Ke-West to open Sunday for games and fun

A birds eye view of the miniature golf portion of Ke-West Sports located between Kewaskum and West Bend. The 62,000 square foot facility will open on Sunday, August 6. Ke-West also sports a 27,000 square foot paintball arena and play area for toddlers. Owners Dick Bertram and Michelle Bertram will hold an open house Friday, August 4.

By Judy Harlow Statesman Correspondent

Dick Bertram recalls his own childhood years when, he said, activities were pretty well limited to bowling and movies.

Kids still ask their parents what there is for them to do, and within the next week, Bertram has a new alternative for them with the opening of his Ke-West Sports located off Hwy. 45, midway between Kewaskum and West Bend.

At Ke-West, the problem will be more of a case of which games to pick first because Bertram, who owns 80 percent of the venture, will offer paintball, mini-golf, an arcade, plenty of tasty food and areas that can be rented for meetings, birthday parties, bachelor parties and the like.

The name is certainly catchy, but Bertram said Ke-West has nothing to do with the near tropical city located on the southern tip of Florida.

"People are expecting to come in and see palm trees," Bertram said, unlocking the secret of the name as simply, "It came from (the cities) Kewaskum and West Bend."

On Tuesday, Bertram and others were working feverishly to put the finishing touches on the 62,000 square foot building so it is finished in time for Friday's Open House, which will extend from 10 a.m. to 10 p.m.

The actual opening for play is Sunday at 8 a.m.

"We've got 33,000 square feet for inside paintball," Bertram said, explaining, "The whole area is clear span" meaning there are no inside pillars in the building."

A total of 27,000 square feet of the structure is covered with sports turf "where the games are actually played," there is an arcade room, and, "We have 1,200 square feet of playground for the little kids."

Concerning the arcade area, Bertram is not sure of the exact number of games but said it is definitely "between 62 and 72."

Expected to be a favorite in the site is the 18-hole miniature golf course, and Bertram said it is unique in that, "It has one hole with a rock foundation and two waterfalls" that pump 800 gallons of water per minute.

Above a portion of the putting area is a mezzanine where pizza, hots dogs, brats, cold sandwiches, drinks and other refreshments will be available.

"From the mezzanine, you will be able to walk out on the wall and watch the waterfalls," Bertram said.

Bertram and his daughter-in-law, Michelle Bertram, who owns the other 20 percent of Ke-West, also are offering four party rooms, 450 square feet in size, which will be perfect for small groups of children and adults. And for more space, two of the rooms can be combined.

In the works, according to Bertram, is an outdoor paintball facility that will have a ghost town motiff.

Bertram indicated those coming to Ke-West will be able to purchase tickets for the various activities at the front counter. For mini-golf, the charge will be \$6 for adults and \$5.25 for children under 12 and for senior citizens over 62.

Ke-West is expected to be a great draw during the winter months, but Bertram also expects there will be good crowds on days "when the temperature is 95 or 100 ... This way you have a temperature-controlled building."

The summer hours for Ke-West will be as follows: Sundays — 8 a.m. to 8 p.m.; Mondays — closed; Tuesday through Thursdays — 10 a.m. to 10 p.m.; Fridays — 10 a.m. until midnight; and Saturdays — 9 a.m. to midnight.

Winter hours will be announced at a later date.

What Bertram likes about the location of Ke-West is that children from Kewaskum and West Bend will be able to get there on their bicycles via the Eisenbahn Trail. "Mom and dad won't have to drive them there and they (the children) don't have to go on the highway," he said.

New Horizon Church purchases new location

The former TWC, Inc., located at the corner of Hwys. 144 and 28 will be the new home of New Horizon United Church of Christ.

Horizon United Church of Christ, with locations formerly in Beechwood, Boltonville and Silver Creek, has announced the purchase of the former TWC. Inc. building at 9863 Highway 144 north, as the site of their new church home. The building will be renovated to meet the needs of the congregation now and into the future.

The congregations that comprise New Horizon United Church were St. John's United Church of Christ, Beechwood, St. John's United Church of Christ, Boltonville, and St. Paul's United Church of Christ, Silver Creek. These three congregations merged in 2004 to form a new church, New Horizon United Church of Christ. A month after the merger became official, St. Paul's UCC was totally lost by fire. Since that time, New Horizon has been meeting in Beechwood and Boltonville, changing locations every three months.

The purchase of their new home is a major step for the congregation. Located on highway 144 and 28, the dream is to grow and expand not only in membership, but in program offerings, which will enrich the life of the area.

With the added space, the congregation is wrestling with ideas that will broaden and make possible it's mission statement, "The mission of this congregation is to strive to be a church filled with the love of Jesus Christ, vibrant in the

proclamation of Gospel, inviting, friendly and open to all people, caring for one another in prayer and deed, mission oriented and ecumenical in its outreach, a good citizen to the community and beyond, and a place where individuals and families can develop the val-ues they need to live healthy and compatible lives.

