### Garbage will stay as is in Farmington, Highway H work to be started in 2010

By Mitch Maersch For The Statesman

TOWN OF FARMINGTON- Residents will continue to decide how their garbage gets collected as Tuesday night the Town Board unanimously agreed now is not the time for a change in the system.

The town had undergone a months-long study on whether or not to pick up garbage itself and include it on residents' tax rolls. A meeting last month drawing 100 people resulted in an unofficial hand vote of 3-1 to leave the system alone.

Tuesday's meeting drew less than half that crowd, with most still in favor of not changing garbage pickup.

"I feel it takes away a person's choice," Scott Densow told the board. He said neighbors wouldn't be able to combine on garbage pickup to save money, and if some residents

don't like the new system, they're stuck.

"From my perspective, it would be adding \$150 to taxes," he said.

Jan Charland said she liked the idea to be able to bargain her own price for garbage pickup. After her family's rate reached \$240, she called her company and threatened to change. The price dropped to \$140.

"There is a leverage you have with choice," she said.

Bill Boyer discussed his neighborhood on his dead-end road. Two neighbors were laid off the same week, another set two work at Regal Ware and another two wives were laid off

"The time is not right for this right now," he said in reference to adding to the tax bill.

Jean Phillip pointed out seasonal homes on Green Lake. While people only stay there a few months of the year, they would pay for garbage pickup for 12 months if the town ran it.

"I don't think we need any more on our tax rolls," he said.

Laurie Pree supported the change, saying she would save \$20 per quarter if the town picked up her garbage. She said it would also encourage recycling, which could bring more money back to the town.

Town Chairman Gary Schreiber said he could personally save money by switching garbage pickup to his tax bill, but he is sympathetic to those who couldn't.

"I just can't bring myself to stick it on somebody's tax bill who can't afford it or just doesn't want it," he said.

Supervisor Mark Foyse was on the committee last summer examin-

### The History of the Popp

In the months of combat of World War I, the men of all nations who engaged in the conflict noticed and symbolized the Poppy, because in the midst of the horrors and death of war the Poppy of the fields of France and Flanders grew wild with a freshness and strength untouched by the strife surrounding it. Poppies grew abundantly in the fields and cemeteries of Verdan and Chateau Thierry and were on the graves of men of all nations. With the picture of the white crosses in the fields of Poppies, Colonel John McCrae visualized his poem, the immortal "In Flanders' Fields."

So a symbol was born, to be used later in New York City on November 9, 1918 when Miss Monina Michael of Athens, Georgia distributed the Poppies to men attending the 25th convention of the YMCA. In 1920 Poppies were sold publicly by American Legion Posts Milwaukee Wisconsin, during the convention of the 32nd Infantry Division to secure funds for disabled veterans

On September 29, 1920, the National Convention of the American Legion the Poppy was proclaimed the memorial flower of the American Legion. Simultaneously it became the memorial of the British Legion. Other Veterans organizations in the English national followed the Legion and Auxiliary in adopting it as their official flower of remembrance.

The nationwide sale of memorial Poppies was begun by the Legion and Auxiliary in 1921. At first, silk Poppies made in France by French widows and orphans were used. In 1922 the first Poppies made by American veterans were produced in the hospitals in Minnesota.

The crepe paper Poppy stands for his right among men to produce with his

hands an object immortalized by the men of wars that will enable him to provide for his family the necessities by which we, who are physically able, find our greatest comfort in doing.

The single Poppies are hand made by veterans and their families. The Poppy boards are assembled by veterans and their families. All funds derived from the distribution of American Legion and American Legion Auxiliary Memorial Poppy, Poppy Boards, Poppy Wreaths, except for the purchase of materials, shipping and similar expense, are used for assistance to veterans and their families.

ing the issue. Back then, the economy was much different than now.

"I think this should just come up at a later date," he said.

Supervisor Art Seyfert referenced last month's large meeting that overwhelmingly supported keeping the garbage pickup system the same. "I think it'd be a great idea in a year if the economy improves ..." Schreiber said.

New Washington County Highway Commissioner Jon Edgren provided an update on the Highway H project.

The plan is to upgrade the highway to a standard county trunk highway from Highway XX west to Highway 144. That means two, 12-foot lanes, three feet of asphalt on the sides for bicycles, and threeto five-foot gravel shoulders leading into ditches, Edgren

Design work and acquisition of right-of-way is scheduled for this year and 2010, he said. Construction was scheduled for 2012 but got moved up to 2010. Getting bids and right-of-way is slated to happen next spring.

The project is slated to fill eight to 10 acres of wetlands, meaning it is required that an equal amount of a new wetlands area must be found and preserved, or an existing area must be enhanced, Edgren

Resident Dennis Fechter asked if a culvert at Highway H and Boltonville Road could be fixed before the project

gets started. He said a culvert moved up about 10 inches and vehicles nearly take off their front ends turning onto Boltonville Road.

Edgren said the department will do what it can to 'Band-Aid what's dying" before the road gets redone.

"H isn't a good road. I'm not going to tell you to tell anyone that it is," he said.

The board unanimously agreed to buy 2,300 tons of salt from Morton at \$60 per ton. The only other bid received came from North American Salt Co. at \$62.50 per ton.

Last year, the town bought salt from Morton at \$69 per

The board tabled approving other road project fixes until the cost to fix the bridge on Jay Road is determined.

### Letters to the Editor

#### Keep the Indian Nickname

2009 Assembly Bill 35 (AB-35) provides that a school district resident may object to the use of a race-based name, nickname, logo or mascot by the school board of that district by filing a complaint with the State Superintendent.

Under the bill, the State Superintendent must notify the school board that the complaint has been filed and schedule a contested case hearing within 45 days after the complaint is filed. At the hearing, the school board has the burden of proving by clear and convincing evidence that the use of race-based name, nickname, logo, or mascot does not promote discrimination, pupil harassment, or stereotyping, as defined by the State Superintendent by rule.

The State Superintendent must issue a decision and order within 45 days after the hearing. If the State Superintendent finds that the use of the race-based name, nickname, mascot, or logo promotes discrimination, pupil harassment, or stereotyping, the State Superintendent must order the school board to terminate its use of the racebased name, nickname, logo or mascot within 12 months after the issuance of the order.

Any school board that uses a race-based name, nickname, logo or mascot in violation of an order must forfeit not less than \$100 nor more than \$1000. Each day of use of the race based name, nickname, logo or mascot constitutes a separate violation.

As of February 19, 2008 there were 38 schools throughout the state (besides Kewaskum) that could be affected by this Bill if passed. The cost of changing band uniforms, sports uniforms, athletic bags, warm-ups, along with the cost of removing the logo

from any buildings would be a sizeable burden to the taxpayers of our school district.

At the current time it is up to our court system to determine if there is a situation where there is racism or discrimination. Is this a decision that should be placed in the hands of the State School Superintendent? Currently there is massive support for this Bill from legislators and groups throughout the state and there is a high probability of this Bill becoming law.

In talking with many residents of our community it is clear that there is a lot of pride association with the "Indian" nickname and these people would like to see this tradition carried on for years to come. There will be a meeting to discuss this issue and possible action plans. It will be held on Thursday, May 28 at 7 p.m. at the Kewaskum High School Library. If this is an issue that is important to you, now is the time to get involved!

