

KSD presents service awards

The Kewaskum School District presented the Service Awards during half-time of the Homecoming game on October 1. Members of the community are honored after being nominated by someone and then approved by the committee. KMS principal Christine Horbas is shown presenting the awards. Robert Pick II has worked with our youth sports programs as a volunteer statistician and event assistant. He said he hopes that his good nature and clean life will be noticed by youth so they too can give to others and know that life is worthwhile without the use of cigarettes, alcohol and drugs.

Alan Ratzel worked with our youth in a variety of ways including 4-H project leaders, KHS Booster Club, Gridiron Club coach and Hunter's Safety. For about five years he took sole responsibility for the Booster Club's Halloween Haunted House and is still manning his post in the concession stand grills.

Ralph Schulties has been a 4-H leader for five years. Additionally he has coached soccer for nine years through the YMCA. Ralph has also been involved with coaching fastpitch softball for the Farmington Athletic Association for six years. Most recently, Ralph has been an integral part of forming the new Kewaskum Youth Soccer Organization.

Wade Roberts has coached the youth of our district for 21 years. He has volunteered through the West Bend YMCA and both Campbelsport and Kewaskum's youth sports programs. Wade has coached flag football, softball, baseball, soccer, and wrestling. Additionally, Wade has helped to advocate for children and their needs by serving on the Holy Trinity Parish Council and Kewaskum School Board Committees. He is also responsible for helping to install the lights and sound system many years ago at the Doc Mitchell Athletic Complex.

Jim Westphal was one of the original Kewaskum Gridiron Club coaches 14 years ago. Lately, he is known for his efforts in presenting movies at the Kewaskum Theatre and as girls' JV golf coach. Jim also teaches the youth golf camp each summer at Hon-E-Kor.

Approximately 170 grandparents took part in the festivities. TOP LEFT: Front table, from left, Mary Herriges and Milly Theisen play Trouble with their granddaughter, Courtney Herriges. FES third graders visit Riveredge

Farmington Elementary third graders from Mrs. Gruett's, Mrs. Schuessler's, and Mrs. Nelson's class went to Riveredge Nature Center in Newburg last week as part of their science class. The students participated in a "Fruits of Fall" program, where they learned about seed dispersal. They met Johnny Appleseed in the forest and also made apple juice. The students continued their study by spending time learning about forest and prairie communities! They discovered that plants and animals relate differently in each of these environments.

WILLIAM H. KURER

Bill was a sinner saved by grace. Because Jesus Christ paid the debt of Bill's sins when he was crucified on the cross of Calvary, and because Bill believed in Him and repented of his sins, we know Bill is now with Jesus in heaven. We thank God for His mercy and love. "While we were yet sinners, Christ died for us." Romans 5:8.

"Thine, O Lord, is the greatness and the power, and the majesty, indeed everything that is in the heavens and the earth; Thine is the dominion, O Lord, and Thou dost exalt Thyself as head overall. Both riches and honor come from Thee, and Thou dost rule overall, and in Thy hand is power and might; and it lies in Thy hand to make great, and to strengthen everyone. Now therefore, our God, we thank Thee, and praise Thy glorious name." 1 Chronicles 29:11-13

William H. Kurer, 79, of West Bend, passed away Tuesday, Oct. 12, 2010, at his residence.

Bill was born on Nov. 25, 1930, to John and Viola (nee Japp) Kurer in West Allis. He married Evalyn (nee Wulz) on Jan. 16, 1954. Bill was in the U.S. Army and was later employed at Wisconsin Electric for many years and also farmed. He enjoyed raising and racing homing pigeons, raising chickens, gardening, making firewood, tending to the garden, nurturing the trees in his yard and loved the outdoors.

