Ribbon cutting held for USH 45 while project continues

Officials at the USH 45 ribbon cutting included from left to right: District Director for Wisconsin DOT Les Fafard; Washington County Sheriff Brian Rahn; Kewaskum Village Administrator Dan Schmidt; Senator-elect, Glenn Grothman; Kewaskum Village President Matt Heiser; and Kewaskum Police Chief Richard Knoebel. Governor Jim Doyle, declined an invitation to attend.

By ANDREW KUEHL
STATESMAN MANAGING EDITOR
akuehl@kewaskumstatesman.com

State and local officials joined together Wednesday morning, October 20 to celebrate a ribbon cutting ceremony in honor of the USH 45 reconstruction project. The project, which is nearing completion according to project manager, Jeanne Marchant, has just a few finishing touches to be added before all four lanes can be opened.

Marchant indicated that pavement marking and signs need to be posted. After that is complete and traffic lights are up, the four lanes will be opened with the lights in a caution setting for three days so drivers can get accustomed to them. Drivers on USH 45 will have a flashing yellow light while drivers on Badger Road and CTH H will have a flashing red. Once the three days are up the lights will be adjusted to their normal setting.

Street lights from that intersection to the village limits should be operational by week end. Landscaping will continue until all four lanes are opened.

The weather now plays a critical role in the opening of all four lanes. Tuesday's wet weather did not help matters.

At the ceremony, Les Fafard, District Director of the Wisconsin Department of Transportation (WisDOT) stated, "US 45 is essential to businesses and the community. This \$9.4 million project illustrates Wisconsin's commitment to spur economic growth and to ensure safe and efficient travel on our transportation system."

The road project will improve Kewaskum as it continues to grow, and will allow for safer travel, noted Representative Dan LeMahieu.

The project began in February 2003 to reconstruct

and expand 3.4 miles of US 45 to a four-lane, divided highway between Washington County D and County H-west.

Average daily traffic volume of 18,700 vehicles, including 6% trucks, caused frequent congestion on the main road between West Bend and Kewaskum, and contributed to a crash rate that exceeds the statewide

LOCAL NEWS BRIEFS

● **THREE CARS CRASH ON USH 45-** Monday evening Kewaskum Fire Department and Rescue Squad responded to a crash just before 9:30 p.m.. Authorities say a westbound car pulled away from a stop sign at CTH H and collided with a northbound vehicle on USH 45. A third car became involved. Later, another vehicle grazed the initial accident site and drove into a number of orange construction barrels. Lieutenant Paul Buth says two people were injured. Jason Knoll, 18, from Kewaskum was taken to St. Joseph's Community Hospital in West Bend. The other, an 18-year-old woman from Brookfield was treated at the scene. Buth stated that woman will receive a citation for causing the crash.

● **TRICK OR TREAT -** Village of Kewaskum will be filled with ghosts and goblins Sunday from 5 - 7 p.m. The Village of Campbellsport will also be on Sunday from 2-4 p.m. Parents should inspect all candy before letting children eat it. Any suspicious candy should be turned over to your local police department.

● **EDEN MAN ARRESTED FOR VEHICLE BREAK-INS-** A 20-year-old man from Eden has been arrested after Washington County deputies say he admitted to breaking into over a half dozen vehicles Tuesday evening. Washington County Sheriff's Department Captain, Dale Schmidt says a deputy found a vehicle at the side of Salisbury Lane. Upon further investigation, a number of purses were recovered from the car. Schmidt says the department fielded several calls about vehicles being broken into in the townships of Kewaskum and Barton. A suspect was then traced to Kewaskum. That man was questioned and reportedly admitted to the break-ins. The suspect is set to see the District Attorney for charges. The investigation continues.

Allenton crash leaves father, son injured

Allenton firefighters look on after helping to extricate a Hartford man from his truck after it crashed into a home on CTH U just west of Allenton. Statesman Photo: Andrew Kuehl

On October 24, 2004, at 7:48 p.m. a 32-year-old rural Hartford man and his 10-year-old son were critically injured when their pick-up truck left to roadway and struck a home in the 6300 block of CTH U.

Initial reports to the Sheriff's Department indicated that the truck was on fire and there were occupants inside that were trapped. Sheriff's Deputies and the Allenton Fire Department responded.

Prior to the arrival of emergency personnel the homeowner of the residence that was struck, with the assistance of a family friend, were able to extinguish the fire and free the 10-year-old passenger from the wreckage. The driver remained trapped and was extricated from behind the wheel by members of the Allenton Fire Department utilizing the jaws of life.

Allenton rescue assisted by West Bend Intercept transported the man and his son to St. Joseph's Hospital in West Bend. Shortly after arrival they were both transferred to Milwaukee area hospitals by Flight for Life.

The residence that the truck ran in to was occupied at the time of the collision by one adult and three teenagers. Two of the four received minor injuries as a result of the crash. The home sustained structural damage to both the interior and exterior as a result. A dollar estimate of the amount of damage to the home was not known.

Traffic along STH 33 was restricted to one lane of travel while rescue and clean-up efforts were completed.

The accident remains under investigation. The preliminary cause appears that

the driver of the pick up may have had a seizure or fell

asleep at the wheel. Alcohol is not believed to be a contributing factor.

Ribbon Cutting

average for comparable roadways.

Work realigned US 45/Badger Road/County H-east to a single four-legged intersection, and installed signals to improve safety.

In addition to the road-work associated with this project, WisDOT relocated about 5,000 feet of a tributary that flowed along the west side of US 45. The goal of the

relocation design and construction effort was to create a stream channel closely resembling what would have developed naturally.

The ceremony recognized staff, contractors and partners. Village of Kewaskum Administrator, Daniel Schmidt and Representative Glenn Grothman also spoke about the success of the project.

YMCA to open facility at River Shores in WB

Students busy preparing for Birdie's arrival

day to pick up your tickets. SENIOR CITIZENS, a special, FREE Performance for you will start at 4:00 p.m., on Thursday, November 4, 2004.

Riverbend Development LLC, a partnership between Hendricks Group and Endeavor Group, and the Kettle Moraine YMCA are pleased to announce a commitment to construct a YMCA facility as part of River Shores, the new \$90 million community located along the Milwaukee River in West Bend.

"We are very excited about being able to offer such a wonderful amenity. The YMCA will create a sense of community and enhance the neighborhood feel. YMCA members along with residents of River Shores will enjoy the amenities located throughout the development," said Tim Dixon, partner. Scheduled to open in November 2005, the Kettle Moraine YMCA will offer an array of services to those interested in changing their lifestyle, spirituality, mentally and physically. YMCA Director Jon Lange explains the philosophy and programming of this venue at River Shores will incorporate one-on-one attention, life coaching, and a holistic approach to wellness. Amenities will include cardiovascular equipment, strength training equipment, wellness and educational tools.

The 15,000 square foot YMCA at River Shores will be part of the Kettle Moraine YMCA and membership will be recognized at both facilities. Please contact Keelyn Lyon at 262-247-1038 or klyon@kymymca.org for more information.

The new community spans 5,100 feet along the river and will include town homes, condominiums and lofts in Phase I. One, two and three-bedroom plans, ranging from 1,100 to 2,500 square feet of living space, boast the design details of luxury real estate with riverfront views, spacious floor plans and stylish interiors. When complete, River Shores will have over 300 homes plus retail space. A coffee shop, a restaurant, and specialty shops are all anticipated as well as plans for a performing arts center.

River Shores is located at 400 West Washington Street. To reach the sales center from Highway 43, take Highway 33 west to Veterans Drive, north to office. Or from Highway 45, take Highway 33 east to Veterans Drive, north to the office. For more information, call 262-334-7943 or visit www.rivershoreswi.com.

As this article is being written a transformation is taking place at 1510 Bilgo Lane.

The gym, now called Rose Hall, formerly called the old gym, and often referred to as an auditorium, is changing. The stage is being assembled; lights are going up, speakers will be standing all over the hall, and the cast and crew of the musical, "BYE, BYE, BIRDIE", is in the process of taking what they had learned in the Choir room onto the portable stage in Rose Hall.

This is truly an event that you should not miss, a chance to see some really talented and dedicated young people become someone different; someone play-

ing a part in this beloved musical, which is so appealing to kids of all ages. Yes, folks, it's going to be a memorable evening of good music, good fun and excellent performers, so don't miss it.

See it on either Friday, November 5, and/or Saturday, November 6, 2004.

Tickets may be reserved by calling (262) 626-8427, ext. 4571, or stopping at the music office during the school

COMMUNITY NEWS

AAA offers Halloween safety tips

As Halloween approaches, AAA Wisconsin reminds parents to be extra careful if their children will be trick-or-treating in neighborhood streets. "Because kids tend to focus on the excitement of Halloween and forget about safety," said AAA Wisconsin spokesman Michael Bie, "it's up to parents, care givers, and motorists to take care so that these little ghouls and goblins have a safe and happy holiday and aren't haunted by unnecessary injuries."

Daylight savings time ends the day of Halloween this year, making the night skies darker one hour earlier. Combine this with an increase of children on the streets and motorists on the road, it becomes a dangerous situation.

To help reduce the scary risks for young pedestrians during the holidays, AAA suggests these basic Halloween safety rules for motorists, parents and trick or treaters ages 5 to 14 years of age.

Motorists should drive slower through neighborhoods (approximately 5 mph slower than the posted speed limit). Children dart from house to house, excited about candy collection, and forget about traffic and other dangers. Look for children around porches, front lawns and other remote areas, not just the sidewalks.

Parents are encouraged to walk with their children door to door while trick-or-treat-

ing, showing children safe places to cross the street. Children and parents both should wear light colored clothing or costumes with reflective material or tape for the best driver visibility.

Children should carry a flashlight to be seen at night, but should not shine the flashlight into a driver's eyes.

Trick-or-treaters should always walk facing traffic if there are no sidewalks available.

Create a map of the neighborhood so children and parents agree on the safest trick-or-treating route in advance, including only familiar neighborhoods. Go only to houses that are well lit.

Use face paint instead of masks for a Halloween costume. Masks can limit the ability to see and hear oncoming traffic.

Recently, more families are attending Halloween events rather than door to door trick-or-treating. Halloween parties and mall trick-or-treating can be two safe popular alternatives to the traditional Halloween.

For over 20 years, thousands of AAA Halloween Safety treat-bags, bookmarks and other items are distributed annually across North America, as an effort to spread safety awareness.

AAA Wisconsin, which serves more than 590,000 members, offers automotive, travel, insurance and financial services. It is part of The

Auto Club Group (ACG), the largest affiliation of AAA clubs in the Midwest, with 4.1 million members in eight states. ACG clubs belong to the national AAA federation, a not-for-profit organization, with more than 45 million members in the United States and Canada.

KHS/Senior Citizen Bingo Night Nov. 18

If you make any other plans for Thursday, November 18, join us for food, refreshments and some exciting bingo at the Kewaskum High School Cafeteria! The KHS Student Council is sponsoring a bingo night for area Senior Citizens and students of the High School from 6:00 to 8:00 PM.

Individuals may come with a student, as a group or on their own. This will be a great opportunity to meet people and if you are lucky, win some prizes. Bingo cards will cost \$0.25 with no limit on the number of cards per game. Complimentary desserts and refreshments will be provided.

Student Council is also offering free leaf raking on Friday, November 12 from 4:00 to 7:00. Senior Citizens living in the village can request to have their yards raked by calling Stacy La Ronge at (262) 626-8427 ext. 4255.

Jeff Sabish Memorial Softball Tournament

On July 16-18, the fifth annual Jeff Sabish Memorial Softball Tournament was held at Kiwanis Park in Kewaskum. Jeff was killed in a car accident in January 2000 and family, friends and relatives keep Jeff's memory alive with the tournament, proceeds from which are donated to area communities and organizations.

Numerous area businesses provide generous support to the tournament as well. In the five years the tournament has been held, over \$27,000 has been raised and donated to area communities and organizations.

A portion of the proceeds from this year's tournament helped fund additional playground equipment at Kewaskum Kiwanis Park in conjunction with fund raising done by the Kewaskum Junior Women's Club.

Proceeds from last year's tournament were used to improve the safety of the swing set area at Kiwanis Park. Border timbers and manufactured wood mulch fibers, specifically for playgrounds, were installed around the swing set.

Proceeds from previous years funded new weight equipment for the Kewaskum High School, a new electronic scoreboard and park shelter in Kewaskum Kiwanis Park,

safety rail on the chain link fence at Kiwanis Park, developing of West Bend's Roman "Doc" Gonring Athletic Complex, the Ashford Sportsmen's Club, the Campbell-sport Fire Department, the 5p Society and the Jim Donath cancer benefit.

YMCA Receives Awards

The Kettle Moraine YMCA recently received several Mission-Driven Quality Promise awards from the YMCA of the USA. The awards were received for the following program areas: Active Older Adults, Aquatics, Financial Development, Child Care, Health and Fitness, Membership and Youth Sports.

Mission-Driven Quality Promises are sets of model practices and operational guidelines for each YMCA program. These awards, presented annually, recognize staff and volunteers who offer their programs in accordance with a set of best practices consistent with the YMCA mission and characteristic of high quality.

The Kettle Moraine YMCA is proud to have a dedicated team of staff and volunteers who live out the Y's mission of building strong kids, strong families, and strong communities every day.

County - Briefs -

By Judy Steffes

Recall underway in the Town of Polk

There's a recall underway in the Town of Polk. It started several weeks ago when neighbors became upset because the town board voted in favor of expanding a gravel pit on Hillside Road. Several property owners said that "They didn't think the board was acting on behalf of taxpayers concerns."

Now, Citizens for Responsible Government is trying to recall town chairman Willard Heppe and supervisor Harold Groth. One of the organizers of the recall, Bob Gnadt, says he'd challenge Heppe if a recall election was held. The group says they intend to try and oust Heppe and Groth before the April 2005 Spring Election. A minimum of 521 valid signatures is needed to force a recall of each incumbent on the town board.

Washington County burglary suspects charged with similar crimes

The two men charged in a string of burglaries across Washington County are now facing similar charges in

Waukesha County. Kevin Nelessen and Carl Felten Jr. have each been charged with three counts of burglary following break ins in Menomonee Falls and Pewaukee. Court records show the burglaries occurred during the day and items stolen included cash and collectors' coins. Both suspects have admitted responsibility. The 20-year-olds have also been charged with 13 counts of burglary in Washington County Court. Nelessen and Felten are due back before Judge Annette Ziegler November 10th.

FdL girl hospitalized after bitten by bat

A Fond du Lac teen has been diagnosed with rabies. Health officials say the girl was bit by a bat while at a church in Fond du Lac. The girl apparently picked the bat up by its wings.

The teen's mother says they washed the wound thoroughly, however, the girl was hospitalized October 15th with symptoms of rabies.

Health officials say her prognosis is not favorable. She remains at Children's Hospital.

Accident off Hwy. 41 in Fond du Lac

A 33 year-old man from Eden was taken by Theda-Star helicopter to a hospital after crashing his car into a pole Thursday, Oct. 21, in Fond du Lac county. Sheriff's deputies say the accident happened just after 11:30 p.m. on County Trunk B, just east of Highway 41. Deputies say the man was ejected from the vehicle and that alcohol was a factor in the accident, which remains under investigation.

Fetuses found in jars in shed in Fond du Lac

There's been an interesting "find" in Fond du Lac. Three neighbors from the Town of Friendship were cleaning out a storage shed when they came upon several jars. Two contained human fetuses and a couple others had animals preserved in formaldehyde.

The Sheriff's Department says workers had been asked by the Bank of Oakfield to clean the shed, because the property was recently bought in an estate sale. Detectives contacted the son of the former owner of the shed and he said the jars belonged to his father, who was a science teacher. That man died four years ago. The Fond du Lac District Attorney says there's no law prohibiting anyone

from possessing such items and no charges will be filed.

No charges to be filed against WB man in fatal accident

An elderly West Bend man will not face any criminal charges in connection with a fatal accident last August that killed a teen from Mequon.

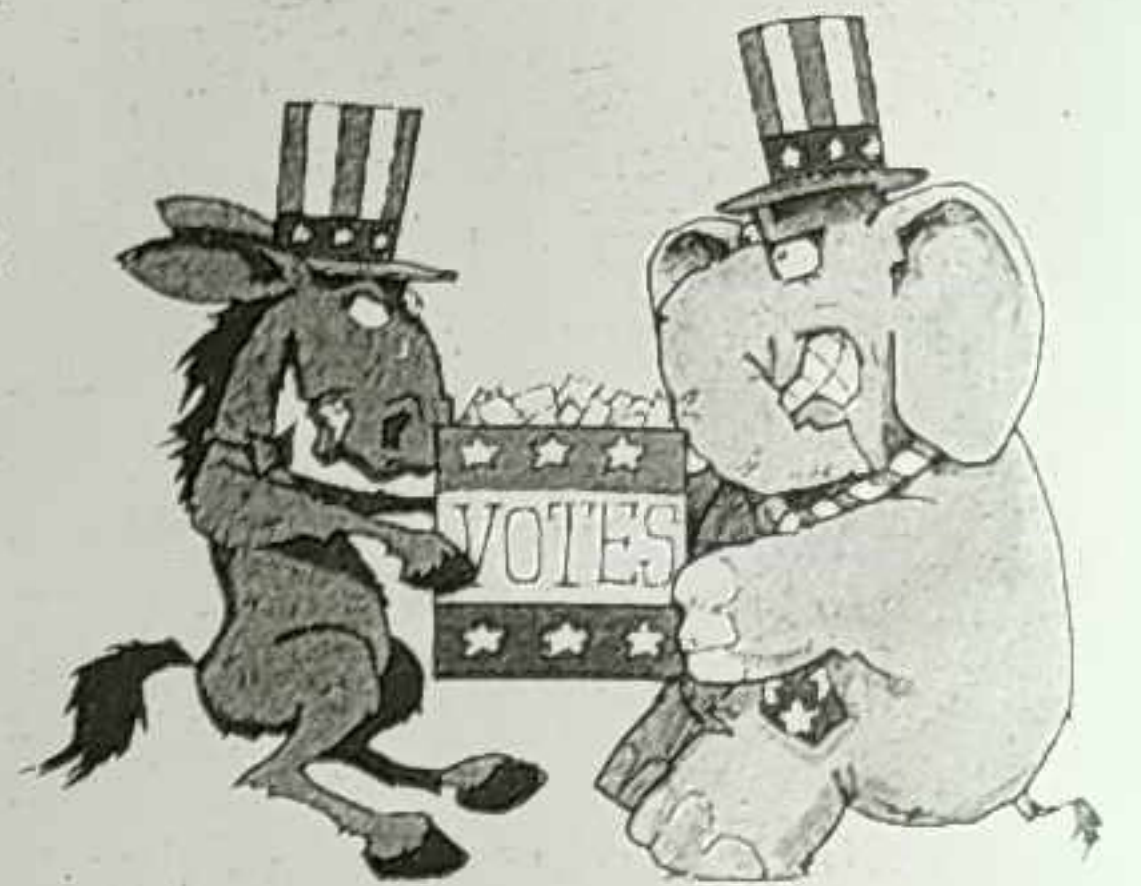

Anne Stover died August 5 after her vehicle was struck from behind by 71 year old Donald Niese. Stover ended up losing control of her Chevy Blazer and then crashed into a bridge support at County Line Road.

This week, the Ozaukee County D.A. said there wasn't any evidence of criminal negligence. The Sheriff's Department also recommended that no charges be filed.

The greatest truths are the simplest—and so are the greatest men.
—Augustus Howe

United Way of Washington County reaches 57% of goal

The United Way of Washington County has raised nearly \$620,000 in this year's campaign. Their goal is \$1,080,000. Coming up this week members of the local United Way will be serving up hamburgers at McDonalds around West Bend. Monies raised from the United Way benefit organizations across Washington County including the Full Shelf Food Pantry, The Threshold, The Boys and Girls Club and Friends of Abused Families.

Aurora Health Centers of Washington County Welcome

MaryBeth Anderson, MD to the practice of Daniel Kopesky, DO and Dean Pollnow, MD

Teaming up to Provide Women Local Access to Quality Care

We're proud to welcome Dr. MaryBeth Anderson to the ob/gyn practice of Drs. Kopesky and Pollnow at the Aurora Health Centers in West Bend and Hartford.

Dr. Anderson offers her patients a straightforward approach to their medical care. Through a focus on patient education, she helps women become active partners in their health. From high-risk obstetrics to gynecologic care including assisting women through menopause, and being an advocate for the prevention of sexually transmitted diseases especially among

teenagers; Dr. Anderson brings a caring, compassionate element to her practice.

Drs. Anderson, Kopesky and Pollnow are pleased to deliver at Aurora Medical Center Hartford's Birth Day Center. They are your connection to the broad spectrum of diagnostic and treatment services available throughout Aurora Health Care in Washington County. They are your single resource for comprehensive women's care services.

We are pleased to welcome Dr. Anderson to our family of health care providers.

To make an appointment with Dr. Anderson, Dr. Kopesky or Dr. Pollnow, please call the Aurora Health Center most convenient to you.

PEOPLE NEWS

Ammel takes on a new challenge

Larry Ammel

BY JUDY HARLOW
STATESMAN CORRESPONDENT
jharlow@kewaskumstatesman.com

When Larry Ammel was the band director at Kewaskum High School, he would just wave his baton and 100 musicians would follow his directives.

He still loves his music, but Ammel now spends much of his retirement time orchestrating various Kiwanis projects, especially in his new capacity as Lieutenant Governor of the club's Division 12.

"I just go around and install all the new officers (of the clubs in the division)," Ammel, who has been an active member of the Kewaskum Kiwanis Club since 1999, said, explaining Division 12 is comprised of nine clubs from Fond du Lac, Ripon, West Bend and Kewaskum.

Another of the duties with the new office is visiting each club twice a year, making sure the members understand the directives of the governor of the Kiwanis and are following through on them.

"We all answer to the governor, who is from Sheboygan (Barry Hersch)," Ammel said, indicating the governor sets annual goals, which, this year, include increasing membership, and raising funds for Camp Waubeek near Wisconsin Dells, so children with physical handicaps will be able to enjoy a fun camping experience.

"We (Kewaskum) have had a couple kids go there," Ammel said about Camp Waubeek, explaining the members have been raising funds to improve the trails at the camp, so the children will have easier access to them.

Concerning membership totals, Ammel said in many service organizations the veteran members have retired or are unable to participate in projects, so the clubs have to replenish their numbers.

This year, specifics relating to membership include attempting to charter three new clubs and bring 30 clubs up to a minimum of 25 members.

Another directive is trying to raise \$50,000 in the district to combat ID, Iodine Deficiency. "It's one of the big projects Kiwanis Clubs have been working on," Ammel said, explaining the clubs want to make sure the right kind of salt reaches children in impoverished countries.

Kiwanis Clubs across the state are also involved in a project to collect 5,000 pairs of shoes for children who do not have any.

Ammel said when representatives of Division 12 and 13 meet in Ripon on Dec. 4th, each club is supposed to send one or two pairs for a start on the project.

Although the task he is facing might seem a bit overwhelming, Ammel is taking it in stride. "Oh sure (it's a big undertaking), but it will be fun. I'm enjoying it," he said.

Kewaskum's membership is currently at 31, according to Ammel, who said, "We're always looking for new members."

The membership fee is \$100 per year, and the group has a dinner meeting each week at a cost of \$9 for the dinner. Some members come every week, while others attend just once a month, according to Ammel, who said before Roy Esser started with health problems, he had one of the best attendance records in the area, reportedly over 30 years without a miss.

Anyone interested in joining the group may call Ammel at 626-4731 for further

information.

Ammel also explained there are different Kiwanis groups for all ages, some for high students, like the KEY Club in Kewaskum, one for elementary schoolers, and also middle students, students with handicaps and even college students.

"They are members of the K club," Ammel said, reporting the KEY Club here is currently working on the club's annual Thanksgiving Dinner for Senior Citizens in the area.

"I don't know the date yet, but it should be coming out soon," Ammel said about the dinner, which is held in the Kewaskum High School cafeteria and usually draws in excess of 100 diners.

Jackie Vandrell is currently heading up the KEY Club, according to Ammel, who said, "I think this year they're looking at around 20-25 members."

Williams - Ankerson

On July 5, 2004, The Point Pleasant Resort and Villas, St. Thomas, Virgin Islands, was the scene for the intimate wedding of Erik Mads Ankerson and Amy Williams. Celebrating with Erik and Amy were their parents, John and Carol Williams, and Perry and Kathleen Ankerson.

