Oil up the scissors, county's 2010 budget facing many cuts, 2% jump

By Mitch Maersch
 For The Statesman

WEST BEND- County employees may face layoffs and furloughs next year if wages of union and non-represented employees aren't frozen, Doug Johnson told the County Board Tuesday.

The freeze was one of Johnson's highlights from a preview of the 2010 budget process that will be completed in a vastly different context than last year.

Johnson, the county administrator, said \$800,000 is at stake in the wage freeze negotiation, including not providing a cost-of-living adjustment.

He half joked at the state's new mission statement - "misery loves company." State government cut shared revenue and is limiting property tax levies to a maximum increase of 3 percent.

Johnson wants to keep the coun-

ty's levy increase to 2 percent in response to taxpayers' situations.

He pointed out the County Board actually cut its tax levy from 2008 to 2009 - one of two counties of the state's 72 to do so. Last year's property tax levy was \$38.3 million. Its total budget was \$125 million.

The economy's fall has a couple of other numbers on the rise. From April 2008 to 2009, county unemployment went from 3.7 to 9.3 percent. West Bend, the county's largest city with 30,000 people, went from 5.5 percent to 13.8 percent, fourth-highest among the state's largest cities.

Wisconsin's rate more than doubled from 4.2 percent to 8.8.

Delinquent taxes are up as well. Washington County was owed \$1.46 million on April 30, 2008. This year, it was \$2.13 million.

The county's half-cent sales tax, however, has decreased from \$9.3

million in 2008 to a updated estimate of \$8 million this year. Its destination changes as well, as Johnson said the 2008 excess revenue of \$750,000 is going to cover the sales tax gap, not capital improvements. The 2008 sales tax, Johnson said, saved county workers from furloughs this year.

Last year's budget had projected \$8.75 million in sales tax revenue this year. Next year, it estimates it will receive \$8.25 million.

The county's 24 departments and many of their 900 employees are working on their budgets. Each department starts with a base budget and submits a budget request higher than the base amount. Liaison committees prioritize the budgets.

The county administrator and County Board chairman review the budgets, followed by the Finance Committee. Nov. 5 is the target date for approval.

Flight for Life called to bike crash

By Andrew Kuehl

TOWN of KEWASKUM- A 47 year-old city of West Bend man was seriously injured in a motorcycle crash on Thursday, July 9, at 7:37 p.m. on State Highway 28 west of Kettle Moraine Drive.

The Washington County Sheriff's Department responded after callers to the dispatch center reported the operator, James B. Simons, was not wearing a helmet and was unconscious with an apparent head injury.

Kewaskum Fire Department EMS was dispatched to the scene and requested assistance from West Bend Rescue Intercept and Flight for Life out of Fond du Lac.

Witnesses reported Simons was westbound on Highway 28 and lost control of the motorcycle after passing Kettle Moraine Drive. Sheriff's Office Sergeant Chad Beres, reported the motorcycle went off the roadway onto the north gravel shoulder where it was laid down on the left side ejecting the operator.

Simons was transported via Flight for Life to Froedtert Memorial Hospital in Milwaukee. His condition was not able to be released.

Beres stated excess speed and alcohol appear to be contributing factors in the accident.

Great effort not enough for Indians

The Kewaskum Indians were once again denied an Eastern Wisconsin Conference championship of their own on Tuesday, July 14 at Kewaskum Kiwanis Park as the Indians and the Huskies tied for first. Indians short stop Steve Kudek, left, and second baseman Bo Seibel, right, make a double play in the second inning as The Huskies' Luke Boll attempts second base on a hit by Chris LeFeber. Both teams remained scoreless until the eighth inning, however the Huskies made a quick score. See page 15 for a complete article.

Chamber members welcomes Michaleno's Pizzeria

Village Beautification judging next week

The Kewaskum Area Chamber of Commerce recently welcomed a new member to their growing organization. The Herbert family of Michaleno's Pizzeria in Kewaskum was welcomed by chamber members. From left, Shannon, Dan, Greg, Debbie, holding Ryleigh, Ryan, Mike and Mike Jr. (front) receive their welcome from chamber members Nicole Kuehl of Statesman Publications and Linda Schickert of The Scrap Nook. More information about Michaleno's or any of the chamber members may be found at www.kewaskum.org. If your business or organization would like to partner with The Kewaskum Area Chamber of Commerce to promote Kewaskum, please contact membership chairman Linda Schickert at (262) 477-1033.

The 13th annual Village Beautification Program held by the Kewaskum Women's Club would be judging area homes next week for yard beautification. There are four categories as follows:

- 1) Creative use of landscape materials, shrubs and plants,
- 2) Floral, shrubbery and trees arrangements
- 3) Colorful floral and selection of design
- 4) Lawn ornaments and décor.

