INSIDE

Developers in full swing around Village of Kewaskum

The hills are alive... with the sound of bulldozers, backhoes and dumptrucks. Spring has sprung and local developers and contractors are not letting the grass grow real long under their feet. Work on over 10 new subdivisions in The Statesman's coverage area are now underway. Watch next week's Statesman for an update on each subdivision.

Statesman photo: Andrew Kuehl

Campbellsport Police investigating burglaries

Campbellsport's Chief of Police, Randy Karoses is again reminding citizens there to be weary of buglars. Chief Karoses says in a press release that on May 2, 2005, his department received a call regarding a possible break in at the Liquid Lizard, 121 W. Main Street, Campbellsport.

Chief Karoses responded and found a glass pane had been broken from the window of the front door. Owner Carol Strean was notified and confirmed that a burglary had taken place. Numerous items were missing from or displaced in the display cases. Strean is in the process of inventorying merchandise to supply an accurate list of stolen items. At this time, missing items are listed as glass pipes and other devices used for smoking.

Later that day, Nichole Fettig reported that her apartment on New Cassel Street had been entered during the weekend. A window screen was removed and entry was made through the window into the apartment.

Officials at the department say they are continuing to investigate and are hoping some one with information will come forward.

Any persons with information regarding either of these burglaries should call the Campbellsport Police Department at 920-533-5391 during office hours, or contact a Campbellsport Police Officer at 920-292-3391 after office hours. On Saturday, May 7, at 10 a.m., members of the local Modern Woodmen of America Camp 2233 and the Friends of Kewaskum will gather at River Hill Park in Kewaskum to plant trees, as part of the fraternal benefit society's Plant A Tree program.

concert in Riverhill park

Tree planting, free

Following the tree planting, the group will be preparing for a free concert in the beer garden from 2 to 4 p.m. for everyone to come and enjoy. Picnic tables are available or bring a comfy lawn chair to sit in while you and your family kick back and relax listening to the live music performed by Gary Cross.

The Friends of Kewaskum are sponsoring the free concert portion of the day's events and will be selling hot sandwiches, hot coffee, soda, water and best of all, homemade desserts. Raffle tickets will also be available.

The Plant A Tree Program, introduced by Modern Woodmen in 2004, offers members the opportunity to beautify their communities by planting trees. "The program ties Modern Woodmen members to the roots of our organization, " says Jeff Jaeger, leader of the Kewaskum Modern Woodmen Camp 2233.

Jumping to the front/ Page 27 Indian relay topples Giants

Struttin her stuff/ Page 4 Style Show another success

"The name Modern Woodmen honors the pioneer woodmen who cleared the forests to build homes and secure futures for their families. Today, Modern Woodmen offers financial services to help clear away members' financial burdens. And today, planting trees is an important way to create a secure future for families, communities and the environment, Jaeger said.

Through the Plant A Tree Program and the help if its members, Modern Woodmen aims to plant thousands of trees across the United States this year. For more information, contact Jaeger at 262-626-4139.

Founded in 1883 as a fraternal benefit society, today Modern Woodmen of America offers financial services and fraternal member benefits to individuals and families throughout the United States.

WEEK'S WIT

Marriage is not only marrying the right partner, but is also being the right partner

Board members recognized for years Kewaskum Cares of sevice at town of Scott meeting

BY BERNADETTE MONDLOCH SPECIAL TO THE STATESMAN

The Town of Scott Board meeting concluded with a round of applause for veteran Supervisor Ira Weber who was concluding his twelfth year as a member of the board and another applause for Clerk-Treasurer B.J. Richter for achieving Diamond a Education Certificate from the Wisconsin Municipal Clerks Association. This award is based on the number of hours spent on attending and participation in educational events sponsored by the WMCA.

Use of town equipment to construct a gravel driveway for use by the local fire departments to get to the dry hydrant located on Supervisor Ivan Kumrow's property was approved. It currently goes over a grassy area which is not firm during rainy weather. Kumrow explained that he is not looking for remuneration but instead his concerns that fire fighting equipment may become stuck during wet weather. He said, "I know it has a good base because I have helped to pick tons of stones on this property." The board felt that use of town equipment would benefit all members of the community.

A new sign for the Worden Cemetery, and repairs to the Union Cemetery sign will be done by a student from the Kewaskum High School. Former Supervisor Irene Gnacinski reported that the cost is estimated to be approximately \$100.

Diamond F, the firm which disposes of sludge on 18 sites within the township has paid \$100 per site and will be charged an additional \$15.00 fee for each acre which has been approved by the DNR for the spreading of sludge.

Road employees began crack fill on five miles of town roads and seven miles of road ditches have been cleared of cans, and bottles.

A zoning change for a 17.88 acres parcel located in Section 23 and owned by Larry Laux has been tabled until more information can be obtained before making a decision on the change.

Chairman Steve Jung appointed the following committee members:

Community Center - Bruce Birenbaum and Randy Narbotovic.

Recycle Center Ken Willcomm and B.J. Richter. Streets & Roads - Ivan

Kumrow and Steve Jung. Library - Randy Nabotovic.

Building & Grounds -Bruce Birenbaum and Ken Willkomm.

Pier - Steve Jung Personnel - Steve Jung and **B** J Richter.

Other business

Approved a certified survey map for 1.54 acres owned by Ron Knoeck.

Possible purchase of a tanker truck & chassis for the Batavia Fire Department delayed until May meeting

Approved a wage increase for Ken Willcomm, road employee from \$11.00 to \$14.00 per hour.

Smart Growth committee reports on working on a questionnaire to be circulated to Scott residents.

Town Fire Chiefs announced that the Sheboygan County Sheriff's Department will be checking properties throughout the county for display of county fire numbers. A fine for not having the numbers posted where they can easily be seen will be approximately \$181.00.

Activity of the Batavia First Responders during March, included three medical cases, one car accident, one practice, one meeting, and one First Responder and Officer Meeting.

Batavia Fire The Department had one fire call, two practices, one meeting, one Sheboygan County Chiefs meeting, and one truck committee meeting.

The Beechwood Fire Department answered one fire call, one practice, one mutual aid with Campbellsport, one meeting, one officers meeting; sponsored a1 smelt fry and the auxiliary held an Easter Egg Hunt.

about their kids

A new community partnership is gathering steam. Kewaskum Cares About Kids is a group of adults and teens from the Kewaskum area who are interested in issues that affect teens in the Kewaskum community.

The group will hold another meeting for community members Thursday, May 5th, at 7:00 p.m. at the Kewaskum Annex Building, 1308 Fond du Lac Avenue. They are looking for input from the community and encourage concerned parents to attend this meeting.

Using data from the recently completed county wide Developmental Assets survey, members learned that youth in Washington County have concerns about the lack of things to do, and that they do not feel valued in their respective communities. Members also learned

about the number of teens participating in high-risk behaviors such as truancy and alcohol and drug use.

With this in mind, community members gathered and began discussing these issues "After just two meetings this group is already making strides and moving forward," says Linda Dymond, Kewaskum Cares member.

The group has picked several keys areas that they want to focus on: 1) Social Alternatives for teens. (possible teen club) 2) Volunteer opportunities for youth 3) Media coverage of youth doing positive things and 4) Parental networks and support."

To get involved or ask questions, Dymond can be reached at 335-6898 or ldymond@hnet.net.

Kewaskum Clinic

Do you ever notice how every once in awhile you'll drive through town or be engaged in a conversation and an odd question will pop into your head?

How did Kewaskum get the name Kewaskum? What ever happened to so

and so? Whose moving into the old XYZ Company building?

Better yet, who do you ask such questions? Who better than your local newspaper?

We also hope that by garnering these questions from our readers, we will be able to get somewhat of an idea as to what you, Joe Reader, want to read about.

We hope this new feature is helpful to everyone and provides a little humor and local knowledge as well. Selected questions and answers will be published in this column. You do not need to identify yourself since we will not be running reader's names with the questions, of course enclosing a name and phone number

This week's questions-Who is occupying the former building used by Mike's Country Meats at 204 Main Street in Kewaskum?

Mike's According to Country Meats owner, Mike Nitschke, the building was

sold to Gary Gavin in April. Gavin is currently remodeling the former meat market back into an office building, which it was before Mike's

· 38" mower deck · Hydrostatic drive

· Tight 14" turning radius · Limited quantities

WEST BEND

21.43 B

12 South 5th Ave 262-338-2316

Country Meats bought the building in 2003.

Before Mike's Country Meats the building was home to Timblin Trucking. Timblin Trucking purchased the land from Jim Rinas after his bar and grill, The Barrel Haus went up into flames in one of Kewaskum's most memorable fires.

Karen Callen, owner of Prairie Gardens Realty in Kewaskum says she hopes to be moving into the building sometime in June. Prairie Gardens Realty is located next to Woody's Steakhouse on Main Street in Kewaskum.

Has a pastor been chosen for Holy Trinity Parish?

Kathleen Hohl, director of communications for the Archdiocese of Milwaukee stated Tuesday. "I am not certain that a pastor will be assigned to Holy Trinity Parish, Kewaskum."

She stated that she receives the information from the Priest Personnel Board and then generates a master list. To date, she says that she has not received that information. Father Russell Stommel continues to do a great job saying mass and handling the daily administrative activities of the parish.

Clinton Street will get right turn lane at USH 45

BY ANDREW KUEHL MANAGING EDITOR akuehl@kewaskumstatesman.com

The Kewaskum Village Board has given the go ahead to remark a portion of Clinton Street from USH 45 to the St. Francis Bank driveway.

Village Administrator, Dan Schmidt stated Tuesday that the village is checking with the Washington County Highway Department about re-marking the intersection, and hoped the project would be finished by Memorial Day.

That project will create a turn lane for eastbound drivers on Clinton, wanting to make a right turn onto USH 45. To make that extra lane, parking on the northbound side of Clinton, extending from USH 45 to the bank's driveway will be prohibited. That will then be used as a westbound lane of traffic. A center lane will be created for travelers wanting to go east on Clinton or North on USH 45. The third lane will be the new right hand turn lane.

The intersection will be similar to that at USH 45 and Timblin Drive.

Sensenbrenner votes in favor of budget that cuts Medicaid

Congressman Jim Sensenbrenner voted for a \$2.6 trillion budget that passed the House this week. One of the key measures includes a cut back on the Medicaid Health Care program for the poor. The final vote on the budget was 214-211.

Other Wisconsin lawmakers in the House were primarily split on the party line vote, however Republican Mark Green voted against the bill.

WB student disciplined after bringing knife to school

West Bend police are dealing with a student who brought a knife to school. Police say the 13 year old told them he brought the weapon so he could protect himself while going to and from school. The boy is being cited.

Police also cited 25 yearold Jason Kleinhans for stealing a bottle of wine from Ruth Anne's Gourmet Market. Kleinhans was also cited shortly thereafter for stealing a can of tobacco from K-Mart.