The United Church of Christ is a merger in 1957 of the Evangelical and Reformed Church and the Congrega-tional Christian Churches.

Shown above, signing the papers to purchase the new church site are, clockwise from bottom left, Tracy and Terry Weber, former owners of building, Wayne Gerlach and Dick Junge of New Horizon UCC, Terry Van Engen, senior vice president, State Bank Random Lake, Shirley Birkholz, president New Horizon UCC, Robin Lemkuil, treasurer New Horizon UCC, Danelle Concellier, Chicago Title Insurance Company and missing is Mary Luedtke, secretary.

The roots of those churches go back to the earliest days of American History. The three

congregations have made a religious impact on Southeast Wisconsin for over 130 years.

Sesquicentennial organizers say thanks St. Joseph's subacute center

The Fillmore Sesquicentennial on July 15 and 16 was a great success. Hundreds of folks from six states braved the sweltering heat and participated in the many events.

A big thank you to Mother Nature for the light breeze that cooled the Turner Hall park. A few highlights of the weekend included a very successful Pancake Breakfast and Spanferkel Dinner.

The parade on Sunday had nearly 80 entries with three bands performing after the parade including the nationally acclaimed Hartford Energizers Dance Troupe, the Milwaukee Turners' Women's Class rhythmic exercise who exemplified the Turn Verein roots of Fillmore, and the patriotic Green Beret Drum and Bugle Crops from Janesville.

The Saxonia House and beer cave was toured by many and the genealogy display was well attended.

Cedar Crest ice cream kept everyone cool along with samples of freshly brewed beer by Jerry Uthemann and wine samples compliments of the Purple Foot.

Many guests came 'home' for the day or weekend and were entertained, met old friends, and shared memories of their early days growing up in the area. A great time was had by all.

transfers to Cedar Crossings

SynergyHealth St. Joseph's Hospital announced recently that patients from the subacute care unit at Synergy-Health Center in West Bend transferred to the Cedar Crossings Subacute Care unit in the new Pleasant Valley Medical Building on the St. Joseph's Hospital campus on Tuesday, August 1, 2006. LifeStar EMS transported the patients beginning at 8:30 a.m.

St. Joseph's Hospital has operated the subacute care unit since 1997 under a nursing home bed license held by Washington County. The hospital is closing that unit and transferring the operation to Cedar Crossings, who will operate the unit under the same Washington County license for 18 nursing home beds.

Cedar Crossings is a division of Cedar Community, West Bend, a not-for-profit, church-affiliated leader in providing health care, educa-

tion, rehabilitation and senior housing.

Cedar Crossings Subacute Care is located on the Garden Level of the new medical building connected to St. Joseph's Hospital. West Bend Clinic - South will occupy the first and second floors of the building and will open later in the month of August.

SynergyHealth and Cedar Community will host a special open house celebration on Saturday, September 23 from 11 am to 3 pm. Cedar Crossings Subacute Care, West Bend Clinic - South, and St. Joseph's Hospital will offer tours during the open house celebration.

SynergyHealth is a regional health system serving the greater Washington County community. St. Joseph's Hospital, West Bend Clinic, and SynergyHealth Foundation are members of SynergyHealth.

Work continues on Chamber kiosk

Another phase is complete in the kiosk. Heberer Brothers donated labor and completed the canopy for the kiosk. Working on the project were Tim Heberer, Mike Heberer, and Rick Heberer. The Kewaskum Area Chamber of Commerce will be adding benches and an informational board within the next month. All of the local contractors including RD Builders, Kewaskum Concrete, and Heberer Brothers have donated their labor.

Area Processor Wins National Honor

Kewaskum Frozen Foods of Kewaskum won national recognition at the American Cured Meat Championships (ACMC) held July 13-15, 2006, in San Diego, CA, in conjunction with the 67th Convention of the American Association of Meat Processors. The ACMC annually draws hundreds of entries from the entire United States. This year there were 437 entries in 27 product categories.

Kewaskum Frozen Foods was awarded First Place, Grand Champion, in the Cooked Ring Bologna class; Third Place, Champion, in the Emulsified Frankfurters/Wieners and the Braunschweiger classes; and Fourth Place, Reserve Champion, in the Small Diameter Cooked and Smoked Sausage class. All entries were judged on the basis of aroma, flavor, eye appeal, color and texture.

Kewaskum Frozen Foods is a member of the American Association of Meat Processors, the nation's largest trade organization representing small businessmen in the meat/food related industry.

Cabela's set to open Richfield store September 22

RICHFIELD - Cabela's*, known as the World's Foremost Outfitters* of hunting, fishing and outdoor gear, will open its newest destination retail store in Richfield, on Friday, September 22, 2006.

Four million people are expected to visit the Richfield store annually, making it one of the largest tourist attractions in the state. Extraordinary in design and showcasing thousands of products from its world-famous catalog, a customer's average length of stay is a remarkable 3 1/2 hours, with half of the visitors coming from outside of 100 miles.

