Revaluation for Village residents begins soon

By Andrew Kuehl
andrew@kewaskumstatesman.com | 262.370-0831

VILLAGE of KEWASKUM- The Village Board has given a contract to Grota Appraisals of Menomonee Falls to complete a Market Update Revaluation for property. The revaluation was ordered by the state on October 31, 2008.

Grota will complete the project for \$21,600. Village Clerk Stephanie Justmann indicated work on the project will begin immediately so the revaluation can be reflected on the 2010 property tax bills.

Village Trustees conducted interviews with representatives from Accurate Appraisal, Grota Appraisals and Associated Appraisals to be the statutory assessor and to perform the 2010 revaluation.

Trustees voted unanimously to award the contract to Grota Appraisals, LLC.

According to state statutes, the state's department of revenue requires the assessed value of each major class of property to be within 10% of the full value of the same major class of property at least once during the four-year period consisting of the current year and the three previous.

are waiting for you every Thursday from 8 a.m. until noon.

There is plenty of free parking in the American Legion Post 384 parking lot.

erheide, Harold "Chesty" Pesch, Pino Bohlman, Kraig Stortz and Francis Tuttle.

The market runs from July 1 through the month of October.

Anti-Favre campaign helps childhood cancer

The makers of www.JudasFavre.com have an unexpected problem. Success. "Who thought our Judas Favre t-shirts would be a national phenomenon?" says co-owner Jason Strobel. "We have orders for over 1,500 shirts worldwide in less than 7 days since he signed. And orders keep coming in. Over 50,000 people have visited our website." The jersey style t-shirts have a 4 on the front and JUDAS in the place of FAVRE on the back. According to their website they are available in green and gold and purple and yellow.

There are no winners in the Favre saga for Packer fans it seems. The sides are divided between those who felt Favre was kicked out of town and those who feel he is a traitor for leaving. With the help of www.JudasFavre.com and their wildly popular t-shirts the two founders have found a winner. "Starting today with every shirt order we are going to donate 10% of

the proceeds of the shirt to fight childhood cancer. It's a tough situation for Packer fans but now we can help a great cause!" states Jason.

The funds will go to find a cure for Pediatric Low Grade Astrocytoma or "PLGA," a type of childhood cancer. Currently, there is no cure for this tumor and the treatments that do exist are outdated, toxic, and ultimately torturous to the thousands of kids affected. Brain tumors are the #1 cause of cancer death in children, and the #2 overall cause of childhood death behind accidents. PLGA's are the most common type of childhood brain tumor, yet sadly, funding and research for better treatments and an eventual cure lag dramatically behind other cancers. For more information or to donate directly go to www.fightplga.org or to support it locally go to www.teamhailey.org. Teamhailey.org was established by the Meltz family in the Fox Valley area (and huge

Packer Fans) that have been working to find a cure for their four year old daughter.

You can order the shirts and visit their daily blog posts at www.judasfavre.com. There are also retail locations that are starting to stock the product as well. Check the website as to where, they are adding retailers daily. Joel Fleischman, sums it up, "We hate the Vikings, but we really hate childhood cancer."

Meadow Creek Elk Farm helps make triathlon a success

Members of the Meadow Creek Elk Farm Relay team.

The Council on Alcohol and Drug Abuse of Washington County (AODA) paired up this past Saturday with local sponsors West Bend Mutual Insurance Company, Meadow Creek Elk Farms, Washington County Parks and Planning, Johnson Bus, Mid-Cities MotorSports, Hartford Savings Bank, Road ID and Hammer Nutrition, to hold the first Under-the-Influence-of-Adrenaline triathlon in West Bend. Proceeds from the Triathlon will be used to support AODA's prevention and early intervention services.

On the southeastern shores of West Bend's Little Cedar Lake and the surrounding rolling hills of the Kettle Moraine, over 325 athletes endured the cold weather to test their strength and endurance on a chilly Wisconsin day. Participants for the quarter mile swim, thirteen mile bike and 5K run were vastly sup-

ported by area businesses to promote healthy living. With a great turnout of both sponsors and volunteers for this event proved to be what many may call "the sport of the new millennium."

Meadow Creek Elk Farms, owned locally by Bob and Diana Susen, not only had the pleasure of sponsoring the event as a whole through a generous donation of their coveted elk burgers for participants and volunteers, but also individually sponsored four athletes that took remarkable results and high honors for the event. Each athlete has been using the all-natural velvet antler supplement manufactured by Meadow Creek Elk Farm, which has proved its results through this event.

The team consisting of brothers, Brad Riekkoff, and Peter and Paul Reis placed second in the event, with Paul

taking a first place time of 38.58 minutes for the bike portion and Peter taking a second place with a time of 7.23 minutes for the swim. Placing in the top 10 has been de-je-vue for eldest brother, Brad, who placed 7th in the Naturalbody Nationals, a natural body building competition. "It's

been a while since I've participated in any events like this, I totally enjoyed getting back in the swing of things, and it was especially rewarding to compete with my brothers."

In addition to sponsoring the brothers, Meadow Creek Elk Farms also sponsored athlete and natural fitness enthusiast, Diana Behrend. Behrend, of Slinger, completed the entire course herself placing 6th in her division, with an overall time of 1.50.34. Behrend is a featured athlete on their website, boasting how velvet antler has increased her stamina and endurance during the circuit of events she has been participating in over the last year. Velvet antler, a two thousand year old supplement used in the Orient is sparking a modern day interest with athletes and health conscience consumers as a performance enhancer for those wanting to compete and stay in the zone. Elk velvet antler is becoming a hit with athletes who want to increase their strength and endurance using a natural product. Clinical research has proven that velvet antler improves muscle endurance, and the increase

of blood supply to the muscles acts as an anti-inflammatory, allowing athletes to recover faster from training sessions. Achieving success for most athletes means consistency in training and keeping the body in a fine tuned balance at all times. With many supplements on the market today to improve the recovery times during training, velvet antler is again proving to play a significant part of the winners circle.

The common effort by The Council on Alcohol and other Drug Abuse of Washington County (AODA), through the Under-the-influence-of-Adrenaline, and each of its sponsors focused on the healthy and natural living of all. Bringing health and fitness awareness to the community is a reward that was given to everyone involved. Thanks to sponsors like Meadow Creek Elk Farm, the status quo of living is becoming a hit with athletes who want to increase their strength and endurance using a natural product. Clinical research has proven that velvet antler improves muscle endurance, and the increase

Seasonal Flu and Pneumonia shot clinics scheduled at West Bend/Kewaskum Clinic

West Bend Clinic and Kewaskum Clinic will be offering seasonal flu shot clinics for the public between September 12 and October 10. Pneumonia shots will be available for those 65 and older who have never been vaccinated for pneumonia. Prior to making an appointment, individuals should contact their primary care physician for past history regarding the pneumonia vaccine.

