps build future economic returns for members," says Jim Kasten, vice-president fluid milk, employee and member services.

Operating since January 1, 1995, Foremost Farms USA employs 1,626 people at 21 sin, Iowa, Indiana and Minnesota. The cooperative manufactures and markets packaged fluid milk, juice, cheese, butter, sour cream and whey-based ingredients. Foremost Farms USA owns brand identities that include GG Golden Guernsey® and Morning Glory™. The cooperative is headquartered in Baraboo, and is owned by 3,900 milk producers who farm in Illinois, Indiana, Ohio, Wisconsin, Iowa, Minnesota and Michigan.

## 'State Fair' Nov. 7 & 8

In an earlier article, it had been mentioned that the musical STATE FAIR was corny, and of course, you have to see and hear the show to understand what that statement was all about. How about the words to the song ALL I OWE IOWAY, "I can hear 'em callin' hogs in the clear Ioway air. I can sniff the fragrant whiff of an Ioway rose".

You can get your own taste of corn right here in Kewaskum. Yes, Ladies and Gentlemen, this musical will be in Kewaskum for a very short time at the worldrenowned Rose Hall at Kewaskum High School. It's going to be a grand night for singing, so look at your calendar and circle the date you want to go to see this delightful musical with some of the best student singers and actors that Kewaskum has and get your tickets.

They can be purchased at the Music office at KHS, or simply by calling Mr. Bertelsen at (262) 626-8427, extension 4571. And if you forget to reserve your tickets, don't worry, because tickets will be on sale at the door each night.

This promises to be another great show with good songs, good lines, great acting and great singing. See you in Rose Hall for "STATE FAIR", Friday, November 7 and Saturday, November 8. The show begins at 7:30 P.M. both nights. And don't forget about the special showing for all area Senior Citizens on Thursday, November 6, at 4:00 P.M.

# Coach Westphal Calls the Game After 34 Years

James Westphal

BY SHERI BALDIKOWSKI STATESMAN STAFF sbaldikowski@kewaskumstatesman.com

When Jim Westphal grew up in Jefferson, WI and graduated in 1964 from Jefferson High, little did he know that after receiving his Bachelor of Education degree from Whitewater University in 1969, he would move to Kewaskum where he would spend the next 34 years of his life. Jim started teaching all classes of high school English in that fall of 1969 and continued to do so through 2003 when he retired.

Jim's knowledge did not stop at teaching the four levels of English, as he also taught Modern Poetry and Mass Media English. In addition, he was chairman of the English Dept. for roughly 10 years, which entailed trying to make the department run smooth, within budget constraints, and seeing that students were assigned to the proper classes.

Although Jim did participate in athletics in high school, it was his keen interest in sports that led then head coach, Ernie Mitchell, to hire him as assistant football coach, a position he retained for approximately 30 years.

He also served an apprenticeship as an assistant coach in several other sports.

Jim was relentless in his search for additional knowledge regarding athletics, as he attended many clinics where he would listen to game strategies of well-known coaches and read books written by successful coaches. He attained all this sports knowledge primarily on his own and then passed it on to his various teams.

Gaining this expertise certainly was a factor in Jim serving the school in coaching diversified sports and was almost as equally time consuming as his teaching job.

Jim coached girls' golf for four years, but all other coaching was done in the boys' programs, including wrestling one year, and baseball for nine years, having the baseball team go to the state tournament in 1975.

This was all in addition to the 30 years he was the assistant football coach and the estimated 24 years he was a basketball coach. Of his 24 years in basketball, 14 were with the varsity squad, gaining notoriety when he took the basketball team to two sectional (last game before state) tournaments. One of his greatest triumphs in basketball was seeing the Kewaskum team win the Scenic Moraine Conference Championship in 1976.

As if all these activities

were not enough, Jim took on the added responsibility of becoming the athletic director of Kewaskum High School for eight years. This position comes with many responsibilities. He had to oversee all athletic programs for the high school including scheduling games, getting the officials, and, taking care of all the

as the head varsity coach for

Jim thinks Kewaskum was always a pretty good place to teach. Many kids came from rural areas, working at home on the farm, where they also did their homework. However, he has seen the change reflected in more students now working in the various communities which sometimes can account for them losing track of their school work. He also thinks parental support and backing of the teacher have changed considerably.

sports administration duties.