WB teen charged as adult in crime spree

A 17 year-old West Bend boy will be sentenced in June after pleading guilty to a crime spree that chased across Washington County. William Schmitt was accused of stealing cars, credit cards and vandalizing road signs. A criminal complaint says Schmitt faced three felony charges and 40 misdemeanors.

Schmitt's cohort in crime, a 16 year-old from West Bend is being dealt with by juvenile authorities. Schmitt will be sentenced June 9th. He faces a maximum five years in prison and fines totaling \$30,000.

Explosives pulled out of FdL

Authorities in Fond du Lac pulled 40 rounds of high military explosives out of a home this week. A member of the Wisconsin National Guard says the rounds are designed specifically for an MK-19 grenade machine gun. Authorities say the items were most likely stolen off a military base. The ammo was pulled out of a home belonging to Christopher Moses. The Federal Bureau of Alcohol, Tobacco and Firearms is investigating.

Sensenbrenner's abortion consent bill passes House

An abortion consent bill authored by Congressman Jim Sensenbrenner passed in the House this week. The bill, which would make it illegal for minors to cross state lines for abortions was approved on a vote of 270-157. The Republican backed measure is designed to require parental involvement in their pregnant daughters decisions.

This week Congressman Sensenbrenner along with all of Wisconsin's House members also voted to rescind ethics rule changes. The vote was prompted following a series of controversial overseas trips taken by House Majority Leader Tom DeLay.

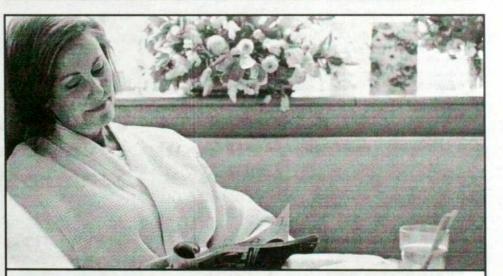

7 - FREE CONCERT in River Hill Park, beer garden 2 to 4 p.m. Live music by Gary Cross. Non-alcoholic beverages, sandwiches, homemade desserts and raffles available. Bring your family! Picnic tables on hand or bring your own land chair. Sponsored by FRIENDS of Kewaskum.

EVENTS

Kettle Moraine Youth Spring Music Concert at Schauer

"Music in the Air" is the theme for a joint Spring concert by the Kettle Moraine Children's Choir and the Kettle Moraine Youth Strings Orchestra, to be held on Wednesday evening, May 11th at 7:00 pm at the Schauer Arts & Activities Center, downtown Hartford.

The youth choir, under the direction of Susan Andereck, has grown to 27members, and is in its third season drawing children from Hartford as well as West Bend, Oconomowoc, Richfield, Germantown, Hubertus, and Hustisford. The youth strings orchestra is completing its first season under the direction of John Schultz of Milwaukee, with 22 youth ages 7 to 16 making up the orchestra.

Moraine Kettle The Children's Choir will perform a medley of songs including "The Rising Moon," a tradi-tional Irish folk tune with fiddle accompaniment, plus "What I Did for Love," "Sing," "What I Did for Love," "Blessing," and "Catch the Spirit," an upbeat contemporary number, and others. Additional numbers will be performed separately by the youth strings orchestra. Both ensembles will join forces to perform the traditional song, "Simple Gifts," combined with the popular and lovely "Pachelbel's Cannon.' (Cannon in D by Johann Pachelbel).

Andereck has taught music and voice for more than ten years, and became the youth choir director last year. She and her husband Tony are residents of Hartford. Andereck is a graduate of Lawrence University (Appleton) in music education. John Schultz began as the director of the Kettle Moraine Youth Strings Orchestra last September. Schultz graduated from the University of Wisconsin-Milwaukee, and holds a masters degree in Chamber Music.

A reception with refreshments, along with a Pie Sale to help raise funds to support the KMCC, will immediately follow the concert.

The KMCC is open to children ages 7 to 14 who reside in the Central Kettle Moraine area. The 27 members of the KMCC include: Jacqueline Boelkow, Beatrice Gerfin, Megan Mentink, Analise Lindborg, Marissa Boddn, Rachel Pfotenhauer, Elisha Jaeke, Melanie Gerrits, Rachel Waldhart, Lloyd Brown, Moriah Michalak, Emily Hirsch, Anna Hirsch, Taylor Harrison, Natalie Kruger, Gorman. Deanna Keith Andereck, Jeremy Andereck, Elizabeth Carroll, Angela Bleke, Brianna Wesner, Alexis Daley, Chloe Daley, Tiffany Tetrick, Kelsey Durante, Catie Elsbernd, and Ceci Elsbernd.

The KMYSO is open to youth ages 8 through 18. The 22 members include: Peter Hyde-Smith, Haley Asch , Kaila Banaszak, Seth Banaszak, Ryan Oswald, Daniel Bartelt, Payne Ranicke, Jessica Kuderer. Andrea Ehlinger, Dana Harley, Ehlinger, Jenna Autumn Daley, Jackson, Alexis Danielle Jackson, Michelle Hawkins, Arianna Estudillo, Edvardo Trejo, Zephaniah George, Isabelle George, Marco Gensch, Benjamin Schroeder, and Jennifer

PEOPLE

Tree will be lasting reminder of John Schmitt

A tree has been planted in Family Park in memory of John Schmitt. Brian Rahn center and Kathy Schmitt pose at last week's dedication service.

BY JUDY HARLOW Statesman Correspondent jharlow@kewaskumstatesman.com

His life ended far too early, but the memory of Kewaskum native John "Spike" Schmitt continues to live on.

It has been nearly seven years since Schmitt, who was riding with a young patrolmen, was killed in a traffic accident while in the line of duty for the Washington County Sheriff's Department.

The annual motorcycle ride has been an excellent reminder of Schmitt's dedication to law enforcement, and after last Friday a tree was planted and bench stand in his honor was placed in the Harold Buth Arboretum in Family Park, which is located near the Washington County Golf Course in Hartford.

Schmitt's mother, Kathy, was on hand for the dedication, and while she declined to speak during the ceremony, when several geese flew over, she said it was a sign her son was looking on and saying, "Thank you for getting together and have a good time. It's his way of showing appreciation."

Kathy Schmitt indicated most every year during the Never Forget "Spike" Ride, a rainbow has appeared brightly in the sky.

"There was one year we had three of them three rainbows. They were just beautiful," Schmitt said, relaying how they touched her heart and of all the others in attendance.

"We'd like to thank everyone for doing this. It's a nice award," Schmitt said. "This is a perfect place."

Sheriff Brian Rahn said he was proud to have worked with Schmitt while he was a patrolman, and he noted his wife and Schmitt has an excellent working relationship, which extended into a friendship.

Statesman photo by Judy Harlow

"She (Rahn's s wife) started working at the Sheriffs Department at the same time John did ... They had a very good friendship," Rahn said.

Rahn said Sept. 7, 1998 is "a day we will never forget" because of the sacrifice Schmitt made to protect the residents of Washington County. Rahn called Schmitt "a true hero."

Rahn, who retired Schmitt's badge No. 465 in 2003, went on to say the tree would be a reminder of Schmitt's life because it would provide "growth, shelter and enjoyment for so many" in the Family Park.

Mike Kactro, the assistant administrator for Park and Planning in Washington County, directed the festivities, and Maurice Strupp was on hand as a county supervisor and a member of the Park and Planning Committee.

This year's "Spike" Schmitt Ride will be held on Sunday, June 18th. it will start at Bob's Harley in Fond du Lac and wind up at the River Hill Park in Kewaskum.

Food will be made available by the members of the Kewaskum Fire Department, and there will be music in the park, according to Kathy Schmitt, who said the proceeds go to the John Schmitt Scholarship at Kewaskum High School and to C.O.P.S, Concerns of Police Survivors, the Wisconsin and National chapters.

Tom Timblin with his son Caleb.

Caleb Timblin, son of Tom and Debbie Timblin of Kewaskum, recently completed an exciting season of wheelchair basketball. Caleb, a sixth grader who attends Holy Trinity School, is an active athlete who just happens to have cerebral palsy.

This disease has not slowed down this active 13year-old for one minute. Last fall, Caleb joined the Milwaukee Wheelin' Wizards prep basketball team. The team is composed of young handicapped boys and girls from the Greater Milwaukee Area.

The Wizards traveled to many tournaments in order to qualify for the National Championship Tournament. Only 16 teams from the entire nation qualify. The team traveled to St. Paul, Minnesota, Fort Wayne, Indiana, Rockford, Illinois and hosted their own tournament at the Oak Creek High School.

A sparkling 18-4 record earned the Wizards a trip to Birmingham, Alabama for a chance to play for the National Title. In their first game the young hoopsters beat Philadelphia, Pennsylvania by six points to advance to the semi-finals.

Their next opponent was a big, strong Washington D.C. ball club. In a breathtaking game where every possession was contested, Milwaukee's finest outlasted their east coast foes, 22-20 to propel the Wizards into the National Championship Game against the undefeated New Jersey Nets.

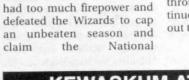

Unfortunately the Nets

Championship. Although the kids were disappointed, they shared many hugs and handshakes with all their opponents as these kids all share an incredible bond with one another regardless of where they live.

The young athletes returned from the Para Olympic Training Center in Birmingham with many lifelong memories. According to Caleb, "Second place in America is actually pretty good, but this summer I'm going to try to improve with a lot of practice!"

Caleb was honored at the year-end banquet by being named the "Most Improved Player" on the team. Caleb's dad, Tom Timblin, who helped coach the team, said, "It was inspiring to be around all the kids. With all their challenges, they never quit on us. They were all positive role models for all the physically and mentally impaired kids and young adults."

Caleb broke both of his knee caps about halfway through the season, but continued to play and toughed it out to the end.

SCHOOL

FES Speech Contest Winners

Shown above are the students from Farmington Elementary School who competed in the ModernWoodmen Speech Contest.

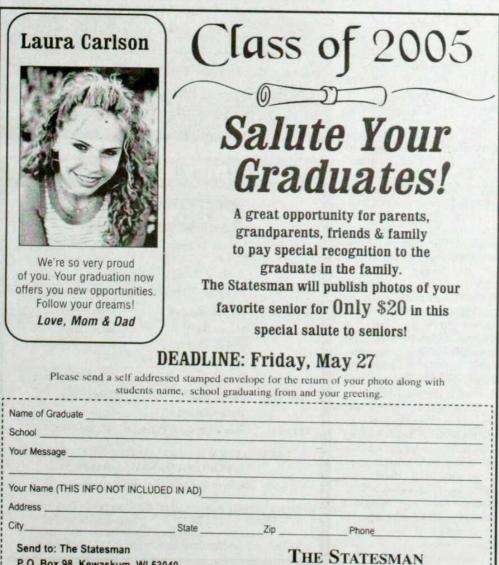

Local students from Farmington Elementary School recently gained the opportunity to demonstrate their public speaking skills and take pride in personal accomplishments. On April 6, 2005, the kids took part in a speech contest sponsored by Modern Woodmen of America, a national provider of fraternal financial services and programs.

