Rails to Trails construction gets underway here

Work has started in Kewaskum's portion of the Rails to Trails program. Deb Sielksi from Washington County Planning and Parks Department has stated that Janke General Contractors of Athens, WI. have begun modifying the 14 bridges in the trail from railroad bridges to trail bridges. Sielksi says that they will focus on getting the most northern portion of the trail finished by December of 2005 and then will finish the trail at Rusco Drive in West Bend in early 2006. A request for bids for the trails surface bed was to be let out this week. The trail is currently closed, a formal announcement will be made when the northern portion of the trail is complete.

Weare school board recall will start Saturday

By Andrew Kuehl Statesman Managing Editor akuehl@kewaskumstatesman

An official recall effort will get underway Saturday at the Kewaskum Municipal Building Annex by Northern Unit Kettle Moraine Citizens for Responsible Government NUKM-CRG. The group will attempt to remove Neal Weare from Kewaskum's Board of Education.

The group's chairman Bruce Braidigan says they will meet at 9:00 AM to hand out copies of the recall petition for people to sign.

The previous Saturday the group did a lit drop to school district residents urging their support. "Feedback was positive on the lit drop," stated Braidigan

He did state that the group is in need of funding and hopes that people will sign the petition and make donations to the cause.

The flyer used in the lit drop says

they are recalling Weare because of fiscal mismanagement of school district funds during the \$113,000 buyout of former superintendent Wayne Graczyk. They also allege Weare has been involved in "secret" meetings via email with other board members.

The Statesman could not reach Weare in time for comment.

Speculative numbers show the citizens will need to gather between 1,500-2,000 signatures in order to make Weare face the voters again.

NUKM CRG has repeatedly been asked why they are just recalling Weare. Braidigan has gone on record stating, "It was decided to focus on one school board member for recall. Recalling more than one member makes it very difficult to get the results that we want. Our goal is to work on the elections coming up in April to find candidates to run against Dickman and Steiner.

Input for new superintendent of schools wanted

The Kewaskum Board of Education has hired a search firm to help select the next Superintendent for the Kewaskum School District. The Bickert Group is holding two input sessions in the Board Room at the District Office on Monday, September 26th. The first session will be from 8:00-9:00 a.m. and the second session will be from 6:30-7:30 p.m.

Please come and share your thoughts and ideas with our consultants. If you are unable to attend either of the input sessions you may fill out a Superintendent Needs Profile Form to give your input. Forms are available in each school office, the District Office, the Statesman and the Municipal Building, or you can call 626-8427 ext. 8001 to have one sent to you. Forms should be returned to one of the schools or the District Office by October 3rd.

On August 25 a Kewaskum police officer was dispatched to Bonne Belle Motel for suspicious activity.

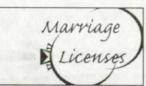

The owner of the motel noticed that a male subject who was working on a construction project went over to a parked truck and reached in and removed something from the back seat. Before pulling it out the subject scanned the surrounding area several times. He then laid or poured the item. He later went back to work.

The officer then confronted the man. The officer asked to conduct a search and once the subject agreed he told the officer about a marijuana

pipe. The officer found that item and what appeared to be marijuana

The individual was cited for possession of marijuana and possession of drug paraphernalia.

Changes for residents at T. Auburn's recycling center

By Andrew Kuehl Statesman Managing Editor akuehl@kewaskumst

Residents in the town of Auburn will have to get used to some changes at their recycling center starting Saturday, September 17. The town board voted to change the traffic pattern at the center and also reminded residents that illegal items are being dropped off.

After Town Chairman Merle Laatsch alerted the

board and town residents the increase in large items being left at the center illegally supervisor Joe Woodworth thought that maybe if the entrance and exit was changed that might help the recycling center manager, Harold Dickman keep a better eye on things

Dickman and his wife Gerda who helps at the cen-ter seemed pleased with the change.

Starting Saturday, residents are urged to follow signs and be aware of the new traffic pattern flowing west to east. Because of costs laws re

garding illegal dumping of large items will strictly be enforced.

Due to space constraints a list of items being accepted will be in our next edition. A downloadable form will also be posted on our website.

A meeting for ordinance revisions will be held Monday, September 19 at 6:30 pm in the town hall. All residents are urged to attend.

Board will look into hiring another part-time police officer

Campbellsport welcome sign gets upgrade

Campbellsport Department of Public Works employees assisted lanscaping contractor, Gary Seefeldt on Tuesday, September 13.

By Andrew Kuehl Statesman Managing Editor akuehl@kewaskumstatesman

CAMPBELLSPORT- The Campbellsport Village Board met Monday, September 12 to tackle a somewhat lengthy agenda of items.

Two resolutions autho-

rizing borrowing a total of \$1.47 million were tabled.

"There will be a Village meeting on September 22 at which time a resolution will be presented to the Board for a borrow of approximately \$1.45 million. That figure is based on cost estimates for several current and future Statesman photo: Andrew Kuehl projects, including a new well which is already under construction, and a DPW building which will hopefully be built in 2006," stated Village President Dean Uelmen

He also stated, "The borrow also includes \$150,000 to begin the planning and

engineering for future renovations or possible replacement of the village hall and community center, with a goal of tackling that project in 2008."

The board also granted Chief of Police Randy Karoses permission to advertise for a part-time police officer to replace an outgoing officer.

A \$10,000 DNR tree grant was applied for. Officials hope to be able to use the money for nursery tree stock to be later planted in various locations throughout the village.

The Soaring Eagle Condominium Development was given a building permit and officials believed construction on the Campbellsport Drive complex will begin soon.

An update was given on the "Welcome to Campbellsport" sign along Hwy 67 on the west side of the village.

The sign is undergoing another finishing touch. Through donations a planter is being added at the base of the sign.

Brace attempts to take his life in prison

By Andrew Kuehl Statesman Managing Editor akuehl@kewaskumstatesman

WAUPUN- Convicted murderer, David Brace allegedly tried to take his own life on Tuesday, August 30. Brace is serving a 43-year sentence for the murder of Katie Gensmer in the town of Auburn in June 2004.

John Dipko, from the Wisconsin Department of Corrections confirmed Tuesday that Brace has returned to Waupun Correctional Institution and is under evaluation.

Dipko stated that Brace was found by a corrections officer after an inmate suggested a welfare check be done on Brace. That officer found Brace in his cell unresponsive in a puddle of his blood.

Brace was immediately taken to Waupun Memorial Hospital where he received care for lacerations to his wrists and arms.

Brace used a safety razor to inflict the wounds Dipko stated. He further stated that because Brace was housed in the general population he was given a razor for grooming purposes.

Brace continues his sentence under special supervision.

By Andrew Kuehl Statesman Managing Editor akuehl@kewaskumstatesman

A group from Peace United Church of Christ in Kewaskum have answered the call to take a mission trip to Mirebalais, Haiti. The group of four are now looking for donations to help defray expenses the trip will incur.

A brat fry will be held in their parking lot off Main Street in Downtown Kewaskum on Sunday, September 18 from 10 am to 12:30 pm. All proceeds from the sale will be used for the trip.

The group will be traveling with Ventures in People Foundation, Inc. of West Bend, an independent, non-profit organization providing volunteer services in rural villages of Haiti, seeking to bring hope, strength and dignity to the impoverished of that country.

The group says they were inspired to take the trip after fellow church member Rebecca Ogi made the trip with eleven others in January of 2005

If you would be willing to make a cash donation to the group to pay their expenses or for them to purchases items for the poor in Haiti please make the check payable to Peace U.C.C. and mail to Haiti Mission c/o Peace U.C.C. 343 First St. Kewaskum, WI 53040.

Washington County United Way campaign swings into action

Rick Larson, of West Bend Savings Bank, the 2005 United Way of Washington County Campaign Chair warming up his swing to officially tee off the 2005 United Way Campaign. United Way of Washington County held their "tee-

off" at West Bend Lakes Golf Club. The event officially starts United Way's Campaign season.

The United Way of Washington County kicked off its 2005 Campaign - When It Matters Most, Wednesday at the West Bend Lakes Golf Course. Tom Pipines, of FOX6 Milwaukee served as special master of ceremonies for the 2005 Campaign Kickoff.