Ingrid Ankerson and Tim Williams were witnesses to

the ceremony, while Megan Sapnar was photographer for the event. Karl Morgan Ankerson had the pleasure of presenting the rings, and was toastmaster for the elegant dinner following the celebration.

Erik and Amy and their dog Murray have a home in Menomonee Falls.

ELECTION 2004

Michels to square off against Feingold

Tim Michels

Russ Feingold

After soundly defeating three contenders in the primary election Republican Tim Michels is now ready to face off against Democrat U.S. Senator Russ Feingold. Both candidates have appeared on numerous debates across the state and Tuesday, voters will pick if they want a change or if they are content with status quo.

Tim Michels

Tim Michels was born in 1962 in Dodge County, Wisconsin and currently resides with his wife Barbara and their three children in Oconomowoc, Wisconsin.

After graduating from Lomira High School, he attended St. Norbert College, subsequently earning a BA in Political Science. Michels received an M.B.A. from the University of Chicago and a Masters in Public Administration from the Illinois Institute of Technology.

In addition to studying and taking weekend classes at the University of Chicago and weeknight classes at the Illinois Institute of Technology, Michels worked at the Chicago Board of Trade on the trading floors for agricultural commodities and U.S. Treasury bonds.

"This gave me a unique and intimate understanding of financial markets as well as a solid understanding of how grains and cash crops are priced for the all-important agricultural industry in Wisconsin," stated Michels

In 1996 he joined Michels Pipeline, the Michels family business founded by father, Dale in 1959. He currently holds the position of Vice President at Michels Corporation.

"I've always had a strong desire for further service to my community and country and that's why I ran for the State Senate in 1998. Although unsuccessful in my first race I was invigorated by the experience and learned a great deal about campaigning and the political process. Because of the passing of my Dad that spring I was only able to mount a "too short" 90 day campaign.

Upon completion of In-

fantry Officer School and Airborne-Ranger training at Ft. Benning, Georgia, Michels served twelve years of active duty service as an Airborne Ranger Infantry Officer in the U.S. Army. He was a Former Commander of the Army's elite Honor Guard with duties at the White House, State Department, and Tomb of the Unknown Soldier. He currently is still serving in the IRR (reserves).

Russ Feingold

A seasoned politician, Russ Feingold is a stark contrast to the conservative ideas Michels brings to the table. Senator Feingold was first elected to the Wisconsin State Senate in 1982. He was re-elected 1986 and 1990.

In 1992 Feingold won the U.S. Senate seat he's trying to hold on to in this election.

Throughout his campaign Feingold has been boasting his commitment to his constituents through his over 860 listening sessions, visiting each of Wisconsin's 72 counties every year to hold a town hall meeting. Feingold is also well-known for his efforts with Senator John McCain (R-AZ) to reform the campaign finance system.

Feingold says his legislative priorities are creating and protecting jobs, fighting for affordable health care for all Americans, working for fiscal responsibility to bring down the federal deficit, and vigorously fighting terrorism while also protecting civil liberties.

Feingold lives in Middleton with his wife Mary. The two have four children. If successful this will be Feingold's third term.

While in Washington D.C. Feingold serves on the following committees:

- Committee on the Judiciary
 - Constitution Subcommittee, ranking member
 - Committee on Foreign Relations
 - Africa Subcommittee, ranking member
 - Committee on the Budget
 - Special Committee on Aging
- Feingold is a graduated --

Janesville Craig High School, Janesville, Wisconsin in 1971. He went on to University of Wisconsin - Madison. There he graduated with a Bachelor of Arts with Honors in 1975. IN 1977 he, was a Rhodes Scholar, Final Honours School of Jurisprudence, Magdalen College, Oxford University, Bachelor of Arts with Honours. He concluded his schooling at Harvard University Law School, Juris Doctor with Honors.

By ANDREW KUEHL
STATESMAN MANAGING EDITOR
akuehl@kewaskumstatesman.com

It's all the rage this election, all the radio talkshows are telling folks to do it and both political parties are encouraging their supporters to do it.

Absentee voting was once a way for folks who were going to be out of town on the day of the election to still be able to cast their vote. While that is still the case, more and more people are doing it, so they can avoid long lines at the polling place or so they don't have to worry about it.

With both parties doing more and more to help their candidates on election day they are also telling folks to vote early. A Milwaukee talk radio station has went so far as to say, "get it done in case you die, you're vote will still count."

The Statesman checked with the Wisconsin State Elections Board and found out how to apply for absentee ballot. It's a pretty easy step for you if you are already a registered voter.

This late in the game your best bet is to head over to your municipal clerk's office. If you live in the Village of Kewaskum, it would be the village hall on First Street. Town residents would travel over to their town hall. Town residents should also make sure they know their town's office hours as most townships are not open daily.

Upon arrival at your municipal clerk's office request an absentee ballot. This can be done up until 5:00 PM on the day before the election. (For the November general

election that date is, Monday, November 1, 2004.)

Not a registered voter? If you wish to register to vote at your polling place, before the election or on the day of, you must bring proof that you have lived at your present location for 10 days preceding the election. For purposes of voter registration, a form of identification constitutes acceptable proof of residence if it includes:

1. A current and complete name, including both the given and family name; and
2. A current and complete residential address, including a numbered street address, if any, and the name of a municipality.

If you cannot supply acceptable proof-of-residence, your registration form can be substantiated and signed by one other elector who resides in your municipality, corroborating your residency information.

Village of Kewaskum administrative assistant, Betty Bakken says she can definitely see an increase in absentee ballots. At press time she had received 111 requests for ballots and has had 82 of them returned. Bakken says this has more than doubled since the last gubernatorial race.

For any further questions or concerns, please contact your municipal clerk or the State Elections Board. The Elections Board can be reached by phone at (608) 266-8005.

The Elections Board website also has listing of all municipal clerks in the state of Wisconsin, their website is <http://badger.state.wi.us/agencies/elections/index.html>

2004 PRESIDENT PEROUTKA
GOD • FAMILY • REPUBLIC

An Abortion Free America by January 2005

I am Michael A. Peroutka and I am running for president on the Constitution Party ticket. I am 100% pro-life, all nine months, no exceptions. In fact, I am so pro-life, that if elected I promise that abortion will end my first day in office.

As President, I would advocate a total ban on all abortions and a total ban on any federal funding of abortions, here or abroad.

As President, I would do everything in my power to end the national disgrace of abortion, starting with a formal acknowledgment of the legal person-hood of every child from the moment of conception. I would appoint U.S. Attorneys - by recess appointment if necessary - who will enforce the Fifth Amendment requirement that no person be deprived of life without due process of law.

It is, by the way, within the power of the President to end abortion tomorrow, as I would do my first day in office. Don't let alleged "pro-life" Presidents tell you differently. The President has an obligation under Article IV, §4 to ensure to each member State that it will be republican in form of government. Any action that is not republican in form will be utterly resisted to the grave if necessary under a Peroutka Presidency. Abortion was made "legal" (more correctly, the prosecution of abortion was made illegal) in these United States by judicial fiat, which is anti-republican in form and in violation of the Separation of Powers and Article 1 §1 of the Constitution vesting all legislative power of the Federal Government in the Congress. In an American form of government, all laws which are repugnant to the Constitution are null and void." Marbury v. Madison. Most certainly, anti-Constitutional court decisions are not binding.

Thus, under my presidency, Roe v. Wade will not be enforced, and the member states of the Union could again open their criminal codes and begin the prosecution of the doctors and parents who would contract for the murder of an unborn child without fear of reprisal from the Chief Executive.

Michael Anthony Peroutka

ELECTION 2004

Six question advisory school referendum on Tuesday's ballot

BY NICOLE KUEHL
STATESMAN STAFF
nkuehl@kewaskumstatesman.com

Residents of the Kewaskum School District will once again be facing a referendum on Election Day. However, this one will be slightly different than the previous ones. This referendum will be advisory only. This means that the board will use the results of this referendum to possibly put another referendum together that will be acted on.

The questions that will be on the referendum were determined by an Ad Hoc committee co-chaired by Carrie Kuehl and Wade Roberts

In September, the board voted to approve six referendum questions with changes. The questions are as follows:

1. We are currently using a fifteen (15) year textbook replacement cycle. Would you support a five (5) year textbook replacement cycle funded through a referendum?

A Yes to this question would mean that you would like the district to be able to update books at a faster pace. This way students are not working out of books that are outdated or falling apart.

2. Would you support increased technology access for students funded through a referendum?

A Yes to this would mean that you would like the district to purchase more computers, programs, and technological teaching aides such as projectors.

3. Would you support additional capital improvements funded through a referendum?

A Yes to this means you

would support major improvements to the high and/or middle school. There are separate issues that are addressed by yearly maintenance, but there are other more costly projects that there is not enough money in the regular budget to fund.

4. Would you support the Kewaskum School District in acquiring land for future use funded through a referendum?

A Yes would mean that you would support buying land for future use for either the high or middle school.

5. Would you support the Kewaskum School District in the building of a community auditorium funded through a referendum?

A Yes would mean that you would support building an auditorium. The auditori-

um would be available for community use as well as school use for plays and concerts.

6. Would you support the Kewaskum School District in remodeling or building additions to the high school and/or middle school funded through a referendum?

A Yes to this would mean that you would like to see the schools remodeled or added to provide future growth.

If you have any further questions regarding the referendum, feel free to contact the district office at 262-626-2166, or any board member. There is also information available at the district's website www.kewaskum-schools.org.

Election Day is quickly approaching. Planning to skip the polls this year because you don't think your vote will count? Think again.

**Make yourself heard!
Get out and vote!**

California, Idaho, Oregon, Texas and Washington became states by just one vote, while Lyndon B. Johnson was elected a senator by a one-vote margin in 1948. That same year, one more vote per precinct in Ohio and California for Thomas E. Dewey would have thrown the presidential election to the U.S. House of Representatives where Dewey was so popular he would have most certainly defeated Harry S. Truman. One more vote per precinct in Illinois, Missouri, New Jersey and Texas would have put Richard Nixon on top instead of John F. Kennedy in the 1960 presidential election.

Each and every vote counts. This Election Day, don't sit at home and deny yourself the chance to make a difference. Get out there and cast your vote.

THE STATESMAN

RE-ELECT DAN LEMAHIEU STATE ASSEMBLY 59th DISTRICT

Next Year I Will Support

- Taxpayers Bill of Rights (TABOR) to control spending at the State and Local Levels.
- Marriage Between One Man and One Woman.
- Health Savings Accounts and Insurance Co-ops to help control cost and availability of health insurance.

LOCAL EVENTS

Kewaskum Juniors to host art/craft show at KMS

Members of the GFWC Kewaskum Junior Woman's Club cordially invite area residents to their 22nd annual fine art and craft show entitled, "A Kettle Country Christmas". The show will be held on Saturday, November 20th from 9 a.m. to 3 p.m. at the Kewaskum Middle School, 1676 Reigle Drive and will feature many unique, skilled artists and craftspersons from across central, eastern and southeastern Wisconsin.

Club members are actively working to once again make this an outstanding event for artists, craftspeople, club members and the viewing public. This year the Junior

bakery will feature a large variety of homemade cookies and other bakery goodies. The ever-popular quilt raffle features an eight-pointed star quilt in maize, burgundy, dark blue and brown colors. The quilt is currently on display at Miller's Fine Furniture Store in Kewaskum, where tickets are available at \$1 each or six for \$5, or tickets can be purchased from club members. A free quilt raffle ticket will be offered on the day of the show with a \$1 per adult admission fee.

Members of the Kewaskum High School Booster Club will serve a luncheon and refreshments in the cafe-

teria area of the Middle School.

The Kewaskum Junior Woman's Club is in its' 37th year of chartering with the largest volunteer woman's organization in the world, the General Federation of Women's Clubs. Areas of donations and service projects include the arts, conservation, education, home life, international affairs and public affairs.

Plan to join us for our annual fund-raising show on Saturday, November 20th at the Kewaskum Middle School!

Free Christian Concert November 5

Lighthouse Ministries, Inc., a nondenominational ministry, which has been putting on concerts for the past 17 years, invites the public to a free Christian concert with a coffeehouse atmosphere on Friday, November 5 from 7 to 10 p.m.

Our guests will be Rod and Martina Luther from Waukesha. Rod is a souther gospel and contemporary Christian vocalist. He has shared the stage with many nationally known southern gospel groups and traveled throughout the US on tour. He is also a published songwriter with a special gift to share simple truths of the Bible. Rod's wife, Martina, shares personal testimony that is life-changing

to all who hear.

Also on this evening, "Voices of Peace" from Potter with bring country, bluegrass, southern gospel and traditional well known hymns to the Lighthouse stage. This group also has traveled throughout the Midwest bringing encouragement and humor to both young and

old.

Free admission and door prizes. Refreshments available. Lighthouse meets at Silverbrook School, 120 N. Silverbrook Drive, West Bend, enter and park in rear of school. For more information, call 262-338-0205 or 262-677-2952.

Rock River League Old-Timers announce Hall of Fame selections

The Rock River League Old-Timers Association have voted for this year's entrants into the Rock River League Hall of Fame. Selected were: Ron Vander Grinten - an infielder/outfielder for Eden, Long Lake and Campbellsport; Don Sabatke - an infielder/outfielder for Juneau; Mike Urban - an infielder and pitcher for Oakfield; Steve Salter - an infielder and manager for Slinger and former league commissioner; Dale rettschlag - a manager for Juneau and Gary Within - a pitcher and outfielder for Hustisford, Rubicon and Lebanon.

Selected for posthumous induction into the Hall of Fame was Harriet Kaul, long time scorekeeper for Hustisford.

Selected to receive the

Rock Diamond Award for meritorious service to local baseball was Rich Block, an infielder, manager and umpire from watertown.

These members will receive their awards at the Annual Hall of Fame Banquet to be held on Saturday, October 30, 3004 at Rock River Hills Golf Club in Horicon. Cocktail hour begins at 6 p.m. with dinner to follow at 7 p.m. Guest speaker for the evening will be Paul Schramke, President of the State Old-time Ballplayers Association of Wisconsin.

Tickets for the banquet are \$15. Reservations can be made by contacting Secretary Bob Schulz at 920-285-3736. Reservations must be made by October 20th. The public is welcome to attend.

World Community Day Service Nov. 5

World Community Day service will be held on Friday, November 5, 2004 at St. Paul's UCC N89 W16856 Appleton Ave., Menomonee Falls.

Registration is at 10:15, Bible study at 10:30 a.m., worship entitled "In Faith, Women Shape the Future for Peace."

At noon a luncheon featuring chili will be served by the hosting church. November is the month to bring items for The Friends of Abused Families in West Bend. Suggested items include: food items, gift certificates, cleaning supplies, personal hygiene products, stationary, stamps, journals, household items. Also being collected are items for relief kits for a family of four.

For more information, call Marge Krueger at 262-670-6910.

LOCAL EVENTS

Cajun music at UWWC

WEST BEND - The spicy taste of Louisiana Bayou country will be featured at UW-Washington County on Friday evening, November 19 when MOJO & the Bayou Gypsies perform. This rousing group of talented musicians will perform "ala Luzianne" in the University theatre beginning at 7:30 pm. Tickets for this special concert are just \$10 for adults, \$8 for seniors (over 62) and youth (under 18).

Leading performers of the music popular in Cajun country, MOJO and his band are typical of entertainment that is common to the spirited Louisiana clubs and roadhouses. Performing for nearly 40 years, Mojo is the lead vocalist, accordion player and

songwriter. Internationally known for his work, he has performed across America and Canada, and is a truly charismatic performer.

Other band members include: Zydeco T. Carrier (a French-speaking Creole) who plays the frottoir (rubboard) and does vocals; Lenny Wallace, a Nashville legend on the fiddle; Tee John Moser on drums; Brian Burke on bass; Rich Stitzel, drums and percussion; and Harlan Terson, bass.

Songs will range from the shuffle "Louisiana Saturday Night," to the waltz, "Cypress Point," to the funky spooky "Madame Magique." They're all fun and original - and guaranteed to get your hands clapping and your feet

tapping. According to the Chicago Tribune, "When Mojo moves in...the place rocks." A portion of proceeds from every MOJO concert is donated to charity.

Reservations are recommended and can be made by phoning UW-WC at (262) 335-5208 during normal business hours (Monday through Friday from 8am to 4:30pm). The University is located at 400 University Drive (off Hwy. 33 West) in West Bend. For more information, contact Sue Survis, Director of University Relations at (262)-335-5233 or visit the campus website at www.washington.uwc.edu

'Sweet 16 Bash' Oct. 30

A "sweet 16 Bash" is being held on Saturday, October 30th beginning at noon at the Town of Scott Community Center, on State Highway 28, south of Batavia. This event is being held in memory of Kyle Marquardt who lost his life in a recent traffic accident and will benefit the Shelton family with their sons medical expenses incurred as a result of that accident.

There will be food and drink and activities for all ages, including a Jack-o-lantern vigil (pumpkin carving) at 6:45, a Silent Auction with bidding ending at 7:00

p.m., and a HAUNTED HOUSE. There will also be a dunk tank, moon walk, and bake sale. Fire and Street Safety for kids, Clowns, face painting, kid crafts, kid games complete the list of activities.

Fees for some of the activities will vary, and some will be on a free-will donation basis.

Finally a Masquerade Ball will begin at 7:00 p.m. and continue to 10:00 pm.

The Marquardt Memorial Halloween benefit is sponsored by the Batavia Fire Department and the Athletic Association.

Singers Wanted

Singers from Peace United Church of Christ, Holy Trinity Catholic Church, St. Michaels Catholic Church and Living Waters Church will soon begin rehearsals for their Ecumenical Thanksgiving Eve Service.

The service will be held at Peace Church on Wednesday, November 24, 2004 and if you are interested in singing with this combined voice choir, please plan on attending rehearsals with them. Rehearsals will be held at Peace Church at 7:15 on Wednesdays, November 3, 10 and 17.