Students competing in the contest, which was held at Farmington Elementary School, shared their presentations on this year's topic, "A Great Time in United States History,"

The winners were Michele Marquardt, first place; Jessie Smallish, second place; and Leah Domask, third place. Each of them received a trophy and their names will be engraved on the school's speech contest plaque. Gold award pins were also given to the next seven ranking finalists: Samantha Smallish, Colin Gliniecki, Michael Hodorff, Megan Ringwell, Hanna Lepp, Aly Backhaus and Teal Kryscio. All participants received certificates of participation for their hard work.

Modern Woodmen's School Speech Contest is one of six free Youth Educational Programs Modern Woodmen offers to schools nationwide. Nearly 100,000 students compete in the contest each year.

Founded in 1883 as a fraternal benefit society, today Modern Woodmen of America offers financial services and fraternal member benefits to individuals and families throughout the United States.

SCHOOL

KMS to present 'Festival of the Arts' program

The Middle School Band practicing hard for The Festival of the Arts program being held May 12.

KMS students with some of the artwork they have prepared for the program.

The Kewaskum Middle School Arts and Music departments are presenting a first for the Kewaskum district. They will host a Festival of The Arts at the Middle School on Thursday, May 12. This will be a band concert followed by an Art Award Program for Elementary and Middle School students.

For 23 years the art departments from the elementary schools and the middle school have a combined art exhibit at KMS. Viewing of the visual art displays will begin at 5:30 p.m. This year the band "pops" concert, usually held in May, will be presented from 6 to 6:45 p.m. The concert will conclude with a combined music and art extravaganza. The award program should ingful.

begin at 7 p.m. The theme this year has been "Rhythm and Rhyme." Students have explored the similarities between music and the visual arts. In doing so, both forms have become more interesting and meanFamily art making activities, such as making glass chimes and tambourines, will begin at approximately 7:30 p.m. Please join as we celebrate the Arts and our children's talent.

The Story of Mother's Day

The earliest Mother's Day celebrations can be traced back to the spring celebrations of ancient Greece in honor of Rhea, the Mother of the Gods. During the 1600's, England celebrated a day called "Mothering Sunday". Celebrated on the 4th Sunday of Lent (the 40 day period leading up to Easter*), "Mothering Sunday" honored the mothers of England.

During this time many of the England's poor worked as servants for the wealthy. As most jobs were located far from their homes, the servants would live at the houses of their employers.

On Mothering Sunday the servants would have the day off and were encouraged to return home and spend the day with their mothers. A special cake, called the mothering cake, was often brought along to provide a festive touch.

As Christianity spread throughout Europe the celebration changed to honor the "Mother Church" - the spiritual power that gave them life and protected them from harm. Over time the church festival blended with the Mothering Sunday celebration . People began honoring their mothers as well as the church.

In the United States Mother's Day was first suggested in 1872 by Julia Ward Howe (who wrote the words to the Battle hymn of the Republic) as a day dedicated to peace. Ms. Howe would hold organized Mother's Day meetings in Boston, Mass ever year.

In 1907 Ana Jarvis, from Philadelphia, began a campaign to establish a national Mother's Day. Ms. Jarvis persuaded her mother's church in Grafton, West Virginia to

celebrate Mother's Day on the second anniversary of her mother's death, the 2nd Sunday of May. By the next year Mother's Day was also celebrated in Philadelphia.

Happy Mother's D

Ms. Jarvis and her supporters began to write to ministers, businessman, and politicians in their quest to establish a national Mother's Day. It was successful as by 1911 Mother's Day was celebrated in almost every state. President Woodrow Wilson, in 1914, made the official announcement proclaiming Mother's Day as a national holiday that was to be held each year on the 2nd Sunday of May.

While many countries of the world celebrate their own Mother's Day at different times throughout the year, there are some countries such as Denmark, Italy, Australia, and Belgium which also celebrate Mother's Day on the second Sunday of May.

For more information on Mother's Day and other holidays check out www.holidays.net/mother

- loaf (24 inches) French bread, ends trimmed, cut into 18 slices
 cups fresh or thawed fro-
- zen cranberries, divided 1 cup maple-flavored or
- pancake syrup 2 Tbsp. sugar

BEAT cream cheese, 1/4 cup sugar, vanilla and cinnamon in large bowl with electric mixer on medium speed until well blended. Add eggs, 1 at a time, mixing well after each addition. Gradually add milk, beating until well blended.

ARRANGE bread in greased 13x9-inch baking dish; sprinkle with 1 cup of the cranberries. Pour cream cheese mixture over cranberries. Let stand 15 minutes. Meanwhile, preheat oven to 350°F.

BAKE 40 to 45 minutes or until golden brown. Meanwhile, bring syrup just to boil in medium saucepan on medium heat. Add remaining 1 cup cranberries and 2 Tbsp. sugar. Reduce heat to low; simmer 10 minutes, stirring occasionally. Cool slightly. Cut casserole into 9 pieces. Serve topped with the cranberry sauce.

Flower Pot Cones

Recipe Rating: Prep Time: 15 min Total Time: 15 min Makes: 12 servings

- 1 cup cold milk 1 pkg. (4-serving size) JELL-O Chocolate Flavor In-
- stant Pudding & Pie Filling
- 2 cups thawed Whipped Topping10 OREO Chocolate Sand-
- wich Cookies, crushed, divided
- pkg. (1-3/4 oz.) Comet Cups (12 cups)
 Marshmallow Flowers

(see Tip) or gummy worms

POUR milk into large bowl. Add dry pudding mix. Beat with wire whisk 2 min. or until well blended. Let stand 5 min. Add whipped topping and 3/4 cup of the crushed cookies; stir gently until well blended. Cover and refrigerate until ready to use.

SPOON about 1/3 cup of the pudding mixture into each ice cream cup. Sprinkle evenly with remaining crushed cookies to resemble dirt in flower pots. Flatten tops slightly with back of spoon.

FAITH

My mother said there would be days like this

Mothers are the greatest dispensers of advice since God said, "Let there be light." My own mother gave me some splendid advice when I was growing up. Unfortunately, much of Mom's advice shed light on nothing. Absolutely nothing.

Let me outline some advice my mother gave me that, to this day, I have no idea what she was talking about.

I distinctly remember my mother standing before me, with her hands on her hips, scolding me for something and then saying, "Who do you think you are?"

This always disturbed me and caused me to wonder about my nativity. As a young person, I often pondered this question myself. As with most teens, I had long moments of identity crisis. (When you are young most of your energy goes into producing hormones and so the brain functions on low voltage.)

It greatly confused me that the person who should know who I was, asked me the question I had been asking myself. If she does not know who I am, what hope do Ihave?

Then there was the time I asked my mother for money. She whirled around and replied, "Do you think money grows on trees?"

Up to that point I have never given the matter much thought. I simply assumed money came from my father going to work and being paid. However, here was something new to ponder.

Where does money come from, really? What added to my confusion was the name of our bank -- The Elm Tree Branch of First National Bank of Harrisburg. Now I was totally confused.

When I was quite young, I remember asking my mother for something in the store. I

16

think it was some small toy that I took a fancy to and asked my mother to buy. She refused. I complained and demanded to know why.

She looked me straight in the eye and said, "Because I'm the mother, that's why." To this day, I still do not know what in the world that statement meant.

When she saw my confusion, she told me, "When you have children of your own, you will understand." I have children of my own as well as grandchildren, and I still do not know what she meant. It must be a mother-thing, which is all I know.

Then there was the time I wanted to do something with some guys and my mother would not let me. "But everyone else is going," I protested in vain.

That's when my mother gave me her spin on the situation at hand.

"What if EVERYONE jumped off a cliff? Would you do it, too?" The thing that confused me was nobody was going to jump off any cliff. In fact, nobody in their right mind would every think of such a stupid thing. Nobody, that is, but my mother.

I figured she must have gotten her sadistic side from her mother. It must be something mothers pass on to their daughters, because we men do not get it.

Most memorable of her nuggets of wisdom to me is that piece of advice that I still abide by. Before leaving the house my mother would say, "Make sure you have clean underwear on in case you get in a car wreck and have to go to the hospital."

I have never figured out what clean underwear has to do with going to the hospital, but that piece of advice made for the worse day of my high school years.

Just as I drove into the school parking lot one day, it

NEW MINISTRY ANNOUNCES OPENING!

New Life Christian Church & Outreach Center

1511 Barton Avenue, West Bend, WI 53090 (800) 448-8177 or (262) 692-3739

www.Newlifewithchrist.net (Located at the corner of HWY 144 & North Main St.)

First Service Will be Sunday, May 8, 2005 at 10:00 AM NURSERY PROVIDED

We are a Christian whole Bible believing ministry. We are dedicated to reaching the lost with the only true hope, and that hope is our Lord and Savior Jesus Christ. Not only is our charge to this lost nation, but to encourage and come along the side of the Christian believer. We believe the needs of the people must not only be met on Sunday, but throughout the week.

We are here as an emergency room for the afflicted. A center of hope for the hopeless. We believe that through Jesus Christ and Christ alone; there is FREEDOM. (2 Cor. 5:17). We also offer free of charge: Bibles, a food pantry (we are part of Milwaukee's 2nd Harvest), a clothing locker, Biblical addiction counseling, Biblical marriage counseling, and Biblical pre-marriage counseling.

We are a non-compromising church and ministry that preaches the truth of the <u>Whole</u> bible. We do look forward to meeting you and your family.

PETER SAID:

"Neither is there Salvation in <u>IN ANY OTHER NAME</u>: for there is no other name under Heaven given among men, where <u>we all must be saved</u>" (Acts 4:12) that name is above all names; the Lord and Savior Jesus Christ.

> "In him was life; and that life was the light of men" John 1:4 KJV For more information about us please visit our website at: www.Newlifewithchrist.net

MILDRED KLUG

Mildred Klug, age 82, of the town of Scott, passed away on Monday, May 2, 2005 at Beechwood Rest Home in Beechwood.

Please call Miller Funeral Home in Kewaskum at 626-2185 for service information. A complete obituary will be published in next week's paper.

MARGARET M. HAWIG

Margaret M. Hawig, age 98, of West Bend, died Monday, May 2, 2005 at the Cedar Lake Health Care Center in West Bend.

She was born April 6, 1907 in the town of Wayne to the late Jacob and Rose (nee Bingen) Hawig.