Winners will be presented with award players and a large blue and white sign for their front yard to display until October. The awards will be presented by the Women's Club members and Village President Andy Pesch at the Village Board meeting on Monday, August 3 at 7 pm. Prepare

your yards for this beautification challenge.

Also, this village beautification program includes the 15 cement floral pots located throughout the main streets of Kewaskum. Last year we planted arborvita trees in the pots with "thanks" to the Modern Woodmen Insurance donation. The harsh winter created a lose of 10 arborvitas. But "thanks" again to Modern Woodmen Insurance under direction of Jeff Jaeger, the 10 arborvita were replaced with the help of the Kewaskum Women's Club members and two young male employees of the village maintenance. The soil and floral plants replaced with success!

This Beautification Program gives our village a sense of pride in our community.

County Board contemplates \$2.1 million remodel plan

By Mitch Maersch
For the Statesman

WEST BEND- Architects presented the County Board on Tuesday with a \$2.1 million remodeling plan for the Public Agency Center (PAC) and a \$250,000 plan to remodel the Senior Center.

After a space assessment needs for each department, walkthroughs and interviews, Potter Lawson Architects of Madison suggests some shifting for better efficiency and more than doubled meeting space in each department.

"Every department I met with expressed the need for more meeting space," said Wendy von Below of Potter Lawson.

On the first floor, the Aging and Disability Resource Center (ARDC) is expanded into a meeting room as it is slated to grow from six to 10 employees by 2014. The UW Extension expands into part of a break room for more space.

The Health Department would remain on the first floor with the same entrance and a waiting area moved a little to the north.

On the second floor, Human Services would for the most part be left alone, and a meeting center would be added, nearly double the size of the one ARDC occupies on the first floor. Two medium-sized rooms would be added as well.

The United States Department of Agriculture Farm Service Agency on the third floor would be moved to the second floor and occupy about the same space.

On the third floor, the Planning and Parks Department would be integrated into a suite to provide storage area and a meeting room.

Should the remodeling take place, staff could move to the third floor and return when work is completed, said von Below.

The total cost estimate is \$2,178,800.

Several County Board members had questions, including William Meyers requesting the plan be less expensive. Von Below said the firm wasn't given a budget but minimized work where it could and keep existing walls and doors. One challenge is much of the building is made of demountable partitions instead of drywall, which makes it hard to connect. Demountable partitions aren't made anymore, she said.

County Board Chairman Herb Tennes said the board cost may go up or down as details of the project are hammered out.

Supervisor Carol Puerling said why Human Services couldn't occupy the first and second floors with meeting space on the third. Von Below said the handicapped can use

the entrance on grade level to reach the second floor, and those who used the third-floor door don't generally need handicapped access. Von Below said Human Services department head Jim Strachota was adamant about keeping his group together, though it is too big to fit on one floor.

Supervisor Brian Bausch asked who is responsible to determine the needs of the building versus a wish list. Tennes assured him the process will be thorough.

"It will be critiqued so we're not overdoing something ... but also looks into the future (for expansion)," he said.

County Administrator Doug Johnson said the plan was requested because many departments have changed since the PAC was built.

Potter Lawson suggest turning the upper floor of the Senior Center into a meeting center, improve the restrooms for handicapped access and add additional storage to the lower floor. The total cost is estimated to be \$252,000.

ARC Director Hanson resigns

WEST BEND- The American Red Cross' West Bend Chapter continues to operate without a director after Betsy Hanson abruptly resigned July 1.

"It hasn't been filled yet," Red Cross Office Manager Candy Hoffman said of the position. "Our board is meeting next week to decide where to direct it and what to do with it."

County Board eyes master plan for all county buildings

By Mitch Maersch
For the Statesman

WEST BEND- The County Board got its first look at a master plan for its land and buildings on Tuesday, of which the short-term version does a little street remodeling.

The potter goal, said Ron Locast of Madison, is to improve stormwater management, vehicle and pedestrian circulation, and utilities.

The short-term plan calls for Schmidt Road to be re-routed east just south of the county gas pumps to connect to Rolfs Avenue, eliminating Schmidt's access to Highway 33. Rolfs Avenue would be extended to Creek Road.

The firm ranked the county's facilities, with the Government Center and county gas pumps ranking "fair." Some parts of the center, Locast said, is nearly 50 years old but structurally sound and better maintained than government buildings in other cities. The pumps are old and in a place for future expansion. The long-term plan (30 to 50 years) moves the pumps near the Highway Department.

The Senior Center and county's south sheds ranked "poor." Neither are in good shape, Locast said.

The short-term plan would add pedestrian boulevards to help people cross Highway 33 from the PAC to the Government Center, etc. Building a bridge or tunnel across the road each would cost around \$1 million, and Locast said people tend not to use either. Parking lot access would be from Highway 33 (entrance only), Rolfs Avenue and Schmidt Road.