THE STATESMAN

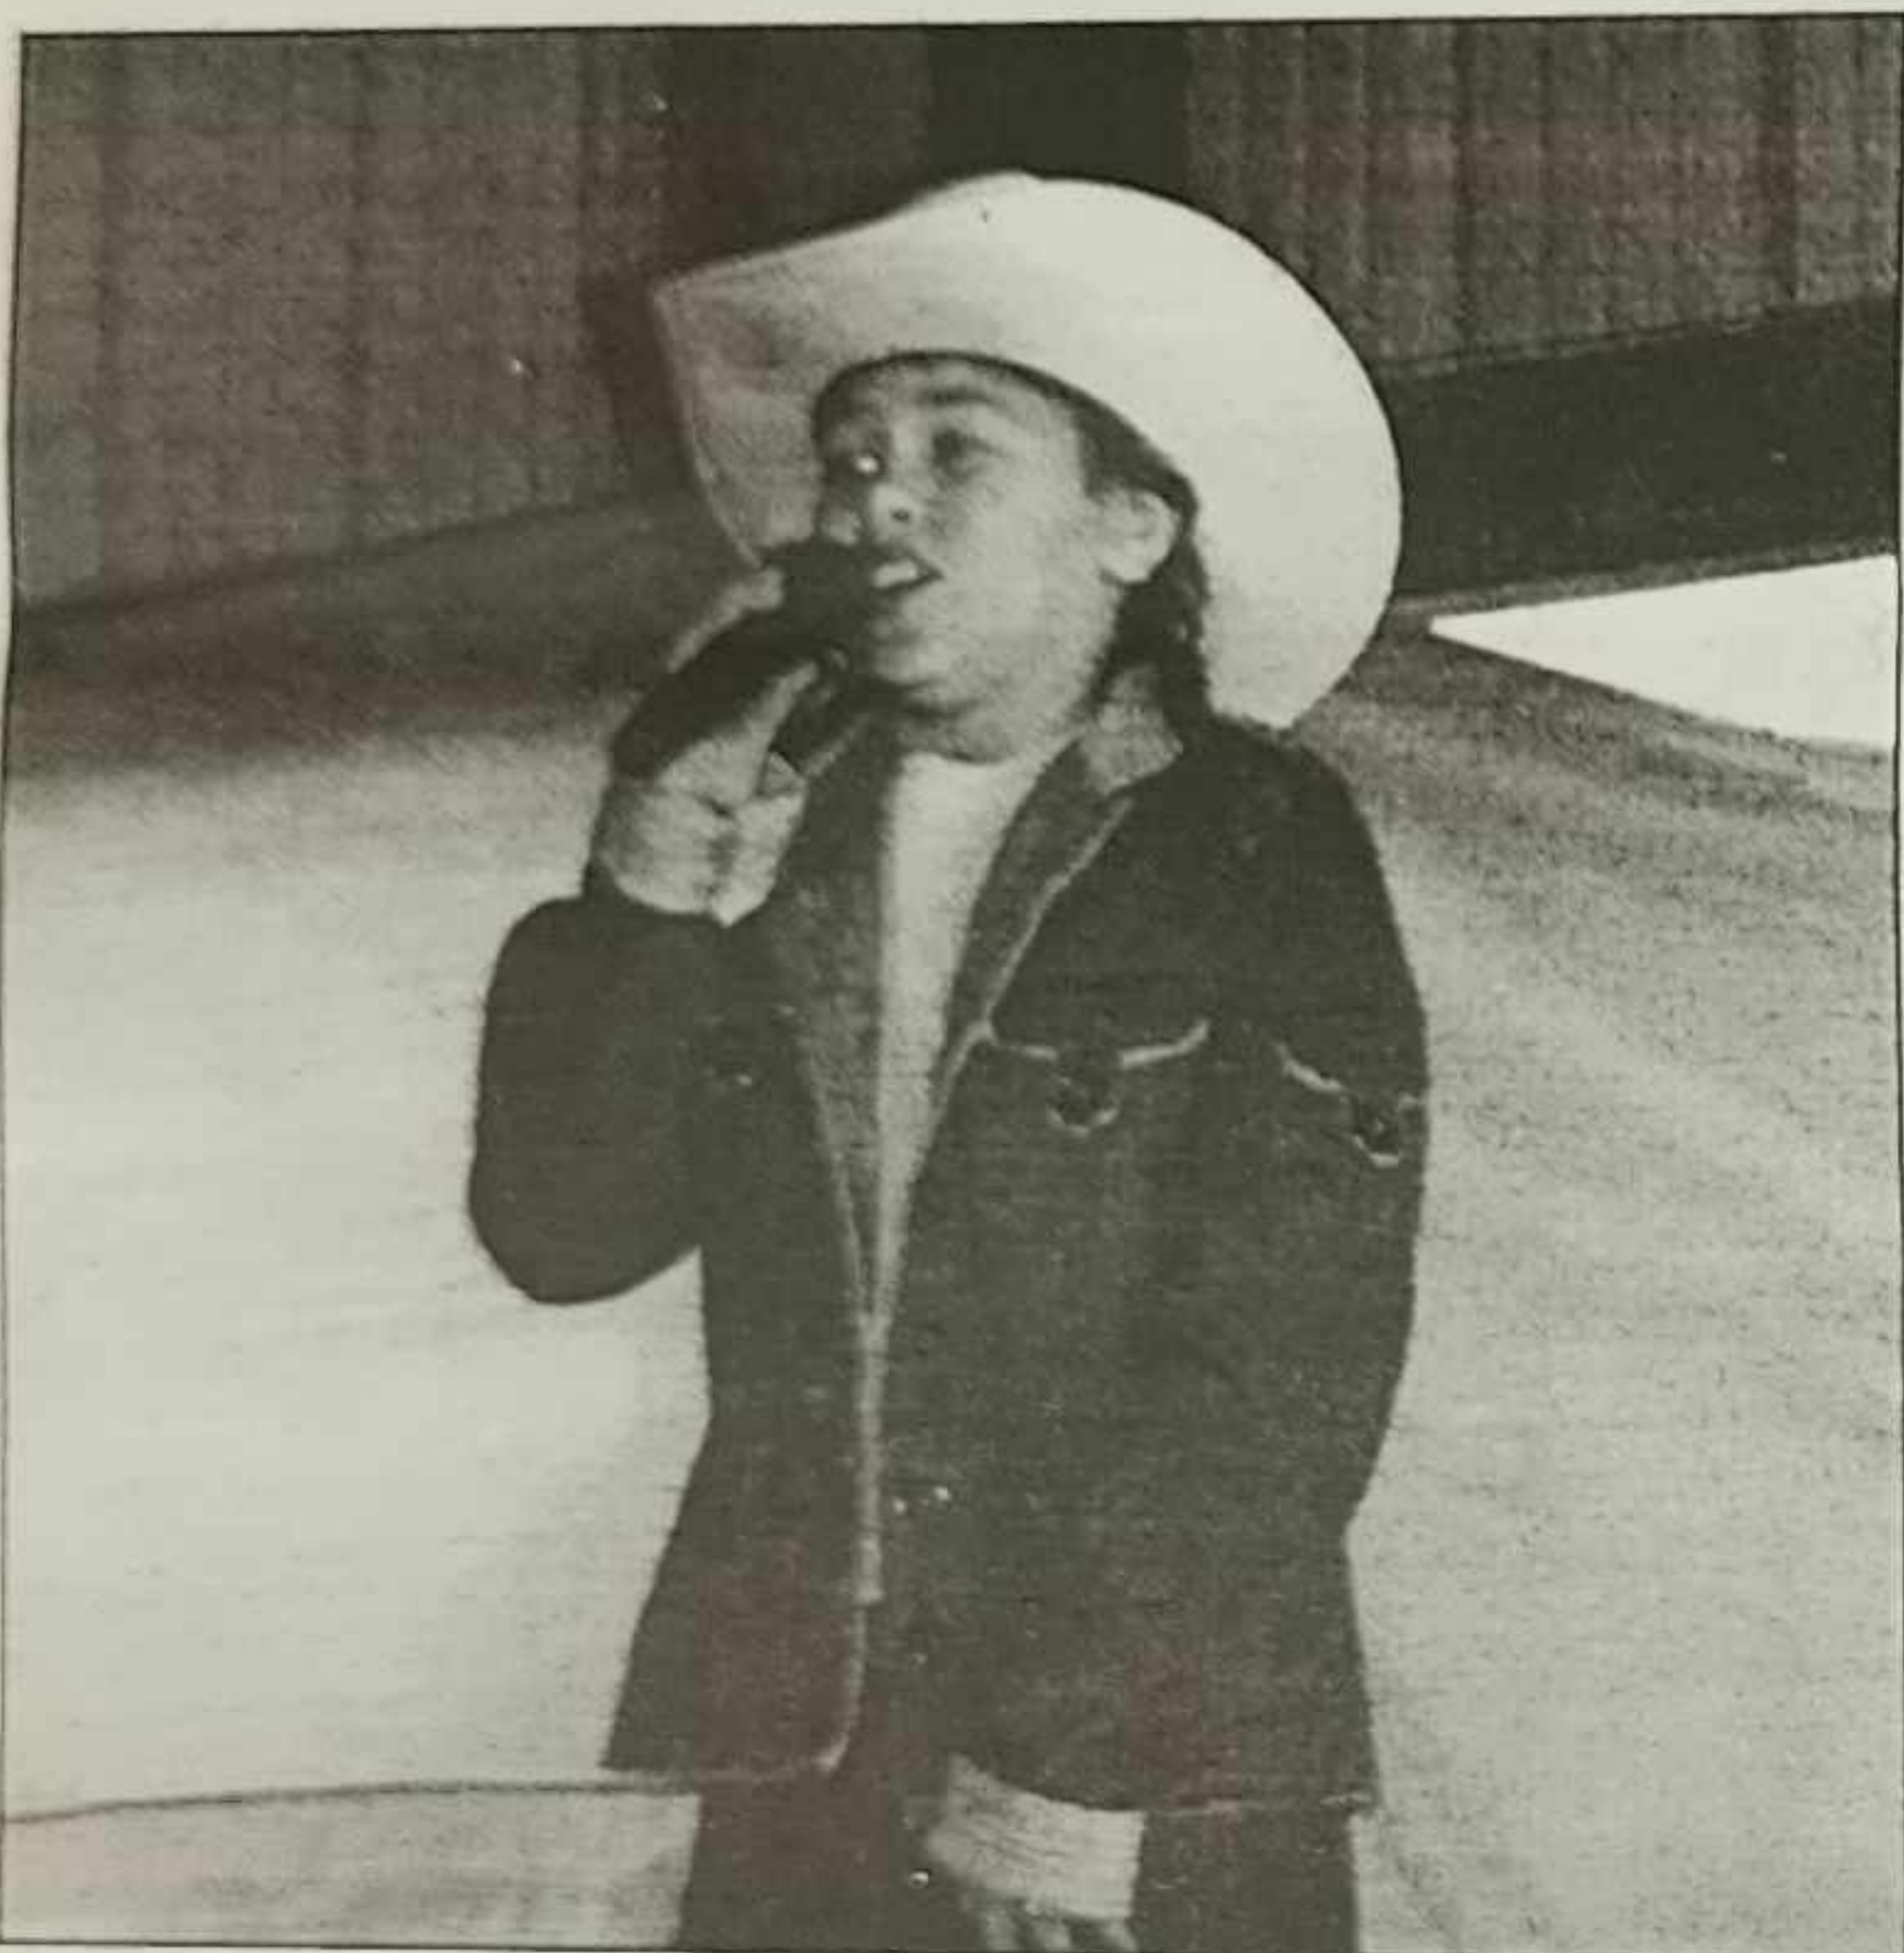

Kettle Kountry Kolors Talent Show a huge success

Alex Fellenz of Kewaskum won the singing portion of the Talent Show/Lip Sync contest held at this year's Kettle Kountry Kolors Festival. The contest was organized by Wendi Dreher and helpers and was sponsored by the Kewaskum Area Chamber of Commerce. Special thanks to Jimmer's Jukebox who allowed the use of his equipment for the show.

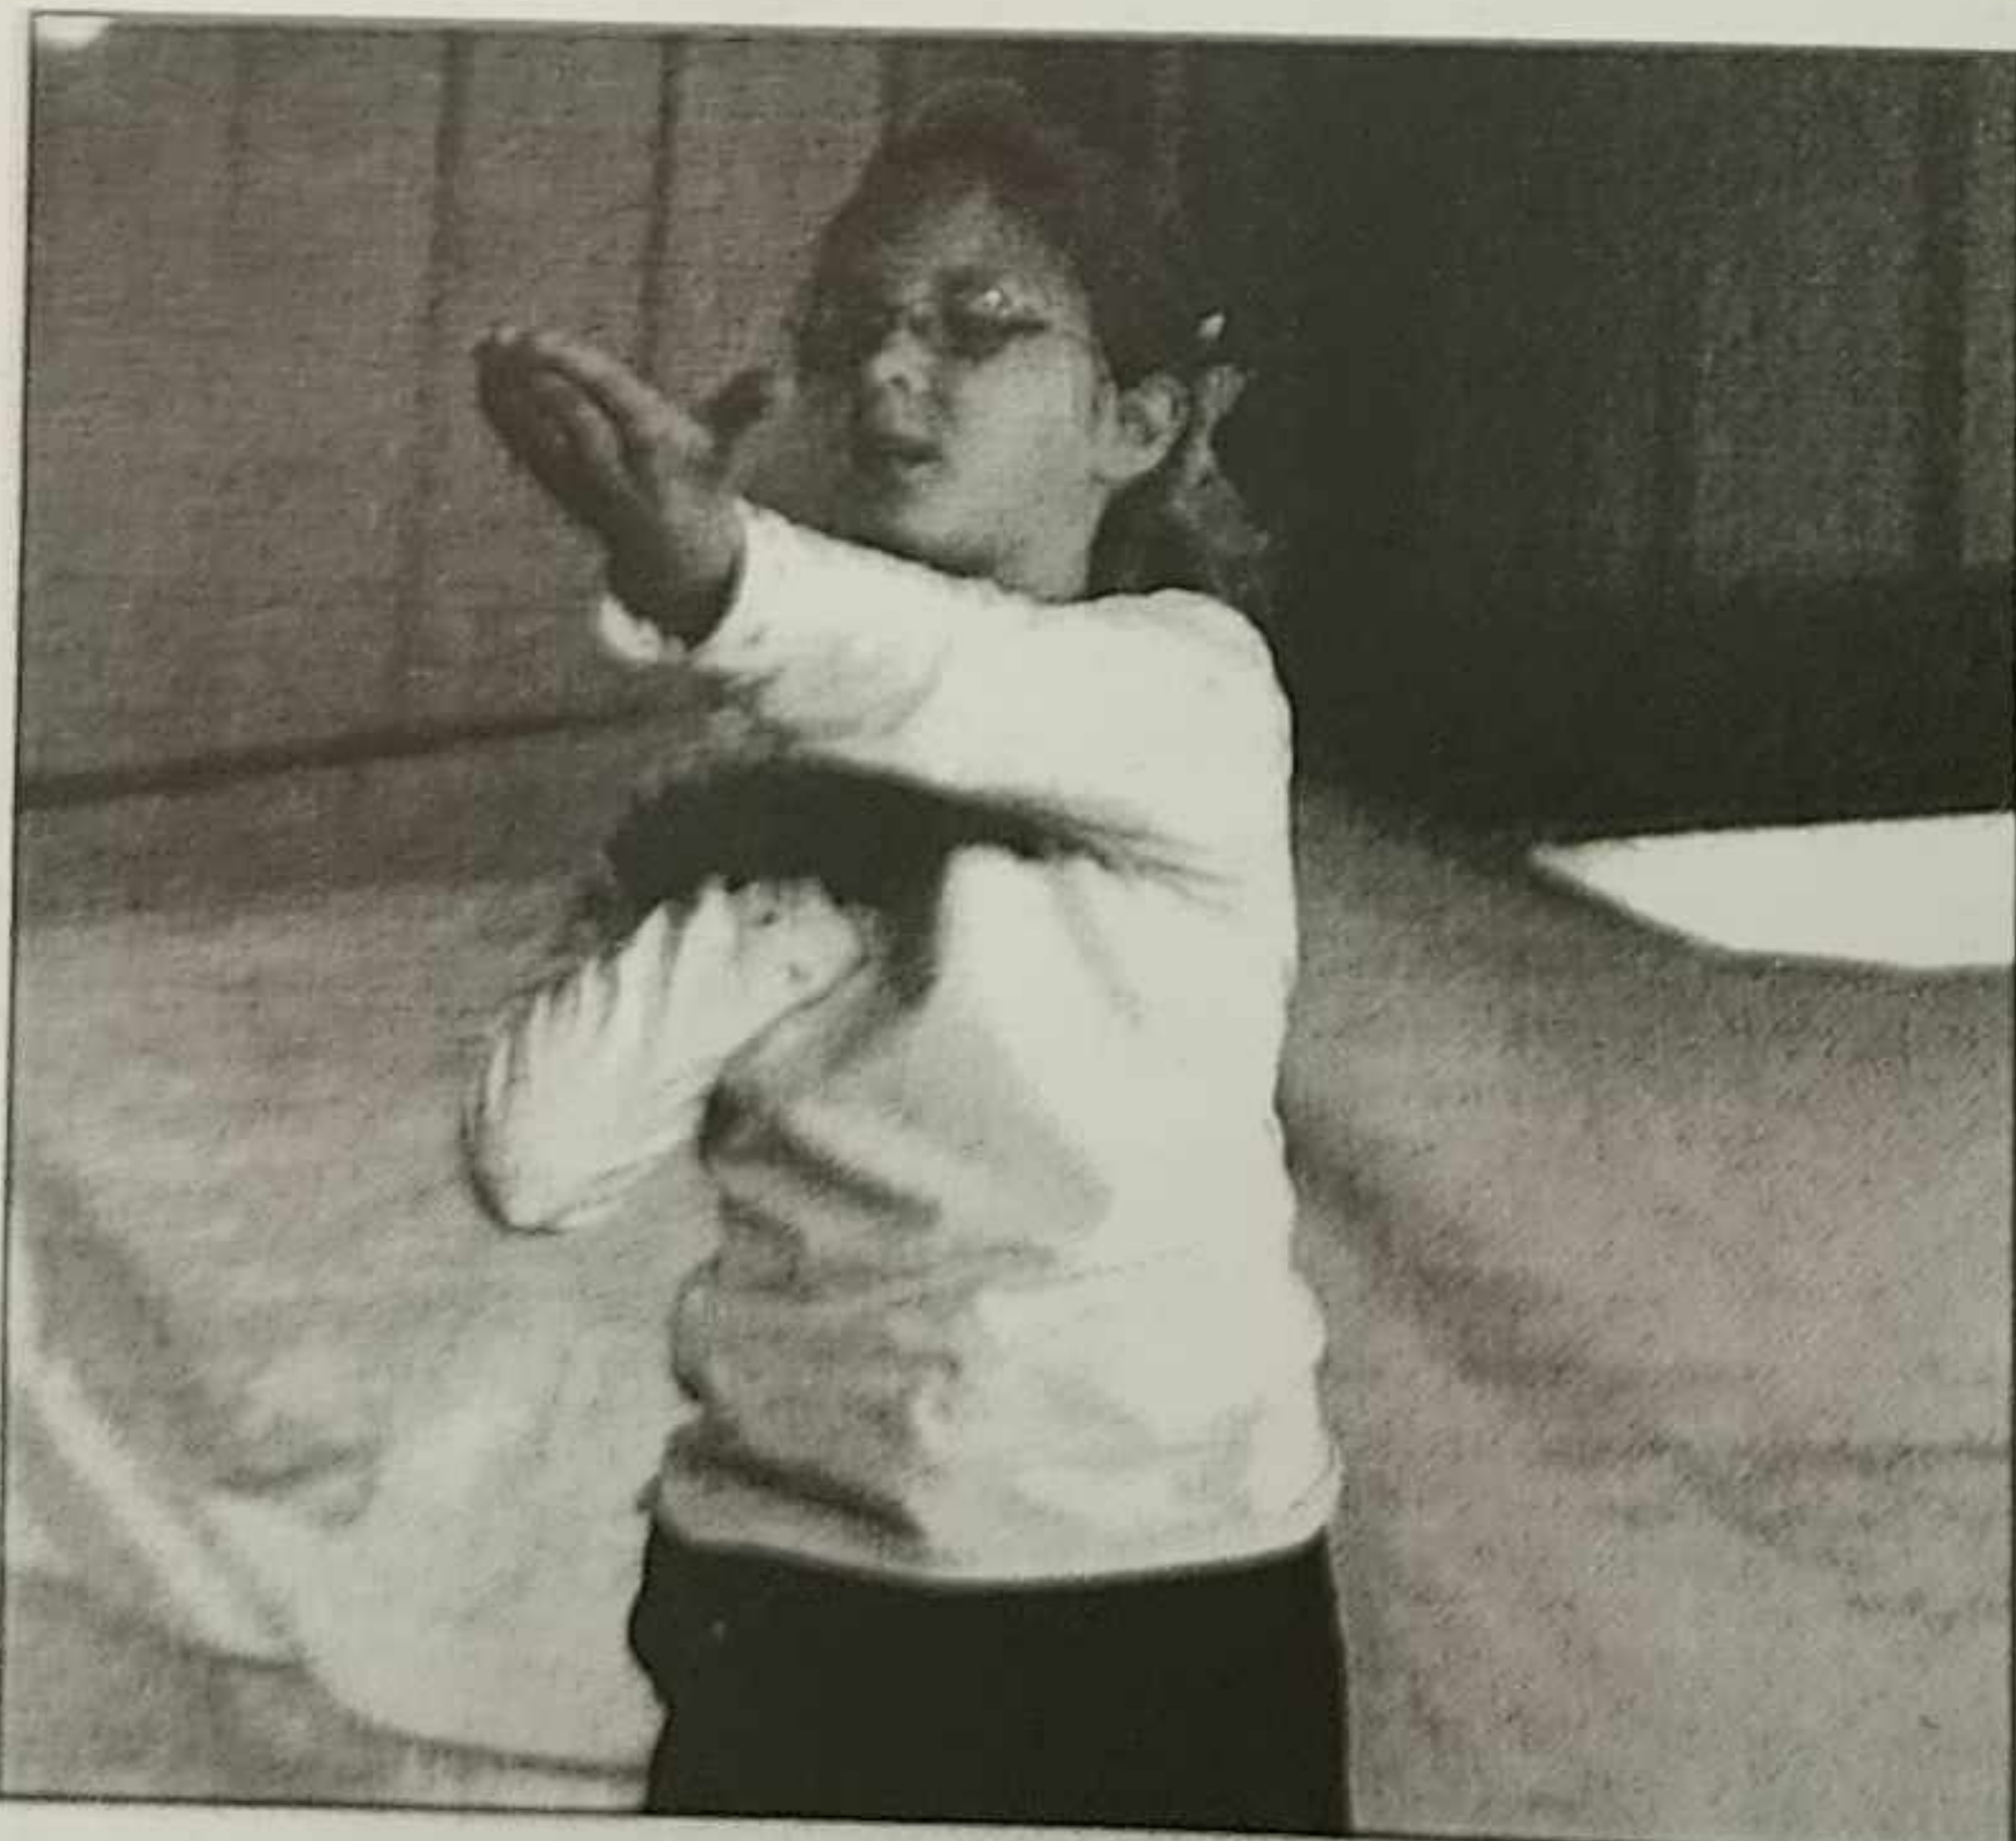

The group of Krista Kidd, Ali Sherr, Tiffany Beeker, Christie Pietruszynski, Cassie Pietruszynski and Casey Weiss took first place in the dance category. They danced to the Spice Girls' song Wannabe.

Kali Anderson of Oak Creek walked away with the second place prize of \$50. Prizes were awarded for three places in four categories. Money awards were \$75, \$50 and \$25 and were donated by the Kewaskum Chamber of Commerce.

The beer garden was full on Saturday, October 9, during the Talent Show/ Lip Sync contest at Kettle Kountry Kolors.

Haley Asch of West Bend took second place in the dance portion of the contest. There were 27 total entries in four categories.

Contest Winners

Lip Sync -

- 1) Kate Wilde and Kaylene Herbst of West Bend.
- 2) Dane Maylan of West Bend.
- TIE 3) Danielle Dreher, Megan Dreher, Aprille and Lyndsey Ciriacks and Paige Schultz, Kewaskum and Eric Schuetz of West Bend.

Singing -

- 1) Alex Fellenz, Kewaskum.
- 2) Kali Anderson, Oak Creek.
- TIE 3) LeAnn and Kelly of Kewaskum and Brittany Boeder of Iron Ridge.

Talent -

- 1) Tami and Cami of West Bend.
- 2) Haley and Devon Asch of West Bend.
- 3) Dane Mauland of West Bend.

Dance -

- 1) The group of Krista Kidd, Ali Sherr, Tiffany Beeker, Christie Pietruszynski, Cassie Pietruszynski and Casey Weiss, West Bend.
- 2) Haley Asch of West Bend.
- 3) Chelsea Watzig and Emily Faber of Kewaskum.

