Indians sweep West Bend teams

Kewaskum defenders Matt Ballard (56), Joey Wollner (11), Ryan Ogi (7) and Mack Donath (72) escort West Bend West running back Jack Baumann to the ground for no gain in the second quarter at West Bend West Friday night. The Indians won, 41-8, to improve to 2-0.

Feeling better or worse, in sickness and in health, Eric Perkins runs all over West Bend.

One week after 204 yards and two touchdowns against West Bend East in limited time due to a stomach issue, a healthy Perkins shredded West Bend West for 225 yards and four scores, again sitting out a while, this time because the game was a blowout.

Kewaskum improved to 2-0 on the season and again completed the sweep of West Bend's much bigger schools with a 41-8 victory last Friday. Kewaskum's enrollment hovers around 700 while each West Bend school has more than 1,100.

In less than six quarters, Perkins has amassed 440 yards and six touchdowns, averaging a video game-

like 7.6 yards per carry and 36.3 yards per touchdown run.

Once Perkins reaches the second level of defenders and gets into open space, cue the scoreboard operator.

"I just try to make the quickest move and get through everybody before they know where I'm going," said Perkins.

"They" would include his coach, who has mixed feelings about just how easy it is to call plays for his 5-foot-9, 165-pound star.

"Yes, and no, I mean, you never know where he's going," said Jason Piittmann. "He makes things happen. That's the easiest way to put it."

Perkins has already drawn comparisons to 2005 star running back Garrett Donath, who rushed for 1,263 yards and 17 touchdowns, averaged 6.2 yards per carry and 114 per game. This

comes from a coach who in seven-plus seasons has amassed 67 wins against 17 losses and four conference titles.

Piittmann said Perkins runs a 4.4-second 40-yard dash using hand timing rules. For context, Chris Johnson, last year's leading rusher in the NFL with more than 2,000 yards, runs a 4.24, fastest in the league. Granted, Johnson is 5-11 and 191 pounds so he is more like tackling a horse.

Perkins' line enjoys catching a glimpse of the blur pass through.

"It's always pretty easy. You just kind of give him a split second because he's so quick and then he just busts through the second level," said guard Joey Herriges.

"It's pretty nice," said tackle Mark Miller. "You just give him that little bit

September's Waiting Child

Adoption Resources of Wisconsin

Reiana

Date of Birth: 10/26/2002

Reiana is an adorable, petite seven-year-old African American girl. Reiana is described as being a great communicator, outgoing and a girl who stands up for herself. She is also described as being smart and perceptive with a charming personality.

Reiana loves to go on picnics and do events out in the community such as going to the park or a museum. She also enjoys watching TV, playing with her dolls and having "play dates" with her sister.

Reiana is currently in the first grade. She attends public school for the first half of the day and attends day treatment in the afternoon. Reiana is doing well academically and needs a family to help guide her. Reiana would do best in a structured, yet loving environment.

Reiana would also benefit from staying in the Milwaukee area. She has an older sister and younger brother with whom she visits regularly. Reiana likely would do best in a home where she is the oldest child, and if possible, a family with one stay-at-home parent. She is a charismatic little girl who needs lots of love and support, and with the right family, who knows what she can achieve!

For more information about Reiana or other Wisconsin children waiting for adoptive homes, call Adoption Resources of Wisconsin at 414-475-1246 or 800-762-8063 or visit the website at www.wiadopt.org.

Letter to the Editor

To the Editor:

While much of the focus on next Tuesday's election has been on the Governor's race, one should not forget the very important Lieutenant Governor race. I strongly recommend my friends join me in voting for Rebecca Kleefisch.

Too often in the past, Republican candidates have let down the public, by spending as much as or more than the Democrats as well as adding more regulatory burdens to businesses. They also have not lived up to their promises to protect conservative family values.

Rebecca Kleefisch in her role as a journalist and as a small businesswoman has observed the failure of government to protect our business climate and our pro-family roots. She will bring a fresh perspective to the new administration in Madison. She is also strongly pro-life and pro-gun. We do not need any more of the same old, same old. It is not a close call.

Please join me in voting for Rebecca Kleefisch on Tuesday, September 14th. Sincerely,

State Senator Glenn Grothman

“The heart care I received was simply phenomenal.”

– John Stahl

When John Stahl of Kewaskum, 47, began having occasional chest pains, he couldn't believe he might have a heart problem. "I've always been an athlete and an avid sportsman," John says. "I ride my bike and do a lot of walking. There's no way I could have a heart problem."

But in early August, after a late-night visit to the Emergency Care Center at St. Joseph's Hospital and subsequent testing, John was diagnosed with coronary heart disease and referred to Michael Cinquegrani, MD, Medical College of Wisconsin cardiologist at the **Froedtert & The Medical College of Wisconsin Specialty Clinics at St. Joseph's Hospital**. Dr. Cinquegrani recommended that John undergo additional tests, which led to a stent placement procedure at the Froedtert & The Medical College of Wisconsin cardiac catheterization lab.

Only a few weeks later, John was feeling great and again enjoying his favorite outdoor activities. "If it hadn't been for Dr. Cinquegrani, I would never have survived," says John. "I'm thanking God for the care I received. Everybody, from start to finish was great. The heart care I received was simply phenomenal."

