Reactor head causes village residents to do doubletake

The Village of Kewaskum received a strange visitor Monday evening, January 17 as a reactor head for the Point Beach Nuclear Power Plant in Two Rivers strolled into town and spent the night at BP/Amoco gas station on USH 45. Drivers on USH 45 were the first to notice the 218,000 pound part as it came into town off STH 28 west. Traffic at that intersection was tied up about about 30 minutes. On Tuesday morning the entourage set back out on USH 45 towards Downtown Kewaskum on STH 28 East. That whole process took about 45 minutes. The company hauling the reactor, Diamond Heavy Haul is based in Shandon, Ohio. Spokesman for Diamond Heavy Haul, Tom Gallagher said the journey to Two Rivers started on January eighth in Houston Texas. Additional photos can be found on page 10.

LOCAL NEWS BRIEFS

● **ROLLOVER CRASH AT USH 41 AND STH 28** - Two people were injured Wednesday morning, January 19 in a one-vehicle rollover. According to Sheriff Brain Rahn the vehicle, a Geo Tracker was southbound on USH 41 and came upon some black ice, lost control and ended up crossing the median, rolling over and coming to rest in the northbound ditchline. Rahn said one person in the vehicle was trapped and needed to be extricated by Kewaskum Fire Department's Jaws of Life. Kewaskum Rescue Squad transported the victims to St. Joseph's Community Hospital in West Bend. The driver was later taken to Froedtert Hospital in Milwaukee. The crash happened around 6:30 a.m. Kohlsville Fire Department and First Responders handled the call with mutual aid from Kewaskum and Allenton Fire Departments

● **SEMI LOSES TRAILER ON USH 45**- Washington County Sheriff's deputies had their hands full Monday morning, January 17 around 5 a.m. as a semi lost it's trailer near BP/Amoco of Kewaskum. The rig was later fixed but not before tying up both lanes of traffic. No injuries were suffered except maybe a few people late for work.

● **FORMER KEWASKUM ATTORNEY SUSPENDED** - Lynn Morrissey who left her practice in Kewaskum and moved on to Hartford has been suspended by the state supreme court. The suspension is believed to have resulted from accusations that Morrissey mishandled two cases and she violated rules of conduct. According to other media sources Morrissey has already been suspended in October for failing to comply with state investigators. She will be barred from practicing law for the next 60 days.

● **ASST. WASHINGTON COUNTY D.A. ON LEAVE**- Assistant District Attorney for Washington County, Holly Bunch has been out on a leave of absence since December 17. D.A. Todd Martens confirmed Tuesday that Bunch is still employed by his office. He did not say when she would be returning to resume her position. Bunch was reportedly working on two cases before leaving, both of them assault cases involving minors. Both defendants in the cases were due in Washington County Court this week.

Brace pleads guilty in plea agreement

By JUDY STEFFES
SPECIAL TO THE STATESMAN

21-year-old David Brace pleaded guilty Tuesday, January 19 in Fond du Lac County Court to charges of first degree intentional homicide in last summer's murder of Katie Gensmer. Fond du Lac County District Attorney Tom Storm said they were able to reach a plea deal in the case.

David Brace

mer's body was found hours after the horrific murder by a local hiker on the trail. However, during a September court appearance Brace entered a 'not guilty' plea.

Katie Gensmer

The homicide charge against Brace carries a mandatory sentence of life in prison. A sentencing date has not been set. It is expected to be in mid-March.

Gensmer's murder was the only homicide in Fond du Lac County since a 2001 homicide that left a Campbellsport EMT dead inside the Campbellsport Fire Station in the village of Campbellsport.

C-Sport residents have homes broken into

By JUDY STEFFES
SPECIAL TO THE STATESMAN

Neighbors in Campbellsport are dealing with a reality check, that's after nearly a dozen homes were entered over the weekend and items from those homes were stolen. Campbellsport Police Chief Randy Karoses says the disturbing thing is the person entered the homes while people were sleeping.

Early reports say that prescription medication and money were taken.

Chief Karoses says the culprit targeted a subdivision on the south end of the village near Kildeer Avenue. He also indicated the person entered the homes through unlocked garage service doors.

So far, authorities have no one in custody. Chief Karoses believes, it was a one man operation. Authorities in Lomira reported similar incidents over the weekend as well.

Neighbors are being encouraged to lock their doors as the investigation continues.

Under the deal, Brace will have two other felonies and an unrelated charge dismissed. In July, Brace gave a confession to Fond du Lac County Sheriff's detectives. He initially admitted to authorities that he stabbed Gensmer to death on June 30, 2004 at the New Fane hiking trail in the Town of Auburn. Gens-

Plan commission passes TID to kick start the business industrial base

BY CASSANDRA THOMPSON
STATESMAN CORRESPONDENT
cthompson@kewaskumstatesman.com

Opponents outnumber supporters for the \$43.5 million dollar TID proposal.

Despite the unpopular opinions expressed from nearly 20 residents at the village of Kewaskum Plan Commission, the commission board approved the direct annexation petition, zoning request, and they adopted the boundary plan with a 4-1 vote. Plan commissioner Ted Meilahn was the one abstaining vote.

Kewaskum Village President Matt Heiser thanked all the residents for coming to express their views. Although the plan commission was going against what appeared to be public opinion, he assured them the decision was not made lightly; the decision was made after serious reflection and through the consultation of a wide variety of village citizens.

"In the five years since I've been village president, I've seen manufacturers leave the village," Heiser explained the reason behind the vote. "I've seen that we need private development interest to kick start the industrial area."

He cited that this is an opportunity to bring in vitally needed revenue into the village.

"The Kewaskum school district enrollment is not going up for a variety of reasons," he said. The schools will have more money for their budgets, while at the same time, a drain is not being exerted on the school district.

The absence of a healthy industrial center is impacting other services in the village.

"Right now, we have a shortage of volunteers for the fire department," said Heiser.

Heiser claims the shortage of fire fighters has much to do with the residents leaving the village for jobs, instead of being employed in the vil-

lage. People working outside the village can't volunteer because they are tied to jobs elsewhere.

Commissioner Andy Pesch echoed Heiser's sentiment that people want an industrial park in the village, in the hopes of luring business into the area.

Although Meilahn abstained from the vote, he favored improvements in the industrial park with a TID plan.

He chose to abstain because of his intention to sell 20-acres north of the TID project. Meilahn thought it best to abstain to avoid a potential conflict of interest.

Long Lake Snow Golf Jan. 29

The Long Lake Fishing Club is again sponsoring their annual "Snow Golf Tournament" Saturday, January 29th.

The event has been very popular with area golfers and is always a fun time. The 9 hole course will be setup on the small lake at the north end of Long Lake (Tittle Lake). Tee Times can be scheduled from 9 am to 3 pm by calling 920-533-4807. Four-some play for \$20 and an individual round is \$5.

Prizes are awarded for 1st and 2nd male and female low scores, and low team scores. Food and refreshments will be served inside Benson's Hide-A-Way. Additional prizes are awarded for longest drive and longest putt. If ice safety is a concern, call Benson's Holiday Hide-A-Way at 920-533-8219 the morning of the event to check on conditions.

Chamber sends Thank You to community

The Kewaskum Area Chamber of Commerce wishes to thank the community for their support throughout the 2004 Candy Cane Carnival Holiday Season.

The Christmas tree decorations by 15 different youth groups, schools, scouts and 4-H Clubs, was outstanding. Next year there will be an increase to five categories instead of the regular three prizes. Thank you to all the youth groups and adult supervisors - we appreciate your efforts each year.

The Christmas parade was absolutely excellent! Thanks to the judges and all the entries and outstanding float presentation for the community spirit.

A special thanks to the

Kewaskum 4-H Club for assisting chairperson Gwendolyn Dreher in the Christmas tree installation and the boughs and bows on the three bridges plus taking all down again. Last Saturday morning with temperatures at -5 degrees, four 4-H families were there and eager to help with warm hearts.

Special thanks to the Backaus, Harris, Schraufnagel and Thiemer families for their assistance. Also a thank you to Kohn's Citgo for the donation of hot chocolate and coffee after completion to warm all.

The Chamber again says "Thank you" all for your community support during the holiday season. We could not do it without you.

Town of Scott property owners question tax bills

By **BERNADETTE MONDLOCH**
STATESMAN CORRESPONDENT

At the January meeting, were twenty minutes consumed by public input. Francis Michaels and Jim Verhaalen, owner of Four Seasons, had questions on the amount of their tax bills and why some tax bills to Scott property owners went down and others went up as much as 87% in some cases. Another question was, "Where does all this money go, what does the town do with this money?"

The only answer given was that 2004 taxes were based on the results of the 2004 re-assessment of all town properties and that the time to pursue these questions was at the annual "Open Book" and "Board of Review" meetings held in early summer.

The towns portion of the tax bill was less in the past year being reduced to \$ 2.19 per thousand dollars of assessed valuation in 2004. The largest part of the tax figures goes to the various school districts in the town.

No one commented during the public hearing on zoning changes for Vernon Jung, Jr. A zoning change from A-1 to A-5 for 17.2 acres located in Sections 35 and 36 on Highway 28 and 144 was approved. The 5.2 acres is being taken from a 40.3 acre parcel and being combined with a neighboring 12 acre parcel making it 17.2 acres.

Sludge spreading fees have been increased. Beginning in January 2005 the fee for Department of Natural Resources approved sites has been raised to an annual fee of \$100 per site plus \$15 per acre. In the past, the annual fee was \$75 per site.

Todd Shaver, Batavia area resident inquired on the regulations related to withdrawal from the Sanitary District. A current resident has been talking about withdrawing from the system and

installing a private sewage disposal system. Shaver felt that this would be putting an added burden on those remaining in the district. He was informed that once a part of the system, there is no means of withdrawing.

Road Chairman Ivan Kumrow reported nine loads of wood chips were harvested. Work has ceased due to chipper repairs being done at the present time.

Employees were kept busy on January 1 and 2 salting after the freezing rain, January 6 plowing after the 7 inch snowfall and back to salting on January 9 due to freezing rain. The new lawn mower has been delivered and 125 tons of road salt has been ordered. From North America Salt Co.

The report received from Building Inspector Frank Mayer indicates nine new conventional homes and one factory built home erected during 2004.

Beer license was approved for January 16, for the Beechwood Nite Flyers Snowmobile Club.

During December the Batavia 1st responders participated in two medical calls, one car accident, held one practice and one meeting. A special meeting is scheduled for January 24, 2005 to discuss and act upon budget issues.

The Batavia Fire

Department was out on three fire calls, held one work detail, one meeting, held one fund raiser, and completed required fire inspections. The annual fire department meeting will be held on January 15, 2005.

The Beechwood Firemen responded to two fire calls, held three practices, one work detail, three meetings and had an appreciation banquet on January 8th. The new fire truck engine 18 was put into service on January 6, 2005.

Beechwood Fire Department has received a \$58,000 grant for an exhaust recovery system which should be installed by February 15th. Total grants received by the Beechwood Fire Department in 2004 amounts to \$190,000.

FdL Humane Society to help end overpopulation of pets

The Fond du Lac Humane Society is encouraging the community to have their pets spayed or neutered. Pet overpopulation results in millions of cats and dogs of all ages and breeds being euthanized annually in shelters or suffering as strays. Many of these were the result of unwanted, unplanned litters that could have been prevented by spaying or neutering. Rarely surviving for more than a few years on their own, strays die painfully by starvation, disease, freezing or being hit by cars.

In 2004, the Fond du Lac Humane Society took in almost 1600 animals, many of which were unplanned litters of kitten and puppies. By offering to help with the costs of sterilizing pets, the shelter is hoping to decrease the number of stray and abandoned animals in our community.

Thanks to the generosity of International Paper, Wal Mart, and Tobin Manufacturing, the Humane Society is now able to offer responsible pet owners financial assistance in an effort to have more animals spayed or neutered. "We realize that some loving, responsible families just don't have

the resources to get this necessary surgery" said Lucy Mathers, shelter manager. Not only will this help with unwanted litters, but it will also help families establish a relationship with their veterinarians for future medical care.

To qualify for the SNAP, pet owners must meet low-income guidelines and show proof of current rabies and distemper vaccination. Fond du Lac City residents interested in SNAP for their pet can contact the Fond du Lac Humane Society at 922-8873. There will be a limit of two pets per household. If you are interested in donating to the SNAP fund, please call Lucy at 922-8873.

Schools With Faith in Every Student

Today, more than ever, it's critically important to instill an unshakable faith and hope for the future in your child. In Catholic schools, children grow spiritually and develop a personal connection to God that will serve them for a lifetime.

Our faith in every child also means no child is ever left behind. Low teacher-to-student ratios and a total commitment to giving every child personal attention are hallmarks of a Catholic school education. Your child will be challenged in a Catholic school—challenged to grow academically, spiritually, and as an individual.

Give your child a strong foundation for a lifetime of confidence, faith, and service. Enroll in a Catholic school.

