Boys and Girls Club to start Middle School programming here this fall

After three years of serving students in the school district at Kewaskum Elementary School, the Boys and Girls Club plans to start programming at Kewaskum Middle school in October of 2010. Organizers hope to have the club open five days a week at KMS from 4-6 p.m. and 1:30-6 p.m. on early release Wednesdays.

The expansion to KMS would provide continuous programming for youth of Kewaskum instead of it ending at grade 5.

"With the club at KES serving over 250 members, the need is obviously there, and parents have been asking for this for some time now," explained Jay Fisher, executive director of Boys

and Girls Club of Washington County. Students at the KES club receive daily assistance with homework, and take part in various other activities such as cooking, computers, sports, field trips to baseball and basketball games, and a variety of other events. Many of these would be replicated at the middle school.

In order to provide middle school programming, the community needs to raise the funds to run the program. "We are starting a funding campaign and many community members are involved. Our committee will be approaching different clubs and businesses, individuals about providing some funding for this project," Fisher

remarked.

The approximate cost to begin middle school programming and continuing elementary programming is \$45,000. Fundraising has already begun but organizers are in need of \$35,000 to complete the project. Without the funding the middle school program will not be able to start this fall.

The Kewaskum Boys and Girls Club will have a booth at the Movie in the Park on August 13th to officially kick off the fundraising. The club will have activities and parents can register their children for the upcoming fall.

Board discusses moving pods ordinance

By Mitch Maersch
mitch@kewaskumstatesman.com

The State Department of Transportation's Main Street/Highway 28 reconstruction project is being pushed to 2013.

Village Administrator Mathew Heiser told the Village Board on Monday the DOT wants to replace the entire bridge as part of the project but wants to keep it open during work. That means it will be rerouted to the south or north.

Heiser said the Village is concerned because water utilities are under the bridge. He doesn't know if those will need to be rerouted or discontinued, he said.

Public Works Director Jerry Gilles said the DOT concedes Main Street needs some work and some areas are marked for surface patches. Since Washington County workers have been responding to other needs, he said he expects work to start in a couple of weeks.

The Village will be updating a moving pods ordinance (dumpsters) as more residents are storing them on public streets.

"We need to do something because we're getting more calls for them," Police Chief Richard Knoebel told the Village Board on Monday. "It could become a hazard," said Village President Andrew Pesch.

Knoebel said he looked into some other municipalities' ordinances. West Allis requires \$15 for three days, \$30 for six days plus a \$100 deposit since a flash barricade is put near the dumpster. Sheboygan charges \$1 per day for 10 to 30 days and \$2 per day after 30, and requires red reflectors be put on the dumpster.

Residents don't want to put the dumpsters in their driveways because they get in the way of vehicles and don't want to put them on their yards because they'll wreck the lawn, Knoebel said.

It wouldn't be feasible on some narrow streets to put the dumpsters on at all, said Trustee Mike Berger. Knoebel agreed and said he would recommend a flash barricade or reflective tape on the dumpsters.

The present ordinance only allows moving pods to be in place 24 hours, but Knoebel said his department doesn't enforce it unless someone complains.

Knoebel said he will draft a new ordinance and present it to the board.

Kohlsville Krusiers support youth at Fair Animal Auction

The Kohlsville Krusiers Snowmobile Club purchased a hog at the Washington County Fair's Meat Animal Sale. The meat will be used at their annual landowner's party and at their fundraiser brat fry in January. The hog was purchased from Katherine Etta, whose parents are landowners on the trail system the club utilizes each winter. Shown are some of the club members with the hog purchased from Etta.

KMS students place at Lion's Fair Spelling Bee

KMS student Zach Ehmer is shown second from left with first place winner Josef Morisse a student at St. Francis Cabrini.

TOWN of POLK - The Lions Clubs of Washington County sponsored a County wide spelling bee that took place at the Washington County Fair Saturday, July 24. Two Kewaskum Middle School students placed first and second in their respective grade categories.

Students from grades 5-8 at participating schools in Washington County competed within their schools to determine who would represent their grade in the finals at the Fair. A total of 34 contestants took part in the fair finals.

Each first place winner was awarded a trophy and \$100. Each second place winner received a trophy and \$50. Sixth grader Zachery Ehmer took second place and eighth grader Lindsay Weber took first in their grades at the fair.

