Beautiful weather is KEYS to success for annual Run/Walk

Judy Harlow
Statesman Correspondent

KEWASKUM- A newcomer and a favorite son (daughter) claimed the top spots in the annual KEYS (Kewaskum Youth Scholarship) Run/Walk Sunday, and those who didn't win went home with the satisfaction of knowing they contributed to one of the scholarships that will go out to Kewaskum High graduates next June or in the future.

"Kyle Moss was the winner. He's a friend of Matt Thull (a former KEYS champion)," race director Jerry Gosa said Monday, reporting Moss, who is from Milwaukee, made a deal with Thull that if he didn't finish the race under 16 minutes (16:00) he would not take the \$200 prize money.

With his winning time for the five kilometers just 45 seconds off the goal, Moss "donated it back to KEYS, which was very nice," Gosa said. "We've never had anybody do that before."

The scholarship fund also fared well with the results at the runner-up spot. "Because Bob Gibson is an NCAA athlete, he cannot take prize money," Gosa said.

Gibson, who is a KHS graduate, finished with a fine time of 17:08. He is currently attending UW-Oshkosh.

When it came to the women participants, Sue Daggett Miller may be getting older, but she is still pretty darn competitive. She took first place with a time of 18:58, which was 40 seconds ahead of the next fastest runner, Rachel Brandt (19:38).

Miller, who currently lives in the West Bend area with her family, is employed by the Kohler Company, and she told Gosa that Kohler wants to help sponsor the KEYS race in 2009.

Gosa couldn't have been happier when he got up Sunday morning to see the sun shining and predictions of pleasant temperatures. "The weather was fantastic," he said, indicating there were an additional 125 "walk-up" participants, bringing the total to 825 runners and walkers.

"That was nice," Gosa went on. "All in all, it went very well."

The new course received some positive comments, according to Gosa, who said not having to cross Highway 45 makes the event safer and easier to manage, plus the group enjoyed running up Wildlife Drive to the Eisenban Trail and finishing up right behind the football field scoreboard.

Especially satisfying to Gosa

was the fact three athletes who are currently participating in fall sports dominated the male 16-18 division. "Nate Wendelborn, Nathan Seitz and Eric Turowski were 1-2-3," he said, noting Seitz and Turowski play football, while Wendelborn is on the KHS soccer team.

Wendelborn's time was 20:08, then came Seitz in 20:16, followed by Turowski, who his the finish line in 23:53.

The top male winners in their respective age groups are as follows: 1 to 7 — Eric Bauer, 25:02; 8 — Ryan Prochnow, 25:03; 9 — Daniel Kreis, 27:07; 10 — Cody Baertschy, 23:13; 11 — Chase Lindgren, 24:03; 12 — Brett Boegel, 24:20; 13 — Nicolas Bier, 22:02; 14 — Erik Hoffmeier, 29:41; 15 — Erich Mosley, 19:47; 16-18 — Wendelborn, 20:08; 19-29 — Gibson, 17:09; 30-39 — Jason Mayer, 17:14; 40-49 — J.C. Paustain, 19:23; 50-59 — John Esselman, 21:49; 60 and up — Ron Brault, 20:21.

The closest race came in the men's 19-29 division where Gibson defeated Mark Albers by 25 seconds, 17:08 to 17:33.

The winners in the women's divisions included: 1-7 — Lily Lindgren, 28:09; 8 — Megan Marx, 49:42; 9 — Hannah Benson, 26:8; 10 — Sammie Wiskirshen, 33:05; 11 — Elizabeth Bohn, 23:37; 12 — Elizabeth Held, 23:35; 13 — Ashlee Stahl, 26:39; 14 — Kelsey Kamberg, 31:07; 15 — Bridgette Wade, 40:37; 16-18 — Samantha Zommers, 25:48; 19-29 — Rachel Brandt, 19:38; 30-39 — Amy Grotenhuis, 19:59; 40-49 — Ann Limburg, 22:13; 50-59 — Sue Funk, 25:18; 60 and up — Mugs McFadden, 31:39.

The closest finish among the women came in the 40 to 49 division where Ann Limberg edged Wanda Erickson by just two seconds, 22:13 to 22:15.

Gosa said the committee working on the run was tentatively planning to meet Wednesday night to go over proceeds raised.

"Last year we made \$24,500. That's the most we've ever taken," Gosa said. "I don't think we will be as successful as last year, but it still will be very successful."

Kyle Moss of Milwaukee crosses the finish line in Sunday's KEYS Run/Walk. Moss was the male champion. Moss donated his prize money of \$200 back to the KEYS organization. Sue Daggett Miller, shown below was the first place female winner. She has been placing in the race since it's beginning.

Serious injury avoided in two vehicle crash

Kewaskum firefighters and rescue workers responded to a two-vehicle crash on Friday, October 10 at 2:07 p.m. Also responding were Washington County Sheriff's Deputies and The Wisconsin State Patrol who assisted with traffic. Captain Steve Gonwa of the Sheriff's Office stated the crash unfolded as Helen Yordi, 77, of West Bend was stopped facing north at a stop sign on Salisbury Road at County Road H in the town of Kewaskum. Amy L. Henderson, 32, of Fredonia was traveling eastbound on County road H. "Yordi pulled out in front of Henderson," Gonwa explained. The Henderson vehicle then hit Yordi's vehicle. Yordi received a citation for failing to yield. Yordi and one passenger in her vehicle were uninjured. Henderson was injured and transported to St. Joseph's Hospital in West Bend by Kewaskum EMS with non-life threatening injuries.

Kewaskum Firefighters to deliver pizzas and smoke detectors

KEWASKUM- Families ordering pizza from J.O.'s Restaurant, between 5:00 and 8:00 p.m. Thursday, Oct. 23 may be surprised when a fire truck from Kewaskum Fire Department arrives with their order.

The firefighters will take part in the program, "Delivering Fire Prevention," sponsored by State Farm. This is a program of the Safe Kids Southeast Wisconsin coalition. Families will be chosen at random to have their pizza delivered by a fire truck. If they have working smoke detectors in their home, one pizza will be free, compliments of the pizza restaurant. All families visited that evening will receive a free smoke detector.

Safe Kids Southeast Wisconsin recommends:

- Installing smoke detectors on every level in your home and in each bedroom.
- Cleaning and checking smoke detectors once per month to ensure they work properly.
- Changing batteries twice a year.
- Replace smoke detectors every 10 years.

Delivering Fire Prevention

It also is important to have a fire escape plan for your family. Take these tips into consideration:

- Draw a floor plan or

map of your house and include all doors and windows.

- Mark two ways out of each room and mark every smoke alarm.
- Pick a family meeting place outside where everyone can meet.
- Practice your plan monthly so each family mem-

ber knows what to do.

J.O.'s can be reached at (262) 626-6781. Please note the Kewaskum Fire Department cannot deliver outside their service area.

KMS students ready to help with your fall lawn cleaning

On Wednesday, October 22, eighth grade students from Kewaskum Middle School will be available to rake leaves for village residents needing assistance with their fall lawn cleaning. Groups of students and their advisement leaders will be taking part in this activity between 9:00 a.m. and noon.

If you are a village resident and would like assistance with your fall raking please call John Breese (626-8427, ext.2121) or Nick Brettingen (626-8427, ext.2013) to schedule an appointment. If it is raining on October 22, they will reschedule this fall lawn cleanup for the following Wednesday, October 29.

