## Candy Tree expansion receives initial approval

By Andrew Kuehl  
Statesman Publisher

**KEWASKUM-** The Kewaskum Plan Commission heard ambitious plans for the expansion of a downtown business and development of a commercial planned unit development (PUD) in the village's Tax Incremental Finance (TIF) District at their meeting Tuesday evening. Commissioners with a sweet tooth quickly sent plans on to the village board with a favorable recommendation for approval.

Christine Jung owner of The Candy Tree, 230 Main Street, addressed the commission during a public hearing with plans to add a four-foot addition to connect her business to a residential structure directly east of her current business. She indicated after the two structures were combined, she would use the second story of the building she is connected to as an upper apartment. The lower would be an expansion of her sales floor.

Zoning Administrator Chad Cook explained from a zoning perspective, both structures are zoned B-3 (downtown business district) and he thought it fell in line with the plans for the downtown district.

Village Administrator Matt Heiser, added that four letters of support from neighboring businesses were received for the project.

Commissioner Gina Raether, asked about parking and if Jung had room behind the buildings to accommodate additional parking. Jung explained there would only be room for about six to eight cars in the rear of her structures. Gary Gavin, who was in the audience, stated that he would work with Jung and proposed constructing a horseshoe type alley in the rear of his two buildings, to the east of Jung's buildings, between a driveway to the west of Jung's current structure and his building that connects to an alley running parallel to 250 Main Street.

The Plan Commission sent the plans on for approval by the village board with a favorable recommendation.

Gavin presented plans for a commercial planned unit development (PUD) to be located in the village's TIF district. He explained he would construct seven 60' x 90' buildings on four acres. The project also encompasses using five acres of retention ponds in the district. The first building is expected to have a drive through that could accommodate a

### TIF District development also proposed

banking tenant.

The 5,400 square foot building would be built as a shell, leaving the inside open so that tenants could construct to suit their needs and use as much space as they need. The structure could accommodate one tenant or up to six.

Traffic will enter the district off Trading Post Lane. Hillcrest Drive could also be used as an access point if the plan commission deemed it necessary.

Gavin stated he had interest for the first building and two additional retail tenants. Construction is planned to start in spring and Gavin will keep building units as tenants are added.

Gavin indicated he is working on plans for the remaining 16 acres. He suspected he would have plans in about two months.

Raether stated she had a concern with seeing vacancies. "I like the idea, my only concern is everybody wants to build a strip mall and then you have vacancies, being on a major highway, I don't want to see for lease signs."

Gavin explained that his other commercial buildings in the village

are full at this point, "I will be aggressive in filling these buildings. Believe me, I don't want to put up a building unless I have a tenant."

Randy Weber of DACO, located in the TIF District, stated that he wanted to see something that would compliment his manufacturing facility.

"I agree with you 100 percent," Gavin stated. He indicated that if someone came to him and wanted to build a manufacturing facility he would be happy to scrap the commercial project plan and build that instead. However, those tenants are few far between.

Weber went on to say he could appreciate the difficulty in securing a light industrial tenant. "I hope the board and Gary look at what is realistic in that area, not like what we saw with United Construction. I think all of us here have to agree that was a dream that was never really going to take place, but became a cost to the village." With proper vision and planning he would be supportive. "I think if Gary does something decent like he's talking, we'd be favorable with that."

Greg Chmielewski, owner of the now defunct United Construction Group, was in attendance. "United Construction went out of business because of this project. We put almost \$2 million into trying to develop this project." He stated that The Statesman negatively reported that a two-acre residential property owned by himself on Hillcrest Drive was in foreclosure. "My lawyers are telling me to take the property out of foreclosure and it will be developed in Spring."

Heiser stated that it was important to note that this is a private development plan being financed by Gavin, not the village.

Cook explained that this was the first step in the whole process of a construction of a PUD. Gavin's next step will be to apply for a conditional use permit and provide more detailed site plans.

## West Bend man escapes serious injury in crash

A passerby assisted the victim of a one-vehicle rollover crash that happened on Highway 28 outside the Village of Kewaskum on Saturday, September 20. The victim, a West Bend man, received non-life threatening injuries. The cause of the crash is believed to be speed and alcohol use by the driver. Additional details can be found on page 5 of this edition.

## Grand Larsony Car Show grows

The Grand Larsony Tavern held their annual car show in the village downtown parking lot on Sunday, September 21. The show continued its growth spurt spilling on to Railroad Street, First Street and the parking lots of Prairie Gardens Realty and Engelhardt and Sons. Shown below, left to right are members of the Kettle Moraine Klassic Kar Klub, Dean Schmidt, Roger Strack and Herman Berndt presenting a \$250 donation to organizer Richard "Kissy" Kissinger of the Grand Larsony. More information will follow in an upcoming edition.

## Crossing guard schedule is revised for village students

After several weeks the Kewaskum Police Department has made some adjustments to the village's crossing guard schedules to accommodate walking students:

The times for all guards are listed below:

**Fond du Lac Avenue at Main Street and Fond du Lac Avenue at North Avenue, Monday, Tuesday, Thursday and Friday morning:** 6:55 a.m. to 7:25 a.m. and 8:25 a.m. to 8:55 a.m. **Afternoon:** 2:45 p.m. to 3:15 p.m. and 3:50 p.m. to 4:10 p.m. **Wednesday Morning:** 6:55 a.m. to 7:25 a.m. and 8:25 a.m. to 8:55 a.m. **Afternoon:** 12:45 p.m. to 1:20 p.m. and 1:50 p.m. to 2:10 p.m.

**Fond du Lac Avenue at Hwy H, Monday, Tuesday, Thursday and Friday morning:** 6:50 a.m. to 7:10 a.m. and 8:15 a.m. to 8:40 a.m.

**Afternoon:** 3:00 p.m. to 3:20 p.m. 4:00 p.m. to 4:20 p.m. **Wednesday morning:** 6:50 a.m. to 7:10 a.m. and 8:15 a.m. to 8:40 a.m. **Afternoon:** 1:10 p.m. to 1:25 p.m. and 2 p.m. to 2:25 p.m.

"We ask that parents send their children to school during the times listed and

to encourage their children to cross in the areas where our guards are stationed to help make the trip safe. We also ask that people driving during these times use extreme caution in the crossing areas," stated Chief of Police Dick Knoebel.

## POLICE REPORTS

### Man booked on multiple charges

On August 20, 2008, a Kewaskum officer observed a vehicle going over the yellow line upon making a turn and then readjusting by a sharp turn right to get back in his own lane of traffic. The officer decided to follow the vehicle to observe the driver's actions. The driver crossed the centerline numerous times, therefore initiating a stop by the officer, who activated his emergency lights.

The vehicle pulled over and when the driver opened up his window, the officer could smell the odor of intoxicants coming from the vehicle. The driver produced his Wisconsin photo identification and the officer asked him how much he had to drink. The driver stated six to eight beers. The officer asked if the driver would be willing to do some field sobriety tests and he stated he would. Upon completion of the tests, the Kewaskum officer was joined by a Washington County deputy who arrived on the scene. The subject was advised that he was under arrest for operating while intoxicated. The man was handcuffed and searched.

The officer found a small plastic baggy containing a green leafy substance, believed to be marijuana in the man's pocket and upon searching the vehicle he also found a brown and silver pipe, still warm to the touch, covered by a shirt. Another pipe was found in the glove box. Both were taken into custody and later placed into evidence. The subject was is-

sued a citation for operating while under the influence prior to going to the hospital for a legal blood draw.

At the hospital, after filling out the paperwork, a licensed medical technician drew the blood using a Wisconsin State Laboratory of Hygiene Blood Sample Collection Kit. The sample was drawn in the presence of the officer and remained in his physical custody until he later deposited it into the mailbox at the Kewaskum Post Office. After the blood draw the subject was read his Miranda rights and answered questions from the officer. The subject's parents arrived at the hospital to pick him up and he was advised by the officer he would receive two more citations for possession of marijuana and drug paraphernalia.

\*\*\*\*\*

### Woman cited for possession of drug paraphernalia; has two active warrants

On August 30, 2008, a Kewaskum officer, as he was westbound on Hwy. H, did a record check on an eastbound vehicle. The record came back and there were two active warrants for the arrest of the subject. The officer did a search for the vehicle and located it parked on Washington Court with one female occupant in the driver seat. The officer pulled up behind the vehicle and activated the emergency lights.

The officer walked up to the car to speak with the subject inside who was identified by her Wisconsin driver license and he advised her that the reason he was speaking with her was because of the warrants out for her arrest. She stated she was unaware of the warrants. The officer advised her he would confirm the warrants and proceeded to have Washington County Dispatch do a record check on the registered owner. They confirmed the two active warrants so the officer went back to the vehicle and advised the driver the warrants were active. The subject was advised to step out of the vehicle where she was handcuffed and then placed in the back seat of the squad car. She was asked if there was anything illegal in the vehicle and she stated she didn't think so.

