Sam Ciriacks earns the win against Berlin pitching four innings, allowing one hit and three walks, while striking out six.

## Campbellsport Baseball Continues Their Winning Ways with Four Wins

**BEN PRIESGEN**  
JOURNALIST

On May 8, Campbellsport baseball beat Mayville 4-2 at home after the game was rescheduled due to rain on May 7.

Mayville (8-12, 3-9) scored two runs in the first inning to take a 2-0 lead over Campbellsport.

Brody Nolan got the Cougars on the board with a RBI base hit to tie up the game in the third inning.

Campbellsport (14-6, 8-4) got the biggest hit when Tyler Sachen hit a three-run home run to put the Cougars ahead 4-2 over the Cardinals.

"Tyler provided a huge boost with his home run blast to left center," said Head Coach Jim Krug.

Riley Kohlmann finished off the 4-2 victory on the mound with a complete game performance with six strikeouts.

"Riley cruised to a complete game victory win after getting the 4-2 lead from his teammates," said Krug.

**At Mayville**

On May 9, Campbellsport baseball beat May-

ville 5-4 on the road in the conference matchup.

Campbellsport got a RBI double from Tyler Sachen in the second inning and RBI single from Sachen in the fourth inning to give the Cougars 2-0 lead.

The Cougars added a run in the fifth for 3-0 lead before the Cardinals responded with two runs to make the score 3-2.

Campbellsport tacked on two more runs in the sixth inning for 5-2 lead over Mayville.

The Cougars were able to hold off the rival Cardinals the rest of the way for a 5-4 victory.

"Two great high school games against Mayville with credit to both teams with great pitching, good defense, and just enough offense," said Head Coach Jim Krug. "We have played so many games this year, and I think it gave our guys the edge against Mayville."

**Campbellsport Triangular**

On May 11, Campbellsport baseball beat Grafton 4-2 in game one of the day.

Campbellsport (14-6, 8-4) got a Tyler Sachen RBI in the first inning to give them a 1-0 lead over

## Kewaskum Battles for a Win on the Road

**KHS BASEBALL**

Tuesday, May 7

In a battle of the Indians, Kewaskum (10-11, 5-4) came up victorious over Berlin (3-9, 3-8), 7-6. Kewaskum utilized a seventh inning rally after being down 2-6 to score five and be victorious.

After the first three batters reached via walk or hit by pitch, the Berlin pitcher settled in and got Kewaskum's next two batters out.

Down to their last out, Austin Reichel got hit by a pitch to score one, Andrew Reichert beat out an infield single to score one, and Karter Fell delivered a single to right field to score two and tie the game. Reichert later stole third and scored the go-ahead run on a wild pitch before Sam Ciriacks lined out to center.

Tyler Stray got the call from the bullpen and went 1-2-3 getting a strikeout and a pair of ground outs to finish the game.

Offensively, the Indians were led by Austin Loehr and Everett Donath (RBI) who doubled along with Reichert's two laser singles (2RBI), and Fell's clutch single (2RBI).

Ah, here we are again, another school year ended. Another group; the class of 2024 has reached the culmination of what might've seemed a lengthy, drawn out process, eight years of elementary, followed by a further four in secondary. Or has it? Betcha the future graduates never realized at the start, how swiftly time passes. Maybe not even as these days dwindle.

Then, conversely, perhaps today's generation has taken notice more than a suddenly old fella. Advice from the seniors in the Athlete Spotlight feature of the *Campbellsport News* have routinely reminded incoming freshmen what Robin Williams so succinctly stated in Dead Poet's Society. Carpe diem. Seize the day. There won't be any other.

Back two score and eight ago, a guy at the end of his formal education didn't have a clue. Or maybe he did. Leastwise, began to get an inkling.

As the waning period ran out, he heard strains drift from the band room. Don't need fancy, high fallutin learning to recognize Pomp and Circumstance. He'd attended older siblings' ceremonies. Though it's a world of difference when you're to be the central focus.

That was the slowly dawning reality. Probably didn't hit him until they got down to the nitty gritty details – choosing a class song, motto, et al., in the Lang Auditorium. He didn't think the choice, Diana Ross' Mahogany was the right one. "Till the words sank in, "Do you know where you're going to?" Not so bad on second thought. Each wonders.

Still, the whole deal had an unreal feel about it. Most of the details long since forgotten. Except for walking across the stage and being handed a diploma. Does the experience appear similar today – exciting and yet scary?

Kudos to the Class of 2024 on reaching a milestone, your childhood over, a new beginning. Hold onto this moment. Now is your chance to shine. Too soon it passes.

**Thrifty Travel Tips**

**MARY KRIEGER**  
CONTRIBUTOR

Summer vacation time is rapidly approaching, and many are thinking about where to go to get away from it all. Unfortunately, travel can be expensive, but if you want to save some money and be a thrifty traveler, this column is for you!

My first tip is, if at all possible, don't travel between the second week in June through the third week in August. Why? Because everyone with children is trying to vacation during those times. If you can, schedule your vacation for as soon as the kids get out of school or the very last week before school starts, and you'll find less expensive flights and hotels. Those without kids in school can save even more by traveling off season. For example, a trip to Yellowstone National Park in either May or September will be less expensive and less crowded than during the summer. However, when traveling during the off season, some services might not be available and you need to keep an eye on the weather.

If you are flying on vacation, the least expensive days to fly are usually Tuesdays, Thursdays and Saturdays, so if you can arrange your travel time around those dates, you'll save some money. According to travel industry experts, the best time to book a flight is 21-112 days before departure. If you have a good credit rating, applying for a credit card that gives you travel miles can be an easy way to score an inexpensive va-

cation. Delta airlines offers a credit card with bonus points ranging from 40,000-70,000 points, which is the equivalent of \$400-\$700, after charging \$2,000 on the card. This card has no fee for the first year and then an annual fee of \$150. Each spring, Southwest airlines offers an even better deal for frequent travelers. A new card holder, after spending \$4,000, can earn a companion pass, which means for an entire year, you can bring along a designated companion for free. There is an annual fee of \$65.00.

Pack lightly and save on luggage fees. Most airlines charge extra for checked luggage and some even charge for carry-ons. These costs can quickly add up, so when comparing total airfare prices, take that into account. Southwest allows two free checked bags, one carry-on and one personal bag per person. Spirit and Frontier charge around \$40 for a carry-on and between \$55-\$99 for checked baggage, depending on the route.

When selecting a flight, consider more than just the cost of the seat. Comfort is important, especially if it is a longer flight. Budget airlines like Spirit have notoriously uncomfortable seats and only 28 inches of leg room in comparison to Southwest, Delta and American who have more comfortable padding and 31-32 inches of leg room. Also, pay attention to layover times. Unless your idea of fun is running through an airport, drag-

**A Glimpse Into Tragedy**

Dear Reader,

Those of you who read this column regularly may have noticed my enduring interest in poetry. Today I would like to share a poem that few have seen. It was written by William McHale, my grandfather, and appeared many years ago in the *Chilton Times-Journal*, which he published in the 30s and 40s.

The poem is heartfelt and sad, dealing with the death of his son in early childhood. This brings to mind the oft repeated maxim that parents should never have to bury their children. Over the years the poem has meant a great deal to everyone in our family, helping my siblings and cousins to remember the uncle that we lost without ever knowing him.

**Had I But Known**

*Had I but known he did not come to stay,  
That he was just a transient little guest  
By heaven sent and thither shortly bound  
How avidly his smallest small request  
I should have heard, and its appeasement found.*

*If I had known he entered at my gate  
Only to pause on his far homeward flight –  
Sweet soul ordained to bear no taint of earth –  
How I had schemed to make the hours more bright  
And shield his dimpled hands from every hurt.*

*But I knew not. There are tomorrows yet,  
I thought, to mend the playthings wrecked today.  
Then, lo, a muffling silence stilled the noise  
Of clamorous mirth, for he had gone his way  
And left my heart like his poor broken toys.*

**| OBITUARIES |**

**Gary David Bath**

Gary David Bath, a cherished member of the Kewaskum community, passed away peacefully on April 20, 2024, at the age of 55.

Born on April 7, 1969, and raised on the historic "Bath" family homestead, Gary graduated from Kewaskum High School and remained deeply connected with his high school friends throughout

his life.

Gary dedicated himself to the family business, working alongside his father, Clarence, and later took the reins after Clarence retired. He was not only a devoted son but also a loving brother, uncle, and friend. Gary played a significant role in the lives of his nieces and nephews, always offering guidance and support.