Local man performs at Presidential Inaugural musical events

By JUDY HARLOW
STATESMAN CORRESPONDENT
jharlow@kewaskumstatesman.com

Remember Matt Hammen, that tall, floppy-haired kid who finished third in the Division 2 state track meet when he was a senior?

Since graduating from Kewaskum High School in 1998, Hammen spent a couple years studying at UW-Washington County and another two matriculating at UW-Milwaukee.

Then he switched gears into a music career, which has paid some interesting dividends, including an all-expenses paid trip to Washington D.C. earlier this week to play in two of the inaugural events.

That's right. Hammen, and the group Boxkar, which he has been with for the past year, played for one of the biggest social events in the United States.

"We're in Washington D.C. right now. We're in a restaurant, waiting for our food," Hammen said Sunday night in a telephone interview. He and the Boxkar group were flying high with the invitation to play Tuesday in "America's Future Rocks Today" with 3 Doors Down,

The group has done concerts in Chicago, Rockford, Ill, and Minneapolis, and Hammen said it has CDs in all the Exclusive record stores in the Fox Valley and some in West Bend.

So how did this Wisconsin band land the invitations to the inaugural events?

"We were asked to play the rallies in Wisconsin," Chris Szebini, the lead singer of the group, said. "We just sang for the President. We are not a political band ... We must have impressed some of the top dogs" and landed the invitation.

During one of the rallies, Szebini slipped President George Bush one of Boxkar's CDs, which reportedly found its way into the hands of one

of Bush's daughters, who helped select the acts which performed in Tuesday's concerts.

"We're the only unsigned act in Washington," Szebini said, indicating 13,000 people were expected for Tuesday's event at the D.C. Armory and from 60,000-80,000 for the Big Celebration of Freedom in Presidential Park Wednesday. The latter event is open to the public.

"I can hardly eat. I'm so excited," Szebini said, explaining the group "is considered a modern Bon Jovi (band) with a lot of Aerosmith."

Hammen, 25, echoed similar comments, saying this was absolutely a dream

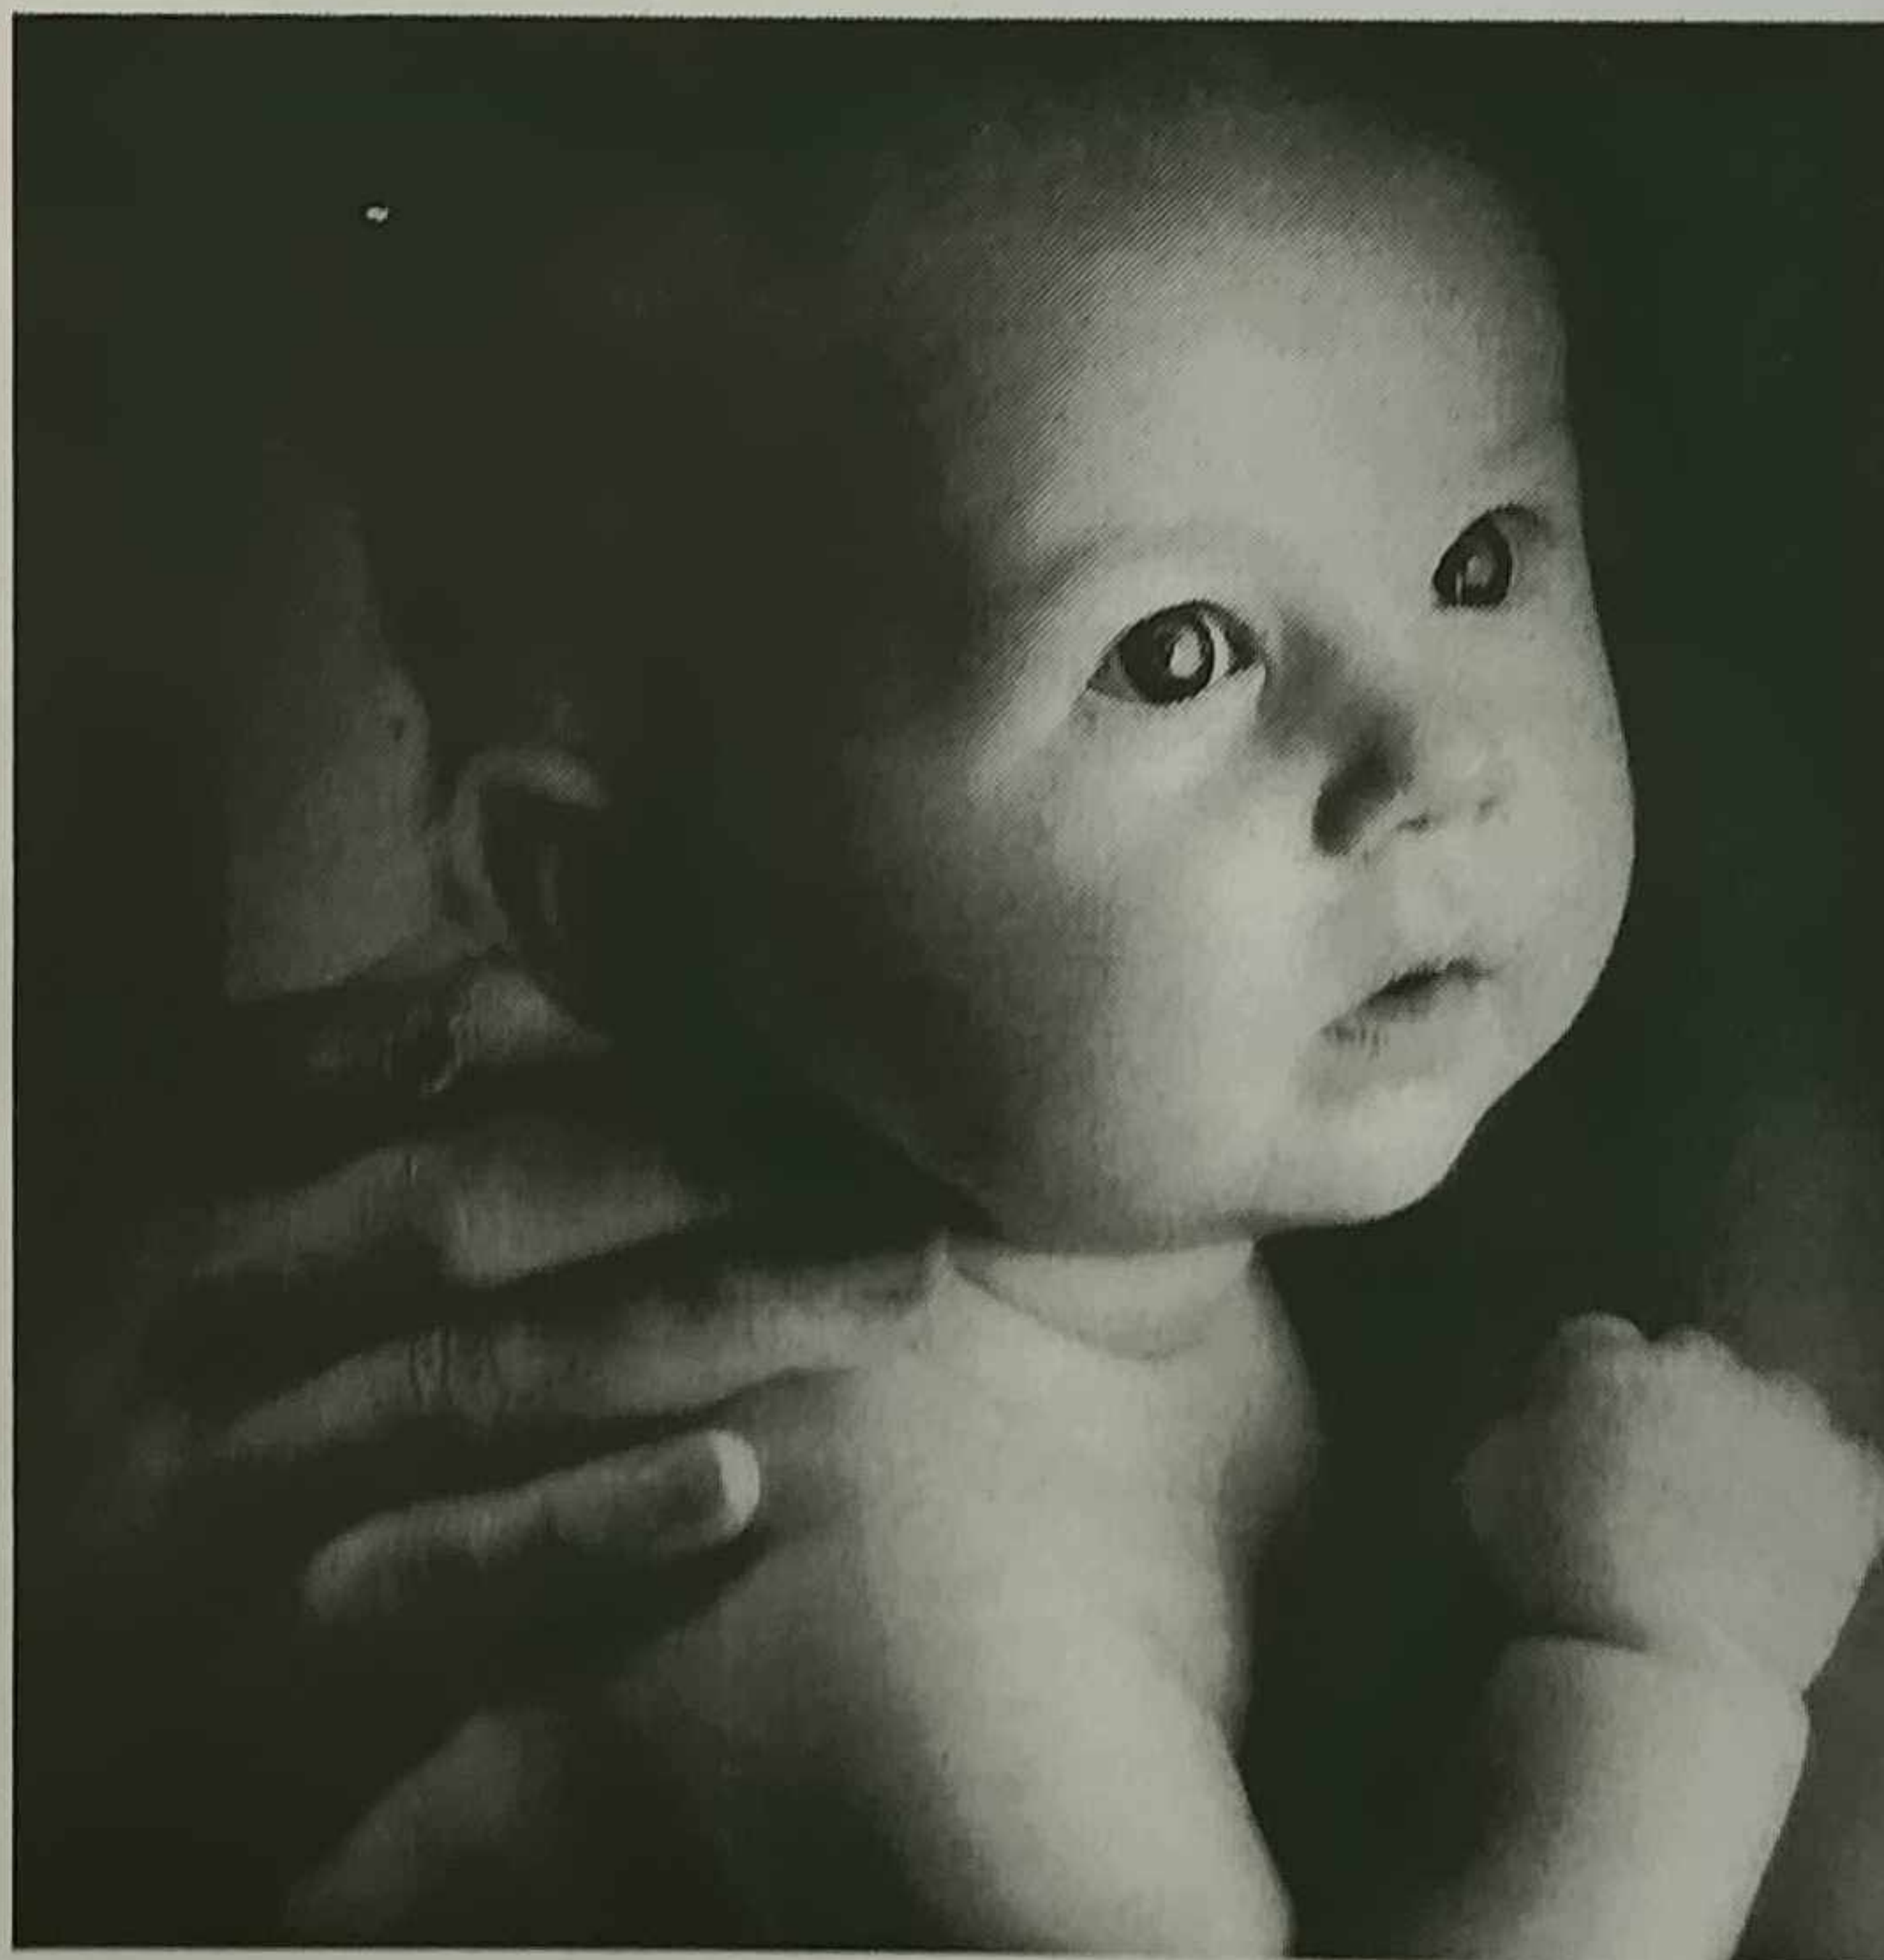

come true for him. "It's kind of been my dream since high school. I wanted to be a musician. I'd love to have it be my career," he said.