"Making an impact in the lives of people in Washington County is What Matters Most," said Rick Larson, 2005 Campaign Chair. "Whether you work or live in Washington County, your donation to the 2005 United Way Campaign helps people of all ages throughout our 10 communities find success."

At the kickoff, Larson announced the Campaign goal of \$1,056,000. "I ask that everyone please consider making a contribution to the United Way this year. Together, we can help thousands of people, many of whom we may never meet, but whose quiet thanks will be felt," Larson said. "Realizing United Way funded programs help people in a time of need, it's appropriate that our theme for the 2005 Campaign is When It Matters Most. Because, When It Matters Most is right now.

"Today, our country is faced with an unprecedented challenge, the devastation of Hurricane Katrina," said Joe Calabrese, United Way of Washington County Director. "Katrina is the most destructive natural disaster in our nation's history. I believe that the outpouring of support for the victims of this tragedy will be equally unprecedented. Tens of millions of dollars have

already been raised by generous citizens who know in their heart that helping in any way they can is what they have to do. It is the right thing to do, and I hope that everyone able in our community makes a contribution to relief efforts."

"It's unfair to compare the challenges of our community with the challenges of those on the gulf coast, but our county's challenges are every bit as real for those people in our community in need," Calabrese said.

"The Full Shelf Food Pantry feeds hundreds in our community each month. The Salvation Army helps to find shelter and affordable housing for those who need it."

"It's easy for us to forget that there are those in need of the basics right in our own back-yard," Calabrese said. "As volunteers and supporters of our United Way, it is important to send the message that our programs help people every day... people who live right here in Washington County.

Calabrese announced that \$127,521 has already been raised by Pacesetter organizations. He is hopeful that the 2005 Campaign will meet, or even exceed its goal.

Funds raised through United Way of Washington County's annual Campaign are invested in 46 health and human service programs offered through 22 nonprofit agencies in Kewaskum, Jackson, Slinger, Allenton, Harttord, Newburg, Hubertus, Richfield, Colgate and West Bend. The 2005 Campaign, which runs from September through December, involves eight division volunteers and 27 loaned executives

AARP driver safety program

If you are 50 years old or older and would like to take a driver refresher course, the AARP Driver Safety Program will be offered in an eighthour course taught in two, four-hour sessions spanning two days on Tuesday, September 27 and Wednesday, September 28, 5:30-9:30 p.m.

Pigeon coop damaged in fire

On September 7, the Washington County Sherff's Department was notified of a shed fire at 5210 County Highway P in West Bend.

The West Bend Fire Department arrived to find a small fire inside the shed, located at the back of the property. The fire was quickly extinguished with only minor damage to the shed.

Though severe weather was passing through the area, it is not believed to have been the cause of the fire. The fire is believed to have been started by an electrical problem. Damage was estimated at less than \$1000.

The property is owned by Allen J. Pauli. No one was home at the time of the fire.

PEOPLE

50th Anniversary

On Saturday, August 20, 2005, Frank and Paula (Kohler) Kutz of Kewaskum were surprised by their children, Kathy (Butch) Koenig of Phelps, Karolyn (Brad) Schmidt and Nancy (Scott) Zimdars, all of West Bend, to a limo ride to the Finn-Feather in New Prospect for a 5 p.m. dinner in honor of their 50th wedding anniversary.

They were married August 20, 1955 in Kewaskum.

After dinner, they were surprised by all the guests that

came to their home to help them celebrate.

Frank served in the Korean War from May 1953 to April 1955. He was stationed in Korea from November 1953 until April 1955. He was employed with Johann Plumbing and Heating in St. Michaels for 33 years and with Commercial Plumbing in West Bend for 10 years, retiring in January 2000.

Paula worked at Regal Ware Inc. in Kewaskum as a payroll clerk and since 1986, she has been working at Schloemer Law Office in West Bend part-time during the tax season.

They enjoy spending time at the home on Big Sand Lake near Phelps and spending time with their family.

They have seven grandchildren, Julie Schaefer, Jason, Jenny and Jacci Koenig, Alex and Benjamin Schmidt and Haley Zimdars. They also have a great-granddaughter, Alexanderia Schaefer and one step-grandson, Jesse Koenig.

In the Service

Army Pvt. Brian P. Timmers has graduated from the Lightwheeled Vehicle Mechanic Advanced Individual Training (AIT) course at Fort Jackson, Columbia, S.C.

The course is designed to train soldiers to perform maintenance, troubleshoot, and repair wheeled vehicles and related mechanical components, which include internal combustion engines and power trains, spark- and compression-ignition engines, wheel-hub assemblies, hydraulic-power brakes, suspension and steering systems, and

learn to operate a wheeled vehicle crane, hoist, and winch assembly.

He is the son of Louis and Patricia Timmers of Allenton.

Timmers is a graduate of Kewaskum High School.

THANK YOU!

A sincere thank you to whomever found "MAGGIE" and placed her in the care of the Washington County Humane Society, Sept. 9, 2005.

> Sincerely, The Hiltunen Family

If you see this HOT BABE at Woody's this weekend wish her a Happy 36th Birthday!

Yeska family reunion held

By Isabelle (Yeska) Muckerheide

On Labor Day weekend, the descendants of Anton and Stella (Paluka) Yeska met at the Homestead in Neshkoro for their 16th family reunion. Approximately 60 people attended. They came from as far away as Vancouver, B.C., Jacksonville, Florida, Illinois, Delaware and various places in Wisconsin.

The theme this year was "Christmas in September," presented by the Kempiak families.

Saturday morning about 20 people enjoyed playing golf at Two Oaks Club near Wautoma. In the afternoon there were games for the children and adults where prizes were awarded. After 4 p.m. Mass, a scrumptious meal of turkey and ham and Kewaskum summer sausage was enjoyed. Later, each family brought a Christmas ornament in memory of a departed loved one and put it on a tree we had planted several years ago to honor a nephew, Christopher Kerhin, who was killed in an accident at age 25. Then around a roaring campfire, Christmas songs were sung with words of our choosing. Of course, the "Lemon" sisters performed, namely my sisters, Dorothy, Lucy and me. After dark, several of us enjoyed a game of sheepshead.

Sunday morning, after a

breakfast of juice, coffee and Christmas cookies, some played baseball, or horseshoes, while others hiked the five miles around the pond or toured the fire station.

Sunday evening a party of eight enjoyed dinner at Silbercryst in Wautoma to celebrate Patty Celek's birthday.

A talent show was presented in John Kerhin's newly built pole shed. Christmas decorations were all over, including the tents, cars and RV's outside. The emcee, imitating Bob Hope, introduced the numbers, opening with a lively violin solo by Michael Kurz. A young man imitating Frank Sinatra lip synced "Strangers in the Night." John and Kathy Kerhin, dressed as Sonny and Cher sang "I've Got You, Babe." There was an intermission at which time bags of popcorn were passed out.

Karen Streit of the Sweet Adelines sang "Que Sera Sera" as Doris Day would have done it. After some delay, three cousins as the Andrews Sisters sang Mr. Sandman. There were too many others to mention.

Santa handed out gifts to the small children.

The finale was the singing of "Silent Night" with the appearance of Mary and Joseph, portrayed by Brian Kerhin and his wife who are expecting a child in October.

We retreated to the campfire again where we celebrated New Years with champagne and juice for the children.

Monday we broke camp. My contribution -

Christmas in September

You've got to be kidding. What's this I hear? It's Christmas in September For those whom we hold dear.

The Yeska clan has gathered This special time of year So what's wrong with celebrating

Now that the gangs all here.

It's a wonderful idea Thanks to Janet's clever scheme

Otherwise we seldom meet If only in a dream.