Somewhere in the center of all this, Jim managed to serve

One of the things Jim planned to do in his retirement was to spend more time with his mom (86) in Jefferson and his sister in Ft. Atkinson. He also wants to spend time working on improving his golf game (as often as possible), and to do more fishing, which he didn't have time for previously. Although he hasn't any specific plans in the immediate future, he would like to increase his traveling.

Whether in a classroom or on the playing field, Jim Westphal scored big at Kewaskum High School and his "game plan" will be hard to replace.

# **Outdoor Education** At Camp Whitcomb

Mrs. Dorst shows off her box bakin group's monkeybread before it goes into the box ovens. Students, left to right, are: Kassie Legate, Erika Heberer, Jordan Bocher, Beau Backhaus, Kayla Schoofs, Meghan Ballard, Coltyn Sprinkman and Tyler Haack.

Nick Dombrowski, Cody Lemke and Lindsey Weiss work on their dreamcatchers.

This year Kewaskum Middle school sixth graders again attended Camp Whitcomb on September 25-26 or October 2-3. Camp Whitcomb is located in Hartland. It contains 284 acres of forests, lakes, marsh, ponds, open fields, cabins and lodges.

The students enjoyed a variety of activities this year, and many KMS staff members volunteered their time and expertise to help make this a memorable experience.

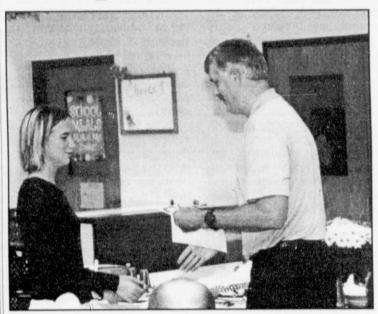

Students rotated through eight different activities: archery taught by Mark Ciha, box baking taught by Mrs. Robin Dorst, cooperative challenges led by Ms. Leslie Bruss and Mrs. Diane Stangl, wet and wild pond study led by Mrs. Airaudi, lost and Uhlman, web of dreams dreamcatchers taught by Ms. Kathryn Schowalter, spike em sand volleyball led by Jeff Grotenhuis and canoe safety taught by Kelly the camp's environmentalist. A great thankyou goes to all of these people who made this trip a huge success.

Other favorite activities that the students participated in were campfire songs and activities, a night hike with only one flashlight, passing the "Suzy" secretively around, tug-o-war competitions, and many cabin-time activities.

The sixth graders would love to share their positive thoughts about their experiences at Camp Whitcomb. They all seemed to thoroughly enjoy themselves while learning and gaining knowledge about the environment.

A quote from the book You are an Environment: Learning Environment Attitudes really sums it all up: "The first Law of Environmental Education - an experience is worth 1000 pictures."

## **KHS** Recognizes **Exceptional Scholars**

Erica Christie, left, receives her award from school board member Mark Steinhart.

On Monday, October 13, 2003, the administration of KHS hosted a reception to honor those students who have maintained a 3.75 G.P.A. or higher and were able to achieve enough points towards an academic letter, bar, or pin.

Students must have earned at least four points to get their letter and every four points after that earns them a lamp of knowledge pin or a bar. Any students receiving a 3.75 semester GPA earns at least one point for the semester; a student with a perfect 4.0 earns two points. Therefore, it will take a student at least one year but maybe multiple years to accumulate enough points to get a letter.

Thirty-one students were honored this past Monday. Six sophomores earned a letter from their freshmen year by achieving a perfect 4.0. They are: Mitch Paulus, Kyle Rieden, Matthew Rinzel, Ja-

cob Sabel, Alex Waranius, and Danielle Yanke.

Honored juniors and seniors who received a letter Rita Cannestra, were: Natasha Klein, Jason Knoll, Paige Thelen, Alice Feind, and Ashley Gasner. Juniors and seniors that received pins Danielle Degroot, Rachel Dums, Amanda Magnus, Kaitlyn Ogi, Katie Patterson, Elizabeth Vogt, Erin Rammer, Rachel Shea, Levi Spaeth, and Juliet Tofte.

Finally, seniors that were honored for maintaining a 4.0 GPA for three years and who received a gold bar were: Bethany Boedeker, Bree Boettcher, Megan Butler, Erica Christie, Katie Kowalczyk, Jessica Logan, Deborah Ramthun, Margaret Reindl and Mary Reindl.

Thank you to all these students for their hard work and dedication. You help to make KHS a school of distinction.