WANTED

HOMES THAT NEED ROOFING

Be one of the first homeowners in Kewaskum and the surrounding areas to showcase the look of our **NEW Erie Metal Roofing System**. Call now and it will definitely be worth your while! This is the last roof you will ever need.

Holiday Mailing Season Kicks Off

United States Postal Service announces deadlines for service members' mail going overseas

KEWASKUM - While the first signs of autumn may yet to appear, it's not too early to start thinking about holiday cards, letters and packages destined for servicemembers and their families stationed in faraway lands. According to the Kewaskum Postmaster, the first deadline for the 2008 holiday season is about 30 days away.

Thursday, Nov. 13, is the deadline for sending holiday packages to troops stationed overseas using Parcel Post to all Air/Army Post Office (APO) or Fleet Post Office (FPO) ZIP Codes.

"The U.S. Postal Service is encouraging early deadlines," said Kewaskum Postmaster Monica Lepak, "to ensure packages reach their destination in time for the holidays."

All military mail, regardless of destination, is sent by domestic mail rate. International rates do not apply to military mail delivery.

One way customers can confirm delivery is by using Delivery Confirmation, available for almost all military destinations outside the United States. Delivery Confirmation provides customers with the date, ZIP Code and time the package was delivered. This

information can be accessed online at www.usps.com.

"Mail is one of the greatest morale boosters we can give our soldiers, sailors, Marines, airmen and Coast Guardsmen during the holidays," said Lepak. "When they see packages or letters waiting for them it brings them that much closer to family and the comforts of home."

The U.S. Postal Service also has a Military Care Kit to make it easier for military families and friends to send packages to servicemen and women and their families stationed overseas. Each free kit contains three flat rate boxes, two cube boxes, nine address labels, and 16 customs forms. The kit may be ordered by calling the USPS Expedited Package Supply Center at 1-800-610-8734.

"Another good deal," said Lepak, is the Priority Mail Large Flat-Rate Box introduced earlier this year. It offers a \$2 discount to APO/FPO destinations and ships for \$10.95. Go online, use Click-n-Ship and the price drops to \$10.50.

The U.S. Postal Service has also made celebrating the holidays more

personal by making it as fun and easy as baking holiday cookies.

"With a little creativity, customers can create their own holiday cards and customized postage on First-Class Mail, Priority Mail and Express Mail," the Kewaskum Postmaster added. "It's all available at www.usps.com."

All packages and mail must be addressed to individual service members, as required by U.S. Department of Defense regulations. "We cannot accept any mail addressed to 'Any Service member,'" Lepak added.

The U.S. Postal Service places

APO/FPO mail on special charter flights, commercial airlines and military service aircraft to reach armed services members overseas as quickly as possible.

"Let the U.S. Postal Service do what we do best — pick up and deliver your mail," said Lepak. "Prepare Priority Mail and Express Mail packages and then notify us online at www.usps.com/pickup that they're ready to be picked up. Free package pickup is available from home or office."

The complete list of military mailing deadlines is:

Military Mail Addressed To	Express Mail® Military Service (EMMS) ¹	First Class Mail® Letters/Cards	Priority Mail®	Parcel Airlift Mail (PAL) ²	Space Available Mail (SAM) ³	Parcel Post®
APO/FPO AE ZIPs 090-092	Dec-18	Dec-11	Dec-11	Dec-4	Nov-28	Nov-13
APO/FPO AE ZIP 093	N/A	Dec-4	Dec-4	Dec-1	Nov-21	Nov-13
APO/FPO AE ZIPs 094-098	Dec-18	Dec-11	Dec-11	Dec-4	Nov-28	Nov-13
APO/FPO AA ZIP 340	Dec-18	Dec-11	Dec-11	Dec-4	Nov-28	Nov-13
APO/FPO AP ZIPs 962-966	Dec-18	Dec-11	Dec-11	Dec-4	Nov-28	Nov-13

Have you had yours?

For breast cancer, the key to survival is early detection.

As a woman over 40 the American Cancer Society recommends that you have a mammogram every year. Aurora Health Care offers state-of-the-art digital mammography including our Picture Archival Communications System, which can link your mammogram with specialists locally or around the world.

During your annual check-up it is also recommended you have a professional breast exam performed by your personal physician or gynecologist. Be sure to ask your doctor if you're at a higher risk for breast cancer. If so, discuss which specific types of screening procedures should be performed and how often.

Why wait?

To schedule your digital mammogram appointment, call:
262-670-4000 in Hartford
262-338-1123 in West Bend

www.AuroraHealthCare.org

BREAST CANCER STATISTICS

- 1 in 8 women will develop breast cancer
- Due to early detection, 95% of women survive breast cancer
- Only 62% of women in Wisconsin receive annual mammograms
- Only 51% of women nationally had a mammogram in the past year

Local

Firefighters attempt rescue

Kewaskum firefighters had a large project in front of them when they arrived for a rescue on the Ice Age Trail in the Kettle Moraine State Forest on Saturday, October 11 at 12:11 p.m. Firefighters, EMTs, Forest Rangers and Washington and Fond du Lac County Sheriff's Deputies were all dispatched to East Moraine Drive in the town of Kewaskum for an adult male who was having a heart attack on the trail. Washington County Sheriff's Department Captain Steve Gonwa stated that Andrew F. Kirchmeier, 54, was hiking with another male adult and their boyscout troupe from Pardeeville. The boys got ahead of the adults and were told to keep going and to stop at the next road they came to. Kirchmeier collapsed when he and the other adult stopped. His companion called 911 and gave his approximate location and started CPR. Kewaskum Rescue arrived on scene with an ATV and located Kirchmeier about one mile onto the trail (about .1-.2 of a mile south of the county line). Despite their efforts, rescue personnel found Kirchmeier deceased. Gonwa indicated a natural death, however the County Medical Examiner is investigating the death.

FEMA announces \$97 million in disaster assistance

MADISON- Almost \$97 million in state and federal disaster assistance is being disbursed to individuals and business owners in Wisconsin. Adding in the \$12 million in obligated funds for approved public assistance projects brings the disaster assistance total to \$109 million.

Work continues in the 30 Wisconsin counties eligible for public assistance supplemental Federal Emergency Management Agency grants for losses and operating costs for governmental agencies brought about by the storms and flooding in June and July.

There have been 843 requests for Public Assistance from the 30 counties, with 1,301 separate projects now submitted to FEMA for consideration. Reviews have been completed for 998 of these projects and they have been approved for \$12 million in federal funds.

Public assistance is available for qualified projects in the following categories: debris removal; emergency protective measures; roads and bridges; water control facilities; public buildings and contents; public utilities; parks and recreation. Certain non-profit organizations that provide services specifically for the public may also apply for public assistance.

Even though the registration deadline has passed, FEMA and U.S. Small Business Administration (SBA) continue to process applications, award grants, and approve low-interest loans.

Applicants can call the toll-free Helpline - 1-800-621-3362 or (TTY) 1-800-462-7585 for those with speech or hearing impairments - 24 hours a day until further notice. Residents also can obtain information online, 24 hours a day, at www.fema.gov.

Declaration of Continuing Need for Rental Assistance forms are mailed to all applicants who receive rental assistance. For more information call the FEMA Helpline.

Disaster loan application can be made at SBA's secure website, <https://disasterloan.sba.gov/ela/>. Information and help with the application process are also available by calling the SBA at 1-800-659-2955 or TTY 1-800-877-8339 or by visiting the SBA Web site at www.sba.gov.