Margaret graduated from Kewaskum High School and earned a Masters Degree in Education from UWM where she was a member of the International Honor's Society. She then taught elementary school for 44 years with the last 25 years being in the West Bend School District.

She was very active in the Washington County Historical Society, the Washington County Retired Teachers Association, the Good Samaritan Guild and the Christian Woman's Confraternity at Holy Angels Church.

Survivors include three siblings, Edward (Catherine) of the Town of Wayne, Norma Wietor and Viola Hawig, both of West Bend; two sisters-inlaw, Blanche Hawig of West Bend and Mildred Hawig of Newburg; nieces; nephews; other relatives and friends.

She was preceded in death by two brothers, Wilmer and Albert and a sister, Rosella Weske.

A Mass of Christian Burial will be held Thursday, May 5, 2005 at 3 p.m. at Holy ANgels Church with Rev. John Wutscheck presiding. Burial will follow in Holy Trinity Cemetery in Kewaskum.

Visitation will be Thursday, at the church only from 1 until 2:45 p.m.

In lieu of flowers memorials may be made to Holy Angels School Trust Fund of Holy Angels Church.

Schmidt Funeral The Home of West Bend is serving the family.

ADELINE KLUEVER

Adeline Kluever, (nee Marquardt), age 97, of West Bend, passed away Tuesday April 26, 2005, at the Samaritan Health Center, West Bend.

She was born on July 31, 1907 in the Town of Osceola to the late Fredrick and Amelia (nee Kutz) Marquardt. She was baptized into the Christian Faith at Trinity Lutheran Church in Dundee on November 2, 1907. She later confirmed that faith on April 11, 1920.

On October 27, 1927, she

was united in marriage to the love of her life, Lorenz Kluever, in Waukegan, IL. He preceded her in death on September 29, 1973

Together they shared a real love for the Lord, which led them to become members of Immanuel United Church of Christ in West Bend. Adeline always took great pride in her garden and loved planting flowers. She also enjoyed raising chickens and all of the excitement that came along with

She is survived by many nieces, nephews, other relatives and friends.

She was preceded in death by two sisters and three brothers

Funeral services were held on Friday, April 29, 2005 at 2:00 pm at Myrhum-Patten Funeral and Cremation Service of West Bend. Rev. Frank Turpin officiated and burial followed in Washington County Memorial Park.

Visitation was on Friday from 1:00 pm until the time of services at 2:00 pm.

Memorials to the charity of your choice would be greatly appreciated.

ELIZABETH VANDEN HEUVEL

Elizabeth Vanden Heuvel nee Duckhorn, of West Allis, entered eternal peace on Thursday, April 28, 2005 at Cedar Lake Health Care Center, at the age of 85.

Elizabeth was born on September 1, 1919 to John and Katherine (nee Lippert) Duckhorn in Milwaukee, where she was also raised. She was in the first graduating class at Pius XI in 1937. Elizabeth was a dedicated employee of Allis Chalmer for thirty-five years, in their credit union.

Survivors of Elizabeth include her children, Rosemary Hamlin, Bill (Ginny) Vanden Heuvel, and Peggy Branger; ten grandchildren; fifteen great-grandchildren, and her siblings, Tom (Kathleen) Duckhorn and Katherine Anderson. She is further survived by other relatives and friends.

A Mass of Christian Burial was held on Monday, May 2, 2005 at 2:00 p.m. at St. Pius X, with Father Robert Marsicek officiating.

Interment took place at Holy Cross Cemetery on Tuesday, May 3, 2005 at 10:00 a.m. The hours of visitation were on Monday, May 2, 2005 from 1:00 p.m. until the time of Mass at 2:00 p.m. at St. Pius X Congregation.

In lieu of flowers, memorials are appreciated to the family.

The Phillip Funeral Home of West Bend assisted the family (262)338-2050.

County Separated, **Divorced**, Widowed **Hold Meetings**

UBITUARIES

The Washington County Separated, Divorced and Widowed Men and Women group meets every Friday from 7:30 to 9:30 at Holy Angels School, 230 N. 8th Avenue in West Bend.

The purpose of the group is to provide a means to share ideas, concern, support, fellowship and love from a Christian perspective. They also have guest speakers, panel discussions, small group sharing and other activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and individuals rebuilding their lives and relationships. SCHEDULE OF ACTIVITIES

May 6, 2005 - Video: "Get a Life" by Loretta La Roche. There will be a board meeting at 6:30 p.m.

We Prepare" Disaster Preparation and Emergency Safety Tips with speaker Jenny Legaste of the Red Cross.

of Fighting," a Dr. Phil video. A fighting couple is literally

6:30 p.m. Bring a dish to pass followed by a Social/Fun Night. Bring cards, board games, snacks, etc.

June 3, 2005 - "In Our Own Voice" topic on relationships by speaker Mary Bolzar from West Bend/Fond du Lac Mental Health. Board meeting will be held at 6:30 p.m.

June 10, 2005 - Holy Angels Festival - no meeting tonight.

IN MEMORY

In memory of Edwin R. Backus, who passed away oneyear ago, on May 10, 2004:

"God Saw"

God saw that you were getting tired;

And a cure was not to be; So He put His arms around

you; And whispered come with me. With tearful eyes we watched

vou suffer: And saw you fade away; Although we loved you deeply,

We could not make you stay. A golden heart stopped beating;

Hard working hands at rest, God broke our hearts to prove to us.

He only takes the best.

Mother Said

(Continued from page 16)

dawned on me that I had forgotten to put on clean underwear. Panic raced through my teenage heart like never before. I was certain some disaster awaited me around the next corridor.

By the end of the day, I was a nervous wreck. Driving home, I was sure something would happen to me, putting me in the hospital. I imagined myself being rushed into surgery and the first thing the medical team asked was, "Check his underwear to see if they are clean."

Upon finding my underwear not clean, they refused me any medical attention and sent me back to my mother.

To this day, I am paranoid about wearing clean, fresh underwear each day.

I have my mother to thank for that.

Thanks Mom. And Happy Mother's Day.

Your Travel Guide to Wisconsin's

Local Legends and Best Kept Secrets

LETTER TO THE EDITOR

The following letter was sent to Senator Glenn Grothman. The author requested that it be publised in this newspaper as well.

Dear Senator Grothman:

As we all know, solid waste is becoming a serious problem in this country. Currently, we are blessed by having the old iron ore quarry at Mayville for our refuse. I'm certain that someday that will also fill and will force the State of Wisconsin to find another dumping station. Due to the ecological and population concerns, I'm certain that landfill sites cannot be put just anywhere.

Today, I traveled from Chicago to West Bend, I passed approximately five trucks of garbage coming from the city of Chicago that was going to be dumped in our landfill in Mayville. While I realize that the landfill business is a private enterprise, the future of this state's ecology is something that goes beyond private enterprise. I feel relatively certain that our good neighbors to the south will not accept our refuse when the Mayville landfull is completely full.

With these things considered, I think that Wisconsin should do something about importing refuse from other states. I believe those states should be responsible for disposing of their own refuse and leave our valuable landscape intact.

> Very truly yours, Dairyland Seed Co., Inc. Steven A. Strachota President

can facilitate our economic needs. Expanding the West Bend Airport would enhance our position, as well as provide support to the region to compete in the business of to-

in the adjoining counties that

As we are sure you are aware, Washington County is one of the fastest growing counties in the state. While we are experiencing tremendous growth, we are finding the climate to attract manufacturing, commercial, retail and wholesale business is impeded because of the lack of suitable airport facilities.

West Bend and Washington County have a welltrained and viable work force. In addition, we have excellent institutions of higher learning capable of further training as needed. Our affordable housing and various amenities attract diverse economic development opportunities. We believe that the expansion of the West Bend Airport is vital to our continued growth.

On behalf of the West Bend Area Chamber, I respectfully request your support in the expansion of the West Bend Airport. We appreciate all your efforts on behalf of Wisconsin, and hope that you will see the importance of this needed improvement.

> Sincerely, Kim Swisher, Executive Vice President West Bend Area Chamber of Commerce

by LINDA S. GODFREY and RICHARD D. HENDRICKS Trust me on this: big-city people from out of state think that Wisconsinites are a strange bunch. Could it be the triangular orange foam we wear on our heads at national sporting events? Could it be our rabid love of Green & Gold? Could it be that, at one point in our history, cows vastly outnumbered

people? Perhaps it's more, say Linda Godfrey and Richard Hendricks. and in their new book "Weird Wisconsin" (c.2005, Barnes & Noble Books), they'll show you what makes our state so much fun

From north (Bong Heritage Center and Museum) to south (Dickeyville Grotto) and east (The Extraordinary Fence of Daniel Erbstoesser in Sheboygan) to west (Elmer's Auto & Toy Museum in Fountain City), "Weird Wisconsin" will take you on a whirlwind tour of our state's strangest and funniest sites

Drive down any Wisconsin county road, and you'll see how much we love to decorate our yards with unusual things. FAST Corporation in Sparta can help you find that giant fiberglass animal you always wanted to put on top of the garage. If a giant metal dinosaur is more to your liking, you can get ideas by visiting Jurustic Park just outside of Marshfield. There are several different places to go if you want to see large concrete sculptures, with or without decorative stones and glass bits. Wouldn't Dad love one of those for Father's Day?

And speaking of great big creatures, we in Wisconsin love our cows - the bigger, the better. Janesville has her Bessie, Neillsville has Chatty Belle and Bullet, and Antoinette towers over Plymouth, Lucky for us, we low our milk, too.

Museums seem to abound in Wisconsin. Prairie du Chien has its Museum of Medical Progress (See a transparent female mannequin!) Madison boasts Sam Sanfillippo's Squirrel and Chipmunk Museum (See stuffed chipmunks playing poker!). There's a museum for honey and Houdini, a House on a Rock and a Rock in a House.

And what weird book would be complete without a good ghost story or three? Authors Godfrey and Hendricks have scoured the state for the creepiest ghost stories (they never saw any ghosts, alas), the strangest Bigfoot sightings (ditto), and a few tales of monsters glimpsed in Wisconsin waters.

Part Guinness, part Ripley's and all fun, "Weird Wisconsin" is a large, colorful book that is going to make you want to jump in the car this weekend and see some of these things for yourself. Filled with pictures and illustrations that are unique to this unique book, Linda Godfrey and Rick Hendricks present the weird, fascinating and unusual in a lighthearted way but never derisive. Godfrey and Hendricks are Wisconsinites, and the people in this book are their neighbors, too.

If you're proud to be from Wisconsin, grab your Cheese Hat, wave your Green & Gold, hoist your glass of moo juice and get a copy of this book. It will prove to you that nobody does weird like we do.