## State FFA Officer Visits Kewaskum FFA Chapter

Kewaskum FFA Chapter welcomed Christine Lepple, State FFA Reporter to Kewaskum High School on October 16th. While at the school, Lepple talked to agriculture classes about FFA and the benefits of being an FFA member.

During the fall, the State FFA Officers travel to every FFA chapter in the state talking about opportunities available to students enrolled in agricultural education, becoming an FFA member and meeting with chapter officer teams to help develop ideas and evaluate goals. The State Officers develop fun interactive workshops that encourage students to become involved in the FFA.

Agricultural education incorporates three aspects of learning. The classroom provides basic knowledge. FFA develops leadership and personal skills and Supervised Agricultural Experience (SAE) provides hands-on learning while working on the job or in an agricultural business.

FFA is an integral part of agriculture education. Agricultural instructors encourage students to take the knowledge skill they have acquired in class and apply it to FFA contests, such as the Career Development Events that help students explore a career interest in agriculture.

The 11 college-age individuals making up the State FFA Officer Team are ambassadors for agriculture and the FFA for one year. They are elected in June and spend the year promoting FFA and agriculture education throughout the state. Each officer is elected at State FFA Convention by a panel of judges and over 50 delegates who are FFA members from their respective

Funeral services were held on Saturday, Oct. 25 at 1 p.m. at the Rhodes-Charapata Funeral Home, 121 Chicago St., Oconto.

Father David C. Ruby officiated, and burial was in Oconto Catholic Cemetery.

Visitation at the funeral home was Saturday from 9 a.m. until the time of services.

#### IN MEMORY

In loving memory of Violet Edwards, who passed away five years ago, Oct. 23,1998:

We hold in our tears when we speak your name. But the ache in our hearts

remains the same. No one knows the sorrow that we share,

When our families and friends meet and you're not there.

Nothing will ever be more beautiful than the memories that are of you.

To all of us you were someone very special. God must have thought so,

We remember you when flowers bloom early in the spring.

We remember you on sunny days in the fun that summer brings.

We remember you in the fall as we walk through the leaves of gold.

And in the wintertime we remember you in the stories that are told.
But most of all we remember

you each day right from the start.

You will be forever in our hearts.

Deeply missed by her family

#### CARD OF THANKS

We would like to express our sincere thanks and appreciation to our relatives, friends and neighbors for the kindness and their prayers during the time of our bereavement.

Special thanks to Pastor Fredrich, organist - Coralee Henning, Dr. Chambers and his nurse Julie, the nurses and staff at Mayville Nursing and Rehab Center, Fond du Lac Cancer Clinic, drivers from Quality Van, Miller Funeral Home and all who gave memorials, flowers, food and sent cards.

## Historically Speaking... Washington County Historical Society News

A few of 'the 80 flappers and gangsters that attended the second annual Roaring 20's event that was held Saturday, October 18.

By: David Gosa Curator of Education

As the cold winter months draw near there are several wonderful events to look forward to at the Washington County Historical Society. The first Sunday in December the Society will be holding Christmas Open House on December 7th from 1PM -4:30PM at the Washington County Historical Society. Also, the society will be hosting When Lightening Strikes presented by the FreeQuincy Radio Theater group the event will be held Friday October 31 and Saturday November 1, both at 7 pm. Most importantly we are going to have a Veterans Day Service on November 11th at 10:30AM.

This years Christmas Open House will be an entertaining kids orientated event. recently restored Jailhouse will be decorated with an Irish Heritage theme. We will decorate the living quarters of the jailhouse with early Irish decorations. In the Old Courthouse we will have events like Fish Pond for children, Silent Auction, Bake Sale, Fashion Show, Barbie Doll display, and wonderful refreshments. Along with the events we have special visit from Father Christmas and wonderful music. Their will also be a sale for Poinsettia plants, they will be used for decoration in the courtroom, and on the stairways during the event. Local Students will use their artistic skills to decorate four trees in the Old Courthouse.

