

2024 Flyway Conference Champions

The Campbellsport boys' varsity cross country team wins the Flyway Conference. From left are Trent Dieckman, Logan Nolan, Gavin Pickering, Garrett Pickering, Brody Nolan, Caleb Siebauer and Sawyer Dirmeier. **SUBMITTED**

Campbellsport Boys Win Flyway Conference Meet

COACH MIKE KULIBERT CHS CROSS COUNTRY

The Flyway Conference meet was held last Thursday, October 17, at St. Lawrence Seminary, and everyone was talking about the famed "Big Bertha," a very large hill near the end of the difficult St. Lawrence course.

The Campbellsport varsity boys placed all seven runners in the top eleven to win the conference meet with 31 points. St. Mary's Springs finished in second with 74 points, and North Fond du Lac/Oakfield was third with 98 points.

Sophomore Garrett Pickering was the individual conference champion. Pickering was the only runner to break 18 minutes coming across the finish line in 17:50. Garrett becomes the first individual boys' conference champion from Campbellsport since the early 1990's.

Four Cougar runners earned first team allconference honors: Garrett Pickering (first), Logan Nolan (sixth), Brody Nolan (seventh), and Gavin Pickering (eighth). Earning second team all-conference honors for the Cougars were Sawyer Dirmeier (ninth), Caleb Siebauer (10th), and Trent Dieckman (11th).

In the JV boys' race, Campbellsport had five runners in the top 10 to win with 24 points. St. Mary's Springs (42) finished second, and St. Lawrence Seminary (54) was third.

Aydryan Meilahn was the individual champion covering the 5,000-meter course in 19:32. Noah Bobb was third, Mason Dirmeier was sixth, Na-

Area Deer Poaching Investigation Involves Four Campbellsport Individuals

SHERIFF RYAN F. WALDSCHMIDT FOND DU LAC COUNTY SHERIFF'S OFFICE

Over the last two months, investigators from the Fond du Lac County Sheriff's Office and Wisconsin Department of Natural Resources female and three juvenile males were identified as the primary suspects of this investigation. These alleged crimes occurred in the 200 square mile region between Campbellsport, Waucousta, Lomira, Theresa, West Bend, and Kewaskum. Much of this activity occurred after dark and would continue well into the early morning hours of the following day. Suspects drove around with a spotlight shining the fields, and when a deer was identified, suspects would fire a rifle from the vehicle at the deer. If they believed a deer was shot, suspects would enter the field to identify the sex of the deer. Most of the deer they found dead would be left to rot where they lay. However, the heads of some bucks were

Supplying Happiness to Victims of Hurricane Helene

CLARICE CASE EDITOR

Inspired by Drexel's mission to "supply happiness," an employee at the Amherst location, Jeff Reichert, presented the idea, "Operation Sunshine," to the company in response to Hurricane Helene, which made landfall on September 26.

Reichert presented the idea for Operation Sunshine, a collection of non-perishables to be delivered to Tennessee, during a Google Meet on the morning of Monday, Oct. 7.

A recording of Reichert explaining the operation was quickly posted on social media and reached 60,000 people and counting, according to Drexel, as of Tuesday, Oct. 15.

"Everyone has shown overwhelming generosity all over the state - builders have donated thousands of dollars worth of supplies, and businesses

Kewaskum Volleyball Are Conference Champions

BREANNA RICE JOURNALIST

The Kewaskum girls' volleyball team finished conference matches last week with a game against Winneconne.

"Going into their match against Winneconne, the girls had already secured a share of the conference championship. A win against Winneconne would then give Kewaskum the claim of sole champion," stated Head Coach Burg.

(DNR) conducted hundreds of combined hours of investigation into the alleged killing and mistreatment of whitetail deer and other wildlife in southeastern Fond du Lac, northern Washington, and northeastern Dodge Counties. The investigation identified a significant number and variety of criminal and non-criminal violations and this media release is intended to provide a summary of our findings.

Investigators have reason to believe that well over 100 deer were shot and/or killed between late spring of 2023 and July of 2024. One adult

See **DEER POACHING** page 2

The coach explained that the Indians came out strong in sets one and two.

"Strong serving and an attacking mindset were key," he stated.

Winneconne made a comeback in set three and forced Kewaskum into a fourth set.

"Set four was another back-and-forth battle. Extremely strong and timely defensive plays by Ke-

On Aging

Dear Reader,

As we grow older, the reality of needing a little extra help to stay healthy becomes more apparent. High blood pressure, cholesterol, diabetes, asthma—these conditions often creep into our lives as we age. The truth is,

once we hit 60, it's common to rely on at least one medication to manage our health. It's a fact of life, and it's not something to be ashamed of. Instead, it's a sign that we're taking the necessary steps to ensure we live longer, healthier lives.

But what can we do about this reality? First and foremost, we need to recognize that our bodies are the most precious assets we have. With just one body to carry us through life, it's essential that we take care of it—physically and mentally. That means staying active, eating well, and ensuring that our mental health is just as much of a priority as our physical health.

In the hustle and bustle of daily life, it's easy to focus only on the physical aspects of health taking our prescribed pills, going to our doctor's appointments, monitoring our blood pressure. But mental health is equally crucial. To be dynamic, charismatic, and fully functional, we need to nurture our minds just as we do our bodies. Whether it's through meditation, social connections, hobbies, or simply taking the time to relax and de-stress, maintaining mental wellbeing is key to a truly healthy life.

So, while it's true that pills may become a necessary part of our daily routine, let's not forget that they're just one tool in our arsenal. A healthy lifestyle—both physically and mentally—can make all the difference in how we age and how we feel. Let's embrace the fact that, with the right support, we can live vibrant, fulfilling lives, no matter what age we are.

PATRICK J. WOOD Publisher Author of "Reflections" a new book now available on Amazon.

G.A. SCHEINOHA CONTRIBUTOR

City resident or country dweller, we've all done it. Not leave the wallet at home. Though switch slacks and forget the contents in the pockets seems to be all that's necessary. A major pain if you've just gone to the store a few

RURAL WRITES

miles down the road to get something. Beside the aggravation of retracing your steps, there's the greater annoyance of motoring without your driver's license. Never did a more safety conscious job since trying to earn the license, while returning home.

What we're discussing is the blame fool trick of locking the keys inside the car. Just heard the alarm ding, warning me they were in the igntion. Rushed on a Friday afternoon with paycheck in hand, and nobody home but the lights still on in my head, missed catching the door as it clicked shut.

Dad did the same once with his LTD station wagon. What else to try first but a MacGyver; unwind a coat hanger and slip the slender wire between the rubber gasket and unframed glass

between the rubber gasket and unframed glass edge. If at first you don't suceed, cuss a bit, then have at it again. Who should pull up but a Fond du Lac County

Sheriff's Office patrolman. You can well imagine his curiosity. Reluctant to assist less he damage the vehicle, his initial "What's going on here?" met only with a smirk. Don't think he'd appreciate the joke.

"Oh, just a father teaching his sons how to boost a car."

Next car Dad owned was a Pinto wagon in olive drab green spattered with scatter gun rust. Don't recall ever having to go through the motions with it. Wouldn't have been necessary. Paranoia may destroy ya but the previous owner must've made a similar mistake. More than once by the looks of it. A peek beneath the rear bumper found a half dozen keys wired to various spots on the chassis.

DEER POACHING from page 1

removed by these suspects, particularly when the buck had large antlers. Other deer were wounded by gunshots but not killed. Many of these nighttime excursions involved shooting multiple deer in the outing.

Investigators determined these suspects would also drive around with the intent of striking deer in the roadway with their vehicle. In one incident, the deer survived being struck by their vehicle but was severely wounded from the impact. The juvenile suspects picked the deer up and placed it in the trunk of their vehicle while recording video and taking "selfies" of and with the deer. They drove around to various locations with the deer still alive and suffering in the trunk or back seat and continued to produce video clips documenting their travels with the wounded deer. One of the videos showed the suspects holding the deer, still alive but clearly suffering, while walking around the inside of their home. The deer eventually died while in their captivity hours after being struck with the vehicle. In another incident, this spring they found a newly born fawn alongside the road and captured it. The fawn was also placed in a vehicle and driven around, taken inside their residence, and was later released back into the wild. In addition to capturing and/or killing deer, investigators obtained evidence to believe these suspects also targeted and harassed other wildlife including geese, raccoons, possums, and turtles. These animals would oftentimes be captured, held in captivity and harassed prior to release.

Suspects involved in these crimes include three 16-year-old Campbellsport males and one 36-yearold Campbellsport female.

The following is a list of alleged criminal and civil DNR violations involved in this investigation.

