Lady Indians Soccer team makes history

Regional CHAMPS

The Kewaskum Indians' Girls Soccer team made history Saturday as the school's first team to ever make it to round two of regional play. They took it one step further and captured a win over the Port Washington Pirates and will now advance to Sectionals at Kiel today against The Sheboygan Falls Falcons. Shown above are team members with their award. Front row, left to right: Amanda Osswald, Amber Struck, Lindy Taylor, Christine Bohn, Jess Smallish, Lindsay Krautkramer, Vanessa Schellinger and Karissa Uelmen. Back row: Coach Amy Piwoni, Jessi Martin, Andie Hoss, Tanya Hesprich, Anna Larson, Jocelyn Chambers, Elissa Miller, Heather Schaller, Paige Lightner, Sam Smallish and Jenna Buker. Dickmann, Witek advance to state track meet

By Judy Harlow
Statesman Correspondent

WHITEWATER-The benchmarks were unusually high at the Division 2 Sectional last Friday, resulting in a major elimination of Kewaskum's track and field teams entrants who had their hopes set on qualifying for the state competition.

Only Jake Dickmann and Amanda Witek finished among the top four in their events to punch their tickets for the trip to La Crosse with the elite track and field athletes from around the state.

Dickmann cleared a personal best 13 feet, 6 inches (13-6) to win the pole vault competition, while Witek was involved in a three-way tie for second in the high jump after clearing 5-0. Both are competing tomorrow (Friday).

"It (Whitewater) was a very tough sectional," admitted coach Jerry Gosa.

Dickmann was up to the challenge, except for a little glitch at 12-6. "Jake had two missed at 12-6," Gosa said, noting he couldn't watch the third attempt but knew his vaulter made it when there was no noise the

bar usually makes when it hits the ground.

"Jake then made 13-0, I believe it was on his second try," Gosa went on, and then he went over at 13-6 to take first place. With the state berth secure, Dickmann chose to have the bar placed at 14-1, and, "He had one good attempt at 14-1."

Looking at the state field, Gosa reported he is the fourth seed behind a pair of 14 footers.

After finishing fourth (4-10) in the Eastern Wisconsin Conference meet, Witek really came on strong in the regional, going 5-1 and the sectional.

I think she made five feet on her first jump," Gosa said. "Half the battle is peaking at the right time," and Witek is doing just that.

Among the near misses were Haley Gregoriou and Jessie Liniewski in the 300-meter hurdles and 200, respectively.

Gregoriou, a junior, was clocked in 47 and .87 seconds (47.87) in the event, her personal best by two seconds. Still she had to settle for fifth place.

The senior Liniewski placed sixth in the 200, running a 27.23 in the fi-

nals after being clocked in 27.49 in the prelims.

"That was her fastest time ever," Gosa said, noting it took a 26.93 for fourth.

Liniewski also placed eighth in the high jump (4-10).

The major disappointments, started with the boys' 4x200 relay (Eric Turowski, Nick Olla, Brandon Zolp and Mat Toles, Nick Olla), which appeared to have the fourth best time only to be disqualified.

"They went for broke," Gosa said. The fourth place team was New Berlin West. They (Indian runners) beat them (West), but then they were disqualified" for being out of the zone on the third exchange.

Kewaskum wasn't the only team to be disqualified. There were four others in the two heats, according to Gosa, who said, "We went under 1:35," which would have easily been their fastest time of the season.

The Indians had more handoff problems later, in the 4x100 relay, and they were also DQ'ed.

The girls ran into similar problems. In the 4x200, Gregoriou, Bry-

KHS student accused of adding drug to rice krispie square

By Andrew Kuehl

KEWASKUM-A Kewaskum High School student is accused of adding marijuana to rice krispie squares brought as a lunch treat. KHS Associate Principal Kristine Dreher reported that the school was unable to substantiate the story because of a lack of evidence.

The student is said to have brought the rice krispie squares on May 8. School administration learned of the incident after a student made them aware of the situation.

Dreher stated that the student has not been expelled due to a lack of evidence.

Kewaskum Police Chief Dick Knoebel confirmed his department investigated the case on May 15 but it was brought to their attention too late and evidence could not be obtained.

A police report stated a freshman student purchased two of the treats for \$10 in a school bathroom. He didn't like the taste so he threw it in the garbage and gave one to another student. Two other students are said to have shared a treat.

The report also indicated that statements from the students were taken by school officials who refused to turn the statements over to police. After asking for the statements on numerous occasions the police officer was given a letter on school district letterhead stating the district's legal counsel advised them not to turn over the statements.

Eagle Scout project benefits YMCA Camp Matawa

Erik Adkins poses with his Eagle Scout project, a ramp and platform for YMCA Camp Matawa, which makes it easier for riders to get on and off horses.

NEW FANE- Last year, a girl broke her wrist helping someone get on a horse at YMCA Camp Matawa.

That likely won't happen again, thanks to Erik Adkins' Eagle Scout project.

The West Bend West junior

built a ramp and platform for riders to get on horses without having to step up. Now, they just step over.

"It's working fantastically," said Wendy Mieske, senior program director at the camp. Students with special needs who couldn't ride horses last year now have the chance.

"We've definitely seen

more kids that were here last year that didn't ride get on a horse because of this ramp," Mieske said.

Adkins has ridden horses before, and his sisters volunteer at Rides and Reins, a therapeutic equestrian center in Slinger. He contacted Camp Matawa looking for an Eagle Scout project, and chose the

ramp.

Adkins sent letters to friends, family and businesses seeking funds for the project, and received \$600 - well more than needed for supplies. Leftover money was given to Camp Matawa for scholarships.

In winter, Adkins went to Free S.P.I.R.I.T. Riders in Fond du Lac to do research on its ramp. He came back with plans and dimensions, bought the wood and got to work.

Adkins designed the platform so riders get on horses on the side, not the end, so two people can assist instead of one.

With help, Adkins stained the lumber, put on railings and assembled the 12-foot ramp and 6-foot platform at Country Cabinetry. Business owner Ed Fowell helped build it, and the YMCA transported it to the camp.

Adkins' sister, Jennifer, painted the camp logo on the side.

The five-month project took between 40 and 60 hours.

Adkins was on hand during the first two days the ramp was used to see his work in ac-

tion.

"I kinda like that they're enjoying it so much," he said. "They love riding horses now." "Everybody was thrilled," said Erik's mother, Carol, who beamed at her son's accomplishment. "Some of the kids that just didn't want to ride a horse changed their mind and were one of the first ones on there."

"It's safer for us, safer for the horses and safer for the participants," Mieske said.

Spring time is bike time

The Kewaskum Police Department would like to take this time to remind everyone about bicycle safety and laws pertaining to them.

Wis. §346.03(9), Rules of the Road, states: "Subject to the special provisions applicable to bicycles, every person riding a bicycle upon a roadway is granted all the rights and is subject to all the duties which this chapter grants or applies to the operator of a vehicle..." In short, this means that all laws pertaining to motor vehicles apply to bicycles, including, but not limited to: Riding on the right side of the road, abiding by all traffic signs and signals, riding single file, etc. NOTE: In the event a child needs to ride on the sidewalk due to safety reasons, they should be aware that pedestrians have the right of way and ride only in single file.

Also, Village of Kewaskum ordinances require that all bicycles operated on the streets of Kewaskum to have a current license affixed to them. The cost of these licenses, which are non-expiring, is \$5.00. They can be obtained at the Municipal Building between the hours of 8:00 a.m. and 3:00 p.m.