Car starts fire in Fillmore garage

TOWN OF FARMINGTON- Fillmore firefighters extinguished a fire inside the garage of a Stacey Drive home on Wednesday, July 8, at 5:00 a.m. Injuries were prevented however the homeowner's vehicle was a complete loss.

The Washington Sheriff's Department responded with Fillmore Fire Department, to 8426 Stacey Drive in the Fillmore hamlet. Sergeant Ryan Herman of the Sheriff's Department stated deputies arrived to heavy smoke emanating from the detached garage with flames still visible from the engine compartment of a 1998 Saturn car.

Fillmore Fire department requested assistance from the Boltonville and Newburg Fire Departments but were able to extinguish the fire prior to their arrival.

The homeowner Derek Heider, was made aware of the fire from an outside neighbor. The two attempted to extinguish the flames with the use of a fire extinguisher and garden hoses, but were unsuccessful in their attempts. They were able to remove a motorcycle and a new truck from the garage prior to heavy damage occurring.

"With the flames quickly being extinguished, not much structural damage occurred. The fire originated in the engine compartment of the Saturn and does not appear to be suspicious," Herman reported.

There were no injuries as a result of the fire. Preliminary damage estimate, including personal property, is \$10,000.

Host families needed

Host families are needed for students from Germany, Japan and Spain who will attend Kewaskum High School in September. Any type of family is welcome; with children or without, young or old, single parents, families, empty-nesters, or newly marrieds.

These wonderful students pay all personal expenses, school fees and lunches, speak English and have medical insurance.

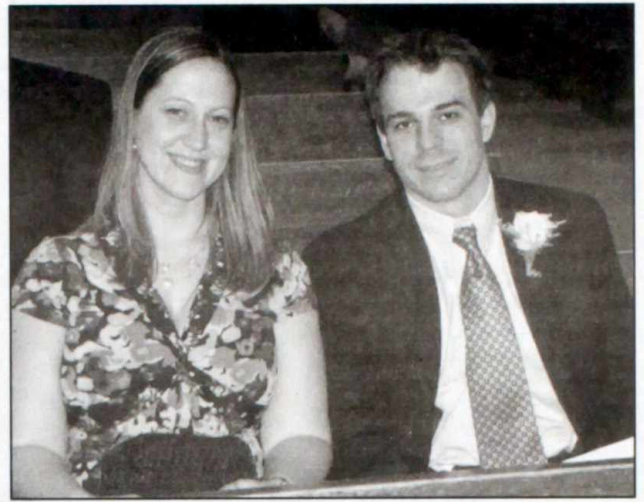

All they need is a bed, but can share a room.

The family just provides meals and companionship.

For more information, contact Carrie Schulz today at 414-899-3890 or 262-544-1183 or email schulzcarr@aol.com.

Also there are Spanish boys and a girl, all 16, who will be here for four weeks, July 25 - August 22. They are coming to practice their English and learn about America.

Brenda is a graduate of Zion-Benton Township High School and a graduate of Alverno College in Milwaukee where she earned a BA in Communication, Manage-

ment and Technology. She is employed by Motorola Inc as a graphic and web designer for Motorola's Global Communications group.

Bradley is a graduate of Kewaskum High School and Milwaukee Area Technical College where he earned a carpentry diploma. He is employed by Texas Roadhouse in Kenosha as a kitchen manager.

THANK YOU

I would like to thank the following local businesses for their support in my first annual Vision Walk held on May 31, 2009. Kewaskum Lions Organization, Piggly Wiggly, Kewaskum Frozen Foods, Millers Furniture, L & R Trophy, and Scott Rohlinger.

In addition I want to personally THANK ALL OF MY DONATORS for sponsoring me! I am so grateful for your support, which brought me one step closer to achieving my personal fund raising goal of \$4,444.44. Not only did I raise my team goal to \$8,888.88 in hopes of finding a cure twice as fast, but I surpassed my goal and raised over \$10,000. I never thought I would have such a positive response to my Vision Walk efforts including your encouraging words of support.

Thirty years ago there was nothing the medical profession could offer to people with retinal degenerative disease but HOPE, now there is a little light at the end of the tunnel. I know that there is "A Cure in Sight" for the next generation and I hope with research it will be soon.

Once again, I sincerely thank you for your generous support and I could not have achieved this without YOU!

Gateway Community Theatre presents 'She Was Only Marginally Modest'

By Amber Donath
Statesman Correspondent

Prepare to be entertained, tickled pink and perhaps even caught a little off-guard as the Gateway Community Theatre presents the melodrama "She Was Only Marginally Modest" by Vern Harden.

The local cast of 13 members, under the direction of Nick Brettingen, has been busy practicing their puns, punches and munchable moose muffins as they prepare to entertain audiences at the Kewaskum Theatre.

She Was Only Marginally Modest is set in the roomy (or should we say almost always vacant) Dead Moose Lodge. As the myriad of amusing characters descend upon the Dead Moose Lodge, the plot takes many twists and turns thus enhancing the comedy

and suspense being created on stage and pouring over to the audience.