- This list is not all-inclusive:
- Mistreating animals resulting in death
- Possession of a dangerous weapon
- Hunting deer with artificial light
- Hunting during the closed season
- Possession of a firearm while shining

Possession of deer during the closed season
Loading or discharging a firearm in or from a motorized vehicle

• Discharging a firearm from or across a highway or within 50 feet of the center of a

roadway

• Hunting within 50 feet of a road's center

• Transporting a loaded firearm in or on a moving vehicle

• Possession of game killed by unlawful or unknown means

• Hunting with weapon/ammunition of inherent design, or used in a manner, not reasonably

capable of reducing target to possession (i.e. shooting an animal without the expectation

of successfully harvesting the animal)

• Unauthorized taking of live wild animals from the wild

• Depositing or discharging solid waste on public or private property

Obstructing a Conservation Warden

Both the Fond du Lac County Sheriff's Office and Wisconsin Department of Natural Resources have referred numerous charges to the Fond du Lac County District Attorney's Office, Washington County District Attorney's Office, and Fond du Lac County Juvenile Intake. After the initial media release in July, I was asked by a media outlet to describe what I felt about the accusations. My gut response was: "Senseless. Reckless. Indiscriminate." Since that time, and after reading reports and observing video and photographic evidence obtained during

Letter To The Editor Policy

Letters to the Editor must include the writer's full name, address, and other contact information (only your name and town will appear in print and online).

We will not accept a letter from an unidentified source.

• Letters should be no more than 500 words and may appear in our weekly print issue.

• Letters may be edited by our staff for length, clarity and facts.

• The *Campbellsport News* and *Kewaskum Statesman* will only print letters that address a specific issue or article that may be of interest to the bulk of the readers.

• Submit Letter to the Editor to Clarice Case, editor, at <u>ccase@mmclocal.com</u>, 920-583-8338, 106C S. Milwaukee St., PO Box 277, Theresa, WI 53091.

We will not print letters that:

Contain potentially libelous material. Libel is any malicious, unsubstantiated or untrue statement about someone that damages their reputation. Submissions must have facts to back up all claims.

Support discrimination on any grounds. This includes, but is not limited to, discrimination based on age, ability, gender, sexual orientation, religion or culture.

Are vulgar, profane, obscene, or otherwise offensive. Make explicit or implied threats. This includes personal attacks, intimidation, bullying or threat of harm against a person or organization.

Contain copyrighted material or that have been printed in another publication. All Letters must be an original writing by the signer and exclusive to the *Campbellsport News* and *Kewaskum Statesman*.

Identifies another person, unless that person has given their explicit consent. We assume that any person identified in a letter has consented to be mentioned in the letter.

Copyright and Reprint Permission

The writer of a Letter to the Editor maintains copyright of their letter. Any other individual or organization must seek permission from the writer if they wish to reprint a letter to the editor.

Political Letters to the Editor

All letters submitted as an endorsement for a political candidate, referendum or political agenda will carry the same guidelines as above; however, they will be charged \$40 for the first 250 words and an additional \$10 per additional 50 words. All political letters must be prepaid prior to printing. Some submissions may be referred to our advertising department to be run as ads.

Campbellsport Fire Auxiliary Soup Sampler is November 2

Fall is here and so is cooler weather. With that we start thinking about comfort foods that warm us up on the inside, such as hot chocolate, warm apple cider and hot soup. Did someone say "SOUP!"? Yes, on Saturday, Nov. 2, from 4-7 p.m., the Campbellsport Fire Auxiliary Soup Sampler will be held at the Campbellsport Fire Station, located at 548 East Main St. There will be 20-30 different varieties of soup to sample including chicken noodle, chili, stuffed green pepper, cheeseburger to broccoli cheddar, white chili bean and vegetable soups, just to name a few. And

all are homemade!

After sampling the soups, top off the experience with a homemade dessert. Not only will the event have a variety of soups and desserts, but also it will host a variety of local vendors so that participants can do some early Christmas shopping. Don't forget to take a chance on more than 25 raffle baskets.

So, come join us for an evening of food, shopping and fun. Don't forget to bring family and friends! All proceeds will go to the Campbellsport Fire Auxiliary for some new upcoming projects.

SENIOR DINING MENUS

October 28-November 1

Fond du Lac County Senior Dining

There are two locations in Fond du Lac for senior Dining: Northgate Senior Apartments and Boda's Restaurant at the Eagles Club. Each has a separate menu, which follows the name of the location.

Mobile Meals (Home Delivered)

This is available to those who meet eligibility requirements. Suggested donation is \$5. To find out more information or determine eligibility, call 920-929-3466.

Northgate Senior Apartments

Those eligible are welcome to dine at Northgate Senior Apartments, 350 Winnebago Street, Fond du Lac. The meal is served at 11 a.m. To register, sign up at the site or call 920-929-3937 before 11:30 a.m. at least one business day before the meal.

Monday: Chicken cacciatore, garlic mashed potato, broccoli cuts, pear slices, applesauce cake, bread.

OBITUARIES

Janet L. Enright (nee Allarding), 89, of Kewaskum passed away in the early morning hours on Wednesday, Oct. 16, 2024. She was born in West

Bend, on November 20, 1934, to the late Edward and Hattie (nee Kotecki) Allarding.

Shortly after high school graduation, and while attending her first Boltonville picnic, Janet

met the love of her life Kenneth "Kenny" Enright. Kenny courted Janet for two-and-a-half years immediately proposing marriage to her after he returned home from the service in June 1956. Two short months later, on August 25, 1956, they were united in marriage at Holy Angels Catholic Church, West Bend. Together they raised their three boys Mike, Tom and Steve.

In the early years, Janet worked on the family farm doing morning chores before heading to work at the West Bend Company. But the role she loved the most was being a stay-at-home mom to her boys, housewife to Ken, and baking homemade breads, pies and other sweet treats for her family daily.

She was a member of St Michael's Catholic Church, the Christian Women's Group, and an active member of the St Michael's prayer line. She ran the church kitchen for many years. Her love for cooking and baking served many a home cooked meal, when attending St Michael's annual Fall Festival or eating lunch after a funeral. Janet was well known in the Boltonville community for her perfected German potato salad.

Janet was a former member of the local chapter of Red Hat Ladies and the Tuesday afternoon ladies bowling league at Lighthouse Lanes. She enjoyed gardening, reading, crocheting, and playing cards with family, grandchildren, and friends. She rarely sat out of a good round of Sheepshead playing many a hand at the Kewaskum's Senior Center and attending Bingo nights at local town halls. Janet especially enjoyed her time spent with family and friends. She was blessed to be called "Grandma Janet" too many grandchildren and great-grandchildren. She will be sadly missed by all who knew her.

Those Janet leaves behind to cherish her memory include her three sons, Mike (Linda) Enright, Tom Enright, and Steve (Jill) Enright all of Boltonville; six grandchildren, Corey Enright, Jason (Jen) Enright, Barb (Fiancé Ben) Eckes, James Landrum, Jon Enright, and Brooke (fiancé Evan) Enright; 11 greatgrandchildren, Abigail, Ranen, Madison, Hadley, Lauren, Eisley, Kaitlynn, Tysen, and Nolan Enright, Bryn and Leilah Eckes; a sister, Lou Ann Weber; a brother-in-law, Joe (Ann) Enright; two sisters-in-law, Marie Hintz and Cordell Enright; other relatives and friends.

In addition to her parents, she was preceded in death by her husband of 66 years, Kenneth Enright; a sister, Elaine (Roman) Ritger; four brothers-in-law, John Weber, Ralph Hintz, Merlin (Eleanor) Enright and Gerald Enright; two sisters-in law, Janet (Fred) Mleczek and Irene (Roger) Knoeck; grandson-in-law, Jon Eckes; and three nephews, Doug Enright, Jim Weber, and Bill Enright.

VISITATION: Janet's family greeted relatives and friends at St. John of God Chapel on Tuesday, Oct. 22, from 11 a.m. until the start of the service.

SERVICE: A memorial Mass for Janet was held at St. John of God Chapel on Tuesday, Oct. 22, at noon. Burial followed.

The family would like to thank the doctors, nurses, and staff at Aurora Medical Center Hartford for their

Dorothy L. Randall

Dorothy L. Randall, 94 (nee Braatz), of Eden, passed away Thursday, Oct. 17, 2024 at the Hospice Home of Hope in Fond du Lac.

She was born on March 8, 1930, in Fond du Lac, the daughter of William and Minnie (Sielaff) Braatz.

She was a graduate of Goodrich High School in Fond du Lac.

On July 30, 1949, she married Gene Randall at St. Peter's Lutheran Church in Fond du Lac.

She loved spending time with her friends and family. Some of her hobbies included playing Sheepshead and Pass the Ace.

Survivors include her sons, Mark (Veronica) of Eden, Scott of Glenbeulah, and Brad (Jill) of Lamartine; grandchildren, Steve (Jess) Randall, Samantha (Caleb) Pike, Johannah (Tony) Trudeau; great-grandchildren, Sydnee, Jackson, Mason, Sebastian, Olivier; sisters-in-law, Gail of Lamartine, Sandra (Donald) of Fond du Lac, and Mary (Kenneth) of Fond du Lac. She is further survived by many nieces, nephews, other relative and friends.

She was preceded in death by her husband, Gene, in 2012; her parents, William and Minnie; her daughter, Phyllis; her granddaughter, Stephany; brothers, Orlon, Leroy (Mary Ann), Layton, and Harold; sister, Betty (Dale) Kussow; her in-laws, George and Evelyn; her brothers-in-law, Donald, Melvin, and Gary; daughter-in-law, Therese; and brother-in-law, Dudley.