The Boxkar group, which also includes Bryan Bremer on guitar, Tom Thiel on guitar and Todd Hellman on drums, was flown to Washington D.C. Sunday afternoon and stayed at the Loews Hotel in the downtown area while they were there. All their expenses were paid for, and Hammen is optimistic this could be a big boost to their careers.

"We're hoping ... We're going to give it our all, and let the cards fall," Hammen said, indicating they will return to Appleton Thursday.

County Huber prisoners to pay \$1 more for daily stay in jail

The cost for Huber prisoners to stay in the Washington County jail will be going up \$1. The increase in the boarding fee, up to \$16 a day, was approved last week by the county board. Sheriff Brian Rahn says he thinks the increase is fair. The extra \$1 is expected to generate \$55,000 in revenue this year. Huber prisoners are those who can leave jail to go to their jobs and then they have to return to their cell after work is over.

Bus ridership up in Washington County

Bus ridership on Washington County's Commuter Express system rose 16% in 2004. That's up over 59,000 trips as the buses run from the West Bend area to downtown Milwaukee, Marquette and Mayfair Mall. Linda Olson told the county board this week that the commuter express gained more than 8,100 riders last year.

Dan Kruepke dies

Dan Kruepke, 49, President of Kruepke Trucking in the Town of Polk, has died. The Washington County Sheriff's Department says Kruepke's wife found him around 8 p.m. January 10. Kruepke had reportedly been working out on his treadmill when he suffered a heart attack. The county coroner says he died of natural causes.

Bail-jumping charges dropped against Moose Balian

Moose Balian, the Dodge County EMT who was sentenced in the hit and run death of Jimmy Gengler, has

now had bail-jumping charges dropped. The DA in Jefferson County says he was not able to prove that Balian violated conditions of his bail by drinking alcohol at a wedding. Balian is serving three years in prison for the Gengler incident that happened about three years ago as Balian drove home through Watertown. Balian could have faced another six years in prison on the bail-jumping charge.

WB man calls police for odor in bathroom

West Bend Police received a call last week from a man who complained about the odor coming from his bathroom. Police responded to the call on Tamarack Drive where they found the man's wife in the bathroom smoking pot. Nichole Haefer was cited for possession.

FdL police request charges in infant death case from 2002

A 31 year-old Fond du Lac County man was charged on January 14 in connection with a 2002 infant death case. According to reports, Christopher Deming was watching the four-month old when she died in August 2002.

Initial autopsy reports showed the girl died of sudden infant death syndrome. The case was reopened last month, after Deming was charged in Dodge County with first degree reckless endangerment after allegedly shaking a one-week-old baby.

Giese's parents on Good Morning America

Jenna Giese's parents made their national debut January 14 on Good Morning America. John and Ann Giese talked about their daughter's miraculous recovery after she was bitten by a bat and con-

tracted rabies. Jenna is currently undergoing extensive rehab at St. Agnes Hospital in Fond du Lac.

Grenade found in WB home

There was some excitement January 17 for residents of Glenwood Circle in West Bend when a home owner found a live grenade at his home.

The Milwaukee County Bomb Squad was called in and they safely disposed of the hand grenade. The home owner said he had the grenade for about 24 years and received it as an heirloom.

Nobody was injured and no charges will be filed against the homeowner.

FdL police have tasers in each vehicle

Fond du Lac County Sheriff's deputies now have a taser in each of their squad cars. The tasers, which cost

about \$800 each, are used to incapacitate a suspect with electrical pulses. Thirty-six tasers have been purchased through fundraising in Fond du Lac.

Washington County deputies and West Bend police don't have tasers, but Sheboygan County is looking at getting them. The Sheboygan County Council approved spending \$2000 on taser equipment and training for their police department. They are also looking at raising \$20,000 in private donations to buy 20 of the stun guns.

With the stun guns comes much controversy as six people in Georgia have died in the past 18 months after being shocked with the devices. Lawmakers in Georgia have introduced a bill to ban the use of the stun guns by police.