An active member of the community, Gary's passion for music, family, and friends was evident to all who knew him. He found joy in attending concerts, particularly those of the Grateful Dead, working with his hands, searching for treasures, cheering on races, and sharing laughter with his friends.

Gary appreciated the simple pleasures in life, often unwinding with a brat and cold beer, at the end of the day. His warm heart, generous spirit, and infectious laughter will be deeply missed by all who had the privilege of knowing him.

Those Gary leaves behind to cherish his memory include two sisters, Jean and Joan Bath; four brothers, David Bath, Ronald Bath, Daniel Bath, and Allen J. (Debra) Bath; nieces and nephews, Gary Ronald (Anita) Bath, Jennifer (Kevin) Breikreutz, Mary Jo Bath, Mathew Bath, Michelle Bath, Mark Bath, Jessica Bath, Nicole Utecht, Tiffany Bath, Lucille Crites, Jean Crites, Savannah Crites, Marvin Crites, Keesha Hersh, Alicia Balboa, and Lissette Balboa; 19 great-nieces and nephews; friends, Dayle Ponath, Ken Weiss, Wendy Ulrich, John Tischendorf, Ben O'Leary, Kevin Egelseer, Mike Murre, Mike (Kate) Limberg, Ron Dorzok, Mark Glamann, Allen L. & Twyla Bath, Heath Wiskerchen, Brian & Patty Homojen, Jesse & Lana Alexandra, and Stanley (Bud) Menzynski.

Gary was preceded in death by his father, Clarence Bath; his mother, Lucille Bath; a sister, Diane Bath; and two great-nieces, Lucinda Bath and Iris Balboa.

A Celebration of Life for Gary will be held at River Hill Park in Kewaskum on May 18, 2024, beginning at Noon.

The family would like to thank Froedtert West Bend (ICU) and Froedtert Wauwatosa (MICU).

**Janine Renee Anderson O'Brien**

Janine Renee Anderson O'Brien, age 57, passed away peacefully and unexpectedly at her home on May 7, 2024. She was born December 21, 1966, in West Bend.

She worked many years in retail, and graduated from Campbellsport High School. She enjoyed watching The Green Packers with Dave and their two cats. She enjoyed spending time outside with her friends and neighbors.

She is survived by her son, Colton O'Brien of Fond du Lac; mother, Beverly Murphy of Cascade; and brother, Glenn Anderson of Sheboygan.

She is preceded in death by her father, Gene Anderson; and her best friend and partner of many years, Dave Keys.

*The Family would like to thank Dave's daughter, Michelle Benzel, and all the staff at Comfort Keepers and Heartland Hospice for all their compassionate support in her final months. Per her wishes, no services will be held. A Celebration of Life will take place at a later date. Cremation has taken place.*

Twohig Funeral Home has been entrusted with Janine's arrangements. Additional information and guest book can be found at [www.twohigfunerals.com](http://www.twohigfunerals.com).

**Ms. Braun**

**KARL MCCARTY  
CONTRIBUTOR**

While researching the one room school houses, there were many teachers who came in to perspective. One was May Braun, whose story sheds some light on the options for young women in the 1920s. It also filled in gaps with the history of Fond du Lac Normal School, and provided context for salary of our rural teachers.

**The Braun-Koenig Farm**

May descended from John and Annie Lynch Braun. The Lynch family lived over by K but in the town of Eden. They were Irish. Today they would be north of Hundertmarks, but south of the Murphy farm. The old Lynch farm had a long driveway, way back running east/west.

Mary "May" Braun was born March 27, 1905 in the Town of Eden. She grew up on the farm between Eagle Road and County W, but on the south side of F. May Braun graduated from high school in the spring of 1923, then went to Normal School for a one year education in the 1923-1924 school year. May's daughter Elaine documented that the County Rural Normal School was held at a room in the Fond du Lac County Courthouse. The certification took only a year in those days. Understand obituaries typically call this post high school education the Normal School, but May's family typically referenced it as a "rural normal school," as the education provided really was for those one room school districts out in the countryside.

May married Joseph Koenig at St. Mary's Catholic Church in Eden on Sept. 15, 1931, and they had two children, Elaine and Mark. Mark married Anne Koenig, the source for this story. Joseph and May farmed until their retirement in 1960. Anne married Mark in October of 1957, and lived in a mobile home on the farm with Joseph and May. "But that didn't last very long." However, all of 1958 to 1960 was in the farmhouse with Mark's parents until they moved to Fond du Lac.

"In March of 1960, we had two little girls, and when I announced I was pregnant again," Anne laughed, "They were gone. They found a home in town — quite quickly." It wasn't that Anne had to ask the in-laws? "Nooooo," she continued to laugh, clearly pointing out that May was ready to leave the farmstead for a quieter house. "I mean, I just remember coming in, and saying, 'You know? I think I'm pregnant.' — And unbeknownst to me, they found this place in Fond du Lac."

Dan McCarty's (1893-1964) daughter Geraldine (1917-2010) married Irving Gauthier (1920-2006), who worked as a Fond du Lac County cop. They had a home for sale on 13th S treet in Fond du Lac and because it was right across the street from Elizabeth Waters School, it couldn't have worked any better. It was just a very unique chain of events, where Geraldine's dad lived close to the

old Lynch farm in Eden, so the timing and place of the house deal couldn't have been more perfect.

**Describing May**

Anne said, "May wasn't as big a lady as Magdeline Braun, but she was very big on love." Magdeline is the powerful matriarch on the Braun side who settled the family in Eden in the 1850s. She had a very big frame, and was known for her strenuous work establishing the Braun homestead. Anne said, "One way to describe May was love — to her husband, her children, me and her grandchildren. She went so far above and beyond what it would have called for." May filled more than obligatory roles as a matriarch in the family.

Then when May and Joseph moved away to Fond du Lac, she was a babysitter for all the neighbors who would call upon May for help. May babysat for at least a decade, and continued to watch children. They lived right across from Elizabeth Waters School and got to see the kids coming and going to school.

When asked for other examples to describe May, Anne said, "She really loved Christmas." She was also a great cook. And as an in-law, Anne was fortunate to take her family to May and Joe's house in Fond du Lac, where May cooked a huge spread on a Sunday. "They would make this big dinner for us — I mean, that's eight people, when we had our six kids." May loved to cook, and she really loved her brothers and sisters. "I think that was a little Irishy," Anne said, bringing it back to the Lynch's from who May descended from. Another example of May's focus on the family was Annie Braun at the end of her life, when she chose to stay with May. "They were like two peas in a pod — Annie and May." Before she married, Anne got to meet Annie Lynch Braun, who May welcomed in to take care of her aging mother.

**John Braun and Education**

John Braun was May's father, who married Annie Lynch and farmed on the land Anne Koenig is on today. John and Annie had six children — Oscar, Francis, May (Koenig, of this piece), Gert (McCarty), Loretta (Sterr) and Jerome. May's daughter Elaine's book shed some context on education within the family. It was a struggle to find where exactly Fond du Lac Normal School was,

and Elaine Koenig's work was the first source I found that indicated the school was actually in the courthouse. Elaine's book *Family Stories* also elaborated on her mother's career options in the 1920s. "May felt at the time that the only choices (fields) open to her were nursing and teaching. She thought she couldn't be a nurse, so teaching was the best choice for her," (p.63). John Braun helped his boys by getting them started in farming, so he thought he would give his girls some independence through education. Elaine said May thought her mom probably favored May getting an education, "but it would have been Pa's decision." Still, Fond du Lac Normal School serves a significant role in elevating women in the 1920s.

Third, May's father allowed the Normal School to last longer in Fond du Lac County. Elaine wrote that in 1926, after May was finished with her Normal School, John had a role in an important education decision for the county. John chaired the Town of Eden board, but in that year was in the midst of a two-year term on the County Board. The issue at the time was whether to add an addition on the courthouse to house the Normal School. "John favored the addition because he wanted the area girls to be able to obtain teacher training without having to go outside the community. Some of the other men [on the board] felt the girls could go to Oshkosh or Milwaukee for teacher training. When the vote was taken the President of the County Board, Dr. Hardgrove who was a good friend of John's, began calling the names alphabetically.....John Braun cast the first 'aye vote, and then other men began voting 'aye.'" (p.64). However, John only served two years because he had a lot of work to do with farming and he did not like driving at night—"But during his time on the County Board, John Braun had cast an important vote for education," (p. 64).

Without this vote, it would have been interesting what the 1930s options for local teaching pros-

pects would have been. For example, Leo Murphy attended Fond du Lac Normal School after this Braun vote. Had it not been for John Braun, someone like Mr. Murphy might have had to attend someplace like Oshkosh.