The seasonal flu is a respiratory illness with sudden symptoms such as headache, dry cough, muscle aches, fatigue, fever, runny nose and sore throat. It is caused by a virus, and is more serious than a cold. The seasonal flu vaccine helps prevent and protect most people from the flu however, is not expected to provide substantial protection against the infection with the recently identified novel influenza A virus (H1N1 or Swine flu). Side effects are unlikely, although some soreness, headache or low fever may occur

the day after receiving the shot. Individuals with egg allergies, previous reactions, current fever or flu symptoms or other concerns should consult their physician in advance. Children aged 6 months - 8 years who have not been vaccinated previously will require two doses of this vaccine.

Pneumonia is an inflammation of the lung, usually caused by a virus or bacteria. Symptoms include fever, cough, difficulty breathing, chills and nausea or vomiting. Pneumonia is more likely to occur after having a cold or the flu.

Those with the greatest risk for flu or pneumonia are adults over 65, individuals with chronic medical conditions, people with immune-deficiency disorders and young children.

Cost is \$30 for a flu shot and \$48 for the pneumonia vaccine. It is recommended that individuals check in advance with their insurance providers regarding coverage. For addi-

tional information, please call 262-334-1641, ext. 2121.

The vaccine given at these clinics are for seasonal flu and not the H1N1 Flu (Swine Flu) vaccine. Appointments are encouraged, but not required. Flu shots and the pneumonia vaccine can be given at the same appointment. To schedule an appointment, call the location offering the flu shots. Flu shot clinics will be as follows:

KPD to give out Packer cards

The Kewaskum Police Department has again joined in the Green Bay Packers Card Program, which has police officers carrying Green Bay Packer football cards with them for distribution to those who ask. The cards not only have a picture of the individual player but also contain a public service message.

There are a total of 20 cards and new cards will be given out every Monday for four weeks. The program started Monday, August 31st. Each set of cards will be given out for a week. The funds to purchase the cards were donated by the Westbury Bank of Kewaskum.

Police Chief Richard Knoebel said "I am very pleased that the Westbury Bank has helped us to stay in this worthwhile program. This type of program gives the young people of our community to have a one to one interaction with a police officer on a positive note and with success of the Packers and will continue to be popular program."

Knoebel went on to say "Youngsters wanting cards should wave down an officer or approach them while they are parked or on foot patrol. If the person wanting the cards runs

out into the road before the officer stops, they will not receive cards. We are trying to make this program as safe as possible.

As an added outlet for the cards, our school crossing guards will also have cards to give out.

A recent study found that people who ate nuts at least five times a week had half the risk of heart disease as those who didn't eat them as often. Nuts are high in beneficial monounsaturated fat and fiber.

St. Joseph's, WB Clinic added to Humana Network

Employees who live in West Bend and Washington County will be able to access healthcare services at a lower cost close to home now that St. Joseph's Hospital and West Bend Clinic have been added to the Humana High Performance Network (HPN).

The high performance network is available to members of the Business Health Care Group (BHCG). The collective includes more than 800 employers and employer groups in an 11-county region.

The inclusion of St. Joseph's Hospital and West Bend Clinic in the Humana HPN as of January 1, 2009, was made possible by the affiliation of the hospital and clinic with Froedtert & Community Health in July 2008.

According to Ron Nakamura, MBA, RHIA, director of managed care contracting for Froedtert & Community Health, the inclusion of St. Joseph's Hospital and West Bend Clinic under the Froedtert & Community Health contract provides another option for area employees to receive their care close to home at their own providers at a reduced cost. They will also have the same benefits at system facilities including Froedtert Hospital and Community Memorial Hospital.

"Area employers now know their employees can come to St. Joseph's Hospital and West Bend Clinic at a more affordable cost. We are pleased we can now offer better access to local healthcare services," said Nakamura. "And with open enrollment for benefit plans coming up in the fall, now is a good time to start thinking about switching to a plan that includes St. Joseph's Hospital and West Bend Clinic."

County Offices Closed

The Washington County offices will be closed on Monday, September 7, 2009 in observance of the Labor Day holiday.

The offices will be open for business as usual at 8 a.m. on Tuesday, September 8, 2009.

Hospice volunteers needed at Cedar Community

Cedar Community is looking for compassionate and caring individuals who are good listeners to serve as volunteers in their hospice program. Hospice volunteers receive eight hours of training and provide residents with companionship by spending time visiting with them, taking them outside on the grounds and to various Cedar Community programs. Hospice volunteers provide emotional and social support in a caring environment.

Each hospice volunteer is assigned to one resident and visits with the resident one day a week for as long as they wish. "I make every visit count when I visit with hospice patients. Their friendship has enriched my life.

We discover connections, laugh and share for the weeks and months we have to be friends. Every moment is worth it - but especially the 'good bye, I will see you again and I love you,' " said KC Laycock, a hospice volunteer.

Anyone interested in learning more about becoming a hospice volunteer or other volunteer opportunities available at Cedar Community should contact Bonnie Amerling, Cedar Community hospice coordinator, at 262.306.4218. The next hospice training is mid September.

Cedar Community is a not-for-profit, church-affiliated leader in creating relationships, services and environments to enhance the well-being of seniors and their families. Its facilities are located on five campuses in Washington and Sheboygan counties. Cedar Community is proud to provide a continuum of care including independent and assisted living, skilled nursing care, rehabilitation, hospice, memory loss services, subacute and home care. Formed last spring, this group of dedicated students from both East and West high schools will be partnering with Washington County Habitat for Humanity and other International organizations so that they can fulfill their motto, "Turning the Inside Out" - focusing on the needs of others

here and around the world.

On August 25, they helped make the Habitat homes on Barton Avenue solar compatible by installing special

conduit. "Its great to be part of something so worthwhile," says Interact president, Mariella Treleven.

UWWC announces 09/10 Fine Arts series

Montana Skies, a choir from Berlin, Germany, John Cowan & Band, and Motown Greats are four of the six visiting performing artists that comprise the Friday Night Features at UW-Washington County this school year. The Fine Arts Series also includes a fall musical production (The Spitfire Grill) and spring theatre production (Brendan), both produced and directed by Professor Brad Ford. The series also includes: The Karkowska Sisters Duo (from Poland) and UW-Madison's Pro-Arte String Quartet.

Ticket prices remain very affordable at \$12 for adults, \$9 for seniors (over 62) and \$9 for youth (under 18). Admission for UW-WC students is free, with campus ID. All evening performances begin at 7:30pm in the campus theatre (located on the second floor of the college at 400 University Drive in West Bend). Free parking is available in the student lot.