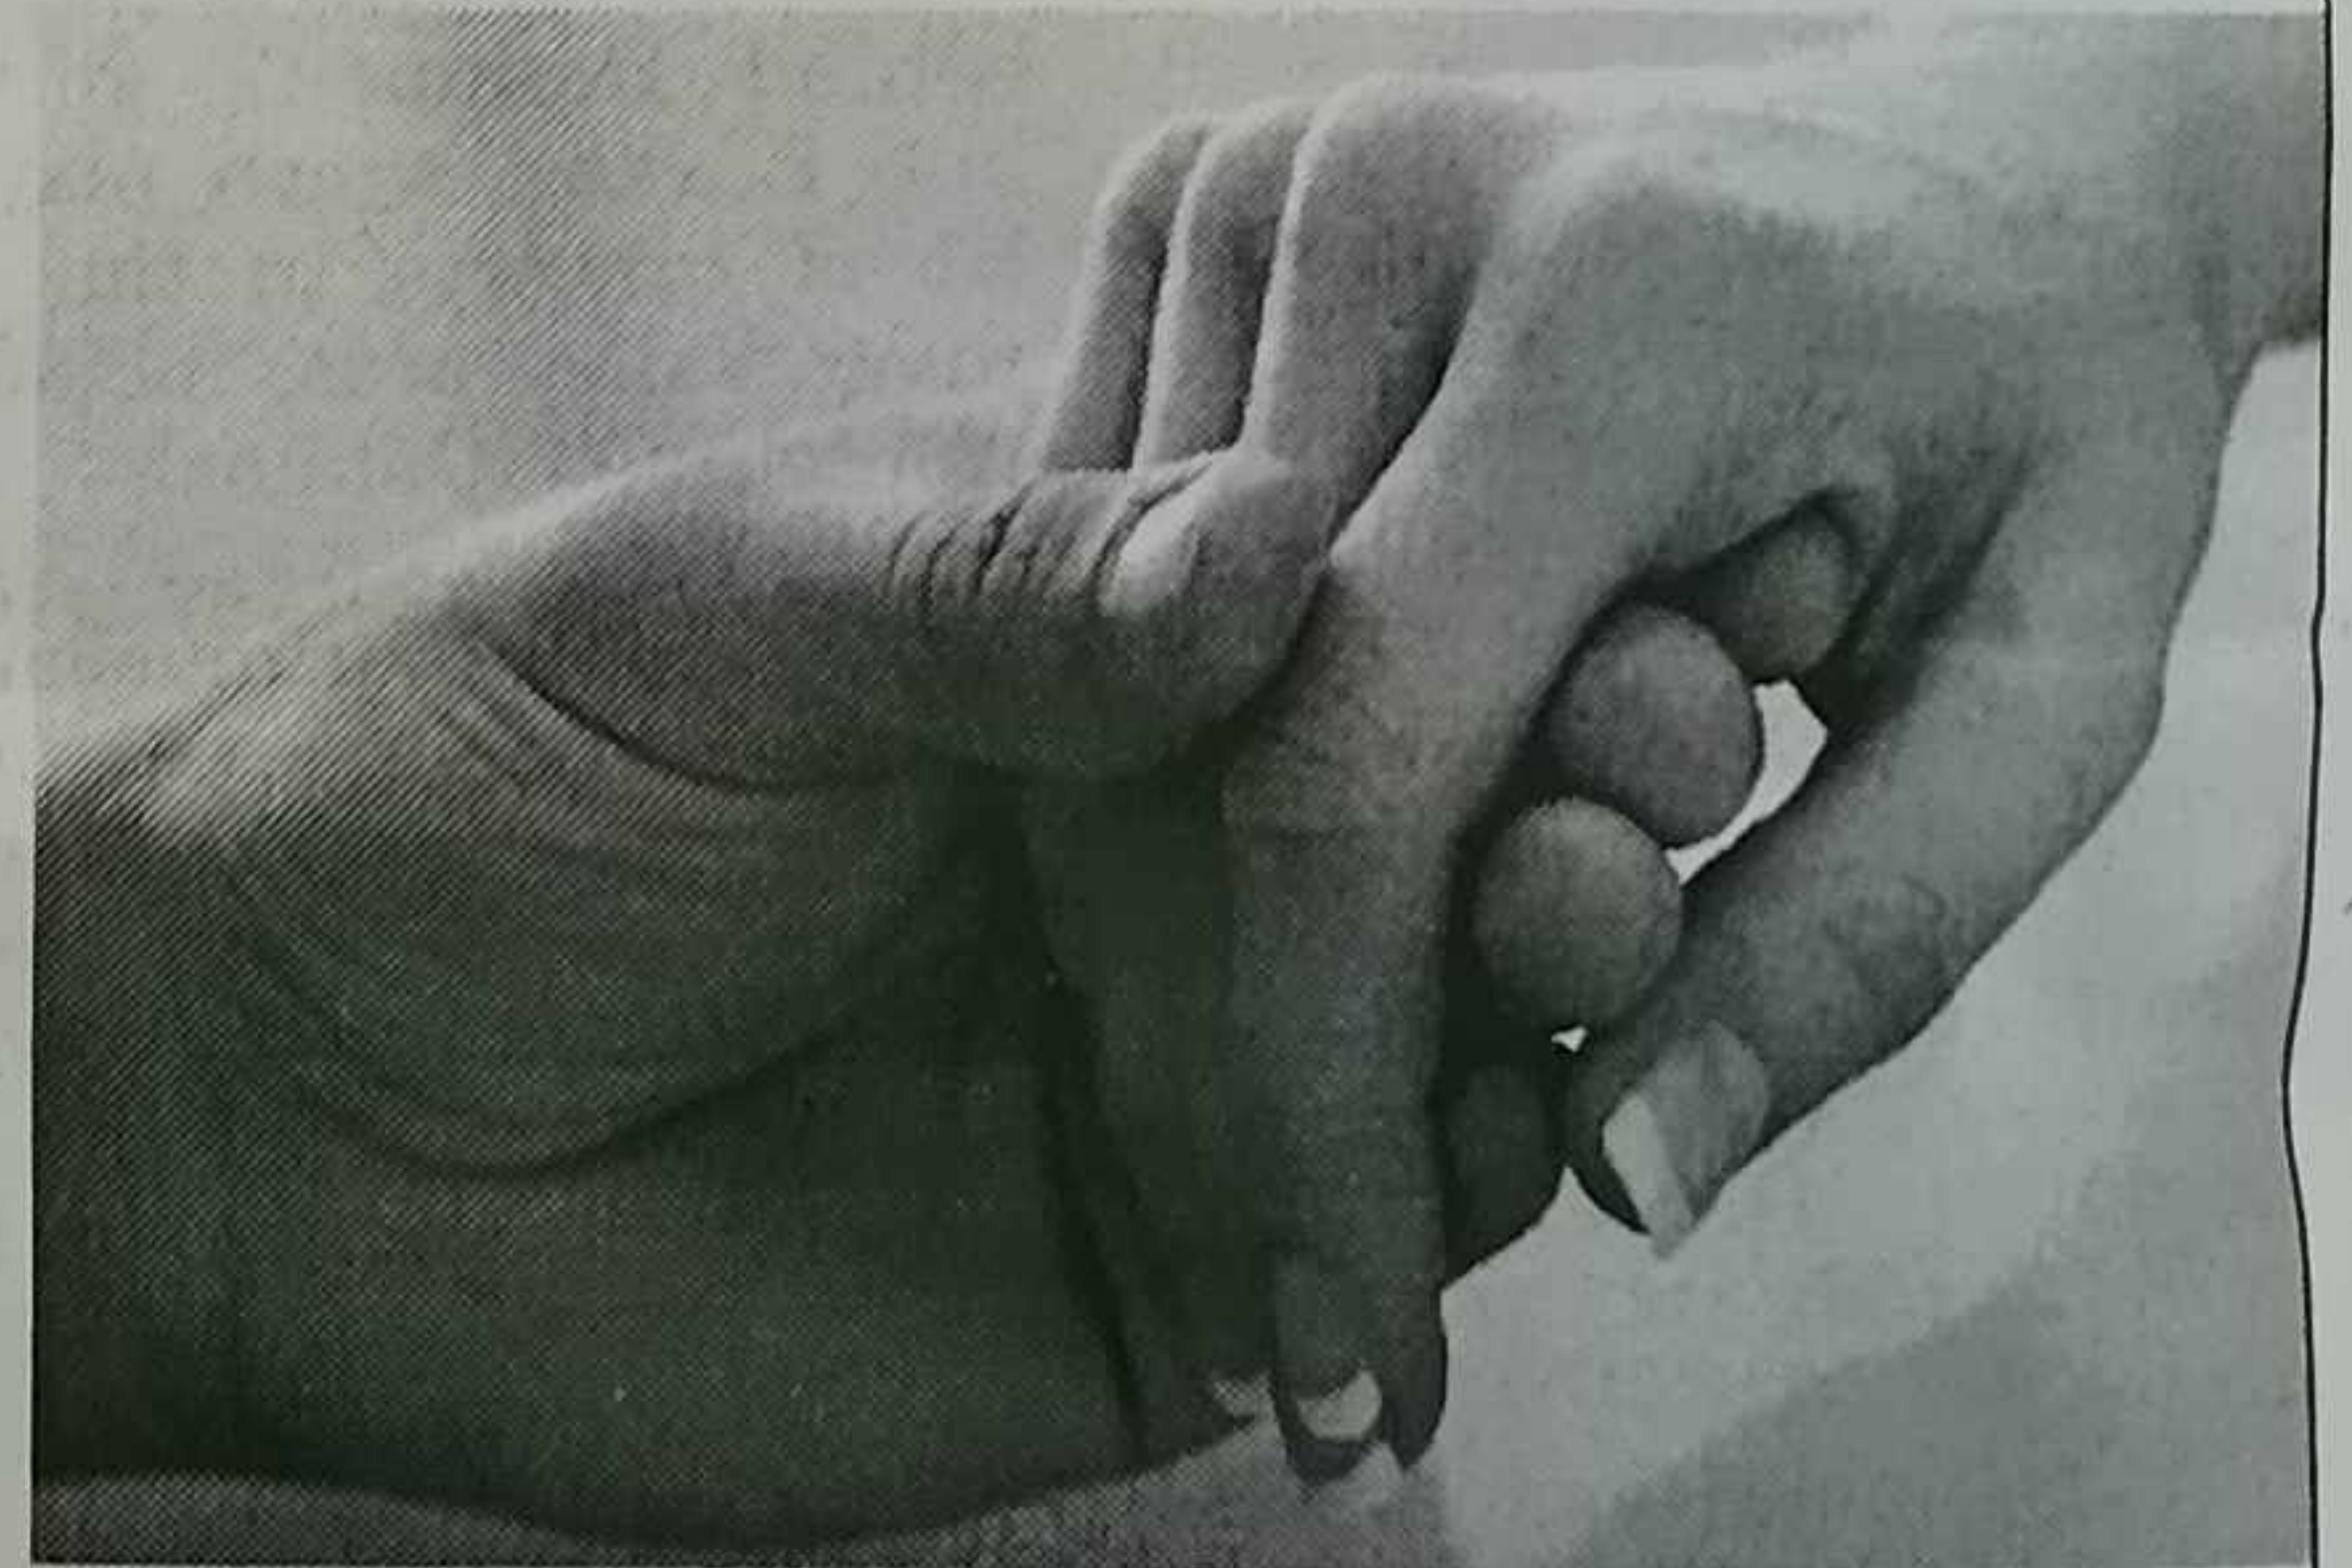

Jackson police arrest man for Coke incident

Jackson police took a 34

Milwaukee man into custody after he allegedly urinated into a co-workers Coke. A release from Chief Jed Dolnick says the men were working on a home in the Village when the suspect, Brian Wnuk, allegedly urinated in another worker's soft drink while he was outside on a smoke break. When he returned, he drank from the Coke, realized it was mostly urine and vomited. Wnuk has been charged with placing a foreign object into an edible - which is a felony and also charges of disorderly conduct.

To make a long story short, there's nothing like the boss walking in.