Upon searching the vehicle, he found in the glove box, one multi-color glass pipe commonly used to smoke marijuana with residue in the pipe. It was taken into possession by the officer who asked the subject if the pipe belonged to her. She stated she didn't know the pipe was in the car and thought it belonged to a friend of hers. The officer advised her since the vehicle was registered to her and she was in possession of the vehicle, she would be cited for possession of drug paraphernalia. The subject was then transported to the Washington County Jail where she was incarcerated on the warrants.

*Police reports are compiled and written by Statesman staff members Lana Kuehl and Ross Kuehl with the cooperation of the Kewaskum Police Department. If you have information on any of these incidents please contact the department at (262) 626-2323.*

## Coordinated Surgical Care... Every Step of the Way

When you need surgery, turn to the surgical resources of Aurora Health Care in Washington County. With over 25 years of experience, the team of Dr. Bryan Jewett, Dr. Lee Ann Lau and Dr. William Owens provide traditional, as well as laparoscopic surgery. Laparoscopic surgical options offer patients quicker recoveries, less pain and the ability to get back to their life sooner. Some minor office procedures are available when appropriate.

### The surgical team features:

- Three board-certified general surgeons
- Four nurses to provide education and support
- Breast care coordinator, Gloria Wannow, RN for guidance, support and assistance throughout a breast cancer diagnosis
- Two receptionists for prompt scheduling and response to your calls

### General surgeries performed (not limited to):

## I spent my last week of summer vacation remodeling a cabin!

Megan Ogi of the Town of Wayne, works on the Extreme Cabin Makeover project at Camp Vista in the Town of Osceola.

**TOWN OF OSCEOLA** Put twenty incredible teenagers together with a cozy little camp in the Kettle Moraine and for the second year in a row the outcome is extraordinary. It was a project dubbed "Extreme Cabin Makeover" that motivated the Pursuit Youth Ministries from Grace Christian Church in Fond du Lac to converge on Camp Vista.

Adult church members gathered at the camp to volunteer for the week of work along

side the teenagers. It was a job that kept them very busy but allowed them time to be kids at camp as well.

Why would teenagers sacrifice their last week of summer vacation, take off of work, and bow out of important sports practices to "bust their buns" (as it says on the week's schedule)? Kewaskum's Rachel Ogi came to camp to get to know other youth. "Besides, my sister Megan told me it was awesome," Rachel said. Keith Scannell said he was looking

forward to being with other followers of Christ to help him get ready spiritually for the upcoming school year. He added, "We don't just say what we believe, we do what we believe," referring to the service project for the camp.

The project itself consisted of a total renovation of an existing cabin. They created eight semi-private bedrooms with wood grained floors, indestructible bunk beds and all new electric to accommodate today's youth. The cabin now

A view of the completed cabin.

Submitted photos

houses 32 people. They have totally transformed an "old style" cabin into a summer camp heavenly home.

A scripture now hangs in the cabin to remind all campers, "Let no one despise your youth, but be an example to the believers in word, in conduct, in love, in spirit, in faith, in purity 1 Timothy 4:12".

Doing a service project like this is nothing new for this group of teenagers. Last year they spent the week redoing the camp's fire pit, ring and seating area. They also built bird and bat houses, benches and painted a sign.

The Pursuit Youth mission statement is "A Caring,

friendly atmosphere assisting youth/young adults to focus on living a life of righteousness with God and display a servant's heart before family, friends and community." Projects like these are great ways to reach out and show the love of Christ in our community. If you are interested in finding out how your teenager can get involved with Pursuit, call the church office at 920-923-5292 and ask for Chris or Cindy. The youth group meets at 7:00 p.m. on Wednesdays at Grace Christian Church in Fond du Lac.

## WB man injured in rollover crash; Fire Department's Jaws of Life fails

By Andrew Kuehl  
Statesman Publisher  
andrew@kewaskumstatesman

**TOWN OF KEWASKUM** A West Bend man received non-life threatening injuries in a one-vehicle rollover accident Saturday. The more serious factor of the crash was the fact that Kewaskum Fire Department's Jaws of Life unit was inoperable when rescue workers went to extricate the victim from his truck.

The Washington County Sheriff's Department was notified of the crash on Highway 28, east of N. Mill Road on Saturday, September 20 at 10:05 p.m. Kewaskum Police immediately responded and were joined by Sheriff's Deputies, Kewaskum Fire Department and EMS.

Witnesses at the scene assisted Kewaskum Police Officer Tom Bishop, who discovered the victim was pinned in his pick-up truck. Flight for Life Helicopter was requested however; they were unable to respond so West Bend EMS Intercept was dispatched to the

scene. Kewaskum firefighters realized their Jaws of Life extrication equipment was not working and after 45 minutes of attempting extrication by other means, Boltonville Fire Department was dispatched to the scene.

Sgt. Ryan Herman of The Washington County Sheriff's Department stated Mark T. Rusch, of West Bend, was the driver of the vehicle. He was traveling westbound on Highway 28 and failed to negotiate a curve in the roadway.

Rusch's vehicle entered both the north and south ditches before sliding sideways across the roadway striking a tree in the north ditch. The vehicle came to rest on the driver's side, with Rusch trapped in the driver's seat.

The operator was transported to St. Joseph's Hospital for non-life threatening injuries. "Speed and alcohol appear to be factors in the accident," stated Sgt. Herman.

Highway 28 was closed to thru traffic for approximately one and a half hours. Wisconsin

DNR assisted with the road closure.

In a later interview, Fire Chief Mark Groeschel, explained the equipment failure and stated, "The Jaws unit was purchased in 1991. We have never had a problem with the unit except for Saturday night when we experienced low hydraulic pressure that could have been caused by a number of things. We are in the process of diagnosing the problem. If the problem cannot be resolved in-house, an outside vendor will be called in to troubleshoot the problem."

In the interim, Kewaskum Fire Department will rely on mutual aid from Boltonville, Allenton, West Bend and Campbellsport if extrication equipment is needed.

You may also register any time at the Municipal Building  
Monday-Friday from 7:30 a.m. to 4:30 p.m.  
or on Election Day.

## Customers become owners at Morning Glory Coffeehouse

*Farmington residents excited about coffee venture*

Mark and Tina Thull of Farmington sit in the outdoor dining section of their West Bend coffeehouse, Morning Glory Coffee and Conversations. The two recently bought the popular coffeehouse on Main Street and operate it as a family.

Statesman photo: Andrew Kuehl

**By Patrick Neumuth**  
Statesman Staff  
patrick@kewaskumstatesman

**WEST BEND-** Tina and Mark Thull of the Town of Farmington were frequent customers at Morning Glory Coffee and Conversations in West Bend. One day as Tina went to get her morning coffee she noticed the owner wanted to sell and retire.

"My daughters worked in restaurants for quite a while and another daughter-in-law is a culinary artist with pastries and wanted to do a business like this," Tina Thull said. "We just thought it was a perfect fit, so we purchased it."

Past customers won't be confused with the new venue because the name and menu have stayed the same.

"We are keeping all of the same pastries that she was known for including her baked oatmeal recipe that The Milwaukee Journal Sentinel was trying to get," Thull said.

Under Thull's management, she has added new items to the menu. They are adding daily pasta specials, salads and more pastries to the menu. They do box lunches for businesses as well.

It's the coffee that makes a

good coffee house and Morning Glory Coffee is one of the only places that roasts their own coffee beans. To her knowledge, a coffee house in Cedarburg is the only other in the area.

"We do that so it is fresh weekly," Thull said. "We get the beans from Columbia and Tanzania. They come in to us and we roast them. It's quite a process."

Morning Glory Coffee has four kinds of coffee that are her popular drinks: peaberry, morning glory, Italian and decaf. They also serve espresso.

"Morning Glory roast is like a medium blend of the Italian roast, which is really dark and the peaberry, which has a lighter coffee aroma and taste," Thull said. "It's kind of in the middle. It's our most

popular."

Thull said her coffee shop is unique with a cozy environment over the chain coffee shops. Morning Glory has a seating capacity of 35 people. They do offer seating for larger parties, like a baby or bridal shower. The outside of the coffee shop has a garden and a gazebo in the back. The interior design will change with the seasons.

Morning Glory Coffee and Conversations has always had a loyal base of customers, but always welcomes new faces. The coffeehouse is located off South Main Street in West Bend. They can be reached at 262-335-8012. They are open Tuesday through Friday 6:30 a.m. to 3:00 p.m.; Saturday 6:30 a.m. to 2:00 p.m. and Sunday 8 a.m. to 1 p.m.

## Geidel awarded for excellence in operations

Geidel's Piggly Wiggly owner Mike Geidel is shown center with his award for excellence in operations. Left, Greg Hanks, Piggly Wiggly District Manager and right, Brandon Scholz, president/CEO WGA.

Submitted photo

The Wisconsin Grocers Association Inc. (WGA) have recognized Mike Geidel, owner of Geidel's Piggly Wiggly in Kewaskum for his outstanding contribution to the grocery industry in Wisconsin with the Excellence in Operations award.