The Lions Clubs are hoping to make this an annual event at the Fair and hope to get more schools involved next year. Lions Clubs from Allenton, Kewaskum, Hartford, West Bend, Newburg and Richfield made up the county-wide effort.

District seeks nominations for Outstanding Service Award

The Kewaskum School District will again recognize those who have dedicated part of their life for the benefit of children in the Kewaskum community. The District is actively seeking nominations for this annual award. Honorees will be recognized publicly this fall and have their name and position(s) engraved on a tile and placed on the Wall of Outstanding Service located in the entryway of Kewaskum High School.

Criteria that will be considered when submitting nominations include: longevity of service, impact on kids, and contribution to the District. Longevity is recommended to be at least 10 years or approximately 2,000 hours of non-paid volunteer work above and beyond the normal workday. The lesser the years of service would require a more outstanding contribution to District's children by the nominee.

It is also the hope the candidate would have worked directly with and positively impacted children. Hopefully he/she instilled high values, developed character/integrity, and/or enhanced student self-esteem. In other words, the District is looking for those nominees that made a contribution of

service to District children (not a monetary gesture).

If you choose to nominate someone, please attach a summary describing how this person has made a contribution to the students of the Kewaskum School District. Clearly explain what you know as far as the nominee's service history, how they impacted kids, and therefore contributed to the District. Include as many supporting documents as possible as your thoroughness with this summary will help the selection committee significantly.

Nomination forms with supporting documentation of the candidate's significant achievement must be received no later than August 27, 2010.

Selections of the committee will be announced in September. Honorees will be notified at that time and recognition will take place during the October 1, 2010 Homecoming halftime show.

Nomination forms are available online at www.kewaskumschool.org or contact the middle school by phone (262) 626-8427 extension 2337 to have one mailed to your home. 2010 nominations will remain active and will be reviewed each year. Posthumous nominations will be considered.

Completed nominations should go to: Christine Horbas c/o Kewaskum Middle School, PO Box 432, Kewaskum WI 53040.

Little Folks visit Kettle Moraine Gardens

A group of little folks work on a craft project with Kettle Moraine Gardens resident Roma Kallmeyer.

If you're out and about town and you see a swarm of yellow shirts, it's just the little folks.

Children who are enrolled in the Little Folks School House summer program take weekly trips to the Kettle Moraine Gardens where they have made lots of new friends. The residents at the senior citizen complex look forward to the little folk's visits where they play games, sing songs, do craft projects, or just visit.

The Little Folks group really enjoys being a part of the community. It's hard to tell who is having more fun - the children

or the adults.

The school age program has had a very active summer. Besides their visits to KMG, they also take weekly trips to the Kewaskum Library and King Pin Lanes in Campbellsport.

Upcoming field trips include the Appleton Children's Museum and the Milwaukee County Zoo. They have been keeping up with their reading and writing skills through their newly formed pen-pal group with the Little Folks School House in Manchester, New Hampshire.

Howard Schneider variety band to perform

If you like Jazz standards, Big Band and Dixieland music you won't want to miss the performance of the Howard Schneider Variety Band. Howard and his fellow musicians have been featured on cruise ships, riverboats and at many casinos throughout the past.

a back band to several well known celebrities.

This performance will take place on Thursday, August 5th at the Kewaskum High School Theatre. Tickets are available at \$10.00 per person and may be purchased at the Kewaskum High School, Geidel's Piggly Wiggly and westbury bank in Kewaskum.

'Cloudy with a Chance of Meatballs' selected as Movie in the Park

westbury bank, Geidel's Piggly Wiggly and The Candy Tree have all teamed up to sponsor this year's Kewaskum Movie in the Park. The free community event will be hosted at Kiwanis Park in Kewaskum on Friday, August 13th. This year's movie, "Cloudy with a Chance of Meatballs" will begin at dusk. Inspired by the beloved children's book, the film focuses on a town where food falls from the sky like rain.

Local businesses will be present starting at 4:00 p.m. with free games for children, as well as craft and activity booths. The event will also have a bounce house, dunk tank and petting zoo. The Kewaskum Police and Fire Departments will also be available for safety tips. Food and beverages will be available at concession stands throughout the evening.

Those who attend are being encouraged to bring a

canned good item to benefit the Kewaskum Community Food Pantry. Collection barrels will be present as moviegoers enter the park. All proceeds from the concessions area will also go toward the food pantry.