National Crossing Guard week celebrated January 10-14

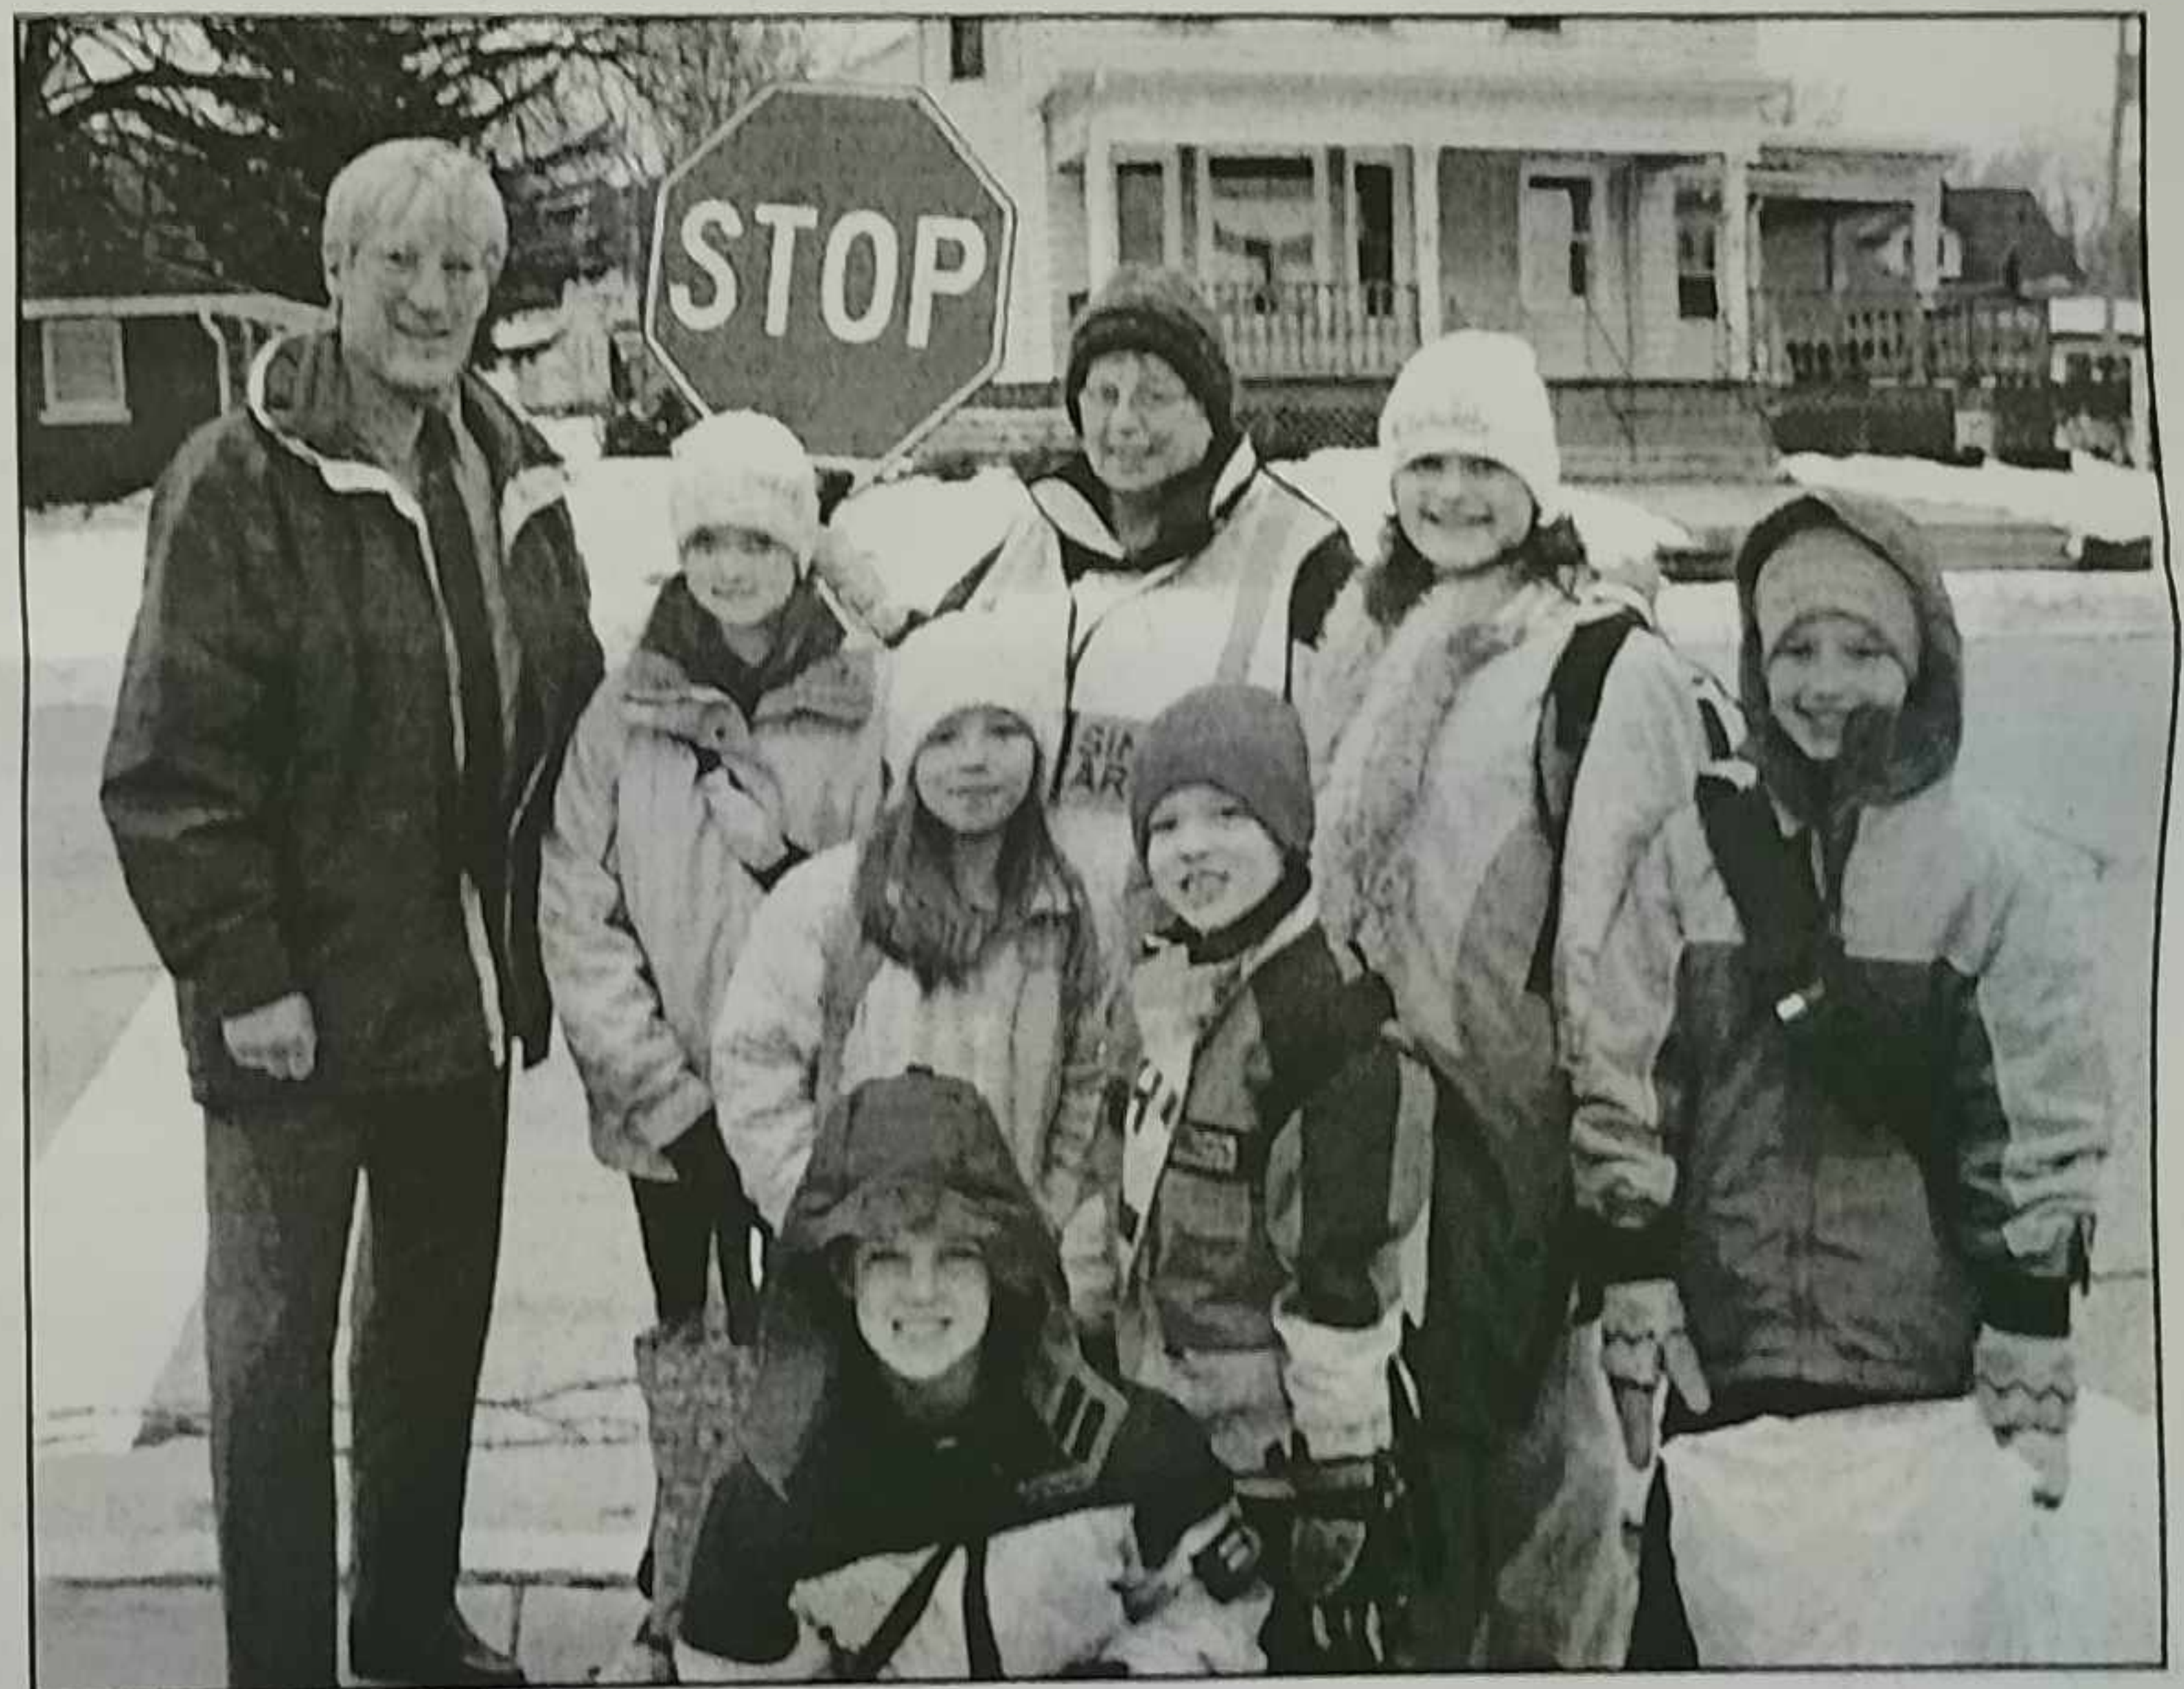

Superintendent Wayne Graczyk and his assistant Jeanne Jacak, with the camera, made the rounds on a cold and windy January 13 to deliver a personal "Thank You" to the crossing guards who safely help our students cross the street every single day. Like the pony express, through wind and rain and sleet and snow, these dedicated people are there with a friendly smile and a cheery "Good Morning!" All crossing guards, including substitutes Shirley Schlice and Anne Hofman were given letters of appreciation and a gift certificate for JO's Restaurant. Above, Graczyk thanks Sue Heisdorf for her dedicated service. Sue has been a crossing guard for about 15 years. She works at Fond du Lac Avenue and Hwy. H.

Vicki Kerkela helps children cross the intersection at Fond du Lac Avenue and Main Street in the morning.

Karen Schaub is an afternoon crossing guard at the corner of Fond du Lac Avenue and Main Street. She is also an employee of the Kewaskum School District.

Patty Coulter has been a crossing guard for 20 years. She loves the kids, but she's not sure if she likes the weather anymore!

Only Ten Nominees Thus Far for 'Mr. Mardi Gras'

The Friends of Kewaskum are proud to announce they have received ten nominations so far for their upcoming 'Mr. Mardi Gras' contest.

Some of the nominees have one vote, and some have as many as ten. We'll leave it up to you to figure out who has the most.

'Mr. Mardi Gras' is a relatively local contest being held in conjunction with the Mardi Gras celebration, dance and Taste of Kewaskum at Amerahn on Saturday, February 5.

At this writing the chefs from P.J. Magoos, Silver Platter Restaurant, JO's Restaurant, Coffee Corner and the Kewaskum Kiwanis have committed to bringing a little of this and a little of that for you to sample at the Taste of Kewaskum. There will also be lots of games and raffles and a special contest for adults and kids being sponsored by Little Folks School House. We will give you the details here as they evolve.

And, never let it be said that the Friends don't try to initiate a little excitement when they throw a party, and the Mardi Gras celebration will be no exception. Anyone who has attended Kettle Kountry Kolors or last year's Mardi Gras celebration can attest to the fact we do our best to give community members the opportunity to smile at themselves and/or their neighbors, whichever the case may be.

The synopsis of Mr. Mardi Gras is quite simple, almost identical to all the other infamous contests sponsored by the Friends. However our contestants last year suggested we share more of the proceeds with all the finalists and we thought that was an excellent idea and wondered why we didn't think of it sooner!

So instead of just the winner of the Mr. Mardi Gras contest receiving half of the proceeds of the benefit, all eight finalists will receive half of all they raise for the charity of their choice. The other half of the proceeds will go towards this year's Kettle Kountry Kolors festival in October.

So nominees, start thinking where you want your donation to go in the event you make it to the finals, and then, if you are brave enough, start solic-

iting votes from your "friends" who nominated you in the first place. Make 'em pay big time!

It takes a special person to stand up and be able to laugh during the teasing, but it's amazing how much you can endure in the name of charity. However if you truly don't want to participate in this dubious "honor," now is the time to start voting for the other nominees to eliminate yourself from the finals. (Been there, done that in the first Kewaskum Kiss the Pig contest. Honest... it works! It's kind of expensive... but it works!)

I really don't feel ten nominations is a good mix of all the many community members that would be a perfect fit for the Mr. Mardi Gras crown. It is a good thing that you have until January 30, to nominate the ones others have

obviously missed. And remember one vote will probably not insure your favorite will make it to the finals. One vote has never secured a trip to the finals in any of the other contests. So don't say you weren't warned or your candidate won't get to become a part of the elaborate coronation ceremony at the Mardi Gras Dance.

Let's get some true rivalry going. I don't want to be a name dropper here, but members of the Boltonville Fire Department made an awesome showing at the Newlywed Game at Kettle Kountry Kolors last October. They were quite impressive and believe it or not, they told this reporter they had fun. Of course, this was after I bribed them with soda pop (at least, I think that's what it was!)

Remember... vote now

and vote often. It's a community thing!

Benefit to be held for Boegel family

A benefit dance and silent auction will be held on Saturday, January 29, 2005 at PJ Magoos (1273 Fond du Lac Ave.) to benefit the family of the late Todd Boegel.

Todd passed away on December 22 at the age of 35, due to a massive heart attack. He left behind his wife, Michelle and three sons, Alex, Austin and Tony. Due to his untimely death, the family is now struggling with finances.

The benefit will begin at 7 p.m. and there will be a \$10 cover. Entertainment is being donated by Relative.

The silent auction will run from 7 to 9 p.m. and winners will be announced shortly after 9. All winners are asked to pay with cash or checks. In addition to the silent auction, there will also be raffles.

Additional donations are also greatly appreciated and all proceeds will go to Michelle Boegel. In addition, there is also a savings account set up in Michelle's name at West Bend Savings Bank.

PJ Magoos will also be offering specials on shots and beer.

UWWC lecture focuses on aging

Linda Olson, Director of the Washington County Office on Aging, will be the guest lecturer on Tuesday evening, February 8, at UW-Washington County (UW-WC). The lecture, "All People Do Not Age Alike," will help dispel common myths related to aging and provide information on how to better prepare for the aging process. There is no admission charge and the public is invited to attend the lecture, which begins at 7pm in Room 201.

The main points of the one-hour lecture will include: the demographics and characteristics of the older population; misconceptions of older adults; and information on how to better prepare for old age. Negativity towards the aging process and the elderly as well as discussion as to why there are so many barriers will be included. Olson will also provide some guidelines on how to better prepare for our senior years. A question and answer session will follow the presentation.

Olson, who has a Bachelor's degree in Psychology and Sociology from UW-LaCrosse, has been with the Office on Aging for 23 years. The County Office is responsible for providing information, programs and services pertaining to: trans-

portation, health and home-maker services, elderly housing, senior identification cards, noon home delivered meals, benefit services, recreation and education programs, and general aging information. For more information on the County Office on Aging (visit their website at <http://www.co.washington.wi.us/age/index.html>.)

The purpose of this UW-WC lecture series is to provide a better understanding of health and current health-care issues. This is the sixth lecture in the series. The final lecture, "Defining Death" on Monday, March 7, will be given by Dr. Roger Rigterink, Professor of Philosophy at UW-Fond du Lac. The discussion will include medical ethics as well as controversies and legal decisions regarding euthanasia.

More information is also available on the campus website at <http://washington.uwc.edu> UW-WC is located at 400 University Drive (just off Hwy. 33 West) in West Bend. It is the fourth largest campus of the thirteen UW-Colleges, with over 950 students currently enrolled.

You will never even get started if you wait for all the conditions to be just right.

Aromatherapy 101 - mankind's first medicine

The public is invited to attend the Kettle Moraine YMCA's Stepping Stones Lecture Series on Tuesday, January 25, 2005 from 7 to 8 p.m. The topic of this session is Aromatherapy 101-Mankind's First Medicine. Patty Heying RN, BSN, CWON, will discuss the value of aromatherapy in relation to good health. Application methods will be explained in order for you to use and choose essential oils for nearly every aspect of your life. In addition, safety measures and purity testing and grading for therapeutic qualities will be discussed.

Heying has been a nurse for 18 years and has used her clinical training in essential oils in her independent wound care practice for the past four years. Stepping Stones is a lecture/workshop series which includes a variety of topics that provide the opportunity to integrate Spirit, Mind, and Body. The series is offered once a month from September through May.

To register for this session please contact the Kettle Moraine YMCA, 1111 W. Washington St., West Bend, at 262-334-3405. The cost is \$4 for YMCA members and \$8 for community participants per session.

Hearst Castle in San Simeon, California, is the most expensive private house ever built. It cost publisher William Randolph Hearst \$30 million to erect the 100-room structure between 1922 and 1939.

In order to get the semi tractor/trailer on to STH 28 drivers needed to first drive east on Second Street and then back the unit on to USH 45 to get it faced southbound. Road crew from Diamond Heavy Haulers, Wisconsin State Patrol and a Kewaskum patrolman assisted with traffic.

After backing half of the trailer onto USH 45 the tractor drove across the Engelhardt truck yard to get back onto USH 45 going southbound to make the sharp turn on STH 28 east. Diamond Heavy Haul is a leader in transportation of unique over-dimensional cargo. The company specializes in complex, out of the realm of normal hauls also called superloads. Some past superloads include transformers, turbines, generators, compressors, condensers, boilers, injection mold machines, stamping presses and control buildings.

A cold job for one of the drivers of the rig. This person controlled the rear of the 20 axle trailer.

ABOVE: A crew member directs the driver of the rig onto Main Street after getting through the Main Street, Fond du Lac Avenue intersection.