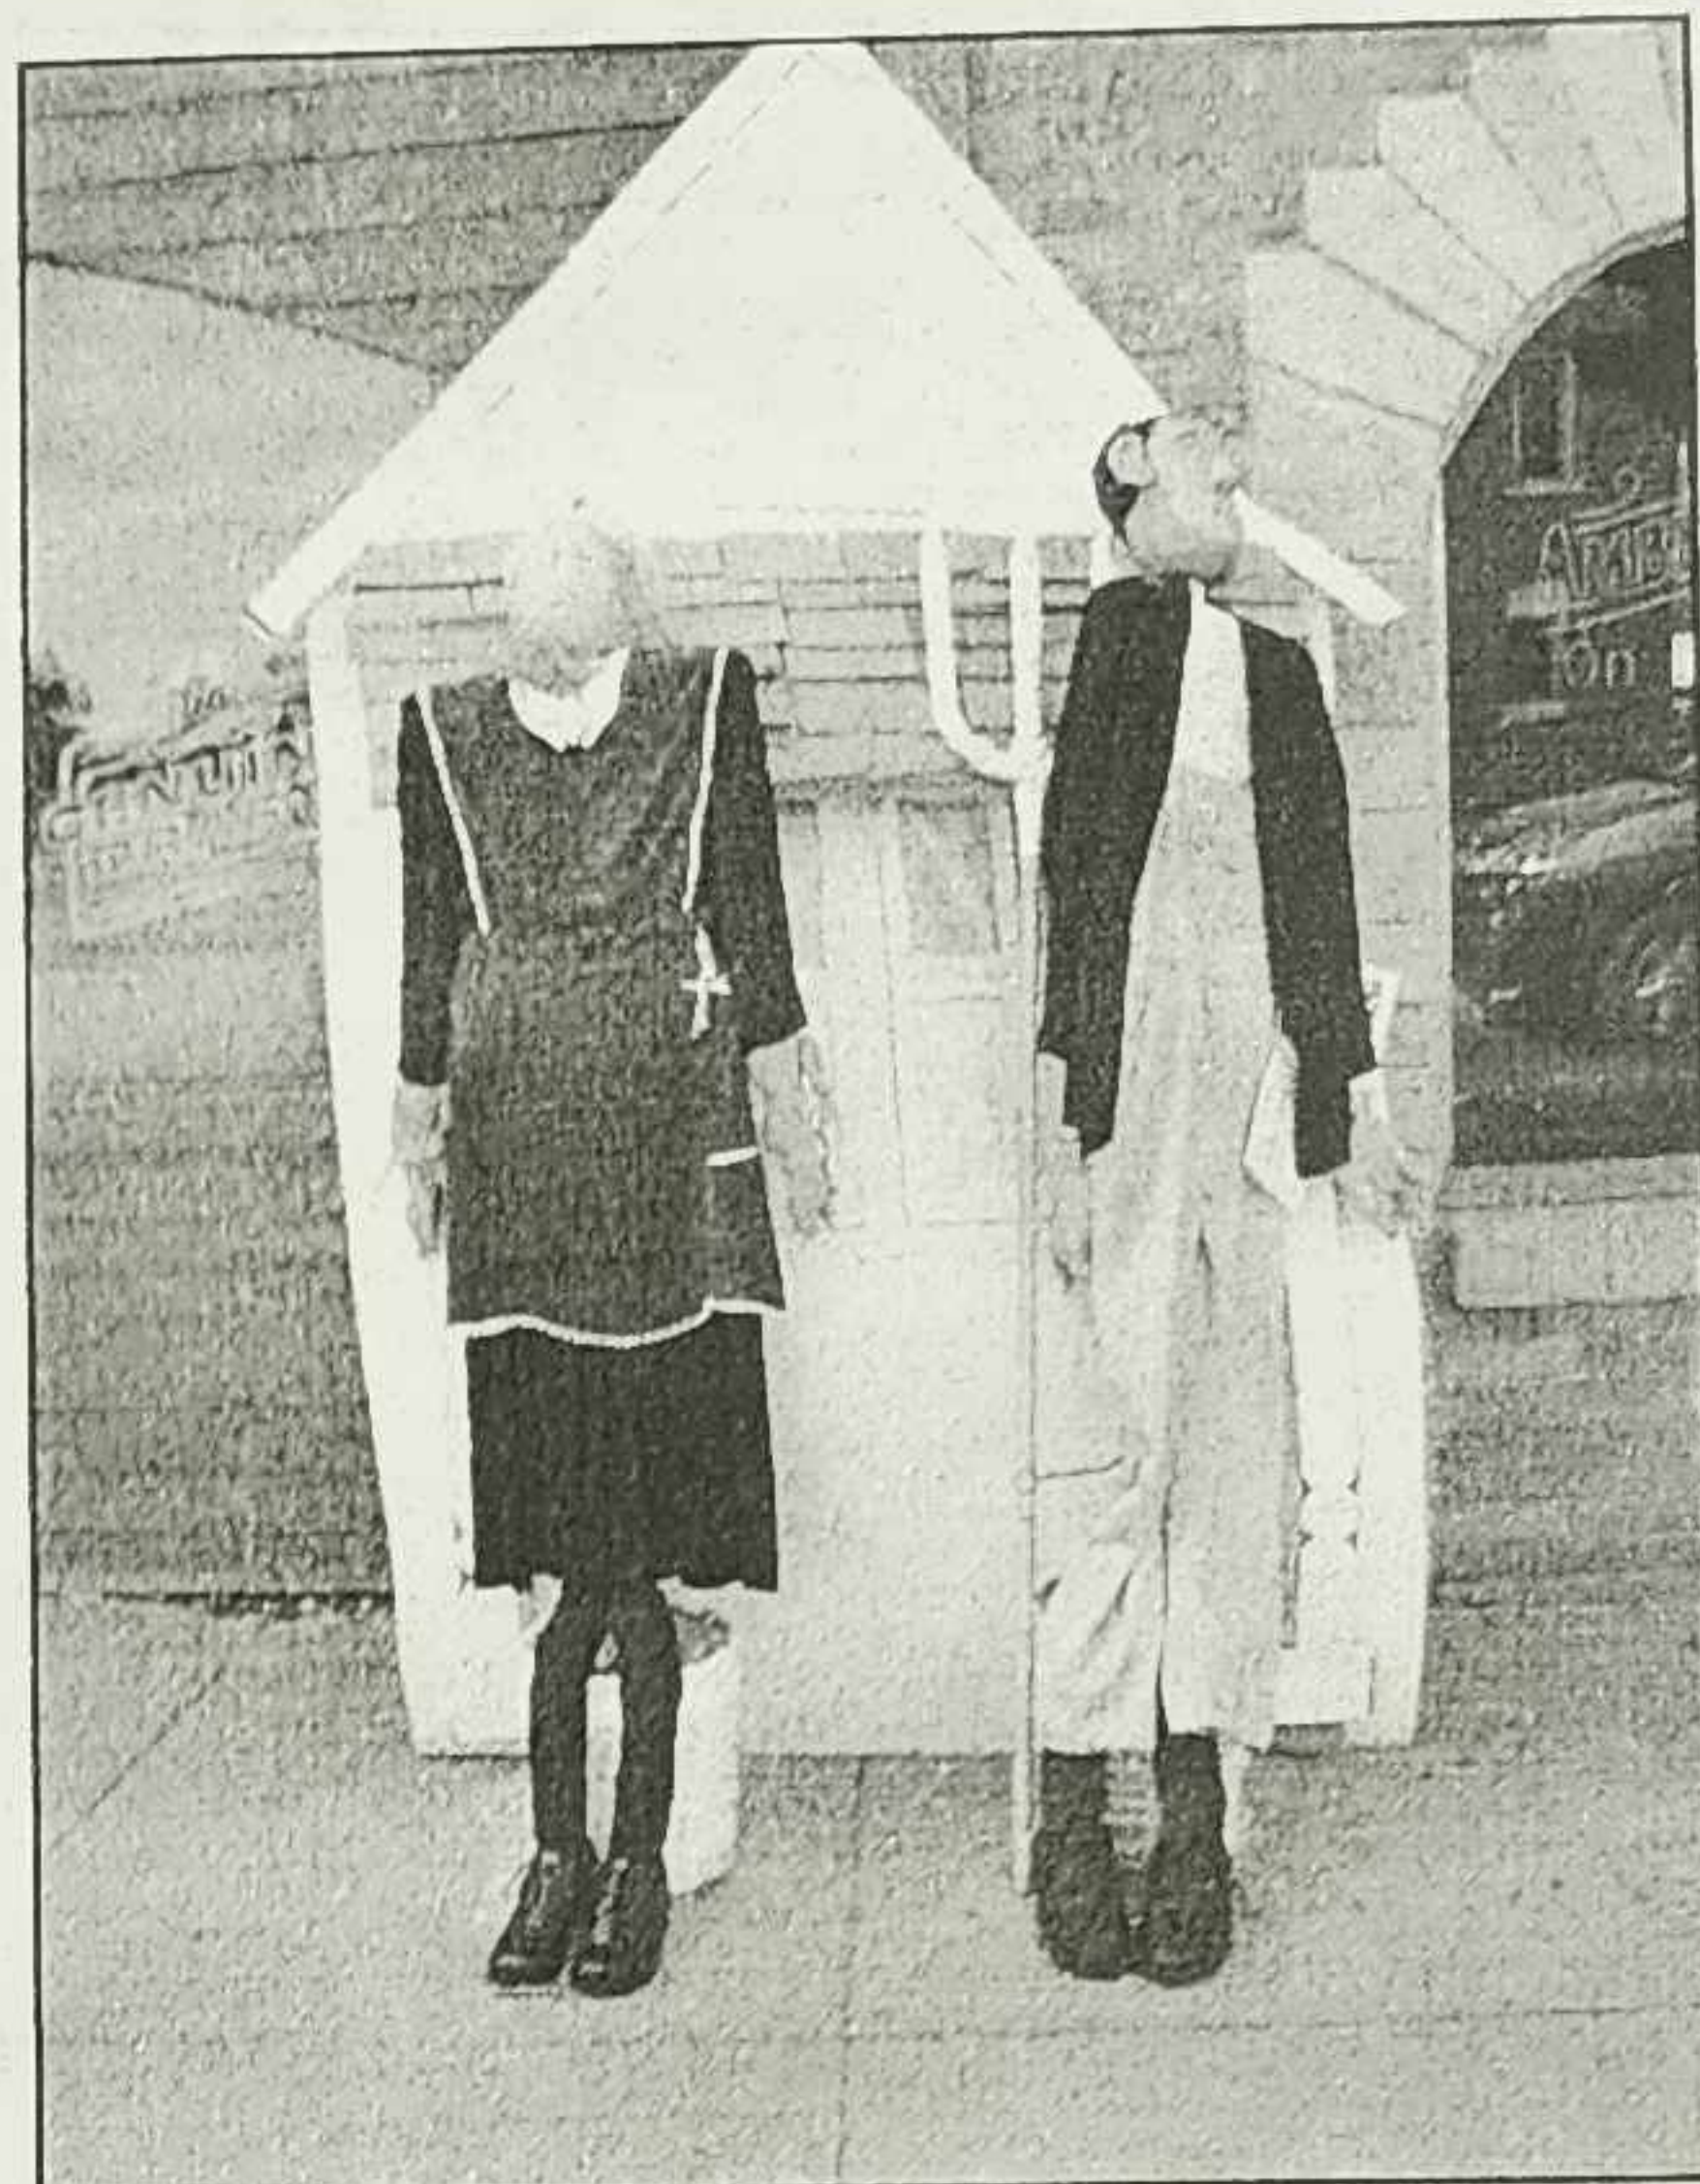

Scarecrow Contest Winners

Kewaskum Middle School's first place, Emma the Election Queen, by Megan Gavin and Olivia Gitter. Located at Welcome sign on Riverview Drive.

St. Lucas' first place, Jeepers Creepers, by Adam Kleinke, Nich Groth, Dan Schladweiler and Sean Huirar. Located at north Welcome sign on Hwy. 45

Holy Trinity's first place, American Gothic by the seventh grade. Located at PJ Magoos. Holy Trinity's second place, Feast of the Dragon, was taken down by the time a photo could be taken. It was done by the sixth graders.

Kewaskum Middle School's second place, Cammie and Guy by Sophia Dahlen and Alice Groeschel. Located at Woody's Steakhouse.

St. Lucas' second place, Mini Jason, by Fred Fellenz and Paul Anderson. Located at north Welcome sign on Hwy. 45.

Holy Trinity's third place, Spirit Sticks by the eighth grade. Located at Welcome sign on Hwy. H.

Kewaskum Middle School's third place, Trio and Max by Megan Ballard, Kelsey Bailart and Kelsey Hamscher. Located at south Welcome Sign on Hwy. 45

St. Lucas' third place, Captain Jack Sparrow, by Hillary Beyer, Stephanie Schaefer and Kodi Long. Located at Coffee Corner.

Chairperson Gwendolyn Dreher announced the winners of the village's annual Scarecrow Contest recently at Kettle Kountry Kolors.

Prizes of \$30 for first place, \$20 for second place and \$10 for third place were awarded by the Kewaskum Area Chamber of Commerce, sponsors of the contest. One set of prizes were awarded to each school participating.

A big thank you is extended to the three area middle schools involved: Kewaskum Middle School, teacher Lynn Molenda, St. Lucas Lutheran School, teacher Mark Heckendorf and Holy Trinity, teacher Jill Becker.

Congratulations to all the winners and a special thank you to all scarecrow contestants for a job well done in helping to create a festive atmosphere for the Kettle Kountry Kolors Festival.

Also, thank you to the Chamber members who judged the contest: Bob Beisbier of Kewaskum Frozen Foods, Linda Mueller of Silbernagel and Jasen Financial Services and Jim Schlitt of Starfire Motors.

SCHOOL NEWS

Pirates of Penzance presented at KES

Fifth graders at the Kewaskum Elementary School got the opportunity to perform in the musical, *The Pirates of Penzance*, last Wednesday in the school's gymnasium. The operetta was presented by Opera for the Young, Inc., from Madison. Playing the role of pirates were, from left: Brandon Chapman, Eric Perkins, Cody Machalk, Rae Monte, Brandon Schlenvogt and Savanna Wendelborn.

Mabel, one of the lead roles in the *Pirates of Penzance* operetta, sings a song about the trials of her life. She is surrounded by Caitlynn Murray, Tyler Craig and Haley Derge.

Two professional singers/actor, playing the roles of Ruth and the Pirate King, have a little good-natured fun in the musical *Pirates of Penzance* at the KES gymnasium.

By Ben Honeck

Editor's Note-

This week we debut a new weekly column in *The Statesman*. This column will be written by Kewaskum High School student Ben Honeck. Ben is a sophomore who attends KHS. He will be covering the news and happenings at Kewaskum High. Ben is the son of Keith and Suzen Honeck of New Fane. A year ago we ran a survey asking readers for their input into their newspaper, readers in the survey asked for more school news. The staff of *The Statesman*, including Ben hope you enjoy this new feature. As always we enjoy your comments, they can be emailed to akuehl@kewaskumstatesman.com. Ben can be reached by email as well, bhoneck@kewaskumstatesman.com

KHS Booster Club Welcomes New Families

The Booster Club's focus is to support co-curricular activities at the high school. Members hold fundraisers such as clothing sales, dinners and run concession stands at sporting events to raise money for the various

clubs, sports and organizations at Kewaskum High School. These funds paid for the building of the concession stand next to the Kewaskum High School track and field.

The Kewaskum High School Booster Club is made up of parents, grandparents, faculty, and students. Any group may request funds from the Booster Club.

As a volunteer of the Booster club, your child or grandchild can become eligible for a scholarship drawn at the end of their senior year. The Booster Club Scholarship is not based upon grades, but upon participation. In order to be eligible, you must volunteer at least 20 hours per year.

In talking with co-president, Pam Rewald, she stated "Booster Club would like to invite all new families moving in to Kewaskum from other areas to join the club. We welcome any new ideas and energy."

Meetings are held every third Monday of the month in the Kewaskum High School Library.

KSD students receive Art Awards

Kewaskum winners included, back row, left to right: Jason Geidel (Poetry Winner); Cori Aronow, Middle School English Teacher; Lynn Molenda, Middle School Art Teacher; Debbie Stone, High School Art Teacher; John Roskopf, (High School Art Winner). Front row: Brittany McWilliams, (Middle School Art Winner); Lauren Smith (Middle School Art Winner); Elizabeth Dahlen (High School Art Winner). Not pictured: Taylor Bocher (Middle School Art Winner).

On October 21, seven Kewaskum Middle and High School students were the winners of cash prizes for their art and poetry works. The program, Opening of the Heart Poetry and Art Awards Program was held at the Windhover Center for the Arts in Fond du Lac and was attended by over 150 family, friends and the general public.

An exhibition, featuring the work of international photography Beverly Duperly Boos, was the basis for the art work and poetry submitted

by students from not only Kewaskum, but from the Fond du Lac High School, Fond du Lac St. Mary's Springs, North Fond du Lac, Winnebago Lutheran High School, Marian College and Ripon College.

The photo exhibition captured the lives of children, parents and grandparents living today in Palestine and Israel. The exhibit is traveling across the United States as a focal point for education of youth and adults, dialogue on the Middle East and to introduce "compassionate listening" techniques through a se-

ries of educational events.

The Kewaskum students visited and viewed the exhibit and were asked to respond to what they saw, focusing on this phrase: "The photos and stories of Israelis and Palestinians invited viewers to move beyond stereotypes into a deeper, more compassionate understanding of both peoples".

The students' art work and poetry will be displayed in the West Bend Savings Bank lobby next week for viewing by the community.

Auditions for Washington County Concerto

WEST BEND - Middle and high school music students are encouraged to register soon for the annual Washington County Concerto so they can begin work on their concerto pieces. This is an excellent opportunity for talented voice and instrumental students in grades 6-12 to audition for prizes, as well as an opportunity to perform with the Kettle Moraine Symphony. Performing their solo work with a semi-professional orchestra is an invaluable and memorable experience, which marks their achievement for a lifetime.

The Washington County Concerto Auditions began in 1972 with five students and two divisions for high school students. Today, the auditions have expanded to six divisions with up to fifty students participating from grades 6 to 12. This success is a measure of the commitment of the Moraine Area Private Music Teachers Organization (MAPMTO), the sponsorship of the UW-WC Music Department, the involvement of students and their parents, and the partnership with the Ket-

tle Moraine Symphony.

Rehearsals are scheduled for Friday, January 28, 2005 from 3:00pm-5:00pm and Saturday, January 29, 2005 from 8:00am-5:00pm. Auditions (which are open to the public) will be held on Saturday, February 5, 2005 in the UW-Washington County theatre and music rehearsal rooms. A concerto is music written for a solo instrument which is accompanied by an orchestra, and because of the nature of the composition, the technical and musical abilities of the performer are showcased. In addition to instrumental and piano divisions, the audition includes a vocal division that allows singers to perform solo works (arias, art songs, etc.) that have orchestral accompaniments.

The six categories include:
Sixth Grade Piano Division: Grade 6 only
Piano Junior Division: Grades 7 and 8
Piano Senior Division: Grades 9-12
Instrumental Junior Division: Grades 6-8
Instrumental Senior Divi-

sion: Grades 9-12

Vocal Senior Division: Grades 9-12

The Kettle Moraine Symphony Concerto Concert is scheduled for Saturday, March 19, 2005, at 7:30pm, in the Schauer Arts Center, Hartford. Junior and Senior Division first place winners will perform with the symphony. The only division which does not require orchestral accompaniment is the Sixth Grade Piano Division; the winner of this division performs with piano accompaniment at the annual Honors Recital. That recital will be held on Sunday, April 10, 2005, at 2:00pm at the Schauer Arts Center.

To register, phone Dan Anhalt, Continuing Education Department, at UW-Washington County (262-335-5218) or email: danhalt@uwc.edu. Audition questions may be directed to Pat Hauser (262-677-4980) or Karla Siegler (262-628-4865).

The fee is \$15 for Junior divisions and sixth grade piano and \$18 for senior divisions.

Education... It's Everyone's Business

By Wayne P. Graczyk,
Kewaskum Superintendent of Schools
www.kewaskumschools.org

Six questions to be on ballot

This is the final article on the six advisory questions that will appear on the November 2 ballot. Questions 1-4 were covered in previous editions of the paper. Today I wish to address the final two advisory questions.

The 5th question will ask if you would support the Kewaskum School District in the building of a community auditorium funded through a referendum. Question #6 asks if you would support the Kewaskum School District in remodeling or building additions to the high school and/or middle school funded through a referendum.

The question pertaining to the auditorium appeared on last April's referendum as a part of the remodeling of the high school. This question only seeks community response to see if they have interest in a community auditorium. If there was a positive response to this question, a committee would be established to determine site, size, cost, etc. There is a local group that has formed an Auditorium Committee so they probably would be a part of the process. The question is: Is this a concept the community would support? It is my understanding it would be available for use by groups located within the Kewaskum School District as well as school activities. Rental to outside groups would also be entertained.

The remodeling/addition question (to the high school and/or middle school) was a result of the Ad Hoc Committee's impressions from listening to people that it was a good idea back in April and

we should ask the people once again. Responding yes to this question would mean that allowing the Board to establish a committee to explore this option.

Remember, all 6 questions are only advisory. It does not mean you are voting yes or no on a referendum, only if you would support a referendum on any of the six areas listed. This needs to be understood so please pass this word on to others if there is any confusion. November 2 is not a referendum. November 2 is only the School Board seeking advice from the residents of the district.

If you wish to have a copy of the exact questions sent to you, please feel free to call 262-626-8427, Ext. 8001 and request a copy. You may also go to our School District web site shown above.

The 7 members of the Kewaskum School Board are committed to the children and the taxpayers of the school district. You can help them in this ongoing commitment by reflecting on, and then answering the 6 questions on the November 2 ballot.

KHS finally getting stage

KHS is finally receiving a stage for their musicals! The stage will be used for the first time for the November production of "Bye Bye Birdie." Students who worked on the stage included, left to right: Luke Terlinden, Josh Meyer, Luke Koch, Brian Timmers, Brett Zimdars and their teacher Kevin Hein. Materials for the stage were donated by Heberer Brothers and Campbellsport Building Supply. When the stage is not in use, Regal Ware is going to provide a space for it to be stored.

KMS holds book fair

The Kewaskum Middle School PTO held a Scholastic Book Fair on October 6th through the 15th. Mrs. Lisa Stoffel, Book Fair chairperson, asked businesses to join the campaign to sponsor as many readers as possible by helping to purchase a \$5 book certificate for each KMS student. The PTO was able to provide over 100 students with certificates to help purchase a book of their choice. KMS principal Ken Soerens also stated that sales were significantly up this year from last year.

UWWC to hold College Preview Days

WEST BEND - UW-Washington County is hosting two College Preview sessions for area high school seniors and their parents. The free sessions are designed to answer questions about college - including the admission process, financial aid and scholarships. The first session will be held in the morning from 10am until noon on Wednesday, November 10. A second evening session is planned for Thursday, December 9 from 6:00pm to 8:00 pm.

The College Preview sessions are intended for students who are considering attending UW-Washington County as well as other Wisconsin universities. The two-hour sessions include presentations from Dean Tom Brigham, Student Services and Library directors, and faculty members. Information about athletics, student government, and student organizations is also presented. A panel of current students

will share their personal campus experience and discuss personal strategies for success. Following a question/answer session, a campus tour is available, which includes the Collins Science building and expanded Fine Arts area.

Two additional College Preview evening sessions will be held in spring 2005 (March 15 and April 28). Reservations are requested for this event and can be made by phoning Student Services at (262) 335-5201.

The University of Wisconsin-Washington County is located at 400 University Drive (off Hwy. 33 West) in West Bend. It is the fourth largest of the 13 UW-Colleges, offering the first two years of study in over 250 majors as well as four collaborative bachelor degree programs through UW-Milwaukee. For more information, visit the campus website at www.washington.uwc.edu.

Campus Notes

More than 5,400 University of Wisconsin - Madison students received degrees during spring commencement weekend May 14-16.

Of the degree recipients, 3,708 received undergraduate degrees, 1,026 received graduate degrees, 201 received Ph. D's and 529 received professional degrees.

Bradley Whitford, a Wisconsin native and recipient of an Emmy Award for his role on NBC's "The West Wing" addressed the ceremonies, held at the Kohl Center.

Graduates included:

KEWASKUM: Matthew Morris Belger, Mechanical Engineering, Bachelor of Science; Lauren Rose Steinhardt, Social Work, Bachelor of Arts; Michael Ray Wenninger, Veterinary Medicine; Doctor of Veterinary Medicine and Nicole Lynn Wessing, Elementary Education, Bachelor of Science - Education.

CAMPBELLSPORT: Scott Ryan Gussick, Landscape Architecture, Bachelor of Science.

WEST BEND: Kristin Elizabeth Gillespie, Electrical Engineering, Bachelor of Science and William Ramthun, Religious Studies, Bachelor of Science, graduated with distinction.

University of Wisconsin - Oshkosh officials have announced the names of students who qualified for the university's Dean's List and Honor Roll in the spring semester of the 2003-2004 school year. To qualify for the honor roll, a student must take at least 12 credits and earn a grade point average of at least 3.3 (out of a possible

4.0, or Straight A). Those with a GPA of 3.75 or higher qualify for the Dean's List.

Local students included:

KEWASKUM: Natalie Benter, honor roll; Jacki Broecker, honor roll; Michael Farchione, honor roll; Brenda Flasch, honor roll; Kelly Kohlwey, Dean's list; Elisabeth Marx, honor roll; Cassie Patterson, honor roll; Jessica Schmidt, honor roll and Brandon Shearier, honor roll.

ALLENTON: Joel Dzedzic, Dean's list and Carrie Orlebeke, honor roll.

CAMPBELLSPORT: Heather Adams, honor roll, Katherine Adelmeyer, all A's; Allison Chalmers, all A's; Rex Chalmers, Dean's list; Tiffany Del Ponte, Dean's list; Kimberly Haas, honor roll; Angela Kiefer, honor roll; Heather Kreif, all A's and Nichole McCallum, honor roll.

WEST BEND: Kristen Kurth, Dean's list.

The following area students have been named to the spring Dean's list at Concordia University in Mequon: Nicole Johnson, Kewaskum, senior, elementary education and Angela Baumann, Adell, senior, elementary education.

Founded in 1881, Concordia University is located on 155 acres of beautiful Lake Michigan shoreline in Mequon. The University and its eight off-campus Adult Learning Centers are home to 4,810 undergraduate and graduates, traditional as well as non-traditional students. The University offers 45 undergraduate majors and is affiliated with The Lutheran Church - Missouri Synod. It is a member of The Concordia University System, a nationwide network of colleges and universities.