Bill is survived by his loving wife, Evalyn; children, Jeri (Chester) Filo, Wendy (Kent) Jahnke, Holly (Timothy) Graef, William (Mary) Kurer and Michael (Lori) Kurer. He is further survived by his grandchildren, Ann Kurer, Anthony and Amanda Groth, Destiny Richardson, Jeff (Cathy) and Tracy Jahnke, Paul, Kayla and Joshua Graef, Jordyn and Taylor Kurer; great-grandson, Aaron Council; siblings, Victor Kurer, John (Arlene) Kurer and Donald (Ester) Kurer; sister-in-law, Ester Kurer; brother-in-law, Sidney Arthur; nieces, nephews, other relatives and many friends.

He is preceded in death by his parents; children, Christine and Robert; brother, Clarence;

and sister, June Arthur.

A funeral service was held at 7 p.m. on Sunday, Oct. 17, at Phillip Funeral Home Chapel of West Bend with the Rev. John Wulz presiding. Interment took place at 11 a.m. on Monday, Oct. 18, at Washington County Memorial Park. Visitation was at the funeral home from 4 p.m. until time of service.

In lieu of flowers, memorials are appreciated to Emmaus Bible Church, 220 N. 6th Ave., West Bend, WI 53095, or the charity of your choice.

The Phillip Funeral Home of West Bend assisted the family.

IN MEMORY

In memory of BRENDA OELHAFEN, 4-10-70 to 10-23-85

So much is said about life --

Live it to the fullest.

Enjoy every moment.

It can be over in an instant.

All these things are so true about you, Brenda.

Now it is 25 years since that fateful, rainy night.

It is but a memory to many, yet to your family and friends, it seems so impossible that all that time has passed.

So many things have changed. So many people have changed. Only your passing remains the same.

Why, why, why is all we kept asking, but God knows the moment and reason and the outcome of all things.

We remember your time with

us and smile.

We remember your smile and know you shared it with so many.

We remember your voice, your hair, your touch, and we thank our Creator for allowing us to be your family.

We still feel the ache and void of losing you every day.

Love has taken on a new meaning for us.

Love of those who respect, support and honor your memory.

We have felt the presence of "our angel" so many times and for this we say, "Thank the Lord."

Keep her in your presence and may her goodness continue to inspire others.

The Oelhafen Family**CARD OF THANKS**

A special thank you to Miller's Funeral Home, Larry & Louise Martin for all their care and concern in helping our family during this difficult time in the loss of John "Jack" Zaleski, my husband and our father.

Thank you, Father Edwin Kornath, Celebrant, pianist, Lori Schoofs, and Jim and Mary Witman for providing the music, Kewaskum Floral, the Robert G. Romaine American Legion Post 384 Kewaskum, and Helen Lauters of Gateway Café and her staff for preparing and serving the food after the service.

We would also like to thank the staff at Froedtert & Medical College of Wisconsin, along with the staff at Froedtert Cancer Center and the Kathy Hospice staff. All of you are very special people who take care of others every day whether it be medically or just with kind words and encouragement.

Thanks to our families and friends and co-workers for their care and concern, to everyone for coming to the service and to anyone who showed their respect. The memorials given in Jack's memory will be allocated to KEYS, American Cancer Society, The Froedtert Foundation and Kathy Hospice in the Town of Polk. Your kindness is greatly appreciated and will never be forgotten.

*Perhaps you sent a lovely card,
Or sat quietly in a chair
Perhaps you sent a funeral
spray*

*If so we saw it there.
Perhaps you spoke the kindest
words,*

*As any friend could say;
Perhaps you were not there at
all,*

*Just thought of you that day,
Whatever you did to console our
hearts,*

*We thank you so much
whatever the part.*

Wisconsin into the exciting future.

Scott Walker is poised to take our government back, hand it to the everyday people who own it, and do all the good work we know he is capable of. The Democrat Machine in Milwaukee is against Scott Walker and so are the established liberals in Madison. And you've likely read the recent stories of how Big Public Employee Union Leaders are determined to defeat Scott as well. They feel threatened by Scott's campaign and with good reason. Scott Walker as Wisconsin's new Governor will use his line item veto to stop government growth and balance the budget and they will react angrily and organize their membership in a coordinated smear campaign against him.

