The Campbellsport Cougars and St. Mary's Springs Ledgers go head-to-head on Friday, Sept. 27. The Ledgers won the contest, 28-14. CLARICE CASE PHOTOS

## Campbellsport Football Plays in the Game of the Week on Parents Night

**BEN PRIESGEN**  
JOURNALIST

On September 27, Campbellsport football lost 28-14 to St. Mary's Springs in the Campbellsport News/Kewaskum Statesman 'Game of the Week' on parents' night.

"Our parents are great supporters of our program with how much they do for these kids during each week of the season," said Head Coach Todd Wondra. "Our staff is very appreciative of all of them."

Springs (6-0, 4-0) got on the scoreboard first with a 51-yard rushing touchdown at the 9:33 mark in the first quarter to take a 7-0 lead over Campbellsport (4-2, 2-2).

The next three possessions by the teams ended in punts before the Ledgers got a 44-yard passing play to set up a six-yard rushing touchdown to put Springs up 14-0 at the beginning of the second quarter.

The Cougars got a big interception from Luke Pendowski to stop the next Ledgers' offensive drive to give Campbellsport the ball at the Springs' 35-yard line.

"Luke's interception was a big play for us with a change in our coverage, and he played it well with playing in the proper coverage after we showed the team their tendencies," said Wondra.

Campbellsport called a halfback pass play from running back Riley Kohlmann, which resulted in a defensive pass interference call against the Ledgers.

"The halfback pass from Riley was something we hoped to catch them on knowing the amount of attention he draws each play," said Wondra. "The play drew a flag because the defender was caught by surprise and was trailing the play."

Christopher Taddey, #20, carries the ball for the Cougars. He ended Friday's game with a total 61 rushing yards.

Kohlmann ran 16 yards up the middle of the Ledgers' defense to set up a four-yard rushing touchdown from Trent Schladweiler to close the gap on the scoreboard to 14-7 in favor of Springs with 4:35 left in the first half.

Springs responded with an 80-yard drive capped off with a 10-yard rushing touchdown on a sweep to make the score 21-7 with the Ledgers in the lead right before halftime.

The first possessions for both teams in the second half resulted in no points for either team.

The Ledgers scored a three-yard rushing touchdown to push their lead to 28-7 at the 4:50 mark in the third quarter.

## Kewaskum Village Tailgate Friday, Oct. 4

**BREANNA RICE**  
JOURNALIST

The Village of Kewaskum will be holding a tailgate fundraiser before the high school football homecoming game on Friday, Oct. 4, from 3-6 p.m.

The tailgate will be held at the downtown parking lot behind the Annex/Village Hall building.

"This will be the second year we are doing this and the money we raise will go to the Gridiron Football program," said Village Administrator Adam Gitter.

Community members are encouraged to dress in their Kewaskum spirit wear in honor of homecoming and stop by to check out the food, drinks and games!

The homecoming parade will begin around 4:30 p.m. and the KHS football team will host Kettle Moraine Lutheran (KML) at 7 p.m.

## Trick or Treat Voting in the Village of Kewaskum

**BREANNA RICE**  
JOURNALIST

The Village of Kewaskum will be open for an extended period of time for citizens to vote in the November Presidential Election.

During trick or treat hours, Village Administrator Adam Gitter and Clerk Tammy Butz will be at the Village Hall for anyone walking by to come get some candy. During this time, the Village Hall will also be open for those who wish to come in and place their vote.

"We will be open for in-person absentee voting during the trick or treating hours in the Village," stated Gitter.

The Village is making a strong effort to get everyone who is eligible to vote in the fall election. In addition to being open during trick or treating, the Village is allowing community members to make an appointment during whatever time works best for them to come in and vote.

"You can call us and make an appointment to vote if you can't make it in during scheduled voting hours, we will come in at any time to accommodate you," concluded Gitter.

## On Composite Selves

Dear Reader,

In the intricate tapestry of human relationships, each thread represents a unique perspective of who we are. Your mother may have seen you as a compassionate individual, always ready to lend a helping hand. Your father might have viewed you through the lens of hard work and strategic thinking, qualities that reflect his own values and aspirations for you. Your wife possibly thinks of you as a loving father, dedicated to your family and committed to nurturing your children. And in your children's eyes, you could be the dad who believes that with determination, anything is possible.

These distinct views from the people closest to us shape our identities, creating a composite of who we are. We manage our lives through the reflections of these relationships, adapting and evolving based on the roles we play. Yet, amid this dynamic interplay, it is crucial to recognize the importance of preserving a piece of our soul

and heart for ourselves.

This personal reservation is not an act of selfishness but one of self-preservation. It is a sacred space where our truest selves reside, untouched and unaltered by external influences. This inner sanctum allows us to reflect, rejuvenate, and reconnect with our core values and passions. It is where our dreams take root and where our intrinsic motivations flourish, and possibly have the greatest impact on the lives we affect. We become better partners, parents, friends, and colleagues when we nurture our individuality. This balance enables us to give more authentically to those we love.

So, as we journey through life, let us embrace the mosaic of our composite selves. Let us cherish the diverse ways in which we are perceived and the roles we fulfill. But let us also honor the quiet, inner voice that whispers our deepest truths. In doing so, we create a harmonious blend of connection and self-awareness, enriching both our lives and the lives of those around us.

Never a school year begins but memories of one's own academic days don't float back, flotsam in a turbid if distant stream. Despite surface fog of the past, distinct moments run through a projector. Reeled out same as an 8mm home record-

ed movie.

Except showtime happens anywhere without linear progression. No plot. Just disjointed images reflected on a blank screen in the mind's eye.

Second grade. Going to school in new clothes. Not hand me downs. A hundred dollars of shirts, slacks, socks bought by an uncle at Tempo in Fond du Lac. A female classmate cornered and tried to kiss me. A slap brought a tearful apology at classroom front. Walked down to the cafeteria for paper cups of milk. Poured from a chilled steel pitcher, never tasted so good before.

Fourth grade. Learned to square dance with a girl, yech! Taught Wisconsin history, bored. Also French because of those early priest/explorers. An assignment to collect small stones though the boys grouched, "She (teacher) had rocks in her head."

Sixth grade. Smuggled a tiny bottle of brandy, another kid fruit as we tried to make wine during lunch hour. Somebody pushed the pipette into the boiling mix which spilled all over our teacher's papers. He just laughed.