SCHOOL NEWS

Honoring people who make a difference in our schools

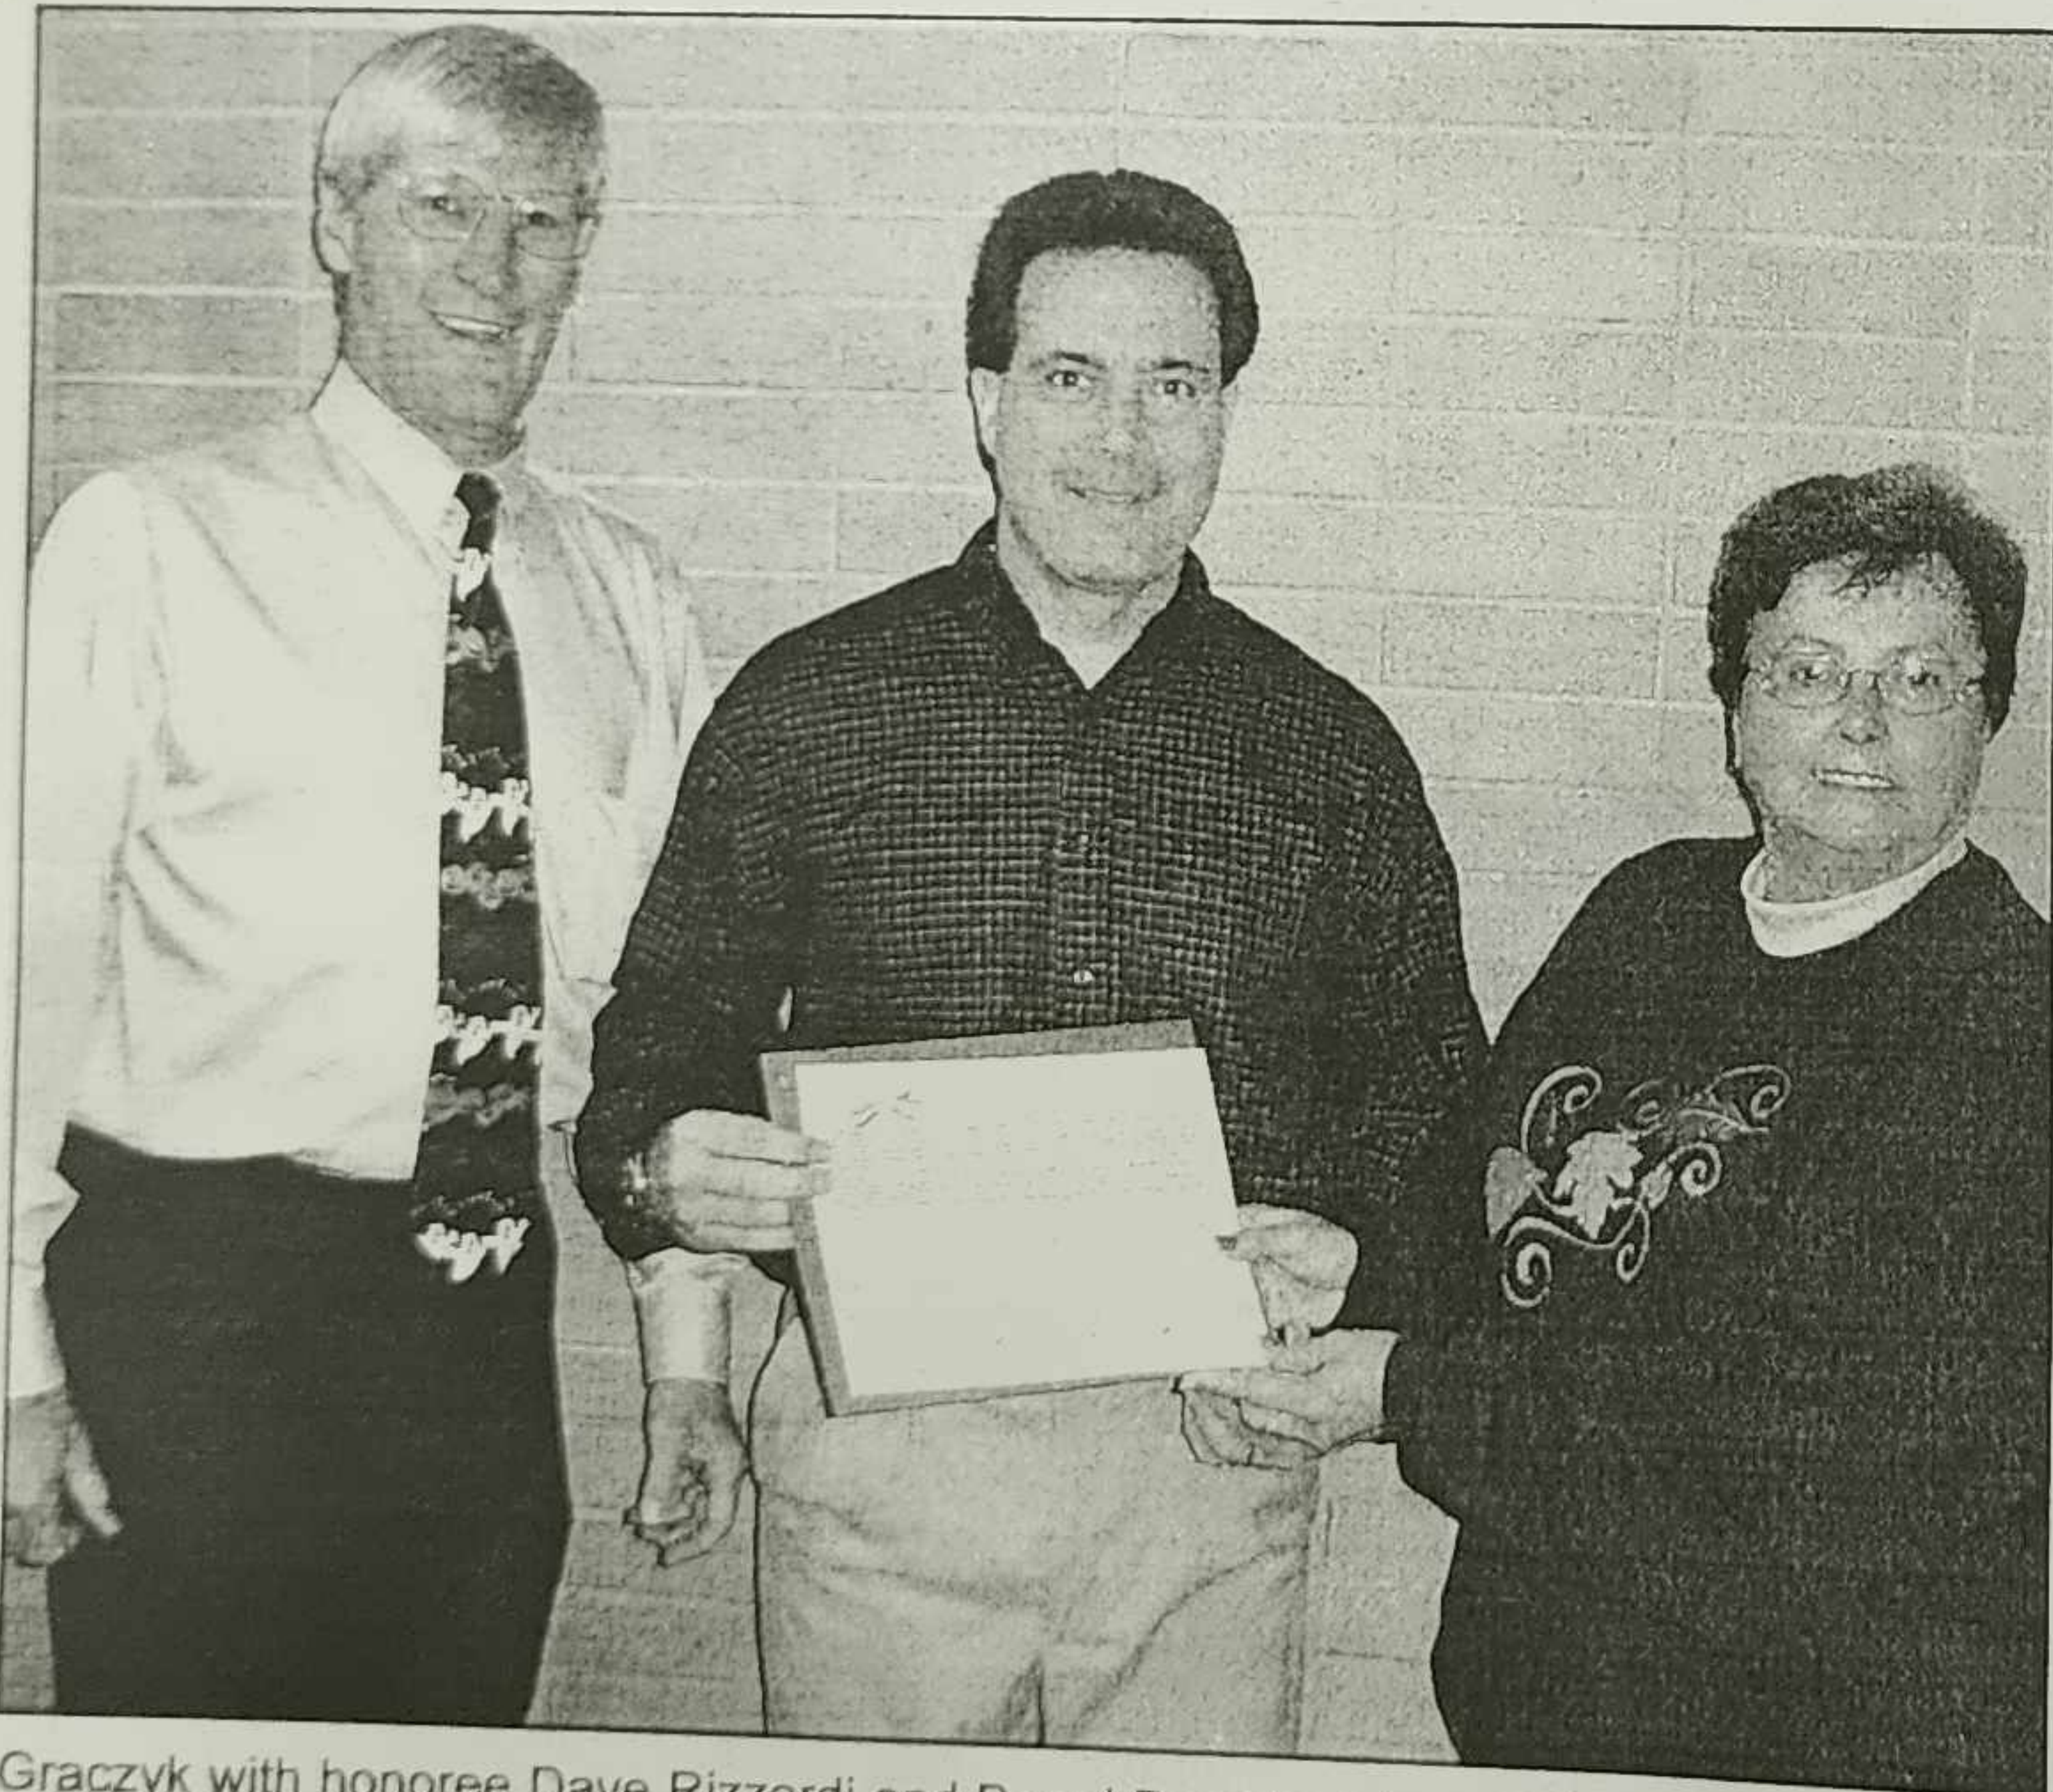

Back row: Kewaskum Elementary School Principal Kieth Kriewaldt, Honoree Ann Panzer, Superintendent Wayne Graczyk. Front row: honorees Elmer Hallen and Willard (Barney) Prost

Board President Jean Goeden with honoree Lloyd Koch.

Lora Schreiber with Goeden.

Graczyk with honoree Dave Rizzardi and Board President Jean Goeden.

The Kewaskum School District is pleased to announce more starfish winners.

Lora Schreiber has been teaching in the Kewaskum School District since 1975. She makes a difference by being involved with The Earth

Partnership Project; The Farmington Prairie Committee; The Bluebird Project; and in the spring she organizes a fund-raiser collecting cans for The Tirimbina River Forest Project. Last year Mrs. Schreiber's class became Pen Pals with students in a school

in Moldova. We are fortunate to be able to recognize a true professional and a dedicated member of the teaching staff. David Rizzardi joined the Kewaskum teaching staff in 1978. His dedication to FFA and the Ag Program is to be highly commended. Dave

has coached the girl's volleyball team for the past 25 years, won 6 conference titles and has taken his team to state on 3 different occasions.

Mr. Rizzardi has certainly made a difference in the Kewaskum School District.

Ann Panzer is recognized for her endless dedication to our students. Ann was the first female School Board Member, elected in 1968. She makes a difference by making our schools a better and brighter place to learn by using her artistic talent to create bulletin boards and decorate the large art display case at KES with artwork. Ann helps with class projects and has supported the students by reading to them at the different elementary schools.

Willard (Barney) Prost is recognized as the District's most seasoned spectator. Barney has been a fan in the stand, rain or shine, win or lose, and our home games would not be the same without his presence. The District honors Mr. Prost for his dedication to our students, and for making a difference!

Elmer Hallen is appreciat-

ed for his unbounded support of the District. Mr. Hallen has worked with the schools, teaching our students to respect the American Flag. He provides information on the handling and folding of the flag and has helped to ensure that every room in the District has a flag. Mr. Hallen has shown his support of the District and its goals in being an advocate for the elementary school referendum and other District projects. Mr. Hallen makes a difference!

Lloyd Koch, a respected community member, takes an on-going interest in the performance and goals of the School District. As a veteran of our Armed Forces, he understands the meaning of commitment and support. Mr. Koch demonstrates these two values by sharing his knowledge of District functions with the community through his Letters to the Editor in our official newspaper. Lloyd continues to make a difference in our community and in the lives of our children by being an informed and involved citizen.

Son of Kewaskum native helping to restore and rebuild war-torn Tikrit

Shaun Schaefer receiving promotion to PFC and his combat badge while serving in Tikrit, Iraq.

Sadaam's Palace in Tikrit, where Shaun is quartered while stationed in Iraq.

Former Kewaskum resident, Steve "Monk" Schaefer, (son of the late Marvin and Marcella Schaefer of Kewaskum), and his wife, Gloria, currently residing in Platteville, supplied these pictures of their son, Shaun who is currently serving this country in Iraq in the city of Tikrit. Shaun's Company is living in Saddam Hussein's palace in Tikrit. They sleep 20 soldiers to a room. The palace is well fortified. They must wear full combat gear just to go to the mess hall as they must be ready at all times to fight. He says it is finally down into the 90's and isn't quite as hot as it was in summer.

Shaun reported that the United States is accomplishing wonderful things in transforming this oppressed country into a free society. Morale is high and there is a high success rate on combat missions.

Aside from combat, the soldiers are helping the citizens rebuild their country. In his region, over two million dollars in contracts (local contractors) for rebuilding key facilities were awarded. This was the first of over forty million dollars in projects that they will start and complete over the next three months. They have distributed over \$150,000 in cash, on the spot, to local people, businesses and small schools to let people know that we can make improvements now vs. making promises for the future. It is important that they see immediate results to know America cares about them. Every Company Commander carries cash so he can employ local Iraqis, buy toys for local children or just purchase paint to restore and clean up a small community.

Tikrit and Shaun's Van-

guard Area of Operations, in particular "C" Company, embarked on an aggressive program to remove the war torn look of Tikrit and provide an area in Iraq where the people would see visible examples of security and progress. During the month of May, the soldiers accompanied by a platoon of engineers waited patiently for the hot sun to retreat for the evening and all the local Iraqis to return to their homes for the night. The soldiers would immediately move throughout the city with heavy machinery and trucks loaded with new barriers to replace sand bagged and concertina wire positions that reminded every local that their country is at war. When the sun would rise each day, the local Iraqi people were exposed to an environment without the clutter and constant re-

mindings of war. "C" Company also employed locals to apply fresh paint to structures neglected for decades and teams of Iraqis worked throughout the cities and small towns to remove graffiti that sustained increased tensions between our soldiers and the people they came to liberate. The efforts of this company in one of the most publicized cities in Iraq have set a standard for other Task Forces to follow.

Several other projects have improved our relationship with the people in the community. "C" Company opened the Tikrit swimming pool and attended the first graduating class of young children who learned to swim. The Army purchased

and issued soccer uniforms to thirty-six teams in the area to restart one of the top sport activities in Iraq. We held a partnership day with our National Guard Battalion that included sports and weapons proficiency events. Each team was a mix of Iraqi National Guard soldiers and Task Force Vanguard soldiers competing together to beat other mixed teams in the two battalions. This event alone solidified the bond among the two cultures. These types of activities are going on all around Iraq but are rarely reported in the media. America's presence is appreciated by most of the Iraqis. Shaun is proud to be part of the liberation and his parent's are proud of him and his fellow

IN TODAY'S JOB MARKET, THIS IS THE FAST TRACK.

Earn up to \$40,000 your first year and up to \$75,000 in future years.*

Are you interested in a job opportunity with strong earnings potential, great benefits and rapid growth?

Train Service Personnel are responsible for moving freight trains and switching cars safely in yards. The work involves inspecting cars, boarding standing and moving cars, coupling air hoses, operating track switches, and using signals and radio communications to control train movement. Applicants must be at least 18 years old, pass a reading test, physical ability test, medical and drug test, color vision exam, and a comprehensive background investigation. The ability to work "on-call" is mandatory.

Openings are now available in your area as well as many other locations. To apply, visit our web site at www.up.com, then *Jobs at UP and View Positions*. Applications received are reviewed on a first-in, first-out basis by date order, so hurry and apply today!

*Varies based on seniority, profit, location and work schedules.

OBITUARIES

HENRIETTA E. 'TOOTS' KORCHUNOFF

Henrietta E. "Toots" Korchunoff, age 88, of West Bend, formerly of Kewaskum, St. Kilian and Milwaukee, passed away on Tuesday, October 19, 2004 at the Samaritan Health Center in West Bend.

She was born on January 21, 1916 in Kewaskum, the daughter of the late Herbert and Selma "Sally" (Miller) Backhaus, Sr. and on May 22, 1948, she was united in marriage to William Korchunoff in Milwaukee. Her husband preceded her in death on January 25, 1997.

Henrietta was a member of Peace United Church of Christ in Kewaskum.

Survivors include three children, Richard Lynn, Sandra (Jay) LeMay and Betty (Richard) Ackerman all of West Bend; two brothers, David "Daisy" (Virginia) Backhaus of Kewaskum and Richard (Marilyn) Backhaus of West Bend; a sister, Linda Reith of Hubertus; a brother-in-law, Peter (Marcel) Korchunoff of Fox Point; two sisters-in-law, Eileen Korchunoff of Red Granite and Marge Lynn of West Bend; 14 grandchildren, Daphne (Steve) Peters, Tracy Fons, Denise (Joe) Golownia, Jim (Amy) Lord, Pam (Ben) Lord, Mark (Meredith) Lord, Amy (Steve) Whitsett, Cindy (Wayne) Nolte, Jackie LeMay, Bob (Rhonda) LeMay, Terri (George) Zapuchlak, Sherri (Wayne) Gudex, Bonny (Jack) Ruelle and Carrie (Chris) Guse; 21 great-grandchildren, two great-great-grandchildren, many nieces, nephews, other relatives and friends.

She was preceded in death by a brother, Herbert (Sally) Backhaus, Jr.; a sister, Elizabeth (Al) Schnepf; her former husband, Lloyd Lynn; her brothers-in-law, John Reith, John (Daisy) Korchunoff, Al and James Korchunoff and Willard Lynn; her sisters-in-law, Julie (Fred) Thiel and Martha (Lester) Koch.

Funeral services were held at 11:30 a.m. on Saturday, October 23, 2004 at the Miller Funeral Home in Kewaskum. Rev. Eric Kirkegaard officiated and burial followed in Peace U.C.C. Cemetery in Kewaskum.

Friends called on Saturday at the funeral home from 9:30 a.m. until the time of services.

A very special thank you to the third floor staff of the Samaritan Health Center.

ARNOLD R. GUNTLY

Arnold R. Guntly, age 92, of Racine, formerly of the town of Wayne, passed away on Friday, October 22, 2004, at Lincoln Lutheran-Becker Shoop Center in Racine.

He was born on August 24, 1912, in the town of Wayne, the son of the late Henry and Mary (Muehlius) Guntly, and on July 15, 1939, he married the great love of his life, Marie

Habeck at St. John's Lutheran Church in the town of Forest. Together the couple farmed in the town of Wayne until they sold their farm in 1978. They then moved to the town of Caledonia in Racine County to be near their sons and grandchildren. Marie preceded her husband in death on September 6, 2003.

Survivors include three sons, Clifford (Sharon) Guntly of Round Lake Beach, Illinois, Leon (Luan) Guntly of Racine and Thomas (Janet) Guntly of Caledonia; four sisters-in-law, Sarah (Marvin) Mueller, Alice Halfmann, and Lorraine Habeck, all of Fond du Lac, and Lillian Baganz of Mt. Calvary; seven grandchildren, a great-granddaughter, a step great-granddaughter, other relatives and friends.

Arnold was preceded in death by a grandson, Jack Guntly; a baby granddaughter, Margaret Marie; a sister, Lenore Klein; a daughter-in-law, Cindy Guntly, brothers-in-law and sisters-in-law.

Funeral services were held at 11:00 a.m. on Tuesday, October 26, 2004, at the Miller Funeral Home in Kewaskum. Rev. Mark Eckert officiated and burial followed in Lutheran Memorial Park in Kewaskum.

Friends called on Monday at the funeral home from 4:00 until 8:00 p.m. and on Tuesday from 10:00 a.m. until the time of services.

Memorials to the charity of one's choice are appreciated.

JAMES ALLEN FABER

James Allen Faber, 60, of West Bend, passed away Saturday, Oct. 16, 2004 in Wau-paca County.

He was born to the late Walter (Pearl Jones) Faber on June 8, 1944 in West Bend, and married Rose M. Jones on Nov. 10, 1962 at Trinity Lutheran Church of West Bend.

James enjoyed spending quality time with his family, especially his grandchildren. He also loved hunting, fishing, and gardening.

Survivors include his children, Terry (Robin) Faber of Grafton, Jeffrey (Kelly) Faber of West Bend, Judith (Matthew) Allen and Todd (Brenda) Faber, both of West Bend, Jason (Debra) Faber, Tina Faber and Jennifer (Matthew Schlosser) Squires, all of Kewaskum; his dear grandchildren, Mattie and Kerri Faber, Ashley, Ryan, and Alisha Schaub, Jonathon Squires, Lillith Schlosser, Chad and Cody Enright, Brandie Faber, and Ashley and Kathryn Allen; his brothers, Richard Faber, Thomas (Joanne) Faber, Kenneth (Bonnie) Faber, and Randall (Julie) Faber; a sister, Sharon (Gary) Pocian; sisters- and brothers-in-law, Franklin (Shirley) Lotter, James (Janice) Lotter, Carol (Kenneth) Karsten, Judy Lotter, Donna

(David) Zwieg, Kathleen (Randy) Fettig, Otto (Mary) Reetz, and Hugo (Eileen) Reetz. Nieces, nephews, other relatives, and many friends further survive him.

A funeral service in honor of James was on Wednesday, Oct. 20, 2004 at 7 p.m. at The Phillip Funeral Home Chapel of West Bend.

Rev. George Mumm officiated and interment took place in Newark Cemetery at 10 a.m. on Thursday.

Visitation at the funeral home was on Wednesday from 4 p.m. until the time of the services.

In lieu of flowers, memorials are appreciated to either the American Heart Association or St. John's Evangelical Lutheran Church, West Bend.

ROLAND P. SCHLOEMER

Roland P. Schloemer, 95, of West Bend, died on Monday, Oct. 18, 2004 at the Samaritan Health Center.

He was born on March 13, 1909 in the town of Jackson to the late Charles P. and Elizabeth (nee Lorenz) Schloemer.

Roland farmed in the town of Jackson until retiring in 1965. He then became a school bus driver in the Jackson area with Johnson Bus Co., which he did for six years.

He was a member of the Washington County Senior Citizens where he was active in its bowling league.

Throughout his life, Roland found happiness and joy with his nieces and nephews, and later with their children.

Survivors include a sister, Sylvia Staehler of West Bend; eight nieces and nephews, Joseph C. (Sharon) Staehler of Shelbyville, Ind., Fr. Adrian Staehler of Appleton, Karen (Ray) Wollner of Kewaskum, Steven (Rita) Staehler of Kewaskum, Beth (Fred) Lang of West Bend, Robert Theusch and Shirley Theusch, both of Cascade and James (Kalen) Theusch of Franksville; great-nieces; great-nephews; great-great-nieces; great-great-nephews; other relatives and friends.

Preceding him in death were a brother, Lester; a sister, Marion Theusch, and two brothers-in-law, Raynor Theusch and Joseph Staehler.

A Mass of Christian Burial was held on Saturday, Oct. 23 at 11 a.m. at St. Frances Cabrini Catholic Church, West Bend.

Roland's nephew, Fr. Adrian Staehler, O.E.M. Cap., was the presider, and burial followed in Holy Angels Cemetery.

Visitation at the church only was on Saturday from 9:30 until 10:45 a.m.

The Schmidt Funeral Home, West Bend, served the family.

When we are young, friends are taken for granted. When we are old, we know what it means to have them.

IN MEMORY

Remembering **EILEEN MARIE KLEIN**, who passed away four years ago, November 4, 2000.

With the upcoming election approaching, I am forced to remember the last one, when my mind was focused on the unfortunate death of my mother. We planned the wake and funeral around the election so people could vote Tuesday and do visitation Wednesday instead.

This year as I step up to vote, I'll be quietly remembering the pain I held in my heart four years prior to just spending my mom's last living moments with her. It makes me wonder about many things...if mom had lived.

A lot has happened in four years. I wish I could tell her...she gained three new grandkids and one new great-grandchild! Her granddaughter graduated high school, and the other one got confirmed.

Two grandchildren got many quarters from the tooth fairy for lost teeth, while other grandchildren grew their first teeth. Her son went on a family vacation out west to visit the ranch that they went hunting on. Her other son got a new job in Florida, got married and had three kids. Her daughter started her 14th year of teaching. Her husband built their dream log cabin up north.

Yet, amidst all that has gone on without her, I try to believe

that somehow she's taking it in, she's still a part of us. She sees what maybe we can't see. She knows what we only try to understand. It's my faith that by having my one-sided conversation with her, she is still a part of my life.

When the little de ja vue's pop up or the little near "accidents" are avoided, I automatically look upwards and sigh, "Thanks mom! I know you're still looking out for me!"

That's what has to get me through as time passes by and memories become distant - The thought that maybe, just maybe, mom's not always all that far away - but just within reach with a prayer, or a thought!

Always thinking about you somehow, and in some small way...

Lovingly, Sandy

LETTERS TO THE EDITOR

To the Editor:

I would like to make a few comments about all the voter fraud about to take place in Wisconsin, especially in Milwaukee.

The fraudulent voter registration groups which appear to have Democratic Party ties are really running rampant this time by registering and requesting absentee ballots for felons, illegal aliens, dead people, mentally disabled, made up names, and picking names out of the phone book. This we know because some have been caught.

Don't look for anyone to be prosecuted for their efforts as was the case two and four years ago with the "Smokes for Votes" and the "Bingo for Doyle" operations. Gov. Doyle and Att. Gen. Lautenschlager chose not to prosecute those who helped them get into office.

Since Doyle became Governor he has vetoed a republican sponsored "Voter I.D." bill requiring a picture I.D. in order to vote, a simple thing one must show on a daily basis such as cashing a check or renting a video etc. You need to ask yourself "Why" would he not sign this common sense legislation which would stop most of this voter fraud, and your answer should not be all that hard to figure out.