Local counties, followed by the total number of applications, and then those eligible and the total amount dispersed.

Dodge: 1,172 applications, 829 eligible and \$1,865,049.63 dispersed.

Fond du Lac: 3,235 applications, 2,152 eligible and

\$5,970,726.77 dispersed.

Ozaukee: 259 applications, 118 eligible and \$311,921.57 dispersed.

Sheboygan: 200 applications, 105 eligible and \$147,889.33 dispersed.

Washington: 301 applications, 176 eligible and \$445,731.83 dispersed.

Opinion

Dear Editor-

I want to talk about a book I recently finished reading, called, "Confessions of an Economic Hitman." I highly recommend anybody that feels they know a lot about politics and intends on voting this November, to read this book.

John Perkins writes his own story about working as an economic hit man (EHM) from the late 60's, 70's, 80's and his life up to 2004.

It started around 1951, just after WWII, during the Cold War. England had been taking oil out of Iran, finally Iran got fed up and decided to kick England out. England asked for help from their ally, the United States. Up until this time, military force was an easy/quick option in some cases to deal with this, but since both the United States and Russia had nuclear weapons, a different approach became necessary.

Along comes CIA man, Kermit Roosevelt, (Teddy's grandson). He devised a plan to win over the people that involved payoffs, bribes and threats. He then enlisted them to organize street riots and demonstrations, which created the impression that Mossadegh (the leader) was both unpopular and inept.

In the end, Mossadegh went down and spent the rest of his life under house arrest. The pro-American Mohammed Rez Shah became the unchallenged dictator. This set the stage for many years to come for a new occupation called EHM's.

Guys like Perkins who worked for an engineering company called MAIN, would go into Third World countries, devise a plan to build infrastructure, such as electrification, water, sewer, roads, bridges, etc., to modernize the country. They would purposefully inflate the economic forecast of how this would benefit their country. The U.S. would offer a loan which would be funneled through the World Bank or the IMF (International Monetary Fund). As time went by, the country would not be able to repay the loan, the U.S. would say, well, we'll have to take your natural resources, oil, minerals or whatever.

Perkins goes into great detail about countries all around the world, Panama: control over the canal; Ecuador: oil; Venezuela: oil; Saudi Arabia: a deal worked out right after the '73 oil embargo called Jecor, Joint Economic Commission in which the sale of oil to the U.S., in turn the Saudis would purchase U.S. securities, which, in turn went to huge multi-national corporations like Bechtel, who by the way, is at an Oak Creek power plant right now, Brown & Root, Halliburton.

So in essence, the sale of oil went to pay contractors to build infrastructure. Here's

the catch. The top leaders of these countries because very wealthy, while the rest of the people actually became much worse off. The land many times was left polluted, deforested, with contaminated drinking water, soil and air.

The book talks about what is really going on with the oil companies. Perkins talks specifically giving names and dates. He talks about Hugo Chavez of Venezuela; Osama bin Laden; 9/11; Iraq and Iran. He talks about people like George Schulz, once a Bechtel president served under Nixon and Reagan; how Caspar Weinberger, a Bechtel vice president, served as Secretary of Defense for Reagan, George H.W. Bush as founder of Zapata Petroleum, served under Nixon, Ford and as President and a CIA director.

He talks about how countries eventually would find a man that had integrity and moral character that would stand up to the U.S. and the multi-nationals and oil companies, refusing to give it up for nothing and how the CIA would send in the jackals and somehow the leaders would die in a plane crash.

Is it any wonder why people around the world hate us? And yet the Republicans expound on their contentions of morals. Now they crank up the fear factor of terrorism. This is a must read book.

Vance Reif
Kewaskum

Dear Editor-

I think it is very exciting that we now have a new fitness center at Kewaskum High School. It is a GREAT thing to have available to the children in the Kewaskum School District, to keep fit and in shape, whether they are in sports or not. Staying healthy and in shape is good for the body and mind.

However, I was surprised, maybe even appalled, that the children would have to pay a \$50 membership fee, as stated in the Kewaskum paper October 2, 2008, if they wanted to use this facility during non-school hours! This fitness center was built INSIDE of our Kewaskum High School, taking away and revamping classrooms; (which is fine for the end result) but which us, community members and parents of these children are paying taxes for. Basically, we the taxpayers do own the building and should be able to use any facility inside of it free of charge (at least the children). We DID NOT charge the children for the old weight room to use, now did we?

There have been plenty of fund-raisers, plus, as the paper reported, a \$50,000 donation from Froedtert and St. Joseph's Hospital. There is also another raffle going on for \$10 a ticket at this time.

I did happen to get some

figures from our district business administrator on the reconstruction and moving of classrooms, it was \$596,000 of which a loan was taken out through the state. The equipment cost in the center was \$137,000, of which 100% has been raised. So if there are still funds being raised our children should DEFINITELY NOT be charged a membership fee! Regardless this facility is located inside of their own school! We should have then saved the money on the center and sent them over to Snap Fitness.

Hopefully, making people aware of this cost, will make someone, or "somebodies" reconsider and give the children in their Kewaskum School District a chance to use this facility, free of charge, during ALL open hours whether they are in sports or not.

*Thank you,
A surprised parent,
community member
and taxpayer,
Chris DeLaurier*

Dear Editor-

We would like to take this opportunity to thank the following people for making the Eighth Annual Grand Larsony Car Show a huge success.

This was our largest show with approximately 320 cars in attendance. We couldn't have done it without the support of the following individuals and businesses:

The Village of Kewaskum, The American Legion, KT Farms, Post Printing, The Sign Shop, Ann, Katie, Tom, Donna, TW, Sandy, Mike, Tobi, Matt, Victor, Adam, Marion, Chris, Lisa, Jim, Bridget, Lisa Klahn, Jimmer, Kettle Moraine Kar Klub, Modern Woodmen, Alex Heating, Bumper to Bumper, Barton Small Engine, Gateway Cafe, Full Service Car Wash, Tennes Hardware, Campbellsport Self Serve, Geidel's Piggly Wiggly, Tan-Talizer LLC, Bits & Pieces Floral, Main Street Gas Station, Rog-

er & Dan's, The Luxury Box, Mid City Motorsports, Auto Body Dynamics, National City Bank, River City Distributors, Badger Liquor, Raindance Car Wash, Fire Escape, Bob Fish, Don's Electric, Johann Plumbing, Rich and Lori Thiemer, Dennis Butz of Smith Insurance, Oz Guzzlers, Strobel Oil, J.O.'s Restaurant, 5th Quarter, Eden Meat Market, Dimo's, D&D's, Roadhouse, Sweeds, Wiedmeyer Trucking, Sandy's Barton Cafe, PJ Magoos, John's on Main, West Bend Savings Bank, Kewaskum Mobil, Donald Driver Chevrolet/Buick, Mike's Meats, Tri-Par-Random Lake, Homefront Restaurant, JW Rod Garage, Mueller's Sales & Service, RT Speed Shop, KB Lettering, Fleet & Farm, West Bend Harley Davidson, Rustic Inn, Cousins Subs, Valvoline Quality Quick Lube, Quick Fix Auto Glass, Goeden's Auto Body, Kohlsville Carpet Cleaning, LK Heating, Gear Heads Bar, Jailhouse, Citgo Car Wash, Fussy Feebies, Cole Mfg., LongBranch Saloon, Fillmore House, Mike and Gail, Benders, Brodzy's Auto, Heberer Brothers Home Improvement, Montana's Bar & Grill, 4-Ever Tan, Jay Lee Inn, Leroy Schmidt, Kettle Moraine Town and Country, Auto Zone, Menard's, Ziegler's, Advanced Auto Parts, McDonald's, King Pin & Ale House, George Webb's, F&F Photography, WB Dyno Tuning, Dairy Queen, Jimbo's, Pick N Save, Regal Ware, Herriges Oil, WOW Distributing, River Side Brewery, Thiemer's Sip & Snip, Richard and Deborah Martiny, The Green Bay Packers, The Milwaukee Wave, The Milwaukee Admirals, Appleton Timber Rattlers, River City Distributors, Auto Body Dynamics, Kohn's Citgo, Randy Schlize, Kleutz Auto, Mike's Parkview General Store, Pommpy Tires, and all of the anonymous Donors.