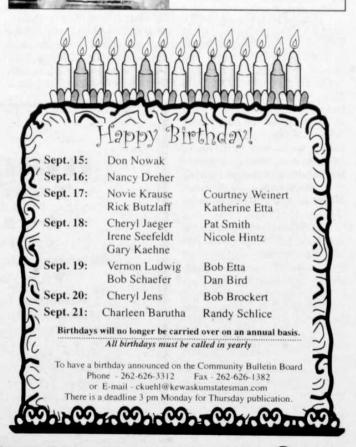

Let's make the most of these few days Regardless of the weather Everyday is a Holiday

When we can be together Its hard to come up with something new Each time we have our

reunion But with the talent in our group We always come up with a solution!

So after the festivities, And when the day is done, I quite from Dicken's Christmas Carol:

"God bless us everyone."

EVENTS

KEYS Run/Walk October 9

Posters are up and registrations are available now for the 12th annual 5k KEYS Run/Walk. This popular community event raises scholarship money for our Kewaskum high school graduates. The run/walk is held annually in conjunction with Kewaskum's own Kettle Kountry Kolors, a fun family festival of food, games, music, an ecumenical church service and much more.

This year's KEYS Run/ Walk will be held on Sunday, October 9 at 11 a.m. The race begins on the lower level of Kewaskum's River Hill Park and the course extends 3.1 miles through the streets of the village of Kewaskum. Last year, the run/walk had 883 registered runners and walkers and helped raise money for the 25 scholarships worth \$73,700 that were awarded to the 2005 graduates this past spring. Each year KEYS is able to give scholarships to greater numbers of students because of the strong community support received, particularly through the annual 5k run/walk. Since its beginning, KEYS has been able to award \$652,000 to 225 graduates of Kewaskum High School, quite an accomplishment for a relatively small community.

There is some buzz about the KEYS t-shirt this year; check it out with the school students! SynergyHealth and A&W Iron and Metal are major sponsors of the KEYS event and will receive the top spots on the 2005 t-shirt. KEYS is most grateful for the support of SynergyHealth and A&W Iron and Metal as well as the sponsorship received from West Bend Savings Bank and the 38 other sponsors this year. Look for their logos and names on the t-shirt and support them with your thanks and patron-

Many past scholarship winners return each year to be part of the run/walk and they also make donations to KEYS. Their support "gives back" to current students for the help they once received toward furthering their education.

Each year the team captains, particularly the school captains, make the run/walk a huge success by their enthusiastic promotions in the schools. As they get students and families registered on their school team for the race, they help foster fitness in our youth and promote the goal of working hard in school to be able to one day

earn a KEYS scholarship. Many area businesses also form teams for the run/walk and support KEYS by paying the registration fee for employees.

Team members can also solicit pledges for KEYS and help themselves earn some great prizes. This year the top prize for raising \$500 in pledges will earn an MP-3 player. Pledges can be raised for smaller amounts and still earn great prizes; check it out on the back of the registration form.

Registration for the KEYS Run/Walk costs the same as last year, \$15 for an individual or \$50 for a family of four plus \$10 each for additional family members. Registration forms are available at all Kewaskum schools, including St. Lucas and Holy Trinity, Synergy Health locations, West Bend Savings Bank, Miller's Furniture and other local businesses. The preregistration deadline is September 23, 2005 and registrations can be sent to KEYS, PO Box 124, Kewaskum, WI 53040. New this year: registration forms are also available on the Village of Kewaskum website as well as the school district's website.

a nondenominational ministry, which has been putting on concerts for the past 18 years, invites the public to a free Christian concert with a coffeehouse atmosphere on Friday, October 7 from 7-10

The special guest will be Christian recording artist singer/songwriter Rosanna Fiorazo. Born and raised in Toronto, Canada, Rosanna sang her first song in its entirity at age 2 1/2 and her musical desire led her to graduate from college with a major in music and radio TV broadcasting. In the early 1990's her musical career led her to Los Angeles, where she had the opportunity to share stages with many world renown

Rosanna became a born again Christian in 1996 and wrote her first Christian song. She describes her song as introspective, personal and real. She draws from her own life

that the Lord has given her in hope the brokenhearted will be healed and people will be set free. Her new CD, "Grace Journey," radiates a joy and excellence in both her talent and music, and has had airplay throughout the country. She has also performed with top Christian music artists such as Kim Hill and Andre Crouch.

Also this evening, stylish traditional/country singer, Ken Schmidt, will share the Lighthouse stage. He has been a favorite in the past and it will be a pleasure to enjoy his gift of music again.

Free admission and door prizes. Refreshments available. Lighthouse meets at Silverbrook School, 120 N. Silverbrook Dr., West Bend, enter and park in rear of school. For more information call 262-338-0205. Visit them on their website: www.lighthouseconcerts.com.

Perspectives

My thoughts exactly

By Andrew Kuehl The Statesman Managing Editor akuehl@kewaskumstatesman.com

Oh No! Not Old Fashioned Values!

This weekend I got to catch up on my "girlie magazine" reading.

No, it's not what you think. call it a girlie magazine because from what I gather, it informs my wife on how to be a girl of the new millennium. Every so often I take a glimpse so I know what's being pumped into my wife's head so I can be the perfect new millennium husband.

Once again, I walked away stunned.

No, it wasn't the stories from readers talking about walking in on their parents while they are in a compromising situation (a bit hu-merous but, thank God my parents had some discretion!) or the stories about vicious catfights submitted by readers that caught my eye.

The article, "Your thong may be in danger!" with the photo of a girl exposing her "thong in danger" caught my eye. Believe me, it was hard to

The subheading is what actually got me to read the smarmy account of the "conservative crackdown that's affecting what you hear, see, and even wear" One would have thought we were talking about a communist regime taking over our government.

"communist regime The they implied was the Republican Party.

The article starts off, "Unless you've been sequestered on a deserted island, you know that conservatism has been creeping into everything from sexual politics to primetime programming."

OH MY GOSH, the values of my parents and grandparents generation coming back? Simply an atrocity!

Can you imagine, going back to not showing everyone on God's green earth your un-derwear, midriff and belly button ring? Calling people older than you Mr. and Mrs.? Giving parents a little control in their children's lives without the state constantly barging their way in and telling you how to raise your kids?

And, while we're at it, Sex-Ed teachers teaching kids to abstain from sex instead of handing out condoms like they are Jolly Rancher candies. The article defends the idea of a condom free for all saying if we don't give out the condoms research shows that teens are

more likely to engage in anal or oral sex

Excuse me, but where did these teens that were researched even learn about oral and anal sex? Yes, the media that "conservatives" are trying to make safe again for all ages and families of all political affiliations.

Finally, the author informs the reader that another travesty is occurring. Pharmacists and medical providers in various states might be able to take a stand for their principles by denying birth control or emergency contracep-tion. OUTRAGOUS! How dare we as Americans stand up for what we believe in? I mean it's not like that is how we founded this country or anything.

While I am on my proverbial soapbox, I applaud a few of our legislators, namely, Rep. Dan LeMahieu (B-Oostburg), Sen, Glenn Grothman (R-West Bend), Rep. Pat Strachota (R-West Bend) and Rep. Don Pridemore (R-Hartford) for doing their part in helping to return this state to some form of old-fashioned decency.

For those of you who are unaware, Rep. LeMahieu came under fire this past spring by Planned Parenthood for his efforts to create a bill that would prohibit the drug Plan B Morning After Pill from being advertised, prescribed or dispensed on U.W. System property. Before adjourning for the summer, his proposed bill passed the Assembly 49-41, much to the dismay of UW-Madison students who have swarmed the capitol in outrage. Students like Adam Maslonka, who wrote:

Hey Danny.

Your idea for bill 343 seems very logical and well intended. Hey, since we're at it, let's get rid of that old women's suffrage thing too, you idiot! I wonder how much you'll love bill 343 when someone close to you gets knocked up by anyone other than a white, Christian male. Your creation of bill 343 makes me think you're the type of guy who smells his socks after he takes them off and finds errors in the phone book. Do some REAL work! Here are some idea's to focus on; education cost (stop raising our tuition!), environmental conservation, or any other topic to help you realize you are not the center of

the universe. Good luck on getting re-elected (expletive) Adam Maslonka

If Adam is an example of how our UW System teaches our "so called adult children" to verbally attack and denigrate politicians with vicious name-calling, I think I would prefer my son does not become "educated." And would someone please explain how the old "race card" managed to become an issue (again) in Adam's tirade?

