## Schaub's Dar-Lee Acres honored as Sesquicentennial at state fair

By Mitch Maersch

mitch@kewaskumstatesman.com

The last time a different family owned Dar-Lee Acres in the Town of Wayne the parties would have read the note of purchase under sunlight or candlelight.

Electric light hadn't yet been invented and wouldn't be for decades.

Darlene Schaub and her late husband, Leland, were honored for their family's 156 years of property ownership at last summer's Wisconsin State Fair. Darlene received a certificate signed by Gov. Jim Doyle, a sign for her yard and got to attend a breakfast at the fair with other longtime land ownership honorees.

Darlene said the awards only went up to 150 years since Wisconsin had recently joined the union that long ago. She would have gone to be recognized for the 100-year milestone, but she and Leland were still milking cows back in 1954. They received their certificate, however.

Darlene said it was Leland's family that had owned the land. She

married into it in 1951 and the couple farmed and raised three sons and two daughters.

The two met at The Lighthouse, today's Lighthouse Lanes, which used to be a dance hall. Back then, engaged couples would send postcards to their family and friends to invite them to the wedding dinner and dance. The public could pay \$2 and just come to the dance.

Darlene was no stranger to farming or the ludicrous amount and difficulty of work involved. She was raised on a farm in Clark County, one of four daughters.

"I never had any brothers so I had to learn how to help, too," she said.

Leland's dad had 23 cows when the couple were married. They eventually took over the farm and peaked at 150 cattle with a top milking total of 90.

They had plenty more chickens, about 300, to ballpark it.

"You ever wash dirty eggs? You better do them the first day because the second day you had twice as many," Darlene said.

When the boys, Terry, Michael and David, got to high school, they joined FFA and raised some pigs. Darlene said it was a good experience.

"I felt it was good for the kids. They learned how to do things. They knew that they came home from school and had their chores to do," she said. "Came home and changed clothes and did chores, and knew they had to do them right. There was no sitting down and watching the television. They're helpers."

The farm had horses and sheep, but the Schaub's stopped raising them before Darlene was married.

The couple farmed for 42 years, retiring in 1993 and selling Terry the cattle and machinery. Darlene still owns the land and rents it to Terry Volm.

"Because you were a farmer you're kind of fussy about how they work it. You want them to take care of it," Darlene said. Pulling weeds is one example.

## Eichstedt is HEK club champion

By Judy Harlow

A familiar name surfaced in this year's battle for the Men's Club Championship at Hon-E-Kor Country Club.

Clark Eichstedt, a hometown favorite since his days at Kewaskum High School, emerged as the champion with some late heroics for a 1-up victory over young Jason Jahnke.

"I didn't play that well," Eichstedt said about the final match which covered all three nines, Blue, White and Red, in that order. "Jason played real well, but I made a few putts and I hit couple of good sand irons to win."

Early in the match, it looked as if the 22-year-old Jahnke, making his first appearance in the finals, was going to take a commanding lead. "I was two-down, and I could have been three- or four-down," Eichstedt said, reporting his opponent was two ahead after 11 holes of play.

"That's where I made good chip shots," Eichstedt said, indicating both were from about 90 yards out and allowed him to draw even with Jahnke.

Eichstedt was 2-up after 19 holes, and this time it was Jahnke who rallied to draw even.

"We just went along, one-up, one-down," Eichstedt said, reporting he won No. 8 (Red) to take a 1-up lead.

"He hit his shot over the trees" and didn't have a clear shot to the green, the newly crowned king of Hon-E-Kor went on, reporting, "We just made pars on No. 9."

"I had been hitting my driver well all day. I went for the kill on No. 8," Jahnke said, reporting the wind carried the call a bit more than he anticipated, and "I got failed behind a tree."

Eichstedt won his first club championship back in 1972, and since that time has added nine more crowns, the last one coming in 2007.

He had defeated Jay Krueger to gain a berth in the finals.

In other finals, it was Ryan Doherty winning the First Flight crown over, 3-and-2; Dick Wietor defeating Mike Mauer, 4-and 2, in the Second Flight; Jocko Marx downing Ken Erickson, 3-and-2 in the Third Flight finals; and Dave Pfeiffer edging Al Jessel, 1-up in the Fourth Flight. Mike Pfeiffer is the Senior Champion after beating Ray Roskopf, 3-and1.

In the Women's Championship, a handicapped event, Dee Dee Placek nipped Betty Hallen in 19 holes.

## Seasonal Flu and Pneumonia Shot Clinics Scheduled for West Bend Clinic

Froedtert Health West Bend Clinic will be offering seasonal flu shot clinics for the public between September 26 and October 23. Pneumonia shots will be available for those 65 and older who have never been vaccinated for pneumonia. Prior to making an appointment, individuals should contact their primary care physician for past history regarding the pneumonia vaccine.

The seasonal flu is a respiratory illness with sudden symptoms such as headache, dry cough, muscle aches, fatigue, fever, runny nose and sore throat. It is caused by a virus, and is more serious than a cold. The seasonal flu vaccine

helps prevent and protect most people from the flu and provides substantial protection against the novel influenza A virus or H1N1. Side effects are unlikely, although some soreness, headache or low fever may occur the day after receiving the shot. Individuals with egg allergies, previous reactions, current fever or flu symptoms or other concerns should consult their physician in advance. Children aged 6 months - 8 years who have not been vaccinated previously will require two doses of this vaccine.

Pneumonia is an inflammation of the lung, usually caused by a virus or bacteria. Symptoms include

fever, cough, difficulty breathing, chills and nausea or vomiting. Pneumonia is more likely to occur after having a cold or the flu. Those with the greatest risk for flu or pneumonia are adults over 65, individuals with chronic medical conditions, people with immune-deficiency disorders and young children.

Cost is \$30 for a flu shot, \$40 for flu mist and \$50 for the pneumonia vaccine. It is recommended that individuals check in advance with their insurance providers regarding coverage.

Appointments are encouraged, but not required. Flu shots and the pneumonia vaccine can be given at

the same appointment. To schedule an appointment or for more information call 262-334-1641, ext. 2121.

Flu shot clinics will be as follows:

## Dar-Lee Acres

Members of the Darlene and Leland Schaub family are shown after being honored at this year's State Fair for their Sesquicentennial farm.