PUBLIC NOTICES

Village Board Meeting Minute

Village of Kewaskum Plan Commission Meeting January 11, 2005 7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin, held their regular meeting in the Council Room of the Municipal Building, 204 First Street. Chairperson Mathew Heiser called the meeting to order at 7 p.m. The following Commissioners were present: Commissioners Andy Pesch, Frank Beesten, Theodore Meilahn, Andrew Kuehl and Richard Schmidt. Also in attendance were Village Attorney Gerald Kiefer, Village Engineer Ken Ward and Village Financial Analyst Christy Cramer. The audience had multiple members of the public present in addition to three students from Kewaskum High School, Government Affairs Class. The meeting was opened with a

Moment of Silence and Pledge of Allegiance. Chairperson Heiser opened the

meeting and requested approval of the minutes of the meeting of November 30, 2004. Theodore Meilahn requested that a note be added to the minutes that he abstained from voting on the motions included on the second page of the minutes where he had a conflict of interest regarding the annexation of lands west of Prospect Drive (Behnke annexation). A motion made by Frank Beesten, seconded by Andy Pesch and carried unanimously by voice vote the Plan Commission approved the minutes as amended for November 30, 2004.

Chairperson Heiser then opened the Public Hearing for the possible creation of Tax Incremental District No. 2 and reviewed the Project Plan pursuant to Section 66.1105 Wisconsin Statutes. Chairperson Heiser introduced Ken Ward from Ruekert/Mielke and Christy Cramer from Ruekert/Mielke who then gave an overview of the project plan.

Ken Ward explained the proposed project plan included the boundaries of the proposed Tax Incremental District (TID) and addressed the improvements that would be needed to support the TID. The area to be included within the TID boundary is approximately 115 acres of which approximately 38 acres will be zoned residential. The remaining 77 acres would be a mixed use of zoning for commercial, business and manufacturing. The remaining 77 acres encompass 6 separate property owners of which one primary property owner controls 33 acres. Approximately 5 to 6 acres of this land would be given up by the developer for the use of public right-ofway or the construction of a regional storm water management pond. The proposed developer will be paying 100 percent of the development of the residential area to the west of Prospect Drive and also be paying a significant portion of the value of the development of the industrial and commercial areas. The improvements required for the TID are the extension of sanitary sewers that will service not just the proposed TID, but additional acreages adjacent to the TID. Extension of water mains to the area will be able to provide adequate daily flow and projected fire flows to both within and outside of the proposed TID area. There will be a need to construct some utility improvements in U.S. Highway 45 which will be constructed within the right-of-way, but outside of the existing pavement areas. Christy Cramer then explained the basis of a TID including the fact that the current taxes that are collected by all taxing jurisdictions such as the Kewaskum School District or the Moraine Park Technical College would con-

tinue to receive the taxes that they ry 20

receive today. The advantage of creating a TID is that any increase in assessed value would increase taxes. which would be accrued to pay off infrastructure improvements for the TID. At the time that all improvements within the TID have been paid off, the entire new developed value of the TID then goes on the tax rolls thereby increasing the overall share of taxes to be collected and paid back to those taxing jurisdictions. Christy Cramer further explained that the overall TID cost was approximately \$7.8 million of which \$4.6 million would be supported by the TID. Approximately \$535,000 would be paid for by the developer with the remaining cost being paid for by special assessments, impact fees and utility charges. It is estimated that the entire TID will increase the overall tax base from its current \$2.3 million up to \$46 million. It was further explained that the TID is estimated to be paid off in approximately 14 years in which time any leftover TID values along with the taxes to be collected beyond that point would go to all the taxing entities. At this time the meeting was turned back to Chairperson Heiser for any questions that the Plan Commission may have.

At this time Chairperson Heiser then asked those in attendance in the audience if they had any questions regarding the TID proposal. Multiple residents requested additional information on the TID including the need for payment of cost for the installation of sanitary sewer and water within the area or over sizing costs and what guarantees would be provided by the developer. Ken Ward explained that if the development were to proceed without the TID that it most likely would not be feasible. While the residential development may take place, it would be extremely costly to provide the services to the overall area without the formation of the TID and the payment of the tax revenues to support it.

A question was raised as to why the developer doesn't pay more. Ken Ward responded that the developer will be required to provide guarantees within the development agreement not only for the residential area, but also for portions of the development of the industrial areas between Prospect Drive and U.S. Highway 45. The development agreement will allow the Village to have in place some guarantees to contribute funds that in the event the land does not develop in the timeframe that is allowed, that a Letter of Credit would be in place such that development guarantees would occur.

The question was asked if the development is needed given the fact that the School District may be impacted by not receiving as much revenue with the land being placed in a TID. Christy Cramer responded that the base value of taxes would still be collected and disbursed to the Kewaskum School District. In the interim, during the TID, additional taxes would not be collected and sent to the School District. It was pointed out by a Plan Commission member that enrollment within the School District was actually declining at this time and that even though the residential development was a component of the TID, that it would not have a negative impact on the School District. A question was raised by a resident that the TID might not be able to develop within the timeframe as indicated. Ken Ward and Christy Cramer explained that the values that were shown on the cost estimates for both the construction of facilities and the payoff of the TID were conservation in nature. Therefore, if less money was spent on the TID, it could be paid off earlier or if the increment was short, meaning development occurred at a slower pace to increase total value, the TID would still be

able to be paid off within the statuto-

ry 20 year timeframe.

Multiple questions were asked regarding the types of buildings that would be constructed within the TID, buffer zones between adjacent lands and whether or not development should be taking place in downtown Kewaskum rather than the rural area immediately south of the Village. Ken Ward and Christy Cramer provided answers that explained that the creation of the TID allows for orderly growth and the construction of street patterns and development rather than a haphazard manner. It was also stated that the type of buildings and the occupation of those buildings would be on a case-by-case basis as development occurred.

Several members of the audience urged the Plan Commission to consider tabling this item until further information was available on the TID. Chairperson Heiser responded that the Village has invested and trusted its professional staff to analyze the needs within the TID, the value to be generated by the TID and the analysis has shown that repayment can be made within 14 years. That item, coupled with the developer's agreement, will insure that the Village has in place a TID that will not only be successful, but will be paid off well in advance of the 20 year timeframe as allowed by Wisconsin Statutes. At approximately 8:00 p.m. Commissioner Richard Schmidt and Administrator Daniel Schmidt were both excused for personal reasons

Additional questions were asked regarding the payoff of the TID, site zoning and development of infrastructure. Ken Ward provided answers to each of the questions as they were asked. Chairperson Heiser closed the Public Hearing at 8:25 p.m. On a motion by Andrew Kuehl, seconded by Frank Beesten to close the Public Hearing. Roll call vote 5 "Aye", 0 "Nay", 1 "Absent". The Public Hearing was closed.

The Plan Commission then moved to agenda item 6A, the review of the annexation petition for the area referred to as the 3 R's and others described on the annexation map filed with the petition. Ken Ward gave an overview of the area to be annexed of the lands west of U.S. Highway 45, north of Badger Road, east of Prospect Drive (with the exception of 4 residential lots) and south of Hillcrest Drive containing approximately 82.96 acres. Ken Ward described the land use as that to be as described in the earlier Public Hearing. On a motion by Andy Pesch, seconded by Andrew Kuehl to approve a recommendation to the Village Board for approval of the annexation. During the discussion, one resident present in the audience expressed her dissatisfaction of having her property annexed. Upon voting, Theodore Meilahn abstained and the motion passed on a voice vote with one absent.

Agenda item 6B - review the requested and suggested zoning for the annexation petition to the area referred to as the 3 R's. Ken Ward explained, utilizing a map from the Public Hearing, that the proposed use of the majority of said land is for a business/manufacturing/commercial park. There are 5 existing residential lots that will remain residential. On a motion by Andy Pesch, seconded by Frank Beesten to recommend sending the proposed zoning to the Village Board for approval. Upon voting on the motion. Theodore Meilahn abstained and the motion passed on a voice vote with one

Mathew Heiser dated January 10, 2005 in which he has provided a legal opinion that the proposed Project Plan is in accordance with Wisconsin Statutes and recommends approval. Chairperson Heiser provided a statement to those in attendance regarding the viability of the proposed TID, thanked all those for coming and assured everyone that strong consideration has gone into all concerns including the impact on the School District, the tax base, and the economic development of the Village of Kewaskum as a whole. On a motion made by Andy Pesch to approve Resolution 2005-2 and forward to the Village Board. Motion seconded by Frank Beesten. Upon a roll call vote, there were 4 "Aye" with Theodore Meilahn abstaining from vote, 0 "Nay", 1 "Absent". Motion passed.

Item 6D. The Plan Commission reviewed draft Ordinance No. 2005-01 regarding the amendment to the Marquee, Awning or Canopy Sign Ordinance. Village Attorney Gerald Kiefer gave an overview of the revisions to the Ordinance which included height reductions to 8 feet, elimination of extensions and related items. A motion was made to recommend approval of Ordinance No. 2005-01 to the Village Board by Andy Pesch. Motion was seconded by Theodore Meilahn. Motion passed on a voice vote with one absent.

Item 6E. This item is for review of the final plat of Woodland Creek Addition One as previously submitted. Ken Ward gave an overview that the final plat submittal includes the new approvals of the Department of Transportation and the Department of Administration. Both have signed off on the plat for the entrance onto State Trunk Highway 28. Ken Ward noted that in the event that Kettle View Drive would ever be extended that the access point to State Trunk Highway 28 would be eliminated and the access point of the subdivision would come off Kettle View Drive. Chairperson Heiser noted the proposed cul de sac is shown on the final plat in the event that this would occur. Ken Ward noted that this was a reaffirmation of a prior action. On a motion by Theodore Meilahn to recommend approval to the Village Board of the final plat of Woodland Creek Addition One as presented.

Seconded by Frank Beesten. Motion passed on a voice vote with one absent.