This is the fifth year the WGA has presented the Excellence in Operations award. "The award is intended to recognize store owners, managers and store directors in the grocery industry," said Brandon Scholz, President of the Wisconsin Grocers Association.

As the owner and operator of the only full-service grocery store in Kewaskum, The Gei-

del/Marx family has been selling groceries in Kewaskum in one form or another since 1876, their community roots run deep through his store aisles.

Geidel is also active in the community, giving back to his customers. He serves as the Chairman of the Kewaskum Christmas Parade and is a board member on the Kewaskum Chamber and plans the golf outing for that organization.

The formal award will be presented at the Chairman's Banquet during the WGA Innovation Expo on October 1st at the Monona Terrace Convention Center.

## Brauns hold reunion

The descendents of Alphonse and Cathrine Braun of St. Michaels held a family reunion on August 9, 2008 at Kiwanis Park in Kewaskum. Over 160 family members attended. Shown above, front row, left to right, are a few family members who are coincidentally sporting the new "Ryan Braun Look," Mike Braun, West Bend; Jack Spaeth, Belgium; Jake Braun, Waupaca; Ken Braun, Fond du Lac; Joe Weiser, New Holstein and back row, Kyle Wilde, West Bend; Lloyd and Katherine Spaeth, Kewaskum; Marian Clark, West Bend; Carol Darmody, Jackson; Kathleen Peters, St. Michaels and Tom Braun, Waupaca. Family members came from North Carolina, Texas, Washington, Iowa and Wisconsin. Unfortunately, Ryan Braun (#8, star left fielder for the Milwaukee Brewers) is really not a member of this Braun family, but if he was, he probably would have attended. Submitted photo

## Local Legionnaires welcome back wounded soldier

On July 29, a call went out for Legionnaires to gather at The Dane County airport in Madison on July 30, at 1:30 p.m. to welcome home a wounded soldier. Clayton Stautz, Dennis Bingen, and Fred Boehlke of the local Robert G. Romaine Post 384 of the American Legion responded and were on hand with the post colors to welcome Marine Sgt. Jason Constantine. Approximately 120 people greeted him by enthusiastically singing the Marine's Hymn. It was a moving experience for Sgt. Constantine and everyone there. Submitted photo

Annual golf outing held at Auburn Bluffs

## Lions Club Steak Fry Sept. 25

Tim Landstrom, Chuck Hartley, Wayne Therfelder, and Lion Chuck Kleinke were the foursome with the best overall score.

Just when it looked like there wasn't a prayer that the rain would cease; the clouds parted and the Kewaskum Lions Club were able to hit the course at Auburn Bluffs on Monday, June 9th. Despite all the rain that flooded so much of the area in the week prior, the golf course was in very good condition and ready to host the Lions Club and 54 golfers. Prior to tee off, a put-

ting competition was won by Bill Geidel. The tournament was a scramble format with hole prizes on every hole ranging from longest putt to shortest drive. The foursome with the best overall score in the tournament was the team of Lion Chuck Kleinke, Wayne Therfelder, Chuck Hartley, and Tim Landstrom.

The Kewaskum Lions would like to thank all that

were able to participate in the outing, and would especially like to thank the local businesses who sponsored this event: Sunburst Ski Hill, Kewaskum Auto Recyclers, Just Add Pig, Mike's Country Meats, The Fifth Quarter, Woody's Steakhouse, Grand Larson, Johnson Bus, Kewaskum Mobil, Thiemer's Sip 'n Snip, Smith & Hatch Insurance, Bonne Bell Motel, Miller Funeral Home, Herriges Oil, The Forest House, Kohn's Citgo, Piggly Wiggly, Amerahn Kleinke Inc., Modern Woodmen, and Auburn Bluffs. Without the support of these sponsors and others in the community who attend this and other fundraising events, The Kewaskum Lions would not be able to help those who need it.

The Kewaskum Lions invite everyone to attend their annual Steak Fry. This event will be held on Thursday night September 25, at the Amerahn. For tickets contact any Kewaskum Lions Member or call the Amerahn (626-4031). Someone will be leaving this event with a 19" LCD HDTV.

## Win \$2,000 from The Booster Club

The Kewaskum High School Booster Club is sponsoring a "Big Money" ticket raffle with proceeds to be used to assist in funding the new Fitness Center. First prize for this benefit is \$2,000 with numerous cash prizes for the top 20 lucky ticket holders.

Tickets are \$10 each with a limit of 1000 tickets. Prizes will be announced at the Home Coming Game on Friday, October 10.

The Kewaskum High School Booster Club is instrumental in supporting all clubs and extra curricular activities at the high school level. Though the majority of the funds are made through the football

concession stand, the Booster Club sponsors the 3-on-3 Basketball Tournament in spring and a golf tournament in summer.

The largest donation the Booster Club has made was the recent \$25,000 for the Fitness Center. This donation was made because the club members felt that the Fitness Center will have an impact on the entire community.

The Booster Club is looking for the community's continued support by asking that they purchase a ticket for this raffle. Tickets are available at Herriges Oil, The Statesman and at the concession stand at all upcoming football games.

# Why wait?

**1 in 8 women will develop breast cancer, 95% of them will survive it.**

This remarkable statistic is due to early detection. As a woman under 40, it is important to know how your breasts normally feel and to make your physician aware of any changes. The best way to do this is through breast self-examination.

During the month of October, Breast Cancer Awareness Month, Aurora Health Care is offering free one-on-one 15 minute appointments to teach women how to perform a breast self-examination. Appointments are available at the Aurora Health Center in West Bend and at the Aurora Medical Center of Washington County in Hartford.

To schedule your appointment, call 262-670-4219.

Remember, early detection is the key.

#### BREAST SELF-EXAMINATION TIPS

- Learn how to do a thorough self-examination
- Familiarize yourself with how your breasts look and feel
- Perform a self-exam once a month
- Do your exam at the same time each month
- Keep a journal
- Report any changes to your doctor right away
- Have a breast exam performed by your physician once a year

## Dettmann to be honored

Local volunteer, Norbert Dettmann of Boltonville, will soon be recognized for his countless hours of service to the community. On October 4, local Modern Woodmen of America members will honor him as a hometown hero.

Dettmann will be recognized for his many years of service through Modern Woodmen's Hometown Heroes Program. As part of this program, members of the West Bend Modern

Woodmen camp will present Dettmann with a certificate and a \$100 award grant, to be presented to the charitable organization of choice.

Modern Woodmen and the Farmington Historical Society are sponsoring the event, which will be held on October 4, 2008 at 1 p.m. at the New Horizons Church, 6993 Hwy. 144, Kewaskum (near Boltonville). The event is open to the public. For questions, please

contact Lisa Lickel at 262-692-2135.

Founded in 1883 as a fraternal benefit society, Modern Woodmen of America offers financial services and fraternal member benefits to individuals and families throughout the United States. The organization's West Bend camp provides a number of volunteer services and social activities for local members.

## Lighthouse Concert Oct. 3

Lighthouse Ministries, Inc., a nondenominational ministry, which has been putting on concerts for the past 21 years, invites the public to a free Christian concert with a coffeehouse atmosphere on Friday, October 3, from 7 - 10 p.m.

The guests for the evening will be the Jim Mahalick Band and Janine Mahalick. They will bring country gospel, and southern gospel to the stage.

Jim toured for five years with the Hoskins Family and has performed at Dollywood, Silver Dollar City, Gaither Homecoming Tour, The Fire-side at Fort Atkinson, twice at the Dove Awards and sev-

eral TV shows. With six Dove Award nominations, numerous number one hits and a 2005 Male Vocalist of the Year nomination, Jim says it was a dream come true. You can see Jim's latest video on YouTube, "Can You See Me Alright."

Also, Janine Mahalick, who travels with Jim, will add an alto voice to the concert's roster and an excitement to witness God's power that makes a difference in people's lives through song. This is top-notch entertainment/encouragement.

Admission is free and there will be door prizes. Refreshments will be available.

Lighthouse meets at Silver-

brook School, 120 N. Silverbrook Drive, West Bend. Enter and park in rear of school.

For information, call 262-338-0205 or visit [www.lighthouseconcerts.com](http://www.lighthouseconcerts.com).

## New mulch makes for safer playground

Students at FES have enjoyed the switch from wood to rubber mulch under the playground equipment as it has much more bounce to it when they are playing.

**By Amber Donath**  
Statesman Correspondent

The Kewaskum School District (KSD) is dedicated to helping area students learn and thrive in a safe educational surrounding. This involves all aspects of schools including playgrounds.

Many schools use wood mulch on their playgrounds to protect children from falls. KSD is not an exception, and each year they spend countless hours raking mulch off grassy areas back into the designated safety areas as well as countless dollars replacing it every year as it compacts and decays.

While wood mulch is safer than solid ground under playground equipment it is not the best at protecting children from injury. On average, more than 200,000 children are injured on playgrounds each year in America... virtually one every 2.5 minutes.