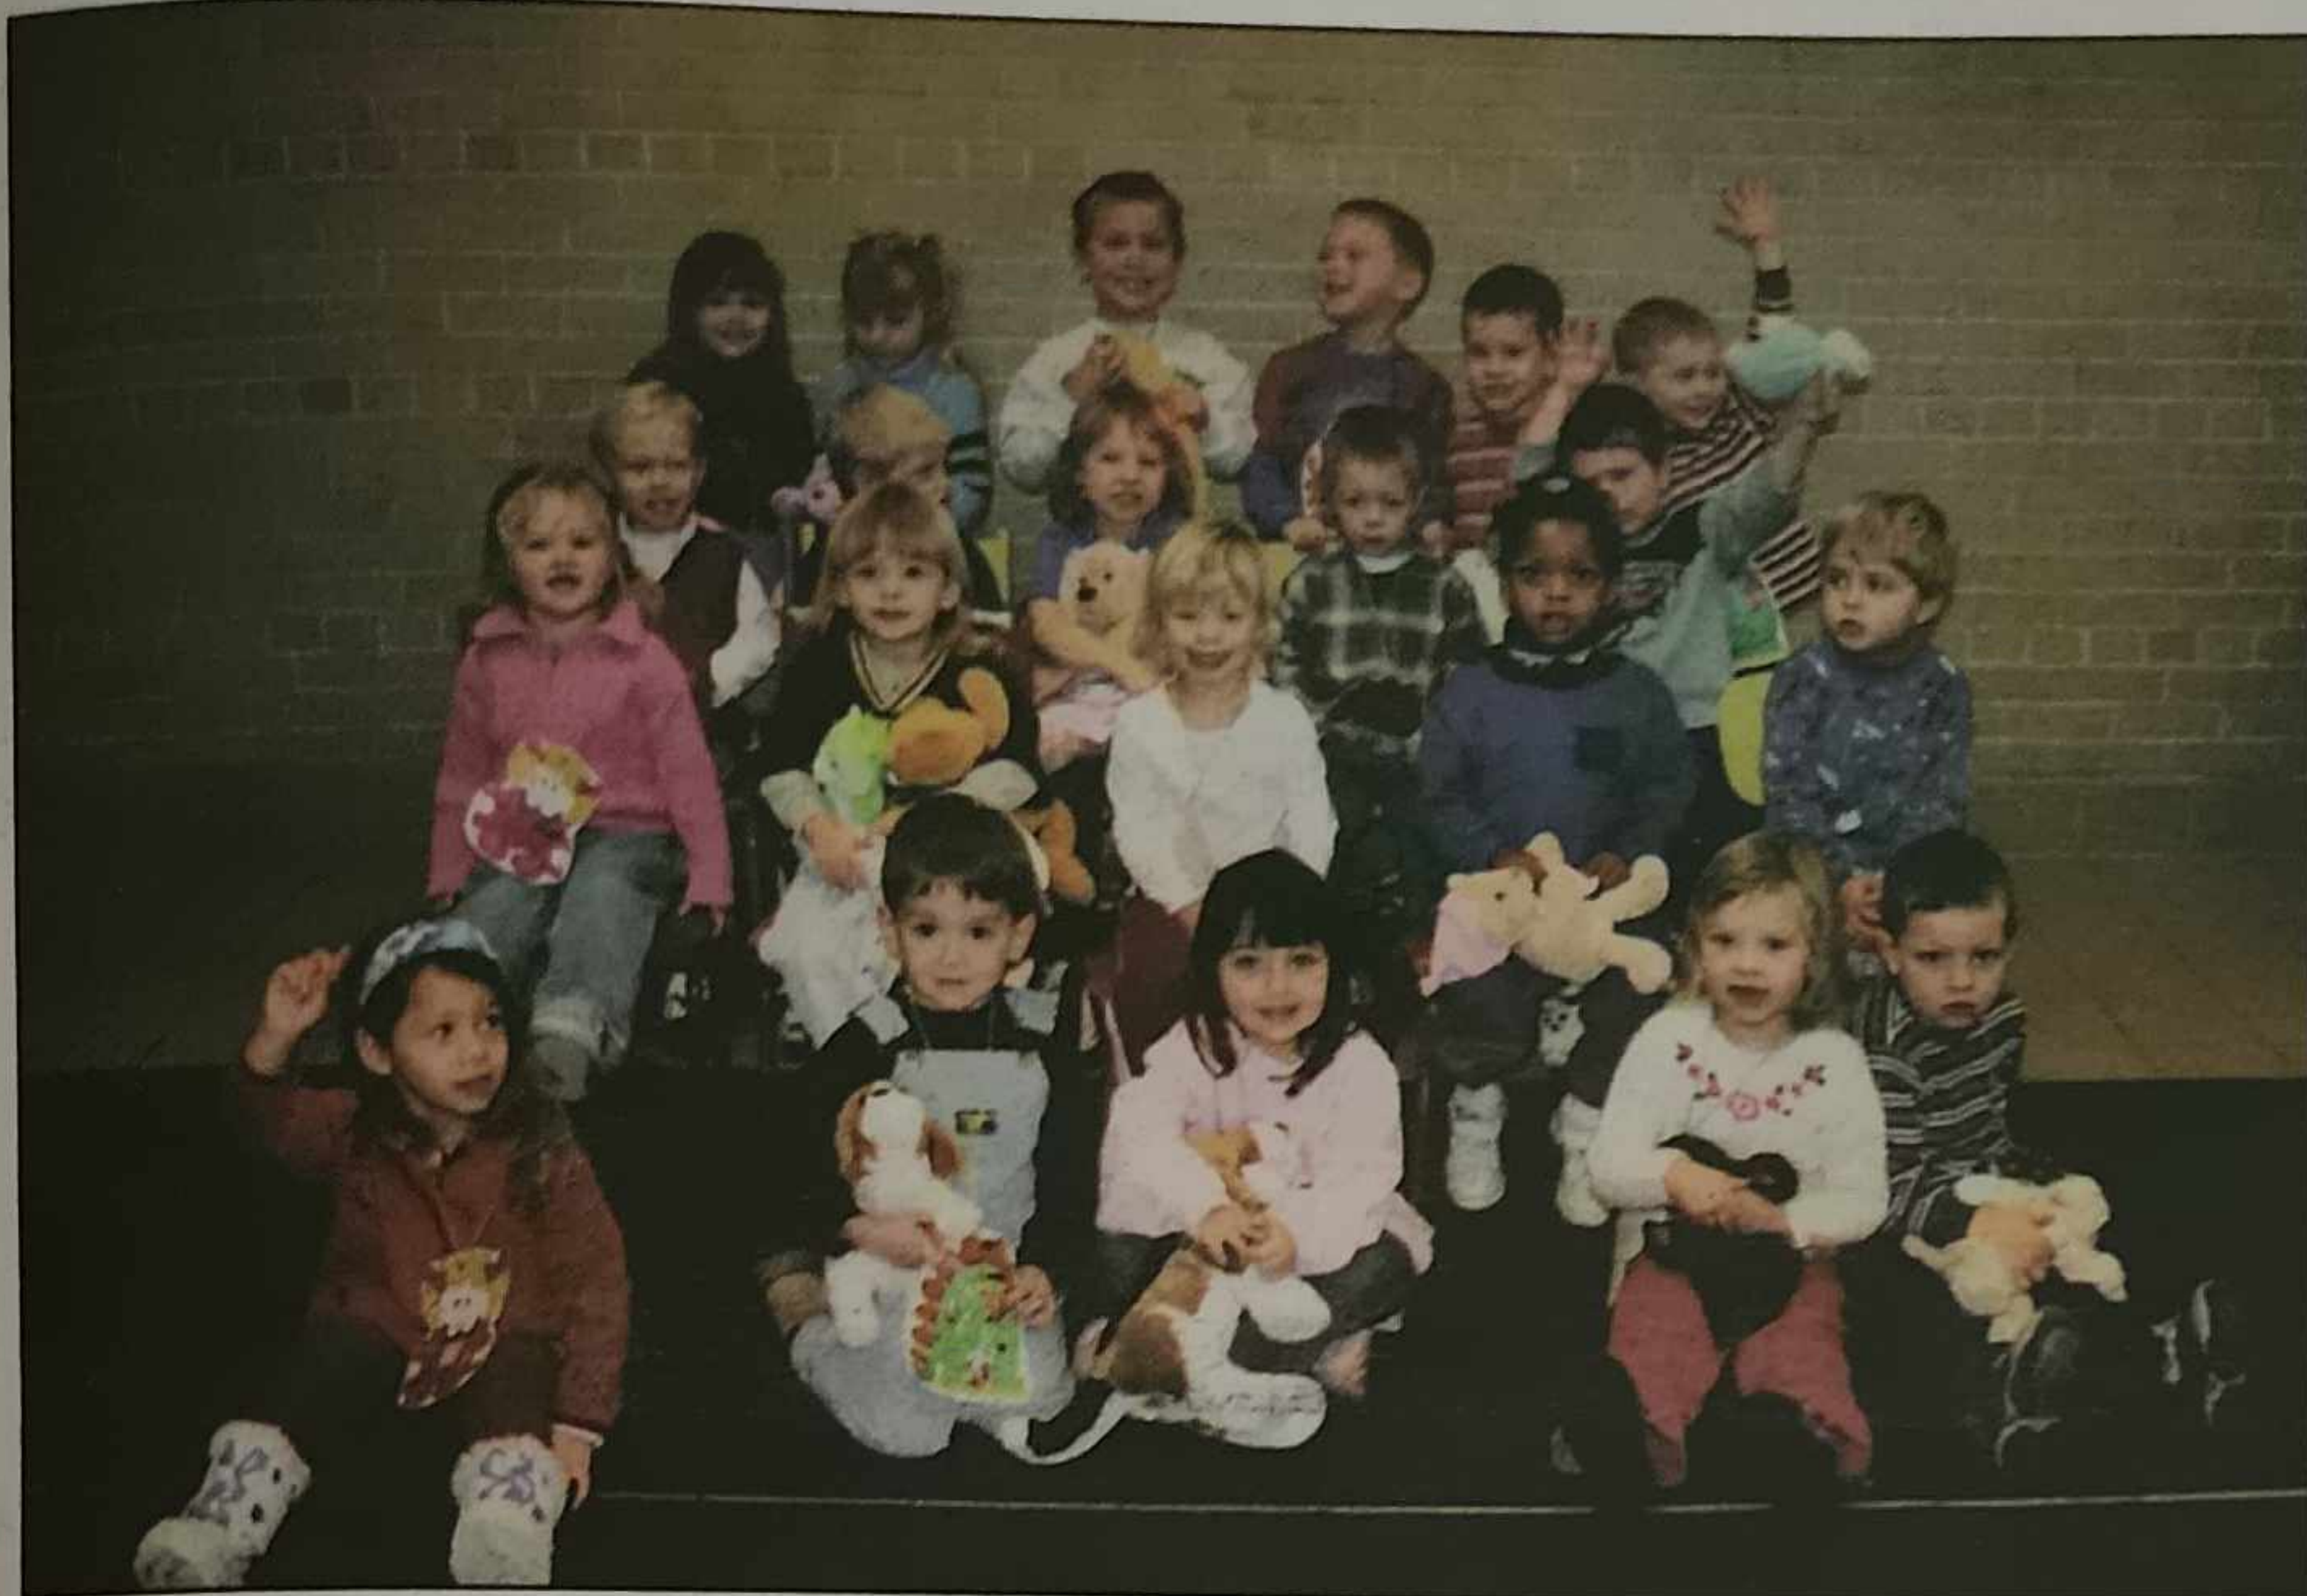

LEFT: On it's way out of Kewaskum the rig encounters a much easier turn on to STH 144 in Boltonville.

Donath nominated as Old Spice Red Zone Player of the Year

Garrett Donath

Garrett Donath of Kewaskum High School has been nominated as an Old Spice Red Zone Player of the Year.

As a result of this achievement, Donath is among a select group of players who are eligible to be selected as a national Red Zone Player of the Year and be honored in a full-page feature in USA Today in February.

For the fourth straight year, Old Spice is recognizing high school football players who go above and beyond the call of duty, particularly in the Red Zone. The program

honors athletes who are able to elevate their play and step up when the heat is really on. These athletes embody leadership, performance and desire, and serve as examples to their teammates on and off the field.

High school coaches across the country are nominating one player from their team as their Player of the Year. As a nominee, the Player of the Year will receive a certificate to acknowledge his accomplishment.

He is also eligible to be named one of 50 national Players of the Year. The top 50 players nationwide will be named Red Zone Players of the Year and will receive a plaque and other awards.

The Red Zone Player of the Year program is nationally sponsored by Procter and Gamble, the makers of Old Spice Red Zone Deodorant. The program is created and managed by 360 Youth, LLC, an Alloy company.

Honor Your Teacher Night Jan. 21

The members of the Kewaskum High School boys and girls basketball teams are conducting a series of honorable promotions this season. The first promotion, Honor Your Teacher Night, will be held on Friday, January 21 at the Indians' home game against the Roncalli Jets.

Any and all Kewaskum area educators will be admitted free of charge to the 6 p.m. boys JV game and the 7:30 p.m. varsity game in the KHS fieldhouse. A special halftime presentation during the varsity game will recognize those individual instructors in attendance and will be followed by a post game reception.

All area teachers and their spouses are invited to partake in the post-game reception in their honor in the KHS cafeteria following the varsity game.

Come and join KHS in recognizing some of our most notable mentors and teachers of the student-athletes in the Kewaskum area.

New realignment proposals include EW and Grafton

By JUDY HARLOW
STATESMAN CORRESPONDENT
jharlow@kewaskumstatesman.com

After being rivals in the old Scenic Moraine over two decades ago, there is a chance Kewaskum High School will be reunited with Grafton in a future conference affiliation.

An initial proposal announced recently by the WIAA (Wisconsin Interscholastic Athletic Association) has Grafton coming into the Eastern Wisconsin Conference to take the place of Roncalli, which would be assigned to a smaller league in the northeastern part of the state.

The proposals stem from a request by the larger Green Bay High Schools, who would like to be joined in one conference and a request from Roncalli, which has only 300 students, to get into a league which would be more similar in size.

All talks are preliminary, according to KHS Athletic Director Jason Piittmann, who said last week the proposals will start gaining more attention in the upcoming months.

"It's still very initial," Piittmann said. "The one (proposal) we're in is called the Green Bay proposal" but does not mean Kewaskum will do any more traveling for competition in that area.

To the contrary, according to Piittmann, who said "Roncalli has asked to get out (of the EW)", but, "It's still too early to tell" what will eventually happen.

And how would the current schools (Campbellsport, Kewaskum, Kiel, Sheboygan Falls, New Holstein, Plymouth, Two Rivers) in the Eastern Wisconsin Conference feel about having Grafton become a member? "The southern schools don't mind it. The northern schools are against it," Piittmann said, indicating the proposals have been put together by Deb Hauser, an associate director of the WIAA, who was assigned the task because Doug Chickering, the executive director, is currently working on a major project on the national high school level.