Similar to the over-the-top hilarity of Dudley Do-Right and The Rocky and Bullwinkle Show, the cast of odd characters include: the harried heroine, Marginally Modest (which begs the question, what is the margin?); the villain Brad Apple (as in one "Brad Apple" spoiled the bunch); the splendidly honest hero Seymore Stoutfellow (brains are not issued to an officer of the law).

Other characters include, Ma Belle (Monopoly Belle) who is fighting to save the Dead Moose Lodge from repossession thanks in part to the lecherous Judge Jury McBribe (determined to get the most out of life, preferably in cash). Granny Fanny is searching for a husband, Prunehilda Pincher is fight-

ing to defend her honor (even though no one is threatening it), Willimena Worm falls in love with Turkey O'Trot and finally Ruben Z. Patsy (an undercover judge posing as an inept bumbler) arrives to sentence the guilty and perform the weddings.

Performance dates are July 30, July 31 and August 1 at 7pm at the Kewaskum Theatre. Tickets are \$5 and are available in advance at the Kewaskum High School office, Westbury Bank, and Geidel's Piggly Wiggly. Any remaining tickets will be available for purchase at the door before each performance.

During intermission refreshments and baked goods will be sold with proceeds benefitting the West Bend Dance and Tumbling Troupe.

Searching for Hidden Treasures: Geocaching

"Searching for Hidden Treasures: Geocaching" is the next program in the Summer Saturday Evening Events series at the Kettle Moraine State Forest - Northern Unit. The evening is sponsored by the Friends of the Kettle Moraine. The program will be held on Saturday, August 1, from 6:30 p.m. to 8:45 p.m. at the Henry S. Reuss Ice Age Visitor Center. The Ice Age Visitor Center is located off of Hwy 67 half mile west of Dundee. The program is free, but donations are always gratefully accepted.

Hidden treasures... Secret codes... Challenging, beautiful natural terrain... Cool technology toys... Do these things pique your interest? Then geocaching is for you! What is geocaching? It is a great, fun-filled sport that uses the technology of GPS (global position system) satellites to locate treasures hidden by fellow geocachers. Once you get the clues from the Inter-

net, you are off on your quest to find hidden treasures or caches.

Join Brian Geoffery and friends from the Wisconsin Geocaching Association and Jackie Scharfenberg, forest naturalist, as they provide you with the tools and knowledge to begin geocaching. Jackie will cover how to use topographic maps and orienteering compasses. Brian will explain how the GPS system works and the ins-and-outs of the sport of geocaching. The evening will end with actual treasure hunts to find nearby hidden caches.

For further information or directions to the Ice Age Visitor Center, contact the forest staff at the Ice Age Visitor Center. The staff can be reach at (920) 533-8322. The center is open Monday through Friday from 8:30 a.m. to 4:00 p.m., and on Saturday and Sunday from 9:30 a.m. to 5:00 p.m.

IN MEMORY

In loving memory of **Robert "Gabby" Gavin**, who passed away 14 years ago, July 20, 1995:

I'M THERE INSIDE
YOUR HEART
Right now I'm in a different place,
And though we seem apart,
I'm there inside your heart.
I'm with you when you greet each day
And while the sun shines bright,
I'm there to share the sunsets, too.
I'm with you every night,
I'm with you when the times are good.
To share a laugh or two,
And if a tear should start to fall
I'll still be there for you.
And when that day arrives
that we no longer are apart,
I'll smile and hold you close to me.
Forever in my heart.

but never forgotten

Almost Home

by Christine Gleason, MD

Kaplan \$26.95

On your way home from work the other night, you stopped by the store to pick up some things you needed.

And (isn't it always like this?) you had a few items in mind, but you bought more than was on your list: a gallon of milk, a bag of apples, three cans of soup, two liters of soda, and a frozen pizza. It was packed nicely in one bag, and you headed home.

Now imagine a baby so tiny that its cradle could almost be made from the empty milk jug. A baby that weighs slightly more than your frozen pizza. In the new book "Almost Home" by Christine Gleason, MD, you'll read about the lives and deaths of those infants, and the doctor who worked to save them.

Although she says she was never a "kid person" as a teenager, when Christine Gleason finally went to work in the NICU (Neonatal Intensive Care Unit) during her pediatric internship, she discovered, to her surprise, that she enjoyed working with tiny, fragile premature babies.

But her specialty career had a nearly-inauspicious start. After three months of working in the ER, Gleason's first day in the NICU arrived in September 1979 and was filled with very sick babies. Like a first love, though, it's hard for a doctor to forget her first patient.

For a long time, the baby had no name and no visitors except the doctors and nurses who cared for him. His mother was young, poor, unmarried, scared, and unwill-

ing to become attached to an infant she figured would die. Undaunted, and knowing that the baby needed his mother as much as his mother needed closure, Gleason talked the girl into visiting her child one last time.