Photo courtesy of Wisconsin State Fair

Volm, she said, does a "good job."

Leland and Darlene lived in the family homestead from 1951-1986. Leland had developed heart trouble and his doctor told him to get off the farm.

They built a home on Townline Road "in what was years ago the cow pasture," she said. "There's houses there now."

"We didn't move far but we moved off the farm," she said.

The farm has 218 workable acres and two wooded areas along with some pasture.

One of their sons now owns 60 acres and their grandson 20.

Darlene said Leland was happy his family held the property so long.

"He was proud about it, too," she said.

He and Darlene never received an offer to sell, and wouldn't have, anyway.

Someone in the 1970s asked if they would sell the cow pasture/wooded area for a house lot. Rules back then weren't so strict so the family made the whole woods into 2-acre lots. Eight homes stand there today. They sold seven and live on the other.

They had been asked to sell other corners but didn't want to chop up the land, Darlene said.

Darlene said the breakfast at the State Fair was fun.

"It was really special. They give you four tickets to come to breakfast," she said.

Darlene and Leland's sons, David and Terry, and Terry's wife, Linda, joined her. Michael and his wife, and Darlene and Leland's two daughters, Patty and Susan, came for the photo afterward.

"They were efficient. They said it started at 8 and at 8 o'clock they came out with the plates," Darlene said. "They had five, six speakers and said the program would be done by 9 and I thought never would they make it. They did, though. It was really efficient. We were all done with the picture taking by 9."

The breakfast was quite the spread. Scrambled eggs, fried potatoes, sausage and sweet rolls and "all the coffee, milk and water you could drink," Darlene said.

After breakfast, the family could check out the fair for free. Darlene went to see the pig races, she said with a laugh, and saw the Kids from Wisconsin. She hadn't been to the State Fair in years.

She said two families were honored from the area, one from Hartford and another in the Cedarburg area.

"One group came from way up by the Michigan border. I thought, that's a trip. The people that want to do this, they're serious about it. They're proud it hasn't been sold away," she said.

Darlene is proud, too.

"I really think it's an honor. I will put the sign up at end of driveway," she said.

## Annual Life Chain returns Oct. 3

The annual, national event known as Life Chain returns to Kewaskum on Sunday, October 3, 2010. Beginning at 1:30 p.m. pro-life individuals and families will gather at the Kewaskum Municipal parking lot on Main Street just east of Silbernagel and Jasen, where uniform signs will be distributed. The display will line Main Street and Fond du Lac Avenue beginning at 2 p.m. and continuing until 3 p.m.

Held each year on the first Sunday of October, Life Chain is a legal, peaceful, quiet demonstration of people in our area communities who gather to publicly agree that abortion is wrong. There are no disturbing images or

passing motorists or pedestrians, only thought provoking statements including "Abortion, the Loving Option," "Abortion Kills Children," and "Abortion Hurts Women."

On the back of each sign, participants will find scripture and prayers on which to meditate and praise songs and hymn lyrics to sing quietly.

For more information, please call Kewaskum House of Prayer at 262-626-8337 or Donna Timmerman at 262-685-7408.

Thank you to everyone who participated last year. The event was well attended and your stand against abortion was appreciated.

*To the Editor:*

Scott Walker won the Republican Primary for Governor in convincing fashion, now it is on to the General Election against Milwaukee Mayor Tom Barrett.

Democrat Barrett has turned on Scott with a vengeance because he knows that he can't sell his Big Government record. Wisconsinites aren't buying his grandiose spending schemes and pie-in-the-sky promises. They've had quite enough of Jim Doyle and want no part of a Governor who will just be more of the same.

Scott Walker took on the Milwaukee Machine and won, but now he is in the fight of his life against a notorious cartel of Madison Liberals, Washington Democrats and East Coast and West Coast Big Government interests.

Wisconsin needs bold conservative change and Mayor Barrett is offering just more of what Jim Doyle gave us. There's nothing new. With a bad product to sell, he's going after Scott with everything he's got. But all the savage and untrue attack ads in the world won't erase Barrett's record. Scott sees a Wisconsin economy that comes roaring back to life and he has got the action plan to make it happen.

Choose to elect Scott Walker a true reformer-someone who has actually done it. He didn't just vote to keep taxes low, he had to fight for it as an executive against entrenched interests who were use to the special interest giveaways and spending and taxes that increased year after year. Scott is facing a similar situation today in Madison and he is prepared to clean that up too.

Scott Walker needs us now and Wisconsin's future is depending on us. Stay involved until we win this thing.

Fred Boehlke

*To the Editor:*

Ron Johnson was handed a convincing victory by the people of Wisconsin for the United States Senate GOP primary election. Over the past 16 weeks he has visited 58 counties, over 150 cities and towns, and personally attended over 350 events. Thousand who have joined his campaign across the state share in his deep love for America and for what it represents. He is deeply humbled by the outpouring of support from across the state and the volunteers who joined his campaign to make this victory possible. Ron Johnson won the primary but we have a tough election ahead. Senator Feingold and his allies will say anything to cling to their power- that's what out-of-touch career politicians do.

Russ started out his umpteenth re-election race with the same old charm and fluff. But when the going got tough he made a beeline for the gutter. America is in peril. We need some serious answers. And all Demo-

crat Feingold has is a bag of dirty tricks and untrue attacks against Ron Johnson. Since 1982, he's been a professional politician, as liberal as they get and as self-interested as they come. He is in trouble with the voters; he's throwing punches at Ron and slinging mud. He will say anything to cling to power. Russ believes he has a lifetime lock on Wisconsin's U.S. Senate seat. He is wrong. When he signed the Health care package in Washington D.C. without knowing what was in the bill or what the cost would be he just voted himself out of office. By this action he told the people of Wisconsin I no longer represent you. Now we need a new senator and we have one in Ron Johnson. This election is the most important of our lifetime, because this is a fight for our economic future and our fundamental freedom.