By comparison, high school was rather quiet. Except fellow students who lined the halls yelled, "Gary" every time a shy freshman walked to the library. Temper flared at a bully in the restroom, followed by wild haymakers. Developed a reputation, a guy not to hassle as a junior. Explaining how I flunked a course with straight A's throughout. Honor Roll entire senior year.

An old flick replayed to amusement, astonishment at exploits without suspensions. Whole different era. Guess times really must've changed.

## A New Adventure – Leaf Stomp

**FRIENDS OF THE KETTLE MORAINE**

The Friends of the Kettle Moraine invite you to participate in its new fundraising adventure – Leaf Stomp. This non-competitive hike along the Ice Age National Scenic Trail through the Kettle Moraine State Forest – Northern Unit will take place on Saturday, October 12.

Hikers can choose from one of four different routes: 22-miles starts at Glenbeulah, 15-miles begins at the Greenbush Group Camp, 10-miles steps off from Sandy Ridge Road south of Kewaskum, and 5-miles leaves from East Moraine Drive. A bus will shuttle folks to their starting points and then they will hike back to the Mauthe Lake Recreation Area. There will be refreshment/aid stations set up along the trail every five to seven miles.

The registration fee ranges from \$45 for the two longer routes to \$40 for the two shorter routes. The registration fee includes the shuttle, snacks, event T-shirt, completion certificate, and a finisher medallion.

The Leaf Stomp happens during the beautiful fall color season with its cooler weather and no biting bugs (usually). The Ice Age Trail through the Northern Unit offers spectacular views and provides a challenge for all levels of hikers. This is a great opportunity to enjoy the camaraderie of fellow hikers and receive support along the trail.

The Friends of the Kettle Moraine will use the funds raised to support their Ice Age Visitor Center Complex Project. This project includes rehabilitating the vegetation around the center, clearing vista overlooks, constructing an amphitheater, creating a nature themed playground, installing an accessible loop trail, building a picnic shelter, and improving the parking lot.

For more information about the Leaf Stomp go to the Friends of the Kettle Moraine website at [km-northfriends.org](http://km-northfriends.org). To register for the event go to <https://raceroster.com/events/2024/92750/leaf-stomp>. Registration deadline is October 4. Hope you can join us for our inaugural Leaf Stomp!

## FEMA Updated Flood Insurance Rate Map Available for Review

90 Day Appeal Process Began September 29 and Ends December 26

The following information is found on Washington County's website at [washcowisconsin.gov/landresources](http://washcowisconsin.gov/landresources).

Flood risk can change over time, and your community's updated Flood Insurance Rate Maps (FIRMs) show how the flood risk has changed in your area. The Preliminary FIRMs for Washington County were released for public review on March 20, 2024. These revised flood hazard maps provide detailed, property-specific flood risk information to help residents, business owners, and community officials better understand their flood risk and make informed decisions about reducing flood risk and purchasing flood insurance. The maps are currently available for review on the FEMA Flood Map Service Center at [msc.fema.gov](http://msc.fema.gov).

The formal 90-day FEMA appeal process began on September 27, and will end on December 26. During the appeal period, property owners and renters will have the opportunity to review and submit formal comments and appeals regarding the map. For details on the appeal process

see Appeals and Comments – Information for Property Owners on Washington County's website. Submitting an appeal requires some time and effort, so we encourage property owners and lessees to review the preliminary flood maps as soon as possible.

On May 2, Washington County hosted a Flood Risk Open House for property owners regarding the preliminary FEMA Floodplain Study Map Amendments. Postcard mailings were sent to every impacted homeowner. To view the current and proposed preliminary floodplain map changes as it relates to your property visit the County's website at [washcowisconsin.gov/landresources](http://washcowisconsin.gov/landresources) - FLOODPLAIN Change Viewer.

All appeals and comments must be submitted to your local zoning administrator, please contact your zoning administrator before submitting your appeals or comments.

**Bette Jayne Nelson**

Bette Jayne Nelson, 69, of Campbellsport passed away comfortably in her sleep on Sunday, Sept. 22, 2024, at The Kathy Hospice in West Bend following a two-and-a-half year battle with cancer.

She was born in Milwaukee, to Darrel Irwin Conaway and Nona Alberta (nee Guerin) Conaway.

She was married to the love of her life, Jeffrey Thomas Nelson on July 18, 1987, in McCarty Park, West Allis.

Bette was a loving Wife, Mother, and Grandmother. She enjoyed crossword puzzles and word games, crafting projects, and played a mean game of cribbage. Possessed of a sharply sarcastic tongue, she was fiercely witty and intelligent, as well as quick with a joke. Bette had a keen understanding and love of language which she always strove to share with others.

Bette worked for the Wisconsin Dyslexia Institute and was a dedicated teacher for many years. She briefly served as the Director and after stepping down from that role, she privately tutored students until her retirement in 2006.

She leaves behind many who will cherish her memory, including her son, Christopher Nelson and daughter, Danielle Mader; grandchildren, Jacob Mader, Ryan Mader, Olivia Mader and Ben Mader; brothers, Brian (Mary) Conaway and Bart (Mary) Conaway; her sister-in-law and longtime friend, Linda Gayhart; brothers-in-law, Kevin Nelson, Rob (Sue) Nelson, Eric (MaryLu) Nelson, and Kurt (April) Nelson; Bette was very close with her sister Barbara's children, Mike (Cheryl) Freisleben, Kelly (Craig) Wolfe, Joe (Gina) Freisleben; as well as many more nieces, nephews, great-nieces, great-nephews and close friends and extended family. In addition to her human family, she also leaves behind two very distraught cats, Larry and Moe, who already miss her dearly.

Bette was preceded in death by her loving husband, Jeffrey Nelson; her parents; sisters, Bonnie and Barbara; brother, Blake; brother-in-law, Terry Womack; sister-in-law, Debbie Nelson; and niece, Nicole Asselin.

A celebration of Bette's life will be held on Saturday, Oct. 5, in West Bend. Please contact the family for more details.

Twohig Funeral Home is serving the family with online guestbook and condolences at [www.twohigfunerals.com](http://www.twohigfunerals.com).

# Fall Planting Provides Months of Continuous Spring Color

**MELINDA MYERS**  
CONTRIBUTOR

Welcome spring and create continuous color for several months with a collection of spring-flowering bulbs. After planting in the fall, you'll enjoy an array of flower colors that combine nicely with other spring-flowering trees, shrubs, and flowers.

Start the season with early blooming snowdrops. As winter fades watch for the dangling white flowers on 6- to 10-inch-tall plants. Include these small flowers in rock gardens, mixed borders, and informal landscapes in sunny and part-shade locations.