Over the course of Gleason's career, there were many memorable babies: Owen, the infant who almost caused Gleason to abandon her career. Linda, the teenager who was laughing one minute and dying the next. Patrick, who charmed the NICU staff and was eventually adopted by one of his nurses. Emily, the baby caught between her parents' cultures. Joshua, whose mother wouldn't live to see his first birthday. Harry, who changed his mother's life in unexpected ways.

"Almost Home" is one of those rare books that I didn't want to end, not just because of the stories author Christine Gleason tells, but also because of the gentle, knowledgeable way she tells them.

Gleason weaves triumphs

and failures in the NICU in with personal stories of a soured marriage, an on-again, off-again relationship, and, eventually, babies of her own. Each patient's story is told truthfully - mistakes, guesses, and positive outcomes included. There are tears in this book, some can-you-believe-it moments and plenty of smiles to make you awed and "awwwwww"ed.

While I wouldn't hand this book to brand-new parents of a preemie, it's perfect for other Moms, Dads, and grandparents, and would make a nice thank-you to a special doctor. For them, and for readers who love true-medicine books, "Almost Home" is a heavy with goodness.

After a couple of postponements due to wet, cold weather, the Kewaskum Indians finally got their baseball season underway the past week in the Scenic Moraine Conference when they blasted out two victories to take over first place in the loop. Hosting North Fondy last Wednesday afternoon in a free scoring game, the Indians outlasted the Orioles by a 15-12 score. Jim Marx was the winning pitcher though relieved by Dave Oppermann late in the contest. Kewaskum's Dan Coulter had the giant's share of the hits with a home run and a triple in three times at bat and scored three runs. Butch Rodenkirch and Tom Smith collected the team's two other hits. Proving his opening game hitting was no accident, Coulter blasted the Indians into first place Monday with two home runs and a double as the team blanked Grafton by a decisive 9-0 margin there. He accounted for 5 of the 9 runs. Three homers, a triple and a double in two contests should set a new league record for Coulter. Jim Marx teamed up on the hill by pitching a five hitter against Grafton. Marx went the route, fanning four and walking only one.

Coach Walt Bade's Kewaskum Indians are the first baseball champions of the new Scenic Moraine Conference. The team trucked away the conference title by blasting three opponents very convincingly the past week to run their victory string to five straight without a defeat in bringing the season to a close. Playing three games in seven days, Kewaskum drubbed Slinger here last Thursday, 17-6, outslugged Campbellsport there Monday 22-10, to clinch a tie for the title, and then proceeded to win the undisputed crown by trouncing Washington High in Germantown there Wednesday, in a makeup game, 16-3. In taking the championship, the Indians established a terrific scoring record that should stand up for years to come in the conference. They scored 79 runs in just five games, an average of close to 16 runs per game. At Slinger, Jim Marx pitched the team to the win as he allowed four hits and fanned nine. Ken Theusch paced Kewaskum with three hits in four trips. Dan Coulter continued to be murder at the plate with two hits on four at bats. Ray Wiedmeyer tripled. In Kewaskum's 22-10 victory over Campbellsport, Marx was again given credit for the win, as he, Tom Smith and Dan Coulter tripled. Senior Jim Marx ended

his high school career in brilliant fashion on Wednesday as he tossed a no-hit game in his team's 16-3 win over German town's Glen Remmel was the leading hitter with three singles.

Kewaskum A's fall to Brownsville, shut down Benders

Kewaskum routed by Brownsville 8-1 on Sunday

The A's continued their struggles against their rival the Brownsville 49ers on Sunday as they dropped the game by a score of 8-1.

Brownsville took advantage of three walks, three errors, and three hits in the first inning to jump ahead to a 6-0 lead. The A's had their chances all day to get back into the game, but the initial shock of going down six in the top of the first proved to be too much to overcome.

Things started on a sour note for the A's in the first as the leadoff batter for Brownsville reached via an error. A walk followed by a single gave Brownsville the early 1-0 lead. Kewaskum starting pitcher Jim Ziegler was able to then get a strikeout and a ground out for the first two outs of the inning, but another error opened the flood gates to four more runs for the 49ers.

The A's showed some life in the bottom half of the first as Matt Meisenheimer ripped a single and Jake Spaeth walked to put two runners on. All the A's could get though was a two-out RBI single by Kurt Zagzebski to cut the score to 6-1.

Brownsville responded back with two more runs in second to push the lead to 8-1 making a possible A's comeback a daunting task. When the A's thought they might have a chance to get back into the game, it was stopped by some stellar defensive play by Brownsville. With two on and one out in the sixth for the A's, Jake Panzer lifted what looked to be a momentum swinging homer to left. Former Kewaskum 'A' and current Brownsville left fielder Ryan Hall had different ideas as he brought back a for sure home run with a spectacular catch as he climbed the fence in left.