The 165,000-square-foot, large-format superstore is being built on a 60-acre site in Washington County, generally described as the triangle formed by the intersections of US Highway 41, US Highway 45 and State Highway 145 in the towns of Richfield and Polk. Plans call for approximately 20 acres of the 60 acre site to be developed by additional businesses that could include hotels, restaurants, complementary retail stores or other travel and tourismrelated businesses.

The Richfield location is the second Cabela's destination retail store in Wisconsin. The company operates a smaller retail store and massive distribution center in Prairie Du Chien.

"The Badger state is a recreational outdoor wonderland. Those who are fortunate to live and work in Wisconsin and the region are passionate about hunting, fishing, camping and outdoor activities," said Dennis Highby, Cabela's president and CEO. "We could not be more excited to bring Cabela's to Richfield and to the greater Milwaukee area, which is enjoying substantial retail and commercial growth."

The Wisconsin DNR says sport fishing alone is a \$2.3 billion dollar industry that supports more than 26,000 jobs in Wisconsin and generates \$100 million in state tax revenue.

The Richfield store will be built in Cabela's trademark style that evokes the feeling of the outdoors. Cabela's stores are known as top-notch edu-

cational and entertainment attractions.

Equivalent to about three football fields in size, Cabela's is much more than a retail store, it's an experience. Cabela's provides unique attractions for every member of the family including:

- More than 400 animals in extensive museum-quality dioramas, including an African scene, which re-creates animals in action in their native habitats:
 - · The Cabela's hallmark,

two-story Conservation Mountain, complete with running waterfalls and stream, a trout pond and wild game displays in their distinctive habi-

- · Huge 40,000 gallon, walkthrough aquarium, stocked with freshwater fish, including those native to the region;
- · 8,000 square-foot wildlife museum with an extensive collection of trophy mounts;
- · Hundreds of wild game trophies displayed in an exceptional showroom.

 Other highlights include a boat showroom and maintenance shop, laser arcade, furniture department, gun library, restaurant, general store, fly fishing shop, bargain cave and gift shop.

Store manager Scott Foley will hire up to 400 employees to carry on the company's tradition of excellent customer service. Cabela's employees, most of whom are expected to come from the area surrounding the Richfield store, are famous for living the outdoor

lifestyle and having intimate knowledge of outdoor products. Visitors will find hunting, fishing, camping, hiking, boating and wildlife gear, as well as outdoor clothing and outdoors-styled gifts and furnishings.

Store hours will be Mon-*day - Saturday, 8 a.m. - 9 p.m. and 10 a.m. - 6 p.m. Sunday. The store address is One Cabela Way, Richfield, WI 53076. Visit their website at www.cabelas.com

EVENTS

Everybody wins at the seventh annual Athletics Scramble

The 2005 Open Division Scramble winners with a score of 56 (-14) were, left to right: Tom Ochinikowski, Ted Wuebben, Bill Wuebben and Ray Engelking.

Besides good golf competitions, camaraderie, memories and fun, everybody wins as a result of the 2006 KHS Athletics Scramble on Saturday, August 5th. Everyone from participants to taxpayers may benefit from the seventh annual supplementary fund-raiser conducted at Hon-E-Kor Golf and Country Club. Whether it is competition prizes, door prizes, raffle prizauction items, delicious dinners, gift certificates, athletic apparel, golf packages, cash raffles or recognition of honored alumni, everybody can join in the fundraising activities

Participants are eligible to win hole events, blind bogey, skins games, trophies, plaques, booster club sportswear, pro shop certificates and their respective division scramble competition. Diners can partake in the banquet meal, various raffles, silent auctions and help to honor members and coaches of the 1970's KHS girls golf teams. Volunteers can help to conduct the registration, hole events, scoring, raffles and the awards program following the buffet-style banquet.

Taxpayers within the school district may benefit directly, by participating, donating, volunteering or attending the awards banquet, or indirectly, by not having to contribute more money to support the high school athletic programs. The six previous scrambles have raised nearly \$10,000 since 2000 to help acquire athletic equipment and gear. The Kewaskum Booster Club hopes to raise almost half as much this year alone with a few more additional golfers, sponsors, donators and volunteers.

After presenting awards to the winners of the hole events, blind bogeys, raffles, silent

auction and the various divisions of the scramble compeition, the traveling trophy will be presented by the previous champions to the latest open division champions. The 2005 open division winners were Tom Ochinikowski, Bill Wuebben, Ted Wuebbedn and Ray Engelking with a score of 56, fourteen under par. That group included a former Kewaskum student, teacher, school board member and ringer. The Dreher family, Brian, Teresa, Niki and Crystal, captured the first ever co-ed or mixed couples title as well with a collective nine under par total of 61.