**A Comparable Price**

It is hard sometimes to compare different eras to validate if in fact someone was over or underpaid. However, there is one story that is helpful when judging the compensation of Leo Murphy as a one room school house teacher. When Mr. Murphy's story was shared, it was quite evident to Carol Murphy that Leo loved to teach, but could not make a living to which he could raise a family on.

Luckily, Elaine Koenig wrote about one room school house teachers in her 1992 book, *Family Stories*.

This included a story of Elaine's mother Mary "May" Braun Koenig. "One year when May went to the Teacher's Convention in Milwaukee she saw a raccoon coat in the store window. Probably Eileen [Elaine likely meant Eileen Meade, who was the teacher mentioned on the same page] was with her. She thought it was a nice coat and went in and tried it on. She liked the coat and even though it cost \$300, May bought it. She enjoyed wearing the coat and was happy when Frank Smith told her, "That's the cutest fur coat I ever saw." Elaine concluded, "In later years she thought perhaps she shouldn't have spent so much on the coat as she was making just \$100 a month at the time," (p.65).

May Braun started teaching in the fall of 1924 at Homiston School west of Fond du Lac, at age 19. According to Ruth Shaw Worthing's book, *The History of Fond du Lac County AS TOLD BY ITS PLACE-NAMES*, (p.113), Homiston was in Section 29, basically between the City of Fond du Lac and village of Oakfield, but closer to Fond du Lac. May's raccoon coat story is likely in the mid-to late-1920s, and before the 1929 economic crash.

More importantly, her story provides a price point. The CPI Calculator from the Department of Labor and Statistic argues \$100 in 1924 is similar value to about \$1,800 in 2023. If we assume a

May Braun Koenig had a smaller stature but a big heart. Her obituary noted, "Her love of children and teaching was evident from her many years of babysitting and devotion to her children and grandchildren."

teacher made \$1,200 a year in 1924, it would be the around \$21,000 annually in modern day, which is substantially lower than the new starting pay of Wisconsin public school teachers. In that math, one can see why Leo Murphy couldn't raise a family off a teacher's salary.

Besides adjusting for the price, a second question is whether teachers were paid 12 months out of the year. Most one-room school houses were done by the month of May, and prepping was necessary starting sometime in August. However, with teachers switching districts in the 1920s and 1930s, it seems likely that teachers were paid during the year, and not pro-rated throughout the calendar year.

Another question was the status of the coat? Anne Koenig married May's son Mark. Did she ever find May's coat? She laughed, "I never did. I heard about it. And I just wonder where it ever was." Thankfully Anne has preserved the picture illustrating how proud May was to have it at the time.

# Election Integrity Resolution Passes

## County Clerk Outlined \$150,000 Election Integrity Plan

Josh Schoemann, Washington County executive, praised the County Board's approval of an Election Integrity resolution to be implemented ahead of the November 2024 General Election.

Schoemann said, "I commend [Washington] County Clerk Ashley Reichert for bringing these bold and innovative initiatives forward and thank the County Board for unanimously supporting this Election Integrity package. Residents of Washington County expect elections to be run fairly and these initiatives address concerns that have emerged in recent elections. Our goal is to bolster public confidence in the process. I'm proud that we are the first county to fund additional election integrity measures for November's crucial election. I look forward to local municipalities cooperating to effectuate these initiatives and encourage other counties to follow suit."

Reichert said, "These measures can significantly reinforce the electoral process's integrity and assist in enhancing public confidence in

our democratic system." She outlined the elections initiatives to provide \$150,000 in county funding to local municipalities, noting that compensating the municipalities at 150% of actual costs will offset funds needed for additional poll workers, election inspectors, and additional hours for the clerks:

- Provide enhanced in-person absentee hours on a voluntary basis, that will allow our communities to provide extended voting hours currently only available to larger cities.
- Election audits on the night of the election (voluntary municipal participation).
- County-wide election audit.
- Discontinue Central Count through buying back machines previously bought by some municipalities and return to the standard precinct-based process, upon municipal approval. This will allow for the count of absentee ballots at polling locations rather than transfer to another location.
- Replace cloth voting machine cases with hard cases to better protect the expensive equipment.

# Memorial Day Program in Fillmore

## MARCIA THEUSCH

The annual Memorial Day program will begin at 12:30 p.m. on Memorial Day, May 27, 2024, at the Fillmore Turner Hall. The public is invited. Refreshments will be available at 11:30 a.m.

The program will include the Presentation of the Colors by the West Bend VFW Post 1393. Our guest speaker is a "Gold Star" family that will share their story. Families who lose a loved one while serving our country are recognized as Gold Star Families. The program will close with the traditional fresh flower wreath procession to the cem-

etery with the gun salute and taps followed by the attendees' placing flowers from the wreath on the veteran graves in the cemetery.

The Memorial Day Program takes place indoors at the historic Fillmore Turner Hall at 523 County Highway H. Handicap access and parking is available.

The program is sponsored by the Farmington Historical Society. Our thanks to The Fillmore Turner Hall, VFW Post 1393, St. Martin's parish for the refreshments, the Kewaskum High School Band, and a very special thank you to our special guest family.

# Retiring in the New Normal – Navigating the Uncertainty Ahead

There was once a time when pensions reigned supreme, offering the greatest sense of reliability for a retirement savings vehicle. Fast forward to the current time, and the comfort and security they once offered has since been shattered – 401(K) plans are now advertised as a more modern solution to the retirement planning predicament, however, with individuals now shouldering the burden of investment decisions and risks, many find themselves navigating uncharted waters. The documentary "The Baby Boomer Dilemma," shines a light on the evolving landscape of retirement, revealing the challenges and opportunities that lie ahead for those approaching or in retirement.

Though you may be thinking it's impossible to plan for retirement, there's still a silver lining. The documentary discusses alternative options for working towards income in retirement. With insights from financial analysts and Nobel Prize

winners, the documentary paints a compelling picture of the possibilities that lie ahead for those willing to take charge of their financial destinies.

This is where The Silbernagel Group comes into play. While the economy and financial industry continue to rebuild, bend, and occasionally break, their team of financial professionals stands firm, committed to continuous education and unwavering support for our clients. That's why we're hosting a movie night, at no charge to you, on this very topic. Come see "The Baby Boomer Dilemma" on May 30, at the West Bend Theater at 6 p.m. to get insights on what strategies may help properly prepare for your future. Let's help build your retirement, together.

Call our office at 262-626-8892 or register straight away on our website at [sgadvisor.net/event/movie-viewing](http://sgadvisor.net/event/movie-viewing). Popcorn, drink, and candy are also complimentary.

# Caregiver Coalition Offers Confident Caregiver Conference

The Washington County Caregiver Coalition is offering an event designed to provide Family Caregivers with the knowledge they need to provide safe, smart in-home care for loved ones. Most caregivers never planned to be caregivers, whether for a spouse, a parent, a sibling or a friend. As a result, most caregivers are not trained for many of the tasks that are necessary to provide care safely and confidently.

This day of training for family caregivers will be held on Wednesday, May 29, from 10 a.m. – 2:30 p.m., at Moraine Park Technical College, L-1 Entrance, 2151 North Main St., West Bend. Lunch will be provided. Registration fee is \$5. Please make check payable to Washington Coun-

ty Treasurer. Mail check with your name, address, and phone number to WCCC, c/o ADRC of Washington County, 333 E Washington St, Suite 1000, West Bend WI 53095.

Participants will attend three education sessions including – Don't Let a Fall Bring You Down, Empowering Families, and "Am I Doing Enough?" There will also be a vendor fair so caregivers can learn about different services available in Washington County.

Pre-registration is required. Registration is due by May 22. More information is available by calling Tammy Dickman at the Aging & Disability Resource Center of Washington County 262-335-4497.

# National EMS Week May 19-25

**May 19-25 is National EMS Week.**

Please take a moment to say

# THANK YOU

to your Local EMS Workers for their dependable and invaluable service to our community.

### The Roles EMS Workers Play in your Community

Every community has its unsung heroes. Without the contributions of selfless individuals whose efforts often go unnoticed, thriving communities would not be as safe, welcoming or successful.

EMS workers are among the most important individuals in a community. The contributions of these individuals, many of whom work as unpaid volunteers, are invaluable and worthy of recognition. Making an effort to understand the role EMS workers play is a great first step toward showing them how much they're appreciated.

What is EMS?