A few safety tips to ev-

eryone operating a bicycle are: Keep your bike in good working order, wear a helmet, wear bright colored clothing to make it easier for motorist to spot you, put a safety flag on your bike, ride single file, be aware of the area you are riding in and be ready to take evasive action if an obstacle

appears and make sure the bike is the right size for the person riding it.

If we all follow these rules and safety tips we should have a safe bicycle season.

Grafton man killed in bike crash

Washington County's sixth traffic fatality came after two motorcycles collided at 9:21 a.m. Friday, May 29, in the Town of Wayne on County Highway D just west of County Highway W. Sheriff's deputies at the scene observed two Harley Davidson motorcycles laying on the roadway and CPR was being administered to one of the drivers by a nurse who had come upon the scene. Sergeant Randy Boudry reported the two drivers had been traveling together when the lead cycle, driven by Roger Paul, 64, of Hubertus slowed down and was struck from behind by the second cycle driven by Frank Bednarek, 63, of Grafton. Paul sustained a minor hand injury. He was treated and released from St. Joseph's Hospital in West Bend. Bednarek was pronounced dead at the scene by the Washington County Medical Examiner. Authorities do not feel that excessive speeds or alcohol were present or contributed in this crash. An autopsy performed on Mr. Bednarek determined that he died as a result of injuries sustained in the crash.

Lions club inducts new officers

Shown above are the 2009-2010 officers of the Kewaskum Lions Club.

The Kewaskum Lions Club held their Incoming Officers Installation dinner at the Amerahn on Sunday May 31st.

At this dinner a check for \$250 was presented to Kyle Wegner, a student at Kewaskum High School. Kyle, along with 25 other students, entered a design in the club's pin design contest back in December. Kyle's arrowhead design was chosen and has been made into a lapel pin. The pin displays the record of the Kewaskum Indians Varsity football team, and will be distributed to the players and coaches. Additional pins will be for sale to the public through the Lions Club at a price of \$3 per pin.

Also at this dinner, Kewaskum Lions club member Lion Robert Staehler was pre-

sented with a Melvin Jones Fellowship for his hard work and dedication to the causes of the club and Lions International. Robert is one of only two remaining charter members of the Kewaskum Lions Club, which was started in 1970. The Melvin Jones Fellowship is named in honor of the founder of Lions Club International, Melvin Jones. The fellowship was established as Lions Club International Foundation's highest form of recognition to acknowledge an individual's dedication to humanitarian service. Robert's name will now be added to the list of Melvin Jones Fellows that is displayed on the wall of the LCIF headquarters.

Zone Chairman, Lion Brian Kleinke installed the club officers for the upcoming year. The

newly installed officer's of the Kewaskum Lions club are: Earl Kleinke (president), Deb Mantz (secretary), Mary Forcier (treasurer), Mark Tauschek (1st Vice president), Clayton Stautz (2nd Vice President), Corey Forcier (Taittwister), Roger Schleif (Lion Tamer), Brian Kleinke (Board of Directors), Chuck Kleinke (Board of Directors), Dale Squier (Board of Directors) Kathy Broecker (Membership chairperson). If you have any questions about how to become a Lions club member, want any information on the clubs fundraising events, or just want to know more about what Lions clubs do, contact any of the Lions listed above or visit the Kewaskum Lions Club website: www.kewaskumlionsclub.org.

Promotions announced at Convent

Kerry Schumacher, RN, BSN

Lori Galligan

The Board of Directors and administration of St. Joseph Convent - Campbellsport is pleased to announce two leadership promotions.

Mrs. Kerry Schumacher, RN, BSN has been promoted to the position of Associate Administrator - Director of Nursing (DON). Schumacher has served at the convent for 8 1/2 years as the Director of Health Services. The Health Services Department at St. Joseph is the largest department with eighty-five nursing staff members. More recently, Schumacher also directed the Activity Department and the Wellness Department in addition to her nursing leadership role. In her new role, Schumacher will retain her current responsibilities and will assume more administrative responsibilities.

According to Michael Kurtz, Administrator at St. Joseph: "Kerry has been my right-hand person for the four years that I've been here. She has a wealth of clinical experience and is an excellent leader. This promotion is a natural progression in her health care career."

Schumacher has over 30 years of leadership experience in the long-term care environment, having previously served at facilities in Fond du Lac and Oshkosh. Kerry and her husband Gary have two adult children and two

grandchildren.

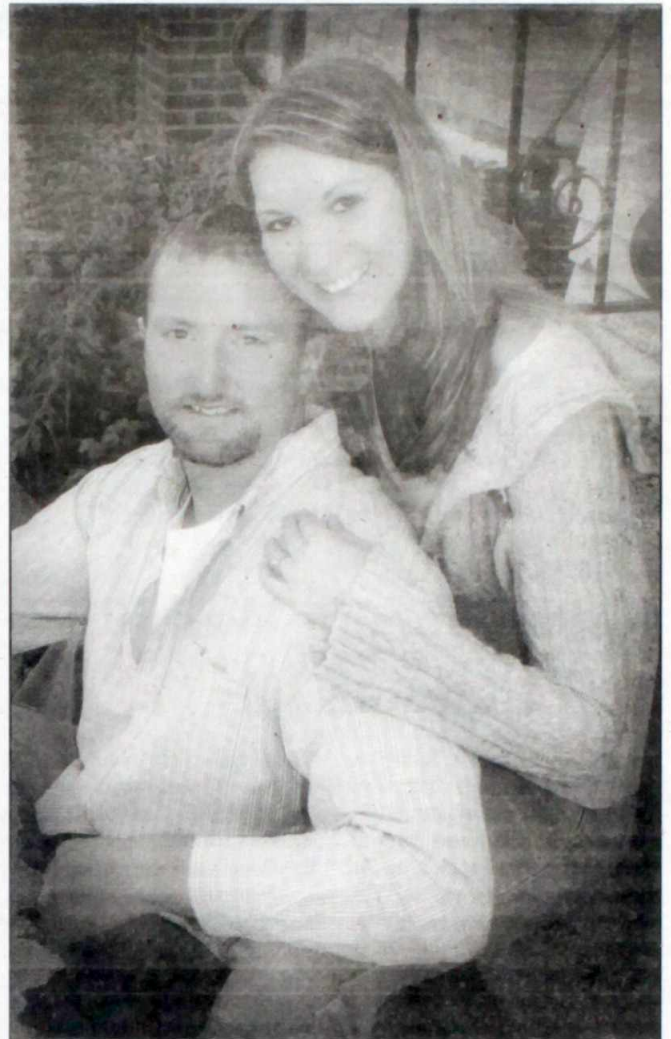

Mrs. Lori Galligan has been promoted to the position of Director of Business Services. Galligan earned an accounting degree from MPTC and has served at St. Joseph for thirteen years, first as purchasing agent and for the last three years as Financial Coordinator. In her new role Galligan will direct reporting, purchasing, cash management, and billing as well as administrative responsibilities for the gift shop and beauty parlor.

Kurtz stated: "Lori has honed her leadership skills for the last several years and is well-suited to lead our business operations."

Lori and her husband George are longtime Campbellsport residents and have four children.

St. Joseph Convent - Campbellsport is home to nearly 160 retired Sisters of St. Francis (SSSF) and three other religious orders. The convent and the SSSF community recently celebrated their 135th anniversary of founding in Campbellsport, WI, then known as New Castle. The SSSF are now a world-wide religious community with 1,048 Sisters and 150 associates serving in North America, Latin America, Europe and India.