In the short time remaining until election day Scott Walker is going to get blindsided by attacks the likes of which you couldn't even imagine. Scott's record is going to be slandered and smeared and there's only one way to fight back. By telling the truth, the whole truth and nothing but the truth.

Feel good about yourself, feel good about Wisconsin Vote Scott Walker November 2nd.

Fred Boehlke

To the Editor:

A lot of people are really angry.

President Obama, Nancy Pelosi, Russ Feingold and their liberal friends have pushed our great nation to the brink of bankruptcy with over-inflated and ineffectual big government initiatives like the stimulus bill and health care legislation. Liberal policies have embroiled Wisconsinites in high taxes and regulation, which not only costs us jobs but also hurts our small businesses.

The federal government is spending money that we the American people don't have. The liberals in congress are planning to spend an additional \$3.6 trillion in the next federal budget creating unsustainable debt which is a threat to our freedom and we

must stand together to stop it. With all the political mud slinging which fills the media who is a person to believe. Look at their record, what they did while they were in office. Russ Feingold voted spending that gave us unsustainable debt and lost jobs, did not vote the wishes of the people, voted away our freedoms, passed legislation behind closed doors. He did not represent the people of Wisconsin. He needs to be replaced.

The only way to stop this sprint to bigger government and less individual freedom is for us to work together now and on November 2nd. We must throw out career politicians like Russ Feingold and elect someone who has real-life experience of balancing budgets and creating jobs like Ron Johnson.

Vote Ron Johnson November 2nd

Arlene Boehlke

Dear Editor,

I wonder how many people realize how much corruption is in our government and elected officials?

Just look at all of the political campaign advertising. Where does all the money come from? There were two recent events that occurred, one in the Federal Supreme Court and one in our own State Supreme Court. The one in the Federal Supreme Court in January 2010, was a

ruling 5-4 with five conservative judges against four liberal judges.

The court ruled that corporations should be allowed to be treated as individuals and as such were allowed to spend unlimited dollars on political campaigns. This came about from a lawsuit from a conservative group called Citizens United concerning a case in 2008 where corporations paid for and ran a "Movie" against Hillary Clinton and the FEC blocked it.

So let me get this straight; a corporation that sets up shop in Communist China is patriotic and would have the general public's best interest in mind?! This is unconscionable!

As of recently, the U.S. Chamber of Commerce (a shell for corporations) is spending 10 million per week mostly for the G.O.P. Right now a lot of this money is coming from Foreign Multi-National Corporations! Those ads don't mention where the money comes from.

I'm sure the Republicans are saying, "Stop your whining." Just remember someday that money could go the other way! Ron Johnson right now doesn't mind it and won't demand they show where the money comes from! Hmmm!

One quick note regarding Barret, Walker. I have often thought many times over the

years one reason why Wisconsin lagged behind many states for economic growth is because of Fed money always going to other states. The Federal government right now wants to give the state 800 million for the so-called chocho named from corp. talk radio. If Wisconsin doesn't take the money, it will definitely

get spent elsewhere, probably Florida. Say what you want, but this would provide an economic boost for Wisconsin also creating jobs.

Seventh graders lone winners vs. Cardinals

By Judy Harlow

KEWASKUM- Only one Gridiron team, the seventh graders, emerged victorious in regular-season finales last Saturday against Thiensville-Mequon. Two of those three losses came by seven points or less, and the outcomes were determined in the fourth quarter.

"They're coming closer to playing a complete game, but they can't get over the turnover bug," Coach Randy Schlice said after his seventh graders (4-2) defeated the Cardinals 20-6. This was one of those times he was pleased with the outcome but saw some miscues that could have been costly.

Kewaskum scored on its opening drive, according to Schlice, who said, "The drive ate up half the quarter," with Josh Baker finding the end zone from 6 yards out. He also scored the other two TDs on runs of 2 and 55 yards in the third and fourth quarters, respectively. Ben Watzig kicked the PAT after the first score.