The National Highway Traffic Safety Administration's Office of EMS notes that Emergency Medical Services, or EMS, is a system that provides emergency medical care. The Office of EMS also notes that EMS does not exist in isolation, as it is integrated with other services and systems with the goal of maintaining and enhancing the health and safety of a community and its residents. This is why EMS services, though they vary from community to community, may be based in fire departments, hospitals, independent government agencies, or nonprofit corporations.

What duties do EMS workers perform?

Because EMS is a system, EMS workers wear a range of hats. The Office of EMS notes that the responsibilities and services EMS workers

provide may include:

- Incident recognition
- Access 911
- Dispatch
- First responder
- Basic life support
- Advanced life support
- Air/ground transport
- Emergency department services
- Specialty care
- Patient rehabilitation
- Prevention and awareness
- Public education

When do EMS personnel interact with their communities?

Many people only encounter EMS workers during medical emergencies when they are most in need of help. That underscores the vital role EMS workers play in public health and safety and just how integral they are in instances that could escalate into life-or-death situations.

Recognition of the roles EMS workers play is a great way to show support for these often unsung community heroes.

Olivia Burich and Abby Ruplinger have earned the distinguished honor of Valedictorian of the 2019 Campbellsport High School Class of 2019. Christopher Zimdahl earned the Salutatorian honor for the graduating class. Olivia plans to attend UW-La Crosse and double major in biology and Spanish. Abby plans to attend UW-Eau Claire and major in communication science and disorders. Chris will begin coursework at the University of Wisconsin-Stout, where he will be pursuing a degree in construction management.

Ike Grahl, Hunter Jandre, Nick Narges, Gabe Goebel, Cayla Egle, Sara Scannell, Morgan Cooper, Lucas Jungers, Jacob Zielieke, and Lucas Gierach were the Campbellsport High School students who were members of this year's Project GRILL group. This was the 11th year CHS students participated in the program. The project matches high school tech ed students with area manufacturers in a challenge to work together to design and build a charcoal grill from scratch and test it during the unveiling, which took place May 10.

The Campbellsport 4-H Club has started its annual Milk Mustache Contest. Donation jugs are located throughout the village to vote for your favorite contestant. The contestants this year include Brian Jarmuz, who chose Children's Hospital, Mark Peters, who chose the Le Page family, and Jim Vollmer, who chose the CHS band, chorus, and forensics programs.

An empowerment program titled the Peanut Butter Promise was hosted by local couple Steve and Char Rose in Fond du Lac on May 8. Craig Culver, founder of the Culver's restaurant chain, talked about the principle of excellence. Wayne Larrivee, radio announcer for the Green Bay Packers, talked about the power of passion and preparation. The Peanut Butter Promise Service Award was presented to the family of Peter Zacherl.

Throwing a no-hitter against Plymouth in JV softball action on May 8 was Kylie Zehren. The game was called after five innings due to the 10-run rule. Kylie had 11 strikeouts in the five innings.

It was a long week for the varsity softball team as the squad played six games. The Lady Cougars began the week with a doubleheader against Berlin. Campbellsport won the first game 19-0 in five innings and the second 10-0, again in five innings. On May 8, the Lady Cougars traveled to Plymouth and came home with a 9-3 victory. Against Waupun on May 9, Alyssa Muench threw seven innings, gave up four hits and one walk while striking out 12. To finish the week, Campbellsport traveled to Horicon on Saturday. Unfortunately, the Lady Cougars lost both ends of the doubleheader, 3-2 in the first game, and 11-8 in the second.

Campbellsport's baseball team lost to Kettle Moraine Lutheran 3-2 on May 7. The Cougars travelled to Mayville on Friday and beat the Cardinals.

Gerald D. Day, 74, Madison, passed away March 7. George B. Del Ponte, 72, Town of Osceola, passed away May 9.

The playground area at Campbellsport's Firemen's Park is about to take on a new look. The Campbellsport Area Chamber of Commerce decided last fall to update the area with some new equipment, benches, and a trail. For the past two years, the chamber has held a dodgeball tournament at the Fourth of July Firemen's Picnic. About \$10,000 was raised over the past two years, and the chamber wanted to use that money for some-

thing at the park. Construction of the playground equipment began the last week in January.

Lindsay Muench of Campbellsport was the recipient of the Ken Stuart award through the Campbellsport Hunter Education program. This is the sixth year the award has been given to a student with good scores, but the student also has to have a great attitude and a good grasp of the importance of the heritage of hunting and the outdoors.

The Eden Fire Department received a \$1,050 fire prevention grant recently from FM Global, a leading property insurer of the world's largest businesses based in Johnston, RI. The award will be used to assist with pre-fire planning to efficiently collect and track data related to local community buildings. The info will help the fire service respond in an emergency situation.

Donald Driver Chevrolet Buick in Campbellsport is not worried about losing its General Motors contract. As of press time, the dealership had not received a letter from GM stating their agreement would be terminated.

Students from Campbellsport High School who received first place in this year's State Solo & Ensemble Event include: Dillon Ebert (snare drum duet), Kristina Ertel (clarinet trio), Haley Fricke (broadway solo and alto/tenor duet), Cody Galligan (broadway), Trisha Oestreich (solo), Noel Paswaters (broadway), Krysten Seefeldt (clarinet trio), Stephanie Surges (clarinet trio), and Tori Twohig (snare drum duet).

Participants in the Campbellsport 4-H Club milk mustache contest are Bob Twohig, Patty Hayes, and Jim Schlitt.

Ken Bales, president of the New Fane Sportsman Club, presented a \$500 check to the Campbellsport Fire Department. The funds will be used toward the department's Fire Fighter Memorial, which will be constructed in Firemen's Park.

Sixth Grade Camp for students from Campbellsport Elementary and Eden Elementary was held last week. Students learned how to maneuver a canoe and a compass, hiked, and participated in a scavenger hunt, among other activities.

Nick Whitty, who graduated from CHS and now plays baseball for Ripon College, was named as a first-team All-Conference selection for the Midwest Conference.

Discussion was held during the May 3 Campbellsport Village Board Meeting regarding the request of Police Chief Randy Karoses to use the backup squad car as a "chief's" vehicle. Karoses wants to drive the vehicle to his home after his shift and back to the department the next morning. Driving his own vehicle to the department to get the squad when there is an emergency after hours adds anywhere from 10 to 20 minutes to his response time. The board approved the request on a 4-3 vote.

Campbellsport High School students who excel in their forensic careers will now be eligible to earn the "Helen K. Pelischek Award," according to Principal Wayne Thuecks and Jim Vollmer, who is the head forensic coach. The award is being

named after the long-time teacher and forensic coach who served from 1961 through 1995. Earning the award in its first year are Maureen Kranig and Kristin Konitzer.

Boltonville Rain Days are this weekend. Hosted by the Boltonville Fire Department, the weekend includes live music, games, rides, food, refreshments, and fun. There will be a huge fireworks display, a duck race, turkey and ham dinner, and a parade.

Eleven-year-old Peyton Theusch was recognized as a local hero by the American Red Cross. He has been going with his dad to the Kohlsville Fire Department since he was three years old. Allen has been a volunteer firefighter for 28 years. On the morning of February 15, 2018, Peyton was getting ready for school. Stepping into the kitchen to say goodbye to his mom, Peyton saw flames in the corner cabinet. With Dana calling 911, Peyton got the fire extinguisher and knocked down the flames. The fire was inside the walls so the kitchen fully burned; but Peyton's quick response kept the house from burning to the ground.

Cameron Gillie of Madison is in the process of hiking the entire Ice Age Trail, which runs through 31 Wisconsin counties. He was in Kewaskum on May 18, eating breakfast at Coffee Corner Bistro. He began his trek on April 28 at Potawatomi State Park in Sturgeon Bay.

Kaitlyn Miller and Katie Vorwerk are the Kiwanis Students of the Month for April.

The Kewaskum U10 Tribe won the Richfield Mother's Day Tournament. The Tribe beat Richfield 6-4, Elmbrook Braves Black 14-7, Oak Creek Zone 12-4, Whitefish Bay Junior Dukes 11-6, and Germantown Jr. Warhawks Gold 10-9. Members of the Tribe are Cullen Reis, Carter Unger, Kingston Grisolono, Kyle Haim, Liam Stoffel, Leviathan Whitfield, Jace Wichtowski, AJ Droese, Alex Jacobson, Zach Zimdahl, and Cole Loser.

At the East Central Track Meet, Tyler Heus won the 400m race, setting a personal record of 51 seconds. The 4x400 relay team of Heus, Ben Frase, Eli Bartelt, and Jermaine Thull finished first with a time of 3:34.52. Abby Meidl was the lone champion for the Lady Indians as she won the pole vault by two feet.