Luckily KSD schools do not have nearly this high

an average, however, some area students have suffered bumps, bruises, scrapes, impalements and broken bones.

Wood mulch does not do a very good job of protecting children when they fall. When a fall occurs on wood mulch students suffer at the very least a bump, bruise or scrape. The protection rate of wood mulch is one foot for every inch of mulch. For example, six inches of mulch will protect a child from serious injury in a six foot fall.

Based on these statistics several communities and schools are now switching to rubber products on their playgrounds. KSD is also making the switch.

Over the summer, Farmington Elementary School (FES) had all decayed wood mulch removed and replaced with rubber mulch thanks to an FES PTO donation that helped make the transition happen all at once instead of gradually for the school playground.

Why rubber mulch? According to the latest scientific laboratory testing, it gives twice the cushioning effect if a child should fall. Six inches of shredded rubber protects children in a 12 foot fall.

Rubber mulch does not compact nor decompose over time along with remaining in place when it is windy, thus saving KSD time and money. It does not attract bugs, rodents, insects or animals that may look for the chance to make nests around the playground equipment. As winter approaches, the rubber mulch will not absorb water and therefore will not freeze, providing less chance for children to slip on ice.

"Hopefully, by switching to rubber mulch, our students will be safer, we will save maintenance time and money each year, and the FES staff will be tending less to injuries and more to students learning," said FES principal Janet Molebash.

### SCHOOL LUNCH Menus

#### Week of September 29

##### Kewaskum School District

**Monday** - Salad bar with ham, tomatoes, assorted dressings, fresh veggies, cottage cheese & pear slices. \*Chicken patty/bun. (E) PB&J Un crustable.

**Tuesday** - Popcorn chicken, mashed potatoes & gravy, green beans & pineapple. \*Mexican salad bar. (E) PB&J Un crustable.

**Wednesday** - Cheeseburger/bun, tater tots, peaches, peas, blueberry muffin. \*Cheesy garlic bread. (E) PB&J Un crustable.

## Practice underway for KHS performers

The cast of "Once Upon a Mattress" began rehearsing for the show last week at Kewaskum High School.

Auditions, tryouts and call backs have been completed. Parts have been selected and assigned. Rehearsals have been scheduled and are being held. Students have been measured for costumes and they are being readied by a fine group of seamstresses. Scenery is being built, soon to be ready for paint, dancers have been selected and the students are settling down learning their parts, songs and dance steps.

Just imagine, all of the above is taking place just in the month of September and with the month of October

upon us, much more will be happening at KHS.

The show, is based on the novel, "THE PRINCESS AND THE PEA", which is about a kingdom in the past, looking for a Princess to wed Prince Dauntless, because no one may marry until Dauntless weds. Of course the Queen does not want her boy to marry, so she devises many difficult tests that each Princess must pass.

This upcoming production promises to be an excellent time of enjoyment for you and your whole family.

The performances will be

offered on Friday, November 7, Saturday, November 9, and Sunday, November 10, 2008. A special performance for area Senior Citizens is scheduled for Wednesday, November 5 at 2:00 p.m.

Please mark your calendars, set some time aside for the actors and musicians of KHS, and watch for more information on the continuing search for a Princess to marry Prince Dauntless. All performances will be held in the Kewaskum Theatre.

### Teacher of the Week

**Peggy Nelson**

Farmington Elementary School

Third Grade

**Favorite hobbies/sports:** I love tennis and biking and watching my children in all their sporting activities; particularly hockey.

**Family info:** Husband - Steve; two daughters - Ali (19) and Anna (12) and a son - Alex (17).

**Why did you choose to teach in Kewaskum?** Kewaskum is a nice small community and the people in Farmington are super!

**What do you enjoy about teaching?** I enjoy working with all the boys and girls and watching them grow - socially and educationally.

**What makes being in your classroom unique?** We are learning about the circle of courage in our classroom. Everyone is respectful of each other.

**Your favorite school memory when you were a student.** My favorite school memory came in high school, when I got to be on the homecoming court. That was really fun.

## Grade nine Individual Planning Conferences

The Grade 9 Individual Planning Conferences are now being scheduled for October and the first week of November at Kewaskum High School. These conferences are unlike traditional parent/teacher conferences. The focus is on each student's personal and social growth, and their educational and career development. Emphasis is placed on a review of overall academic performance, talents, abilities, interests, career interest inventory results, academic test results, and future goals.

Individual Planning Conferences are specifically designed conferences for parents to gain insight into their child's development, and for students to gain insight into the direction they are headed in the future. The task is to determine how teachers can help them create and achieve

broadly based goals for their future.

Parents are key members of the conference team. Conferencing gives parents and students the opportunity to discuss talents, interests, academic performance and future goals in a positive atmosphere and to continue to develop a post secondary plan. Individual Planning Conferences are not intended for discussions of student discipline issues.

The Grade 9 Individual Planning Conference lasts approximately 30 to 45-minutes. A conference letter and schedule has been mailed to Grade 9 parents/guardians.

Call Mr. Dunn (A-K) or Mr. Rockhill (L-Z), Kewaskum High School Counselors, at 262 626 8427 ext 4140 with any questions.

# OBITUARIES

## HILARY M. SCHRAUTH

Hilary M. Schrauth, 71, of Campbellsport went to his heavenly home on Sunday, Sept. 21, 2008 at his home with his family gathered around him.

He was born in the Town of Ashford on Nov. 12, 1936, the son of Alphonse and Stella Weis Schrauth.

On April 30, 1960 he married Joann Wettstein at Our Lady of Angels Catholic Church in Armstrong. They farmed together in the Town of Ashford until 1996. Hilary then worked at Cadens Kennels & Hunt Club and at Wild Wings Sportsman Club.

He was a member of St. Matthew's Catholic Church in Campbellsport and he liked to go up north deer hunting.

Hilary enjoyed being with people, especially the time he spent with family and friends, most of all his grandchildren and great grandchildren.

Survivors include his wife, Joann; his children, Patrick (Lynn) of Fond du Lac, Michael (Kim) of Campbellsport, Diane (Jason) Barnes of Clearwater, FL, Don (Julie) of Campbellsport, Ed (Angel) of Lomira and Denise (Joe) Fryman of Fond du Lac; 18 grandchildren; two great granddaughters; his sisters, Armella (Art) Zahn of Campbellsport and Madonna (Carl) Jensen of Pelican Lake; his mother-in-law, Hazel Wettstein of Fond du Lac; his brothers-in-law and sisters-in-law, Bill and Pat Wettstein of Eden, Jim and Lori Wettstein of Oregon, George and Joan Wettstein of Eden and Marian and Gene Venturini of Campbellsport; other relatives and friends.

He was preceded in death by his parents; his sister and brother-in-law, Anna Mae and Richard Grede; his brother, Gregor and his father-in-law, Ray Wettstein.

A Memorial Mass of Christian Burial was held Wednesday, September 24 at 10:30 a.m. at St. Matthew's Catho-

lic Church, Campbellsport. Rev. Neil Zinthefer officiated. Visitation was Tuesday, Sept. 23 from 4:00 to 8:00 p.m. at the Twohig Funeral Home, Campbellsport and on Wednesday from 9:30 a.m. until time of Mass at the church.

Memorials may be directed to the local charity of your choice.

*Sometimes angels fly close enough to you that you can hear the flutter of their wings...*

Twohig Funeral Home, Campbellsport, is serving the family.

## MARGARET T. MOSER

Margaret T. Moser, 97, of West Bend went to her heavenly home on Tuesday, Sept. 16, 2008 at the Cedar Lake Home, West Bend.

She was born on Dec. 30, 1910 in Lomira, the daughter of the late Mathias and Julia Braun Rohlinger.

Marge attended St. Martin's Catholic School in Ashford.

On June 24, 1939 she married Joseph D. Moser at St. Matthew's Catholic Church in Campbellsport.

Marge worked at Amity Products in West Bend for 39 1/2 years until retiring. She was a member of Holy Angels Catholic Church in West Bend and Marge made rosaries, quilts, Stations of the Cross and other items for the missions in Nicaragua.

Survivors include her husband Joseph; her brother-in-law, Mike Crowley of New Jersey; many nieces and nephews; other relatives and friends.

She was preceded in death by six sisters and two brothers.

A Mass of Christian Burial was held on Friday, Sept. 19, 2008 at 6:30 p.m. at St. Matthew's Catholic Church,

Campbellsport. Rev. Rick Wendell officiated with cremation following and inurnment in the parish cemetery at a later date.

Visitation was Friday from 3:00 p.m. until time of Mass at the church.

Twohig Funeral Home Campbellsport served the family.

## ROLAND J. DOMBROWSKI

Roland J. Dombrowski, 52, died unexpectedly on Sunday, Sept. 14, 2008.

He was the loving father of Morgan and Nicholas.

Roland was preceded in death by his parents, Francis and Mary; and brother, Richard.