Flasch-Wettstein

David and Cynthia Flasch of Kewaskum are pleased to announce the engagement of their daughter, Lisa of Campbellsport, to Michael Wettstein, son of George and Joan Wettstein.

Lisa is a 2002 graduate of Kewaskum High School and a 2007 graduate of Marian College where she earned

a Bachelors of Social Work. She is employed by Brooke Industries as a Work Skills Coordinator.

Lickel releases second book

Lisa Lickel of rural Farmington, author of the mystery, *The Gold Standard*, announces her next novel, *Healing Grace*, was released for sale on June 1.

Healing Grace is the story of a woman's search for redemption. Grace Runyan was blessed with an extraordinary gift. She could fix anyone, until her husband got sick and died. Blaming herself, Grace tried to run far enough so that even God wouldn't find her. Determined to start over with a new life in Michigan, Grace ran into another sick man who desperately needed her help. How could God be so cruel? Grace's new neighbor and his little boy help her find forgiveness and acceptance of who she is, and to Whom she be-

longs.

Healing Grace is available at Fireside Books and Gifts in West Bend.

The book is a recommended book club read, and the author is available to attend meetings in person or by teleconference. Reading guide questions are included.

A special party to launch the book is being sponsored by the Boltonville Book Club on Wednesday, June 10 at 7:30 PM at the Boltonville

Fire Station, one block west of Marshall's Country Corner gas station on Highway 144 in Farmington.

Books will be available for purchase at a 20% discount that evening. Join in for cake and book discussion!

Stroke and Osteoporosis screening at St. Michael's Church June 10

Residents living in and around the Kewaskum community can be screened to reduce their risk of having a stroke or bone fracture. St. Michael's Church will host Life Line Screening on June 10. The site is located at 8883 Forest View Rd. in Kewaskum. Appointments begin at 9 a.m.

Four key points every person needs to know:

1. Stroke is the third leading cause of death and a leading cause of permanent disability.

2. 80% of stroke victims

had no apparent warning signs prior to their stroke.

3. Preventive ultrasound screenings can help you avoid a stroke.

4. Screenings are fast, noninvasive, painless, affordable and convenient.

Screenings identify potential cardiovascular conditions such as blocked arteries and irregular heart rhythm, abdominal aortic aneurysms and hardening of the arteries in the legs, which is a strong predictor of heart disease. A bone density screening to as-

sess osteoporosis risk is also offered and is appropriate for both men and women.

Packages start at \$139. All five screenings take 60-90 minutes to complete. For more information regarding the screenings or to schedule an appointment, call 1-877-237-1287 or visit the website at www.lifelinescreening.com. Pre-registration is required.

Life Line Screening was established in 1993, and has since become the nation's leading provider of preventative screenings.

Kettle Moraine Walk/Run for Parkinsons July 11

Do you have a friend or relative who has Parkinsons Disease? Many of us do.

Over 1.5 million people in the US have Parkinsons, of which over 26,000 are in Wisconsin. Parkinsons affects all ages, even some children. Symptoms include slowness of movement, loss of balance and coordination, tremor, rigidity or stiffness, and uncontrolled movements. As these symptoms become more pronounced, patients may have difficulty walking, talking or completing daily tasks.

Here is something you can do to help support Parkinson's patients and the research needed to help control the progression or find a cure.

On Saturday, July 11, you are invited to join hundreds of your neighbors and people from the surrounding areas at Kenny's Kettle Moraine Walk/Run for Parkinsons on the state trail between Long Lake and Mauthe Lake.

Registration forms are available on the website KettleMoraineCares.com and some area businesses. Registration for the walk/run should be mailed to Kettle Moraine Cares, PO Box 502, Campbellsport, WI 53010 by June 20 to be sure to get a special event t-shirt. Participants

will receive an event t-shirt, a bottle of water and a goody bag. Prizes for various levels of pledges brought in the day of the event will be awarded.

Sign-up and turning in pledges the day of the event will be between 9 and 10:30 a.m. at Sportsman's Park in Dundee on Hwy. 67 in the southeast corner of Fond du Lac County. Following signing in, participants will be bussed to starting points. The trails wind through woods, swamp and prairie of the scenic Kettle Moraine State Forest. The Long Lake to Dundee trail is a pleasant family walk of approximately two miles and the Mauthe Lake to Dundee trail is approximately 4.2 miles.

All funds raised will go to Wisconsin Parkinson Association for patient education and support for research.

A pancake breakfast will begin at 9 a.m. on the Sportsman's Park grounds and will be followed by hamburgers, brats and hot dogs and picnic beverages. The public is invited to attend. For more information, contact Ed at 920-533-5830 or Marilyn at 920-533-4430.

UWWS offers new summer program for sixth-eighth graders

UW-Washington County, Moraine Park Technical College, The Kettle Moraine YMCA and Washington County 4-H Group, have joined forces to produce a new fun learning summer experience for students entering sixth through eighth grade.

Summer Quest provides a hands-on, interactive look at the skills and careers needed today and in the future. Participants choose two programs that they are most interested in from the 13 options available. The programs include: On the Organic Farm; CSI-You Investigate; Get Blogging; Awesome Animation Creation; Keep the Team Going (preparing athletes for game

day); Virtual Vault and FitZone; Lost Treasures (using GPS devices); Tour de West Bend (spinning and bike riding); Fabricate a Toolbox (use drill press, welder, etc); Farming is in your Blood; Cutting Edge (use a milling machine); Exploring Photography and Power up (learn how electricity works).

The three day adventure takes place Tuesday-Thursday, July 28, 29 and 30 from 9:00am-3:15pm. The program includes lunch each day and a T shirt. Space is limited.

For more information and to register, contact Kim Schwamn at 262-335-5259 or email kim.schwamn@uwc.edu.

Heritage House Museum hosts 'Favorite toy memories of the past'

Visit Heritage House Museum at Cedar Community, 5595 County Road Z, West Bend, on Sunday, June 7, from 2 to 4 p.m. for a display of "Favorite Toy Memories of the Past." At 3 p.m., there will be a sharing program. Guests are encouraged to bring a favorite toy to share stories and memories of their childhood. Tours of Heritage House Museum will also be available. The event is free and open to the public.

Set on Cedar Community's 245-acre Cedar Lake campus above Big Cedar Lake,

Heritage House Museum is the former homestead of Cedar Community's original benefactor, William Koehl, and was built in 1865. Visitors relive history, playing an 1884 pump organ in the parlor, learning about pumping cistern water, using homemade soap to hand-wash and line-dry laundry, listen to a crank telephone and work a Victrola.

Heritage House Museum hosts public events such as ice cream socials, re-enactments, holiday open houses, demonstrations, tastings and speakers.

Cedar Community is a not-for-profit, church-affiliated leader in creating relationships, services and environments to enhance the well-being of seniors and their families. Its facilities are located on five campuses in Washington and Sheboygan counties. Cedar Community is proud to provide a continuum of care including independent and assisted living, skilled nursing care, rehabilitation, hospice, memory loss services, subacute and home care.

Truck Pull V: What to expect

Truck Pull V, the world's largest human truck pull event, is set for July 4th in Campbellsport, WI. It is back as a featured event after a two year hiatus. Truck Pull V consists of men, women or co-ed teams. It takes place at the Campbellsport Fire Department's park after the parade. The task is quite simple. 3 weight divisions (total weight of team, not weight they are pulling) will pull a truck and the furthest or quickest win \$200. Why is the annual truck pull one of the most popular events in our area?

First, the Truck Pull never lies. It's not who is strongest, it's who wants it more. Some contestants do it for the crowd. Some do it for themselves. Some do it for the T-shirt. Some teams compete for the Spirit Award while others compete for a new "world" record.

