Youth soccer organization forming

The Kewaskum High School soccer coaches, along with the Kewaskum Athletic Association, have joined forces to form a new youth soccer program exclusively for Kewaskum School District residents called the Kewaskum Youth Soccer Organization.

The two primary goals of this program would be to ultimately build a stronger and more competitive high school boys and girls soccer teams in Kewaskum and create greater positive athletic opportunities for area youth.

It is hoped with enough community support, the program could begin its inaugural competitive season in April 2011. The youth soccer program would be available for all area public, private and home-school students within the Kewaskum school district.

A pre-registration and organizational meeting will be held at the Kewaskum Elementary School cafeteria on June 8, 2010 at 7 pm. The main purpose of the meeting will be to help determine the number of players that would be initially involved, the number coaches needed and the amount of equipment that would be needed to get the program started.

All players, parents, coaches and community volunteers that are interested in helping to organize, coach and play in an area youth soccer program are encouraged to call the following individuals for additional information contact Luke Piwoni: 262-626-8427 x 4362, Mike Miller: 262-692-2715 or Eric Flanders: 262-626-8257.

First Kewaskum Relay For Life this weekend at KHS

By Mitch Maersch
mitch@kewaskumstatesman.com

If anyone was ever going to start a cancer fundraiser in Kewaskum, Sadie Hennig could be the most logical choice.

The high school senior's great-grandparents died from cancer, her grandparents had it, her mom had it and the disease even took her dog.

This weekend, the work of Hennig, her friends and the community comes to fruition with Kewaskum's first American Cancer Society Relay for Life event.

Relay for Life, the society's signature fundraiser, consists of teams that walk around a track, ideally at least one member from the team walking the entire time, a survivor lap of cancer survivors

to kick off the event, a luminaria ceremony to honor those who have been lost to and are still fighting cancer. Food and entertainment of various kinds are often included.

An American Cancer Society representative e-mailed several Milwaukee-area schools about starting a Relay last year, and Kewaskum answered the call. Hennig began in November on the event. Since then, a committee of about 13 - mostly Hennig's friends, including her younger sister - did the bulk of the work.

"I just took the initiative," Hennig said, citing cancer's impact on her family.

Committee members contacted businesses and kept the school updated through newsletters and

announcements.

"All the committee members are really dedicated which is really helpful," Hennig said. "Everyone who has been involved has been really excited. Even the teachers here have been supportive."

Nineteen teams and about 180 people are signed up, but Hennig said she knows several more people who said they will come. Signup is not required to attend. "I didn't think people would go for it this much. Cancer affects everyone. They've really taken it to heart," Hennig said.

Nobody more so than Hennig. Her mom survived a bout with skin cancer and Hennig feared the worst when she found a lump in her German shepherd not long

Wayne man injured in Dodge County train crash

An Allenton man remains hospitalized after the vehicle he was driving collided with a train in the Village of Rubicon Tuesday morning, June 1 shortly before 7 a.m.

The full size Dodge truck was driven by Nathan Janz, 31, southbound on County Highway P in the village of Rubicon. Dodge County Sheriff's Deputy Kevin Homan, reported the truck failed to stop at the railroad crossing just north of Rome Road.

"The lights were flashing and the bell was ringing to signal a train on the tracks," he explained. The eastbound Wisconsin Southern train col-

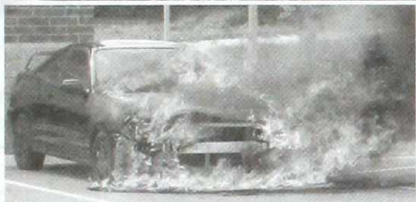

lided with Janz on the tracks. The vehicle was pushed down the tracks for 1,651 feet.

Janz was taken by helicopter to Froedtert Hospital in Milwaukee.

Deputy Homan also stated in a press release the train did activate its horn prior to the traveling and believed to be traveling at 40 MPH.