Family scarecrow building party at Kew. Library

On Saturday, October 18th at 1 p.m., the Kewaskum Public Library will host a family scarecrow-building party. Scarecrows are an autumn tradition in many rural communities from England to Japan to the Midwest.

Will your scarecrow be silly or scary? Be as artistic as you want! The library will provide the straw and the cross-frames. We have a list of items you can bring to make the body and head. Treats will also be provided.

The scarecrows will be displayed in front of the library. Please sign up in the library to reserve your scarecrow; a parent must accompany children to this event. For questions, call the library at 262-626-4312.

A lot of fellows nowadays have a B.A., M.D., or Ph.D. Unfortunately, they don't have a J.O.B.

it's a chain reaction

Your whole body needs proper support from the ground up. Injury, aging, or stressful activities can all cause a misalignment in your spine which triggers different symptoms throughout your body. Chiropractic adjustments and Foot Levelers' custom-made Spinal Pelvic Stabilizers help bring your body back to its natural state of alignment. Stabilizers — a unique form of in-shoe orthotics — help hold your chiropractic adjustments in place and reduce skeletal stress and pain. And our office utilizes the Associate® Platinum digital scanner, which is the fastest, most accurate, and most advanced method of processing your Stabilizer order. Call us today to find out how we can help improve your total body wellness — from head to toe!

Foot Levelers custom-made Stabilizers provide the support you need for action, work, and play.

Legion presents Blue Star Banner

Chris and Lisa Soffel parents of Catherine received a Blue Star banner from Jules Dreher of the Robert G. Romaine Post 384 Kewaskum. Catherine, who will be training for gunners mate in the Navy, is in boot camp at the Great Lakes Navy Base. The American Legion takes great pride in recognizing the families of our women and men serving our country.

KHS students earn AP Scholar Awards

Seven students at Kewaskum High School have earned the designation of AP Scholar by the College Board in recognition of their exceptional achievement on the college-level Advanced Placement Program (AP) Exams.

The College Board's Advanced Placement Program offers students the opportunity to take challenging college-level courses while still in high school, and to receive college credit, advanced placement, or both for successful performance on the AP Exams.

Students took AP Exams in May 2008 after completing challenging college-level courses at their high school. The College Board recognizes several levels of achievement based on student's performance on AP exams.

One student qualified for the AP Scholar with Honor Award by earning an average grade of at least 3.25 on all AP Exams taken, and grades of 3 or higher on four or more of these exams.

This student is: Matthew Donath.

One student qualified for the AP Scholar with Distinction Award by earning an average grade of at least 3.5 on all AP Exams taken, and grades of 3 or higher on five or more of these exams. This student is: Tyler McElhatton.

Five students qualified for the AP Scholar Award by completing three or more AP Exams, with grades of 3 or higher. The AP Scholars are: Emily Aycock, Kasey Bandy, Daniel Dymond, Brianna Rahoy and Kurtis Wetzel.

Congratulations goes out to all of these students for their efforts.

Most of the nation's colleges and universities award credit, advanced placement, or both based on successful performance on the AP Exams. Kewaskum High School offers ten (10) AP courses each year to help prepare students for exams.

Justmann among graduates of Clerks/Treasurers Institute

GREEN BAY - Stephanie Justmann, clerk/deputy treasurer for the village of Kewaskum, Washington County, was among the graduates of the 2008 Wisconsin Municipal Clerks and Treasurers Institute.

Justmann was one of 96 clerks and treasurers who this year completed the final program of the three-year sequence or the fourth year of completion for those holding the clerk/treasurer position. This program is designed to advance the professional development of local government officials in Wisconsin.

Each summer, municipal clerks, treasurers and other officials from across the state participate in a week of continuing education courses on the University of Wisconsin-Green Bay campus organized by the university's Office of Outreach and Extension. The Institute curriculum consists of three, one-week annual programs with at least 33 hours of classroom instruction per program. This year's program took place the week of July 13-18.

Course work focuses on the development of technical skills — with an eye on keeping current on rapidly changing technology, regulations and

other factors — as well as development of administrative knowledge, leadership abilities and financial management. Faculty members and participants engage in free-flowing exchange of information, share job-related experiences, network with colleagues, and examine factors that contribute to successful on-the-job performance by municipal officials.

Local government officials completing the three-year sequence of programs earn all of the education points needed for national certification, with additional points earned by experience in local government and participation in other meetings and educational seminars. Officials holding the title of both clerk and treasurer are eligible to receive both the clerk's and treasurer's certification by completing a fourth year at the institute.

The Clerks' Institute at UW-Green Bay is accredited by the International Institute of Municipal Clerks and by the Wisconsin Municipal Clerks Association. The Treasurers' Institute is accredited by the Associate of Public Treasurers - United States and Canada, and by the Municipal Treasurers Association of Wisconsin.

Events

Creatures of the night invade Kettle Moraine Forest

Come meet the fast-talking little brown bat, the high-gliding flying squirrels, the rockin' treefrog and other animals of the night at this year's Halloween Nature Hikes at the Kettle Moraine State Forest - Northern Unit. Kim, the Night Walker waits to greet you as you begin your fantastic evening adventure on Friday, October 17, or Saturday, October 18, from 6:30 p.m. to 9:30 p.m.

The hikes will take place at the Long Lake Recreation Area located off of Division Road just north of Hwy F about one mile east of Dundee. Guided groups of no more than 30 people will leave every six minutes with the last hike leav-

ing at 8:30 p.m. Each hike will last about one hour. The hikes are most appropriate for those over the age of five years.

Bring the whole family for this fun-filled, not scary evening of adventure. As you stroll through the dark autumn woods, you will meet a menagerie of nocturnal animal characters that are just waiting to tell you their tales. Through your nighttime journey, you will learn a little about each animal's natural history and the important role it plays in nature.

There will also be exciting games and clever crafts for the kids to do before or after their hikes. The Friends of the Kettle

Moraine will provide free hot and cold apple cider, and popcorn for all the hikers.

Wisconsin State Park System vehicle admission stickers are required for this event. A Wisconsin resident daily sticker is \$7.00 per car or an annual sticker is \$25.00. If you already have your Wisconsin State Park System sticker, the event is free, but donations are always gratefully accepted.

Please join in for a wonderful evening of fun educational entertainment for all ages! For more information, contact the forest staff at the Ice Age Visitor Center. The center's phone number is (920) 533-8322.

MPTC offers business training opportunities in November

Moraine Park Technical College offers ongoing credit and noncredit training opportunities for business and industry to help improve their competitive edge as well as develop and retain a skilled workforce.