The A's went quietly for the final ten outs as they dropped

to 18-8 overall. They remain in second place in the Rock River league behind division leader Rubicon. Ziegler took the loss tossing five innings and was relieved by Mitch Huffman who threw four scoreless innings. The Sarauer brothers, Adam and Austin, and Jason Strobel led the way for the A's at the plate each going 2x4.

On Friday night several of the A's took part in the Rock River All-Star game at Lebanon. Team members for the A's included Dan Shea, Jason Strobel, Kurt Zagzebski, Matt Meisenheimer, Mitch Huffman and Jim Ziegler. Meisenheimer led the A's going 1x2 with a double and Strobel chipped in going 1x2. Shea was 0x1 with a walk and Zagzebski finished 0x2. Ziegler tossed two innings giving up two runs, while Mitch Huffman picked up the win for the Northern Division tossing a scoreless seventh inning. The Northern Division All-Stars defeated the Southern All-Stars in comeback fashion 4-3.

Lathers, Panzer shut down Benders 3-0

The Kewaskum A's knocked off the West Bend Benders 3-0 on Thursday night, due in large part to the sharp pitching of Jake Lathers and Jake Panzer.

The A's got just enough clutch hits to pull out the Night League victory and with the win improve their record to 18-7.

The A's broke through in the third inning as Nick Whitty

singled to lead off the inning. Adam Sarauer then drew a walk to put runners on first and second. After a fielder's choice, a one-out wild pitch put runners on second and third for Matt Meisenheimer. With the infield playing back, Meisenheimer grounded out to short allowing the A's first run to come across.

The Benders threatened in the fourth as a leadoff single, followed by a bunt single put two runners on with nobody out. The A's caught a break on the next batter though, as Nick Whitty picked off the runner on second base as he crept too far off. On the next pitch, Lathers induced a ground ball double-play to end the inning.

Dan Shea led off the sixth with a bloop double to center and Kurt Zagzebski followed with a walk to put two runners on again for the A's. A perfectly executed sacrifice bunt by Adam Martz put runners into scoring position with only one out. Jason Strobel took advantage as he ripped a single through a drawn-in infield to give the A's a 2-0 lead. The A's would add their last run in the inning when Strobel became caught in a run-down and Zagzebski came into score.

Lathers picked up his first win of the season tossing seven shutout innings to go along with eight strikeouts and only three hits. Panzer picked up the save, tossing the final two innings.

Indians tally two more conference wins, fall again to tie New Holstein for EWC Championship

By Nicole Kuehl

nicole@kewaskumstatesman.com

The Indians traveled to Plymouth on July 7, in a game that mattered more once Campbellsport was able to beat New Holstein that same night. With the Huskie loss, Kewaskum was able to earn first place status in the Eastern Wisconsin Conference until Tuesday night's game, when they lost to the Huskies to tie for first place.

Kewaskum 9, Plymouth 1

Tuesday, July 7

Plymouth High School

The Indians were unable to score until the top of the fourth, while Plymouth earned their one and only run right off the bat in the first inning. The Panthers' Ryan Klecka hit a single, advanced to second and eventually scored with help from Indian errors.

The fourth inning run started off with a single by Cody Seibel. He took second with help from an error by the right fielder and came the rest of the way around on hits by Brian Backhaus and Bo Seibel.

The Indian bats were hot in the sixth inning when the team brought in six runs with 10 batters. Brandon Zolp began the inning with a single. He was tagged out at second on a Nick Olla base hit. Cody Seibel came up with a pop fly to left field. Errors allowed Olla to make his way to third and helped Brian Backhaus make it to second. Bo Seibel took first and Mike Herriges followed after being hit by a pitch. Nuernberg stepped up with a single, sending both Backhaus and Bo Seibel home, giving the Indians a 4-1 lead. With the bases loaded, Kudek walked forcing Herriges home. A hit by Zolp sent Nuernberg and Harbin home ending the top half with a 7-1 Indian lead.

The final two Indian runs came in the top of the seventh. Olla took first on an error by the first baseman. A double by Cody Seibel advanced both runners two bases. Herriges was able to eventually send both of them home, bringing the game to 9-1.

Olla tallied the win for the Indians. He pitched all seven innings, with 10 strike-outs, one walk and allowing five hits.

Kewaskum 8, Kiel 2

Tuesday, July 7

Kiel

The Indians started off strong with three runs in the first inning. Zolp walked to first and stole second. Olla took first, and Steve Chapman came in as a courtesy runner. Zolp was eventually able to score with help from two errors and Olla was able to get

to third. Backhaus hit a single. Bo Seibel sent Chapman home and Backhaus scored the third run with help from two separate errors.

The game remained scoreless until Kiel scored their only two runs in the third. Kiel's Chris Liermann hit a double, as would Brandon Meisner. Both were able to make their way around the bags bringing the game to 3-2. However, Kiel was unable to score for the remainder of the game.