Item 6F. Review of the preliminary plat of Nature Haven Estates of the recently annexed Behnke land as requested by the developer, Gary and Linda Gavin. Village Engineer Ken Ward described the proposed prelim-He noted that inary plat. Ruekert/Mielke had drafted a letter dated January 10, 2005 with approximately 25 technical corrections to the preliminary plat. Ken Ward noted that many of these items were minor in nature, but did note that in the event that the annexation of the proposed TID did not go forward, that no storm water plans were included on the preliminary plat. Item 15 of the Ruekert/Mielke letter provides a contingency plan in the event the annexation or the TID doesn't proceed. Commissioner Meilahn questioned if the ultimate right-of-way for Prospect Avenue is supposed to be 66 feet. Ken Ward replied that 66 feet was sufficient. Theodore Meilahn questioned whether or not that Badger Road should be an ultimate right-of-way of 80 feet or if it was in accordance with the Master Land Use for the Village of Kewaskum. Upon review of the Master Land Use Plan, it appeared that the ultimate right-of-way of Badger Road should be 100 feet. Motion by Andy Pesch to recommend to the Village Board approval of the preliminary plat of Nature Haven Estates contingent upon correction of all items as noted in the Ruekert/Mielke letter of January 10, 2005 and conformance to the Land Use Plan to the ultimate right-of-way of Badger Road and Prospect Road. Motion seconded by Andrew Kuehl. Motion passed with Theodore Meilahn abstaining and one absent. Item 8 Adjournment. Chairperson Heiser entertained the motion for adjournment. On a motion made by Andrew Kuehl, seconded by Theodore Meilahn for adjournment. By a roll call vote 5 "Aye", 0 "Nay", "Absent". Motion passed, Meeting was adjourned at approximately 9:10 p.m. Submitted By:

Kenneth R. Ward & Daniel Schmidt Village Engineer & Village Administrator Approved 03-22-2005 Published 05-05-2005

TOWN OF KEWASKUM NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that on May 16, 2005, at 7:00 p.m., or as soon thereafter as the matter may be heard, the Town Board of the Town of Kewaskum will hold a public hearing on an Ordinance amending Section 17.20 (6) (i) of the Zoning Code, regarding amendments to conditional use permits at the Town Hall, 9019 Kettle Moraine Drive, Kewaskum, Wisconsin.

Dated the 25th day of April, 2005.

4-28-21

Sandra Stern, Clerk

Item 6C. This item was discussion of possible action on Resolution 2005-2, a Resolution designating the boundaries and adopting the Project Plan for Tax Incremental District No. 2 in the Village of Kewaskum. Village Attorney Gerald Kiefer directed the Plan Commissioners to correspondence to Village President

absent.

TOWN OF KEWASKUM NOTICE OF PUBLIC HEARING FOR CONDITIONAL USE PERMIT

NOTICE IS HEREBY GIVEN that a Public Hearing will be held before the Town Board of the Town of Kewaskum at the Town Hall located at 9019 Kettle Moraine Drive in the Town of Kewaskum at 7:00 p.m., May 16, 2005 to consider the application of David Bath for the issuance of a Conditional Use Permit under the Town Zoning Ordinance. Granting the permit will allow for a recycling center operation. The land will be zoned M-1 Manufacturing District; provided for in Section 17.09 (3)(h) of the Town Zoning Ordinance. The intended use is for the recycling of cars and other metals. The property is located at 8715 Oak. Drive, Section 14, Town of Kewaskum.

Dated this 25th day of April, 2005

Village Board Meeting Minute

Village of Kewaskum Plan Commission Meeting March 22, 2005 7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin, held their regular meeting in the Council Room of the Municipal Building, 204 First Street. Administrator Daniel S. Schmidt called the meeting to order at 7 p.m. in the absence of Chairperson Mathew Heiser, who asked to be excused and was absent. The following Commissioners were present: Commissioners Andy Pesch, Frank Beesten, Theodore Meilahn, Andrew Kuehl and Richard Schmidt. Also in attendance were Village Engineer Ken Ward and Village Zoning and Building Inspector and Zoning Administrator Gordon Hoffmann. The audience had multiple members of the public present in addition to one student from Kewaskum High School, Government Affairs Class.

On a motion by Frank Beesten, seconded by Theodore Meilahn and unanimously carried by voice vote, the board selected Andy Pesch to serve as Chairperson Pro-tem.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

Chairperson Pro-tem Pesch opened the meeting and requested approval of the minutes of the meeting of January 11, 2005. On a motion made by Richard Schmidt, seconded by Frank Beesten and carried unanimously by voice vote the Plan Commission approved the minutes printed for January 11, 2005.

The plans and specifications for DACO Precision Inc. 8565 Hwy 45 as called for in Section 95.0312 of the Zoning Ordinance were reviewed. Eric Neumann from MSI, Project Director, Randy Weber and Lloyd Kanzenbach the Presidents for DACO were in attendance. Additional questions were asked regarding parking driveway access to the street to the north and site maintenance for the entire yard and especially the borrow pit area. The building materials were reviewed as well. Ken Ward provided answers to some of the questions, as did Gordon Hoffmann. It was noted that a maintenance type consent & waiver should be signed by the owners regarding the site appearance etc. On a motion by Andrew Kuehl, seconded by Frank Beesten to recommend approval of the plans to the Building Inspector conditional upon the owners signing a consent and waiver for the maintenance of the exterior ground of said building and of the borrow pit. The Plan Commission unanimously carried the approval by voice vote.

The Plan Commission then moved to agenda item VI. B., the review of the CSM for DACO Precision Inc. It was noted that DACO bought the lot to the south of the existing lot for the expansion and wishes to join the two into one. The

5-5-21

up the Amended Developers Agreement for Cherokee Development. That being dividing the development into two phases, the east side of the creek being phase one and the west side of the creek being phase two. The points within the agreement being changed were noted and it was noted the Village Board already approved the amended agreement subject to final review by the Village Attorney, Village Engineer, Administrator, and subject to the Plan Commissions approval. On a motion by Richard Schmidt, seconded by Theodore Meilahn and unanimously carried by voice vote the Plan Commission approved and authorized the signing of the Amended Developers Agreement for Cherokee Development subject to final review by the Village Attorney, Village Engineer and Administrator.

Agenda Item VI. D. Village Engineer Ken Ward reviewed the Developer's Agreement for Nature Haven & TID No. 2, it was noted that the agreement has included numerous financial guarantee's not found in other agreement because of the TID. The Village Board already approved the agreement subject to final review by the Village Attorney, Village Engineer, Administrator, and subject to the Plan Commissions approval. On a motion Frank Beesten, seconded by Andrew Kuchl and carried by the majority voice vote the Plan Commission approved and authorized the signing of the Developers Agreement for Nature Haven and TID No. 2 subject to final review by the Village Attorney, Village Engineer, and Administrator. Agenda Item VI. E. Mr. Darren Von Heimburg was present to review a concept plan for the RM-1 area of Nature Haven Estate. The area would be developed with 3 - 8 unit building on it under one condo association. Each unit would be 2 or 3 bedroom and all would have a double garage with some off street parking, a deck and exposed basement to the north. The building inspector asked about green space and was informed the building would be set back from the street by 61'and that the driveway would be combined. On a motion by

Frank Beesten, seconded by Andrew Kuehl and unanimously carried by voice vote the Commission approved the concept plan and sent it to the building inspector.

Item 8 Adjournment. Chairperson Pro-tem Andy Pesch entertained the motion for adjournment. On a motion made by Richard Schmidt, seconded by Andrew Kuehl for adjournment. By a roll call vote 5 "Aye", 0 "Nay", 1 "Absent". Motion passed. Meeting was adjourned.

Village of Kewaskum NEWS NOTES RECYCLING TIPS GLASS 1 of 7

25

TYPE OF GLASS: Bottles and Jars Only! NO window glass, mirror glass, etc.

COLOR: Clear, Green and Brown.

PREPARATION: Remove covers and rings and discard. **RINSE CLEAN.** This is the most important aspect of a successful recycling program. Bottles and jars that are contaminated with food residue cannot be recycled.

TIP: Many homeowners place their glass jars in the dishwasher along with their other cooking and eating utensils.

Place bottles and jars in your dark green recycling bin or blue recycling bag. Avoid breakage. Place the bin or bag at the curb on the same day that your solid waste is to be collected. Pick up will be on Wednesdays for both solid waste and recyclable. Multi-family dwellings of six or more, remember, your recycling pick up will be the 1st and 3rd Wednesday of each month.

NEXT WEEK: PLASTIC #1 P.E.T. BOTTLES

Notice of the Board of Review For the Town of Kewaskum

NOTICE IS HEREBY GIVEN that the Board of Review for the Town of Kewaskum of Washington County shall hold its first meeting on May 24, 2005 6:00 p.m. to 8:00 p.m. at the Kewaskum Town Hall, 9019 Kettle Moraine Drive, Kewaskum, Wisconsin.

Please be advised of the following requirements to appear before the Board of Review and procedural requirements if appearing before the Board:

No person shall be allowed to appear before the Board of Review, to testify to the Board by telephone or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the Assessor to view such property.

After the first meeting of the Board of Review and before the Board's final adjournment, no person who is scheduled to appear before the Board of Review may contact, or provide information to a member of the Board about the person's objection except at a session of the Board.

No person may appear before the Board of Review, testify to the Board by telephone or contest the amount of the assessment unless, at least 48 hours before the first meeting of the Board or at least 48 hours before the objection is heard if the objection is allowed because the person has been granted a waiver of the 48-hour notice of an intent to file a written objection by appearing before the Board during the first two hours of the meeting and showing good cause for failure to meet the 48-hour notice requirement and files a written objection, that the person provides to the clerk of the Board of Review notice as to whether the person will ask for removal of any Board members and, if so, which member will be removed and the person's reasonable estimate of the length of time that the hearing will take.

When appearing before the Board of Review, the person shall specify, in writing, the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

No-person may appear before the Board of Review, testify to the Board or by telephone or object to a valuation; if that valuation was made by the Assessor or the Objector using the income method of valuation; unless the person supplies the Assessor all the information about income and expenses, as specified in the Assessor's manual under Sec. 73.03 (2a) of Wis. Statutes, that the Assessor requests. The Town of Kewaskum has an ordinance for the confidentiality of information about income and expenses that is provided to the Assessor under this paragraph which provides exceptions for persons using information in the discharge of duties imposed by law or the duties of their office or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right inspection and copying under Sec. 19.35 (1) of Wis. Statutes.

new survey did not reflect the existing outlot one, that being the dedicated south half of the street off of Hwy 45. The commission was advised that TRANS 233 may have an affect on the new CSM. On a motion by Theodore Meilahn, seconded by Frank Beesten and unanimously carried by voice vote the Commission recommended the approval of the CSM and sent it to the Village Board with a favorable recommendation conditional on the inclusion of outlot one and an overall review by the Village Engineer to the correctness of said CSM. Also the condition of how TRANS 233 will affect the CSM and land use of the parcel.

Agenda Item VI. C. Administrator Daniel S. Schmidt and Village Engineer Ken Ward briefed the Commission on the need to take

NOTICE by the

THE VILLAGE OF KEWASKUM

Notice is hereby served that pursuant to Wisc. Stats. 66.96(4) that every person is required by law to destroy all noxious weeds, as defined in this section, on lands in the municipality which the persons owns, occupies or controls.

The term "noxious weeds" as used in this chapter includes the following: Canada thistle, leafy spurge and field bindweed (creeping Jenny) and any other such weeds as defined by the governing body of any municipality.

By Order of the Village President

The Board shall hear upon oath, by telephone, all ill or disabled persons who present to the Board a letter from a physician, surgeon or osteopath that confirms their illness or disability. No other persons may testify by telephone.