Alcohol and weather are not believed to be a factor in the crash.

Janz was wearing his seatbelt at the time of the crash and at the time of this release his injuries are believed to be non life threatening.

Kewaskum Firefighters responded to J-Stop Citgo at US Highway 45 and Badger Road in the Village on Tuesday, June 1 shortly after 4 p.m. for a 1997 Acura coupe that became engulfed in flames. Firefighters quickly responded with Kewaskum Police Officers and extinguished the flames. The vehicle is owned by Robert Larsen of Kewaskum, it was completely destroyed.

Black bear causes uproar in Kewaskum

The bear makes a stop at a yard on Hwy. S, northeast of the Village.

Photo by Mary Lynn Ellis

An adult black bear has been the topic of many conversations in the area around the Village of Kewaskum. The 250-300 pound bear has visited many rural residents on a sight seeing tour of the area that began on Highway 45 in the town of Auburn and most recently, Fredonia.

The bear is believed to have been first seen by a homeowner in Oakfield and then in Ashford Thursday and Friday. On Sunday, May 30, at 8:00 a.m. the Washington County Sheriff's Office was notified by the Fond Du Lac County Sheriff's Office they had several sightings of a black bear in their county.

Before making his trek into Washington County, Highway S resident, Mary Lynn Ellis reported seeing the bear around 8:15 a.m. Another resident in that area, Fred Seefeldt also reported a sighting.

A short time later a Village of Kewaskum Police Officer spotted the bear on State Highway 28 on the East side of Kewaskum. The bear at that

time was observed running into the Kettle Moraine State Forest.

He or she must have enjoyed the forest as the bear remained there until the evening when travels led to Doug Gonring's home on Highway 28 and then continued to Harvey and Kathie Ramthun's home on North Mill Road.

Kathie Ramthun reported her family was visited around 8:30 p.m. The bear came up to the patio to check out the bird feeders.

"One of the adults made a growl sound from the window of the house and the bear left the property crossed the road onto another home owner's property where a gentleman got within 20 yards of the bear. He proceeded to chase the bear off the property and into the Kettle Moraine," reported Ramthun.

The Washington County Sheriff's Office reported in a press release that no reports indicated the bear acted in an aggressive manner towards humans or other animals and

no reports that it has caused any damage.

The DNR has been contacted and encourages people to leave the bear alone and not feed it. If you reside in this area you are encouraged to secure your garbage and not leave food outside. If you see

the bear you should maintain good distance and not confront it. According to the DNR the bear does not pose a great danger to humans. If the bear

would be spotted in a heavily populated area you are encouraged to contact your local law enforcement agency.

Auditions for 'Honk!' arrive

Auditions will be held on Mon., June 7, and Tues., June 8, for "Honk!", the musical to be presented this summer by Lakeshore Productions, Inc. of Random Lake.

Auditions will be held at the Random Lake High School auditorium. Children who have completed second grade through 12 are invited from 6-7:30 p.m., while adults (ages 13 and above) will audition from 7-9:30 p.m. Call backs are scheduled for Wed, June 9.

Director James J. Lentz, Jr., of Milwaukee, who has been active in a variety of community theater groups, says the show offers many interesting

parts for youths and adults. A parent is required to accompany anyone auditioning who is age 12 and under. Any potential conflicts with rehearsal dates must be listed on the information form to be filled out on audition night.

"Honk!" is a relatively new musical that tells the story of "The Ugly Duckling," which was written by Danish poet and author Hans Christian Andersen (1805 - 1875). This family friendly show tells how the homely little duck, born in a barnyard, matures into a graceful swan. It will be presented on Thurs., July 29, and Fri., July 30, at 7:30 p.m.; on

Sat., July 31, at 2 p.m. and 7:30 p.m.; and on Sun., Aug. 1, at 2:00 p.m.