In the first half, the Indians fumbled on the Cardinal 1, and for the game, "We had three fumbles and one interception," Schlice said.

Defensively, cornerbacks Joe Sanborn and Cole Rahlf "played great," according to Schlice, who said, "They (Cards) did absolutely nothing up the middle on Ryan Tracy."

The sixth graders (3-3) led 6-0 most of the way but fell 13-6.

"We struggled a little bit on offense. Our quarterback was sick," Coach Joel Tietz said, still pointing out Michael Boettcher did a nice job filling in.

The lone Indian score came on a short run by Kyle Pamperin. "Jacob Heberer set it up with a 30-yard run," the coach said, noting it came in the first quarter.

"Tom Strom had a quarterback sack and put pressure on him a lot of other times," Tietz said, also reporting Brady Hanson had an interception.

The fifth graders (4-2), who had lost just once previously, also lost a heartbreaker, giving up the go-ahead score with 5:57 remaining. The TD came on a sweep and the extra point on a pass play.

Until then, it looked as if the youngest Indians would prevail 6-0. They took the lead on their second series on a 59-yard scamper by Cole Surprenant. QB Gabe Christensen added the PAT on a bootleg.

Kewaskum lost a 30-yard punt return to the T-M 36-yard line early in the third quarter when the visiting coaches questioned the number Danny Kreis was wearing, No. 66.

"He had an ineligible number," coach Mark Walcheske said, indicating the

team was penalized five yards and the Cardinals got to punt again, and this time it rolled out of bounds at the Kewaskum 8-yard line.

"It was a real good punt return wasted," the coach said.

Willie Walters and Jared Chesak recovered fumbles, and linebacker Faton Elmazi had several big hits.

The eighth graders lost 24-0, and referring to the highlights, coach "Jonesy" Korth said, "Nothing offensively, except one first down pass from Bille Lehmann to (Austin) Tackes" and defensively an interception by Matthew Hetebrueg.

"They had some pretty good-sized kids and ran their sweeps pretty well," Korth said, reporting the score was 24-0 at half, so both teams used second and third string players the rest of the way.

With the loss, the eighth graders wound up at 3-3.

Playoffs begin this Saturday and Kewaskum will be hosting first-round games.

Indians top Falcons

Sheboygan Falls running back Andy Ansay is held to no gain on second and one in second quarter, courtesy of Cody Seibel (bottom), Mike Schladweiler (34), Mack Donath and Brad Bottleman (65). Kewaskum won the game, 45-6, last Friday.

Aunt Jemima and Mrs. Butterworth weren't invited to Parents Night last Friday as they don't have offspring playing for Kewaskum's football team.

Someone should have told them to at least drop off some syrup. The Indians came out flatter than a pancake.

Fortunately, they were joined in the skillet by Sheboygan Falls, which is one reason Kewaskum wasn't as intense as usual and helped explain the 45-6 final score. The Falcons are struggling through a 1-7 season and didn't pose much of a threat to Kewaskum, even on a bad night.

The Indians tested just how bad they could play and still hold a 24-0 lead at half.

Coach Jason Piittmann provided his team with a detailed analysis of just how bad it was.

"I told the kids at halftime that might have been the worst half of football in my eight years as head coach," he said. "I was ticked off. I was upset."

With center Cole Roberts out with an illness, quarterback Cody Nuernberg and center Kyle Boehlen combined to mishandle five snaps in the first half but were able to recover four of them.

A Nuernberg fourth-and-goal pass from the eight fell incomplete on the Indians' first possession. They got on the board late in the first quarter on a 4-yard run by fullback Bo Seibel, completing a 40-yard, eight-play drive.

The Falcons held in the red zone again in the second quarter, forcing a successful field goal try from Hunter Flanders from the eight. The drive was set up on a snap over the Falcon punter's head.