If you attended the last radio theater show presented in 2001 and loved it, than you are in for a big treat. Jeff Wolf, who brought you Alex Stoli: Private Detective, has written an original piece called When Lightening Strikes to be presented by the FreeQuincy Radio Theater group. This show has a Halloween and

suspense theme and will have two performances. The dates of the performances are Friday October 31 and Saturday November 1, both at 7 pm. Tickets are only \$4 and can be bought at the Old Courthouse starting October 1. But you better hurry, only 130 tickets are available. Please contact the Historical Society (262) 335-4678. Don't miss out on this old-fashion

We would like to recap a very successful event that was held recently at Washington County Historical Society. Saturday October 18th 80 flappers and gangsters attended the second annual Roaring 20's event. The 1920s revived was at the Washington County Historical Society. The event was a fundraiser for the Society in which all proceeds will benefit the Society's on going efforts of preserving the County's history. The night was filled with gambling that people earn special Fun Money to bid on terrific prizes in a real auction and a live raffle. Prizes included a ride in a Ford Model A in the July 4th parade, a July 4th brat fry and a view of the fireworks in the Old Courthouse tower, a catered dinner in the Old Jailhouse and much more! The Flappers and Gangsters enjoyed music and complimentary hors d'oeuvres. The evening included blackjack, roulette, and craps. We would like to thank Jeff's Spirit's on Main for running the Speakeasy, First Weber Group for their excellent volunteers, and West Bend Mutual for their contribution.

The Washington County Historical Society, Inc. is located in West Bend, Wisconsin, and is a not-forprofit educational organization supported by sales, contributions and membership. The Society serves to promote an educational program that will bring a better under-

standing and appreciation to the citizens of Washington County. For information regarding the Washington County Historical Society please contact us at (262) 335-4678 or visit or website at Http://www.historyisfun.co

Letter to the Editor:

Five, ten, fifteen, twenty, twenty-five, thirty years (that's a long time). After thirty years of the Roe v Wade decision was ignorantly made legalizing abortion; we now can hopefully say babies will be protected against the shocking "partial-birth" procedure done by doctors. It's great! Babies will live instead of being aborted.

The House has passed the ban, now it's on to the Senate and then the final signature by President Bush making it a law!

Mothers hold your new born babies close to your bosom -- hear the heartbeat of new life and be thankful!!

Suzanne Bingen

## News From The Capitol

By Rep. Tom Petri U.S. Senate

#### The Partial Birth Abortion Ban

On October 21, the Senate concurred with a House vote three weeks earlier banning partial birth abortion, also known as "dilation and extraction." Congress had twice before voted to end the practice, but President Clinton vetoed the legislation. President Bush, however, will sign the bill.

There's no delicate way to describe partial birth abortion. It involves turning a baby to the breach position, delivering it feet first until only the head has yet to be born, plunging scissors into the back of the skull, sucking the brains out to collapse the skull, and then completing the delivery of the now-dead baby.

Most pro-choice advocates adamantly defend the right to choose the procedure. Former Vermont Governor Howard Dean spoke for many when he declared, "This kind of legislation serves the sole purpose of chipping away women's constitutionally protected reproductive rights and overturning Roe. v. Wade."

Those who are less insistently pro-choice may wonder why their leaders have chosen to make a stand in defense of such a gruesome procedure - one which so clearly differs from infanticide solely by the fact that although the child's body has been born, his or her attached head still qualifies as a mere fetus, in the minds of many, because it is still inches away from being delivered.

The answer, of course, is that pro-choice leaders recognize that the campaign against partial birth abortion is largely symbolic. The consequences for the baby are the same whether it is killed during or after being born, or whether it receives a fatal

injection or is torn to shreds by sharp implements while still in the womb.

The consequences are the same. And, understand that although babies are the most helpless of the helpless, it is clear from the way that they grow and react that if they had a choice - if they were included among those who have the "right to choose" - they would choose to live.

Those who favor choice (for the mothers, that is) naturally and reasonably bring up "hard cases" such as fetuses that are severely disabled.

I think we should be very careful about making choices for others based on "quality of life." It's inflammatory but nevertheless accurate to note that years before the Nazis decided to exterminate Europe's Jews, they started down that same ethical road by killing thousands of mentally disabled patients whom they described as "lives unworthy of life" and "useless eaters" who needed "help for dying" or "mercy killing."

Those killings were carried out voluntarily by physicians who could be excused if they did not want to participate, which may put in a different light Gov. Dean's argument that, "As a physician, I am outraged that the Senate has decided it is qualified to practice medicine." Not all medical decisions are automatically ethical regardless of doctors' technical skill.