Several courses are scheduled for November, including:

Structural Welding Certification: Saturday, Nov. 1, 8 a.m.-4 p.m., Room K-401, Beaver Dam campus. Become certified in all positions and gages of steel plate using SMAW (stick) electrodes. Special tests of different welding processes (GMAW, FCAW, etc.) can also be taken. Cost is \$150 per person, which includes materials.

White Belt Training: Mondays, Nov. 3, 10 and 17; 8 a.m.-5 p.m., Room B-129, Fond du Lac campus. This class provides the core fundamentals of Six Sigma with a focus on quality improvement tools, basic statistics and control methods. Inject Six Sigma culture more deeply into your organization with White Belt training. Cost is \$650 per person, which includes materials

and refreshments.

Microsoft Excel Level 2: Friday, Nov. 7, 8:30 a.m.-3:30 p.m., Room L-110, West Bend campus. Use Microsoft Excel 2007 to streamline repetitive tasks, make your data more visually appealing, and enhance your spreadsheets through templates, charts, graphics and more complex formulas. Cost is \$185 per person, which includes materials, refreshments and lunch.

Internet Trade Intelligence: Thursday, Nov. 13, 8 a.m.-12 p.m., Room A-206, Fond du Lac campus. Explore how international traders can maximize their use of the Internet and World Wide Web to access information and position themselves and their products for increasingly expanded sales opportunities. Cost is \$109 per person, which includes materials and refreshments.

Marketing Skills for the Nonprofit Manager: Thursday, Nov. 20, 8 a.m.-10 a.m., Room O-103, Fond du Lac campus. Learn how to apply

cost-effective strategies and tactics to capture the support of your members, donors, clients, the community and volunteers. Cost is \$55 per person, which includes materials and refreshments.

Registrations should be made at least one week prior to the start of a seminar.

For more information about these seminars, to register or to request a current copy of Moraine Park's Workforce Solutions course catalog, call 920-924-3449 or e-mail training@morainepark.edu. More courses are featured in the catalog and can be found at www.morainepark.edu; click on Business & Industry then Upcoming Events.

DAYS GONE BY

25 Years Ago

September 30, 1983

Atty. Gerald A. Kiefer was recently elected to the Board of Directors of Valley Bank, Kewaskum. He has been active in local, civic and professional organizations. He has served on the Board of Directors of the Kewaskum Kiwanis Club, Kewaskum Kiwanis Foundation, Kewaskum Area United Way, Kewaskum Area Chamber of Commerce, and the Washington County Red Cross.

Kewaskum Area's United Way Fund Drive for 1983 is underway. Division captains met Sept. 20 for a kick-off meeting, led by Co-Chairmen Fred Cullen and Margaret McFadden. The captains are: Financial - Bill Koehne; House-to-House Drive - Darlene Tessar; Industrial - Jeff Rohrer; Outlying Communities - Tom Larsen; Professional - Dennis Connor, D.S.S.; Public Sector - Jerry Gosa; Retail - Debi Korneli; Rural and Village Mailings - Pearl Thompson; Taverns and Restaurants - Rose Kuehl; and Transportation - Raynor Herriges.

Army Reserve Pvt. Diann M. Prunty, daughter of Douglas and Dorothy Prunty, Allenton, has completed basic training at Fort Jackson, SC.

Army National Guard Pvt. Thomas E. Kuphal, son of Mary and Roger Kuphal, Campbellsport, has completed the OH-58 helicopter repair course at the U.S. Army Aviation School at Fort Rucker, AL.

A daughter was born to Richard and Linda Katsenberger, Kewaskum, on Sept. 25. A daughter was also born to Michael and Sandra Melius, Route 1, Adell, on Sept. 21. A son was born to Robert and Debra Donath, West Bend, on Sept. 22. A son, Jackson Scott, was born to Bill and Valeria Lenz, Campbellsport, on Sept. 14.

October 7, 1983

No county landfill in Farmington say the townspeople. They filled 100 chairs, stood two and three deep on all sides of the room and for those who could not squeeze into the Town Hall, they stood outside the open windows

and listened. That was the setting for Tuesday night's Town of Farmington monthly meeting as almost 300 residents came to find out whether or not their area would become home for a proposed future Washington County landfill.

Clark Pearson, principal at Kewaskum High School, has announced that Pamela Krahn, daughter of Mr. and Mrs. Sylvester Krahn, Adell, has been named among 15,000 young men and women across the country being honored by National Merit Scholarship Corporation as semi-finalists in the current Merit Program. These outstanding high school seniors will have an opportunity to advance in the competition for about 5,300 Merit Scholarships, worth more than \$18 million to be awarded in the spring of 1984.

Kewaskum High School has been notified that two of its students have been designated Commended Students in the 1984 National Merit Scholarship Program. The students are Douglas Miller, son of Mr. and Mrs. Edward Miller, Kewaskum, and Suzanne Schmitt, daughter of Mr. and Mrs. John Schmitt, West Bend.

As soon as plans and specifications are approved by the Department of Natural Resources, work will begin on the elevated water tank for Kewaskum's new number three well. Chicago Bridges and Iron was awarded the contract on their low bid of \$281,600. Village Administrator Dan Schmidt told the board Monday night that \$300,000 had been budgeted for the construction of a 250,000 gallon tank.

Several weeks of preparation have gone by and the cast and crew of the fall musical "South Pacific," are moving into high gear. Lead actors this year are Darren Schacht at Emile De Becque; Ada Thull as Nellie Forbush; Dan Menzel as Lt. Joseph Cable; Barb Jandre as Bloody Mary; Brad Dieringer as Luther Billis; Jim Braun as Capt. George Brackett; Ron Theusch as Cmdt. William Harbison and Sandy Nigh as Liat. The musical will be presented on November 4 and 5.

Seventeen members of the KHS varsity and JV cheerleading squads attended the Camp Birch Knoll Cheerlead-

ing Camp in Phelps August 17 thru 21. The girls who attended were: Varsity Captain Nancy Kutz, Karen Sackett, Kris Heberer, Candi Goeden, Kim Johnson, Colleen Amerling, Amy Kougl, Colleen Horner and alternate Rane Loomans; JV Captain Mitzi Nigh, Kris Buettner, Debi Seidman, Debbie Schoofs, Beth Bartelt, Rhonda Herriges, and alternate Cheryl Kurtz.

A son, James Edward Lewko II, was born to James and Pat Lewko, Kewaskum, on September 19. A son was also born to Dennis and Joann Herriges, Kewaskum, on October 1. A daughter, Lisa Marie, was born to Dale and Bonnie Amerling, Campbellsport, on September 26, and to Daniel and Sandra Hollister, Kewaskum, on October 1.

CARAMEL-DIPPED APPLES

5 medium apples, washed, well dried
1 bag (14 oz.) Caramels (about 50)
2 Tbsp. water

INSERT wooden pop sticks (from bag of caramels) into stem end of each apple. Cover large plate with waxed paper; grease paper with butter. Set aside.

PLACE caramels in large saucepan. Add water; cook on medium-low heat until caramels are completely melted, stirring constantly.

DIP apples into melted caramel until evenly coated, spooning caramel over apples if necessary. Allow excess caramel to drip off. Scrape bottoms of apples, then place on prepared plate. Refrigerate at least 1 hour or until ready to serve. Remove from refrigerator and let stand at room temperature 15 min. before serving. Store leftovers in refrigerator.