## Moraine Park named to 2011 Military Friendly schools list

Pictured from left: Tayna Wasmer, MPTC Enrollment Management and banner Project Partner; Kim De Maa, MPTC Financial Aid Specialist; Gayle Hytrek, MPTC President, display plaque recognizing MPTC as a "Military Friendly School"

Moraine Park Technical College has been designated a "Military Friendly School" according to G.I. Jobs, thereby placing Moraine Park among the top 15 percent of colleges, universities and two year colleges that are doing the most to embrace America's veterans as students.

"Moraine Park is honored to be recognized as a military friendly school," said Moraine Park President Gayle Hytrek. "We greatly appreciate our veteran's service to our country and are committed to making their transition from military life to college as

smooth as possible. Today we are serving approximately 150 veterans and their families each semester and we expect that number to grow. It is good to know we have the programs and services in place to meet their needs."

Criteria for making the Military Friendly Schools list included efforts and results in recruiting and retaining military and veteran students, and academic accreditations. Schools on the list offer benefits to student veterans such as on-campus veterans programs,

credit for service and military spouse programs.

"Veterans are able to receive various federal and state benefits to assist them financially in attaining their degree," said Tayna Wasmer, Moraine Park's enrollment management and Banner project partner, "It is very exciting to receive this award as it is the gold standard in letting veterans know which schools will offer them the greatest opportunity, flexibility and overall experience."

The tuition funds that are available with the passage of

the Post-9/11 GI Bill last year have given veterans virtually unlimited financial means to go to school, according to Rich McCormack, G.I. Jobs publisher. "Veterans can now enroll in any school, provided they're academically qualified. So schools are clamoring for them like never before. Veterans need a trusted friend to help them decide where to get educated. The Military Friendly Schools list is that of a trusted friend," McCormack stated.

To compile the list, G.I. Jobs, published by Victory Media, polled more than 7,000 schools nationwide. A full story and detailed list of Military Friendly Schools will be highlighted in the annual Guide to Military Friendly Schools. The website at [www.militaryfriendlyschools.com](http://www.militaryfriendlyschools.com) features interactive tools and search functionality to assist military veterans in choosing schools that best meet their personal educational needs. The 2011 list can be viewed at [www.militaryfriendlyschools.com/list-2011.aspx](http://www.militaryfriendlyschools.com/list-2011.aspx).

With campuses in Beaver Dam, Fond du Lac and West Bend, Moraine Park is one of 16 colleges that make up Wisconsin's technical colleges. Moraine Park offers more than 100 associate of applied science degrees, technical diplomas, apprenticeships and certificates delivered in a variety of formats — classroom, online and blended. Training and technical assistance for

businesses are also offered. For more information about the College, visit [www.morainepark.edu](http://www.morainepark.edu).

The 500-plus enrolled in the school pursue the Bachelor of Science in Nursing (BS), Master of Science in Nursing (MS), Doctor of Nursing Practice (DNP), and Doctor of Philosophy in Nursing (PhD) degrees.

Local students admitted to the UW School of Nursing include Elisabeth Schoofs and Crystal Treptow of Kewaskum and Sarah Youngbauer of West Bend.

## Gerhartz in 2011 National Merit Scholarship program

KHS principal Tom Fischer and Nicolai Gerhartz.

Kewaskum High School principal Tom Fischer announced recently that Nicolai Gerhartz has been named a Commended Student in the 2011 National Merit Scholarship Program. A Letter of Commendation from the school and National Merit Scholarship Corporation (NMSC), which conducts the program, was presented by Fischer to Gerhartz.

About 34,000 Commended Students throughout the nation are being recognized for their exceptional academic promise. Although they will not continue in the 2011 competition for National Merit Scholarships, Commended Students placed among the top 5% of more than 1.5 million students who entered the 2011 com-

petition by taking the 2009 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT).

"Recognition of high-achieving students is essential to advancing educational excellence in our nation," commented a spokesperson for NMSC. "As demonstrated by their outstanding performance in our highly competitive program, the young men and women named Commended Students represent some of the most academically talented students in our country. ## Farmington Fifth Grade Spelunkers

Mitchell Smith, Brandi Geldnich, Gabe Stern and Max Stowers.

ABOVE: Cole Surprenant and Tyler Degnitz in the caves at Ledge View Nature Center. BELOW: Blake Horning climbs in the cave.

The fifth grade students from Farmington School visited Ledge View Nature Center in Chilton, Wisconsin on Monday, September 13.

It was a beautiful, sunny day for a hike in the woods while the crew made their way to the cave entrances. Students, teachers and chaperones were soon below ground level inside of the cool, dark, murky cave, which was their "classroom" for the day. Tour guides informed them about how caves were formed, what could be found in caves, how the caves were found, and answering many cave-related questions.

The spelunkers crawled through passage-ways of varying sizes and lengths to observe different "rooms" along the way. The group experienced true darkness deep down in the cave when all flashlights were turned off.

After three hours of crawling and climbing in order to discover what the caves had to offer, the dirty and hungry spelunkers ascended to the ground level, hiked back to the nature center, and devoured their lunches before heading back to Farmington School.

A fun (and dirty) day was experienced by all!

**JUDITH A. DREHER**

Judith A. Dreher, nee Lehmann, age 69, of West Bend, was called home to be with her Lord and Savior on Saturday, September 18, 2010 at the Kathy Hospice in the town of Polk.

Judy was born on September 30, 1940 in Menomonee Falls to the late Joseph and Norma (nee Neuy) Lehmann. On November 26, 1960, she was united in marriage to Floyd Dreher at Immaculate Conception Church of St. Mary.

Judy was a loving, devoted wife. The most wonderful, mom, sister and best friend anyone could ask for. Judy loved spending time with her children and grandchildren. She loved it when they would come over and share their stories. Judy loved spending time at their lake home in Pelican Lake. She liked to fish, but most of all she liked it when her husband (Fuzzy) made her a great fish fry "yes, Dad it's the best". Judy also liked spending time at the casino and playing bingo. Judy's Christian faith was very important to her. When mom would hear that someone was sick, she would add them to her long list of people to pray for.

Judy worked for B.C. Ziegler as a mail clerk for many years. She enjoyed getting together with her friends from Ziegler for luncheons.

Many will miss Judy, she has touched so many hearts. Judy was too well loved to ever be forgotten. We will miss you and love you mom. Love your family.