Threshold's Bergerud

awarded scholarship

Thomas Bergerud

MILWAUKEE - Three Wisconsin nonprofit leaders have been awarded scholarships to attend the prestigious "Strategic Perspectives in Nonprofit Management" seminar at Harvard Business

School July 17-23, 2005. The Harvard Business School Club of Wisconsin chose Thomas Bergerud, West Bend, Mary Jo Ballweg, Milwaukee and Christine Harris, Wauwatosa, as winners.

Thomas Bergerud, executive director of The Threshold Incorporated, an organization that creates opportunities for individuals with disabilities by providing services that promote employability, independence and community inclusion. A resident of West Bend, Bergerud has a B.A. in from Luther Sociology College. He's been the executive director at The Threshold since 1985. Previously, he served as the executive director at the Sunshine House and the director of adult services at the Community Service Center

Bonnie J. Bellehumeur, vice president of outreach for the Harvard Business School Club of Wisconsin and president and CEO of America's Second Harvest of Wisconsin, the state's largest food bank, said the level of competition, as in year's past, is truly amazing.

"A great number of qualified candidates applied from said around the state," Bellehumeur, who was the first scholarship recipient from the Harvard Business School Club of Wisconsin and chaired the committee for this year's selection process. "This is a tremendous opportunity to learn from the best and the brightest of the Harvard faculty about nonprofit management practices as well as a chance to share creative ideas with peers from around the world."

Daco chooses construction company for addition

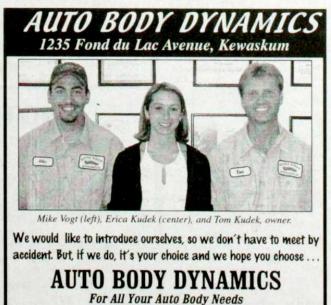

Daco Precision, Inc. of West Bend, and sister company Daco Tool and Design of Kewaskum, have selected MSI General Corporation for the design and construction of an approximately 55,000 square foot office and manufacturing addition to their existing facility located at 8565 Hwy. 45 in Kewaskum.

Daco Precision, Inc. has been in business since 1984 specializing in tool and die and metal stampings, washers, brackets, fasteners and a large variety of simple to more complex stampings. Daco Tool & Design LLC has been

in business since April 2004 specializing in aluminum die cast and plastic injection made tooling. They design and build very high quality tooling.

MSI General Corporation, a design/build general contractor located in Oconomowoc, is a leader in the design and construction of commercial, educational, industrial, municipal, religious and retail facilities in southeastern Wisconsin. MSI General was founded in 1957 and is celebrating over 47 years in the industry.

SPORTS

Opening weekend has mixed review for A's

BY JUDY HARLOW Statesman Correspondent jharlow@kewaskumstatesman.com

First there were oodles of hits, then a drought.

That would be a good way to describe the first weekend of play by the Kewaskum Athletics home talent baseball team.

The A's, behind 14 hits and good efforts by a trio of pitchers, topped Horicon 14-4 in a Tri-County Nite League game played Saturday at Kiwanis Park. Then on Sunday, the A's were held to three hits in a 4-zip loss to host Rubicon, always a power in the Rock River loop.

In Saturday's game, the As were down 3-0 after two innings, surged ahead 5-4, then scored five runs in the bottom of the eighth to put the game away.

Player/manager Jason Strobel reported Brandon Prom got the pitching win after going four innings in the middle of the game. Jason Meyer, a senior at Kewaskum High, started and went four frames, and Nick Whitty of Campbellsport finished up the final inning.

"We only gave up five hits, but we walked 10, and that was a problem," Strobel said Sunday from his apartment near the UW-Oshkosh campus.

Offensively there were

Strobel chipped in with two hits, which were good for two RBIs, while Jon Olla went 2x4 with 2 RBIs and one run scored, and Jake Spaeth, who plays for MATC in Madison, had two hits that sent three runners home.

Josh Parrent was the fifth Kewaskum player with two hits. He drove in one run.

"Besides the snow and everything that was coming down, we only had three hits," Strobel said about Sunday's loss.

Corey Immel had one of the hits, while Matt Schilter, a catcher on last year's state-qualifying West Bend West High team, had the other two hits.

"We had a lot of line drives, but they were always right at somebody," Strobel said.

Jeremy Schmidt pitched seven innings and gave up all four runs, according to Strobel, who said Ken Immel came in for the last two innings.

"Basically there was no excitement in this game," Strobel said.

Kewaskum hosts Neosho and Horicon in games Saturday and Sunday at Kiwanis Park.

SPORTS

Indians unable to take either win in doubleheader

BY JUDY HARLOW Statesman Correspondent jharlow@kewaskumstatesman.com

Like a cold that won't go away, the Kewaskum High girls fastpitch softball team continues to be plagued by weak hitting and mental errors.

Last Tuesday at Manitowoc, the Lady Indians dropped both ends of the doubleheader to Roncalli, 10-2 in the opener and a more respectable 6-4 in the nightcap.

On Thursday, the Indians were no-hit by Plymouth pitcher, Lindsey Grahn.

"They should have been a lot closer," KHS Coach Jeff Gosse said about the losses to Roncalli. "We made a lot of mental mistakes. That comes from the inexperience."

And once again, the bats were pretty silent. "We are really struggling at the plate," Gosse said. "We are chasing too many balls that are out of the strike zone."

Gosse started April Lettow pitching in the first game, and after two innings, she and the Indians had dug a 9-0 hole they were unable to dig out of.

Lettow, who lasted four innings, struck out four, gave up just a couple hits, but walked six. "The six walks all came in the first two innings," Gosse said. "They had nine runs in the first two innings," with the walks and errors contributing.

Kewaskum managed just two hits against winning pitcher, Jamey Beyer.

"That's all we could muster," Gosse said, noting Rachel Breese singled in the fourth and Theresa Trott had a hit in the sixth. Neither hit brought in any runners.

Beyer also won the second game, scattering six hits. Bekki Heberer came up with two of them, both singles.

"She's starting to come on now," Gosse said about Heberer, indicating his team got a pair of runs in the second, with Tiffany Hedlund and Lettow driving in runs with their hits.

The Indians added another two runs in the sixth, when, according to the coach, "We pretty much manufactured runs off stolen bases." Breese had a pair of stolen bases in the game, while Hedlund contributed one.

The Indians got base runners in this game but unfortunately couldn't put enough of them together and wound up leaving six stranded. Breese went the distance and

43. A 44 by Casey Scheel was the

throw out score.

took the pitching loss. She gave up just five hits and she struck out five, but her control was inconsistent, as evidenced by six walks.

"They (Jets) had a big fourth inning. They scored five runs on three hits," Gosse said.

 In the loss to Plymouth, Grahn struck out six and walked two.

"We were hitting the ball hard," Gosse said, reporting, "Bekki Heberer hit the snot out of the ball ... two line drives but they made great plays on them. Bekki is striking the ball real well.

Plymouth was also hitting the ball hard and for base hits, 11 of them.

"They came out and were jumping on her (Breese's) first pitch," Gosse said, adding, "She took a hard line drive off her thigh. That kind of slowed her down, too."

Kassie Benike led Plymouth with three hits, a double and two singles. The Panthers are a perfect 8-0 in EWC action.

Kewaskum, currently 1-6 in the EW and 1-12 overall, is at New Holstein this afternoon and has two games at Kiel tomorrow.

First win is sweet for Kewaskum tennis squad

BY JUDY HARLOW

Statesman Correspondent jharlow@kewaskumstatesman.com

The long ride to Kewaunee on April 26 was worth it for the Kewaskum High tennis team because the Indians had plenty of time on the way home to savor the victory they earned there.

"The team has had excellent attitude and effort all year. (It was) Good to see it pay off," KHS Coach Dan Ross said after the 5-2 win over the Indians from the north who compete in the Eastern Wisconsin Conference in this sport only.

Kewaskum's three doubles teams all won, and all won convincingly, led by Josh Bryant and Abe Foerster at No. 1. They notched a 7-5, 6-1 victory over the duo of Max Hanna and Chip Kinjerski, a pair of sophomores.

John Carpenter and David Figge lost just five games in their two-set win, while Adam Ziebell and Craig Johann went one better, winning 6-1, 6-3.

"All of them are over .500 now," Ross said about his doubles team, reporting further that Foerster and Josh Bryant have lost just once the entire year while playing together. While the Indians have struggled to get any wins out of their singles players this spring, in this match, they came up with two of them. Sophomore Jacob Cochran was a 6-4, 6-4 victor over Jimmy Kussow, while sophomore Jeremy Parker stepped in at No. 4 singles and outslugged Jake Aspenson, 6-3, 5-7, 6-1.

"Jacob Cochran picked up a solid straight set win. His serve looked very strong," Ross said.

"Travis Bryant had a tough loss at No. 2 singles to a very strong opponent," Ross went on, also reporting, "Kewaunee had been 2-1 in conference, so this was a good win."

With the win, Kewaskum is 1-2 in the EWC and 1-6 overall. Kewaskum 5, Kewaunee 2

Singles: 1. Mitch Paulus lost to Dan Pence, 1-6, 1-6; 2. Travis Bryan lost to Bill Rice, 2-6, 6-4, 4-6; 3. Cochran def. Kussow, 6-4, 6-4; 4. Jeremy Parker def. Aspenson, 6-3, 5-7, 6-1.

Doubles: 1. Foerster/J. Bryant def. Hanna/Kinjerski, 7-5, 6-1; 2. Carpenter/Figge def. Ben Krogh/Collin Repitz, 6-2, 6-3; 3. Ziebell/Johann def. Tyler Stueks/Jacob Ault 6-1, 6-3.

All Kewaskum players are listed first.

Wounded Indians struggle in EW tests

BY JUDY HARLOW

Statesman Correspondent Jharlow@kewaskumstatesman.com

Since reaching 3-1 (second place) in the Eastern Wisconsin Conference, the Kewaskum High girls soccer team has taken a downward spiral.

The Lady Indians lost the services of senior forward Danielle Yanke, who was sidelined by a knee injury, and now they are having trouble finding healthy goalies.

Kewaskum suffered a pair of losses last week, first a 5-0 defeat at the hands of Sheboygan Falls, which was followed by a 6-0 loss to New Holstein.

Actually some improvement was shown in the game against the Huskies, who had beaten the Indians 8-0 in their first meeting back on April 5.

"It was better. We played better," KHS Coach Dennis Gutbrod said. "We keep losing goalies. That hurt us."

That was the only comment Gutbrod had time to make, so senior captain Cassie Delgado filled in, reporting starter Jocelyn Abfall reinjured her finger in the game against New Holstein.

"She got hit during warmups and during the game," Delgado said, reporting Katherine Hunter was next to go in the nets, but she pulled her quadriceps when, "A girl hit her in the quad."

Tonya Hron was the third

goalie the Indians used in the game, and this was her first varsity action at the position.