## **BUSINESS NEWS**

## Lottery Sales Up, Producing Estimated \$37 Million in Tax Relief

MADISON - Spurred by an increasingly strong scratch ticket market, a popular new on-line game and a large Powerball jackpot, sales of Wisconsin Lottery tickets grew 25% in the first quarter of the current fiscal year, the Lottery's acting director, Michael J. Edmonds announced recently. From July 1 through September 30, the Lottery's posted sales of just over \$124.8 million as compared to \$99.6 million in the same period last year. The \$124.8 million in sales produces an estimated \$37 million for property tax relief

"Last year was our best year since 1996 and it's very exciting to see that we are already building and improving on that through the first quarter of this year," Edmonds said. "But we've got a long way to go."

Instant scratch ticket sales account for the majority of the Lottery's

total ticket sales, and instants are up 12% over the first quarter of last year. Games at all price levels are posting solid numbers. A new \$10 "Casino" game has already sold out and been re-ordered, because it has performed so well. That one game is contributing \$600,000 a week in scratch sales.

On-line sales are up 47%, due largely to the activity associated with a \$250 million Powerball jackpot in July. But Edmonds said Powerball sales (now 93% ahead of last year at \$36.8 million) will even out, and may be slightly behind last year's pace by the end of the current quarter in December, because an even larger Powerball jackpot was on the line last December.

"We're not forecasting sales increases in Powerball this year," he said, "and so we are not expecting any significant increases in total on-line product sales."

Still, the Lottery's newest on-line game, Badger 5, is expected to provide some stability. Through the first quarter of the current fiscal year, Badger 5 produced more than \$5.6 million in revenue. The game it replaced in February, "City Picks," was averaging sales of approximately \$90,000 a week; Badger 5 continues to average sales of more than \$400,000 each

"Badger 5 has performed very well and with our strong scratch sales we would have posted a sales increase in the first quarter even without the big Powerball jackpot," Edmonds said. "As the year goes along, however, the number will get a lot tighter."

Edmonds said the Lottery's performance from October through December - and through the remainder of the fiscal year - will likely be impacted less by any specific instant or on-line product the Lottery offers, and more by the way in which changes in Lottery services to retailers and players are accomplished. The second quarter marks the beginning of the Lottery's conversion to a new computer and statewide telecommunications system.

"We'll have to manage the switch well so as to ensure continued sales growth," said Edmonds.

The conversion will include changes in the Lottery's internal processes, but more importantly there will be changes at the retail level as the process of installing new equipment begins in preparation for the switchover to the new system next June.

## National Industry Clusters Expert to Visit Region

If you're a business leader involved in manufacturing or an agribusiness, you've most likely been receiving information on industry clusters and a regional effort referred to as "Cluster Councils."

Have you been wondering what exactly are industry clusters? Or how cluster councils are different than the professional and trade associations that you as a business leader may be involved with?

Learn more by attending an evening event scheduled for Wednesday, November 5, 2003, featuring Dr. Stuart Rosenfeld, Regional Technology Strategies. Dr. Rosenfeld will be at the Applied Manufacturing Technology Center (AMTC) in order to provide a global perspective regarding industry clusters.

Dr. Rosenfeld's current interests include research and policy formation for various states and regions on regional industry clusters and business networks. Dr. Rosenfeld has published numerous papers and books on business networks, economic development, technology policy and vocational education.

Also hear about the cluster-based initiative in the Racine, Kenosha and Walworth County area, the regional effort to lure a national printing research organization to Waukesha County, and get an update as to the local efforts.

In addition to hearing about the regional initiatives, the event on November 5th will provide you with a great opportunity to learn about the strategies that the State of Wisconsin is working on to support existing industry clusters.

This informative event will be held on Wednesday, November 5th at the Applied Manufacturing Technology Center, 2151 N. Main St., West Bend, from 6 to 8:30 p.m. Registration and Networking (including hors d'oevres) will begin at 5:30 p.m.

For additional information, please contact Brenda Hicks-Sorensen, Washington County Economic Development Coordinator, at 262-335-4445. To register, please contact Terry at 262-335-5713. Space is limited.

The event is sponsored by Washington County Planning and Parks Department - Economic Development, Moraine Park Technical College, UW-Washington County, West Bend Savings Bank, Serigraph, West Bend Mutual, Pick Heaters, WE Energies, HED Inc., West Bend Economic Development Corporation, Hartford Area Development Corporation, Dodge County Planning and Development Department and Ozaukee County Economic Development Corporation. Additional sponsors are being sought, so if interested, please contact Ms. Hicks-Sorensen.

## 2004 Estimates of General Transportation, Connecting Highway Aids Announced

Governor Jim Doyle has released the estimated figures local governments will be receiving in 2004 for General Transportation Aids and Connecting Highway Aids payments.