Members of the track team did well at Regionals. Boys...Tyler Heus won the 200m and 400m. Dylan Marchtle won the 300 hurdles. The 4x400 relay team of Ben Franz, Eli Bartelt, Jermaine Thull, and Tyler Heus placed first. Jon Leister won the discus. Girls...Romela Olla won the 3200 run. Although the salvage yard site plan from Don and Sandra Stern is allowable according to town code, the Town of Kewaskum board voted 3-0 against the conditional use permit for the salvage yard. Attorney James Danaher confirmed the plan is allowable in the zoning district and said

the town is not against the plan. Danaher said the issue is complying with the conditions of the first conditional use permit. That permit was revoked on December 15, 2008, for non-compliance. This triggered litigation by the town. Danaher said that is the reason for not approving a new permit.

Father Edwin Kornath of Holy Trinity Parish in Kewaskum celebrated his 25th Jubilee on May 17.

The annual observance of Memorial Day reminds us of the support we owe to hundreds of thousands of soldiers wounded or killed while defending our country. The Kewaskum American Legion Post and Farmington Historical Society have assemblies planned for Monday.

Kewaskum Fire Department's Dive Team was one of many agencies called to Lake Bernice on May 13 to help locate a man who is said to have entered the lake and never came back out. Divers later located the deceased body of David R. Smith, 34, of Campbellsport. It was in the middle of the lake located at the corner of Elmore and Auburn-Ashford Roads. Investigators from the sheriff's office are working with the medical examiner's office on the investigation.

The Town of Kewaskum is seeking a quote to put a three-foot slab to lie on bulkheads of the County Line Road Bridge. The Town would rather not tear out the entire bridge.

A three-piece charcoal grill, complete with rotating grate, soda dispenser, condiment bar, and radio was designed and built by Kewaskum High School students. It was entered in the Project GRILL competition. The unveiling of the grills was held May 3. The students teamed with J.F. Ahern on the project.

Second and third grade students at Holy Trinity took a field trip to Riveredge Nature Center. They learned to identify maple trees and picked out a new maple to be tapped.

The fourth grade class from Wayne Elementary School went to Madison on May 12. The students toured the Capitol and met with Representative Daniel LaMahieu and Senator Glenn Grothman.

The KHS golf team earned first place in the Eastern Wisconsin Tournament.

Jake Panzer ripped a double that scored the go-ahead run in the top of the 10th inning, then sealed the 3-1 victory for the Kewaskum A's on the mound. The A's earned the victory over the Mayville Mallards on Friday night. There was a lot more scoring on Sunday as the A's defeated the Horicon Honkers 17-2.

A daughter, Emma Grace, was born May 15 to Wendee Button of Kewaskum.

### Greetings from the Campbellsport Public Library!

Are you ready for an Adventure? Join us at the library this summer for our reading program Adventure Begins at Your Library! Beginning on June 1, visit our library, and any of the 30 other libraries in the Winnefox Library system, to collect stamps in your Library Explorer Passport. During your visit check out what makes each library special. The more stops you make, and the more stamps you collect, the more chances you earn to win fun prizes!

Pick up your passport starting June 1. Visit the library to learn more. How many libraries will you explore? This passport adventure is sponsored by the Winnefox Library System.

### Summer Reading Program Sign Up

Summer reading program sign up for children, youth, and adults will take place Monday, June 10-Friday, June 14. Children ages 11 and younger will receive a free goodie bag with sign up (while supplies last). When you register for the summer 2024 reading program, you'll also receive a reading log to keep track of time spent reading this summer. Using suggested reading times for your age

group, mark off each day you read. Read at least three times during the week to get a raffle ticket and a small prize. If you read all seven days, you can receive an extra ticket for that week.

Teens and adults will complete punch cards to receive their tickets for raffle prizes. Read five books and return your card for a new one all summer long!

### Summer Reading Events

Summer reading events for kids will take place on Wednesday – more details to come, but here is a sneak peek of a few things you won't want to miss!

- Tuesday, June 11, at 1 p.m. – Amazing yo-yo tricks with Mark Hayward. Join us for comedy magic and yo-yo tricks! Yo-yos will be available for purchase at the event.

- Monday June 24, from 5-7 p.m., Family Fun Night! New this year (weather permitting) we will have a bouncy obstacle course, games, free snow cones, bake sale, and brat fry. Touch a truck event and much more!

### Monday Movie of the Month

The Monday Movie of the Month for Monday, May 20, will be "Ordinary Angels." Based on a remarkable true story, "Ordinary Angels" centers on Sharon Steves (Hilary Swank), a fierce but struggling hairdresser in small-town Kentucky who discovers a renewed sense of purpose when she meets Ed Schmitt (Alan Ritchson), a widower working hard to make ends meet for his two daughters. With his youngest daughter waiting for a liver transplant, Sharon sets her mind to helping the family and will move mountains

to do it. What unfolds is the inspiring tale of faith, everyday miracles, and ordinary angels. Run time is one hour, 58 minutes, and is rated PG. The movie will be shown at 1 p.m. and 6 p.m. Popcorn will be provided. Please make note, due to the Memorial Day Holiday, our movie will be showing one week earlier than normal this month.

### Library Hours

The library is open Monday-Friday, from 9 a.m. until 6 p.m. Note that the library will be **CLOSED** on Monday, May 27 in observance of Memorial Day.

# Kewaskum Kiwanis May Students of the Month

### Caleb Finger

My name is Caleb Finger, and I am a senior at Kewaskum High School. Throughout my time in high school, I have been a member of ski and trap shooting teams, and I was the captain of my ski team during my senior year.

Currently, I am in the Youth Apprentice program, where I work at Kohler Credit Union, gaining work-based experience. I have also been taking classes through Moraine Park Technical College and UW-Milwaukee, and I will become a licensed EMT in May.

Outside of school, I enjoy skiing and pheasant hunting. I work for the Sunburst Ski Patrol team, and I am a lifeguard supervisor for the City of West Bend. After high school, I will continue my

Caleb Finger

education at Marquette University, double majoring in finance and accounting. I want to thank the Kiwanis Club for this award!

### Kiersten Dahm

My name is Kiersten Dahm. I am a senior at Kewaskum High School. I'm very honored to be chosen for Kiwanis Student of the Month.

All four years of high school, I earned high honor roll and my academic letter.

I've been a part of the softball team for three years, earning a letter my freshman year, as well as trapshooting for four years.

For my senior year, I took advantage of the Youth Apprenticeship program and began work-

ing at Walters Buildings as a drafting intern. In fall, I will be furthering my education at Moraine Park to attain two associate degrees, one in mechanical drafting and the other in architectural drafting.

I feel as though a large portion of my success has come from my learning and knowledge from the many teachers here in the high school, as well as the middle school. I'm very fortunate to have had the opportunity to find my passion throughout my high school career.

AN OUTDOORSMAN'S JOURNAL

# Thirty-Five Years an Outdoor Writer

**MARK WALTERS**  
COLUMNIST

If you think that life doesn't go by in a blink of an eye, I am about to show why I feel it does. Thirty-five years ago, this Friday night, I wrote my first column. I was living in the Canadian bush and called my column "North of the Border", and it was about living in fly-in only locations as a camp manager for Chimo Lodge and Outposts and working for a man that is like a father to me, Pete Hagedorn. I was 27. Now, I am 62 and still feel like I am 27.

I wrote for Richard and Molly Emerson, and when I say "wrote", I mean it; I hand wrote this column from '89 until '97 and the process never failed. Eventually, my days in the Canadian bush "kind of" came to an end, and I named my column "An Outdoorsman's Journal", as before I was in the newspaper business, I kept a journal on many

Helping raise Joey, Travis and Kevin Dushek, along with Selina Walters, was a super bonus, especially being an outdoor writer. **MARK WALTERS PHOTOS**

of my outings.