#### To The Statesman

In these difficult times, God has left us directions for comfort in His Holy Book. We look in 2 Chronicles Chapter 7, verse 14: "If my people who are called by my name, (believers) will humble themselves and pray and seek my face, confess their sins and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land."

With such a promise we should trust God that He will answer our prayers and watch over us. This nation was founded by men who knew the content of the Bible and used it to write the Constitution. They knew the promises of God and trusted Him and that made our country great.

By Mitch Maersch For the Statesman

Attention campers, bikers and horse riders: Your recreational experiences just got an upgrade.

The Northern Unit of the Kettle Moraine State Forest completed two projects last year for more than \$1.1 million and officially opened both to the public this spring.

A new bike trail covering 6.5 miles connecting the Long Lake and Mauthe Lake recreation areas held a grand opening last week.

On May 1, the new and improved New Prospect Horse Riders Campground was unveiled.

"Both these projects have met long-term needs, making things more usable and making things safer. The money that's spent now is going to pay dividends for many years to come," said Jerry Leiterman, forest superintendent with the Northern Unit of the Kettle Moraine State Forest.

The bike trail project spanned two years, one phase done in 2007 and the other last year. It was completed last fall before opening last week.

"The idea was spawned back in the '80s from locals, specifically the Long Lake Fishing Club," Leiterman said. The project was put into the Northern Unit's master plan, its management road map for facilities, wildlife and forestry. Then it became a matter of when the funding and work could be done.

The \$800,000 cost was split in half between federal and state funds. Federal money came from the Land And Water Conservation Fund (LAWCON), and the state match came from the state Stewardship Program.

The bulk of the money went for tree removal, rough grading, building two bridges and a 900-foot, linear boardwalk system supported by a galvanized steel super structure that bridged wetland.

"It's basically building a road," Leiterman said.

The Fond du Lac Highway Department built the trail on time and material costs – only charged what it expended – and used inmate labor from the Fox Lake Correctional Institute to save more money.

"Our staff did construction of the bridges and boardwalk," Leiterman said.

Beyond connecting the two lake areas, the trail runs to Dundee, where riders can stop for something to eat and pick up supplies from businesses.

"It's proved itself already that it's popular – a lot of favorable comments," Leiterman said. "It's geared toward family, getting people off the road. One of the ideas was to provide biking in a safe environment because of the windy, narrow roads in the Kettle Moraine." The trail's difficulty level appeals to riders of all skills.

"The grade is for the most part flat. There are a few minor grades, not more than five percent," Leiterman said.

The trail has access points at Mauthe Lake and Long Lake, and via a new parking lot east of Dundee on Highway F.

A separate, \$320,000 projectupgraded the New Prospect Horse Riders Campground off of Highway SS.

The approximate 8-acre facility was a homestead from the 1950s.

"It was a campground, but it was never planned out. So it had a lot of deficiency," Leiterman said. "It was difficult to manage and keep clean."

Most of the money was spent on grading, redesigning the sites, seeding, a new toilet building and well system, and a redone road system.

All funding came from the state's Stewardship Program.

The project became part of the Northern Unit's master plan. Work started in late fall 2007 and was finished last spring, but Leiterman and staff decided to wait until the turf grew up a bit and re-opened

the campground this spring.

"We wanted to make sure we protected the infrastructure long enough," Leiterman said. "It was a smart move."

The campground now has 22 family sites that each hold six people, and three group sites that each hold 20. Each section covers about four acres.

The old campground didn't meet the standards for today's vehicles and trailers.

"Through the planning process and construction we were able to meet those needs," Leiterman said.

In addition, two local groups - the Northern Kettle Moraine Horse Trail Association and Plymouth Trail Riders - worked with forest management to design and fund some amenities. They put in 10x10-foot pipe corrals to allow horses to be stabled in a safe environment, and remodeled an existing covered stable facility.

"We greatly appreciate the support," Leiterman said.

Word is starting to get out about the newly reopened facility.

"Memorial Day weekend we're completely full," Leiterman said. "This coming weekend we have some openings." Leiterman recommends making reservations to camp on weekends. Campers may call toll free at 1888-947-2757 or go online at http://www.wiparks.com

The campground is located about two miles south of Dundee. A sign on Highway SS guides campers to an entrance road. Those enjoying the Northern Unit of The Kettle Moraine State Forest will be greeted with improvements to three of the forest's facilities. The top photos show the new trail that connects Long Lake and Mauthe Lake Recreation Areas. The left photo is just outside of Dundee while the right is between Dundee and New Prospect. Above is a view of the horse riders camp located in New Prospect that has undergone a two-year renovation project.

# West Bend Clinic Welcomes New Physicians

### Jeff Goza, MD - Pediatrics

"I pride myself on providing quality, attentive care from birth to adolescence with just the right amount of patience and guidance. These years are some of the most important years of life, and I enjoy working as a source of assistance and trust with my patients and their families. My goal is to achieve the beginning of a happy, healthy life for every child I see."

Dr. Goza's professional interests include general pediatrics, adolescent medicine, preventive care and sports medicine. He sees patients at West Bend Clinic - South.

### John Haeberlin, MD - General Surgery

"I believe as a health care professional, the same as in life, that if you treat people as you would want to be treated, you will always do the right thing."

Dr. Haeberlin is trained in advanced laparoscopic surgery from Duke University in Durham, NC, and specializes in VNUS ablation for varicose veins, upper and lower endoscopy, and sterotactic and ultrasound guided breast biopsy. His professional interests include cancer care and teaching. He sees patients at West Bend Clinic - South.

### Donald Muth, MD - Internal Medicine

"I work with patients to accomplish their overall health goals. I enjoy the health education process and take time to answer questions and concerns. A positive attitude and quality medical care is very important in establishing a great rapport, trust and respect with my patients and their families."

Dr. Muth is an internist with over 30 years experience in general internal medicine in a multi-specialty clinic setting. He has practiced in the Washington County area for many years in all disciplines of internal medicine. His professional interests include diagnosis and treatment of cardiac disease and rehabilitation.

### Madhuri Trivedi, MD - Gastroenterology

"Addressing and helping improve the digestive health of all patients is very important to me. I also have a special interest in helping female patients with their gastrointestinal health issues."

Dr. Trivedi emphasizes preventive health care in gastroenterology for both men and women including colorectal cancer and Barrett's Esophagus screenings. Her professional interests include treating health conditions pertaining to stomach, digestive tract and the liver.

### Tiffany Pifel, MD - Endocrinology

"I treat each patient as if they were one of my own family members. I provide the care, compassion, and understanding that I would want for my family."

Dr. Pifel's professional interests include treating endocrine disorders such as diabetes mellitus, thyroid and calcium disorders, metabolic bone disease and menstrual disorders. # TELLER THEISEN SAYS '40 YEARS FLEW BY'

Linda Theisen of Kewaskum recently celebrated 40 years of banking at National City Bank in Kewaskum. The bank's names, buildings and technology has changed but Theisen's smiling face and willingness to help her customers has remained constant.

For the Statesman

**KEWASKUM-** In the last 40 years, it has had six parent companies, two locations and countless changes to financial systems.

One element, however, has been a constant at the bank branch in Kewaskum now known as National City.

Linda Theisen.

The customer service specialist, once known as a teller, began working part-time at the bank as a senior in high school in April 1969. Not long after graduation she moved to full time and never left.