The 2004 estimates from the Wisconsin Department of Transportation (WisDOT) included \$373.3 million in General Transportation Aids to 1,922 units of government and \$12.9 million to 121 municipalities for Connecting Highway Aids.

The Village of Kewaskum's estimated transportation aid is \$120,704.76. Other communities and their amount of estimated aid include: Town of Ashford, \$113,606.25, Town of Auburn, \$79,442.25; Village of Campbellsport, \$81,877.90 and Village of Eden, \$22,485,27.

"Continued investments to the local transportation infrastructure are important to support economic growth and keep our communities safe," Governor Doyle said.

Next year local governments will receive an estimated \$386 million to build and maintain local bridges and roads from the state transportation fund. Quarterly payments are sent the first Monday in January, April, July and October.

General Transportation Aids help defray the costs of constructing, maintaining and operating roads and streets under local jurisdiction.

Connecting Highway Aids reimburse municipalities for maintenance and traffic control of certain state highways within municipalities.

#### Village Board Meeting Minutes

Monthly Meeting October 6, 2003 8:00 p.m.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council room of the Municipal Building, 204 First Street.

Administrator Daniel S. Schmidt called the meeting to order in the absence of President Mathew Heiser. President Mathew A. Heiser asked to be excused and was absent. All Trustee Members were present. A quorum was present.

On a motion by Trustee Andy Pesch, seconded by Trustee Harry Roecker and unanimously carried by voice vote the Board selected Trustee Robert Stoltzmann to serve as President Pro-tem.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote, the minutes of the September 15, 2003 were approved as printed.

Fire Chief Mark Groeschel presented the September 2003 monthly report:

Fire calls 3 Year to date 31
Jaws 3 Year to date 10
Rescue calls 26 Miles 567
Police Chief Richard Knoebel did

not have anything for the Board Director of Public Works Jerry

Gilles reviewed the following:

1. The Board was informed one of

the DPW crew had surgery and that another twisted his knee reading water meters.

It was reported Homestead Hollow is pouring the Curb & Gutter and the other developments are also proceeding well.

The Bio-solids are being hauled away at the WPC Plant.

 The leaf collection schedule will be published as soon as the leaves begin to come down.

 A water main leak was repaired on Meadow Lane and the asphalt repair work should be taken care of later this week.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and carried by the majority voice vote, the Board approved the issuance of the Operator's Licenses for 2003/2004 upon proper payment of fees and documentation for the following:

Benzing, Jesson D.
Campbellsport, WI
Johnson Jeffrey M. West Bend,

Theisen Linda C. Kewaskum, WI

The Police Department had no objection to the issuance of said licenses.

Administrator Daniel S. Schmidt reviewed the following with the Board:

League and Taxpayer bulletins.
 Review of some legislative information and open records law changes.

Review of correspondence.

a. Reviewed the Focus on Energy program and by consensus the Board directed the Administrator to work with the group to promote energy savings within the entire community.

On a motion by Trustee Andy Pesch, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended

are as follows:
General 158,561.93
Sewer 41,683.74
Library Fund 7,109.01
Ck #23424 - #23623

Water Fund 64,628.17
TOTAL \$271,982.85

Protection & Public Safety

Protection & Public Safety
Chairperson Thomas Piwoni

informed the Board that a Committee meeting was held earlier on Monday, October 6, 2003 and that the Committee reviewed the proposed Fire Department and Police Department budgets for 2004. The matter will again be discussed later at this meeting.

Public Works Chairperson Andy Pesch announced a Committee meeting scheduled for Monday, October 20, 2003.

Board Representative for the Plan Commission, Trustee Pesch, reported on the Commission meeting of September 23, 2003. It was noted a plan for a 36-unit apartment complex was submitted for review for the corner of Bonnie Lane and Courtney Lane. Rick Kania from SEWRPC was present to review some final items proposed for the Zoning Ordinance and Zoning Map. It was noted the new Zoning Ordinance was at the DNR for final review, prior to proceeding with the approval process.

Administrator Daniel Schmidt on behalf of Board Representative of the Library Board, President Mathew Heiser, announced a scheduled meeting for Monday, September 13, 2003 at 6:30 p.m.