Americans can gain additional security with life insurance products

In the past two years, the country has witnessed financial turmoil and economic uncertainty. While security is what Americans need the most, the average person owns less life insurance than they believe they should. New LIMRA International research indicates that nearly 58 million households believe they need additional life insurance coverage.

Life insurance offers families the financial security they need at crucial times in their lives - when a loved one dies.

"No matter what the economy looks like tomorrow, life insurance is there when it's needed most," says Jeff Jaeger, a Modern Woodmen of America financial representative in Kewaskum. "Life insurance is a way to protect life's most important assets - the loved ones left behind."

According to LIMRA International's 2010 Life Insurance Ownership Study:

- Only 44 percent of U.S. households have individual life insurance. That's a 50-year low.

- 30 percent have no life insurance protection at all.

- Among households with children under 18, four in 10 say they would immediately have trouble meeting everyday living expenses if a primary wage-earner died today.

- Although they want professional help, almost eight in 10 American households currently don't have a personal life insurance representative to turn to for advice.

September marks the seventh annual Life Insurance Awareness Month, designed to raise awareness and educate consumers about the importance of life insurance coverage and the financial services representatives who are trained to help

consumers meet their needs. Life insurance organizations and their representatives observe the occasion by providing information and activities regarding the role of life insurance in a sound financial plan.

"Life insurance Awareness Month is a good time to remind people to re-evaluate their life insurance needs," says Jaeger.

Modern Woodmen members and others can find

Cast and crew needed for UWWC's 'Spelling Bee'

UW-Washington County will be holding auditions for the fall production of The 25th Annual Putnam County Spelling Bee on Wednesday, September 22 at 7pm in the campus theatre.

The cast for the one act musical comedy includes five males and four females, all with singing ability. The Tony award winning musical comedy will be directed and designed by Brad Ford, UW-WC Communications and Theatre Professor.

Area residents interested in performing are encouraged to audition. Ford is also in need of volunteers for building the set as well as with technical and behind-the-scenes work. College credit can be earned for performing or doing crew work for the show.

Based on a book written by Rachel Sheinkin, the play was conceived by Rebecca Feld-

man with music and lyrics by William Finn. The 2005 Broadway production earned good reviews and was nominated for six Tony Awards, winning two, including Best Book. Set in a geographically ambiguous Putnam Valley Middle School, the heartwarming show revolves around six quirky adolescents who compete in the Bee, run by three equally quirky adults. With its enormously appealing cast of lovable misfits, nerds, and neurotics, the play captures the anxiety, excitement, and heartache that makes growing up so painful and yet so wonderful.

Four performances of The 25th Annual Putnam County Spelling Bee are planned for Friday and Saturday evenings, November 5-6 and 12-13 at 7:30pm. All performances will be in the campus theatre, located on the second floor of the

campus. For ticket reservations, phone 262-335-5208 or email: jean.kelley@uwc.edu

Scripts are available for perusal from the University library. For more information about the auditions or working behind the scenes, contact Professor Ford at (262) 335-5222 or email: brad.ford@uwc.edu. For ticket sales, phone the main office at 262-335-5208 (Monday through Friday 8am-4:30pm). Tickets are \$12 adults and \$9 for seniors (over 62) or youth (under 18).

UW-Washington County is located at 400 University Drive in West Bend. Free parking is available.

International 'Observe the Moon Night' September 18

Join in and celebrate the first annual International Observe the Moon Night on Saturday, September 18, from 7:30 to 9:30 p.m. This special night of moon observing will be held at the Henry S. Reuss Ice Age Visitor Center. The Ice Age Visitor Center is located off of Hwy 67 half mile west of Dundee. The program is free, but donations are always gratefully accepted.

The idea for the International Observe the Moon Night grew out of last year's International Year of Astronomy. NASA along with several other partners created the event to allow people from around the world to learn more about Earth's closest neighbor in space. We will launch the evening with an indoor presentation by Kevin Koski, a NASA Solar System Ambassador, in which he takes us on a journey to the moon. Mr. Koski will share what scientists have learned about the possible

origins of the moon and what are some of its physical properties and features. Discover how the moon and the earth affect each other and what NASA has planned for future explorations of the moon.

After the inside presentation, everyone will be invited outside to observe the moon with their naked eyes, through binoculars or through various sized telescopes. This part of the program will only happen if the skies are clear. We recommend the evening events for adults and youth more than ten years old.

For further information or directions, please contact the forest staff at the Ice Age Visitor Center. The staff may be reached at (920) 533-8322. The Center is open Monday through Friday from 8:30 a.m. to 4:00 p.m., and on Saturday and Sundays from 9:30 a.m. to 5:00 p.m.

Along with the popular dogs, WCHS has had advance notice that there will be llamas as well as some goats taking part this year.

In addition, Lt. Dave Huesemann of the Germantown Police Department and his new canine officer, "Rambo," will lead the menagerie and their human companions along the two-mile course on village streets starting and ending at Jackson Park. WCHS supporters raised money for a bullet-proof vest for Rambo over a year ago, and are excited to welcome him to the community.