Include a tapestry of colors with white, purple, lavender, and yellow crocus. Large Flowering Pickwick crocus offers unique blooms of white flowers with purple pinstripes. Its striped petals surround the red-orange stamens making this a standout in any planting. Crocus are a favorite of critters as well as gardeners so consider protecting them with a repellent as the leaves emerge in spring.

Look to early, mid, and late spring blooming tulips and daffodil varieties to maximize the color in your landscape throughout the spring. Check catalog descriptions and package labels to help you select an array of bloom times. Longfield Gardens' Bloom Times Guide to Spring and Summer Bulbs ([Longfield-Gardens.com](http://Longfield-Gardens.com)) can also help you plan for three months of color in your landscape.

Look to Emperor, Kaufmanniana, and Greigii tulips for a bit of early spring color. Add some fragrance and showy, peony-like flowers with Double Early Foxtrot. This award-winning tulip has sturdy, weatherproof stems that support its loosely cupped flowers. Its petals contain a range of pink shades from white to deep rose.

Plant some Darwin Hybrid and Triumph tulips for mid-spring color in the garden. The two-toned flowers on Apricot Impression seem to glow and as a Darwin hybrid, they will have a long-lasting presence in your garden. Finish the spring season with fancy ruffled parrot tulips, fringed and lily tulips, and more single and double late bloomers. You'll enjoy the extended show and late spring flowers to enjoy in arrangements.

Don't overlook daffodils. You'll find a variety of flowers with long, short, large, and split trumpets. Daffodil flowers may be one color, or the trumpet may be a different color than the color of the surrounding petals. Double varieties add a unique

The late spring blooming bulb Purple Sensation allium has four-inch round purple flowers and is critter-resistant.

look to any garden. The early- to mid-spring blooming Cyclamineus Tete-a-Tete daffodil may be small in stature at seven inches but the bright yellow flowers and three blossoms per stem make it visible from a distance.

Combine some Armenian grape hyacinths with mid-spring blooming tulips, daffodils, and perennials. Their small, cobalt-blue, fragrant flowers last weeks and look good wherever they are planted.

Bridge spring and summer flower seasons in your garden with Purple Sensation allium. This late spring blooming bulb has four-inch round purple flowers high atop 24 to 30" stems. These reliable bloomers are critter-resistant like daffodils and grape hyacinths. Enjoy them in your garden, fresh bouquets, and dried flower arrangements.

Make this the year you select and do some fall planting of various early, mid, and late spring flowering bulbs. You'll be rewarded with a burst of early spring color and sustained beauty from a mix of spring flowering bulbs.

## Agnesian HealthCare Foundation Receives Bombas Socks Donation

The Agnesian HealthCare Foundation has received 6,000 pairs of Bombas socks to share with individuals served by the SSM Health Samaritan Clinic, Adult Day Services, hospice and cancer care services, behavioral health, emergency rooms, and long-term care facilities.

Bombas is a comfort-focused, basics apparel brand with a mission to help those in need. The company was originally founded in 2013 because socks are the No. 1 most requested clothing item at homeless shelters. Underwear and T-shirts are No. 2 and No. 3 respectively.

While the brand started with and is known for its extremely comfortable socks, Bombas used its expertise in comfort to launch into apparel with T-shirts in 2019 and most recently, underwear in 2021. For every item purchased, a specially de-

signed item is donated to someone at risk of or currently experiencing homelessness. To date, Bombas has donated more than 100 million items.

"Socks are always in demand," according to Kim Laws, Agnesian HealthCare Foundation director of development and interim leader. "These are high quality socks that will provide warmth as the weather changes. We are so grateful for our partnership with Bombas, and our patients and community are so very grateful as well."

This is the second year that the Agnesian HealthCare Foundation has received a sock donation.

The Agnesian HealthCare Foundation accepts donations to help area individuals and families during personal struggles, as well as helping to expand local programs and services.

Agnesian HealthCare Foundation Director of Development and interim leader Kim Laws, center; SSM Health Samaritan Clinic Affordable Care Act Navigator Megan Siedschlag; and SSM Health St. Agnes Hospital Emergency Room Manager Cristina Raish, with 6,000 Bombas socks to share with SSM Health Samaritan Clinic, Adult Day Services, hospice and cancer care services, behavioral health, emergency rooms, and long-term care facilities. **SUBMITTED**

## Washington County Natural Resources Reorganization to Increase Focus on Balancing Development with Land and Water Conservation

Earlier this year, Josh Schoemann, Washington County Executive and the Washington County Board of Supervisors laid out the county's strategic priorities and clearly articulated the desire to work toward finding a balance between suburban/exurban development and land and water preservation/conservation.

The balance follows deployment of the county's Next Generation Housing Strategy and work to identify hurdles of bringing the next generation home to carry on the prosperity and freedom of our great community for future generations. This work to develop housing is necessary and predicated the need to balance development with preservation to maintain the authentic quality-of-life residents of Washington County enjoy.

"It is exciting to align the vision of natural resources in our county with the work being done community-wide," said Jamie Ludovic, Chief Community Development Officer/Natural Resources Director.

Last week, the Natural Resources Department laid out 2025s plan to work on this balance including:

- Institutionalizing the Conservation & Heritage Grant Program to protect one acre of land for every acre of Next Generation Housing land being developed;
- Identifying a course of action for needed lake protection planning efforts;
- Presenting an incentive/recognition program for runoff reduction practices and other installed practices that promote water quality on our lakes;
- Providing \$500,000 in funding to landowners for installation of voluntary conservation projects to improve surface and groundwater; and
- Developing a comprehensive water health edu-

Fire Prevention Checklist

- Test smoke alarms regularly.
- Create an escape plan with two exits in every room.
- Choose a place to meet outside that is a safe distance from the home.
- Replace fire alarms every 10 years.
- Call 911 after you are a safe distance from home.
- Check electrical appliances, outlets and cords for damage.
- Keep matches and lighters out of children's reach.
- Practice fire safety with family members.

**FIRE PREVENTION WEEK**  
October 6-12

**2024 THEME:**  
*"Smoke Alarms: Make them work for you!"*

# Community Focus on FIRE SAFETY

**Follow these 10 tips** to help protect yourself, your family and your property against fire hazards.

**These 10 fire safety tips** are sponsored by these local businesses.

Install a fire alarm in every sleeping area and on every level of your home, and be sure to test alarms every month. Working smoke alarms reduce the risk of death in a home fire in half.