Season tickets include all six Friday Night Features as well as the two theatre productions and are available at a savings of 25% (\$72 adults, \$54 seniors (over 62) and youth (under 18)). You can also "pick four" different shows and save 15% (\$40 adults, \$30 seniors and youth). All shows begin at 7:30pm except for the Sunday afternoon theatrical performances, which begin at 1:30pm. Phone the campus main office at 262-335-5208 to receive the free Fine Arts brochure or to order tickets. Additional information is also available on the campus website at: <http://washington.uwc.edu>.

FRIDAY NIGHT FEATURES:

- Montana Skies - Friday, September 25.

This dynamic husband/wife duo, Jonathan and Jennifer Adams wowed the stage in 2006 with their tremendous energy and sound on the guitar and cello. Very talented musicians, they delve into music from Bach to House of the Rising Sun and Pink Floyd.

- Berliner Cappella Choir - Friday, October 30.

Traveling to the stage from Berlin, Germany, this choir is 70 members strong. Directed by conductor, Kerstin Behnke, it performs a variety of music in both German and English. Pre-concert music will be provided by The Moraine Chorus, directed by Dr. Peter Gibeau from UW-WC's Music Department.

- John Cowan & Band - Friday, December 4.

Bluegrass, Newgrass, Gospelgrass, Rock N'Rollgrass... John Cowan rose to fame as the lead singer for the New Grass Revival. Later on he joined the Doobie Brothers. Today, he and his band are true innovators with loads of talent.

- Karkowska Sisters Duo - Friday, January 29.

These talented sisters from Poland perform on the violin and piano. While you are enjoying their great music, they tell fantastic stories. They have

toured throughout North America and Europe to rave reviews and standing ovations.

- Influences: Motown Greats - Friday, April 23.

Enjoy a magical evening of Motown Greats - from Stevie Wonder to Aretha Franklin - as Chris Cauley and Chinaw Hawk showcase classic hits from the 60s. They'll take you on a musical journey of the past, while discussing the influence these artists had on their own work. Evening ends with high energy jam.

- ProArte String Quartet - Friday, May 7.

UW-Madison's faculty ensemble, the ProArte Quartet, tours around the country. They perform an exciting blend of both new and old repertoire.

THEATRE: Two theatrical productions directed by UW-WC Theatre Professor Brad Ford:

- The Spitfire Grill. Auditions: Sept. 22, 7pm Performances: November 12, 13, 14, 15 (Sunday performance at 1:30pm)

A musical written by James

Valcq and Fred Alley, that tells the inspirational story of Percy Talbott, who makes her home in rural Wisconsin after being released from prison. She starts working at the ramshackle Spitfire Grill amid a swirl of local gossip. Slowly through a series of events, the town comes to trust and love her.

- Brendan Auditions: February 2, 7pm Performances: March 11, 12, 13, 14 (Sunday performance at 1:30pm)

A funny and lively story about Brendan, a young Irish immigrant who arrives in Boston. As he works to find meaning in his new life, he works hard to adapt and misses his family terribly. After receiving a letter from home, his life turns upside down as the ghost of his mother starts following him around.

Tickets can also be purchased by mail, by sending payment and a \$1 handling fee to: UW-Washington County, Attn: University Relations, 400 University Drive, West Bend, WI 53095.

Obituaries

Only World War II temporarily interrupted Norm's civilian employment. He very proudly served his country in the U. S. Army. His first year was spent in southern California where he was also able to play baseball and enjoyed having Buddy Krier from Random Lake in his outfit. Norm played first and Buddy pitched.

Norm spent the last two of his three service years in Europe in the 16th Special Service Company Headquarters for four companies attached to the First United States Army. Having taken the Monarch of Bermuda from Boston to Liverpool, Norm landed on Utah Beach during the Normandy invasion. His company then pushed on through France, crossed Belgium and advanced all the way to Berlin, Germany in the Battle of the Bulge. He often recalled meeting Russian soldiers at the Brandenburg Gate and getting into Hitler's Chancellory. He was honorably discharged on October 12, 1945, and was a continuous member of the Robert G. Romaine American Legion Post 384 Kewaskum for 64 years.

Norm's passion for sports was life-long. After high school, he played first base for Batavia's and Silver Creek's teams in the Rainbow League. He then played shortstop in the Kettle Moraine League for the Kewaskum Utensil team including during 1947 when they won the grand championship and played in the Semi-Pro Tournament at Borchert Field in Milwaukee. He continued playing for the Kewaskum team in the Land of Lakes League until he was almost 40 when he started playing on softball teams. Always a reliable hitter and with a batting average of .429, he won the Land of Lakes Batting Champ Award in 1949.

Norm and Ruth also took up and loved golf. They belonged to leagues at Hon-E-Kor and Camelot Country Clubs and in Florida at Pine Lakes Country Club and Lake Fairways Country Club where Norm had two holes-in-one. They also enjoyed playing bridge and belonged to several bridge clubs.

Those Norm leaves behind to cherish his memories include his two daughters, Colleen E. Held-Messana of Fort Myers, Florida and Nancy R. Harwood of Matlacha, Florida; four grandchildren, Linda Messana of Madison and Dr. Christopher Messana of Royal Oak, Michigan, Douglas Harwood of St. Petersburg, Florida and Andrew Harwood (Angela) of Fort Meyers, Florida. He was blessed with two great-grandchildren, Gracie Cox-Messana of Madison and Drew Harwood of Fort Myers. He is further survived by his brother, Franklin (Ade-line) Held of Batavia, a sister,

Frances Vorpapel of Plymouth, a sister-in-law, Marie Held of Cascade, many nieces, nephews, other relatives and friends.

In addition to his wife and parents, Norm was preceded in death by a sister, Mildred Saueressig; three brothers, Everett, Claude and Byron, and two brothers-in-law, Ervin Saueressig and Arthur Vorpapel.

Funeral services for Norm were held at 7:00 p.m. on Wednesday, September 2, 2009, at the Miller Funeral Home in Kewaskum. Rev. Eric Kirkegaard officiated and burial, with military graveside rites, was at 10:00 a.m. on Thursday in Peace United Church of Christ cemetery.

Relatives and friends called at the funeral home on Wednesday from 4:00 p.m. until the time of services.

In lieu of flowers, memorials may be made to the Robert G. Romaine American Legion Post 384 Kewaskum, 1538 Fond du Lac Ave., Kewaskum, 53040.

The Richness of Life's Simple Pleasures

Laura Ingalls Wilder wrote, "I am beginning to learn that it is the sweet simple things of life which are the real ones after all."