"The earliest anything would happen is 2007," Piittmann said, indicating he has spoken with Scott Parsons, the athletic director

from Grafton, on the proposal. Piittmann said Parsons and the Grafton officials have two concerns, namely their school would be losing freshman programs in soccer and baseball.

Piittmann said these concerns could probably be satisfied for Grafton by picking up freshman games with schools in its current conference, the North Shore.

Another concern Grafton has, according to Piittmann, is losing great rivalries it has had through the years with Port Washington, Cedarburg and Homestead.

As far as Piittmann's personal feelings, he thinks Grafton would fit in nicely with the EW, both in the size of school and programs offered. Currently Plymouth is the largest school with 891 students, with Two Rivers next at 743, followed in order by Kewaskum, 667; Sheboygan Falls, 594; Kiel, 568; Campbellsport, 567; and New Holstein, which has seen a big enrollment drop in the last 10 years, at 496.

Grafton has 764 students, so it would come in as No. 2 in size.

"The trip from Two Rivers to Grafton would be long," Piittmann said, but Grafton's field and school "is just a stone's throw from the (Hwy 43) freeway," meaning the roads would be good.

Plymouth is excited to have Grafton in the EW, according to Piittmann, who said, "They would like the fact of having another swimming school in the conference."

Under the proposal, Roncalli would be in a league with Algoma, Gibraltar, Green Bay NEW Lutheran, Oneida Nation, Reedsville and Sevastopol, and some of those schools don't have all the sports offered in the EW, so there would be a chance Roncalli would continue to participate in tennis and fast-pitch softball with the EW.

All the information on the proposals is sent to the athletic directors and principals at the schools, Piittmann said, indicating the athletic directors meet alone three times a year and with administrators a couple other times. The latter meetings are held in late spring, and Piittmann expects realignment will be a major topic of discussion at that time.

In lieu of flowers, memorials may be given to the memorial fund established in Janice's name.

IN MEMORY

In loving memory of **KARL KREIF**, who passed away eight years ago, January 24, 1997:

You are not forgotten
Or will you ever be.
We miss you so, our hearts
are sore.
As time goes by, we miss you
more.
Your loving smile, your gentle
face,
No one will ever fill your
vacant place.
No eyes can see us weep,
But many a tear is shed
while others are asleep.

Forever loved and missed
Joyce

IN MEMORY

In loving memory of **KARL KREIF**, who passed away eight years ago, January 24, 1997:

Do not ask if we miss him
There is such a vacant place
Often we think we hear his
footsteps
And see his smiling face.
Days of sadness still come
over us
Tears in silence often flow
If all the world were ours to
give
We'd give it, yes and more.
To see the face of our loved
one.
Come smiling at the door.

Sadly missed by,

Village Board Meeting Minutes

Monthly Meeting
December 13, 2004
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Mathew A. Heiser presided. Trustee Harry Roecker asked to be excused and was absent, all other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote the Board approved the minutes of the November 29, 2004 Village Board meetings as printed.

The Board reviewed the petition received regarding two safety concerns on Edgewood Road signed by 18 of the area residents. Mr. Ken Bonlender and Mr. David Goeden were present to express and explain their concerns as follows:

1) Concern over the large pine tree located in the boulevard at the intersection of Edgewood Road and Brooklane Drive. Options as to trimming, moving or removal of the tree in its entirety were discussed. On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote, the Board ordered the tree to be removed as soon as possible.

2) Concern over the incline mid block from Jefferson Drive to Brooklane Drive on Edgewood Road north bound lane. Concerns over the lack of vision for driveways, parked cars, speed, ice, and children crossing at this location calls for a stop sign. It was noted mid block is not suitable for a stop sign, but if the Board would consider the placement of a sign at the intersection of Jefferson Drive and Edgewood Road along with caution signs warning of hazards, it would be appreciated. On a motion by Trustee Andy Pesch, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote the Board authorized the placement of two stop signs at the intersection of Jefferson Drive and Edgewood Road along with additional caution signs for the incline etc. and the temporary highlighting of the stop signs by flagging them. It was also noted to install them at the earliest date.

The public hearing was held on

Ordinance No. 2004-10 "An Ordinance to Annex Territory to the Village of Kewaskum, Wisconsin." The proposed zoning classifications for the area noticed to be annexed, are also scheduled for discussion. The area described in the notice is 94.5 acres and is located on the west side of Prospect Road adjacent to the village southerly to Badger Road. The land is vacant and the zoning proposed is as reviewed by the Plan Commission on the proposed concept plan and that is RS-1 Single Family Residential, RD-1 Two-Family Residence District, RM-1 Multi-Family Residence District and C-1 & C-2 Conservancy District. It was further noted within all four designations there might be some Floodplain, Shoreland and Wetland areas. There were six people in attendance regarding the annexation and zoning of said land. The Administrator informed the Board of the postings, and notice of the public hearing, Trustee Andy Pesch informed the Board that the Plan Commission did send the matter to the Board with a favorable recommendation with one nay vote. Mr. Gary Gavin, the developer of the land, explained his intent and what areas would be zoned. Mr. Jim Koepke asked a number of questions regarding the density of the proposed development. He felt the area would best serve the environment with all single family homes on it on one acre parcels with individual wells and septic systems. Related discussion pro and con took place with the Board and those in attendance. Mr. Brad Franzen asked the board if consideration was given as to what was best for the Village and if the adjacent areas were looked at as to what is best suited for the area. The plan as proposed is almost identical to what was established in the land use plan adopted in 1997 and comments from neighbors as to what they would like to see on their land in the future. The Board responded that they have taken into consideration as to what is best for the village and the taxpayers. After a lengthy discussion, on a motion by Trustee Kevin Scheunemann, seconded by Trustee Steve Scheunemann and carried by the majority roll call vote the Board voted the public hearing. Roll call vote was 5 "Aye" 0 "Nay" 1 "Absent."

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and carried by the majority roll call vote the Board suspended the rules to take up IX. New Business A. Ordinance No. 2004-10 & B. Resolution No. 2004-26A of

Village Minutes

Continued from page 16

"26R. Roll call vote was 5 "Aye" 0 "Nay" 1 "Absent."

Action was taken on Ordinance No. 2004-10 An Ordinance To Annexing Territory To The Village of Kewaskum, WI. (area known as the Behnke/Meilahn property) as recommended by the Plan Commission as attached hereto:

Action was taken on Resolution No. 2004-26A, A Resolution Of The Village Board Accepting Petition Of Annexation (property known as the 3-R's area between USH "45" & Prospect Road) as attached hereto: (It was noted this resolution does not annex the land, only continues the process of review.)

Fire Chief Mark Groeschel presented the November 2004 monthly report:

Fire calls	1	Year to date	26
Jaws	2	Year to date	20
Rescue calls	20	Miles	320

Police Chief Richard Knoebel informed the Board of the fatal accident, which occurred in the village on December 9, 2004.

Director of Public Works, Jerry Gilles reported on the following:

1) Reported to the Board that Christmas tree chipping will be scheduled for December 28, 2004, January 4, 2005 and January 10, 2005.

2) It was noted heavy winds of Sunday only damaged one set of pole decorations and that no other damage occurred.

3) The hydrant repair on Stark street has been completed

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Reviewed budget control sheet for period ending October 31, 2004.

2) Reviewed the building permit report for November 2004.

3) Informed the Board that the tax bills have been sent out as of December 10, 2004. Also a point of clarification was made regarding the news article on the 2005 budget. The facts are that the increase in the levy was \$95,000 or 8.0% and that growth took care of 4.3% of that with the increase of 3.9% going to the tax rate. This represents an increase of .248¢ per \$1,000 of assessed value. In reality the increase in the budget overall is related to an increase in debt payment due to the borrowing for the 5 major capital improvement projects of 2004, the increase in property and liability insurance, health insurance and the routine expense for all employees part-time and full time.

4) Review of correspondence.

On a motion by Trustee Thomas Piwoni, seconded by Trustee Steve Scheunemann and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative

Committee. The total of all claims as recommended are as follows:

General	214,175.7
Sewer	170,258.86
Ck #26271 - #26555	
Library Fund	12,124.49
Water Fund	94,460.83
Capital Improvements	532,523.89
TOTAL	\$1,023,543.83

Under Protection and Public Safety the following action as noticed and discussed. Trustee Thomas Piwoni reported the Board took action on the petition from the Edgewood Road area.

Board Representative for the Plan Commission, Trustee Andy Pesch reported on the Plan Commission meeting of November 30, 2004.

Board Representative for the Library Board, President Mathew Heiser reported on the Library Board meeting of November 8, 2004 as follows:

1) 12.5% more circulation November of 2004 than that of 2003.

2) A "Friend of the Kewaskum Public Library" meeting has been scheduled for January 5, 2005 at 6:15 p.m.

3) The Board was informed Frank Beesten has received another three year appointment to the Washington County Library Board Committee

Mid-Moraine Municipal Association Legislative Committee Representative Trustee Andy Pesch announced a Legislative Committee Meeting should be scheduled for January of 2005, date and time to be announced.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote the Board approved the snowmobile route as requested by the Kewaskum Sno-Chief's for 2004/2005. The route is the same as last year.

Resolution No. 2004-27 A Resolution Accepting By Dedication Improvements Relating To Woodland Creek Subdivision As Requested By James Wessing as attached hereto:

Resolution No. 2004-28 A Resolution Accepting By Dedication Improvements Relating To Potawatomi Prairie Subdivision As Requested By Gary & Linda Gavin as attached hereto:

On a motion by Steve Scheunemann, seconded by Trustee Kevin Scheunemann and unanimously carried by voice vote, the Board authorized the signing and submission of the Certification Of

Plat For The Village of Kewaskum.

On a motion by Trustee Andy Pesch, seconded by Trustee Kevin Scheunemann and unanimously carried by voice vote the Board authorized the signing of the "Fire Service Contract" with the Town of Kewaskum for 2005.

The Village Board reviewed the six non-represented employees and recommended salary and wage adjustments provided for by using Exhibit-1.2005 to which they directed a straight 3.5% wage adjustment be reflected and take effect 1/1/05. Crossing Guards as well as summer and park/recreation employees are to receive an estimated 3.3% to 3.7% increase. It was noted that both the AFSCME Union and the LAW Union have in their contracts an increase of 3.0% 1/1/05 and a 1.0% 7/1/05 equaling what is known as a 3.5% split. On a motion by Trustee Thomas Piwoni, seconded by Trustee Andy Pesch and unanimously carried by voice vote the Board approved the rate adjustment for the non-represented employees as noted above.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and carried by the majority roll call vote, to adjourn. Roll call vote was 5 "Aye" 0 "Nay" 1 "Absent."

Indians go unbeaten in triple dual mat test

BY JUDY HARLOW
STATESMAN CORRESPONDENT

Wins No. 9, 10 and 11 of the season came quite easily for the Kewaskum High wrestling team, which finished 3-0 in a triple dual tournament held in Kewaskum a week ago Tuesday night.

The Indians started off with a convincing 56-15 decision over Brookfield Central, then used five pins and a technical fall to jump past Slinger 44-30 and finished up the night's activities with a 46-32 triumph over Waupun.

"We looked a little sluggish in the first match," KHS Coach Dennis Aupperle said, referring to the fact one of his few seniors, Zach Holm, escaped with a 7-6 win over Dan Bolka at 130 pounds, while Eric Ogi, a consistent winner at 135, was outpointed 7-5 by David Becker.

There were no real problems after that, and the Indians were well in control against Slinger and especially in the match with Waupun

where they used the cradle move very successfully to notch their four pins and the one tech fall.

Holm used a suitcase cradle to wrap up Bill Wulff in a brief 33 seconds, and Ogi obviously liked what he saw in the match ahead of him and used a cradle to put Andy Schlieve's shoulders to the mat in 2:58.

Nick Bartley, the Indians' returning state place winner, was unable to pin Ben White but he piled up 16 points, including several using the cradle, for a 16-0 technical fall.

Scott Rhoads' 20th win of the season was a dandy, starting with a takedown and some solid riding in the first period. The strong 145 pounder used a combination move of a cradle to a half-nelson to jump ahead 5-0 after two periods, then successfully completed a Peterson roll toward a pin over Justin Kitzman in 4:45.

"Mason Smith (119), Zach Holm, Nick Bartley, Scott Rhoads, Jake Turowski (189) all finished 3-0," Aupperle

said. "Mason wrestled very well. Along with the others, he really stepped up. Overall, as a team, we wrestled well."

With his three wins, Smith improved to 11-8 on the year.

The KHS coach was also pleased with the way Ogi bounced back after losing his first match by two points. He pinned both his other two opponents.

Also lauded for a good effort was junior Jeff Thull, who is out for wrestling for the first time this winter. Thull, who finished 1-2 in the meet with one pin, "is doing a nice job at 215. If he would have been out since he was a freshman, he'd be amazing," Aupperle said.