Theisen remembers her start. Her guidance counselor, the late Ernie Mitchell, told her the bank, then Bank of Kewaskum, had an opening and she should apply. She took her resume she created in typing class and met with bank president the late Wayland Tessar.

"I started that week," Theisen said.

Her first job was to roll coins by hand in the corner of the bank, then on Main Street (Highway 28) in a three-story building, the present location of the downtown village parking. Through a window, she watched people grocery shop at the old Marx's Sentry also located in what is now the downtown parking lot.

Theisen soon progressed to hand sorting checks, then to teller. Young children parents used to place on top of the teller counter turned into parents themselves, and eventually grandparents. Theisen has served them all.

"I love what I do and I love the customer interaction," she said. "Forty years flew by. Really, when I think about being 18 years old. It's been fun and it will continue."

It's a long career for someone who didn't know what she wanted to do when she grew up. Theisen figured she would work in a factory, not a bank.

"Evidently, Mr. Mitchell saw something in me that I didn't," she said.

Turns out he wasn't the only one, and while Theisen is the bank's most experienced employee, it's not by that much.

"Linda is an absolute joy. It is clear that Linda's passion is customer service. She's tried other positions in the branch and she's always come back to being a frontline person," said Jackie Burtard, Theisen's branch manager the past 29

years.

"She comes into work and she's normally whistling. I wish everybody could have that outlook," Burtard said.

Teller supervisor Deb Doherty has worked with Theisen for even longer - 34 years. She's been her supervisor since 1988.

"Linda is wonderful. She has a huge customer following," Doherty said. "She is very devoted and dedicated to the bank. She always has been. She will go over and above what is expected to make the day better."

The two coworkers have become good friends.

"Linda and I have this joke going on - we've worked together so long we can almost finish each other's sentences," Doherty said. "We kid when one of us retires, we're both going on the same day. We can't imagine working here without one or the other."

The pair's effort, attitude and longevity come in handy in a financial industry that has seen ownership changes and has weathered good and bad economies.

"I've got longevity on my staff. That familiar face through transitions and acquisitions - builds trust," Burtard said. "(Theisen) helps them through change – they know they can trust her. What she has said to them over the course of the years, they have no reason not to."

Customer service representative Joyce Kral has worked with Theisen for two years but has known her much longer. Theisen helped show her the ropes, which Kral said provided "a very high comfort level because you know you're being taught by someone who has an established record for a very long time."

"From a banking standpoint she puts her customers and the people she works with at ease with change. She makes her customers feel very comfortable and assures them she will be there for them," Kral said.

Theisen herself gives credit to past companies for keeping staff. While the products and systems change, seeing the same faces every day makes it easier, she said.

But not seeing the same machines. Some change is for the better.

"When I started everything was done manually. We used to use an adding machine at the end of the day," she said. "Now we're on highspeed computers."

Regardless of the changes in process and procedure, customers like good people behind that counter.

"I think customers still want to know that the people they're banking with are trustworthy and looking out for their welfare," Theisen said.

Customers and the community alike see Theisen plenty of places besides the bank. Theisen has been on the Kewaskum Area Chamber of Commerce Board of Directors as an officer, including president, for 15 years. She often works at the annual Kiwanis Turkey Shoot and has worked for Breakfast on the Farm for

20 years.

"She is dedicated to the community; she is dedicated to the bank," Kral said. "As president of the Chamber, she was a good leader. If there was something going on, she was always there. I can tell you she's a joy to work with both inside and outside the bank."

"Work is Linda's life. Work and her community," Burtard said. "I've been very lucky Linda's been involved in the community. She's always been an advocate of the bank in the community."

In the rest of her spare time, Theisen bowls, fishes and works on her yard.

"No matter where I go I always find somebody I know or have someone stop me," she said.

The New Fane native moved to St. Michaels when she was 14 and to the village five years ago.

"Now I can walk or bicycle into work," she said."

Theisen lives with her mother, and often makes time for family. Three sisters and one brother live in the area.

She gets together with other "relatives" once a month. Past bank employees reminisce about old times.

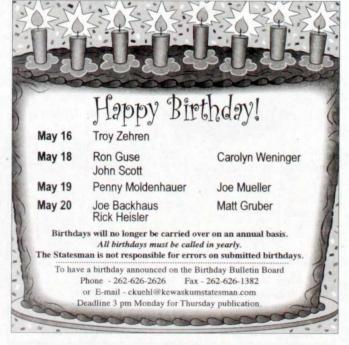

"It's like family," Theisen said. "The support that we give to each other is immeasurable."

To celebrate her 40 years, the staff threw Theisen a surprise party on May 1, complete with cake, customers and balloons, "and a terrific memory board from way back when," Theisen said.

"I'm very grateful. It's been a good ride. I've enjoyed every minute of it," she said.

Theisen joked retirement isn't on the horizon, "unless someone wants to make me an offer

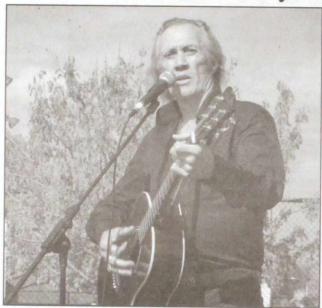

"But I'll take one year a time now. Not 40 in one bunch," she said with a laugh.

### David Carradine to perform at third annual Brick by Brick concert

Brick by Brick for Tanzania!, Inc. announced today that David Carradine and three members of his band, Cosmic Rescue Team, will perform at 7:00 pm on Thursday August 20th, 2009 at the Kewaskum Auditorium in the Kewaskum High School to raise funds for the construction of a preschool in King'ori, Tanzania. This is the third annual concert event held by the organization.

"It's a great honor for me personally to have David and his band playing here for us."

"I grew up being a huge fan and have a great amount of respect for the integrity of his artistry." Carradine is a fourtime Golden Globe nominee and star of over 120 films (including iconic performances as Woody Guthrie in 'Bound for Glory, Cole Younger in 'The Long Riders, Bill in 'Kill Bill parts 1 & 2' and Kwai Chang Caine in TV's 'Kung Fu'). He is an accomplished musician performing on piano, guitar and flute. His CD, 'As Is' garnered strong reviews as have his energetic live performanc-

anchored by the interstellar violin of Sharon Benson, the melodic guitar of Benji Levin, and the steady bass of CJ III. Without Carradine the group performs as 'Soul Dogs' in venues throughout the world. Brick by Brick for Tanzania!, Inc. is a 501(c)(3) tax exempt organization that works with donor communities in the US to build preschools in Tanzania, Africa. In August of 2008, the first Brick by Brick school, the Malaika School in Usa River, Tanzania was dedicated by Carl Fox from Ambassador Mark Green's embassy staff. The Malaika School was funded by Fox Point Lutheran Church, students at Kewaskum Middle School, proceeds from the second annual Fundraising concert (with the Susan Cowsill band) and private donations. Currently there are two schools in development, the King'ori School at the base of Mt. Kilimanjaro and the Young Roses School in rural Arusha.

Tickets for David Carradine and Cosmic Rescue Team at the 3rd Annual Brick by Brick for Tanzania! concert are available at a price of \$10 and can be obtained at the Kewaskum High School, Geidel's Piggly Wiggly or the Westbury Bank (Kewaskum branch). All proceeds will go to Brick by Brick for Tanzania!, Inc. and The King'ori School.