She is survived by her husband, Floyd of West Bend; her four children, Jeff (Brenda) Dreher of West Bend, Lorie (Todd) VanLangen of West Bend, Debrah (fiancée, Brent Draheim) Dreher of Shawano, and Tom Dreher of West Bend; eight grandchildren, Tanner Dreher, Braydee Dreher, Jason (Laura) VanLangen, Stacy (friend, Sandi Sable) VanLangen, Amber (friend, Paige Harris) VanLangen, Chad (friend, Liz Blewett), Cody (friend, Heather Elertson) Enright and Colton Dreher; two sisters, Joanne (Lawrence) Nischke of Cascade and Sandy (Tom) Zernia of West Bend; other relatives and close friends.

Judy was preceded in death by her parents and her son, Jim Dreher.

A Mass of Christian Burial in remembrance of Judy was held on Thursday, September 23 at 7:00 pm at Immaculate Conception Church of St. Mary in West Bend with Fr. Michael Moran presiding.

Visitation was at the church from 4:00 pm until the time of the mass. Burial was Friday at 11:00 am in the New St. Mary's Cemetery.

son of Jerry and Janine (nee Schnepf) Matenaer.

He attended Kewaskum High School, graduating in 1979. He worked as a salesman at the Bob Fish car dealership where he met his wife to be, Kay Bohn. They were married on June 1, 1991 at Holy Angels Catholic Church in West Bend.

A month and a half after returning to West Bend, Scott was diagnosed with lung/liver cancer. We are so glad we had him here with us for the last year!

Scott loved his "toys" (anything with an engine), but his greatest love was his wife and daughters.

## IN MEMORY

In memory of BEVERLY SCHMIDT, who passed away four years ago on September 28, 2006.

A sadness still comes over us, Tears in silence often flow, Memory keeps you ever near to us, Though you died four years ago.

Loving thoughts of one so dear, Are treasured still with love sincere, In our hearts you are living yet, We loved you too dearly to ever forget.

*Sadly missed by  
Your loving husband,  
children and grandchildren*

**“The heart care I received was simply phenomenal.”**

— John Stahl

When John Stahl of Kewaskum, 47, began having occasional chest pains, he couldn't believe he might have a heart problem. "I've always been an athlete and an avid sportsman," John says. "I ride my bike and do a lot of walking. There's no way I could have a heart problem."

But in early August, after a late-night visit to the Emergency Care Center at St. Joseph's Hospital and subsequent testing, John was diagnosed with coronary heart disease and referred to Michael Cinquegrani, MD, Medical College of Wisconsin cardiologist at the **Froedtert & The Medical College of Wisconsin Specialty Clinics at St. Joseph's Hospital**. Dr. Cinquegrani recommended that John undergo additional tests, which led to a stent placement procedure at the Froedtert & The Medical College of Wisconsin cardiac catheterization lab.

Only a few weeks later, John was feeling great and again enjoying his favorite outdoor activities. "If it hadn't been for Dr. Cinquegrani, I would never have survived," says John. "I'm thanking God for the care I received. Everybody, from start to finish was great. The heart care I received was simply phenomenal."

Zoning Administrator Chad Cook reviewed the impact fees currently being charge for new development in the Village of Kewaskum. Sewer - \$2,089, Park - \$1,223 and Water - \$3,360 the total for impact fees are \$6,673.

Administrator Matt Heiser reported on the following:

1. Due to a concern that the swimming pond in Kiwanis Park and the municipal water supply was infected with cryptosporidium the Village began investigating the possibility. The Village had extensive communication with the Washington County Health Department, Village's Health Advisor and the lab used by the Village to test its water supply. There are no indicators that the municipal water supply is contaminated. The Washington County Health Department reported there has been an increase in reported stomach disorders but are still within the ranges seen normally. As a precaution the Village is having the water from the swimming pond tested and the results will be received around August 24th.

2. The proposed 2011 budget timeline was discussed. The Department Heads will prepare projections in August. In September the budget will be reviewed with the Administrator and at the committee level. The Village Board will review the budget in its entirety in October. The Budget Public Hearing is tentatively scheduled for November 15th.

3. The possibility to switch to monthly billing for the water and sewer utility was discussed. The overall impact to labor, supplies and estimating the billing was reviewed. The cost of supplies alone would be approximately \$8,000 per year. Consensus of the Board was to leave the water and sewer billing at quarterly.

Tom Piwoni, Chairman for the Protection and Public Safety, will schedule a committee meeting to review the 2011 budget at the next Village Board meeting due to the absence of the Police Chief and Fire Chief.

Harry Roecker, Chairman for the Public Works and Public Services, reported on the August 10, 2010 meeting. Items discussed included overtime, well #4 maintenance, well #3 roof, old fire hydrants, and relaying a sewer line by Kewaskum Street. The next committee meeting to review the budget will be scheduled at the next Village Board meeting.

Jim Hovland, representative for the Plan Commission, announced the next meeting is scheduled for August 24, 2010.

Norman Kufahl, Chairman for the Park and Recreation, reported on the August 9, 2010 meeting. Items discussed included electric hand dryers at the Kiwanis Park, enlarging the stage at River Hill Park, restoring the

wood chips around the playground equipment, replacing the Elm trees at River Hill Park and replacing the diving boards, platform and ladder at the Kiwanis Pool. The next committee meeting to review the budget will be scheduled at the next Village Board meeting.

Norman Kufahl, representative for the Library Board, reported on the August 9, 2010 meeting. The circulation for July 2010 was 7,337 compared to 8,265 in 2009. Friends of the Library have donated \$500 to the library and a Brat Fry will take place on August 21st at the Piggly Wiggly with the proceeds going to the library.

Matt Heiser, representative for the Mid-Moraine, announced the next Dinner meeting will be hosted by the Village of Fredonia and has been scheduled for August 25, 2010 and will take place in Post Washington.

Motion by Harry Roecker to schedule one Village Board meeting on September 20th for the month of September due to the Labor Day holiday, second by Norman Kufahl. Voice vote, motion carried. A Special Village Board meeting may be schedule if needed.

## Youth gun deer hunt Oct. 9-10

MADISON - The ninth annual Wisconsin Youth Gun Deer Hunt will take place statewide on Oct. 9-10.