**Baumhardt Sand & Gravel**

Check the manufacture date on the back of your home's smoke alarms. Smoke alarms should be replaced at least every 10 years! Batteries should be replaced every year.

**King Pin Lanes**

Never leave burning candles unattended, and always keep matches and lighters out of reach from children.

**Perron Trucking**

Make a fire action plan, so every member of your household knows how to escape and where to meet outdoors in the event of a home fire.

**Campbellsport News  
Kewaskum Statesman**

Over half of home heating fire deaths are caused by equipment being placed too close to things that can burn. Make sure upholstered furniture, clothing, mattresses and bedding are at least three feet from heating sources.

**H & H Electric**

Always turn off space heaters when you leave the room or go to sleep. Space heaters are the cause of about 79 percent of fatal home heating fires.

**LK Heating**

Remain in the kitchen when frying, grilling or broiling food. Turn off the stove whenever you leave the kitchen, and never leave home while food is cooking.

**Campbellsport Piggly Wiggly**

Inspect electrical cords regularly, and replace cords that are cracked or damaged or have broken plugs or loose connections.

**Lakeview Electric**

In the event of a fire, crawl to safety. Use the back of your hand to see if a door is hot before opening it. If it feels hot, try to use another exit.

**TTI Inc.**

If your clothes catch on fire, stop, drop and roll until the fire is extinguished. Running will cause a fire to burn faster.

**Hilltop Laundry**

### 5 Years Ago

**October 3, 2019**

This Friday, Oct. 4, Josh Wege, a Campbellsport area native, is celebrating a big anniversary. It is the 10th anniversary of his 'Alive Day.' An Alive Day is the anniversary of a day that you came close to death. On October 4, 2009, Josh was a member of the Marine Corps and was stationed in Afghanistan. While his group was on patrol, the truck they were riding in hit an IED. The explosion cost Josh his legs, below the knee, but not his life. Since that day, he was fitted with prosthetic legs and had thrived.

HT Enterprises Inc. and the Campbellsport News have been named to the Wisconsin Association of School Board's (WASB) Business Honor Roll. The Honor Roll recognizes outstanding local businesses that support their schools. HT Enterprises played a role in helping start the ice fishing club at Campbellsport High School. The Campbellsport News is an important means of communication with the community and school district.

The Dundee Annual Fall Color Car and Craft Show kicks off at the Dundee Sportsman's Park on Saturday, Oct. 12, 9 a.m. to 4 p.m.

A week of "Cougar Pride" and tradition will begin Monday, Oct. 7, all leading up to the Homecoming football game on Friday, Oct. 11, and the Homecoming dance on Saturday, Oct. 12.

Next week, a three-day performing arts workshop will be held at Kewaskum High School for students in grades three through 12. For the event, 40 performers from the Young Americans College will lead the workshop in singing, dancing and theater.

Austin Frailing recently earned the rank of Eagle Scout, the highest honor in the Boy Scouts organization.

Campbellsport native, Josh Wege was injured when the armored vehicle in which he was traveling while in Afghanistan ran over a roadside bomb. His injuries were listed as a severe concussion and severe wounds to his feet.

Campbellsport High School students ended their Homecoming Week festivities with the Homecoming dance on Saturday night, Oct. 3. Reigning over the festivities was King Tim Twohig and Queen Nicole Whitty.

An informational open house will be held on Thursday, Oct. 15, at the Eden Community Center for area residents to learn more about Fuel Makers and their future business plans. The business is a fairly new business founded in 2006. It was created to create new technology to create bio fuels.

Roger Turchany was inducted into the Wisconsin Basketball Coaches Association's Hall of Fame on Saturday, Oct. 3. Roger coached for 30 years at Campbellsport High School, five as a JV coach and 25 years as the varsity boy's basketball coach.

Campbellsport native, Jeff Thelen, is one of the winners of this year's Military Reporters and Editors journalism contest. The recognition is presented every year by the Military Reporters and Editors Association of Military Journalists. Thelen took home the recognition in the TV division, small market for his "Our Local Heroes" series.

Members of the plan commissions for the Town and Village of Eden both approved recommendations for their boards to discuss a change in the Smart Growth plan that was approved earlier this year. The change would be for a portion that is just south of the village limits on the east side of

Friends and former members, former pastors and their family members returned to St. John Lutheran Church-New Fane to join the congregation in celebrating their 140th Anniversary as a congregation.

The Campbellsport School Board at the Monday, Sept. 20 meeting heard an annual report of the Charter School Consortium of which the Campbellsport School District is a member. Charter Products, Inc. has now completed nine months of operation. Since last November, Charter Products has grown from a vision and a small empty room to a wholesale distribution business run by student employees under direction of their teacher/supervisor.

Last year's Marketing II students at Campbellsport High School had the opportunity to gain hands-on experience working with Chris Schanen and the staff at the Ben Franklin store in Camp-

bellsport. Students developed a customer and employee survey that supplied ideas that were implemented in the new store design. The students also gained knowledge in store layout and display of merchandise.

Richard Taddey of Campbellsport was appointed a District Deputy by State Deputy Wenzel Felber of Tomah, to assist and work with Knights of Columbus Councils in Campbellsport, Beaver Dam and Mayville.

Jacob Martin, son of Peter and Mary Martin has been named a Commended Student in the year 2000 National Merit Scholarship Program. Some 34,000 Commended Students throughout the nation are being recognized for their exceptional academic promise. Commended Students placed among the top five percent of more than one million students who enter the 2000 Merit Program.

### 5 Years Ago

**October 10, 2019**

After a month of negotiations, the Kewaskum Village Board agreed on Monday, Oct. 7, to accept a donation of land from the Kewaskum Library Foundation to be used for a library. The parcel of land is located directly to the east of the Kewaskum Public Library. The Kewaskum Library Foundation purchased the land in 2014 to one day be used for a library expansion.

The Milwaukee River rose above its banks in Kewaskum last week as heavy rains moved across the area last week. A total of 5.3 inches of rain fell in less than 24 hours, according to village records.

Heavy rains last week wreaked havoc on many area residents. With many areas getting three to four inches of rain on Tuesday, rivers were overflowing, sump pumps were running constantly and some basements were flooded. One basement that sustained some water damage was the Dorst home on Redwing Court in Campbellsport. It wasn't a lot of water, but just enough to ruin the carpeting and force some repairs. The Kewaskum High School football team helped the Dorsts clean out their basement.

All-terrain vehicles (ATVs) and utility vehicles (UTVs) will not be allowed on village streets in Kewaskum any time in the near future. The Kewaskum Village Board voted 5-2 Monday night against a proposed ordinance that would have given people the right to drive the vehicles on village streets.