Benefit to be held at High School for mother stricken with cancer

### Village Wide Rummage Sale to be held Memorial Day Weekend

KEWASKUM- It's time to get the garage clean and ready to open as a second-hand store. The village will become a mecca for those in search of bargains on Saturday, May 24 starting at 8 a.m. This year's event will also center on a benefit being held at Kewaskum High School for a local mother diagnosed with cancer.

This year's event will continue the same way it has in the past with the exception of those living outside the village, or those not wanting to clean out their garages, will be able to set up a table in the KHS front parking lot for a \$15 donation to the Carol Wesenberg medical fund. KHS Athletic Trainer Emily Mueller, with the help of some parents, are organizing the benefit at the school.

In addition to hosting those with rummage sales, a brat fry and bake sale will be held. Wesenberg's son Kyle, is a sophomore at KHS and was a member of the junior varsity football team this past fall. "Kyle is such an awesome kid, we want to help his family

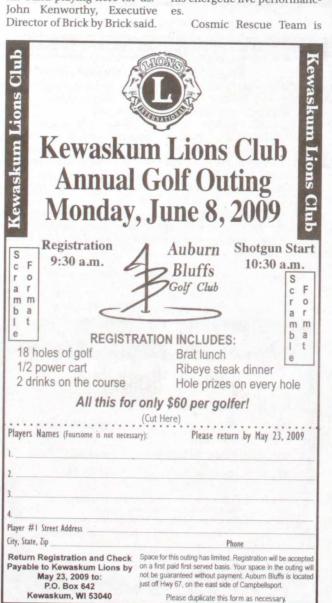

out anyway we can," Mueller stated.

Those interested in setting up at KHS should contact Mueller at (262) 626-8427 x4021. Spaces will be the size of a banquet table.

Peace United Church of Christ will hold a brat and burger fry in the church parking lot off Main Street from 10 a.m. until 2 p.m. Thrivent for Lutherans will again hold their clothing drive. A trailer will be parked on Railroad Street where clothing can be dropped off.

Statesman Publications will again print a special section in the newspaper next week with local merchant's specials and a map and listing of all the garage sales. A trifold brochure with a map will be available the day before the event at local businesses.

Any service groups that wish to hold fundraisers the day of the event should contact Nicole at Statesman Publications so the fundraiser can be promoted. She can be contacted at (262) 483-5330.

### Kettle Moraine Forest kicks off summer programs Memorial weekend

Memorial Day Weekend marks the official start to summer season at the Kettle Moraine State Forest - Northern Unit. Every weekend from Memorial Day weekend through Labor Day is filled with entertaining and educational nature programs for preschoolers through adults. All the programs are free, except some events will be held at locations where a Wisconsin State Park System vehicle admission sticker is required.

This sixteen weeks of sensational summer fun begins on Friday, May 22, at 8:30 p.m. with a night hike on the Zillmer Trails (located off of Hwy SS between Hwy G and Hwy 67 near New Prospect). We will be exploring the dark using all of our senses. On Saturday morning at 9:30 a.m. wander on over to the Ice Age Visitor Center (located off of Hwy 67

half mile west of Dundee) for the Tough-shelled Turtles Exploring Nature Program to uncover what incredible adaptations these reptiles have to survive.

On Saturday afternoon from 1:00 to 4:00 p.m. at the Mauthe Lake Recreation Area (located off of Hwy GGG south of Hwy SS near New Prospect), or on Sunday from 12:00 to 3:00 p.m. at the Long Lake Recreation Area (located off of Division Road north of Hwy F near Dundee), drop in at the beach to discover what animals feel as comfortable living in the forest as they do in our populated cities. You can stop in for a few minutes or stay for an hour.

For the twelfth year, Friends of the Kettle Moraine are sponsoring the Summer Saturday Evening Events. On Saturday evening, May 23, at 7:00 p.m., come to the Ice Age Visitor Center as Tim Stoffel, wildflower and photography enthusiast, presents the program, "Wildflower Beauty and Lore." Besides sharing his lovely images, Mr. Stoffel will pass on his knowledge of wildflower folklore and old-time uses.

Venture outdoors, take the trip to the Kettle Moraine State Forest - Northern Unit, and join us for our fun-filled and educational summer programs. For further information, directions to forest locations, or to request a complete summer schedule, contact the forest staff at the Ice Age Visitor Center. The staff can be reach at (920) 533-8322. The center is open Monday through Friday from 8:30 a.m. to 4:00 p.m., and on Saturday and Sunday from 9:30 a.m. to

### Legion Poppy Days May 15-16

Auxiliary members of the Kewaskum American Legion Auxiliary Unit 384 understand the sacrifice our Armed Forces have made to preserve freedom and to honor past and current service members. Members of the Kewaskum Legion will wear a red Memorial Poppy, a symbol of the price of war and the sacrifice of millions, as a sign of their appreciation this Memorial Day weekend.

The 900,000 members of the American Legion Auxiliary, the world's largest women's patriotic service organization, is asking everyone to wear a Poppy on Memorial Day weekend.

"Wear it in honor of the millions of Americans who have willingly served our nation, all too many of whom made the ultimate sacrifice," said Gwendolyn Dreher, Poppy Chairperson.

The Poppy also honors Wisconsin's disabled veterans at the Zablocki VA Medical Center in Milwaukee who make the red crepe paper Poppy. Wisconsin's Red Poppies provide financial and therapeutic benefit to these veterans, as well as the thousands of veterans and their families who benefit from the donations collected from the distribution of the Auxiliary Poppy.

In the battlefields of Belgium during World War I, poppies grew wild amid the ravages of war. The overturned soils of battle enabled the poppy seeds to be covered, allowing them to grow and forever serve as a reminder of the bloodshed of war.

Please join the Kewaskum American Legion Auxiliary on May 15-16 in recognizing the sacrifice of our veterans by making a donation to the veteran poppy fund and by wearing a red Memorial Poppy this Memorial Day.

The Kewaskum American Legion invites you to attend their Memorial Day Parade at 9:30 a.m. on Monday, May 25. Following the parade will be a service program at 10 a.m. at the Legion Hall, 1538 Fond du Lac Avenue, Kewaskum.

Enjoy the parade, program and food with refreshments.

EDITOR'S NOTE: The wrong dates were submitted to The Statesman by the organizers of the event.

### KMS students to participate in Children's Hospital fundraiser

BY ROBERT WILLMAS KMS Teacher

My 8th grade advisement and I have put together a fundraiser to benefit Children's Hospital of Wisconsin located in Milwaukee. It is in conjunction with 96.5 WKLH's Miracle Marathon, Change Bandits Program which will be on the air for 72 hours beginning next Thursday May, 21st. All proceeds raised will go directly to Children's Hospital.

We are all directly involved with children, we as teachers and staff and yourselves as parents and community members. We all hope to never have to use a place like Children's Hospital, but as we all know, we just do not know what can happen. We are very fortu-nate to have one of the best hospitals in the WORLD in our own backyard, a place, where if need be we can send our children to the best hospital possible for care. Whether it is the flu, broken

arm or something much more serious, it is there for

Over the last two months there have been collection tins in all the classrooms to collect change and we have raised about \$150. My advisement is going to have a PIE THROWING FINALE to end the fundraiser. Students will have the opportunity to toss a pie at a variety of volunteer teachers to raise some more cash. It is my hope that we can raise \$300 or more and a check will be written to Children's Hospital and given to them during the Miracle Marathon.