VISITATION: Took place on Tuesday, Oct. 22, from 4 p.m. to 6 p.m. at Twohig Funeral Home, (305 Fond du Lac Ave.), Fond du Lac.

SERVICE: Took place at 6 p.m. at Twohig Funeral Home with Chaplain Jim Mallman officiating. Private family burial took place at Empire Cemetery.

Online guestbook and condolences at www.twohigf unerals.com

The family extends a special thank-you to the staff and nurses of Edenbrook, and the Hospice Home of Hope for their care and concern shown to our Mom in her final days.

John Frank Boegel

John Frank Boegel, 81, passed away on Tuesday, Oct. 15, 2024, at his home with his family by his side.

John was born on January 7, 1943, in Kewaskum, to the late Oscar and Lucy (nee Weitor) Boegel. John served his country in the Marines.

He was united in marriage to Rita Wenninger on July 6, 1968, at Holy

Trinity – Kewaskum.

John was a US Postal Service worker.

He also loved to do word puzzle books. John was a huge Johnny Cash, Creedence Clearwater Revival, and Elvis Presley. John was a simple man who loved the small things in life. He loved his grandchildren and great–grandchildren.

Those left to cherish John's memory include his wife, Rita Boegel; son, Joshua Boegel; grandchildren, Brooklyn Schmidt and Abbygail Dundurs; two great-grandchildren, Huxdyne and Kaitlyn Sharick-

Steven G. Martin

Steven G. Martin, 66, of the Town of Empire passed away Sunday, Oct. 13, 2024, at his home after a four-month battle with cancer.

He was born in Fond du Lac on August 22, 1958, the son of the late Gerald and Audrey (nee Rauch) Martin.

On April 24, 1993, Steve was united in marriage to Karen A. Dyken in Eden.

Steve was a 1976 graduate of Campbellsport High School and received an Associate Degree from MPTC. Steve worked in sales for AS&T in St. Kilian.

He enjoyed fishing and hunting, was a grill master, and was the popcorn monster with the grandchildren. Steve's favorite time was when he could spend time with grandchildren, great-grandchildren, and all his family.

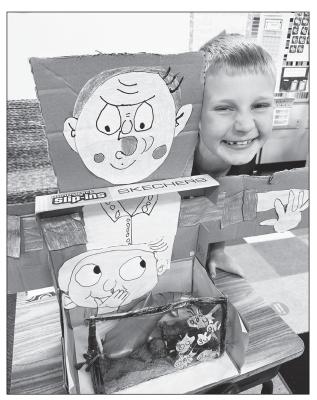

Survivors include his wife, Karen; son, Jeremy (Jodie) Dyken; daughters, Jessica (Duane) Hart and Jennifer (Dan) Metz; grandchildren, Alexander, Taylor, Jordan (Kanae), Kayla (Christopher), and Maverick; great-grandchildren, Evelyn, Amelia, and Ren; sisters, Deb Martin, Sharyl (Clint) Odekirk, and Patti (Tom) Flasch; brother, Timothy (Kay) Martin; special friend, Dale Rose; nieces, nephews, other relatives and friends.

Along with his parents, Steve was preceded in death by his aunts, Mae and Fern Martin; father-inlaw, Paul Dyken; mother-in-law, Beverly Strzelecki; and brother-in-law, Lloyd Worden.

Visitation will be Tuesday, Oct. 22, from 1 to 3 p.m. at the Twohig Funeral Home, 109 W. Main St., Campbellsport, followed by a memorial service at 3 p.m. at the funeral home.

In lieu of flowers, the family will be establishing a memorial in Steve's name.

Twohig Funeral Home is assisting the family, with guestbook and condolences at www.twohigfunerals. com (920) 533-4422.

Class Presentation

exceptional help and care.

The Myrhum – Patten Funeral and Cremation Service has been entrusted with Janet's arrangements. Additional information and guest book may be found at www.myrhum-patten.com.

Dundurs; other relatives and friends.

VISITATION: John's family will greet relatives and friends on Friday, Oct. 25, from 12 p.m. until 3:00 p.m., at Myrhum – Patten Funeral & Cremation Service, 215 Forest Avenue, Kewaskum, WI.

SERVICE: A memorial service for John will follow visitation at 3 p.m. at Myrhum – Patten Funeral & Cremation Service with Father Patrick Magnor officiating the service. Burial and Military Honors will take place at Holy Trinity Catholic Cemetery.

Myrhum – Patten Funeral & Cremation Service has been entrusted with John's arrangements. Additional information and tribute wall can be found at www. myrhum-patten.com.

65th Class Reunion - Kewaskum High School Class of 1959

The Kewaskum High School Class of 1959 celebrated their 65th class reunion at our old stopping grounds (known as Steve & Mary's Minor Bar) now currently named Foundry 45 on Wednesday, October 2, from 4-7 p.m. Out of 58 graduates, (22 have passed away) 15 attended the reunion. A great time was had for reminiscing, memories and friendships. Attendees are (L-R) Carol (Bier) Zimmel, Roger Kudek, Nancy (Fickler) Wickert, Glenn Remmel, Marian (Walz) Herriges, Joyce (Rohlinger) Guse, Arlene (Zettler) Beisbier. Back row: Jim Hammes, Willard Liepert, Dan Coulter, Jack Weber, Richard Czaja, Connie (Rossow) Hall, Fred Kleinke and Larry Nitschke. SUBMITTED

HURRICANE from page 1

have opened up their own offices for drop-off spots too," stated Megan Gassner, marketing specialist, on behalf of the company. "Not to mention an insane amount of community members who have donated, called, and shared Operation Sunshine's mission."

Every day from 8 a.m. to 4 p.m. from the time of the posting to Thursday, Oct. 10, donations were collected at Drexel locations. Water was the biggest necessity and filled its own 53' semitrailer for delivery by the end of the three-day collection. The rest of the supplies were loaded into box vans.

Early Friday morning, Oct. 11, Reichert, and three other team members, Sayer Dolata, Carrie Ingalls, and Tanner Schaub took four semi loads down to Team Farrell Building Supply and Construction in Cosby, Tenn.

"I did a lot of research trying to figure out where is it safe to go; how can we make sure that the products get in the right hands," said Reichert.

Because of flooding, Reichert said they had to stop down the road of the drop-off location and unload everything by hand.

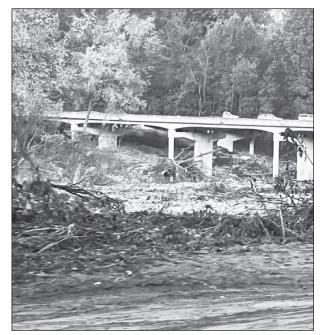

"They then donated their time all day Saturday to organize supplies and returned back to Wisconsin Sunday night," said Gassner. "With the abundance of donations and generosity, there will be another run to drop off supplies."

That second trip took place over the weekend from Friday, Oct. 18 through 20.

Reichert, like Gassner also expressed, was "overwhelmed" with the support and generosity that was received in the three days. He estimates over 90,000 bottles of water and 40,000 pounds of essential items were delivered between the two trips.

Gassner added, "While our Drexel locations are no longer drop off spots, there are several incredible organizations collecting monetary donations online. One of our favorites, with an amazing mission, is Samaritan's Purse."

For those wishing to make a monetary donation, please visit their website at www.samaritanspurse.org.

Jeff Reichert and his team had the opportunity to view some of the destruction around the Cosby, Tenn. area on their second trip this past weekend. PHOTO CREDIT: DREXEL BUILDING SUPPLY

October 31, 2019

Drexel Building Supply donated \$50,000 to Reigle Family Park, which was created in the Village of Kewaskum in October 2017. The donation has helped to cover the cost of excavating and grading, which was completed this summer. The donation came on top of another Drexel donation to stock and maintain the two-acre pond at the park.

The Kewaskum Statesman's mission is to inform, engage and entertain its local advertisers and readers through printed product, and now with an expanded digital platform we quietly launched in July. The new platform uses world-class technology made possible by a special partnership with member newspapers from the Wisconsin Newspaper Association and its digital partner, Tecnavia.

On Wednesday, Oct. 23, at approximately 9 p.m., an email containing a vague threat was sent to the Kewaskum High School junior class. The Kewaskum Police Department was alerted of the incident at approximately 9:01 p.m. The Kewaskum Police Department and Kewaskum School District worked together very quickly and diligently to determine that there was no immediate, creditable threat to our student body and that school would be in session on Thursday, Oct. 24.

The New Fane Kettle Riders Snowmobile Club participated in the "Breakfast on the Farm' on June 8. Most of the time, people see the trail groomer in the distance, but never this close up. Bob Kirst, New Fane Kettle Riders Club member, answered attendees' questions and allowed the children to get inside the Tucker.

Paula Carlton received the Kewaskum School District's Outstanding Service Award for 2019. This Outstanding Service Award is given to any district resident or Kewaskum Alumnus who has demonstrated longevity of service beyond the normal work day, shown positive impact on kids and has made contributions to the community. Carlton, who has her Ph.D. and is a nurse practitioner, has been instrumental in leading many community programs that benefit the health of the entire community. As a result, she has strongly impacted the lives of kids in Kewaskum.

Joseph Melzer, 78, of Neillsville, passed away on Wednesday, Oct. 23.