There is a way to counter all the voter fraud here in Wisconsin and other states.

It is estimated that only 25% of people claiming to be Christians vote, "Why?"

All Christian churches are "Pro-life" and those of you who don't vote are just as guilty as those who vote for "Pro-abortion" candidates such as Kerry/Edwards, and Feingold. GOD says you will answer for your deeds one day.

So get out there and counter the vote fraud and vote all "Pro-life" candidates such as Bush/Cheney and Tim Michels, the lives of millions of unborn babies are depending on your Pro-life vote.

And "Yes" your vote will count and will make a difference and 15 minutes of your time is not too much to ask for something this important.

Tommy Thompson

Dear Editor:

November 2nd is an important day to vote. There will be an advisory referendum for our schools. This will give the community a chance to tell the school board what they would or would not support. I believe there are some things on this referendum we must vote yes. After all, we should look at our schools as an investment in our future and the future of our children.

One of the questions will be "Would you like to see maintenance as a referendum question?" I am sure that there are people who look at this question and just see the daily care of our school. But this really is much more than

that. The roof of the high school needs to be fixed and soon. Since we cannot control Mother Nature, this is one thing we can control. The roof is leaking so bad in some areas of the school that some teachers have to put plastic over their desks to protect papers and equipment. Quick fixes are not enough anymore. The longer we wait, the more expensive this problem will become.

Sincerely,
Stacie Schulteis

Letter to the Editor:

Once again Mr. Bob Dohnal, your Republican buddies refuse to give real viable solutions to the healthcare crisis this country is in rather than your band-aid approach.

First of all, you talk about all of the accomplishments of the Bush administration. Let's see, I'll name them for you. He's quadrupled the National Deficit, he's responsible for the over 1,000 lost lives in the quagmire he put us in over in Iraq, bottom line all for oil - not terrorism. He has given huge corporate tax breaks to his campaign contributors. He along with all his other Republican neo-conservatives want to privatize government and de-regulate business. De-regulation just recently caused the collapse of many airlines which filed bankruptcy which we as taxpayers are footing the bill, again.

Privatize? Let's see how about we privatize our police departments all across the county. Isn't the idea of being in business to make as much money as possible? Well, if we have a private firm now running our police departments, they would be in it for profit, right, since it is now a business! I think the police men could probably make over \$100,000 a year for company profits! So now, the cost to taxpayers is it more or is it less? Crawl out of your corporate cave and figure it out!

Privatizing, great idea Einstein. God forbid the rich should have to pay for any programs they couldn't pay for by themselves; for themselves. not to mention all the overtime laws and worker rights laws he has rolled back. Great accomplishment G.W.

I see what you mean Bob. Isn't it amazing that Canadians all get their flu shots and paid for by the government. Why did it take a liberal Governor for Wisconsinites to get prescriptions from Canada for 1/5 the cost here?

Every time you turn on the TV, count how many drug commercials you see. Somebody's got to pay for those. That's you and me back to corporate pharmaceuticals. Gee I wonder if they contribute to G.W.'s campaign? What exactly is G.W.'s idea of solving our healthcare crisis? Does anyone know, or does he just not acknowledge there is one. Let me guess, privatizing? Oh, that's right, that what we have and it's working so

good. But we all know a government run healthcare system would cost way too much, right Bob?

Who's going to be whining and crying about that? The right, wealthy, CEO's and why? Because they got enough in one of their front pockets to pay for their own healthcare for probably two years or more and they don't need a national healthcare program.

Vance Reif

Letter to the Editor:

Attention All Catholics:

The National Conference of Catholic Bishops in their document, Living the Gospel of life: A Challenge to American Catholics" had this to say regarding the Civic and Political Responsibility of Catholics:

We encourage all citizens, particularly Catholics, to embrace their citizenship not merely as a duty and privilege, but as an opportunity meaningfully to participate in building the culture of life. Every voice matters in the public forum, every vote counts, every act of responsible citizenship is an exercise of significant individual power, we must exercise that power in ways that defend human life, especially those of God's children who are unborn, disabled or otherwise vulnerable. We get the public officials we deserve. Their virtue - or lack thereof - is a judgement not only on them, but on us. Because of this we urge our fellow citizens to see beyond party politics, to analyze campaign rhetoric critically, and to choose their political leaders according to principle, not party affiliation or mere self-interest.

As Catholics, as citizens of the United States, we urge all Americans to consider these words and to support candidates who will protect our most basic right the Right to Life.

Proclaim the Gospel of life!
Vote November 2.

Karen Ellefson,
Washington County
Right to Life President

To the Kewaskum Statesman:

In all the years that I have been observing political campaigns I can honestly say that I have never seen a candidacy for office filled with as many distortions and outright lies as the Kerry/Edwards ticket. I can illustrate two shining examples:

Kerry supporters have been blitzing the media with ads lamenting an increase in Medicare coverage premiums that amounts to approximately \$180 per year and implying that this is the fault of President Bush. In reality this premium increase was passed as part of legislation by Congress and signed into law by Bill Clinton approximately four years ago. This was a delayed increase that

Bush had no control over whatsoever.

Kerry has been repeatedly stating that President Bush has placed a ban on stem cell research and extolling all the wonderful cures that Bush is personally preventing. In reality there is no ban on stem cell research and as of right now there are 22 genetic lines that the President has allowed for that are ready and waiting. All the wonderful miracle cures that Kerry and especially Edwards have been clamoring about should have been here by now according to Kerry's time frame. Twenty-two different genetic lines is more than enough to support even the most hideous science. Although I oppose this research, it is better to limit the atrocity to 22 gene sets than to have no limits at all as Kerry proposes. On this matter, Edwards has been especially despicable. In a speech in Iowa on Monday, October 11th, Edwards made the outrageous statement that if Kerry is elected "...people like Christopher Reeve are going to walk, get up out of their wheelchair and walk again." To play upon the unfortunate and to imply false hope like this for political gain is loathsome and shows how low these people will stoop to garner votes.

The perpetration of distortions by Kerry/Edwards can be applied to virtually all the problems they have been blaming on President Bush. The list includes domestic loss of manufacturing jobs, rising cost of healthcare, global terrorism, the rising cost of energy, and even the flu vaccination shortage (as an example - corporations are not moving jobs overseas to "take advantage of Bush's tax breaks for the wealthy" as Kerry has repeatedly stated. They are outsourcing jobs to take advantage of cheap labor that sells in some cases for less than 25¢ per hour. Also - one of the reasons our economy is so vulnerable to high energy costs is because Senate Democrats voted down the President's energy bill. In addition I find it absurd that Edwards would lecture anyone on the rising cost of healthcare when he has made millions as a trial lawyer pursuing medical malpractice lawsuits - one of the main reasons medical costs are going up. Organizations responsible for global terrorism grew exponentially during the eight year tenure of Bill Clinton - a Democrat. The list goes on...)

Both Kerry and Edwards have dismal records in the Senate. Neither can stand on their own voting history because much of their platform is in direct contrast to their votes in Congress (especially Kerry on taxes, gun control and the fight against terrorism). Their only campaign alternative is to attack and distort and lie. Kerry arrogantly talks of Bush's "mistakes" and talks of his many plans to fix everything. We have yet to see any of his plans but he seems

to have one for everyone. To trust this ticket to the Presidency is absurd. Add to this their contribution to the erosion of morality and family values that includes support of unlimited abortion and gay marriage and I think we have a loser.

Doug Rinzel

Dear Editor:

President George W. Bush (R) did what was natural after his first term. After the September 11 terrorist attacks, our homeland security took place. I believe it was acted upon by President Bush and then the war in Iraq was started immediately. He had that much intelligence to know our freedom was being jeopardized. I think it's awesome, amazing, wow! How fast President Bush has given freedom to the Iraqi people with their election soon to take place.

He said "freedom isn't free." America is safer now because of Afghanistan and Iraq. The President is number one and will lead our country and the world to what we have and deserve - Freedom!"

"We're not debating Vietnam, it's about Senator John Kerry's character, he betrayed us in the past, how do we know he won't do it again?" Ken Cordier, Colonial United States Air Force, POW 1966-1973.

The economy has improved tremendously - just look at the real estate properties in the daily newspapers being bought and built - unbelievable. "We will keep the promise of Social Security for Seniors," said President Bush.

It could be and should be and we can do it - you can help by electing George W. Bush for President on Tuesday, November 2, 2004 at the poll of your standing.

Let's vote for President George W. Bush and a Pro-Life Congress. Don't forget to place your vote for Tim Michels for U.S. Senator who is facing Russ Feingold. See you at the polls!

Sue Bingen

To the voters of the Kewaskum School District.

Next Tuesday, Nov. 2nd, YOU will have the greatest freedom anyone could have: voting for the President of the United States. YOU also have a chance to give the Kewaskum School Board some direction or advice. There are six important questions that will shape the future of the Kewaskum School District All 144 square miles!!! (As you know our school district includes, the Town of Wayne, Town of Kewaskum, Boltonville, Fillmore, Beechwood, Town of Farmington and the Village of Kewaskum.)

LETTERS TO THE EDITOR

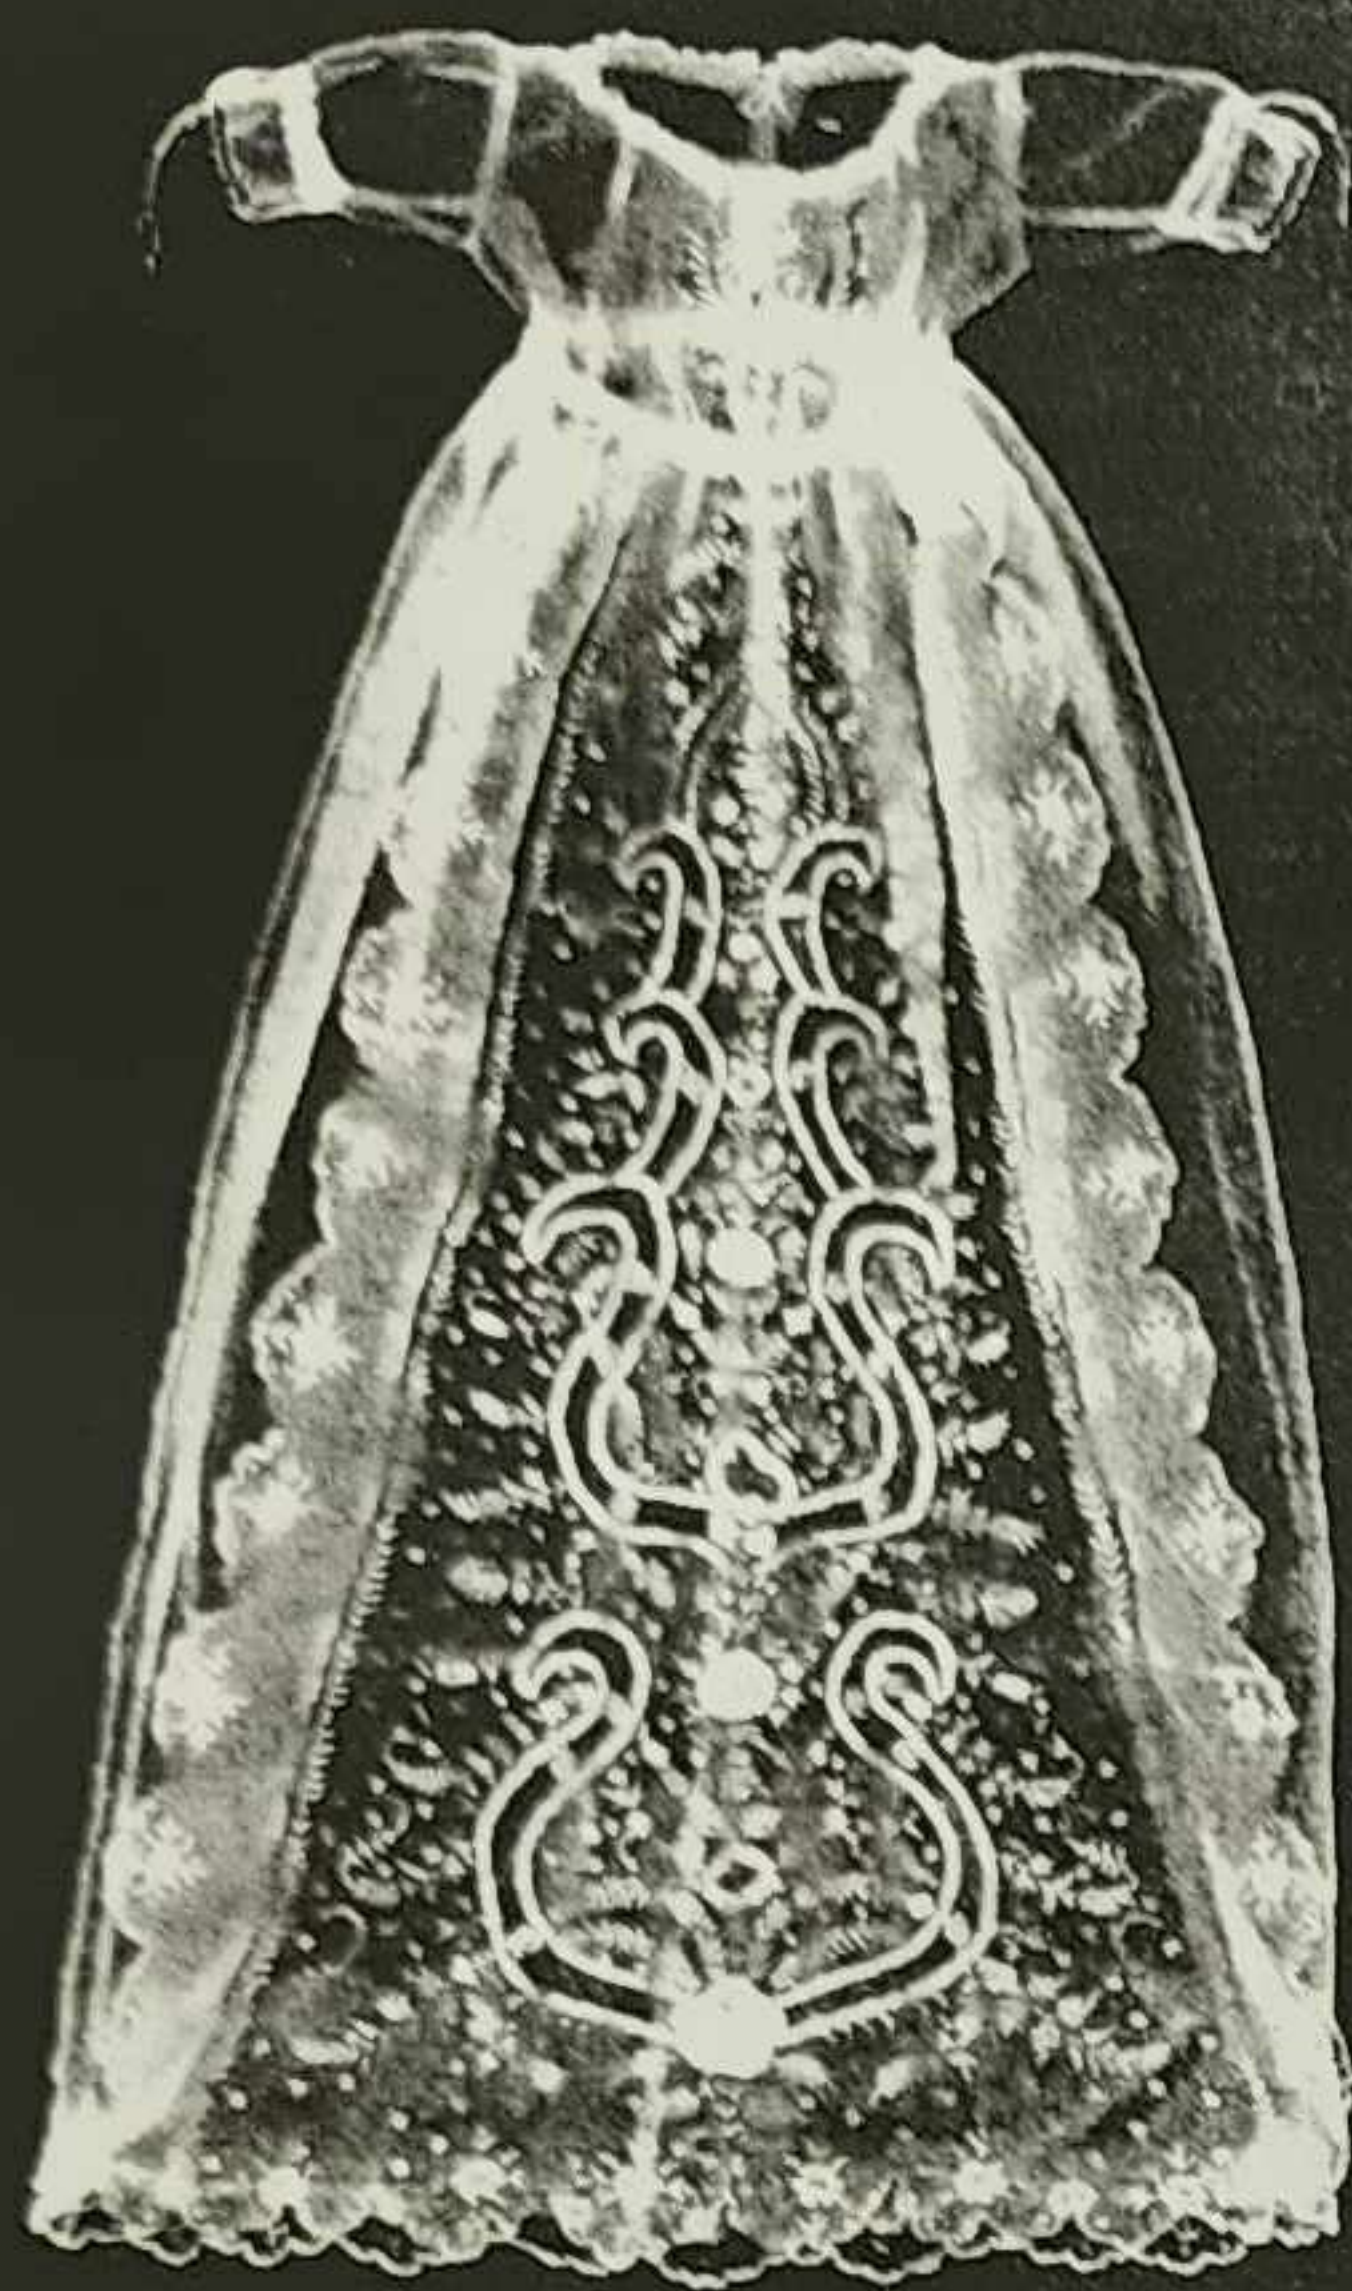

The Bookworm Sez

By Terri Schlichenmeyer

How to be Lost

By: Amanda Eyre Ward

SHADE

NEIL JORDAN

A NOVEL

Have you been to any stores lately? Most of them have Christmas decorations out already; some are even getting ready for Santa's arrival at the store. I once knew a little girl who confided in me that she didn't believe in Santa anymore, but she made a list for "Santa" because it was important to her dad, who couldn't accept that his baby was growing up.

Lost innocence - and murder - are at the heart of the new novel "Shade" by Neil Jordan (c.2004, Bloomsbury), but this is not a mystery at all.

Former actress Nina Hardy died at 3:20 in the afternoon on January 14, 1950. She knows this because her childhood friend, George, sliced her throat and dumped her in the septic tank. George's watch was the last thing Nina saw. Now Nina is a Shade, not quite in this world and not quite in the next. But as a Shade, she can remember...

There was a tree swing in the yard of Nina's home in Ireland. Dan Turnbull, her father's hired hand, put the swing up, and Nina remembers kicking her feet high, looking across the swamp at the river and her father's factory there.

Nina remembers the day she first saw Janie and George across the water. George, who was "not quite right", would sink his toes in swamp mud and when winter came, he didn't have shoes so Nina gave him a pair and George loved her.

The day Gregory came to live with Nina and her parents is a day she savors. Gregory

was the half-brother Nina didn't know she had until she was nine years old. Delighted at finally having a sibling, the two children became close almost instantly.

The years passed, the children grew up. George eventually went to work in the fields while the other three graduated from school. Nina discovered a love of acting. George fell deeper in love with Nina as Nina and Gregory flirted with the forbidden. And then World War I broke out.

George and Gregory enlisted immediately, and as they fought for their lives in battle, Nina had a horror of her own which made her leave Ireland and her family. As a Shade, Nina remembers all this, but she doesn't understand why George killed her so brutally. She's about to find out.

Author Neil Jordan is an Oscar-winning writer, and "Shade" is a book that screams to be on the Big Screen. Some readers might be put off by the elegantly detailed imagery and verbosity of this book, but I thought the words painted a picture of who Nina was and who she became. Although it bogs down a bit in the character's adolescent years, Jordan's descriptions of the horrors of battle are some of the best-written that I've ever read.

If you're looking for something fluffy, "Shade" is not for you. If you don't mind paying attention to get the Big Pay-Off, then pick up a copy of this book, or be sure to ask Santa for it.

(Continued from page 17)

1.) Currently, we are using a 15-year cycle of replacing textbooks. Would you be willing to support a 5-year textbook replacement cycle? Our core and AP classes need to up-date their textbooks to match the fast changes in the world today.

2.) Through some of the grant monies, the technology administrators have been trying to up-grade our computers. Could you support increased technology programs for YOUR students? (I have to compare a computer with my van/car. It needs continuous care and maintenance to be able to work properly.)

One of the BIG reasons to consider the up-grades is the Open Enrollment concept which is relatively new in the school districts. What this entails is: Every February, parents are able to "sign out" their children from our school district and "sign them up" in another school district. While the reasons may vary as to why parents may chose to do this, the FACT remains YOUR tax dollar goes to the other school district. YES, that's right, YOUR tax dollar goes to a different school district.

3.) Would you support additional capital improvements? Energy efficient ways to save monies are always at the forefront of the small projects being done in the district. New lighting in some of the halls at the High School is a great asset and cost effective.

4.) What should this school board do for the future of YOUR children/grandchildren and this community? Buy land for use in 10 to 15 years? We are land-locked. We could go UP.

5 & 6.) Remodel and revitalize the present High School (also the Middle School) to accommodate not only the

students of today, but also the students for the next 10 years? Looking at a "community base/usage facility" with in the MS/HS might be a good way to plan for the future. We don't know what the "numbers" will be concerning the increase in the student count, but with the new sub-divisions surrounding the village, land is in short supply.

As a board, we will have to consider all the options in the directions which YOU, the parent/grandparent and taxpayer, want us to take for the future of YOUR children/grandchildren.

Personally, I believe we could get all of the questions done with time. Planning to remodel the MS/HS may take 2 to 3 years to get a good plan in place. Finding the land and planning the financing will definitely take time.

YOU have the opportunity to give direction to Kewaskum School Board. As YOU plan for YOUR future and/or retirement, so must the School Board plan for the future of our students in the Kewaskum School District today and for years to come.

Next Tuesday, please go to vote for the next President of the United States, and while you are there, take the time to answer all six questions on the non-binding referendum. The future of the Kewaskum School District and this community is in YOUR votes.

Jean E. Goeden
Kewaskum School Board
member/President

Dear Editor:

I would like to personally thank all the businesses and people of Kewaskum who kindly donated money and materials for the Kewaskum High School Musical's modular stage. I have been in the

school musical for four years now, and it will be an unbelievable feeling to actually have a safe stage to perform on. For those of us seniors who have been in the school musical all four years, it is truly amazing to see the positive support pour in from the community.

Part of a great performance includes having a proper stage to perform on. Moving up from tables bolted together to a solid wooden stage is a huge step in the right direction. In order to make the school musical even better in the upcoming years, renovating Rose Hall would be a drastic and needed improvement. The Kewaskum community has turned down building an auditorium time and time again. All we are asking for this time is for Rose Hall to be renovated to improve our school, instead of bolting together tables. Schools surrounding our community have auditoriums with large seating capacities and a permanent stage, while Kewaskum has had tables bolted together.

To us students, the reluctance to build a permanent auditorium demonstrates to us that we are not valued as students in other communities. I am asking the Kewaskum community to take action to improve the Kewaskum school system and provide its students with the same educational facilities as the surrounding communities have.