Kiwanis Park is located at 1599 Brooklane Drive in Kewaskum. In the event of rain, the film will be shown at the Kewaskum High School.

Cedar Valley Center hosts Wellness Seminar

Cedar Valley Center and Spa, located at 5349 County Road D in West Bend, is hosting a "Responsible Wellness" workshop geared toward providing the basic building blocks for owning your health. Join us on Saturday, Sept. 11 from 9 to 11 a.m. at Cedar Valley.

Barbara Frett, RN, BSN, a health care practitioner with over 25 years' experience in a hospital setting, has become well-versed in integrative and alternative medicine practices. She has a passion for achieving wellness in her own life through natural means, and for motivating others through education and awareness to take the same responsibility for their health. In this workshop, she will share two basic building blocks for long-term health: "The Chemical Invasion" and "Detoxification for Lifelong Vitality."

During "The Chemical Invasion," participants learn about the silent, unwanted daily toxins contaminating our bodies, homes and loved ones. There is a direct correlation between increased chemical exposure and the rise in degenerative diseases. Consciously choosing to reduce our toxin burden is the first step towards achieving wellness. "Detoxification for Lifelong Vitality" will cover cleansing and detoxification including saying goodbye to toxicity symptoms such as headaches, joint pain, fatigue, congestion, allergies, digestive problems, brain fog and more.

The cost for the workshop is \$20 per person. Space is limited. Advance registration is required. Lunch, spa services and overnight accommodations are available if scheduled in advance. To register call 262.629.9202 or on the website at cedarvalleycenter.org.

Cedar Valley, a division of Cedar Community, is nestled in the Kettle Moraine on 100 acres and features 24 overnight guest rooms and conference rooms with spa ser-

vices, a country-styled dining room and homemade meals. Cedar Valley Center is a great getaway location for personal use, business and religious

retreats and family reunions. For more information on Cedar Valley Center and Spa, visit their website at cedarvalleycenter.org.

BARBARA HILL

Barbara Hill (nee Johann), February 21, 1947 - July 25, 2010

Proverbs 31:10-12,30

"...the valiant woman loves her husband and merits his trust: she is a good housewife, is prudent and industrious, manages cleverly...she possesses wisdom, is charitable in her actions and in her words, and loves God: there is also bestowed upon her the praise of her children and of her husband."

Barbara was the beloved wife of Terry Hill of Aurora, CO, and mother of their two sons Edward James, who went home to God two years ago, and Eric, who died shortly after birth.

Barbara was the daughter of the late Jim and Agnes (Uelmen) Johann, formerly of St. Michaels, and is survived by the following family members: Ronald (Karen) Johann of Kewaskum, Richard (Jan) Johann of Campbellsport, Claude (Kerri) Johann of Eagle River, Diane (Gerry) Schmidt of West Bend, Jane Johann of Palmyra, William (Harriet) Johann of Meridian, KS, Mary (Dave) Neckuty of Green Bay and Jenny (Jeff) Funk of Slinger; her faithful friends, Ruth Reis of West Bend and Joe Howard of Texas; 23 nieces and nephews, Debbie (Chuck) Strassburg, Thomas (Heidi) Johann and Pamela (Mark) Johnson, children of Richie and the late Jean Johann; Sherri (Jeff) Bannen-

berg, Leann (Gus) Karoses and Candi (Sean) Riley, daughters of Claude and stepdaughters of Kerri Johann and daughters of Rita Johann; Michael (Donna) Johann, Lynn Johann and Steven (Katie) Johann, children of Ron and Karen Johann; Dave Schmidt, Andrea (David) Berndt and Nicholas (Jessie) Schmidt, children of Gerry and Diane Schmidt; Tanya (Jon) Gunderson, Alanna Miller, Nicole Neckuty (Nicholas Bradshaw), Katrina (Jerry) Neckuty-Fodness, Val (Kevin) Odle, Dave (Kari) Neckuty and Christopher Neckuty, children of Dave and Mary Neckuty; Sara Johann-Reichart, Annie (Jeremy) Krenn and Lara Johann-Reichart, daughters of Jane Johann and Bill Reichart and Andrew Funk, son of Jenny and Jeff Funk, other relatives and friends.

Ecclesiastes 4:9-11...