He was the cherished brother of Rosemary (Larry) Potter, Robert (Judi) Doren, Rita (Joseph) Petrie, Ruth McCann, Roseanne (Dave) Sullivan, Ramona (Anders) Meyer and Renne (Craig) Priem. Also survived by nieces; nephews; other family and friends.

Interment with military honors for Roland was at 11 a.m. Friday, September 19 at Washington County Memorial Park, West Bend.

Following the interment a memorial visitation took place at the Prasser-Klecza Funeral Home-South Suburban Chapel from 4 to 7 p.m., with funeral services at 7 p.m.

Roland proudly served his country in the U.S. Marine Corps and was a retiree of the U.S. Post office.

Prasser-Klecza South Suburban Chapel, Milwaukee served the family.

## THANK YOU

Thank you St. Jude, Blessed Mother, and Mother of Perpetual Help for favors granted. M.L.

## IN MEMORY

In memory of **BEVERLY SCHMIDT**, who passed away two years ago, September 28, 2006:

It's hard to believe  
You're gone another year.  
It's two years since you left,  
And God called you home.  
Now you are resting in His  
place  
Without any more suffering.  
It seems like only yesterday,  
We could hear your voice,  
Laughing and crying together,  
Sharing your time with us.

You were always here for us,  
When we needed you.  
It's been a long two years  
Not having you around.  
We've learned life is too short,  
And we had to learn the  
Hard way, without you.  
You're always on our minds  
And in our hearts.  
Your memories will always be  
with us.  
You'll never be forgotten,  
because you were our best  
friend, our companion, our  
love and a beloved wife.

*Sadly missed by her  
husband, children and  
grandchildren*

## Stuffing and Chops Skillet

Prep Time: 5 min  
Total Time: 20 min  
Makes: 6 servings

6 boneless pork chops, 1/2 inch thick (1-1/2 lb.)  
1 medium onion, sliced  
1 Tbsp. oil  
2 medium apples, thinly sliced  
1-1/2 cups water  
1 pkg. (6 oz.) STOVE TOP Stuffing Mix for Pork

COOK chops and onions in hot oil in large skillet 4 min. on each side or until chops are cooked through. Transfer to plate; cover to keep warm.  
ADD apples and water to skillet. Bring to boil.  
STIR in stuffing mix. Top with the chops and onions; cover. Remove from heat; let stand 5 min.

## The Bookworm Sez

by Terri Schlichenmeyer

### Dewey: The Small-Town Library Cat Who Touched the World

By Vicki Myron with Bret Witter

Grand Central Publishing \$19.99 277 pages

If you're reading this column, it's pretty safe to assume you like books.

And if you like books, it would stand to reason that you have a good relationship with your library.

At your library, you can get all sorts of things: the newest best-seller. A dictionary. Books that will tell you how to remodel your home, feed a giraffe, or diaper a baby. You might even find music, movies, and equipment on which to play them.

And at some libraries, you can get a quick snuggle.

In the new book "Dewey: The Small-Town Library Cat Who Touched the World" by Vicki Myron with Bret Witter, you'll read about a cat who adopted a town, or the other way around.

On a freezing January morning, Vicki Myron and one of her co-workers discovered an interloper in the Spencer, Iowa, Library drop-box: a tiny, half-frozen 8-week-old kitten with frostbitten paws. Thinking he was gray, they pulled the kitten from the metal box and warmed him in water, where they discovered his rich orange color and his steady personality. The kitten had no reason to trust, but he did.

As the library's director, Myron petitioned the board to allow the kitten, named Dewey, to live at the library. After a few nervous patrons with allergies were reassured, Dewey found himself a home.

He was a town secret at first but, as library visitors got to know Dewey, the cat quickly made friends. He was a regular during story hour, and always chose a different

child to sit with during the read-aloud. Dewey attended all meetings in the library's meeting room. He seemed to have some sort of time-clock and, at 9am sharp, went to the library's front door to greet earlybird readers.

And since Spencer fell in love with Dewey, it was inevitable that the rest of the world would soon find out about the wonderful, beautiful cat who seemed to understand all conversation and who was a natural in front of the camera. Soon, national media began to swarm to Iowa in search of Dewey. Fans arrived by car and bus. A movie company from Japan came to film the feline.

But pet owners, as Myron is quick to say, always know that the price for loving an animal is to outlive it. And Dewey had health issues...

Part candid memoir, part fierce love story to small-town living, and part biography to a beloved cat, "Dewey" is a book that any pet owner will cherish. From the first pages (which will hurt animal lovers to the quick) to the last two chapters (a three-hanky read, to be sure), authors Vicki Myron and Bret Witter weave their tale with the same gentleness that Dewey used as he wove around patron's ankles.

Do I need to say this? I loved it all.

If you were mad for "Marley," put that book away. "Dewey" is the Marley of this year, and the perfect book for anybody who adores animals. Set aside some time to paws with this meowrvelous book soon.

# DAYS GONE BY

## 25 Years Ago

August 26, 1983

"Follow the Trail" is the theme for the GFWC Kewaskum Junior Woman's Club "Art in the Park" Festival scheduled for Sunday, September 11, from noon to 4 pm. A ribbon cutting ceremony for the Grand Opening of the Junior Women's Nature Trail is planned for 12 noon.

The Kewaskum Lions Club tenth annual Chicken Bar-B-Que and Kettle 20 running race on Sunday was another fine success. Around 1,000 dinners were served which was about equal to last year. A total of 160 runners from throughout Wisconsin and several from Illinois competed in the races.

The Kiwanis Club of Kewaskum has announced that its 31st Annual Turkey Shoot will be held on September 18. This popular event will be held at the Bar-N Dude Ranch, six miles northeast of Kewaskum on County Trunk GGG.

School doesn't start until next Wednesday, but the Kewaskum Indians will open a nine game (one more than last

year) 1983 football schedule with a nonconference game at Horicon Friday evening, August 26. Mike Fifrick will start his fifth year as head coach of the Indians with 13 returning letterwinners, including his entire offensive backfield. Returning lettermen include Brad Bartelt, guard; Jim Braun, back; Dennis Butz, end; Brad Dieringer, back; Mark Follmann, back; Rich Gaspardo, back; Chris Harlow, back; Rick Heberer, back; Doug Miller, center; Dave Pesch, tackle; Steve Seitz, guard; Jeff Squier, end and John Swanson, tackle. John Mertzig, possibly the quickest player, is another "pocket back." Another end candidate is Tom Herriges, who is a dedicated offensive player with good hands who may also play defensive back. Another junior, Gary Butzlaff, should help bolster the lines.

Daughters were born to Dean and Laurie Schmidt, Kewaskum, on August 16; to Allen and Barbara Heberer, Kewaskum, on August 20, and to Paul and Roxanne Konrath, Allenton, on August 19. A son was born to Timothy and Karen Miller, Kewaskum, on August 19.

September 2, 1983

At a welcoming breakfast for all teaching, administrative and support staff personnel, the Kewaskum School District publicly recognized two of its teachers for their 25 years of service. Recognized at breakfast to mark the beginning of the new 1983-84 school year were Howard Zemlicka and Ed Slegler. Assistant High School Principal Roy Esser noted that many steps forward in Kewaskum's education program could be attributed to these men.

The Kewaskum Area Chamber of Commerce elected new officers at their meeting on August 26. They are as follows: President-elect -- Fred Miller of Miller's Furniture; Vice President -- Earl Kleinke of Amerahn; Secretary/Treasurer -- Nancy Malvick of Minz Supply. After the elections the following committees were formed: Membership Committee - Orv Behnke; Community Development - Norm Walz; Tourism - Nancy Malvick, and Retail - Jack Jadro.

The Kewaskum Jaycees will be running a Football Fundamentals Competition on September 17 at 9 am on the practice football field on the west side of Kewaskum High School. Football Fundamentals is the same program that the Ford Motor Company

ran, known as Punt, Pass and Kick. State competition will be held in connection with the Packer/Vikings game with state winners to be present on the sidelines during the game. Winners will be introduced and awarded their trophies at the game.

A son, Luke Anthony, was adopted on March 28, 1983, by Mike and Debbie Reindl, Kewaskum, on August 26. Maternal grandparents are Mr. and Mrs. Donald Cardarelle, West Bend, and paternal grandparents are Mr. and Mrs. Gilbert Reindl, Kewaskum. A son, Joshua Bradley, was born to Mr. and Mrs. Bradley Segerstrom, Campbellsport, August 18.

A daughter, Kelli Jo, was born to Jeff and Bonnie Dorn, Kewaskum, on August 18. Paternal grandparents are Mr. and Mrs. Fred Dorn, Kewaskum, and maternal grandparents are Mr. and Mrs. Gene Petersen, Campbellsport. Great-grandparents are Mr. and Mrs. Alfred Petersen, Campbellsport. A daughter, Beth Kimberly, was born to Gary and Dawn Hanson, Plymouth, August 24. Dawn is the daughter of Harry and Rita Justman, Kewaskum.