15 Years Ago

October 29, 2009

Kewaskum's football team is getting its shot to enact revenge on the opponent that ruined its homecoming, snapped its 30-game home winning streak and is responsible for the only blemish on its record this season. On Saturday, the Indians will travel to Plymouth to again take on the Panthers, the Eastern Wisconsin Conference champions who won their opening round playoff game Tuesday night. The Panthers beat the Indians 14-6 on October 9, snapping a 16-game conference winning streak.

Kewaskum school taxes aren't rising as much as projected, albeit by 3 cents less. The School Board on Monday approved a lower tax rate than the one presented at the annual meeting in August. The increase take the mill rate to \$8.66 per \$1,000 of equalized home value rather than \$8.69, according to a district statement. The owner of a \$150,000 home will pay \$1,266, up \$45 from last year's \$1,221. Dan Powell shot his first goose in Washington County after his buddy Greg Lambrecht talked him into hunting geese after the bowhunting wasn't going so well. The mature bird was between 12 to 14 pounds. A daughter, Maddyn Reese, was born to Sara and Christopher Sabish of Kewaskum on September 28. A son, Jarrod Eugene, was born to Erin and Eugene Hojnacki of Kewaskum on October 15. A daughter, Macy Jean, was born to Lisa and

Stephen Milella of Kewaskum on August 28.

Kathy Van Altena, 39, of West Bend, passed away on Tuesday, Oct. 20; Lois J. Pick (nee Johnson), 91, of West Bend, passed away on Thursday, Oct. 22; Francis P. 'Frank' Hartmann, 77, of Fond du Lac, passed away on Sunday Oct. 18; Willy Robert Blecher, 74, of Mission, TX, formerly of West Bend, passed away on Sunday, Oct. 18.

25 Years Ago

November 4, 1999

The new building at 1224 Fond du Lac Avenue is the office of American Family Insurance agent Randy Gust. The office officially opened for business on October 27. Randy was raised in Kewaskum. He graduated from Kewaskum High School and from Moraine Park Technical College. He started with American Family Insurance in July of 1985.

Parents of students going to Kewaskum Elementary, Wayne Elementary and Farmington Elementary told School Board members they need a change. That change included additions and remodeling at WES and FES and a new KES and administrative building. Voters gave their approval to borrow \$11,700,000 in general obligation bonds to fund this project.

Fond du Lac Red Cross Disaster Relief Services volunteer Sherrie Wittkopf and Sister Mary Ann Czaja, a native of Kewaskum, met recently while helping hurricane victims in Tarboro, NC. Thousands of residents were left homeless as flood waters rushed through the streets of Tarboro, NC, as an aftermath of Hurricane Floyd.

What started out as a Big/Little Buddy project during the 98-99 school year has transformed the courtyard of the Kewaskum Elementary School into a Pumpkin Patch. Mrs. Rankin's and Mrs. Kasten's classes were Big and Little Buddies and decided to make a garden. Over the summer the garden grew a lot! And now there are pumpkins everywhere that got very orange.

The Kewaskum Area Chamber of Commerce is pleased to announce the date for the annual Christmas parade will be Sunday, Dec. 5, at 5 p.m. The theme for this year's parade is "Christmas Past, Present or Millennium."

On October 1, members of the Kewaskum Fire Department hosted a fundraising tailgate party with the proceeds earned being donated to the Kewaskum Youth Scholarships, Inc. (KEYS) fund. Over \$900 was raised.

A son, Devin Michael, was born to Tanya Klein of Kewaskum and Michael Dunn, Jr. of Kiel on October 15.

Louis J. Lauters, 87, of Beechwood, passed away on Tuesday, Nov. 2; Deward R. 'Dewey' Miller, 79, of West Bend, formerly of the Town of Farmington, passed away on Tuesday, Oct. 26; Willard J. Meyer, 76, of Cecil, passed away on Sunday, Oct. 31.

50 Years Ago

October 25, 1974

The Miller Furniture of Kewaskum is in the process of construction directly north of the present store. When completed this will give Miller's Furniture more than double its present display area plus a large warehouse area. The building is being constructed on the site of the former Perschbacher Implement Shop, which was purchased by E. E. "Pat" Miller last January. A 26-year-old West Bend man, William Peters, R. 1, was being held in Jail by Ozaukee County authorities Saturday following a high speed chase that involved at least 15 police squad cars in three counties, several accidents, the running of several road blocks and numerous traffic violations. Four squad cars were hit and damaged in the chase, including one Campbellsport squad car, which was hit twice. A Kewaskum squad car and an Ozaukee County sheriff's car were also hit, as were two private vehicles in Grafton. Holy Trinity will have 38 first communicants who will receive their First Holy Communion on Sunday, Oct. 27, at the 8 a.m. Mass.

First place honors in dairy cattle judging were won by a Kewaskum High School junior at the World Dairy Expo in Madison recently. Recipient of a large trophy for his efforts was Todd Garbisch, son of Mr. and Mrs. Charles Garbisch of rural Kewaskum.

Fire Prevention Week was observed in the Kewaskum Schools by a visit from Smokey the Bear, sponsored by the Kewaskum Jr. Woman's Club. Smokey rode the fire engine to visit the Farmington School. He also visited all the kindergarten, first and second graders at Beechwood, Wayne and Kewaskum Schools. Special Education and Story Hour were also visited.

A daughter, Wendy Sue, was born to Mr. and Mrs. Gerald Jaeger, R. 1 Campbellsport, on Friday, Oct. 18.

A son, Jeffrey Lee, was born to Mr. and Mrs. Myron Heberer, R. 2 Campbellsport, on Friday, Oct. 18.

A daughter, Lorri Ann, was born to Mr. and Mrs. William Guell, R. 2 Campbellsport, on Tuesday, Oct. 15.

A daughter, Terra Ann, was born to Mr. and Mrs. Terrance Erickson of Campbellsport, on Monday, Oct. 14.

A son, Gregory Alan, was born to Mr. and Mrs. David Baken, R. 3 Campbellsport, on Friday, Oct. 11.

A son, Shannon Ralph, was born to Mr. and Mrs. Ronald Dins Jr., R. 2 Campbellsport, on Thursday, Oct. 10.

Gregor Kirsch, 79, of West Bend, a native of the Town of Wayne, passed away Saturday, Oct. 19.

75 Years Ago

October 28, 1949

Two pheasant hunters were wounded in a pheasant hunting accicent in a swamp three miles east of Kewaskum on Hwy. 28 Sunday afternoon. Deputy sheriffs were looking for two other hunters who fled after firing the shots that wounded Lloyd Petermann, 25, of Route 3, Campbellsport, and Howard Baer, 32, of West Bend. Peterman was struck by five pellets and Baer by seven.

The diamond jubilee or 75th anniversary celebration and grand opening of L. Rosenheimer's completely remodeled and modernized two-floor department store last Thursday through Saturday was a huge success. Over 7,500 people came to see the store and celebrate the gala occasion.

The 1949 homecoming game was a great victory for the Kewaskum Indians. They beat the Lomira Lions, 40 to 0.

It was a quiet, peaceful evening in Kewaskum Monday until about 10:45 p.m. when a car passed through on Hwy. 55. But this car got the town oall excited. For it was racing at an 85-mile-anhour clip and right on its tail were four police cars with sirens screaming and bullets flying. The officers were chasing Milton Molter, 32, of West Bend, who escaped from the Waupun state prison farm on Thursday, night, Oct. 20. He was captured at about 10:58 p.m. Monday at the Dutch Mill tavern north of Kewaskum, following a 19-mile gun chase in which 10 bullets were pumped into his stolen car before one punctured a rear tire, causing the auto to careen into the Dutch Mill parking lot. A class of 15 little boys and girls will receive their first holy communion during the 8 o'clock Mass at Holy Trinity church Sunday morning, Oct. 30, in the presence of the congregation, parents and relatives.

A daughter was born to Mr. and Mrs. Robert Gavin of Kewaskum on Tuesday, Oct. 25.

A son was born to Mr. and Mrs. Norbert Weiland of St. Kilian on Monday, Oct. 17.

Mrs. John Volm, 54, nee Lona Mueller, Town of Kewaskum resident, passed away early Tuesday morning, Oct. 25; Mrs. Louise Weddig, 80, nee Schaefer, former resident of Kewaskum for many years, died on Friday, Oct. 21.

Kewaskum Kiwanis October Students of the Month

Lauren Rettler

Hi there! My name is Lauren Rettler, and I am honored to be chosen as October's Student of the Month. Throughout my high school career, I have participated in numerous clubs and activities. Although I've tried five different sports in the past three years, softball is by far my favorite. I enjoy being a member of a variety of clubs, including National Honor Society, Student Council, Spanish Club, and Academic Bowl. In addition to my extracurriculars, I have been a math tutor since sophomore year, and I volunteer weekly at Casa Guadalupe in West Bend.

When I'm not in school or at a sport, I enjoy hanging out with my friends and family. I also like to bake, fish, and listen to music in my spare time. I've spent my last few summers as an intern at Drexel Building Supply and umpiring for local youth softball games, which have both been incredibly valuable and rewarding experiences. After graduating next spring, I plan on attending either UW-Madison or La Crosse. Although I am undecided in both a career and major, I do know that I want to make a positive impact no matter what I choose to pursue. All in all, I am immensely grateful for this opportunity and honored to be a Student of the Month!