Under Wisconsin's Mentored Hunting Law, now in its second season, hunters as young as 10 years of age may participate -- with or without hunter education certification -- in the youth gun deer hunt with a mentor. The mentored hunting law also allows deer hunting during later seasons.

The early date of the hunt provides milder weather allowing more time in the field under more comfortable conditions for the youngsters and their hunting mentors. In addition to giving youths their own opportunity to experience the traditions of deer hunting in Wisconsin, the focus is on the youth and allows more time for the mentor to share skills and teach their charges how to hunt safely and ethically.

The hunt will be held in all deer management units (DMUs) statewide, except State Park units, Ft. McCoy, Chambers Island, Menominee County and the Apostle Islands other than Madeline Island.

### How to participate

Wisconsin now has two programs designed to introduce youths to deer hunting under controlled conditions and under close supervision of an adult hunter.

1. Youth hunters 12 through 15 years of age (resident and non-resident) who possess a hunter education certificate of accomplishment and a gun deer hunting license may hunt deer Oct. 9-10 accompanied by an adult 18 years of age or older. "Accompany" means the adult is within both visual and voice contact of the youth. The adult does not have to be a licensed hunter or a hunter education graduate to accompany one or two youth who are at least 12 years of age and have completed a hunter education course.

### Adults accompanying youth hunters:

- \* may not "gun hunt" for

deer during the youth hunt, but may possess a bow or gun and hunt for another game species that is open for them to hunt at that time;

- \* may not accompany more than two youth hunters during the youth gun deer hunt at any given time.

2. Youth hunters 10-11 years of age, or youth hunters 12-15 years of age who do not possess a hunter education certificate, but possess a mentored gun deer hunting license must be "mentored" by an adult who is within arm's reach at all times during the hunt.

### Qualified adult mentors:

- \* must be at least 18 years of age and have the youth's parent or guardian's permission to mentor the youth hunter;

- \* must possess a valid hunting license for the current year (any type of game), unless they are mentoring a youth on land that the mentor owns;

- \* must be a graduate of a hunter education course or have completed basic training with the U.S. Armed Force if the mentor was born on or after Jan. 1, 1973, they;

- \* may only mentor one youth hunter who is age 10 or 11, or who has not completed hunter education at any given time.

- \* may not accompany more than two youth hunters. If one youth is hunting under "mentored hunter" rules, the adult may "accompany" no more than one other youth at the same time and only if the second youth is at least 12 to 15 years of age and has completed hunter education.

Additionally, only one firearm may be possessed between the mentor and youth who is age 10 or 11, or who has not completed hunter education, if participating in the youth gun deer hunt.

Qualified youth hunters may harvest one buck deer on their gun buck deer carcass tag and additional antlerless deer with the appropriate carcass tag valid in the unit in which they

## Kewaskum Green, White play at Helfaer Field

There was plenty of fanfare and excitement at the Helfaer Field Complex on Friday, Aug. 13th as members of the Kewaskum Green and Kewaskum White Midget Minor baseball teams concluded their seasons with a big league experience on the former site of Milwaukee County Stadium. From the singing of the Star Spangled Banner and player introductions until the final outs and postgame picture taking, the young baseball stars enjoyed being on the field where former Milwaukee Brewers and Milwaukee Braves once showed their skills. The experience was made possible through the generosity of several Kewaskum area businesses, including the Kewaskum Kiwanis Club, Waste Management, Goeden's Auto Body MK Machining, Kewaskum Frozen Foods, Miller's Furniture and Dr. Aboud Affi. Also, one member of the White team, Evan Devalk, personally raised \$100 to help defray the costs of renting the field and purchasing food for the pre-game meal for the players, their parents and other relatives and friends. For his efforts, Devalk got to throw out the first pitch in the game. Coaches for the two teams included: Green — Dave Goeden, Charlie Walls, Mark Heckendorf, Norm Neu, Tim Jacak and Chris Rose; White — Chad Cook and Mark Deheck. The coaches would like to thank Bob Johnson and Dave Stoltz for their excellent introductions and commentary on the microphones and Jake Wade and Bille Lehmann for volunteering their services to umpire the contest.

are hunting. Earn-a-buck restrictions do not apply in EAB units during the youth hunt if the "gun buck deer carcass tag" is used. All hunters and their mentors must observe blaze orange clothing requirements. If the youth has completed

a hunter education course within the last year, they may receive one free antlerless tag from a DNR Service Center during open hours. These antlerless tags are valid statewide during any archery or gun season, including the youth deer hunt.

All deer, bear, and small game hunters, with the exception of waterfowl hunters, also are required to meet blaze orange requirements on these two days.

## Lady Indians unable to win for parent's night

By Mitch Maersch

mitch@kewaskumstatesman.com

If Kewaskum's volleyball team practiced like it played, the Indians would be pretty good.

But on gameday, it all seems to unravel.

The Indians last Thursday were swept by New Holstein in an Eastern Wisconsin Conference match at home, 25-16, 25-21, 25-22.

Junior outside hitter Kayla Bastian had 11 kills and only one error. 6-foot-1 sophomore middle hitter Anna Aycock made seven kills. Heidi Johnson made 10 assists, and new setter Brittany Wagner made eight. George Abfall and Ashley Kuechler each had two blocks. Kelsey Phillips made six digs and Sam Smallish four.

The Huskies didn't do anything special or have many big hitters, but they didn't lose the match with their own errors, either.

Kewaskum, on the other hand, did. A few balls dropped to the floor in between two Indians and a few more were bumped too far away to run an offense.

"We didn't talk. We didn't pass, and then we couldn't keep the ball in play. We just shot ourselves in the foot," said Coach Joe Moser. "And then in the third game when we got a lead because we kept the ball in play, we decided to have two hitting errors and a service error in a row and let them right back into this game."

Moser used two timeouts in Game 1, down 13-6 and 19-10 to try to salvage a run, but it didn't work. He used two more in a close Game 2, down 21-20 and 23-20 to try to get his team back on track, but the Huskies prevailed with an Indian service error and two blocks.

In Game 3, the Indians built a 16-12 lead, their largest of the night, before ties at 19-19 and 21-21. Down 22-21, Moser called another timeout, and another at 24-21. The Huskies still prevailed.