## On Wisconsin *Outdoors*

With the Dick Ellis Experts

**A Jungle Out There...High grouse numbers, heavy foliage define early hunt**

A quick look back to make sure his hunting partners are with him and 12 year old Gunner is ready to resume the chase for grouse September 20 in northern Wisconsin. Bird numbers are up."

Maybe you can't teach an old dog new tricks, but playing a very old game with a 12-year old yellow lab took on special considerations in northern Wisconsin September 19 and 20th. With Gunner disregarding his geriatric status to tenaciously work the aspen and pines for ruffed grouse in temperatures soaring toward 80 degrees, regular water and rest stops were a must. Extremely heavy foliage meant extremely difficult shooting. But increasing grouse numbers on the bird's 10-year population cycle made every effort worth it.

According to pre-season reports issued by the Department of Natural Resources (DNR), statewide the ruffed grouse population increased about seven percent between 2007 and 2008. Each year since 1964, state biologists, foresters, wardens and members of the Ruffed Grouse Society have driven survey routes, stopping to listen at predetermined locations for the unmistakable sound of the bird's drumming, the report states. The drumming sound is made by the male grouse rapidly beating its wings on a hollow log with the intention of attracting a female bird. The drumming counts and observational data on breeding success are used to estimate grouse population

changes and season outlooks.

"The northern and south-east regions showed the greatest increase in drumming activity over last year, with 12 percent and 33 percent increases, respectively," said Scott Hull, DNR Upland Game Biologist. "The central region showed a slight decrease of three percent and the southwest region showed a decline of 20 percent fewer drums than in 2007."

For reasons not fully understood, said Hull, grouse populations fluctuate on a roughly eight to 10 year population cycle. Wisconsin's population has been on the upswing for about the past three or four seasons. More birds mean more hunters in the field, with about 101,000 hunters reporting spending 806,000 days in the field hunting grouse, with roughly 482,000 grouse harvested in 2007. During the last population peak in 1999, hunters took about 768,000 birds.

Hunters spending time in the field each year know what to expect in their own back yards. John Ellis and I, hunting terrain near our cabin in Vilas County, expected the increase based on the local population of grouse that gave us more shooting opportunities each year over the past several years. Gunner, who was just three and in his prime during the last peak, continues to be

our key to success. Extremely hot September weather last weekend and Gunner's age made us heed the advice of my friend and hunting dog expert Kevin Michalowski, author of "15 Minutes to a Great Gun Dog".

Heat stroke in your dog, with symptoms that include staggering, vomiting, diarrhea, seizures and confusion, according to Michalowski, can be avoided by training or in this case hunting earlier or later in the day, and making sure ample water is available. In particular because Gunner's enthusiasm doesn't allow him to stop working in the field without the command to do so, we packed a jug of water, detoured to known potholes and creeks, made Gunner stop for rest often, and hunted only a maximum of two hours each of two days.

That was plenty of time to verify that Gunner, owned by my sister and brother-in-law and Blue's life long hunting partner, still has a great nose, grouse numbers are indeed on the upswing and I am still a rotten shot. Now to be honest, shooting was very difficult with almost all leaves remaining on the trees during these September 19 and 20 hunts. After not pulling the trigger at all despite five flushes Friday, we took seven snap shots through the foliage after split-second, close encounters with

a blur of bird. I claim four of those misses, and one empty game bag. John, clearly however, stunk too.

Most of our flushing success came from mature pine stands on the edge of swamps. We also flushed some birds in immature aspen stands after purposely seeking out wrist-sized trees left in the wake of recent logging operations. Three woodcock also flushed in the aspen. Although the season on that migrating bird began September 20 and the woodcock presented better shooting with their flushing, vertical flight pattern, we didn't yet have the necessary waterfowl stamps and refrained from shooting.

For your information in planning your own trip north, leaves are rapidly changing colors with maples and aspen leading the charge toward full Colorama. I would estimate that by September 21 color change was almost at 25 percent in Vilas County and literally changing on a daily basis. Consider a trip north this week or at the latest the following to experience fabulous color.

When the leaves tumble, hunters, the birds will be waiting for you and the dog. Unlike pheasants, although a good dog makes the hunt so much better, grouse can be hunted without a canine partner. Go for it.

Dates for the 2008 ruffed grouse hunting season are: Zone A, September 13 through January 31, 2009 and Zone B, October 18 through December 8. Find additional information on the ruffed grouse page of the DNR website at [dnr.wi.gov](http://dnr.wi.gov). "15 Minutes to a Great Gun Dog" is available through Krause Publications at \$12.95.

### NOTICE

On September 22, 2008, a resolution was offered, adopted and approved by the Village of Kewaskum, Washington County, Wisconsin (the "Municipality"), whereby the Municipality authorized and directed the issuance and sale of up to \$6,792,545 Waterworks System and Sewerage System Revenue Bonds, Series 2008. The closing on these Bonds will be held on October 8, 2008. A copy of all proceedings had to date with respect to the authorization and sale of said Bonds is on file and may be examined in the office of the Village Clerk.

This Notice is given pursuant to Section 893.77, Wisconsin Statutes, which provides that an action or proceeding to contest the validity of such municipal financing, for other than constitutional reasons, must be commenced within thirty (30) days after the date of publication of the Notice.

The Kewaskum High School soccer team played

Statesman photo: Andrew Kuehl

in matches against two EWC opponents. First, the Indians traveled to Campbellsport last week Thursday to lose in overtime 1-0, then Tuesday they were up against the reigning

EWC champs and lost 4-0.

"They are hurt. This is as well as they can play," head coach Dennis Gutbrod said after the close loss to Campbellsport.

Kewaskum dominated the ball control for the first time all season. Even with all of the ball control, the Indians could only put two shots on goal.

Gutbrod said he changed up the lineup and it worked. He put Nicholas Gutbrod in the middle behind the midfielders, but in front of the back line.

"When he's up front he's not getting the ball," Dennis Gutbrod said referring to Nicholas. "He gets the ball, he's got the field in front of him and we can play off of him. And it worked, especially in the first half."

Having Nicholas Gutbrod up front meant a new face would be in goal, with the usual backup goalie Dillon Thelen out with an injury. Caleb Olla was given the nod to play goalie and he had success, even though it was his second time ever in goal. The previous time was last year.

Olla kept the team in it with many diving saves to keep it knotted at zero.

"I have always kind of had a fast reaction time," Olla said

about being able to have success in goal. "I've practiced in goal, just when guys are shooting on me. I like the action. I like diving a lot."

Olla said he prefers to be in the field because there is more action. However, he said he will play at the position where the team needs him. Olla has been the most physical field player for the team this year.

The Indians' best chance to score came late in the second half. Nicholas Gutbrod and Nate Wendelborn played a nice give and go with each other and Wendelborn's shot was just wide of the goal.

At the end of regulation the score was knotted at zero. Four minutes into overtime Campbellsport won it on a cross to a wide open Cougar on his foot into the goal.

Dennis Gutbrod knew competing against Plymouth would be tough. The team set a realistic goal to not give up five or more goals and the team achieved that.

"We worked on some things we were trying to work on and keep them out of the goal. They could have scored more goals if they wanted to," Gutbrod said.

One of the things they tried working on was moving the ball side to side. The Indi-

ans did not get as much time to work on these things because Plymouth dominated the ball. Every time the Indians got the ball, they cleared it. Plymouth played the majority of the game on the Indians side.

The Indians got visual lessons on how a team can move the ball side to side.

"I keep talking to the guys on the bench. They need to watch what's going on out there because that's the way to play soccer," Gutbrod said.

The Indians kept Plymouth out of the goal for 25 minutes, but if you blinked during the 25th minute, you would have missed two goals. Plymouth scored their second goal 18 seconds after their first goal. Plymouth put in two more in the second half.

The Indians take the field today at Kiel at 4:30 p.m.

The Indians played in the East Troy Cup Tournament last weekend. They lost to Jefferson 3-2. Will Morrison scored assisted by Nate Wendelborn and Caleb Olla scored assisted by Scott Prim. Then they lost to Union Grove 6-1. Wendelborn scored the lone Indian goal. They beat Lake Mills in an overtime shootout. The teams both made four out of five kicks. Nick Wendelborn scored as the second extra kicker and the Lake Mills kicker missed high for the Indians victory. Nicholas Gutbrod made two saves in the PKs. The game was tied 0-0 at the end of regulation.

## Tennis team wins home dual

By Pat Neumuth  
Statesman Sports Editor  
patrick@kewaskumstatesman.com

The Kewaskum tennis team squared off against Kewaunee High School Tuesday afternoon and beat them 5-2.

"Tennis is a super aerobic sport. When it's a dual meet you just have your one match. You really fight for everything," head coach Matt Fehlhaber said.

Both No. 1 doubles and singles came away with the victory.

No. 1 singles player Nellie Baum had to come back twice to win in straight sets 7-5, 6-4 over Kelli Gasparker. Baum was down 2-5 in the first set, only to come back and win the next five games. Baum broke Gasparker three times to win.