For more information about the show or auditions, contact LPI Board member Maureen Schommer at 262/692-2575 or mrsfuzzmo@yahoo.com or visit the web site: www.lakeshoreproductions.org.

A visit from Backwood Buttercup

A Visit from Backwoods Buttercup is the next program in Summer Saturday Evening Events at the Kettle Moraine State Forest-Northern Unit. The program will be held on Saturday, June 12, from 7:00 p.m. to 8:30 p.m. at the Henry S. Reuss Ice Age Visitor Center. The Ice Age Visitor Center is located off Hwy 67 half mile west of Dundee. The program is free, but donations are always gratefully accepted.

You're in for a real treat, because it is not often that Backwoods Buttercup (a.k.a. Mike Maher) rambles his way out of the deep woods away from his wild critter neighbors. Don't be frightened by his snarling and growling manner, but do listen to his amazing stories, legends and myths of the workings of nature. Backwoods may not be the most refined gentleman, but his rough and tumble ways will surely be entertaining and

enlightening.

Make sure to mark your calendars for this fun-filled and educational evening. This program is great for everyone, but a special treat for families/groups with children over the age of six years old.

For further information or directions, please contact forest staff at the Ice Age Visitor Center. The staff may be reached at (920) 533-8322, Monday through Friday, 8:30 a.m. to 4:00 p.m. and on Saturday and Sunday, 9:30 a.m. to 5:00 p.m.

On Thursday, May 27th, a new tree was planted in front of Farmington Elementary School in Kewaskum to honor Sydney Donath of West Bend, student of Lora Schreiber. Sydney is the 1st place winner of an annual Statewide Arbor Day 4th Grade Essay Writing Contest sponsored by the Wisconsin Department of Natural Resources and the Wisconsin Nursery Association.

Sydney's essay, "Why Plant Trees?" discussed how her parents taught her about the importance of trees by planting many of them at their own home, creating a habitat for a variety of Wisconsin's wildlife. Sydney also wrote how many of the trees we plant help our community and environment, not just for the present, but the future as well.

An Autumn Blaze® Maple was the tree selected due to its fast growth rate and beautiful fall color. Scott Johnson of Johnson's Nursery of Menomonee Falls and Jackson was on hand Thursday to donate, deliver and plant the tree, with the help of both 4th grade classes at Farmington Elementary. "It's great to see all of the kids help out and ask questions about trees," said Scott Johnson. "Next year when they come back

to school they will be able to see some beautiful fall color."

In 2011, these same students will have the chance to have another tree planted in their honor as the same contest is offered to 5th grade students, except it is a poster drawing contest instead of essay writing.

To read Sydney's essay, go to the EEK! Website, the WDNR's website for kids. Farmington Elementary School is located within the Kewaskum School District. For more information, please contact Lora Schreiber of Farmington Elementary at 262-626-8427.

Each year the Wisconsin Nursery Association sponsors and its members participate in the WDNR sponsored Statewide Arbor Day 4th grade essay writing and 5th grade poster writing contests by planting a tree on the Capitol Grounds in Madison. The winning students along with their parents and teachers will meet at the Capitol for the planting, celebration of their awards and other festivities. We hope to see you there with your student this year. It is a wonderful and memorable event for the students, parents and teachers.

25 Years Ago April 5, 1985

With only two really contested elections, voter turnout throughout the Kewaskum area was fairly light. In the Kewaskum Board of Education race, incumbents John Spoerl and Ralph Horner Jr. lost by a wide margin to challengers Perry Ankerson and Ronald Theusch. In the Kewaskum Village Board election, incumbents Mary Krueger and Paul Blumer retained their trusteeships, while Richard Schlice defeated former trustee Richard Schmidt for the third post. In the Town of Kewaskum Daniel Stoffel retained his post as Town Supervisor, while David Dorn unseated incumbent Jerome Herriges. In the Town of Auburn, Merle Laatsch defeated Neal Weare for the post of Town Constable.