The walk is one of the

Participants will receive a free walk t-shirt if they raise at least \$40 in pledges, and all dogs will receive a walk packet and bandana to wear on their trek. They will also be able to visit vendors such as Petlicious Dog Bisquit Bakery or have their dogs' nails trimmed by a groomer. Several rescue groups will be on hand to showcase their breeds, and shelter dogs up for adoption will be attend-

ing as well. Eclipse, the trick horse, will also be on hand to show off his skills. Food, raffles and door prizes will add to the fun.

Advance registration is \$12 for individuals, \$25 for a family of four, or \$60 for corporate teams. People can also register the day of the walk starting at 9 a.m. (\$15 for individuals, 430 for a family of four, or \$75 for corporate teams. The walk starts promptly at 10 - rain or shine!

More children in need of a safe place to go after school

The start of every school year is marked with back-to-school sales and dentist and doctor appointments, but what is often overlooked is not what takes place during school, but when the bell rings at the end of the day: the number of children left alone afterschool. According to the Afterschool Alliance, 15.1 million children in the United States are left unsupervised after 3 p.m. In Wisconsin alone, 33% of children are left alone – responsible for taking care of themselves.

“When the school bell rings, learning does not have to end,” said Cindy Bellon, School Age Child Care Director, Kettle Moraine YMCA. “The Kettle Moraine YMCA’s afterschool program is a great way to keep children not only safe, but engaged in fun and productive activities.”

Combining play with academics, the Y’s afterschool programs fill gaps in schools and in West Bend by offering enrichment through arts, music, physical education, sports and nutrition. Youth in the Kettle Moraine YMCA’s afterschool program receive both social and homework time and can engage in gymnastics, swim lessons and Youth Fit for Life™, a curriculum based

physical activity and nutrition program.

Bellon says that attending afterschool programs can have many lasting positive effects on youth, including helping children develop interpersonal and social skills, perform well academically and develop habits that lead to positive behaviors, better health and educational achievement.

As one of the leading providers of afterschool programs, the nation’s Ys have been engaging children in afterschool programs for more than 50 years. Today, Ys impact the lives of hundreds of thousands of youth at afterschool programs at nearly 10,000 sites across the country. Afterschool programming at the Y focuses on the holistic development of youth, promoting creativity, a love for learning, academic success, friendship and character building. Financial assistance is available to those in need, to ensure that every child has the opportunity to learn and grow at the Y.

For more information about the Kettle Moraine YMCA’s afterschool program, please contact Cindy Bellon, School Age Child Care Director, at 262-247-1049 or at cbellon@kmymca.org.

YMCA to hold Gymnastic Clinic

Does your child show an interest in gymnastics? Are they flexible, energetic and want to have fun? YMCA Gymnastics will be holding a special clinic for those who are interested in trying-a-hand at Gymnastics or to help those with some experience fine-tune their skills.

The clinic, for boys and girls ages 5 and up, will take place on Saturday, October 23 from 1:00pm to 3:30pm in the gymnastics gym at the

Kettle Moraine YMCA. It is open to all levels of experience. Any children showing an interest in gymnastics are welcome to attend.

Interested members and community participants can register for the event by downloading a registration form from the Kettle Moraine YMCA website at www.kmymca.org. Return form and payment to Kettle Moraine YMCA Gymnastics.

The Washington County Sheriff's Department confirmed Wednesday morning that Melinda M. Jaeger, 71, was shot and killed Tuesday night in her living quarters behind Dick and Lindy's Tavern in Wayne, located about five miles west of Kewaskum. The victim reportedly died of a gunshot wound to the head. A 51-year-old male suspect who lived at the residence was charged with the shooting death. It was reported to be the first time in memory someone had been slain in Wayne.

Tech Sgt. Richard L. Butz, son of Vernon and Carolyn Butz of Kewaskum, has been decorated with the second award of the Air Force Commendation Medal in West Germany.

Among the North star squad of the Land o' Lakes Northern Division All Star game announced by Commissioner Jake Oelhafen are three Kewaskum players. They are Andy Hoenecke, outfield; Al Jaeger, third base, and Scott Muench, designated hitter.

Another glorious summer evening greeted the eager fans at the Thiemerdome last week. The Fond du Lac Sheriff's Department had three squads assigned to the dome to direct traffic and most fans were in their seats by game time. In the first game Bartelt Insurance broke a four-game losing streak by crunching Crass Salvage 13-8. The second game which was a battle for first place turned out to be a laugher as BJ & Company smashed Kennelly 14-2. EXTRA! Thiemerdome fans were saddened to learn of the accident to the Chairman of the Board of the dome, Richard Thieme Sr. who sustained a severe break to his first arm. How this occurred is still a mystery and under much scrutiny. According to Mrs. Thieme, Richard was on his way to church when he slipped on a banana peel in front of the VIP Lounge. Richard adamantly states that he was on a ladder repairing a hole in the dome with some heavy duty saran wrap, when someone turned off the air pressure pump which holds up the dome and the dome subsequently collapsed as did Richard. This is his story and he is sticking to it. This week's VIP Lounge special: A free can of beer will be given to each fan of age who brings a 1953 Topps baseball card of Max Surkont in his Milwaukee Braves baseball uniform. Limit of six beers per fan due to new liquor liability laws. Attendance: 501.