The evening will conclude with the former coaches of those 1970's KHS girls golf teams acknowledging those team members in attendance for their respective contributions to the KHS girls golf program. Each team member in attendance will re-

ceive some athletic apparel from the Kewaskum Booster Club as guests of honor. Any past members of the girls golf teams are encouraged to participate in the scramle. Please notify any of the organizers if you plan to attend.

Scramble sponsors, donors, volunteers and golfers can still get involved by contacting Hon-E-Kor at 262-626-2520, the KHS office at 262-626-2166, or Smith Insurance Agency at 262-626-2277. Any individuals who are interested in attending the awards din-ner may call Scott Rohlinger, 689-6989, Glenn Eichstedt at 626-2166, ext. 4251 or Dennis Butz at 626-2277. Whatever the weather, the scores, the stories, the meal, the prizes, everybody wins as a result of the seventh annual KHS Athletics Scramble. Join in the festivities and win!

Free corn roast Aug. 12

On Saturday, August 12, the Northern Kettle Moraine Crooked Trails Snowmobile Club will hold their annual Corn Roast. Featuring FREE roasted corn, from noon to 7 p.m. at the Sportsmen's Complex in Dundee. The club activities include food, games, beer, wine, soda, raffles and live music by "Master Jack" from 3 to 7 p.m. There will also be a swap meet that begins at 9 a.m. There is NO cover charge and the parking is free. The Chicago North West-Transportation Company has given the Village of Kewaskum a tentative start date for the reconstruction and repair of the First Street railroad crossing of August 4, 1981. Also, a start date of August 10, 1981 has been set for the Second Street crossing. The Village asks that everyone be cooperative during the closing of these two streets.

The electorate once again accepted a nearly 4.5 million dollar operating budget at the Kewaskum School District's annual meeting. After the election of John Tessar as temporary chairman, Business Manager Bob Borch explained the budget. It was approved by a vote of 100 to 26 after some critical questions and comments by several citizens and responses by the board and administrators.

On August 9, 1981, the congregation of St. Lucas Lutheran Church will honor the Reverend Paul Hoenecke by celebrating his 25th anniversary in the ministry of The Evangelical Lutheran Church, Wisconsin Synod. Commemorating this occasion, special worship services will be held at the church on August 8 and August 9 with a potluck dinner following the Sunday service.

FES fifth graders leave their mark

FES graduating 5th graders take a stroll down their stepping stone path admiring their work and making sure all the stones are solidly embedded in the ground.

A few of the personalized stepping stones created for the FES Legacy Project.

Everyyear, the Farmington Elementary School (FES) 5th grade graduating students select a class gift for the school as part of the Legacy Project.

The 2006 Legacy Project

was selected from a list of suggestions made by students, teachers and parents. Requirements for the Legacy Project are: the gift enhances the school; the gift leaves a legacy or memory of the graduating students; and the gift must stay in tact until the students

graduate from high school.

This year, the chosen gift was creating stepping stones to be placed from the school sidewalk to the flag pole. The location was selected because it is the 5th grade students who are responsible for raising and lowering the flag each day of

school.

Each of the 54 students and two teachers personalized their own stepping stone to put in the path.

"It was a project the students really enjoyed as they used their creativity to make each stone their own," said Robyn Bindrich, a parent volunteer and coordinator of the project.

The concrete used for the stepping stones was generously donated by Bend Industries of West Bend and the remainder of the project was funded by the FES PTO.

Club Cool visits Oshkosh and Appleton

Club Cool recently visited the Oshkosh/Appleton area just in time to see the EAA and their busy planes flying in and out of the airport. While in Oshkosh the kids visited the local zoo and played at the enormous castle themed park. Then they traveled to Appleton after lunch for some bouncing and sliding at Wild Air. Even the hot weather can't stop the kids of Club Cool from having lots of fun. Submitted photo

SGT. MICHAEL A. 'MIKE TOWLER SR.

SGT. Michael A. "Mike' Towler, Sr of the Town of Trenton, at the age of 54, was greeted by his Lord with open arms, on Friday, July 28, 2006, when he passed away at Froedert Memorial Lutheran Hospital due to injuries sustained in a motorcycle accident, surrounded by his loving family.

Mike was born on February 26, 1952 in Milwaukee to Victor and Celine (nee Renzelman) Towler.

He attended Nathan Hale High School and graduated with the Class of 1970. Shortly after, he entered the US Army and proudly served his country from April of 1971 to October of 1977 of which his tour of duty took him from the Continental United States to Wobeck, Germany, and then to the Aleutian Chain in Alaska working in the Special Services Unit. He was honorably discharged in October of 1977 with the Rank of Sergeant.

During this time he married Jane Finkler and started a family of three.

After returning home from his military duties, he settled in West Bend and was a fulltime employee for the Washington County Sherriff's Department as a jailer and dispatcher, while working part time for the West Bend Police Department as a Police Officer. On January 1, 1980, Mike was offered a fulltime position with the West Bend Police Department and began his 26year career.