I couldn't agree more, and here are a few simple pleasures that I am personally grateful for:

Seeing my dog's tail wag, smelling cotton sheets brought in from the washline, taking bubble baths, hearing babies giggle, experiencing a night of peaceful slumber, waving at farmers on tractors, spotting a butterfly (which should be called a flutterby), hearing neighbors holler "hello" from across the yard, seeing a red cardinal against pure white snow, eating meals together as a family, listening to a 3-year-old sing their A,B,C's, driving along a shoreline, ordering the "catch of the day" in a waterside café, hearing wind chimes, setting a bouquet of lilac blossoms on my bedside bureau every May, believing in miracles, seeing children skip, listening to the conversations of songbirds at dawn and crickets at dusk, playing Scrabble, admiring Jack Frost's artwork on winter window panes, daydreaming, smelling my mother's pies, eating them too, spotting the first robin in spring, listening to steeple bells that ring on the hour, seeing potted violets in bloom on my kitchen window sill, finding hand-written letters in my mailbox, surrounding myself with people I love who love me back, playing "This Little Piggy" on a child's toes, listening to the sound of the ocean inside sea shells brought home from va-

Enjoy your Labor Day, readers! Take a little well-deserved rest and relaxation. I will be doing the same. (And I just might celebrate the holiday by staying in my bathrobe and slippers until noon. We'll see...)

She loved Christmas, shopping, making jewelry, cooking, spending time in her backyard with her flowers and especially taking care of her family. She was a member of the American Dietary Assoc., Den Leader for the Cub Scouts and a volunteer for the Girl Scouts.

Jean is survived by her husband, Timothy; children Kristen and Maxwell; her sister, Jill (Michael) Knier, Kathy (Michael) Polega, both of Colgate; brother, Daniel (Lisa) Heinrich of Menomonie; her in-laws, Charles and Marita Niemuth of West Bend; brothers-in-law, Scott (Debbie) Niemuth of Savage, MN, Christopher (Donna) Niemuth of Berlin, Russell (Bonnie) Niemuth of Kewaskum; a sister-in-law, Jacqueline (Michael) Vorpahl of Slinger; pets, Sadie, Ivan, Terry; aunts; uncles; cousins; nieces; nephews; other relatives and many friends.

PRAYER TO THE HOLY SPIRIT

Holy Spirit, you help me see everything and you show me the way to reach my goal and ideal. You who give me the Divine gift to forgive, and forget the wrong that is done to me. You who know my innermost thoughts and desires. I want to thank you for everything and confirm once more that I never want to be separated from you. I want to be with you and my loved ones in your perpetual glory, Amen. Thank you for your love for me and

my loved ones. You must pray this prayer 3 consecutive days without asking your wish. After the 3rd day you wish will be granted no matter how difficult it might be. Promise to publish this dialogue as soon as your favor has been granted.

PRAYER OF THE BLESSED VIRGIN

(Never known to fail)

Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (pray three times). Say this prayer for consecutive days and then you must publish it and it will be granted to you.

Now that school's started...

please, use extra caution!

The Grade 9 Individual Planning Conferences are now being scheduled for October and the first week of November at Kewaskum High School. These conferences are unlike traditional parent/teacher conferences. The focus is on each student's personal and social growth, and their educational and career development. Emphasis is placed on a review of overall academic performance, talents, abilities, interests, career interest inventory results, academic test results, and future goals.

Individual Planning Conferences are specifically designed conferences for parents to gain insight into their child's development, and for students to gain insight into the direction they are headed in the future. Our task is to determine how we can help them create

and achieve broadly based goals for their future.

Parents are key members of the conference team. Conferencing gives parents and students the opportunity to discuss talents, interests, academic performance and future goals in a positive atmosphere and to continue to develop a post secondary plan. Individual Planning Conferences are not intended for discussions of student discipline issues.

The Grade 9 Individual Planning Conference lasts approximately 30 to 45-minutes. A conference letter and schedule has been mailed to Grade 9 parents/guardians.

Call Mr. Dunn (A-H) or Mr. Rockhill (I-Z), Kewaskum High School Counselors, at 262 626 8427 ext 4140 with any questions.

SEND THEM TO COLLEGE WITH A SUBSCRIPTION FROM THEIR HOMETOWN PAPER.

When they leave for college this term, let them be on their way with a weekly letter from home!

A subscription to The Statesman will keep them informed of everything that is happening in the community, while they are away!

A circuit judge on Monday sentenced Marvin E. Wahnschaffe, 30, of Kewaskum, to four years in state prison for the death of 12-year-old Jennifer Ramthun, Kewaskum, in a car-bicycle accident. Judge James B. Schwabach handed down the penalty which was one year short of the maximum on the charge of homicide by intoxicated use of a vehicle.

According to Fond du Lac County authorities, Huettl was swimming with his companions about 3 pm when he dove into the lake and never came to the surface. The youth apparently

suffered from cramps.

Official announcement was made this week that a new manufacturing industry will locate in Kewaskum under the firm name of Kewaskum Industries, Inc. The firm has leased the Schaefer Bros. garage building now occupied by the Kettle Moraine Sports Center, a subsidiary of the National Woodworking and Boat Co., at 1245 Fond du Lac Avenue (now Herriges Oil). It is reported that the Sports Center will move to the Maaske Building in Campbellsport for the present time. It was learned that the new Kewaskum Industries Inc. expects to employ about 60 persons at the start with the possibility that many more will be employed later when the plant is enlarged. Changes and renovations are already being made in the building and the plant will be in operation in early August.

The Rev. Donald F. Bitter of Fond du Lac has accepted a call from St. Lucas Lutheran Church of Kewaskum.

One Kewaskum tavern changed hands and another went out of business on July 1. Mr. and Mrs. Russell A. Kohl of Adell took over Big Gene's Tap, operated by Gene Gruber the past year at 204 Main Street (now site of Prairie Gardens Realty). Serwe's Tap, operated

by Mr. and Mrs. Syl. Serwe at 300 Main Street, for the past six years, closed its doors to the public on June 30. The tavern property and buildings, owned by Jos. Eberle, who formerly operated the business for many years was sold to the Peace E. and R. Church some time ago. Members of the parish will use or dispose of the buildings to suit their needs. With the sale of his property, Eberle chose to discontinue the tavern license rather than transfer or sell it. Now there are nine remaining taverns in the village.

Fire last Saturday afternoon gutted the interior and destroyed part of the stock of the Joseph Schlaefter hardware store in Campbellsport. Fire started when gasoline leaked from a soldering furnace someone was working with on the second floor. The building, located on the north side of Main Street is of frame construction and one of the oldest business buildings in Campbellsport. Had fire spread to adjoining buildings a large part of the business district might have been wiped out.

On or about July 1, the Kewaskum Mutual Fire Insurance Company will occupy their new quarters in the former Farmer and Merchants Bank building on Fond du Lac Avenue which they recently purchased. Painters and carpenters have been busy the past few weeks remodeling and redecorating the ground floor which will be used by the insurance company as an office.