"I just stopped making dumb mistakes," said Baum. "I was hitting into the net a lot and hitting it out. I just calmed myself down and came back to be more consistent."

Gasparker is a south-paw and Fehlhaber said the ball spins out of your "wheel

house" when facing a lefty. Baum said this was her second time in four years playing a lefty.

The second set again Baum went down. This time she was down 1-4 and again she came back to win the next five games.

The No. 1 doubles team of Anna Gitter and Kelsey Goetsch handled their opponents Morgan McMahon and Alicia Siebold 6-1, 6-3. Gitter and Goetsch played down to their competition, but played strong enough for the win.

Fehlhaber said that it is tough not playing down to the opponents level. He told Gitter and Goetsch to get a lead going and work on some things.

The girls lost the first game of the match before going on to win the next six in the first set. Both players were playing well at the net. They mixed it up nicely between the cross-court and sideline winners.

"We've been really working on pace," Fehlhaber said. "The last couple of matches

The Indians' Cassie Prom, left, serves in a doubles match with Lauren Smith, right in Tuesday's match against Kewaunee held at home. The ladies defeated their opponents

Statesman photo: Andrew Kuehl

this week aren't all that strong of teams. I wanted to have some preparation for sectionals coming up. It seems like it's paid off."

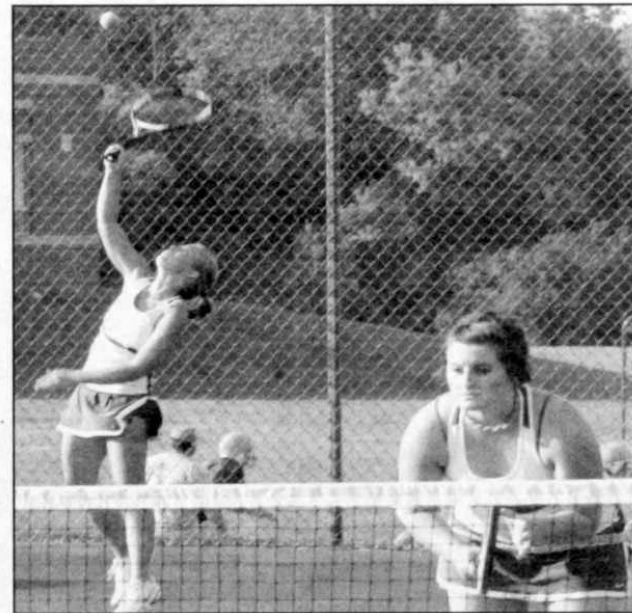

The girls travel today to Kiel to play in a conference dual match starting at 4 p.m.

### Scores

**Singles**  
No. 1 - Nellie Baum (KE) def. Kelli Gasparker (KM), 7-5, 6-4; No. 2 - Shelby Johnson (KM) def. Amanda Osswald (KE), 6-3, 6-1; No. 3 - Lauren Butt (KM) def. Andrea Sevey, 7-5, 6-0; No. 4 - Arnie Chaloupka (KE) def. Stephanie Yahr, 7-6, 6-2.

### Doubles

No. 1 - Kelsey Goetsch/Anna Gitter (KE) def. Morgan McMahon/Alicia Siebold (KM), 6-1, 6-3; No. 2 - Liz Staeg/Crystal Lepp (KE) def. Shawn Rutajczak/Kenzie Lambert (KM), 6-0, 6-0; No. 3 - Cassie Prom/Lauren Smith (KE) def. Anna Peterson/Eliza Oberg (KM), 6-2, 6-1.

## Yet another shut out

By Pat Neumuth  
Statesman Sports Editor  
patrick@kewaskumstatesman.com

The Indians blank another team. Last week's victim was Waupun, as the Indians win convincingly 28-0.

"We have to bring intensity every week of practice and there was no difference this week," senior linebacker and captain Joe Paulus said. "Shut outs are awesome, I'm so happy right now. Just the way the whole team played. It was a complete team game."

"Man, that's nice when you're on offense and your getting shut outs and starting on the 50, you can't ask for anything better than that," senior quarterback Nick Olla added.

The Kewaskum defense allowed the Warriors into Indians territory once and that was Waupun's opening drive of the second half. They were able to get to the Indians 45 yard line. Defensive end Matt Buker put Waupun back on their side when he came untouched to sack Warriors quarterback Austin Armga for a five-yard loss. Waupun was forced to punt the ball after that play.

Armga met both Kewaskum defensive ends Buker and Josh Harbin up close and personal on many occasions. Buker had three sacks and Harbin got two. Both accounted for a couple of tackles for a loss and hurries, as well.

"I am, well, impressed with especially Harbin and Buker," Paulus said about his defensive ends. "Harbin's probably been one of the hardest workers on the team and actually Matt [Buker] did

Matt Buker

not play football last year, so he's a big surprise the way he plays for taking a year off."

Waupun got into the end zone, however, the play was called back, as a flag was thrown early on in the 65-yard play. The call was an illegal formation. The defensive backs saw the flag and stopped as the play resumed. Waupun was penalized farther because of an unsportsmanlike conduct penalty in the end zone. The penalties brought the Warriors back 20 yards to their own 15 yard line.

Head coach Jason Piittmann said this was the team's best game of the year because the offense, defense and special teams all did exceptional.

Punter Brain Backhaus gave the Indians great field position the entire game. Backhaus had four punts with an average of 46 yards per kick. He had a 59- and 64-yard boot that helped the average.

Olla brought out the big plays twice this game. The first came as a setup to the first score. The Indians started on a short field because the defense forced the Warriors to punt from their 10 yard line.

Olla's play action faked it on first down and threw the ball to a wide open Zach Amerling down the sideline. Amerling made a couple of cuts before being tackled at the two. Fullback Nathan Westerman ran it in from the two for the touchdown.

He struck again late in the third quarter. He kept the ball on an option play and took it 40 yards for the touchdown.

"Saw the cut back and I kept cutting back and I ended up on the left. Don't ask me how it happened, it just did," said Olla of the touchdown run.

For the day, Olla had 115 rushing yards on 10 carries

with three touchdowns and was 2-for-7 for 44 yards through the air.

Westerman got more carries this week than weeks past. He carried the ball seven times for 38 yards and a touchdown. Olla said the middle was open because of the Warriors 3-5 defense. Westerman averaged 5.43 yards per carry and the longes

Nathan Westerman

was 13 yards.

Waupun's future Wisconsin Badger, Jordan Kohout, was not much of a factor on either side of the ball. Kohout is a going to play defensive line for the Badgers, but plays left tackle for the Warriors.

"We tried to figure out the rhyme or reason to where he was going to play and then we tried calling away from him, but you can't totally shy away completely," said Piittmann. "For one guy to control the game is going to be awfully tough."

Kohout was double teamed a lot and Olla said he audibled to the other side a couple of times.

The Indians went into half-time with a comfortable 21-0 lead. Olla scored his second of three touchdowns with 49 seconds left in the half from nine yards out.

"I'm pleased with how we played tonight. Things are starting to come together," Piittmann said. "The key is now we can not get complacent and keep improving every week."

The JV and Freshman teams both won against Waupun. The JV won 14-8 and Freshman won 18-14.

## Plenty of offensive fireworks

By Judy Harlow  
Statesman Correspondent  
jharlow@kewaskumstatesman

Three of the four Gridiron football teams continued their winning ways Saturday at Fredonia, but the eighth graders fell for the first time this year to the young Ozaukee Warrior squad, 38-6.

"Another great day," coach Mark Walcheske said about the 36-7 romp by his fifth graders (3-0).

The young Indians started off the scoring with a 27-yard TD pass from Michael Prochnow to Josh Baker. Prochnow ran for the PAT.

After an exchange of possessions, Brandon Thull electrified the crowd with a 65-yard punt return, but Fredonia came back with a TD before half, making the score 13-7.

After hearing a pep talk at intermission, it was all Kewaskum in the second half, scoring on a 17-yard run by Devyn Zillmer, a Gavin Schreiber run and a 74-yard sweep by Baker.

On the final two touchdowns, Ben Watzig kicked the extra points.

"This is the first time we've ever had a fifth grader kick an extra point," Walcheske said. "We were really excited about him making two in a row."

Kewaskum's seventh graders (3-0), winners by a 37-20 margin, starting with a bang as Joey Seitz scored on the first play.

"The first play, he took it 50 yards," coach Randy Schlice said, reporting Seitz scored three times on offense and once via an interception.

Schlice said Brett Boegel and Casey Steinman had the other two TDs, while Austin Resch caught a pass from Alex Johnson for a 1-point PAT. (In Gridiron football, one point is

given for a run or pass completion on the PAT try, while two are awarded for successful kicks.)

Schlice said Brian Wilson had a good defensive game, with two fumble recoveries.

"Overall, we had a real good game, but we should have beaten them by a whole lot more," the coach said.

For the second straight game, the sixth graders (3-0) spread around the scoring, with Zach Smith scoring twice, and Dylan Thull adding two TDs, "both on nice long runs," according to coach Joe Backhaus, who reported his team won 33-19.