Main Street Philanthropy is being taught at Kewaskum High School to inspire future generations to become passionate philanthropists. It leads small teams of students and their classroom teacher through a truly transformational experience that builds new philanthropic leaders for tomorrow.

Bernadine "Bernie" M. Bodden (nee Straub), 83, of Kewaskum passed away on Sunday, Oct. 6; Ramona L. Dreher, 82, passed away on Wednesday, Oct. 2; Rosemary E. Keller, 94, of Little Chute, formerly of Kewaskum, passed away on Friday, Oct. 4; Frank Krueger Jr., 86, of Kewaskum passed away on Monday, Sept. 23.

The bonfire is back for homecoming. For the first time in over 30 years, there will be a bonfire at 8 p.m. The bonfire will be located between the High School and Middle School.

The Washington County Transportation Committee is wrestling with what speed limit should be posted after a \$4 million upgrade to Highway H in the Town of Farmington. Whether it's 60, 50, or 45 mph will impact the cost of the project, and committee members are aware different factions may want different speeds. The project resurfaces a 2.8-mile hilly stretch of the road east of Highway 144 from White Wood Drive east to the Milwaukee River bridge.

Two residents on private drives again pleaded their case to the Village Board on Monday to flush public and private fire hydrants in the name of public safety. Jerry Stilb and Jim Verhalen expressed their disappointment with the board's lack of urgency after appearing at the September 21 meeting. The board directed staff to draft an ordinance on private and public hydrant flushing similar to that of River Falls.

Efforts of the newly-formed Kettle Moraine Cares organization has resulted in an \$8,000 donation to the Wisconsin Parkinson Association. The funds were raised in July at the first annual Kenny's Walk for Parkinsons.

Families ordering pizza, who have children under the age of 10, between 5:30-8:30 p.m. on Thursday, Oct. 22, may get their dinner delivered by a Kewaskum Firefighter thanks to "Delivering Fire Prevention," a program of Safe Kids

Southeast Wisconsin Coalition. Families will be chosen at random to have their pizza delivered by a fire truck. If they have working smoke detectors in their home, their pizza will be free, compliments of the pizza restaurant. Some families may receive a free smoke or carbon monoxide detector and all families will receive fire prevention education from Safe Kids Southeast Wisconsin.

A daughter, Myleigh Catherine, was born to Katie and Michael Baumann Jr. of Random Lake on September 17.

A daughter, Kendyl Joann, was born to Kristine Umhoefer and Brad Enright of Farmington on September 20.

A daughter, Marie Christine, was born to Ashley and Matthew Zimdahl of Campbellsport on September 23.

A son, Boston Daniel James, was born to Sara Taylor of Kewaskum on September 27.

A daughter, Michaiiah Alexis, was born to Jesse and Janet Kremer of Kewaskum on September 29.

An annual feature at Kewaskum Kettle Kountry Kolers Family Fun Festival is the Children's Activity Tent in which many interesting fun-filled events take place for both children and adults. This year will be no exception with many outstanding activities scheduled during the weekend on Saturday and Sunday, October 9 and 10 in River Hill Park in Kewaskum. A new addition, Dancercise Kids is a program which includes a variety of exercise, tumbling, music, creative moments, jazz, ballet and tap dancing.

Kewaskum High School will celebrate their Homecoming against Manitowoc Roncalli Friday evening after a parade starting at 5:30 p.m.

"Oklahoma" is a lot closer than you think. Rehearsals are already underway for the crowd-pleasing musical, coming to Rose Hall at KHS on November 5 and 6. It's been at least 17 years since KHS last staged the popular musical, and cast and crew are looking forward to the upcoming production.

Good weather should bring a huge turnout for the sixth annual KEYS Scholarship Run/Walk on Sunday, Oct. 10, being held in conjunction with Kewaskum's Kettle Kountry Kolers Festival. Over 750 participants have pre-registered with more expected on the morning of the event.

On Saturday, Sept. 18, in the Nicolet National Forest, near Wabeno, Kris Dreher of Kewaskum successfully bagged a 264-1/2 pound bear. On the following Monday night, from her tree stand, she struck her first deer, a doe, with a bow and arrow. A hunting weekend can't get much better than that.

Grace A. Yanke, 79, formerly of Campbellsport, passed away on Thursday, Sept. 30; Edith M. Hicks, nee Harns, of West Bend, passed away on Wednesday, Sept. 29; Frank O. Peter Jr., 86, of West Bend, formerly of the Town of Addison, passed away on Friday, Oct. 1.

Those farmers who are looking for a young registered Holstein sire to head their herd of Holsteins will do well to attend the 5th annual 4-H and FFA sire sale being sponsored by the Washington County Holstein Breeders' Association. The sale will be held at the fairgrounds at Slinger. A total of 27 young sires will be offered for sale to the highest bidder.

The Kettle Moraine Sportsmen's Association Inc. has purchased a two-acre tract of land from Mrs. Herbert Backhaus. The club has moved its pheasant rearing pens to the new location at the north village limits. The club expects to expand its pheasant rearing facilities, build a small clubhouse and make provisions for trap and skeet shooting.

The 27th annual American Kennel Club licensed championship field trial sponsored by the Wisconsin Beagle Club at Kewaskum last Friday through Sunday again drew a large number of entries and was a marked success. The same is true of the club's 21st annual licensed specialty bench show held in the Woodman hall on Saturday evening when the dogs were judged on type and appearance. About 90 beagles were entered in the events, which number is smaller than last year's record entry.

A class in clothing construction will be offered to the women of this community beginning Tuesday, Oct. 11. The class will be held on successive Tuesday nights for a period of 10 weeks in the home economics department of the Kewaskum High School. Anyone interested is urged to enroll at the first meeting.

## Registration Open for ‘Tundra Tales’ Reading Program

*Grant program again being offered; deadline Friday, Oct. 4*

Registration is now open for the Green Bay Packers 15th annual “Tundra Tales” at-home reading program for students in grades 4K through fifth. The registration deadline is Friday, Oct. 4, and the program will run from Oct. 14 through Nov. 17, 2024.

The “Tundra Tales” program aims to support children reading at grade level by third grade and develop lifelong reading habits by encouraging children to read outside of school. Students in 4K through fifth grade must read or be read to for 60 minutes every week, outside of school, for four weeks (a total of 240 minutes). An extra week to achieve the total goal has been included to accommodate school schedules.