Mike continued his education and received an Associate Degree in Liberal Arts in 1985 at U.W.W.C. On May 2, 1998, he married Debbie L. Bernard-Lemke at Northbrook Church in Richfield, adding four more children to his loving family. The couple resided in West Bend and in February of 2000 moved to the Town of Trenton, where they planned and built their dream home.

In January of 2006, Mike returned to U.W. Washington County to transform his Associates Degree in Liberal Arts into a Bachelor Degree of Science in Nursing. He retired from the West Bend Police Department with the status of Sergeant on April 29, 2006. Mike took Algebra in January and Nursing 101 as a summer class, receiving an "A" in both classes. He then enrolled as a full time nursing student for the upcoming fall semester at UW Washington County.

He was a member of the Wisconsin Professional Police Association, the Washington County Sexual Assault Response Team, a Board Member of Friends of Abused Families, A.O.D.A, N.O.V.A., Teen Breakaway, and the American Cancer Society. He competed with Wisconsin Professional Police Association State Pistol Shoots on an individual and team basis for over 25 years, achieving high rankings for marksmanship.

Among his favorite activities was riding his Harley with Debbie, hunting, building things for those he loved, but above all, spending time with family was most important to

Mike was a member of Northbrook Church in Richfield and was baptized into his new faith on November 21, 1999. Michael had an active and growing personal relationship with the Lord, which over time transformed him into the caring and giving man he became. He was not only the first to offer his help to those in need but also the one his family and friends turned to for help or advice.

He will be deeply missed and forever in the hearts of his beloved wife, soul mate, and best friend of eight years, Debbie L. (nee Bernard-Lemke) Towler of the Town of Trenton; his cherished children, Christy (special friend- Manuel Cortez) Towler of West Bend, Michael Towler, Jr. of West Bend, Joshua (Emily) Lemke of Sheboygan, Micah Lemke of Saukville, Jessica (Special friend- Ryan Davies) Lemke of Saukville, and Adam (Julie) Lemke of Newburg; adored grandchildren, Taylor Towler,

Cassie Walker, Hart & Hailey King, Samuel Lemke, and Noah Lemke; loving mother, Celine Towler of West Allis, WI and parents-in-law, Jim and Lorrie Bernard of Prescott, AZ; dear brother and brotherin-law of Linda (Greg) Dornoff of Milwaukee, Gail (Tim) Noll of Beaver Dam, Paul (Debbie) Towler of New Berlin, Ted (Chris) Towler of West Allis, WI, and Victor (Ellen) Towler of Apache Junction, AZ; on Debbie's side, Shelly (Roger) Stalter of Prescott Valley, AZ and Jean (Darrell) Pearcy of Greenwood, AR; friend and mother of his three children, Jane Towler of West Bend. close and special friend of Chris and Mary Velnetske of Cedarburg, Steve and Cindy Hoogester of West Bend and Ruth Blair of West Bend. Under a Flaming Sky: THe Great Hinckley Firestorm

By Daniel James Brown

Hot enough for you lately? Sorry. I know you're tired of hearing that question, but I had to ask

That's because there was a time and a place in Minnesota when it was hotter. Much hot-Sixteen-hundred degrees Fahrenheit, hot enough to melt

Hot enough to cremate a human within seconds.

Read about the horror, the heat, and the heroism in the new book "Under a Flaming Sky: The Great Hinckley Firestorm of 1894" by Daniel James Brown.

While he was growing up, Daniel Brown heard stories from his mother about the nightmares his grandfather, Ed, endured. Ed Hansen was a young boy when Hinckley, Minnesota burned to the ground. Forty years after the fire, Hansen still woke, screaming, from his sleep.

Like most small Minnesota towns in the late 1800's, Hincklev's main reason for being was the lumber industry. Lumber barons - men who owned vast tracts of land in northern Minnesota and Wisconsin - hired immigrants from Norway and other countries to clear forests of the pine trees that grew naturally in that area. The main employer in many towns was the lumber mill, and each mill boasted millions of boardfeet of wood, stored and awaiting shipment on the trains that went through town. Hinckley was served by the Eastern Minnesota Railroad and the St. Paul and Duluth Railroad. On September 1, 1894, those railroads played a large part in Hinckley history.

There is a scientific reason for what happened that day. Small fires, common then in the summer, were largely ignored

by residents used to the smoldering. But, Brown explains, untended small fires grow, and when weather conditions are right and massive conflagrations come together, they can generate hurricane-velocity winds. The approaching wall of flame roars like a flickering monster. Gases float like gigantic jellyfish in the air, and when they burst, entire areas burn instantly. It's impossible to outrun this kind of fire

That's what happened in Hinckley on that day almost 112 years ago. So, in a town of 1200 people, how did it happen that nearly three-quarters of the population survived the horrific destruction?

I'm not saying. Nope. You have to read this incredible

In a time when much of the country is sweating in newsmaking heat, you might think that a book about fire isn't really what you want to tackle. Don't let that be an excuse to pass this story by.