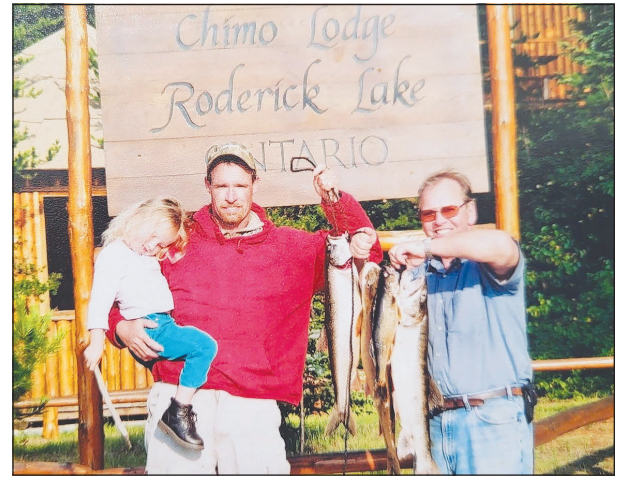

In '92, I self-syndicated and that is when crazy became real crazy. Some examples would be, I was not just going to write about shooting and catching, so in the winter I became a hardcore winter camper. My first trek back in '93 was 135 miles on The North Country Trail. Pure insanity and a sharp learning curve would best describe my first winter adventure or should I say "I had no clue." I spent 17 days in the Penokee Mountains lived off food stashes, did not have a tent and taught my golden retrievers, Ben and Star, to pull sleds. Those were the days of cold winters and deep snow, I loved that trip and have done it four times since.

My education basically ended at third grade when I fell in love with looking out the window at school. Back in the day, the newspaper industry was king, and my lack of education never slowed me down as I personally got to know my contact at every paper I wrote for and what I wrote about was so unusual, as was my writing style, that it helped sell newspapers. By '95 I was in 12 papers and making \$150.00 a week. In my younger days, I was a steel fabricator and always had money. I always had a simple rule: if I can't pay for my beer, I shouldn't drink it.

Back in '94 I met a very wise man who had been a career game warden out of Solon Springs. Tony told me that I should hike, paddle, and ski around the entire state. Thus began the first of many trips and it was to hike on the ice-the entire Wisconsin shoreline of Lake Superior. I spent 17 nights doing this and used 35 of my 100 lives jumping open water while pulling a sled.

To date, all of Wisconsin is behind me but the southern border.

What was really cool is that I taught my golden

Chimo Lodge is where Mark Walters was the camp manager and where this column started. From left are Selina, Walters, and Pete Hagedorn.

retriever, Star, to do the same, crazy things. Star would do this after me as I was the official ice tester and Star always had Pearl in her sled.

I became a stepfather to Joey, Travis, and Kevin Dushek in the mid to late '90s and the father to Selina in 2001, and this was a ride that was so crazy only the boys and Selina can validate it. We had like zero money, their mom was a stay-at-home mom, and we all loved that, but we lived on a writer's salary and that was very cool. Fear was not in our vocabulary and becoming very good at harvesting and existing in wet, cold conditions was the norm. One example, leave on Thursday night for Lake Waubay in South Dakota, back when it was always cold. Driving my Jeep Eagle with just as much stuff strapped to the rack as in the trailer. I was the only adult. Build a camp on the ice, stay until the following Sunday, "10 days", fish that day and then drive home and get home just in time to get the kids to school.

I hate to say it, but I am running out of space. The newspaper industry is very honor bound, I write for 60 papers. I might retire if I die or hit \$500,000.00 in my retirement.

This journey has been so incredible it is almost surreal. If I had the finances, I would not retire for a long time.

Fast forward 32 years, I have used 94 of my 100 lives. Long time readers know that. Do not cry for me if I croak on the job, it has been a good run!

## Kewaskum State Solo and Ensemble

**DANIEL JUNGERS**  
STUDENT CONTRIBUTOR

On Saturday, April 27, the collective talent and dedication of the Kewaskum High School Fine Arts Center shone brightly as we headed to Milwaukee for the state level of solo and ensemble. This prestigious event was held at UW-Milwaukee in its music section, mirroring the district level event we had successfully hosted in Kewaskum two months prior.

Our participants had a valuable two-month period to refine their performances, with the state level providing a unique opportunity to showcase their growth and improvement. The diverse range of events included a jazz ensemble, a woodwind

ensemble, a low brass ensemble, a trumpet quartet, two soloists, one duet, and two vocal duets.

Kewaskum High School was a beacon of musical excellence at the state level of solo and ensemble, with every event delivering outstanding performances and showing significant improvement since the district level. It's a testament to our student's hard work and dedication that almost every event received a score of one, which is the highest possible score to earn at the state level.

Our jazz ensemble performed two pieces. Members include Dominick Adornato (senior), Kayleen Becker (sophomore), Jacob Becker (senior), Skylar Beisbier (freshmen), Kaitlyn Blank (senior), Violet Brazeau (freshmen), Shaeli Cardiel (freshmen), Jacob Ebert (senior), Ella Geidel (senior), Leo Gerhartz (freshmen), Zoe and Zach Heiser (seniors), Daniel Jungers (senior), Eric Jungers (freshmen), Audrey Karrels (freshmen), Jor-

dan Kephart (freshmen), Cale Krejcarek (freshmen), Isaac Michlig (sophomore), Nora Nowacki (sophomore), Jacob Parodo (senior), Hunter Pick (senior), Macy Reysen (senior), Elliot Schulz (freshmen), Addison Tomashaski (freshmen), Dakota Waala (senior), Aaron Szuster (junior), and Daniel Zeman (junior). The jazz ensemble earned a two rating.

Our low brass ensemble is entirely seniors. It includes Zach Heiser, Jacob Ebert, Hunter Pick, Jacob Becker, Dakota Waala, and Jacob Parodo. They earned one rating.

Our woodwind ensemble includes Kaitlyn Blank, Emma Sielski (junior), Daniel Zeman, Sam Staffin (senior), Kayleen Becker, and Alexa Nowack (junior). They also earned a one rating.

We have our trumpet quartet. This group includes Macy Reysen (senior), Zoe Heiser, Maxim Zernia (junior), and Dominic Adornato. They have also earned a one rating.

Our flute and clarinet duet, performed by Kaitlyn Blank (flute) and Sam Staffin (clarinet), also earned a one.

Kaitlyn Blank performed her flute and piccolo solos and earned a one on both.

Zach Heiser performed his trombone solo and earned a one, as well.

Mia Dornacker (junior) performed a vocal solo and earned a one.

Lia Pittman also performed a vocal solo and earned a two.

# Campbellsport High School Valedictorian and Salutatorian

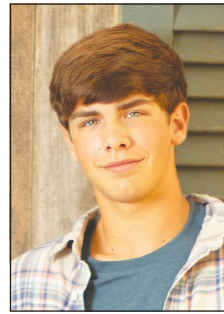

## Kewaskum School Board Student Representatives Recognition

At the May board meeting, the Kewaskum Board of Education took a moment to acknowledge Avery Liddicoat (left) and Michael Medinger (right), Student Representatives to the School Board. Avery and Michael attended each monthly meeting from October 2023 to May 2024, making invaluable contributions through their participation and insightful presentations. The students were presented with gifts and certificates in appreciation. Pictured in center is District Administrator Dr. Mark Bazata.

### Valedictorian - Lucas Beck

Lucas Beck has been selected as Campbellsport High School's valedictorian for the class of 2024. Lucas started his education at Campbellsport Elementary School and has remained in Campbellsport School District since. Lucas is the son of Jim and Becky Beck. While attending high school, Lucas has participated in Future Business Leaders of America. He was able to compete at the State level for three years. Lucas was also a member of the National Honor Society, Fond du Lac Youth Leadership Program, and United Way Youth Leadership. Lucas also participated in football, basketball, and baseball while attending high school. Lucas was still able to continue to volunteer for different organizations while attending high school to give back to the community. Lucas recently was able to obtain his Emergency Medical Technician certification and is currently working for Campbellsport Fire Department and Rescue. In fall, Lucas plans to attend Wisconsin Lutheran College with a major in Nursing/Pre-medicine. Lucas would like to thank all his teachers, coaches, mentors, advisors, and family. Without their support, he would not be as successful.

Lucas Beck

Molly Gilles

ing her time at Campbellsport High School, Molly has participated in many extracurricular activities, specifically in the music program. She's been in choir since sixth grade and show choir since her freshman year, as well as a participant in solo and ensemble since seventh grade and Catholic Youth Organization's musicals since freshman year. Additionally,

she was appointed Choir Secretary for one year and Choir President for one year, and won the Director's Choice Award for Chorus in 2023. She was a member of Spanish Club for five years, Art Club for two years, and Student Council for two years, in addition to receiving a membership to National Honors Society. Molly was also a member of the CHS Varsity Dance Team since her freshman year, qualifying for state eight times, being a state runner-up one time, and ultimately becoming a state champion in 2024. Along with the school's dance team, she assisted the Shining Stars Dance Team (a dance team for those with physical and/or cognitive disabilities) for two years, and she recognizes dance as a significant part of her high school career. In the fall, Molly plans to attend UW-Green Bay with an undecided major. She would like to thank her family, friends, coaches, teammates, and teachers for all their support throughout the years and for making her achievements possible. She would also like to recognize other graduating seniors in her class who have worked hard and exceeded academically, as she believes those who have done so deserve to receive the acknowledgement she was given. She is forever grateful for the lessons she's learned from her time in this community and knows that her success would not have been possible without it.