Educators and coordinators can offer their participants one four-week segment. Participants who achieve the final goal will receive a Packers Hall of Fame voucher good for one free participant admission and one free adult admission.

Each public or private Wisconsin school classroom registered for Tundra Tales that has a 75 percent or higher completion rate for the program will be eligible to receive a \$100 grant to use toward literary resources for their school or classroom. Additionally, each school that has 5 classrooms or more complete the program will be entered to win one of five \$1000 grants for literacy resources at the school.

Grants are funded by Green Bay Packers Give

Back and are available for public and private schools in Wisconsin only. Checks will be made out to schools or districts, with letters specifying how funds should be distributed to individual classes. To release funding, the Green Bay Packers Community Outreach department must have a W-9 on file. W-9 forms are available upon request.

The deadline to turn in final tracking sheets is Monday, Nov. 18.

Homeschoolers, virtual schools, after school programs, parent-teacher organizations and families have also participated in the program and are encouraged to continue participating.

For more information, visit [packers.com/tundratales](http://packers.com/tundratales).

### Graymont announces launch of community-focused Carbon Reduction Fund and invites applications for 2024 initiatives

We are proud to announce the launch of the Graymont Carbon Reduction Fund, an innovative, grass-roots initiative designed to support the development of carbon-reduction initiatives in the communities across the globe that we call home.

The fund’s role is to support projects focused on:

- Protecting the environment by the responsible use of resources
- Reducing our carbon footprint through increased energy efficiency
- Developing and maintaining natural, biological ‘carbon sinks’ such as agricultural land, forests or peat bogs that act as a natural offset for carbon

If you have a project idea that relates to any of these topics, the GCRF is looking for you!

For additional information, please contact Dave Caves (920) 477-4158 or [dcaves@graymont.com](mailto:dcaves@graymont.com)

## K.H.S. Football Defeated at Port Washington

**BREANNA RICE**  
JOURNALIST

The Kewaskum High School football team traveled to Port Washington on Friday, Sept. 27.

The Indians were fighting for their first win of the season but were defeated with a score of 58-7.

Port Washington dominated the night and left Kewaskum scoreless until the fourth quarter when the Indians were able to get a touchdown.

“Port Washington had a very good defense and we made mistakes offensively which put our defense in tough spots,” said coach Nick Kreif.

The opposing team scored two touchdowns in the first quarter, three in the second, two in the third and one in the fourth quarter.

Kewaskum’s touchdown in the final quarter was a pass from quarterback Andrew Reichert to Corbin Dexter for 66 yards. The extra point was made by kicker Blake Staral.

“We are proud of our team as they continued to give effort throughout a tough game,” mentioned the coach.

Everett Donath led the team in rushing yards with 37 on the night. Corbin Dexter had 65 receiving yards for the Indians on Friday.

Warren Korth and Samuel Ciriacks had five total tackles, and Gabriel Halopka, Parker Gruen and Landon Daniel contributed four.

This Friday, Oct. 4, the Indians will host Kettle Moraine Lutheran (KML) for a homecoming matchup at 7 p.m. The game will take place at the Doc Mitchell Athletic Complex. The homecoming parade will occur in town before the game at 4:30 p.m.

“We have a very good game plan offensively and defensively for KML. Our seniors are very engaged and we are expecting to be very competitive,” concluded Kreif.

## K.H.S. Cross Country Travels to Minnesota

**BREANNA RICE**  
JOURNALIST

The Kewaskum High School cross country team traveled out of state to the University of Minnesota for a meet on Friday, Sept. 20.

“We traveled to the University of MN for the Roy Griak Invitational,” stated coach Scott Bicknell.

According to an online source, the Roy Griak Invitational is one of the nation’s largest cross country events. The meet is named in honor of the University of Minnesota’s cross country coach who held the position from 1963-1968.

The event hosted over 4,000 runners consisting of six collegiate races and four high school races.

The Indians took 20 runners of their own to the competition.

“We ran at the Les Bolstadt golf course,” mentioned Bicknell.

Olivia Gerhartz placed highest for the lady Indians, coming in 68th place overall with a time of 22:40.

Wyatt Luedtke ran the fastest for the Kewaskum men, placing 105th with a time of 19:09.

“This meet gives the runners a chance to see a college level course and gives them the opportunity to run with competition they typically don’t see locally,” concluded Bicknell.

## K.H.S. Volleyball Wins Five of Six

**BREANNA RICE**  
JOURNALIST

The Kewaskum High School volleyball team participated in six matchups last week.

The Indians began their busy week on Tuesday, Sept. 24, with a rivalry game against the Campbellsport Cougars.

The girls won all three sets of the night, taking home a 3-0 win.

On Wednesday, Sept. 25, Kewaskum hosted Waupun.

Similar to the night before, the ladies worked together to pull off a victory in all three sets. The home team defeated Waupun 3-0.

The girls then participated in a five-team tournament on Saturday, Sept. 28.

The teams in attendance were Kewaskum, Wausau West, GBSHS, Marshfield and Stevens Point.

The Indians didn’t let the busy week affect their performance at the weekend tournament as they won three out of the four games.

The girls beat Wausau West and GBSHS with a score of 2-0. They took a 2-1 victory against Stevens Point and only fell short against Marshfield by losing two close sets.

The team will travel to Ripon on Thursday, Oct. 3, for a 6:45 p.m. matchup.

# Gridiron Indians Take Three of Four Games Against Dawgs

## KEWASKUM GRIDIRON

The Kewaskum Gridiron Indians hit the road, traveling to Cedarburg to play the Dawgs this past Saturday, Sept. 28. The 6th, 7th and 5th grade teams were able to come away with hard fought victories, while 8th grade played hard but lost in a close game.

### Eighth Grade

The 8th grade team trailed 16-0 at halftime and by as much as 22-0 in the second half before they fought back and had a chance to tie the game in the closing minute but came up short in a 22-14 defeat.

The Indians came away with an interception by Sam Herman on Cedarburg's opening drive but the offense couldn't get much going at all. The defense held strong in the first quarter but Cedarburg was able to find the end zone twice in the second quarter and converted both two-point kicks for a 16-0 halftime lead.

The Indians got the ball to start the second half and had a nice offensive drive going with a good mix of running and passing, but, unfortunately, a Cedarburg player read a swing pass perfectly and stepped in front of it for an interception and returned it all the way for a Dawgs' touchdown. The two-point kick was blocked by Weston Ciriacks to keep it at 22-0.