'Butterfly Lady' visits HTS

Holy Trinity first graders enjoyed a visit from the "Butterfly Lady", Mrs. Mary Laatsch, on Thursday, Oct. 2nd. She shared amazing facts about Monarch butterflies, including their 3 month journey to Mexico in the early part of Fall. She also tagged the butterfly that had emerged from its chrysalis in the classroom, for identification if it is found in Mexico. She also taught the students how to tell if the Monarch is a male or a female. Their butterfly was a boy, because it had the two black spots on its wings. At the end of her visit, she released the butterfly to begin his journey south.

St. Matthew's students practice digging skills

St. Matthew's sixth and seventh grade social studies class learned how archeologists study past cultures. They created a miniature dig site filled with artifacts from the past. After exchanging the dig sites, they unearthed the artifacts, mapped the dig site and imagined how the people of the past lived. Featured in this photo are: Tessa Goulais, Hannah Hartmann, Brooke Martin and Kelli Schrauth.

NED show visits H.T.S.

The NED Show, an assembly that combines a great message with yo-yos, humor and audience participation to teach students how to develop three valuable characteristics involved in becoming champions at school and in life visited Holy Trinity School on Friday, October 3. The three characteristics discussed were: Never give up (focus/persistence) Encourage others (kindness/shared learning) Do your best (diligence/excellence). Each year the NED show encourages nearly 2 million children across the world.

IT'S A FINE LINE BETWEEN RESPECTING YOUR TEEN'S PRIVACY AND **DOING YOUR JOB AS A PARENT.**

How far should a parent go? As far as you have to.

Because teenagers today have a minefield of risky behaviors to navigate—

DRUGS, DRINKING, TOBACCO, SEX

—with powerful influences like peer pressure and mixed messages from pop culture, and technologies such as the Internet.

Fortunately, there's one influence in your teenager's life that trumps them all. You. So take action.

Let them know just where you stand on risk-taking and its consequences. And spell things out, because it's the contract both you and your teen will be living by. Set clear rules with your teen for safety and guidance. That's right, getting them to agree to the rules and understand the consequences gives them more responsibility and every teen wants that.

And yes, do keep close tabs on your teens. Know where they are and who they're with. Cell phones make it easier than ever to just "check in." It's not saying you don't trust your teen, it's saying you care. Get on the Internet, too. Familiarize yourself with the kind of content they might be exposed to.

Above all else, one of the most powerful things you can do for your teenager is to set a good example when it comes to drug, tobacco and alcohol use. Respect them, be honest with them, be clear with them and they'll do the same. Everyone wins.

30301, 30303

Plaintiffs,

vs.

GERARD ("ROD") HUTCHINS,
16140 Fernwood Lane
Brookfield, WI 53005,
Defendant.

FORTY DAY SUMMONS

THE STATE OF WISCONSIN
To: GERARD ("ROD") HUTCHINS
N8275 Sunset Court
Kewaskum, WI 53040

You are hereby notified that the plaintiffs above-named have filed a lawsuit or other legal action against you.

Within forty (40) days after October 16, 2008, you must respond with a written demand for a copy of the complaint. The demand must be sent or delivered to the court, whose address is Waukesha County Courthouse, 515 West Moreland Boulevard, Waukesha, Wisconsin, 53188, and to GIMBEL, REILLY, GUERIN

& BROWN, plaintiffs' attorneys, whose address is Two Plaza East, Suite 1170, 330 East Kilbourn Avenue, Milwaukee, Wisconsin, 53202. You may have an attorney help or represent you.

If you do not demand a copy of the complaint within forty (40) days, the court may grant judgment against you for the award of money or other legal action requested in the complaint, and you may lose your right to object to anything that is or may be incorrect in the complaint. A judgment may be enforced as provided by law. A judgment awarding money may become a lien against any real estate you own now or in the future, and may also be enforced by garnishment or seizure of property.

Dated at Milwaukee, Wisconsin this 7th day of October, 2008.

Three Gridiron teams come home with victories

By Judy Harlow
Statesman Correspondent

Good second-half efforts propelled two of the Gridiron football teams to victories, while the seventh graders scored more than enough points in their game. For the eighth graders, it was a different story, however, as the Indians were unable to slow down a pretty potent Nicolet group in Saturday's action in Glendale.

Nicolet's eighth grade took a 32-16 lead at half and wound up winning 44-22 over the Kewaskum gridders, who fell to 3-3 overall.

"They were just running at will," coach Jim "Jonesy" Korth said about the young Knights.

Kewaskum's first TD came on a 50-yard pass play from Corey Burdick to Derek Aupperle. The same combo teamed up for another long bomb in the second quarter, setting up a short option run by Burdick for six points.

In the third quarter, Teddy Wollner got into the scoring act when he broke a draw play for a 35-yard TD, and the final touchdown came when Burdick kept the ball on an option and went 20 yards for the score.

Alex Fechter was a perfect four-for-four on PAT kicks.

"Derek made some nice catches," Korth said.

"Mr. (Joey) Seitz had a 75-yard kickoff return for a touchdown, a 40-yard interception for a touchdown and a 68-yard run," coach Randy Schlice said about the seventh grade (5-1) game, which ended in a 35-20 victory.

Matthew Ringwell kicked two PATs. "They were our first extra point kicks of the year," Schlice said, reporting his offense controlled the ball for 12 out of 16 minutes in the first half.

In the second half, Jared Monk scored his first TD of the season, according to Schlice, who said defensively, "Robert Peterson had a nice game. He had four tackles for losses. The defense did extremely well."

"We really only played one half of football," coach Joe Backhaus said about his sixth graders (4-2), who eked out a 14-6 victory over Nicolet.

The opening drive looked good until the young Indians got to Nicolet's 20-yard line, then, according to Backhaus, the line wasn't blocking, and fumbles, interceptions and penalties hampered the offense.

Kewaskum was down 6-0 at half, then the Indians came out and put two touchdowns on the board after intermission.

The running of Zach Smith, Dylan Thull, Kenny Ellis and Hunter Demmon started to wear down their opponents, and when Nicolet started keying on the running backs, Billy Lehmann got free on some

quarterback rollout plays. He scored both TDs. Thull had one of the PATs on a run, and he couldn't recall who had the other.

With Brad Peterson "making a couple good plays," and Smith also doing well, the defense got tough and didn't allow any more scores, according to Backhaus.

The fifth graders (5-1) also were involved in a tight game, with the Indians coming out on top 12-6.

"Let me tell you, it was close," coach Mark Walcheske said, reporting his team had six penalties in the first half, hampering most of the drives.

The score was 6-6 at half, with Kewaskum's touchdown coming on its third possession via a 10-yard run by Josh Baker after a 25-yard Michael Prochnow scamper.

In the second half, Brandon Thull's 40-yard punt return gave the Indians good field position, then after a 9-yard pass play and a 25-yard run by Baker, Prochnow scored from the one.

"The defense kept us in the game," Walcheske said, noting his front wall of Berat Elmazi, Charlie Witek, Jason Hanson, Thull and Steven Nurkala, "were just spectacular."

This Saturday the Indians go into the playoffs, with the Indians entertaining teams from Saukville, based on the records of the eighth grade teams.

Cross-Country Cougars Invitational

Tempers flare due to on-field antics

By Pat Neumuth
Statesman Sports Editor

Head coach Dennis Gutbrod was proud of the way his team conducted themselves on the field Thursday against Sheboygan Falls. It was not because of the way they played, but how they reacted to some questionable sportsmanship by Sheboygan Falls.