Dale Wodsedalek, 6-5, former Kewaskum High School athlete, a junior on the Lakeland College, Sheboygan, basketball squad, has been named co-captain of the Muskies for the 1985-86 season, along with another junior forward from Sheboygan. Wodsedalek was the Muskies' second-best rebounder and third best scorer with an average of 10.6 points a game this past season.

Terry Koth, son of Mr. and Mrs. Ken Koth of rural Kewaskum (Boltonville), is a member of the 1985 University of Wisconsin Badgers baseball team. Koth, #29, a six-foot one, 200 pound freshman, who bats and throws right, is listed as a pitcher and the Badger baseball guide sent to the media has printed he will see action this spring in short relief situations.

Gerald and Joan Harter of Kewaskum are happy to

announce the adoption of a daughter, Julie Louise, born October 8, 1982, and presented to them on March 18. She has four brothers, Robbie, David, Bryon and Russell Brooks. Paternal grandparents are Mr. and Mrs. Marlin Harter of Adell and maternal grandmother is Mrs. Carol Adamczyk of Youngtown, Arizona.

A son, Patrick William, was born to Mark and Linda Enright, Kewaskum, on March 29. Grandparents are Mr. and Mrs. Gerald Enright and Mr. and Mrs. Max Rosplock, all of Kewaskum. Patrick has an older sister, Nicole, and a brother, Daniel. A daughter was born to Roger and Anna Schneider, Kewaskum, on March 30. A son Kurtis Grant, was born to Chris and Sally Cochran, Kewaskum, on March 27. A son was also born to Christopher and Linda Jo Gerlach, Adell, on March 26.

“The staff and nurses in the New Life Center were absolutely fantastic.”

— Kristin Armstrong

For Kristin and Keith Armstrong, proud parents of Gabriel Raymond Armstrong, born Sept. 19 at St. Joseph's Hospital, there's no doubt about it: The **New Life Center** is an extraordinary place. Especially considering the efforts that were made to unite the family shortly after Gabriel was born.

At the time, Keith was more than 6,000 miles away, completing his second deployment in Iraq with the U.S. Army. But thanks to a special Internet-based video connection from Kristin's room at St. Joseph's Hospital, Keith was able to meet his son only an hour later.

“Keith was really excited to meet Gabriel,” Kristin says. “It was the next best thing to having him there with us. We've continued to talk just about every day and can't wait to get back together as a family.”

As for St. Joseph's Hospital, “I couldn't have had better care,” Kristin says. “The staff and nurses in the New Life Center were absolutely fantastic. And Dr. (Angela) Breckenridge of the West Bend Clinic was great. The hospital is gorgeous, and they had a way of making it all really comfortable. I'd absolutely recommend it to others.”

To read more about the Armstrong family's experience at St. Joseph's Hospital, visit stjosephswb.com. For information about the New Life Center or to arrange a free tour, please call 262-836-8361. To make an appointment with a West Bend Clinic obstetrician/gynecologist, please call 262-836-2114.

Lady Indians soccer team on winning streak

The Indians' Jess Smallish prepares to send the ball in last Monday's game against Two Rivers at home.

Statesman photo Brendon Reichard

Kewaskum 's Girls Soccer team exploded at Seniors Night on Monday, May 24 as they hosted Two Rivers. The final result was Kewaskum 11, Two Rivers 0. The Indians' action at the net started with Christine Bohn 30 seconds into game, as she found

the net. At the end of two minutes, Jess Smallish swooped in assisted by Shannon Miller. Miller then teamed up with Sam Smallish and found the net.

Later, Sam Smallish then found the net unassisted. Exchange student Lilo Ritter then scored her first goal of the season assisted by Bohn. The rest of the first half saw goals by Elissa Miller and Kelsey Phillips. Elissa Miller scored the final goal at the half.