A daughter was born to Robin and Janet Gutjahr of Kewaskum on July 13. A daughter was born to Steve and Linda Guelig, Kewaskum, on June 26. Maternal grandparents are Mr. and Mrs. Byron Dei of Kewaskum. A daughter was also born to Steve and Carol Otten, on July 4, in Milwaukee. Grandparents are Jeanne and William Otten of Kewaskum and Genevieve and Jack Kurth of Appleton.

The Wigwam Drive-In on South Fond du Lac Avenue in Kewaskum was burglarized early Sunday and about \$34 in change was stolen. Quick efficient work by Chief of Police Roland Pledl, with the cooperation of the West Bend Police Department succeeded in apprehending the "burglar" only hours after the theft was committed. A 13-year-old Menomonee Falls boy admitted to the burglary.

Terry Koch, son of Mr. and Mrs. August Koch, and Jimmy Schuppel, son of Mr. and Mrs. John Schuppel, left Saturday for six months of active duty with the National Guard.

Miss Sharon Dreher, daughter of Mr. and Mrs. Earl Dreher of Kewaskum, graduated July 6, from American Airlines Stewardess College, Fort Worth, Texas, and is now stationed at Boston, Massachusetts.

A son was born to Mr. and Mrs. Eldon Wulff, Route 2, Kewaskum, on July 8. A son was also born to Mr. and Mrs. Francis Schoofs, Route 2, Kewaskum, on July 9.

The Jo Dutch Gang of Auburn Heights is sponsoring a German home talent play entitled "Lieschen ohne Heimat" (Homeless Daughter), which will be presented on June 1, at the Barn Hall at Auburn Heights at 8 pm. The cast of characters includes Wilbur Kleinke, Elizabeth Leubner, Alvin Krahn, Alpheus Kleinke and Frona Garbisch.

A new heyday for "old dobbin" is at hand. Prices on draft horses at public auctions have advanced from \$5 to \$50 a head over prices of last year according to the United States department of agriculture. Sales of purebred Percherons for the first four months of 1935 increased 75% over the same period in 1934, according to reports from the Percheron Horse Association of America. In keeping with this widespread interest in draft horses, Loran L. Backhaus of Kewaskum has just brought into this community two purebred Percheron mares which he purchased from Martin Jacobson of Olds, Iowa.

June 1 is the day when the Minneapolis Millers of the American Association will make their first trip to Milwaukee to play the Brewers. Included in the Millers' lineup is a young man who is exceptionally well known to Kewaskum baseball fans. This chap is none other than Fabian "Abie" Gaffke, champion batsman of the Badger State League two years ago, while a member of the Kewaskum baseball team. Quite a number of local fans are planning to attend the game at Milwaukee.

At the last meeting of the Kewaskum Woman's Club held at the home of Mrs. Clifford Rose last Saturday evening, the

following officers were elected for the year: President, Mrs. Carl F. Schaefer; First Vice President, Mrs. Richard Gadow; Second Vice President, Mrs. Leo C. Brauchle; Secretary, Mrs. Ruth Jordahl; Treasurer, Mrs. L.T. Ogenorth. At this meeting it was also decided to hold the annual club picnic at Lake Bernice on July 8.

Joseph Eberle had a new automatic refrigerating system installed in his tavern last week so that the beer and other beverages can now be kept at a certain temperature at all times. This is the latest in refrigeration.

Congratulations to Mr. and Mrs. William Bunkelman of this city on the arrival of a new member in the family, a baby boy born on May 28. A baby girl was born to Mr. and Mrs. Willie Wilke of Adell last Saturday.

Christ Guggisberg killed a snake on his farm which was 42 inches long, the largest snake ever seen in this part of the county.

Full sheet posters were posted here this week announcing the annual picnic and dance to be given at the North Side Park on August 21, by the Phil Sheridan Lodge, Brotherhood of Locomotive Firemen and Engineers of Milwaukee. The picnic and dance held here by the boys in previous years has always been the leading event of the season and the boys promise that this year's event will be better than ever. Over \$100 in prizes are to be given away in the different contests to be held during the afternoon. A special train has been secured, which will leave Milwaukee at 9 am.

Andrew Pick, mayor of West Bend, died last Monday, after a four week's illness with typhoid fever.

IN MEMORY

In memory of CATHERINE CARTER, who passed away 20 years ago on September 13, 1990.

No further than a picture,
A smile, a remembered phrase,
Our loved one lives in our
memory,
Very close in so many ways.

For how often does a sunset,
Bring nostalgic thoughts to
mind,
Of moments that our loved
one shared,
In the days that are now left
behind.

How often has a flower or a
crystal autumn sky,
Bring golden recollections of
happy days gone by,
Yes memories have a magic
way,
Of keeping our loved one near,
Ever close in mind and heart.