### LAWRENCE A. ZINGSHEIM

Lawrence A. Zingsheim, age 73 years of West Bend, passed away Thursday, May 7, 2009 at Samaritan Health Care Center.

Larry was born on July 3, 1935 in Theresa to Frank and Leona (nee Hartman) Zingsheim.

He graduated from Mayville High School, class of 1954. He served in the US Army from Oct 1956-1958 and was stationed at Fort Carson, CO as a driver for Colonel Gault from the headquarters company of Combat Engineers. After Larry returned home from his tour of duty, he worked for the West Bend Company. It was there he met his wife Ruth (nee Taylor). They were married on June 25, 1960 in West Bend.

By 1965, he became an interstate truck driver for the West Bend Company. In 1989, he was named "Driver of the Year" by the Ryder Truck Company of Milwaukee. He was chosen from a field of approximately 500 professional drivers serving companies in the Milwaukee area. Larry was honored by the Ryder and West Bend Company officials. Larry retired from the West Bend Company in August of 1997.

Larry was a loyal and devoted husband to Ruth for 48 years; beloved and proud father, loving grandfather and enjoyed spending time with his family and also his dogs.

His favorite pastimes were going up north, fishing, hunting, working on small engines along with woodworking. He was a member of the Barton Sportsman Club, Moose Lodge West Bend, and Holy Trinity Parish of Kewaskum.

Lawrence will be deeply missed by his wife, Ruth; children, Laura Richter of Slinger, Larry Jr. (Cindy) of Kewaskum, and Jeffrey (Sharon) of Campbellsport. He is further survived by his grandchildren, Jena Marie and Jacob Ryan Richter and Samantha Jean Zingsheim; a sister, Ruth Antonioni; nieces; nephews; other relatives and friends.

He is preceded in death by his parents.

A Funeral Service was held on Monday, May 11, 2009 at 6:30 pm at the Phillip Funeral Home Chapel of West Bend with Father Edwin Kornath officiating. Visitation was at the funeral home on Monday, May 11 from 4:00 pm until time of service.

Memorials are appreciated.

The Phillip Funeral Home of West Bend assisted the family.

#### IN MEMORY

In memory of **EDWIN R. BACKUS**, who passed away five years ago, May 10, 2004:

#### I'm There Inside Your HEART

Right now I'm in a different place,

And though we seem apart. I'm closer than I ever was... I'm there inside your heart.

I'm with you when you greet each day And while the sun shines

bright,
I'm there to share the sunsets,

too...

I'm with you every night.

I'm with you when the times are good.

To share a laugh or two, And if a tear should start to fall...

I'll still be there for you.

And when that day arrives That we no longer are apart, I'll smile and hold you close to me...

Forever in my heart.

With Love Your Family

by Jeff Bredenberg

## HOW TO CHEAT GARDENING a n d YARD WORK SHAMELESS TRICKS for GROWING RADICALLY SIMPLE FLOWERS, VEGGIES, LAWNS, LANDSCAPING, and MORE JEFF BREDENBERG

One week's worth of vaca-

All year long, you accumulate hours at work just so you can take a leisurely week off to do what you want. Sure, you have a to-do list for your vacation, but here's what's on it: travel, relax, shop.

Hammock, here you come. So why do you throw away 40 hours of potential vacation each summer?

The average homeowner spends forty-plus hours a year caring for the lawn. Add in the hours spent on a garden, and you've thrown in the dirt more than a vacation's-worth of time.

But making your home look good and growing some fresh food is important, right? So pick up "How to Cheat at Gardening and Yard Work" by Jeff Bredenberg and make your yard and garden work for you, instead of the other way around.

Although cheating at poker is not cool, cheating at gardening and yard maintenance is easy and perfectly acceptable. By "cheating", Bredenberg says he means cutting corners and keeping things fun.

Since you can't grow anything without it, let's start with ity One: The Soil. Before you even think of putting any seed in the ground, you need to stop treating your soil like, uh, dirt and prepare it for planting. That doesn't mean tilling; in fact, gardening experts say you shouldn't till at all. Instead, plan early and use old newspapers and mulch to make tilling unnecessary. If you did your homework, you should have some compost ready, too.

By the way, save your back

on planting day by utilizing a few common things you might have lying around the garage.

As for the lawn, Bredenberg asks simply, when was the last time a fancy magazine was planning to use your home for a photo spread?

Then why obsess? If it's green and it's not hurting anything, let it grow, and mow.

Consider installing automatic sprinklers. Plan your project, think small, and buy only the plants you need. Look into gardening with a raised bed and, if you decide to go that route, be sure to wet the bed often. Recycle. Be a gardening

Thinking the only planting you want to do this year is your fanny in a soft hammock? Before you sink in, take a look at this book. "How to Cheat at Gardening and Yard Work" makes planting, mowing, and cultivating sound like artsy fun.

By consulting dozens of horticulturists, gardeners, and other yard-and-garden experts, author Jeff Bredenberg pulled together hundreds of useful tips to make gardening easier and lawn work not work. Some of POTS. That stands for Prior- the things in here are old news (composting) but many are fresh and unique (plant clover between vegetable rows for a soft, pleasant pathway that will benefit your soil). The ideas are easy for a neophyte gardener to tackle, yet fun for anyone who was born wielding a spade.

Throw down the gloves, grab this book, and let your life go to seed. "How to Cheat at Gardening and Yard Work" is a book you can dig.

## Days Gone By

### 50 Years Ago

March 20, 1959

This area and the entire southern and central portion of Wisconsin were virtually paralyzed by the severe blizzard which battered the state over the weekend. The heavy new fall of drifting snow, swept by 35 to 45 mile per hour winds, stranded four passsenger trains, blocked highways, tied up traffic to almost a complete standstill, marooned hundreds of persons, isolated entire cities and reduced visibilities to zero. The snowfall of six to seven inches, was not the heaviest of the winter but was the worst in years from the standpoint of snarling traffic and paralyzing this area. Because of the high winds, county plows were recalled from the highways Sunday morning until the storm abated.

The Washington County Farmco Co-op took over the management of Koch's Mill in Kewaskum on March 16. A grand opening and open house will be held at the mill from March 23 to 28.

Pvt. Wayne Remmel, son of Mr. and Mrs. Ralph Remmel of Kewaskum, returned home on March 18, after six months of active training with the National Guard at Fort Leonard Wood, Missouri, and Fort Sill. Oklahoma.

A/B Darryl Wesenberg, son of Mr. and Mrs. Walter Wesenberg, Kewaskum, has been transferred from Lackland Air Force Base, San Antonio. Texas, to Amarillo Air Force Base, Amarillo, Texas.

On Palm Sunday, March 22, Confirmation was held at Peace United Church of Christ, Kewaskum. Members of the class are: Carol Ann Erdmann, Carolyn Maedke, Sharon Wesenberg, Douglas Landmann, Ralph Parkin and James Sparks.

Gwen Edwards Kewaskum was among 80 students at the University of Wisconsin who were recently pledged to the Wisconsin chapters of 13 sororities on the UW Campus. Gwen pledged Delta Delta Delta sorority.