Scoring continued in the second half as Paige Lightner and Georgianna Abfall got on the board followed by Kayla Bastian assisted by Phillips.

"The score says it all with this one. We dominated possession the entire game and all the girls got equal playing time," reported Coach Amy Piwoni.

Kewaskum took 25 shots at the net throughout the game. Two Rivers tried once.

Traveling to Brown Deer the ladies picked up a 2-1 non-conference win.

Sam Smallish and Bohn scored unassisted in the first half. The score remained unchanged in the second half.

The ladies tried 12 shots, Lightner saved seven for Kewaskum.

"It was nice to pick up a non-conference win after being so close many times throughout the course of the season," Piwoni commented.

Next on the schedule was a trip to Waupun on Thursday where the ladies posted a 5-1 win. This improved their conference record 6-6-1.

Bohn scored twice in this game and tried six times at the net, Sam Smallish, Rachel Ogi and Shannon Miller each knocked one in. Miller also was responsible for four shots on goal.

Lightner stopped seven at the net.

Woldt, A's cruise in win over Oconomowoc

The combined team of Kewaskum/Brownsville took down Oconomowoc 14-1 on Friday, May 14 in their first Tri-County game of the year.

The A's jumped ahead early as Jace Uncein lifted a bases loaded RBI sac fly to give the A's an early lead. John Cetnar followed with a towering three-run homer to put the A's up 4-0 after the 1st.

The A's added two more runs in the second without the benefit of a hit to move ahead 6-0. This would be all the support that starting and winning pitcher Josh Woldt would need on the mound. Woldt tossed six scoreless innings of one hit baseball to go along with nine strikeouts in his first appearance of the year.

The A's added a three-run homer by Kurt Zagzebski in the 6th and James Goodfellow capped the scoring with a three run homer of his own in the 7th. The A's were led by Goodfellow 2x3 (2B, HR, 3 RBI's), Zagzebski 2x4 (HR, 3 RBI's) and Cetnar 2x4 (HR, 3 RBI's).

A's Pick up First Rock River Win of the Season

Kewaskum traveled to Oakfield on Sunday, May 16, for their first Rock River

League game of the year. The A's jumped ahead 7-2 in this contest before hanging on for dear life in a 7-6 win.

The win puts the A's at 3-2 overall (1-0 RRL). Kewaskum sprinted ahead in the 1st with a single by Adam Martz that scored Dan Shea and Austin Sarauer.

Oakfield evened the game up at 2-2 in the third though, as they benefited from a Kewaskum error, passed ball and two wild pitches in plating both runs. With runners on 2nd and 3rd with two outs in the fourth, Jim Ziegler blooped in an RBI single to give the A's a 3-2 lead. Tyler Kohls followed with a walk to load the bases, and Shea followed that with a double down the right field line to score two more runs putting the A's up 5-2.

Kewaskum tacked on two runs in the fifth as Zagzebski scored on a wild pitch and Jake Panzer delivered an RBI single to push the lead to 7-2.

Oakfield cut into that lead with two runs in the 7th and had the bases loaded with nobody out in the ninth. However, fill-in shortstop Jason Strobel, turned a double play to end a possible Oakfield comeback in the ninth.

Ziegler picked up the win tossing all nine innings. Shea was 2x5 (2 2B's, 2 RBI's) and Martz went 1x5 (2 RBI's) both led the A's at the plate.

The Statesman will catch up on A's news next week as high school sports come to a close. Thanks for your patience.

Indians fail in sectional, Gonring moves on

By Judy Harlow
Statesman Correspondent

ASHFORD- Eastern Wisconsin Conference teams closed the door on others competing in the Division 2 Regional Golf Tournament hosted by Campbellsport on Tuesday May 25.

Playing at Camelot Country Club, Kiel, Sheboygan Falls, Campbellsport and New Holstein swept the first four positions and moved on to the sectional played June 1st in New Holstein.