"We got off some shots," Delgado said, indicating the Indians obviously missed Yanke, who was seeing a specialist to determine the next step with her knee.

"They're talking about surgery. She tore her ACL (Anterior Cruciate Ligament)," Delgado said. "She's our honorary coach now."

All the changes at goalie made it difficult for the Indians, but Delgado said, "Our whole defense stepped up. Katie Schoofs did an awesome job."

Kewaskum, now 3-4 in the EWC and 4-13 overall, is at home this afternoon (Thursday) against Roncalli.

KHS golfers fail to

With two of its players finishing among the top five, the Plymouth High golfers were able to continue their perfect string in Eastern Wisconsin Conference matches.

Behind a 1-under-par 35 by Tom Schwister and a 39 by Mike Born, the Panthers came in with a 159 total at the Auburn Bluffs Golf Course in Campbellsport. They were six shots ahead of Kewaskum (165), which has been in second place in two of the three matches held thus far.

New Holstein took a giant step up, taking third at 168 after being near the bottom of the standings at Manitowoc and Kewaskum.

While Plymouth managed to keep its perfect record in tact, Jason Jahnke of Kewaskum wasn't able to take the medal this time, yielding the honor to Swister. Jahnke still shot a respectable 40 to tie for sixth overall.

The Indians were led in this meet by Luke Koch, who toured the 2,893-yard layout in 39. He was tied with three others for second place.

After the first three meets, Plymouth, which had four allconference players returning, leads the league with three points, while the Indians have

Indian relay topples giants in WC challenge

As well as she has been doing this spring, it's hard to believe Amanda Donath just started long jumping. Above, Donath is shown soaring through the air on one of her efforts in last Tuesday's Washington County Invitational in Germantown. She placed second in the event with a jump of 15 feet, 6.5 inches (15-6.5), and three days later she won the Altheimer Invitational in Pewaukee with a leap of 15-9.5.

No one had the firepower to challenge Germantown in last week's annual Washington County Outdoor Track meet held in Germantown.

The Division 1 Warhawk boys amassed 189.50 points to leave everyone else in the dust. Slinger finished second at 110, while Kewaskum, which competes in Division 2, took fifth with 77 points.

The Lady Warhawks received a little push from Hartford but ended up on top 134.50 to 121. Kewaskum finished last in the seven-team event with 67.

While both Kewaskum teams failed to reach the 80point mark, the Indian boys 4x400 relay opened everyone's eyes with their dazzling, winning time of 3 minutes, 28.3 seconds (3:28.30), which was nearly seven seconds faster than they have ever run before.

"The big highlight on the boys side was the 4x400 relay," KHS Coach Jerry Gosa said, reporting he urged his runners to try for a two second drop from 3:35 to 3:33.

"We didn't know who Germantown was running, and we knew Hartford was good," Gosa said, noting when Garett Donath handed off to Nick Bartley, his foursome was in third place. Bartley surged into second by the first curve and when they came off the second turn, "He shot ahead," according to Gosa, who said, Zack VanWormer "by far, his best split," then Eric Nass brough home the win.

"It was very exciting,' Gosa said. "I know the kids were happy with their time. They want to get back to state. They placed eighth last year. They want to be on the podium (top-six) this

year." Gosa figured by that time his winning relay would be one of the best in the state, if not the best in the state.

Kewaskum's other win came in the high jump, with Luke Herriges clearing 6 feet (6-0). Donath added a second in the pole vault, by soaring over the bar at 12-6, and Nass added two individual places. He was second in the open 400 (51.39) and his 41-9 was good enough for third in the triple jump.

A very good event for the Indians was the 800, with Bartley and Zack Holm posting a 2-3 finish with excellent respective times of 2:03.00 and 2:05.00.

The Lady Indians sparkled in the 4x200 relay, and once again Amanda Donath contributed some big points in her events.

Donath won the 400, dipping under one minute again, with a spectacular 58.99. Donath added a second in the long jump (15-6.5) and in the 200 (27.01), losing only to Kettle Moraine Lutheran's fine sprinter, Jenny Dunnington, who hit the tape in 26.73. In the 200, Lindsay Keller added a sixth place (28.44).

Donath, Keller, Katie Patterson and Jessi Butler teamed up for a solid second in the 4x200, going 1:50.6, .5 behind KML's quartet. They were in the lead until the final KML runner overtook Butler in the final 40 meters.

Patterson made 9-0 in the pole vault, but in this meet, it was not enough as Jena Nienow of West Bend East went six inches higher.

Freshman Liz Potter had a breakout meet, taking a fourth in the 100 hurdles (18.73) and fourth in the 300s (53.6).

Butler earned four points for her fifth in the 100 with a 13.96 clocking.

"Amanda is really focused," Gosa said about his top athlete, and he is pleased others are showing improvement in their times and distances.

KHS track teams come up with huge efforts

BY JUDY HARLOW

Statesman Correspondent jharlow@kewaskumstatesman.com

There's something about competing in the annual Altheimer Invitational in Pewaukee that brings out the best in the Kewaskum High track teams.

Last Friday, both the KHS boys and girls brought home trophies from the 10-team meet, and believe it or not, the two squads ended up with identical totals of 112 points.

The Lady Indians, behind five individual first places and two relay wins, wound up 29 points ahead of runner-up Pewaukee, which had 83.

The KHS boys, paced by Eric Nass, Garrett Donath, Bob Gibson, and Nick Bartley, were equally as dominant. Wilmot finished second with 81 points, so the Indians put plenty of distance between themselves and the other nine teams in the meet.

"The senior girls said they needed to win this one for four (in a row). They think it might go back to five," Coach Jerry Gosa said about how many times his team has won this meet. For the boys, it's two (wins in a row) for sure."

Gosa said the last thing he told his athletes after getting out of the bus was, "Make sure they (other teams) know you're here." The Indians did just that.

Gosa reported one school record was set by Bartley in the 800-meter run, but he had to settle for second place in the race because Zach Beth of Wilmot broke the 2-minute mark with his time 1 minute, 59.1 seconds (1:59.1).

Bartley was right on his heels at 2:01.5, which is .1 of a second faster than the time he set last spring.

Nass was in late-season form in his two specialties, winning the 400 in a quick 50.86, his fastest time of the year, and finishing first in the triple jump where he soared 40 feet, 2 inches (40-2).

Donath had won the pole vault after just a couple jumps because no one else was able to go higher than 9-0. He continued to vault until he had cleared 12-0, but that was it for the day. With that mark he tied the meet record, held by eight vaulters, including four KHS athletes — Donath and graduates Josh Parrent, Curtis Cochran and Mike McKee.

The junior vaulter/sprinter also helped the 4x400 relay (along with Bartley, Zack Van-Wormer and Nass) to a big win in 3:30.73, and he added five points for his fourth in a very competitive 200 (23.79).

Gibson continues to get stronger in the two distance races. He picked up a third in the 1,600 (4:46.6) and came back later with a second in the 3,200, posting a time of 10:42.0, which is his best of the season. The high jumpers contributed 13 points from the second and fourth by Luke Herriges (6-0) and Adam Schlosser (5-10.)

Help came from the 4x800 relay quartet of Holm, VanWormer, Gibson and Bartley, who combined for a time of 8:56.5 and another first place. Gosa had told them to take it easy in the race because of the other individual events that still had to run.

Gosa was also pleased with the efforts of Logan Stange, whose discus effort of 126-07 was good enough for a second place.

Other top six place finishers included: VanWormer's fifth (54.17) in the 400; Zach Holm's fourth in the 800 (2:06.5), and the fifth by Ross Stockhausen in the shot put (45-02).

The 4x200 relay (Chad Hackbarth, Justis Clayton, Jake Sabel and Ross Stockhausen) added a third place after covering the two laps in 1:38.33.

When you start talking about the KHS girls team, senior Amanda Donath is the headliner. She stole the show again, winning three individual events.

Getting a good push from Markie Schmidt of Elkhorn, Donath hit the tape in the 400 in an excellent time of 59.03, a meet record. Schmidt had a 59.73 clocking.

Splitting time between running and competing in the long jump is no easy task, yet Donath also won the 200 in 26.67 (another meet record), won the long jump with a leap of 15-9.5 and was part of the victorious 4x200 relay along with Lindsay Keller, Katie Patterson and Jessi Butler. They turned in a time of 1:50.94, nearly four seconds ahead of the second place team.

The pole vaulters did their part to earn the team win. Patterson cleared 9-0 for first place, tying the meet record, while Crystal Treptow made 8-6 for second and 18 points for KHS.

The other two KHS wins came in the high jump, where Sam Droese cleared 4-10, and the 4x100 relay (Butler, Patterson, Keller and Kelly Uelmen) which covered the distance in 52.72.

The 200 was a very good event for the Indians, who had a 1-4-6 finish from Donath, Keller (28.24) and Uelmen (28.61).

Freshman Liz Potter continues to show promise in the two hurdle races.

Her time of 18.49 garnered her a fourth in the 100 high hurdles, then she added a third in the grueling 300 hurdles with a time of 53.12.

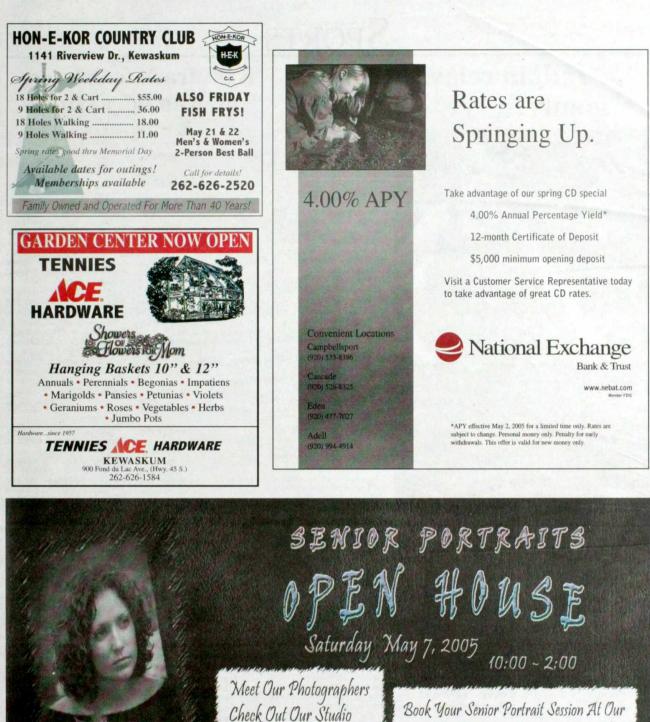

"Liz has really been doing a nice job this last week," Gosa said. "She's starting to get her steps down."

Gosa was also tickled with the improvement of Erika Brock in the shot put. She took second at 33-4.5, which is a personal best by over six inches.

The Indians have another big test coming up Friday at the VanderPan Invitational at Sheboygan Falls.