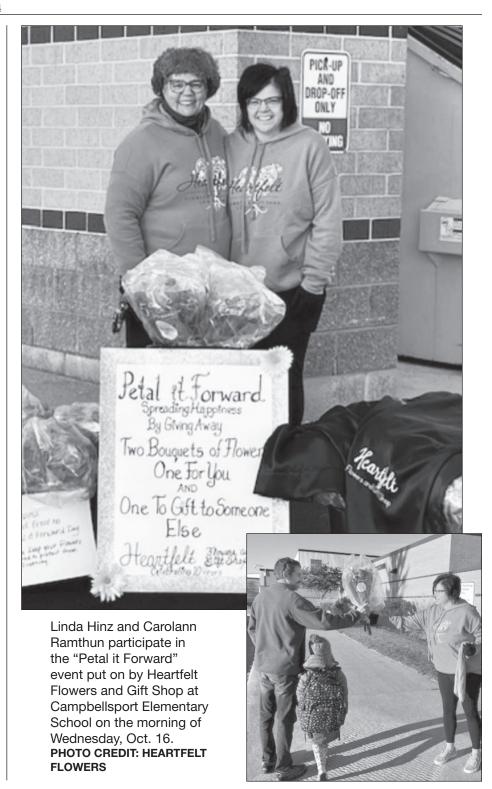

Macy Sabish

Hello! My name is Macy Sabish. Throughout high school I have been involved in many clubs and sports; I am the class of 2025's Vice President, on Student Council executive board, a National Honor Society member, vice president of Key Club, a Peer- 4-Peer, on the varsity tennis team, among other things. I love participating in just about every opportunity my way.

Although I am an active member of all these clubs, the activity that occupies most of my time is softball. I have been a varsity starter since freshman year and have been a four-time All-Conference recipient, with one of them being Conference Player of the Year, as well as a first team all-district award. I am also a three-year captain of the team.

Outside of school, I love reading, being outdoors, lifting, and spending time with friends and family. I also travel year-round playing in tournaments with my club team all over the country. Another huge passion of mine is teaching and working with youth. I am a co-president of Spanish Club, and I have tutored several Spanish students at different ages helping them with their school work by translating and helping them learn some English. This also translates into softball where I've spent a lot of time volunteering instructing pitching camps to young softball players.

After high school, I am playing softball at Rock Valley University. I plan to double major in political science and business in hopes of becoming a corporate lawyer.

CommunityCALENDAR

(We welcome submissions to the Community Calendar by emailing Clarice Case, editor, at *ccase@mmclocal.com*. Deadline for each Thursday edition, with the exception for holidays, is on Monday at 2 p.m.)

K.H.S. Cross Country Competes in Conference Meet

BREANNA RICE JOURNALIST

The Kewaskum High School cross country team raced at Barlow Park in Ripon on Saturday, Oct. 19.

"The team had a fantastic race," stated Coach Bicknell.

Olivia Gerhartz had a stand-out performance at the competition and was awarded first team all-conference.

"Oliva ran her best race of the season setting both a personal and a school record with a time of 19:15. She placed third at the conference meet. Olivia has trained hard all season and her hard work is paying off," stated the coach.

Bicknell also mentioned that Si Qi Gundrum and Makenna Poole set personal records at the Ripon meet.

On the boys team, Wyatt Luedtke, Carter Heimerman, Benjamin Ebert and Elliott Schulz all set personal records.

"Benjamin Ebert started the season with times in the 22's and has now dropped to a personal record of 18:16 at this meet. He has shown tremendous improvement," said Bicknell.

Additionally, Wyatt Luedtke was awarded second team all-conference and Carter Heimerman was awarded honorable mention.

"I thought both teams ran really well in a meet that featured four teams ranked in the top 16 in the state and seven teams ranked in top 40 of all of Division Two," added Head Coach Peterson.

On Friday, Oct. 25, the cross county team will travel to Waupaca for the WIAA D2 Sectionals.

Eli Steinbauer (#3) hustles past the Kiel defense during the last game before playoffs on Thursday, Oct. 17.

K.H.S. Boys Soccer Earns Seventh Seed in Playoffs

KHS BOYS SOCCER

A struggling Winneconne Wolves traveled to Kewaskum for the final East Central Conference game ever on a chilly Tuesday, October 15. The conference is being disbanded and teams have been entered either into restructured or newly created conferences for next year. So, both teams are looking to go out with a bang. Although Winneconne has struggled this season with getting winning results, they have been in all of their games. They do not give up a lot of goals and rely on their defense to keep them in games and hope to steal a result. Kewaskum will have to play smart and under control to not allow a sneaky opportunity get by them.

The home team dominated possession through the first 25 minutes creating a number of chances but, as they do, with growing confidence got a little out of their game plan and began firing shots from long distances. Like the rest of the season, this game was no different, and they were not able to get many on target or any past the capable Winneconne goalkeeper. So, it is no wonder that the Indians got their first goal of the game when Mac Hasse sent in a corner kick that was cleared out of the middle, played back to the junior midfielder by Luciano Olla, then crossed back in to a charging Charlie Gambino who redirected the cross with a header to a waiting Colton Rabe who hammered a shot to the far post. More and more shots continued to get put in towards the goal for Kewaskum but they either got pushed away from the keeper or blocked by the defense who collapsed the middle of the field to prevent a further deficit by half time. The tactic worked as the one goal was all the Indians could muster in the first half.

The second half was more of the same from the Indians with complete dominance in the possession game but they, unfortunately, could not put anything past the Winneconne defense. That was until 11 minutes into the half when birthday boy Luciano Olla headed home a perfectly lofted corner kick delivery from his brother, Ali Olla. Less than a minute later, Mac Hasse

Luciano Olla (#6) and Mac Hasse (#5) keep the ball in Kewaskum's possession in the game against Winneconne.

blasted home a 30-yard missile to increase the Kewaskum lead to 3-0. With the game in hand, Kewaskum began relying on some of their newer talent to preserve their lead. Freshman midfielder AJ Droese really stepped out of his shell in this game providing valuable minutes in the central midfield, while sophomore Evan Daley really showed what the coaching staff has been waiting for from him by demonstrating his capabilities both in the defensive back line and midfield. Blake Staral and Ryan Perales continue to improve and have proven to be more and more reliable, while newly called up varsity member Joel Maas got some of his first minutes and exposure to the higher level.

It was another good display of team effort where most everyone was able to get in and contribute to the team's shutout victory. A great way to end the EEC tenure for Kewaskum boys soccer and to rebound from a rough end of the previous week. With one game to go in the season and the playoffs right around the corner, the Indians need to continue to work to get their hopes of a deep run further into the playoffs to fruition. The talent and ability is there. The team work and organization needs to continue to gel and then the sky's the limit for this team.

The Plymouth Panthers came out strong by scoring off a running touchdown early in the game. The visiting team went for the two-point conversion but were unsuccessful, making the score 6-0.

The Panthers scored four more times before the half was up and completed a two-point conversion, while holding the Indians to zero.

After halftime, Kewaskum proved to stop the visiting team's offense better than in the first two quarters.

The Panthers scored their final points off a running touchdown in the third, reflecting a score of 42-0.

In the fourth quarter, senior Landon Daniel put Kewaskum's only points on the board with an 80yard breakaway run. Kewaskum attempted to go for two extra points but were unsuccessful.

The final score was 42-6, a difficult end to the season for the Indians.

"I am very proud of the seniors for their efforts and leadership this season, they never gave up," concluded Coach Kreif. "There is a lot of potential for the future of Kewaskum football, and the coaches are very excited for what's to come."

Tyler Kehres (#26) and Riley Kuehl (#7) share a photo together after Thursday's win against Kiel.

Vs Kiel

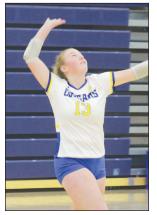

Another beautiful, fall evening for soccer at the Doc Mitchell complex. The Kewaskum boys played host to the *wissports.com* Division 4, second-ranked Kiel Raiders. Kewaskum hasn't fared well this season against ranked opponents, and in the first few minutes of the game, this looked to be the same.

Kiel came out hot and earned a corner kick right off the bat. A poor marking effort from the Indians, luckily, didn't result in a score from the Raiders but it definitely gave the visitors a head full of confidence because they continued to pour on the offensive pressure. Kewaskum could not get the ball out of their defensive third and allowed Kiel to push their way into the penalty area with ease and space. An early reactionary save from senior goalkeeper Riley Kuehl and a re-directed clearance from junior left back Braydin Gell had just enough on it so the crashing attacker from Kiel could only put a shot into the

Campbellsport Football Finishes Regular Season with a Win

BEN PRIESGEN JOURNALIST

On October 18, Campbellsport football beat Omro 40-20 to finish their season on a winning note.

"We played well on Friday night, especially on defense, and we had some big plays on offense but still didn't play a complete game," said Head Coach Todd Wondra.

Campbellsport (6-3, 4-3) got stopped on a fourth and one at the Omro (1-8, 1-6) 39-yard line.