With thousands of people in Campbellsport for the annual parade it is a true community event that involves people from all over the Midwest. Being a short event (it only takes about four hours),

it is intense. Bring your voice and be prepared to get involved. The crowd is just as much a part of the Truck Pull as the contestants. If you want a bleacher seat get there early.

The new wrinkle from past years is weight divisions. There will be a 650lb. weight division and under, a 1,100lb. weight division and under, and an unlimited weight division (up to 8 people in the unlimited class). Contestants vary in age, size, and skill. Creative costumes and themes are encouraged, including one year when a "super hero" entered. "Batgirl" even wore high heels. Some teams however really bring it, no flash, all skill.

Join the volunteer fire department as they celebrate over 100 years of service to the community. Food, free pony rides, games for the kids, a dj at the truck pull, and music at the main stage are all part of the festivities. The Major Sponsors of the Truck Pull: Perron Trucking, Campbellsport Building Supply, the Campbellsport Volunteer Fire Department, and the Campbellsport Area Chamber

of Commerce hope to see you there.

For more information about Truck Pull V please go to www.gocampbellsport.com or search facebook at "human truck pull." You can sign up on-line at www.gocampbellsport.com, at Culley's Bar and Grill, or Campbellsport Building Supply. To be guaranteed a T-shirt the \$75 team registration must be received by June 24. Final registration is July 1st.

Sounds of Disney at FES/WES

Farmington Elementary School (FES) and Wayne Elementary School (WES) recently held their spring concert themed "Disney Presents..." FES and WES music teacher Terry Christie led the students in selections such as Mickey Mouse Club, Davy Crockett, Hakuna Matata, and Circle of Life. Both full-house concerts proved to be a crowd pleaser for the young and old as everyone was encouraged to sing along. The performances concluded with the entire student body singing It's a Small World. TOP: Pinocchio (Travis Trudeau) led the FES first graders in the song Give a Little Whistle. ABOVE: Several new dwarfs from WES stopped by to "dig, dig, dig, dig, dig, dig, dig, dig, dig the whole day through..." and sing their trademark song Heigh Ho from the movie "Snow White."

FES students visit Stony Creek

Local author Richard Finch treats FES 4th grade students to an outdoor poetry reading during their visit to his property.

By Amber Donath
Statesman Correspondent

The fourth grade students at Farmington Elementary School (FES) had the opportunity to visit local poet and conservationist Richard Finch's 57-acre homestead for an inspirational and educational fieldtrip. During their visit, students were able to explore his property and experience many of the things they have been learning in their classrooms.

FES guests were also treated to an outdoor poetry reading by Finch at specific locations that helped inspire some of the poems in his book *Visions from Stony Creek*.

Throughout the nature hike, students identified many trees, including one that is over 150 years old, and wild flowers as well as visiting the

real Stony Creek.

The following thoughts of the day's events have been shared by Mekenzie Lehn, a fourth grade FES student in Mrs. Schreiber's class:

The fourth grade classes at Farmington Elementary School went to Mr. Finch's house. He read us lots of poems, there were a lot of pretty flowers, and he told us about the creek called Stony Creek...it was beautiful!

He also gave each of us a picture of a pheasant that lives on his property, showed us his bluebird house trail, showed us the trees that each of his grandchildren planted with him, and a shed he and his friend built.

My favorite part was when he took us through the woods and we saw a lot of flowers and interesting plants.

LUCILLE 'TUDY' PALT EISEN

Lucille "Tudy" Palt Eisen, 94, of West Bend died Tuesday, May 26, 2009, at the Samaritan Health Center in West Bend.

She was born Dec. 2, 1914, in West Bend to the late Edwin and Josephine (nee Jansen) Miller and married Charles T. Palt on Aug. 24, 1935, in Waukegan, Ill. Charles preceded her in death on Jan. 25, 1966. She then married Harold Eisen on Aug. 6, 1969, also in Waukegan, Ill. Harold preceded her in death on Dec. 24, 1997.

Tudy worked in the tavern and restaurant business for many years. She co-owned the Bar N Ranch in the 1940s, co-managed the restaurant in the Mermac Tavern in the 1950s and owned, with Charles, the Brown Derby on Big Cedar Lake in the 1960s.

She was a member of the Fred A. Schaefer Post 1393 V.F.W. Auxiliary.

Survivors include her two children, Patricia (Claude) Duernberger of West Bend and James (Marjorie) Palt of Greenfield; four grandchildren, David (Kristen) Duernberger of New Hallow, N.J., Dennis Duernberger of Hustisford, Douglas Duernberger of Fond du Lac and Michael (Brenda) Duernberger of Rubicon; and ten great-grandchildren, Michelle Koerber, Andrew, Kyle, Eric, Cassandra, Dennis Jr., Shayla, Nicholas, Joshua and Sadee Rose Duernberger. She is further survived by two great-great-grandchildren, Mason Koerber and Marissa Koerber; a brother, Edwin (Lucile) Miller of Jackson; two sisters-in-law, Eleanor Miller of West Bend and Rose Kuehl of Kewaskum; and nieces, nephews and other relatives and friends.

Tudy is preceded in death by her parents, Edwin and Josephine Miller; her husbands, Charles Palt and Harold Eisen; a sister, Marcella Michels; and three brothers, Roman Miller, Lee Miller and Harvey Miller.

Our dear mother and grandmother belonged to no one organization in particular.

Her living motto was always "family first." She cared deeply about her children and grandchildren and until stricken with Alzheimer's, her great-grandchildren also.

She was an extremely hard working, successful business woman in her younger life, and shared generously with brothers and sister, children and grandchildren and many friends.

In the toughest times, her

generosity and caring and listening ear showed up the most.

Her many friendships benefited frequently, as she was always first in line to help, no matter how big or small the task.

Her will to live, even in the throes of Alzheimer's, will always be remembered by those of us who knew and loved her dearly. She was our "rock." If she was a soldier at war, she would have been granted the medal of honor more than once.

We will miss you dearly "Mother" and "Grandmother," but we will remember you always and will be comforted to know you are now resting in God's peace.

A Mass of Christian burial was held Friday, May 29, 2009, at 6 p.m. at St. Mary's Immaculate Conception Church in West Bend with the Rev. Michael Moran presiding. Burial was Saturday in Holy Angels Cemetery.

Visitation was Friday at the church only from 4 p.m. until 5:45 p.m.

The Schmidt Funeral Home of West Bend served the family.

AUDREY L. STIER

Audrey L. Stier (Nee Herbrand), age 78, of West Bend, passed away Saturday, May 30, 2009 at Community Memorial Hospital in Menomonee Falls.

She was born on April 12, 1931 in Waukesha to the late Edward and Edna (nee Halwas) Herbrand. On June 25, 1955 Audrey was united in marriage to Paul "Butch" Stier at St. Luke's Church in Waukesha.

She loved American Water Spaniels and had seven of them as pets throughout the years. Audrey enjoyed traveling and loved going to Ignace, Ontario, Canada. She and Butch traveled to Ignace every year since 1961 and in 1988 they began spending their summers there. She enjoyed fishing. She also enjoyed knitting sweaters and afghans. Audrey had a great love and support for her grandchildren. She would go to any length to see them ski race or surf, play softball, listen to a band concert or watch a play.

Audrey was a very faithful servant of Christ. She was a

www.kewaskumstatesman.com

member of Immanuel United Church of Christ in West Bend for many years. She was currently a member of Peace United Church of Christ in Kewaskum.