The bill is now in a senate committee waiting for a vote. LeMahieu said he hoped the vote would come up in September of this year. Governor Doyle however has plans to kill it the first chance he gets.

Please, don't assume that I take articles like the one I read this weekend as an attack. I simply read into it that the mainstream media and special interest groups like Planned Parenthood are simply scared to death that, for once, we as conservatives are doing what we should have been doing the last 20 years. Fellow conservatives, lets keep the momentum going.

- In Your Opinion -

Dear Editor

Now that the dust has settled and everyone has let off some steam, lets sit back and take a hard look at what exactly has been going on with the Kewaskum School Board.

First of all lets look back at last year's school referendum, which was approved by only 63 votes. This referendum allows the School District to exceed the state mandated revenue limit by \$430,000 for the next 5 years. \$262,000 for technology and \$168,000. for textbooks, this is per year. Causing our property tax to increase.

School Administrators were all given a \$2000. Pay in-

School Board forced Superintendent Wayne Graczyk to leave and paid him \$113,000 plus. (No valid reason given) Taxpayer money wasted

School Board Clerk and Board member Neal Weare communicating via email, Attorney General's office conducting investigation of open meetings violation.

Citizens and taxpayers (over 100) from the Kewaskum school district attended the Annual Budget Meeting and voted to take away the Board

members pay, thus sending a clear message they weren' happy with the way the board been conducting busi-

Outraged over the arrogance of some board members. concerned citizens joined together and formed the Citizens for Responsible Government and have planned a recall of board member Neal Weare.

Now ask yourself, is this recall justified? I say yes. This isn't a personal issue against Mr. Weare, as some have indicated. It's a simple case of accountability. The wasteful spending of our tax money by this board has got to stop, and what better way then to remove those responsible. We as taxpayers have the right to hold this board accountable. I hope when the recall petitions are circulated you will join me in removing Neal Weare from the board.

Respectfully

Nick Sandoval Town of Farmington

Kewaskum High School AFS organization has a very active domestic exchange program. This program is an even exchange, inter-United States program. For every student from our school who is sent to another US location, we have to provide a volunteer home for the same number of students. The exchange program is one semester long. Currently the John Hazlewood family in the Town of Farmington is hosting Beth Heiman. Beth is a 16-year-old junior from Alexander High School in Darien Center, New York. In exchange for Beth coming to Kewaskum, we were able to send Scott Buchel, son of Mr. and Mrs. Gerald Buchel, to Ellsworth, Maine, on the shores of the Atlantic Ocean. Scott is also 16 years old and a junior at Kewaskum High School. He will return to Kewaskum at the end of the first semester.

L.N. Peterson of Regal Ware and Chamber of Commerce President Leroy Bier presented a new program, "Economics for Young Americans" to High School Principal Clark Pearson for use by the students.

Mallard Coach of West Bend, manufacturer of recreational vehicles, on Sept. 1, suspended all operations. The suspension was attributed to economic conditions, the energy crisis and a severe slump in the recreational vehicle industry. When Mallard Coach was at peak production, almost 200 people were employed.

The Eastern Wisconsin Stock Car Racing Association held their final race of the season at the Sheboygan County Fairgrounds in Plymouth. The cars for the 50 lap feature were lined up according to the point standings at that quarter mile clay track. Willie Goeden of Kewaskum started in the 13th position for the lineup and with his Marv's Auto Body Special, worked his way into the lead on the 12th lap and went on for the victory.

The Kewaskum Indians didn't show a whole lot of speed or power on offense but with the help of the defense shutout job, came up with enough points to shut out Slinger in their non-conference opener here Friday night, 10-0. Pete Wiedemeyer was praised by Coach Mike Fifrick for his work on de-

fense. Fifrick also thought Steve Muench performed well on offense. The Indians sorely missed the services of two starting lettermen, halfback Dave Donath and fullback Brian Dreher, out with injuries. Both are linebackers on defense. (NOTE: Dave Donath is the father of current Kewaskum High School star running back Garett Donath).

A daughter was born to Kevin and Marilou Chambers of Kewaskum on Sept. 4. Sons were born to Daniel and Sharon Lecher of Kewaskum on Sept. 6, and to Daniel and Barbara Taylor, Campbellsport, on Sept. 3.

The Kewaskum Community High School and public school opened Sept. 12 with a total enrollment of 478 pupils, a slight decrease from last year's opening day figure. Last year's enrollment on the first day was 491.

Holy Trinity parish school opened Sept. 12 with another record enrollment of 246 pupils. Last year's enrollment of 212 set an all time high and this term the figure exceeds that of last year.

A daughter was born to Mr. and Mrs. Marvin Schultz, Kewaskum on Sept. 12. A daughter was also born to Mr. and Mrs. Donald Meisenheimer of West Bend on Sept. 13. A son was born to Mr. and Mrs. Ronald Vorpahl, Allenton, Sept. 13.

KHS juniors, seniors invited to apply for National Honor Society

It's that time again. The National Honor Society of Kewaskum High School will be inviting all the Junior and Senior students who have a 3.4 grade point average to apply to join the National Honor Society.

Having a 3.4 gpa is only the first step of the process. Next the applicants will complete the application, write a letter that describes why they feel they should be admitted to the group, come up with a plan for a service project, and find three teachers who will sign-off on their application. All of this must be completed by the stated due date.

Once the applications are received, the faculty will ponder the students' admittance. Even more important than the scholarship that the candidates possess are the values of character, leadership, and service.

Faculty members will comment on behaviors they see the students exhibit in the classroom, in the hallway, in clubs, and in sports. Following this scrutiny, the members of the Faculty Council vote to accept or reject each candidate. Mrs. Blomquist, the NHS Advisor, is not allowed to vote with the Faculty Council, but must abide by their decision. Letters of acceptance or rejection will be mailed home to maintain privacy of this decision.

Following this procedure, is the Initiation Ceremony. This is usually held in early November. If your son or daughter receives an NHS invitation, please encourage him or her to complete all parts of the process in a timely manner.

Nationally acclaimed presentation at KHS

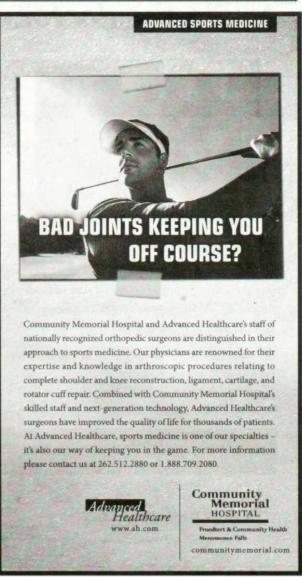

Kewaskum High School has scheduled the highly rated making High School Count presentation program for its freshmen class. The one-hour, assembly-style presentation will be delivered FREE to students and parents at 7:45 a.m. on September 16, 2005.

Making High School Count is designed to help students understand the importance of high school and what they need to accomplish to maximize their opportunities upon graduation. The program also addresses transitional issues such as time management and study skills.

"Entry into high school and college are key transition periods in a student's academic career," said JR Cifani, Vice President of Monster's Making It Count Programs. "Our goal is to provide and reinforce the positive message counselors and teachers are giving to their students during these crucial times and help students understand that anyone can be successful if they choose to be."

More information about the Making It Count in-school presentation programs can be found on the company's website at www.makingitcount.com.

Little Folks close summer with trip to Appleton Childrens' Museum

Students of the Little Folks School House practice their cooking and serving skills in the "restaurant" at the Fox Cities Children's Museum.

The last field trip of the summer brought approximately 54 children to the Fox Cities Children's Museum. There they were able to explore and learn through hands-on fun

While one group of children put on fire-fighter helmets and climbed aboard the fire truck, another group boarded the airplane and got ready for take-off. There were children climbing into a boat to try their hand at fishing, while others got into the police car and pretended to be officers of the law.

Grandma's attic was one stop which featured period clothes, costumes and jewels, which intrigued young pretenders.