On the Indians' next possession, Herman threw a pass that was tipped in the air, and Bryce Zehren was able to catch it and then proceeded to take it all the way for a 75-yard touchdown catch to make it 22-6.

The Indians then went with an on-side kick and recovered it to keep the momentum going but the offense couldn't capitalize as they turned the ball over on downs and the score

remained 22-6 entering the fourth quarter.

The Indians' defense held strong, and a nice punt return by RJ Ciriacks set the Indians up with great field position, and they were able to score on a five-yard touchdown run by Ciriacks, and Kamden Derge made the two-point kick to make the score 22-14.

The Indians then forced a fumble that was recovered by Christian Oldenburg to give the Indians one last chance. They were able to move the ball down to the 20-yard line but then couldn't convert a couple of pass plays and eventually turned the ball over on downs, and Cedarburg was able to run out the clock.

With the loss, the 8th grade record dropped to 2-2 on the season.

### Seventh Grade

The 7th grade team played a tight game that went back and forth and eventually came down to the final seconds before the Indians secured a 28-26 victory.

In the first quarter the Indians were able to grab a 6-0 lead with a Henry Ogi quarterback keeper. Other standout offensive plays in the quarter included a 20-yard catch by Micah Peck from Ogi and a 25-yard run by Kyle Spoerl. Defensively, key tackles were made by Cole Kertscher and Tony Pasbrig.

The second quarter saw scores by each team. First, it was another Ogi rushing touchdown followed by a two-point kick by Ogi to make it 14-0. Then Cedarburg was able to answer with a touchdown and two-point kick of their own to make the score 14-8. In the quarter there were some great blocks made by August Vorwerk and Kobe Kreis, and Spoerl

added nice runs of 15 and 25 yards, along with Pasbrig coming up with a 25-yard catch from Ogi. On defense, key tackles were made by Bowen Nass and Kertscher and a fumble recovery by Ogi.

In the third quarter, Cedarburg found the end zone again to tie up the game at 14-14 to set the stage for a wild fourth quarter.

Peck was able to get a nice 60-yard return but the Indians turned it over on downs. When they went back on defense, they were able to force a Cedarburg safety to take a 16-14 lead, and then on the ensuing kickoff, Ogi returned it all the way for a touchdown to build the lead to 22-14. The Dawgs answered back with a touchdown of their own to make it 22-20. Ogi, yet again, was able to find the end zone with a rushing touchdown to push the lead back to 28-20. With two seconds left in the game, Cedarburg was able to find the end zone again to make it 28-26 with a two-point kick to try to tie the game, but it was blocked by Nass to preserve the 28-26 victory for the Indians.

With the win, 7th grade improved their record to 3-1 on the season.

### Sixth Grade

The 6th grade Indians defeated Cedarburg Orange by a score of 13-6.

The Indians started off the scoring on the day when Dawson Scheel found the end zone on a dive play for a two-yard touchdown.

Cedarburg's next offensive drive was halted when Gage Lang intercepted a Dawgs' pass giving the Indians' offense another chance.

The Indians took advantage, after a couple short running plays, Decker Schutz found Aiden Bartelt behind the defense for a 40-yard touchdown pass. Schutz added the point after with a one-point conversion pass to Dawson Scheel.

The next Cedarburg drive was once again halted by Lang as he stepped in front of a receiver and intercepted a Cedarburg pass for his second on the day. Cedarburg managed to find the end zone late in the third, but the

Indians' offensive line and defense took over in the fourth quarter.

Kewaskum kept possession of the ball most of the quarter. Charlie Ogi rushed for 101 yards with Schutz adding 50, behind the solid offensive line play of Wyatt Herman, Mason Schulenberg, Lincoln Flassig, Rory McCain, Shane Guttmann, Raidyn O'Neill, Bram Herriges and Parker Koch. The defense was paced by Guttmann, who had seven tackles and three TFL. Caleb Thull added seven tackles and Mason Schulenberg had four tackles and two TFL. Easton Junk and Ogi added three tackles each.

The win brings the 6th grade's record to 3-1 on the season.

### Fifth Grade

The 5th grade team found themselves in a very tight game but were able to come out on top with a 14-13 victory.

Offensively, they were able to move the ball pretty well all game and their scores came when Beckett Boeldt hit Benson Stahl on a screen pass for a touchdown and Boeldt was able to make the two-point kick. The other touchdown came from Parker Marx who scored on a nin-yard touchdown run that was sprung by a great block by Jaxson Weninger.

Defensively, the Indians struggled a little bit in the first half with allowing Cedarburg to get to the outside, but the kids made adjustments and played much more disciplined in the second half and shut down the Cedarburg offense.

Defensive standouts included Owen Paulus, Sawyer Knorr and Logan Watzlawick, who all came away with nice tackles in helping the Indians to seal the 14-13 victory.

With the win, the 5th grade record improved to 3-1 on the season.

The Gridiron Indians will be in action again on Saturday, October 5, as all four teams will host the Slinger Blue Owls as we celebrate Parents Day. Come out and support the Gridiron Indians as the 8th grade gets things kicked off at 9 a.m.

# K.H.S. Tennis Take on Five Games Last Week

**BREANNA RICE**  
JOURNALIST

The Kewaskum High School girls' tennis team battled a full schedule last week as they competed in five matchups.

The Lady Indians started the week off by hosting Oshkosh Lourdes on Monday, Sept. 23.

"This was our final home meet of the season," explained Head Coach Brad Preder.

The girls worked hard to get a victory and beat Lourdes with a score of 4-3.

"We had singles wins from sophomores Macy Milella and McKenna Lange and wins from the doubles teams of Olivia Beck and Emma Klahn, and Macy Sabish and Ella Drewitz," mentioned Preder.

The following day, Tuesday, Sept. 24, Kewaskum traveled to Two Rivers.

"This was our final Eastern Wisconsin Conference match of the season and were defeated 5-2," said the coach.

Although the girls lost, Liz Erdmann and Macy Milella had impressive singles wins.

"Overall, we were sluggish after the long busy ride up there and were without a player causing us to shuffle our lineup," stated Preder.

Looking back on the matchup, the coach mentioned that the team could have done a better job overcoming the obstacles they faced that day.

On Saturday, Sept. 28, the girls played in the Hartford quad where they took two losses and one win.

"We were defeated in dual meets by Hartford and Kenosha Bradford, before finishing the day with a victory over Milwaukee King," explained the coach.

Preder stated that Macy Milella had the best day for the team. Milella went 3-0 on the day, and has now won six straight matches.

"McKenna Lange also had a good day with two singles victories," he added.