She is survived by three children, Rev. Sharon Stier of West Bend, Kenneth (Julie) Stier of Wind Lake, and Laurie (Ron) O'Farrell of San Diego, CA; five grandchildren, Natalie and Kylie Stier, Ryan, Donovan, and Caitlin O'Farrell; two brothers, George (Norma) Herbrand and Warren Herbrand, both of Waukesha; a sister-in-law, Nancy (George) Kraemer of West Bend; other dear relatives and close friends.

Audrey was preceded in death by her parents; husband, Butch; infant daughter, Linda; sister-in-law, Shirley Ackerman, and brother-in-law, Earl Stier.

Funeral services in remembrance of Audrey will be held on Thursday, June 4th at 7:00 p.m. at Peace United Church of Christ, Kewaskum with Rev. Eric Kirkegaard officiating.

Visitation will be at the church on Thursday from 4:00 p.m. until the time of services. Burial will be in Washington County Memorial Park, West Bend, on Friday, June 5th at 10:00 a.m.

Memorials to Habitat for Humanity of Washington County or Peace United Church of Christ are appreciated.

He was preceded in death by his sister, Flora Bronkhorst and her husband Bob, his brothers, Claude and Theodore, and his wife, Arlene, and his brother-in-law, Dale Michels.

A Mass of Christian Burial was held Sunday, May 31, 2009 at 6:00 PM at St. Matthew's Catholic Church, Campbellsport. Rev. Neil Zinthefer officiated and burial at Wisconsin Memorial Park in Brookfield.

Visitation was Sunday from 4:00 p.m. until time of mass at

the church. Memorials are appreciated to the Campbellsport Lions Club.

Twohig Funeral Home, Campbellsport, is serving the family.

SHIRLEY M. OKRASA

Shirley May Okrasa, 75, of San Diego, CA, passed away on April 28, 2009.

She was born on April 1, 1934 to Leroy and Martha Keller Sr. in Kewaskum.

At the age of 18 she joined the United States Marine Corp. She met and married Robert Stanley Okrasa, who preceded her in death on June 7, 1979.

She belonged to the Moose, REAC Eagles, Eagles Post 224, VFW Post 1512, American Legion Post 434 and the YMCA.

She loved making quilts and crocheting afghans or knitting blankets for her friends and family.

Shirley will be truly missed and never forgotten.

Survivors include her son, Steven T. Okrasa; a daughter, Pamela A. Basurto; a grandson, Nathaniel Hines III; a sister-in-law, Charlene Keller of Kewaskum, and her loving companion of 27 years, Joseph Raymond.

CARD OF THANKS

We have been told thru the years that there is nothing worse than losing a child.

Within the last few months we have learned how true that is. We can not imagine how bad it might be without the support of friends and relatives. Faith in God and the support of all of you has been so special at this sad time.

Thank you for your cards, calls and the many forms of support. We appreciate every one of you and what you chose to do. God bless you.

March 24, 1984

Because of the generosity of Jack Walters & Sons Corporation of Allenton, two Kewaskum High School building trades classes will have a chance to put their newly learned skills to actual use. On behalf of his company, Jim Walters donated to the school district, enough materials to construct a 49 foot by 40 foot wide, by 14 foot high steel sided pole building. When completed, the value of the building is anticipated to be approximately \$10,000.

For almost one year the James Graff and James Rahl families of Kohlsville have been unable to drink the water from their wells because of contamination from gasoline. The DNR has confirmed with laboratory tests that the contamination is from gasoline, not from kerosene or septage as some have tried to argue. The two families have been advised by the DNR not to use the water for drinking, cooking or the preparation of food products.

The Kewaskum Area Chamber of Commerce has announced they have welcomed six new businesses to their organization. They are: Gina's Pizza; KB Lettering; KL Home and Hardware; Miller Funeral Home; Superior Trucking, and Village Bootery.

Last week, spectators stopped along Highway 45 to watch the massive side sections of the sphere being hoisted into the air and carried to the pedestal base of the new water tower being erected on the south side of the village. Just a short distance away, the new clarifier covers at the sewage treatment plant looked like two water towers which had been swallowed up by the ground.

The Kewaskum High School Chess Team closed out its conference season last week with wins over Horicon on Tuesday night and Kettle Moraine on Wednesday night. The wins gave the Indians their first undefeated season. The players are Tom Crandell, Todd Jaromin, Gregg Classey, Jeff Igel, John Martin, Randy Igel, Glenn Classey, Gary Classey, Steve Hubbell and Craig Miller.

The Roman Muckerheide Memorial Award to be presented each year to a member of the Kewaskum High School wrestling team who displays courage and determination has been awarded to Tim Landvatter.

A daughter, Rebecca Lynn, was born to Mr. and Mrs. Dennis Bartoli, Campbellsport, on March 10. A daughter, Anne Geneva, was born to Jerry and Lynn Frank, Campbellsport, on March 8.

A son was born to David

March 30, 1984

Pamela Krahn and David Pesch, seniors at Kewaskum High School, have been awarded the 1984 J.O. Reigle Scholarships by Regal Ware, Inc. The \$4,000 scholarships are offered annually to graduating seniors and provide \$1,000 yearly for a four-year college program. Pam is the daughter of Sylvester and Jean Krahn of Adell. She ranks first in her class. David is the son of Andrew and Dianne Pesch of Kewaskum and ranks sixth in his class.

Clark Pearson, principal of Kewaskum High School for the past 12 years, confirmed that he has submitted his resignation as principal with a request to be transferred back to teaching status as a math instructor.

Daughters were born to Fredrick and Dorothy Kleinke, West Bend, on March 21; to John and Eilyn Grasse of Campbellsport on March 22, and to Ronald and Lois Reese, Campbellsport, on March 23.

A son, Steven John, was born to Russell and Joan Heriges, Kewaskum, on March 16. A son, Matthew Michael, was born to Michael and Shelley Zimdahl, Campbellsport, on March 14.

The spring thaws of the great amount of snow the past week, and rain on Wednesday have created flood dangers, hazards and inconveniences to persons residing in lowlands or river areas. A number of basements in the village are flooded at present. Rivers and creeks are overflowing their banks and entire fields adjoining them are under water. Locally the area above the old dam site appears like a large lake as the entire land north of the village along the Milwaukee River is under water. It was reported Wednesday that some of the dam gates in the new dam would be removed to help lower the water level. The

ice left much of the river in the village and was jammed up at the dam in the village park. The rains abated Wednesday evening and it was hoped that the water would rise no higher.

The infant daughter of Mr. and Mrs. Marvin Kleinke and the little son of Mr. and Mrs. Eldon Wulff were baptized on Sunday at St. Lucas Lutheran Church by the Rev. Gerhard Kaniess. The Kleinke daughter received the name Annetta Jane and the Wulff son was named Scott Michael.

A daughter was born to Mr. and Mrs. Art Weddig, West Bend, on March 26. Art is a former resident and brother of Henry, Edward and Otto Weddig of here. A second son, Curtis Clifford, was born to Mr. and Mrs. Floyd Stautz, Madison, on March 25. Floyd is a son of Mr. and Mrs. Clifford Stautz of Kewaskum. A son was born to Mr. and Mrs. Sylvester McNamara, Kewaskum, on March 26.

The following named children will be confirmed Sunday at the Evangelical Lutheran St. Lucas Church: Reuben Backhaus, Alan Bresemann, Adelia Backhaus, Hedwig Belger, Laura Kocher and Lena Seefeld. At the Evangelical Peace Church the following will be confirmed: Arthur Doms, Wallace Geidel, Emil Wesenberg, Harvey Brandt, Edna Goeschel, Hilda Weddig, Esperance Backhaus, Anieda Eichstadt, Helen Schaefer and Elfrieda Schleif.