Sincerely,
Jackie Vandrell
Kewaskum High
School Senior

The Dark Side of HALLOWEEN

HALLOWEEN WAS BANNED! IN AMERICA UNTIL 1845

THE HISTORY OF HALLOWEEN

Halloween is a "Religious" day but it is NOT a Christian day. Tom Sanguinet, former high priest in the Celtic tradition of Wicca (Witchcraft) said "The modern holiday we call Halloween...has its origins in the full moon closest to November 1, the witches New Year. It was and still is when the "spirits" (demons) are supposed to be at their peak power and revisiting the planet earth." He went on to say, "Halloween" is purely and absolutely evil," and there is nothing we ever have or will do that would make it acceptable to the Lord Jesus Christ.

WHAT'S THE DEAL WITH TRICK OR TREAT ANYWAY?

"Trick or Treat is a reenactment of Druidic practiced. The candy has replaced the human sacrifices of old, but it is still an appeasement of those deceptive evil spirits. The traditional response to those who do not treat is to have a trick played on them which has ended with horrific ends. When you give out Halloween candy, you are, in essence providing a sacrifice to false gods. You are participating in idolatry" says the former high priest of Wicca, Tom Sanguinet.

WHAT ABOUT COSTUMES?

Costumes originated with the terrible Druid death rites also. As people with animals were screeching in agony while being burned to death, the observers would dress in costumes made of animal skins and heads. They would dance, chant and jump through the flames in hope of warding off evil spirits.

WHO ARE THE HEROES OF HALLOWEEN?

DRACULA: Did you know he was a real person? He lived from 1431 - 1476AD. During his six year reign this demented maniac massacred 100,000 men, women, and children in the most hideous ways.

WHAT ABOUT HAUNTED HOUSES?

Dracula again claims fame to this issue as well. His devilish plan to rid his country of the burden of beggars, handicapped, sick and aged. He invited them to a feast at one of his palaces. He fed them well and got them drunk. Then he asked them, "Do you want to be without cares, lacking nothing in this world?" they yelled "YES!" Dracula then ordered the palace boarded up and set on fire. No one escaped. This tragic event we know today as the "Haunted House."

Conclusion

Halloween is a pagan day rooted in the worst kind of pagan rituals and worship. The Bible urges Christians to "Have no fellowship with the unfruitful works of darkness" Ephesians 5:11

TOWN OF FARMINGTON MONTHLY TOWN MEETING

The Board of Supervisors of the Town of Farmington will meet on Tuesday, Nov. 2, 2004, at the Town Hall, 9422 Hwy. 144 in Boltonville at 7:00 P.M. to conduct its regular business and to consider such matters as are authorized by law.

Joanne Oneska
Town Clerk

Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Village Board is scheduled for Monday, November 1, 2004, at 8:00 p.m. in the Municipal Building, 204 First Street.

The agendas for the meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of St. Francis Bank.

Village Board Meeting Minutes

Monthly Meeting
October 4, 2004
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Mathew A. Heiser presided. Trustee Thomas Piwoni asked to be excused and was absent; all other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

Action on the minutes of the September 20, 2004 Village Board meetings were deferred until the Meeting of October 18, 2004.

Fire Chief Mark Groeschel presented the September 2004 monthly report:

Fire calls	3	Year to date	24
Jaws	2	Year to date	16
Rescue calls	28	Miles	435

Fire Chief Mark Groeschel informed the Board the Fire Department Officers are planning on the joint Village Board and Fire department Officers meeting scheduled for October 14, 2004.

Police Chief Richard Knoebel had no information to share with the Board.

Director of Public Works, Jerry Gilles reported on the following:

1) Reported to the Board on the growth relating to all of the development since 1994 and the number of sewer manholes as well as sewer main footage, water valves and water main footage as well as miles of additional street. It was stated that all of those increases cause extra or added work for his department. Trustee Kevin Scheunemann suggested that if the need exists we should be contracting out for services.

On a motion by Trustee Kevin Scheunemann, seconded Trustee Steve Scheunemann and carried by the majority by voice vote, the Board approved the issuance of Operators Licenses for 2004/2005 upon proper payment of fees and documentation for the following as recommended by the Police Department:

- Schmitt, Patrick M. Kewaskum, WI
- Theisen, Linda C. Kewaskum, WI

The police had no objections to those listed above.

Administrator Daniel S. Schmidt reviewed the following with the Board:

- 1) Review of League and Taxpayer Bulletins.
- 2) Reviewed the budget control sheet for August 2004.
- 3) Review of correspondence.

On a motion by Trustee Andy Pesch, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	139,821.12
Sewer	171,146.41
Ck #25925 - #26103	
Library Fund	7,198.30
Water Fund	351,363.22
Capital Project Funds	170,404.28
TOTAL	\$839,933.28

Under Protection and Public Safety the following action as noticed and discussed. On a motion by Trustee Andy Pesch, seconded by Trustee Steve Scheunemann and unanimously carried by voice vote, the Board authorized the removal of the stop sign mid block of Edgewood Road south of Brooklane Drive, following the completion of the boulevard south and then the placement of the one-way directional arrows. Also with this motion the Board authorized the placement of a stop sign at the northeast corner of the intersec-

tion of Edgewood Road and Knights Avenue.

Board Representative for the Plan Commission, Trustee Andy Pesch reported to the Board on the Plan Commission meeting of September 28, 2004. The following was reviewed:

1) Review of the proposed impact fees and documentation; action taken noting support of those fees.

2) Reviewed the concept plan for a proposed development in which the establishment of a TIF District may be promoted. Support for this effort was also action to recommend support.

3) Discussion for the amendment of the Land Use Plan for the inclusion of the Prost Farm was recommended.

4) Discussion regarding the three requests for amending the Sanitary Sewer Service area was reviewed and recommended to move forward.

Board Representative for the Library Board, President Mathew Heiser announced a scheduled Library Board meeting for October 11, 2004.

Mid-Moraine Municipal Association Legislative Committee Representative Trustee Andy Pesch announced a Legislative Committee Meeting scheduled for October 13, 2004 at 7:00 p.m.

The Board was also informed that the Village of Kewaskum would be hosting the quarterly Mid-Moraine Municipal Association meeting October 27, 2004.

The Board was given a brief update on the Capital Improvement projects in progress.

Discussion was held on the authorization to sign a change order for Riverview Drive Phase 2. The change order addressed 5 points. Trustee Kevin Scheunemann indicated 4 of the points he could agree with but in reference to the removal of the rock boulders cost should be eaten by the contractor not paid for as the contract calls. On a motion by Trustee Andy Pesch, seconded by Trustee Harry Roecker and carried by the majority, the Administrator was authorized to execute the noted change order. Trustee Kevin Scheunemann voting Nay.

Resolution No. 2004-18A A Resolution of the Village Board Accepting Petition Of Annexation as submitted for the property known as the Behnke and Meilahn property adjacent to Prospect Road and attached hereto: This resolution only accepts the petition it does not actually annex any land.

Resolution No. 2004 ^19 A Resolution For Fire Department Brush Truck Financing as attached hereto:

On a motion by Kevin Scheunemann, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the Board authorized the signing of the developer's agreement for Woodland Creek I (Mr. James Wessing) as prepared by the Village Attorney.

Discussion was held on the proposed TIF/TID preparation of a project plan for the proposed commercial industrial park. Several questions were asked and answered. On a motion by Trustee Andy Pesch, seconded by Trustee Harry Roecker and unanimously carried by voice vote the Board authorized proceeding with Ruckert & Mielke preparing a

project Plan for the proposed TIF/TID at a cost of \$15,000.00. If the TIF becomes a reality the cost is TIF reimbursable.

Administrator Daniel Schmidt reviewed the proposed 2005 budgets for the administration account, municipal building, municipal building annex and debt service. All reflected nominal changes. The debt service budget went up substantially because of the capital projects of 2004. No action was taken on any of the budget accounts at this time.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Harry Roecker and unanimously carried by voice vote the Board authorized the signing and submission of a letter requesting an amendment to the sanitary sewer service area as requested from three properties currently outside of the area. The Prost and Reindl farms are the two primary areas to be added.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Andy Pesch and carried by the majority roll call vote, to adjourn. Roll call vote was 5 "Aye" 0 "Nay" 1 "Absent."

CORRECTION
ORDINANCE NO. 2004-09
AN ORDINANCE CREATING
SANITARY SEWER AND PARK
FACILITIES IMPACT FEES
OF THE VILLAGE OF
KEWASKUM, WISCONSIN

B.
Determination of REC's
1. The property owner shall be charged an impact fee based on the size of the connection to the sanitary sewer system.
2. The fee shall be calculated by multiplying the equivalent meter size ratio (as determined by the Wisconsin Public Service Commission, PSC) by the current year's REC fee to determine a fee for each meter size. The calculations for the 2004 nonresidential development are shown below:

Meter Size	Equivalent Meter Size	2004 Fee Per REC	Fee Per Meter Size
5/8" & 3/4"	1.00 X	\$1,750	=\$1,750
1"	2.50 X	\$1,750	=\$4,375
1 1/4"	3.75 X	\$1,750	=\$6,568
1 1/2"	5.00 X	\$1,750	=\$8,750
2"	8.00 X	\$1,750	=\$14,000
2 1/2"	12.50 X	\$1,750	=\$21,875
3"	15.00 X	\$1,750	=\$26,250
4"	25.00 X	\$1,750	=\$43,750
6"	50.00 X	\$1,750	=\$87,500
8"	80.00 X	\$1,750	=\$140,000
10"	120.00 X	\$1,750	=\$210,000
12"	160.00 X	\$1,750	=\$280,000

C. For redevelopment of previously developed land that results in a larger connection to the sanitary sewer system an impact fee will be imposed for the incremental increase in meter size.

Village Board Meeting Minutes

Regular Meeting
September 20, 2004
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Mathew A. Heiser presided. All other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Thomas Piwoni, seconded by Trustee Kevin Scheunemann and unanimously carried by voice vote, the minutes of the September 7, 2004 meetings were approved as printed.

Linda Theisen President of the Kewaskum Chamber of Commerce was present to give the Village 30 new street banners. The Village Board was very appreciative of the generous gift of banners for the beautification of the Village.

A public hearing on the Application for a Combination class "B" Fermented Malt Beverage and Intoxicating Liquor License for The "B" Zone, LLC, 1257 Fond du Lac Avenue as noticed was held. On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and carried by the majority roll call vote, to close the public hearing. Roll call vote was 6 "Aye" 0 "Nay" 0 "Absent."

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Steve Scheunemann and carried by the majority roll call vote, the Board suspended the rules to take up VIII. Unfinished Business: B. Mr. James Wessing's request as heard at the September 7, 2004 meeting. Roll call vote 6 "Aye" 0 "Nay" 0 "Absent."

Mr. James Wessing was again present to ask the Kewaskum Village board for permission to pay in advance for the future development (building permits) of the RD-1 and RM-1 lots at the current sewer connection and open space fee versus the new impact fee as proposed to be reviewed and implemented in October of 2004. It was noted the suggested Sanitary Sewer connection fee is proposed to be an estimated \$2,000 and the Park/Open Space fee an estimated \$1,200 versus the current \$200 for each that has been in existence since the 1950's. It was noted there are 9 duplex lots and 1 RM-1 lot with a proposed 48-unit multi-family to be constructed on it.

Mr. Wessing pleaded his case indicating even though this is a stand alone development it is part of the first phase and should be treated the same as the first development of 2003. It was noted there were 3 duplex lots and 1 RM-1 lot proposed to have a 48 unit multi-family complex built on it, all having been affixed the \$200 per unit for both sanitary sewer and park/open space.

Attorney Gerald Kiefer informed the Board that when the 2003 development was started and until the fall of 2003, there was no action by the Board to adjust the impact fees. All developments that have occurred to this point reflect the established fee including the two that are pending approval for the signing of the Developers Agreements with the exception of proposed future building unit permits. The impact fees would be reviewed and scheduled for action the 18th of October 2004 after notice of such public hearing and receipt of the engineer's study/report. Attorney Gerald Kiefer informed the Board that there were no alternatives other than the inclusion language as noted or using the old language that he believes would open a legal matter. The agreement could remove said language completely and then let the Municipal Code (ordinances) govern

which is basically the same as the proposed draft; in fact even more costly to the Developer because of the RS-1 lots also being impacted with the new fees. On a motion by Trustee Apdy Pesch, seconded by Trustee Harry Roecker to leave the developers agreement as is to capture the going rate of impact fees upon filing for a building permit per the number of units for this Woodland Creek I development died for lack of a majority by roll call vote. Roll call vote was 3 "Aye" 3 "Nay" 0 "Absent." Trustee Andy Pesch, Trustee Harry Roecker and President Mathew Heiser voting "Aye" and Trustee Kevin Scheunemann, Trustee Steve Scheunemann and Trustee Thomas Piwoni voting "Nay." Discussion continued with no resolution to the request. Mr. Wessing asked the Board that if he agreed to sign said

Developers Agreement as drafted would they be receptive in reference authorizing the signing of it. The consensus of the Board was that they would concur with Mr. Wessing wishes.

The Fire Chief Mark Groeschel informed the brush truck chassis was delivered and will be taken to the fabricator for installation of the box soon.

Police Chief Richard Knoebel presented the August 2004 monthly report:

Criminal arrests	29
Criminal investigations	49
Traffic warnings	144
Traffic citations	58
Adult arrests	41
Juvenile arrests	11
Property stolen	\$235
Property recovered	\$55
Parking warnings	23
Parking citations	18

Director of Public Works, Jerry Gilles reported on the following:

1) Informed the Board that the Riverview Drive project is progressing well, the asphalt work will begin on Wednesday and be completed by the middle of next week.

2) Reported that a water main leak occurred earlier on Monday 9/20/04 and has been repaired on Meadow Lane.

3) Reported another leak has occurred at the intersection of Clinton Street and Fond du Lac Avenue and that the repair will be completed on Tuesday 9-21-04.

4) Informed the Board that the concrete work has been completed on Edgewood Road and that the asphalt should go down next week.

5) Informed the Board that the sidewalk should be placed on CTH "H" later this week and next with the asphalt work following.

6) Informed the Board that some miscellaneous work needs to be completed on Clinton and that the concrete repair work should be followed with the asphalt work in a few weeks.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review of League and Taxpayer Bulletins.

2) Reviewed the building permit report August 2004.

3) Review of correspondence.

a) Reported that Washington County has received a grant for the Rails to Trails.

b) The village did not receive the grant as proposed for the pedestrian bridge on "H."

Public Services Committee Trustee Kevin Scheunemann Chairman reported on the meeting of earlier this evening. Reviewed the proposed 2005 budgets as related to the committee accounts and that they totaled an 8.5% increase, less than the growth rate. Informed the Board that the Committee recommended favorable action on signing and submission of the recycling grant application and favorable action on the Resolution No. 2004-16.

On a motion by Trustee Harry Roecker, seconded by Trustee

Thomas Piwoni and carried by the majority voice vote the Board authorized the signing and submission of the Recycling Grant application. Trustee Kevin Scheunemann voted no, indicating he is opposed to state mandates and disagrees with the recycling program. President Mathew Heiser asked Trustee Kevin Scheunemann if he was opposed to receiving the estimated \$11,000 plus to help offset the cost to the residents of the Village of Kewaskum. President Heiser indicated his fight should be with the state not the village and its residents. Trustee Kevin Scheunemann indicated wasteful government spending should be opposed even though it may benefit the village.

Director of Public Works Jerry Gilles reported on a meeting he attended on September 20, 2004 at the School District with the Schools Building & Grounds Committee. The group approved the three diamonds resurfacing and shaping. The cost is \$11,850 of which the school would give \$5,000; the village will make up the difference of \$6,850. The village will issue the purchase order and then bill the School District.

Trustee Steve Scheunemann informed the Board that the Sabish Tournament group brought in a plaque thanking the Village and the Board for their support. The Board expressed their appreciation.

Board Representative for the Plan Commission, Trustee Andy Pesch announced a Plan Commission meeting scheduled for September 28, 2004, at 7:00 p.m.

Board Representative for the Library Board, President Mathew Heiser reported that the Library Board met on September 13, 2004, but that he was unable to attend and had no details.

Trustee Andy Pesch the Board Representative to the Mid Moraine Municipal Association informed the Board that a legislative meeting was held on September 8, 2004 and discussion of the Municipal Court was held.

The Board was informed of the USH "45" Ribbon Cutting Ceremony is being planned for the week of October 18, 2004. The location would be adjacent to the Fire Department.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and carried majority by roll call vote, the Board approved the application for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License as heard at public hearing for The "B" Zone, LLC 1257 Fond du Lac Avenue. Roll call vote was 6 "Aye" 0 "Nay" 0 "Absent."

On a motion by Trustee Thomas Piwoni, seconded by Trustee Steve Scheunemann and unanimously carried by voice vote the Board approved the appointment of Angie Donath as the agent for the aforementioned.

Action was taken on Resolution No. 2004-16 A Resolution Requesting Financial Assistance For the Operation Of A Recycling Program And Naming The Authorized Official as attached hereto:

Discussion took place on three items regarding the village participation in the Washington County Comprehensive Planning effort for "Smart Growth." Trustee Kevin Scheunemann informed the Board that he did not agree with the State mandate on Smart Growth and was going to vote against participation with the county even though going it alone would cost the village substantially more. President Heiser informed the Board that this was just the first phase and that once grant money was approved the work would then start, leaving ample time to include any legislative changes generated over the next two to three years.

Action was taken on Resolution

No. 2004-15 A Resolution Establishing Public Participation Procedures For The Multi-Jurisdictional Comprehensive Planning Process as attached hereto: Roll call vote was 5 "Aye" 1 "Nay" 0 "Absent." Trustee Kevin Scheunemann voting Nay.

Action was taken on Resolution No. 2004-17 A Resolution Of Authorization To Participate In The Development Of A Multi-Jurisdictional Comprehensive Plan and To Support Washington County's Application For A Comprehensive Planning Grant as attached hereto: Roll call vote was 5 "Aye" 1 "Nay" 0 "Absent." Trustee Kevin Scheunemann voting Nay.

On a motion by Trustee Harry Roecker, seconded by Trustee Thomas Piwoni and carried by the majority voice vote, the Board authorized the signing and submission of the Cooperative Agreement Between The Village of Kewaskum and Washington County For The Preparation Of The County and Local Comprehensive Plans. Voice vote was 5 "Aye" 1 "Nay" 0 "Absent." Trustee Kevin Scheunemann voting Nay.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni, and unanimously carried by voice vote the Board established the Trick or treat date and time as follows: Sunday October 31, 2004 from 5:00 p.m. to 7:00 p.m.

Administrator Daniel S. Schmidt reviewed 2005 budget information with the Board and asked them if the normal committee budget discussion could be accomplished at regular meeting versus special committee meeting and the Board, by consen-

sus, said yes. On a motion by Trustee Kevin Scheunemann, seconded by Trustee Andy Pesch and unanimously carried by voice vote the Board established the 2005 Budget Public Hearing for November 29, 2004 at 7:00 p.m.

Discussion took place regarding the possibility of calling a special meeting(s) if necessary for the purpose of village participation and support of a business commercial development. By consensus the Board told the Administrator to proceed with looking into the matter to promote such a development as to the establishment of a TID.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Andy Pesch and carried majority by roll call vote, the Board approved the application of the Kewaskum Chamber of Commerce, River Hill Park, Kewaskum, WI for a Class "B" Fermented malt beverage Picnic License for Kettle Kountry Kolers for October 8th to October 10, 2004. Roll call vote was 6 "Aye" 0 "Nay" 0 "Absent."

On a motion by Trustee Thomas Piwoni, seconded by Trustee Harry Roecker and unanimously carried by voice vote the Board approved the appointment of Linda Theisen as the agent for the aforementioned.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye" 0 "Nay" 0 "Absent."

6. Adjourn

LEGAL NOTICES

MEETING NOTICE

The School District of Kewaskum Board of Canvassers will meet on Wednesday, November 3, 2004, at 1:00 p.m. The meeting will be held at the District Administration Office, Board Room, 1455 School Street, Kewaskum, to certify the return of the General Election on the advisory referendum questions. The meeting is open to the public.

INFORMATION TO ELECTORS

(a) Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her vote, except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

(b) (i) If paper ballots or lever machines are used, then on the referendum election question, the elector shall make a cross (X) in the square at the right of or depress the button or lever next to the answer which he or she intends to give.

(ii) If a punch card voting system is used, then on the referendum election question, the elector shall make a punch or a hole at the right of "yes" if in favor of the question, or the elector shall make a punch or a hole at the right of "no" if opposed to the question.

(iii) If a marksense voting system is used, then on the referendum election question, the elector shall make a mark in the space at the right of "yes" if in favor of the question, or the elector shall make a mark in the space at the right of "no" if opposed to the question.

(c) The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking or punching his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

(d) (i) After an official paper ballot is marked, it shall be folded so the inside marks do not show but so the printed endorsements and inspectors' initials on the outside do show. After casting his or her vote, the elector shall leave the voting machine or booth and, where paper ballots are distributed to the electors, deposit his or her folded ballot in the ballot box or deliver it to an inspector for deposit in the box, and shall leave the polling place promptly.

(ii) If a punch card voting system is used, then after an official ballot is punched, it shall be inserted in the envelope provided so the punches do not show. After casting his or her vote, the elector shall leave the booth, deposit the envelope containing his or her ballot in the ballot box, or deliver the envelope to an inspector for deposit, and shall leave the polling place promptly.

(iii) If a marksense voting system is used, then after an official ballot is marked, it shall be inserted in the envelope provided so the marks do not show. After casting his or her vote, the elector shall leave the booth, insert the ballot in the voting device, discard the envelope, and shall leave the polling place promptly.

(e) An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty in reading, writing or understanding English, or that due to disability is unable to cast his or her vote. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

NOTE: Electors residing in municipalities which require voter registration must be registered to vote in this referendum. You can register by contacting your municipal clerk.

NOTICE OF REFERENDUM ELECTION

TO: ELECTORS OF THE SCHOOL DISTRICT OF KEWASKUM ADVISORY REFERENDUM

TAKE NOTICE that an advisory referendum will be held in the School District of Kewaskum. The advisory referendum questions read as follows:

1. We are currently using a fifteen (15) year textbook replacement cycle. Would you support a five (5) year textbook replacement cycle funded through a referendum?

YES NO

2. Would you support increased technology access for students funded through a referendum?

YES NO

3. Would you support additional capital improvements funded through a referendum?

YES NO

4. Would you support the Kewaskum School District in acquiring land for future use funded through a referendum?

YES NO

5. Would you support the Kewaskum School District in the building of a community auditorium funded through a referendum?

YES NO

6. Would you support the Kewaskum School District in remodeling or building additions to the high school and/or middle school funded through a referendum?

YES NO

EXPLANATORY STATEMENT AND EFFECT OF VOTE ON ADVISORY REFERENDUM QUESTIONS

The advisory referendum questions are being submitted to the electors of the District simply as a means of providing information to the School Board. The results of the advisory referendum are not binding on the School Board.

A "yes" vote on any of the questions advises the School Board that you would support a referendum on the subject of the question.

A "no" vote on any of the questions advises the School Board that you would not support a referendum on the subject of the question.

In the event a majority of the electors voting vote "Yes" on any of the questions set forth above, the School Board will be advised as described above; if a majority vote "No" on any of the questions set forth above, the School Board will not be so advised.

School District of Kewaskum
Mary P. Meisser
District Clerk

LOCATION AND HOURS OF POLLING PLACE

At the election to be held on November 2, 2004 in the School District of Kewaskum the following polling place locations will be used for the municipalities and/or wards indicated:

School District Electors Residing in	Vote at	Hours
Village of Kewaskum	Municipal Building 204 First Street Kewaskum, Wisconsin	7:00 a.m.—8:00 p.m.
Town of Kewaskum	Kewaskum Town Hall 9019 Kettle Moraine Drive Kewaskum, Wisconsin	7:00 a.m.—8:00 p.m.
Town of Barton	Barton Town Hall 3482 Town Hall Road Kewaskum, Wisconsin	8:00 a.m.—8:00 p.m.
Town of Farmington	Farmington Town Hall 9422 STH 144 Kewaskum, Wisconsin	7:00 a.m.—8:00 p.m.
Town of Wayne	Wayne Town Hall 6030 Mohawk Road Campbellsport, Wisconsin	9:00 a.m.—8:00 p.m.
Town of Ashford	Ashford Town Hall N1410 Rolling Drive & Hwy 67 Campbellsport, Wisconsin	8:00 a.m.—8:00 p.m.
Town of Auburn	Auburn Town Hall W1728 Sunset Drive Campbellsport, Wisconsin	8:00 a.m.—8:00 p.m.
Town of Mitchell	Mitchell Town Hall W8095 Parnell Road Cascade, Wisconsin	9:00 a.m.—8:00 p.m.
Town of Scott	Scott Town Hall N1306 Boltonville Road Adell, Wisconsin	9:00 a.m.—8:00 p.m.