The Indians are scheduled to wrap up their regular season on Thursday, Oct. 3. The girls will travel to St. Mary's Springs.

"The following week we will compete in the WIAA sectionals," concluded Preder.

AN OUTDOORSMAN'S JOURNAL

# Fall Waterfowl Hunt on the Turtle Flambeau Flowage

**MARK WALTERS**  
COLUMNIST

*Hello friends,*

This week's column is going to go a mile a minute as there is a ton to write about. I generally hunt the northern Wisconsin duck opener on the Turtle Flambeau Flowage. I missed it due to the fact that my nephew, Trent Schuster, happened to get married to a very nice lady named Amanda Wendt. Run, Amanda, run!

Instead, I headed north with the pups, my War Eagle, and my canoe on Monday, and though I knew the shooting would be minimal, I was very excited for the trip and now had something else that I could blame on Trent.

**Monday, September 23**

**High 74, Low 42**

Here is the plan: launch canoe and War Eagle, travel with very happy pups to duck paradise, hunt, sleep in War Eagle Hotel, and repeat process for two more days. Folks, I was on a roll and when I got home I would only have one day before I headed southwest for the southern Wisconsin opener on the Mississippi River. So, I anchor the War Eagle and load the canoe for the afternoon expedition and am a bit concerned that I have yet to see a duck - "Thanks, Trent."

I paddle to no man's land, there are zero waterfowl but I am doing "forced nothing" which I really need to do. After two hours, I am buzzed by a flock of teal and miss. This would be my only experience until after shooting hours. Ten minutes after

The War Eagle Hotel was not as comfy as it looks.

shooting hours were over, I watched a hundred million mallards buzz me. Waterfowl really seem to learn when you cannot shoot at them.

Back at the War Eagle Hotel, I lit a propane lantern and really enjoyed the evening. About 10, I rolled out a tarp, put my sleeping bag in it, and tried to sleep.

**Tuesday, September 24**

**High 87, Low 64**

Sleeping did not work out so well. There were multiple problems such as I was on the floor of my boat and it was too short to lay length wise, there was a very heavy dew and my sleeping bag sucked up moisture at a steady rate, and both pups demanded the best spot on the floor which was the top of my head.

So, I am up and at em, two hours before daylight, paddle to duck paradise and am a little concerned that I am not flushing any of the millions of mallards that I saw last night. I was so careful that I didn't even turn on my headlamp.

Daylight arrives, I do not see a single duck - "Thanks, Trent." Two hours after daylight, a goose flies

over and I foolishly think it is out of range - it wasn't. An hour later, I saw a lone goose. It was at least a half mile away. I can honestly say that because I am so horrible at calling geese that I have not tried in 15 years. I give my best attempt and the bird does a 180 and heads my way, then it turns around and leaves the zone. I decide to try again, give a honk, it does a 180, comes in with its wings set and I dumped it. Two hours later, I dropped another and all was well.

At midday, I tried a snooze, but it did not work. I decide to go exploring by canoe. I find a 4-inch musky that has just died, and it has a small walleye in its mouth that I am sure was too big to digest, and once again, it was proven that gluttony can kill. I also observed that the water is down about 16 inches from normal and every muskrat den is above the water line. That is not good if you are a muskrat.

With three hours of daylight left, I picked a pretty spot to sit and put out my decoys. I had one round of shooting and that was at a wood duck.

It seemed to have been tickled and

This 4-inch musky literally bit off more than it could chew and the walleye that it had in its mouth was the cause of its death.

**MARK WALTERS PHOTOS**

sailed a good 300-yards and out of site. When shooting hours were over, the pups and I went looking for it and by-God, Ruby found it.

Sleeping was the same as the previous night, and the following morning, I did not get a shot.

If you see Trent Schuster, punch him in the shoulder and tell him his Uncle Mark sent that his way!

*Sunset*

# Don't Miss Wisconsin's Youth Deer Hunt Oct. 5-6

## WIS. DEPT. OF NATURAL RESOURCES

The Wisconsin Department of Natural Resources (DNR) encourages hunting mentors to introduce the rich tradition of deer hunting to the next generation during Wisconsin's annual youth deer hunt.

The youth hunt offers hunters 15 years old and younger the chance to learn hunting techniques and develop a connection to nature at a time when deer are less pressured than during the traditional 9-day gun season. Wisconsin residents and non-residents may participate in the youth hunt.

Youth hunters, with or without hunter education certification, are eligible to hunt while under the supervision of a mentor. For all hunters younger than 11 years old or hunters ages 12-15 who have not completed hunter education, the mentor must be at least 18 years old, a hunter education graduate, hold a current hunting license and remain within arm's reach of the youth hunter.

For hunters ages 12-15 who have completed hunter education, the mentor must be at least 18 years old but does not need to be a hunter education graduate or a licensed hunter. The mentor must be in both visual and voice contact with the youth

hunter.

One mentor may not accompany more than two youths at the same time. Be sure to review the Youth Deer Hunt rules and regulations for full details.

### Practice Safe Hunting

The youth hunt is an excellent opportunity to teach and practice safe firearm handling. Remember the rules of TAB-K:

- Treat every firearm as if it is loaded.
- Always point the muzzle in a safe direction.
- Be certain of your target, what's before it and what's beyond it.
- Keep your finger outside the trigger guard until ready to shoot.

Any time a firearm deer season is taking place, including the youth deer hunt, at least 50% of all hunters' clothing above the waist must be blaze orange or pink. This requirement applies to archery hunters and small game hunters. Waterfowl hunters are exempt from this rule.

New hunters can celebrate this experience with a first harvest certificate. Follow the instructions on the DNR's First Harvest Certificate webpage to upload information about the experience.

## Hwy S Intersections with Hwy R and Hwy 175 Construction Completed

Reconstruction of the intersections of County Trunk Highway S with County Trunk Highway R and State Trunk Highway 175 in the Town of Addison is complete and the roadways are open to traffic. The intersections were designed and built to current standards to address safety for the travelling public as well as the volume of traffic that regularly uses this route. The project was funded fully by Washington County.

Washington County recognizes Wondra Construction, their subcontractors, and Project Engineer Keith

Lueck from Gremmer and Associates for their hard work to complete the project approximately two weeks ahead of schedule.

Individuals with questions can call the Washington County Highway Department at 262-335-4435. Staff at the Washington County Highway Department express appreciation for the public's patience and understanding as it strives to provide a safe public transportation network that is well-maintained, accessible and enhances safe traffic flow and mobility.