The Cougars' defense rose up with a combined tackle for a loss by Amadeo Rodriguez and Blake Heltemes which forced the Foxes to punt but the Omro punt pinned Campbellsport at their own one-yard line.

Omro caused a Campbellsport fumble, which was scooped by the Foxes' Jason LaKosh for a four-yard return for a touchdown at the 5:08 mark in the first quarter to give Omro a 6-0 lead over the Cougars. Luke Pendowski provided a major spark on the ensuing kickoff with a 73-yard return for a touchdown to give Campbellsport a 7-6 lead with 4:55 on the first quarter clock.

with 1:27 remaining on the clock.

The two defenses traded stops during the next three offensive possessions in the game before Campbellsport got another explosive play from their running game with Pendowski scoring a 30yard rushing touchdown with 4:06 left in the first half to push the Cougars' lead to 28-6.

Trent Schladweiler had a leaping interception to stop the next Omro drive to give the ball to his offense at the Omro 41-yard line.

Campbellsport's offense drove to the Foxes' eight-yard line before a Cougar fumble ended another opportunity for them to add points before halftime.

Omro got a 29-yard passing touchdown from Lucas Kasuboski to Mason Huth on their first drive of the second half to make the score 28-12 in favor of the Cougars with 8:31 on the third quarter clock.

making plays in all three phases of the game for us," said Wondra.

The two defenses each got fourth down stops to stop the respective offenses in their tracks.

Kasuboski connected with Brock Frye on a 49yard passing touchdown for Omro to bring the score to 40-20 in favor of the Cougars.

Campbellsport's running game, which had 313 yards on the night, was able to run out the final four-plus minutes of the game to finish off the 40-20 road, conference victory.

"Our running game was able to come up with some big plays this week but I believe we missed a couple other big plays," said Wondra.

Campbellsport received a No. 6 seed in Division 4 of the WIAA tournament and will travel to three-seed Berlin in the first round of the playoffs on October 25 at 7 p.m. during the upcoming week.

"Luke responded big for us with that kickoff return for a touchdown after the miscue on offense," said Wondra.

Campbellsport got the ball right back on Omro's first play after the kick return when Rodriguez caused and recovered a Foxes' fumble at the 48-yard line.

The Cougars' Heltemes took the handoff and burst down the left sideline for a 48-yard rushing touchdown at the 4:43 mark in the first quarter to make the score 14-6 in favor of Campbellsport.

Campbellsport's defense forced a three and out to give the ball right back to their offense at the Omro 48-vard line.

Heltemes produced another big play when he went down the right sideline by sprinting away from the Omro defense for a 28-yard rushing touchdown to extend the Cougars' lead to 21-6

The two teams traded punts to each other before Campbellsport took possession of the ball at the Omro 45-yard line. On the first play, Riley Kohlmann broke multiple tackles to get through the defense then galloped the rest of the way into the end zone to push the Cougars' lead to 34-12 with 3:09 left in the third quarter.

The Cougars' forced another Omro fumble caused by Kohlmann to stop the Foxes' next offensive possession to give the ball back to the hands of their offense.

"Our defense has been our strong suit all season, and we will need the defense to stay on top of their game as we head into the playoffs," said Wondra.

Campbellsport got a passing touchdown from Braden Bothe to Pendowski for a 22-yard passing touchdown with 7:08 left in the game to extend the Cougars lead to 40-12.

The touchdown was Pendowksi's third touchdown of the game with scores showing off his skills in the passing, rushing and return phases of the game.

"Luke is a special athlete with his speed being a big weapon, and he never comes off the field by

CHS VOLLEYBALL from page 11

lie Smith spike, the Cougars extended their lead to 12-10, before the Spartans went on a 5-2 run to lead 15-14.

Emma Muraski had a big block to tie the set at 15 for the Cougars but Laconia scored the next three out of four points before Smith had a nice tip shot to make the score 18-17 in favor of the Spartans.

Laconia took control of the first set by outscoring Campbellsport 7-1 to win the first match by the score of 25-18.

The Spartans came out firing on all cylinders with a 7-2 lead before a Cougar timeout, then Campbellsport got a Shealyn Willacker spike to get some momentum after the timeout.

The Cougars got a Smith spike and service ace to bring the score to 17-11 in favor of Laconia but the Spartans closed out the set with an 8-2 point run to win the second set with the score of 25-13.

Laconia started the third set fast with an 8-3 lead over the Cougars but then Campbellsport got some good plays with a Megan McCarty block and an ace from Muraski to bring the score to 12-8 with the Spartans in the lead.

McCarty got another block for the Cougars to stop a Spartan run and put the score at 15-10 after her play at the net.

Laconia showed why they are a ranked team with a finishing kick in the third set to clinch the Flyway Conference for the second consecutive year by winning the third set and match with a 25-16 victory.

Campbellsport volleyball received a No. 5 seed in Division 2 of the WIAA tournament and they will host No. 12 NFDL on October 22 at 7 p.m. during the upcoming week. The winner of the match will play at No. 4 seed Sheboygan Falls on October 24.

DEER POACHING from page 2

this investigation, those words remain my best summation of the situation. Wildlife and hunting are a deep part of Wisconsin's heritage and history, and the horrific acts committed against these animals will shock the conscience of hunters and non-hunters alike. We're thankful for the

observant citizen who took the time to report

KHS SOCCER from page 10

outside netting of the goal that kept the score 0-0.

Kewaskum had multiple turnovers that allowed the Raiders to continue to pour on the pressure and had the Kewaskum defense reeling. Right up until Kiel played an errand pass right to Kewaskum's center back Will Haydin, who played a one touch pass up to Mac Hasse, who then pushed a pass to Colton Rabe. who was slashing to the middle of the pitch and then threaded a beautiful ball through the backfield of the Raiders defense right to Eli Steinbauer, who just flat outpaced the entire defense, made a slight move to avoid the collapsing keeper, and passed the ball into the back of the net for the first score of the game. It was a perfect result for a really well executed counter attack from the Indians team.

Kiel continued to put on the pressure but with the one goal cushion, Kewaskum began to relax a bit and play more composed. They still struggled to get a possession advantage going with some needless turnovers and a very physically aggressive defensive pressure from the Kiel team. So physical that we saw junior winger Charlie Gambino go down with injury not once but twice and saw an altercation between a Kiel attacker and a Kewaskum defender that resulted in a yellow card for the Indians' defender.

The first half ran through as a back-and-forth affair with Kuehl being called upon a few more times to keep the goal clear and the rest of the defense to do just enough to keep the Raiders far enough out to not allow them to test the Kewaskum keeper too severely. A 1-0 scoreline at the half was a very good result for the home side.

The second half was more of the same as a back-and-forth affair with Kiel, controlling the majority of the possession.

Kewaskum struggled trying to string long passing combinations together all evening, which directly contributed to Kiel's continued presence in Kewaskum's defensive end of the field and earning them a 10 to 2 advantage in corner kick opportunities. Fortunately, the Kewaskum defense, again, did just enough to keep the Raiders from putting one over the goal line. Kiel continued to put pressure on the home team's defense, which had everyone on edge with concerns of

Luciano Olla (#6), Oliver Grover (#8), Will Haydin (#23), Colton Rabe (#4), and Eli Steinbauer (#3) on the field at a recent home game. **SUBMITTED PHOTOS**

how long they could hold out before giving up an equalizing score. Kewaskum continued to hold off the Raiders' advances and stepped up to the physical play in the game, which did pay dividends when striker Colton Rabe got bowled over just past the half field line. Following a brief conference, Ali Olla stepped to the free kick and delivered a dime to a leaping Mac Hasse who deftly headed the ball up and over the outstretched arm of the Kiel keeper to give the Indians a twogoal cushion 12 minutes into the second half.

Kiel continued, and may have even increased, their physical play, trying to get back into the game. With the playoffs a week away and after a long season, the Indians began subbing out their bigger minute guys for fresher legs. Bryce Wildt, Evan Daley, and Blake Staral all contributed off the bench to bring home a hard fought but well-earned shutout victory, their seventh, to close out the season for the Kewaskum Indians' boys soccer team. With a 10-7 record and a No. 7 seed in their sectional, the Kewaskum Indians had a successful season, so far. As the playoffs approach, the team seems to be putting some things together and looking to make some noise and a deep run in the state tournament.

It all starts Thursday, October 24 at 7 p.m. at home in the Doc Mitchell complex when they play host to the Marinette Marines. Come out and cheer on your team, Kewaskum!

Goalkeeper Riley Kuehl (#7) keeps Winneconne from scoring on the shot in last Tuesday night's home game.

their observation of suspicious circumstances to our sheriff's office. Their call initiated this significant investigation. We also want to thank the public who came forward with information that led to a more comprehensive investigation after

our initial media release.

I also want to personally thank the Wisconsin Department of Natural Resources for their diligent and collaborative efforts throughout this investigation. Their expertise was invaluable in determining the facts and identifying violations of law. Working together jointly on this investigation, our goal was to document and present the facts of this case that will lead to accountability for the senseless, reckless, and indiscriminate assault on Wisconsin wildlife – wildlife we all, as residents, share in the responsibility of managing and protecting.