The Falcons fumbled the ensuing kickoff and Kewaskum took over again, with Nuernberg eventually sneaking in from the one to make it 17-0.

Late in the half on second and 12 from their own 31, Nuernberg dropped back and looked for a target. On his second read, he launched a sky

ball to wideout Sam Olla, who didn't expect the pass. Olla had beaten his man, caught the ball and took it in for the score, his fourth touchdown catch of the season.

"I thought Nuerny either ran or got sacked, I really couldn't see him," Olla said, also admitting defensive coordinator Tim Rohlinger yelled for him to keep running after Rohlinger happily interrupted his interview to remind him of such.

"I looked left right away and seen that there's nothing really, and then I dropped back a little bit further and I just seen Sam running so I just launched it up. I figured he'd be behind it," Nuernberg said.

The defense, in the meantime, was giving up a few yards but never allowed Falls to seriously threaten.

Save for the bad snap, fumble and the bomb, the game is 7-0 at half. It was as un-dominating 24-0 lead as there could be.

"We knew we were the better team out there and we kind of just played down to the level of the opponent in the first half. It's something that shouldn't be a factor because we shouldn't have it in our heads," Nuernberg said. "Everybody really wanted to come out playing hard and show that we were a better team than we were last week. I think everybody just got a little overhyped."

Nuernberg said Piittmann's deep thoughts at halftime helped kick the team into gear.

"The points definitely didn't show how we played. Coach always seems to get a way to get us going at halftime and we came out and we did what we do best," he said.

The Indians' breakfast food performance came after their only loss of the season, a 14-6 heartbreaker at conference rival Plymouth. How they prepared for Falls may help explain the lack of fire.

"Some guys were probably down and some guys were feeling, like, wanting to get revenge and play strong," Seibel said. "We kinda had a loose week of practice. We didn't, like, want to beat anybody down after

a loss."

"Falls is struggling. It's just no secret. Coach (Mike) Nikson's a great guy but they just don't have the horses right now. You couldn't blow smoke at the kids and say hey, you know this is a team that's really dangerous," Piittmann said.

Star running back Eric Perkins ran for 117 yards and one touchdown on 16 carries, but didn't break his usual 50-yard dazzler. Perkins' longest run was 25 yards though he had a few runs of 14 or more.

"They were flying to Eric just like other teams have been, too, and that's what opened up Bo on his running game tonight, too. Bo looked fast again tonight," Piittmann said.

Seibel ran 11 times for 79 yards and two scores, continuing to come on as of late.

Perkins may be a victim of his own success. After using the two West Bend teams as his personal video game in rushing for 429 yards and six touchdowns in the first two weeks of the season, the junior tailback, who runs a 4.4-second 40-yard dash, acquired a blinking neon sign that says "Tackle me."

The third quarter looked more like Kewaskum football.

Seibel got his second, 4-yard score on the first possession, topping off a 76-yard drive, and Kewaskum's defense knocked out Falls quarterback Zach Van Engen on the ensuing possession. Van Engen laid on the ground for a few minutes before emergency medical technicians brought out a stretcher. He ended up walking off under his own power.

Linebacker Brandon Chapman welcomed backup Jason Fenner to the Doc Mitchell Athletic Complex with a sack on his first play.

Perkins later scored from five yards out, capping a seven-play, 58-yard drive, and it was 38-0.

Piittmann emptied his bench and backup defenders allowed one touchdown late in the game, but Andy Schreier wasn't going to let that be the final tally. The senior split end picked up the kickoff at the 15,

hit his stride down an open right sideline, only needing to make one move on a Falcon, and outraced everyone else to the end zone.

It was the Indians' first kickoff return touchdown of the season. Schreier had been close to breaking one all year.

"He saw that crease, he hit it and he exploded," Piittmann said.

The Indians ended up more than doubling up the Falcons in total yards, 324 to 148.