The little folks were also able to explore the wonders of the human body and the role of health care providers. At "Kids Care Clinic" they could look into a bigger than life ear and eye and see what the doctor sees. The exhibit also included the A-Mazing Heart, a giant crawl-through replica of the human heart.

One of the biggest hits with both the children and adults was "Kids Town," where one enters an adult like, but kid size, world and leaves with a better understanding of people who work in the community and the jobs they perform. The exhibit included a diner, library, bank, market, veterinarian and police station.

The "Science Spectrum" let children discover how the world around them works through problem solving and their senses of touch, sight, smell and hearing. This exhibit featured gears, magnets and sight and sound equipment.

Another popular spot was "Construction Junction" which is a hard hat zone for young builders. Construction Junction incorporated all sorts of common building mediums including hundreds of leggos and building blocks. The centerpiece was a child-sized operating electromagnetic crane with a dangling magnet which allowed children to pick up and move balls of steel from one place to another.

The little folks enjoyed many other exhibits which offered fantastic opportunities and provoked curiosity. The Little Folks School House takes periodic field trips with the children which are not only educational, but fun.

The Little Folks School House has been in operation since 1997 and currently has openings for children ages two through four. Before and after school care is available at Little Folks School Club at both Wayne and Kewaskum Elementary Schools. Anyone interested should contact Dodie at 262-626-4023.

AAA reminds motorists to 'Stop on Red' for school buses

"Stop" means "stop," especially when it comes to school buses, AAA Wisconsin reminds motorists now that back-to-school time has arrived.

"It's very simple - the law requires motorists to stop when the overhead red lights of a school bus are flashing," said AAA Wisconsin spokesman Michael Bie. "This law applies to drivers on both sides of the road, unless the highway is divided by a barrier."

On an average school day in Wisconsin, 10,000 school buses transport 590,000 students to and from school.

As part of its annual "Schools Open" campaign, AAA also emphasizes that driving carefully begins with focusing on basic traffic safety practices, such as the proper use of safety belts, child safety seats and booster seats.

"It's vitally important that all children age 12 and under be properly restrained in the back seat when being transported by parents and caregivers," Bie said. "Caregivers often don't realize they need to alter the types of child safety seats as children grow, which means that booster seats are underutilized or used incorrectly. Typically, children between the ages of four and eight or up to 4'9" are candidates for booster seats.

AAA urges motorists to follow these safety tips:

- Always stop for school

buses that are loading or unloading students when red lights are flashing, unless you are driving in the opposite direction on a divided highway.

 Slow down in or near school and residential areas.

 Drive with your headlights on - even during the day
 so children and others can see you.

 Look for clues - such as AAA school safety patrols, adult crossing guards, bicycles and playgrounds - that indicate children may be in the area.

 Scan ahead between parked cars and other objects for children who could dart into the road.

 Practice extra caution in bad weather.

 When using a booster seat, always use both the lap and shoulder belt. Make sure the lap belt fits low and tight across the lap/upper thigh area and the shoulder belt fits snugly crossing the chest and shoulder to avoid abdominal injuries.

AAA Wisconsin, which serves 600,000 members, offers automotive, travel, insurance and financial services. It is part of The Auto Club Group (ACG), the largest affiliated of AAA clubs in the Midwest, with 4.1 million members in eight states. ACG clubs belong to the national AAA federation, a not-for-profit organization, with more than 48 million members in the United States and Canada.

REINHOLD HECKENDORF

Reinhold Heckendorf, 96, of Jackson, died on Friday, Sept. 9, 2005 at the Samaritan Health Center, West Bend.

He was born Jan. 16, 1909 in the town of Jackson to the late Albert and Mathilda (nee Krause) Heckendorf and married the late Olive (nee Heidtke) on Aug. 29, 1936 at St. John's Lutheran Church in Jackson.

Reinhold was a longtime active member of David's Star Ev. Lutheran Church where he served on many church boards and was a member of the David's Star Senior Dart Ball team for many years.

Survivors include his children, Raymond (Laurie) and Melvin (Eunice), both of Jackson; grandchildren, Kim (Tom) Powers, Lynn (Tom) Rosbeck, Gary (Holly) Heckendorf and Brian Heckendorf, all of Jackson, Renee (Dale) Witte of Fond du Lac, Mary (Tamara) Heckendorf of Kewaskum, Rev. Joel (Mary) Heckendorf of Weston; step-grandchildren, Stefani (Dr. Bryan) Avery of Appleton, Craig (Amy) Erickson of Lakeland. Tenn., Melanie (Mike) Kading of Menasha, Valerie (John) Klika of Menomonee Falls and Brent (Irene) Erickson of Jackson; sisters, Agnes Schulz of Beaver Dam and Viola Pautz of Cedarburg.

He is further survived by 14 great-grandchildren; 10 stepgreat-grandchildren; other relatives and friends.

Preceding him in death were a daughter-in-law, Marilyn Heckendorf: six brothers: four sisters; seven brothers-inlaw, and seven sisters-in-law.

Funeral services were held Tuesday, Sept. 13 at 11 a.m. at David's Star Ev. Lutheran Church in Kirchhayn with interment in Immanuel Cemetery, Jackson.

Memorials to David's Star Stained Glass Window Fund or Kettle Moraine Lutheran High School Building Fund are appreciated.

The Mueller Funeral Home, Cedarburg, assisted the family.

IN MEMORY

In memory of our mom and dad - Annabelle Tessar who passed away 5 years ago 9-13-00; Allen Tessar who passed away 29 years ago 9-22-76:

You can shed tears that they are gone

Or you can smile that they lived

You can close your eyes and pray they will come back Or open your eyes and see all they left

Your heart can be empty because you can't see them Or you can be full of the love you shared

You can turn your back on tomorrow and live yesterday Or you can be happy for tomorrow because of yester-

You can remember them and only that they are gone Or you can cherish their memory and live on

You can cry and close your mind, be empty and turn your back

Or you can do what they would want, smile, open your eyes, love and go on.

> Love from your kids and grandkids

THANK YOU!

Thanks to St. Jude, the Sacred Heart of Jesus and the Blessed Virgin for answering my prayers.

Lipstick Jungle

By Candace Bushnell Hyperion c.2005 \$24.95

You know how it is.

You're in the check-out line at the grocery store, idly flipping through one of those high-fashion magazines near the register, just to see what kind of "fashion" they're going to try to get us to buy this year. It kind of makes you wonder: Do they honestly expect real women to wear those clothes? Yep. They do, and when it comes to the cutthroat world of high fashion and power, it's a jungle out there. In the new novel, "Lipstick Jungle" by Candace Bushnell, you'll read about three friends who struggle to keep at the top of The Big Apple.

There are four seasons in New York City: winter, spring, summer, fall, and Fashion. This year's Fashion Week has barely started, and designer Victory Ford already has trouble on her hands. Although friends rave about her new line of clothing (and who wouldn't expect friends to rave?), the critics hate it. This "new" line of clothing has nothing new in it. Victory's main Japanese buyer wants something different, and now everybody's asking her what she's "feeling" for the next new season.

There's the problem. Victory isn't feeling anything except pressure to make lots of money and grow her business.

Wendy Healy has a very enviable life: she has a high-paying job as an award-winning top executive in the film industry. She has three healthy children, and a husband who seems quite content to be a stay-at-home dad. Things are very chaotic lately, though. The kids are a little wild; Shane, Wendy's husband, is

acting like a jerk; and while the movie that Wendy is producing will almost certainly be Oscar material, her job is on the line if something goes

And of course, something does. Shane asks Wendy for a divorce, right in the middle of filming.

Everybody who meets Nico O'Neilly thinks that she's eccentric and maybe a bit aloof. The truth is that Nico is terrified of being in the limelight, but that hasn't stopped her from becoming one of New York's most powerful women. Nico is the editor-in-chief of Bonfire magazine, and an upand-comer at media corporation Splatch-Verner. Now Nico wants her boss's job, and she's scheming to get it.

Oh, and she's also having a very torrid affair with a hot young men's underwear model. If that little indiscretion is ever discovered, it could ruin everything... including Nico's marriage.