The Foote farm changed hands again last Tuesday when Frank Quandt traded the property with Fred Schultz for his residence in the village and \$8,000.

A baby girl was born to Mr. and Mrs. Frank Stange of Beechwood last Friday. A baby boy was born to Mr. and Mrs. John Gatzke of Beechwood last Thursday. A baby boy was also born to Mr. and Mrs. Frank Dries of Boltonville last Wednesday.

Eve: A Novel of the First Woman

by Elissa Elliott

Brilliance Audio on Compact Disc Unabridged

Imagine that an anonymous benefactor just bestowed upon you an unexpected gift: a new home with everything you could ever want in it.

The temperature in this home is always just right; the furniture, comfortable. You're never hungry when meals magically appear at your table. Exploring this magnificent home becomes more entertaining than anything you've ever seen on TV, and the landscaping astounds you.

The cost? Not a penny.

But then, one little mistake - one very human error - and you're booted from this home and out on the streets. How would you live with the memories of time spent in Paradise? In the new audiobook "Eve" by Elissa Elliott, you'll hear a woman's epic story of loss and love.

Once upon a time, there was Eden and it was beautiful. Animals roamed, flowers bloomed, and Elohim was there. But that was then, and now, pregnant with her latest child, Eve struggles with memories of a happier time.

She recalls innocent days when she could spend hours in the Garden, just listening to Elohim. Now, when she speaks to Him, He never answers. She wonders if He still loves her. She wonders if He will ever forgive her.

Eve remembers learning to know Adam, and the delight they had in naming the animals. She remembers the joy of newness. She also remembers how the serpent tricked her, and how Elohim was hurt by her betrayal.

It had been a struggle since their banishment, but Eve's family is surviving: Cain, headstrong and angry over nothing,

Sensitive Abel, now a shepherd. Naava, on the verge of womanhood and reaching for independence. Aya, smart and resourceful despite her handicap. And the twins - double gifts - Dara and Jaken.

But everything changed when the People from the City came to visit. Taken aback by the sight of the women, Eve reluctantly gave them what they wanted. Though it hurt her heart, she let them take something precious to her, never knowing that it would set her family down a path of destruction, loss of faith, violence, and death.

Do you have a patient boss? You'd better hope so, because listening to "Eve" on your commute is going to make you late. You'll want to hear "just one more minute" of this positively beautiful novel.

Spinning a tale that's both lush and lyrical, author Elissa Elliott gives Eve a complex humanity as a mother worried about her children and as a wife who sees her husband slipping away. She feels bereft and abandoned, powerless to stop the changes she sees. Elliott's story sticks pretty close to the Biblical version, though still making Eve seem familiarly, comfortingly contemporary.

What I liked best about this audiobook is that it's read by three different performers. Sandra Burr, Tanya Eby Sirois, and Ellen Grafton bring their characters to life, which gives "Eve" even more listenability.

Take this audiobook to work with you. Take it home, take it on vacation, but don't miss it. If you crave a novel experience, "Eve" will be Paradise to you.

A's win four of five in recent outings

Kewaskum Stays Hot at the Plate in Win Over Oconomowoc

The A's picked up their second Tri-County Night League victory last Wednesday night with a win over the Oconomowoc Five-O's. The A's used a seven run third inning to propel themselves ahead and eventually won by a score of 15-5.

Austin Sarauer went 3x4, with three RBI's and Kurt Zagzebski went 3x5, with two doubles and two RBI's. Jim Ziegler picked up his first win of the season in relief of John Holt. The win puts the A's at 4-1 on the season and 2-0 in the Tri-County Night League.

Kewaskum got on the board in the first as Austin Sarauer ripped a two-out RBI single to score Matt Schilter and put the A's up 1-0. The score remained there until the third when the A's exploded for seven runs. An infield single by Jon Olla and an error by the third basemen on a ball hit by Dan Shea, put two runners on with nobody out. That brought up Austin Sarauer who delivered with his second RBI single of the night, and Kurt Zagzebski followed with a RBI single of his own. After a walk to Adam Martz to load the bases, Mitch Huffman grounded into a fielder's choice to score another run. Matt Schilter followed later in the inning with the decisive blow as he ripped a three RBI double to the rightcenter field gap putting the A's up 8-0.

It looked as if the A's were going to cruise in this one, but Oconomowoc put up three runs (off of one deep home run) in the bottom half of the inning off Kewaskum starter John Holt, cutting the lead to 8-3. Oconomowoc tallied two quick runs in the bottom of the fourth cutting the lead to 8-5 and had the bases loaded with nobody out before Jim Ziegler came in to relieve Holt. Ziegler induced a popout to left, a forceout at home and a groundout at second to halt the Five O's rally.

The A's tallied three in the top of the fifth to put some breathing room between Oconomowoc at 11-5. Olla and Shea collected RBI's in the inning. The A's added one more in the seventh. Matt Schilter ripped a one-out triple to right center and scored on a sacrifice fly by Olla putting the A's up 12-5. The A's finished up their scoring in the top of the eighth as Zagzebski, Martz and Schill all collected RBI's. Zagszebski and Martz each had doubles and Matt Meisenheimer had a single in the inning.

Whitty Tosses Shutout, A's Top Denmark 5-0

Nick Whitty tossed nine shutout innings and Matt Schilter broke a scoreless tie in the sixth with a two RBI single as the A's defeated the Denmark Devilbears 5-0 on Thursday night. Whitty tossed another solid game on the mound scattering four hits and striking out seven to pick up his first win of the season.

Kewaskum broke through offensively in the sixth as Tyler

Schill smacked a single up the middle to lead off the inning. Matt Meisenheimer dropped down a sac bunt, but ended up reaching first when the pitcher unsuccessfully tried to get the out at second base. A wild pitch moved the runners up to second and third and Schilter ripped a two RBI single to give the A's a 2-0 lead. After a double-play, Dan Shea ripped a double to the fence and would score on Austin Sarauer's RBI single to give the A's a 3-0 lead.

The A's tacked on two more in the eighth inning as Jason Strobel reached on an error and advanced to second on an attempted pickoff by the catcher. Dan Shea followed with his second double of the night to score Strobel. Pinch-hitter Mitch Huffman delivered a two-out RBI single to cap the A's scoring on the night.

The A's were led by Dan Shea 3x5,RBI, 2 2B, and Matt Schilter 2x4, 2 RBI's. The A's improve to 5-1 on the year.

A's Drop Pitcher's Duel to Brownsville

The A's traveled to Brownsville Friday night to take on the new-look 49ers, but the results were much the same as they had been in the past as they dropped a 2-1 decision.

The first three batters of the game reached base for the A's, but they were only able to score one run as a double-play halted further damage. The A's clung to their 1-0 lead until the bottom of the fourth. After a strikeout for the first out of the inning, Brownsville used a walk, and three consecutive singles through hole between short and third, and another walk off starter Jim Ziegler to take the 2-1 lead.

The A's would have their chances to tie the game back up, but stranded a total of 11 base-runners on the night. With one-out and runners on 1st and 2nd in the seventh, Adam Martz ripped a single through the right side, but Jake Panzer (the runner at second), was gunned down trying to score. In the 8th inning the A's put together another scoring opportunity as they loaded the bases with one-out. But a strikeout and pop-up to the second basemen ended the inning. Ziegler took the hard luck loss, tossing seven effective innings of five hit baseball, to go along with 10 strikeouts.