Kewaskum, 5-1 in the EWC and 7-1 overall, finishes the regular season on Thursday - a day earlier than usual since the playoffs start on Tuesday - at New Holstein (4-2 EWC, 6-2), which is coming off of a 32-13 win at Kiel. Last year, the Indians beat New Holstein, 27-8, at home.

A home game in the playoffs is on the line for Kewaskum. Nuernberg said he and co-captain Seibel will take control.

"We're definitely going to make practices tougher. Everybody's got to get more reps and everything's just got to have more intensity to it, everything's faster and quicker," Nuernberg said.

"Now we need to tighten things back up," Seibel said.

Blue Dukes end Lady Indians' season

Sam Smallish bumps the ball while Kayla Bastian and Courtney Krueger look on.

By Mitch Maersch

mitch@kewaskumstatesman.com

Kewaskum's volleyball team couldn't get over the game five hump all year long and it again came back to haunt the Indians in the playoffs.

No. 4-seeded Kewaskum lost to No. 5 Whitefish Bay at home on Tuesday in an opening-round regional match, 18-25, 25-18, 16-25, 25-19, 12-15.

Sophomore middle hitter Anna Aycock put down 15 kills and two blocks, and junior outside hitter Kayla Bastian had 14 kills, sometimes on powerful smashes and other times wisely using tips to loft over blockers. Senior George Abfall had six kills.

Heidi Johnson set up 23 assists. Libero Sam Smallish had 23 digs and Courtney Krueger had 19.

The Blue Dukes' Frankie Carroll made at least five kills in the final game, including Whitefish Bay's last three points.

Whitefish Bay took a 5-2 lead in game five before the Indians came back to tie it at 6-6. Ties ensued at 7-7, 8-8 and 10-10 before Bay began to pull away. At 13-10, Kewaskum called its second timeout.

The Blue Dukes hit one ball out to make it 13-11, but 6-foot-2 Carroll, Bay's best and most consistent player, made it 14-11 with another big kill.

Aycock slapped a kill to make it 14-12 before Carroll finished off the Indians.

"We knew it was going to her. I'm pretty sure everyone knew it was going to her. Just couldn't stop her," said Kewaskum Coach Joe Moser.

"Whatever we need she goes out and does it. She's our

go-to," said Whitefish Bay coach Beth Stecklein.

Game five featured a few elements not leaning the Indians' way. For starters, the Blue Dukes played better.

"We made plays that we didn't make in the two games we lost. Balls scrambling, things off the net. If we didn't make those, we wouldn't have won the game so I think that was the difference-maker for us," Stecklein said.

But the game may have been won well before it started. Every game won Tuesday night was on the eastern side of the court, where Whitefish Bay was for game five. Stecklein said she made sure she had her player choose that side if they got to pick.

"Karma, if nothing else, I guess," she said.

For the Indians, it was their fifth game five of the season.

They were 0-4 coming in.

"I think having lost four game fives this season it just kind of sticks in your mind that good things aren't going to happen. So I think we came out a little nervous. People didn't want to be the kid to mess up in the short game," Moser said. "We just didn't swing, we weren't attacking the ball. The sets are a little bit off because the setter's nervous. We're rolling it, we're setting it over and it's hard to win games like that. You're just giving No. 3 (Carroll) another chance to rip one."

It was another close call that didn't tip the Indians' way.

"It's competitive. It's close. We're not a bad team. We just couldn't finish game five," Moser said. "Maybe we need more running and conditioning in practice."

In Kewaskum's losses, their old bugaboos hurt them again.

"The couple games we lost, number one and number three, we just shot ourselves in the foot. We had hitting errors, we served it out of bounds we hit it out of bounds," Moser said. "When we cleaned it up in the other two games we came out ahead. It goes to show you if you keep it in play you can win some volleyball games."

Whitefish Bay, 11-18 overall and 1-7 in the North Shore Conference, faces No. 1 seed Kettle Moraine Lutheran on Friday night. The Chargers on Tuesday beat No. 8 Brown Deer, 25-16, 25-14, 25-17.