NOTICE OF PARTISAN PRIMARY AND SAMPLE BALLOTS September 14, 2010

OFFICE OF THE WASHINGTON COUNTY CLERK
TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a partisan primary to be held in Washington County, on the 14th day of September 2010, at which the nominees for the offices named below shall be chosen. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office under the appropriate party or other designation, each in its proper column, in the sample ballot below.

INFORMATION TO ELECTORS
Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to

electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the partisan primary the elector may select the party of his or her choice or the ballot containing the names of independent candidates for legislative office.

Where optical scan voting is used, the elector shall fill in the oval next to the party of his or her choice. The electors shall then fill in the oval next to the candidates' names for whom he or she intends to vote under the party of his or her choice. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the person of his or

her choice in the space provided for a write-in vote and fill in the oval on the write-in line. Write-in votes are not permitted on the Independent ballot.

Where touch screen voting systems are used, the elector shall depress the button next to the party of his or her choice. The elector shall then depress the button next to the candidates' names for whom he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall type in the name of the person of his or her choice in the space provided for a write-in vote.

In order to qualify for participation in the Wisconsin Election Campaign fund, a candidate for legislative office must receive at least 6% of the votes cast on all ballots for the office for which he or she is a candidate, in addition to other requirements.

The vote should not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots

or other materials to assist the elector in marking his or her vote may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

If the elector spoils an optical scan ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. After casting his or her vote, the elector shall leave the voting booth, properly deposit the ballot and promptly leave the polling place.

The elector may spoil a touch screen ballot at the voting station, but not more than three ballots shall be issued to any one elector. After an official touch screen ballot is marked, the elector shall leave the polling place promptly.

After an official optical scan ballot is marked, it shall be inserted in the security sleeve so the marks do not show. After casting his or her vote, the elector shall leave the booth, insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

The following is a sample of the official ballots:

of space. He hits that thing and he's gone."

After a muffed punt that put the Indians at the Spartans' 11, Perkins got the scoring when he stretched the ball across the goal line on a 9-yard sweep left with 3:55 to go in the first quarter.

On West's ensuing first play from scrimmage came one of the game's biggest plays. West completed a pass to a running back on the right sideline who headed up field. Kewaskum safety Tony Gonring stormed over for the tackle and instead got all arm, ripping the ball free.

Johnny-on-the-spot linebacker Bo Seibel fell on the loose ball for his second big fumble recovery in two games.

"I was just kinda going for him trying to get a tackle and the ball popped out. I was just trying to get in there. It looked like he was going to break free," Gonring said. "I think it kind of changed the momentum around and helped us get some momentum going."

Three plays later, Perkins flew in for a 27-yard score and Kewaskum was up 13-0 and headed for a blowout.

West answered. Quarterback Brandon Cowie turned the corner and flew down the left sideline for an 85-yard touchdown in an outstanding impersonation of Perkins.

The Spartans cut the deficit to five in the second quarter after punting to Kewaskum's 1. Quarterback Cody Nuernberg couldn't get out of the backfield and West scored a safety. As a light rain began pick up, Perkins later extended the lead with a 67-yard dash to the end zone. Nuernberg hit Ryan Ogi for the two-point conversion and the Indians took a 21-8 lead.

Any hopes of a West comeback were dashed not only by Kewaskum's defense, but an injury and Mother Nature. Cowie went out with an injury in the second quarter and only returned as punter. That same quarter, a mini-monsoon entered the game, making it difficult to run an offense and take notes. The storm was short-lived as it left for refreshments at halftime, returning briefly in the second half with just a little rain and less wind.

The third quarter put the game on ice, which was about the only weather event, along with snow and hail, missing from the game. The Indians struggled to sustain a drive, but that's because they scored too fast, tallying 20 points on their first five offensive plays.

On the first play from scrimmage, Perkins blasted 71 yards up the middle and eventually down the right sideline. On the second, Nuernberg rolled left and hit Sam Olla near the sideline. Olla shook the only defender

left to stop him and streamed down the sideline for a 40-yard score.

He said he would need to watch the play on film to remember what happened.

"It happened so quick I don't know," Olla said.

On the Indians' fifth play from scrimmage, backup running back Joey Wollner broke through the middle and galloped in from 33 yards.

The point-after made it 41-8 and sent starters to the bench for the night, mostly for both teams.

Any hopes of a West comeback or even closing the gap were shut down by Kewaskum's second-team defense, led by Austin Goeman, who made several plays and recovered a fumble.

Piittmann cited early turnovers as keys, and he said West's quarterback leaving took away the threat of the pass. Mother Nature, though it took away the threat of walking off the field actually dry, even did her part to slow West's offense.

"The rain helped us, too," he said.

On Friday, the Indians open Eastern Wisconsin Conference play by hosting Kiel, a team they beat 27-6 on the road last season. The Raiders come in 2-0 after demolishing Chilton, 38-19, at home in the first week and Howards Grove, 35-14, on the road last week.

Piittmann said there is plenty of room for improvement.

"We've still got work to do. I told the kids it was a good win; it wasn't a great win. We need to get better every week," he said. "It's great to get through the non-conference games undefeated but it's the conference games that put you in the playoffs."