"Two are better than one; because they have a good reward for their labour. For if they fall, the one will lift up the other..."

Barbara and Terry were married May 21, 1988, and lived their lives for each other and for their son, Jimmy...a family of love and care. Barbara loved to prepare meals and cook great dinners and share their meals with friends. She and Terry often gave shelter to people who needed a place to stay. They always had an open door and open hearts to everyone. Barbara suffered from myotonic dystrophy yet always forged forward, did not complain, and embodied a spirit of adventure and courage towards life. She had a kind and sensitive heart, with a generosity hard to match. She was loyal to her friends and family and will be deeply missed by her husband, Terry, her sister, Jane, her friends and by all who were touched by her life.

DONALD J. 'DON' BALDIKOWSKI

Donald J. "Don" Baldikowski, 79, of Franklin, passed away while visiting relatives in Kewaskum, on Sunday, August 1, 2010, at St. Joseph's Hospital, West Bend.

Don was born in Milwaukee on August 22, 1930, the son of the late Edmund and Frances Baldikowski.

He married Sharon Har-

beck on May 27, 1967 in Waukegan, Illinois. Don and Sheri were truly soul mates for the past 43 years who unselfishly shared their love with family and friends.

Their marriage became even more complete with the birth of their one daughter, Staci (Jim) Eisch. Don adored and valued the time he spent with his daughter and later, his granddaughters, Kaci and Kori Eisch. There was always time for playing and swimming with his daughter and granddaughters.

Don will also be lovingly remembered by his mother-in-law, Marcie Harbeck, as well as by his sisters-in-law, Carole Timblin, Lana (Dennis) Kuehl, all of Kewaskum, and Beverly Balden of St. Francis, other relatives and many friends. He will be deeply missed also by his devoted nieces and nephews, who spent countless hours singing, playing and joking with their "Uncle Don".

He was preceded in death by his sister, Audrey Cline and her husband, Jack, of New Jersey; brother, Ed Balden of South Milwaukee; father-in-law, Bill Harbeck and brother-in-law, Henry Timblin, both of Kewaskum.

Don retired from the United States Postal Service after 30 years of service and was a veteran of the U.S. Army. He was a member of American Legion Post #416 of Greendale. During his retirement he worked part-time as a parking attendant for the Milwaukee Brewers at County Stadium and was currently a member and treasurer of the Milwaukee Breath Scroungers Pulmonary Fibrosis Support Group.

During their retirement, Don and his wife Sheri, stored up endless memories while traveling extensively, golfing and sharing everything life offered in the form of music, dance, theater and a wide variety of entertainment.

He was a perpetual sports enthusiast, who thoroughly enjoyed golf, tennis, and swimming with "his girls." Year round, he avidly cheered on the Brewers, Packers, Badgers, and latest winning golfers. Watching sports with Don was quite an adventure.

All who knew "Baldi" will miss his jokes, his sense of humor and his ability to enjoy life.

Visitation will take place Thursday, August 5, 2010, from 1:30 to 4 pm at St. Alphonsus Church, 6060 W. Loomis Rd., Greendale. Mass of Christian Burial will begin at 4 pm. Private entombment will be held in St. Adalbert Cemetery on Friday.

Village Homes Open House

When KC and Frank Laycock decided to make their move to Cedar Community, they realized how "magical" life could be. "We saw the potential for a great life. We knew it was going to be a pleasant, happy place for us. We just love all the beauty it has to offer, from the grounds to the people who live here. There is such a sense of community that it warms our hearts."

Isn't it time you created a little "magic" in your life?

CORRECTED NOTICE OF PUBLIC HEARING TOWN OF FARMINGTON

Geidel taking his game to a new level

By Judy Harlow

Taking the step from competitive junior golf in Wisconsin to men's amateur golf is a big one, but 19-year-old Ethan Geidel a Kewaskum High School graduate is showing he has the game to make a successful transition.

In his three attempts at qualifying for events sponsored by the Wisconsin State Golf Association and the Wisconsin Section of the PGA (Professional Golf Association, Geidel qualified for one and came close in another.

Just recently, Geidel finished tied for 17th in a field of over 60 players, in a qualifying tournament held at the Washington County Golf Course near Hartford, shooting a 3-over-par 75 (37-38) from the Black Tees (7,007 yards).