The little son of Mr. and Mrs. Earl Etta, Route 2, Kewaskum, was baptized at St. Lucas Lutheran Church on March 8. He was given the name Perry Timothy.

Mr. and Mrs. James Andre, Kewaskum, received the news that a daughter was born on March 17, to Mr. and Mrs. H. Roger Riley of Des Moines, Iowa. Mrs. Riley is the former Vernette Backhaus, daughter of Mrs. Andre. A son was born to Mr. and Mrs. Tom Herman, Kewaskum, on March 15.

Allen Bruessel, Donald erble, Beatrice Vorpahl, Koerble, Beatrice Lorena Vorpahl, Allen Tessar, Marion Ramthun, William Schmidt, James Keller, Lyle Manthei, Donald Mertes, and Robert Schmidt were neither absent nor tardy the past six weeks in the primary room of the Kewaskum School. Lois Koch, Marion Ramthun, Pearl Vorpahl, Rachel Brauchle and Laverne Ramthun were the winners in the "Good Conduct

Those who were neither absent nor tardy in the grammar room of the Kewaskum School during this six week period were: Deane Backus, Willard Manthei, Homer Schaub. Harriet Backhaus, Lyle Belger, Patti Brauchle, Roger Stahl, LaVerne Terlinden, Ray Vyvyan, Evelyn Weddig, Belinda Backhaus, Ida Backus, Lorraine Honeck, Mary Kleinschay, Shirley Manthei, Leroy Marquardt, Erna Lubitz, Wayland Tessar and Virginia

Mahoney. The honor roll consists of grade five -- Belinda Backhaus, Irene Backhaus, Alfred Holzmann, and Lorraine Honeck; grade four -Patti Brauchle, Roger Stahl, Wayland Tessar and Evelyn Weddig; grade three -- Erhardt Schultz and Erna Lubitz.

Bandits were foiled in an attempt to hold up the State Bank in Theresa last week Thursday noon, when assistant cashier, Clarence Bodden. refused to submit to orders that it was a "hold up." Bulletproof glass no doubt saved the life of Mr. Bodden as the bandits before they fled fired three times against the glass. Bodden, not fearing the shooting, bent down and pressed the alarm button and grasped his own weapon and shot at the bandits through a porthole. It is believed that one of the shots fired by Bodden, seriously, if not fatally, wounded one of the bandits.

Sons were born to Mr. and Mrs. Frank Backhaus and to Mr. and Mrs. Harold Matthias, both of Dundee, on Thursday.

# Injuries are taking toll on track teams

JUDY HARLOW

Injuries and illness can play just as big a role in high school track as they do in football. Just ask Jerry Gosa, the head coach for the boys and girls track teams at Kewaskum High School.

For last Friday's annual Vanderpan Invitational at Sheboygan Falls, Gosa got one of his top girls back but was missing another to go along with the three already sidelined by injuries. He also said the stress of the season showed on the boys who have little depth this spring.

"We didn't have Jessie Liniewski in the 200; Brooke Waala couldn't run. She's our best miler. That hurt us ... and Jessie Beaupre (top 800 runner) was out," Gosa said. Their absences, along with the fact Nichole Kison has a stress fracture, took a toll on the KHS total. The Indians had to settle for fifth place, with 76 points, one behind Waupun's 77.

Sheboygan North, a Divi-

sion 1 school, emerged in the No. 1 spot with its 153 points, with Plymouth next at 122.33 points. Sheboygan Falls was third with 97.33.

In the boys end of the competition, Plymouth successfully defended its 2008 title, scoring 136 points, 29 more than Southern Door. Sheboygan North was next at 87.5, and Kewaskum finished sixth with 66.5 points.

The Indians' Jake Dickmann was among a handful of standouts in the boys competition. Dickmann, a senior, won the pole vault with a jump of 13 feet (13-0), and then he soared 6-4 in the high jump to post a double win. His previous best had been 6-0.

"Jake Dickmann did great," Gosa said, reporting he looked over at the high jump and saw the bar at 6-0, then a few minutes later asked someone near him if it was at 6-3. When the answer was affirmative, Gosa said, "And he goes right over it," then does the same at 6-4. Dickmann also had one good

effort at 6-6, the KHS school record, but nicked the bar.

The Lady Indians had just one first, but what a first it was. Junior Haley Gregoriou exploded in the 300-meter hurdles, covering the di stance in 49 and .97 seconds (49.97), her all-time best.

"I knew Haley could go under fifty (seconds)," Gosa said. "She needed more determination early in the race," and she got it.

KHS turned in two efforts that netted second places and other five that earned thirdplace points.

Amanda Witek claimed second place in the high jump after cleared 4-10.75. Liniewski topped 4-10.50 for third.

The 4x200 relay team, comprised of Gregoriou, Anna Butler, Bryanna Keller and Liniewski added a runner-up spot with their time of 1:50.78, 79 of a second behind Sheboygan North.

This was the Indians' fastest time of the year, and they got it with a change in the lineup.

"Anna Butler had done a great job this spring, but it's a tough assignment, running anchor in your first year," Gosa said. Putting the veteran Liniewski at the end worked out just fine.

The same foursome finished third in the=2 04x100 (53.18).

Alissa Clapper has been hoping to clear 10 feet or high in the pole vault but on this day she had to settle for 9-0 and third place. Lacy Taylor was also third in the discus at 99-07 two inches from second, and Candace Beine, back for her first meet after being out with mono, did very well in the triple jump, leaping 31-11.25, good for third.

We're still not at full strength. That's for sure," Gosa said about the girls not being able to finish among the top three teams.

Along with Dickmann, Zach Herriges had a good outing for the boys, placing fifth in the 800 (2:12.23), sixth in the 1,600 (4:57.9) and helping the 4x400 relay (Brandon Zolp, Lucas

Kopeschka and Scott Steldt) to third place (3:35.71).

"Zach ran well," Gosa said. Unfortunately the other relays had uncharacteristically poor days. In the 4x200, Nick Olla had trouble getting the baton from Eric Turowski, nearly stopping to finally grab it, resulting in a fourth place in 1:38.40, and then lightning hit a second time in the 4x100. "The same two guys weren't on the same page. They dropped it (baton)," Gosa said.

Steldt picked up a fifth in the 400 (53.54) and a sixth in the long jump (18-01), while Turowski was sixth in the triple jump (37-03, and freshman Joey Wollner added a sixth in the pole vault, clearing a personal best 10-6 in his first year competing in the event.

We're suffering from a little fatigue," Gosa said, happy there is no meet Friday so his charges will be fresher for the EW Conference meet on Mon-

## A's Struggles

By JUDY HARLOW

After having Saturday's Night League game versus Watertown rained out, the A's traveled to Rubicon for a Rock River league game on Sunday. The A's last win in Rubicon came in the late 90's and today that streak would continue as they dropped a 4-2 game. Rubicon jumped ahead 3-0 in the first inning off of only 1 hit and made those runs hold up for the victory. Dan Shea led A's offensively

going 3x4 with a double and RBI and Jason Strobel and Jon Olla each went 2x4.