The Library Board proposed budget for 2004 was reviewed by the Board with the overall budget up by \$290 or .2%. The property tax support is down slightly. The running three-year average would equal a minimum amount of support of \$84,032. It was noted \$4,000 was used from the fund balance for 2003 and that the Library Board is proposing the use of \$5,000 from the fund balance for 2004. The Board indicated they may have to consider a few \$1,000 more from fund balance to help with the overall budget problems.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote the Board authorized the Village President and Village Administrator to sign the 8th Amendment to the Municipal Court Agreement.

Trustee Robert Stoltzmann announced a Legislative committee meeting scheduled for October 8, 2003 at 7:00 p.m. at the Village of Jackson Hall.

The Board was advised the box culvert at the Fire House should be completed this week and that the asphalt work would be completed shortly thereafter.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Andy Pesch and carried by the majority roll call vote the Board approved the application for a Class "B" Fermented Malt Picnic Beverage for the Kewaskum Chamber of Commerce Inc., for RHP on October 10th to October 12th, 2003, in conjunction with the Kettle Kountry Kolors. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent".

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote the Board approved Linda Theisen as the agent for the aforementioned.

Administrator Daniel Schmidt reviewed the 2004 proposal for Annual Assessment Services from Bowmar Appraisal. The cost is \$6,400 up slightly from 2002 by \$149 or 2.4%. It was noted the current assessment is at 103.47 of equalized value. The Board was informed the State did shorten the number of years for a new revaluation after falling under 90% to only four years. This would generate the need for a revaluation in 2009 or 2010. The cost of the latest revaluation was \$43,786 and the projected cost in 2009 to 2010 would be in excess of \$64,000. Prior to completing the current reassessment the Village Board budgeted \$5,000 per year to cover the cost. The projection needed per year is \$9,000 to \$12,000 per year. It was noted with the budget shortfall only

\$5,000 would be budgeted in 2004. If adjustments aren't made to catch up over the course of time the village will end up \$24,000 to \$\$40,000 shortfall.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Harry Roecker and unanimously carried by voice vote the board authorized signing the contract with Bowmar Appraisal for the year 2004 at a cost of \$6,400.

Action was taken on Resolution No. 2003-25 A Resolution In Support Of Assembly Bill 435 Repeal of "Smart Growth Comprehensive Planning" as attached hereto:

Motion by Trustee Kevin Scheunemann, seconded by Trustee Steve Scheunemann and unanimously carried by voice vote, the Board accepted the preliminary Fire Department budget for 2004. The preliminary budget numbers are to be used for the fire contracts and the Board authorized the sending of the proposed Fire Department numbers to the Townships with the respective Fire Service Contracts for signing. If additional adjustments are needed an amended contract can and will be sent to the townships.

A brief discussion on the Police Department budget was held and would be revisited when the complete budget comes to the Board.

Administrator Daniel Schmidt reviewed the proposed 2004 budgets for the administration account, municipal building annex and debt service. All reflected minimal changes.

Administrator Daniel S. Schmidt reviewed the 2004 Tax Facts sheet, which acknowledged several areas of lost revenue. The Board was told a \$200,000 to \$250,000 shortfall would need to be addressed. Discussion on some ideas as to how to minimize those was also looked at.

On a motion by Trustee Andy Pesch, seconded by Trustee Steve Scheunemann and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye" 0 "Nay" 1

## Seventh Grade Girls Track Team Finishes Third in Conference

By Jason Meinen

The Kewaskum seventh grade girls track and field team just completed a suc-

season with a 3-1 dual meet record and third place finishes at the Conference Relays and Conference Championships. Kewaskum's only dual meet loss was to West Bend Badger by just one point.

At the Conference Championships on October 7, the Indians finished in third place with a score of 105 points. Slinger won the meet with 137 points and Badger was second with 118.

"I thought we competed very well at the Conference Championships," said head coach Jason Meinen. "Most of the girls turned in their best performance of the season at the (conference) meet, which was nice to see. Slinger and Badger just had deeper squads than us."

Jennie Wicklund, Amanda Schneider and Jessie Liniews-

cleared four feet four inches to take the high jump, and Liniewski claimed the 200

Liniewski also teamed up with Nichole Kison to win the 800-meter relay for the Indians. The quartet finished in a time of two minutes and six seconds to win the title.

Earning second place finishes for Kewaskum at the conference meet were Kison in the 800-meter run (2:58.7) and Becky Pfotenhauer in the high jump (4'3"). Kristin Vogt (400 meter dash) and Tonya Janssen (1600m run) added third place finishes for the Indians. Vogt finished the 400m dash in a time of 1:12/3 and Janssen ran the 1600m run in

The 400m relay team of Pfotenhauer, Vogt, Kelsey Goetsch and Amber Struck also finished third for Kewaskum in a time of 1:00.6.