Trash, Cash, and Flash. That's the theme for "Lipstick Jungle", and I loved every single page. Author Candace Bushnell is also the creator of "Sex in the City", and there are shades of "Sex" in this book, including the same type of girlfriends theme, and a guy that HBO fans will recognize as very reminiscent of Carrie Bradshaw's on-again-offagain boyfriend, Big.

If you're looking for an escape this week and want to read a novel that's trashy fun, pick up a copy of "Lipstick Jungle". Then kiss the rest of your evening goodbye, because you won't want to stop reading it.

Food for Thought

Snubber

Summer is officially over. All the picnics, play dates and pandemonium of summer are now just hot sweaty memories.

A new champion has been crowned at the Snubber Memorial Eucre Tournament, our family's last hoorah of summer. For almost 20 years we have gathered together every Labor Day in memory of my dad and his brother's dead childhood dog, Snubber.

So, what won the old pooch this honor, if it wasn't fond memories of this neighborhood's biter?.

Location. Location. Location. It just so happens that 50 years ago, poor old dead Snubber was buried on what would become a prime volleyball court in Aunt Marge's backyard.

Originally, our Snubber event was the Snubber Memorial Volleyball Tournament, so, it was out of true respect to Snubber that we name the event after him, since we would all tap dance on his grave every summer.

The Snubber Memorial Euchre Tournament evolved because we were all getting too old to bump, set and spike without injuring ourselves. Plus, it's safer for us to sit at a table with a deck of cards and

alcohol

Euchre is a card game that my grandparents used to play and cheat at - when they were younger. At Snubber, we play four-handed Euchre with your partner sitting across the table. I've been playing this game for a long time and you would think, since it doesn't involve a lot of math, I would be able to play pretty well. Nope! I even had an uncle who would always fall asleep in the middle of every hand and wake up to win the entire game. He even won the championship trophy twice. Of course, we all fell asleep during his acceptancce speech. If I ever win, it would be my only trophy...I could put it next to all of my perfect sister's awards, except for her graduation honor cords. I think I sold them to my cousin, Bob.

Euchre involves stratgegy and common sense, two genes that I think I am missing. It's way more difficult to play than BUNKO! You have to predict what cards your partner has and if the other team is telling the truth. At BUNKO, we just have to predict what we are going to wear, what we are going to drink, and what we are going to eat. It's not that hard...most of the time.

Our Snubber Euchre Tournament involves four tables of four...sixteen people for those who are math challenged. All 16 of us have 16 different personalities. We are all family, so it's pretty much o.k. to say anything to anyone..even my perfect sister and my perfect cousin. Everyone brings a dish to pass and as you may know, I am usually asked to bring a bag of chips or ice out of safety for the other guests.

There are several people that are extremely competitive. The engineer and computer-type people take this game real seriously. I always get stuck with one of these guys as my partner. They usually down another drink before they sit to play with me. This year, I was taught the correct way to shuffle cards and cut the deck. To think that for the last 20 years, I have been doing it wrong...just add it to my list of failures, I guess. I'm lucky if I can shuffle the deck without turning the game into 52-pick up..

My 18-year old cousin – who won the trophy this year - said he would never go to Las Vegas with me, which is just fine because I would have more fun at Disney World anyway. Plus, then I could visit my favorite cousin, Bob, who has the same twisted sense of humor that I do. Except he has this really important responsible job where he has to pretend to be really normal. I hope that never happens to me.

Tell Us About It!

As our community continues to grow, so do the stories of people who have tales to tell. Perhaps it's an unusual occupation or hobby, a new business venture, or someone whose service to others too often goes unnoticed.

If you fit into any of the above categories or know of someone who does, The Statesman would like to hear about it. Our feature stories function as a means to get to know each other better and that is what your community newspaper is all about.

In position for sweep, Indians let game vs. Falls slip away

BY JUDY HARLOW Statesman Correspondent jharlow@kewaskumstatesman.com

Ahead 2-0 against Sheboygan Falls with less than 26 minutes to play, it looked like the Kewaskum High soccer team would post a sweep for the week.

The visiting Falcons made the most of the remaining time, however, scoring three times to win the game 3-2 and ruin the Indians' hopes for a 2-0 week against Eastern Wisconsin Conference opponents.

"We played great in the first half ... we completely dominated," KHS Coach Alex Hill said. "In the second half, I don't know ... We just kind of slipped away."

Kewaskum had scored twice in the first half of play, with freshman Dylan Kenworthy and Jason Jahnke doing the honors, according to Hill, who said Kenworthy got his chance after Frank Cole attempted a penalty kick.

"Cole took it and it hit the pole. It came out, and Kenworthy followed it," Hill said, reporting Jahnke got his sixth goal of the year to give the Indians a 2-zip lead.

Lupe Hernandez cut the deficit to one on a penalty kick with about 25:20 to go. It was a line drive, which ricocheted off Nate Kenworthy's hands into the net.

The Indians were still a goal

ahead, nearly two again when Jahnke dribbled down the field but missed a good try from the left side.

Had they gone back up by two, the Indians might have regained their confidence, but instead, they were a bit tentative, and Sheboygan Falls managed to score again at 59:34. This time, the Falcons had a two-on-one advantage and when Kenworthy attempted to come out of the box in an effort to thwart the try, Jake Arpke was able to get the ball past him.

Goal No. 3 came at the 67:34 mark with Arpke executing a chip shot over the KHS defenders, then kicking it where Kenworthy had no chance at the hall

"Just a flick ... a little touch," Hill said about Arpke's excellent move. "They played great in the second half. Give them a lot of credit."

A partisan Kewaskum crowd encouraged the Indians to come back, and although they had several good scoring opportunities in the remaining time, all missed the mark.

Jahnke was wide right on one try, and Jake Sable nearly scored when he got off a bullet of a shot, only to have the little Falcon keeper get a hand on it, tap it to himself and then gather it securely in his arms.

Hill reported the Falcon's No. 1 goalie got yellow carded. When

they brought in the second one, Alec Schielke, Hill was figuring the Indians would score some more goals. Instead, "The second keeper stopped everything,"

Defensively, "(Austin) Flanders was terrific again. So was (Paul) Gaynor," Hill said, indicating his team appeared to lose momentum when Flanders went out with an injury in the second half. "He got banged on the head. We had to change things up," Hill said. Flanders later returned but the momentum had already shifted.

The Indians seem to be getting in a pattern of playing one excellent half but is unable to sustain the effort. Hill said Tuesday's 4-1 win over Roncalli was a perfect example.

"We were up 4-1 at half," Hill said, reporting Jacob Cochran scored two goals and Jahnke had two. Assists on Cochran's goals went to Dylan Kenworthy and Ryan Nuernberg. Cole had the assist on Jahnke's first goal, and the other was unassisted.

Stefan "Bud" Katter "played a real good game," according to Hill, whose team is now 1-3 in the Eastern Wisconsin Conference and 2-5 overall.

Indians are in fast company in EWC

BY JUDY HARLOW Statesman Correspondent jharlow@kewaskumstatesman.com

The traditional Mayville Cross Country Invitational was a solid indicator on how strong several of the teams in the Eastern Wisconsin Conference are going to be this fall, and when the results were compiled, runners from the other schools certainly had to admire their efforts and those made by the Pewaukee teams.

The Pewaukee boys came in with an impressive 55 points to finish way out front of the other 19 teams. Next came Sheboygan Falls, an EWC team, with 107 points, and Kewaskum made the upper division, finishing eighth at 194.

Kyle O'Rourke of Pewaukee captured the top medal for the day, finishing the 5,000 meters in a time of 17 minutes and 2 seconds (17:02).

The Pewaukee girls had a little breathing room between themselves and second place Sheboygan Falls, 117-123, and right on the heels of the Lady Falcons was Kiel at 124.

Kewaskum had anticipated having a full team for the first time this year but then Allisa Clapper came up with a sore knee and could not compete.

"Everyone had a little more fire behind them for this bigger meet," KHS Coach Dave Drexler said. "All ran their best times for the season, and the boys accomplished one of their goals ... beating New Holstein after New Holstein beat us by two points last week."

Drexler also said the Indians were aiming to finish ahead of Lomira but came up six points short.