"It's so frustrating because yesterday we practiced great,

we passed well. We talked. We almost had fun," Moser said. "It's not our team that I saw out there. It's just frustrating that we can't put it together when there's a match."

Much like coloring only with volleyballs instead of crayons and a gym instead of paper, staying in the lines was one of the Indians' problems all night.

"I don't know why we feel the need to hit the ball out of bounds four times in a row, why we can't just make one mistake and move on," Moser said.

Parents attending Parents Night weren't exactly treated to an impressive exhibition. They did, however, get to see their children play.

"It's Parents Night. I got everyone in," Moser said. "But at the same time when they're in, they could have kept the ball in play."

Passing was another problem and has been a challenge all season. The Indians have talented hitters, but they don't get enough chances.

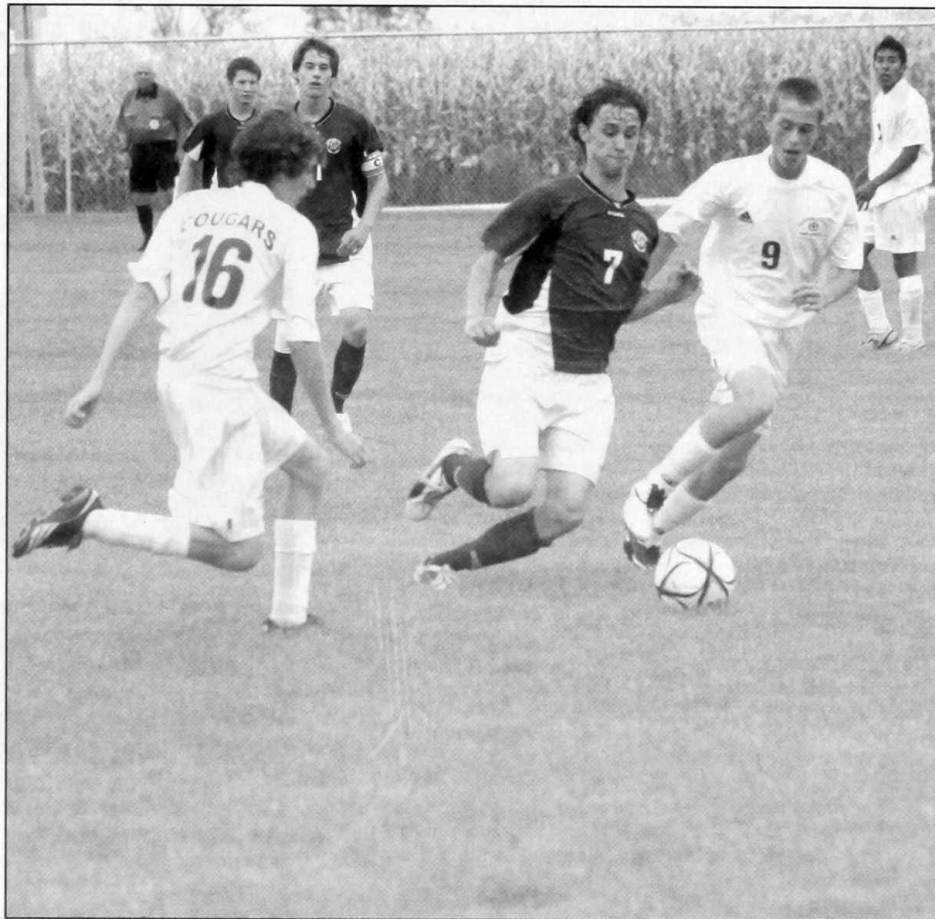

"Kayla's a rockstar. We've just got to pass so we can get her the ball. And Anna, too," Moser said. "Could you imagine if we could pass and get Anna and Kayla the ball? We'd be a pretty good team."

The Indians, 2-5 in the EWC and 7-12 overall, get a chance to be a pretty good team Thursday at Two Rivers. The junior varsity team lost to New Holstein, 19-25, 25-19, 18-25.

In the round-robin Green Bay Southwest Tournament on Sept. 18, the junior varsity team took second, going 9-3 in games. The Indians beat Appleton East, 21-14, 21-14; Green Bay Southwest, 25-23, 21-18; Chilton, 21-17, 21-18; Wausaukee, 21-5, 21-18; split with Seymour, 21-19, 8-21; and lost to DePere 6-21, 10-21.

On Sept. 11, the junior varsity won the Laconia Tournament. The Indians lost to Ripon, 23-25, 25-12, 10-15; then beat Fox Valley Lutheran, 25-21, 25-20; Laconia, 23-25, 27-25, 15-9; and Little Chute, 25-17, 23-25, 15-8.

## Indians play hard, but unable to top Raiders

Kewaskum's Brad Nowack hustles after the ball during a road game in Campbellsport on Tuesday, Sept. 21. The Indians played hard but were once again unable to find the net. A number of near goals made the 0-2 loss even harder for the Indians. Traveling to Plymouth on Thursday, Sept. 23, the Indians left with another shut-out, this time 0-10. Against Kiel on Monday, the Indians fell to the Raiders 0-2.

# All four Gridiron teams now 2-1

By Judy Harlow

In the third week of action, three Kewaskum Gridiron teams put on sparkling offensive and stellar defensive shows at Random Lake, while the seventh graders fell from the unbeaten ranks in a hard-fought contest.

The eighth graders (2-1) ran wild in a 46-6 win.

"Everyone played, and everyone had fun," coach "Jonesy" Korth said, reporting Dylan Thull and Matthew Elbe each ripped off a pair of TD runs, while Zach Smith and Chas Moede each added one. The final TD was set up by a Matthew Hetebrueg's interception.

Thull's runs covered 10 and 2 yards, and he successfully kicked five extra points. After his first touchdown, Collin McCarty recovered a fumble and within minutes, the Indians were in the end zone again.

By half, the score was 14-2 and after the first series of the second half, Kewaskum substituted freely the rest of the way.

The first string line

played real well, according to Korth.

Posting the lone shut-out of the day were the sixth graders (2-1), who won 19-0.

"Good defense," coach Joel Tietz said. "This time we played a team that was a lot bigger than us, but the defense played just outstanding." Cited for outstanding efforts were linebacker Kyle Henk and cornerback Cayden Dwyer.