Part history, part science, and part cautionary tale, author Daniel James Brown explains how overlogging and careless forest management led to the Hinckley firestorm, and how major fires happen today in the West. Brown's recreation of the bravery that saved hundreds of lives is breathtakingly exciting, but be aware that his descriptions of the fire as it happens and the aftermath are not for the weak of stomach.

If you're tired of sweltering in the heat of the day, grab this book and retreat to a cool place to read. "Under a Flaming Sky" is emotionally searing, and you'll burn up the pages getting to the end.

Monte Roger Laverenz, 69, of West Bend died on Saturday, July 29, 2006 at home in West Bend.

He was born October 23, 1936 in Campbellsport to the late Albert and Erna (nee Fude) Laverenz and married JulieAnne Hoffmann on November 5, 1960 in Milwaukee.

Monte served honorably in the U.S. Marine Corp from 1955-1959. He worked for 17 years at Hoffy's Meats in Milwaukee and for 18 years at the West Bend County Club where he enjoyed his work taking care of the golf course.

Monte will be missed dearly by his loving and devoted wife, JulieAnne Laverenz (nee Hoffmann); and his two

beloved children, Chris (Connie) Laverenz of White Lake, Michigan, and Lea Mapes of West Bend. He was also the proud 'Papa' of four beloved grandchildren, Kayla Marie and Jarrett Jeffrey Mapes of West Bend and Andrew Blake and Alexander Brett Laverenz of White Lake, Michigan, who will miss him dearly.

He is further survived by his loving sister, Judith and brother-in-law, James Giersch and their children and grandchildren. He is also survived by his devoted brothers-inlaw and sisters-in-law, Bernard "Bernie" and Katherine Hartert, Cyrill "Butch" and Sharon Hoffmann, and Anne Marie Zolinski and their children and grandchildren, and many other dear relatives. He is also survived by his wonderful lifelong friend, Paul "Paulie" Prekop and many others too numerous to mention whose love and friendship blessed his life.

He was preceded in death by his parents and in-laws, Cyrill "Hoffy" and Anne Hoffmann of Milwaukee; and his brother-in-law, Leonard Zolinski of West Bend.

Funeral Services were held Wednesday, August 2nd at 6:00 p.m. at the Phillip Funeral Home, West Bend. The family greeted relatives and friends at the funeral home Wednesday, August 2nd from 4:00 to 6:00 p.m.

IN MEMORY

In memory of JEROME LOOMIS, who passed away 25 years ago, Aug. 6. 1981: We watched through all your suffering And often had to cry For we knew that very soon We'd have to say goodbye When days are sad and lonely And everything goes wrong We seem to hear you whisper Cheer up and carry on Every time we see your picture You seem to smile and say

Don't cry, I'm in Gods keep-We'll all meet again someday.

SCHOOL DISTRICT OF KEWASKUM ANNUAL SCHOOL DISTRICT MEETING AND BUDGET HEARING July 24, 2006 MINUTES

These minutes are unofficial until approved at the 2007 Annual Meeting.

The Annual Meeting of the School District of Kewaskum was held in the Community Room of the Administration Building on Monday, July 24, 2006. The meeting was called to order by Board President, John Kenworthy at 7:05 p.m. There were approximately 21 district residents

President Kenworthy introduced School Board Members in attendance: Jean Goeden, Sally Cochran, Bruce Braidigan, Bill Kesting, and Steve Jensen.

Nominations for Temporary Chairperson were requested.

Neal Weare nominated John Schulte. Jean Goeden moved to close nominations and cast a unanimous vote for John Schulte. Katie Weare seconded the motion. All aye.

Jean Goeden moved that the agenda be approved as presented. Steve Jensen seconded the motion. All ave.

Chairperson Schulte appointed Sally Cochran as secretary. Michael Krumm and Christine Horbas were appointed as tellers.

A motion was made by Steve Jensen and seconded by Neal Weare to use Robert's Rules of Order for Parliamentary Procedure to conduct the meeting. All aye.

Neal Weare moved to approve the Annual Meeting Minutes of July 25, 2005 with corrections. Jean Goeden seconded the motion. All aye.

Kieth Kriewaldt gave a slide presentation illustrating the District's test scores, awards and recognition of students and employees, and expectations for the 2006-07 school year and beyond.

There was no old business.