The young Indians also scored on a pass play, with Collin McCarthy taking a short pass from Billy Lehmann and turning it into a 60-yard TD. Hunter Demmon added a couple extra point runs.

Backhaus declined to single out any defenders, saying "They all worked well as a unit."

The game got away from the eighth grade Indians near the end of the first half when they tried to convert a fourth down play at their own 38-yard line and failed.

Ozaukee scored three plays later, then picked off a Corey Burdick pass, returned it 57 yards, setting up another TD with 1:37 remaining, putting the score at 31-0 at half.

Behind some hard running by Ted Wollner, the Indians put together a nice scoring drive on their first series of the third quarter. Derek Aupperle scored from the three, but Ozaukee came right back with a 65-yard run for a TD.

"We just couldn't get anything going (offensively)," assistant coach Rollie Maul said. "We had a poor day of execution, but they'll get better."

## Pat's Preview: Two Rivers

By Pat Neumuth  
Statesman Sports Editor  
patrick@kewaskumstatesman.com

The Indians are finally back home since their week one victory over West Bend East. This time it is Two Rivers and they need to make the 71-mile trek to Kewaskum to play.

"That 90-minute bus trip also could be a factor when you play Two Rivers either way," head coach Jason Piittmann said. "They plan on getting here at 5:30 p.m. It's just the matter of the mindset the kids are going to have getting off the bus."

"I hope we sent a message with our first couple conference wins that we are going to be a contender, so hopefully that might play in their mindset as well."

Piittmann said in Two Rivers' first two conference games against Kiel and Sheboygan Falls, they looked like two different teams. Two Rivers lost at home to the Falcons 21-0, but

was in the entire game at Kiel in a losing effort, 16-7.

"They are improved from last year," said Piittmann. "It's hard to tell. I've seen them against Sheboygan Falls where they didn't do much and I saw them against Kiel when they played a good game and was in the game until the fourth quarter. They played better on the road than at home."

Two Rivers played almost mistake-free ball against Kiel. Piittmann said they didn't turn the ball over and had few penalties at Kiel. During the Sheboygan Falls game, they played inconsistent and turned the ball over.

Two Rivers quarterback Kraig Shillcox is whom they run their offense through.

"He runs the ball well out of passing situations. He throws the ball pretty well," Piittmann said of Shillcox. "They like to get him out in space. You can see them run boot legs or

waggles like we saw against Campbellsport and Waupun."

Piittmann said his defensive ends must contain Shillcox in the pocket and the defensive backs must not commit to the run until Shillcox passes the line of scrimmage.

Two Rivers head coach Brent Luebke is in his second year with the Purple Raiders. Piittmann said Luebke and his team are making improvements expected by a second year coach. One thing Two Rivers

lacks is size.

Look for Kewaskum's offense to stay balanced. Piittmann said he wants to throw the ball when he wants to and not let the game dictate their play calling. He said the passing game has improved. The receivers were running good routes against Waupun. They just need to haul in the catch.

"We need to always revise it, things here and there a little bit," Piittman said about his offense. "We've seen some things

on film that we might be able to take advantage of."

Two Rivers will line up their defense in a 5-3 and a 5-2 monster looks. Piittmann thinks it will be easier for his offensive linemen because they do not have to work in space.

Kickoff is at 7 p.m. at home tomorrow.

# Third game proves different

By Pat Neumuth  
Statesman Sports Editor  
patrick@kewaskumstatesman.com

With the match tied, Sheboygan Falls came back to win the third game to gain momentum over the Kewaskum volleyball team for the match.

"I sat down after the second game and said you know what, Sheboygan Falls we lose the first one and come back with the next three. Well, that didn't happen this year," head coach Renee Altendorf said after the 25-17, 17-25, 26-24, 25-12 loss.

It was the third game that made the difference in this one. After the Indians won game two, game three started with the Sheboygan Falls parents against the Indians student section in a clapping and stomping match.

"They usually don't cheer at all, so we were kind of happy," junior Elissa Miller said of the crowd. "We said we have to keep them in it for us to win. It kind of kept Sheboygan Falls down."

The Indians jumped out to a quick 2-0 lead in the game. They got their lead up to 8-4, until Falls' head coach Deb Hasler called a time out. The Falcons inched their way back into the game.

Falls tied the game at 11. It seemed like the Indians were going to pull away, but Falls came back to tie the game again at 20.

"We would get a big run and lose a couple points. Then, we would a big run and lose and couple points," Altendorf said of the third game.

The Indians were one

point away from taking the third game at 24-21. Senior Brandi Wagner had the first chance to end it, but her kill shot went deep. Next play, a Falls kill, was too tough for junior Haley Rauch to dig. The Falcons tied it at 24 with a Sydney Albrecht ace. Altendorf called a time out to talk with the team.

After the time out, Monica Dehler had a block attempt, but the ball still landed on the Indians side of the net. Altendorf called the team's final time out of the game. Falls' setter Stephannie Hasler finished off the Falcons five-point run with a tip shot for the point.

"I was telling them to get that ball back, we wanted that win," Altendorf said during the timeouts. "When it got down to the last two points, we couldn't pass. The girls were just down on themselves."

After suffering the close loss, the Indians did not have enough to force a fifth game. The Indians got down early and could not recover. The lead kept on getting bigger the deeper the game went.

The Indians started out the match lethargic. Altendorf said the team made Falls look good in the first game. She said that her team always comes out like they do not know what to expect from them, even though they recently played in the Hartford Tournament on Sept. 6.

The Indians led the entire second game after losing the first point. Falls was able to tie the game a couple of times. Kewaskum ended the game with a 10-2 run when

Erica Heberer (8) sets up Alyssa Miller (10) at the net for a kill in the second game against Sheboygan Falls. The Indians won that game 25-17. Miller had seven kills for the match.

Statesman photo: Andrew Kuehl | andrew@kewaskumstatesman.com

the teams were tied at 15.

Miller's net presence showed in this game. For the match, she had seven kills and 3.5 blocks, both most for the team.

Miller said a lot of her success at the net is because of her experience playing with

setter Erika Heberer through high school and club teams.

Miller is not just a one-dimensional net player. Altendorf has her serve and play defense in the back row during rotations.

"Even when she goes back to serve I'm not so nervous because she gets more balls sometimes than my libero

does because she's all out hustle and knows she gets to sit down for a couple more plays," Altendorf said of Miller.

The Indians are back on the court tonight at home against New Holstein. The match starts at 7:30 p.m.

## Good, but not quite enough

By Judy Harlow  
Statesman Correspondent  
jharlow@kewaskumstatesman.com

The top three players had good outings, but it wasn't enough for the Kewaskum High golf team to make a move up the standings in last week's Wisconsin Little Ten meet hosted by Watertown.

Heather Zuehlke shot an excellent score of 49, while Danielle Donnelly and Kate Winkler weren't far behind with 54 and 56, respectively, as the Indians posted a 223 total.

Hartford ended Oconomowoc's string of four straight WLT matches, coming up with a 197 from its low players. The Cooney's were five shots back at 202 and still retained first place in the standings.

The West Bend combined team had its best outing of the season, carving out a 202 for third.

Taking medalist honors was Hartford's Krista Diapa with a 12-over-par 48. Five

players, including Zuehlke, were tied for second with 49s.

"Heather played very well. She's really starting to step it up a notch," KHS coach Amy Piwoni said, noting Donnelly and Winkler were consistent again, "but my expectations for them are much higher that what they displayed today."

Beth Noennig, normally the Indians' No. 3 or 4 player, was out sick, and that hurt the team. Sierra Warnecke filled in for her and, except for two bad holes, did not do that badly en route to a 68.

Current WLT standings: 1. Oconomowoc, 7 points; 2. Hartford, 11; 3. West Bend, 22; 4. Beaver Dam, 25; 5. Watertown, 28; 6. KHS, 33.

On Saturday, the Indians ran into some real tough competition at the 35th annual Terror Invitational hosted by Appleton West High School.

Playing against the likes of Division 1 powers like Homestead, Nicolet, Kenosha Bradford and Divine Savior/Holy Angels, the Indians came in

15th out of 20 teams with a score of 422.

Tory Bauman led the field, carding a solid 1-under-par 71. Kenosha Bradford captured the team title with an impressive 348. Sharing second place were Appleton Xavier and DSHA at 354

"Our play was consistent from No. 1 to No. 5," Piwoni said. "Beth Noennig was still out sick, which gave Sienna Warnecke a chance to play in her first 18-hole event."

Zuehlke led the way for KHS with her 53-50-103. Zuehlke had a birdie two on the No. 9 hole.

Even with a 12 on one hole, Winkler came in with a 55-50-105, and Piwoni said, "That's the type of play I've been looking from her all season." Danielle Donnelly shot 54-53-107, and Megan Gavin a 57-50-107 with a birdie three at No. 16.

"We needed Gavin to step up in Beth's absence, and she did," Piwoni said.

Public is invited to an