SCORING

1Q - Kew, 3:55, Eric Perkins, 9-yard run. Hunter Flanders kick good; Kew, 2:25, Perkins, 25-yard run. Kick blocked; WBW, 1:40, Brandon Cowie, 85-yard run. Kick failed.

2Q - WBW, 7:57, safety; Kew, 6:42, 67-yard run, 2-point pass Cody Nuernberg to Ryan Ogi.

3Q - Kew, 11:43, Perkins, 71-yard run, kick good. Kew, 9:05, Sam Olla 40-yard pass from Nuernberg, Flanders kick

STATS

Kewaskum: Passing-Cody Nuernberg, 2-6, 59 yards, TD; Rushing-Eric Perkins, 14-225, 4 TD; Joey Wollner, 1-33, TD; Receiving-Sam Olla, 2-59, TD.

WB West: Passing-Brandon Cowie, 3-5, 25 yards; Rushing-Cowie 4-86, TD; Jack Baumann, 11-35, Jimmy Dieck, 8-34; Lajim Lor, 10-24, Joe Stubbe, 9-18; Receiving-Nicholas Gronski, 1-11, Stubbe, 1-9.

NOTES

Happy birthday, Joey! Offensive guard Joey Herriges turned 17 on Friday and celebrated by helping open holes for Kewaskum's 272 yards rushing.

Beloved team athletic trainer and newly crowned local celebrity Emily Mueller stayed upright the entire game this week, after a late hit out of bounds and bench players not protecting her plopped her flat on her back, her head nearly hitting the track, last week. "This is fabulous," Mueller said as the final seconds of Week 2 ticked away.

Welcome to football in the Middle East? Between the hash marks and the sidelines of West Bend's Carl Pick Field were full of some kind of sandy substance on Friday, filling the holes left from a West Bend East mud bowl on Thursday. West did look like it was running in quicksand trying to catch Eric Perkins, but so did East the week before on actual grass in Kewaskum's Doc Mitchell Athletic Complex.

Coach Jason Piittmann's bad luck at Carl Pick Field has started to turn, but the conditions not so much. In 2006, the Indians lost to Greendale in a state semifinal playoff game in a mud bowl. In 2007, the Indians played East as it rained throughout the entire game. In 2008, Kewaskum played West the day after East played in a monsoon and played six overtimes all on the same side of the field. In 2009, Kewaskum blew out East but it rained in the second half. This year, the Indians faced West the day after East won a mud wrestling match in overtime. But hey, the Indians are winning.

Indians are pushing WLT golf leaders

By Judy Harlow

Anyone who had penciled in Hartford as winning a second straight Wisconsin Little Ten girls golf title had better get out their eraser — Watertown is making a move to dethrone the Orioles, and Kewaskum is showing it has the potential to push for a title.

In two meets held last week, Thursday at Hon-E-Kor Country Club and Monday at Hartford CC, the Watertown Lady Goslings were at the top of both and has moved into first place with 4 total points.

"The girls are really starting to play competitive golf, which is what I've been looking for. We are trying to focus on playing smart golf. We aren't the flashiest team in conference, but we are earning respect with our consistency," KHS coach Amy Piwoni said.

At Kewaskum, the Goslings had a 201 total behind Taylor Egnarski's 10-over par 46, with the host Indians just three back a 204. Then came Hartford at 211; Beaver Dam with a 225; West Bend at 233; and Oconomowoc far behind at 242.

Taylor Egnarski of Watertown posted the low score, a steady 46.

For Kewaskum, it was Kate Winkler breaking 50 by two shots (48), and Heather Zuehlke and Sienna Warnecke just missing the mark by one with 51s.

Six girls are allowed to play for each team in Wisconsin Little Ten competition, and four count. In this match, Megan Gavin and Brittany Duarte tied for the fourth and final counter spot for KHS as both had 58s.

Hartford finished second on its own course, with its four

counters totaling 199. That wasn't enough to overtake the Goslings, who came in at 190.

Kewaskum was third for the second time in a row and with a very solid score of 205

Egnarski was again the medalist with a 45, but Winkler was right on her heels with a 46.

"Kate has really stepped up as our leader this season. She is finally utilizing her great golf swing by posting low numbers for our team," Piwoni said. "Her short game has been a huge focus this season & I've seen many strides made already. She has great com-