With hunting season upon us, citizens are reminded they can call or text to report suspected DNR violations to the DNR Violation Hotline at 1-800-847-9367. If the violation potentially endangers other humans or property, 911 should be called.

Seventh Grade Gridiron Indians Find Success Over the Weekend

KEWASKUM GRIDIRON

The 8th grade Gridiron Indians began their Division 2 playoffs this past Saturday, Oct. 19, with all the Gridiron teams facing the Pewaukee Pirates Black. The 8th, 6th and 5th grade teams suffered defeats, while the 7th grade team was able to come away with a victory.

Eighth Grade

The 8th grade Gridiron Indians played a tough team and battled hard but, ultimately, were defeated by the 6-1 Pewaukee Pirates Black by a score of 20-8.

In the first half, both teams had some nice offensive drives but neither were able to get on the scoreboard until about a minute before halftime when Pewaukee hit a long pass play for a 70-yard touchdown and made the two-point kick to take an 8-0 halftime lead.

In the second half, Pewaukee received the ball and put a nice drive together, resulting in another touchdown to make the score 14-0. The Indians then answered back with a nice drive of their own that ended early in the fourth quarter when RJ Ciriacks was able to score on an 11-yard touchdown run, and Kamden Derge made the two-point kick to cut the deficit to 14-8.

On the following drive, Pewaukee was again able to connect on a long pass for a touchdown to make the score 20-8, which is how the game ended.

The Indians' offense was led by Ciriacks who rushed for 93 yards and had a couple of catches for 50 yards, as well.

Defensively, the Indians were led by Jack Upson who had a sack and tackle for a loss, and both Ciriacks and Derge had a tackle for a loss, as well. With the loss, the Indians are eliminated from the playoffs but will still play a game in week eight for their final game of the season.

The Indians' record currently sits at 4-3.

Seventh Grade

The 7th grade Gridiron Indians played a great game on both offense and defense, coming away with a solid 28-0 victory over the Pewaukee Pirates Black. In the first half, the Indians got touchdowns by Cade Wichtoski from Henry Ogi, Bowen Nass from Ogi, and then a rushing touchdown from Ogi. Other nice offensive plays included a nice run by Micah Peck and a 30-yard catch by Walker Sabish. Defensive plays in the first half included an interception by Wichtoski, great tackles by Nass and August Vorwerk, and a safety tackle by Vorwerk, which led to a 22-0 halftime lead.

In the second half, the Indians got another Ogi to Nass touchdown on offense as well as some nice runs by Ogi and Cole Kertscher. The defense continued its strong play with nice plays made by Cooper Norville, Ryker Gigstead, Mason Spoerl and Emmett Schulz.

With the win, the 7th grade improved their record to 5-2 on the season.

Sixth Grade

The 6th grade Indians fell to an undefeated Pewaukee Pirates Black team, this week, 24-6.

Pewaukee found the endzone late in the first quarter on a long run. The two-point kick attempt was blocked by Shane Guttman.

The Indians bounced right back with a quick drive ending in a three-yard, Charlie Ogi rushing touchdown, tying the game 6-6 as Kewaskum's two-point kick was also blocked. Ogi accounted for 68 yards rushing on this drive alone.

On the ensuing kick, Owen Petrie recovered an onside kick to put the Indian offense back on the field. This started a field position battle, where neither team was able to get any momentum, until Pewaukee broke into Kewaskum's redzone. The

Indian defense held strong, regaining possession on a fumble recovery by Ogi, but the half would end in a 6-6 tie.

Pewaukee started the second half with a quick touchdown, and it kept the momentum the entire second half. Pewaukee was able to find the endzone two more times, making the final score 24-6.

The Indian offense was led by Ogi with 76 yards rushing and a touchdown. Decker Schutz added 45 rushing and 26 passing. Kewaskum's defense was paced by Ogi who had five tackles and a fumble recovery. Owen Petrie added three tackles and a fumble recovery. Shane Guttmann and Gage Lang each had three tackles, while Owen Rabuck added two tackles and a fumble recovery.

With the loss, the 6th grade team dropped to 4-3 on the season.

Fifth Grade

The 5th grade team fought hard but struggled to find a rhythm against a tough Pewaukee team and ended up being defeated by a score of 27-0.

On the defensive side of the ball, Owen Paulus had a nice open field tackle, Colt Bryant made a great hustle play chasing down a ball carrier for a touchdown saving tackle inside the 10-yard line towards the end of the first half, Logan Watzlawick had some nice run stuffs, and both Kristian Reimer and Beckett Boeldt had quarterback sacks.

On offense, Jeffrey Logan had a nice first-down catch, and Parker Marx had a strong run in which he lost a shoe but kept running for several more yards.

With the defeat the 5th grade team's record dropped to 4-3 on the season.

All the teams will close out the 2024 season next Saturday, October 26, with their opponents and locations yet to be determined at the time of printing.

Campbellsport Elementary School Presents "The Pied Piper"

High School was transformed the Town of Hamelin last week as students from Campbellsport Elementary School performed the musical "The Pied Piper."

The show told the story of the Town of Hamelin, which was overrun by ravenous rats. Sara, an orphan girl, and the other Townspeople of Hamelin Town turned to the Mayor of Hamelin and the Council when their town was threatened.

They then called on the Pied Piper to save them from the troublesome creatures. The Mayor's children, staff and cooks also joined in the endeavor. The tale went on to show what happened when the town chose not to pay the Piper, and the children were led away from the town along with the rats! The Campbellsport Elementary School PTO sponsored the show, which was presented by Missoula Children's Theatre. Students auditioned for the show last Monday. Then, MCT tour actors/directors conducted rehearsals throughout the week. The students memorized lines and learned how to act, dance and sing on stage. After just four days of rehearsals, the students performed the musical on Friday and Saturday. The Missoula Children's Theatre touring productions are complete with costumes, scenery and props. Celebrating over 50 years of touring, the Missoula Children's Theatre International Tour has fostered developmental life skills in more than a million

The stage at Campbellsport kids. the tour reaches 65,000 children in more than 1,000 communities in all 50 states and at least 15 countries each year.

The cast included:

Pied Piper: McKinley Winkler Sara: Myla Waldschmidt

Mayor's Son: Henry Hafermann Mayor's Clara Daughter: Guenther

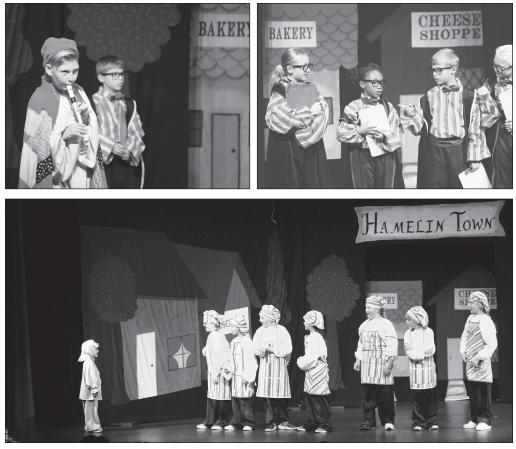

Mayor's Youngest: Pepper Wagner

Council Members: Kendall Gruber, Nora Krebs, Amelia Loehr, Kallin Luell, Lincoln Schill and Zariah Walton-Letherwood

Hamelin Administrative Team (HAT): Emma Del Ponte, Ayla Konen, Morgan Fewless, Connor John, Serenity Stoffel and Ada Zimdahl

Cranes of Wisconsin License Plates Now Available from Wisconsin Department of Transportation, Proceeds Benefit International Crane Foundation Work in Wisconsin

The International Crane Foundation is excited to announce the Cranes of Wisconsin license plates are now available to order from the Wisconsin Department of Transportation. The license plate, designed by Wisconsin artist Jay Jocham, features the two species of cranes native to North America and Wisconsin: the Sandhill Crane and the Endangered Whooping Crane.

"We are very pleased that Whooping and Sandhill Cranes will now grace roadways all around the state and country," said Dr. Rich Beilfuss, President and CEO of the International Crane Foundation. "Not only does this new, beautiful license plate directly support our important work financially, but its high visibility will also ensure more people have the opportunity to learn about these beautiful birds and the habitats upon which they rely."

For each plate and subsequent annual registration, the Interna-

Cranes of Wisconsin license plate became available through the Department of Transportation on Oct. 9, benefitting the International Crane Foundation. **SUBMITTED**

tional Crane Foundation will receive a tax-deductible donation of \$25. Funds from the license plate are earmarked to support two of the Foundation's key projects in Wisconsin: the continued efforts to reintroduce the Endangered Whooping Crane and the resolution of crop damage caused by Sandhill Cranes. The International Crane Foundation has worked in Wisconsin's agricultural communities for three decades to resolve the issue of crop damage by cranes. The Foundation was instrumental in field-testing to prove the effectiveness of Avipel seed treatment, a non-toxic deterrent that prevents cranes from consuming freshly-planted corn seed. Though the treatment has been available to farmers since 2006, the cost remains a significant hurdle to its widespread use.

"The issue of crop damage by cranes is one of great importance here in Wisconsin," Beilfuss added. "Our Wisconsin team is working hard to ensure that farmers get the help they need through in-thefield farmer outreach and policy advocacy. This Cranes of Wisconsin license plate will further that mission."