### Salutatorian - Molly Gilles

Molly Gilles has been announced as Campbellsport High School's Class of 2024 salutatorian. Molly attended Eden Elementary and later went on to attend Campbellsport Middle School and Campbellsport High School. She is the daughter of Steve and Lisa Gilles and has two older siblings: Missy Gilles (a current UW-Madison student) and Seth Gilles (an electrician apprentice). Dur-

# C.H.S. April Students of the Month

## CAMPBELLSPORT SCHOOL DISTRICT

Congratulations to Jake Bowe, Max Monte, Chloe Feucht, Kaitlyn Ziehr and Kalan Woolhether for being selected as Campbellsport High School "Students of the Month" in April.

### Jake Bowe

"The Physical Education Department would like to nominate Jake Bowe for Student of the Month from PE. He always tries his best and is always helpful to other students. Jake demonstrates exemplary

leadership in the classroom and always has a positive attitude in class. His grades are amazing as well! Jake is an all around great student, and I am happy to nominate him for Student of the Month!"

### Max Monte

"The Social Studies Department's Student of the Month nomination comes from Mr. Ellenbecker's first period U.S. History class, which has earned a very respectable class average all year. Yet, among those 31 stu-

dents, there is one who has stood out all year in terms of engagement and class participation, two traits that make an enormous difference in teaching, learning, and the 'personality' of the class. Most students will only answer a question if they know they have the correct response, but many of my questions don't necessarily have one answer. Those are the ones that produce the most awkward silence. No one wants to risk being

wrong—certainly not in front of 30 of their classmates. The safe thing to do is to avoid eye contact and hope the teacher doesn't call on you. That's exactly why, from a teacher's perspective, it's such a rare and refreshing thing to have a student who not only answers questions, he asks them, too. Since day one of the 2023-2024 school year, Max Monte has stood out in that regard. He doesn't mind, at all, offering his perspective and sharing his thought process, especially if it's a question that requires wild speculation. Max does all of us a great favor. His responses, whether spot on or not, give me the opportunity to explain and/or clarify what actually happened in history—how and why things turned

out the way they did. I truly appreciate his participation, his consistently upbeat and positive attitude, and his willingness to be exactly who he is."

### Chloe Feucht

"The Art Department would like to nominate Chloe Feucht for Student of the Month. Chloe has demonstrated an outstanding work ethic in Drawing and Painting class and AP Art History. She always turns her assignments in on time, participates in class, and works well with her peers. Chloe is extremely organized and well prepared for class each day. Her positive attitude and enthusiasm for learning, brings joy and happiness into the art room!"

### Kaitlyn Ziehr

"For this month, the Fine Arts Department

would like to nominate Kaitlyn Ziehr for Student of the Month. This year, Kaitlyn has made gigantic strides in both playing of the clarinet, as well as leadership and confidence. Due to the departure of certain instruments at the semester, Kaitlyn stepped up to switch to a new instrument as well as take on a totally new part assignment for our competition ensemble. This helped her classmates immeasurably and made the entire ensemble stable. A lot of the reason why this group made it to state is due to this change and we are very grateful to Kaitlyn. Keep up the good work!"

### Kalan Woolhether

"The Math Department nominates Kalan Woolhether from the Geometry class for Student of the Month. Kalan has been a leader in the class and is someone the class looks to for help solving difficult problems. He is willing to help other students out and stays on tasks during class. Great job Kalan! Keep up the good work!"

All high school students are eligible for this honor. Students are nominated by their teachers and then chosen by department.

Teachers make their selections based upon attitude, effort, character, interest, and achievement, as exhibited in the classroom and school community. Administration, faculty, and staff are committed to developing future leaders in our community. We want to honor those who are striving each and every day to be those future leaders, who demonstrate this by their positive actions and behaviors.

#### BEN PRIESGEN JOURNALIST

On May 9, Campbellsport softball lost 1-0 to Lomira on the road.

Lomira (18-5, 9-3) and Campbellsport (10-14, 7-7) were in the midst of a pitching duel before Lomira scored a run in the fourth inning.

Peyton Hall's pitching performance on the mound was worthy of victory with allowing only two hits and striking out ten batters in the 1-0 loss.

Hall achieved 100 strikeouts on the season during the game against the Lions.

"Peyton was fantastic in the circle for us today," said Head Coach Dan Heisdorf. "We had runners in the scoring position four times but couldn't get a big hit."

#### Vs Mayville

On May 10, Campbellsport softball lost 9-2 to Mayville at home.

Mayville (14-3, 11-2) scored eight runs in the first four innings of the game to take an 8-0 lead over the Cougars.

Paige Jordan got a double and was driven in by Peyton Hall's single to get Campbellsport (10-14, 7-7) on the board in the fourth inning.

Campbellsport got an Alyssa Koelbl sac fly to make the final score 9-2 in favor of Mayville in the matchup of conference rivals.

#### At Oakfield

On May 11, Campbellsport softball lost 3-1 to Neenah in game one of their day.

Campbellsport scored the first run of the game on an Olivia McCarty RBI single in the third inning to take a 1-0 lead over Neenah (11-8, 9-7).

Neenah was able to score a run in the fourth, sixth, and seventh innings to secure the 3-1 win over the Cougars.

"We had a bunch of chances to break the game open but we left twelve runners on base after out-hitting the Rockets 10 to 3," said Heisdorf.

Campbellsport softball lost 2-1 to Horicon to close out their competitive day of softball.

Horicon (17-2, 15-1) took a 1-0 lead over Campbellsport in the third inning.

The Cougars responded with a RBI single by Alyssa Koelbl in the fourth inning to tie the game at one.

The teams were tied until Horicon hit a home

run in the top of the seventh inning, which proved to be the difference in the 2-1 non-conference loss for Campbellsport.

"Our bats were alive again by out-hitting Horicon 8 to 3 but we couldn't get a timely hit to take advantage of our opportunities," said Heisdorf. "Peyton had another quality performance on the mound."

#### Vs Laconia

On May 13, Campbellsport softball lost 1-0 to Laconia at home.

Campbellsport (10-14, 7-7) and Laconia (14-8, 9-5) fans were treated to a tense softball contest featuring the two pitchers in the circle with no scoring in the first six innings on the game.

The Spartans scored the only run of the game in the seventh inning to secure their 1-0 conference victory.

Peyton Hall had another strong performance on the mound for the Cougars with seven innings pitched.

Campbellsport received a #5 seed in the WIAA Division 2 State Softball Tournament. They will play at #4 seed Winneconne on May 21.

Campbellsport hosts Random Lake on May 16 at 4:30 p.m.

Grafton (7-15, 4-11).

The Cougars got RBI singles by Jace Goebel and Brady Nolan in the fifth inning to take a 3-1 lead.

Campbellsport tacked on another run in the sixth inning for a 4-1 lead to give them a comfortable margin to close out their 4-2 non-conference victory.

Campbellsport baseball beat New Holstein 3-0 in their second game.

Campbellsport (14-6, 8-4) scored one run in the first inning for a 1-0 lead over New Holstein (11-10, 7-5).

The Cougars got one run in the third inning and fourth inning to push their lead to 3-0.

Owen Bong did the rest for Campbellsport by no hitting the Huskies in the 3-0 victory.

"Owen was spectacular on the mound by pitching a no hitter for us," said Head Coach Jim Krug.

Campbellsport is 11-1 in their last twelve games.

"I am really proud of our guys for growing through the season," said Krug. "We are playing some really good baseball and looking forward to the next couple of weeks of the season."

Campbellsports traveled to WLA on May 14 and hosts WLA on May 16. Then, they host CWC on May 20. All games start at 5 p.m.

The Kewaskum Indians (11-11, 6-4) used error-free baseball and defeated the Berlin Indians (3-10, 3-9) 11-0 in five innings on Thursday night in Kewaskum, thanks largely to a nine-run third inning.

The third inning started with an error by Berlin followed by a sacrifice bunt and strikeout. With two outs, the host Indians batted around the order starting with a Dylan Soyk single scoring one run, an Austin Reichel single scoring two runs, an Andrew Reichert single scoring one run, a Berlin error scoring two runs, followed by back-to-back triples by Liam Stoffel, scoring two runs, and Kingston Grisolono scoring one run.