The A's cut into the Rubicon 3-0 lead in the top of the third inning. Jim Ziegler led off the inning with a walk and advanced to second on a one out base hit by Jon Olla. A deep fly ball to center advanced the lead runner to third and Dan Shea ripped an RBI single to left to make the score 3-1. Jason Strobel followed with an infield single, but a groundout to the third

basemen ended the Kewaskum threat.

The A's loaded the bases again in the next inning with two outs, but again were unable to get the big hit they needed to get back into the ballgame. The A's would never really mount much of a threat again until

the ninth. With one out in the ninth, Jon Olla ripped a RBI single to cut the lead to 4-2, but a groundball double-play ended the game. Mitch Huffman took the loss tossing 6 1/3 innings and only giving up 3 hits as the A's never recovered to overcome the big first inning by Rubicon.

The loss drops the A's 1-1 on the young season. Kewaskum returns to the field on Friday May 15th at Mayville as they take on the Mallards in a Night League game. The A's will then host Horicon on Sunday in a Rock River league match-up in Kewaskum at 1:30pm.

### Hon-E-Kor Best Ball tourney this weekend

By JUDY HARLOW

Weather forecasts will be more of an interest than sports this week for Larry Sterr, the chairman of the annual 36-hole Hon-E-Kor Bestball Tournament, which will take place on Saturday and Sunday.

"Let's hope the weather holds out," Sterr said Monday evening, reporting on the event won last year by Craig Anderson and Joe Doherty.

Hon-E-Kor took on two inches of rain last Thursday night, Sterr said, still the course looks in good shape. "Jonesy (Korth, Hon-E-Kor owner and greens supervisor) said we're playing the Red and White (Nines).

This is the 25th annual Bestball, according to Sterr, who noted, "I believe we have 43 teams so far, which is five more than we had a year ago and seven more than the previous year."

Among the 43 teams are the 2008 champions, who are both from West Bend.

And who does Sterr, in his third year of running the tour-

nament, think will have a good chance of challenging the Doherty-Anderson dual? "Jonesy (Jim Korth) and Jim Rohlinger look pretty good," Sterr said, adding two other teams in the title mix are Jay Krueger and Jeff Anderson, and Todd Rathkamp and Dale Konieczny. The latter two reside in the Milwaukee

Sterr was not certain which other teams would end up in the Championship Flight. "I'm going to do those (pairings) tomorrow," he said. "We will have eight for sure in the Championship Flight ... the First Flight will the biggest. It always is.

Players will tee off starting at 8 a.m. on Saturday, then on Sunday, the first tee time will be at 10 a.m. The tournament will probably wrap up about 4 p.m.

There will be hole prizes for long drives and long putts, but the specific holes for these events are still to be determined, according to Sterr, who said, "There's also a Ladies Bestball, and right now we have seven teams ... this is the second annual (for the women)."

# Track/field: Indians closing gaps on Plymouth

By Judy Harlow Statesman Correspondent

**KEWASKUM-** Look out Plymouth. Kewaskum's girls track team, even without a few of its top athletes, is making a charge.

After losing to the Panthers in a meet held at Plymouth on April 14, the Indians have shown improvement in many events, and last Tuesday ended in a dead heat with Plymouth in a quad meet held on the Indians' home track. The final score was 82-82, with New Holstein next at 66, and Campbellsport last with 30.

Kewaskum, competing without Jessie Liniewski, Nichole Kison and Candace Beine, came up with a half dozen first places, including a pair of relay wins. The 4x200 unit, comprised of Haley Gregoriou, Tess Bandy, Bryanna Keller and Anna Butler completed the two-lap event in 1 minute, 55 and .40 seconds (1:55.54), and the same unit was victorious in the 4x100 where they were clocked in 54.41.

One of the top highlights came in the discus where Lacy Taylor came up with a mighty heave of 110 feet, 9 inches (110-9), her best of the season by 3 feet, 8 inches.

Amanda Witek continues to shine in the high jump, clearing 4-10 for first place, and Keller, who had been a very pleasant surprise since moving into the relays, won the 100-meter dash with a time of 14.38.

Win No. 6 was provided by Gregoriou, who came in with an impressive 50.92 in the tough 300 hurdles. Gosa is anticipating she will dip under the 50-second mark this spring.

Kewaskum also posted four sec-

ond places in the following events: 200 — Tess Bandy, 30.02; pole vault — Karla Stoffel, 8-0; triple jump — Keller, 30-03.5; and 4x400 relay (Heather Schmitt, Megan Ringwell, Sarah McWilliams and Ashley Roeske, 4:29.17.

The thirds were provided by Brittany Wagner in the 100 (14.88); Schmitt in the 400 (1:05.92); Jessica Beaupre in the 800 (2:44.18); and Grace Pok in the 100 hurdles (20.24).

While the boys were unable to overtake Plymouth, they were very competitive, taking second place. The Panthers won with 81 points and Kewaskum was on their heels with 74. New Holstein finished third with 65 and Campbellsport was fourth at 40.

The Indians came up with five first places, including two by senior Jake Dickmann, who cleared 12-6 in the pole vault and 5-10 in the high jump.

The sprint relay teams also had good days. Eric Turowski, Nick Olla, Mat Toles and Eric Perkins were the fastest in the 4x200 with their time of 1:36.93 and later they added another win in the 4x100 with a good effort of 48.65.

Junior Scott Steldt continues to shine. He won the 200 in 24.38, with teammate Brandon Zolp next in 24.68.

The two finished 2-3, respectively, in the 400 with their times of 52.93 and 54.43. Steldt's time was his best of the season.

Perkins, a freshman who didn't compete in track last year, was clocked in 12.32 in the 100, good for second; T.J. Schlice was second in the high jump (5-10), and the team's other second was provided by Zach Herriges in the 800 (2:10.74). He also took third in the 1,600, running a 5:03.18.

Other thirds were provided by: Jim

The Indians' Tess Bandy helped her 4x200 teammates complete their race in 1:55.54 during a meet at home Tuesday, May 5.

The Eastern Wisconsin Conference Meet will be held at Sheboygan Falls on Monday, May 18.

### Boys golf: Golfers losing grip on 2nd

By Judy Harlow Statesman Correspondent

Not even close.

The Kewaskum High School golfers had hoped to challenge Plymouth and Kiel at Thursday's sixth Eastern Wisconsin Conference (EWC) mini-meet of the year at Two Rivers, but they were unable to mount a charge.

Plymouth scorched the Fox Hills Nationals course with a score of 149 and the surging Raiders also had an impressive 155 total. The Indians were far back at 171 but did manage to take third, which keeps their second-place league hopes alive

Leading the way for Plymouth was medalist Geno Kiela, who fired a 1-under par 34. Next came Kiel's fine junior Brandon Gries with a 36, and in third was Justin Pusateri, who carded a 37.

For the Indians, sophomore Max Dorn was low with a 41. "This was just his fourth varsity match and his second in the conference," KHS coach Glenn Eichstedt said, optimistic Dorn can continued to do well in varsity competition.

Nick Gutbrod and Mike Korth were next with 43s, followed by Ethan Geidel's 44.

"Realistically, Kiel has

been improving all season," Eichstedt said. "They are in a good position, and unfortunately we play at their course on Wednesday."

The EWC teams have three competitions left, and the KHS coach isn't sure the Indians will be able to make up any ground at Waupun or Kiel, but perhaps they can at the 18-hole EWC tournament, which will be held on a neutral Rolling Meadows (Fond du Lac) course.