The Chamber of Commerce of Kewaskum has arranged to stage a large fireworks demonstration at the new village park (formerly the South Side Park) on the east side of the Milwaukee River on July 3. The stores of the village will be open in the evening to accommodate the shoppers.

The Wisconsin Conservation Commission, at its meeting on June 16, established the Moon Lake State Game Refuge (now Mauthe Lake) of 1,010 acres. Previously the land had been posted as a private refuge by the Isaak Walton League and no hunting, trapping or fishing had been permitted there for several years. The area is now an official refuge. The refuge includes Moon Lake and the land surrounding it. The game farm is located in the heart of the refuge.

The Salem Reformed Church in Wayne will have their annual picnic under the auspices of the Ladies Aid on their church grounds July 4. The

William Bartelt, living on the farm formerly owned by Frank Quandt in the Town of Auburn, 3-1/2 miles north of here, was killed and his eight-year-old son, Alvin, badly injured by being struck on the railroad crossing one-half mile north of here last Monday afternoon.

The most pitiful accident that ever occurred in this vicinity happened at Campbellsport last week Friday, when Charles Dickman, the three-year-old son of C. Dickman, was instantly killed, and Mrs. C. Dickman, mother of the boy, seriously injured. The Dickman home is located near the Northwestern tracks, south of the depot. The child wandered upon the railroad track, where a boxcar was being switched. The wheels of the car struck the baby. The mother, crazed with terror, ran to the rescue of her baby. Before she could be drawn away, the wheels of the car had passed over her left leg, severing the foot above the ankle.

Henry Schneider sold his saloon and South Side Park property, including the bar fixtures, to Chas. Groeschel Friday, for the consideration of \$3,300.

Joseph Strachota received a concrete mixer and gasoline engine last week which he has in operation now building sidewalks. Mr. Strachota is ready to do all kinds of concrete work now on short notice.

Val. Peters had the foundation built for a new addition to his harness shop this week by Opgenorth and Sons.

After tying for second place in the Eastern Wisconsin Conference last year, the Kewaskum Indians volleyball team returns three all-conference players and seven total to field a veteran team this year.

Except for the coach. Joe Moser is in his first year running the program.

The young coach's enthusiasm for the team and season is evident in talking to him.

"We're returning a ton of players that started last year so we've got experience on our side," he said. "It's going to be a fun season."

Back is first-team all-conference player Lauren Gonring, second-team all-conference player setter Erika Heberer and honorable mention all-conference hitter Elissa Miller. All are seniors.

Moser plans to try running a 6-2 offense, and he can do it thanks to the return of Ashley Faber. She missed last year with a knee injury.

"She's coming back looking real good," he said. "With a knee injury you never know."

Faber, along with Heberer, share setting duties. Heberer hits when she's in the front row, and Moser wants to get Faber involved all around.

Also returning are Haley Rauch, Monica Dehler, Kayla Bastian, Haylie Hansen and George Abfall.

Moser said his team needs to work on passing consistency, volleyball smarts and I.Q. — "make good decisions on the fly."

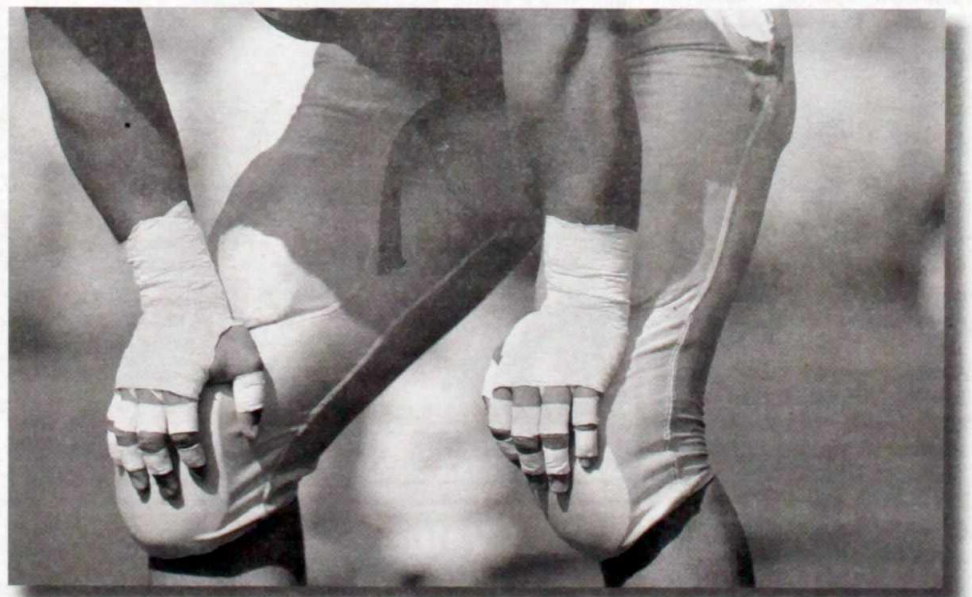

Last season, Kewaskum finished 5-2 in the conference, tied with New Holstein and Sheboygan Falls. Waupun won the conference per usual with a 7-0 record on its way to another state title, beating Catholic Memorial in three games. Waupun won 49 of its 54 games last year.

The Indians came into the playoffs a No. 5 seed and beat host Grafton, seeded No. 4, in a thrilling, five-game match in the first round of regional competition last year.

Kewaskum won Game 4, 25-23 and Game 5, 15-10, before losing to Kettle Moraine Lutheran in the regional final.

It's always going to be an uphill climb for the Kewaskum High School golfers, competing in the large-school Wisconsin Little Ten Conference, but this year coach Amy Piwoni is confident she has the players who can move up a few rungs on the standings ladder.

"All of the girls are capable of shooting good scores," Piwoni said recently about her returnees, including MVP Heather Zuehlke, Danielle Donnelly, Kate Winkler, Megan Gavin and Sienna Warnecke.

Zuehlke, a junior, led the team in scoring during the 2008 season, averaging right around 50, according to Piwoni, who said, "Between her, Kate and Danielle, we should have three strong scorers ... I think we should be about the middle of the (WLT) pack."

Piwoni, starting her fourth season as head coach, was pleased with this year's turnout of 10 players, up two from last year. Donnelly is the lone senior on the squad, while Zuehlke, Warnecke, Winkler and Gavin are all juniors.

Sophomore April Basterash returns, and the coach expects she will play some varsity golf. The other sophomore is Hailey Derge.

There are three freshmen on the team, Piwoni said, reporting Katie Melzer is out for the sport, along with Krystal Hartman and Brittany Duarte.