Adam Martz led the way at the plate going 4x4. Dan Shea chipped in with a 2x4 day. The loss drops the A's to 5-2 on the season.

Kewaskum Hangs on for Night League Victory Over Watertown

Kewaskum got back to their winning ways on Saturday as they downed the Watertown Cardinals 9-6 in a Tri-County League game. The win puts the A's at 3-0 in the Night League Standings.

The A's wasted little time getting on the board in this one as they put up four runs in the first inning. Matt Schilter and

Austin Sarauer led off the game with singles and Dan Shea followed with another single to give the A's the early 1-0 lead. Kurt Zagzebski followed with a sacrifice fly to score another run and Jason Strobel delivered next with a two-run home run down the left field line to cap the scoring in the inning.

Schilter led off the second inning with another single and preceded to steal second and third base. The A's would end up stealing a total of eight bases on the day. Shea drove in Schilter with a RBI groundout putting the A's up 5-0 after two innings.

After Watertown tallied a single run in the top of the fourth, Kewaskum responded right back with three runs to put the lead up to 8-1. Schilter and Austin Sarauer led off the fourth with walks and a one out walk to Zagzebski loaded the bases. Strobel followed with a RBI single and Adam Martz ripped a 2 RBI single after that to give the A's the 8-1 lead.

Starting pitcher John Holt began to tire a little bit in the fifth and Watertown quickly got themselves back into the game at 8-5. Matt Meisenheimer came on in relief of Holt, and worked out of a bases loaded jam, limiting the damage to one additional run.

The A's tallied a single run in the sixth as Austin Sarauer and Dan Shea collected singles in the inning. It would be all Meisenheimer would need as he picked up his first career victory for the A's in relief.

Matt Schilter and Austin Sarauer both went 3x4 at the plate to lead the A's offensively.

A's Squeak Out Victory in Hustisford

The A's finished their busy week on a high note as they defeated the Hustisford Astros 2-1 in a Rock River league game. Mitch Huffman dazzled on the mound and Matt Meisenheimer led the way offensively as the A's picked up their fourth win in five days. Meisenheimer gave the A's the lead in the top of the third as he blasted a solo home run to centerfield, his first homer of the season. Hustisford was able to tie the game back up at one in the bottom half of the inning, as a leadoff error ended up leading to a run off of no hits for Hustisford.

The A's took the lead for good in the fifth though. Nick Whitty led off with a single and advanced to second on sac bunt by Adam Sarauer. Meisenheimer then walked to put two runners on for Ty Schill. Schill clutched up with a RBI single to give the A's the 2-1 lead. Huffman would not need any more runs as he was on top of his game today.

Hustisford's first hit did not come until the fifth inning and they finished with two hits all day. Huffman tossed the complete game giving up the two hits to go along with four strikeouts.

The win puts the A's at 7-2 overall and 3-2 in the Rock River league.

Soccer: History made as ladies advance to sectional

Softball: Postseason ends in Waupun

The Indians' Jess Smallish charges toward the net while being chased by Waupun's Nicole DeBoer and Chelsea Tjepkema during the second half of an Indians hosted regional on Thursday. The Indians defeated the Warriors 6-2 and moved on to round 2 regionals

When Kewaskum girls' soccer coach Amy Piwoni started her second season, regionals were not even thought about. Piwoni stated her goal was to turn some of last season's close games, into wins.

Fast forward to the post season and Piwoni finds herself coaching a dynamic group of young ladies on their way to a winnable sectional game today (Thursday) in Kiel against a team they played earlier in one of those close, winnable games.

Despite a middle of the road finish, the Lady Indians are exploding in the post season. A 6-3 win against Waupun brought them to a round two regional match played Saturday in Sheboygan Falls in which they defeated Port Washington 1-0.

Kewaskum 6, Waupun 2

Thursday, May 28- Kewaskum

The Indians wanted this game bad. The ladies came out strong unlike their usual pokey start. Good thing too, as the Warriors stepped up their play after a shutout the week prior.

Jess Smallish captured the first Indian goal after 7:54 of play. She was assisted by Christine Bohn.

Four minutes later Elissa Miller provided a kick that found the net making the score 2-0.

The ladies received a scare quickly into the second half as Bohn's knee gave her problems and she needed a lift off the field. She later returned with her knee brace and was back to her speedy self.

Miller's foot again connected with the ball for a score from the center circle giving the Indians a 3-0 lead score. The lucky shot came after an earlier corner kick failed to produce a goal.

On fire, Miller was afforded another opportunity at a corner kick that connected after Warriors' goalie Emily Smitts accidentally knocked the ball in.

That was about enough for the Warriors as Amanda VanEgert found the net from a kick by Jamie Vander Woude putting them on the board with a 4-1 score.

The Indians' Vanessa Schellinger surprised her teammates after she came through the

weak side on a cross by Miller scoring the final Indian goal of the game and improving the score, 5-1.

The Warriors would find the net once more before the end of the game.

Indians goalie Paige Lightner, thwarted seven shots from the Warriors.

Jess and Sam Smallish attempted three shots a piece as did Bohn. Jenna Buker, Miller, Schellinger and Heather Schaller each had two.

Kewaskum 1, Port Washington 0

Saturday, May 30- Sheboygan Falls

Another rapid fire start set the Indians on track for this important win. The game started with the Indians bucking 18 MPH winds.

The Indians' offense had a difficult time getting a hold of the ball as the Pirates maintained control, however this allowed the Indians defense to shine.

While neither team was on the board at the half, the Indians took four shots. Lightner guarded her net like a mother hen while the Pirates fired off 10 shots.

After five minutes into the second half, Schaller provided a textbook perfect pass to Bohn, allowing a score. The momentum continued as the Indians attempted eight shots on the Pirates' net.

The game ended with Port scoreless and the Indians single goal.

Piwoni credited the win to her team coming out aggressive from the start.

"We came out hard, everyone was hustling," stated Miller when asked how they won. She thought the team would need to be more physical and hustle even more to knock off a win against the Falcons on Thursday (Today) in Kiel.

Bohn stated her knee was getting better although still has pain when she comes into contact with the ball or grass.

When asked about Thursday- "It will be hard, we have the potential to win, we have to bring it," Bohn stated enthusiastically.

Piwoni thought ball control will be the challenge against the Falcons. She thought the last meet-up the Indians showed solid play and a win was possible.

The postseason was short lived for the Kewaskum High School girls' softball team. The team ended fifth in the conference with a record of 6-8.

Waupun 5, Kewaskum 2 Tuesday, May 26- Medema Fields, Waupun

The lady Indians faced an uphill battle from the start as they tried to challenge the number one team in the conference.

The Warriors defense came out strong in an almost 1-2-3 first inning against the Indians' starting lineup. Their offense then picked up where the defense left off as Mikayla Hopp cracked out a triple as the fly ball was missed by Liz Schaller.

Hopp quickly put the Warriors on the board as she scored off a fly ball to Schaller, which she caught. The Warriors would score two more that inning bringing the score 3-0.

More quick innings for the Indians would take them to the bottom of the third when the Warriors' pitcher, Debbie

Kastein would score.

In the top of the sixth the bats finally started cracking for the ladies as Erika Heberer scored on a Ashley "Fabs" Faber double to center field. Fabs would then score off a single by Erika "Pebbles" Koffke ending the inning 5-2.

Heberer pitched the entire game, only giving up two walks. She threw a single strikeout and allowed seven hits. She ended the game with five. Hits for the ladies were provided by Shaylah Haire who had two and Fabs, Pebbles and Heberer each with one.