The Indians finished the season 14-20 overall, 5-9 and in sixth place in the eight-team Eastern Wisconsin Conference. They didn't win one home match but played the top four teams in the EWC at home. Next year, they get the other four teams.

At least the Indians finished the season with some style.

"If you're gonna lose, you might as well lose in five, right?" Moser said. "At least make it exciting. Can't say we didn't play well if we got to five and it was

15-12."

In the mini-Eastern Wisconsin Conference tournament at Waupun on Saturday, the Indians went 2-2. The Indians lost to conference champ Waupun, 19-25, 16-25, 13-25; and to Plymouth in the exact same fashion they lost to the Panthers at home earlier in the season - by winning the first two games and dropping the next three - 25-22, 25-21, 12-25, 23-25, 8-15.

The Indians beat Two Rivers for the second time, 25-20, 25-23, 25-19; and avenged a five-game loss at Campbellsport early in the season by beating the Cougars, 14-25, 25-6, 25-20, 25-18.

On the day, Bastian had 47 kills, Aycock 35, Abfall 16 and Hope Hansen seven. Molly Potter had 58 assists and Johnson 36. Bastian made 42 digs, Krueger 25, Kelsey Phillips 23, Smallish 19, Potter 14 and Brittany Wagner and Raquel Bode nine each. Aycock served eight aces.

With a young team, the Indians' future looks bright.

"A lot of kids played this year so I'm really excited for next year. I'm happy the girls played tough in their last match. I feel good about it. It's better than getting blown out in three games and going home feeling really crappy. At least we can go home with a sense we played all right," Moser said. "Next year we'll have kids who have played a lot - not like last year where you had those stud seniors who played all the time. I'm excited for next year we'll have those kids that will have game experience coming back."

Work on next year starts now.

"We've got to get some open gyms set up. We've got a couple kids going to play club. Hopefully I can talk a few more kids into playing club," Moser said. "It's just touching that volleyball all year round that makes you a better player."

Soccer team gets a regional win and loss

By Andrew Kuehl

The Kewaskum Indians Soccer team got a win in their first round of regional action but fell to conference powerhouse Plymouth in round two last week.

On Saturday, October 9, the Indians hosted the Hornets from Wautoma. Coach Luke Piwoni boasted the game as their "best game of the season" the Indians scored just one goal against the Hornets but that was enough.

"We stayed on the attack for the entire 80 minutes. It was great to get a win. The defense played extremely well anchored by Calvin Ranker and Kyle Phillips," Piwoni reported.

Dillon Thelen provided an offensive spark and scored the lone goal of the game. He then went and played goalie the second half to preserve the lead. Both he and Nick Wendelborn combined for their second shut out in as many games.

This was Kewaskum's first win of the season and moved them to play Plymouth the following Tuesday.

The Indians knew they were up against some stiff competition playing the no. 1 team in their conference but the team played with intensity to end in the 8-0 sweep.

"Plymouth came in as the no. 1 seed for a reason. We knew what we were up against and we just wanted to hang with them as long as they could. I thought we played pretty well the first twenty minutes of the game. After that they began to find the net more frequently," Piwoni explained of the game.

Plymouth's Brad Mallmann found the net within two minutes of the game's start. The scoring continued until the halftime scoreboard read 4-0. Plymouth had 15 shots on goal to Kewaskum's zero.

The second half saw more repeat scoring from the Panthers

but during this half Kewaskum made more of an offensive push but was answered by the Panther defense. Plymouth ended with 25 shots on goal, Kewaskum was not able to put any on the board at the end of the game.

"I was proud of the way the guys responded. We went out and played them better than the previous two match ups," Piwoni explained.

Voting has not yet taken place on the all conference honors. The Statesman will provide those results in the future.

"The guys never gave up and kept working hard all season. We made excellent progress in the second half of the season and this game made our season. We finished up two solid weeks of soccer by finally breaking through in the win column," Piwoni said summarizing the season.