"They weren't on edge, my boys were fine," Gutbrod said the officials told him after the 8-0 loss on how his team handled themselves during the game.

Sheboygan Falls head coach Jim Nieman crossed the half line after the game and was upset that his son on the team had to leave the game with a broken nose. Nieman thought Dillon Thelen had intent to injure.

This play came late in the game when the Falcons had started to play more arrogantly as their goals piled on. Thelen was called for a foul or given a card on the play.

Falls got on the scoreboard early. Sheboygan Falls' Seven Chen beat the Kewaskum defender to the ball from a nice header pass to put the Falcons ahead in the eighth minute. Chen shot it on one touch from the pass.

The Indians chances to score were few and far between, but when they did have the opportunities, the players could not put the shot on goal. Just minutes after the first Falcon goal, Icaro Caldeira made a nice through ball to the corner to Nate Wendelborn. Wendelborn's shot was just wide of the goal.

The Falcons added another one to their lead before halftime. Luis Hernandez was able to get free in the box and he made the Indians pay for it. The Falcons had a 2-0 lead into half.

"Instead of the two instances we couldn't get the ball out of there, I thought we played well in the first half," Gutbrod said emphatically.

The second half is when the Falcons poured it on. Three minutes into the half, the Indians Brad Conroy tackled a Falcons player in the box. Goalie came up the field to take the PK and scored.

Goals came quick, too. Chen scored off a crossing pass in the 46th minute, 7 also scored on a similar crossing play in the 53rd minute, 7 later scored on a break-a-way in the 56th minute and 15 beat the

Indians defender off the dribble in the 61st minute to score. Emanuel Dickson tackled on the eighth goal of the match in the 77th minute as he found himself winning the loose ball and scored.

"I don't know how this team can score so many goals, I just don't," Gutbrod said. "I don't see them being eight goals better than us or 10 goals better than us."

The Indians lost 10-0 on Sept. 16 at Sheboygan Falls the last time the two teams met.

Conroy was given a yellow card after an aggressive slide tackle in the 77th minute. This card was after Nieman was injured and out of the game.

"I am proud of the composure my team had

Kewaskum Dillon Thelen, #11, heads past Sheboygan Falls' Karly Huberty during the game Thursday, October 9.

Statesman Photo: Andrew Kuehl

against what happened," Gutbrod said. "They handled themselves like men."

If you want more information about this game, read Pat's Perspective on sportsmanship.

Local runner qualifies for Boston Marathon

By Pat Neumuth
Statesman Sports Editor
patrick@kewaskumstatesman.com

Terri Bodden, 38, has been a runner for her entire life and when she crossed the finish line at the Lakefront Marathon in Milwaukee she said it was pure glory.

"As I've told most people, it was probably like the fourth best day in my life after my kids were born," Bodden said. "It's a great marathon, it's a great course and I had a great day."

For Bodden this was her first marathon she has entered. Bodden has been a runner since the sixth grade and she knew running a marathon would be something she would "check off."

"I knew from the very beginning of the race that I was having a good day and was going to have a good day," said Bodden. "Just to have done it for so many people it would be, 'wow I just finished it,' but for me it was I just finished it in nine minutes less than what

I thought I could do."

Bodden completed the 26.22-mile course in a time of 3:18.41. Bodden did exceptionally well in the standings. Overall she was 145 out of 2,011. She placed 12th amongst 788 women entered in the race and was third of 127 in her 35-39 year old division.

The Lakefront Marathon is a Boston Marathon qualifier race. Bodden qualified for Boston, but will not race it until 2010.

"My youngest is just two and so he will be another year older and it will be easier to travel," Bodden said on why she will race the 2010 Boston Marathon, "and I want to get at least one more marathon under my belt before I go to Boston because Boston is tough."

For Bodden's division, a qualifying time is 3:45.

Boston Marathon qualifiers have 18 months from qualifying to race, so that allows Bodden to run in the 2010 Boston Marathon.

Bodden plans to run her second marathon in January at the Rock 'n' Roll Marathon in Arizona.

The Lakefront Marathon is set in the perfect time of the year for a Wisconsin Marathon Bodden said. She said she was able to train during the nice summer months to get ready. Her training schedule was running about 15-20 hours per week.

Other Kewaskum participants in the Lakefront Marathon include Rochelle Beine, Jennifer Gerhartz and Becky Domres. Timothy Hardy competed in the half marathon. Beine and Gerhartz also qualified for the Boston Marathon.

Terri Bodden (pictured) placed 12th out of 788 women at the Lakefront Marathon in Milwaukee on Oct. 5.

PAT'S PERSPECTIVE

By: Pat Neumuth
Statesman Sports Editor

Unsportsmanlike conduct

I was very fired up after what I saw take place on the soccer field between Kewaskum and Sheboygan Falls last Thursday. Unsportsmanlike conduct should not be tolerated in high school sports.

I couldn't believe what the Falcons soccer team did. It's bad enough for a team to get beat by eight goals, but to rub it in the fashion the Falcons did is inexcusable.

Falcons' goalie was the worst on the field. He did not see much action, so he had the time to show boat. He was playing near the half line when his team was on the offensive zone and leisurely jogged back when Kewaskum got the ball. A couple of times I thought he was going to let the Indians score just because he was playing lackadaisical. He was doing push-ups during the game and after goals. He even lobbied to his coach to take a penalty kick during the game.

The sad thing is Falcons head coach Jim Nieman allowed it. What if he misses? It's a live ball.

The Indians could not capitalize on the goalies lack of position because they don't have a player who can strike the ball well enough to shoot it from near half and score.

After talking with some of the Indian players, they said the Falcons were counting how many times they could kick the ball through the Kewaskum defender's legs (nut-meg). The sad thing is they said Nieman was counting with them.

Now with Dillon Thelen's play of breaking Nieman's nose, there was no intent to injure at all. I watched the play. I thought I saw him catch him in the face with his elbow as he was going for a header. Sometimes that happens when you header the ball, your arms fly. When I called Falls' Athletic Director Luke Goral, he said it was Thelen's knee hit his face. Well, if Thelen is going up for a header and Nieman's face is by his knee, then how can Thelen have intent to injure?

I was surprised the Indian players acted as well as they did. I thought only one Kewaskum player pushed excessively, but sorry I honestly can't put the face with a name. The Brad Conroy yellow card was because of a tackle from behind. Honestly, it could have been intended, but it was in the limits of the game.

The officials at the game definitely should be blamed for the way the game was going. If I on the sidelines can tell the Falcons were crossing the line with arrogance, than they should have. They have the ability to clear up unsportsmanlike conduct with a blow of their whistle.

Kewaskum athletic director Jason Piittmann and Goral had some good conversations the Friday after the game Piittmann said. Piittman said Goral is a quality man and both AD's addressed the teams. Piittmann said he sat down with the entire soccer team. Goral said he had a 30-minute discussion with Nieman. Both AD's felt the situation was not a good one. Goral agreed with me in saying the officials should have stepped in a little more and Goral said Nieman told him he was out of line in some circumstances.

That's the understatement of the year, I would say.

But I think Piittmann is the definition of a good sport and demands good sportsmanship from his team and school. There have been instances like kneeling inside the five yard line at Waupun and letting sophomore quarterback Cody Nuernberg play the entire fourth quarter on Friday to not show boat and run up the score.

"This is a school event. It's an extension of the educational process," Piittmann said of high school athletics and sportsmanship. "We expect people whether they are spectators, fans, coaches, players/athletes, they need to respect that fact that it is an educational environment and behave accordingly."