All polling places are accessible to elderly and disabled voters. Town of Scott is accessible, but inconvenient, to elderly and disabled voters.

5th grade is lone Gridiron winner

By JUDY HARLOW
STATESMAN CORRESPONDENT
jharlow@kewaskumstatesman.com

Whitefish Bay proved to be formidable foes for the Kewaskum Gridiron football teams last Saturday. The visiting Blue Dukes teams won three of four games, including a 16-8 decision in the eighth-grade matchup that was easily the most thrilling game of the day.

"It was an extremely good game," Coach "Jonesy" Korth said, reporting his team scored on a short run by Nate Westerman in the first half. After Brian Backhaus kicked the PAT, the score was tied at 8-8 (In Gridiron football, a run or pass is worth one point after a touchdown while the kick is worth two points).

The second half was scoreless, so the two teams went into overtime. After winning the coin toss, Korth deferred his offensive possession from the 10-yard line.

Whitefish Bay drew the young Indians offside on first down, so the ball was moved to the 5, and a play later, the Dukes scored and kicked the PAT.

Kewaskum started off with a 5-yard run up the middle by Westerman, and the same play netted another four yards, but Westerman had to be taken out of the game with an injury.

A counter play to Ray Wollner did not fool the Blue Dukes, who tackled Wollner for a loss, then a bootleg try lost another five yards, and the game was over. With the loss, the Indians are 3-4.

Korth said Mike Herriges "played really well," as did Joey Paulus.

Kewaskum forced three fumbles, "but none of them was recovered by us," Korth said.

Seventh grade loses — The seventh grade team scored once but gave up four TDs in a 25-6 loss.

"It was pretty sloppy. We just couldn't get the ball moving," coach Tom Kudek said, reporting Cody Lemke scored the Indians' lone TD on a

short run in the fourth quarter.

When asked about who played well on defense, Kudek said, "There were no standouts this week."

With the loss, the Indians fell to 4-2-1 overall.

Close but no win — When asked to describe the sixth grade game, Coach Joe Backhaus said, "It was wet and muddy."

The Indians came close to scoring at the end, with the game ending with the ball on the Whitefish Bay 1-yard line.

"We were right at the goal line ... couldn't get it in," Backhaus said, praising the play of his two quarterbacks, Austin Luedtke and Cody Nuernberg.

"We had a lot of unsung heroes this year," Backhaus went on, reporting Matt Ballard (guard/interior line) and tackle Steve Moser played well, and Cole Roberts (center/defensive end) was "dependable all year."

Fifth graders win convincingly — "We smacked Whitefish Bay around," Coach Mark Walscheske said about his team's 25-7 win, reporting his defense scored first when Lance Pinchard got into the Blue Dukes' backfield, "stripped the ball and rumbled 35 yards for a touchdown."

Kewaskum, now 3-4, forced Whitefish Bay to punt, and on the first play, Eric Perkins scored on a reverse.

Perkins scored again before intermission and got his third TD in the second half.

Whitefish Bay's lone TD came when one of its players stole the ball from Perkins and carried it all the way back for a score.

"The defense was perfect," Walscheske said. "The boys were pumped. Everything was working."

This Saturday, the four Gridiron teams will face teams from Wauwatosa East, playing on the artificial turf at Marquette University's Valley Field. The eighth graders start the action at 9 a.m.

Youth deer hunt October 30 statewide

MADISON -- Youth hunters ages 12 to 15 will be able to hunt for antlerless deer throughout the state on Oct. 30 in a special one-day hunt established to provide more youth deer hunting opportunity.

"The youth hunt was established in 2001 through the Deer 2000 and Beyond project," said Brad Koele, assistant deer and bear ecologist with the Department of Natural Resources. "The youth hunt gives young hunters an opportunity to gain valuable hunting experience and time in the field prior to the traditional gun hunting season."

Since the hunt's implementation, Koele says, participation has steadily increased as more youth become aware of the hunt.

The antlerless gun hunt will be held in all deer man-

agement units, except state park and non-quota units. Any licensed hunter, including youth hunters, can already hunt in a Zone T, Earn-A-Buck, or CWD units on this day, which falls within one of two 4-day antlerless only hunts being held in these units Oct. 28-31.

"This hunt is to give those young hunters who hunt in a regular or Hunter's Choice unit an opportunity to gun hunt for antlerless deer at a time of year when the weather is a little nicer and there is less pressure from other gun hunters in the woods," says Kurt Thiede, DNR wildlife rules and regulations specialist. "The deer management units that are open for the special one-day youth hunt are those designated as 'Regular Deer Season' units on the 2004 DMU map in the center

of the 2004 Wisconsin Deer Hunting Regulations."

Youth hunters must have successfully completed a hunter education program and have purchased a 2004 gun deer hunting license to participate in the special hunt. Qualified hunters may harvest one antlerless deer per hunter's choice or bonus permit in the unit for which that permit was issued.

Youth hunters must be accompanied by an adult 18 years of age or older and one adult may not accompany more than two hunters when participating in this one-day youth hunt. This requirement only applies to deer management units that are not Zone-T, Earn-A-Buck or CWD units.

The regular bow season remains open along with the youth hunt in those units with the special youth hunt.

All hunter's, with the exception of waterfowl hunters, must wear blaze orange when hunting on Oct. 30; this includes archery deer, gun deer and small game hunters.

"In those units holding the special youth hunt archers will be able to hunt and are eligible to harvest a buck, but they are required to wear blaze orange since a gun hunt is taking place," Thiede added.

Seventh grade girls capture track title

A great team effort helped the Kewaskum Middle School 7th grade track team capture the Moraine Conference championship earlier this month. Members of the team include: Row 1 (from left to right) — Rachell Stoffel, Ashley Faber, Anna Butler, Haylie Hansen, Erika Koffke, Haley Gregoriou, Chastidy Stahl, Natasha Wagner, Hannah Reysen; Row 2 — Monica Dehler, Erica Steiner, Heather Schmitt, Meghan Ballard, Savannah Robar, Kelsey Ballard, Haley Rauch, Elizabeth Schreier, Morgan Gradinjan; Row 3 — Erika Heberer, Lauren Gonring, Juanita Rodriguez, Megan Thornton, Jordan Bocher, Lindsey Weiss, Brittany Brodzeller, Amanda Witek, Candace Beine, Ellisa Miller. Their coach is Jason Meinen.

By JUDY HARLOW
STATESMAN CORRESPONDENT
jharlow@kewaskumstatesman.com

In just his second year as coach, Jason Meinen directed his seventh grade girls track team to the Moraine Conference championship.

The young Indians, behind five individual first places and a win in the 4x400-meter relay, amassed 125 points in the conference meet held at the West Bend High School track on October 6th.

The young Indians were way in front of the rest of the field. Slinger finished a distant second with 95 points, followed by Pewaukee, 76; West Bend Badger, 72; Germantown, 67; and West Bend Silverbrook, 48.

Lauren Gonring was a double winner for Kewaskum. She finished first in the shot put with a heave of 23 feet, 8.5 inches (23-8.5), and she also raced to a win in the 1600 meter run, with a clocking of 6 minutes, 12.1 seconds (6:12.1).

Ellisa Miller also chipped in with 10 team points from her first in the high jump (4-5), while Haley Gregoriou was the 75-meter hurdle champion. In the trials, her time was 14.21 seconds, and in the finals, it was 14.24.

The other first place came from Erika Heberer in the 400. She circled the track in 1:09.1, and later combined with Morgan Gradinjan, Monica Dehler and Gonring to take top honors in the 4x400 relay

with their time of 4:55.29.

The other relay quartet, the 4x200, placed second in 2:05.75. Runners in that event were Megan Thornton, Elizabeth Schreier, Haley Gregoriou and Candace Beine.

Contributing important second places were Miller in the 200 (29.78) and Heberer in the discus (62-2). The discus was a good event for the champions, who also got a third place from Thornton (61-9), who was just five inches behind Heberer.

Coming in third in the 800 was Monica Dehler (2:58.5) and the 4x100 relay consisting of Erika Koffke, Candace Beine, Erica Steiner and Butler, added a third with their time of 1:01.11.

Other Kewaskum places included: 4th by Miller in the 100 (14.08), sixth by Schreier

in the 200 (31.35), sixth by Chastidy Stahl in the 75 hurdles (15.39), seventh by Gregoriou (11-7) in the long jump and seventh by Beine in the shot put (21-0).

The young Indians went 3-1 in dual meets, losing their opener to Slinger, which traditionally has a strong team, according to Meinen, who said, "we didn't win a single relay in that meet and lost by about 15 points ... we hoped the girls learned something from that meet."

About the conference meet, Meinen said, "Everything came together that day. To win by that much was a real shock." He was proud of all the girls on the team.

Next week — results of the eighth grade track competition.

Near miss is painful for Indian runner

By JUDY HARLOW
STATESMAN CORRESPONDENT
jharlow@kewaskumstatesman.com

Just five ticks on the clock. That's the all time that kept Kewaskum High senior Josh Meyer from qualifying for the WIAA Division 2 State Cross Country Championships for the second year in a row.

Meyer was timed in 17 minutes, 21.88 seconds (17:21.88) for the 5,000-meter sectional race held in Mayville on Oct. 23, and the final qualifier, Patrick Behringer of Kettle Moraine Lutheran High, finished in 17:16.77.

"We were all disappointed that Josh did not make it to state, but overall I am very pleased with the season and the team's efforts," KHS coach Dave Drexler said.

By having all five of its counters in the top 14, Shorewood easily captured the team title with 41 points. Sheboygan Falls, the Eastern Wisconsin Conference champion, placed second with 71 points and also moves along to the state event Saturday in Wisconsin Rapids.

Lomira placed third at 126, followed by Milwaukee Lutheran, 146; Kettle Moraine Lutheran, 172; Kewaskum in sixth with 178; Grafton, 206; Waupun, 209; Luther Prep, 218; Campbellsport, 252; Brown Deer, 260; Winnebago Lutheran Academy, 299; Mayville, 329; Horicon, 368; and Columbus, 379.

The individual champion was Shorewood sophomore Dennis Walsh, who blazed to a time of 16:46.06, 16 seconds ahead of Mike Rudebeck of Sheboygan Falls (17:02.56).

The top five finishers, not

from the qualifying teams, also earned the right to run in the state competition. They included: Dallas Vincent of Mayville, fourth in 17:08.23; Nate Maschke of Grafton, fifth in 17:08.63; Aaron Goodman of Milwaukee Lutheran, sixth in 17:09.71; Paul Murphy of North Fond du Lac, eighth in 17:12.94; and Behringer, who placed ninth right ahead of Meyer.

For Kewaskum, Bob Gibson, Zack Van Wormer and Jon Hawig ran pretty much together. Gibson wound up 37th among runners from full teams. His time was 19:08.54, with Van Wormer next in 39th place at 19:13.33, followed by Hawig, who was 44th in 19:30.09.

Adam Janz was the Indians' fifth finisher. He hit the tape in 19:50.30, good for 52nd.

"I feel everyone ran their best effort. There was a lot of good competition," Drexler said. "There will be a good group returning next year and hopefully as a team we'll move up to fill the void left by Josh."

Shorewood doubled its pleasure by also winning the girls' title with 48 points. Finishing second and also going to state is the team from Winnebago Lutheran Academy, which came in with 92 points.

The winner of the 4,000-meter race was Claire Maduza of Shorewood, who had a 14-second cushion on the runner-up with her time of 15:51.35.

Kewaskum had just two runners again. Sophomore Nicole Stern turned in a nice effort, placing 79th behind a time of 20:04.77. Crystal Treptow placed 91st at 21:28.20.

Indians play hard but fall victim to Plymouth

By JUDY HARLOW
STATESMAN CORRESPONDENT
jharlow@kewaskumstatesman.com

One individual goal was met, but the Kewaskum High football team came up a little short last Thursday in its bid to reach the 2004 playoffs.

Junior running back Garrett Donath rushed for 167 yards in 34 carries, pushing his season total to 1,020, but the Indians were unable to pull off the upset against host Plymouth, losing 27-8.

"It was a lot closer than the final score indicates," KHS Coach Jason Piittmann said the morning after the season ended. "We had 43 plays in the first half. We controlled the ball, but we just couldn't get it in the end zone."

With the loss, Kewaskum finished at 3-4 in the Eastern Wisconsin Conference, in a tie for fifth place. Plymouth, with help from Roncalli, a 6-0 upset winner over Sheboygan Falls, wound up taking a share of the conference title with Sheboygan Falls. Both teams ended at 6-1 and now turn their attentions to the playoffs.

Kewaskum started out well offensively, driving steadily to the Panthers' 25-yard line before quarterback Chad Piwoni was flushed from the pocket, fumbled on a rollout play and Plymouth's Mitch Adams' scooped it up and was off to the races for a 70-yard TD gallop.

"Once he got the ball, there was no one who was going to catch him," Piittmann said, referring to Adams' speed.

The quarter ended with the

score at 7-0 and the only other points put on the board before halftime were the six on two field goals by Plymouth's Kyle Gillman, who hit the first from 18 yards out. The second, a 25-yarder came with :02 left in the half after a drive was thwarted by the Indians, who turned in some pretty good defense.

"Defensively, I couldn't complain at all," Piittmann said. "Their speed ... it just scared the heck out of me." Eventually Plymouth's depth and quickness "just wore us down."

Plymouth's first offensive touchdown came in the third quarter on a 31-yard run by Craig Nennig, who ended up with 121 yards rushing in 18 carries. Dylon Dellger was perfect on the PAT.

Plymouth also scored in the fourth quarter when Mike Dickman found the end zone from 2 yards out. This time Dellgar drop kicked the ball for the PAT.

"We scored in the final minute," Piittmann said, reporting tight end Matt Parrent gathered in a 3-yard pass from Piwoni to prevent the shutout. Donath tacked on the 2-point conversion on a run.

For the game, Kewaskum piled up 300 yards, with Donath the workhorse, running most of the time behind Ross Stockhausen.

"Offensively, we knew we could run up the middle," Piittmann said. "Both 'Stock' (27 yards in six carries) and Donath were able to get a lot of yards."

Piwoni wound up complet-

ing eight of 18 passes for 75 yards with Parrent gathering in six for 63 yards.

Again there were several key balls dropped by receivers, and Piittmann said Plymouth had a strong pass rush most of the game and shut down the Indians' outside running game.

"We had a tough time sweeping on them ... but we were able to option and run the trap," the coach said.

Individual standouts on defense included Andy Marx, Josh Kelly and Mitch Paulus. "Marx really stepped up," Piittmann said, indicating Paulus had a couple of key deflections.

About the playoffs, Piittmann said, "We knew we had to win to get in."

"It was disappointing for the seniors," Piittmann said, "but they put together their first winning season" after ending up below .500 as freshmen and JVs. "That's a nice accomplishment for them."

While not reaching the playoffs was disappointing, Piittmann is optimistic about next year because of all the junior starters he has returning.

Still, "The what will-be, that's up to the underclassmen," Piittmann said, referring to how hard they work in the off-season.

Final EW standings: 1. (tie) Sheboygan Falls and Plymouth, 6-1; 3. (tie) New Holstein and Campbellsport, 4-3; 5. (tie) Kewaskum and Two Rivers 3-4. 6. Roncalli, 2-5; 8. Kiel 0-7.

playing a foreign exchange student early in the season.

Johnson scored twice in the first half and added another goal after the break.

"He (Johnson) was quick. You see (Jason) Jahnke, and he's fast. Johnson is just as fast," Hill said.

The bright side of missing some of the regulars, according to Hill, was "It gave us a chance to get the freshmen and sophomores in."

Hill said his team did have several scoring opportunities, including two by Noah Olla in the first half when the Indians were behind 1-0 and 2-0 and would have helped give them some momentum.

Still, Hill admitted, "They (Owls) were just too strong for us."

Defensively, the play of Ryan Wunsch and junior Austin Flanders was lauded. "We started the freshman Wunsch on the left side. He did a super job," Hill said, adding, "Austin Flanders

(center middle) has been doing a great job for us all season. He'll be coming back next year. He'll have a huge role."

Frank Cole was also saluted for his efforts in the season finale, along with sophomore Jacob Cochran, who improved offensively as the season progressed.

"I think we've got some good potential (coming back)," Hill said, reporting the team loses four seniors, including Olla, Justin Brockman, Tyler Hickman and Todd Warnecke. "At least we're not going to be decimated."

Hill said he and his co-coach John Berst are going to give an evaluation to each player on the team and point out areas that need improvements. The two men hope the returning players will take the opportunity to work in speed camps and skill camps during the off-season.

Outdoor Adventures

The Journey Continues

Hello Friends,

As you read this week's story, I am somewhere in Montana hunting elk and either mule deer or whitetail deer. I had to get a column ready before I left, because this hunt is a two week trip, so here's what I have to say:

As you may know, my wife Laurie and I are raising our boys and Selina by the garden, fishing pole, hunting and firewood way, as well as raising our own livestock. Our garden, thanks to manure from the cattle, has become a major food producer. The sand that makes up our property was worthless for growing crop. With manure mixed in and plenty of water, our harvest began with green beans, lettuce and broccoli in June, and ended last week with 100 pumpkins.

For the second year in a row, we raised 35 chickens from birth, and this spring added muscovy ducks. We butchered 14 ducks and, on this very day, have two hens sitting on 24 eggs. What will hatch is anybody's guess. Earlier this week, we butchered a steer that was grain fed since being pulled off milk.

Growing your own meat provides the type of quality you cannot find in a store. We heat our house with wood and though it's work, none of us would have it any other way. Wood heat takes a lot of the misery (including pain) out of winter.

Last year I wrote that we started a campfire wood business for the boys to give them some cash. The firewood business has provided money for both their savings accounts and pocket money.

Our family is what you could probably call low income, but our quality of life is better than some high income people I know.

As you read this, we the people of the United States are very close to one of the most important presidential elections of all time, also the closest. Wisconsin is considered a battle ground state and will more than likely play in heavily on the final electoral vote to decide the next president.

Something that I am hearing from John Kerry's speeches is that he is the most anti-gun presidential nominee in the history of the United States. What I am about to say can be researched at www.nrapvf.org in case you do not believe me.

During John Kerry's 20 years in the U.S. Senate, he has voted 51 of 55 times against guns. The only four

times he voted pro-gun it was with the agreement that anti-gun amendments would be put on the bill. Specifically, John Kerry is the co-sponsor of s.1421 which is a ban on "any semi-automatic shotgun or rifle."

I hunt ducks with a semi-automatic shotgun and will be hunting elk with a semi-automatic rifle. If John Kerry's bill were to pass, my firearms would be illegal, and if I did not turn them in, I would be considered a criminal.

John Kerry also wants a ban on most center fire rifle ammunition. His statement before the Senate concerning his ban on semi-automatic rifles and shotguns: "For those who want to wield those weapons, we have a place for them. It is in the U.S. military, and we welcome them."

John Kerry is also against the sale of firearms at gun shows and against person-to-person gun sales and for strong punishment of parents whose children commit a crime with one of their firearms. I watched two of the presidential debates and the vice-presidential debate and heard neither Kerry nor Edwards go public on these thoughts or actions.

I also have yet to hear this type of talk when they are giving speeches in Wisconsin. John Kerry took part in a pheasant hunt in Iowa which was strictly for publicity with anybody from the media welcome. I personally watched my friends in Canada become hamstrung by the same types of gun rules John Kerry is going to continue to try to make law in the U.S. if he becomes president.

George Bush has his share of inadequacies, but at least the outdoor people of this country know where he stands by his track record, and it is with us.

I challenge you to read www.nrapvf.org. Consider what John Kerry could do to you or your loved ones future and then get everyone you can to vote for George Bush on November 2.

I'm doing my part!

Short-handed Indians fall to Slinger

By JUDY HARLOW
STATESMAN CORRESPONDENT
jharlow@kewaskumstatesman.com

They were able to contain most of the Slinger forwards, but the Kewaskum High soccer players simply could not stop Sam Johnson in Thursday's Division 2 soccer regional.

Johnson scored three goals, leading the host Owls (17-5-5) to a 3-0 shutout victory over the Indians, who were playing without four players out on athletic code violations and another who was injured.

"We were missing those guys," Alex Hill, one of the Indians' co-coaches, said Sunday. "We did what we could with the resources we had available."

The loss ended Kewaskum's season. Hill was not sure what his team's record ended up at because the team had to forfeit a couple victories because of a mixup in

Indians win thriller before bowing out vs. Waupun

The Kewaskum High volleyball team came up with a thrilling 3-2 victory over Luther Prep last Friday in a Division 2 regional match held at Kewaskum. Above, Amanda Magnus, left, and Marissa Dehler both go for dig in the third game of the match, which the Indians eventually won 25-22.

By JUDY HARLOW

It was a roller coaster week for the Kewaskum High girls volleyball team. The Lady Indians soared to a big high Tuesday night after a convincing win over Slinger, hit a low point in their first two games against Luther Prep on Friday night before climbing to an exhilarating 3-2 victory over the Hornets.

The week ended after a tailspin against powerful Waupun in Mayville on Saturday night.

About Friday's excellent come-from-behind win, Rizzardi said, "That was our regional right there" because the team could not match up with Waupun's power on Saturday.

Luther Prep came out smokin' in Games 1 and 2, winning 25-9 and 25-21, and Rizzardi said it was a matter of the Indians playing "very nervous," along with not getting enough height on our approaches and "totally being overtaken by their best two players, Rachel Kieckhafer and Malorie Kiecker.

Oh how the momentum started to turn in Game 3, however. "I think we relaxed a little. Danielle (DeGroot) really started hitting the ball," Rizzardi said, indicating his team also started taking advantage of the Hornets' average passing.

Kewaskum won the second game 25-22, and the third, which produced the same score. It ended with DeGroot hitting a ball from the second row that had so much power behind it, it managed to hit near the top of the net

and climb over and hit the floor before any of the Hornets could react.

Now the fans were going wild. It was like a one-game match again, and Kewaskum quickly jumped out to an 11-5 or 11-6 lead.

"It was just crazy. The fans were really into it," Rizzardi said, reporting the Hornet coach took a time out, and all of a sudden, Luther Prep came flying back to tie the game at 11 and again at 14.

"It went back and forth, and finally I think it was Briana (Bastian) who hit a ball" for a point, and the Indians went ahead and won 18-16.

"It was probably the most incredible turnaround I've ever seen," Rizzardi said.

In that match, KHS had 11 aces, including five by Katie Schroeder, who also went 28x28 in putting up good sets.

Danielle DeGroot had an amazing 29 kills, with help from Amanda Magnus (9), and Bastian (8).

"The last three games were tremendous volleyball games, with both sides taking advantage of some great sets," Rizzardi said, adding, "Friday I think (Marissa) Dehler played her best back row game."

"It was a very emotional

Freshman Christina DeGroot did an excellent job playing varsity volleyball this fall. DeGroot is shown putting up a set for a front line spiker in Kewaskum's match against Watertown Luther Prep.

evening. It just took everything out of you," Rizzardi said. "They (Indians) showed a lot of heart."

No doubt the KHS girls wanted to advance to Saturday and get a chance to play Waupun.

Rizzardi said the first game was like a joust, with the Indians passing well and coming up with some key hits and Waupun doing the same. Kewaskum was competitive as the final score of 18-25 indicated, but, "The passing started going away in" in Game 2, and quickly the Indians were down 0-2 after losing it 8-25.

Waupun ended the match with a convincing 25-4 effort.

"Waupun played at a very high level," Rizzardi said. "If we lost to the eventual state

tian's four and three from Heberer.

KHS blasts Owls
"The Slinger match wasn't much. They're pretty young," Rizzardi said about his team's rather easy 25-11, 25-15 and 25-15 triumph over the Owls.

Kewaskum came up with five aces in this match, including two by Heberer and one each from Danielle DeGroot, Bastian and Christina DeGroot.

The spike leader was Danielle DeGroot, who had an excellent night at the net, pounding down a dozen kills without a single error. The other two seniors, Magnus and Danielle DeGroot, combined for 13 kills.

Christina DeGroot and Schroeder both had nine assists.

"They're going to be good in the future," Rizzardi said about the Owls. "I like their height."

Kewaskum loses Danielle DeGroot, Bastian and Magnus to graduation. All three played key roles in the spiking game, were solid servers and great leaders this season.