The ladies posted an overall record of 9-14.

Monica "Mo" Dehler led the team in runs for the season with 20, she was followed by Haire who gave 16. Both girls also started in all 23 games for the season.

Haire led in RBIs with 19, followed by Brandi Wagner who is credited with 14.

Heberer had an ERA of 3.412 for the season and pitched 17 games. Courtney Meyer had an ERA of 4.262 and pitched in 12 games.

anna Keller, Butler and Liniewski struggled with handoffs and placed ninth in 1:51.00. In the 4x100, the same four finished seventh with a time of 51.97, very close to their season best.

Two other girls who placed were juniors Kassie Legate and Candace Beine. Legate cleared 8-0 in the pole vault for sixth while Beine jumped her best, 34-01.50 to take eighth.

Milwaukee Lutheran won the girls sectional title with 67 points, while Whitewater was the top boys team with 75

points. The KHS girls placed 14th with 21.33, while the boys were 22nd with 10 points.

Other places and times by KHS athletes are as follows: 100 — Toles, 11th, 11.59 and Keller, 12th, 13.32; 400 Steldt, 13th, 54.46; 4x400 — Zolp, Zach Herriges, Lucas Kopeschka, Steldt, 13th, 3:37.48; 4x400 — Heather Schmitt, Megan Ringwell, Megan Thornton, Sarah McWilliams, 13th, 4:26.30, their best by three seconds; 800 — Jessie Beaupre, 11th, 2:33.94; 3,200 — Abby Backhaus, 14th, 13:26.57; shot put — Lacy Taylor, 13th, 32-2; High jump — Beine, tied for 10th, 4-10 and Dickmann, tied for ninth, 5-8; triple jump — Turowski, 37.10.50

Baseball: Indians shut down by Spartans at home

By Nicole Kuehl
Statesman Staff

KEWASKUM- Last Friday's first home game of the season did not turn out quite the way Coach Doug Gonring would have liked. To the team's credit, the Indians baseball team was missing a number of key players and depended on freshmen leadership as they hosted the West Bend West Spartans in a non-conference match.

Starting on the mound was freshman pitcher Brad Boegel who began the game striking out the Spartans top of the lineup Dan Mueller, but then allowed three hits.

The first inning was the only point in which the Indians would have the lead as Bo Seibel scored on a single by big brother Cody Seibel. This put the first run on the board but it seemed to go down hill from there.

Shane Hayes began the second inning for the Spartans with a line drive to right field and was safe after Bo Seibel lost the ball at first base. Boegel allowed a walk, a hit and a strike out. With two outs, Blake Wiskirchen hit a single, allowing Hayes to score, tying the game at 1-1. BJ Albrecht ended the inning for the Spartans, leaving one stranded.

The Indians started out with a double by Steve Chapman, but was unable to score after Boegel and Steve Kudek earned outs.

The third inning began with a walk, a foul out and two singles for the Spartans. With the bases loaded, David Yach bunted, allowing Ryan Schilter to score. The inning ended with the Spartans ahead 2-1.

The Indians wrapped up the inning quickly with Bo Seibel striking out and two caught pop flies hit by Cody Nurenberg and Cody Seibel.

Cody Seibel took control of the

mound in the fourth inning, allowing three hits, but each was a caught pop fly quickly shutting down the Spartans. The Indian half of the inning was also quick as Backhaus earned an out, Josh Harbin hit a double after his hit was missed by the third baseman. Mike Herriges went down swinging and while Chapman was batting, Harbin attempted to steal third, but was thrown out to end the inning.

The fifth inning saw the Spartans run through their whole line-up and then some. The inning saw nine hits, with eight scoring runs. The Spartans began with singles by Schilter, DuCharme and Hayes. Harry Steldt then earned the first out. In a wild pitch to Yach, Hayes was able to score the third run of the inning. Brandon Roman earned the second out of the inning, then Seibel walked Wiskirchen. Next up was Dan Mueller who hit a triple to far left field, bringing the score to 1-7. After allowing another walk and a double to center, Seibel was replaced by Mike Schladweiler who ended the inning, allowing two hits that were both outs.

Spartans pitcher Shane Hayes sent Steve Chapman back to the bench after a strikeout then allowed Boegel a hit that was caught. Cody Lemke was able to hit a single, but then was left stranded as Bo Seibel earned the third out. The inning saw the Indians down 10-1.

In the sixth, the Spartans begin with two singles. Nate Fischer then hit a single, but was out at first after Boegel scooped up the ball to make the play. With the bases loaded, Dan Mueller hit a sacrifice bunt, allowing Steldt to score, bringing the score to 1-11. A single by BJ Albrecht allowed two more runs. The inning came to a close with a catch by Schladweiler.

The Indians were finally able to

SMACK! The Indians' Cody Seibel cracks a single to start the first home game of the season on Friday against the Spartans from West Bend. Seibel later scored the first run of the game.

score again in the sixth inning when Cody Nuernberg started with a homerun off of BJ Albrecht who was brought in to close the game, bringing the score to 2-13. Cody Seibel and Backhaus each earned a single, but they and Sam Olla

were scoreless as Mike Schladweiler was tagged out at first.

The Indians played at Campbellsport Monday, that game will be reported on in next week's edition.

Boys Golf: Geidel's career ends too early

By Judy Harlow
Statesman Correspondent

Kewaskum's Ethan Geidel was humming along Monday at the Hawthorne Hills Golf Course (Random Lake sectional) on pace to earn a second straight trip to the WIAA Division 2 State Golf Tournament when he encountered trouble on one hole, which pretty much halted his dreams.

As a team, the Indians didn't have much of a chance of advancing since only the top two teams (out of 12) move on to the state test at University Ridge in Verona. Kewaskum placed seventh with a 329, and the Indians passed all the three Eastern Wisconsin Conference teams who beat them at last week's regional.

"Ethan was one-over par on the back nine, and then he took a triple bogey on No. 16," Coach Glenn Eichstedt said, reporting his senior ace shot a pair of 39s for a round of 78.

Geidel, a four-year starter on the varsity, ends his career with two EWC Player of the Year awards, and berths on all-conference teams three times.

"The guy who did well

today was Michael Korth. He had five birdies," Eichstedt said. Korth had six threes in his round, three on each side as he came in with a 39-42-81.

This was Korth's first and only year on the varsity golf team, and his 81 came after firing a 101 last week in the regional.

Nick Gutbrod concluded his career on a high note, shooting 40-43 for an 83, and freshman Dan Bohn held his own with a 42-45-87.

Beau Backhaus played in the fifth spot Monday. His was the throwaway score.

Geidel claims regional medal

Geidel must have been one tired young man after the May 25th Division 2 regional at The Bull in Sheboygan Falls because he carried the entire team on his back.

Firing a 3-over par 75, Geidel lifted the Indians into fourth place, which allowed the team to advance to the sectional.

Kewaskum came in with a 373 total, 24 strokes behind the winners from Kiel, whose low four players combined for a 349. Taking second were the

host Falcons at 352.

"The top three place winners all finished behind the Indians during the regular season, but we had a rude awakening in the WIAA play-

offs," Eichstedt said. "Most of the Indians' problems were self induced ... three-putts, bunkers, lateral hazards and course management."

Geidel's round included a 1-under-par 35 on the front nine and a 40 on the back.

Kewaskum did not have a

single player in the 80s. Freshman Dan Bohn shot a 51-45-96, followed by Michael Korth's 101 (54-47) and the 48-53—by Tony Gonring.

Senior Nick Gutbrod's score was thrown out.