The fourth inning saw a lone run with a home run to start off by Boegel. The following three hitters each quickly earned outs. The fifth inning saw two more runs. Zolp took first with help from an error by the third baseman and also took second on an error. Olla sent him to third while Olla earned the first out. Seibel had a base hit and advanced a base with the following to hitters. Both Zolp and Cody Seibel eventually scored with help from errors. The Indians ended the top half with a 6-2 lead.

Josh Harbin tallied a solo home run in the sixth, bringing the team to 7-2. A double by Bo Seibel started the seventh inning and two wild pitches allowed him to score, bringing the game to the 8-2 final score.

Boegel was the winning pitcher. He pitched 4 1/3 innings, had five strike outs, three walks and five hits. Nuernberg closed the game with four strike outs, one walk and one hit.

Kewaskum 9, Marquette 16

Tuesday, July 7

Plymouth High School

This was one of the extra games the Indians play throughout the year to sharpen their skills.

Mike Schladweiler started off pitching for the Indians, where he remained for 2 1/2 innings. While the Indians were scoreless in the first two innings, Marquette scored one run in each inning. The team also tallied four more runs in the top of the third, when the Indians were finally able to answer some of them.

Olla kicked off the bottom half of the third with a single. Backhaus followed with a walk. Cody Seibel hit a double and sent Olla home while advancing Backhaus to third. A hit by Boegel sent Backhaus home a hit by Harbin sent Seibel home. The Indians ended the inning down 6-3.

The fourth inning saw three more runs for Marquette. The Indians came back with three more of their own. Olla and Mike Herriges each hit a single. Seibel was able to take first with help from an error in which both Olla and Herriges were able to advance.

Boegel hit a single, advancing the runners and a double by Nuernberg sent Herriges and Cody Seibel home.

The Indians remained didn't score again until the bottom of the seventh while Marquette scored three runs each in the fifth and sixth innings. They also scored their final run in the seventh, giving them a 16-6 lead heading into the Indian half.

A single by Steve Kudek started off the half with another following by Brandon Zolp. Both runners were able to advance on a wild pitch to Bo Seibel. Seibel walked and advanced on a hit by Olla. Herriges stepped up to the plate for a double and sent Zolp, Bo Seibel and Olla home, bringing the score to 16-9.

Schladweiler took the loss with no strike outs, no walks and allowing eight hits. Cody Seibel pitched the next 2 2/3 innings with two strike outs, four walks and four hits. Luke Kopeschka, who was brought up from the JV team, finished out the last two innings with no strike outs, two walks and three hits.

Kewaskum 10, Sheboygan Falls 5

Monday, July 13

Sheboygan Falls High School

The Indians started off the game with a walk by Zolp, an Olla stike-out and a double by Cody Seibel. Errors allowed Cody Seibel to make his way around the bags to score the first run of the game. Neither team scored again until the third inning.

The top of the third saw a double from Harbin, followed by singles from Kudek and Zolp. Chapman came in to run for Harbin and scored on the hit by Zolp. Olla hit another single sending Kudek home from second and advancing Zolp. An error sent Zolp to third and a hit by Backhaus sent him home, giving he Indian a 4-0 lead going into the bottom half.

The Falcons tallied two runs in the third with Olla pitching bringing the score to 4-2.

A double by Nuernberg started the fourth off with singles followed by Herriges and Harbin. Nuernberg scored on Harbin's hit. Kudek took first on a fielder's choice and Zolp hit another single. Cody Seibel stepped up to the plate with a hit sending Kudek and Zolp home, giving the Indians a 7-2 lead.

The fifth saw one more run for the Falcons with a double by Bobby Musil. He was able to advance to third on a wild pitch and scored on a hit by the next batter.

Herriges started off with a strike out and Harbin followed with a double. Kudek tallied a

single sending Harbin to third. Zolp sent Harbin home and got himself to first. A hit by Cody Seibel sent Kudek home and Zolp to third. A error allowed Zolp to score the final run for the Indians, bringing the game to 10-3.

Boegel came in to close out the game and started with a walk. The third batter, Kyle Hahn, took first on a fielder's choice. Falcon Eric Kluz hit a double sending one home and a single sent Kluz home bringing the game to 10-5.

Olla took the win with six innings under his belt. He threw seven strike outs, two walks and allowed six hits. Boegel closed with two walks and two hits.

Kewaskum 0, New Holstein 1

Tuesday, July 14

Sheboygan Falls High School

A big disappointment came in an eight inning game against the 14-3 Huskies. Had Kewaskum won, they would have taken first in the EWC, but with the loss the teams tied.

The game was more about the pitching then the hitting as it became a battle of the hurlers. Parker Schrage (9-0) pitched the entire game for the Huskies with 10 strike outs. Nuernberg pitched for the Indians tallying 18 strike outs. Each pitcher allowed only three hits.