The Foundation, which has its global headquarters in Baraboo, Wisconsin, works worldwide to conserve cranes and the ecosystems, watersheds, and flyways on which they depend. The organization provides knowledge, leadership, and inspiration to engage people in resolving threats to cranes and their diverse landscapes.

The license plate is available as of Oct. 9, 2024, and can be ordered directly from the Wisconsin Department of Transportation.

The Kettle Moraine Angels donate \$250 to the Kewaskum Public Library. Presenting the check to Director Lori Kreis are Jenn Schroeder and Kay Prepodnik. **SUBMITTED**

Greetings from the Campbellsport Public Library!

As the crisp autumn air settles in and we approach the season of thankfulness, our library is excited to announce a special initiative to give back to our community! From November 1 through November 15, we invite you to participate in our Food for Fines event.

During this period, patrons can bring in nonperishable food items to help support our local food bank. In return, we will waive up to \$10 of your library fines. This is a fantastic opportunity to clear your overdue balances while contributing to a worthy cause that benefits our community.

Why Participate?

1. Show Gratitude – November is a time to reflect on what we are thankful for. By participating in this event, you can express your gratitude by helping those in need.

2. Support the Community – Your donations will directly support local families who are facing food insecurity. Every can or box of food makes a difference.

3. Clear Your Fines – This is a great chance to start fresh with your library account. For every nonperishable food item you donate, we will waive \$1 of your fines, up to a maximum of \$10.

We are incredibly thankful for the continued support and patronage of our community. Let's come together this November to spread kindness and gratitude. If you don't have fines, but would like to contribute to the food pantry, please feel free to bring your items to the library. A list of needed items can be found on the Campbellsport library Facebook page. People with questions can call the library at 920-533-8534. **Please note some restrictions apply – donations of food, will not replace fees for lost or damaged items.** ries, crafts and games. Enjoy learning and socializing with other children and families in the community.

• Oct. 30 – Halloween *Youngsters are invited to wear their Halloween costumes!

Fall Fun!

On Friday, Oct. 25, between 1 p.m. and 4 p.m., children and families are invited to stop at the library for some fall fun. We will have games, crafts, and glow-in-the-dark temporary tattoos. At 4 p.m., we will be showing the movie "Despicable Me 4," and to add to the fun, those who come for the movie will get to create their own Halloween snack mix to enjoy! Check out our Facebook event page for more information.

Monday Movie of the Month

The Monday Movie of the Month for October 28, will be "Hard Miles, an uplifting true story about the bicycling team at Rite of Passage's Ridgeview Academy, a medium-security correctional school in Colorado. The film follows coach Greg Townsend as he assembles an unlikely crew of incarcerated students for a seemingly impossible bike ride from Denver to the Grand Canyon. Inspired by the life of Greg Townsend and the Ridgeview Academy Cycling Team, the movie portrays how these troubled young men found another gear. Showing at 1 p.m. and 6 p.m., this movie is rated PG-13 and has a run time of 1-hour 48-minutes. Free popcorn will be served, please feel free to bring a comfortable chair along with you.

Library Hours

The library is open Monday-Friday, from 9 a.m to 6 p.m.

POSITION ANNOUNCEMENT: ADVANCED EMT

The Village of Campbellsport, WI (Population 1924) is seeking energetic, personable, community minded professionals to serve as Advanced EMTs. Campbellsport is a growing rural community that is in the heart of the Kettle Moraine and offers outstanding public & private schools, vision, dental & medical facilities, local shopping, parks and small businesses. We pride ourselves on being a great place to live, work, relax and visit by providing high quality municipal services.

Under general supervision of Fire Chief and reporting to the Village of Campbellsport, an Advanced EMT renders emergency first aid and medical treatment; maintains all ambulance department apparatus and equipment; assists in training programs and public education activities; and performs related work as required.

This is a fully-skilled position requiring the ability to perform the full range of duties that may be assigned the position. The work involves responsibility for preventing loss of life and property and minimizing the effect of injuries in emergency situations. It is frequently performed under hazardous conditions requiring rapid response and strenuous physical exertion. Major elements of the work are participation in responses to emergency situations, in-service training, first aid, and communications equipment. Work is performed under close or general supervision depending on the nature of the assignment. An Advanced EMT is required to exercise initiative and discretion when faced with emergency conditions. This is a full-time position with the Village of Campbellsport, has compensation starting at \$21.63/HR based on qualifications & experience, and includes a full benefits & retirement package. Proposed schedule to include 12 hour shifts for full time, 3 days on, 3 days off, but is subject to change. Job description can be found at https://tinyurl.com/7384km93

AN OUTDOORSMAN'S JOURNAL

WRPCO's Deer Hunt for Hunters with Disabilities was Simply Amazing

MARK WALTERS COLUMNIST

Hello friends,

This is a guaranteed week where I simply cannot even put 25% of what I would like to in a column, due to space. In simple terms, I had an amazing weekend.

First, Chuck and Kathie Stelzner live in Howards Grove and read this column in *The Plymouth Review*. Several years ago, the Stelzner's sent me a Christmas card and, in the years since, we have become very good friends. Last June, Chuck asked me if I would help him if he was chosen to participate in a deer hunt with disabilities. Naturally, I said yes.

Second, want to see why the USA is the greatest country on the planet? Watch the maybe 20 volunteers that ran this hunt from cooks to guides. These men and women give their time year-round maintaining blinds, shooting lanes and food plots. Simply put, they are the best of the best and the CEO of this corporation should be very proud as they are all employees of WRPCO.

Third, the Petenwell Wildlife Area is 750 acres of land, water and marsh that is basically blocked to the north by the Petenwell Flowage, the south by highway 21 and the west by the Wisconsin River and the dam that holds the water for the Petenwell Flowage. This area is a wildlife refuge with the only hunting that takes place being this annual hunt where 10 hunters are given an incredible experience.

Fourth, my home is a mile as the crow flies from the refuge.

Friday, October 11 High 75, Low 53

Here is where I have to be quite vague. Ten hunters with disabilities ranging from blindness, wheel chair

Richard Havey and his daughter, April Havey, are a proud team after April harvested this doe during WRPCO's Deer Hunt for Hunters with Disabilities. MARK WALTERS PHOTOS

bound or serious illness, and their guides, which in some cases, such as Chuck's, were friends or family members or WRPCO employees/volunteers, listened to what I would call the Hunt Master, Ben Johnson, give a serious and also humorous talk on the entire weekends plan with SAFE-TY being the number one subject.

Afterwards, everyone, which was maybe 40 people, introduced themselves, and then each hunt team was taken out for the evening hunt by a WRPCO helper.

Chuck and I would be watching about a 400-yard stretch of open area and had a very comfortable hunt but did not see a deer. Most hunters did see deer, and what I thought was the coolest story of the night was the father/daughter team of Richard Havey and his daughter, April Havey. April is blind and has an excellent "can do" attitude, she is 36, from West Allis and with the coaching of her father, made an excellent shot on an adult doe that died right deer is allowed on this hunt and even though Chuck had a doe tag, he was holding out for an outside-the-ears buck. After our hunt, the Necedah Lions Club cooked up about as tasty of a breakfast for 40 people as you could imagine.

I have tried to mingle with every-

one that is a part of this awesome American story of giving back, and two new friends for me are Dennis Wesaby of Menominee and his brother Keith of Owen.

Keith, who used to be a janitor for the Thorp School District is blind. These two had a couple of slow hunts but kept an excellent attitude and mingled with everyone at the headquarters all weekend. On their afternoon hunt, there were lots of doe and excitement, then a beautiful eight-point buck entered the field and was 70 yards away and Dennis tried talking Keith through a shot. Next thing you know, the buck got in a bad position with one of the pillars in the blind and Keith goes from shooting right-handed to left-handed and drops that eight-pointer! If that is not enough meat in that story, it had been 45 years, 1979, since Keith shot a deer.

Folks, this is a hunt that people with a Class A, B, C, or D disability could have a strong chance of getting into next year. The application process begins in March with a June deadline. Check out *wisconriverpowercom*. I give everyone involved an A plus for a job well done.

Sunset

With News Tracker's trusted media monitoring services, you get real-time updates sent directly to your inbox, **saving you valuable time and money.**

Keith Wesaby, who is blind and lives in Owen, harvested this 8-point buck with the help of his brother, Dennis Wesaby, during WRPCO's Deer Hunt for Hunters with Disabilities.

in its tracks.

After dark, a lasagna dinner, which is this hunt's tradition, was provided, and four of the 10 hunters were tagged out.

Saturday, October 12 High 61, Low 43

Chuck is staying at my house, and we were back to headquarters at 5:00 this morning then driven to a different stand. You are offered four hunts, and each hunt you are in a different stand which is a well-built, close to ground level, box stand with a roof.

Chuck and I are good buddies and while watching for deer we are either talking pretty intelligently or as all of our new friends often witnessed, giving each other a hard time.

Chuck Stelzner, who is 80, has lived a very full and successful life and is an excellent mentor to me.

This morning, we saw 11 deer, and the last one had a large and very beautiful coyote chasing it. Only one S News