The Indians received fourth place finishes from Struck (100m dash), Amanda Kleppin (75m hurdles), and ki each won individual events Wicklund (400m dash) at the for Kewaskum at the confer- conference meet, while ence meet. Wicklund won the Megan Ogi and Kison providshot put with a toss of 25 feet, ed fifth and sixth place finish-9 1/2 inches, Schneider es respectively in the discus

and long jump.

Amanda Osswald (discus), Heather Rieder (1600m run), Grace Pok (800m run), and Schneider (200m dash) took for the Indians, as Pfotenhauer rounded out the scoring with an eighth place finish in the 75-meter hurdles.

'The girls worked very hard in practice and competed very well in meets this season," said coach Meinen. "Their number one goal for next year should be to win the conference meet. They have a legitimate shot if they put in the work during the off-season."

## **Meyer Qualifies For State Cross Country Meet**

The trip to the state cross country meet at Wisconsin Rapids is a long and hard trial but to Josh Meyer it is well worth it! This past Saturday at the sectional cross country meet at Mayville, Josh ran well enough to earn an individual spot for the trip. Pacing himself through the 5000 meter course and out sprinting challenges for the finish, Josh finished in seventh place out of the 130 runners, the top five individual runners (minus the team qualifiers) move on to state.

The team as a whole ran solidly as they finished in fifth place overall out of the 19 teams participating, the top two teams, Grafton and

Shorewood, qualified for the state meet.

Running and placing well for the rest of the team were Zack Van Wormer 29th, Bobby Gibson 35th, Justis Clayton 54th, Adam Wagner 55th, Jon Hawig 58th, and Adam Janz

The girls' team was paced by sophomore Nicole Stern placing 37th followed by seniors Allison Janz and Rachel Shea,48th and 78th respectively, and freshman Crystal Treptow in 90th. With an incomplete team the runners were not able to tally a team

## **Lady Indians End** Successful Season

By Kyle Darmody

The Kewaskum girls vollast Friday, October 24 when up in Kewaskum.

The Indians beat Grafton by scores of 15-4, 15-4, 15-6. The Indians then went on to face Slinger in the Regional final, on Saturday, October 25, also in Kewaskum. The results were not what Indian fans were hoping for as they ended a great season by losing to the Owls by scores of 7-15, 16-18, and 6-15.

Head coach Dave Rizzardi's comments on the Grafton match were, "Very, very good match!" He continued by saying, "We had a consistent attack, sound defense, and we really neutralized their good players, which allowed us to play more offensw. We were just fired up and everything was clicking."

The Indians then advanced in the Regional to face Slinger the following day, and ended up losing. " They came same level.' in to our place and really es-

tablished the pace of the game early by hitting the ball hard, and placing them well. They really played flawless," Rizzardi said. "We ended up losing the first game. In the second game we really stepped it up. We had better passing and better spikes too. We made a good stand but just couldn't finish, and lost that match 16-18," Rizzardi continued. "Then in the third match, being behind, we were just very emotional, and we just fell apart. It was over, we were spent!"

Rizzardi concluded with, " The kids had an excellent season with a record of 26-6-2, one of the best records posted here in all of volleyball, I am very proud of the kids and their enthusiasm. We had very few distractions throughout the season. I wish we could have gone a little further, but I am still pleased. We're going to miss the seniors. They were a great bunch of kids, but now I welcome the sophomore's and freshmen to try and achieve the

#### **Indians End Season on Sour Note**

By Kyle Darmody

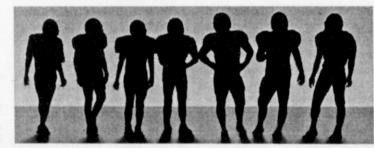

With Thursday, October 23's 38-0 home loss to Plymouth, the Kewaskum varsity football team concluded their 2003 season.

The Indians failed to make the playoffs for the first time made for an unpleasant

in five years, and on top of that, the Indians lost their last three games to Sheboygan Falls, Campbellsport and Plymouth by a combined score of 90-0, being shut out

in the final three games. The end of the year skid, good-bye to the class of 2004

athletes. The Indians say good-bye to a talented bunch of seniors, and welcome a talented sophomore class, and the returning junior class to try and recapture the winning ways in Kewaskum next sea-