Kewaskum was led by Bob Gibson, who was 18th overall with a time of 18:11. Zack Van Wormer was next in 21st place at 18:17

"Zack is finding his pace for this longer distance. He had to make some adjustments after coming off of his sprint track season," Drexler said, adding, "He and Bobby were battling it out throughout the race, with Bobby pulling away at the end."

Jon Hawig finished in 33rd place (19:03) as the Indians' No. 3 runner, while young Tyler McElhatton maintained a good pace and placed 51st, with his time of 19:45.

All four girls that did manage to run were pretty far back in the pack. Toyna Janssen led the Indians with a time of 19:56, good for 118th overall

Drexler was more than satisfied with the efforts and the improvements shown, and he is happy Kristin Vogt has joined the team "She appears to have good potential," he said. Her first time was 21:36.

One championship is in the bank, and Ben Carlson, 20-year old SuperMoto sensation from Kewaskum, still has a chance to claim another in the next couple of weeks.

Not bad for someone who has just raced professionally for three years.

"It's all over ... and I'm the Canadian (National Series) champion!" Carlson said Tuesday evening, reporting this was his first year in the competition above the border, and, "I'm excited!"

One could hardly blame Carlson because he climbed the ladder so quickly and pretty well shut the door on his nearest competitor, David Baffeleuf of France, in the final races of the year.

The event, held over the weekend of Aug. 27-28, took place on Polson Pier in Toronto, Canada, and there were five separate races there that figured in the final point to-

Then Carlson roared back to capture first place in the final race for an excellent night of competition that produced 115 points for him to 110 for his opponent.

With the win, Carlson and his orange No. 45 Corse Super bike reached the winners' circle. There was no immediate celebration, but Carlson, who enjoyed the moment with his father who was in Toronto with him, understands there will be a champions dinner sometime in December. Only four games were needed Thursday night for the Kewaskum High volleyball team to dispose of host New Holstein in the opening Eastern Wisconsin Conference action of the 2005 season.

Except for a 17-25 loss in Game 2, the Lady Indians were pretty well in command, winning the first game 25-19, and then posting back-to-back decisions in the third and fourth game by respective scores of 28-26 and 25-17.

With the victory, the Indians have been successful in their first tournament, their first dual match at Slinger and now their first EWC competition.

"This was our first conference game, and we were really excited," KHS Coach Renee Butschlick said afterward. "The girls did a great job playing as a

One big statistic that really stands out was the setting effort of senior Katie Schroeder. She put up 112 attempts in the match and only committed one error for a rather impressive 99.11 percent efficiency rating.

We worked on two things that helped us win the match, Butschlick said. "The first thing was that we are starting to run a quicker offense. The girls are working on getting the passing to Katie so we can run a fast set or a short set."

Obviously the plan was successful, much more so than the new defense, which suffered some ups and downs during the contest.

"The second thing we worked on was a different defense," Butschlick said. "In the second game, we had to pull it off, but the third and fourth game, we brought it back to

Soccer teams posts two shutouts, takes third in tourney

BY JUDY HARLOW Statesman Correspondent jharlow@kewaskumstatesman.com

It was a great day for Kewaskum High soccer!

Last Saturday, the Indians went 2-1, posting two shutouts in the process, to take third place in the annual Papermakers Invitational held in Kimberly.

"A good day's work for KHS, beating a Division 1 team and then putting it over a conference rival for third place," coach Alex Hill said.

In Game 1, the Indians knocked off the host team in a thrilling 1-0 victory in which goalie Nate Kenworthy "pulled off some inspired saves" to preserve the win.

"Kimberley presented a huge challenge for Kewaskum, but a goal from Jacob Cochran midway thought the first half was enough to see us through to the next round." Hill said, indicating Austin Flanders "was in great form on defense."

And then there was the play of Kenworthy, who came up with one fantastic save early in the game "as he dove full length to his left to deny Kimberly the opening goal, according to Hill, who said his team was on defense most of the second half and wound up with just one shot the last 30 minutes.

Kewaskum next faced a powerful Fox Valley Lutheran team, when Indians fell to the eventual champions by a score of 6-zip.

The score was just 2-0 at

half, and, "an early goal in the second half from a very strong team proved to be too much for KHS to deal with," Hill said.

That loss put Kewaskum up against New Holstein, a team they lost to 5-2 on Aug.

This time, it was the Indians who prevailed, and again Kenworthy "had to be at his best in goal, making crucial stops in both halves," according to Hill. who was excited to report his team started fast ... real fast, with a goal by Frank Cole just 18 seconds into the opening half.

Unassisted he won the ball in midfield and ran forward to the edge of the box and fired a right-footed shot in the goal," Hill said.

Jason Jahnke got into the act in the second half, with the assist coming from Cole, and then "Bud" Kattar added the third, this time on an assist by Jahnke, giving the Indians the 3-0 lead they would not relinquish.

Flanders and Ryan Wunsch were praised for their defensive play. Hill also said he was very pleased with the play of freshman Nate Wendelborn, who came up from the JV team for the tournament and "had some good touches in the New Holstein game in particular but brought good game whenever he was on the field. He's a surefire varsity star of the future."

With the 2-1 mark, the Indians improved to 4-6.

Timblin lone senior on golf team

BY JUDY HARLOW Statesman Correspondent jharlow@kewaskumstatesman.com

As the only senior on the UW-Stevens Points women's varsity golf team, Courtney Timblin is expected to step up and be a leader.

Timblin, who played her prep golf at Kewaskum High School, did just that in her performance at the UW-Eau Claire Invitational held on Sept. 3-4, leading the Pointers to a seventh place finish in the event and earning Athlete of the Week honors for the sport at Stevens Point.

Timblin fired respective rounds of 82 and 84 (at the Mill Run and Wild Ridge Golf Clubs) for her 166 total, which put her in 16th place individually out of just under 100 players.

The meet medalist was Eau Claire's Maggie Loney, who carded scores of 76 and 77 for her 36-hole total of 153 and a two-shot advantage over Kelli Goff of Gustavus Adolphus.

St. Thomas won the competition with a 648 total. The Pointers' efforts produced a 697, good for seventh out of 17

Stevens Point was also third among the Wisconsin Intercollegiate Athletic Conference (WIAC) teams in the event.

Timblin has been on the varsity team since her freshman vear at the school where she is majoring in business administration and minoring in health and wellness.

Gridiron teams open 1-2-1 Still no wins by KHS tennis team

Statesman Correspondent jharlow@kewaskumstatesman.com

All the games were close. but the only Gridiron football team to come away with a victory last Saturday was the fifth grade team, which scored 20 second-half points for a 20-0 win over host New Berlin Eisenhower.

The extreme heat hampered the efforts of the sixth grade team which ended up losing 14-6, while the seventh graders ended in a 20-20 deadlock against their Lion opponents, and the eight graders were defeated 30-14.

"It was a real exciting game," fifth grade coach Mark Walcheske said. "They were pumped."

After a scoreless first half, Nathan Krupp picked up a fumble by his own quarterback and raced 65 yards around the end for the team's first score.

Then the defense got in the act, sacking Eisenhower's quarterback for a safety. The littlest Indians added two more scores on a short run by QB Hunter Flanders and another long scamper by Krupp.

"The defensive front four put pressure on their quarterback, and our pass coverage was excellent," Walcheske only completed two passes.

"In the second half, our offense got on track, and the special teams did well," he

The highlight of the game involving the sixth graders was Tony Gonring's kickoff return for a touchdown, which came in the third quarter, according to coach Joe Backhaus. He estimated the play covered 60

"We've got a bunch of good-sized linemen. They held up pretty well," Backhaus said, declining to single any of them out.

'We gave up two big plays. That's how they got their scores," the coach said.

The seventh graders scored all 20 points in the first half, then stalled offensively, according to coach Tom

It's taking a little longer for the Kewaskum High girls tennis team to jell than coach Dan Ross figured it would.

After expected losses to the two powerhouses in the Eastern Wisconsin Conference, Plymouth and Roncalli, Ross was looking at last week's matches against Chilton and Kewaunee as possible breakthroughs, but the plan didn't materialize.