"I was one-over par going into the last hole, and I doubled it," Geidel said Monday night, reporting the top 12 players advance to the Open, which will be held Aug. 23-25 at The Legend at Bristlecone in Hartland. Another three are selected as alternates, so Geidel just missed having a chance to go.

Looking back at the experience, Geidel said "I didn't hit the ball very well, but Washington County is pretty wide open," so a stray drive now and then did not hurt him.

Ethan Geidel

Concerning his play on the greens, Geidel said, "My putting was just average. It wasn't good ... It wasn't bad ... It didn't hurt me much."

There is no question where he played his best golf — on the par fives. "I birdied three of the four par fives," he said.

Earlier this summer, Geidel attempted to make the field of the Men's State Amateur, but, "That one I didn't do so well in ... I think I shot 82" at Oakwood Park in Franklin.

The State Match play experience went quite well, with Geidel firing a 78 in the qualifying to make the medal field, which then has to be trimmed to 64 after another 18 holes of play. In the latter competition, he carded a 76. "There were 20 players in a playoff for the final 15 spots, and I made it," Geidel said, but unfortunately he lost a 2-and-1 decision to John Staehler of Ives Grove, Racine in the opening round.

Geidel now turns his attention toward trying to win the more local Hon-E-Kor men's championship. He won that title in 2008 and was unable to play in 2009 when he left for UW-Eau Claire.

Still not certain what he wants to major in, Geidel left school in December and is currently working at his family's Piggly Wiggly in Kewaskum until he decides on a career.

"I probably play golf five days a week and work six," Geidel said, indicating one thing he is considering is attending the Professional Golfers Career College in South Carolina.

Jason Jahnke, another Hon-E-Kor member, and KHS graduate, put his skills to the test in the qualifying tournament at The Bull at Sheboygan Falls and came in with an solid 4-over-par round of 40-36—76 to tie for fourth

place. He will be going on to Bristlecone. (More on Jahnke in a future Statesman.)

Two other area players, Danny Behm of Jackson and Chad Schlagenhaft (formerly of the Town of Wayne) now of Jackson, also failed to advance to the State Open from the qualifying tournament at Washington County. Behm shot a 38-38—76 to finish in a tie for 21st, while Schlagenhaft, who played golf for Kewaskum High over a decade ago, came in with a 40-40—80, which put him in a tie for 45th.

Three of Kewaskum's Little League teams joined forces and traveled to Campbellsport the weekend of July 23-25 to play in the Campbellsport Jaycees' Tournament. The annual tournament usually features combined "All-Star" teams from around the area.

On Friday July 23rd, Kewaskum faced a tough Random Lake team and quickly found out why this tournament is so difficult to win. In a close game, Kewaskum came up short in a 4-0 defeat. Being a double elimination tournament, it didn't mean Kewaskum was out of the tourney, it simply meant they would have to work harder to win it.

On Saturday, Kewaskum got down to business. Facing a tough Eden team, the boys found themselves tied 7-7 in the 6th inning. After Sean Murray and Devin Zillmer both reached base, Derrick Vogt came through for the team with one swing, lacing a double down the first base line and scoring Murray. The Kewaskum Little Leaguers had their first win of the weekend.

Going into Sunday, the boys knew they faced an uphill battle to come out of the consolation bracket and into the championship game. Kewaskum started the day by defeating Fond du Lac Storm by a score of 16-6.

Then came a re-match

with Random Lake who defeated them on Friday. In the 4th inning, Kewaskum found themselves down 1-0 and proceeded to send 11 batters to the plate and scored five runs, ultimately winning the game 6-1.

In the final consolation game, Campbellsport was the final obstacle to get a chance at playing for the championship. With the score tied 4-4 in the top of the last inning, Kewaskum sent nine batters to the plate, scoring four runs to break open the tied ball game. Kewaskum walked away with a 8-6 victory.

After three tough games in 85-degree heat, the boys reached the championship game and now faced an undefeated Long Lake team. Being

a double elimination tournament the boys went into the game knowing they needed to defeat Long Lake twice, back-to-back in order to bring first place trophies home.

Kewaskum was able to hold off Long Lake in the first game with a close score of 5-4. In the final game, Kewaskum's fifth game of the day, the boys saved their best for last by defeating Long Lake again with a score of 12-4.

It was the first time anyone could remember a team losing their first game and then win their next six games to capture a championship in the Jaycees' tournament.