A Cale Heinonen RBI double gave the Indians their 11th run in the bottom of the fourth inning and that was more than enough support.

Sam Ciriacks started the game and earned the victory allowing just one hit in four innings while walking three and striking out six. Sascha Luokka came to pitch the final inning in relief and scattered a pair of hits while walking one and striking out three.

**Indians Defeat Warriors and Secure Fifth Seed in Playoffs**

Friday, May 10

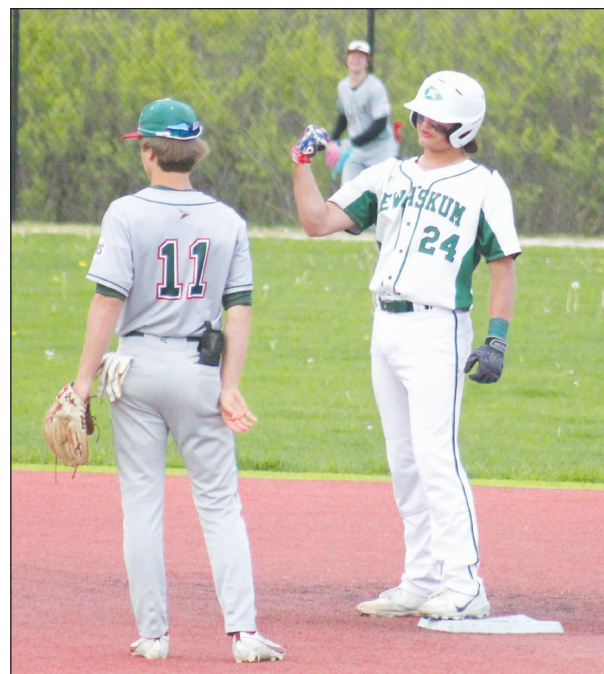

The Kewaskum Indians (12-11) defeated the Ozaukee Warriors (3-10) by a score of 18-4 in five innings Friday afternoon. Liam Stoffel paced all Indian hitters with three hits (2RBI) in four at-bats including a leadoff triple to start the game, and he would later score on a Dylan Soyk single.

The Indians lead did not last long as the host Warriors struck for two when Natalie Miller singled, scoring two runs. However, the Indians would score 17 straight runs over the course of the next four innings, until Ozaukee scored a pair in the final frame to put the game out of reach.

Stoffel was the only Indian with an extra base hit (recording both a double and triple). Austin Loehr led the way with three RBI's while Stoffel, Soyk, and Brett Hackert each had a pair of RBI's. Cooper Petermann, Tyler Densow, Cale Heinonen, and Austin Reichel each had one.

Kingston Grisolono went three innings allowing three hits and two runs, one earned, while walking one and striking out five. Josh Koenig pitched the final two innings in relief allowing two runs on two hits while striking out two.

The Indians recently received the fifth seed for the Division 2 WIAA Playoffs and will host the 12th seed, Milwaukee Lutheran, on Thursday, May 23. First pitch is scheduled for 4:45 p.m.

Cale Heinonen celebrates after hitting a double.

**TRAVEL** from page 2

ging your carry-on luggage behind you, make sure you have at least one hour of layover time. In some of the larger airports, it can take over 45 minutes to get from one terminal to another. While some of the larger airlines have designated terminals and gates that are clustered together, others use multiple terminals.

For ease of getting through TSA (Transportation Security Administration), wear easy to remove and replace shoes, no belts and have liquids/gels in a quart size bag with containers no more than 3.5 ounces each. TSA's definition of a liquid or gel can be a little wonky. For example, peanut butter and cheese spread are both banned if more than 3.5 oz. If you travel frequently, or just don't like being caught in long TSA lines, you can sign up for TSA pre-check which costs \$78 for five years. With TSA precheck, you have a designated, faster security check point, and you don't need to remove your shoes, belts, light jackets, liquids or laptop.

Bring a reusable, empty water bottle to the airport. Once you are through TSA, fill it with water to sip while waiting for your flight and while on board. High altitudes are very drying, and it's important for you to stay hydrated to avoid headaches and blood clots. Some areas have strange tasting water, so bringing along some flavor packets would be a good idea. It's also a good idea to bring along your own snacks or even a meal to eat while waiting for your flight. Food purchased at the airport is usually more expensive and choices may be limited.

When packing your suitcase, consider using storage cubes, especially if you aren't staying in one location. You can place one day's clothing per cube and then instead of having to totally unpack or rummage through your case, you can just remove one cube per day.

If travelling where it is cold, rather than bringing heavy, winter clothes, consider packing layers which you can add or delete according to the weather. Many hotels and other lodging have washing machines and dryers available, or you can always hand wash clothes, which cuts down on how much you need to pack.

With short turnover times, most airlines do not clean the planes between flights. To help keep you healthy, bring along a disposable cleaning wipe to clean off your seat arm rests, seat belt, table and vent/light knobs before take-off.

While vacations are fun, planning can be stressful. Knowing what to expect and how to find the best deals can make it less of a chore. Next time, we'll look at ways of saving on lodging and rental cars. Until then, happy and safe travels!

**NOTICE OF MEETING OF BOARD OF REVIEW TOWN OF OSCEOLA**

**NOTICE IS HEREBY GIVEN** that the Board of Review for the Town of Osceola of Fond du Lac County, Wisconsin, shall hold its first meeting on Wednesday, the 22nd day of May, 2024, from 12:00 a.m. to 2:00 p.m. at the Osceola Town Hall, W1476 County Road F, Campbellsport. A formal objection must be filed; these forms are available from the Clerk. Appointments must be made with the Clerk to appear at the Board of Review. Call 920-979-8651 for an appointment.

**Please be advised of the following requirements to appear before the Board of Review and procedural requirements if appearing before the Board:**

No person shall be allowed to appear before the Board of Review to testify to the Board by telephone or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the Assessor to enter onto property to conduct an exterior view such property being assessed.

After the first meeting of the Board of Review and before the Board's final adjournment, no person who is scheduled to appear before the Board of Review may contact or provide information to a member of the Board about the person's objection, except at a session of the Board.

The Board of Review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the Board's first scheduled meeting, the objector provides to the Board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the

**Meetings and Public Hearings 7720**

Board shall waive that requirement during the first 2 hours of the Board's first scheduled meeting, and the Board may waive that requirement up to the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the Board of Review during the first 2 hours of the first scheduled meeting.

Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the Board of Review within the first 2 hours of the Board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the Board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days. The Board may require objections to the amount or valuation of property to be submitted on forms approved by the Department of Revenue, and the Board shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the Board in support of the objections and made full disclosure before the Board, under oath, of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the Board.

When appearing before the Board, the person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

No person may appear before the Board of Review, testify to the Board by telephone or object to a valuation if that valuation was made by the Assessor or the Objector using the income method of valuation, unless the

**Meetings and Public Hearings 7720**

person supplies the Assessor all of the information about income and expenses, as specified in the assessor's manual under Sec. 73.03(2a), Wis. Stats., that the Assessor requests. The Town of Osceola has an ordinance for the confidentiality of information about income and expenses that is provided to the Assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law or of the duties of their office or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under Section 19.35(1) of Wis. Statutes.

The Board shall hear upon oath, by telephone, all ill or disabled persons who present to the Board a letter from a physician, surgeon or osteopath that confirms their illness or disability. No other persons may testify by telephone unless the Board, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.

No person may appear before the Board of Review, testify to the Board by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the Board, or at least 48 hours before the objection is heard if the objection is allowed under s. 70.47(3)(a), Wis. Stat., that person provides to the clerk of the Board of Review notice as to whether the person will ask for the removal of a member of the Board of Review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.

Notice is hereby given this 9th day of May 2024.

## Kewaskum U8 Cyclones

**KEWASKUM YOUTH SOCCER ORGANIZATION**  
Saturday, May 4

**Kewaskum U8 Cyclones, 5 Hustisford Cyclones, 5**  
It was a beautiful day for some soccer. The Kewaskum Cyclones played great defense and hustled after the ball, making lots of attempts on goal. Carter Jacobson played defender at the goal and made some great saves. Chase Wagner and Willow Beimborn both got goals. Weston Kaehen played great defense and was quick with his feet, stopping the ball from the Hustisford Cyclones. Hudson Gitter stopped the ball and played great offense. All in all, a great game by both teams. The Kewaskum Cyclones won with a score of 6-1. Way to go guys!