Business Manager, Paul Reichert explained the 2006-2007 budget using visual aids to report anticipated Fund 10 revenues totaling \$18,039,439 and expenditures in the amount of \$18,039,439. As of July 1, 2005 the District's Fund Balance was \$3,101,148 which is approximately 17% of the operating budget. This amount is unaudited and could change pending a review of funds by the auditors in August. The 2006-2007 tax levy is \$7,565,342 (General Fund), \$430,000 (Referendum Fund) and \$1,150,540 (Debt Service) for a combined levy of \$9,145,882. Based on an equalized value estimate of \$1,070,398,050, the 2006-2007 mill rate will be \$8.55, (\$7.07 General Fund, \$.40 Referendum Fund and \$1.08 Debt Service). This mill rate is derived by dividing the total levy by the District's equalized value. At this point in time the equalized value figure of \$1,070,398,050 is an estimate. The actual equalized value will not be known until October and therefore once actual figures are received the mill rate calculation may be more or

Dream season comes to a sad ending

BY IUDY HARLOW Statesman Correspondent

The unthinkable happened to the Kewaskum High baseball team in its first game of the WIAA Summer Baseball Tournament last Wednesday evening.

The Indians' bats, which had been the strong point of the team the entire season, went silent against Hartland Arrowhead. Limited to an infield hit by Garett Donath in the bottom of the fourth inning and a solid single to right field by Jake Junk in the sixth, the Indians season ended with an 8-1 loss to the Warhawks, who ended up as the runner-up team in the tourna-

Thus Kewaskum's season record ended up a sparkling 26-

Kewaskum coaches and fans were confident hitters like Dan Shea, Ross Stockhausen and Jon Olla would be able to hit off the Warhawks pitchers, but it didn't happen on this evening in Stevens Point, with the three leaders going for a combined

"Basically Hartland did to us what we wanted to do to them," KHS coach Dave Donath said, referring to the fact the Warhawks were able to get their leadoff men on, and use bunts and base stealing to put pressure on his team.

The Indians got behind in many counts against Bryan Kieffer and Eric Van Beck, not good situations for batters at any level of the game.

Kieffer struck out seven before being lifted in the bottom of the sixth when it appeared he was tiring.

Van Beck struck out two in the sixth and another two in the seventh when he had to face just three Indians to seal the victory.

Strikeouts accounted for 11 of the 21 Kewaskum outs in the game, and right fielder Joey Paun was kept plenty busy as he caught six fly balls and came up with a diving catch in the bottom of the first when it looked like the Indians might have something going.

Kewaskum had runners at first and second (Dan Shea, walk and Stockhausen on an error by the shortstop) when hot-hitting catcher Logan Staege stepped up to the plate and lined a shot to right-center, which looked like a sure hit and perhaps two KHS runs.

Paun made a dive at the last second and caught the ball to end the inning.

"Logan hit the ball hard," Donath said. "The kid from Hartland made a great, diving

Kewaskum might have had the bases loaded for Staege or a run might have already scored because leadoff batter, Casey Scheel, appeared to have been struck by Kieffer's pitch to him on a 2-and-2 count. After he trotted to first base, the call was reversed and he was called out on strikes.

Either the Hartland coach or the catcher called for an appeal on the play, according to Donath who said the home plate

umpire called for help on the play, and the first base umpire determined Scheel went around enough to call a strike.

Kieffer faced just three Indians in the second and third innings, but a walk put Shea on in the bottom of the fourth, then Garett Donath got the Indians"

"Dan was stealing on the play," Donath said. "He tried to go from first to third and got thrown out at third.

Hartland already had a 6-0 lead, and the Indians needed runs in a big hurry. They missed on the opportunity in the fourth but threatened again in the fifth and the sixth innings

In the fifth, Kewaskum loaded the bases when Junk and Nic Olla drew back-to-back walks, and after a Casey Scheel fly out, Jon Olla was also walked.

Shea was up next, and Kewaskum fans were wondering if he could come up with another grand slam like the one he smashed in the sectional semifinal win over Campbellsport. Shea got the bat on the ball, and when the Warhawks' second baseman couldn't come up with it cleanly, Kewaskum scored its

The inning ended when Stockhausen struck out.

In the sixth, Staege led off and walked before Van Beck came in to pitch and got Donath to strike out for the first out. Torrison hit into a fielder's choice, then Junk singled and the runners advanced to second and third when Paun bobbled the

Van Beck was up to the challenge, however, striking out Nic Olla to end the inning.

'We could have used a couple of 2-out hits," Donath said.

The hitting was simply not up to par on this day, and starting pitcher Matt Parrent struggled as well. Playing with a broken thumb and chipped bone on his throwing hand, Parrent had been brilliant in the sectional final game against West Bend West, but when he gave up a double to Drew Volkman on the first pitch and a single to Andy Globig two batters later, Hartland surged into a lead it would not relinquish.

Parrent worked out of the second and third frames without any problems, but the Warhawks added two more runs in the fourth. The first came on an error, and single by Jordan Opaleski, who went 4x4, a wild pitch which sent the runners to second and third, and a run scoring

Then the sage Warhawks coach, Tim O'Driscoll, who has been around for over 30 years, called for a squeeze play, and Opaleski dashed home safely from third.

The 3-run fifth was highlighted by Jim Landwehr's RBI double and an RBI single by Opaleski.