Piittmann also said Indians head coach Dennis Gutbrod acted very professional in the situation by not allowing the Indians to retaliate.

I'm not sure if I would have been able to keep my cool if I was on that field. I personally think Nieman should not be coaching high school kids. One, no team should act the way his team did because it was disrespect to Kewaskum and to the game. Two, the guy was actually a part of the show boating with counting the nut-megs and doing a little dance after they scored goal No. 5. I have never seen a coach get so animated in a fifth goal of a blow out. You would have thought that goal won the state championship for Falls.

But parents of athletes at Kewaskum High School don't have to worry about their kids from disrespecting the game they play because of the stand up people KHS has coaching your kids.

Don't forget my blog neumuthsnotes.blogspot.com for quarter updates of Indians football. Plus, more Indians scores.

Gitter, Goetsch one match away from state

Left to right: Head coach Matt Fehlhaber Kelsey Goetsch, Anna Gitter and assistant coach Jacob. The team of Goetsch and Gitter has been the No. 1 doubles team for the Kewaskum girl's tennis team all season. They competed in the Brown Deer sub-sectional on Monday and sectionals on Wednesday. The team lost to Racine St. Catherine's on Wednesday. They were one match away from the state tournament. Fehlhaber believes it has not been since the 1990's anyone from the girl's tennis team made it past the sub-sectionals.

Indians celebrate Homecoming with win

By Pat Neumuth
Statesman Sports Editor
patrick@kewaskumstatesman.com

Kewaskum 31, Sheboygan Falls 14

At their Homecoming, the Kewaskum High School Football Team showed alumni, fans and Sheboygan Falls what Indians football is all about. The Indians ran onto the field before a packed house and walked out victors beating the Falcons 31-14.

"It's definitely a big thing. All the guys come and watch you that played with you last year and it's kind of fun to get a win for them and show them how good you are," quarterback Nick Olla said about winning on Homecoming.

Head coach Jason Piittmann said prepping for Homecoming is always difficult with all of the distractions, but he said the team did an alright job with it and got better as the week went by.

The Indians did not look distracted on the first drive of the game. The Indians took the opening drive 11 plays for 80 yards, capped off with Cody Seibel taking the option pitch in for the eight-yard touchdown. This drive was set up with a 21-yard scramble by Olla on a third and four play.

Olla put the Indians in the end-zone on their second drive of the game. He scored from three yards out and ran over a Falcons defender in the process.

"They were taking pitch man and no one had me, so I was taking it," Olla said of him running the ball. "After a while, I was getting sick of running around them, so I tried to run them over."

The Falcons took the ensuing kick-off into Indians territory to the 26 yard line before the first quarter came to an end. On the first play of the second quarter, Falcons quarterback Adam Lorenz completed a 21-yard pass to Nick Roelse down to the Indians five. Linebacker Joe Paulus stepped in front of Lorenz' next pass attempt for an interception.

"I don't really know. It's just one of those things that just happens. There the ball was and I caught it," Paulus

Fullback Eric Turowski carries the ball 41 yards before completing a five-yard touchdown in the third quarter of Friday's Homecoming game against the Sheboygan Falls Falcons. The Indians nailed the game, 31-14. Additional photos from homecoming and the game can be found on The Statesman website.

Statesman photo: Andrew Kuehl

said of the interception. "That was pretty big. It looked like they were coming down to score. It turned the whole game around. It would have been 14-7."

This pick was Paulus' second pick in as many games.

The Paulus interception led to an Indians drive inside the Falcons 10, but a penalty pushed them backwards and they had to settle for a field goal. Kicker Brian Backhaus nailed a 27-yard field goal to put the Indians up 17-0.

Penalties plagued the entire Indians team. Kewaskum had nine penalties for 83 yards, compared to Sheboygan Falls who had four for 25 yards.

"We had a couple holdings, we had six men on the line of scrimmage twice. It's not like the penalties were

because we were trying to protect the quarterback for a blitz," Piittmann said. "It was just a lack of focus."

The Falcons started to go backwards on the first position of the second half, but a questionable pass interference penalty on third and 20 extended the drive. Lorenz later connected with wide receiver Eric Kluz for a seven-yard touchdown. Seibel blocked the extra point attempt.

If you had blinked, you would have missed the Indians ensuing drive. Olla started it off with a 23-yard run. Fullback Eric Turowski took a dive 41 yards to set up his five-yard touchdown.

"It was important that we come out and answer the call. You know three plays obviously makes it a lot nicer," Piittmann said.

Turowski usually only starts on de-

fense as a linebacker, but he came in at fullback to relieve the injured Nathan Westerman.

"It's nice to have the guys you can go to if you need to," Piittmann said of Turowski coming in and performing at fullback.

After the Indians forced a three-and-out, running back Jordan Petrin capped off a 12-play 83-yard drive with a one-yard TD. Olla started the drive with a 43-yard option keeper, where he cut back across the field to find daylight.

The Falcons scored midway in the fourth quarter. Lorenz connected with Kluz again, this time it was from 13 yards. Kluz also caught the two-point conversion.

Preview: New Holstein

By Pat Neumuth
Statesman Sports Editor
patrick@kewaskumstatesman.com

The Kewaskum Indians and their No. 1 ranked scoring defense in the state match up with New Holstein that has conference championship implications written all over it.

New Holstein is second behind the Indians in the EWC with a record of 4-1 in conference. Their only blemish came in the stunning 8-7 loss to Campbellspport.

"I think it's on them. Our kids have been in pressure packed games the last couple of years. It's nothing new to our kids," Piittmann said on who has more pressure coming into this game. "For New Holstein to win (conference), they need to win. It's that simple."

Piittmann said looking at the film, New Holstein looks like one of the best teams they have seen all season.

"They have good size, their lineman move well,"

Piittmann said of New Holstein. "They run their offense pretty well. Their defense, you look number wise, they give up similar points per game as we do, just a couple points more. Numbers wise it's a pretty even match up."

The Indians have scored 197 points and have allowed only 41, compared to New Holstein that has scored 169 and has given up 47 points.

The key for the Indians this week is to cut down on the penalties. Against Sheboygan Falls, Kewaskum had nine penalties for 83 yards.

"If we are going to contend for the conference championship and make a run in the playoffs, we need to clean up those little things," Piittmann said after the Sheboygan Falls game.

Some players the Indians will be keying on are quarterback Chris Lefeber and running backs Jake Entringer, Cody Thede, Austin Polster and Eric Weber. Piittmann said Weber was out early with an injury from taking a ball to the face during the baseball season and was out last week with an ankle injury, but expects him to play this week.

New Holstein is a run first team, but Piittmann said Lefeber is getting better every week passing. The Huskies will run their offense out of a double wing or wing-T.

"We probably haven't seen an opponent this big since West Bend West," Piittmann said of the Huskies front five.

Defensively, they run a 4-4. Piittmann said their defensive scheme is similar to the Indians, whereas they don't do a lot of blitzing or stunting.

Piittmann thinks this game will be a "grind it out" football game that will not be decided until the third or fourth quarter.

"In watching film, it looks like they have a number of their guys going both ways," said Piittmann. "They did last year, too. And I think that ended up being a factor that helped the game in our favor in the second half because they got tired. You were able to pound it on them in the third and fourth quarter."

Last season, Kewaskum beat New Holstein 21-14. Tomorrow's game is at New Holstein. Kickoff is at 7 p.m.