Concerning the top conference contenders, Piwoni said, "I think Oconomowoc will be on the top. They are returning

all their starters. Also, Hartford will still be tough." Oconomowoc is the defending champi-

on in the league. This is the second year West Bend East and West Bend West

have a combined team, but apparently that is not helping much. "I heard they are re-

ally hurting for numbers. They have all beginners, and they didn't even come to the Watertown Invite (on Aug. 15)."

There was also a rumor Slinger was adding a girls golf team to its list of interscholastic sports, but that has not materialized for this season, according to Piwoni, who said the league will continue to have six teams. Kewaskum finished fifth a year ago.

In recent years, the girls golf teams in the state have been divided into two divisions, and Kewaskum started off in Division 2, but Piwoni said, "I think we are going to be bumped up to Division one again." The area regional tournament will be hosted by Germantown this year, according to Piwoni, who said she is assisted again this year by Jim Westphal, who will take the JV team to all the Little Ten matches.

In the first competition this season, at Watertown, Donnelly was low for the Indians with a 104.

"The girls have been playing a lot this summer, which is good," Piwoni said.

After four straight years of reaching the state semifinals, this year's Kewaskum Indians football team knows what is expected.

These players, though, don't necessarily remember firsthand last year's 12-1 record and loss to eventual state champion Waupaca, at least not from a playing perspective. The Indians lost 24 seniors to graduation. Coach Jason Piittmann said he usually loses around 20 seniors, but this year it's a little different.

Only three starters return on each side of the ball.

"Inexperienced" is how Piittmann described his team. "We've got 22 seniors but (we're) inexperienced."

Opponents don't really care. The undefeated defending Eastern Wisconsin champions will get everybody else's best games.

"We've got a bullseye on our back, no doubt about it. Other ADs (athletic directors) and coaches say we're the

team to beat," Piittmann said.

The coach only concerns himself with his team and the here and now - not the past.

"We don't talk about it but the kids know that pressure's there. We just concentrate on winning one week at a time," he said.

That concentration starts with a new field general. Last year's backup quarterback, junior Cody Nuernberg, steps up to take the reins on offense.

"He's been looking pretty good. He just needs to make sure he is patient and learns his reads," Piittmann said.

His new field general may have more opportunities to showcase his arm than his predecessors. Piittmann said this year's team will be more balanced between the run and pass.

"The last couple of years we just ran the spot out of the ball. We just lined up and beat on people," Piittmann said. The latest Indians version isn't as big - or deep.

"We're going to have to change things up to keep teams honest," Piittmann said.

Nuernberg has a plethora

of targets from which to choose, and he's using them all.

"In practices and scrimmages, he's spread it around. Jordan Blank (split end), Beau Backhaus (tight end), Brandon Zolp (split end) and Mat Tols (split end) - he's spread it around," Piittmann said.

Zolp was an all-conference selection at wide receiver last year as a junior.

While the strategy changes to more balance, the passing plays aren't new. It's just now they might be used more often.

"We've always had this stuff in our offense," Piittmann said.

The guys up front need to make that balance pay off are improving.

"They're getting better," Piittmann said of the offensive line. "That's the hardest part for guys to pick up - blocking rules - it's just a matter of them learning what to do against different defensive fronts they see."

Offensive tackle Brian Bottelman anchors the line, coming off of a second-team all-conference selection as a junior.

In the backfield, first-team all-conference running back Cody Seibel will shoulder a good portion of the running game, with help from Tony Crossman and senior fullback

and team co-captain Steven Chapman.

On the other side of the ball, depth comes into play.

"It's coming together," Piittmann said of the defense. "We've got a couple new guys playing linebacker. The biggest question will be - a few more guys going both ways on offense and defense this year - we've got to develop some depth so we can play more guys."

Seibel returns at inside linebacker, a second-team all-conference selection last year. Stopping the run will always be the priority.

"I just think that's the staple of high school football. Force them into passing - we don't want them to be able to pass when they want to pass - force them into it - so that we're dictating to them," Piittmann

said.

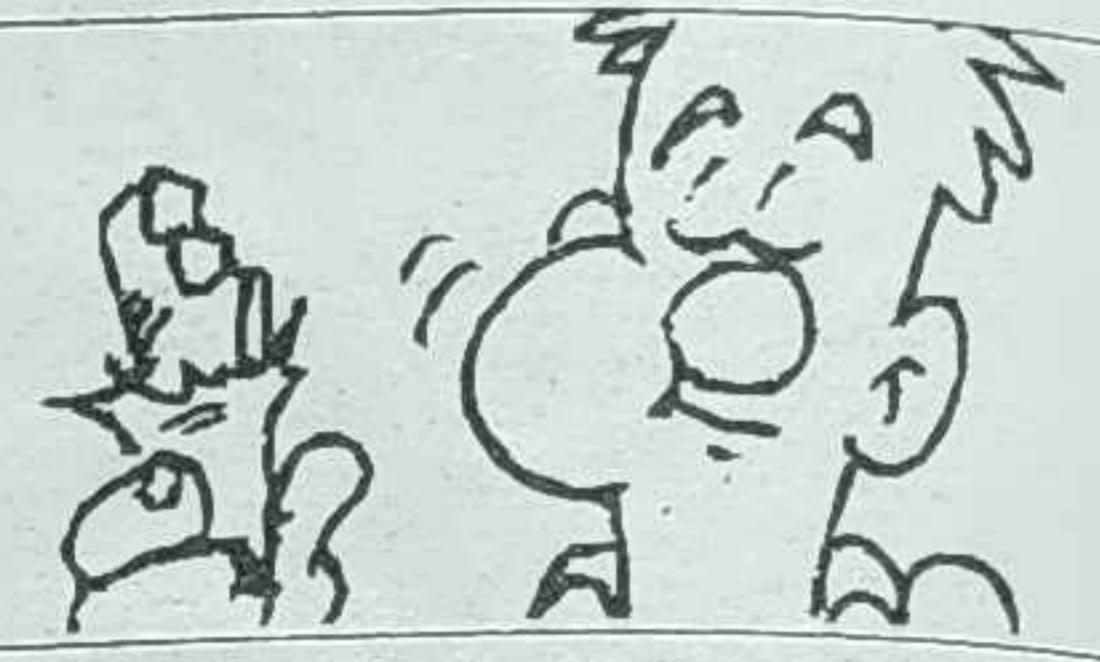

The coach likes his size up front, and "I think we might be quicker. We've got a couple kids that aren't as big but will cause problems."

Piittmann mentioned linemen Ryan Ogi, Blank, Bottelman and Matt Ballard (line-man)

Overall, Piittmann said "Progress has been steady. We still have a long ways to go, though."

He sees the Eastern Wisconsin as a balanced conference, listing Plymouth as a top contender. Kiel has potential with a veteran team but with a new coach, and Waupun has a new coach.