The Raiders were on fire, with two of its four counters in the 70s, led by junior Austin Williams, who fired a 2-over-par 74. Senior Brandon Gries was next at 76, helping the Raiders to a 317 total.

Sheboygan Falls, an up-and-coming team, finished second at 325, seven shots ahead of Campbellsport (332) and 14 in front of New Holstein (339).

Kewaskum finished seventh in the 10-team field, with a 350 total, but sophomore Tony Gonring advanced as the third (of four) extra qualifiers, which come from teams that did not advance to the sectional.

Gonring finished with a 42-40—82, which was the 11th best score of the day. Gonring's effort was a different story.

"He's been fairly steady

around these numbers for the last couple of weeks," KHS coach Glenn Eichstedt, reporting." The big thing that day was he made some long putts ... He drained a par putt on No. 2 and a long putt on No. 5, a long putt on 8 ... on (No.) 12, he made a long par putt, 15 a long par putt."

Eichstedt went on that Gonring played the par 3s very well and birdied No. 15, "which is the second toughest hole at Camelot."

Dan Bohn, the team's No. 1 player the majority of the year, had troubles on the front nine, carding a 46, then battled back with a 41 on the back for an 87.

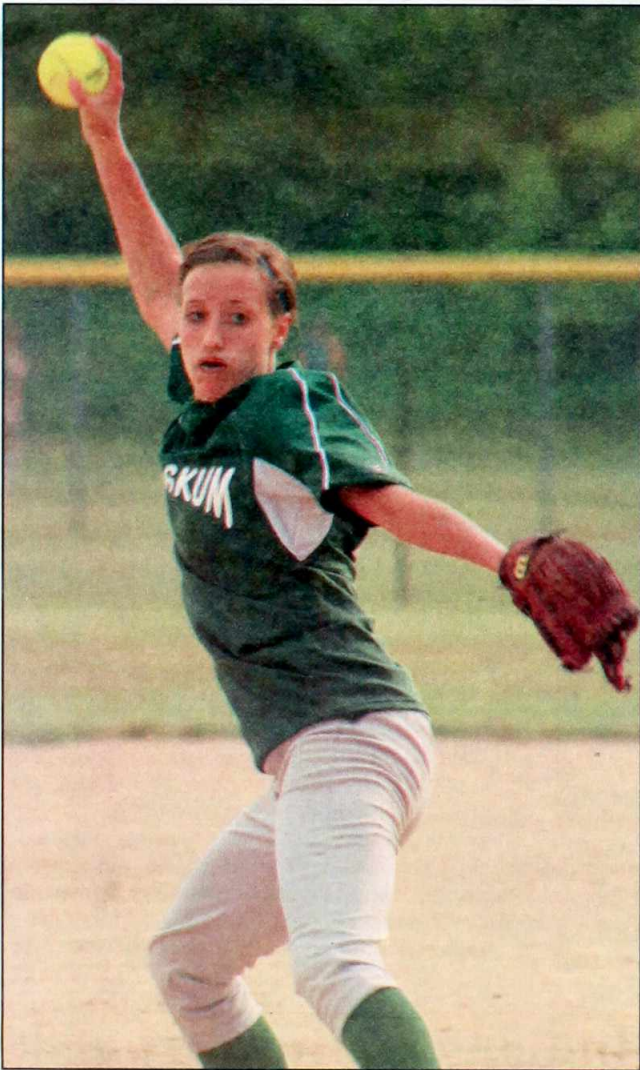

Bohn had some tough luck on the front side, hitting the wrong ball on the first hole, leading to a double bogey, landing in a deep divot in front of the creek on No. 6 and hitting a sprinkler head on No. 17, a par 3.

Bohn was playing well on the back until the final hole where he had a double bogey.

Senior Russ Osswald was next with a 46-42—86, and the final counter was Alex Larsen's 42-51—93.

From the sectional, the top two teams and top two individuals advance to the WIAA Division 2 State Tournament on June 7-8 at the University Ridge Golf Course near Madison.