Lady Indians suffer from bad case of the slows

BY JUDY HARLOW
STATESMAN CORRESPONDENT
jharlow@kewaskumstatesman.com

Slow starts have been a problem for the Kewaskum High girls basketball team this season, but the Lady Indians never went a whole quarter without scoring a point ... until last Tuesday when they put a zero on the board in the second quarter on their way to a 52-35 defeat at the hands of host Kiel.

"Not good," was the way Kewaskum Coach Jeff Gosse summed up the situation. "We had a very, very, very poor start."

As a result, the Indians fell to 1-6 in the Eastern Wisconsin Conference and 2-10 overall.

The Indians had two players, sophomore Bry Timblin and senior Paige Thelen, in double figures, scoring 11 and 10 points, respectively, but there was little support from the others, who combined for just 14.

Kewaskum fell behind 23-12 after the first period, then got shut out in the second as the Raiders added eight to their total.

Concerning the reason for the scoring drought, Gosse said, "We ran an offense, and we ran it without any rhyme or reason ... It is designed to attack the middle (of the opponent's defense). We ran it almost as a delay."

Gosse went on, "It wasn't really the turnovers. It was we were just so passive."

In the second half, the Indians broke out of the slump to the tune of 25 points

but the effort came too late to go any damage.

Gosse was happy with the play of Timblin and Thelen, but they need help.

"Paige had a nice game," Gosse said. "Against bigger centers, we're pulling her away from the post where she can take advantage of her skills."

The trouble was some of the others on the team didn't recognize Thelen was in a good scoring rhythm. "Once you find the hot hand, you stay with it," Gosse said, indicating Timblin also "played a good game."

Also on the bright side was a fact the Indians made seven of their 12 free throws. "We just didn't get there (free throw line) enough," Gosse said.

Rebounding was a real sore spot for the Indians. "We did a very poor job as a team rebounding," Gosse said, reporting Rachel Breese led the Indians in that category with just five.

Kiel was paced by 6-foot-0 center Amy Jashob, who had a field day from close range and wound up with a game-high 25 points.

Gosse said his defenders were having trouble with Kiel's dribble penetration, and when the inside Indians would try to help out, time and time again the Raiders would just lob the ball into Jashob for an easy lay-up.

Having Marissa Dehler out with illness certainly didn't help. Dehler is one of the Indians' top defenders. "We had two girls out," Gosse said, referring to Dehler and reserve Jacque Kwaterski. The illness bug also slowed Lindsey Keller in the team's last game.

"You can tell the girls are not at full strength," Gosse said.

Kiel: 23-8-15-6 — 52; Kewaskum: 12-0-13-10 — 35.

Kewaskum: Timblin 11, Keller 4, Kurer 1, Droese 5, Thelen 10, Breese 2, Gregor 2, 3-point goals — none. FTs — 7x12. Fouls — 15. Fouled out — Breese.

Kiel: Hennings 3, Diederling 8, Krupp 2, Bruckner 4, Vorpahl 7, Adams 3, Jashob 25. 3-point goals — Adams. FTs — 9x17. Fouls — 12. Fouled out — none.

Mat loss to Plymouth was a heartbreaker

Kewaskum High wrestler Scott Rhoads (right) has plenty of offensive moves, in addition to having a grip of steel, which he shows going for a single leg drop in his match against Plymouth's Tony Cresco last week. Rhoads took Cresco down twice in the match toward a 5-1 decision, his 21st win of the season.

Bragging rights for the Eastern Wisconsin Conference were on the line Thursday as the Kewaskum High wrestlers entertained one of their arch rivals, Plymouth, in what was generally regarded as the battle to determine the eventual dual meet champion.

The situation looked rosy for the host Indians after they won six straight matches, five won by pin, to take a 33-9 lead. The early smiles turned into frowns and even tears, in some cases, as the Panthers used their strength at the three upper weights and first three lower weights for a 36-33 victory decided in the final match with fans from both schools on the edge of their seats.

"We got pinned at a couple places we just couldn't get pinned ... It was costly," a disappointed KHS Coach Dennis Aupperle said afterward. "Our middle is strong. The guys on the end are young."

By draw, the match started at 125 pounds, and it took just 3 minutes and 37 seconds for the Indians to know they would have to find additional points from a wrestler not originally expected to win. Junior Jon Hawig got taken down and put to his back twice in the first period and could not avoid Darren Holzer's pin hold in the second period.

gain.

Shileny, who came in with just five victories, used the suitcase cradle to wrap up Brian Williams.

Aupperle was feeling pretty good at this point, knowing Jon and Noah Olla were his next two wrestlers. Both needed under two minutes for their pins, and suddenly the Indians were up 33-9 with six matches to go.

Even though he is only a sophomore, Jake Turowski is a consistent winner for the Indians at 189, but this time he was the underdog against the senior Marshall Witkowski.

"He's a tough kid. He was like fifth in the state last year," Aupperle said about Witkowski, who was physically stronger than Turowski. The final score was 7-2, an outcome not surprising, but what was unexpected was Witkowski kneeling on the side of Turowski's head right after the match ended.

Turowski left with a welt and red mark on the side of his head and was attended to by the Kewaskum trainer as Jeff Thull and J.J. Logan were both pinned, cutting the lead to 33-24.

Plymouth kept the ball rolling at 103, 112 and 119, although two of the matches were thrillers. At 103, Stephan Kattar lost to Dillion Will 5-4, with four of the nine points scored in the final 35 seconds. Kattar got a takedown with :35 left for a 4-3 lead, but Will managed a reversal with 25 seconds to go and hung on for the decision.

At 119, Mason Smith, who has been showing a lot of improvement in recent meets, gave up a five-point move in the final 10 seconds of the first period, which proved costly because he could only make up two of those points with a near-fall in the final minutes. Smith wound up on the short end of a 6-2 score.

Just winning one of those matches would have given Kewaskum the team win. Instead the Indians left with a 3-1 EW mark, 11-2 overall.

Campbellsport still could have something to say about how the final standings end up but might not have enough strength this year to knock off Plymouth.

"They wanted to be undefeated in duals," Aupperle said of his wrestlers. "The tournament is a whole different story. With Ogi, Nick, Rhoads, the Ollas and Jake, they can score points for you."

Cougar's high-powered offense too much for KHS boys

By JUDY HARLOW
STATESMAN CORRESPONDENT
jharlow@kewaskumstatesman.com

While the Kewaskum High girls played their best basketball game of the year Friday night against Campbellsport, the night before, the boys were really struggling at Campbellsport, falling to the host Cougars, 78-56.

"For being a traditional rival, we did not play with the passion and intensity to be successful," a disappointed Coach Glenn Eichstedt said after his team fell to 0-6 in the Eastern Wisconsin Conference and 1-10 overall.

One look at the final statistics told the whole tale of the game. The Cougars, who improved to 4-2 in the EW and 5-6 overall, hit a dozen 3-pointers. The Indians simply had no answer for such a powerful aerial attack.

The Indians were held to just six points in the first period, and even though they came up with 15 in the second, they were still down 36-21 at half after Campbellsport players were successful from long range eight times for 66 percent of its point total.

In the first half, the Cougars hit eight of 14 tries from the 3-point lead, which figures to 59 percent. Including all shots, they connected on 13 of 26 for an even 50 percent, while the Indians were having trouble finding the range, scoring just eight buckets on 25 attempts.

The Cougars cooled off a bit in the second half, making just four of 10 3-point tries and 16 out of 31 shots overall. Kewaskum shot much better, swishing 12 of 25 shots for just under 50 percent, but it was a case of too little effort too late.

"Our defense did not take any of their perimeter shooters which resulted in the 12 treys," Eichstedt said.

Cameron Salter, a 6-foot-0 junior, was a real thorn in the Indians' side all night long. He had five of the threes on his way to a 21-point effort,

and he had a good supporting cast in Tyler Briggs, who added 15 points, and Joe Ninnemann and Dusty Wiedmeyer, who both chipped in with nine.

Aiding Salter in the 3-point barrage were Briggs with three, and Ninnemann and Nick Whitty, who each tossed in two.

Kewaskum came up with four threes, one each from Brad Benike, Zach Wollner, Todd Warnecke and Matt Parrent, who paced the Indian attack with his 14 points. Next came Warnecke with 11, and Wollner, who has plenty of scoring potential, added eight.

Sophomore guard Casey Scheel had scored two points before going down with an injury early in the contest.

"Casey suffered a serious ankle injury in the first quarter," Eichstedt said. "Then our emotion seemed to leave. We lost our intensity and drive."

"We need to demonstrate more patience on offense. Time after time, we made one or two passes and shot," Eichstedt said, indicating this pattern prevented the team from getting in a good offensive rhythm or tempo.

"This one was a disappointing effort against our biggest rival," Eichstedt said, concluding, "We must get serious soon!"

The Indians host league-leading Roncalli on Friday night.

KHS girls stop Cougars in emotional win

Sarah Glass (23) of Campbellsport drew a crowd when she got close to the basket in Friday's game at Kewaskum. Kewaskum senior Lindsey Keller drew the assignment of guarding Glass, which she did quite well, with help coming from Jacque Kwaterski (23). The Indians won the game 47-45.

Mainly known for her defensive skills, Kewaskum High guard Marissa Dehler has attempted to score a little more in recent games. Above, she drives the baseline during the second quarter of Friday's game against arch rival Campbellsport.

When a prep basketball team has come out on top in just two games, any win is important. When it comes over an arch rival, however, it's much more satisfying, which is why the Kewaskum High girls were so excited Friday night following a 47-45 victory over visiting Campbellsport.

The Indians were all smiles after the final second ticked off the clock, and the win could certainly be a confidence booster, according to one of the captains.

"I think this game could help us in the future," senior Paige Thelen said after indicating it was good to beat the neighboring Cougars, who have had their number in recent years.

"We were helping each other out and working together as a team," Thelen, who scored nine total points and battled for every loose ball, went on.

With the win, Kewaskum is 2-6 in the EW and 3-10 overall. The Cougars are 3-4 against conference foes and 6-6 overall.

What helped the Indians in this game was a good start and responding favorably to pressure in the last couple of minutes, although KHS Coach Jeff Gosse was pretty anxious.

"It got scary at the end. We didn't execute at the end," Gosse said, but, "They (his Lady Indians) played real smart tonight. They played as a team."

Behind baskets by Bry Timblin, Lindsey Keller (a 3-pointer) and Thelen, Kewaskum jumped out to a 9-0 start in the first three

minutes of the contest, but once Kristan Muench hit two free throws (with 5:39 to go in the period) and Alyssa McGray (4:58 left) got CHS' first basket, the game was back on.

By the end of the quarter, the score was 12-9 in the Indians' favor. Neither team was able to put any distance on the other in the second quarter. Back-to-back baskets by Jacque Kwaterski and Rachel Breese put the Indians up by four, but again the Cougars battled back, and it was all tied at the break 24-24.

Thelen gave the Indians a lift with her basket and then two free throws in the early stages of the third quarter. Then play got pretty ragged for the next several minutes before McGray hit a long-range bomb, and the difference was just two points, 34-32 (with KHS in the lead), going into the final quarter.

Katie Spanbauer and Sarah Glass came alive for the Cougars, combining for 11 of their team's 13 points in the last eight minutes, twice giving the Cougars the upper

hand, at 41-40 with 3:33 to go and 42-40 with 2:48 left to play.

If the Indians were going to prevail, they had to make a move and they had to make it quickly. They responded.

First, it was Breese hitting for two points from the right wing, and seconds later, Thelen made one of two free throws to give her team a lead (43-42) it would not relinquish.

With 1:24 to go, Keller made a nifty pass to Breese for an easy lay-up (45-42), and she was fouled on the play. Even though she missed the 3-point play, the Indians rebounded McGray's ensuing miss, got the ball to Timblin, who was fouled and swished both free throws for a 47-42 advantage.

Kewaskum did not score in the final minute, while Glass canned a free throw and a 14-footer, and had three tries at another basket after the Cougars intercepted Kewaskum's inbound pass. They missed all three, and the Indians had their third win.

Concerning what got the Indians fired up Friday, Gosse

said, "I have to plead the Fifth Amendment," then added, "After Tuesday, the captains finally stepped up. They let 'em (other players) have it."

The fiery speech worked, and there was plenty of praise dished out to those who helped secure the effort.

The nine points by Breese were very important, according to Gosse, who said, "That's one thing we've talked about. We have to get the screener involved. Seventy percent of the time, they are open."

"Sam Droese did a real nice job for us defensively," Gosse went on, adding, "I thought Marissa Dehler played good defense, too, and Katie Kurer came off the bench and sparked us."

Kurer chipped in with important baskets in the third and fourth quarters.

Another key, according to

Gosse, was Keller's defensive play on Glass. "Lindsey really shut her down. Lindsey's really done a nice job on defense for us this year ... Paige, too, on their big girl (Alisha Kraus)."

Timblin wound up with 10 points for the winners, and Spanbauer had the same number for the Cougars.

Kewaskum plays at Roncalli on Friday night.