"Really I think it could be a wide open race. I hope we're able to get in the race early and stay in it," Piittmann said.

Piwoni ready to lead budding boys soccer team

The newbie boys soccer team at Kewaskum High School will also have young leadership as last year's JV coach Luke Piwoni stepped up to lead the tribe. Despite another season of low numbers he's hoping to improve last year's almost winless 1-13 record.

Piwoni will be joined by Noah Olla who's no stranger to the sport or KHS sports in general. Olla was active his entire high school career in the soccer program while a student at KHS. He has also helped out the soccer team in the past with coaching.

A history teacher at KHS, Piwoni is also the junior varsity girls' soccer team coach. Before replacing Dennis Gutbrod this year, he served as the boy's JV coach for two years.

Piwoni has chosen returning players, Riley Gaynor, Caleb Olla and Kyle Phillips as captains of this year's team. Olla was given an honorable mention to last season's all conference team as a midfielder.

The team will be challenged without Nick Gutbrod, the Indian's lead goal tender last season. Gutbrod was named First Team All Conference goalie. Junior Dylan Thelen who assisted Gutbrod will tend the Indian box.

The team is also hampered by three starting players who are on suspensions.

This year's team of 24 will allow many young players to gain valuable playing experience as a JV team is absent due to numbers. Piwoni says he's hoping to gain two or three more players but was unsure if that was going to pan out.

"My main goal is to im-

prove last year's conference record. We had lots of little mistakes last year that resulted in losses," Piwoni remarked.

Piwoni is pleased with his start so far. The team can only improve on their record

from last year after starting conference play by defeating Campbellsport in a double overtime game that ended 3-2.

The team also has the first games of two of it's toughest

challengers, Plymouth and Kiel also out of the way. They resulted in tough losses, 0-12 and 0-9 respectively.

Piwoni is looking at the positives though, he indicated he's happy to be giving play-

ing time to younger players to learn the game and get them adjusted to the speed of the game.

Boys soccer: Indians open with a win but later fall

By Andrew Kuehl
andrew@kewaskumstatesman.com

The Indians' boys' soccer team did something they never did before. Open their conference play with a win.

How ever that glory wouldn't last as they traveled to two of their better challengers, Plymouth and Kiel.

Kewaskum 3, Campbellsport 2

Thursday, August 20
Campbellsport Elementary

Senior Caleb Olla came through for the team as he gave the team two of its three goals in this match. Also scoring for the Indians was senior Ryan Gibson.

Caleb Olla

The team attempted nine shots at the net with Olla responsible for more than half of them.

Defensively, Dillion Thelen handled the box well with a 75% save percentage only allowing 2 of the eight shots the Cougars attempted.

Kewaskum 0, Plymouth 12

Tuesday, August 25
Plymouth

Not much can be done early in the season when you are facing the number one team in your conference and it showed as the Indians were mauled by the Panthers.

Kewaskum was only able to put up three shots against 18 that almost always ended in a goal for Plymouth. Olla, Gibson and Rob Maertz each tried one.

In the goal box was Olla who faced seven shots and let five go in; Brad Nowack who faced eight and let in seven and Nick Wendelborn who

had three at the net and let in two.

Kewaskum 0, Kiel 9

Thursday, August 27
Doebert Field, Kiel

Meeting another strong contender in the Eastern Wisconsin Conference didn't boost the Indians confidence after another scoreless game.

Gibson and Olla put up the four shots, two a piece, attempted and blocked.

Thelen tended the box the entire game and faced 18 shots, half of them resulting in points for the Raiders.

The Raiders came out strong scoring six of their nine goals in the first half.

5/4 vs. Sheb Falls

Kewaskum 0, New Holstein 4,
Thursday, August 31
New Holstein

Facing the Huskies the Indians improved slightly but still ended the game in a shut-out.

Olla and Gibson each tried two shots while Brandon Martin and Ian Kenworthy also tried one each.

Thelen again managed the box on his own thwarting 11 shots from the Huskies.

The Indians will host Two Rivers today (thursday). They enter the match with a conference record of 1-3.

Winkler plays well, other golfers struggle

KEWASKUM- The Blue Nine at Hon-E-Kor Country Club can be a little intimidating, and it appeared to be just that last Thursday, August 27, as the Indians girls golf team hosted the second Wisconsin Little Ten (WLT) mini-tour event.

Alexa Synder of Oconomowoc, broke 50. She fired a 46 to capture the medal with five strokes to spare. Hartford won the season opener.

Watertown placed third at 222, followed by Beaver Dam, with 226, a single shot ahead of the host Indians.

For the second meet in a row, junior Kate Winkler

played well, carding a 51 to finish in a tie for second overall with Emily Wilichowski of Hartford.

Senior Danielle Donnelly struggled to start the round, going 8-7-8 on the opening three holes, then she battled back to finish with a 5-4-6-7-5 for a 57.

Heather Zuehlke also put up some high numbers on the opening holes but came back nicely and had a 57. Megan Gavin and Sienna Warnecke both shot 62s.

Currently Hartford leads in the standings with 3 points, while Cooney is second at 5. Kewaskum has eight points, good for fourth place.

Kewaskum 34, West Bend East 6 | First win of season allows second string to gain experience

Indians storm through West Bend

The Indians' Cody Enright (64) and Jordan Blank (17) tackle West Bend East's Marcus Vanderkin (30) as he loses the ball in the third quarter at Carl Pick Memorial Field at West Bend High School in West Bend on Friday night. The Indians put their first season win on the board in the 34-6 game.

For the Statesman

WEST BEND- Coach Jason Piittmann came into his football team's first game not knowing how physical it would be.

That was answered early and often as a storm called the Kewaskum Indians swept through West Bend East Friday night before Mother Nature's version arrived. Kewaskum clobbered East in the first half, taking a 34-0 lead, and let backups play a good portion of the second en route to a 34-6 victory.

"Tonight we had that extra step ... extra pop," Piittmann said.

Senior Cody Seibel, first-team all-Eastern Wisconsin Conference running back and second-team inside linebacker, looked like a man among boys at times on both sides of the ball. Listed at 6-1, 210 pounds, Seibel looked and played much bigger, shedding tacklers and blowing up running plays with big hits.

He also helped win the field position game, booming high punts, one for a professional-like distance of 45 yards. Seibel averaged 39.5 yards per boot on four punts.

Piittmann was pleased with the play of his senior star, and said he has to "let the game come to him."

The Indians took the game

right to the Suns from the opening kickoff. Junior Tony Crossman returned 42 yards to East's 47, and a late hit penalty put the Indians on East's 32.