The Lady Indians lost a 6-1 decision to Chilton on the KHS courts on Tuesday, then made the long round trip to Kewaunee without a single victory in the 7-

"(I was) obviously not happy with the results," Ross said. "I thought we had a chance to win both, or at least pick up a few more (individual) wins.'

The lone KHS winner in the two days of action was senior Ashley Feucht at No. 2 singles. She disposed of Chilton's Beth Rach in short order, 6-3, 6-1.

In the 13 other matches, only Karissa Dums at No. 3 singles lasted until a third set, and then she lost a heartbreaking tiebreaker to Rev Pence 11-13 so the final score was 6-2, 0-6, 6-7 (11-13).

Karissa's loss at Kewaunee was tough. She gave it her all," Ross said. "She played smart and competitive. She's probably been our most consistent player."

"From a scoring standpoint, doubles play is improving, but we're still not getting wins," Ross went on, referring to the match his No. 3 doubles team of freshmen Kelsey Goetsch and Lauren Hughes lost 4-6, 3-6 at Kewaunee and by the same score to their counterparts from Chilton.

"We're working on it," Ross promised.

Kewaskum is currently 0-4 vs. EWC opponents.

Fourth place suits Martin just fine

BY JUDY HARLOW Statesman Correspondent jharlow@kewaskumstatesman.com

The individual scores could have been a little better, but coach Carol Martin is real happy to see her Kewaskum High golfers sitting in fourth place in the Wisconsin Little Ten Conference after four of the seven competitions.

Home course, we should have done better," Martin said after Thursday's competition on the Red Nine at Hon-E-Kor Country Club, where the Indians placed fourth with a 217

"Kate Korth about drove the green on No. 1 and then she took a ten on No. 3," Martin said, pointing to the fact Korth would have had a chance to shoot 48 with a bogey instead of a 10 on the hole.

Nicole Remmel came in with a 51, low for KHS, and that also could have been a round in the 40s, erasing the eight on No. 9.

West Bend West was the team winner on this day, and well the Spartans should have been, firing a 182 behind a sizzling 4-over-par 40 by Lauren Peplinski (medal score) and a 44 by Jack Lutz.

Oconomowoc finished second at 198, then came Hartford, 205; Kewaskum, 217; Beaver Dam, 220; Watertown, 220 (tie was broken by the scores from the fifth scorers); and West Bend East, 224.

The Indians' No. 3 play-Renee Wetzel, was not at Thursday's meet because she was at a technical school course, according to Martin, who said, "Fourth place is just excellent for us because we are so young.

The other KHS counters were Chelsea Weare with a 56 and Jordan Benike, 58.

On Tuesday, the Indians moved into a fourth-place tie with Beaver Dam by placing fourth in the meet held on the long front nine of West Bend Country Club.

Leading the way for the Lady Indians were Korth and Remmel, with identical 49s toward the team total of 232

There were three good teams scores in the meet, starting with the 196 by Oconomowoc, led by Abby Johnson's sizzling 6-over-par 43.

Next came Hartford at 204, one shot ahead of West Bend West.

Kewaskum placed fourth, then came Beaver Dam, 233; Watertown, 235; and West Bend East, 248.

Kate carded three pars, and Nicole took care of the three par fives," Martin said, referring to her No. 2 players effort on Nos. 3, 5 and 9.

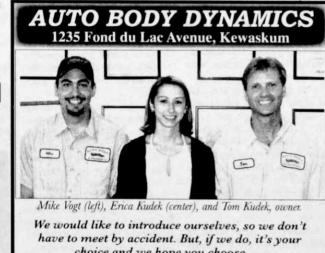

The other counters were Wetzel and April Lettow, who carded 62 and 72, respective-

Indians runners are unstoppable

With the score climbing in the second half Friday night, Kewaskum High football coach Jason Piittmann gave the reserves an opportunity to see plenty of action. Dan Shea (20), a 175-pound junior running back, made the most of his chances to carry the ball, topping the 100-yard mark and scoring a TD. Providing the blocking was tight end Jon Wicklund (9).

The Kewaskum High football team made it look easy Friday night. Averaging 9.1 yards per rush in the first half, the Indians jumped out to a 27-0 lead over visiting Roncalli and never looked back, eventually winning their Eastern Wisconsin Conference opener by an impressive 44-6 score.

With the victory, the Indians are off to a 3-0 start, while Roncalli fell to 0-3.

Kewaskum scored on its first five possessions, with fullback Ross Stockhausen, ace tailback Garett Donath and quarterback Chad Piwoni all getting into the act.

The Indians needed just eight plays on the first possession to move 59 yards, the final plunge by Stockhausen from one yard out. Jon Olla missed the PAT, but that was no factor as Kewaskum stopped the Jets after two first downs and set up shop at the 20 yard line.

A steady diet of Donath and Stockhausen quickly moved the ball down to the one where Piwoni scored on a sneak on the first play of the second quarter. A pass from Piwoni to Eric Ogi was good for the 2-point conversion, putting the Jets in a 14-0 hole.

On the drive, Donath ripped off runs of 11, 11, seven, 12 and six yards, either dragging defenders or leaving them in his dust on end sweeps in the process.

Roncalli, which was limited to 10 plays in the first quarter, had problems moving the ball on its second possession, then a bad punt by Patrick Lockington gave the Indians the ball on the Jets' 48-yard line.

Coach Jason Piittmann decided this would be a good place to insert reserve quarter-back Casey Scheel, along with junior fullback Logan Staege, and they were plenty efficient. After picking up a first down on a pass from Scheel to Staege, the coaches called for the screen pass to Donath, and it was a beauty.

Scheel hit Donath in the right flat, he cut quickly to the outside, sprinted down the field and didn't stop until he eluded the final defender and added a 28-yard TD to his collection.

Olla's PAT was wide right again, so the score stayed at 21-0. Not for long, however. When Kewaskum got the ball back with 5:21 before intermission, it started on the 24-yard line. Four players later, the Indians were in the end zone again, with Donath doing the honors on a 16-yard scamper.

Stockhausen's contributions in the drive were bruising runs of 18 and 14 yards, and Donath ripped off a 28yard sweep before getting his second touchdown of the night

This time Olla's kick was perfect, and the Indians stretched their lead to 27-zip.

Roncalli's best scoring opportunity came just before the end of the half, and it was a couple of 15-yard penalties, a pass interference call on Donath and a late hit, that brought the ball to the KHS 11.

The Indians' defense weathered a couple passing tries, and Jordan Bennett overthrew everyone on his last try as the Jets ran out of downs.

A four-play, 80-yard march was a great way for the Indians to start the second half. Stockhausen scored from 14 yards out right after Donath scam-

pered 46 yards around end.
Olla booted a 34-yard field goal at the beginning of the fourth quarter, making the score 37-6.

The lone KHS TD in the fourth quarter came thanks to the alert play of junior half-back Dan Shea, who picked up a fumble in the backfield and didn't stop until he found

the end zone 27 yards away.

Piittmann had retired the first-string backs midway in the third quarter, so both Shea and Staege got the opportunity to show their talents. Shea carried the ball 13 times for 103 yards.

"We know Dan's pretty good," Piittmann said. "At the majority of schools in the conference, he would be contending for a starting spot."

The Jet's lone tally came on a pass from the sophomore Lockington to John Mueller, covering 47 yards.

Donath wound up with 183 yards on 14 carries, while Stockhausen added 89 on 11 tries. All together, the Indians piled up just over 400 yards on the ground, thanks to a great effort by the linemen

"Our offensive line did an excellent job," Piittmann said, later adding, "The guards, (Jeff) Thull and (Jake) Turowski destroyed some people on the traps."

The KHS coach also praised Stockhausen for his efforts leading Donath. "Ross leads on the iso(lation) play ... he's a heck of a lead blocker."

One play Piittmann really enjoyed was the 35-yard plus punt return by Eric Ogi near the end of the third period, setting up the field goal. "I think he was looking for people to run over," the coach said.

Kewaskum is at Two Rivers Friday night, and Piittmann and his staff are stressing the one game at a time philosophy, so the Indians don't get overconfident.