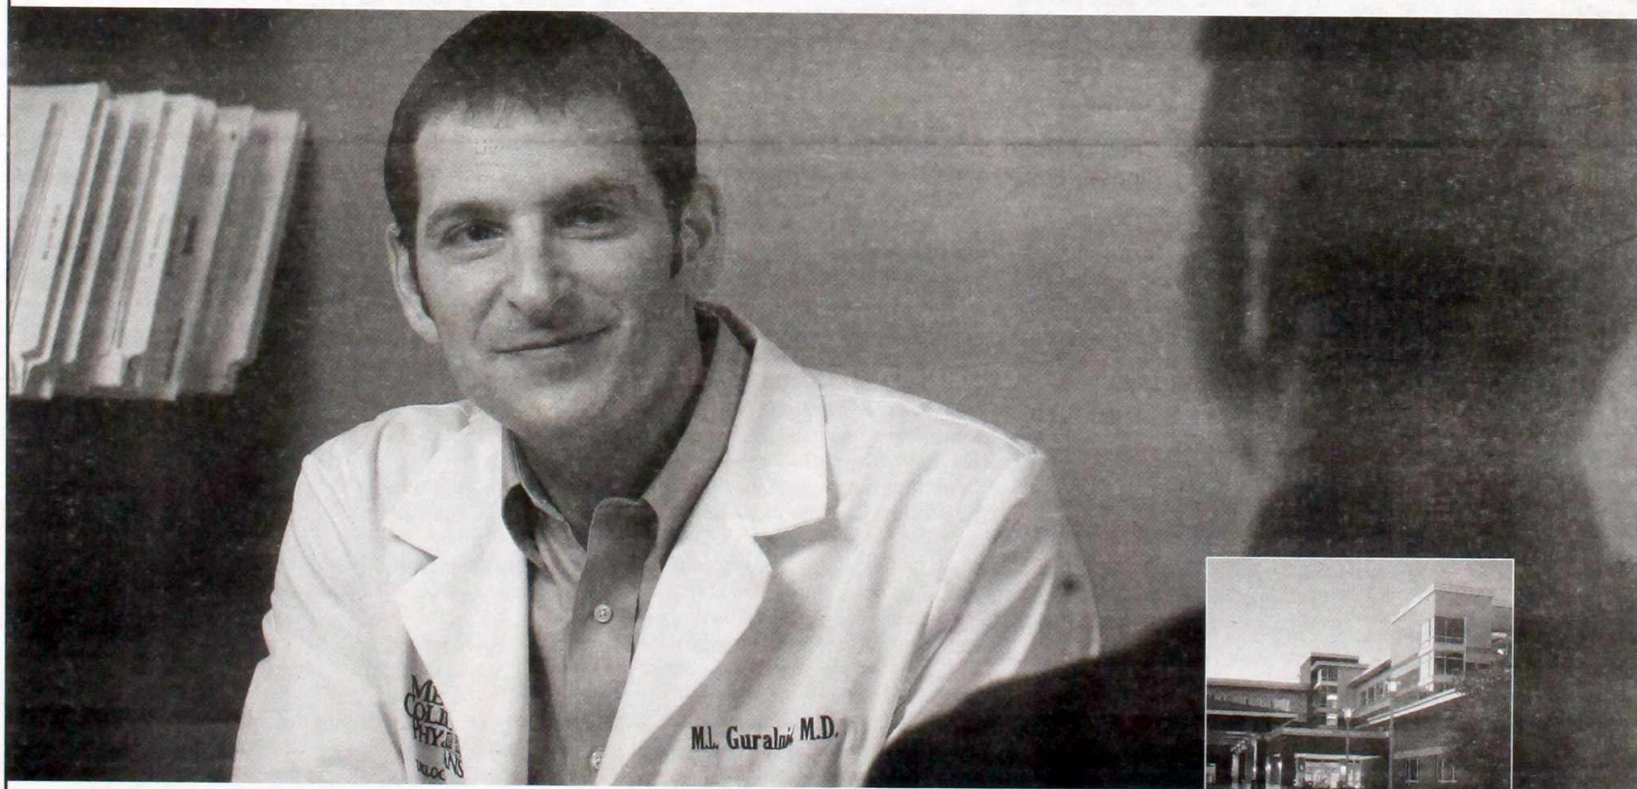

posure on the course & carries herself proudly as a senior."

Also for the Indians, Zuehlke, Warnecke and Basterdash all posted 52s, staying away from big numbers on the Hartford track.

After three matches, Watertown is in the top spot with 4 points, with Hartford next at 6, and the Indians in third with eight points. Then come Beaver Dam, West Bend and Oconomowoc in a cluster with 14, 15 and 16, respectively.

Youth dominates Kewaskum's cross country teams this season as the Indians have just enough girls to field a varsity team and only two boys running.

"The team this year is going to be working mostly on an individual basis," said co-head

coach Heidi Korth. "Our goal as a team this season is to just keep improving and working hard. We have a great team morale and expect to have a lot of fun this season."

Korth said April Stern and Abby Backhaus are her top runners. Several girls are trying cross country for the first time, including Allie Schmidt, Jessica Nurkala and Lindsay

Zuehlke.

"We hope to see them keep improving as they learn more about the sport," Korth said.

For the boys, Matt Vogt and rookie Chris Wetzel make up the team.

"Chris has been improving since gaining more experience. Matt recently joined and will be running his first

meet this Friday. We are excited to see what these boys can do," Korth said.

Team scores were not kept at a home meet at Hon-E-Kor last Thursday against New Holstein as neither school could field a varsity team.

For the girls, Stern finished third in 20:29 and Backhaus fourth in 20:40. Nurkala was seventh in 22:10, Zuehlke

eighth in 22:14 and Tess Bandy ninth in 22:22. Schmidt was 13th in 24:50 and Kelsey Koller 14th in 25:13.

Chris Wetzel finished in 24:04.

On Friday the Indians head to Mayville for the Mike Hulbert Invitational.