Indians ground Cardinals Baseball team in first round regional riding win streak

Kewaskum's pitcher Erica Heberer tossed a two-hit shutout as the Indians beat Mayville, 1-0, in Tuesday's regional playoff game at home. On Thursday, the ladies host Grafton at 4 p.m.

A hot pitcher, air-tight defense and a successful squeeze secured Kewaskum's fast-pitch softball team a second home playoff game.

Barely.

A pitchers' duel that didn't have a runner get past second base until the fourth inning had the game hang in the balance with every play. The No. 1-seeded Indians made nearly every one of them in a 1-0 Division 2 regional playoff victory against No. 4 Mayville Tuesday.

"I knew it was going to be a good game but they're a damn good team. Good pitching, good hitting. That was a good battle," said Coach Jeff Gosse.

The Indians (16-7) face No. 2-seeded Grafton (15-4) Thursday at 4 p.m.

On Tuesday, it was shortstop Monica Dehler diving for a dusty catch on a bloop near third base; third baseman Jenny Reicher looking back a runner at second before gunning to first for the sure out; right fielder Caitlin Rinzel racing in to catch a short line drive; pitcher Erica Heberer catching a bunt and firing to first for a double play; second baseman Jennifer Beiswenger scampering backward to catch

Dehler said. "I'm already half down the line and they knew I was coming anyways, so I figured I had to get my butt there. And Abby did an awesome job laying it down."

Heberer overcame a mental obstacle to keep the Cardinals scoreless. During her pitching motion, her back foot sometimes hops and loses contact with the pitching rubber and then replants, an illegal move.

She ultimately decided, "I can't worry about it. I've just got to pitch it. My fastballs were pretty good."

So was the defense behind her, not lost on Heberer.

"They had some amazing catches. That was awesome. That brought all of our, like, enthusiasm up, too, so that was good," she said.

"We've been practicing a lot of communication," Dehler said. "I think that's, like, the key to defense, knowing where everybody is. Talking is helping us a lot."

So is chemistry, which Gosse has praised since day one. He saw it over the holiday weekend.

The Indians almost scored a second run in the sixth. Dehler singled and was caught stealing at second, one batter before Amerling clocked a triple to right center, her third straight game with a three-bagger. Gosse was just as impressed with Amerling's work behind the plate.

"She's been calling a great game back there. She calls the defenses," he said. "And she's been a tear on offense."

Facing a fast pitcher like Case could help Kewaskum prepare for Grafton.

"That's what we'll see in Grafton," Gosse said. "It's only going to get tougher from here on out. Grafton comes out of the North Shore. That's a darn good conference. They have good pitching, I know that."

Another pitchers' duel could be in the cards.

"Erica's going to keep us in the game," Gosse said. "The hitters just have to do their job, the defense just has to do their job. She's done that the last two years. She hasn't got blown out."

Grafton beat Brown Deer, 18-0, and Kettle Moraine Lutheran, 5-0, to reach the regional final.

Mayville finished the season 9-15. They beat Port Washington, 7-6, last week to earn a trip to Kewaskum.

If the seeds hold, a rematch with No. 1-seeded Wau-pun on the road looms. The Warriors beat Campbellsport, 10-3, on Tuesday and face No. 3-seeded Ripon on Thursday. The Warriors beat Kewaskum twice this season, 4-2 at Wau-pun and 3-2 in eight innings in Kewaskum.

an in-between popup over her shoulder.

Kewaskum made no errors and the Cardinals didn't leave much room for mistakes.

Heberer allowed two hits and three walks. She struck out four and didn't let a runner past second in the Indians' first shutout of the season. Danielle Case allowed six hits, no walks, hit one batter and struck out six.

With the welcome problem of two good pitchers on the roster, Heberer gets the nod throughout the playoffs over Reicher, a freshman who threw well all season who will pitch if Heberer struggles.