Donath brought in sophomore John Holt to finish up the inning. He faced just four batters in the sixth but gave up two runs in the seventh. Junk was called on at that point, and after giving up a single, he got Paun to hit into a 4 to 6 to 3 double play.

'We were hoping to use all three pitchers (Jon Roskopf, Parrent and Holt) three in three different games," Donath said, but it didn't work out that way, and the outcome of this game doesn't tarnish what the Indians did this season.

"It was a great season, something the kids will never forget," Donath said. "If someone would have told me in the beginning of the year we were going to win conference and go to state, you'd take that every

This was Kewaskum's fourth appearance in state. In their last appearance in 1989, the Indians won their opener and then were eliminated in the semifinals.

The Eastern Wisconsin Conference's other representative, Plymouth, was knocked out in the first round by eventual champion, Milwaukee Marquette. The score in that game

Fall sports start dates announced

BY JUDY HARLOW Statesman Correspondent

Athletes who have procrastinated all summer about getting into shape for fall sports still have a couple weeks before the practices get underway at Kewaskum High School.

According to KHS Athletic Director Jason Piittmann, girls golf will be the first sport to begin practices. New head coach Amy Piwoni will hold her first practice on Monday, Aug. 7th at Hon-E-Kor Country Club.

Prospective football players are to report on Monday, Aug. 7th to pick up their equipment. Piittmann has set specfic times for the four classes to get their gear, starting with the seniors at 8 a.m. Juniors are to report at 8:45 a.m., followed by the sophomores at 9:30 and the freshmen at 10:15 a.m.

Unofficially, football practice begins the following morning.

The girls tennis team, under coach Dan Ross, also has an early start date, Tuesday, Aug. 8th. Ross asks all tennis players to come to the KHS courts for the first practice at 8 a.m. that morning. The practice will last until 10:30 a.m.

Boys soccer, cross country and volleyball open their camps on Monday, Aug. 14th. The cross country runners should be in running clothes for a meeting/ practice at 8 a.m. They are to meet in the school's cafeteria, while the soccer players are to meet at the soccer field at 3:30

Those planning on playing volleyball or becoming cheerleaders should check for starting times at registration.

All students are reminded to have their alternate year physical cards, fees and athletic code papers signed and on file before the opening date of practice for their sport.

Donath beams about his all-state, all-district players

Dan Shea

Ross Stockhausen

BY JUDY HARLOW Statesman Correspondent

Insert another feather in the cap of the Kewaskum High baseball team.

Make that four feathers because a quartet of the statequalifying Indian powerhouse were selected to the all-state or all-district teams named recently by the Wisconsin Baseball Coaches Association (WBCA).

The first team honoree was Indian batting leader, Dan Shea, a fixture at third base the past two seasons and still has another to go.

Senior first baseman Ross Stockhausen was selected for the all-state second unit, and joining them on the all-district team were senior pitcher Jon Roskopf, who ended with a 10-1 mark and Jon Olla, who could hit for power, was a demon on the base paths and had an outstanding year as the team's center fielder.

"He had a great season, played a great third base and hit the ball well," KHS coach Dave Donath said about Shea. "He's deserving of all-state."

Shea pounded seven home runs this season, and none was more exciting than the grand slam off Campbellsport's Nick Whitty (a second team all-state pick) in the sectional semifi-

Shea batted an impressive .473 with 39 RBI, a dozen doubles and two triples.

Stockhausen came out of the sectionals with 51 RBIs, five home runs to go with nine doubles and two triples. His defensive skills were just as impressive as his offensive numbers. In the team's 31 games, he committed very few errors.

Another impressive stat for Stockhausen in his 96 tripes to the plate, he only struck out six

"Both of those guys played very good defense also," Donath said, reporting Stockhausen had just four errors and, "I think Dan had six on the year.'

And Olla's all-around talents were obvious to anyone who got to see the Indians play this summer. Olla hit at a .455 clip, with nine doubles, three triples and three homers. He also stole an impressive 22 out of 23 bases.

Olla was the team leader and spark plug. "With just his attitude, he can jump-start a team," Donath said. "It's not what he says but what he does."

Olla's speed helped him turn what looked to be sure hits sure outs in center field. "His speed can help him make up a lot of ground," Donath said.

Roskopf was the ace of the pitching squad, giving up 37 runs, including 28 earned for a 2.94 ERA (earned run average). he struck out 43 and walked 25 and amazingly had just two wild pitches.

"I can't say enough about his record," Donath said. "He threw strikes" and while his strikeout total wasn't overly impressive, what was is the fact "His ball moved just enough to get them (batters) popping up, grounding out or stuff like that.

Unofficially this is the most players Kewaskum has had honored for all-district and all-state. Shea might even be Kewaskum's first representative on the first team. "I don't know of any other," Donath said.

Campbellsport's Cameron Salter and Whitty also received attention in the balloting. Whitty was second team all-state, while Salter, who smacked 42 home runs in his career, made second team all-district.