New Holstein was able to score in the top of the eighth when Schrage hit a single. He then stole second and was able to make his way around on wild pitches.

As the Indians tried to answer the run, Harbin started the eighth with a pop fly to first. Boegel walked to first and a single by Zolp sent him to third. Olla's walk sent Zolp to second, but all three were left stranded as Cody Seibel went down swinging and Backhaus hit a line drive to the short-stop.

The Indians and New Holstein were each 15-3 in the conference. The Indians have three non-conference games before post season play begins

on Tuesday, July 21 against Campbellsport at home. The game begins at 5:30 p.m.

If the Indians come away with a win from their conference rivals, they face the rival to the south, West Bend West. The Indians have played solid against the Cougars each of the three times they met. Their challenge will come as they face West in West Bend's Regner Park on Friday, July 24.

Baseball: Indians dominate Two Rivers double header

The Indians boosted their confidence after mercy-rule play concluded both games of a double header against The Purple Raiders from Two Rivers early.

Injuries continue to keep freshman third baseman Sam Olla on the bench while his replacement, freshman Tony Gonring, came out this week after breaking his thumb.

Pitchers Cody Nuernberg and Mike Schladweiler together only allowed Two Rivers four hits, and kept them scoreless until the fifth inning, where they earned their first, last and only run.

Brandon Zolp, Nick Olla, Cody Seibel and Brian Backhaus each hit singles. Errors allowed Schladweiler, who was a courtesy runner for Olla, and Cody Seibel to advance. Bo Seibel stepped up to the plate and hit a three run homer, bringing the Indians to 5-0. Nuernberg hit a single and advanced to second.

A second home run in the same inning by Josh Harbin allowed two more runs to score. Steve Kudek hit a single and advanced to third on a double by Zolp. Olla took first on a fielders choice and errors allowed Zolp to score and CR

Schladweiler to advance to third. Bo Seibel hit a single allowing Schladweiler and Cody Seibel to score. A double by Mike Herriges sent Bo Seibel and Nuernberg home, ending the inning 13-0.

The Indians scored their final two runs in the fourth inning. Zolp took first with the help of an error by the first-baseman. Olla hit a single and sent Zolp home. CR runner Schladweiler made his way around on hits by the Seibel brothers, ending the game 15-1 after 5 1/2 innings.

Nuernberg was the winning pitcher for the Indians.

Game two saw more easy play for the Indians. Brad Boegel came out to the mound and pitched a 1-2-3 first inning to the Purple Raiders.

Olla got on first by way of a walk and later stole second before Nuernberg would do the running. He'd get to third and no farther before the inning closed.

The Purple Raiders got their hopes up as Boegel gave up hits to Steve Schug and Ryan Yakoubek. The hits stopped but two walks got the bases loaded and allowed both Schug and Yakoubek to score. Kris Karl's walk also allowed him a score on a Purple Raiders single. The Indians with the help of a Boegel strike-out

ended the inning's half.

Mike Herriges got down to business and fired a nice line drive for a single to start the half. He advanced when Steve Chapman was walked. Both again advanced off a Cody Lemke single. Olla brought Herriges and Chapman home after a single line drive and put Lemke on second. A walk to Cody Seibel got the bases loaded again and another walk to Backhaus brought Lemke home. Bo Seibel sent the ball to the fence earning him a double and allowing Nuernberg (running for Olla) and Cody Seibel to score bringing the score to the Indians' favor, 5-3.

The Indians attempted a double play in the top of the third as a Yakoubek hit found first before he got there. C. Seibel then sent the ball to B. Seibel at second but officials said it wasn't there in time for the second out much to the surprise of Seibel.

Boegel started the fourth but switched places with C. Seibel at first. Shawn Genrick, who found first on a walk was allowed to score after a hit by Andrew Van Lanen.

The bottom of the fourth saw C. Seibel taking first on a walk. He later stole second and found third on a single from Backhaus. Backhaus stole second and after an infield hit by B. Seibel found himself tagged at first. The hit allowed C. Seibel to score. Backhaus followed suit after a Herriges

single. Nuernberg's legs were again used for Herriges. He scored after stealing second and using Josh Harbin's under the fence double. The inning closed with the Indians on top 8-4.

Scoring continued in the fifth for the Indians after a Zolp single and an Olla double to the fence. Zolp got to second on a steal and was ready for third when Olla fired. Zolp got to homeplate while Olla got the opportunity to find third after an outfield error. Olla used Trevor Kohn's legs at third and waited as C. Seibel and Backhaus were

walked. Seibel found second on a steal. B. Seibel knocked a single that allowed C. Seibel and Kohn to score. Herriges who was walked earlier also scored on a Nuernberg single.

Schladweiler came out to close in the sixth. He allowed two hits but shortstop Steve Kudek fielded two hits that sent both hitters to the dug-out.

The Indians would score twice by Kohn and Backhaus before the game would end in the sixth with a score of 15-4.