Currently Plymouth has eight points; Kiel has 16, and the Indians 18.

#### Indians struggle to 6th

On Monday afternoon, playing at Quit Qui Oc in Elkhart Lake, the Indians had their worst outing of the year, finishing sixth in the EWC mini-meet hosted by Plymouth.

Plymouth won the meet with 159 strokes, ahead of Kiel's 165. Then came two Rivers with a 172, New Holstein 173, Sheboygan Falls 175 and Kewaskum 175. KHS lost the tiebreaker because Falls' fifth man came in with a 48 while Jeremy Neuenfeld shot a 50.

Coach Glenn Eichstedt said it came down to a matter of "making some poor decisions on club selections in the past threes" on No. 4 and No.

Eichstedt said he told his players to aid to hit in front of certain greens because they are so hard, and still many tried to hit on and ended up bouncing way over, leading to bogeys and higher.

Geidel finished third overall with a 37. His score was actually tied for second low, but he lost in the EWC's tie breaking system.

Seniors Nick Gutbrod and Mike Korth were next at 44 and 45, then came freshman Tony Gonring with a 49.

Kiel's Brandon Gries was the medalist with his 1-underpar

With the results, Kiel moved ahead of the Indians in the battle for second place. Plymouth currently had 7 points, with Kiel next at 14 and the Indians in third with 15. All the other teams are in the 20s and 30s.

The bats are coming alive for Kewaskum's girls softball team as they move up to fifth in the Eastern Wisconsin Conference. On the road last week, the team produced doubleheader sweeps over rival Campbellsport and Sheboygan Falls.

Coming off some wins from the Reedsburg Tournament held the weekend before, the ladies traveled to Campbellsport bringing back with them a 7-2 and 2-1 win against the EWC's number two ranked Cougars.

In the first game, Erika Heberer provided two runs for the girls followed by Brandi Wagner, Monica "Mo" Dehler, Shaylah Haire, Erika "Rosie" Koffke, Christa Theisen and Brittany Brodzeller.

Wagner provided hits that brought in two of those runs while Dehler, Haire and Abby Amerling also helping with an RBI a piece.

Scoring happened in the fifth as Brodzeller scored on a pop fly by Haire. Wagner set the field on fire with her triple in the top of the fifth. It was also in the fifth where the

It was also in the fifth where the Cougars got themselves on the board with a triple to center by Brittany Narges who gave Aubrey Hart a chance to score.

Courtney Meyer provided decent pitching the entire game, giving eight hits, six strikeouts and two walks.

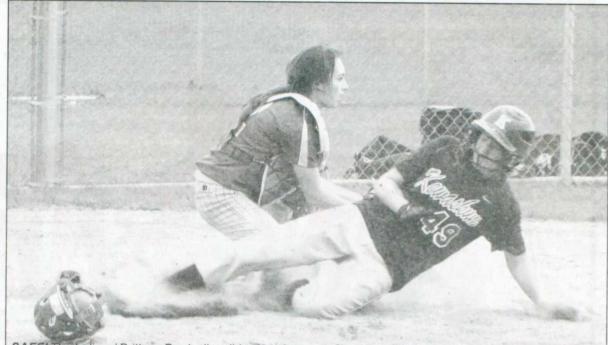

Starting their second game with the confidence boosting win, the girls maintained an increased push from the Cougars who tightened up their defense and brought a little more determination to offense.

The sixth inning started with a zero score for both however that changed as the Cougars' Courtney Lienen scored on a line drive by Chrissy Immel that was missed by Wagner and recovered by Dehler.

The Indians also came alive in the sixth as Wagner and Haire scored on hits by Koffke and Amerling.

Meyer continued decent pitching all seven innings, although definitely showed wear in the sixth. During the second game, she allowed six hits, four walks and three strike outs.

"I am very proud for the way the gals played, it would have been very easy for them to have shut down, instead they played their best ball of the year. I am extremely happy for Courtney Meyer, she pitched two very dominating games, keeping us in both. Behind her, we played as a team, making

key defensive plays and getting the big hit when the opportunity presented itself," stated coach Jeff Gosse.

Kewaskum 8, Sheboygan Falls 7 Kewaskum 15, Sheboygan Falls 2 Friday, May 8- Sheboygan Falls

Meeting up for a double header with the EWC's last ranked Falcons the ladies won a close first game and mercy ruled the Falcons in the second.

Haire started a fire in the top of the sixth as a slam to far left field gave her a home run and an RBI to put the Indians ahead 3-2. A foul ball by Amerling allowed Melissa Rodenkirch to score.

The inning continued as an Amerling double brought Koffke to homeplate. Koffke was then called for taking off her helmet too early. The inning ended with the Indians ahead 5-2.

The bottom of the sixth provided a different story. The Indians encountered some problems as the Falcons scored five times bringing the score to 7-5 in the Falcons' favor. Errors and a tired Meyer contributed to the contrasting inning.

Bound and determined, Haire again fired off a home-run ball to left field. The homer allowed Dehler and Heberer to also score bringing the Indians back ahead of the game.

Heberer provided relief pitching in the seventh and quickly ended the inning with two strikeouts after a Falcon pop fly was caught. Haire was on fire as she gave the Indians three runs and five RBIs during the game. When asked what set her on fire she stated, "During the game my brother came in and motivated me, he told me to settle down and play smart."

Dehler was also stellar as she provided two runs. Amerling and Wagner gave an RBI a piece. Meyer assisted with nine strikeouts and allowed seven hits and five walks.

Taking to the field in the bottom of the first The Indians were the first to score as Dehler came in off a single by Wagner. The Indians gathered two more as a Heberer line drive down center field brought in Wagner and Koffke. Heberer came home a little later off a Falcon wild pitch that brought the score to 4-0 in the Indians favor.

Dehler was the first to score in second off a Haire single. Heberer popped out a single allowing Haire and Wagner to score. The inning ended 7-0.

The top of the third was sweet as the Indians followed the "Three up, three down!" shouts from the crowd. At bat the Indians were just as effective as Faber cracked out a grounder for a home-run bringing Liz Schaller and Dehler with her.

During the same inning, a Wagner single brought Haire home after she was walked to first and stole second. Wagner would later score from a Koffke triple after stealing second and third. A single from Heberer then brought Koffke home.

At bat again Schaller smacked a triple to center bringing Heberer and Haylie Hansen home. Dehler ended the inning 15-0 as her hit was caught in a decent play by the Falcons' pitcher.

The Falcons scored their first and second run in the fourth bringing the score 15-2. The Indians were scoreless

The Falcons were given another chance to score in the fifth so the mercy rule would not come in to play. However, Heberer quickly threw two strikeouts and Dehler caught a popfly ending the game.

Because the Indians were more than seven runs ahead after the fifth the rule came into play.

Heberer had a great game on the mound allowing Meyer a rest. She had seven strikeouts and gave up only two hits and three walks. Heberer also led the game in RBIs giving a total of five. Gosse stated the ladies won the

Gosse stated the ladies won the Reedsburg Tournament held May 2. They defeated Ithica 4 -2, and Madison Edgewood 7 - 2.

A tournament at home was cancelled over the weekend due to weather.

The team was set to travel to Elkhart Lake this past Monday and will play at home against Plymouth today at 4:30.