Kewaskum scored first on a quarterback keeper by Dalton Poole, then in the second quarter, Jacob Heberer got into the act with a 4-yard run, and Poole scored the extra point.

The final TD came when Michael Boettcher hooked up for an 18-yard pass to Nick Ellenbecker.

The fifth graders (2-1) bounced back with a decisive 26-6 victory.

"Mr. (Cole) Surprenant was a scoring machine again this week ... also Mr. (Patrick) Krier," assistant coach Mark Walcheske said.

Surprenant scored the first TD on a 35-yard reverse,

according to Walcheske, who said he also had a long run in the second quarter, giving the Indians a 14-0 lead at intermission.

In the third quarter, Surprenant gathered in a short pass from Gabe Christenson and turned it into a 45-yard TD. Krier capped the scoring with a nifty 35 yard gallop, breaking it to the outside. Christenson had three PATs.

"The boys played pretty smart," Walcheske said, adding Logan Kertscher "had a big stop in the third quarter."

Because Random Lake does not have a seventh grade team, the Indians seventh graders (2-1) had to play elsewhere and found a game with Whitefish Bay.

"Two good teams going at it," is the way coach Randy Schlice described the game, which ended with the Blue Dukes winning 22-16.

"We only had the ball four plays in the first half," Schlice said, noting the Blue Dukes scored in their first drive, then Josh Baker broke loose for a 60-yard scamper on

Kewaskum's first play from scrimmage.

Bay came back with another drive, and the Indians had to punt after three plays.

Kewaskum's other TD came on a pass from Michael

Prochnow to Charlie Witek. Ben Watzig kicked two extra points.

"Bert Elmazi (middle linebacker) had a great game on defense. He had a lot of solo tackles," Schlice said.

## Indians place in Drexler Invitational

By Mitch Maersch

mitch@kewaskumstatesman.com

One girl took home a medal and a newcomer paced the boys' cross country team at last Thursday's annual Dave Drexler Invitational.

April Stern led the girls with a time of 18:54, good for 9th place and a medal in windy and humid conditions.

Lucas Kopeschka ran his in his first meet and paced the boys in 20:49, 17th place.

Chris Wetzel came in 20th in 22:06. Matt Vogt was 51st in 26:21 and Austin Johann 53rd in 26:51.

"Austin was the only Kewaskum runner to PR this

week," said co-head coach Heidi Korth.

For the girls, Abby Backhaus finished 14th in 19:22. Jessica Nurkalah was close behind in 17th in 19:50. Kelsey Koller finished 42nd in 22:02, Tess Bandy 46th in 22:55 and Allie Schmidt 48th in 23:07.

Neither the girls nor boys ran with a complete team.

Campbellsport won the nine-team girls' meet with 57 points, followed by Waupun with 68.

Waupun won the boys' meet with 34 points, followed by Campbellsport's 68.

The team next runs Thursday in Slinger.

## Tough outing for KHS golfers

By Judy Harlow

With one starter at a leadership conference and another on the sideline with an injury, the Kewaskum Indians had a rough go at last Saturday's Oconomowoc Invitational.

Playing against almost all of the powerhouse golf teams in the state, the Indians finished last in the event with 452 strokes.

"We struggled at the tournament, and it really hurt us not to have Kate (Winkler) as she was attending a leadership conference over the weekend," coach Amy Piwoni said. "Also, Heather Zuehlke suffered a season-end-

ing finger fracture injury last Sunday and replacing her consistent scores has been a tough task."

Madison Edgewood captured the team title, carding a combined 326 from its top four placers. Two shots back was Middleton.

Low for Kewaskum was Sienna Warnecke, who came in at 104.

"I thought that Sienna Warnecke played well this weekend, but her goal has been to break 100, and she continues to get closer," Piwoni said.

"Brittany Duarte also played well for us," the coach went on, noting Duarte's 111 was her low score of the sea-

son.

The other two KHS scorers were 118 from April Basterash and 119 from Megan Gavin.

The Wisconsin Little Ten Conference held its conference tournament at Kettle Hills last Wednesday, but the results have not been released because of a rules question which has not been detailed.

"As soon as the WLT issue gets resolved, I will pass that information along," Piwoni said.

One thing for sure, the senior Winkler made the all-conference first team, and Warnecke is on the second team.

## Indians netters tally win against Raiders

By Mitch Maersch

mitch@kewaskumstatesman.com

If there was ever a good loss, or at least a better-than-normal one, Kewaskum's tennis team pulled it off on Monday.

The Indians lost to Two Rivers, but only 4-3.

"Even though we lost, this was a great Pyrrhic victory for us, as in the last six years we have never gotten more than one match off of them," said Coach Matthew Fehlhaber.

Every match was finished in straight sets, most in

dominating fashion. Kewaskum's wins came from Claire Mehler at No. 1 singles, 6-2, 6-1; Val Paulus at No. 3, 6-4, 6-2; and the No. 3 doubles team of Carol Lima and Aarika Spalding, 6-4, 6-1.

Glenda Bohrt at No. 2 singles lost 0-6, 2-6; Rae Monte at No. 4 lost 1-6, 4-6. The No. 1 doubles team of Olivia Gitter and Chelsea Watzig lost, 0-6, 1-6; and the No. 2 team of Anna Berhagen and Bridgette Wade lost, 1-6, 2-6.

Kewaskum is now 3-5 in the Eastern Wisconsin Conference.

At the St. Frances Quad last Saturday, the Indians narrowly missed second place as a team.

Mehler won gold at No. 1 singles - "the hardest spot to win gold," and Bohrt won gold at No. 3 singles. Each went 3-0 on the day against opponents from St. Frances, Port Washington and Rufus King.

The girls play in the WIAA sectional on Monday and Tuesday, followed by sectional play Wednesday and Thursday.

# Indians wallop the Warriors

Kewaskum's Joey Wollner (11) breaks free from a Waupun defender during Friday's shutout on the road. Wollner ran the ball 33 yards and gave his team one touchdown during the game.