The game's only run came in the fourth. Dehler lined a single to right field and took second on a Reicher sacrifice bunt. She moved to third on a passed ball and Kewaskum's hottest hitter, Abby Amerling, stepped to the plate.

The squeeze was on, and Mayville knew it. The junior catcher bunted one ball foul before another went airborne and landed fair.

The throw came home and so did Dehler. The ball seemed to slide out of the catcher's glove as the tag was put on in what would have been a tough call either way.

"As soon as Abby got it, it was kind of up, so I was kind of scared. I was just going,"

Kewaskum's baseball team is riding a four-game winning streak headed into Thursday's conference game at Plymouth after eeking out an extra-inning win at Kiel on Tuesday.

The Indians took eight innings to win their first Eastern Wisconsin Conference game, 9-7. They blew leads of 5-0 and 7-6 before taking advantage of mistakes to score two in the top of the eighth and hanging on.

Down 6-5 in the top of the seventh, sophomore Brad Boegel hit a one-out, two-run homer, his second of the game, to give the Indians a 7-6 lead. Kiel tied it with one run in the bottom of the inning and the game continued.

In the top of the eighth, Bo Seibel walked and his brother, Cody, grounded a ball back to the pitcher, who threw wild to second in trying to start a double play. The shortstop caught the ball and then threw past first base to try to get at least one out and runners moved to second and third.

Junior Cody Nuernberg then singled to left field to score both Seibels. Cody pitched the bottom of the inning and didn't allow a run.

"We got lucky," said Coach Doug Gonring.

The Indians are 6-2 overall and 1-0 in conference.

Mike Schladweiler started and went 4 2/3 innings. Lucas Kopeschka went 2 1/3 before Seibel pitched the last three outs.

Gonring is so far pleased with his team's pitching but not his defense. Most of Kiel's runs were unearned and four errors came at third base alone.

"If we clean up that I think we'll be all right," Gonring said of his defense. "Pitching seemed to be all right. They let the guys put it in play. We've got to make those plays."

Hitting so far seems to

come in bunches and lacks some timeliness. Kewaskum had the bases loaded three times on Tuesday and didn't score.

"We go in streaks. We can't get those clutch, two-out base hits. We've got to put balls in play at that time and get ourselves some productive outs," Gonring said.

At home against Howards Grove last Saturday, Boegel led the team on the mound and at the plate in an 8-3 victory. Boegel was 2-for-4 with a home run and four RBIs, and pitched five innings, allowing three runs and two walks. He struck out four. Schladweiler was 2-for-3 with one RBI and Cody Seibel was 2-for-3 with a double.

At home against Germantown last Friday night, the Indians won, 9-6 in eight innings, avenging a 12-8 loss in a tournament the week before. Kewaskum scored three in the bottom of the eighth. Boegel was 5-for-5 with a homer and five RBIs. Nuernberg was 2-for-4 with a triple and homer and two RBIs, and Sam Olla was 2-for-3 with a double. Nuernberg allowed five runs in the first four innings, walked one and whiffed five. Kopeschka allowed one run in the next four, walking two and whiffing three.

At West Bend East last Thursday, the Indians killed the Suns, 12-2, in five innings via the 10-run mercy rule. Cody Seibel hit a grand slam, Bo Seibel was 2-for-2 with a double and two RBIs, Boegel was 2-for-4 with two doubles and two RBIs, and Steve Kudek was 2-for-4 with one RBI. Kewaskum has beaten East twice this season, the first time 6-5 in a tournament.

Besides playing at Plymouth Thursday, the Indians host Southeast Wisconsin Christian Home School Association on Friday night and host Campbellsport on Tuesday. Game times are all 5:30 p.m.

SOFTBALL GAME TIME CHANGE

Thursday's regional final will start at 4 p.m. in Kiwanis Park, half an hour earlier than the usual time.