Cody Nuernberg, who takes over as starting quarterback this year, ran 21 yards to the right, followed by a 4-yard run by Seibel. On second down from the 7-yard line, Seibel found nothing off tackle left, bounced outside and beat the Suns to the end zone. Barely a minute into the game, Kewaskum had a 7-0 lead.

East went three and out on its first possession, and Brandon Zolp returned the punt 85 yards for a touchdown. A roughing the kicker penalty negated the score, but Zolp would soon get another chance.

After Jordan Blank sacked East quarterback Scott Nettesheim for a 15-yard loss on third and 16, Zolp returned his next punt 61 yards for a score weaving in and out, back and forth to avoid defenders, this time with no flags. The PAT was missed, but less than nine minutes into the season Kewaskum was up 13-0.

"We spend a lot of time on special teams," Piittmann said. "Our return game is something we take a lot of pride in."

The first quarter ended with Seibel chasing down a scrambling Nettesheim and forcing a fumble that bounced out of bounds. Seibel spent plenty

of time in the East backfield much of the first half.

In the second quarter, special teams set up another Indian score. East dropped a punt and D.J. Ermer recovered on East's 25.

From the East 20, Zolp reached up for a ball thrown a smidgen behind him on an out route and pulled it in with one hand for a highlight-reel nine-yard gain.

Seibel blasted up the middle untouched on the ensuing play for an 11-yard touchdown. With 7:25 left in the half, Kewaskum led 20-0.

The Indians held East to a three and out again on the next possession, and went to work from their own 48. Two Nuernberg passes moved 24 yards, and Seibel ran for 18 up the gut. An option pitch to Crossman yielded 23 more yards as he cut back and forth eluding would-be tacklers.

Nuernberg lunged for five yards to get inside the two-yard line, and Seibel finished it off with another run up the middle for his third score. With 2:44 left, Kewaskum was up 27-0.

After a four-play drive, East punted again and Kewaskum took over on its own 43 with 48 seconds left in the half.

In what could have been the play of the night, Nuernberg hit Crossman in stride on a left slant. Crossman cut all the way across to the right sideline and, just as an East

defender had the angle for a tackle, Zolp laid out a crushing block on the unsuspecting Sun, who knocked into a teammate behind him. The blast drew oohs and aahs from the Indian sideline and opened up the entire right side. Crossman outraced a trailing defender for a 57-yard score.

East didn't cross midfield in the first 24 minutes of the game, while Kewaskum did whatever it wanted to.

After an abbreviated half-time due to an approaching storm, the Suns mounted a nearly 6-minute drive to start the second half that ended in a missed field goal. The Indians answered with a five-minute drive that stalled after East held on fourth and two.

In heavy wind and rain in the fourth quarter, East mounted a 67-yard drive that ended in a Marcus Vanderkin two-yard touchdown run. The PAT kick missed.

Nuernberg finished 5-7 for 89 yards and a touchdown and had seven carries for 55 yards. Crossman had 56 yards rushing and 57 receiving and a touchdown. Seibel had 36 yards rushing and three scores.

With no film yet this season, Piittmann said he wasn't sure how to prepare for the Suns, so "we prepared for everything. The kids did a nice job of picking it up."

As physical and dominant as the Indians were, Piittmann

said there has to be more where that came from going into Friday's home opener against West Bend's other half, the West Spartans.

"West is very big physically. We will have to step up our game this week," Piittmann said.

Lady Indians send Cardinals flying home

The Indians' Ashley Faber attempts a kill during the second match of the team's challenge by Mayville on Tuesday, September 1. The ladies came out on top of all three matches during the home opener.

By Mitch Maersch
For the Statesman

KEWASKUM- New volleyball coach Joe Moser likes running his 6-2 offense with setters Erika Heberer and Ashley Faber.

"I like having them both setting and both hitting," Moser said. While Heberer can handle serving herself, it wouldn't allow her to hit.

Faber is just glad to be back on the court doing anything. After tearing her ACL and having knee surgery early last September, she missed the entire volleyball and basketball seasons. She was able to return to softball in spring.

Moser loved the two of them hitting Tuesday night. After spotting Mayville a 20-12 lead in Game 1 of its home opener, the Indians got back on track and swept the Cardinals out of the gym, 25-22, 25-20, 25-16.

"It started with some good

passing. Our whole offense came alive after that," Moser keyed the comeback. Good passing "made it easier on our setters and hitters."

That started with Lauren Gonring, who led the Indians with 10 digs.

"Just our team chemistry," she said helped start the comeback. "Our bench cheers, our fans were awesome. We just have so much confidence once we get on top of our game."

"I think we just played down to their level," Heberer said. "I think once we get a really good serve. We get really excited."

"We just had to come out with our intensity," Faber said.

Down 20-12, the Indians started a 9-1 run to tie it at 21-21 with a George Abfall kill to the corner. The surge included two aces from Haley Rauch to two different spots, one from

Gonring and two kills from Elissa Miller, the second a huge hit down the middle untouched.

A serve that landed out gave Mayville a 22-21 lead, and Miller tied it up with a powerful kill. Faber followed with two serves that caught the net and fell for aces, and then an assist to Heberer who nailed the game winner that hit a Cardinal on her fists and bounced away.

Moser said he hoped to be able to attribute the slow start to an all-day teacher inservice and open house on Monday, hence no practice.

"It drives you nuts when your players aren't going to the ball," said Moser.

Abfall led the Indians with eight kills. Miller and Heberer had six each. Heberer had 16 assists and Faber 10. Faber led the team with four aces.

In Game 2, the Indians fell behind 9-4 before tying it at 10-

10 on two straight aces from Faber. The game had ties of 13-13, 15-15 and 17-17 before an Indian 6-1 run to make it 23-18. Faber and Haylie Hansen each fired an ace, Miller had a kill and Kayla Bastian a monster kill to the back court. A Mayville timeout couldn't slow the Indians, as a Miller block made it 24-19 and two points later a Heberer popped a kill to the back court past a diving Cardinal for game point.

The Indians never trailed in Game 3 as the closest the Cardinals got was 6-5 and 7-6. Mayville called timeout at 15-7 but it was too late. The Indians built a 20-11 lead that included two Abfall kills, the second splitting defenders, and a net serve from Gonring that snuck

over for an ace.

Kewaskum closed out the game on a 5-0 run including a Rauch ace, and kills from Abfall, Bastian and the game-winner from Courtney Krueger.

Moser said he hopes to improve the Indians' passing game today (Thursday) when they host Campbellsport.

As far as Faber goes, being back on the court and winning the home opener?

"Feels great," she said.

In the quadrangular meet at Kiel last Saturday, the Indians went 3-0 to start play in the Eastern Wisconsin Conference. Sheboygan Falls finished 2-1, Kiel 1-2 and New Holstein 0-3.