By Mitch Maersch

mitch@kewaskumstatesman.com

**WAUPUN-** Kewaskum's football team wasn't about to let Waupun do to it what Campbellsport did.

After an uninspired first half that led to a four-point deficit two weeks ago, the Indians' goal was to take control of last Friday's game early and never let go. On paper, both games should have been dominated by Kewaskum, but on Sept. 17 it took a second-half push to beat the Cougars, 30-14.

Last Friday's game could have been played on paper. The Warriors may have perhaps preferred it.

Kewaskum scored touchdowns on all its six possessions in the first half. Both quarterback Cody Nuernberg and Eric Perkins had 120-plus yards rushing. The Indians' defense gave up some yardage but never let the Warriors get near the end zone in either half.

It was 41-0 at the break and that's how it would end. Coach Jason Piittmann called off the dogs against a young team stacked with sophomores and juniors. He's not one to run up scores. But he didn't want to give the Warriors a sniff of a chance, either.

"We learned a lesson last week that you cannot take anyone for granted, ever. Campbellsport's a nice football team but we knew we could not let Waupun have a chance early on,"

Piittmann said. "We came out, we put it right down their throat. Defensively, we did a pretty good job, gave up a couple of plays, but never really gave them a chance to seriously threaten to score. I was very, very happy with the outcome."

Nuernberg made another 75-yard touchdown run, his second in two games, and finished with 124 yards on five carries and two scores.

"It felt real good to come out and dominate. That's what we wanted to do. We talked about it all week. Coach wants us to put together four quarters of football. We came out and we got on top right away and we didn't stop," he said.

The vast majority of the starters actually only put together two quarters, but it's hard to play well once the coach pulls you out of the game.

Perkins had 149 yards rushing on 11 carries for a 13.55 average. He scored once on a 51-yard run, his fifth, 40-yard-plus touchdown run of the season. He had a 59-yard run on a pitch left and was caught from behind at the 18, but that's because he was slowed up by a hapless, stumbling attempted tackle beforehand.

In an entertainment letdown, Perkins and Nuernberg didn't make any super spectacular runs like they did against Campbellsport. They didn't need to. This time, once they got past the line nothing much was left to stop them.

Mitch Maersch photo

What was couldn't catch them.

Nuernberg had a harder time explaining his run than avoiding Warriors.

"I don't know. I don't really have speed like that. I don't know how I can get away from those guys. For me it's like one or two cuts like that and go to the backside and it's just a sprint to the end zone," he said.

Fullback Bo Seibel provided this week's play for the highlight reel. On the opening drive, Seibel laid out and made a diving, sliding catch in the end zone for a 15-yard score. Split end Tony Gonring ran a slant that drove defenders inside, and Seibel followed on a fly pattern down the open sideline with a defender giving chase. Nuernberg lofted him the ball.

"At first I didn't think I was going to get to it. I knew I had to lay out for it so I dove and got it," Seibel said.

Perkins caught a pass, too, only it was thrown by Waupun halfback Ian Ashby. In the second quarter, Waupun tried a halfback option. Perkins, playing defensive back, opted to intercept the ball and return it 30 yards to the Warrior 23. Joey Wollner later scored on a 10-yard run to make it 27-0.

The game had a running clock the entire second half, a rule that keeps the clock going at nearly all times once the point spread reaches 35. The teams combined to run less than 40 plays in a quick half of football.

But maintaining the shutout was important. The Indians hadn't had one yet this year, after two last season, and they relied on their second string to preserve it.

"That was big. The kids that went in, they did a great job. Kyle Wesenberg, Mitch Cochran, (Brandon) Chapman, (Colton) Gruber - I mean, all those kids. They did a super job," Piittmann said. "Waupun ran their stuff at 'em and we stopped them."

"We needed one of them to show our defense is that good," said Seibel, who plays outside linebacker when he isn't diving for touchdown passes.

It came after a tough week of practice.

"We mostly just tried to focus on perfection, perfection on everything. Being perfect this whole week," Mack Donath said.

Perkins said the Indians can never allow themselves to think any opponent will come out soft.

"Gotta come out hard every week," he said.

Headed into the tough part of the schedule with some of the conference's toughest teams yet to come, Piittmann said the Waupun game was the perfect precursor.

"We needed this game. We needed a good, solid win like this, get a lot of kids confidence, so we can move forward and get ready for those games," he said.

We're coming to the bulk of the schedule. We know that," Nuernberg said. "We've just got to make sure we get better every single day in practice. We know that we've got to get geared up for every single game, like a state championship game. That's how we feel."

Kewaskum remains undefeated in the Eastern Wisconsin Conference at 3-0 and overall at 5-0. One more win and the Indians again qualify for the playoffs.

This week, Two Rivers makes the trip to Kewaskum for the homecoming game. The Indians beat Two Rivers on the road, 31-0, last season. The Purple Raiders come in with a 4-1 record, 3-1 in conference. They beat Waupun, 41-13, lost to Kiel, 14-13, and beat Sheboygan Falls last week, 42-6.

This week, the Indians are trying to focus despite the distractions of homecoming festivities. Last year, Plymouth ruined Kewaskum's party with a 14-6 win in a game that essentially decided the conference title.

"The main thing is everybody stays focused for the football

game," Nuernberg said. "I know there's a lot of fun stuff at school and everything. Our main focus is football. We're the biggest part of homecoming."

## NOTES

Eric Perkins made up for his 85-yard effort two weeks ago with two, 50-yard runs last week. But he only scored one touchdown as his quarterback, Cody Nuernberg, has started to hoard some of Perkins' scoring. Time will tell if he can put it all together. In about 16 quarters of playing time, Perkins this season has 816 yards and 12 touchdowns, averaging 10.88 yards per carry.

Cody Nuernberg has two straight games with a 75-yard touchdown run, beating Perkins' onetime streak of two straight games with a 50-yard touchdown run. Nuernberg ran for two scores and passed for another.

Perkins wore Coach Jason Piittmann's jacket for the entire second half, an apparent reward for a job well done. Piittmann was quick to get it back after the game before he forgot.

Poor Mike Schladweiler only got to punt once because his team's offense repeatedly refused to let him on the field as the Indians were scoring too much. He's never going to get all-conference recognition at this pace. Fortunately, Schlady played his usual inside linebacker and batted down a pass. With his hand. He only uses his foot to punt.