Kiel tops Kewaskum 10-2

Kewaskum's Nic Gerhartz keeps control of the ball during Thursday's meeting with Kiel at home. Kewaskum was able to score twice against Kiel in the second half of the game thanks to Ian Kenworthy and Gerhartz but that wasn't enough after Kiel's 10 goals.

Lady Indians starting off season slowly

By Mitch Maersch

mitch@kewaskumstatesman.com

Kewaskum's volleyball team will perhaps one day win a five-game match this season.

That day was not Tuesday. It wasn't last Thursday, either, much to the frustration of Coach Joe Moser.

On Tuesday at nearby rival Campbellsport, the Indians looked awful in losing the first two games, sharp in winning the next two and then lousy again in losing the deciding fifth.

It was nearly a role reversal of the home match against Plymouth last Thursday, when Kewaskum cruised in the first two games and lost the next three in nail-biting fashion.

"That would have been nice," Moser said of turning the tables on the Cougars as the Panthers had done to his team.

As it was, "pass" sometimes becomes a four-letter word (OK, it already is), and "tip" isn't far behind (just one letter). Kewaskum couldn't do the first and couldn't defend the second, spelling another four-letter word: doom.

The Indians started by taking a 7-0 lead against Campbellsport and had a 24-19 edge but couldn't put it away. The Cougars roared back to win Game 1, 28-26.

In Game 2, they built a 20-11 lead and hung on, 25-18. The Indians had communication issues as several balls fell to the floor in between players.

"We get into some ruts and we lose our confidence and we kind of fall apart. We can't pass anymore. And when we can't pass, we can't set our good hitters and then we can't side out," Moser said. "So it's getting that confidence so we know we can bounce back from an error and we can come back and play good volleyball."

Then came the Indians Moser wants to see. Tied at 12-12 in Game 3, a fired-up tweaked lineup pulled away and won, 25-16. It was more of the same in Game 4's 25-18 win.

"We got excited for the couple of good plays we had and then we had our confidence and we made a lot of passes. We didn't have a lot of passing errors in games 3 and 4 and it really showed," Moser said. "We had good sets, we had good swings; we started blocking the ball. We kind of put our whole game together."

Early match bugaboos came back in Game 5 as the Cougars ran away with the game and match, 15-6.

Outside hitter Kayla Bastian and middle hitter Anna Aycock had 12 kills apiece. Outside hitter George Abfall had eight.

Molly Potter had 23 assists and Whitney Bastian served three aces. Kayla Bastian and Kelsey Phillips had 10 digs

each.

Cougar sophomore setter Paige Birschbach regularly hurt the Indians with either surprise sets over the net, and she and her teammates often tipped the ball over instead of slamming it, catching Kewaskum off guard.

"It's funny how you tell a kid stand on the 10-foot line to cover tips and all of a sudden they're in the back of the court. You'd think after getting burned once or twice they'd figure it out. I don't know if it wasn't registering or what. It's a little frustrating," Moser said. Against Plymouth, Moser will take inexperience for \$400 please, Alex.

The young Indians looked good in winning 25-14, 15-19 and were on their way to a sweep.

Then the Panthers woke up. Big hitters who looked listless in two games came to

life, as did the team's confidence. Kewaskum's big guns and mental advantage started to slip, just enough to lose a heartbreaker.

The Panthers won Game 3, 25-21, and pulled out Game 4, 27-25, fighting off game points at 24-23 and 25-24.

Plymouth built a 9-6 lead in Game 5 before the Indians battled back to tie it, 9-9. Plymouth then rattled off three points and a timeout could only slow the Panthers as they won, 15-12.

"We'll say it's experience-wise. That's brilliant. Put that down," Moser said.

"Two games we played great. I think maybe the third game we just felt like we had it and we didn't have to stay on our peek and they crept back in. It was a close battle in the end and it just took a little bit out of us," he said. "Four and five were both good, too. Just

didn't have it at the end when we needed it."

Kewaskum gets its chance at revenge on either Campbellsport and/or Plymouth Oct. 16 in the Eastern Wisconsin Conference tournament.

"We take from this one that we get to play them again. We get to fight back and try to beat them again," Moser said. "It was a great match. Now we learned we've to stay on top of our game the whole time. We can't let down. We've got to fight all the way to 25."

Kewaskum's gym was so hot and sticky that night volleyballs kept being switched in and out. Officials kept selecting the white, round ones.

Kewaskum staff members on hand for possible riot control were wearing fluorescent yellow shirts similar to that of vendors at Miller Park. Little doubt some fans and perhaps

coaches could have used a cold drink sometime during games 4 or 5, but they unfortunately weren't equipped with coolers around their neck.

At the Hartford Invitational last Saturday, Kewaskum went 2-1, beating Madison Memorial and Mayville, 2-0, each, and losing to Waukesha South, 1-2.

The Indians, 2-3 in conference and 5-7 overall, have nine days off before hosting EWC foe Sheboygan Falls next Thursday, Sept. 16. Moser knows how that time will be spent.

"We've got to go back to practicing all day long on passing and keep practicing passing until we figure it out," he said. "Because we don't need to practice hitting if we can't pass."
